PRIVATE

In his second Pirate VideoDeLuxe movie, Kovi again demonstrates his flair for fetish as he takes us on a spine chilling two hour long four scene ride through the after life. As we pass through the surreal scenarios that flash before our eyes, from heavenly serenity to the fires and sulfurous smoke of Kovi's hell, things just get hotter and hotter. The succulent Sophie Evans is joined by a string of other sumptuous sluts including such favorites as Lauren Kiss and Michelle Wild, and some new faces with newcomers Angel and Nikol debating in their first Private movie.

In diesem zweiten Film von Pirate VideoDeLuxe zeigt uns Kovi erneut seine unwahrscheinlich ausgeprägte Veranlagung zum Fetischismus. Während zwei Stunden führt er uns durch Reihe von schauererregenden Szenen bis hin ins Jenseits. Je mehr er uns in ein surrealistisches Ambiente eindringen läßt, das er vor unseren Augen auftaucht und dann wieder verschwinden läßt, und Kovi uns die himmlische Gelassenheit als auch das Pögefeuer und die Schwefelfeldapfe der Hölle kennenlernen läßt, desto aufgeregter werden wir. Neben der üppigen Sophie Evans

spielen in diesen Straßen eine Reihe uns gut bekannter, wohlgeformter Weiber wie Lauren Kiss und Michelle Wild mit. Außerdem bekommen wir einige neue Gesichter zu sehen, wie zum Beispiel die von den Branchennewcomerinnen Angel und Nikol, die hier ihr Debüt in einem Film von Private geben.

den här filmen, som är den andra från Pirate VideoDeLuxe, visar Kovi oss ännu en gång sin otroliga fetischistiska instinkt, när han under två timmar tar oss med på en härfärdande resa med en följd av scener, som tar oss ända till de yttersta gränserna. Efter hand som vi tar oss in i surrealistiska miljöer, som kommer och går framför våra ögon, allt i från den himmelska friden till Kovi's helvetes flammor och svavelångor, blir alltmer allt hetare och hetare. Den fröliga Sophie Evans har vid det här tillfället sällskap av en hel serie lockande kvinnor, välkända för oss alla såsom Lauren Kiss och Michelle

quelques nouveaux visages, tels que les débutantes Angel et Nikol, dans leur premier travail sur l'écran pour Private.

En esta segunda película de Pirate VideoDeLuxe, Kovi nos demuestra una vez más su increíble instinto fetichista, conduciéndonos durante dos horas por una escalofriante sucesión de escenarios hasta el más allá. A medida que nos adentramos en surrealistas ambientes que aparecen y desaparecen ante nuestros ojos, desde la serenidad celestial hasta las llamas y los vapores sulfúricos del infierno de Kovi, todo se vuelve más y más caliente. La exuberante Sophie Evans está en esta ocasión acompañada de una serie de succulentas hembras bien conocidas por todos, como Lauren Kiss y Michelle Wild, así como de algunas caras nuevas, como las de las recién llegadas Angel y Nikol, que realizan aquí su debut en una película de Private.

Dans ce deuxième film de Pirate VideoDeLuxe, Kovi nous montre toujours son instinct fétichiste dans un terrifiant voyage de deux heures jusqu'à l'au-delà, tout au long d'une série de scènes inquiétantes. A mesure que nous parcourons des endroits de plus en plus surréalistes, qui disparaissent devant nos yeux, et qui vont de la sérénité céleste jusqu'aux flammes et vapeurs de sulfureuses de l'enfer particulier de Kovi, les choses deviennent de plus en plus chaudes. La luxuriante Sophie Evans est accompagnée par une liste de belles, y compris les déjà bien connues Lauren Kiss et Michelle Wild, ensemble avec

In questo secondo film della Pirate VideoDeLuxe, Kovi ci fa vedere ancora una volta il suo incredibile istinto fetichista, portandoci per due ore in una incredibile successione di scene sino all'aldilà. Man mano che ci addentriamo negli ambienti surrealisti che appaiono e scompaiono davanti ai nostri occhi, dalla serenità celestiale sino alle fiamme ed i vapori solforici dell'inferno di Kovi, tutto diventa sempre più caldo. L'esuberante Sophie Evans è questa volta accompagnata da una serie di succulenti femmine ben note a tutti, come Lauren Kiss e Michelle Wild, come pure alcuni volti nuovi, come le ultime arrivate Angel e Nikol, che fanno proprio qui il loro debutto in un film di Private.

Not quite a newcomer, this sexy Sagittarius is one of the sauciest starlets to come along in quite a while. She had previously done a couple of things for Private, but now she is back in a big way and we'll be seeing a lot of her, and I can promise you that what we're going to get is going to make a big impression! Recently our reporter Dave Densen took some photos of Claudia during the shooting of "Insane Obsession", best of all... just check out what she got up to in the desert!

Diese sexy Schützenfrau ist nicht gerade ein Neuling in der Welt der Pornos, sondern sie gehört vielmehr zu den provokativsten Stars der Branche. Wir werden sie in Kürze erneut genießen können. Sie hat schon einige Male für Private gearbeitet,

und jetzt ist sie wieder voller Energie zurückkommen und ich schmecke euch, was wir von ihr sehen werden, wird nie munden kalblauen!

Kürzlich machte unser Reporter Dave Densen während der Dreharbeiten von *(Insane Obsession)* einige Fotos von Claudia, das Beste dabei ist ... ihr Abstecker in die Wüste!

Utan att direkt vara en rykande, så är denna sexiga Sagittarius en av de allra fräckaste stjärnor, som vi kommer att få njuta av inom kort. Hon har redan tidigare arbetat någon gång med Privato, men har nu kommit tillbaka med förnyad kraft och du kan ge dig den på allt det som vi kommer att få se av henne inte kommer att lämna dig oberörd! För inte så länge sen tog vår reporter Dave Densen några kort av henne under inspelningen av *(Insane Obsession)* och det bästa av allt... hennes avstickare till öken!

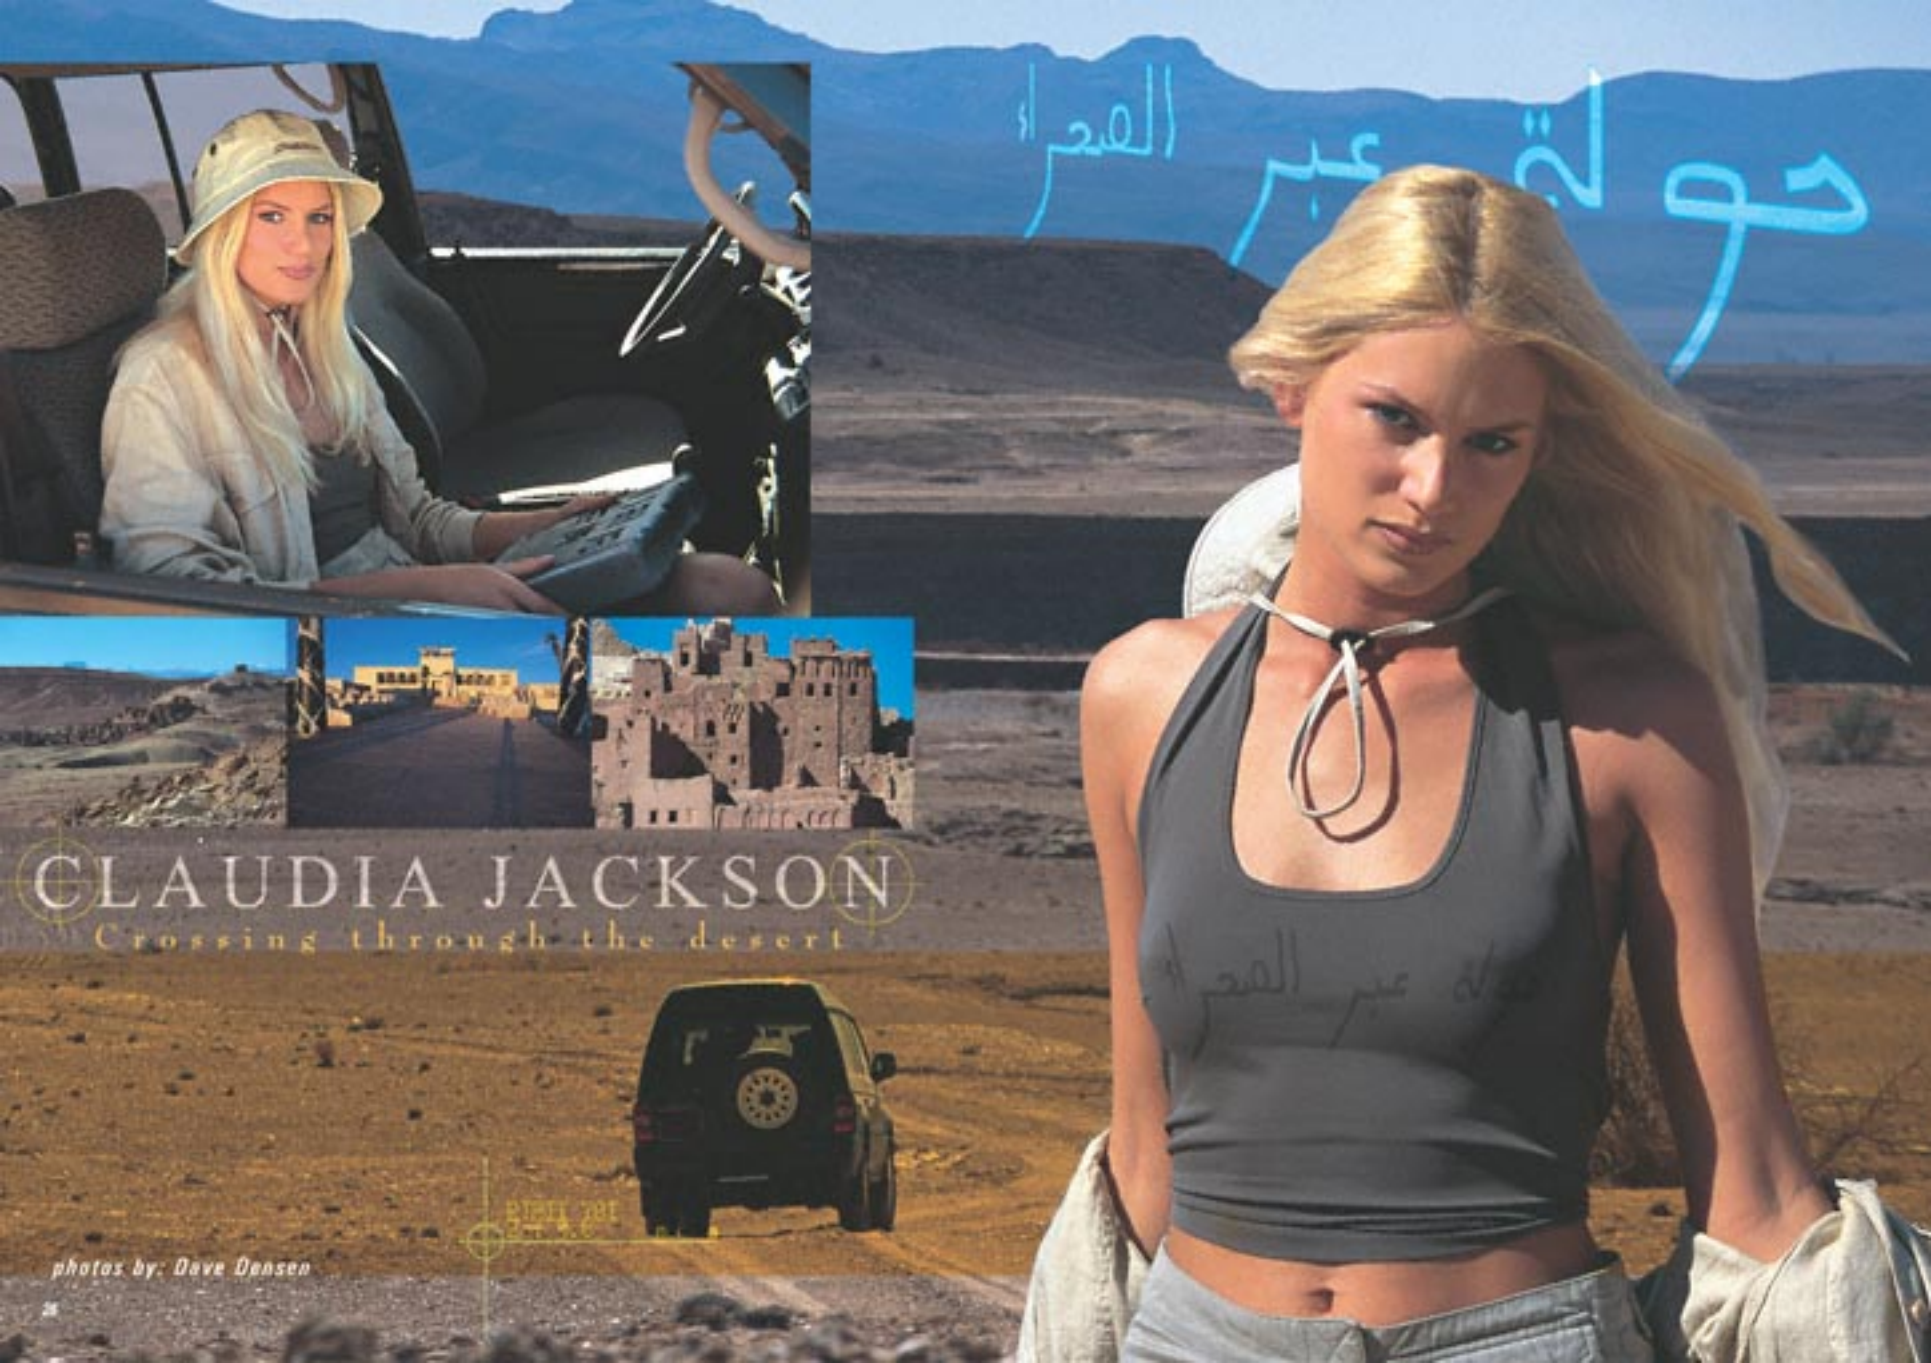

Elle n'est pas exactement une nouvelle arrivée, mais cette bandante Sagittaire est une des plus dévergondées starlettes dont nous allons joir en bref. Elle a déjà travaillé à quelques occasions avec Privato, mais maintenant elle est revenue, disposée à tout faire pour gagner sa place, et ce n'est pas peu! Il y a quelques jours, notre reporter Dave Densen a pris plusieurs photos de Claudia pendant le tournage de *"Insane Obsession"* et la meilleure des choses ... son escapade au désert!

Si ce n'est exactement une recién llegada, esta sexy Sagittario es una de las más descaradas estrellas de la que vamos a poder disfrutar en breve. Ya había trabajado en alguna ocasión para Privato, pero ha regresado

con renovados ímpetus, y ¡palabra que lo que vamos a ver de ella no nos va a dejar impassibles! Hace poco nuestro reportero Dave Densen le hizo unas fotos a Claudia durante el rodaje de *(Insane Obsession)* y lo mejor... ¡su escapada al desierto!

Senza essere veramente l'ultima arrivata, questa sexy Sagittario è una delle stelle più sfacciate di quelle che potremo goderci presto. Ha già lavorato in passato per la Privato, ma è tornata con maggior impeto e sono certo che quello che stiamo per vedere di lei non ci lascerà impassibili! Poco tempo fa il nostro reporter Dave Densen ha fatto delle foto a Claudia durante il rodaggio di *"Insane Obsession"* e ancor meglio... durante la sua fuga nel deserto!

We are porn consumers, we just love to see sensational girls, desperate to suck on as much cock as they can, getting all of their orifices well and truly reamed by enormous cocks, as big and stiff as our own get as we're watching. Yet we must all have asked ourselves, at some time or other: Do such women really exist? Are sluts made or are they born like that? How does Private find its actresses? "Private Castings" is a line of videos that provides the answer to all these questions, and more. The selection of future porn actresses is an extremely delicate process, where the casting director must have the ability to bring out the sexual beast that lurks in every woman's interior.

PRIVATE CASTINGS

Before your very eyes you will see a young girl, of demure expression and sensual curves, her name is Nikky Andersson. When she find out what it's all about her first reaction is to pick up her things and get the hell out of there. But Woodman, the famous director present at the castings, persuades her to stay. She claims she is a virgin, and after a fascinating dialectical exchange Woodman achieves his goal. Nikky loses her

cherry right before our eyes in an authentic display of sexual fury. As with Nikky, we see how other girls started out in porn, girls like: Harmony Grant, Gili Sky, Cassandra Wild, Gerty, Silvia Saint, and many more who now seem as if they've always been a part of the world of porn. In "Private Castings" you will discover how today's sexual myths were originally persuaded to give their all for your enjoyment.

Wir sind Pornokonsumenten, wir sehen gerne wunderbare Mädchen, die bereit sind, so viele Schwänze wie nur möglich zu lecken und die es genießen, wenn riesige Schwänze in alle ihre Löcher eindringen. Schwänze, die so gewaltig wie unsere beim Anblick dieser Szenen sind. Aber wer hat sich nicht schon einmal gefragt, ob es diese Frauen wirklich gibt? Wird man als Schlange schon geboren oder wird man erst mit der Zeit zu so einem Weib? Wie kommt Private an seine Schauspielerinnen? „Private Castings“ ist eine Videoserie, die Antwort auf alle diese Fragen gibt. Die Auswahl der späteren Pornoschauspielerinnen ist eine heikle Angelegenheit, und der Castingmanager muß geschickt die Sexbestie hervorlocken, die in allen Frauen schlummert. Vor ihm steht ein junges Mädchen mit schüchternem Blick und sinnlichen Kurven. Sie heißt Nikky Anderson. Als man ihr sagt, wem es hier geht, ist ihre erste Reaktion, ihre drei Sachen zu nehmen und wegzugehen. Der berühmte Regisseur Woodman ist bei dem Casting anwesend und überredet sie zum Bleiben. Sie erwähnt, daß sie noch Jungfrau ist. Nach einer interessanten Diskussion erreicht Woodman sein Ziel und vor unseren Augen wird Nikky mit einer wahrhaft rasenden Besessenheit entjungfert. Wir entdecken, wie Mädchen wie Harmony Grant, Gili Sky, Cassandra Wild, Grety, Silvia Saint und noch viele andere in der Welt des Pornos anfangen; es sind Namen, die für uns schon immer etwas mit dem Pornogeschäft zu tun hatten. Verfolge in „Private Casting“ die ersten Schritte deiner Sexidole in der Welt des Pornos.

Vi är konsumenter av porn, vi är överförtjusta att se dessa fantastiska flickor, som är beredda att säga kakat, ju fler dess hättor, som njuter av att bli uppbordade i alla sina hål av enorma kukar, lika enorma som vår egen kuk hit, av att se på allt detta. Men vem har inte ställt sig frågorna: "Existerar verkligen de här kvinnorna?" "Blir dessa klävar så av sina erfarenheter eller föds dom så?" "Hur

får Private tag på sina tjejer?" "Private Castings" är den serie av videor som ger svar på alla de här frågorna. Valet av framtida skådespelerskor för porrfilmer är en defikat process, där registören av porrfilmen måste få den sexuella best, som alla kvinnor här i sitt inre, att komma fram. Inför hans ögon står en liten tjej med tillbakadragen blick och sensuella karvot. Hon heter Nikky Anderson. När hon får veta vad det rör sig om, är hennes första reaktion att samla ihop sin grejer och ge sig iväg. Woodman, den berömda registören är närvarande vid porrfilmen och han lyckas övertala henne att stanna. Hon hävdar att hon är jungfru. Efter en intressant diskussion lyckas Woodman öppna sitt mål och Nikky blir av med sin mådom inför våra ögon i ett autentiskt sexuellt raseri. På samma sätt upptäcker vi hur tjejer som Harmony Grant, Gili Sky, Cassandra Wild, Grety, Silvia Saint och många, många fler för första gången kom in i den här världen, namn som nu verkar som om dom hade hört ihop med porren för alltid. Upptäck dina sexuella myters första steg i "Private Casting".

Nous sommes des consommateurs de porno, nous adorons voir des filles superbes toujours prêtes à manger la plus grande quantité de bites possible, qui jouissent véritablement lorsqu'elles sont pénétrées dans tous ses trous par des bites énormes, aussi énormes qu'en deviennent les nôtres lorsque nous regardons tout ça. Mais, est-ce qu'il y a quelqu'un qui ne s'est jamais posé des questions telles que : " Ces femmes-là, existent-elles en réalité ? " ; " La garce en devient au long des années, ou est-elle déjà née comme ça ? " ; " Comment fait Private pour avoir ses actrices ? ". "Private Casting" est la ligne de vidéos qui vous apporte la réponse à toutes ces questions. La sélection des futures actrices porno est un procès très délicat, où le directeur du casting doit être capable de faire apparaître le farve sexuel que toutes les femmes ont à l'intérieur. Devant lui se présente une jeune fille au regard timide et rondeurs sensuelles, appelée Nikky Anderson, qui aura envie de partir lorsqu'elle apprendra de quoi s'agit-il. Woodman, le célèbre réalisateur, est toujours présent lors des castings, et il réussit finalement à la persuader pour qu'elle ne s'en aille pas. Elle explique qu'elle est encore vierge. Après un intéressant " tour de force " dialectique, Woodman atteindra son but : Nikky perdra sa virginité devant nos yeux, emportée par une véritable fougue sexuelle. De même qu'elle, nous allons aussi constater comment ont fait leur début dans ce monde-ci d'autres filles comme Harmony Grant, Gili Sky, Cassandra Wild, Gerty, Silvia Saint et beaucoup plus, des noms qui nous semblent maintenant reliés depuis toujours au porno. Découvrir dans " Private Casting " les premiers pas de vos mythes sexuels.

HARDCORE MAGAZINE

We interview Sergio R., Editor of the Magazine SEX. This is a magazine of explicit sex which is also edited by PRIVATE MEDIA GROUP. Let's get to know more closely the magazine SEX through the experience of the person who is at the head of the publication.

Give us a little history about the magazine SEX.
 The magazine SEX was created in 1995 to satisfy the great demand, by the public, for another high-quality pornographic product from PRIVATE.

Who is the target of the magazine SEX? Sex is aimed at all those people, men and women, who are lovers of the best heterosexual pornography which can, at the present time, be found on the market.

How would you define SEX? I would define the magazine SEX as "heavy porno" which tries to reflect in a fresh way and without complexes, a subject that is sometimes unjustly marginalized as sex.

Try to define the type of protagonists participate in SEX: girls, photographers, designers. The type of people who participate in the magazine SEX are young people with an open mind and highly professional in their specialty.

What distinguishes it from the other magazines of the PRIVATE Group? What distinguishes the magazine SEX from the rest of the magazines published under the PRIVATE trademark is that we like to combine in each issue actresses who are already well known in Porno with new girls who are just starting

in this business. In addition, from the issue number 282 onwards, we also include a guide report about a PRIVATE cinema production. SEX is the latest magazine which has been created in PRIVATE MEDIA, a fact which allows us to adjust the content of our publication to the taste of the consumer.

Do you believe that the fact that it came out on the street during the same month as Private is a handicap? No. Absolutely not. I believe that the market is very large and there is room for all. For me, the more magazines there are the better...

Within the Hardcore. How would you place your magazine? SEX is a magazine which includes only and exclusively 100% Hardcore pictures. Our new slogan for the magazine is "NOTHING BUT HARDCORE".

Do you believe that SEX is a reference? Why? Of course! The magazine SEX is a clear example of how to present a subject as taboo as pornography in a pleasant, healthy and elegant way.

Briefly explain the process for the preparation of each new number. The creation process of each number starts with the selection of the models that will appear. This is the most important point since they are the true protagonists of the magazine. Once chosen, it is necessary to contact an adequate photographer to photograph her in the best possible way and when we have all the material we present it. We always use the basis of the highest possible quality

standards. Quality is what distinguishes us from the rest of the publications.

In your opinion, what would the ideal number of *SEM* be? In *SEM* we always strive for the number we are working on to be better than the last one. This is what helps us to surpass ourselves every day ...

Interview mit Sergio R. Merzagouri der Zeitschrift SEX. Es handelt sich hierbei um eine Zeitschrift, in der man Sex ohne Tabus beibringt und die ebenfalls von PRIVATE MEDIA GROUP veröffentlicht wird. Lassen wir uns vom den Verlagen der Zeitschrift SEX ein wenig mehr an erzählen.

Informieren Sie uns etwas über die Geschichte der Zeitschrift SEX. Die Zeitschrift SEX wurde im Jahre 1969 zum ersten Mal herausgegeben, um sie der großen Nachfrage des Publikums nach einer hochwertigen Produktion aus der Welt des Sex als eines der Markenzeichen PRIVATE zu entwickeln.

Welche Zielgruppe soll durch SEX angesprochen werden? SEX wird für all diejenigen Männer und Frauen gemacht, die an den besten heterosexuellen Pornografie interessiert sind, die auf 1. Zeil auf dem Markt angeboten wird.

Wenden Sie DEX definieren? Ich würde
DEX als eine Zeitschrift für hartes
Arbeiten bezeichnen, in der ohne Tabus
auf ganz natürliche Weise
Themen behandelt werden, die oft
wie Stein, was mit Block zusammen-
hängt, ungeschriebten Regeln
auf dem Markt erwähnt werden.
Ich bin sehr dankbar, dass Sie
den DEX zusammenfassen

arbeitet, d.h. über die Maschinen, die
Produktion und die für das Design ver-
antwortlichen Personen. Die Zeitschrift
BEEK arbeitet mit jungen Leuten zusam-
men, die eine offene Lebenseinstellung
haben und in ihrem Beruf höchst qua-
siert sind.

Wie unterscheidet sich BEEK von den üblichen Zeitschriften der Pornographie?
Die Zeitschrift BEEK unterscheidet sich von den restlichen, unter dem Markenname PRIVATE vertriehenen, ersten Zeitschriften dadurch, dass sie in jeder Ausgabe eine Reihe von sehr exklusiven Pornoschauspielern vorstellt, sondern sich neue Mädchen, die gerade in dieser Branche ihre ersten Erfahrungen machen. Außerdem werden wir ab der Nummer 32 auch ausführliche Interviews über die Filmproduktion von PRIVATE bringen. BEEK ist die neueste von PRIVATE MEDIA herausgegebene Zeitschrift und wird nicht nur durch die mehr als 1000 Abonnenten des Geschichts unserer Zeitsgruppe zu treffen. Glauben Sie, dass es langweilig ist, dass sie in demselben Monat wie PRIVATE auf den Markt kommt, nein, überhaupt nicht. Ich glaube eher, dass der Markt groß genug ist, um Platz für alle zu bieten. Meiner Meinung nach kann es gar nicht genug Zeitschriften geben...
Welchen Stellenwert würden Sie einer Zeitschrift auf dem Internet einräumen? Ich glaube, dass es sehr wichtig ist, um eine Zeitschrift, in der ausschließlich Handmade zu sehen ist. Deshalb haben wir für die Zeitschrift auch unter dem Motto

„NOTHING BUT HARDCORE“
(Ausschließlich Hardcore) herausgegeben

Erklären Sie, daß BSE als Meereskrebserkrankung zu sehen ist? Worin ist, warum Selbstverständlich, Die Zoonose BSE ist ein deutsches Beispiel dafür, wie man auf ungenutzte und ständigen Wissens- und Trendsprünge kommen kann, das mit einem solchen Tabu bringt ist, was es bei Porzellanfrage der Fall ist.

Erklären Sie uns ein wenig, welche Resultat zur Herstellung von Nahrungsmitteln durchlaufen wird. Zunächst werden für jede neue Nummer die entsprechenden Fotomodelle ausgewählt. Das ist eigentlich auch schon der wichtigste Punkt, denn sie sind die wahre Inspiration der Designer. Vorher in Kontakt mit dem Fotografen auf, von dem sie wissen, daß er Fotos in der von uns geforderten Qualität liefert. Danach präsentieren wird das Material unter Einhaltung des von uns gesetzten Qualitätsanspruchs, da es gerade die Qualität ist, die den Markt an den besten Zeitschriften unterscheiden.

Why should I? See what other reviewers have [said](#).

Die DEX sind wir ständig darum bemüht, uns mit jeder neuen Nummer zu verbessern. Somit können wir täglich unseren Anspruch erneut erfüllen. ...

Vi gör en intervju med Sergio Blom, utgivare av magasinets SEX. Det här är ett magasin med uttalat mål, som också ges ut av PRIVATE MEDIA GROUP. Låt de höra lite närmare om magasinet SEX från den person som förestår dess utgivning:

gan från sländreten som rikades mot
en annan pornografisk produkt av hög
kvalitet under SEK:s namn.

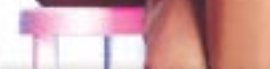

... men som kvinnor, som åtkålar den största sexualpornografi, som man för tillfället kan erbjuda.

En nu definerar **SEX?** Jag skulle vilja definiera **SEX** som ett magasin med händer och ett stort sätt och utan komplex försöker visa oss som vi är, som så många gånger och på ett sådant sätt förskräcker så mycket.

A che si rivolge SEX? SEX si rivolge a tutte quelle persone, uomini e donne, che vogliono la migliore pornografia eterosessuale che attualmente si può trovare sul mercato. Come definisce Sex? Definire la rivista SEX come una rivista di uomo duro che cerca di riflettere in modo sano e privo di complessi un tema a volte tanto ingiustamente emarginato come il sesso.

Cerca di definire brevemente il tipo di gente che partecipa a SEX: ragazze, fotografe, disegnatori? Il tipo di gente che partecipa alla rivista SEX è gente giovane, con una mente aperta e altamente professionale nella sua specialità.

Cosa le distingue dalle altre riviste del gruppo Private? Qual che distingue la rivista SEX dal resto della rivista che vengono pubblicate dalla marca PRIVATE è la nostra tendenza a comporre, in ogni numero, storie già conosciute del porno con nuove ragazze che si stanno addormentando in questa specialità. Inoltre, al termine del numero 232, abbiamo deciso anche di inserire un servizio approfondito su una produzione cinematografica di PRIVATE, SEX è futura rivista creata da PRIVATE MEDIA GROUP, e quindi ciò ci consente di impostare il contenuto della nostra pubblicazione in base al gusto del consumatore.

Credo che il fatto di essere nella stessa mano di Private possa rappresentare uno svantaggio? No, assolutamente no. Credo che il mercato è molto grande e che ci sia posto per tutti. Per me, quanto più riviste ci sono, tanto meglio.

Nei termini del fondatore, come si situano la sua rivista? SEX è una rivista che presenta unicamente ed esclusivamente immagini 100% hardcore. A ciò si deve il fatto che il nostro nuovo slogan per la rivista sia: "NOTHING BUT HARDCORE" (Niente altro che hardcore).

Credi che Sex possa essere considerata un punto di riferimento? E perché? E ovvio. La rivista SEX è un chiaro esempio di come si può presentare in un modo gradevole, sano ed elegante un tema tanto tabù come la pornografia.

Sceglie in breve il procedimento che utilizza per realizzare ogni nuovo numero della rivista: il procedimento di creazione di ogni numero viene evitato dalla selezione delle modelle che devono apparire. Questo è il punto più importante, dato che esse sono le reali protagoniste della rivista. Una volta scelta, bisogna mettersi in contatto con il fotografo giusto, per riprenderle nella miglior maniera possibile, e quando abbiamo già tutto il materiale a disposizione lo presentiamo, ma sempre basandoci nei più alti standard di qualità possibili. La qualità è quel che ci distingue dal resto delle pubblicazioni. Per te, come sarebbe il numero ideale di Sex? Non di SEX, certamente sempre di fare in maniera tale che il numero che stiamo realizzando sia migliore di quello precedente. In questo modo possiamo superarlo giorno per giorno...

Nothing of any importance had changed since the hurricane swept over us a few hours ago. The yacht's hull had received a lot of superficial damage, but we were not taking on water. The satellite location equipment, the radio and the motor were all out of action. There was nothing we could do but wait and hope that sooner or later someone would find us, or that we would drift into sight of land, not that we were in any particular hurry. Despite everything we still had plenty of food and drink, enough to be able to survive for a month on the high seas. With no losses to mourn we settled down to making the most of our luck: three guys and six girls hot on the big wide ocean. We had nothing better to do than talk, fuck some more, and then fuck again. The gentle calm in which we now drifted was an open invitation, more than ever, to throw all caution to the wind. But perhaps it would be better to start at the beginning...

Carla and I had gone to Kingston to sort out some business matters, but how could you possibly take a trip to Jamaica without taking advantage and getting a bit of leisure time as well. One day, while we were out enjoying the exquisite delights of lunch at a local restaurant, we got to know Mia and Cornelius. They were on their honeymoon and immediately suggested that we meet up with them that same night for dinner. Needless to say after the sumptuous dinner I decided to chance my arm: "How about coming back to our room for a few drinks?", I suggested. They were both up for it, which made me think that it was going to be an interesting night, the two of them were far from being innocents abroad. As soon as we got back to the hotel both of our respective sluts went off for a shower. To freshen up, or so they said, while Cornelius and I poured the drinks. We soon decided it would be a great idea to give them a bit of a surprise, so we stripped off ready to leap on them and give them a good shagging as soon as they came out of the bathroom. However they took so long to come out that we figured we'd better enter ourselves and find out exactly what they were getting up to in there. Sure enough we found the two of them getting it on in the shower: "You sluts certainly don't lose any time, did you?", I said, grabbing Mia from behind, pushing my cock between her legs and massaging those ample and slippery boobs. With one hand I guided my palpitating knob-end on a delightful tour, probing every fold and crease of her ass and pussy. At the same time Cornelius was enjoying the delights of one of the stupendous blowjobs that are my wife's particular speciality: "Suck on it you bitch... Hey man your wife's a regular vacuum cleaner... Yeah, that's what I call sucking... Oohhh", muttered Cornelius as a jet of water from the shower beat down on him; it was a really spacious shower allowing plenty of room for all four of us. By that time I was already rearing Mia's ass out, while she employed her considerable arts in squeezing and tickling Carla's rill, slipping her fingers in and out of my wife's silky cunt. It really was the start of a sensational session, which really took off when we all got into the enormous Jacuzzi. It was, after all, a really classy hotel. I started seriously belabouring Mia's asshole: "Ohh split me down the middle... you fucking bastard... Oooh! Yeah! Like that...!", she screamed as I upped the pace, a jet of water massaging my balls and turning me on even more. Beside us my wife lay back with her legs spread as far apart as they'd go while Cornelius drilled her alternately front and back with that immense cock of his, never ceasing for a moment, pulling it out of her cunt and driving it up her ass, out of her ass and back in her cunt, which is just the way she likes it. "Your cum-salt wife really... Hmrrrr... knows... what she... Take that you bitch!... words... he granted. We were obviously two couples with similar interests and we kept on shagging till the early hours, when we finally collapsed exhausted onto the king-size double bed.

It wasn't until the next morning, in a flash of inspiration, that my brilliant idea occurred to me. Why didn't we rent a yacht between the four of us and take a trip round the neighbouring islands? Everyone thought this was a fantastic idea so we went down to see the hotel manager and he put us in touch with a guy called Sean: "Go down to the north jetty and ask for him there, when you see the boats he'll get you what you're looking for a moment...". He was absolutely right, this guy Sean had three magnificent yachts of authentic luxury, and we could take our choice. I asked him how much, but he shook his head, scratched his crotch and

gave the girls a lewd wink: "The boat's on me. I'll take you out myself", he said amiably. What a set up he had going there, and on top of everything the crew consisted of two of the sexiest pieces of ass I'd ever seen in my life: "This is Paula and Rebecca", he said waving vaguely in their direction, as he mentally undressed Mia and Carla. The yacht we chose had everything you could possibly want, spacious cabins, a saloon that you could have danced in, and an ample deck... without forgetting the gorgeous babes; it was just perfect. The plan was as follows: we'd sail from Kingston to Port Georgeham, on Grand Cayman, without stopping on the way, sailing south of Jamaica and across the Cayman Trench. With all the luxuries available on board I couldn't see what else we'd need. Sean even booked the hotel for us in Georgetown where, if all went according to plan, we would arrive in five days time.

The very next day we set sail, lying on the yacht's immense deck and soaking up the sun. Captain Sean was a pretty handsome guy, something which Carla had picked up on straight away, as she mentioned to me the night before we set off: "I really fancy getting fucked by that captain... his crotch must smell of sea salt and auran lotion, do you see how turned he was?" At the time I was eating out that succulent cunt of hers before we packed our cases. As I was saying, the crew were absolutely gorgeous, and they sure loved to show it in those tight shorts and bikinis tops, swelling fit to burst under the weight of their pendulous breasts. My cock was straining real hard against my trunk and my balls felt like they were about to burst. I scuttled down to the cabin, I was even thinking of having a quick walk to relieve the pressure, but as I opened the door I bumped into Paula, the redhead: "Hi! Just checking that everything's in order...". she said, closing the door, sliding the bolt and boozily squeezing my cock through my swimming trunks. Well that's us off to a good start. I thought, grabbing her by the neck and pushing her down on her knees. She immediately pulled my trunk down, allowing my cock to spring free, and wrapped her legs around it. Her hot skin was liberally anointed with sun tan oil: "Ohh suck on that you slut, on yeahhh! Mmmmm...!", I urged her on, grabbing her by the ears and pulling her on to me. When I'd satisfied her oral needs, she stopped off and I started to shaft her cunt right there on the floor. I was just getting her up to melting point when there was a knock on the door and someone called, it was her croomate Rebecca. I did the bolt back to let her in and she got stuck straight into our lubricious game. Right there I had the whole of the yacht's female crew ready to satisfy my every whim: "I'm gonna fuck the two of you until you beg me for mercy... you filthy cunt-sluts!" I threatened, my crude language turning them on no end - I find this usually works, most women just can't resist it. While I was eating Rebecca's cunt out Paula got on top of me and began to gallop away as if her life depended on it. I grasped her waist and slowed her down a little. Her splendid tits, now free of all restraint, described impressive ellipses in the air, bouncing uncontrollably. At the same time the slight sway of the rollers began to provide a pleasant sensation in my gut, it was like being on a fun-fair ride. I finished off by rearing out Rebecca's tight little asshole, until I was at the point of no return, then pulling it out I let them have a good splashing in their grateful, smiling faces: "Now eat it all up like good little girls... Hmrrrr... Yeah... Aahhhhh...!" I groaned as the two of them took turns to suck my cock dry, before licking each other's faces clean, they didn't miss a drop.

We lay around for a while, as I gave their shaven slits a thorough tonguing, and then went back on deck. Having had their fill of semen they had to get back to being seamen, or should that be seawomen... Whatever, as we came up on deck I could barely believe what my eyes beheld, my wife, Mia, Cornelius and Sean were all absorbed in a rich tit-bake of sexual frenzy. They were all stark naked. Carla was too, legs akimbo, to the mast, while Sean sat about mercilessly lambasting her ass with his impressive member. And Cornelius and Mia were rolling onto the deck, glued into a classical sixty-nine. Cornelius's face almost completely buried between Mia's ample cunt-lips, while she in turn had somehow managed to slide his whole length into her capacious mouth: "I see you guy's haven't been wasting your time...". I exclaimed with heartfelt admiration. Sean invited me to take over Carla's punishment, and given my strident erection I was more than happy to oblige. I grasped

her by her powerful hips and ploughed my cock repeatedly into her already lubricated asshole, my balls thwacking vigorously against her drooping cunt: "Take that you slut... Here's your favourite cock... Hmrrrrrrrr!", I cried slamming my hips forward and up and massaging her tits. I yanked and nipped her protuberant nipples until she cried out in pain: "Oohh fuck me, fuck me... Harder, harder. Ohh my god that hurts... Ohh Yeahhhhh squeeze me harder... Mmm, like that!". Once I'd given her a thorough working over Sean unbelted her and we gave the slut a sandwich. First I filled that overworn cunt of hers and then Sean sank his cock up her ass as she twisted and writhed in bliss: "Anchors away!", cried Sean to his crew, who jumped to it straight away, bringing us to a halt in the middle of nowhere, and allowing the crew to join the party. Suddenly Cornelius found himself with three sluts to satisfy: "Hey one of you guys'll have to give me a hand here...". he pleaded. I left Sean rearing my wife's ass with gay abandon and wandered over to the group with my cock waiting about in front of me. Mia got on her knees before me and started to suck on my palpitating sectioned member: "Suck on that you filthy bitch... I'm gonna fill you so full of cum that you'll drown...". Cornelius by now had got Rebecca and Paula subjugated. Both of them were on their knees, faces pressed against the deck, their asses stuck up in the air. Cornelius was rearing their asses alternately, one after the other, again and again. He was working away greedily, absorbed in a frantic rhythm, never missing a stroke, pulling it out of one ass and sinking it directly into the other. As he worked on one of their asses his hand disappeared up the other ones cunt. After a while I could hold back no longer and came, blowing my seed copiously into Mia's face. I don't know whether it was the Kingston diet, rich in shellfish, but I'd never come so abundantly in my life before, an jet of hot spunk pounded forth, covering her face, dribbling down her chin and pouring in rivulets onto her tits.

As we lay about, exhausted after our first group session, the sky turned black, as if a curtain had fallen. Sean and his crew could barely believe that such a sudden meteorological change could occur in such a short time. They immediately took up their posts, started up the motor and weighed anchor. Sean tried to make radio contact with Kingston, or with Grand Cayman, but it was impossible. We were exactly halfway between Jamaica and the islands, precisely the worst place to be in adverse weather conditions. In no time at all the most violent hurricane that had been seen in the region for many a year was upon us. The yacht was picked up and flung about like a toy by a seemingly endless succession of gigantic towering waves. Strange as it may seem I found the situation an amazing turn-on. I grabbed Mia by the arm and dragged her below decks. I ripped off her bikinis and started to eat her out. She was even more turned on than I was, she squeezed my cock and whispered: "Fuck me... Fuck me ragged... Oohh yeah! Your cock, those bulging veins... Mmm... Ohh eat my pussy...". Her cunt juices gave off a tart tang of shellfish, it was a gourmet's delight, much savor than Carla's. When I'd supped my fill I buried my cock deeply into her cunt. Despite the fact that she was so well lubricated the excitement of the situation had swollen my cock to unusual proportions and my bawky entry stretched her to the limits, making her cry out in pain: "Ohh you're splitting me in two... My god your cock... I'm dying...". she squealed clinging desperately onto my ass. Her small, nubile breasts, with their amazingly square sectioned nipples, glistened with her sweat and my saliva as I bit, sucked and chewed on them feverishly. As I was building up to the grand finale, driving like a piston, the yacht suddenly gave a tremendous lurch throwing us bodily to the floor and crashing into one of the saloon's anchor. My cock was jerked free for a brief moment, but Mia threw herself on top of me, pinning me down, and with expert precision brought her ass over it and forced herself unconsciously down on top of me: "Ream my ass... Yeah! Split me in two... Hmrrrrrrrr...", she granted completely out of control. The frenzied rhythm that she inflicted on my cock, driving her hips restlessly back and forth was on the point of making me come when in one swift manoeuvre she whipped it out of her ass and took the whole length of it into her sensual mouth, until I could feel her tongue's fluttering around my bell-end and blocking of my urethra, a sensation so intense that I began to see stars: "What the fuck are you doing down here?", shouted Sean, reprimanding us for not being up on deck to help rescue the occupants of a boat that had appeared in the midst of the storm, and was

about to go under. We dashed up on deck and found them desperately flailing a net down to two women in a small catamaran, which was taking on water from all sides. Sean had appeared at the most inopportune moment, but the real action was about to get started.

The waves had become truly awesome by the time we managed to pull them on board, and they were showing distinct signs of hypothermia. We took them down to the cabin and managed to bring them round a little with combination of rum and warm blankets. I found it impossible to resist feeling one of them up, stroking and feeling her whole body while trying to give the impression, of course, that I was only trying to warm her up. This was not far from the truth, however, as she soon responded by reaching out and squeezing my cock. Absorbed as I was in my own future groping I failed to notice that Cornelius and Rebecca were already getting it on with her friend. The truth is that these two bitches were both really stunning. I'd not yet anything that all alone on the big wide sea they'd have been eating each others pussies out on more than one occasion, in view of their businessness and lack of inhibitions in the current difficult situation. Immersed in the opening stages of another shag-fest we were all indifferent to the hurricane raging around us, nobody gave a fuck about the storm, the lightning, thunder or anything else... We didn't even stop when a bolt of lightning hit the yacht, briefly electrifying all of us. Just as I was dipping my tongue into my little cataway's cunt a spark of electricity shot off the tip and crackled round her clit. "Oh my god yeah! Gimme more of that... Please... Mmmmm..." she begged, her hips jerking upwards convulsively. Cornelius was already giving the other one what for while she ate out Rebecca's pussy. "Oh my god... this is a cruise I'm never going to forget... Mmmmm... Shake it baby... That's the way... You sure got the sweetest ass..." I crowed, slapping her cheeks until they glowed a deep red. It was fantastic, but our sexual fury did not abate us for a moment. Such was our determination to satisfy these sluts and to fuck them till they begged for mercy that we forgot—at least I did—what was going on around us. Only another ejaculation, this time in the cataway's cunt, brought me back to the terrifying surroundings of our situation.

The storm raging all around us was of Baroque proportions. Mia and Sean, stark naked except for their lifejackets, were trying to stay on their feet as they inflated a life raft, while Paula struggled heroically to control the wheel and keep us on course. "Is there no way of avoiding this storm?" I asked, slipping into a lifejacket. Sean was in a state of shock, he'd never seen anything like this before. "It'd be better to be safe, help us with the life-raft..." he said. Once we'd got that done we went to help Paula in the wheelhouse. Sean had a stonking hard-on, the danger of our situation excited him as much as it did me. He got behind Paula, slipping his cock between her cheeks as they both struggled with the wheel. For my part I was clinging to the rails and Carla had her hands and lips locked around my cock. An immense towering wave was sweeping down on us. "Time to go surfing..." shouted Sean, slamming the motor into top gear and heading straight at that wall of water, trying to avoid the worst. "Hang onto whatever you can..." he warned. I grabbed my wife's head and she grabbed my ass. It seemed as if we were about to go over, but somehow we emerged in one piece on the other side, and after that the storm started to abate. The yacht's powerful motor roared: "We might not get shipwrecked... Ohhh... but someone's in danger... Mmmmm... of drowning..." I groaned as I shot my load into Carla's mouth. She swallowed the lot, cum, salt water, rainwater... I love my wife because, among other things, she'll swallow anything. The waves were gradually getting smaller, Sean had found a way out, but suddenly the real problems started. The motor stalled, burnt out by the over-revving required to clear that last big wave. I scuttled down to the engine room to put out the fire that had started when the engine blew. "Hey Sean, pass me that extinguisher!", I shouted, he passed it down through the hatch, and I emptied the lot, screaming like a crazy man: "Go out bastard... Fuck... Get a load of this fucking team..."

Worn out we all fell into a healing sleep, adrift on the ocean, having first closed the watertight doors of the yacht's cabins, just in case the storm returned. I awoke to absolute silence and a motionless calm. I went up to

the deck to stretch my legs and enjoy the sun's warmth. The anchor was still in place. I threw it out then dived in after it for a refreshing swim in the crystal-clear Caribbean waters. Shortly afterwards Rebecca and Paula appeared on deck naked and dived in after me. Paula submerged herself and gave me a fabulous submarine blowjob. Once more I was ready for whatever the day would bring. Then suddenly I heard a shout: "Hey crazy fuckers! get the hell out of there, can't you see the fucking sharks!" shouted Sean from the deck. We were about twenty yards from the boat. I grabbed a hold of Paula's waist, pulling her rapidly to the surface and the three of us started to swim as fast as we could go for the safety of the yacht. We got there with seconds to spare before one of us lost a leg, or I lost my balls... A complete resuscitation team was organised around us. Mia and Carla taking good care of me while Cornelius and Sean set about the two bitches. In the meantime the two cataways were eating out each other's cunts in the wheelhouse. The main deck was the setting for the most lubricious and perverted scenes you could ever wish to see. Whenever we weren't fucking we ate and drank our fill of the best that the boat's amplearder could provide, which was plenty, in order to build up our strength. But inevitably our sexual and gastronomic appetites became roused until the session was converted into an endless Roman bacchanal. As Carla rub me I lay back on the deck and she fed me with delicious oysters, and Mia sucked my balls while Sean reamed her ass, after first liberally dousing it with champagne. The delightful intertwined bodies of the two cataways, anointed in sultan oil, slid in and around each other groaning and moaning with pleasure as their tongues played a thousand tricks with nipples, clits and cunt-lips. I started to salivate uncontrollably, and I just knew I had to fuck them. I lifted Carla off me and left her to Sean's attentions: "Hey Cornelius! about time we showed these two the virtues of a couple of stiff cocks, wouldn't say?", I said as he opened a bottle of champagne. He passed it to me and I took a healthy swig. "What the fuck are you bastards waiting for, or perhaps you're not up to it?" said the one nearest me. Her sun glistened beneath the midday sun and as I grabbed her she slipped out of my hands and scurried off. We chased them round the deck, which was fun for a while, but pretty soon they let themselves get caught. I slid my hands round every slippery nook and cranny of that gleaming body, then started to chew on her cunt, saying: "Wing your lips round this baby... It's all yours! Popeye's ready for you!" No sooner said than done, she started to deep-throat me with startling ease, sucking in my balls at the same time, briefly reminding me of that shark... I massaged and pulled on her firm cheeks before sliding three fingers up her ass, which palpitated as it stretched to make way for my probing. Her legs kicked out weakly as she moaned with pleasure. Her clitoris was swollen and a deep glistening red as I pulled it from side to side. Her cunt juices literally flowed down her inner thigh, mixing with the sultan oil and dripping onto the deck... Then suddenly, with a disconcerting roar a plane shot past, at a height of no more than 50 feet. It was the coastguard seaplane. I got back to what I was doing, the last thing we needed at that precise moment was to be rescued. Even if there'd been another storm on the horizon I'm sure nobody would have stopped. The next thing I did was to shove the slut down on all fours, spit liberally into that inviting, breathy-speed asshole and drive my throbbing overworked cock all the way home. I picked up a halperd, that I found to hand, slipped it over her head to serve as a rein, letting her sink her teeth into it so as to better bear my furious attacks, then used it as leverage to pull myself onto her with even greater force. I drove my hips forward with such fury that the whole boat appeared to rock and shake, finally shooting a seemingly endless fountain of hot and sticky cum right into her bowels. The seaplane taxied to a halt alongside us: "Are you guys alright?", asked a female voice over the megaphone. My only hope was that the crew of the plane would consent to join us. Fresh meat, I thought. The more cunts the better, and anyway the question seemed as if it might well have been rhetorical, after all from the air they must have got a pretty good view of what was going on. Sure enough the casualty had come to rescue us but ended up trapped in our net. They stayed for a full week, and in the whole of that time we didn't catch sight of a single soul. After that they flew us back to Kingston. It took us a full week to recover from that trip, but then that's another story...
