Diamond Jubilee

The year 2014 was more than just another 12 months at PLAYBOY. It was a celebration of the magazine's first 60 years, an excuse to look back on six decades of articles and essays that started a national discussion; fiction that changed the landscape of modern literature; interviews with the world's top leaders, entertainers and thinkers; and of course photographs of the world's most beautiful women. This Playboy Special Collector's Edition gathers together the most stunning images from this landmark year, beginning with Italian supermodel Bianca Balti and featuring diamond anniversary Playmate of the Year Kennedy Summers. Here's to another 60.

A close-up photograph of a woman's face, partially obscured by a delicate, white floral lace veil. The veil features a repeating pattern of small, stylized flowers and leaves. The woman has dark hair and is smiling, with her teeth visible. The background is a soft, out-of-focus light color. In the top right corner, the text "Best of 2014" is written in a white, serif font, with a small star above the word "Best".
