Lolita

Exclusive Interview

Lolita has become one of the most admired beauties of the *Private* sex-stars. The enigmatic stare of her metallic and deep eyes actually disguise the cheerful character of a merry and extroverted girl that is in love with her life.

Do you have a boyfriend?

Well, I have a certain more or less stable relationship with a man, but I can't say he's my boyfriend (she laughs). Don't think I shun men, but right now I don't want to be tied down to anyone. I have enough friends so as to not feel alone.

And what does this "intimate friend" think about your appearing in sex magazines?

At first, I didn't tell him anything. Then I showed him a printed copy and... Well, it was a little complicated, right?

Your erotic fantasies...

Before or after *Private*?

Do you mean to say that your experience with *Private* has changed your sexual habits?

(While laughing) Men, you can imagine that the sex you publish in your magazines is not the sex that young girls practice normally, and I don't believe the older women either. Very few of them get fucked by two men at the same time in their entire lives... And that type of things, if you don't try them out in exceptional occasions of your life, normally don't occur...

Well then, do you or don't you have other sexual fantasies since you've become a *Private* Girl?

To be sincere, I must say yes... Before, I wouldn't even dare be penetrated in the ass and, above all, I always wanted my orgasm to last and last, without any limits... Now I've learned that quantity and quality are one, being fucked from the front and from the rear at the same time, pleasure is doubled... It's unbelievable. At first is quite scary, but later you feel pleasure, an intense pleasure.

Then your fantasy is to have them make a good sandwich with you...

Not exactly. When I'm turned on, at times I think I'd love to be in an orgy, surrounded by men and women fucking in groups and taking turns at the most outrageous postures. And that it should never end... But, how can I get so many people together? (She laughs out loud)

You're not a professional. Posing for *Private* has given you international recognition, and you've reached great success. Are you satisfied? What are your plans?

How can I not be satisfied? With what it took me to make up my mind? I don't think I've made a mistake. Although my objective was to be a top model, I must say that I've gotten to meet fantastic professionals with

Private, and I've really let I was amongst good and loving people. As for plans, I have none that are definite.

Come on, I'm sure you've already got some exclusive.

We'll see...

They say that what was most difficult for you to accept was for the guys to ejaculate all over your face.

Well, yes, of course... But it's not all that bad. I don't know how to explain it. Normally, we have a vision of things that's a little typecasted. When they showed me an issue of *Private* so that I could see what the action was all about, the magazine surprised me, but it seemed magnificent to me. The only thing that scared me a little was that shower of semen that always falls on the girls. Later, in fact, it's all much easier, and it's even beautiful to see how someone shatters out of pleasure thanks to you. Besides, I've always swallowed my lover's semen. But, of course, that's different.

Differently?

Sure, man. To swallow the come of a hard and beautiful cock is the most natural thing in the world, above all if you're really turned on. But to have some strangers come all over your face is more... squeamish. It depends a lot on the excitement of that moment, don't you think? In any case, I love to fuck, and I believe I have no prejudices.

In one of your appearances, exactly in number 24 of *Private*, you do your thing with two guys and with Barbara. How's lesbian sex?

Well, Barbara is just great, a woman with a lot of experience and quite dynamic. I try not to be prejudiced and, normally, I'm alright with women. That is to say, frequently I communicate better with my female friends

than with my male friends. But, in sex, I prefer cocks, above all if they are of a large calibre (she laughs and looks up towards the sky and sighs).

Would you be willing to do anything to achieve fame?

That's a very complex question. I must admit that fame... (she laughs) turns me on. Being surrounded by people that are almost exclusively taking care of me is the best gift a presumptuous person like me can receive. In any case, I deeply respect the love between people. It's one of the things that gives a meaning to all this.

Do you want to say anything special to the readers?

I want to tell them that I'm very happy that they enjoy seeing me in the magazine, and I thank them for expressing their affection. I would also like to take the opportunity to tell them that sex is something we should enjoy, but I ask them, from here, to take the adequate precautions if making love with people they don't know well. We cannot contribute to spreading such a terrible plague as AIDS. As for the rest... Kisses for everyone!

Lolita se ha convertido en una de las bellizas más admiradas de los sex-stars de Private. La enigmática mirada de sus ojos metálicos y profundos, esconde en realidad el carácter jovial de una chica alegre y extrovertida que está enamorada de la vida.

¿Tienes novio?

Bueno, tengo ciertas relaciones más o menos estables con un hombre, pero no se puede decir que sea mi novio (se ríe). No pienso que huya de los hombres, por ahora simplemente no deseo estar junta a alguien. Tengo amigos y amigas suficientes para no sentirme sola.

¿Y qué cuenta este "amigo íntimo" de tus apariciones en revistas de sexo?

Al principio no le dije nada. Le enseñé un ejemplar impreso y... Bueno fue una historia un tanto complicada, ¿no?

Tus fantasías eróticas...

¿Antes o después de Private?

¿Quieres decir que la experiencia con Private ha cambiado tus costumbres sexuales?

(Entre risas) Hombre, le puedes imaginar que el sexo que se publica en vuestras revistas no es el que practican habitualmente las jovencitas, y creo que el de las mujeres maduras tampoco lo es. Pocas llegan en su vida a ser folladas por dos hombres al mismo tiempo... Y este tipo de cosas, si no se prueban en ocasiones excepcionales de la vida, normalmente no se plantean...

Pero bueno, ¿entonces tienes o no tienes otras fantasías sexuales desde que te convertiste en una Private Girl? Para ser sincera debo decir que sí... Antes, si siquiera me atrevo a que me penetrasen por el culo, y sobre todo, siempre deseaba que mis orgasmos durasen más y más, que no tuvieran límite... Ahora he aprendido que cantidad y calidad van unidas: al ser follada por delante y por detrás al mismo tiempo, el placer se multiplica por dos... Es increíble, al principio da mucho miedo, pero luego se siente placer, un placer muy intenso.

Entonces tu fantasía es que hagan contigo un buen sandwich...

No exactamente. Cuando estoy cachonda a veces pienso que me encantaría estar en una orgia, rodeada de hombres y mujeres follando en grupos y turnándose en las posturas más arrevedas. Y además que no acabase nunca... Pero, ¿en dónde reino yo a tanta gente? (Se rie a carcajadas)

Tú no eres una profesional. Haber posado para Private supuso para ti ser conocida internacionalmente, y además has logrado un éxito rotundo. ¿Estás satisfecha? ¿qué planes tienes? Cómo no voy a estar satisfecha. ¿Después de lo que me costó decidirme? Creo que no me he equivocado. Aunque mi meta personal era llegar a ser una modelo de alta costura, tengo que decir que he

conocido a grandes profesionales con Private y me he sentido realmente entre gente buena y caritativa. En cuanto a planes, no tengo ninguno en concreto.

Venga, aseguro que ya tienes alguna exclusiva. Ya veréis...

¿Dicen que lo que más le costó asumir fue que ayuculaban en tu caso?

Bueno, sí, claro... Pero tampoco se para tanto. No sé como explicarlo. Normalmente, las personas tenemos una visión un poco encasillada de las cosas. Cuando me enseñaron un ejemplar de Private para mostrarme en qué consistía la acción, la revista me sorprendió y me pareció magnífica. Lo único que me causó un poco de reparo fue aquella fuvia de semen que siempre caía sobre las chicas.

Luego, en realidad, es todo mucho más fácil e incluso es bello ver como alguien se extremica de placer gracias a ti. Además, yo siempre he tragado el semen de mis amantes. Pero, claro, eso es dentro.

¿Dentro?

Claro, hombre. Tragarme el semen de una polla dura y hermosa es lo más natural del mundo, sobre todo si vas a cien. Pero que unos desconocidos se cortan sobre tu cara ya es algo más... delicado. Depende mucho de la excitación del momento, ¿no crees? De todas maneras, a mí me gusta foliar, y creo que no tengo prejuicios.

En una de tus apariciones, concretamente en el número 24 de Private, se lo montas con dos chicos y con Bárbara. ¿Qué tal el sexo trío?

Bueno, Bárbara es una tía genial, una mujer con mucha experiencia y muy vital. Yo trato de no tener prejuicios y normalmente me llevo bien con las mujeres. Es decir, a menudo conecto

mejor con mis amistadas femeninas que con las masculinas. Pero en el sexo prefiero las putas, sobre todo si son de gran calibre (se rie y mira al cielo suspirando).

¿Serías capaz de cualquier cosa por la fama?

Es una pregunta muy compleja. Tengo que reconocer que la fama me... (se rie) pone cachondo. Estar rodeada de personas que están casi exclusivamente por ti, es el mejor regalo que puede tener una presumida como yo. De todas maneras, respeto profundamente el amor entre las personas, es una de las cosas que dan sentido a todo esto.

¿Quieres decir algo especial a los lectores?

Quiero decirles que me gusta mucho que ellos gocen conmigo al verme en la revista y les doy las gracias por sus manifestaciones de afecto. También quisiera aprovechar para decirles que el sexo es algo de lo que debemos gozar, pero yo les pido desde aquí que tomen las debidas precauciones si mantienen relaciones con personas que no conocen. No podemos contribuir a extender una plaga terrible como el sida. Por lo demás... ¡Muchos besos para todos!

This place is like a dream. I'm as hot as the sand burnt by the sun. They say that if you want something sufficiently, your dreams can materialize...

Neverland

Este es un lugar de ensueño. Estoy tan caliente como la arena calcinada al sol. Dicen que si se desea algo con fuerza suficiente, los sueños pueden materializarse...

• ¡vaya! O mucho me equivoco o acabo de materializar dos magníficos sueños. Veamos si son capaces de ponerme crema.

• ¡Hola, chicas! ¿Sois una postal o me vais a dar bronca?

Αυτό το μέρος είναι σαν όνειρο. Είμαι τόσο ζεστό όσο και η άμμος που καίγεται από τον ήλιο. Λένε ότι εάν θές κάτι πάρα πολύ, τότε τα όνειρά σου πραγματοποιούνται...

• Δυσω! Ή κάνω ένα φοβερό λάθος ή μόλις υλοποίησα δύο υπέροχα όνειρα. Για να δείξει αν είναι και οι δύο σου αγγίζουν την κρέμα. • Για σας παύσει! Δείτε γιατί οι ηθοποιόι να με αγγίζουν οντολογικά!

Zana

Guya, I don't know whether you're real or a fantasy, but I'll settle for this. Give me your dreams and let me caress them...

Chicos, no sé si sois reales o fantasía, pero no me voy a conformar con esto. Dadme vuestras sueños y dejadme acariciarlos.
 • ¡Ooh! Parece el cuento de las mil y una noches.
 • Quiero hacerlas crecer hasta desbordar la imaginación.

Θυμίζω τον μύθο των 1000 νυχτών; Δεν ξέρω αν είστε πραγματικοί ή φανταστικοί, αλλά θα το δοκιμάσω. Δώστε κάτι παραπάνω από κορμί σας, και έτσι μπορεί να τα φαντάσω τα άστρα σας... • Θέλω να τα μεγαλώσω τόσο που να ξεπερνούν κάθε φαντασίωσή μου. • Θυμίζω είναι σαν την ιστορία "Χίλιες και μία νύχτες".

I want to make them grow until they surpass my imagination.

Ooh! This is like the story of the "Thousand And One Nights".

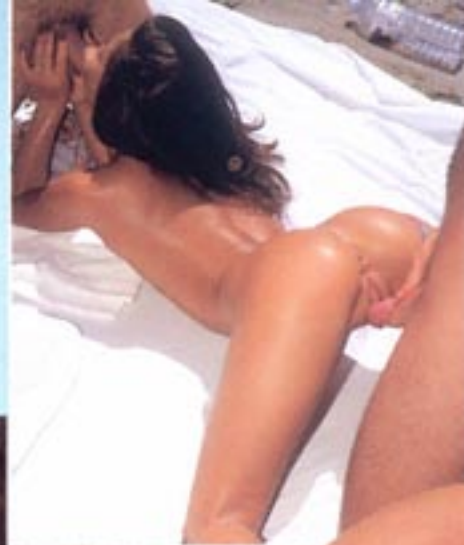

God, what rode!
I don't know
whether I'll be able
to swallow such a
cock.

Dios, ¡qué verga! No sé si podré
tragarme semejante polla.
• Pero sigue, sigue laméndome el
cabo y juro que la tragaré hasta los
cojones.

Θεέ μου, τι γυφάει! Δεν ξέρω αν είμαι
κανάλι να καταπιω τόσο μεγάλον
μούτρο. • Αλλά συνέχισε να
γλυφάς το μούρο μου και σου
υπόσχομαι ότι θα την καταπιω μέχρι
τ' οπίσθιο.

But keep on, keep on
licking my cunt and I
swear I'll swallow it up
to your balls.

Good heavens, if this is a
sunstroke, I hope nobody
rescues me. I want to be
fucked by the sun, all the
stars, the earth, the sea,
the animals...

Cielos, si esto es una insolación que
nadie me rescate. Quiero que me fulte
el sol y todos los astros, la tierra y el
mar y los animales...

Αν έχω ποτέ ηλιόπληξη να μην με
γυαλίζουν κανείς. Θέλω να γαμώω από τον
ήλιο, τ' άστρα, την γη την θάλασσα, τα ζώα...

¡Jamás pude imaginar esta
vorágine de sexo!
Convertiré mi caja en la
caja de Pandora y os haré
estallar en mil pedacitos
de picha. Clavadme,
empaladme para siempre.

Δεν μπορούσα να
φανταστώ τέτοιο γάμημα!
Ας κι άνοιξη το κομμάτι της
Πανδώρας και ηρώων όλων
κυνόδεξ ποταμούς.
Κλαψάει με, έτοιμα με.

I could never
imagine this
whirlpool of sex!
I'll turn my slit
into Pandora's box
and make you
explode in
thousands of
pieces of cock.
Nail me, impale

Ahora métela hasta el fondo.
Mmmh, así, cuidada... ¡qué bien!

Tuipo kusto you púxp púto. No auto civen.
ngooxtwa... etc

Mmm, that's it, be
careful... that's ideal

Now
stick it

¡Aaaa! Me siento colmada, me
estáis follando con la fuerza de los
embates del mar.

ΑΑΑΑ. ΜΕ ΕΧΕΤΕ ΛΕΩΚΙΔΕΙ, ΜΕ ΕΧΕΤΕ
ΕΡΩΤΕΙΣ ΜΕΤΑ ΤΗΝ ΚΑΡΕΛΑ.

¡Aaaa!
I feel overwhelmed,
you're fucking me with
the force of the
breaking waves
of the sea.

Mmmmm! The flavour of
dreams is salty and hot.
But, dreams don't
come...or do they?
Perhaps the story is the
other way around and I'm
your dream?

¡Mmmmh! El sabor de los sueños es salado
y caliente. Pero, los sueños no se comen...
¿o sí? ¿Acaso la historia es al revés, y soy
yo vuestro sueño?

Μμμμμ! Το άρωμα δεν κινδύει έτσι δεν
είναι: άρωμα μου το χυμό σας είναι μόνο...
έτσι... άραχ! Μήπως η ιστορία είναι
αντίστροφη και εγώ είμαι το όνειρό σου;

I can't believe it.
Two hours in this
ditch, two hours!
Don't any hot guy
go by here?

Did anyone say hot guys? Here
we are! It's early, you shouldn't
leave without having breakfast.
How about a pair of good cocks?

• No me lo puedo creer. Dos horas en esta
cuneta, ¡dos horas! ¿Es que no pasan tíos
cachendos por aquí?

• ¿Alguien ha dicho tíos cachendos? ¡Esos somos
nosotros! Es muy pronto, no deberías salir sin
desayunar. ¿Qué te parece almorzarte un par de
buenas pollas? Mena, ¡dale la lengua a tu destino!

Δεν μπορεί να το πιστέψω. Δύο ώρες σε αυτήν την
κυλάρα. Δύο ώρες! Δεν παρνάν καλένους γκάμένους
ανά εδώ; Είπε καλένους γκάμένους; Εδώ είμαστε! Είναι
νωρίς. Δεν έπρεπε να φύγεις χωρίς να φας πρωινό.
Τι λές για ένα ζευγάρι νόστιμης σαούρας;
Μηνό που βάλω τανί!

Baby, give some tongue to your destiny!

• Un desayuno de campo, cómo me
apetece... • ¿Sí?, pues te aseguro que
quedarás repleta. Mira qué despensa;
lista para ordeñar.
• Mmh, no sé por dónde empezar, pero
voy a acabar con todo.

• Ένα ημερίδα από ύπαιθρο, αυτό το πρωί
νέο... • Ναι! Μπορώ να σε διαβεβαιώσω ότι
θα το έξεις. Κοιτά αυτά τα ποτάκια: έτοιμα
να απολαύσεις... • Μάλιστα! Έξω από εδώ να
απολαύω, αλλά θα το απολαύσω όλα...

Angie

Oooh!
Little by little, spread me
wide, and let me raise my
little cat ass for your kid
brother...

I'm going to come!

*Incredible!
The more I
suck this
guy, the
more the
cock stuck in
my ass groove.
This is the height
of pleasure!*

*¡Increíble! Cuanto más mamada le doy a este, más erecto se queda que
tengo clavado en el culo. Es el colmo del placer!*

*Amazing! How my hubby jizzes longer & harder the more I suck him. His
cock is now stuck in my ass groove. This is the height of pleasure!*

Oh, no podré caminar en dos semanas; me
estoy partiendo en dos, y me encanta...
Siento las dos pollas quemándose dentro.
(Me están cocinando!)

Ουυυυ, δεν θα μπορώ να περπατήσω για δύο
εβδομάδες! Με σκίζετε στα δύο, και το
γλυατάρω...! Σίγουρα να είναι τις δύο pollas να
ψηλγούνται μέσα μου. Με Ακουverts!

Oh, I won't be able to walk in
two weeks; I'm splitting in
two, and I love it... I can feel
the two cocks burning inside
me. They're cooking me!

Boys, now it's
your turn.
I've given you all
my holes.
Therefore... give
me all your
come!

Muchachos, ahora es toca
a vosotros. Os he dado
todos mis orificios. Así
que... ¡dadme toda vuestra
leche! • Aah, me llevaré el
sabor de vuestras pichas
y... ¡mañana vuelvo a
hacer dedo!

Μάγκες, τώρα η σειρά σας.
Εγώ έδωσα όλους τους
τρυπνες. Γράστε δώρα μου
όλα τα κύρια σας! • Ααα,
θα κρατήσω την γεύση της
γκούνης σας και... αύριο θα
κάνω νότιο στρογγύλο.

Aah, I'll take the
taste of your rods
with me and...
tomorrow I'll
hitchhike again!

PRIVATE TOUR IN COSTA RICA

Vanessa, Zana & Griffany at the West Coast of Costa Rica

Behind the scenes in San José

From the jungle to the beach, Max Ophers and Francisco offer a little thing in the jungle

Max Ophers congratulates his talent Vanessa and her boyfriend. This is the day of their wedding

Destiny and Francisco

Francisco and Max shooting a scene under the sunset with Zane, Brittany and Vanessa

Crew and talent getting ready for a scene down by the river

It's 8 p.m. We arrive at the site of San José in Costa Rica. It's a little to the left of the main road. Water, the local manager, is waiting for us. He would like some of the members of the team to be more cheerful because it's not normal to shoot hard long here. Destiny, one of the girls, is recognized by an actor from "Cherry" (she's featured because he, a famous television star, has recognized her as a porn star). They keep on chatting while the rest of the group looks everything on the buses. When the first bus leaves, Destiny drives and starts to run after it. Unfortunately, it's too late when Destiny discovers a chair that was put up as a barrier. Her fall is so bad that she breaks her arm. It took us only ten minutes to load one of our actresses. That's not a good start.

The sixteen of us (we will be 34 before the trip is over) are sitting in the Mercedes hotel bar, trying to get to know each other better. After a long conversation (about how to live in Costa Rica) we get our names.

The next morning, the crew has a meeting to discuss the shooting locations. One of the points is to have a sequence in which Destiny's broken arm does not stand out, since she does not want to go back home. Other plans include going to a spectacular waterfall, and local people that want to cooperate, etc. We're all full of power from the very first day.

A RELIGIOUS GROUP MAKES THINGS EASIER

When we get back to the hotel we find out that Destiny is too busy to work, at least today. Two more actresses for now, tonight's plans have to be changed. We'll shoot in one of the hotel rooms before dark. The crew plans a lot of things, while Sally puts makeup on the actors in another room. Water is still worried about our decision. Although he came down a site when he finds out that the crew has contacted with a religious group (it's of course, it doesn't have long for someone in our group to start feeling religious ideas).

The location for the night scene is a suite with enormous picture windows and a terrace view (on all corners). Unfortunately, we don't have a double suite and, therefore, someone has to be staying next door, with only a thin wall between us.

THE FIRST SHOTS OF THE SHOOT

The four actors of the next scene are both Americans: Jacy Verbaan, Sean Michaels, Vanessa, a young lady that hated to wear clothes - that is to say, a real entrepreneur - and Zane. All the actresses, except for Vanessa (who doesn't need it due to her youth) do a lot of exercise, and have very well formed bodies. One of MYRA's rules is to have only sexy and very beautiful people.

Now everything is fine and the camera is rolling. Two students (Vanessa and Zane) come into the room, followed by two guys (Jacy and Sean). The girls are impressed by the luxurious jacuzzi they've offered. They start to feel each other up and, soon, both couples are in the bubbling warm water. The girls start to suck cocks. Sean sticks his enormous black rod into Vanessa's wet pussy. We can see she's really turned on and, soon, we can even hear her. Water starts to worry about the possible complaints of the other guests. A guard is asked at the door to tell them that when Jacy sticks it into Zane's hot cunt, they all start to moan too loud and sexy. The crew members place rotating cameras in the walls and doors. The actors and actresses don't usually value the crew's efforts to keep the rest of the world from hearing their moans and screams. After a while, the girls start to suck and stick the cocks of their studs until they come. In the last shot we can see the two girls, satisfied, looking the same while, in the background, through the picture windows, we can see a magnificent sunset. If anyone would have been watching us from the outside, there is no doubt that they would not have turned around to see the sun disappear behind the mountains. A few minutes after finishing the shoot, someone enters the room and says: "It's always nice to have a nice fuck!"

RECEIVED AS GREAT HOLLYWOOD STARS

Tonight Water, who had lived in San José for five years, is taking us to a new restaurant on the outskirts of the city: the Rancho El Estero. He made a reservation but, upon our arrival, there are no tables for us. Water gives all of us a little tip to calm us down and, suddenly, the restaurant personnel begins to bring tables and chairs out of hiding so as to set up a comfortable table for us. Once we're settled in, a Costa Rican band starts to play American music, and the water greets us. We were all waiting for his explanation concerning his sudden interest in us, and you can't imagine our surprise when we get it. Water had told the head waiter that we were Hollywood stars and that we were shooting a film in Costa Rica. And what a film! If anyone asks about the life, we say it's just another happy picture.

SHOOTING IN THE CENTRE OF THE CITY

This morning some people don't want to work because they haven't slept much, and have enjoyed other things too much. One of them is Brittany. She couldn't take last night's "guys". She seems to have been that stuff again. The crew is a little nervous since you never know how things are going to turn out. Up to now we've only shot a short scene, and some girls sleep by Scott and he assisted first. On the third day we're all going downtown to shoot some scenes with Destiny. The actors and actresses inspire themselves to do it to the best they can. Suddenly, the place is crawling with cameras that appear and disappear.

LOCATING SPECTACULAR EXTERIORS

The scout met Harry, a very famous old American man who lives in Costa Rica with his young Costa Rican wife. The member is to persuade him to rent us his big and luxurious villa. At first it isn't easy when he finds out the kind of film we're talking about but, at last, he gives in. We'll shoot Saturday and Sunday in this spectacular villa, located at the top of a hill with marvelous views. Even he will accept organizing the meals. It's a perfect place for shooting sex in whatever it's protected by a professional alarm system and a few unbranded dogs.

Today we're also visiting Rafael, a somewhat racist Costa Rican who organizes expeditions to the jungle. When he sees Water, he immediately knows this is sensitive material and drops the curtains. When he sees me, he is a different person. He is a good person to the jungle, he has many very good plans. We rent 4 wheel drive vehicles, more generators, supplies, machines, mappers, local guides and a catering service. Everything will be ready for Monday morning. We are all aware of the enormous effort we're in for.

Another great task in the jungle operation, which is perhaps even more difficult than Rafael's, will be to persuade the crew members and most difficult of all - the cast. Many actresses have never been abroad, and have never seen anything but streets and asphalt. The place where we're going to spend the night has only one large room and no shower, which means all of us are going to have to sleep together, on the floor, and shower under the waterfall. There is no electricity or telephone either.

PANIC IN THE JUNGLE

This afternoon, after shooting a scene with Brittany, everyone is hungry and tired. After a good meal at the hotel, and the arrival of some staff, it's a matter of time before the others about the great plans they're in for. We have to use a lot of psychology to persuade them to leave the best hotel in Costa Rica and go to camp in the jungle. To start with, it's difficult even for Max, the director. In the end, out, everyone accepts. Only one girl decides to let it slide and go back to Brooklyn. She's more about Mother Nature than of the very dangerous gangs of her neighborhood.

This production meeting also accepts a few confessions, and some correct certain rumors being spread through the group. This is done so as to know the lesson. Another way to resolve the problem when two people aren't getting along well is to let them argue in front of the camera, and show that to form part of the story. The actor is exactly what Max Zane with Zane and Destiny when they argue, and they even let each other in front of the camera. They're not good friends but, oddly enough, neither one of them wants.

IN A BAR, THE SPECTATORS WANT TO ACT TOO

The next morning breakfast is served at 8.30 and, for the first time, everyone shows up. Today we are going to shoot more urban exteriors. During the makeup session, Max and the crew go through San José to see if they find the perfect bar for the shoot. Everyone who's in the bar wants to act too, and things get real good. Tonight we'll have two scenes. The first one is about to begin when one of the actresses shows up, looking for Max. It's Zane and she's crying. Once again, she wants to go home because the makeup girl, Sally, doesn't want to make her up. These things happen. People get tense under so much pressure. Now time is flying and everyone becomes even more discouraged. The program is required for the moment, but we can't be too confident. Scott knows a good makeup girl in Miami who usually works with famous model actresses. When Peter calls her it's Friday night in Miami and she's about to go out dancing. Nancy has exactly one hour to decide whether she'll come or not. Three hours later, she's on a plane flying to Costa Rica.

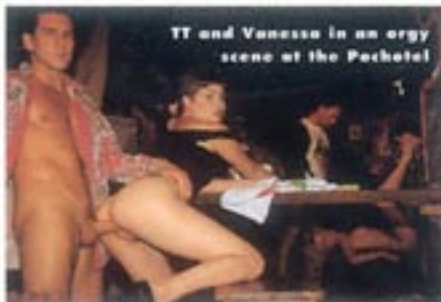

SHOOTING A SEXY STORY BEHIND THE CAMERAS

This afternoon last movie actors are arriving from Los Angeles. This and Donna, Tommaso Water will leave us, the ready with his thing. He tells

Donna and Max preparing a scene by the waterfall

TT and Vanessa in an orgy scene at the Pechotel

bars in the United States, and came to Costa Rica to give an old friend a helping hand.

Sometimes it's the day were shooting at the villa and, at ten o'clock, everything is loaded on the truck. The paper shows the crew around the villa are prepared. Certain elements will be fantastic, but it is very hot. Tilly's job is a story behind the camera, about the shooting of a person. For this reason, we've brought a megaphone to make it look as hot as the day. The director gets to take the megaphone and all of us, throughout a 14-day trip, regret he ever got his hands on that instrument. Max loves that megaphone, but the rest of us hate it and pray he forgets it somewhere. Chet, the last but, is coming in tonight from Los Angeles, and also Nancy, the makeup artist.

IN THE VILLA

The cast and crew get to the villa at 10:30, ready for the shoot. Nancy causes a good impression on everyone. The crew shoots in every detail of the villa while Scott takes stills of other artists. To accelerate the work, François, the cinematographer, prepares two scenes in advance. Even the waiter of the house, who has a certain experience in houses, is interested by all this. And the actresses who impress him, although he has a very beautiful 19-year-old wife. The last villa scene is shot at the tennis court, with the entire cast heavily involved in an unbelievable orgy. We have spot lights at each corner of the court (but not seen). The day is ended with a dinner, but some artists are still hungry. They all eat like horses.

AN EXTERIOR WHICH IS TOO DANGEROUS

Fear went up to a very active volcano to have a look, but the people that work there showed him pictures of a tourist that wanted to take pictures inside the volcano. The paradox is that it is that he wanted to bring the theme of the photograph, and not very attractive, he was fired. The plans to shoot inside the volcano are canceled due to the danger involved.

We all say "good-bye to Henry," but he seems to have become interested in the business and, all of a sudden, he wants to help us. For example, to get beautiful Costa Rican girls for the shoot.

IF YOU WANT ADVENTURE, IT HAS TO BE PRIVATE

7 a.m. The time has come to leave the comfort of Heredia and travel towards the unknown. To wake up 28 tired people at 7 a.m. is no easy task. With a half an hour delay, everyone is in the bus. We leave. The weather could be a problem; it is raining hard and we all know what that means: not being able to shoot and getting the truck and the bus through those dangerous and narrow roads. At every stop, everyone disappears in different directions, producing great delays. We have to reach our destination before dark. After a few hours of rain, Rafael wants to change our plans because he thinks that the truck with our technical equipment, which I very heavy, cannot go over the muddy roads. He suggests another place called Pochotel and, a half an hour later, we see it. We have problems to get the bus and the truck here. Everyone has to get out and push. It is raining cats and dogs, and how to move would take the schedule for Hollywood stars. The owner of Pochotel helps us, and decides to close the hotel to the public for the next three days.

AN ACTIVE NIGHT

Everyone checks in, and it's dark when the first thing takes place. The glass is the rubber bar, at 2,000 meters above sea level. The owner and his wife act as themselves. TT, Destiny and Sean come into the bar, which is now somewhat hidden behind a rear cloud which begins to look all over. Mixed with the lighting, it looks like a scene from "Blade Runner". A hysterical and exciting! A fight starts. TT reacts and wants to take part, but Sean stops him. They both turn towards Destiny and start to feel her all over. She unleashes their both and sucks their dicks. Destiny, with her arm still in a cast, sucks them both until they come all over her face, and she swallows all of it. There is a lot of humidity and the three artists are completely soaked. The shoot is interrupted when an insect lands on Destiny's rear end. Of course, she screams but, that scream is useless. At another moment, the cat of the house takes an interest in the hot activity and jumps in front of the camera.

That night evening we shoot another sequence with Zana, Brittany, Sean and Joey in the bar. At the bar we see Chet standing, really drunk. Sean goes up and orders a beer while Chet comes to the bar floor to have a shot at Zana. He makes it and Sean feels jealous seeing them from the bar. He has a double tequila. Brittany

and Joey feel inspired by the other hot couple and, soon, they're fucking on a table at the other end of the bar. No one has time to take their clothes off. This ends in an anal scene in the doggie position. The crew is a little nervous since the table can collapse, but that doesn't seem to worry the hot couple. Zana and Chet had never worked together before but, perhaps due to that, they give us a very sensual fuck. She starts to suck his dick with Chet sitting on a chair. They change positions, with Zana sitting on a desk. Chet sticks it into her cunt and her ass. Finally, she sucks him and makes him ejaculate all over her face. She smirks from that sort of come and makes seductions with it. The crew seems to be quite turned on. It's now past midnight. We can't shoot when the generators stop. At times, the cause is the lack of fuel.

THE WATERFALL

The next morning we begin an expedition to find the waterfall. Some hours later, we find that beautiful place and the rest of the crew and cast go there. The next task isn't easy. We have to move all the heavy equipment to the other side of the river, and then take it down a narrow and steep path. The driver, and other locals, are doing a wonderful job. When the machine is in place, some of the crewers climb up to the enormous waterfall to take a shower. Everyone is excited and wants to start right away.

Action! Vanessa, Donna and Sean are fucking in front of the waterfall. The rest of the crew goes down the river for Scott's jobs. There are guards on both sides so as to give the alert should anyone get close. We had to stop at one time. These things make the artists more excited and hotter, and the crew more engaged. Costa Rican girls are no joke!

ORGY IN THE JUNGLE

This last night at the Pochotel is a perfect occasion for a really great fuck. All the artists are looking in front of the camera. François is having problems to capture all the action. Meanwhile François in his long camera couples in interesting action. Some are rather fast and have problems to hold out until the final come shot. It's now past midnight and the sky is, once again, a fantastic sight full of stars adorned with the sounds of the frogs and crickets. The next day of the shoot takes place near a river that was navigated by the Spanish conquistadors. To get to this river, the bus must go over a very fragile wooden bridge, as well as through a couple of sugar cane plantations. It is necessary to be very careful not to step on weeds, which are very poisonous in these places. The shoot is going quite well and we're all thinking about our next objective: the west coast of the country.

THE WEST COAST

To get here we have to stop over in San José once again. Half a day off and then, the trip begins. This time the cast is interested by an Costa Rican girl and their "agents". The Super Beach Hotel is in a perfect spot, with the beach only ten minutes away. The black volcanic sand is a peculiarity of this side of the country. Tonight the hot girls, Sean and Joey will try to have fun in front of the camera, with only spot lights lighting the beach. The American studs will love fucking new girls, and feel really great. The next morning, the rest of the cast really wants to go there. The only problem that day was the heat.

The majority of the crew and cast are sick of Max's custom of screaming through the megaphone. There's why everyone laughs out loud when, suddenly, Max jumps up and starts to wave his arms. Only TT and Chet know why: they had stuck a lot of giant cock in the bag where he carried his cigarettes.

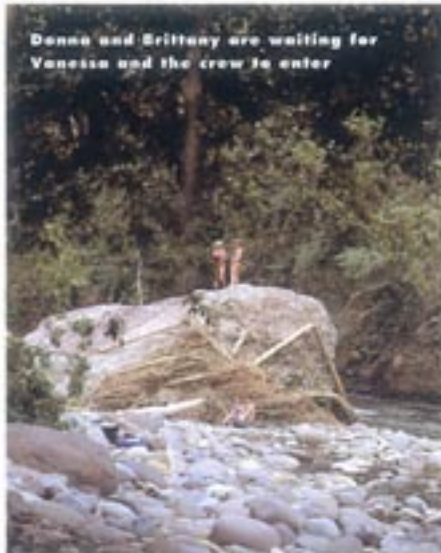

THE HOTEL MANAGER IS THE PRIEST AT THE WEDDING BETWEEN VANESSA AND HER BOYFRIEND

This is the last day of the shoot in Costa Rica and Vanessa and her boyfriend announce that they want to get married today. Of course, something like that has to be prepared. At sunset, all the hotel guests get together at the restaurant to witness the wedding. We can't go to the priest but, like the captain of a ship, the hotel manager does the honors. He reads the bible and carries out the wedding ceremony, a Costa Rican band plays the wedding March and the traditional bride's walk. Even the toughest get sentimental, and tears appear in their eyes. This is something that we'll all remember. Some hotel guests say that it's the most wedding they've seen in 10 years. If they would have been aware of our mission, or even of the bride's profession, there's no doubt that they would have been even more surprised. A very romantic ending for a very special production, don't you think?

Hi I'm an integral woman, I fear almost nothing, I enjoy fucking with no shame, I'm a civil servant and I have no economic problem.

The Loot

But I have a terrible handy problem my brother and cousin's fondness for theft. I'm desperate. Just today their father came over to the house to negotiate the last lot.

¡Hola! Soy una mujer integral, sin miedo a casi nada, disfruto follando sin rubor, trabajo como funcionaria del estado y tengo la vida solucionada. Pero sufro con un gran problema familiar: la afición al hurto de mi hermano y mi primo. Estoy desesperada. Hoy mismo el perista ha venido a casa para negociar el último botín.

Γεια! Είμαι μια πλήρης γυναίκα, δεν φοβάμαι σχεδόν τίποτα, διασκεδάζω να ηθεύω, και δεν αντιμετωπίζω οικονομικά προβλήματα. Αλλά δυστυχώς έχω ένα μεγάλο οικογενειακό πρόβλημα: Ο αδελφός μου και ο ξάδελφός μου είναι κλεφτομανείς. Είναι απέναντί μου. Μόλις σήμερα ήρθαν στο σπίτι μας οι συνεργοί τους για να συζητήσουν την τελευταία τους λεία.

• The Loot • The Loot • The Loot •

Nevertheless, I too have certain weaknesses and, when they showed me that stolen ring, I felt capable of forgiving them once again.

It's yours if you suck my cock.

Sin embargo yo también tengo ciertas debilidades y, cuando me han enseñado esa sortija robada, me he sentido capaz de perdonarlos otra vez. + Es tuya si me chupas la pella. + Unas mamadas por un anillo como este... ¡Qué buen precio!

Παρ'όλα, έχω κι εγώ αδυναμίες και έτσι όταν μου έδειξαν το κλεμμένο δαχτυλίδι, ένιωσα έτοιμη ν'αποδώ δωδεκάχρονο για μια ακόνη φασά. Θα γίνει όλο σου εάν μου γλυκύσει τον λαιμό. Μερικά γλυκύματα για ένα δαχτυλίδι σαν κι αυτό... Τι ευρωπαικό!

Me ano chivris con el
bambuco de esta pella.

My mind overflows with
the glowing white cock,
it feels ~~like~~ NOTHING

SENSATIONS!

*My pussy is crying out
for something to relax
me, but I'm almost
about to come...*

I CAN'T WAIT!

Με αλμεία CLAIMA per algo que
meterse, pero ya casi me estoy
corriendo...

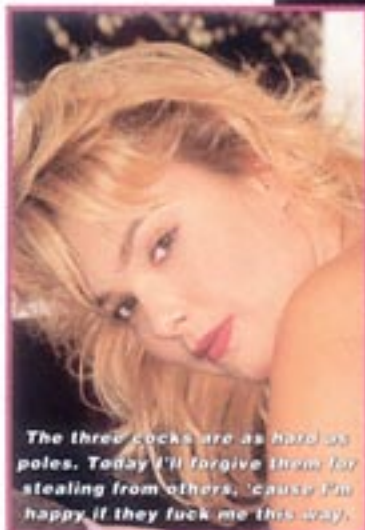

• (NO PUEDO ESPERAR!)

Το μουνάκι μου παρακαλεί να του
κάνουν κάτι, αλλά εγώ σχεδόν
έτοιμη να κούω...

ΔΕΝ ΜΠΟΡΩ ΝΑ ΓΕΡΜΙΝΩ!

ANNE

Las tres pollas están duras como mástiles. Por hoy les perdonaré que roben a los demás, pues yo soy feliz si me follan de esta manera.

Οι τρεις πουτσες είναι ακίνητες σαν κολώνες. Σήμερα θα τους συγχωρέσω που εκλέγαν από τους άλλους, επειδή είμαι ναυσευχής όταν με ηθάνει με αυτόν τον τρόπο.

I could come
any moment!
HUH...

*The tunnel of my little hole
can handle the thrusts of this
animal. I can feel every
movement of his great cock.*

El túnel de mi ojo encaja las acometidas de este bestia, noto cada movimiento de su gran capullo. • Me correría en cualquier momento...

Το τούνελ της στενής μου τρύπας μπορεί να αντέξει την πίεση αυτού του κτήνους, αισθάνομαι κάθε κίνηση αυτού του τέλειου πορτού. Είναι έτοιμη να κλώσ τυμάρω...

Estos tipos son unos burros, pero realmente me están jodiendo como siempre he deseado...

Παρά' ότι είναι και οι τρεις παλιότες, με γαμάνε όπως πάντα ήθελα.

These three are asses, but they're really fucking me like I've always wanted...

Come on guys! You're not
thinking of keeping the whole
load just for yourselves, are
you? I demand my part right
now...

¡Venga chicos! No pretendáis quedáros con toda el
botín. ¡Yo también quiero mi parte!

Σήμερα ναόοο! Δεν οκείπνετε να κερήνετε όλο το ποσό
στ'απόκρη σός, μόνο για τους σόττους σός, έτσι δεν είναι;
Αναρω το μισόλο που τρώε.

Hey! This sure is powerful!

¡Hey! Esto sí que es poderío. + Mmmmh, desde ahora no podré vivir sin sensaciones tan fuertes... + ¡Qué bueno!

Εξactly! Αυτό είναι πραγματικά ισχυρό. Από εδώ και στο εξής δεν θα μπορώ να ζω χωρίς τέτοιες ευχάριστες...Τι υπέροχο!

Mmmmm, from now on I won't be able to live without such strong sensations...

How nice!

Το Private
παρουσιάζει:

Μια ιστορία από την
μικρή Φιλανδία όπου
οι άνδρες
γαμίζουν μπροστά
στην φωτιά με το
θερμόμετρο να
δείχνει 20 υπό το
μηδέν.

Στα υπέροχα
παθμένα τροπικά
νησιά θα δείτε την
Έρικα και την Κάσια να
τους πετούνται τα
μάτια έξω από το
σκληρό γυμνασίο. Οι
εικόνες με τα υγρά
τους μουνιά και τις
ανοικτές τους
κωλοτρυπίδες θα σας
ανάγουν όσο ποτέ
αλλού. Η Ζάνα, ένα
νεαρό και καθυμμένο
κορίτσι από την
παραλία, δοκιμάζει για
πρώτη φορά τον
πρωκτικό έρωτα και
τον λατρεύει.
Απολαύστε καυτές και
σκληρές παρτούζες
όταν η μικρή
Αγγελική παίρνει όσες
βρωμιές μπορεί και
πα' όλα αυτά δεν ήξει
να χορτάσει.

Και ακόμη
περισσότερα υγρά και
αγρία συμβαίνουν σε
αυτήν την κασέτα.

Θα το βρείτε στα περισσότερα εξειδικευμένα καταστήματα ή
μπορείτε να το παραγγείλετε μέσω του δεστίου
παραγγελίας που θα βρείτε στο μέσον του περιοδικού.
