MICHELLE WILD

Kovi, already established as a master of fetish in the Pirate Videodeluxe series, launches the newly relabelled line under the name "Pirate Fetish Machine". The same top quality fetish frenzy with a new look and a new injection of energy. The result is hotter than hell.

"Colette's Kinley Desires" (FET1, DVD189) is scheduled for simultaneous release on DVD and VHS in September. The fully compatible DVD version in digital stereo which includes fully interactive menus and direct access to the different scenes, is packed with extras including trailers, making of, photos and much more. (See technical data below).

The 4 scenes take us through 4 very complete scenarios, each with its own distinct atmosphere, with a garnish of stockings, latex, and high heels, the foot fondling and toe sucking provide the thread of continuity as Colette's introduction to the world of hardcore through her new found friends first shocks then excites her as she explores her own fantasies and begins to consummate her desires, ending in an eruptive 9 persons bacchanalian orgy with full Roman regalia.

This first instalment of Pirate Fetish machine embodies nearly 2 hours of frenzied fuck action, with a mouth watering mixture of anal, oral and DP, and plenty of stocking and shoe games as the spoon starts flying will captivate from beginning to end. This first Pirate Fetish Machine movie heralds exciting times ahead for fetish fans everywhere.

Kovi, der Meister des Fetischismus, der seinen Ruhm der Serie Private VideoDeluxe verdankt, präsentiert uns jetzt diese neu überarbeitete Reihe unter dem Namen "Pirate Fetish Machine". Er zeigt seinen sinnverwirrenden Fetischismus in gewohnter Qualität, aber mit neuen Energien und einem völlig neuen Look. Das Ergebnis ist heißer als die Hölle!

Im September wird "Colette's Kinley Desires" (FET1, DVD 189) sowohl in DVD als auch in VHS auf den Markt kommen. Die Version DVD ist absolut kompatibel und liefert digitalen Stereoklang. Außerdem gibt es interaktive Menüs und direkten Zugriff auf die verschiedenen Szenen. Zusätzlich werden noch Trailer, Angaben über die Produktionsvorbereitung, Fotos und noch vieles andere mehr geboten. (Siehe weiter unten technische Daten).

Die 4 Scener bringen uns an 4 völlig unterschiedliche Schauplätze, jeder verlägt über eine ganz spezifische Atmosphäre, aber was alle gemeinsam haben, sind die fetischistischen Symbole wie zum Beispiel Latex, Pflanzengestirbe und daß sich die Anbetung der weiblichen Beine wie ein roter Faden durch die Handlung zieht. In diesem Film sehen wir wie Colette von ihren neuen Freunden in die Welt des Hardcores eingeführt wird. Wir können hier ihre Reaktion beobachten: Ihre anfängliche Überraschung geht in tiefe Erregung über, bis hin zur Verwickelung ihrer wollüstigsten Wünsche, mit denen sie ihre eigenen Phantasien anleitet, und die sie schließlich dazu bringen werden, an einem beeindruckenden, im Stil des römischen Imperiums abgehaltenen Bacchanal für 9 Personen teilzunehmen.

Dieser erste Teil von *Pirate Fetish Machine* bietet uns fast 2 Stunden lang erregende Sexaction. Dazu gehören starke Szenen mit Anal- und Oralsex sowie DP und packende

fetischistische Spiele, bei denen die Ficknahme nur so in Strömen fließt. Wir sind davon überzeugt, daß diese erste Produktion *Pirate Fetish Machine* einen Meilenstein für alle Liebhaber des guten Fetischismus setzen wird.

Kövi, som redan blivit en celebritet som fetischismens mestare tack vare sin serie *Pirate VideoDeleux*, presenterar nu för oss denna helt förnyade linje under namnet "*Pirate Fetish Machine*". Alla tiders kvalitet för den allra mest levande fetischism, men med ny energi och en helt förnyad look. Resultat: Hetare än helvetets flammor!

Lanseringen av "*Colette's Kinky Desires*" (FET1, DVD1899) är beräknad att äga rum i september och samtidigt på DVD och VHS. DVD versionen är helt kompatibel och har digital stereo. Den har också interaktiva menyer och direkt ingång till de olika scenerna, den innehåller en supplement som trailers, uppgifter om förberedelserna, fotografier och mycket mer. (Se de tekniska uppgifterna nedan)

De 4 scenerna tar oss med till 4 helt olika platser, var och en med en totalt annorlunda atmosfär, men alla propfulla av fetischistiska symboler som latex och sylvans klackar och där dyrtan av de kvinnliga extensiterna utgör den röda tråden i historien som berättar om hur Colette blir introducerad i hard-corens värld genom sina nya vänners försorg. I den här filmen får vi se hennes utveckling från hennes första överraskning blandad med en djupt gående upphetsning till uppfyllandet av hennes mest därtiska åtrå via en undersökning av hennes egna fantasier, som till slut leder till att hon tar del i en imponerande bacchanal med 9 personer i den allra renaste stilen från det romerska imperiet.

Denna första utgåva av *Pirate Fetish Machine* binder oss på nästan 2 timmars vibrerande sexualitet bestående i härliga analsexer, oralt sex och DP's och långsamma fetischistiska lekar där sperman rinner i floder. Vi är berediga på att denna första produktion av *Pirate Fetish Machine* kommer att bli till en milstolpe för alla som tycker om bra fetischism.

Kövi, déjà connu comme le maître du lésisme grâce à la série *Pirate VideoDeleux*, nous présente maintenant cette ligne complètement renouvelée sous le nouveau nom de "*Pirate Fetish Machine*". La qualité de toujours pour le lésisme le plus surprenant, mais avec des énergies et sous un look absolument nouveaux. Le résultat : plus chaud que les flammes de l'enfer!

Le lancement de "*Colette's Kinky Desires*" (FET1, DVD1899) est prévu pour le mois de septembre, sous DVD et VHS en même temps. La version DVD totalement compatible et stéréo digitale, comprenant des menus interactifs et l'accès direct aux différentes scènes, ajoute quelques éléments comme des courts, des renseignements sur la production, des photos et beaucoup plus. (Voir renseignements techniques en bas).

Les 4 scènes nous transportent dans 4 décors absolument différents, chacun d'eux entouré d'une atmosphère particulière, mais toujours garnis de symboles lésistes, comme le latex et les talons aiguilles, et où l'admission des extrémités féminines devient le fil de l'histoire, qui nous raconte l'introduction de Colette dans le monde du hardcore de la main de ses nouveaux amis. Dans ce film nous allons assister à son évolution, depuis son éternement initial mélangé à une profonde excitation, jusqu'à la réalisation de ses desirs les plus sauvages, en passant par l'exploration de ses propres fantasmes, qui vont l'amener finalement à participer à une bacchanale collective de 9 personnes, à la mode des Romains.

Cette première livraison de *Pirate Fetish Machine* nous offre presque deux heures d'action sexuelle trépidante, composée par de succulentes scènes anales, orales et DP et de captivants jeux fétichistes, où le sperme coule à flots. Nous sommes persuadés que cette première production *Pirate Fetish Machine* deviendra une référence pour tous les enthousiastes du bon fétichisme.

Kerri, que ya ha alcanzado la celebridad como nuestro del feticismo gracias a la serie *Pirate VideoDebas*, nos presenta ahora esta línea totalmente renovada bajo el nombre de *Pirate Fetish*.

Machine". La calidad de siempre para el feticismo más delirante, pero con unas energías y un look totalmente nuevos. El resultado: ¡más caliente que las llamas del infierno!

El lanzamiento de *"Colette's Kinky Desires"* (FET1, DVD189) está previsto para el mes de Septiembre, simultáneamente en DVD y VHS. La versión DVD totalmente compatible y estereo digital, que incluye menús interactivos y acceso directo a las diferentes escenas, incorpora algunos suplementos como trailers, datos sobre su preparación, fotos y mucho más. (Ver datos técnicos más abajo).

Las 4 escenas nos transportan a 4 escenarios completamente diferentes, cada uno de ellos enmarcado en una atmósfera absolutamente distinta, pero así sí, todas repletas de símbolos feticistas, como el látex y los tacones de aguja, y en las que la adoración a las extremidades femeninas proporciona el hilo conductor del relato, que nos muestra la introducción de Colette en el mundo del hardcore de la mano de sus nuevas amistades. En este film observaremos su evolución, desde su sorpresa inicial mezclada a una profunda excitación, hasta la consumación de sus deseos más salvajes, a través de la exploración de sus propias fantasías, que la llevarán finalmente a formar parte de una impresionante hazaña de 9 personas en el más puro estilo del imperio romano.

Esta primera entrega de *Pirate Fetish Machine* nos ofrece casi 2 horas de trepidante acción sexual, compuesta por succulentas escenas anales, orales y DP, y cautivadores juegos feticistas, en las que el semen fluye a raudales. Estamos seguros de que esta primera producción *Pirate Fetish Machine* marcará un hito para todos los amantes del buen feticismo.

MARIA RICCI

Dopo aver raggiunto la celebrità come maestro del feticismo grazie alla serie *Pirate Video Deluxe*, Kovi ci presenta adesso questa linea totalmente rinnovata con un nuovo nome "Pirate Fetish Machine". La qualità di sempre per il feticismo più delizioso, ma con delle energie ed un look del tutto nuovo. Il risultato: più caldo delle stesse fiamme dell'inferno!

Il lancio di "Colette Kinky Desideres" (VETI, DVD189) è previsto per il prossimo Settembre, simultaneamente in DVD e

MONICA MORE

VHS. La versione DVD totalmente compatibile a stereo digitale include dei menu interattivi e l'accesso diretto alla varie scene, con alcuni supplementi come trailers, dati sulla preparazione del film, foto e molte altre cose. (Vedere i dati tecnici più in basso).

Le 4 scene ci portano in 4 scenari completamente diversi, ognuno di loro avvolto in un'atmosfera assolutamente diversa, ma va detto, tutte piene di simboli feticisti, come il latex ed i tacchi a spillo, in cui l'adorazione delle estremità femminili è il filo conduttore della storia, che ci offre l'ingresso di Colette nel mondo del hardcore grazie alla presenza delle sue nuove amiche. In questo film potremo seguire la sua evoluzione, dalla sua

sorpresa iniziale mista ad una profonda eccitazione, sino alla consumazione dei suoi desideri più selvaggi, attraverso lo sfruttamento delle sue proprie fantasie, che la porteranno alla fine a formare parte di un impressionante orgia di 9 persone nel più puro stile impero romano.

Questo primo film di *Pirate Fetish Machine* ci offre quasi 2 ore di trepidante azione sessuale, composta da belle scene anali, orali e DP e accattivanti giochi feticisti, in cui lo sperma scorre a libero. Siamo certi che questa prima produzione di *Pirate Fetish Machine* sarà un vero punto di riferimento per tutti gli amanti del buon feticismo.

PENTHOUSE

Title: Without Limits (DVD 16:9 / VHS - Private Penthouse Movies #10)
 Location: Budapest (Hungary) and Prague (Czech)
 Director: Antonio Adams
 Cast: Sophie Evans, Maria, Claudia Jackson, Lynn Stone, Christal, Sandra King, Natali, Sophie Angel, Nacho Vidal, David Perry, Toni Ribas

WITHOUT LIMITS

Brilliantly directed by the marvellous Antonio Adams, Toni Ribas gets completely carried away in the new instalment of the Private Penthouse series, "Without Limits". This is precisely where the novelty of this film lies, the star and leading role is not a girl, but Toni Ribas. Naturally he is always accompanied by the most voluptuous women, including Sophie Evans, his current girlfriend, or the always exciting Claudia Jackson who, in "Insane Obsession" autowounded more than one. The cast is completed by Maria, Christal, Natali, Sophie Angel, the spectacular Lynn Stone and finally by Sandra King. I'd like to make a special mention of the latter, an extraordinarily well stacked blond with the face of an angel. Maybe some of you will remember her from her perform-

ances in "Bitches" or "The Dark Side", but it is undoubtedly in "Sin Limites" ("Unlimited") that she unleashes her full sexual potential in a couple of scenes that will leave you gasping for breath! And if you don't believe us you can judge for yourselves in this selection of the best stills from those scenes.

Unter der genialen Regie von Antonio Adams vereinhert Toni Ribas in diesem neuen Teil der Serie Private Penthouse „Ohne Limit“ völlig seine Selbstbeherrschung. Das Neue an dem Filme ist, daß die Hauptrolle nicht etwa von einem Mädchen gespielt wird, sondern daß es sich in der Geschichte alles um Toni Ribas dreht. Natürlich ist er aber immer von den welltu-

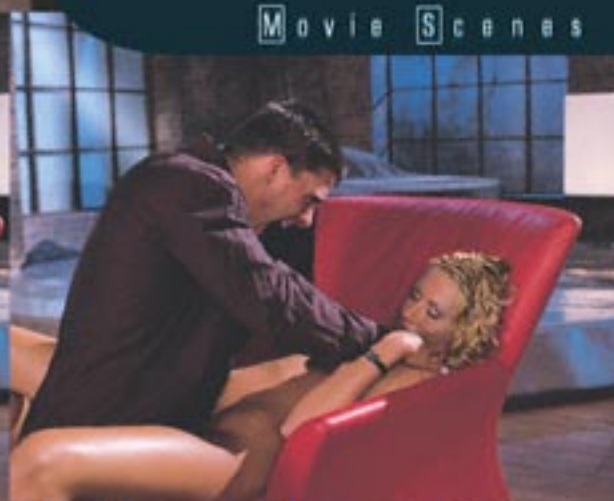

Sandra King

låtten bräun umgeben, wie z. B. Sophie Evans, seiner angeblichlichen Partnerin, oder der immer aufregenden Claudia Jackson, die in „Inane Obsession“ mehr als nur einen außer Fassung brachte. Die Besetzung wird noch ergänzt von Maria, Christal, Natali, Sophie Angel, der sensationellen Lynn Stone und schließlich noch von Sandra Ring, auf die ich besonders hinweisen möchte. Vielleicht erinnert sich jemand an diese Blondine mit runden Formen und einem Ungelächelt und ihr Mitwirken in „Bitches“ oder „The Dark Side“, aber zweifellos ist es in „Ohne Limit“, wo sie ihre ganze sexuelle Potenz in ein paar Szenen freien Lauf läßt, die dich sicher sprachlos machen werden. Und wenn ihr das nicht glaubt, dann könnt ihr euch selber mit dieser Auswahl der besten Momente dieser Szenen überzeugen.

Med den geniale Antonio Adamo som regissör följare Toni Ribas kontrollen totalt i den här nya utgåvan från Private Penthouse: "Utan gränser". Nyheten i filmen är just denna. Stämnan, och den som allting handlar om, är inte en tjej utan Toni Ribas. Spårklart är han hela tiden omgiven av de alla liderigaste kvinnorna man kan tänka sig, som Sophie Evans, hans nuvarande flickvän, eller den alltid lika upphetsande Claudia Jackson, som i "Inane Obsession" fick mer än en att helt tappa labben. Rollistan innehåller också Maria, Christal, Natali, Sophie Angel, den spektakulära Lynn Stone och till sist Sandra Ring. Jag vill verkligen framhäva den här sista tjej, blondin med runda former och ett helt oskyldigt ansikte. Det kan hända, att några av er kommer ihåg henne för hennes agerande i "Bitches" eller "The Dark Side". Utan tvivel är det dock i "Utan Gränser", som hon låter hela sin sexuella potential flöda i ett par scener, som kommer att lämna dig alldeles stann. Och om du inte tror mig, så kolla själv i det här urvalet av de bästa bilderna från dessa scener.

De la main du génial réalisateur Antonio Adamo, Toni Ribas perd complètement les pédales dans cette nouvelle livraison de la série Private Penthouse ("Sans Limites"). La nouveauté du film se trouve justement ici : le protagoniste et fil de l'histoire n'est pas une fille, mais Toni Ribas. Évidemment, il sera toujours accompagné des plus voluptueuses femmes, comme Sophie Evans, sa copine actuelle, ou la toujours excitante Claudia Jackson, qui nous a tous touchés à "Inane Obsession". La distribution est complétée par Maria, Christal, Natali, Sophie Angel, la bandante Lynn Stone et, finalement, Sandra Ring. J'aimerais faire remarquer celle-ci. Blonde superbe à rondeurs épatantes et doux visage, qui a joué formidablement bien à "Bitches" ou "The Dark Side", mais sans doute c'est à "Sans Limites" qu'elle nous montre, tout son savoir-faire à une paire de scènes à couper le souffle. Et si vous ne me croyez pas, regardez cette sélection des meilleures images et jugez-en vous-mêmes.

De la mano del genial director Antonio Adamo, Toni Ribas pierde totalmente los controllos en esta nueva entrega de la serie Private Penthouse: "Sin límites". La novedad del film precisamente es esta, el protagonista e hilo conductor de la historia no es una chica, sino Toni Ribas. Naturalmente que está siempre acompañado por las más voluptuosas mujeres, como Sophie Evans, su actual compañera, o la siempre excitante Claudia Jackson que en "Inane Obsession" dejó a más de uno atónito. El reparto lo completan Maria, Christal, Natali, Sophie Angel, la espectacular Lynn Stone y por último Sandra

Ring. Me gustaría destacar a esta última, rubia de formas rotundas y cara de ángel, es posible que alguien la recuerde por sus actuaciones en "Bitches" o "The Darkside", pero sin duda es en "Sin límites" en donde se ha destacado todo su potencial sexual en un par de escenas que te dejan sin habla. Y si no juzgarlo vosotros mismos en esta selección de las mejores imágenes de estas escenas.

Grazie al genial regista Antonio Adamo, Toni Ribas perde totalmente i controlli in questo nuovo numero della serie Private Penthouse: "Senza limiti". La novità del film è proprio questa, il protagonista e filo conduttore della storia non è una ragazza, ma Toni Ribas. Naturalmente è accompagnato dalle donne più voluttuose, come Sophie Evans, la sua attuale compagna, o la sempre eccitante Claudia Jackson che in "Inane Obsession" ha lasciato attoniti a più di una persona. Il cast è completato da Maria, Christal, Natali, Sophie Angel, la spettacolare Lynn Stone ed infine Sandra Ring. Mi piacerebbe sottolineare il lavoro di quest'ultima, bionda dalle gentili forme e viso d'angelo, forse qualcuno la ricorderà per la sua partecipazione in "Bitches" o "The Darkside", sicuramente è in "Senza limiti" in cui si è rivelato tutto il suo potenziale sessuale in un paio di scene che lasciano senza parole. Altrimenti giudicate voi stessi questa scelta delle migliori immagini di queste scene.

OBJECTIVE

CUMSHOT

Such a beautiful and luscious image, that sexual explosion—that is the climax: from one or more cocks as it dribbles down, subject to the laws of gravity, leaving its trail across the ecstatic face of our favourite girl. It makes you feel doubly fulfilled, seeing one or more copious loads of cum splattered across the smiling face of an immensely gratified star. That's just the way they are, they blake anything, receiving it as their due, exultating and employing those long sensual tongues, desperate to eat the cock right off you. The robust power and force of one or many stiff, bulging, veined and pulsating dicks, those hard, distended and reddened balls, the perfect starting point for the coming explosion of hot spunk that will give them so much pleasure, the promise to the sweet joys of sap that only they can draw out of us with their wispy bodies, with their sleepy motions and their unbridled lust. Who has never wished to freeze this culminating instant, to eternalise it, as some really sensational cocklocking slag is whipping you out, just to watch them giving you head then swallowing every last drop of it, hummm... I'm not talking about shooting your wad while you're got it sunk deeply into her cunt, they'd rather see it buried all the way, and if they can stuff two cocks in there then all the better. There are connoisseur specialists in emptying out several pairs of balls in one go and proudly drinking down every drop of it. It's the maximum refinement, the most baroque and ceremonial rhetoric of the sexual act, with that sensual fluid oozing out between her lips, dribbling down her neck and dripping into her tits, hummm... Delicious... even more so when there's a couple of them licking each others faces clean and fighting for their fair share. And what about dumping a wad into her belly-button? that tempting abdominal tickles... Which also happens to be an ideal receptacle for your cum, leaving them with that ephemeral little puddle that turns them on so much. Not to mention being loose right there in her gullet, which reminds me of a very satisfactory multiple orgasm that me and some friends of mine indulged on my girlfriend at that

time, which was so copious and violent that it left her so dribble out of her nose, and the slut sucked it all back in and swallowed the lot! I really loved that woman... If my discourse, my defense of cumshots, is to have a certain coherence I must not forget that they clearly love us to pump a barrel load of cum into their mouths, it's exactly what a spine and expectant quiver is crying out for. Although first of all we must lick it, spit into it, and sink it, to soften it up and ease the way for the preliminary butt fucking. When you're got it brushed red with excitement and the perineum relaxed, it's time to shoot your wad, even better if there are several well soaked cocks all ready to deliver, filling her to the brim, until she can take no more, and then squeezing those well-worked cheeks, slapping those cocks against them, and washing it as it oozes and bubbles out of her, running sticky down her inner thighs. Finally we must mention the perfect finishing touch, after we've delivered our most precious fluid, which is to see her dipping her

fingers into flooded cunt or asshole, then lifting them to her mouth, like a child taking a finger-buff of cream from a cake, and savoring the salty taste of the cum that we have endowed her with, this is undoubtedly the perfect infatuation.

Welch ein schönes und südkaltes Schauspiel zu sehen, wie nach der Samenzuckung, sprich nach dem Abspritzen, der Saft auch dem Gesetz der Schwerkraft Zueinander für Zentimeter über die von Elastizität getriebenen Gesichter unserer Lieblingsfrauen nach unten fließt. Die volle Ladung Saft von einem oder mehreren Hengstevic und dem Ausdruck höchster Schlippen auf den Gesichtern der Mädchen zu sehen, wird zu einem doppelten Genuss. So sind diese Mädchen eben! Sie lecken den ganzen Saft auf, schlucken ihn voller Wollust, sie lassen ihre langen Zungen spielen und nuckeln am liebsten sogar den Schwanz verschlucken. Die Potenz von einem oder mehreren steifen Schwänzen, von Venen überregt, zuckend, und perfekte Eier, angeschwollen und hart, sind die perfekte Vorbereitung für die nachfolgende

Vaterschmerz, die für sie höchste Befriedigung bedeutet. Es ist das Vorspiel zu dem salzprägenden, süßen Nüssen, die sie mit ihrem spiggen

Körper, ihrem Saugen und Lecken und ihrer unheimlichen Wollust provoziert haben. Wer hat sich nicht schon einmal gewünscht, diesen entscheidenden Moment festzuhalten, ihn für immer und ewig aufzubewahren, während die eine, richtige Schlange den Schwanz lockt? Zusammen, wie man die den Schwanz lockt und den ganzen Saft aufleckt, hummm... Und von einem guten Fick mitten in die Fresse wollen wir erst gar nicht reden. Die Weiber wollen sie immer bis zum Überlaufen gefüllt bekommen. Und wenn zwei Schwänze in ihre Fresse eindringen, dann ist es umso besser. Es gibt auch welche, die darauf gerichtet sind, von paar Eier in einem Hornbecher anzuheben und ihn danach gleich fertig anzurücken. Das ist höchstes Raffinement, die schnellste und gleichzeitige feierliche Art, Sex zu treiben. Die Fuckschneide quillt dabei aus ihren Mündern und fließt an den Hüften hinunter bis den Titten von der überdeckt wird, den, hummm... Insofern. Noch brüderlicher wird es, wenn sie sich gegenseitig ablecken, sich küssen und sich den erregten Saft lecken. Und nicht zu vergessen ist der Bauchnabel! Diese schiffähnliche Öffnung auf dem Bauch... Auch er eignet sich hervorragend dazu, eine Ladung Samen in ihn abzugeben und so eine dieser kleinen Saftplänen zu erzeugen, von denen sie immer so begeistert sind. Und von einem Abspritzen mitten in die Kehle wollen wir erst gar nicht reden. Ich erinnere mich immer noch an höchster Befriedigung an eine mehrfache Ejakulation mit der eine paar Freunde und ich vor einiger Zeit meine Partnerin beglückte. Sie

var så tippig och kräftig, då! Idr der Satt aus der Nase kam! Und diese Schlange leckte alles wieder auf! Diese Frau hatte ich wirklich... Wenn meine Ausführungen, meine Apologie bezüglich des Fickens eine gewisse Kohärenz aufweisen sollten, so darf ich nicht etwas vergessen, was die Weiber in Verdrickung gerieten läßt, nämlich daß man ihnen den Arsch mit Fickstange hilft. Genau danach verlangt nämlich ein straffer und erregter Arsch. Er schreit förtlich danach. Aber nur, wenn er vorher geölt und mit Spucke und danach Saugen so geschmeidig gemacht wird, daß er die ihm anschließend veretzten Stöße gut aushalten kann. Wenn er vor Erregung richtig gerötet ist und das Arschloch richtig eingeklemmt ist, so der Mومن gekommen, die Lachung Satt absperrten. Je mehr polierte Schwänze daran beteiligt sind, desto besser. Schließlich ist die Loch voll, und wir müssen unseren Satt über ihrer nassen Scheitel spritzen, auf die wir dabei auch Möglichkeit noch mit unserem dicken Kloben schlagen. Zum Schluß muß ich noch auf etwas zu sprechen kommen: was als perfekte Kriechung jedes Ficks angesehen werden muß. Zu beobachten, wie die Weiber ihre Finger in ihre wet Satt überlaufende Fresse oder in ihr Arschloch stecken und sie dann im Arschloch ablocken, wie jemand, der eine Salzworte probiert. Sie genießen dabei den süßigen Geschmack des Sattes, den sie gerade empfangen

haben. Das ist der perfekte Hühnerstich, da gibt es keinen Zweite!

Vilken vacker och musig syn det är att se hur den scensatula exploderar – liksom spermian – från en efter flera bakslag på grund av gravitationslagen, centimeter efter centimeter rinner ner till botten på de ostadiga andarna på våra favorittjejer. Man känner sig dåligt stött av att se den klockan mängden sperma från en efter flera stötproduktioner tillsammans med spejarnas andningstryck av smidig fäcka. Någon är dom? Den sväljer allt, dom tar emot den med stor njutning, dom står upp den och sticker sig med sin långa senga för att släpa allt till och med kakor. Krafen hos en efter flera styra kakor, blodspinniga, darrande, med oshanda, vrutna och hårda tecken är den perfekta inledningen till den explosiva av spermian, som utlöslorätter spejarna så till den mörka grad. Försöker till dessa

häriga inifrån sprut som dom här provocerar med sina scensatula kroppar, med sina sängsängar och sin inläppa rålåsa. Men har inte rätt färga detta erotiska ögonblick och överviga det, överviga ögonblicket då en riktig sugande bytta drar av kakor åt dig? Att komma se har dom sagt den och sväljer all spermian, humorn... För att inte tala om en pot sprut i själva fitan: dom föredrar att se den helt och hållet övervinnad. Om det är två kakor, som tar sig i deras bröst, deras bröst. Det finns dom, som är specialiserade på att komma se flera par teckningar i en enda jämsnig och sen svälja allt: det är höjden av rullning, den sexuella sköten med bärda och ceremoniella tecken, just sådetsvitskan öppnande ut ut deras munnar och droppande ner efter deras bröst, alla den smygare ner deras bröst, humorn... utöf. Att se mer när dom kysser och sticker på varandra för att dela på den scensatula skatten. Och vad sägs om saveln? Detta lockande bild i magen... Det är också en skatt, mer nog, för att låta den spermian gå och bilda den där överflögna

peken, som dom tycker så mycket om. För att inte tala om ett sprut ner i själva buben: jag kommer med tillfredsställelse till en ejakulation som några våsar och jag gav min tjej för att se hur hon var så ung och våldsam att den trängde ut se hennes bröst. Och den första varelse den egentl jag tänkte verkligen den här kvinnan... Om denna man inte tänker, detta som övervinnad för kak-spruten står: varje riktig sammanhängande, kan jag inte komma något som dom tycker är förtärlig, att man vårdar över deras anus med spermian. En spid och upphetsad man behöver det! Den riktigt napp efter det! Men inte utan att övervinnad ha blivit stickad, minst med sate och suga för att suga upp den och förbereda den för de hårda kolvågen, som måste följa spermian. När den är riktigt vid av upplämnad och sägas till fitan vill avsläppad, är det dags att släpa den strömning av spermian, om en tjej från flera våd-

marade lokat, anda till det inte ryms mer sperma inom henne, utan vi blir tvungna att sprida den över hennes kroppsliga stjärnhävar och genom mögligt alla dess smutiga blodkärnor. När du har åstadkommit minst jag nämna något, som skulle vara den perfekta information till varje katapult! Att få se hur honorna praver med fingrarna i sin övervinnande fötter eller armar, för att sedan stoppa dem i munnen och suga på dem, som om den skulle provocera en prickhåra och sprida av den såna smutten från den sperma, som den rysa har fått. Utan tvivel en perfekt scenario.

Quelle belle et apaisante image devient l'explosion scénarique... Une éjaculation - d'une ou plusieurs éjacules, qui se glisse doucement vers le bas, en vertu de la pesanteur, sur chaque centimètre de peau des visages en extase de nos filles préférées? Ou se sent doucement étonné par la vue de l'abondante éjaculation d'un ou plusieurs éjacules, combinée à l'expression faciale de bonheur infini des filles. Elles sont comme ça! Elles en avaient tous les ingrédients en grand plaisir. L'extase et agitant leur bouche large dans un cri de nous manger même la bite. La puissance d'une ou plusieurs bites riches, supérieures, pulchres, d'une paire de redoublantes bits riches, poudrés et dans, représente les prodigieuses parties de l'explosion de crépuscule qu'elles souhaitent avec tellement de force, le préliminaire des deux joues de toute qu'elles ont déclenché avec leurs corps voluptueux, leurs succions et leur luxueuse débauche. N'est-ce pas qu'un qui n'est jamais destiné à remplir ce moment unique de l'éternité, tandis qu'une merveilleuse mais purement consciente... L'observer en tant de succ et d'exciter tout notre sperm, hummm...? Pour ne pas parler d'une bonne éjaculation en pleine chute... elles préfèrent la voir toujours humide, au le-bol. Et elles sont déjà les bites qui s'installent dans leur chute, tant mieux! Il y en a des spécialistes à voler plusieurs paires de redoublantes dans une coupe et sous forme par la suite, voilà la l'effacement suprême, la plus baroque et exotisme riche de l'acte sexuel, avec le liquide seminal qui débouche de leurs bouches et se glisse sur leurs cotes jusqu'à couvrir leurs nichons, hummm... délicieux! Et encore mieux lorsque elles se mettent alors à se lécher et s'embrasser, pour se partager le butin seminal! Et il ne faut pas oublier le somnolent, cet attachant petit trou abdominal... C'est tout un spectacle subtil pour y accéder et former cette débauche qui leur plaît tellement. Mais on ne peut pas, non plus, laisser de côté une bonne éjaculation bien dedans la gorge, j'en suis sûre avec grand plaisir d'une éjaculation multiple que nous avons offert en cadeau, quelques fois et non, à celle qui est ma

copie à l'époque; ce fut tellement abondant et est que le sperm arrivait à la fin de ses narines. Et la grande salope l'avait à nouveau! L'état les d'attente de cette femme-là... Mais si mon scénario de l'éjaculation doit garder quelque robustesse, je ne peux pas oublier une chose qu'elles adorent: se faire mouler le popote. Un anus tendu et excité en a besoin: le réclame à voir et à être. Mais surtout, jamais pas avant l'acte bien léché, savonné et sucré pour l'assouvir et faciliter les coups de piston probables. Lorsque ça devient mou par l'excitation et que le pénis sera bien relâché, ce sera le bon moment pour y débiter le por au lait, si possible de plusieurs bites bien acérées, jusqu'à ce que ça débouche et recouvre leurs fesses macées. L'excitation, si possible, à l'acte, des membres déjà se penchent. Et pour finir, je veux signaler ce qui est à moi, le dessert parfait de toute éjaculation - voir les succions tremper leurs doigts dans leurs chutes ou pétards mouillés et les lécher prudemment, comme si elles goûtaient un gâteau d'élite, en savourant le goût salé de la jouissance qu'elles viennent de recevoir; sans doute, le point final parfait.

Que imagen tan bella y seductora es como la explosión animal -léase corrida, de uno o más rabos se desliza hacia abajo, por imperativos de la gravedad, por cada centímetro de piel de los exitosados rostros de nuestra chica favorita. Se siente una deliciosa reconfortada al ver la copiosa corrida de uno o varios seminales combinada con su expresión facial de infinita felicidad de las chicas. Ellas son así! se la comen toda, la reciben por donde placen, la exhiben y agitan se llega tiempo queriendo comerse hasta la pelle. La potencia de una o más pollas ricas, venenosas, pulchras, de unos cojones excepcionales, húmedos y dulces, son los prodigiosos perfectos a la explosión de la noche que tanto las satía, el preludio de los dulces lagartos de leña que ellas han provocado con sus voluptuosas succiones, con sus succiones y con su lujosa desobediencia. ¿Quién no ha deseado nunca congelar ese momento alado, eternizado, mu-

ras se la chupa una buena zona, conmovidos? Ver como se la comen y se tiran toda la leche, hummm... No habíamos de una buena corrida en pleno choco, ellas prefieren vibrar siempre moviéndose hasta los topes. Se son dos pollas las que se meten en su coño, mejor que mejor. Las hay especialistas en vaciar unos cuantos pares de cojones en un cojón y bebiéndose acto seguido, es el refinamiento máximo, la máxima más barrosa y carnal del acto sexual, con el líquido seminal resumiéndose en boca y cayendo por sus caderas hasta embalsamar sus faldas, hummm... delicioso. Así más cuando entre ellas se hacen y hacen repartándose el butin seminal. ¡Y que decir del coñito!, ese torzador agotado abdominal... Se trata tam-

fuori da un receptacolo ideale per ricevere e possedere, una effluvia chiara che tutti la gusta. Per noi hablar de una coñita es poco parlante, recordo con satisfacción una psicología múltiple, la regulación sexual, y yo a mi pareja de hacer un tiempo fue tan copiosa y voluta que le salía por los flancos... ¡Y la mujer quería se la voluta a cargar! De verdad que amaba a una mujer... Si no disculpas, no apodado de la coñita, ha de tener cierta coherencia no puede obviar algo que a ellas les encanta que se les amase el culo de leche. Un beso y excitado en lo que recibas, lo pide a gritos. Eso sí, no sin antes haberlo hecho, esquivo y sacando para adelante y fagitar las emboladas perlas. Cuando una tiene más de excitación y el primero bien relajado por el momento de descargar la leche, a no posible de vata polva bien alimentada, hasta que no queda más leche en su interior y hayamos de espacarlo por sus musculos nalgas, golpeándolas a ser posible con los codos masculinos. Pues ahora, lo de mencionar el que sería el punto perfecto a cualquier nivel, ver a las lumbas cuando un día en un momento como si cada para algo segundo fagitarlas como quien ceta un punto de nata, disfrutando del salado sabor de la leche que acaban de recibir, el colorido perfecto, así dada.

Que bella e pasosa tongue, voluta fono. L'esplosione sessuale, ovvero una ejaculazione, di una o più mucose scivola verso il basso, per gli suggerimenti della gravità, per ogni centimetro di pelle degli organi vitali della nostra ragazza (ovaria). Uno le viene doppiamente ricordando vedendo l'abbondante ejaculazione di uno a vari stadii insieme con la loro espressione del volere di infamia, la letta delle rapine. Loro sono così? Se lo mangiamo tutto, la ricevono con sommo piacere. L'esplosione e spinta la loro lingua (spina voluta mangiare tutto il muscolo). La potenza di uno o più cazzi ben così, variet, polverosi, di copioni amorosi, gusti e duri, sono i preliminari perfetti di un'esplosione di seme che lo soddisfa così tanto, il preambolo delle dolci briciole che loro hanno sopra provocato con i loro corpi insieme al, con il loro lavoro e la loro bionda coccolata. Chi non ha mai desiderato di congelare quanto in mano incredibile, rendendo eterno, alcune una bella primavera? In bocca? Vedete come se lo mangiano e si mandano più tanto lo spirito, hanno... Non parliamo di una buona ejaculazione, le piace sentire loro preferisce vedersi sempre inondata tutto sé. Se poi sonoro e i cazzi che si infilano nelle sue fess, dopo meglio. Che se sono alcune che sono così speciali a nello ricevere tutti più copiosi possibili in una bella coppia e bene subito dopo il loro seme è il massimo entusiasmo, la novità più bene che il momento dell'uno sessuale, con il liquido seminale che trucca da la loro bocca e scivola più per il loro colla stato bagnato in loro mani, hanno... e d'altra. Anzi di più quando tra di loro si toccano e toccano dividendo al tempo sessuale. L'una dice dell'embelico, questa amante baciato addosso suo. Si tratta anche in questo caso di un ricambio ideale per venire e fagitar quella effluvia leggera che piace loro così tanto. Per non parlare poi di una ejaculazione in pieno gola, ricordo con soddisfazione una ejaculazione multipla che abbiamo regalato degli amici (e) si alla sua donna di tempo fa, fu così abbondante e voluta che le uscì dalle fess nasale e la grandissima si lo riceveva più tutta. A dire il vero, era quella donna. Se il mio destino, la mia spiaggia dell'ejaculazione, deve essere in qualche modo estremo non posso dimenticare una cosa che le donne adorano fare: inondare il culo di sperma. Un mio libro ed eccetto è quello di cui ha bisogno, profumato gridando. Questa sì, non senza molto ben bene, spinto e muscolato per renderlo più morbido e appiattare le precedenti inondate. Quando è ben mosso di ejaculazione con il pettico ben elastico è il momento giusto di scaricare tutto il carico, se possibile di vari cazzi ben formati, uno a quando un boccia di sperma, e che ce ne sta ben, ben sulle sue natiche inondate per le fronte impresse dai membri ormai mezzo smunti. Per dinto, devo dire che la eleganza sulla forma di qualsiasi ejaculazione sarebbe. Vedete le femmine che integrano le loro dita nella loro bocca e cado inondati per poi leccandole immediatamente, come una persona che sta provando una torta di panca, godendosi il sapore salato dello sperma che ha appena ricevuto, certamente la chiusura perfetta.

That morning the royal mansion seemed empty. After roaming for a long time in and out of the halls admiring their luxurious decoration, I decided to pass to the garden to get a breath of fresh air. After strolling for some time among the trees, bushes and giant fountains, I reached the entrance of a gigantic labyrinth. Soil dazed by last night's party, and most specifically by the visit of a certain Madeline and a female servant, my feet shook as I went up the slope that seemed to be the entrance to the labyrinth. I wandered along for a while around the perfectly trimmed plant walls. Sorry, before going on let me introduce myself: My name is François Buffon, surveyor to his royal highness for the past year, and I have been called by the king to measure some land adjacent to his mansion, he had recently bought to extend his hunting grounds. I was supposed to do my task that same day and leave for Paris the next in order to report to my superiors. Now that I have introduced myself, let's go on with my story. I kept on wandering around the labyrinth, when I suddenly heard a noise I could never forget, the hard breathing of the two she-lions who had fucked me the night before still thundered in my ears, and it was not hard to link that noise with a fuck. In an instant not to be discovered, and be able to observe crouched, I got down on my knees and crested, with a lot of difficulty, the plant wall. I was stunned to see one of the most beautiful women nude on a stone bench while another, just as beautiful, she her cunt driving her mad with pleasure. And standing nearby was Louis XV, whom I had only seen in portraits, observing the scene and masturbating while holding a cup in the other hand. All that time, at his feet was another lass, nude and on her knees, ready to receive the royal ejaculation. Obviously, this scene excited me and I started to masturbate. After some time, the two women on the bench started eating each other's cunts. Hey you, surveyor, or who ever you are, come here, don't ride, shouted the king. I had been discovered! So I walked out of my hideout trying to hide my stiff cock under my trousers. "Don't be ashamed my dear Surveyor... you slut, suck his cock, by the way, how are things in Paris?" he asked, patting the head of the young libertine who awaited his ejaculation. Without batting an eyelid she got down in front of me, lowered my trousers and started licking my prick as though her life depended on it. "Oh Majesty, forgive my intrusion; I did not know that..." I stammered grabbing on the ears of my falloxtra. The king continued masturbating as though nothing had happened, and that eased things for me. It seemed that the king liked me, and he confessed that the visit I had received the previous night was following his orders, to bid me welcome. "I like to have guests like you even when they work for me. I think you could extend your stay on my property; we will talk about that later but for the moment, have fun. By the way, I shall be expecting you tonight in my chambers... I will need help... and you will talk to me about Paris..." he said. I was stunned; the two sluts were in a superb scissor-lock, and my balls were about to explode. Suddenly, the King disappeared and I was left alone with the three sex furies. I held back my ejaculation and put the young lass on her back to fuck with all my might. Seeing this, the other two came closer and said: "The King has given us instructions to train you for tonight... we can rest later but now, you have to give all you can you dog" awakened the most active of the two and the prettiest of them. So, first thing in the morning I had to put up with the three most delicious bodies I had ever had. "Now you will know what a real cock is like..." I said, pumping the juicy cunt of my cocksucker while another inserted a finger in my ass to stimulate my prostate. The three of them knew what they were doing. After fucking her for a long time, I turned to the main one of them and started fucking her in the ass. She was a slim brunette with incipient breasts and stiff nipples. Her skin smelt of honey and was as soft as velvet. She

was barely twenty but was well versed in the art of love; she was an expert. "Break my ass... mmmmm... put it all in... what a cock... hmph..." she panted while I pumped my staff in her guts and inserted three fingers in her cunt to excite her even more. I don't know why but I imagined the rolling sinuous landscape I had come to measure and had seen the evening before. Mysteriously, I associated the soft dunes of the buttocks and her skin as soft as fresh grass in spring, enhancing even more my libido. "Take it slut... Yessss... you like it... you want more... tonight... ahhhhh!" I groined before spewing my semen in her narrow but now dilated anus. As I was ejaculating I put my sperm-filled hand in her mouth and she licked it in pleasure. Tonight... you will surely be sorry you ever came here... I but I gave no importance to her word. I sat down and the others fell hungrily on my cock, licking it and fighting for it. Once again my cock presented arms and I fucked them, just to oblige; I had no obligation to do so since they were nothing but simple and vulgar courtesans. "You are a dog... fuck us... bitches thaaaaat... hnnnnnn", gasped the one with two plats, her nude and rural manners excited me. I could smell the stables, her perspiration, and her odore di femina was the strongest of them all and the most exciting I had ever smelt, and her thick tuft of pubic and anal hair only served to excite the explorations my knob was making in her perineum. "Oh... what a hairy cunt... yessss... your hair...!", I said, all excited. Undoubtedly, her tuft of hair was more exciting than inserting my cock deep in her generous, open and drooping pussy. I ejaculated spraying my semen all over her love triangle. She then wanted to nibble my cock and wake it up for her friend. "Now... fuck her... you won't regret it..." she cried. I lay on my back and let her ride me to the end. The sky went dark and a gust of wind made me shudder. A roll of thunder in the distance announced a storm. Something was happening on the royal premises and I think I was going to like it.

After that difficult morning session, I started measuring the land I had come to survey. Even though I doubt that hunting was the King's main distraction, it was not up to me to judge. I had no side-de-camp so it took me longer than expected. Rather tired after the task, I had a snack in the kitchen and retired to my room to rest. It took me a while to fall asleep but an hour later something woke me up with a shock; something was happening in my crotch. I lifted the bed-sheet and there she was... nude, the most beautiful girl giving me a blow-job. "But... what's this...? who are you...?" I asked a bit off balance. She said that the King had sent her to explain the details about the party I had been invited to. "I suppose you know what is expected of you" she said straddling me and seating my stiff cock inside her little pussy and then waying slightly, biding on to my chest. "Above all... hmph... don't ever fuck the royal favorite. Oh... where did you get this cock from...? yessss...". Apparently, the favorite was a high-ranking courtesan whom only the king could fuck. "It could cost you... your head, hnnnn...", she added wisely excited. "You will have enough distractions in the royal chambers to keep your mind off her" she said. But you know that the forbidden fruit is the one you always want... I never thought I could go on but she took good care of greasing my gun. After letting myself be ridden for some time, I decided to take control of the situation. I made her get on all fours and stuck my cock in her ass. "You are hurting me... oh... hnnnn...!", she gasped when faced with my first anal assaults. Her breasts bounced around in the air and my balls bounced off her perineum until they hardened and her buttocks shivered like custard each time I penetrated her. We sweated like pigs. "You like it bitch... do you want more...? oh...?", I asked slapping her buttocks until they reddened. She was

biting the sheets to suffocate the cries of pleasure and pain, but could not support it any longer. "You are a machine... my lord... fuck me to death... I am buzzing deep down... I'm commencing...!", she yelled announcing her climax. I retained my ejaculation to be able to flood her hot cunt. I removed my cock without a word and started pumping her cunt until I exploded into it. She was dripping my sperm and her vaginal fluids but she intercepted them with her hand and started to lick it with lust. After this first assault, she lay down on her stomach half-asleep. That was what I was waiting for. I fed her hands to her forehead. She was as tickle as a doll. I massaged her ass, opening it wide as possible. She did not even realize it although she smiled and licked her lips. I don't know if she was dreaming or pretending to dream. I started licking her cunt from top to bottom and inserted my fingers all with in her two love holes, pinching and massaging the inside of her perineum. I could see that she was excited. For a moment it seemed like she wanted to free herself from the cords and whispered. "Hnnnnnn... I... am... ah... the favorite... go on...", she grunted. The bitch... she was the fucking favorite. It was what she was true, I was lost, she was an outright bitch and I had fallen into the trap. Seeing the situation, never did it occur to me to leave what I had in my hands so, once her anus was well greased I slammed my staff into it. A splash ran through her entire body: she had goose pimples and started panting like an animal. My prick entered her anus right to the base. "Favorite Bitch... you are going to know what a good fuck is... take this..." I shouted, both furious and excited. It seemed impossible, but I was deep inside her from behind. Slowly and surely, I seduced her until flooding her anus with my sperm. When she woke up I asked her if she was the royal favorite. "You were talking in your sleep and you confessed it". She blushed and broke down in tears. "Yes I am the royal favorite. Please don't tell anybody that I came to visit you, and even less to the king. What am I going to do?" She sobbed. I managed to calm the nymphomaniac by telling her that it would be our secret, but my silence had a price. Everybody in this house was hot and crazy.

It was not difficult to imagine what to expect that night in the royal chambers. According to the note that was slipped under my door, somebody would come to get me after dinner. Even though it may sound unreal, I passed the two previous hours also fucking. This time, I went nosing around the royal stables where all his horses and caliche were kept. When passing close to one of them, I observed that it moved in a strange way. I got close to see what was going on one of the livery servants, one of the men that I had thought was a smut with a pistol, was fucking with the voluptuous cook, the one who had made obscene advances to me in the kitchen before my rap. I say voluptuous, because she was quite beefy, the perfect type for sadomasochism, at least from my point of view. Upon being discovered, they invited me to get into the vehicle. The bitch knew how to move. While the servant pumped her from behind, I had her suck my cock. The cook's rosy cheeks displayed good health and a special predisposition for a man's flesh. She was a genuine sex maniac. "I hope you don't mind a lot of beef, Sir", she said. As a matter of fact, she was quite beefy even though she still maintained her attractive feminine qualities, much like the women Rubens painted. Her breasts were superb, large and turgid, and her prominent mound of Venus was a place of pleasure no words could describe, and fully edible. "Do you want to have two cocks inside you...?", I asked. She replied saying that it was just what she wanted. The servant sat under her and penetrated her from behind, effortlessly lifting her legs while I entered her from the front. "Break me... rip me apart... dogs..." she panted. Our two cocks penetrated inside her sandy flanks to her size. As we were fucking her, I could not help nibbling her raised legs,

leaving the marks of my teeth on them. "Bite me... yessa... hummm... harder..." she panted, out of her mind. The servant was perspiring with her weight but pumped her with all his heart. The caliche rocked like a boat in a storm. Outside, the horses were starting to get nervous. When we finished, it seemed that we had passed our last to the stallions who were clashing and mounting the mares. I still don't know how they managed to get out their boxes but there they were, fucking the mares with all their might. "If the royal guard finds us they will cut our balls... or heads off", commented the servant. So we left the place as though nothing had happened, each one to his job. At least that is what I tried to do, since while I was crouched outside behind a cart watching the soldiers of the guard alerted by the noise in the stable, pass by, somebody hit me on the head leaving me unconscious.

I woke up dazed, in a large and luxurious room. I was seated in an armchair, nude, and my hands and legs were tied with white rope. Suddenly, the king entered, with a sword in his hand. "Welcome to my chambers... the circumstances have changed my dear surveyor...", he said, brushing my arm with the sharp blade of the sword. I did not understand anything; I had thought that fornication was totally allowed in that place, but here I was, tied to an armchair and at the mercy of who knows what contraption. "You have fucked my favorite, the one even I don't fuck; I saw you this evening in your room" he said placing the tip of the sword under my chin. The bastard must have had a peep hole in the wall to watch my movements, or somebody had snatched "If I had known that this woman was so special to you, I would not have done it your majesty... believe me..." I stammered, scared. As soon as I had uttered these words, he flashed his sword in four swift and efficient movements; I closed my eyes and yelled with all my heart. For a moment I thought my end had come, instead my arms and legs were free. "Let the party begin my friend! I won't keep a grudge against you..." he cried, patting me on the back. At that moment, the room filled with people, especially women. There were a few men but we were a minority, the proportion I like best. After all, it was a joke the king had prepared, but it almost gave me a heart attack. We drank wine and ate the most delicious dishes. Very soon we were free of all clothes and the orgy started getting organized by couples and trios. The king observed it all, pleased, from a corner in the room. "Fuck you buggers... fuck for my pleasure" he said while the royal favorite was taking his clothes off. I never felt guilty of having fucked that woman and what's more, as soon as recovered my spirits, I walked up to her and proposed that we do it together with another one of the stallions in the room. She accepted after having obtained the royal permission. I was throwing away a superb career in the public service, but I could not care less; I would probably end up being just another courtesan in the hot court of Louis XV, but that was better than having to measure land. "Get down on all fours, you bitch... I'm going to screw you... suck his cock, Majesty... this is better than Pate!" I exclaimed. My attitude seemed to please the king who never stopped smiling at the scene we were sitting up. Around us, everybody was fucking like crazy. I grabbed the buttocks of the royal favorite and, before penetrating her, licked her anus as best as I could, softening it with my fingers and putting generous amounts of saliva in it. She was greedily sucking the servant's cock, who in turn asked another girl to whip him on the back. The bitch was perspiring and her tessa skin shone in the candlelight. Her delicious tits were stiffer and harder than a cock and her erect clitoris was as good as a penis. Halfway through the party, two monks appeared dragging the cook, in chains, as though she was a dog. They removed their robes and started to whip her mercilessly until their cocks were fully blown.

"Renounce your sins you bitch... Setas leave her body..." I exhorted one of them all the time whipping her. The cook was excited; the whites of her eyeballs were visible and her smile showed that she was almost in a trance. The monks managed to penetrate her anus both at the same time. That was surely what she wanted, the slut, that was probably why she was so fat; so as to have two at a time. I was about to flood the royal favorite's cunt with my sperm when I had a brilliant idea. "Come here you dog, we will both fuck her in the ass at the same time" I said to the servant. The king's eyes went wide open and he snatched his fingers at the monks to leave the cook to him. The cook lay on the floor and he got on top of her stomach without ceasing to masturbate. "It is like jumping on a mattress..." he shouted, after which he knelt down in front of the cock so she could take his cock in her mouth, and put his hand inside her cunt. On the other hand, we had our prisoner ready for the double anal penetrations "Put your cocks in... it is an order..." I shouted the king, anxious to see us. We obliged without any further delay; she also kept telling us to hurry up. I was stretched out under her with my cock in her ass, and the servant was on his knees attacking from behind. For a moment I thought she was going to burst open like a melon. My pubis was flooded with the slut's juices. Having her in front of me, I could yell all the obscenities I could think of, in her face, plus what she asked for: "Suck on me... tempt... you are breaking me... it burns... ahhh...", she was panting and sweating gallons. I spat a couple of times on her tits to wet them and then started to fondle them like crazy, molding them as they were two balls of clay. I removed my cock from her ass, something that seemed to relieve her a bit, and the servant ejaculated in her, tarding an instant later. Now she was all for me and I wanted her to test my ejaculation. I stood up and she, masturbating herself, took my cock in her mouth and gave a blowjob I will never forget. I looked at the king, who in turn was observing us as he sodomized the cook. "Tomorrow I want the best roasts for my guest... oh my ball of fat... take this you bitch..." Admiring the king's ability to prepare the next day's menu while fucking, I ejaculated in the face of the royal favorite. One of the girls in the room came to her help, and also enjoyed taking my cock in her mouth. "Butter... your job as surveyor has finished forever... I want you here in my palace... you will earn much more than in any public service... and I will not accept a No for an answer", he said while giving the final thrusts to the cook who had entered a trance I had never seen before, trembling and with tensile spasms; she had to be held down by the two monks. They took the fainted cook out of the room together with the ivory servant. Now, I was alone with the king and two new delicious young girls. "They are virgins... choose the one you want to fuck first... it is my present..." he said. Ahead of our lusty presence, they tried to escape, to no avail. I caught one of them after locking another one up in a cupboard: "You'd better not resist... I will be good to you..." I said before licking her cunt to lubricate it. At this point the bitch stopped offering resistance. "Lick me... ohhh... your tongue... yessa...", she panted. The king, more nervous that me, was already fucking another who pretended to be hurt. "Take that... then you will lick it, you and you... you are mine for ever... I'm committing...", he spat out all excited and slamming her hard with his pelvis. The fourth one, was on the floor, unconscious; it seemed that she could not resist the show that the monarch and I were putting up, and fainted. The sun was breaking the distant horizon and the first rays of sunlight let us know the time it was. The evening had passed very fast. I now had a new contract with the king, a contract that no money could pay, at least if all the working days were like today. I would even be happy with just half of it.

"I love it when my hubby brings his friends home. It means I can join in their games. Just watching them draw lots to see which one of them's going to stick it up me first is enough to get me absolutely dripping wet."

Ich finde es toll, daß mein Mann seine Freunde mit nach Hause bringt, weil ich dann an ihren Spielen teilnehmen kann. Ich werde schon ganz naß, nur wenn ich sehe, wie sie auslösen, wer als Erster in mich eindringt."

"Jag är jätteglad när min lilla man kommer hem med sina vänner. På så sätt kan jag vara med i deras lekar. Jag blir aldeles blöt bara av att se, hur dom fightas för att bli den första, som kör in den i mig."

Je suis très heureuse lorsque mon chouchou emmène ses copains à la maison; comme ça, je peux participer à leurs jeux. Je m'allume par le seul fait de les voir tirer au sort leur tour pour être le premier à m'enfler.

Me encanta que mi marido se traiga a sus amigos a casa, de esta manera puedo participar en sus juegos. Me mijo solo con ver como se sortean quien va a ser el primero en maternela.

"Adoro quando il mio marito si porta a casa i suoi amici per farti partecipare ai suoi giochi. Mi bagno solo guardando quando tirano a sorte per sapere chi sarà il primo mio da dovrà infare".

But, on occasion, can be private. When Blanka went into a meeting one day and came face to face with the porn superstar Jill Kelly, she could never have imagined that this meeting was going to change her life. Jill gave her a contact to get her started in the world of porn, and one year later Blanka had already got 28 films under her belt and has scored up the rankings, promoted as one of the ten hottest new girls, down up by the prestigious publication AVN. To date about it, this young Slovakian, who once worked between Toronto and Los Angeles, will certainly be going up plenty to talk about.
