1 Gypsy Thong, Pasties & Fan
Absolutely ruddy gorgeous! It's not often a simple set of tit-fancies, thong and fan get me so enthusiastic. But this sexy set is bound to get you the pounding you deserve. The baby-pink thong is made from satin and the feather fan is not your usual fall-apart-within-two-minutes job. Without meaning to sound Del-Boy-esque this really is good quality clobber. If I was a bloke and knew my missus was waiting for me in this I would be one happy chappy. 4 Pussy Pump

Oh lord. Not too sure about this one. Nearly took myself down to the doc after I pumped a bit too hard. Thankfully all has returned to normal – just in time for my fella’s evening visit. I really am torn between recommending this as the vacuuming effect certainly does increase sensitivity and sensation, but the way it makes your fanny look for me outdoes the benefits and to be honest freaked me out a little. Maybe I’ll have another go tomorrow...

5 Tickler Vibe Waterproof Silicone Bunny Tickler

I really love the look of this, a modern take on our old favourite Jessica Rabbit. Made from silicone the ears are bendy and full of mind blowing tickles – yummy! It is also very quiet which doesn’t matter as you’ll be screaming the house down anyway. It’s waterproof too. Can be used as a clit stimulator, or whack her up for the inside job as well. It looks like this one is a keeper!

THE SINGLE TINGLE

I'm a single girl and since I've always had a very high sex drive I naturally love to fuck! I'm such a fucking slut I've lost count of the cocks I've had. It's this sluttiness that turned me on to the swinging scene in the first place.

I know there are a whole load of reasons why different people and couples swing, but the reason I do is pure and simple: I like to be fucked, and I like to be fucked hard and often! I also think there's a bit of a power thing going on there too, as being single and female, I'm a little rarer on the swinging scene.

That means I get special treatment wherever I go – like free entry to swinging clubs, and the pick of couples for threesomes... Not that I've ever been

picky! Of course I love it though, as you'll be getting to know by now, I can't get enough of being fucked.

Well, I have to say Swingmag.co.uk has been a great find. It's always full of info on clubs and contacts, and I enjoy reading about the other readers' exploits, so I thought I'd return the favour. I recently went to a northern swinger venue that I've been known to frequent. This particular night it was fucking heaving! They must have had the maximum amount of people in there that they could. I realised as I scanned the crowd why it was so packed: it was a night where single males were allowed in – a night I hadn't attended before. There were loads of single guys in – loads of couples too, but only one single

girl by my reckoning... and that was me! That meant I was going to be able to take on as much cock as I could handle!

I was already attracting loads of attention, but I wasn't interested in pairing off with just one guy, or even a couple of guys. What I had in mind was going to leave me knackered, and with the sorest cunt I've ever had!

I headed for the free-for-all room, which is set aside for group sex, and is usually an all-comers orgy. As it was still on the early side, despite the rammed nature of the club, the room was completely free. I was only alone for a few seconds though as four or five guys followed me in. I was expecting to get groped and fucked and, as my pussy was already wet, I invited the guys closer and told them to get their cocks out. The five cocks I was presented with were all already stiff, the dirty bastards. The men stood in a circle with me, the slut, in the centre. I handled each cock in turn and I felt my top being undone and my tits freed. I could already feel myself getting into the 'sex zone' where anything can happen, and it's usually hot!

My skirt was pushed up, but I was concentrating on the cock that I now had in my mouth. My panties were pretty much ripped off and fingers probed my cunt and arsehole as I worked my way around the wanking guys, sucking them each in turn. One of them came up behind me, grabbed my

**"I sucked
4 cocks
in turn!"**

tits, and rammed his cock into my snatch! The other guys moved in front of me and I wanked and sucked their four cocks while the cock in my cunt pounded away.

The guy pulled out of my cunt, saving his jizz for later, and was replaced by one of the others. I had tunnel vision now, and the only way I could tell which cock had been in me was the taste. That second cock hit the sweet spot though and I came quivering on it, and spluttering on the cock in my mouth!

The guys changed over again, and

He fucked away, hard and fast, slapping against my bum cheeks. Then he pulled out and wanked himself as he spewed jizz over my bum.

As the warm liquid began to trickle between my arse cheeks another guy came, this time shooting his spunk into my face. This set another guy off, and he jizzed over my tits!

THREE FOR ALL

My wife Katherine and I are successful professional people in our early thirties. We were both sexually very adventurous before we got married, and when we did tie the knot neither of us saw any reason for that to stop. One of the things we did agree on was that we both have to be involved together in some way, even if that just means watching. By having us both there, and being open with one another, that's to us how we stay faithful to each other.

We live in Coventry, and one of our favourite ways to get off sexually is to go out and find another person to join us for a threesome, which is our favourite kind of match up. Sometimes we'll invite a guy to join us, and other times a woman. When we really feel like an adventure though, we book a hotel in London and go down for a weekend. While there we'll hit a few likely spots and pick up someone to join us for some fuck-oriented fun.

Our last London adventure turned out to be our best sexperience yet! We checked out a bar just off Regent Street that we'd never been to before. It had a great atmosphere, although it certainly wasn't a swinger hangout or anything like that. One woman did catch our eye as she came in though – a young black woman with a great athletic body and pretty face. She was on her own, and didn't appear to know anyone in the bar, so I concluded that she was looking for sex. With that in mind Katherine and I went over to talk to her and see if maybe she was up for some fun with us!

She was great to chat to – very funny, and very sexy too. We soon manoeuvred the conversation round to talking about sex, and she bragged that she was up for anything! She added that she was going to a club shortly where she'd find either guy or girl to fuck that night!

I asked her if she'd ever had a threesome, and she said she had – and that she loved taking two cocks – one in her mouth and one in her pussy, but that she'd never had a threesome with a guy and girl before. Well, that was just the kind of opening I was looking for, and asked her if she'd like to join Katherine and me. She said she'd love to.

We went back to our hotel room and

SARAH Tyneside

the third cock started to bang my cunt. I noticed that a couple of extra guys were in here now, but as there was no room up close, they were hanging back and wanking. I was already close to cumming again, and used one of my hands to frig my clit. When I came the guy's swapped again and a fourth cock slipped into my sloppy snatch. It squelched as he fucked my and I filled my face with dick. I was tiring now, and also getting ready for a cum-shower. The last guy took over fucking me, and I told him that when he was ready to pull out and cum on my arse.

The guys who were hanging back came forward now and wanked furiously over my body with the two remaining guys. I saw a woman in there now – she was with one of the blokes I think. She was watching and frigging.

As the guys spunked off one after the other I was left drenched in cum, and feeling filthy – just how I like it! It was then that the woman approached and helped me clean up by licking a lot of the jizz off of me – obviously a bit of a dirty bitch like me!

Sarah, Tyneside.

READERS' LIVES

KATHERINE,
Coventry

I watched as Katherine undressed her, slowly and deliberately revealing her ebony skin. Her tits were firm and pert, and I felt my cock spring to attention in my pants. Once both girls were undressed their bodies pressed together as they kissed. It was so sexy to see my wife's tanned flesh next to the dark chocolate of our new fuck friend. They moved to the bed and the black girl tasted the ripe peach of my wife's cunt. I pulled my cock out and wanked it slowly as I watched. This girl was good! My wife writhed on her tongue, and tweaked her own nipples. It was great to watch, and I know it was good for Katherine – a female tongue stuck in her bits gets her off really quickly!

Katherine came quietly – she's no screamer – and slid two fingers into the other girl's – we never did learn her name – black slit. She finger fucked her pretty frantically, then added her tongue to the mix, sliding it over and around her clit. My balls were aching to shoot my seed up that black twat, but I knew it would be more likely that Katherine would want to see my white jizz on her black skin!

Katherine brought the other girl off and they turned to me, calling me over to join in. Of course, I was ready and waiting for this, so I dove straight in! I tasted both cunts, then got Katherine to lay back with

"I shared
my spunk
in a kiss"

the black girl on top. Both raised their rears so I could get between their legs and stick my cock into each of their cunts in turn! It was great to dip into my wife's pussy, then straight after the next stroke I knew I would be deep into this stranger's cunt!

I fucked them like that for a few minutes, but it started to become uncomfortable for all of us, so the girl got on all fours on the bed, while Katherine lay underneath her so they could sixty-nine. This left the way clear for me to fuck the girl doggy, and I took advantage of that fact.

I slammed my prick into her cunt. It was a pure porno moment to see my pale pole slam into her tight, wet black hole!

I rammed my cock into her again and again. I could feel my wife slurping at her cunt as I was fucking it. She stopped and told me that when I came I had to shoot white pearls over the girl's arse! I was in complete agreement and fucked harder still.

The black girl came on my cock and Katherine's tongue, and I knew that I wouldn't be too long in coming myself. I

was glad I'd refrained from emptying my balls for a couple of days, as the more spunk I shot the better it would look on her skin. I pulled out as I couldn't last any longer and wanked myself as I shot a plume of spunk over the black girl's arse cheeks!

It looked so good, Katherine licked off every last drop, before sharing my spunk in a kiss with her!

Katherine and I both agree it was our best threesome ever!

Julian, Coventry.

THE AUNT WHO CAN'T SAY "NO"!

One of my "uncles" is really just a mate of my dad's, so me leeching over his new wife, Maria, wasn't actually illegal, even if it is ethically dodgy. She's 12 years older than me at 40, but she's still got it, and the friendly flirting soon got more physical.

We're asking for trouble – I've been in a relationship for three years myself, so we have to creep around and fuck whenever we get the chance. In a way, though, that just adds a bit of spice. She'll call up and half an hour later we'll be on the way to wherever, me with a serious boner and her so hot and wet it's threatening to melt her gusset!

She's the dirtiest bitch I've met in my life, way more so than any girl my own age that I've shagged. I'd borrowed my mate's car to drive us to a local "lovers' lane" – really just a grotty lay-by off a quiet road.

All the way there, she wouldn't stop groping my crotch – it's a wonder we didn't end up in a ditch!

Then, when I parked up, she almost pulled my jeans and trousers off me, got on top and rubbed my prick against her clit, pushing me inside her as she started to cum.

Her fanny rippled round my prick as she humped up and down on me, shaking her tits free of her skimpy top for me to suck on. I clamped my mouth on them so hard, she squealed out loud. "Don't stop..." she gasped as I eased off, and every slurp got her cunt swollen even tighter.

When you're fucking on the front seat of a car, even pushed back, there's not a lot of headroom, but she was making up for that by banging down as I hammered upwards into her hole.

She paused for a second, the pair of us breathing heavy, then she put her feet up against my shoulders.

She was leaning against the dashboard, weight bearing down on my crotch so I couldn't have penetrated any deeper. So I just ground my hips to move around inside her, rubbing up against a sweet spot in her snatch which got her cumming again, almost immediately. I used my fingers to spread her lips, so I could watch her pink hole quiver round my prick. Then I let out a big grunt and spunked my load right up her.

Most times it's a case of shag and run –

we know if we push it we'll be missed. But this time Maria wanted more. We'd been sharing a post-fuck fag and she refused to get in the car until I banged her again. I laughed and said I hoped she'd have fun walking home in her stripper heels, then she jangled the car keys in my face. She'd obviously pinched them out of the ignition while I'd been sprawled back all fuck-struck.

As she hopped up on the bonnet, I figured a nice MILF-y arse-print on the paintwork would match all the fuck-stains we'd left on my mate's front seat. He could even claim he'd got lucky and shagged some bird himself.

As I wanked myself stiff, she just laid

back, tits and pussy on display, smoking a cigarette. Then she just chucked it to one side and splayed a bit wider, inviting me to give her a good shagging.

I pulled her forwards onto my cock, fucking her with quick, deep thrusts. The harder I banged up against her, the more her boobs wobbled, gagging for me to ice them and her flat stomach with my jizz. But she wanted me to cum inside her instead.

Because I'd only just got off, I took as long over it as I could, playing with her clit so I could feel her orgasm round my shaft. In fact, it wasn't till she clamped her legs around my waist and started to fuck herself on and off my cock that I felt my balls seize up then pump their load out into her.

I know it's risky business, fucking the wife of a close family friend. But I think that's just one more reason why I find her cunt so addictive!

READERS' LIVES

SLAPPER JACK

I've always been a bit of slag and proud of it, and some blokes like that kind of thing – my boyfriend Jack for one. I soon realised he was as sex-crazed as me so we just pushed each other to do more and more.

We both wanted to experiment with group sex, and the first time we had a threesome it was with a mate of mine. She was bi and although she'd never tried it on with me 'cause she knew I was straight, she was well up for it when I put the idea to it.

We started out with her eating my cunt, really getting stuck in while Jack wanked himself stupid. Lucky for him he still had a few hard-ons in him, because he got

wad down her throat.

His fantasy was my pleasure too, but I still called him on his promise to find me another big, meaty prick to play with. And he'd really come up with the goods, a mate of his called Charlie.

I stayed in the bedroom, making myself look as fuckable as possible, while the lads had a beer to relax them. Then I strutted out in a little white basque and thong, stockings and high heels. I sashayed over to Charlie, took his beer can from his hand and plonked it on the table, then I straddled him and snogged him, rubbing my body up against him.

Even though we'd planned it out

to fuck her, then she sucked her own cream off his cock until he was shooting another

he still looked a bit gobsmacked, but then Jack told him to get weaving and that was it.

I'm not a particularly big girl, but my tits are massive compared to the rest of me. They're firm, too – they didn't flop when I pulled them out of the basque cups. I grabbed my nipples, virtually wanking them as I bounced my globes around, then I stuck Charlie's face in between them. His face was a bit stubbly but I liked the feel of it against my skin.

Now he slid his hand between my legs, feeling how warm and wet I was. I knew my thong was already wringing with my juices, and he held his hand up to his face for a sniff and taste.

"I let his
cream run
down me"

LEANN,
Blackburn

YOUNG AT TART

This was my fantasy and he was happy for me to take the lead and undress him. I took his shirt off, nuzzling his chest, then I helped him out of his trousers. I deliberately didn't touch his cock till the last minute, frustrating the hell out of him till I finally curled my hand around it, tossing him really gently.

Jack loves blowjobs and I reckoned it would turn him on to see me go down on Charlie. Again I teased him, moving my glossed lips over his shaft, licking it then opening my mouth wide and tapping his helmet against my tongue. I could feel as well as see how frustrated he was getting – his hands were clasped behind the back of his head, his knuckles white, and I think he would have preferred them to be on my head, shoving it down on his dick.

He was too much of a gent for that, though, and I rewarded him for it, finally taking as much of his prick in my mouth as I could and playing my tongue over every inch of it.

I got so caught up in sucking him that I didn't notice Jack coming up behind me until he started feeling up my snatch. I still had my thong on and he grabbed the back of it, pulling it tight then yanking it back and forth against my slit. Then he pulled it to one side and fed his cock slowly up my juicy hole.

That didn't put Charlie or me off our stroke, and Jack just took it slow until I'd sucked him off. I laid it on thick, slurping and moaning around his meat, then cupped his balls, giving them a tickle as he lost his creamy wad on my tongue.

I let it all gather there, then let it run down my chin and onto my tits in little streams, rubbing it in. Charlie looked a bit out of it, but his eyes fixed on me. His prick was softening but I still saw it twitch – a bit painfully, by the look of it! – as he watched.

Now Jack groaned at me to sit on him. He lay down on the floor and I immediately straddled him, just like I'd done to Charlie, except there was no teasing or messing about now. I really meant business. I shoved his prick straight up my snatch and as I rode him, my tits were bouncing all over the place.

As I felt him get even closer to cumming, I squeezed and tugged on his dick with my pussy, which made him come off really hard.

It was the best night ever – I'd asked the lads to fuck me to exhaustion but, every screw just seemed to fire me up for the next one. I don't know what my next sexual adventure's going to be – maybe my first orgy?

Leann, Blackburn.

Recently, I picked up a girl on the bus home from a gig.

She seemed to like what she was seeing when I stripped off, telling me blokes her age usually took a bit longer to get hard. But that didn't stop her wanking me, just to make sure I couldn't get stiffer.

I'm young and I couldn't hold on to my

Now she just reached down for my cock, opening herself up with one hand and wanking me into her with the other. I sunk in, balls-deep, and felt her close tight around me and hook her feet over the backs of my thighs, so I wasn't going anywhere even if I'd wanted to.

She cupped my face and gave me this really soft but passionate kiss, then she

bags for long enough and squirted all over her thighs. It felt like one huge fucking disaster to me. She told me no big deal, a bloke my age could get hard again in minutes, but I wasn't taking any risks.

I got her to lie back, shoved a couple of pillows under her arse then started rolling my tongue over her clit, two fingertips playing in her hole. She grabbed my hand, pushing them in further and telling me to hook them, so it would catch her G-spot.

It hit some kind of spot, anyway – she went a bit mad, squirming her clit up against my mouth. So I just started to finger her harder, until she totally lost control. It felt a bit weird – she'd been taking the lead and now she'd lost the plot. Still, she was grinning all over her face and so was I. Then I saw her look down at my crotch and I was rock-hard again.

told me to fuck her senseless.

I took it as an order, putting all my weight and strength into banging her hard. She moaned, playing with her own tits, squeezing them into position so I could suck on them.

I lasted longer than the first time – not difficult, although I let out a sigh of relief when I felt her cunt cum hard around my shaft.

We spent the entire night fucking – I'd either be ramming her, or lying back with my dick, balls and pubes drenched with her sticky cunt cream. And it felt like any time I drifted off, her hands would stray to my crotch a few seconds later, or I'd be feeling up her snatch ready for another go.

Amanda doesn't want to get serious – she says as long as it's just a shagging thing, we'll be fine. I agree with her!

Nick, Cardiff.

TERRY & CAROLINA SEXY CAROLINA PARTIES

Shag-happy punters reckon Sexy Carolina Parties are the best in the business. Reporter ZJK meets the couple who love to get you hard...

When I first started on the swinging scene, I went to parties in people's houses, invited by friends, or friends of friends, and lots of fun was had but there was always an understanding that discretion was necessary. Nowadays, most of the fun available to couples takes place in clubs, either dedicated swinging premises or nights hosted in open-minded nightspots or sauna premises.

While clubs are of course fabulous for fun, there's something extra-special about the intimacy of engaging in serious adult fun in someone's home. "The guys say it's like a vanilla party with your friends, only all of a sudden everyone starts shagging,"

some research. They checked out other party houses in London to see what they were doing, both well and badly, and Terry conducted a little informal market research on the guests who came to the first couple of Sexy Carolina Parties. "I said, tell us what you want, tell us why you like our parties so much." One thing that many of the guests

a fair response, so we phoned a friend who brought some friends, we got some girls along, and it was a great evening. So we talked it through and decided to do another one. We said, 'we're making some money and having a good time, so why not make them regular?'"

At this point, Terry and Carolina decided to do

says Terry, an amiable chap who I first met some years ago at another swing party in someone else's house. Terry has quite a bit of previous experience of hosting and helping with parties in other venues, but it was only when a friend said, last October, "Hey, this place would be great for parties," that he and his wife Carolina decided to give it a try in their own home. "We put a little ad up online," Terry says. "It got

liked was the girls – it's worth making clear at this point that Sexy Carolina Parties are pay parties mainly aimed at single guys, though couples are always welcome (on a different entry fee scale). It's probably fair to say that some of the more traditional swinging-orientated couples are less

Carolina and Terry, as hosts, keep their own clothes on when throwing a party, though. "All the guys say, why not join in?" says Terry. "Much as I'd love to, the girls would lose respect for me and also, if there is a problem, someone with their clothes on does have a bit of an advantage!" Not that there have ever been any problems, both Carolina and Terry are quick to assure me. "We've never had anything broken, never had any arguments happen or anything stolen. Sometimes the guys leave something behind, like a sock or whatever." Now I have been known to be a little careless with my clothing in the

have come straight from work so they like to have a shower first, and some people shower afterwards as well. The girls like to shower too." Terry and Carolina pride themselves on being welcoming to newcomers, male or female. "Some of these guys are really really nervous, I greet them at the door, give them a drink, have a chat with them," Terry says. "It's a privilege to watch them fulfil their fantasies."

I remind Terry of a party he helped organise near Brighton a few years ago, where everyone was amiable enough but all the guests seemed to be sitting round nervously waiting for someone else to

start something until Terry leapt into action. "Oh yes, the strawberries and cream," he laughs. "Food sex, it's a great way to get a party started. Sometimes the girls will lead a guy into the lounge, get the doughnuts or the squirty cream out..."

It's always good to meet people who love what they do, and I'm definitely contemplating a night's hard partying with Carolina and Terry in the near future. If you fancy checking them out, you can find them on the Adultwork.com website: search for Sexy Carolina Parties.

"Food sex is a great way to get the party started"

kept on this style of party, but if my years romping around in the world of sexual diversity have taught me anything, it's that different parties suit different people and no one's going to be able to please everyone all the time. Many women, whether paid performers or not, enjoy a party where they are outnumbered by the gents.

"We do get single women who just want to come along and have a gangbang," says Terry, and parties like this or the Greedy Girl nights some bigger clubs run are certainly a safe way to organise such a treat for yourself if you are a single girl: there will always be organisers handy if you feel the need for reassurance.

As Terry and Carolina's home is a flat rather than a mansion, the parties remain on a relatively small scale. "A maximum of ten guys and

heat of a passionate moment, but I think it speaks rather well of the atmosphere Carolina and Terry create that the guests can be in enough of a shag-happy daze not to notice that they only have one sock on when it's time to go home!

maybe five or six girls," Terry informs me. They also do some intimate parties, often in the afternoons, with five men and three girls and these, I am told, "Sell out the minute we advertise them."

I ask about tips for newcomers. "Well, hygiene is something we're very very keen on," Terry says. "We only have one bathroom, but we provide loads of clean towels. Some of the guys

"Checking the stock at work is so boring – I'd much rather be checking out the talent! If I like the look of them and they like the look of me, this little cupboard is perfect for a very naughty tea break. And it's not some fingers of Kit Kat I'll be relaxing with!"

What would get you to come into work early? Promotion? Payrise? Free donuts? Or the sight of Carla spread-eagled on the meeting room table finger-fucking herself silly on a pile of minutes? "That's just what I did one morning when I got in early. I was praying for some of my male co-workers to get in sharpish too. They could have done whatever they liked with me!"

PARLOUR GAMES!

Why ARE all those political conferences held in Bournemouth? George McCoy discovers a couple of parties he thinks you should join...

Bournemouth

If you do not know much about it, you may well think that the national centre of the adult party scene is Streatham, given the coverage of Madame Cyn's exploits and no doubt, back in the eighties, that was the case.

Of late there have emerged, all over London, a wide variety of party operations, everywhere from the East End to the West End, from Bermondsey to Hammersmith, but it probably has not occurred to you that another busy centre for parties in the south of England is many miles from London. I am thinking about Bournemouth and its surrounding area. And it was to Bournemouth, that I made an interesting and very eventful trip only a few weeks ago.

Two very notable party operations in the

well re-emerge.

Enduring however are two very notable efforts, Velvet Pussies and VHQ Parties. **Velvet Pussies** have been holding parties regularly now since 2004, and are organised by Sable, who also entertains on her own and who joins in the fun at the parties, setting the perfect example to her

colleagues. ing up with top class performances and all in luxurious surroundings. Sable is a local legend, though she also entertains in Chelsea most Mondays. She arrived on the scene in 2005 and has not looked back since, being the guiding force behind one of the area's leading escort agencies – **Nectar Escorts**. She is as versatile as they come, with virtually no service off limits. Keeping in trim by dancing, at which she is no slouch, she is prepared to dominate, to be filmed, is happy to entertain men, ladies or twosomes of all kinds, and is fit and energetic, just be careful if you see her that you do not overdo it. And she is also available with her equally energetic friend Melinda.

area that are regrettably no longer operating are Heaven Sent Parties and, based a bit out of Bournemouth near Ringwood, Gentleman's Pleasures. And while both have shut down recently they both may

colleagues.

First time you go it costs £350, but the price drops for subsequent attendances. And while pricey, the ladies, who are gorgeous, put their all into each party, com-

having disturbed the neighbours once, are now more mobile, moving from one location to another. When I was recently down in the town, I took part in one of these magnificent parties, to which I had been invited a few months earlier. I got in a little earlier than the paying guests and took a few photos of two of the ladies and then after taking my camera back to the car, entered with all the men paying to attend.

Once we had all changed into our dressing gowns, the action commenced with Serena, who was both organising and enthusiastically taking part and Ellie, the oral queen of Bournemouth, a slim yet busty blonde who also enter-

The other leading party operation is **VHQ Parties**, organised by a charming lady by the name of Serena, who also has a lady she often teams up with, this time a lady by the name of Adriana. Adriana is a lady with a decidedly exhibitionist streak about her, her particular speciality being to see to her clientele outdoors, in particular on a local nudist beach. Also into dogging, incalls are available if given enough notice.

VHQ Parties started off in Serena's luxury flat on the edge of Bournemouth town centre, but

idea of promoting working ladies through the production of videos, which could then be incorporated within the ladies' web-sites. It certainly has potential and Eva is both enthusiastic about it and it would appear pretty competent at putting these videos together.

After a long meeting with her I headed off to the main call of the day on **Vixens**, an agency mainly concerned with incalls, that was operating from a ground floor flat in Boscombe, but which is moving soon. I met the boss and was kindly treated to a very enjoyable session with a blonde from Blackpool called Clare, while two ladies including a mixed race minx called Kira, got themselves looking the bees' knees so I could take some photos of them for the website. I had had the pleasure of being entertained by Kira the last time I

tains independently and with whom I had enjoyed a delightful time the last time I had been in Bournemouth, both giving it their all, this is a very distinctive party operation. Two other ladies were there as well, one of whom, Marisa, gave me a very enjoyable session, but I was there more to observe than partake, and I certainly did enjoy the food on offer.

When I had arrived in Bournemouth recently, my first call had been on **Eva**, an Essex girl whom I had first come across when she was working elsewhere in the country and who has only been working in Bournemouth for a year or so. She still entertains occasionally and has a slim trim fit body, which she is very skilled at using. She also showed me a fascinating

had been in the town.

Bournemouth does not have that many parlours or private flats, but there is a notable Thai parlour in Christchurch Rd, called **Thai Massage**, though their former star turn Darin has gone on to run a local Thai restaurant. There are two other flats where they have ladies of note available, **Secrets Escorts** in Charminster and **Honeys** which has recently moved to a discreet flat near the Triangle.

On the corrective front, when down in the town recently, I saw **Mistress Sooki**, a domme who I had discovered was operating again after a break, and who used to work with another domme with a very professional dungeon, by the name of **Mistress G**. All in all this town has a lot of ladies with interesting sidelines, two

But the most unusual lady in the town who entertains is undoubtedly Kim or **Sarah** as she is also known. She is decidedly a one off, being the only instance I am aware of of a wheelchair-bound working lady. Obviously in these circumstances, certain practices are off limits, but Sarah is extremely adept at using her hands and has had many favorable reviews of her skills. She has even written a book, *Born Naughty*, by Kim Martin, about her experiences in the adult services industry.

Another unusual lady is **Miss Submission** of Christchurch. A distinctly niche market operation, her speciality is being

abused in a wide variety of ways, which she obviously

enjoys. She has plenty of appropriate equipment at her home and with many favourable reviews, this is something at which she obviously excels. And she is prepared to take extremely hard punishment, so being virtually unique in my experience.

All in all Bournemouth has so much to offer, with so many ladies that I have hardly scratched the surface with these.

I hope that it gives you an idea of what is available to the keen political types who go down to Bournemouth for party conferences, and given how apathetic so many of us are with regard to politics, perhaps we should think twice about it now, given the delights of this conference town and the opportunities available to relax here between conference speeches.

"I know only one wheelchair-bound working lady"

other notable dommes, **Miss Lina** and **Mistress Zara**, are two slim attractive blondes who specialise in wrestling.

Another unusual sideline I came across was that two of the more notable independent ladies in the area are keen artists. Both **Celine** and **Abby**, when not entertaining clients keep themselves busy in front of an easel. And Abby has even had an exhibition of her work put on professionally.
