INSANE OBSESSION

M

arina, a young graduate, decides to go on holiday to Budapest. As soon as she reaches her new home she finds herself overawed by its atmosphere and ambience. She is surprised by the elegant decoration, which makes her think that the former occupants must have been people of refined taste and marked personality. Another surprise awaits: she opens a wardrobe to find clothing and photos. This leads her to discover the identity of the house's previous owner: Eve, a stunningly attractive woman. One night, Marina receives a visit from Nadia, a friend of Eve. After this meeting Marina will embark on a series of sexual encounters and experiences that will change her personality permanently.

Directed and filmed by Antonio Adamo, "Insane Obsession", like all the films from the pres-

tigious Private - Penthouse line, has a psychological plot that swears between reality and fantasy.

All seasoned with sex scenes that become more intense and more captivating. The role of Marina is played by Claudia Singer, a blonde with never-ending legs, who manages to take us through moments of sheer panic during certain scenes. The mysterious Eve is played by Lynn Stone, another exotic sex-bomb who nobody will have forgotten since her appearance in "Virtuosa". As

always, her another names are incredible. Finally we mustn't forget to mention the ever-surprising Sophie Evans as Nadia. An explosive trio who live to fuck and be fucked.

arina, eine junge Alakondom-Schleife, nach Budapest zu reisen, um dort ihre Ferien zu verbringen. Als sie dort in ihrem Haus ankömmt, wird sie von dem hier herrschenden Ambiente gefangen genommen. Sie ist von der eleganten Einrichtung des Hauses überrascht und sie vermutet, daß die ehemaligen Bewohner Leute mit erlesenem Geschmack und einer ausgeprägten Persönlichkeit gewesen sein müssen. Eine weitere Überraschung: In einem Schrank findet sie Bilder und einige Fotos. Sie kann sie feststellen, wer die ehemalige Besitzerin des Hauses war. Es, eine ausgesprochen hübsche und sehr attraktive Frau. Eines Abends kommt sie

Nadia, en Freundin von Eve, besuchen. Nach diesem Zusammentreffen wird Marina eine Reihe von sexuellen Kontakten haben und Erfahrungen sammeln, die ihre Persönlichkeit für immer verändern werden.

Wie alle Filme aus der angesehenen Serie Private-Penthouse hat auch „Jusare Obsession“, bei dem Antonio Adamo die Regie und Fotografie übernommen hat, einen psychologischen Aufbau, und man befindet sich ständig zwischen Traum und Wirklichkeit. Besessenen, die immer härter und leidenschaftlicher werden, tragen zu einer guten Mischung bei. Die Rolle von Marina wird von Claudia Singer gespielt, einer Blondine mit unendlich langen Brünen, der

es gelingt, uns beim Ansehen gewisser Szenen für Momente in echte Panik zu versetzen. Die geheimnisvolle Eve wird von Lynn Stone dargestellt, ebenfalls eine echte Sexbombe, die nach ihrem Auftritt in „Virtuala“ sicherlich von niemandem vergessen werden ist. Wie immer bringt sie unglaubliche Szenen mit Analsex. Und schließlich ist auch nicht die immer wieder überraschende Sophie Evans zu vergessen, die in die Rolle der Nadia geschlüpft ist. Ein explosives Frauentrio, dessen einziger Lebenszweck darin besteht, zu ficken und gefickt zu werden.

En ung skolfroken, som heter Marina, bestämmer sig för att ta semester och åka till Hvalspet. Väl framkommen till sin nya bostad, känner hon sig överväldigad av stället atmosfär. Den eleganta inredningen överraskar henne och får henne att tänka, att de tidigare ägarna måste ha varit människor med en raffinerad smak och stor personlighet. Ännu en överraskning: I en garderob hittar hon några kläder och en del foto. På så sätt upptäcker hon, vem som var den tidigare ägaren till huset. Eve, en mycket vacker och attraktiv kvinna. En kväll kommer Nadia, en av Eves vänner, på besök. Efter detta möte börjar Marina ha en serie möten och sexuella upplevelser, som för alltid kom-

som rör sig mellan verklighet och fantasi. Allt kryddat med sexuella scener, som andan för andan blir allt mer vågade och fängslande. Marinas roll spelas av Claudia Singer, en Hondan med långa, slanka ben, som lyckas få oss att uppleva ögonblick av verklig parok under vissa sexuella scener. Den mytiska Eve spelas av Lynn Stone, ännu en erotisk bonda, som ingen säkert har kunnat glömma efter hennes framträdande i "Virtualia". Hennes analscener är som alltid otroliga. Slutligen får vi inte glömma att nämna den alltid lika överraskande Septin Evans som Nadia. En explosiv trio kvinnor som lever för att knulla och bli knullade.

Encore une surprise: dans une armoire elle trouve quelques vêtements

Avec la réalisation et la photographie dirigées par Antonio Adams, "Insane Obsession", d'ailleurs comme tous les films de la prestigieuse ligne Private-Pondhouse, présente une trame psychologique qui se déroule entre la réalité et la fantaisie, et dont le tout

est parsemé de scènes de sexe de plus en plus fortes et séduisantes. Le rôle de Marina est joué par Claudia Singer, une bandante blonde à jambes sans fin qui nous fait vivre des moments de panique au long de quelques scènes de sexe. La mystérieuse Eve est jouée par Lynn Stone, une vraie bombe érotique à qui personne n'a pu oublier après son travail à "Virtuality". Comme d'habitude, ses scènes

Otra sorpresa: en un armario encuentra unos trajes, y unas fotos. Así puede descubrir quién fue la anterior dueña de la casa. Eve, una mujer guapísima y muy atractiva. Una noche viene a visitarla Nadia, una amiga de Eve. Después de este encuentro Marina empezará a tener una serie

Dirigida y fotografada por Antonio Adamo, "Insane Obsession", como todas las películas de la prestigiosa línea Private - Penthouse, tiene una trama psicológica que se mueve entre la realidad y la fantasía. Todo ello aderezado con escenas de sexo cada vez más fuertes y cautivantes. El papel de

podido olvidar después de su aparición en "Virtuality". Como siempre sus escenas sexuales son increíbles. Finalmente nos podemos

dejar de preocupar a la siempre sorprendente Sophia Evans como Nadia. Un trío explosivo de mujeres que viven para follarse y ser folladas.

Out Hunting!!

Alexis and Violet are both regulars down at Joe's Bar, where every Friday they organize games and take bets that entice the clientele here with a streaking hard on and their hulls on the point of exploding. Last Friday these two comedians managed to win the use of a limousine for the whole day! And how do you think they managed that? Well I'll tell you how, they left everyone rubbing their eyes in absolute disbelief as they inserted six pool balls between the two of them: two up their asses and one in each of their cunts. But the best was still to come. With those two well stretched and oozing cunts they went out on the hunt for as much rock as they could get, in the back of stretch-limo, giving it out to all and sundry for 24 hours non-stop! Leaving the upholstery absolutely awash with spent body fluids.

A

lexia und Violet sind Stammkundinnen in der Bar von Joe. Dort werden jeden Freitag Spiele und Wetten veranstaltet, die dazu führen, daß der „Gemeinde“ schließlich vor Geilheit fast die Eier platzen. Am letzten Freitag gewannen diese beiden Schlampe einen Preis, der darin bestand, einen ganzen Tag mit einer Limousine herumfahren zu können. Wie sie das fertiggebracht haben? Nun, ganz einfach, und den Zuschauern

blieb vor Erstaunen das Maul offen stehen, als sie insgesamt sechs Billardkugeln verschwinden ließen: jeweils zwei in ihren Arsch und eine in ihren Foten. Aber das beste kam noch danach: zwei weit aufstehende Foten in der Limousine auf der Jagd nach Machos. Sie fickten alles, was sich an einem Tag eben ficken ließ, und die Sitzpolster waren schließlich quatschnaß von den strömenden Körpersäften.

Alexie och Violet är stamgäster på Jova bar, där man varje fredag organiserar spel och vadhållning, som gör att själva "föresamlingen" går därifrån med locken på väg att explodera. Förra fredagen lyckades dom

håra två bynderna vinna en hel dag med en limousine. Och hur gjorde dom det? Mycket enkelt! Dom fick alla att stå där med mannen på vid gavel, medan dom tillsammans fick i sig sex behandlings - två i röven och en i fitt-

tan. Det bästa kom efteråt - två blöta fittor i limousinen på jakt efter masoch. Dom knullade allt som kunde knullas under en hel dag, tillä dom lämnade kläddel rymande av knoppiga salter

Alexie et Violet fréquentent habituellement le bar de Jova, où tous les vendredis s'y organisent des jeux et des paris qui portent à folie les scabieuses de la clientèle. Vendredi dernier, ce couple de gars réussit à emporter une limousine à leur

disposition pendant toute une journée entière. Comment ont-elles fait? Très simple. Elles ont laissé les types la bouche béte lorsqu'elles se sont introduites six heures de lilland entre les deux deux heures dans le derrière et une heure dans la chatte. Mais le

plus beau de l'histoire était à suivre : deux chattes grand-concerts et tout à fait nouvelles à l'effet de macho en limousine, en passant toute la journée à baiser et à baiser, jusqu'à taper complètement la tapisserie en flux corporels de toute sorte.

Alexis y Violet son
asiduas al bar de Joe,
en donde cada viernes
se organizan juegos
y apuestas que
hacen que la "parroquia" salga con los
huevos a punto de explotar. El último
viernes esto por de zorras consiguieron
ganar una limousine a su disposición
un día entero. ¿Que cómo lo hicieron?
Muy simple, dejaron al personal con la
boca abierta al misterio seis horas de
billar entre las dos; dos por el culo y
una por el cono. Lo mejor vino des-
pués, dos chicas abiertas y mojadas a
la casa del macho en limousine,
 follando todo lo follable un día
entero, hasta dejar la tapicería cho-
reando de flujos corporales.

1
[Penthouse]

lexia e Violet
sono delle
assidue visita-
trici del bar di
Joe, ove ogni

venerdì si organizzano dei giochi e delle pentate che fanno sì che la "parrocchia" si trovi con le palle sul punto di scoppiare. L'ultimo venerdì questo paio di accolite sono riuscite a vincere una limousine messa a loro disposizione per una giornata intera. Come ci sono riuscite? Molto semplice, lasciano il personale con la bocca aperta infilandosi nei galle di biliardo tra tutte e due: due su per il culo e una nella fica. Il meglio però è venuto dopo, due fische aperte e bagnate alla caccia del maschio in Limousine, scopandosi tutto quanto scopabile un giorno intero, sino a lasciare la tappezzeria bagnata dai flussi corporali.

BOOB QUEENS

As I've always said: big tits really deserve our tit-balls. Not that there's anything wrong with the sweet and tender titles of budding adolescent womanhood, so delicate and responsive with the firmness of youth... but sucking on a pair of whopping great boobs, getting those protruding nipples good and hard, feeling the warm blood surging, making them swell up, feeling how the female whose tits is desperate for you to suck on them, fucking her harder and harder still... It's just one of the most exquisite pleasures of sex. As if you didn't already know that's not to mention "cubanas",

where they wrap their tits around your cock and work you off, and as we all know the bigger the better for that, our cocks and balls populating themselves excitedly by contact with such an exclusive and sensual part of the female anatomy. Tweaking on her erect nipples, holding and stretching them to the limits of their elasticity provokes a voluptuous pleasure in every woman, as well as a sensation of being in control for the guy lucky enough to be doing it. But it's the women who know, better than any one, the potential of their tits, firm or floppy as a pair of fans, but above all big, that they really turn us on. A bulging cleavage, the furtive glimpse of a breast beneath her blouse, transparent tops that let you see them, nipples poking out trying to break through the lightly drawn fabric...

Now that's what I call provocation! Calculated to drive your desire to breaking point, to trigger your basest instincts. Just watching a well stacked pair of knockers jigging away in your face while their owner rides you mercilessly. Or fucking her doggy style and clinging on to a pair of slippery, oil-anointed, oversized jugs... Mmmmm! Their tits - apart from their asses - are the first thing they show us, the first thing they offer us... The simple, yet calculated, act of going topless is their liberation, a revolution on a minor scale, while at the same time reaffirming their power, their

domination over us, sweet submission is what I feel when I come up against their mammary mastery. And a pair of well tanned melons tell us: "Tits in control, I've really got your attention now..." But even better than two bustling bosoms, are four... or even six, having them all to yourself. Oh to be the master of so much soft and tactile bliss, what greater pleasure could a mere mortal ever wish for...

Ich werde weiterhin dabei bleiben: Großen Titsen gebührt eine besondere Anerkennung. Das soll aber nicht heißen, daß ich die kleinen, gerade wachsenden Brüste, die noch ganz zart sind und bei jungen Mädchen piel nach oben stehen, verachte... aber an zwei richtig dicken Dingen zu urteilen, daß die Nippel ganz hart

werden und zu spüren, wie sie gut durchblutet werden und immer prall werden und das dazugehörige Weib ganz gel darauf ist, daß du sie kuschelst und es dabei immer ködiger fließt - daß ist mit das größte beim Sex. Aber was soll ich auch schon lange erzählen? Wir wollen gar nicht von dem sagen, nannten „Euterlick“, dem in die Titsen spüren, reden, sie kuscheln, daß es dabei umso besser läuft, je größer die Dinge sind: unsere Schwänze und Eier zucken und werden durch den Kontakt mit diesem so explosiven und gelen fester weiblichen Anatomie aufs höchste erregt. In die steifgewachsenen Brustwarzen zwischen und an ihnen zu ziehen solange es die Lusthaft der Titsen erlaubt, erzeugt bei den meisten einen waldigen Genuß, und die Männer haben das Gefühl der absoluten Kontrolle. Aber im Endeffekt sind es die Weiber selbst, die sehr genau das Potential ihrer Titsen kennen, ob sie nun prall oder weich wie Wackelpudding sind. Hauptsache groß, sie lassen uns zu Höchstform aufkauen. Ein großzügiger Ausschnitt, ein BH-Bügel, der unter dem T-Shirt hervorkommt, durchsichtige Kleidung, die ihre Formen zu erkennen gibt, stiel hochstehende Brustwarzen, die den Stoff zu durchbohren scheinen... - das ist provokierender Sex, kokulierte Wälder, die darauf abzielt, unsere Geilheit noch mehr anzukurbeln, das ist der Antrieb für unsere niederen Instinkte. Zu erleben, wie zwei üppige Titsen vor deinen Augen hin- und herpendeln, während ihre Festsein ohne jegliche Rücksichtnahme auf uns ruft, in Hunderstellung zu fassen und sich dabei an ein Paar dicken, gut eingebüßten Dingen festzuhalten, fesseln... Abgesehen von ihren Änchen, sind es immer ihre Titsen, die sie uns als erstes zeigen, sie sind das Erste, was uns von ihnen angeboten wird. Topless, diese simple aber wohl kalkulerte Sache, ist für sie Befreiung, ihre Revolution in kleinem Maßstab und gleichzeitig die Bestätigung ihrer Macht, der von ihnen über uns ausgeübten Beherrschung. Angesichts der von ihnen Brösten ausgehenden Macht überkommt mich ein süßes Gefühl der Ergebenheit, ihre von der Sonne getauchten Titsen sagen uns: Hier haben wir das Sagen, du bist uns untertan... Aber noch besser als nur zwei Titsen zur Verfügung zu haben,

ist es natürlich, wenn man in den Genuss von vier... oder sechs dicken Dingen kommt. Hier über so viel Leben zu sein gehört mit zu dem höchsten Genuß, in den man als Mensch kommen kann.

Jag kommt allid oft anse oft dom stora bröstens förförar oft tylos. Vårigen utan oft undervärdera dom spåda, nyutagga bröstens, dessa små, mjuka och saftiga bröst, som sprejar uppåt på grund av en ungdom. Att suga på ett par ordentliga meloner, oft få vårtarna oft bli hådda, oft måkta hur blodflödet för dom oft svåla, oft känna hur kinnarna som öger dom inget annat önskar, än oft du suger på dom - och oft du knular henne hårdare och hårdare - är oft av de mest utökta njögen som sex har. Men vem är jag för oft säga det? Och så skall vi inte tala om dom så kallade "cubanas" eller nunk med bröstet. Alla vet vi oft ju näme dom är så är dom bara bättre för det - våra kukar och testiklar dunklar och hejar upp sig av kontakten med denna så explosiva och vassa del av den feminina anatomin. Att njuta dom utblöende vårtarna och oft dra ut dom så långt som bröstens elastisitet tillåter skapar en smink njutning hos kinnarna och en känsla av kontrol hos den som gör det. Men det är dom själva, som bättre än någon annan vet, vilken potential deras bröst har hårda eller mjuka som brylepuddingar och allid om dom är stora, så får dom oss oft bli kålla. En generös utnigning, ett axelband som skymtar under skjortan, en genomskinlig blus som låter dom synas, ett par hårda bröstvårnar som ser ut som om dom skulle vilja hänga igenom tyget... oft detta är sexuell provokationer, kalkulerad ledarskap för oft förädla vår upphetsning, det här är motan i våra ägda mänster. Att känna hur två stora jättebröst gungar framför vår näsa medan dess ägarna rider os passionerat. Att knula som en hund, medan händerna håller os fast vid ett bra par meloner smorda med olja hummer... bröstet är förutom njögen, det första som dom visar os, det första dom erbjuder os. Den enkla men kalkulerade handlingen oft gå "topless" är den totala frigörelsen, deras revolution i fören skola och samhället

se faire tinger de plus en plus fort - c'est un des plaisirs les plus exquis du sexe. Ça n'est pas moi qui va vous l'apprendre !. Pour ne pas parler de la technique de se faire taper une branlette avec les seins... Nous savons tous que pour cela plus grosses elles sont, tant mieux ! : nos bites et nos roudons papillonnent, s'excitent par le contact de cette explosive et chaude porte de l'anatomie féminine. Pincer les mamelons dressés, frotter d'eux jusqu'à ce que l'écoulement des richons affaigisse la bite, produit un plaisir voluptueux chez les femmes et un sentiment de contrôle chez qui aime fort. Mais elles savent mieux que personne du potentiel de leurs richons : durs ou mous comme des fleurs, mais toujours gros, ils nous alimenteront comme des fous. Un décolleté généreux, une bretelle furtive qui s'échappe du t-shirt, une petite robe transparente qui les laisse entrevoir, des mamelons tendus qui essaient de transpercer le tissu... voilà le sexe provocant, la luxure calculée pour

augmenter notre échauffement, voici le moteur de nos plus sales instincts. Sentir deux richons énormes qui balloient devant nos yeux, tandis que leur propriétaire chevêche au-dessus de nous sans pitié, flatter ou étirer chien, accroché à une bonne paire de fémurs enduits de crème, hummm... Leurs richons - en outre de leur petard - c'est la première chose que les femmes nous montrent, la première que les femmes nous offrent. Le simple mot calculé acte du "topless" représente leur libération, leur révolution sur petite échelle, et en même temps la réaffirmation de leur puissance, de leur domination sur les hommes : douce soumission, c'est bien ça ce que mon esprit éprouve par la vue de leur pouvoir pectoral. Leurs richons bronzés par le soleil nous disent : c'est moi qui commande ici : vous, vous êtes les subjugues... Mais encore mieux que deux lobes énormes c'est, bien sûr, d'en avoir quatre... ou six, à notre disposition. Devenir le maître de télé-

ment de vie est l'un des plus grands plaisirs dont, en tant que mortel, on peut en jouir.

Sempre le dire, les grandes tétés bien méritent leur homéage. En menoscupred, eso es lo que nos pechitos incipientes, los "tetas" tiernos y jugosos, fugaces por su juventud... Chupar un buen par de melones, poner duros sus pezones, notar como la ligación sanguínea los hincha, sentir como la hembra que los posee solo desea que le los comas - y que la fofle (muy más fuerte) es uno de los placeres más exquisitos del sexo. ¿Que os voy a contar? No hablémos de las llamadas "cubanos", o pajos con las tetas. Todos sabemos que cuanto más grandes mejor para ellos: nuestros pechos y capones papillan, se excitan ante el contacto de tan explosiva y caliente parte de la anatomía femenina. Pellicar los erectos pezones, estirarlos hasta que la elasticidad de los tetazos dice basta, provoca un voluptuoso placer en las mujeres y una sensación de control a quien lo hace. Pero son ellas, las que saben mejor que nadie del potencial de sus tetas: duras o blandas como flores, eso si, grandes, nos hacen a cien. Un escote generoso, un frontal furtivo que asoma bajo la corbata, una ropa transparente que las deje ver unos pezones inhiertos que luchan por romper la tela... esto es sexo provocador, lujo calculado para potenciar nuestra coquetería, ese es el motor de nuestros bajos instintos. Sentir como dos grandes tetazas bomboclean ante nuestras narices mientras su propietaria nos cabalga sin compasión, follar a la perra agarrada a un buen par de melones unidos de aceite, hummm... Sus tetas - a parte de su culo - es lo primero que ellas nos enseñan, lo primero que nos ofrecen. El simple pero calculado acto del "topless" es su liberación, su revolución a pequeña escala, y al mismo tiempo la reafirmación de su poder, de su dominio sobre nosotros: dulce sumisión es lo que siento ante su poder pectoral. Sus tetazas mueren por el Sol nos dicen: yo mando, tu estas subyugado... Pero mejor que dos tetazas son, como no, cuatro... o seis, a nuestra disposición. Ser el amo de tanta vida es uno de los mayo-

beivert på detta sätt, deras dominans över oss. En hållig underkastelse är vad jag känner inför deras bröst makt. Deras av solen brända bröst säger oss: jag bestämmer, du underkastar dig... Men ännu bättre än två prästbröst är naturligtvis fyra... eller sex till vår disposition. Allt vara heme över så mycket liv, är en av de bästa njutningar som en dödlig kan uppleva.

Je l'affirme catégoriquement : les gros richons bien méritent de leur tendre hommage. Sans minimiser bien sûr, la beauté des tendres petits seins naissants, les petits "nénés" tendres et juteux, fugaces par leur jeunesse... Sucrer une bonne paire de fémurs, en faire rigoler les mamelons, sentir l'égouttement sanguin, les gonfler et que la femme propriétaire ne désire d'autre qu'on les lui mange - et

I am a sex addict, and I'm not ashamed to admit it, never have I nor will I be so in a particularly sick or perverse way, nothing like that. It's much more a case of pure hedonism and lust for life's pleasures, particularly life's carnal pleasures. I only mention this as a warning, because what I am about to tell you may condition your opinion of me, although what I do I care. Even less to given that what follows is the fruit of the most extensive analysis. I won't be adorning my story with any gratuitous fantasies, yet neither will I spare you any of the details, no matter how shocking they may seem. The story is worth the telling on its own merits. I must confess that I had sex and that it was more than I could handle, and that since then nothing will ever be the same again.

I take a holiday at least once a year, and I always try to discover a different country. Ever since I was a little girl I have wanted to discover the whole wide world and, having reached my thirties, I can now claim to have been round it at least three times. Recently I've taken an interest in visiting what are known, for tourists at least, as "high risk" countries, call me ghoulish if you like. As you know Egypt is one of those, with the sandy ferocious attacks on tourists. Anyway, there I was, sitting atop a camel watching the great pyramids of Cheops looming ever larger as we approached. It was really hot again, as hot as the sun baking down on our backs. Philip and Mike were a couple of really great guys who I'd got to know on the plane out. Just yesterday, our first night in El Cairo, the three of us had fucked ecstatically till dawn in my room and as a result we were considerably hung over, but when you're on holiday you learn to deal with that kind of thing, right? A gust

I GOT DOWN ON ALL FOURS AND, LICKING MY FINGERS, ANOINTED MY PALPITATING RED LITTLE ASSHOLE

of wind carried my hat away and a little boy went scampering after it. When we'd managed to get down from the camel, he came over to hand it back to me. In a sudimentary but communicative English he offered to accompany us as our own individual guide, he seemed like a pretty smart kid. So Philip, Mike and I decided to escape the main tourist group, particularly as the kid promised us an unforgettable visit to the interior of the pyramid, even though we knew all secrets were closed off and strictly forbidden.

We squeezed in through a small doorway, after having sneaked past the guard and entered through a passage that was so low we had to crouch down all the way, which Mike took advantage of to feel me up. A sudden loud noise gave us all a real shock and I banged my head against the low ceiling and lost consciousness, at least I think that's what happened. When I awoke I was lying on a hard sandy floor. All around me were piles of the most exquisite jewels and treasures that you could possibly imagine. The room was lit by torches and seemed to go on forever, like an immense secret storehouse filled with the hidden treasures of the Pharaohs. The echoes of a rhythmic gaudy sounds reverberated from the other end. I followed my ears and came across Mike and Philip, completely naked, fucking a woman dressed in the ancient Egyptian style, a kind of common or garden Cleopatra. If you know what I mean "Join us shit... Ohh... what a fine pair of studs you've brought us...". She said with Mike's cock up her ass and with a firm hold on the base of Philip's as she deep-throated it in one ravishing movement. Just watching them turned me on so much that I stripped off and joined them without a second's hesitation. Come here you brilliant, lean my ass... Now... I, cried as I whipped Mike's cock out of her ass. I got down on all fours and, licking my fingers, anointed my palpating red little asshole. His dick slid easily all the way home, no problem: "You going to fuck you so hard that you won't... Mmmmm... be able to ride a camel, tempt... for a whole week... you filthy little cum-slut...". He, sheathed in jubilation as I clamped my muscles round his cock as tight as I could, pulling him further up me with each thrust. Suddenly there was an impressive roaring crash of metal objects which brought us all to a halt, but the woman, now

sitting astride Philip and riding him energetically, told us that it was nothing to worry about. The echoes of our pants and groans reverberated around the walls of that immense room. It didn't take me long to come, but I wanted Mike's spunk in my face so I pulled him out of my ass and started to suck him on his dick until a delicious and hot cum splattered all over me.

An enormous sarcophagus lay on the floor beside us, which got my imagination going, so as soon as I'd licked up the last of Mike's cum I said "I want you both to fuck me in this...". I, and indicated the sarcophagus. Mike and I managed to open it, although it took some doing. The inside was lined with gold and it was completely empty, so we got inside, although we didn't close it. Philip stopped giving the other girl what for and jumped in with us. And so there we were, Philip's huge dick plunging away at my pussy and Mike stroking and licking each and every fold of my body from behind, when the sarcophagus suddenly slammed shut with a terrific crash and we were lost in the most absolute darkness. We kept on going but I soon began to notice something strange. Philip's dick started to grow and grow deep inside me, it was giving me the most intense pleasure, but at the same time it was becoming colder and colder, refrigerating my steaming cunt from the inside. Mike's licks soon became bites, some of which began to hurt. Of course I couldn't see a thing: "Philip... hmmm... your dick... ohhh... it hurts... aaahhh... but I like it... ohhh...". I, moaned in nervous excitement. Their bodies seemed to metamorphose into a single being with no specific form, a formless thing, which enveloped and took pleasure from every inch of my skin.

My asshole stretched wider than it had ever been before as being subject to the kind of thrusting that I'd never experienced. With a reflex movement of my arm I managed to fling the lid open and was utterly amazed to find myself completely alone in the sarcophagus, with nothing more than a solid gold dildo filling my cunt. There was no one else around. For a while I was shocked and spent quite a while looking for my pals and the strange girl, but all was in vain. They'd just disappeared. I sat down and began to masturbate myself with the treasure that lay all around me. Like a little girl in her grandparents' attic I put on so many jewels that I got just as excited as I had in the sarcophagus, gold is gold after all... I was practically covered in jewels when a voice from beyond the grave began to recite my name in a deep booming voice that echoed round the room. I walked towards its source and suddenly found myself in an other immense room thronging with naked bodies fornicating. "We were waiting for you... my name's Faddah and I'm your humble slave...". I turned round and there was the woman who had been fucking the boys before, dressed just like me, her body dripping with magnificent jewels. She kissed me and her tongue seemed to slide right down my throat. I couldn't breathe, but still I no longer needed air, as her tongue penetrated deeper and deeper giving me more oral pleasure than any of the hundreds of cocks I've had the pleasure to suck on in my life. Iainted, abandoning myself completely to her sweet seduction. On the floor she continued to lick and probe her tongue into every nook and cranny of my tingling body.

In the midst of an unquelled cacophony of moaning and groaning I reached such a feverish pitch of excitement that I desperately needed cocks, the more the merrier. I told Faddah and instantly four super-well hung studs appeared from nowhere, prepared to give the two of us all they'd got. "Fuck us till we're stiff and sore... now... oh slaves of the pyramid...". I, cried Faddah grabbing me by the waist as if to show me livestock that we might buy, the livestock that were about to fuck us. No sooner said than done and I was soon being anally, vaginally and buccally satisfied by three fantastic cocks, as hot and palpatingly rigid as anything I'd ever sampled before. We were being dominated by the males that surrounded us, enslaved to their satisfaction which was no

other than to ensure our own. "Tall my cunt out you bastards...". I, demanded vehemently, clinging on to two dicks as I sucked on a third, and one of them got down to eat me out. The more he licked and slurped the more I squeezed and sucked on the other three cocks, the bell-ends of which were swollen up and throbbing with arousal like great purple pumps. My friend was now tied hand and foot to a great wheel, like some kind of female version of da Vinci's divine proportion, perfectness made woman. Her slender and delicious body was fully stretched, legs apart, and seven or eight other slaves were worshipping her body, anointing her with oils, pawing her reverentially while inserting a double headed solid gold dildo up her ass and cunt. Once prepared they began to fuck her, one after the other, without respite, until the cum that they'd unleashed inside her began to gush out of her cunt every time one of them withdrew. This was then collected in a ceremonial gold cup encrusted with precious stones. When full they passed it up for her to drink her fill and started all over again. As I watched my sexual excitement grew till it knew no bounds. In this all you've got to offer... I want more... bastards... I, screamed in fury. Saying this was like opening Pandora's box, the most bestial experience imaginable was about to begin, the intent was about to unleash its fury upon me, and you can be sure I was going to reap all the benefit I could.

In an instant everyone disappeared, I untied my companion Faddah, her eyes glazed, indicating the point of ecstasy she'd reached. "Are you ready for what's coming now...? Look yonder...". she said pointing to a darkened corner of the room from which emerged the most horrific creature imaginable. A group of slaves led him in chains, he appeared to be in a fury. His enormous rough skinned fluid dripping cock stuck out hard and stiff before him, it must have measured at least two feet in length with a girth of over ten inches. His body was hung with scraps of bandage, like a cross between some infernal incubus and a mummy. Two slaves grabbed me roughly and forced me down into a kind of marble altar, I was held at the mercy of the beast. I did not care about the overwhelmingly pungent stench of musk that emanated from him, I only had eyes for that enormous cock which sent harrowing spikes penetrating deeply into the depths of my most hidden and instinctive being. I was seeing fluids and ready to receive what would undoubtedly be my next guest. He bent down and sniffed my cunt, inhaling deeply and shuddering as he began to squeeze that enormous slab of meat into my entrance. "Ohh fuck me fuck me... split me down the middle, fuck me to death...". Ohhh... My god... I, screamed, yet it was not my voice that came out but some interior force that modulated my thoughts and made me say what I did. I no longer cared. I abandoned myself to his bites and mauling hands, his grunts as he ransacked his enormous and bestial cock feverishly into my trained, red raw cunt. I could feel his excitement growing, as fast as my own, and as his hips began to jerk I wriggled free of the slaves who held me down, and pushed the beast back. As he discharged his first jet of hot cum into me, I pulled him free with both hands and received the next jets full in the face before forcing my lips around him and drinking it down as fast as I could. His whole body shook and convulsed as endless streams of cum followed each other until I could take no more and let them splash and run across my tits and down my belly. The bitter taste of his cum was ecstasy itself. "Hey you... fuck me up the ass you son of a bitch, fuck me...". I, commanded the tallest of the slaves. The monster lay beneath me empty and drained the last drops of cum dribbling feebly from his cock, as I avidly licked and sucked on it. I pushed my ass up and out and another tremendous cock slid forcefully home. All around us naked men and women appeared intoning a repetitive melismatic chant. No doubt about it they were worshipping me for the refined skill of my performance.

With a swift well-directed kick I got rid of the butt-fucker, stood up and allowed them to kneel down and venerate me reverentially. No doubt about it my life had changed drastically in the last couple of hours, yet the most incredible part was still to come. "You are the Queen of this underworld, you may command us as you wish... no other woman has ever been able to resist the beast...". proclaimed Faddah. Five slaves approached and bound the unconscious beast with chains before dragging him away to his

cell. "Where are my friends?" I asked. Faddish took me by the arm and led me to an area divided into several small rooms. We entered one and found Mike and Philip screwing five young girls. They're all virgins and hotter than a thousand torches. ... she whispered, twining my right nipple. For the first time the last thing I wanted to do was to leave that pyramid. It was my life's dream, sex, sex and more sex, without a break without a pause. I hardly felt tired at all. In fact the more I fucked the stronger I got. The scene presented by my companions surrounded by such delightful bodies immediately set me off again. I wanted to throw myself into their midst. Mike was fucking a gorgeous blond with green eyes from behind, her skin, light brown and gleaming from the sunbaths that another was rubbing into her as she was fucked. Yet my lustless hold me back. "Please... my lady, not me not first... I'm burning up with desire..." she pleaded nibbling my ear. She laid back on the warm and comfortable carpet that covered the floor and spread her legs wide apart revealing a cunt that was swollen and glistening red with anticipation. It was the most delectable cunt I had ever tasted, rich with fruity aromas and the savory tastes of the multiple orgasms that had so recently flooded through her.

Philip pulled out of another of the beautiful virgins and, accompanied by two more, came towards us. "You're the most deliciously filthy cum-shut whores I've ever come across... in the whole universe... I obtain my god...". He groined excitedly as the two virgin sluts took it in turns to suck his cock. While we were all fully immersed in our sexual activities the great door of the room literally exploded in on us and was reduced to splinters, some of which sank into my butt, how that really set me off.

THE CUM THAT THEY'D UNLEASHED INSIDE HER BEGAN TO GUSH OUT OF HER CUNT

With blood pouring from me the only thing I wanted was to keep on getting fucked. "Bring back the beast, now I need it up my ass...". I, I shrieked in desperation. In the meantime Philip would have to do. I stopped the sluts off him, threw him on the floor, jammed myself down on his cock and started to ride him furiously. "Come you bastard... hummph... ahnh yeah... yes your cock... it's growing, ohhh...". I squealed, in no time at all he came in a paroxysm of stiff jerks that left him semi-conscious on the floor, his cum blending in with the blood that flowed freely from my butt. One of the virgin sluts, who had been sucking on his balls, drank in the heady blend of our vital fluids. What I hadn't realised was that the door had been destroyed by the mother of all moustaches, the most terrifying yet exciting beast that you could possibly imagine, at least twice the size of the other one. The other girls, frightened out of their wits covered in a corner of the room. My god he was a magnificent specimen! He towered in the middle of the room masturbating a cock which absolutely defied description, he lurched over and rammed that monster into me until I felt I was being split in two, his cock splashing over me as his monstrous hands groped and squeezed every part of my body and that colossal cock of his seemed to force its way into my very womb with every jarring thrust. The sensations swept over me in wave after unstoppable wave: fear, pleasure, pain, vertigo, lust, desire, love, disgust, compassion... Then it was time for my ass, at first out of fear I resisted, but I was giddy in his hands. He untarried his great bulging tongue and cleaned my ass of blood and semen then, flooding my asshole with a great glob of drool he pushed his warm wet slab of a tongue in, lubricating me to the hilt. This was immediately followed by a cock of such terrifyingly immense proportions that with each thrust I could feel it violently displacing my insides, stretching and splitting me, tearing me open, causing me the most intense sensations, taking me to a level of pleasure and pain, where the two became one overwhelming sensation that I hadn't even imagined could exist. "Oh Lord... finish me off now... my god... I'm going to die happy. Hummph...". I whispered the tears streaming down my face, biting my lip so hard that the blood began to flow. And then he came in gallons, with such force that I could feel it washing up through my

intestines, until I could almost taste it in my mouth, and finally I came too in wave after wave of earth shattering intensity that left my poor battered body limp and almost bereft of life. As he slumped back unconscious on the floor a flood of cum drained out of my asshole forming a sticky pool on the floor between my spread-eagled legs. Despite the terrible state in which my broken and misused body found itself I summoned up the energy to order the cowering whores to set their tongues to work cleaning me up and bringing me food. The monster was dragged away by ten struggling slaves and my virgin sluts laid me gently in the great bed as they continued with their restorative tasks.

Philip and Mike were taking it easy, laid back on the carpet drinking wine, but soon recovered their energies until they were ready for another round. Although given my sore condition I found it difficult to believe I too was ready for more, and even though it seemed impossible to surpass our previous feats I swear we managed to do so. "Call the Turkish soldiers...". I, I cried the faithful Faddish, freeing her soothing mouth from my cunt for just a brief moment. When I asked her what the hell they were, she informed me that they were the most vicious and sadistic men that I would ever wish to meet. Men who were ready to die at the drop of a hat, and also ready and willing to torture us all with their magnificent cocks, prepared to inflict the most brutal sexual aggressions conceivable, machines designed to rape and kill. In other words just what I needed, another experience at the outer limit. Just then five tall and incredibly muscular guys, built like brick shitheists, walked in waving their colossal cocks about in front of them in a menacing way.

They soon had the situation under control. Philip and Mike joined up with them, just to even up the sides, seven on seven. These guys were trained for whatever was required of them, they were capable of eating and drinking, exchanging jokes, as they raped and strangled their victims, they were an aberrant prodigy of nature. I got the leader. "I'm your slave but you can't dominate my penis... hummph...". I, I muttered gutturally, kissing my forehead before ramming his cock brutally into me and yanking viciously on my hair. It felt so great to have the most perfect man's body in my hands. He was big, muscular, tanned, so perfect... and all for me. Despite my apparently delicate physical condition he gave my cunt a thorough working over, with the result that I began to recover my strength in leaps and bounds. "Crucify my soul... destroy my body... ohhh yeah...". I, I screamed in ecstasy. His hands groped and squeezed my tits and ass, adding further pain to my bruised flesh. With his cock deep inside me he held one hand up beside it, stretching my poor cunt to its limits. He pushed his fingertips into my wounds causing me the most delicious agony, and smacked and scratched every inch of my skin. "Come you fucking bastard... hummph... shoot your load into me... ahnh...". I, I exclaimed as he shot a full load of hot cream inside me. Meanwhile all around us each of the soldiers were doing their stuff with the women. You don't even want to know what sadistic tortures these animals subjected the poor virgins to, although it must be said that their cries of pleasure were the predominant sound, rising above the harsh commands of the soldiers. We spent over three weeks lost inside that pyramid, enjoying unpeakable levels of pleasure until, one day, it suddenly disappeared. Philip, Mike and I woke from a comforting dream at the top of the pyramid, and nobody could work out how in hell we'd got there. The security services that rescued us would not believe our story, and neither did anyone else. As we were being driven away in a police van I caught a glimpse of the kid, with my hat in his hand, smiling and waving goodbye. I'll never forget that smile or Eggot, which will always occupy a special place in the depths of my very being.

Niki Montana

WORLD WILD TOUR

photos by Gianni G. Palma

The magazine *Music Sex* has chosen Niki Montana for the cover of its latest issue. Ready to enter the music world, Niki is ready to suck all the cocks that would make her dream come true. Since the beginning, the problem was always the same: all the men wanted to stick their cocks in her instead of listening to her sing and the musicians were no exception. The practice sessions used to end up with ejaculations all over her face while she sang a high C. The hardest part of the concerts is to avoid them all ending the same way.

Die Zeitschrift *Music Sex* hat für das Titelblatt ihrer neuen Ausgabe Niki Montana ausgewählt. Um sich in der Welt der Musik einen guten Platz zu verschaffen, ist Niki bereit, so viele Schwänze zu lecken, wie es für ihren Triumph in diesem Geschäft nötig ist. Von Anfang an hatte sie immer mit demselben Problem zu kämpfen: Das einzige, was alle Typen von ihr wollen, ist, sie zu lecken. Sie wollen sie nicht singen hören, sondern vielmehr stöhnen vor heissem Willst. Ihre Musiker stellen dabei auch keine Ausnahme dar, und die Proben enden meistens mit einem üppigen Abspritzen in ihr Gesicht, während sie versucht, den Ton zu halten. Das schwierigste dabei ist, dafür zu sorgen, daß die Konzerte nicht in gleicher Weise enden.

Tidskriften *Music Sex* har valt ut Niki Montana för framtidens till sitt senaste nummer. Klar för att alla ska få se i musikvärlden är Niki beredd att äta alla de kukar, som krävs för att lyckas. Från alla första början stött hon på samma problem gång på gång: alla män ville bara få in den mellan hennes ben och höra henne stöna av njutning i stället för att höra henne sjunga. Hennes musiker stöter inget undantag. Repetitionerna brukar ofta med sprutorna sprutande över hennes ansikte, medan

hon later brösttornerna rulla. Det jobbiga är att se till, att ett inte konserterna slutar på samma sätt.

Le magazine *Music Sex* a choisi, pour la couverture de son dernier exemplaire, Niki Montana. Disposée à se faire avec une place dans le monde de la musique, Niki est prête à manger toutes les bites nécessaires pour avoir un grand succès. Car dès son début elle a toujours rencontré le même problème : les musiciens ne cherchent qu'à la lui mettre dans l'entrejambe, et ne veulent pas l'écouter chanter, mais gémir de plaisir. Ses musiciens ne font pas exception ; les répétitions finissent d'habitude en prenant son plaisir sur la langue de la chanteuse, tandis qu'elle fait l'ut de poitrine. Ce qui est vraiment difficile c'est de faire que les concerts ne finissent pas de la même façon....

La rivista *Music Sex* ha escogido para la portada de su último número a Niki Montana. Disputada a ocupar un lugar en el mundo de la música, Niki se comera las pollas que haga falta para triunfar. Ya desde el principio se encontró con el mismo problema: todos los tipos lo único que quieren es meterse dentro las piernas y no oírla cantar si no jadear de placer. Sus músicos no son una excepción, las ensayos acaban con: acabar con corridas a manta sobre su cara, mientras ella intenta su do de pecho. Lo difícil es conseguir que los conciertos no acaben igual.

La rivista *Music Sex* ha scelto per la copertina del suo ultimo numero Niki Montana. Decisa ad occupare un posto nel mondo della musica, Niki si mangierà tutti i cazzi necessari per trionfare. Il sin dall'inizio si è trovata di fronte allo stesso problema: tutti gli uomini da lei vogliono solo infilarglielo tra le cosce e non sentirla cantare ma ansimare di piacere. I suoi musicisti non fanno eccezione alla regola, le prove normalmente finiscono con ejaculazioni multiple sul suo volto, mentre lei lancia il suo do di petto. La cosa più difficile è far in modo che i concerti non finiscano nello stesso modo.
