BEDSIDE MANNERS

With a couple of years' nursing experience under my belt I thought I had seen and done it all. That was until I met Stephen, a patient in the orthopaedic ward. He'd been in a road accident and had unfortunately broken both his arms. He was young, fit and otherwise healthy, but for the first few weeks he was entirely dependant on the nursing staff.

I had worked my way down the ward this one time, helping the patients to wash, when I came to Stephen. Pushing the trolley with the basin of warm water alongside, I closed the curtain around his bed.

I pulled the bedclothes down and began to wash his upper body, which was uncovered due to the difficulty of getting clothes on over the thick plaster casts on his arms. And when I undid the cord of his pyjamas to ease them down I very nearly

gasped aloud at what I saw. Being a nurse, I had seen many penises in my life, but I was quite unprepared for this one. The guy had a huge, hardening shaft that extended down most of his right thigh. I had to pull his pyjamas most of the way down to his knees to reveal the head. He was circumcised and the helmet on the thing was absolutely enormous!

I was fascinated by the size of it, and could feel a hot blush spreading rapidly over my face. Trying to remain professional, I picked up a sponge and

began to wash his genitals, thinking that surely his erection would ease.

Instead, though, his cock began to get even harder and started to lift upwards from between his legs. He was watching me, a sheepish grin on his face. "Sorry, Nurse," he said. "I really can't help it." And as I rinsed him off it just seemed to grow even bigger.

I looked at him and he seemed to be in real discomfort. It was clear that something had to be done, for both our sakes. So, I checked that the screens were secure and, with my heart rate quickening, I took hold of his cock, wrapping my fingers round the thick shaft as I lifted it up from his belly. I then started to move my hand purposefully up and down on his cock. "Oh, shit..." he groaned. I put the fingers of my free hand over his lips, pleading with him to be quiet, and he nodded in understanding.

While my right hand worked at steadily milking his shaft I wrapped the fingers of my left hand round his glans, marvelling at how the initially spongy helmet stiffened and swelled to an amazing hardness.

Lincoln

HAPPY SLAPPER

I coated my fingers with his pre-come and smeared it gently over his glans. He shivered and moaned and I knew he was really loving it. By now his cock was incredibly swollen, and I felt a little dizzy with lust and excitement. I started to move my hand faster, gripping the shaft tightly just below the head.

He moaned softly and I looked at his face. He was breathing heavily as he watched my hand moving on him, then he started to move his hips, thrusting upwards in time with my strokes. "Nurse, nurse!" he gasped, and it was clear that he was getting very close. I looked at his glans, it was almost alarmingly swollen, dark purple in colour like an enormous ripe plum. He groaned again and arched his hips upwards as I tightened my grip and pumped my fist on him with rapid strokes.

I watched his face grimace in ecstasy and then his cock bucked in my hand as a huge stream of semen shot out. I quickly put my free hand in front of his cock to catch the spurts, semen hitting my palm in thick creamy jets, and I held the end of his spurting knob in my fist, trying to contain the deluge, feeling spurt after spurt of come splash hard against my palm. I felt my pussy throb and my knickers become damp, and I was so turned on I'm sure the slightest touch would have made me come.

Slowly, his spurts reduced to a trickle, and I surveyed the scene.

His come was everywhere. The front of my uniform was dotted with white globs and I could feel something wet on arm. My whole hand was coated with semen. I tried to cup my palm to stop it dripping back onto him but it was hopeless.

I let go of his shaft and reached for the box of tissues beside the bed. I used a lot of tissues and neither of us said a word as I wiped up all the evidence. The box was completely empty by the time we were both respectable again.

Stephen's improvement became remarkable.

Angela, Lincoln.

My wife and I got into having an alternative sexual lifestyle before we were married. We both knew that neither of us would stay monogamous, because we're just not made that way. We decided back then to have an open relationship and while staying together, both be free to get into no-strings sex with other people. That got complicated really quickly though, because the other people we fucked could rarely get their heads around it and were scared off, or wanted more, or whatever. It was then that we discovered that there were other people out there like us, who were secure in their relationships, but liked

to have sex with other people.

At first we each made contact via magazines to separate people, but it soon became clear that it was something we could do together as a couple. The first time we met up with another swinger couple things just clicked for us! The couple we contacted were in their forties. We did all the usual things of having a drink with them to get to know them, then we went back to their place where we had our first swinging experience as a couple. I lapped Mary's cunt (that was the woman's name), while Fiona (my wife) sucked on Andy's cock. Being able to watch my wife with another guy while I slurped at his wife's twat was a great sensation.

When Fiona got on all fours to offer her minge to Andy I nearly spunked there and then! Watching his cock piston in and out of her cunt was so much better than any porno, and I was getting to nail Mary too! Mary knew what she wanted, which was when I had a big surprise. She offered her puckered arsehole to me to fuck! Fiona doesn't enjoy anal, so I rarely got a chance to indulge, so I plunged straight in – with a blob of lube of course! As I fucked Mary's arse I got to watch the show of Andy hammering his cock into my wife's cunt. It was so horny, I couldn't hold on, and had to pull out and cum all over Mary's chubby bum cheeks! I then got a grandstand view of Andy cumming on my wife's tongue – it was a great first time!

Since then, we haven't looked back. Some of the couples we've swung with over the years have become good friends and regular partners of ours. We are always on the lookout for new things to try, however, so when we accidentally stumbled onto a dogging location, we had a go at that too!

We were on our way back on a Sunday evening, having been away to a swinger party that weekend. Fiona started to feel a bit frisky, so I looked for a place to pull over and satisfy her. We pulled into a picnic area and noticed

READERS' LIVES

straight away there were a few other cars, and that several guys seemed to be walking around and slowly congregating around one car in particular.

We parked as far away as we could and watched. The guys were looking into the car, and one of them got his cock out and put it through the car window! Obviously, we'd found a dogging site. Fiona got all excited and suggested that we wait for whatever was going on in the other car to finish, then put on a show ourselves – just that, we wouldn't have the windows open, for foreign parts to intrude.

It was a hot idea, and when the crowd began to drift away from the other car we flashed to signal them that there was more action afoot. We soon had an audience, and I hiked Fiona's skirt up around her waist, pulled her knickers aside, and shoved my stiff cock into her hot, wet hole.

She freed her big tits, and licked her nipples as I banged her. The several guys outside were watching and a couple were wanking over our show. It was making Fiona wild! She wound down her window – she's impulsive like that, and will change a plan on the fly when she gets wild – so that while I fucked her from one side of the car, she could get to cocks outside. One guy came close, and she grabbed his dick and slurped this stranger's cock into her mouth. Another guy came closer and she wanked him with her free hand. She sucked and wanked while I fucked her as hard as I could in the confines of the car.

Other guys were wanking now – I think there were six in total, but things were so wild it's hard to be sure. The guy she was wanking came, and his spunk shot over her wrist and hand. She just grabbed another cock as it was offered and wanked it with her spunky hand! The chap she was sucking pulled out and shot his mess over her face, getting loads of his jizz in her hair as she was leaning her head back out of the window.

She took another cock in her mouth and soon had more jizz being shot over her face. I pulled out and jizzed over her stomach – it had been a great fuck!

Since then we've been dogging a few more times – sometimes it's a let down, and sometimes it's great. It will never replace swinging with other couples for us, but it can make a boring evening go with a bang!

John, Cheshire.

STUDENT BODY

I'm a student and at present I work part time at a large, fairly posh hotel as a maid. Part of my job is to go around the rooms in the evenings to turn down the guests' beds and leave a complementary chocolate on the pillow. The guests are usually nice and sometimes I even get a decent tip, but tips are absolutely nothing when compared to the tremendous shag I got from one of the guests a couple of months ago.

I was about half way through my rounds when I walked in on a really hunky bloke who was wanking to the porn on the telly in his room! I should have backed out of the room

immediately, but I was mesmerised by the size of his huge stiffy.

Totally unfazed, the guy continued to pull at his cock and just waved me inside the room. Confused at being caught staring at him, I blushed and muttered an apology, but I didn't leave. He was a really fit, well built where it counts and, as my love life was pretty shit at the time, I kind of hoped that I would get lucky.

His name was Paul, he said, and seeing me still standing there staring at his prick he invited me to join him on the bed. Sitting beside him, I watched in fascination as he jerked and stroked his cock. By then I had become really excited and I couldn't resist reaching out to touch it. Paul's penis was longer and thicker than any I'd had before and I became wet just imagining it being rammed up inside me.

He grinned knowingly at my gob-smacked face, before pushing me back onto the bed and kissing me hard, burying his tongue down the back of my throat. His hands

moved across my breasts and my nipples hardened as he groped them through the thin fabric of my uniform.

Casually he pulled off my dress, dropping it carelessly onto the carpet. In a flash, he removed my bra, and flicked his nails across my nipples before pinching them to hardness. Moving down my body, he brushed his fingers through my pubes, before fingering the outer lips of my fanny with a light and teasing caress.

Pulling me onto my knees, he began to rub my cotton panty gusset between my legs, grazing my

"He slammed his full length in with savage thrusts"

clit with the friction. Soon I was writhing and squirming as my pussy pulsed with pleasure. Paul pulled my panties off and pushed two fingers inside my dripping pussy.

I reached for his cock, wrapping my fingers around it as sticky beads of pre-come leaked from its inflamed tip. Paul encouraged me to masturbate him for a while before pushing me back all the way flat on the bed. Then, moving between my thighs, he lowered his face to my pussy and licked the length of my moist slot, his fingers gently parting the folds of my labia and exposing my hardened and sensitive clitoris.

Sucking gently at my throbbing clit, he brushed his tongue lightly over it, and I squirmed in helpless response. My clit throbbed and I thrashed my legs as an intense thrill rippled through me. His tongue moved across my slit, making hot, wet circles around my throbbing nub.

First his lips and then his teeth seized and teased my tiny love button, twisting it, then nibbling it so sharply that the fierce sensations sent sparks of blinding arousal to my brain, leaving me breathless and quivering in a flood of ecstatic excitement.

I arched my hips up off the bed to meet his oral assault with my seeping pussy. Then the unmistakable pressure of my orgasm began to build big time, and I heaved my pelvis madly against his face, sending his flickering tongue even deeper into my frantic cunt. I pumped my mound in rhythm with the warmly probing shaft of his tongue as it slithered into my glistening, moistened slit.

Contractions gripped my pussy and I climaxed hard as hell as Paul licked me to one of the most incredible orgasms I've ever had.

And I'd barely recovered when he ordered me to roll over onto my stomach, telling me quite plainly that he intended

to fuck my "juicy pussy".

A tremor of excitement shook my body as I thought of that huge cock pushing deep inside my cunt. It was the biggest I'd ever tried to accommodate, but the heat of my passion outstripped any protests my mind might have thought up.

Paul pulled me up onto my knees, raising my buttocks in the air. Grasping my ankles, he spread my legs further and further apart, then he spread my buttocks until he had access to my wet pussy. Stroking my pussy lips, he guided his shaft into position, placing his cockhead

against my labia, and pushed it inside.

I tightened up all over as he held me still with one strong arm wrapped around my waist, and I felt him push further inside my soaking box. My pussy quivered and tingled as he drove his knob all the way inside. Then he lunged forward, slamming his cock in and out, as my pussy clenched around his thick meat.

I could feel his cock pushing deeper inside me with each stroke as the friction brought me close to my second climax.

He paused for a moment with his knob buried in me and my pussy muscles gripped even tighter around his shaft. Now he began to fuck me slowly, easing his meat gently in and out. He reached around to fondle my tits and tease my clit as he repeatedly powered his cock in to me to the base of his shaft and drew it slowly out again.

Then, without warning, he began to piston in and out of my pussy, slamming his full length into me with almost savage thrusts. My breath hissed through my teeth as I felt his enormous pulsing cock throbbing deep inside me. All at once his prick erupted, and his spunk jetted inside me in warm spurting streams.

Almost immediately, the tremors of my own climax rocked my convulsing pussy, and I came harder than I would ever have thought possible. It was the best shag of my life, I'm sure of that!

Eve, Chatham.

BOOB JOB

Karen is a real lover of leather and lace. I have to admit that her short leather skirts were what made me notice her in the first place, though it would be hard to ignore such a cute-looking long-haired blonde with long legs, a trim body, pointy tits and a pert little arse.

For a few months now we've taken to watching porn films together every so often, and the other night the DVD Karen brought us home was a sexy German flick with a horde of birds in leather and lingerie doing stuff more acrobatic than you'd see at a circus. I was getting pretty hot under the collar as we cuddled up together, especially since Karen hadn't gotten ready for bed and it felt like I was sitting with my arm round one of the chicks from the DVD.

In any case, I was so randy that even though I don't normally initiate the sex, this time I did, moving my hand up her stockinged leg and kneading the top of her inner thigh. Karen responded by rubbing her hand slowly and sensuously over my growing hard-on through my jeans, eventually freeing my weapon and wanking it gently while I fingered her pussy through her panties with one hand up inside her skimpy leather skirt.

Before long I had her top and bra off and was really enjoying myself, kissing and licking the flesh of her breasts and lapping at her erect nipples. She shivered as she pulled away and dropped down to take my cock in her mouth. Imitating the girls on the DVD, she lapped around the head of my cock before sucking it deep into her mouth. It felt exquisite as she sucked me, bobbing her head up and down in rhythm with the girls performing on the telly.

I love getting a blow-job from Karen but that night I wanted my cock inside her really badly, and I told her so. I also asked her to keep on her stockings.

Standing up to give me a little show, Karen wriggled out of the skirt like

a lap dancer and bent close. "Come on, then, fuck me," she whispered, leaning back on the sofa and opening her legs really wide. Shedding my clothes in record time I pressed my throbbing tool against her damp slit and pushed it inside her hot pussy. Karen wrapped her legs around my back and raked my shoulders with her long fingernails as I pumped in and out of her soaking cunt.

Her tits bounced against my chest and my balls slapped so loudly against the underneath of her arse cheeks that I could hear them above all the moaning on the television.

Karen held me more and more tightly against her with those fab long stocking-clad legs, at the same time guiding one of my hands to her wet little clit, encouraging me to flick it gently back and forth as we

screwed.

Constricting around my penis, her pussy muscles clenched and she orgasmed, pooling her juices around the base of my cock. I was going at her so hard that I was getting tired, but her soaking climax

REBECCA,

gave me my second wind and I kept on thrusting my cock into her.

I was getting close to coming too as her cunt continued to tighten on my cock, holding it vice-like every so often, while her vagina pulsed and clenched. Running my fingers through her hair, I held her tits against me as she came again, and was rewarded with a moan and an actual bite on one of my shoulders as she shuddered through another orgasm. The bite took me over the edge, I shot my sticky cum deep

inside her and I held her in my arms until my cock softened.

Then she did something that she had never done before – she cleaned me off just like the porn birds in the DVD we were watching. I couldn't believe it and still can't, but she got down on her knees and slowly licked my cock and balls clean of every drop of cum, pausing only once, and that was

to look up into my eyes while she was doing it and telling me with a giggle that she "could get used to this".

Well I could, that's for bloody sure! And more than that – I intend to!

Jeff, Croydon.

HOTEL FORNICATION

Some of the other chambermaids at the hotel where I work tell tales of wild sexual encounters with guests, but until last week when it happened to me I just didn't believe any of them. It was Wednesday afternoon when I got a call from the front desk to take some extra pillows to room 130. I picked them up from the linen closet and took them to the room.

I knocked on the door and waited for a response. When no-one answered, I opened the door and went inside, intending to leave the pillows on the bed. Inside the room I was stopped in my tracks by the sight of a beautiful young black woman lying on her back on the bed. Her knees were spread wide apart, and her eyes were closed in concentration as she pleased herself with a luminous pink vibrating dildo!

I stood there frozen, watching in amazement as she plunged the vibrator deep between her shiny pussy lips, then arched her back as she came. My whole body shook with arousal at what I saw. I suppose that until that moment I had not realised I had lesbian tendencies. But what I was looking at was really turning me on, and I could feel a damp patch forming in my panty gusset.

Reluctant to lose the moment, I waited for her to finish, realising that she couldn't possibly have missed my entry and knew that I was standing watching. A surge of hope filled me as I thought that she must have wanted someone to see her and perhaps even to join her.

I wasn't wrong, and when she had wrung the last shudder of pleasure from her pussy she sat up and smiled at me, patting the unoccupied side of the mattress in invitation. Unsure of what to do, I paused for a moment, just looking at her beautiful body. The inside of her thighs were slick with her pussy juice and I just couldn't take my eyes off her vagina. It was so different to my own. The skin was dark red and exotic looking, with large, silky-looking labia which gleamed in the light from her bedside lamp.

I could feel my legs quivering as my own pussy tightened with excitement, and with a sigh, I put the pillows on the bed and I sat beside her. She told me her name was Zara, and then she asked me if I liked what I had seen. When I nodded shyly, she smiled and, taking my hand, she licked my

palm before pulling my fingers towards her wet pussy.

Tentatively, I touched her dark, silky folds, rubbing my fingertips through her pussy juice and spreading it over her glossy labia. "Are you wet, too?" Zara whispered, running her hand over my breasts. I shook with delight as I felt her pinch my nipples through the fabric of my white work blouse.

Pushing me onto my back she stripped me of my underwear and began to tongue my nipples. Her tongue was long and dark in stark contrast to my creamy white breasts.

Zara's fingers worked on one nipple while she sucked on the other one and soon I was panting and begging her to make me come

hit a wall of pure excitement at a hundred miles an hour.

My pussy spasmed, jerking in her hands as my juices seeped onto those lovely dark fingers.

Laughing, she bent down once again and began to lick my love fluid up, sucking my labia as her nails alternately nipped and rubbed gently at my pulsing clit.

I was still gasping when she sat up and, picking up her vibrator, held it to my lips. Obediently I sucked on it, lubricating the plastic dildo with my saliva. I savoured her taste from it as she pushed the vibrator in and out of my mouth suggestively. Then, taking it from my mouth, she held it up in front of me and switched it on.

Rubbing the dildo across my pussy, she made my pussy clench, the vibrations causing all the muscles to contract involuntarily. Pushing it between my come-soaked pussy lips, Zara began to fuck me with her sex toy. I had never taken a cock that size inside me before and I

with her vibrator.

"You're not ready for that yet, girl," she whispered, moving down between my legs and spreading my labia. Her long tongue brushed the length of my labia, tormenting me wonderfully until my cunt was spasming in an effort to get some relief. Lifting her head, Zara pinched my clitoris between her long red nails, pushing it from between its protective folds. It stood shiny and erect, throbbing madly as she tongued it, making me come like I'd just

was surprised at the ease with which the big dildo slid in and out of my pussy.

My hips jerked and ground down on the big shaft as I became more aroused by the plunging rubber cock. Then, without warning me, Zara pushed the full length inside my pussy and I climaxed again, bucking and yelping like a wild animal as my pussy gripped the lurid pink toy. What an experience!

CLUB REPORT

CHAMELEONS SWINGING CLUB, WEST MIDLANDS

A curious Hells Bells checks out the lounge lizards at Midlands swinging haven Chameleons...

'K'arma-karma-karma-karma-karma chameleooooon,' were the lyrics I was singing as I turned up to Chameleons swinging club in Darlaston, near Walsall, on a rainy Friday night. Cheesy, I know, but as an 80s fiend, I just couldn't resist. And despite the fact that Lynne, head honcho of Chameleons, must have heard it all a thousand times before, she simply grinned at me and gave me a warm welcome as I stepped through the door. I'd heard a lot about this swinging club — mostly good things I hasten to add — and felt it was about time my swinging partner and I took a trip along to see what all the fuss was about.

First-timers here are positively welcomed, and are given a tour of the place upon arrival. You'll certainly need it, as it's no mean feat finding your way round the labyrinthine club. Set over three stories, it boasts a sauna, bar, dance floor, steam room and spa area, as well as both single-sex and unisex changing rooms and showers. There are, of course, plenty of private rooms, couples' rooms and countless numbers of nooks and crannies in which to get naughty. And a good job too, as by the time we'd reached

the end of our tour, we'd seen enough action already to know that we wanted in.

Once we'd got ourselves settled, the place was positively heaving with bodies of all shapes, sizes and ages. Being a younger swinger, it's sometimes difficult for us to find other couples within our age bracket who we would be happy to play with, but that certainly wasn't a problem here.

Older swingers seemed at home here too, with one four-some managing to contort themselves into some positions that made even my eyes water.

We got chatting to a couple who had come along for their second visit, and they were keen to give the place rave reviews. And indeed, the fact they'd driven a whopping 250 miles just to visit again was a testament to how much they enjoyed it there.

Whether you go swinging to swap partners, put on a show, or simply to

watch, there's something at Chameleons to suit all swinging tastes. The open couples' rooms are on hand for those who want to watch or grab a slice of the action, and for those who would prefer a little more privacy, there are lockable private rooms, each decked out with opulent furnishings and huge beds complete with crisp sheets.

If there's nothing that gets you hotter than a steamy sesh, then you're in luck here as there are not one but two jacuzzis as well as an impressive spa and sauna area. It seems to be a popular feature—whenever we ventured in, there was at least one horny couple frolicking beneath the bubbles.

We both fancied a dip to ease our aching bones from a long week at work, and it wasn't long before a good-looking couple invited us to play 'Spot the Submarine' with them, and who were we to say no? We'd soon built up quite an audience, and it certainly seemed like it wasn't just our foursome who were getting wet...

There are a range of party nights at Chameleons, and with it being open seven days a week, there's

**"Horny couples
frolicked in
the jacuzzi bubbles"**

something for all schedules. Monday is bi-night, when the bisexuals, bi-curious and just plain greedy can come along and get their fill of action. And for the swappers among us, Saturdays are a dedicated couples night, guaranteed to be free of single men after 7.30pm. The rest of the week it's open to all until 1am, and even welcomes people during the day (though it tends to be slightly quieter in the afternoons). You can head to www.chameleons.cc to get all the up-to-date details on parties, member-

expect from a swinger's club consists mainly of towels for the men (which are provided by the venue), but what I loved about it is that the women made an effort to dress in sexy gear. From French maid

ship fees and basic club etiquette.

If you need a bit of Dutch courage to get your night going, the owners are more than happy to let you bring your own booze along, as long as you don't plan on getting rat-arsed. All they ask is that you moderate your alcohol intake

outfits to classy lingerie, it was all here, and I felt no trepidation at all about getting my baps out when the time was right. The place is also adequately heated – I love wandering around in the buff, but while everyone loves a nipple that stands to attention, there's no big-

ger turn-off for me than being chilly.

Luckily, the thermostat is just right. Warm enough to be at ease in your birthday suit, but not so warm to work up a sweat from wandering around. And smokers can breathe a rasping sigh of delight knowing that there's a heated terrace for when you fancy your nicotine fix.

I was sad by the time my night was over, especially as I'd not even had a chance to watch one of the filthy films that was showing in the magnificent cinema room. But they say 'always leave 'em wanting more' and despite having had my fill from both my chap and the sexy jacuzzi couple, I left with a hunger for another night of action.

Where Chameleons really differs from other swinging venues is that between the tasteful décor, the courteous staff and the sexy patrons, it provides the kind of swinging experience that is so decadent and so far removed from the seedier venues that you can't help but want to go back. A cultured club indeed.

**For more information on Chameleons,
visit: www.chameleons.cc or call 0121 526 5002**

and buy soft drinks from their well-stocked bar. And if all this playing around gets you hungry, you can buy some decent sarnies and hot food too. What's better is that all of these are served with a smile from courteous and friendly bar staff. Even the single blokes in Chameleons are polite, understanding that no means no, and largely avoiding waving their cocks around, err, willy-nilly.

PARLOUR GAMES!

Lancs for the mammaries... there's a fascinating array of independent women in central Lancashire, George McCoy discovers...

Lancashire

I have visited this corner of the country fairly frequently and indeed did an article on the parlours of Blackpool and Preston some years ago. But with time a number of these have shut down. But the whole area of Central Lancashire boasts some fascinating ladies and there are also a few parlours well worth checking out again, so I set out to survey the scene here once more, now with particular reference to its leading independent ladies.

East Lancashire is a former industrial area with a large proportion of the population being of Asian descent, though most now boast broad Lancashire accents. Few however have moved into the adult services industry and all the leading ladies of the area are white, the most notable probably being Blackburn's **Madam Beverley**, a.k.a. Tara, since this is a lady who can

DEMPSEY,
Angels of
Blackburn

come up with conventional just as much as corrective services, though it is the latter that she specialises in. A very fit and strong young lady, who sidelines as a professional kick boxer, Madam Beverley specialises in erotic domination and aims at controlling your mind and your body.

After an initial discussion of your interests, you are led into the dungeon and ordered to strip while keeping your eyes firmly fixed on your mistress. This is to instil the respect she demands and can be quite intimidating.

What follows depends on your discussion, though you should be under no illusions that Madam Beverley, while respecting your limits will take right up to them, playing with your mind and as often as not performing *au naturel* herself. Her dungeon has a multitude of equipment including a rack, stocks and suspension equipment, but what she particularly enjoys are electric services and securing you for strap-on training. And calling herself Tara, she also offers conventional services.

Another distinctive lady in her thirties is **Jeanna**, who has been entertaining since March 2009 and was originally based in nearby Darwen. Happy to see men, ladies or couples of all kinds, she also takes part in bukkake and gangbang sessions.

Dividing her time between apartments in Blackburn and Manchester is **Sarah** who will also travel virtually anywhere for outcalls, even being prepared to act as a travelling companion abroad. Pretty versatile, she is prepared to be filmed and will see men, ladies or couples of all kinds. Undoubtedly if it is class you are looking for, this is the lady to see in East Lancashire.

Blackburn boasts one very notable private flat, **Angels**, which was associated with a parlour of the same name in Preston and is still associated with a discreet establishment there called Up Close and Personal. Featuring Celeste, their blonde star, who used to grace a well known parlour in Manchester, this establishment has plenty of room and plenty of class acts.

lours and private establishments, but I have covered most of them in a previous article, though one is more of a one lady establishment and so it is worth considering here. **Up Close and Personal**, like its sister establishment Angels in Blackburn boasts regular appearances by Celeste. The city also boasts one particularly notable dominatrix, **Mistress Maggie**. Operating from her home, an end-terraced house to the south of the

"A pro kick boxer, she specialises in erotic domination"

East Lancashire boasted two Premier league sides last season, Blackburn Rovers and Burnley, who enjoyed just one season in the top flight and Burnley boasts the odd lady of note, the most notable being **Dawn**, a mature BBW with a host of good reviews, and who has been entertaining since at least the beginning of 2008. She rules out a few more extreme services, but is generally pretty accommodating, even being able to come up with an additional younger lady for mother and daughter fantasies or simply two lady sessions.

Preston boasts a good variety of par-

city centre, she is a mature and attractive lady who has been active on the scene since 1997. Furthermore she is a very experienced mistress boasting a well equipped room at her home and is a lady who knows just how far to take things with her clients, always being responsive to their requests. She delights in being sadistic with those who can take

CASS & COURTNEY,
Unique Girls
of Blackpool

"Her oral skills are recommended – when she stops talking"

severe punishment. And besides S&M, her favourite specialities are bondage, domination and corrective services in general with roleplay thrown as and when it is required.

Preston is also the base for a number of very distinctive individual working ladies, none more so than **Nikki**. At one time she used to work with several other ladies, but is now working alone, and is a character and a half, yet also a lady who knows what is expected of her and who delivers in spades. Her oral skills are much to be recommended, once you can get her to stop talking. Seriously though, she boasts a superb body and from my personal experience I can attest to how she can use it delightfully to maximum effect. All in all this is probably the best

value you will find anywhere in the country let alone in Lancashire and in these recessionary times it is unsurprising that she is as busy as ever.

Another distinctive lady is **Naomi**, a petite slim yet busty blonde in her late twenties, who has had a host of good reviews, and while she rules out the odd extreme service, she is pretty much as versatile as they come. Happy to be filmed, she can even come up with a DVD of one's session with her and after a period learning her craft at one of the top parlours in Manchester, she knows what is expected of her, and is probably Preston's most reviewed independent working lady.

At the upper end of the age scale is **Nina**, a slim blonde in her forties. Very accommodating, Nina has been escorting

Tel: 0844 414 7218

Curiously all the ladies working here have names beginning with C. Check out Candy, a lady who really enjoys getting stuck into her profession, particularly excelling at taking part in regular "Greedy Girl Parties", which are held here every Wednesday.

Their principal rival was an outfit calling itself the Blackpool Doll House, but that has folded. However its leading star, a lady by the name of **Mercedeez** still entertains, though now independently. Mercedeez, or Paris as she used to be known, is only prepared to attend to men on their own, but has had plenty of good reviews since she emerged on the scene in early 2009.

Reasonably versatile, though certain more extreme services are off limits, she particularly enjoys corrective services in all their various manifestations, and is even prepared to be submissive.

since early 2003 and has developed a top class reputation over that period. Fit and possessing the energy of a lady ten years her junior, Nina is perceptive and will tailor any session to what her customer is looking for. She does this by not exhausting herself, only seeing one customer per day and at most three a week, though she also takes part in parties at the weekend. She is also happy, for a fee, to escort any single gentlemen to swinging venues at the weekend.

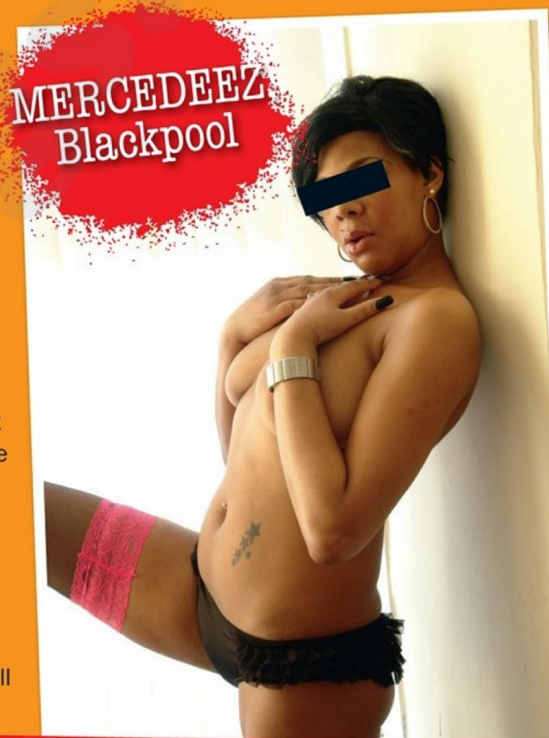

Based in a flat in Bamber Bridge is **Chloe**, a slim fit brunette in her thirties. A versatile lady who knows just how to press the right buttons, Chloe comes up with a first class oral service, which she is happy to combine with other services ranging from being spanked to role play and is undoubtedly one of Preston's best. And also based in Bamber Bridge is **Cindy**, a slim petite raven haired lady in her early thirties. Soft spoken, yet very raunchy, Cindy is both reasonably versatile and very imaginative, boasting an extensive range of uniforms for role play and enjoys taking her clients in hand. Unsurprisingly she has plenty of fans.

The last lady in Preston worth consider-

ing is **Emma**, a slim yet busty brunette with an enhanced figure in her early thirties. Entertaining since late 2008 and particularly enjoying tie and tease and oral sessions, Emma, or Eye Candy Emma, is a very skilled and much recommended lady who can pace any session as the situation demands. What is more she is also friendly and keen to please.

One would have thought Blackpool would have had plenty to offer, but curiously the town is relatively disappointing, though there is one excellent private flat. **Unique Girls** occupies the premises formerly used by ABC, and they took over when ABC's proprietor abruptly called it a day in 2005. The premises has recently had a comprehensive refurbishment and the dungeon which was removed is now back.

Chloe who works here herself as well as running the establishment has created a pleasant atmosphere and it should be noted that outcalls are also available. Furthermore their website is very informative and indeed is one of the few pertaining to parlours in Blackpool.
