PRIVATE PENTHOUSE EXTRA MOVIES

The most veteran directors, the sexiest girls, and the latest technology are the guaranty of quality for the new range of Private-Penthouse movies. The outcome of a historical agreement between both companies, was announced in August 1999. This new range of Videos and DVD's combines the different traditional ways of working of the two adult-entertainment giants.

Each new version of the new series will be put on sale in two versions: Hard and Soft. This way, the film will reach the consumers of both companies. The only difference between both versions will be the position of the logo on the video cover. When the PRIVATE logo is on the upper part of the cover, it will stand for hard core and when the Penthouse logo appears this will mean the soft version.

The first issue of this agreement is "Call Girl" with the Private-Penthouse logo, and filmed by the Berlin Verus'99 "Best International Film Award" winner Antonio Adamo for "Sex Shot". With first class porno stars such as Silvia Saint and Kate More, together with others like Lisa Crawford, Peggy Sue, Brigitte, Vivien Merlino, Monika Sweetheart, Caroline, Angela Tiger, and Sindy.

Shot in Paris and Budapest, "Call Girl" is a 100% Adamo film. A display of light, music, photography, and visual effects, all in eight sex scenes that will give you a steel-like erection. The DVD version of "Call Girl" will be put on sale in March, and will include two extra scenes which, in the video version, appears on television screens which are part of the scenery.

A team of more than 25 people worked with Adamo to create different atmospheres in a giant studio in Paris. Surely, one of the "hardest" scenes is the one filmed with Kate More and David Perry driving along the most representative streets of Paris in a limousine. It was filmed during the night and in the midst of city traffic. Can you imagine what it must have

been like to stop at a traffic light and see that in the car next to yours, Kate More was having an orgasm and Antonio Adamo was filming her?

Die erfahrensten Regisseure, die großartigsten Sexy-Mädchen und modernste Technologie sind ein Garant für die Qualität der neuen Filmreihe Private-Penthouse-Movies. Als Ergebnis der im August 1999 angekündigten und historisch wichtigen Vereinbarung zwischen beiden Gesellschaften entsteht diese Video und DVD-Serie als eine Kombination aus den verschiedenen traditionellen Arbeitsweisen dieser beiden Giganten auf dem Gebiet der Erwachsenenunterhaltung.

Von jeder neuen Nummer aus dieser neuen Serie werden zwei Versionen auf den Markt kommen: Eine Hard- und eine Softversion; auf diese Weise können den Stammkunden der beiden Gesellschaften jeweils die entsprechenden Produkte angeboten werden.

Die beiden Versionen unterscheiden sich lediglich durch die Anordnung des Logos auf der Vorderseite des Videos: Wenn das Firmenzeichen PRIVATE im oberen Teil der Titelanzeige erscheint, haben wir es mit einer Hard-Version

zu tun, und wenn oben rechts das von Penthouse zu sehen ist, dann handelt es sich um die Soft-Version. Diese Vereinbarung wird mit "Call Girl" in die Praxis umgesetzt, wobei es sich um die erste Ausgabe mit dem Etikett von

Private-Penthouse handelt, hergestellt von Antonio Adamo, dem Gewinner des "Best International Film Award" auf der Berlin Venus '99 für seinen Film "Sex Shot". Der Film zeichnet sich durch eine Spitzenbesetzung aus, zu der Pornostars wie Silvia Saint und Kate More gehören und außerdem auch noch Namen auftauchen wie Lisa Crawford, Peggy Sue, Brigitte, Vivien Martinez, Marika Sweetheart, Caroline, Angela Tiger und Sindy.

In Paris und Budapest gedreht, ist "Call Girl" ein hundertprozentig typisches Adamo-Produkt. Ein Schauspiel aus Lichtern, Musik, Fotografie und Bildeffekten mit 8 Sexszenen, die Dir Deinen Schwanz so hart wie Stahl machen werden. Im kommenden Mai erscheint der DVD von "Call Girl", der zusätzlich noch zwei Sexszenen einschließt, die in einem Video auf einem Fernsehbildschirm zu sehen sind, der Teil der Dekoration ist.

Ein Team von über 25 Personen hat unter der Regie von Adamo gearbeitet, um verschiedene Stimmungen in einem riesigen Studio in Paris herzustellen. Die beeindruckendste Szene ist vielleicht die, die mit Kate More und David Perry in einer Limousine bei einer Fahrt zu den repräsentativsten Orten von Paris

*"I like to fuck with a lot of men, ten, twenty...
I love to make gang bang in public. Why not?"*

gedreht worden ist. Die Szene wurde nachts gedreht und inmitten des fließenden Autoverkehrs. Können Ihr Euch vorstellen, an einer Ampel zu halten und zu sehen, wie nebenan Kate More lustvoll zum Höhepunkt kommt, während sie dabei von Antonio Adamo gefilmt wird?

De mest erfarna regissörerna, de sexigaste tjejerna och den mest avancerade teknologin är den kvalitetsgaranti som den nya serien filmer från Private-Penthouse Movies ger dig. Som resultat av den historiska överenskommelsen mellan de två företagen, annonserad i augusti 1999, kommer nu denna serie med videos och DVDs, som en kombination av de olika traditionella arbetsformerna som dessa två giganter inom industrin för underhållning för vuxna står för.

Varje nytt nummer av denna nya serie går ut till försäljning i två versioner: hard och soft. På så sätt kan filmen distribueras till de traditionella konsumenterna av de två företagens produkter. De två versionerna skiljer sig bara åt i den position på omslaget där logon står: när PRIVATES logotyp figurenar i den övre delen på omslaget står vi inför versionen hard och när i den övre delen finns Penthouses logo så är det versionen soft. Överenskommelsen tar form i "Call Girl", det första numret med etiketten Private-Penthouse gjord av vinnaren av "Best International Film Award" vid Berlin-festivalen Venus '99, Antonio Adamo. Med en stjärnspäckad rollista ledd av porrstjärnorna Silvia Saint och Kate More ledsagade av namn som Lisa Crawford, Peggy Sue, Brigitte, Vivien Martinez, Monika Sweetheart, Caroline, Angela Tiger och Cindy.

Inspelad i Paris och Budapest är "Call Girl" till ett hundra procent en film av Adamo. Ett riktigt skådespel med ljuseffekter, musik, fotografering och visuella effekter med 8 sexiga scener som kommer den att bli hård som stål. I maj släpps DVD:n med "Call Girl" ut till försäljning och inkluderar då två scener extra, som i videon visas i den TV som är en del av bakgrundsdekorationen.

Ett team på mer än 25 personer har arbetat under Adamos order för att skapa olika miljöer i en kolossal stor studio i Paris. Kanske är dock de scener som filmades med Kate More och David Perry i en limousin som körde förbi några

Monika Sweetheart

Caroline

av de för Paris mest representativa ställena de scener som gör mest intryck. Den filmades på kvällen och mitt i Paris normalt tät trafik. Kan du tänka dig hur det skulle kännas, att stanna för rött ljus och upptäcka att i bilen intill håller det just på att gå för fullt för Kate More, medan Antonio Adamo filmar henne?

Les réalisateurs les plus expérimentés, les filles les plus sexy et la plus moderne technologie sont la garantie de qualité de la nouvelle ligne de films Private-Penthouse Movies. Fruit de l'accord historique entre les deux compagnies, annoncé en août 1999, naît cette ligne de vidéos et DVDs, qui combine les différentes façons traditionnelles de travailler de ces deux géants de l'industrie pour adultes.

Chaque livraison de cette nouvelle série sera mise à la vente en deux versions : hard et soft, pour que le film arrive au consommateur habituel des produits des deux entreprises. Les deux versions ne pourront être différenciées que par la position des logos dans la couverture de la vidéo : si le logotype de PRIVATE est placé dans la partie supérieure de la page de titre, il s'agit de la version hard ; si c'est celui de Penthouse, il s'agit de la version soft.

Cet accord est matérialisé avec "Call Girl", la première livraison sous la griffe Private-Penthouse, de la main du lauréat dans le "Best International Film Award" au Berlin Venus'99 par son film "Sex Shot", Antonio Adamo. Avec une distribution de luxe, menée par les porno stars Silvia Saint et Kate More, et secondée par des noms tels que Lisa Crawford, Peggy Sue, Brigitte, Vivien Martinez, Monika Sweetheart, Caroline, Angela Tiger et Sindy.

Tourné à Paris et à Budapest, "Call Girl" est un film cent pour cent Adamo. Un spectacle de lumière, musique, images et effets visuels, avec 8 scènes de sexe qui vous feront éprouver une excitation sans pareil. Le prochain mois de mai sera mis à la vente le DVD de "Call Girl",

qui comprend deux scènes supplémentaires dont la vidéo reproduit sur des écrans de télévision qui forment partie du décor.

Une équipe formée par plus de 25 personnes a travaillé sous les ordres d'Adamo pour créer plusieurs ambiances dans un formidable studio de Paris. Mais, certainement, une des plus épatantes scènes est celle qui a été tournée avec Kate More et David Perry à l'intérieur d'une limousine qui parcourt les plus représentatifs coins de Paris. Le tournage de cette scène fut réalisé le soir, en pleine circulation de voitures dans la ville. Pouvez-vous imaginer que vous êtes arrêtés par le feu rouge et que vous voyez, dans la voiture d'à côté, Kate More en train de s'envoyer en l'air et Antonio Adamo qui la filme ?

Los directores más experimentados, las chicas más sexys y la tecnología más avanzada son la garantía de calidad para la nueva línea de películas Private-Penthouse Movies. Fruto del acuerdo histórico entre ambas compañías, anunciado en agosto de 1999, nace esta línea de vídeo y DVD como una combinación de las distintas formas tradicionales de trabajar de estos dos gigantes de la industria del entretenimiento para adultos.

Cada nueva entrega de esta nueva serie saldrá a la venta en dos versiones: hard y soft, así la película podrá llegar al consumidor habitual de los productos de las dos compañías. Las dos versiones sólo se distinguirán por la posición de los logos en la cubierta del vídeo: cuando el logotipo de PRIVATE apareciera en la parte superior de la carátula estaremos ante la versión hard y cuando en la parte superior apareciera el de Penthouse, ésta será la versión soft.

El acuerdo se materializa en "Call Girl", la primera entrega con la etiqueta Private-Penthouse, de la mano del ganador del "Best International Film Award" en el Berlin Venus'99 por su película "Sex Shot", Antonio Adamo. Con un reparto de lujo encabezado por las pornstaras Silvia Saint y Kate More, acompañadas de nombres como Lisa Crawford, Peggy Sue, Brigitte, Vivien Martinez, Monika Sweetheart, Caroline, Angela Tiger y Sindy.

Rodada entre París y Budapest, "Call Girl" es un film ciento por ciento Adamo. Un espectáculo de luces, música, fotografía y efectos visuales con 8 escenas de sexo que te la pondrán dura como el acero. El pró-

"This film has really been an event. It is the first movie done by Private and Penthouse together and we could say that this is history. It was a privilege to be one of the leading roles in the film."

ximo mes de mayo saldrá a la venta el DVD de "Call Girl", con la inclusión de dos escenas extras, que en el vídeo aparecen en unas pantallas de televisión que forman parte del decorado.

Un equipo de más de 25 personas han trabajado bajo las órdenes de Adamo para crear diferentes atmósferas en un colosal estudio de París. Pero quizás una de las escenas más importantes fue la que se rodó con Kate More y David Perry dentro de una limusina circulando alrededor de los lugares más representativos de París. Se rodó de noche y entre medio de la circulación de la ciudad. ¿Os imagináis lo que debe ser parar en un semáforo y ver que en el coche de al lado está Kate More conlamiéndose a placer mientras Antonio Adamo la filma?

Iregistri di maggior esperienza, le ragazze più sexy e la tecnologia più avanzata sono la garanzia di qualità della nuova linea di film Private-Penthouse Movies. Frutto dello storico accordo annunciato dalle due compagnie nell'agosto del 1999, nasce questa linea di video e DVD quale abbinamento dei diversi modi tradizionali di lavorare di questi due giganti dell'industria dell'intrattenimento per adulti.

Ogni numero di questa nuova serie verrà messo in vendita in due versioni: hard e soft, in modo da poter raggiungere gli utenti abituali dei prodotti delle due compagnie. Le due versioni si differenzieranno solo dal posizionamento del logo sulla copertina del video: quando appare il logo della PRIVATE sulla parte superiore della mascherina ci si troverà davanti alla versione hard e quando sulla parte superiore apparirà il logo di Penthouse, sarà la versione soft.

L'accordo si materializza in "Call Girl" il primo film che esce con l'etichetta Private-Penthouse, dalle

mani del vincitore del "Best International Film Award" del Venus '99 di Berlino per il film "Sex Shot", Antonio Adamo. Con un cast di lusso capitanato dalle pornstar Silvia Saint e Kate More, accompagnate da nomi come Lisa Crawford, Peggy Sue, Brigitte, Vivien Martines, Monika Sweetheart, Caroline, Angela Tiger e Sindy.

Girato tra Parigi e Budapest, "Call Girl" è un film cento per cento Adamo. Uno spettacolo di luci, musica, fotografia e effetti speciali con 8 scene di sesso che te lo faranno diventare duro come l'acciaio. Il prossimo maggio sarà in vendita il DVD di "Call Girl", che includerà due scene extra, che nel video appaiono con degli schermi televisivi parte della stessa scenografia.

Una troupe di più di 25 persone hanno lavorato agli ordini di Adamo per creare varie atmosfere in un colossale studio di Parigi. Ma forse una delle scene di maggior impatto è stata quella girata da Kate More e David Perry in una limousine che percorreva i luoghi più rappresentativi di Parigi. La scena è stata girata di notte in mezzo al traffico cittadino. Vi immaginate cosa deve essere fermarsi ad un semaforo e rendersi conto che nella macchina accanto c'è Kate More che raggiunge il massimo piacere mentre Antonio Adamo la sta filmando?

Gili the cheater

This is an image test for a television spot for the energy drink "Private Dynamite". On her own Gili Sky is an explosive model, her look is pure fire and she loves to suck dick, two at a time. Add our drink you'll have a bomb of desire primed for explosion. The spot will have a voice on off which will recite the following text:

"Gili's feeling horny... while you were away she went up to your office and, phoned in an order for a full case of Private Dynamite, the most stimulating energy drink on the market. The trap has been laid. Private Dynamite plus Gili Sky desperate to fuck you. How could you possibly say no?"

Dieses ist ein Probefoto für einen eventuellen Fernsehspot für das Energiegetränk Private Dynamite. Gili Sky ist schon für sich alleine ein explosives Model, ihr Blick ist pures Feuer, und es begeistert sie, Schwänze paarweise zu blasen: wenn da dann noch unser Getränk hinzukommt, entsteht eine Mischung, die jederzeit explodieren kann. In dem Spot wird folgender Text in off zu hören sein: "Gili ist aufgeregt... in Deiner Abwesenheit geht sie in Dein Büro hinauf und gibt per Telefon eine Bestellung auf eine Kiste Private Dynamite, das stimulierendste Energiegetränk, das es auf dem Markt gibt. Die Falle steht damit ausgelegt: Private Dynamite und dann Gili Sky, die verrückt ist, mit Dir zu ficken. Du wirst nicht widerstehen können!"

Det här är ett bildprov på en eventuell annons i TV för energidrinken Private Dynamite. Gili Sky är i sig en explosiv modell, hennes blick är ren eld och hon älskar att suga kukar, gärna två åt gången. Om du till detta lägger vår energidrink, får du en bomb av åtrå på gränsen att explodera. Annonsen har en avlägsen röst som skulle uttala följande text:

"Gili är het... när du är borta, går hon upp till ditt kontor och gör en telefonbeställning: en låda Private

Dynamite, den mest stimulerande energidrinken på marknaden. Fällan är gillrad, Private Dynamite plus Gili Sky, med lust att knulla med dig. Det kan du inte motstå!"

Ceci est un essai d'image pour une possible publicité en TV de la boisson énergétique Private Dynamite. Gili Sky est déjà elle-même une cover-girl explosive, son regard brûle comme le feu, et elle adore manger des bites de deux en deux, et si à tout cela nous y ajoutons notre boisson, nous aurons une bombe de désir sur le point d'exploder. L'annonce aura une voix en off qui dirait le texte suivant: " Gili est chaude...pendant ton absence, elle va dans ton bureau et fait une commande par téléphone: une caisse de Private Dynamite, la boisson énergétique plus stimulante du marché. Le piège a été installé, Private Dynamite plus Gili Sky pleine d'envie de baiser avec toi. Tu ne pourras pas en résister !"

Esta es una prueba de imagen para un posible anuncio en televisión de la bebida energética Private Dynamite. Gili Sky ya es de por sí una modelo explosiva, su mirada es puro fuego y le encanta comerse pollas a pares. Si a esto le añades nuestra bebida tendrás una bomba de deseo a punto de estallar. El anuncio tendría una voz en off que diría el siguiente texto: "Gili está caliente...en tu ausencia vube a tu oficina y hace un pedido por teléfono: una caja de Private Dynamite, la bebida energética más estimulante del mercado. La trampa está colocada, Private Dynamite más Gili Sky con ganas de follarte. ¿No podrás resistirte!"

Questa è una prova di immagine per un eventuale spot televisivo della bevanda energetica Private Dynamite. Gili Sky è già da per se una modella esplosiva, il suo sguardo è puro fuoco e adora mangarsi i falli di due in due, e se a ciò aggiungiamo la nostra bevanda avrai una vera bomba di desiderio pronta ad esplodere. Lo spot avrà una voce in off che dovrebbe dire il testo seguente:

"Gili è calda...in tua assenza va su in ufficio e trasmette un ordine per telefono: una cassa di Private Dynamite, la bevanda energetica più stimolante del mercato. La trappola è ormai pronta. Private Dynamite più Gili Sky con voglia di scoparteli. Non potrai resistere!"

The DVD (Digital Versatile Disk) is the format of the future for audiovisual productions. With an identical appearance to that of an actual CD it offers previously unimaginable image and product interactivity storage possibilities and can be viewed either on a computer or on TV, using a DVD player. Once again PRIVATE leads the role in the application of new technologies for the world of adult entertainment. With a production of four DVD's per month, PRIVATE has clearly demonstrated its faith in this new format.

PRIVATE DVD's not only contain a complete film, with the extraordinary quality of definition offered by this new digital format, but it also incorporate images from the shoot, extra scenes, sequences from other productions and, in the future, we are planning to incorporate interviews, shots taken from different angles, etc. And all of this in five languages (English, German, French, Spanish and Italian), with digital stereo and the possibility of being able to watch them with subtitles in four other languages (Dutch, Danish, Swedish and Portuguese). Multiple languages, together with the regional open code (which permits the DVD to be viewed through any player, anywhere in the world), allows us to offer a product fully prepared for the globalization of the 21st century.

For the moment, the most outstanding PRIVATE productions have been chosen for the debut of this new format (The Pyramid, Tatiana, Operation Sex Siege, The Uranus Experiment, Fatal Orchid, Indecency, Sex

image definition, including interviews with the girls, images from the shoot, etc. And all of this so that you can get the maxim possible enjoyment of the very best hardcore.

Die DVD (Digitale, vielseitige CD) wird in Zukunft der Datenträger für audiovisuelle Produktionen sein. Sie stellt genauso wie eine normale CD, bietet aber bislang ungeahnte Möglichkeiten der Bildspeicherung und Interaktion. Hierzu kommt, dass man zur Ansicht sowohl einen Computer als auch ein Wiedergabegerät für DVD benutzen kann. Wieder einmal gehört PRIVATE zu den Ersten, die sich die neuen Technologien in der Welt der Unterhaltung für Erwachsene zu Nutzen machen. Die Produktion von vier DVDs pro Monat, ist der klare Beweis dafür, dass PRIVATE sich für dieses neue Format entschieden hat.

Die DVDs von PRIVATE zeigen nicht nur einen ganzen Film in der außerordentlich scharfen Bildschirmauflösung, die um dieses neue Digitalformat ermöglicht, sondern auch Aufnahmen von den Dreharbeiten, besondere Szenen, Sequenzen aus anderen Produktionen, und in Zukunft selbst auch neue Extras, wie Interviews, Aufnahmen aus verschiedenen Blickwinkeln etc., mit Berücksichtigung werden. Das alles gibt es in fünf Sprachen (Englisch, Deutsch, Französisch, Spanisch und Italienisch), mit digitalem Stereosound und der Möglichkeit, die Videos auf Wunsch und nach Wahl mit Untertiteln (Holländisch, Dänisch, Schwedisch und Portugiesisch) zu sehen.

Shots, etc.) but in the future, when DVD becomes the accepted standard, it is anticipated that our productions will be released directly on DVD. Even so, our DVD's have already started to collect the first rewards, having received three nominations in the last edition of the AVN Prizes, Las Vegas (USA), where the critics made particular mention of the fact that PRIVATE DVD's are setting the standard of quality for adult DVD's. The result of this effort allows us to offer the hottest hardcore images from around the world with an unbeatable

Diese Mehrsprachigkeit, kombiniert mit dem offenen Gebietscode (mit dem DVD mit jeglichem Wiedergabegerät überall auf der ganzen Welt gesehen werden kann), machen es uns möglich, ein Produkt auf den Markt zu bringen, das zur weltweiten Verbreitung im 21. Jh. geeignet ist.

Für die Premiere dieses neuen Formats sind die bemerkenswertesten Produktionen von PRIVATE ausgewählt (The Pyramid, Tatiana, Operation Sex Siege, The

dici, avec une définition d'image sans pareil, des interviews avec les filles, des images du tournage, etc. Tout cela pour jouir au maximum du meilleur hardcore.

El DVD (Disco Versátil Digital) es el soporte del futuro para las producciones audiovisuales. Con un aspecto idéntico a los CD actuales, ofrece unas posibilidades hasta ahora inimaginables de almacenamiento de imágenes e interactividad con el producto, y además con la ventaja de poderse visionar tanto en un ordenador como en un reproductor de DVD. Una vez más PRIVATE se pone en cabeza en la aplicación de las nuevas tecnologías al mundo del entretenimiento para adultos, con una producción de cuatro DVD el mes, está clara la apuesta de PRIVATE por este nuevo formato.

Los DVD de PRIVATE no sólo contienen una película entera con la definición extraordinaria que nos da este nuevo formato digital, sino que incorporan imágenes de los rodajes, escenas extra, secuencias de otras producciones y en el futuro estará prevista incorporar nuevos extras como entrevistas, tomas desde varios ángulos, etc.... Todo esto en cinco idiomas (inglés, alemán, francés, español e italiano), siendo este digital y con la posibilidad de escoger entre cuatro idiomas más para ver la película subtítulos (holandés, danés, sueco y portugués). El multilingüe junto con el código de región abierto (que permite la visualización del DVD con cualquier reproductor en cualquier región del mundo) nos permite ofrecer un producto preparado para la globalización del S.XXI.

Hasta el momento se han escogido las producciones PRIVATE más notables para estrenar este nuevo formato (The Pyramid, Tetanus, Operation Sex Siege, The Uranus Experiment, Fatal Orchid, Indecency, Sex Shot, etc...) pero en el futuro, cuando el DVD sea el formato importante, está previsto que nuestras producciones se estrenen directamente en DVD. Aún así ya se están cosechando los primeros éxitos para nuestros DVD, habiendo recibido tres nominaciones en los últimos premios AVN en Las Vegas (USA) y la crítica especializada ha destacado que los DVD de PRIVATE están creando un estándar de calidad en los DVD para adultos. El resultado de todo este esfuerzo nos permite ofrecer las imágenes más calientes del hardcore mundial con una

definición de imagen inigualable, entrevistas a las chicas, imágenes del rodaje, etc. Todo esto para disfrutar al máximo del mejor hardcore.

I DVD (Il Disco Versatile Digitale) è il supporto del futuro per le produzioni audiovisive. Con un aspetto identico agli attuali CD, offre delle possibilità fino ad ora impensabili di stoccaggio immagini e di interattività con il prodotto, oltre al vantaggio di potersi vedere sia con un computer sia con un riproduttore di DVD. Ancora una volta PRIVATE è all'avanguardia nell'applicare le nuove tecnologie al mondo dell'intrattenimento per soli adulti, con una produzione di quattro DVD al mese, è del tutto chiara che la PRIVATE punta decisamente su questo nuovo formato.

I DVD di PRIVATE contengono non solo un film intero con la straordinaria definizione che ci offre questo nuovo formato digitale, ma incorporano anche immagini di rodaggio, scene extra, sequenze di altre produzioni e in futuro è previsto inserire nuovi extra come interviste, e riprese da più angolazioni, etc.... Il tutto in cinque lingue (Inglese, tedesco, francese, spagnolo e italiano), il sonoro è in stereo digitale e con la possibilità di scegliere tra altre quattro lingue per vedere i film con i sottotitoli (olandese, danese, svedese e portoghese). Il multilingua insieme al codice di regione aperto (che permette di vedere il DVD con qualsiasi riproduttore in qualsiasi regione del mondo) ci consente di offrire un prodotto preparato a far fronte alla mondializzazione del XXI secolo.

Fino ad ora, per lanciare questo nuovo formato sono state scelte le produzioni PRIVATE di maggior rilievo (The Pyramid, Tetanus, Operation Sex Siege, The Uranus Experiment, Fatal Orchid, Indecency, Sex Shot, etc...) ma in futuro, quando il DVD sarà il formato dominante, è previsto che le nostre produzioni vengano lanciate direttamente in DVD. Già così stiamo registrando i primi successi per il nostro DVD, e abbiamo ricevuto tre nominazioni nel corso degli ultimi premi AVN di Las Vegas (USA) e la critica specializzata ha sottolineato che i DVD della PRIVATE stanno creando uno standard qualitativo tra i DVD per adulti. Il risultato di tutto questo sforzo ci permette di offrirvi le immagini più calde del hardcore mondiale con una definizione incompensabile, interviste alle ragazze, immagini del rodaggio, etc. Il tutto per godersi al massimo il miglior hardcore.

Meridian

A QUEEN FOR THE NEW CENTURY

by Anna Queue

*I enjoy playing with

and drinking the
warm sperm*

Meridian is one of the female talents that tireless Pierre Woodman has chosen for shooting "House of Love", the brand-new movie on the Private Gold Label. This is the first film in which Meridian performs for Private, but we will see her again over the coming months. This Czech girl, who was born in Prague 23 years ago, is already working on the next PrivateVideoDeluxe release.

The blond beauty was a charming secretary when she decided to start working in the adult entertainment industry. Now, Meridian enjoys her job so much, and the money that she wants to keep on using her sensual body for doing hardcore films.

Tx: Triple X: How did you start working in the Adult Industry?

MERIDIAN: I was a secretary when I decided to do hardcore films. I wanted to earn more money, so I did a casting and... here I am!

Tx: You are one of the main actresses in the latest Woodman film, "House of Love". Have you enjoyed the shooting?

M: Yes, of course! I really love my job.

Tx: So, during a shooting, do you feel excited when thinking that thousands of people are going to see you having sex?

M: What makes me feel hot when I am working is... (she hesitates for a moment) thinking about the money I am going to earn!

Tx: What do you like most in sex?

M: I really enjoy having sex with boys and girls at the same time. I love sharing my body and I like being fucked while other people are having the wildest sex around me. This makes me feel horny.

Tx: This means that you enjoyed shooting the gang bang scene for "House of Love"?

M: Obviously. I had a good time fucking with those four strong studs. Working in this industry lets you do things like that. It was very exciting!

Tx: Your sexual fantasy?

M: Having sex in a public place such as a toilet in a restaurant or a bus station. (Meridian says this with no hint of doubt in her eyes).

Tx: And sex position?

M: Doggy, doggy! I love being fucked from behind while my strong stallion squeezes my tits. (She gives us a shiny smile)

Tx: Wo liegen Deine Vorlieben beim Sex?

M: Ich finde es toll, es gleichzeitig mit Männern und Frauen zu treiben. Ich gebe mich gerne hin, und es macht mich heiß, zu ficken und um mich herum Leute zu haben, die ebenfalls abfahren. Ich lauf da richtig heiß!

Tx: Willst du uns damit sagen, daß es für Dich absolut geil war, die Szene mit der Orgie für "House of Love" zu drehen?

M: Selbstverständlich. Ich genoss es sehr, mit diesen vier so tollen Typen zu ficken. Wenn Du in diesem Geschäft arbeitest, wird Dir die Gelegenheit geboten, solche Sachen zu machen. Es war wirklich äußerst erregend!

Tx: Und wie sieht es mit Deinen sexuellen Fantasien aus?

M: Es ist in der Öffentlichkeit zu treiben, wie zum Beispiel in der Toilette eines Restaurants oder eines Autobusbahnhofs (Meridian macht uns dieses Geständnis ohne jegliche Spur von Unsicherheit in ihrem Augen).

Tx: Und wie sieht es mit Stellungen aus?

M: Auf allen Vieren, auf allen Vieren! Ich finde es erregend, wenn man mich von hinten nimmt und mir dabei von dem Hengst in die Blüste geswickelt wird. (Ihr Gesicht wird durch ein Lächeln erleuchtet).

Tx: Wie sieht für dich ein perfekter Schwanz aus?

M: Es müssen kleine Schwänze sein. Ich spiele gerne mit kleinen Dingen, lecke sie gerne und trinke dann den lauwarmen Saft. Ich weiß genau, wie ich mit meiner erfahrenen Zunge einen Mann zum Orgasmus bringen kann (Sie lacht).

Tx: Und was kannst Du uns zu Dir persönlich sagen? Kommt Du leicht zum Orgasmus?

M: Natürlich, jeden Tag erforsche ich meinen Körper und lasse meine Finger über meine sensiblen Stellen fahren. Ich brauche keine Dildos, meine lasthaften und unerträglichen Finger reichen mir! (Sie zeigt uns ihre kleinen Hände).

Tx: Wie verbringst Du, wenn Du nicht arbeitest, am liebsten Deine Freizeit?

M: Ich gehe leidenschaftlich gerne einkaufen. Aber noch toller finde ich es, nach dem Einkaufen Sex zu haben. (Sie lacht).

Tx: Was wünschst Du Dir für das neue Jahrtausend?

M: Ich möchte gerne vier Kinder bekommen und eine großartige Mutter sein.

Meridian ist eine der schönsten Talente, die den unterhaltenden Pierre Woodman hat vältig für den Film "House of Love", den alleine riss utkomma filmen på märket Private Gold. Det här är den första film som Meridian är med i för Private, men vi är helt säkra på att vi kommer att se henne igen under de kommande månaderna. Denna vackra tjekiska, född i Prag för 23 år sedan, håller redan på att arbeta på nytt med nästa utgåva av Private VideoDeluxe.

Denna fascinerande blondin var en underbar sekreterare, när hon beslöt sig för att börja arbeta inom industrin för underhållning för vuxna.

Numera njuter Meridian av sitt nya arbete – och av alla de pengar hon tjänar – och har för avsikt att utnyttja sin sensuella kropp för att filma så många filmer som möjligt av dem hon kommer att bli erbjuden.

TRIPLE X: Hur började du arbeta i den här industrin?

MERIDIAN: Jag arbetade som sekreterare när jag beslöt mig för att prova på att göra porrfilmer. Jag ville tjäna mycket pengar, så jag anmälde mig till en provfilmning och... här är jag!

Tx: Du är en av huvudaktörerna i Woodmans senaste film, "House of Love". Har du haft det bra under filmningen?

M: Javisst, naturligtvis. Jag gillar mitt arbete skarpt!

Tx: Vill du säga att du blir upphetsad medan du filmar och tänker på de tusentals personer som kommer att se dig medan du gör scener...

M: Vad som gör mig kåt medan jag arbetar är... (här tvekar hon ett ögonblick) att tänka på alla de pengar jag kommer att tjäna!

Tx: Vad tycker du mest om när det gäller sex?

M: Jag tycker det är jätteskönt att älska med dollar och tjejer samtidigt. Jag gillar att dela med mig av min kropp och knulla medan andra personer runt omkring mig också njuter. Det gör mig jättekått!

Tx: Vill du med det säga oss att du njöt stort av när ni spelade in orgien i "House of Love"?

M: Uppenbarligen, jag njöt jättemycket av att knulla med dem där fyra, underbara killarna. Att arbeta i den här branschen ger dig möjligheten att göra såna saker. Det var verkligen upphetsande!

Tx: Och har du det med dina sexuella fantasier?

M: Sex på offentliga platser som toaletten på en restaurang eller en busstation. Meridian gör den här bekännelsen för oss utan tålstyrmen av tvekan i sina ögon.

Tx: Och när det gäller ställningar?

M: På alla fyra, på alla fyra! Jag tycker jättemycket om att bli knullad baklängs, medan min avelstjär tar mig på bröstet. (Hennes ansikte lyser upp med ett leende.)

Tx: Vad är din upplåttnings om en perfekt kuk?

M: Lite, jag gillar att leka med en liten kuk, slicka den och dricka den ljuvliga sperman. Jag vet hur jag ska göra för att få en man till en orgasm tack vare min expert till tunga (skrattar hon).

Tx: Och hur går det för dig? Vet du hur du skall göra för att komma till en orgasm?

M: Självklart! Varje dag undersöker jag min kropp och låter mina fingrar spela över mina känsliga områden. Jag behöver inga massageter. Det räcker med mina förlärvade och outtröttliga fingrar! (Hon visar sina små fingrar.)

Tx: Vad tycker du om att göra när du inte arbetar?

M: Det är jättkul att gå och handla. Men jag tycker ändå ännu mer om att älska efter det jag har handlat! (skrattar hon).

Tx: Vad önskar du dig inför det nya millenniet?

M: Jag skulle vilja ha fyra barn. Jag vill bli en underbar mamma.

Meridian est une des valeurs féminines que l'infatigable Pierre Woodman a choisies pour le tournage de "House of Love", le dernier film de la grille Private Gold. Celui-ci est le premier film où Meridian travaille pour Private, mais nous sommes certains que nous allons pouvoir la revoir prochainement. Cette beauté tchèque, née à Prague il y a 23 ans, est déjà en train de travailler dans la prochaine livraison de Private VideoDeluxe.

Cette charmante blonde était une secrétaire magnifique, lorsqu'elle décida de débiter dans l'industrie pour adultes. Actuellement, Meridian s'amuse bien avec son travail, et profite de l'argent qu'elle gagne, et elle pense continuer à tirer parti de son corps sensuel pour travailler dans tous les films qu'en lui propose.

TRIPLE X: Comment as-tu commencé à travailler dans cette industrie?

MERIDIAN: J'étais secrétaire lorsque j'ai décidé d'essayer de faire des films

pornos. Je voulais gagner beaucoup d'argent, alors, je suis allée faire un casting et...voilà!

Tx: Tu es l'une des principales actrices dans le dernier film de Woodman, "House of Love". T'es-tu bien amusée pendant le tournage?

M: Oui, bien sûr. J'adore mon travail!

Tx: C'est-à-dire, que tu t'excites en sachant qu'il y a des milliers de personnes qui vont te regarder lorsque tu joues des scènes de sexe...

M: Ce qui m'allume vraiment dans mon travail c'est de... (elle hésite pendant un instant) penser à l'argent que je vais y gagner!

Tx: Quelle est la chose que tu aimes le plus quand au sexe?

M: J'aime bien faire l'amour avec des gars et des filles en même temps. Ça me plaît bien de partager mon corps et baiser tandis qu'à côté de moi il y a d'autres personnes qui sont aussi en train de jouir. Ça me fait tourner la tête!

Tx: Donc, cela veut dire que tu as pris ton pied lorsque tu as tourné la scène de l'orgasme pour "House of Love"...

M: Évidemment. J'ai joui comme jamais lorsque je baisais avec ces quatre gars formidables. Travailler dans cette affaire offre la chance de faire des trucs comme ça. Ça fut vraiment superbe!

Tx: Et qu'est-ce que tu peux nous expliquer de tes fantasmes sexuels?

M: Du sexe dans des endroits publics, comme les toilettes d'un restaurant ou la gare d'autocars. (Meridian nous fait cette confidence sans l'ombre d'un doute dans ses yeux.)

Tx: Et quant aux positions?

M: À quatre pattes, à quatre pattes! J'adore être baisée par derrière tandis que mon étalon pince mes seins. (Son visage s'éclaire avec un sourire.)

Tx: Quelle est ton idée d'une bioute parfaite?

M: Les petites. J'aime bien jouer avec une bite petite, la sucer et en boire le sperme tiède. Je sais comment faire qu'un homme ait un orgasme à l'aide de ma langue expérimentée! (Elle rit)

Tx: Et toi alors? Sais-tu comment faire pour avoir un orgasme?

M: Naturellement! Tous les jours j'explore mon corps, et je fais que mes doigts parcourent mes zones sensibles. Je n'ai pas besoin de dildos. Ça me suf-

fit avec mes viciés et infatigables doigts ! (Elle nous montre ses petits doigts).

Tx : Qu'aimes-tu faire lorsque tu n'es pas en train de travailler ?

M : J'aime aller faire des courses. Mais ce qui me plaît encore d'avantage c'est de faire l'amour après ! (Elle rit)

Tx : Quel est ton souhait pour le nouveau Millénaire ?

M : J'aimerais avoir quatre enfants. Je veux devenir une maman formidable.

Meridian es uno de los talentos femeninos que el infatigable Pierre Woodman ha elegido para el rodaje de "House of Love", la película recién salida del horno del sello Private Gold. Esta es la primera película que Meridian protagoniza para Private, pero estamos seguros de que vamos a volver a verla en los próximos meses. Esta hermosa checa, nacida en Praga hace 23 años, ya está trabajando de nuevo en la próxima entrega de PrivateVideoDeluxe.

Esta rubia fascinante era una secretaria encantadora cuando decidió iniciarse en la industria del entretenimiento para adultos. Meridian disfruta con su trabajo - y con el dinero que gana - y piensa seguir aprovechando su sensual cuerpo para rodar todas cuantas películas le ofrezcan.

TRIPLE X : ¿Cómo empezaste a trabajar en esta industria?

MERIDIAN : Trabajaba como secretaria cuando decidí probar a hacer películas porno. Quería ganar mucho dinero, por lo que me presenté a un casting y... ¡aquí estoy!

Tx : Eres una de las principales actrices de la última película de Woodman, "House of Love". ¿Te lo has pasado bien durante el rodaje?

M : Sí, naturalmente. ¡Me encanta mi trabajo!

Tx : Osea, que mientras actúas te excitas pensando en los miles de personas que te estarán viendo mientras realizas escenas de sexo...

M : Lo que me pone cachonda cuando trabajo es... (vacila un momento) pensar en el dinero que voy a ganar!

Tx : ¿Qué es lo que más te gusta del sexo?

M : Me encanta hacer el amor con chicas y chicas al mismo tiempo. Me gusta compartir mi cuerpo y follar mientras a mi alrededor otras personas están también gozando. ¡Me pone a diez!

Tx : ¿Con esto quieres decirnos que te lo pasaste en grande rodando la escena de la orgía para "House of Love"?

M : Evidentemente. Disfruté muchísimo follando con aquellos cuatro tíos tan estupendos. Trabajar en este negocio te ofrece la posibilidad de hacer cosas así. ¡Fue francamente excitante!

Tx : ¿Y qué hay de tus fantasías sexuales?

M : Sexo en lugares públicos, como los lavabos de un restaurante o una estación de autobuses. (Meridian nos hace esta confesión sin un asomo de duda en sus ojos).

Tx : ¿Y en cuanto a las posturas?

M : ¡A cuatro patas, a cuatro patas! Me encanta que me follen por detrás mientras mi semental me pellizca los pechos. (Su cara se ilumina con una sonrisa).

Tx : ¿Cuál es tu concepto de una polla perfecta?

M : Pequeñas. Me gusta jugar con una polla pequeña, lamerla y beberme el semen tibio. Sé cómo hacer que un hombre llegue al orgasmo gracias a mi experta lengua! (Ríe)

Tx : ¿Y qué hay de ti? ¿Sabes cómo llegar al orgasmo?

M : ¡Claro! Cada día exploro mi cuerpo y dejo que mis dedos recorran mis zonas sensibles. No necesito consoladores, ¡me basta con mis viciados e infatigables dedos! (Nos muestra sus pequeños dedos)

Tx : ¿Qué te gusta hacer cuando no estás trabajando?

M : Me encanta ir de compras. ¡Pero todavía me gusta más hacer el amor después de ir de compras! (Ríe).

Tx : ¿Cuál es tu deseo para el nuevo Milenio?

M : Quisiera tener cuatro hijos. Quiero ser una mamá estupenda.

Meridian è uno dei talenti femminili scelti dall'infaticabile Pierre Woodman per girare "House of Love", l'ultimissimo film della serie PrivateGold.

Questo è il primo film che Meridian gira per la Private, ma siamo certi che la rivedremo presto nei prossimi mesi. Difatti, questa bella ceca, nata a Praga 23 anni fa, sta già lavorando nel nuovo video della PrivateVideoDeluxe.

divertimento per adulti. Attualmente, Meridian si diverte con il lavoro che fa - e con i soldi che guadagna - e pensa di continuare ad usare il suo corpo sensuale per girare qualsiasi film che le venga offerto.

TRIPLE X: Come hai iniziato a lavorare in questa industria?

MERIDIAN: Facevo la segretaria quando decisi di girare alcuni film porno. Volevo guadagnare molti soldi, e allora mi sono presentata ad un casting e... eccomi qui!

Tx: Sei una delle attrici principali dell'ultimo film di Woodman, "House of Love". Ti sei divertita durante il rodaggio?

M: Sì, naturalmente. Adoro il mio lavoro!

Tx: Ossia, mentre reciti ti ecciti pensando alle migliaia di persone che ti vedono girare scene di sesso...

M: Quello che più mi eccita quando lavoro è (dubita un momento) pensare ai soldi che sto guadagnando!

Tx: Qual è la cosa che più ti piace del sesso?

M: Mi piace fare l'amore con ragazzi e ragazze insieme. Mi piace condividere il mio corpo e scopare mentre intorno a me anche altre persone stanno godendo. Mi fa andare su di giri!

Tx: Allora vuoi dire che ti sei divertita da matti girando la scena dell'orgia di "House of Love"?

M: Evidentemente. Mi sono divertita molto scopando con quei quattro tizi così splendidi. Lavorare in questo settore ti offre la possibilità di fare cose del

genere. E' stato francamente eccitante!

Tx: E quale sono le tue fantasie sessuali?

M: Sesso in luoghi pubblici, come nei bagni di un ristorante o in una stazione di corriere. (Meridian ci fa questa confessione senza che i suoi occhi mostrino la minima incertezza).

Tx: E riguardo le posizioni?

M: A quattro zampe! Mi piace molto farmi scopare da dietro mentre uno stallone mi dà pizzicotti sui seni. (Il suo volto si illumina con un sorriso).

Tx: Qual è il tuo concetto di membro perfetto?

M: Piccolo. Mi piace molto giocare con i membri piccoli, lecchili e bearsi lo sperma tiepido. So come far arrivare un uomo all'orgasmo servendomi solo della mia lingua esperta! (Ride).

Tx: E di te? Sai come raggiungere l'orgasmo?

M: Chiaro! Ogni giorno esploro il mio corpo e lascio le mie dita percorrere zone sensibili. Non ho bisogno di vibratori, mi bastano e avanzano le mie dita viziose e instancabili! (Ci fa vedere le sue dita minuziosamente).

Tx: Cosa ti piace fare quando non lavori?

M: Adoro andare in giro a fare shopping. Ma mi piace ancor di più fare l'amore dopo essere andata a far spese! (Ride)

Tx: Cosa desideri dal nuovo Millennio?

M: Vorrei avere quattro figli. Voglio essere una madre stupenda.

Hot reading

I can't help going over in my head the adventure that I had last year at the Hotel Boardwalk, time and time again. Unfortunately for me, as time goes by, it increasingly fades and becomes more confused. My only aim in putting down these lines is to present as true and faithful a document of the incredible events that occurred to me there, that is if they really happened, and to do this before it all gets mixed up in my confused imagination, before it is lost in the erotic intricacies of my erotic neuronal pathways. At beginnings are... Enough of that, let's get down to business. My name's Jodie Berger and I'm a traveling sales rep. for an industrial drill manufacturer. I'd just closed a deal with a builder in Lynchfield, a coarse slob who had to convince of the advantages of our products. The Hotel Boardwalk was the best place I could find to stay in Gualandria that Friday. As business was going well I allowed myself the luxury of booking the room for the whole weekend, the company was paying anyway and I needed a break. I figured I'd be able to visit Dark Valley, which wasn't too far away, and take some photos. On the Saturday morning, in the twinkling doozies at the hotel entrance, I bumped into him for the first time. He barged through at such a speed that I was flung unceremoniously out onto the street. It was just as well the policeman was there to break my fall, even though the sly bastard took full advantage to grab a feel of my ass as he was poking me up off the floor. On realising the consequences of his impetuous dash through the revolving door he hurried outside again to excuse himself in a most gentlemanly way. "Please forgive me, Mum, I wasn't thinking... I'm so sorry," he said, truly embarrassed. The truth is that he was such a charming hunk that I would have forgiven him just about anything, even a broken bone. "Don't worry, really. I'm okay..." I said, as I jabbed my elbow sharply into the postman with the wandering hands. I no longer knew if I was coming or going. "Can I invite you to have a drink with me, it's the least I can do to make up for my clumsiness." I hardly need to say that I accepted like a shot. We went back into the hotel and I began to regain my bearings, in effect I had been on the way out to buy some tools, but whatever, that could wait. When we got to the bar he told me that he was a sales rep. for a company that made suction milking machines for cattle and sheep. My professional interest was stimulated and I had to enquire further about the products he sold. The explanation that Barry, that was his name Barry Nale, gave me about how the milking machine, with its suction heads worked excited me enormously. It's not that I'm an old cow or anything, in fact I'm actually quite slim and trimly built, but I am as kinky as they come. The tone of his voice was really sensual and he expressed himself with undeniable conviction, must be a professional salesman I thought, but I didn't need one of his suckers, or did I? After we said our goodbyes, I couldn't stop thinking about him as I wandered round the shops near the hotel. For a while I thought I had been trapped by his hypnotic words. Deliciously perturbed I went back to the hotel in the afternoon without having bought any of the things I needed. Because my Miss Berger, a message for you, the reception said, as he gave me the key to my room. Who could possibly know I was at this hotel, I hadn't even told the concierge. The note said: "Hi, this is Barry. I'm waiting for you in room 256. I need to talk to you urgently. I was stunned, the first thing that came into my mind was, this must be a seduction. Perhaps that was just what I needed after so much work. I almost flew up the stairs to 256. I didn't even have time to change my knickers, or at least take them off. Knocked shyly on the door and waited nervously for an answer, a "come on, come in" or something, but there was no answer. Building up my courage I turned the handle, the door was open, and as I entered I could hear something, the intermittent squeals and groans of a female voice. I closed the door after me and looked round, bowed over by the scene that met my gaze and in which, deep down, I really wanted to be involved. Barry was reclining the ass of one of the waitresses in true Texas style—with a cowboy hat on the work. It was the very waitress who, only that morning, had told my ass right there in the middle of the hotel restaurant while I was having breakfast. "Get over here, himehimeh... jodie... jodie... I know you're desperate for it, I, he smiled me amiably. Don't get me wrong, I just love a seduction

with all the ritual of courting and intimations, it can be very healthy, but if you can get right down to business, well time is money as they say. The bastard was giving me this enormous cheesy grin as I stripped off, without taking up for a second as he shagged the waitress up the ass, she was too distracted to play much attention to anything else. As soon as I was naked I hurled myself on him like a cat. "Now it's my turn, I, I cried throwing him over on his back on the wide bed and impaling myself on his stiff and ready cock. "Hey! Shut, bring me a whiskey", I ordered the little bitch. I could tell that this guy worked out, the bastard! He also anointed his skin with oils, a pleasant and slippery sensation. What a big... cock... Oooh... you have... those bulging veins... Aaaaah... really turn me on... I was, holding myself upright with my palms pressed against his oily torso, when I suddenly stopped, feeling in such a way that his was withered violently out of my wet cunt, giving me an instantaneous and unexpectedly intense orgasm. Seeing my state of heightened excitement the waitress handed the whiskey to Barry and flung herself down on my sucked, crying. "Now I'm really gonna have you for breakfast... I, while she sucked and loved, she pushed her ass up in the air, exposing her pulsing, reddened rump. "Perfect... Don't move, here comes Barry", he warned, drawing the whiskey in one shot, straightening his hat and with a deft sweep of the hips sinking his shaft deeply into her willing cunt. And there we were, me, writhing in ecstasy on the floor, tormented by the formidably agile tongue of the lascivious waitress, with this guy wringing at me as he bodied her energetically from the rear clinging onto her again, the only thing she was wearing. Suddenly there was an ear splitting explosion, accompanied by multiple expressions of colour, just as I was coming for the second time round. Later on they told me that the Gucananga Cornes Fiesta started that same night, with a cascade of fireworks right next to the hotel. The synchronisation of her lashing tongue-work and the explosions and pyrotechnic booms and whistles completely overwhelmed my senses, bringing me to a trance like state I'd never experienced before. Barry came in delicious shuddering spasms. "Sweeten your cunt... more, yes... milk it... milk it... I, he belted with authentic professional dedication, as if he was trying to tell one of those machines. The waitress came too and slumped exhausted onto the carpet. Far from being satisfied, and with the festive fireworks still going strong he grabbed me round the waist, like a limp doll, threw me on the bed and started to fuck me. My sudden cunt yearning wide to welcome his re-animated cock as it slid all the way home. "About time we had a face to face discussion... my dearest colleague... himehimeh... I, he grunted, pumping away with awesome energy. I wrapped my legs around his waste to offer him the full depth of penetration. Ideas kept on whirling round my head, I felt I was being penetrated by one of the drills I sell. Barry fucked with a mechanical rhythm, the oily shine of his skin reflecting the coloured glare of the exploding fireworks. Down on his knees he lifted my pelvis and for a moment I forced he was some kind of steel crane rocking me back and forth. He started to run me onto him as if he was jerking himself off and I was a synthetic cunt. I abandoned myself to it in ecstasy with my arms spread-eagled, crucified on his steaming piston of a dick. "Solic me in two... Uuuhh... you bastard... I, Suddenly again, as with the fireworks, I became aware of a presence in the shadows of the room. I turned my head and there, picked out by each flash, I saw the outline of a female form beside the bed. "Can you tell me what the hell all of this is supposed to mean?", she demanded, outraged, after turning on the main light of the room. Her indignation didn't seem to be having too much effect on the waitress who was showing an enormous anal and vaginal dildo into both holes at once. I must confess it turned me on knowing I was being watched. Barry kept on banging away, I could feel his glass probing deep inside me, so I squeezed my cunt walls tight around it, grabbed hold of his powerful neck and accelerated us towards the inevitable. "Keep on, don't stop... himehimeh... yessss... I, I thrust into his ear without taking my eyes of the woman. As I came coming he pulled out of me still erect and splattered my stomach with come. My belly button became a small snowy pool. Don't worry... we're going now, I'm terribly sorry about the

bother... I, he murmured, stark naked and still ejaculating copiously in front of the woman. "Don't think you're going to get away with this... I, she said. "I'll call the hotel manager... You... you... degenerates!" Barry shot his hand and seized her by the arm to prevent her from leaving. "Don't you dare touch me you filthy son of a bitch... I, she screamed, trying to shake him off. As it turned out we weren't in Barry's room at all, we were promiscuous intruders. But what happened next really shocked me. Barry suddenly let fly a tremendous slap, the sound of which still echoes in my head. The twinkled suddenly came to a stop and a victorious smile, of intense pleasure, broke out on our hostess's face, accompanied by a thin trickle of blood running from the side of her mouth. "Far out... now I know which way to go... I don't think I'll be telling tell anyone you filthy cow... Jodie, bring that chair over here and get the cords out of my case... And you, get me another whiskey" Barry ordered. Before sinking his tongue into her mouth, grabbing her round the throat and forcefully grasping a handful of her ass. She put up no further resistance. As for me, I obeyed straight away. As I was searching through my case I came across one of the famous milking machines, with four suction heads attached to a kind of intensely regulating pump. What a weird sight I thought, but I found it strangely pleasant to the touch. Barry evidently knew what I was after. I entered into a delicious state of submission, judged to his every whim, although I also had a pretty good idea about how to get things going my way particularly with that slut of a waitress. Barry's brute strength was an admirable force of nature, he tied the woman up in a flash, after violently ripping her clothes off, reducing them to a pile of unrecognisable rags. The truth is that the kinky bitch didn't exactly make it difficult for him, that glowing staying glued to her face all the while. Once one was tied up and gagged, he started to slap her about with those big muscular hands of his, pinching the nipples of her pendulous breasts and biting her all over, she must have been a mess of bruises the next day. But there was no doubt at all that the bitch was getting a big kick out of the treatment that Barry was doing to her. "Don't even think about watching me, I, he warned raising his hand. She caught my eye and gave me a big wink. My god the some was starting to drive me wild! Working his tool at a frenetic speed and pouring forth a stream of filthy obscenities he soon reached the point of another ejaculation. Immediately he ripped off her gag and snivelling at the ward started to slap her face with his rigid dick. She tried desperately but in vain to catch him in her hand, but only managed to get splashes of his come on her sniveling face, the rest sprayed around the room, even splashing onto the bars of one of the lamps. A suggestive and pungent odour of burning come stimulated my nasal passages. I picked up on Barry's command and energy, deciding that now was the time to take my sweet little waitress in hand. I yanked out the double vibrator that she was using, showed my pussy in her face and sunk my tongue deep into hers. "Guerra low a shunk at barthes got shup...", she mumbled into my cunt. Her comment made me think of the milking machines that he sold, perhaps he used them as training equipment. I smiled. When my mouth was wetter and more viscous than my head I felt it was time for a break. "Hey you! Being as you work here, I suppose a hole in this category has a 'count, right", I asked the waitress who was frenetically chewing on my ass. "Of course it does, if you want we can go right now", she answered enthusiastically. Meanwhile Barry had untied her breasts and was sodomizing her having improvised some restraints which once more gagged her mouth. "Take that you bitch! himehimeh... no gain without pain baby... this is what call a ride. Mmmmm... jodieyyyy... I, he growled waving his cowboy hat in the air and slapping her rump. The game that they were looking into had been both so absorbed that they didn't even notice us leaving. My watch showed 22:15 p.m. and the night still held plenty of promise. Running our hands over each others bodies me and Lola, that was the waitress's name, went down as far as the lobby in the 18. There was no-one else around. The night porter had dozed off with his headphones on. We went down some stairs and came to an enormous gymnasium, with a heated swimming pool included. There wasn't a soul in sight. Lola got behind me, she was feeling playful, grabbing hold of my tits and clinging on like a limpet. I could feel her nails tawking my nipples. "Keep up the good work... I said to her giggling. By the time we got to the women's changing rooms we could barely control our instincts and we got right down to it in a frenzy. My fingers, like five willing snakes, sunk deep into her soaping cunt. Her skin was so smooth, compact and soft all at the same time. Her tits tasted of the perfume she used. "But wasn't we... going... Aaaaahh... No! No! I said, I, I enquired as she started to explore my mouth with her sensual tongue. As naked as the day we were born we retired the sauna cabin. Strangely enough it was awaking at full steam. Lola was first in, but we couldn't see a thing, a dense cloud of steam enveloped us completely and I lost sight of her. I felt around, so that I wouldn't bump into anything until I found her body, or at least I thought it was hers, but it turned out to be a hunk of masculinity. "Fuckin' hell, I'm sorry... I didn't think there was any-

I WRAPPED MY LEGS AROUND HIS WASTE TO OFFER HIM THE FULL DEPTH OF PENETRATION

... here... I think to excuse myself a little shocked. Two powerful arms grabbed me by the waist and pulled me toward him. We were both standing and his prick was level with my tits. There it was already straining up towards me so all I had to do was dip my head a little to get my lips round this delicious round 18B. It grabbed a firm hold on his muscular cheeks to anchor myself for the thrusts of my throat. "Suck it, shit... harder," he grunted excitedly. Suddenly I remembered Barry's explanation of the milking machine and I sat about imitating the mechanical way that they extract milk from the animals. I pulled his glands in deeper across my palate and he shuddered mightily, my lips peeled off the feeling, sweat right round the rest of his shaft. From the way he moaned said it seemed to be doing the trick. This is the greatest cock-sucking I've ever had... "Gooosh yessssss..." dear me... "Aaaaahhh... you slut." As Barry had told me you couldn't never suck until every last drop of milk had been extracted, and I took it at his word. The guy came in torrents and I managed to suck every last drop of it down, my throat working away a true suction pump. Perhaps the lack of oxygen and heat in the sauna were on my side, but it seemed like that day was experiencing the most incredible orgasm of his life. I could tell by his spasmodic jerking and the tensing of his whole muscular body at the peak of his ejaculation. The hot creamy liquid slid down my throat, delicious and thick. Meanwhile another guy had slipped his cock into my mouth behind. Hey, you, let's go do it in the pool! I sloshed, cranked some hot dibbling from my lips, as I yanked his cock out of my cunt. The fuck was that, even I was surprised by the intense lust that seemed to dominate my every act. Meanwhile, Lola was being given a thorough going over by three guys on the main level of the sauna. I felt sure I was leaving her in good hands, these guys were all really built, like brick-bitch-house. We're a rugby team, and today we had a big game... the one I was leading towards the pool, with a firm grip on his cock, explained when I asked him how come there were so many big guys in the sauna. "Right, and now we're moving into extra time, I suppose!" I said slyly. When we got to the pool I suggested that we get up on the diving board, he seemed pretty keen on the idea and as soon as we got up there he lifted me up until my feet were no longer touching the board and impaled my throbbing cunt onto his throbbing shaft. I wrapped my legs around his waist and started to bounce up and down, kicking him with everything I've got. His hands worked my ass back and forth in the most masterful way you could tell he had experience with his cock ball. "Aaahh yessss... fuck, he's hot, harder... I want to go down to the end of the board... Aaaaah... yesss... Mmmmmph..." When we got down he started to bounce up and down on the board, the area group effect was just out of this world. "Would you dare... Aahh yesss... mmmph... it gave me a little sore throat on the way down, together?" I asked. He told me a big smile without missing a stroke as he continued to ram his stiff cock up to the hilt in my cunt. "What an incredible night I'll be sure if you, did you know that?" he said sucking on my nose. Straight after he brought out combined weights down on the end of the board. "Now," he shouted taking a firm grip on my ass as he launched up and up and off my hand! I sank my tongue deeper into his mouth, and felt him, fanning my cunt as we turned ass over to in the air. There's no need to say it, I started to come before we even hit the water. It was the most amazing fuck I ever had. We landed each other in the water before coming up for air. "Finger... right on... that was far fucking out," he said, sticking his index finger up my ass. I was over the moon, but I needed still more! I don't suppose you could tell a few of the guys that they're invited back to my room! I asked him, using my naughty little girl's voice. He could see that my shit was still far from being satisfied. "It's room 134, it'll be waiting for you in an hour's time," I said as I got out of the pool, waving kissed his dick goodbye. I skipped back to the changing room in a little girl, one of the showers was on and our easily got the better of it, I poked my head round the corner to find Lola showering herself. I went in with her and as we soaped each other down and exchanged kisses we filled each other in, sparring in details, on our recent experiences in the world of sports. While we were washing back up to the lobby, my sweet little waitress got as horny as hell when I told her of the party that we were going to set up after we got to his room. As we were waiting for the 18 I sanked her nipples and squeezed her tits. "Uppsssss you've have everything you ever wanted from me..." my darling little slut, I whispered in her ear as I lifted her skirt up to the waist and sank my fingers deep in her wet little cunt. If you try my every when during the session you'll get your reward. For now go to the kitchen and bring me everything there is to eat. The most exquisite food you can find, I said sipping socratically on her neck. As soon as the 18 arrived she shot off to the kitchen. When I got upstairs I washed in my room and, as soon as I closed

the door, I felt a hand slip round my neck, my mouth. That wasn't right disappearing like that, a familiar voice hissed in my ear. It was my sisters Barry behind me. He grabbed my waist and tugs and pulled me up with all of his force. I could feel his erect prick through my dress. He threw me to the floor, switched on the light and leapt on me, ripping off my clothes, and as a tiger. My excitement level shot completely off the scale. Tacten you to fuck me... put your hot on... I'm the horny fucking pig. Aaahh, that you're always been looking for... Umhmmphh? I, I cleared out of my mind with lust. His enormous thick cock thrust my cunt to buffer with my first violent plunges. Give it to me harder... like that... my cowboy. I, I screamed absolutely surrendering myself to his animal like sexual passion. His strong hands grabbed my shoulders pulling me hard onto his rhythm with his furious genital thrusting. So, you like my hot do ya sport? Umph... They all like the hot... Umph... he said stroking my hand in my mouth so that I could suck on his fingers. I eagerly fed his finger tips to excite him even more. Suddenly I wanted to take a closer look at the monster dick that was battering away at me, so I forced back another sharp manoeuvre, this time reaching the base or his prick. I lurched forward and his cock, with a loud popping noise like unspooling a big bit of champagne, was jerked free of my popping cunt, only this time I managed to control my orgasm. The first thing the girls touched as I hungrily plunged it in to my wide open mouth were my breasts, you can imagine how good I look like. And I sucked on it like a steam train. Yes... suck it, umhmmph... suck my balls in too... I then threw his hot up in the air. He grabbed my head, pushing me into him at the speed he wanted me to go faster and faster. I kept up my end and managed to bring him off in seconds. The torrent of semen flooded out through my nose, almost choking me as he came in what seemed like bucket loads. Game set and match to Barry. Intrigued by the intense situation we were going through, and as I eagerly licked his dick clean, I asked him how come everyone in the hotel seemed to be so fucking happy. You're right, the truth is that I've been here for ten weeks and I still haven't found the right time to leave. But because sales are good in the area the company haven't said a word, he said stroking the parts of my body that he could reach. By the way, what happened to the woman whose room we were in? I bet you'd like to know how that one ended up, the detailed description of everything that he did to her after a moment and he had let got me all steamed up and wanting to go again. For a moment I thought that maybe the best thing I could do was to get out of there as quickly as possible, but what the hell, I figured, if what you like most in this life is fucking then the more the merrier. Just then someone knocked at the door, and Barry gave a start. I said: Don't worry, it's either Lisa or someone that I've invited up. Just wait and see this place is going to be really swarming any minute now. I opened the door and my mouth dropped as I saw a pretty stoked high with the most delicious food imaginable. Lisa took her head out behind it and said, a little nervously: Help me bring this in before anyone sees me... Barry smirked her in, stripped her violently, laid her out on the bed, uncorked a bottle of champagne, pouring the golden liquid all over her and started to lick it off hungrily. Someone at the door again, this time it was the five top sticky rugby players who, seeing what was going on, decided to put me to work with them. I must confess that I loved one of Barry's suckers on the test, the last part was that they let me ejaculate. And so it was that with five muscular lads to satisfy and five willing girls to milk dry, I saw clearly that leaving the Hotel Boardshire that Sunday would be the biggest mistake of my life. I stayed on for three solid weeks and sold more drinks than in three months of waiting clients. Barry disappeared after ten days of uncontrolled room to room insanity. He confessed to me that he was staying at the hotel without even having registered, that is, without a room, although a guy with his talents didn't need one. When at last I went back to the big city I missed those glorious days. I couldn't hold out for more than a month before I had to get back to Cuccumorra, but the hotel was closed and up for sale. It looked like a building that had been abandoned many years ago. One of the locals told me that it had been done up by the owners fifteen years before and had been standing there ever since. I was petrified, I couldn't believe my ears. I began to doubt my own sanity, but it was all so real. Undoubtedly it really happened. I drove round Cuccumorra in the car looking for somewhere else to stay that night. Nothing, not a single hotel. On the outskirts of town I found Hotel Kitty. The name was promising, and I swear that what happened to me there would fill another long page. Maybe you'll be hearing from me again in a few months time.

[Wishful Cunt]

Wanda Curtis

These vertiginous curves belong to Wanda Curtis, a Scorpio, who says she leads a life with too much stress, too many photographic sessions, too many films, too many parties... What she really likes is to be able to enjoy her scarce free time relaxing... a pool, some friends, coming various times, and then submerging herself once more in the transparent waters... Previously she worked as a waitress and a fashion model, and in the future she hopes to fulfil her dream, studying Philosophy at University. In the meantime she continues to delight us with her explosive fellatio, her stimulating pelvic thrusting and her desire to make it hard for you.

Diese schwindelerregenden Kurven gehören Wanda Curtis, einer Skorpion-Frau, die, wie sie sagt, zu großem Stress ausgesetzt ist: Zu viele Fotosessions, zu viele Filme, zu viele Partys ... und dabei genießt sie viel lieber ihre Freizeit und relaxt ... ein

Swimming-Pool, einige Freunde, mehrmals kommen und dann wieder in dem glasklaren Wasser untertauchen ... Früher hat sie als Kellnerin und als Model gearbeitet, und sie hofft, sich in der Zukunft ihren Traum erfüllen zu können: An der Universität ein Philosophiestudium zu absolvieren. In der Zwischenzeit lässt sie uns ihre explosiven Fellationen genießen, die stimulierenden Bewegungen ihres Beckens sowie die Lust, Dir zu einem Ständer zu besorgen.

Dom här omtumlande kurvorna hör till Wanda Curtis, en Skorpion som påstår sig leva ett alltför stressat liv: alltför mycket fotografering, alltför många filmer, alltför många fester... Det hon verkligen tycker om är att kunna njuta av sin alltför korta fritid och slappna av... en swimmingpool, några vänner, orgasm på orgasm och åter låta sig omsvepas av det genomskinliga vattnet... Tidigare arbetad hon som uppasserska och modell för modekläder och i framtiden hoppas hon kunna göra verklighet av sin dröm, nämligen att studera filosofi vid Universitetet. Under tiden fortsätter hon att förtjus oss med sina explosiva runkningar, sina stimulerande rörelser med underlivet och med sin härliga förmåga att få den att bli hård.

[Für sie gibt es kaum etwas geileres, als drei Schwänze gleichzeitig in ihren drei Löchern zu spüren]

[hon älskar att känna hur tre kukar tränger in i henne genom alla tre hålen samtidigt]

Ces rondeurs de vertige appartiennent à Wanda Curtis, une fille née sous le signe de Scorpion, qui dit mener une vie trop agitée : trop de séances photo, trop de films, trop de fêtes... Ce qu'elle aime vraiment c'est de jouir de son très peu de temps libre en se relaxant... une piscine, des amis, quelques orgasmes et plonger à nouveau dans des eaux transparentes... Précédemment, elle avait travaillé comme serveuse et elle avait aussi été mannequin de mode, et dans un futur, elle souhaite réaliser son rêve : étudier Philosophie à l'Université. Mais pour l'instant, elle continuera à nous délecter avec ses fellations épatantes, ses remontants mouvements pelviens et ses envies de vous faire bander.

Estas curvas de mareo son las de Wanda Curtis, una escorpio que dice llevar una vida demasiado estresada: demasiadas sesiones fotográficas, demasiadas películas, demasiadas fiestas... Lo que a ella le gusta realmente es poder disfrutar de su escaso tiempo libre relajándose... un piscina, unos amigos, correrse varias veces y volver a sumergirse en las aguas

transparentes... Anteriormente había trabajado como modelo y como camarera y en un futuro espera poder realizar su sueño: estudiar Filosofía en la Universidad. Mientras tanto continuará deleitándonos con sus explosivas felaciones, sus estimulantes movimientos pélvicos y con sus ganas de ponértela dura.

Queste curve da sballo sono quelle di Wanda Curtis, una scorpione che dichiara di fare una vita troppo stressante... troppe sedute fotografiche, troppi film, troppe feste... Ma quello che le piace veramente è poter godersi il suo scarso tempo libero rilassandosi... in piscina, con pochi amici, venire molte volte e sommergersi nuovamente nelle acque trasparenti... Prima aveva lavorato come cameriera e come modella di moda, è in un prossimo futuro spera di poter realizzare il suo sogno: studiare Filosofia all'Università. Nel frattempo continuerà a deliziarsi con le sue esplosive fellatio, i suoi stimolanti movimenti pelvici e con le sue voglie di fartelo diventare ben duro.

[elle adore sentir trois biroutes la pénétrant dans ses trois trous en même temps] / [adora sentir tres pollas penetrandola por los tres agujeros a la vez]
[Adora sentire tre fally che la penetrano da tutti i tre buchi allo stesso tempo]
