## A LUSTY, BUSTY TRIP DOWN MAMMARY LANE!

HIGH SOCIETY is proud to celebrate 31 years of gorgeous girls, scandalous celebrities, and sizzling sex! Here's a look back at some of the more memorable Anniversary moments in HIGH SOCIETY history, from the funny to the raunchy—to the downright bizarre...

# PORN STAR PUBLISHERS

Here's a look back at some of the Porn Star Publishers and sexy Entertainment Editors who helped shape HIGH SOCIETY into what it is today. With their help and hard work (usually on their backs), we've been able to bring you a female's perverted perspective to spice things up a little. Besides, it's nice to have an editor who likes to rip her clothes off and get funky!

*Seventies' Porn Star Gloria Leonard was our first celebrity publisher.*

*Julia Patron, busty like her country-singing cousin, was our sexy publisher during the 80's.*

*Cock-crazed Lene Hefner was our hardcore editor in the early 90's.*

## LUST HIGHWAY

NOVEMBER 1999 HS  
PHOTOS BY SUZE RANDALL

Back in 1999 we bought a vintage 1970 Cadillac Eldorado and made it the theme in our book, featuring the famous "Pussy Wagon" in every pictorial. The car took a pounding, just like the chicks who got fucked in the backseat! After making it cross-country and getting sprayed, spewed and goosed along the way, we raffled it off to one lucky fan, Brett Bayne, who picked up a porn star along with his free ride when a sexy Raylene was "hanging out" in the backseat!

A couple of years back we might have gotten a little out of hand when we published some disturbing Anniversary photos of chicks working the fabled glory holes for all to see. A few years later we again went slightly off our proverbial rocker when we printed these shocking hardcore leather fetish photos. Suffice to say, the pictures more than speak for themselves...

# NUDE PROGNOSIS THE GIRLS OF GREY'S ANATOMY X-POSED!

BY RAMSEY STEELE

Winding down its third smash season and showing no signs of slowing up, *Grey's Anatomy* is a true wonder. A midseason network replacement that premiered on Easter Sunday back in 2005, *Grey's Anatomy* (the title is a reference to the famous medical textbook "Gray's Anatomy"), the Golden Globe and Emmy Award-winning show, revolves around a team of young doctors, surgeons, and interns who practice their craft at Seattle's fictional Grace Hospital. And it proves, once again, that American audiences can't get enough of that time-proven genre, the medical melodrama.

And now it's time for us to offer our own time-honored hypothesis as to why *Grey's Anatomy* is so damned successful. It's the gorgeous gals that grace the show, of course! From the voluptuous leading lady Katherine Heigl to rollicking guest starlet Rosanna Arquette, *Grey's Anatomy* is wallpapered with some of the most luscious ladies to grace a primetime network TV show. A quick look at the following pages will only confirm our prognosis. So what are you waiting for!? Get your ass outta the waiting area and into a examination room—the doctors will see you now!

## SANDRA OH "DR. CRISTINA YANG"

Sexy Sandra Oh's Dr. Kristina Yang is a young medical maiden of Korean descent who was raised in Beverly Hills. Though she's an incredibly focused and driven woman, Kristina is not without her emotional side, particularly when giving Izzie Stevens the once-over in an early Season One installment. "You are eight feet tall. Your boobs are perfect. Your hair is down to there. If I was you I would just walk around naked all the time," she exclaims to Izzie. "I wouldn't have a job, I wouldn't have any skills, I wouldn't even know how to read. I would just be...naked."

**Notable Nudity in the days before *Grey's Anatomy*:**

*Dancing at the Blue Iguana* (2000)

## ROSANNA ARQUETTE "CONSTANCE FERGUSON"

The always-game Rosanna Arquette got downright nasty in the second season sizzler "Owner of a Lonely Heart." Her character, Constance Ferguson, gives everyone at the hospital a run for their money as a prison inmate who jeopardizes her health by swallowing a handful of razor blades and then a light bulb just to get out of solitary confinement. "Don't worry," she announces to the staff at one point. "I only killed three people and none of them were doctors."

**Notable Nudity in the days before *Grey's Anatomy*:**

*Voodoo Dawn* (1998)

*Diary of a Sex Addict* (2001)

## LARA PHILLIPS "MARY LEVANGIE"

In Season One, Episode Six's "If Tomorrow Never Comes," lusty Lara portrays plucky little bride-to-be Mary Levangie, whose chief desire is to have her aging father cured of Tardive Dyskinesia, a debilitating and painful disease. But Mary's hope for a cure isn't without a dash of selfishness: She wants her father to rise so that he can walk her down the aisle at her upcoming wedding!

**Notable Nudity in the days before Grey's Anatomy:**  
The Ice Harvest (2005)

## KIM MORGAN GREENE "MRS. RICE"

Though she only had a small part in one of the most popular first season episodes, "The Self Destruct Button," Kim Morgan Greene made quite an impression as the mother of a normal-sized teenaged girl who goes to Mexico to get a bad gastric bypass operation without her parent's permission!

**Notable Nudity in the days before Grey's Anatomy:**  
The Soft Kill (1994)

## HELEN SLATER "NADIA SHELTON"

One of the more humorous installments to air during the second season, "Grandma Got Run Over by a Reindeer," finds Helen Slater giving it a go as Nadia Shelton, who's hospitalized for the excision of a gastric ulcer. Everything would be rather routine if Nadia's loudmouth extended family didn't keep a bedside vigil and drive the hospital staff up the wall!

**Notable Nudity in the days before *Grey's Anatomy*:**  
A House in the Hills (1993)  
Betrayal of the Dove (1993)

## MICHELLE KRUSIEC "ANNA CHUE"

One of television's most prolific guest stars (you ogled her in HS last year when we ran features on TV's *Monk* and *Without a Trace*), the delicious Ms. Krusiec made her mark on *Grey's Anatomy* in the Season Two entry "Bring the Pain." Michelle plays Anna Chue, a patient who's hurting because she has a tumor in her spinal canal. This prompts her strangely spiritual parents to call in an incense-toting Shaman to perform a bizarre ritual to relieve her of the pain!

**Notable Nudity in the days before *Grey's Anatomy*:**  
The Mind of the Married Man (2001)  
Saving Face (2004)

## ROXANNE HART "DANA SEABURY"

The most ogle-worthy guest star to appear in the third season of *Grey's Anatomy*, rockin' Roxy raised out eyebrows in the cycle's second episode, "I Am a Tree." Her Dana Seabury, a middle-aged woman with aggressive lung cancer who's never smoked a day in her life, decides against surgery in favor of going out and "living life." By the show's close, after she's done her share of livin', Dana rethinks her decision and checks herself into the hospital to give surgery a whirl!

**Notable Nudity in the days before *Grey's Anatomy*:**  
*The Last Innocent Man* (1987)

## KATHERINE HEIGL "DR. ISOBEL 'IZZIE' STEVENS"

Hands down our favorite character on *Grey's Anatomy* is the curvy Katherine Heigl's "Izzie" Stevens. Early on in the first season when Izzie's colleagues discover that she paid her way through medical school as a lingerie model, Izzie loses her cool—and a helluva lot of her clothing—during a memorable operating room rant. "What are these? Oh, my God! Breasts! How does anybody practice medicine hauling these things around?," she cries, ripping off her top! And it doesn't take too long before she reveals even more of her anatomy by then tearing off her pants!!

**Notable Nudity in the days before *Grey's Anatomy*:**  
*100 Girls* (2000)  
*Side Effects* (2005)

WICKED PICTURES' KIRSTEN PRICE DISCOVERS  
THAT LOVE IS ETERNAL IN MICHAEL RAVEN'S

# SUPERNATURAL

BY DESREE

Michael Raven wowed the adult industry earlier this year with his alien abduction erotic thriller *The Visitors*, which won over fans and critics alike for crossing the taboo threshold of alien abduction, a topic not many producers have embraced. But to everyone's surprise and delight it worked and it worked well!

This time with *Supernatural*, Raven dares to cross into the realms of the afterlife, which revolves around Cathy (Kirsten Price), a wife who has just lost her husband in a tragic accident and finds herself visited by her husband from beyond the grave. Sounds like a nice tender love story right? Think again, as it turns out Cathy's hubby isn't the only one from the afterlife whose been paying her a visit and that's where the spooky factor enters the picture. Can an adult movie be scary and hot, you ask? Well, I'm here to tell you—oh yes it can!

Jacy Andrews gets ready  
to shove Joey Ray's  
swollen cock down her  
throat.

The day begins with a rainy day funeral scene, followed by a couple of hours of the standard adult feature dialogue and then we get to the sex! My favorite part of visiting sets is getting to watch all the hot and nasty sex scenes unfold right before my eyes.

The first sex scene of the day involves the bubbly blonde cutie Katie Morgan, who plays one of Cathy's concerned friends whose hubby (played by Steven St. Croix) is aching for some "loving". Katie gives in to Steven's advances—of course! What would a good adult movie be without some successful sexual coercion?

August looks beautiful before getting filthy and sucking off Randy Spears.

Katie gives a mischievous grin, and Raven gives Steven the okay to move into Position One and he is more than eager to slide his prick into Katie's tight pussy and moans loudly as his cock fills Katie's hole completely. The next hour is a whirlwind of positions—sweet yet passionate missionary, raw pile-driver, hot and heavy doggie, and wild and crazy reverse cowgirl finishes up this sex scene between these two actors, who's love of their jobs definitely comes across in their scene.

During the break between scenes, I get a chance to chat with Raven about the movie. I ask him why ghosts and sex, what was the inspiration? It's not a normal combo that you see in the world after all. Raven smiles, "I've always been fascinated with the paranormal phenomenon and thought to myself why not do a movie about it?" After a reflective pause he continues, "It was tough at first, coming up with a way to bring the two together, but then it hit me and once I started writing the script, I couldn't stop." Kirsten enters the room and bounds over to greet me and gives me a heartfelt hug before bouncing off again to have her make-up retouched. Raven smiles, "And for me Kirsten was who I immediately thought of for the role, she is Cathy and she is just doing a fantastic job." Raven adds, "This is her first lengthy acting part in a Wicked movie, did you know that?" I nod,

exclaiming, "Awe yeah baby, just like that, suck my cock" which gets Katie even more worked up and she begins to work his prick over using the double pump method. With Steven's member now standing at attention he lets out an animalistic grunt and pulls Katie's mouth away from his dick declaring, "Oh you're going to make me pop! It's good baby, really good."

impressed, I didn't know that it was her first "real" acting role for Wicked as Kirsten executed her lines with such ease and confidence.

The set PA peeks his head in to let us know that the next scene is set up and ready to go for the last sex scene of the day, which involves Kirsten and Eric Masterson.

house. Today's spot: the living room. Kirsten and Eric begin the scene with some passionate lovey-dovey kissing moments before picking up the pace and getting down to the nitty gritty. Eric gets Kirsten's pussy slicked up for action with some wet and sloppy kitty licking. Kirsten lets out a moan of ecstasy, as Eric's tongue does the tango on her clit. Eric

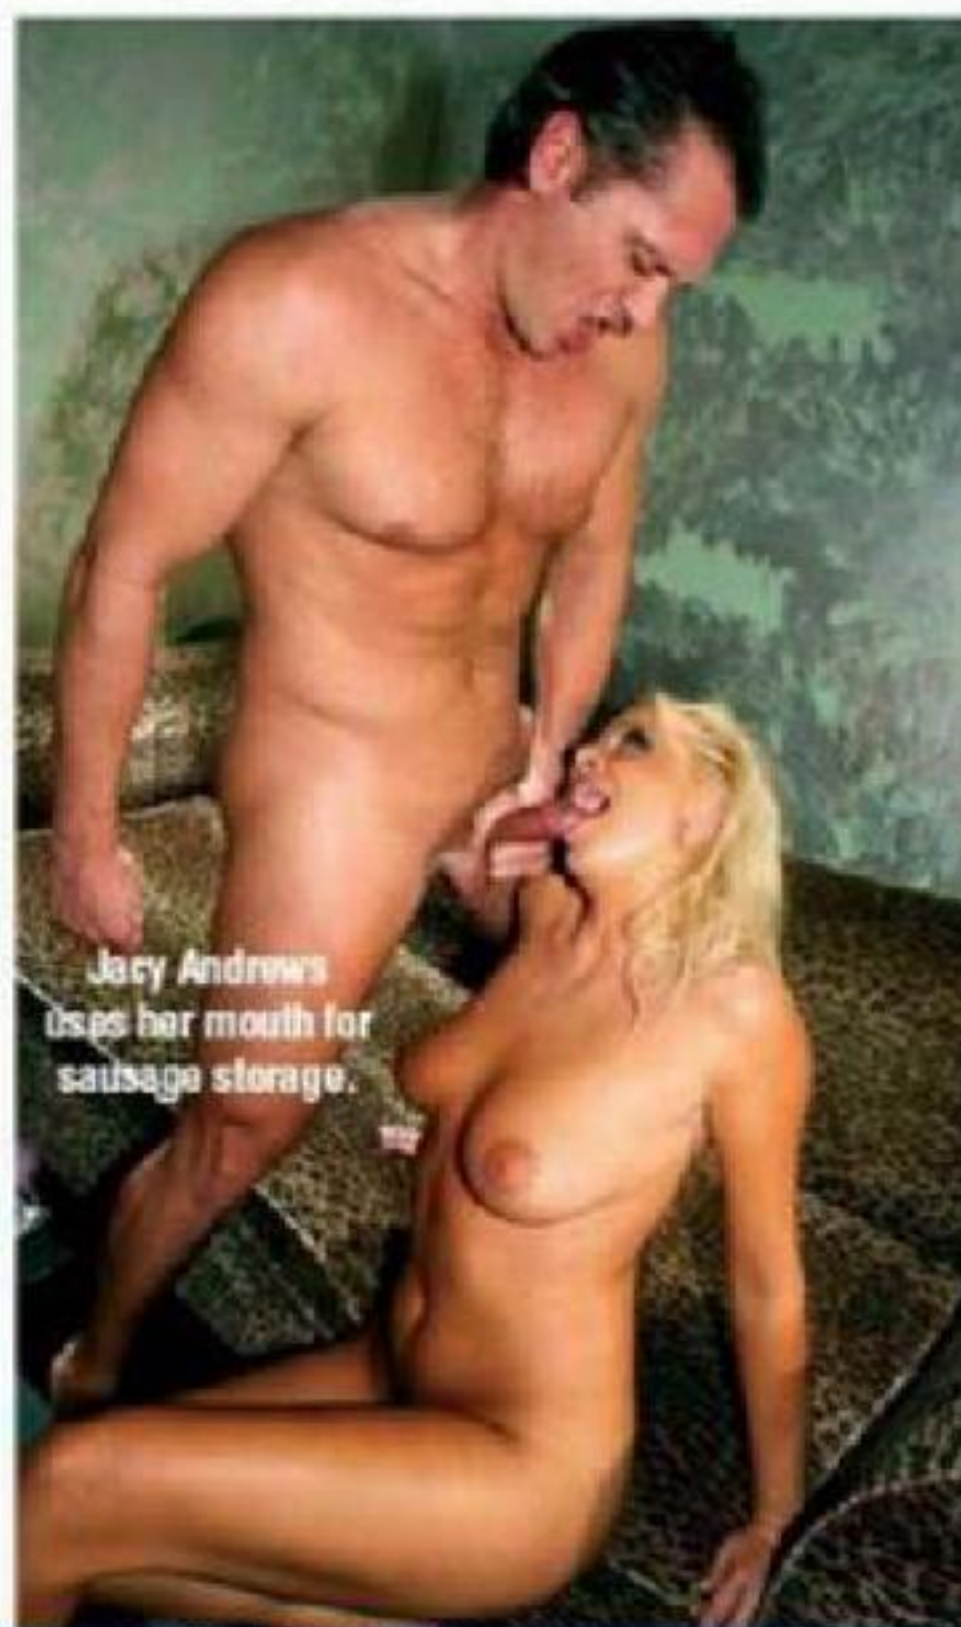

slips a couple of fingers into Kirsten's pussy-pumping feverishly in and out of her love box. With her pussy now wet and ready for the taking, Kirsten unleashes Eric's already rock-hard cock from his pants, taking it into her mouth hungrily. The duo transition from oral to reverse cowgirl and bow-chica-bow-wow let the games begin! Kirsten rides Eric's member

like a world-class rodeo rider, picking up speed and taking Eric's cock deeper with each thrust. After a good sweaty fifteen minutes of reverse cowgirl, the couple slides into cowgirl, which quickly transitions into some passionate spooning and ends in a nice pop shot on Kirsten's sweet pussy and stomach. Raven announces cut and the sweaty duo stands to take a bow as we clap loudly for their scene, which was definitely worth the applause.

So much more hot action took place, but I want to leave some of it a secret—you'll have to watch *Supernatural* to find out more! But what I will tell you is that the sex scene between August and Randy (who plays the "bad" ghost in the movie) is a must-see and that the scene between Barrett Blade and newcomer Sophia takes sex in the back of a van to the next level!

Katie Morgan looks incredible and in control as she grinds on Steven St. Croix.

Jacy Andrews tops her mouth for sausage storage.

# ANDIE VALENTINO

DANDY EYE CANDY

*Photos by Nicholas Sam*

It starts with a smile. That warm, innocent smile of a beautiful young brunette bursting with beauty and bubbling over with sexual curiosity. Then, with the blink of an eye, it becomes all about those teardrop titties, glistening in the hot California sun—so perky, so perfect. No sooner do the great tits sink in then you notice that amazing pussy, with that pink, tender inside, those beautiful hanging labia lips outside, and that natural, fresh beaver. It becomes almost too much beauty to take in at one time, and you haven't even seen that perfectly smooth, firm ass yet! Pace yourself. Beauty like this should be savored and taken in slowly, like a fine wine. She's a show-stopper and a load launcher—she's Andie, the complete package of whackage!

# NATALY THOMAS

## ANAL XXX-CAPADES

Most guys who know Nataly describe her as a shameless, slutty cum junkie. That sounded a little harsh to us, so we decided to send our buddy Thomas over to Nataly's house to see what all the fuss was about. Well, it took all of about 10 seconds for Nataly to show her true colors before she lunged at Thomas' dick like a pissed-off cobra, giving him a mouth lube and some slippery pussy pounding before the whore's big encore—giving up her tight asshole to get reamed and creamed!

# THE QUEEN OF FUCKLAND

HIGH SOCIETY'S ENTERTAINMENT EDITOR DOES EUROPE!

I am Queen of Fuckland 2006! What the hell am I talking about? Well, here's the story: I was invited to host a sex show in Helsinki, Finland. I'm always up for an adventure, especially if it may involve hot Scandinavian boys, so I packed my snow booties and off I went!

When I first arrived in Finland, I noticed a few things right away. First off, it wasn't nearly as cold as I thought it would be. I was informed it was unusually warm, so I would not be needing my cute new snow booties. Second, everyone spoke perfect English. And lastly, it was dark. During my trip, it was only daylight for about four hours a day. You may wonder what everyone does in Finland when it's dark most of the time—well, they drink. A lot! And they will proudly tell you that getting drunk is a favorite pastime of the country and they'll happily challenge any Irishman to a drinking duel. By ten o'clock at night, everyone is smashed and head-butting things.

The day I arrived, we headed straight to a television show that I was to be a guest on. It was a popular late night show similar to Jay Leno or Letterman here in the States. I always forget how much more open the Europeans are to having adult stars in the mainstream press. It was taped in front of a live studio audience and the reaction was very positive.

The next day was the actual convention. This is when I discovered I was "Queen of Fuckland." Upon walking into the arena, I noticed a stack of show brochures on a table so I picked one up. On the cover was a picture of me and the giant words: FUCKLAND 2006! I found it hysterical that this was how the show was being advertised. It was even on the radio and

## FUCKLAND 2006

1.-2.12. Helsingin Jäähalli

## Messuohjelma

on the side of taxis. Imagine being able to say "fuck" on the radio here in the U.S.

I was surprised by the number of couples at the event. At U.S. shows like AVN, it is a majority of males who come out. In Helsinki, however, it was over 75% couples. They were all holding hands and smiling as they perused the dildos or watched the

live sex shows.

One end of the arena was set up like a typical convention. It was filled with booths and tents selling dvds, adult novelties, lingerie, and other goodies. It was here that I did my actual signing. I was on the cover of the Finnish HIGH SOCIETY and I was pleasantly surprised that the fans were already familiar with my monthly editorial. They lined up

*Posing for pictures with an adoring Finnish hunk.*

After one of my signings, I wandered up a flight of stairs. On the second floor of the building were the VIP sections. There was a full-on strip club and a hand-job area. Yes, hand-jobs! Guys were just sitting out in the open on sofas getting jerked off by hot chicks.

Also on the second floor was the porn taping area. Fans stood around a mini-set while a crew shot actual porn scenes. When I passed by, two sexy blondes were sharing a double ended dildo. It was all I could do not to jump in, but for once in my life I showed some rare sexual restraint and just kept on walking!

**“I asked if I could get a ‘clit job’ but they looked at me like I was crazy!”**

in a Moroccan Harem!

I performed four of my feature dance shows and it was by far the biggest crowd I have ever stripped in front of!

As I mentioned before, they certainly are not shy in Finland about their sexuality, so as you might imagine, everything and anything went. The male strippers were pulling girls onstage and hitting them in the face with their bare cocks while their husbands gleefully took pictures for the family scrapbook! Even I got into the spirit of things and pulled an audience member onstage and sat on his face. What can I say? When in Finland, do as the Finnish do!

# SUPER-SIZED TIT SLAM!

Have you ever fucked a girl with gigantic tits? I'm talking about HUGE knockers, with big pink nipples that look like flying saucers! Big and bouncy Anastasia is one such monster-mammary-mammy. Giving the term full-figured a whole new meaning, our busty blonde bimbo loves to get into a good fuck rythem and get her knockout knockers to bounce to the beat of some good dick meat. George does his best to pound her pussy hard and see those butter bags shake and quake before pulling out and snow-capping her himilayan hooters with his busted nut, glazing her big tits and then using her mouth like a sink to wash the excess cum off his rod.

## The Ultimate Female Competitive Sexual Wrestling Site

**"Where The Winner Gets To Fuck The Loser Any Way She Wants!"**

Ultimate Surrender is a very competitive female on female wrestling site—and it's fucking hot, to boot! Gorgeous female wrestlers wrestle to put their opponents into submission holds, holds that render their opponent helpless. While helpless, the fantastic female in control earns (style) points by fingering

and fondling her adversary. The powerless female wrestler earns (shame) points at the same time. Style and shame points follow a female wrestler's career, on their permanent record. More importantly, the smokin' hot winner decides how the loser gets fucked in the last round!

## THE MATCH

The Match consists of 3 wrestling rounds and one "Sex Round." Each round is 8 minutes long. A wrestler is allowed 1 time out per match. Time out = 2 minute break on the mat.

### Round One: 8 Minutes

Arm wrestling contest in the middle of mat, winner gets 3 control points. Wrestlers break and begin wrestling. Only control points and "Outstanding Move" points can be earned in the First Round. You may remove the panties in this round.

## THE RULES

**NO ANGER OR RAGE:** Sportsmanship and respect to your opponent will be shown at all times. NO punching, biting, pinching, choking, hair pulling, slapping, kicking.

NO standing.

NO arm bars, bending of arms, wrists, fingers, feet, knees, and legs to get a submission.

KEEP laughing and giggling to a minimum.

The wrestler on bottom CANNOT lock her own hands or wrist as a defensive stalling move.

Aria Giovanni has graced the pages of HIGH SOCIETY many times over. This giant-jugged, internationally-acclaimed porn star has been a fan favorite—and for good reason! When we caught up with Aria recently, she was just chillin' by the pool, looking fresh, relaxed, and sexy as ever. We decided to just bust out the cameras and do an impromptu photo shoot right then and there! As you can see, the results are natural and amazing. Aria's always ready for action, always at the top of her game—and always fucking beautiful!

## Round Two: 8 Minutes

Point leader of Round One will pick a number (1 or 2) held behind the referees back. The winner can choose either "up" or "down" position to start the round.

### Round Three: 8 Minutes

Wrestler that was in "Up" position will start in "Down" position for start. All nude, if you did not get your opponent's panties off the points are lost. You are wrestling for both control points and style points. Free for all.

## Sex Round: 5-10 Minutes

Winner gets to fuck the loser and or decides how that round will play out. Strap on sex, with sucking and fucking!

# GLEN DANZIG

HE AIN'T NO GODDAMN SON OF A BITCH

BY DAN KAPELOVITZ

When you think of punk rock legends and evil, one name comes to mind: Glen Danzig. Danzig has been creating his unique brand of music since the '70s, when he was the frontman for the horror-punk legends the Misfits (with their underground hit song, "Where Eagles Dare"). The singer next formed the band Samhain, which eventually changed its name to Danzig. In 1992, Danzig released an instrumental classical album called "Black Aria," based on John Milton's epic poem "Paradise Lost." Danzig has just released the follow-up album to "Black Aria," called (what else?) "Black Aria II."

The record is inspired by Lilith, the apocryphal first wife of Adam (of Adam and Eve fame). Currently, Danzig runs his own comic-book line, *Verotik*, and has some possible movie projects in the works. Danzig spoke to HIGH SOCIETY about demon-fucking, UFOs, and Roy Orbison.

HIGH SOCIETY: Let's talk about your new album.

GLEN DANZIG: Which one?

HS: "Black Aria II," the one your publicist has been sending out. Do you have another one?

GD: "Lost Tracks" is coming out pretty soon, which is a two-CD set of unreleased Danzig tracks.

HS: Tell us about the "Black Aria II" album.

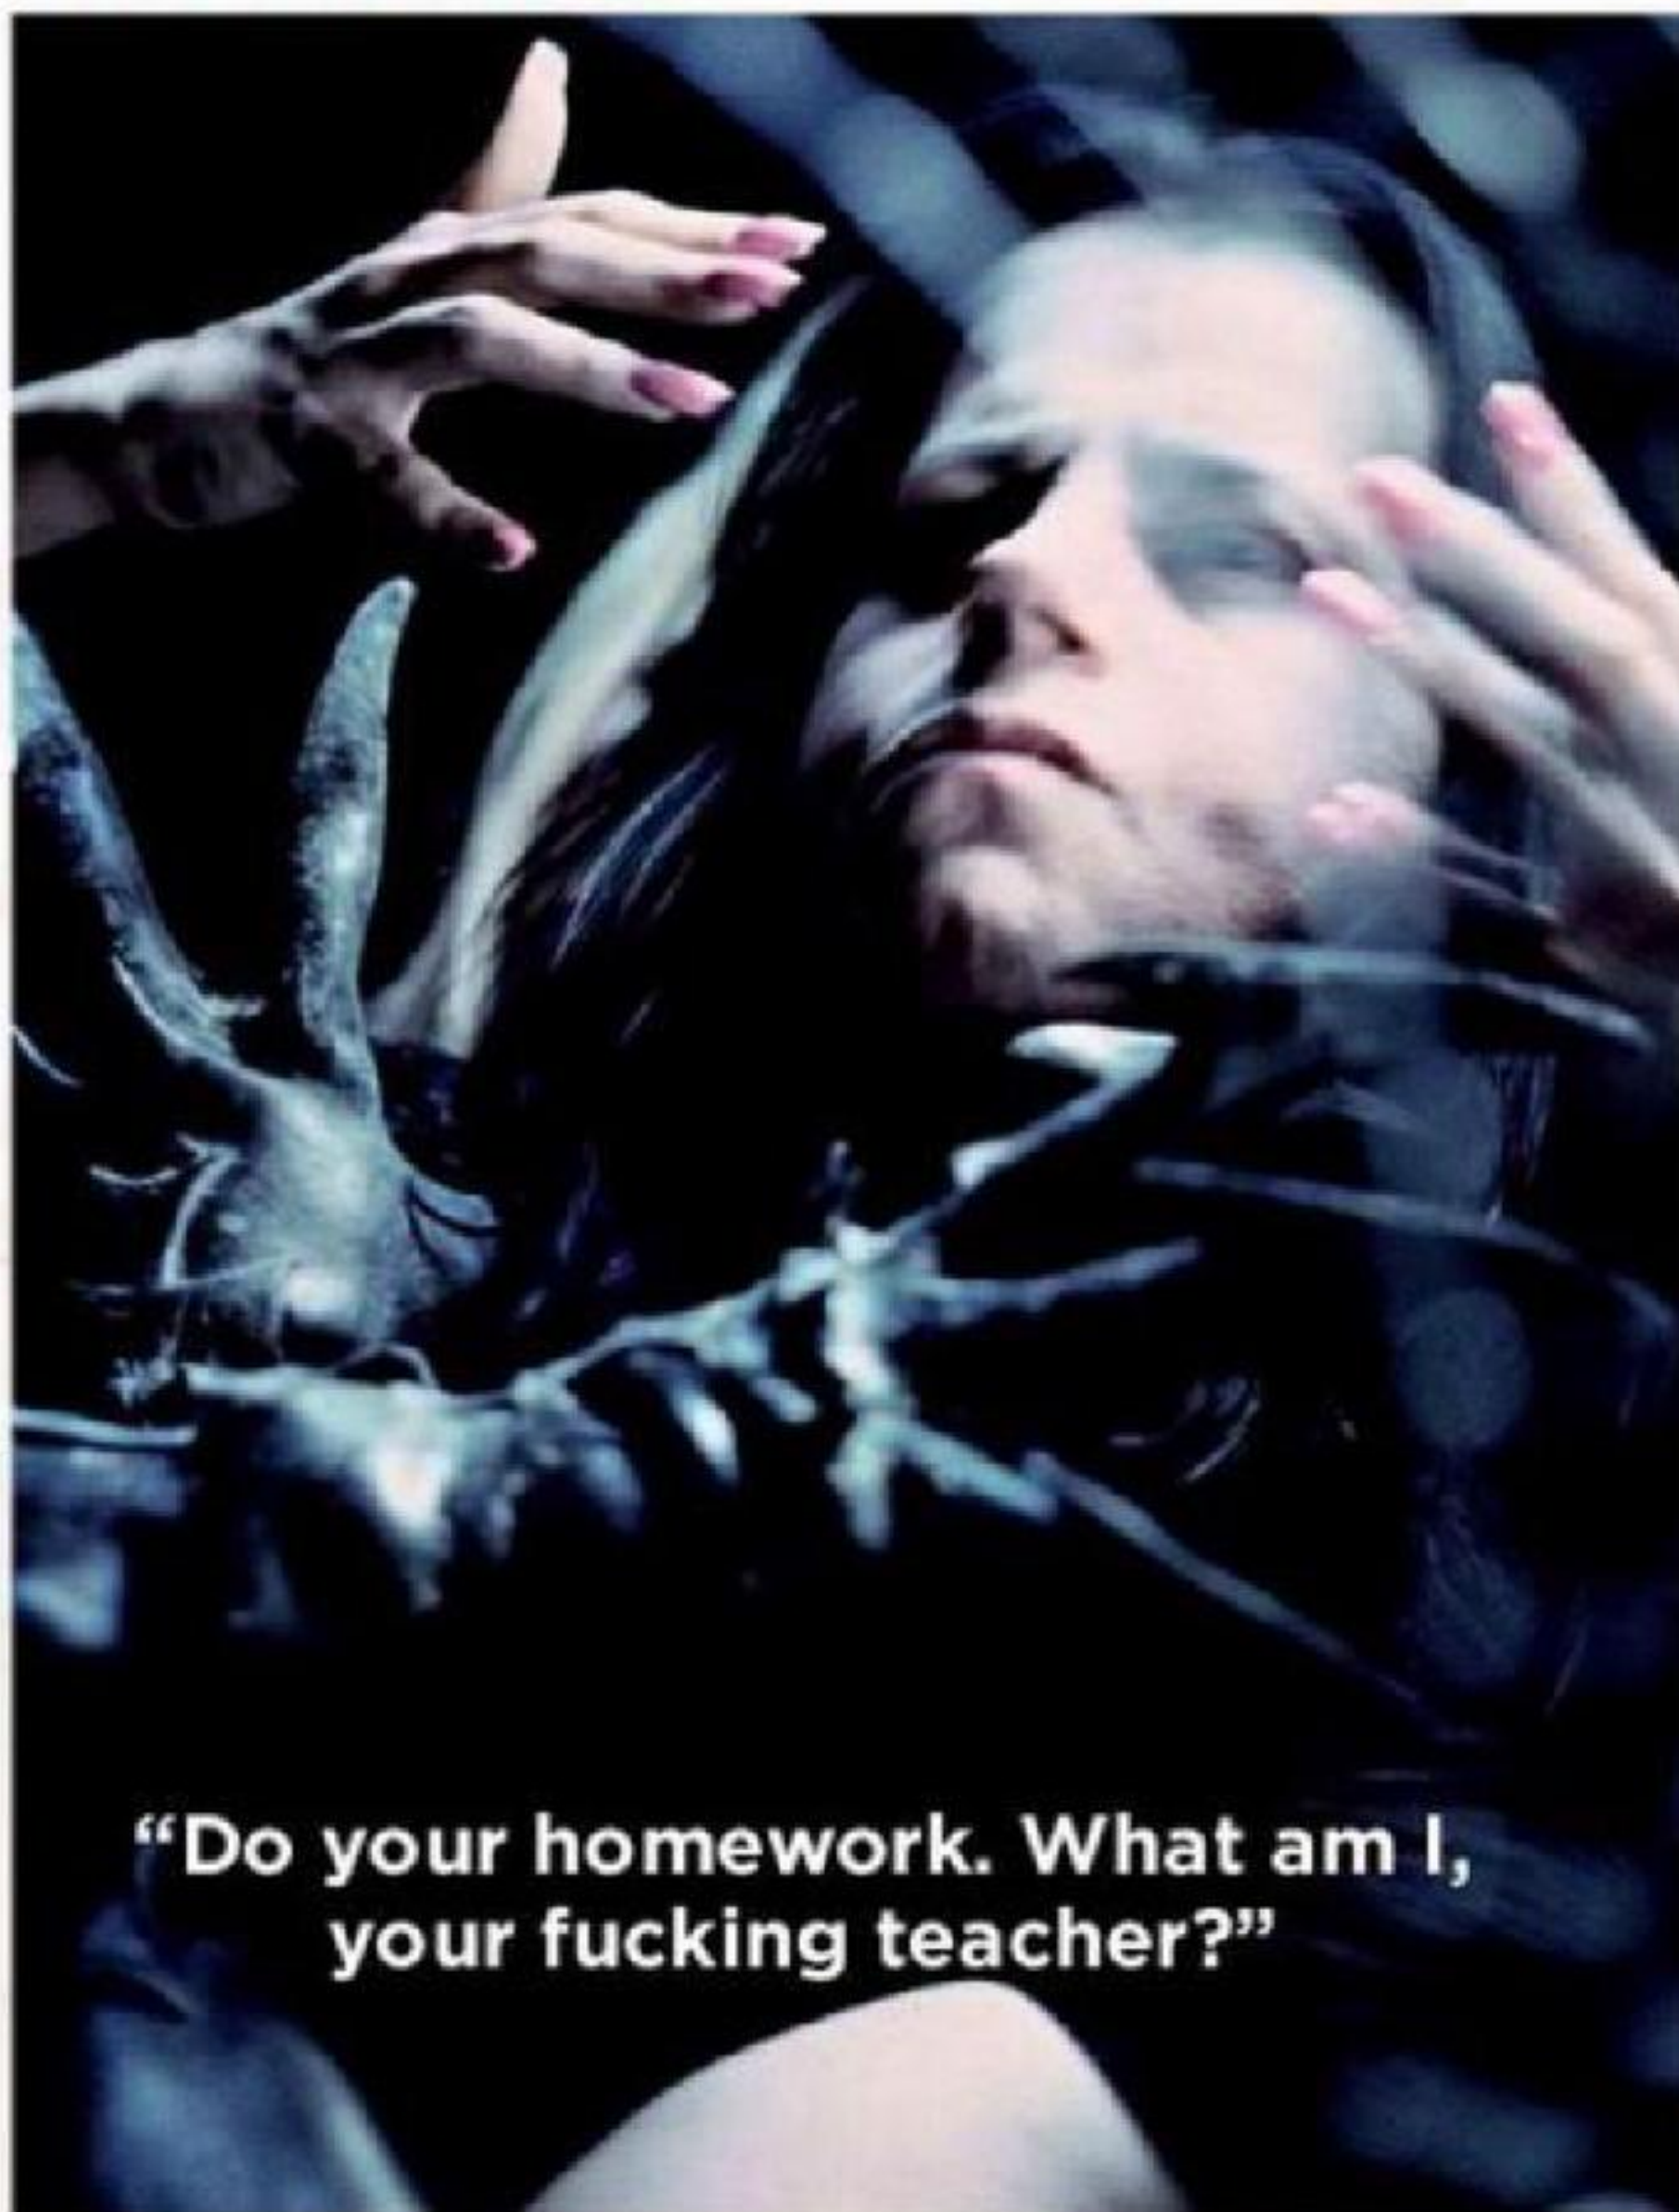

GD: It's an unofficial sequel to the first one, which was about "Paradise Lost." This new one is about Lilith.

HS: So Lilith was the first wife of Adam?

GD: It's all mythology to me. I don't mean just Lilith—the Bible and all of that. Basically, though, if you believe that stuff and in the canon, then this is the first wife of Adam. If you don't believe that stuff, then you don't believe the Bible. It was there; it was just excised by the people who decided that certain things that were written shouldn't be in the Bible, and they took them out and pretended they never existed, not just the story of Lilith, but lots of stories.

HS: Do you take the Bible literally yourself?

GD: No, actually there are so many earlier versions of the Christian myth of a messiah, they just kind of stole it, but people even before them stole it. It was a story that was handed down centuries and centuries and reworked and rewritten. They don't like hearing that. There's a good primer book called "Pagan Christ," and it will give you a good introduction to those stories.

**"Do your homework. What am I, your fucking teacher?"**

HS: What is the story of Lilith?

GD: Basically, the Lilith story is that Adam had a first wife, her name was Lilith, but she was created equally like Adam; she couldn't be controlled. She was headstrong. She had her own opinion.

HS: Is it true that she refused to be on the bottom while having sex with Adam?

GD: That's bullshit. She was independent, so she was kicked out, and then—so they didn't make the same mistake twice—they created Eve from Adam's rib, whereas Adam was created from dirt and so was Lilith—they were both created as individuals. This time, they would create Eve from Adam's rib so she wouldn't be that independent. She'd always be a part of Adam.

HS: Doesn't Lilith end up as a demon?

GD: Adam still loves her, and she loves him, but they are not allowed to be together. She ends up getting banished and fucking demons and becoming a demon herself. There's the Lilith killing rage, which is infant mortality. Sudden Infant Death Syndrome [SIDS]. People used to put little amulets around kids' necks to protect them from Lilith; it's crazy shit.

HS: Are there people today who still believe that Lilith exists?

GD: In Europe, they are scared that kids are going to die in their sleep, and they make them wear the little Lilith amulet. I put it on my record; it's a Lilith trap, basically, it lures her in, and she's caught in the middle and can't get

Danzig & Doyle at a rare Misfits reunion during The Blackest Of The Black Tour, October 29, 2005.

out. It's like a maze. I put the trap on the record cover. It's folklore, just like anything.

HS: What does it say in Hebrew across Lilith's stomach on your album cover?

GD: That's not necessarily Hebrew. Is it?

HS: It looks exactly like Hebrew.

GD: That script existed before Hebrew.

HS: What is it then?

GD: That's not Hebrew. It may have been adapted into Hebrew.

HS: Does it have a name?

GD: Do your homework. What am I, your fucking teacher? There are so many misconceptions about so many things. Sometimes when I'm talking to people, it's frustrating because I'll tell people stuff and they won't believe me. People know so little; it's not their fault. I'm not saying they are dumb or anything, so much has been kept from so many people for so long. It's a shame.

HS: What does it say in whatever language it's supposedly in then?

GD: [Silence]

HS: You can't reveal that?

GD: I could tell you if I wanted to, but I don't want to.

HS: Didn't you just say it was a shame that people are kept from information?

GD: You can go look it up.

HS: How should I look it up? I can't type letters that look exactly like Hebrew but aren't even really Hebrew into Google.

GD: That's right. You can't. You can't type it into fucking Google!

HS: Moving on, then. What's the language that goes around in a circle on the album cover?

GD: That's the Lilith trap.

HS: With no lyrics on the album, how are

listeners supposed to learn about Lilith through the music?

GD: I didn't say that. They can learn about Lilith by just doing research. It's not a hidden story; there are tons of books about Lilith, by psychiatrists, by everybody. When they did the Lilith Fair, that's why they used that name. Some of the female independence groups have championed Lilith because of her independence.

HS: Do you think many feminists will be into your new album?

GD: I don't know. I don't care. I didn't do it for them. I did it because it's an interesting story that I've always been interested in.

HS: How do you convey the story without lyrics, just via the music?

GD: Yeah.

HS: But if someone had never heard of Lilith, they wouldn't be able to tell that the album is about Lilith.

GD: That's not true. That's kind of a narrow vision.

HS: Are you telling a narrative with the music?

GD: The mood for me, because it's piece to piece to piece, basically does move along with

the story; that's the way I did it. Hopefully, people will understand it, or just dig it. They don't have to understand the story; they can just listen to the music and enjoy the music.

HS: Did you play all of the instruments?

GD: I did pretty much all the instruments. There's a girl, a classical singer, who did some of the female vocals.

HS: Your first classical album, "Black Aria," did well on the classical charts.

GD: It hit number one. It doesn't mean that many records, but it's a cool thing.

HS: Are any of your fans upset that you don't sing on these classical albums?

GD: No, actually, I put the first one out because most of the fans had heard that stuff—or some of the stuff at least—as intros to the Danzig live set or on home video. They just wanted to hear more of it. I didn't think it would be successful. I just put it out for the fans. I didn't give any free copies to the press. I didn't do any advertising on the first one. I just thought I'd sell a couple thousand of them to the die-hard fans. I put a disclaimer on the back, saying, "Hey, if you think you are buying a Danzig album, a rock record, this isn't a fucking rock record. Don't buy it if that's what you think you're buying." The fans really liked it. It was a little different, but it was still dark. I think they're gonna like this one too.

HS: What's going on with your film?

GD: There's a bunch. We're in preproduction now with the *Ge Rouge* movie, which is a turn-of-the-century New Orleans voodoo story, plus I'm writing all of these other scripts. We'll see what happens. It's Hollywood. One day you have a deal, one day you don't.

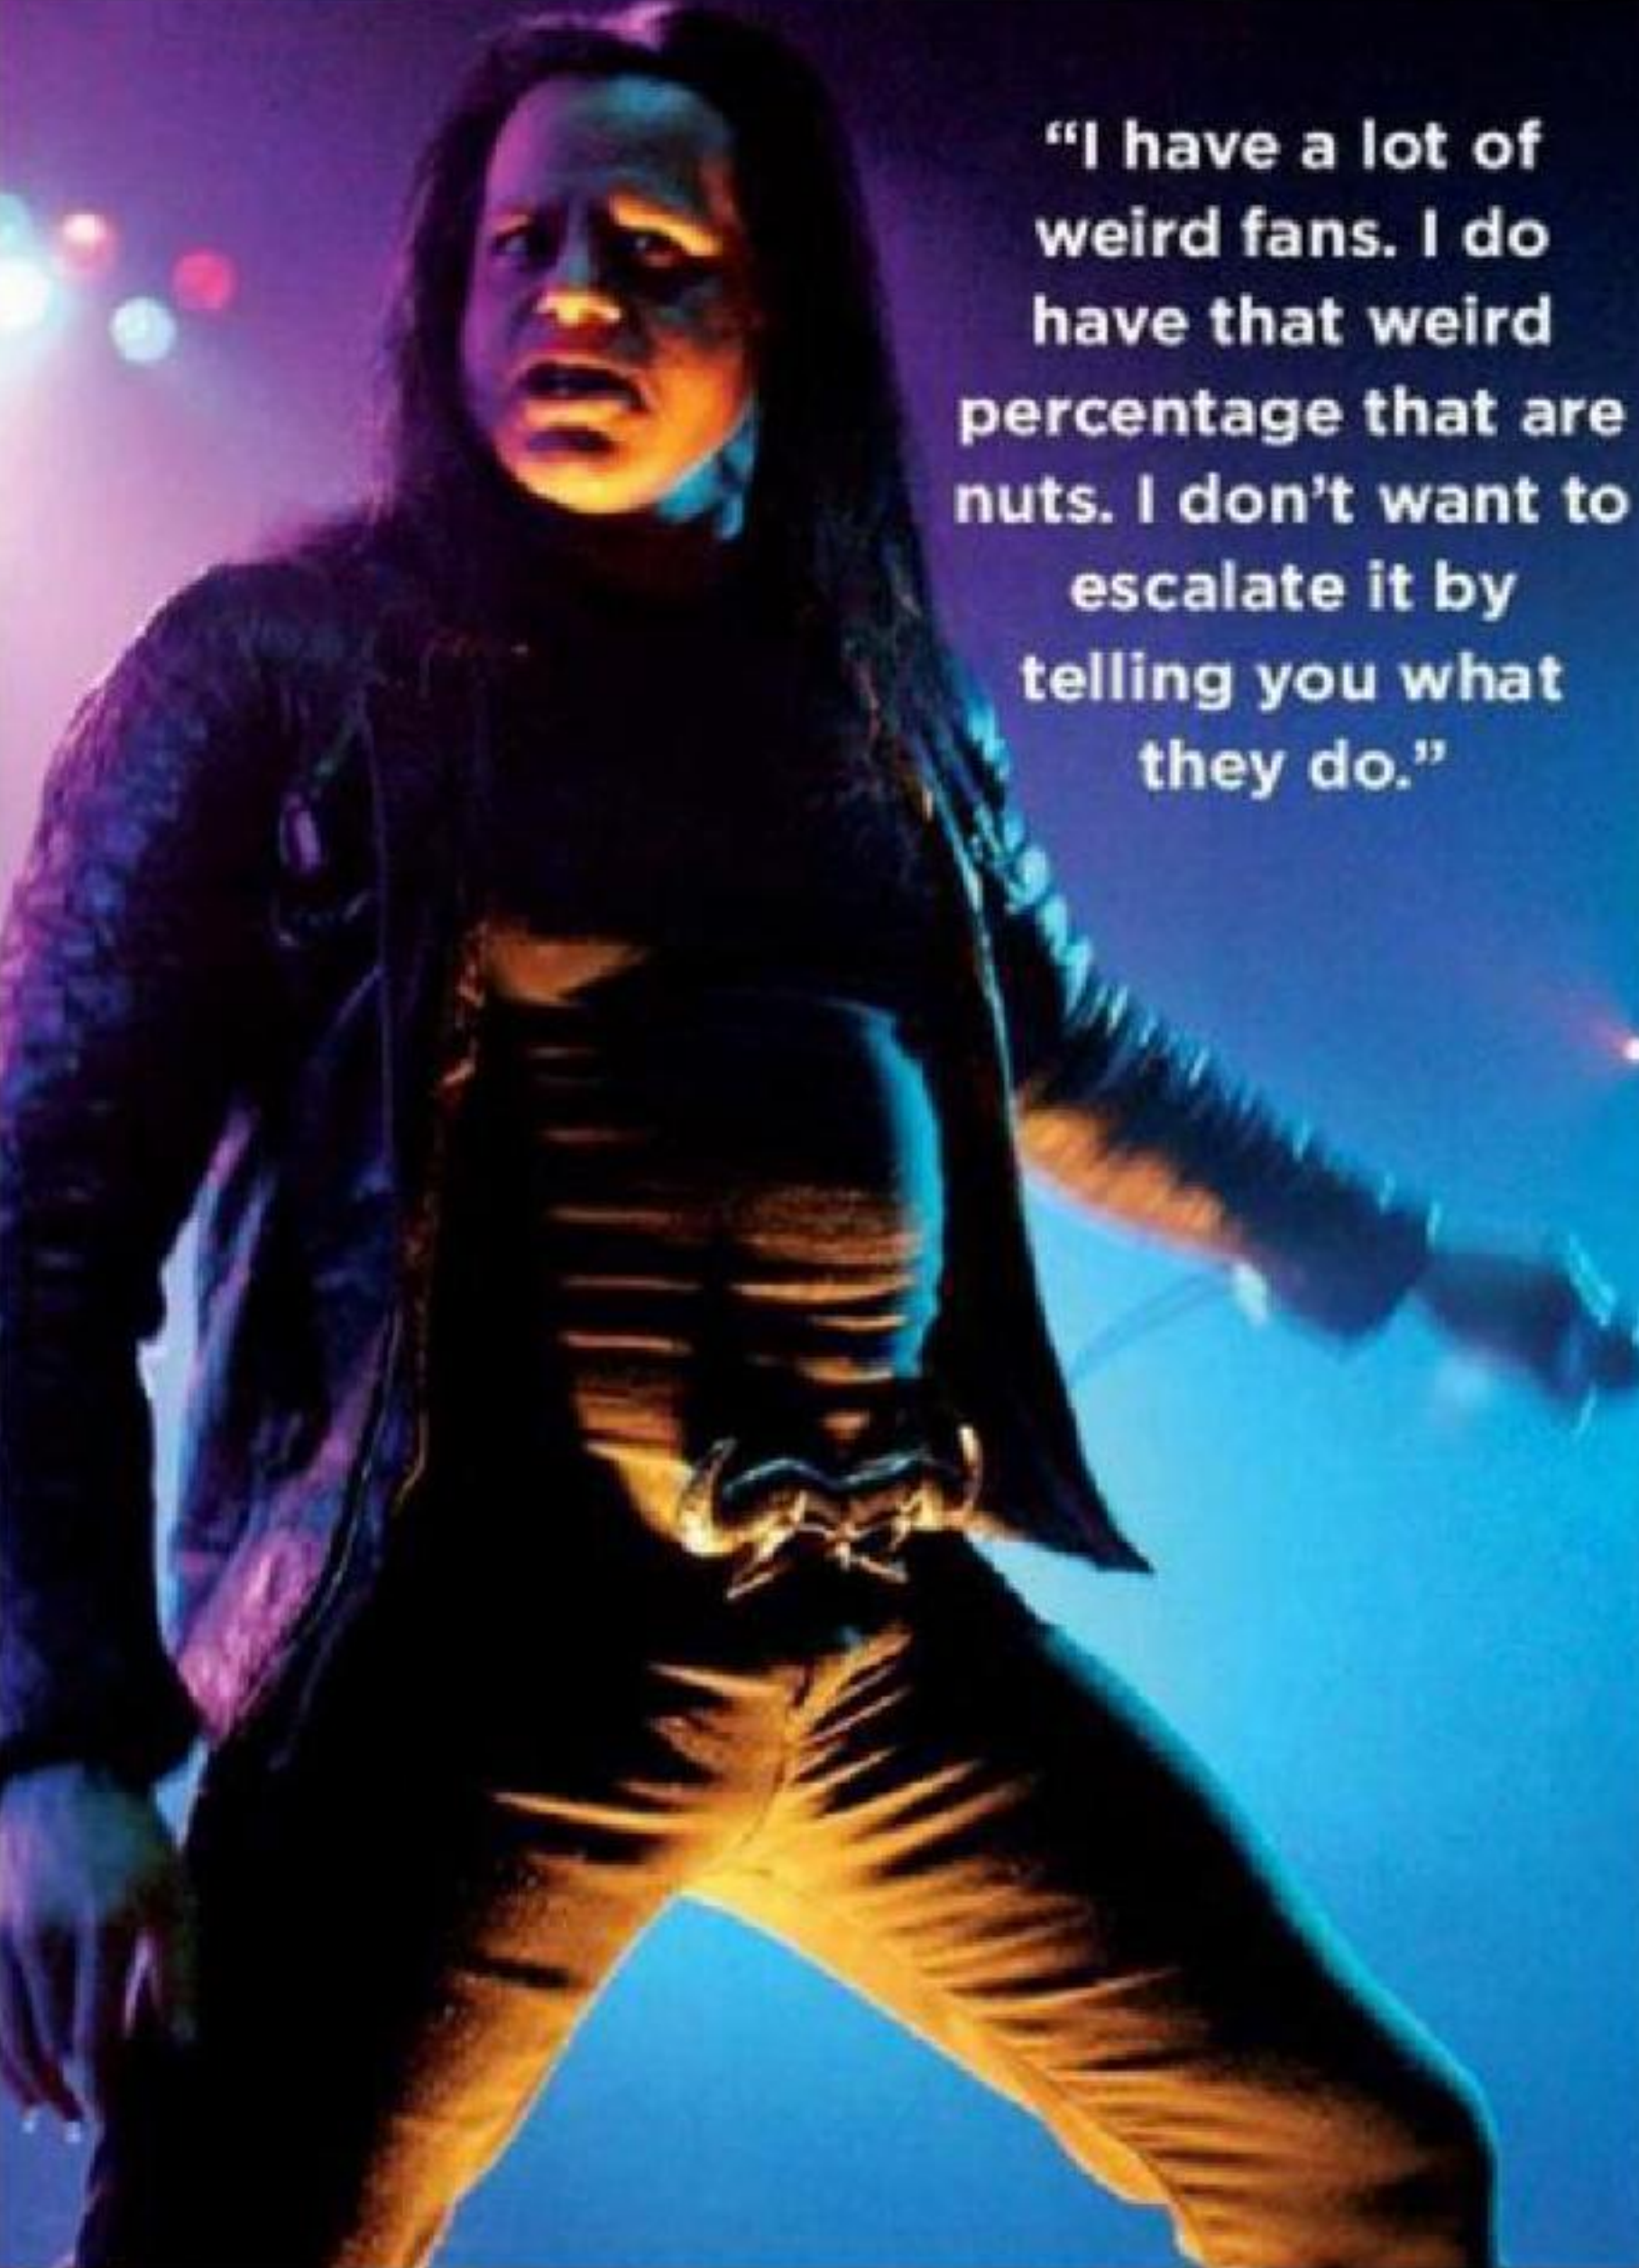

HS: You were offered the role of Wolverine in the *X-Men* movie?

GD: A couple of times.

HS: Do you regret turning it down?

GD: No. I don't even know if I would have got

**"I have a lot of weird fans. I do have that weird percentage that are nuts. I don't want to escalate it by telling you what they do."**

it. At the time, when I met with the last team that ended up doing the movie, they basically told me, if I got the role, I would have to leave for Canada for nine months, and I was just about to start the European leg of "Satan's Child" and then go right into the American leg, which was three or four months total. And I said, "I can't do that, because I got to do this." I hadn't been on the road for about three years at the time so my band was itching to get back on the road, but I just said, "I can't do it, even if you give me the part. I gotta do this. And you're telling me I can't break away for a month here or a month there. I can't do it."

**HS: You played yourself on Aqua Teen Hunger Force. Are you going to do more acting?**

**GD:** Because I'm a musician, and that's how I make my living. I can be choosy and picky about what I do. I'm sure if I were an actor, everything that I got offered I would do, but I get all this stuff and I just don't want to be in it. I doubt I will be in that much more, unless someone offers me something really cool.

**HS: Would you star in your own movies?**

**GD:** No.

**HS: People say that Lilith is a succubus, a demon who takes the form of a female and has sex with men as they sleep.**

**GD:** One of her aspects, yeah.

**HS: Have you ever had a succubus experience?**

**GD:** No, not really.

**HS: Have you ever had any mystical or supernatural experiences?**

**GD:** What do you call mystical or supernatural? Just living. Just the human body functioning. If you think about it, it's pretty fucking supernatural.

**HS: Have you seen any ghosts?**

**GD:** Oh, yeah, of course. My life is very different than everybody else's life. I've known it since I was a kid, so it's not some big revelation to me.

**HS: Did something happen to you as a kid that made you realize this?**

**GD:** You experience things that other people

don't experience. You are more in tune with things that other people aren't.

**HS: What do you think of UFOs?**

**GD:** I think that we are not the only living creatures that occupy this whole universe.

**HS: Have you ever seen a UFO?**

**GD:** I don't know if it was a flying saucer, but back East there was a radio tower there, and we always would get buzzed by UFOs, and when I say UFOs, I mean unidentified flying objects; no one knows what it was.

**HS: What do you think of Satan?**

**GD:** It depends on which Satan you're talking about, because there are so many versions of it. Different religions have their own version of it; some people don't even have a version of it. As an independent character, a voice of rebellion, a voice of challenging the status quo, it's probably the best role model out there.

**HS: Do you think there's an actual being called Satan?**

**GD:** I don't believe or disbelieve. I'm open.

**HS: I heard that one of your assistants freaked out and became a born-again Christian.**

**GD:** That's what I had heard. But at the end of the day, I think that was a weird phase they went through and then they went all crazy again like a month or two after that. It wasn't an assistant; it was someone I hired to edit the Verotik line. That editor got all mixed up on drugs.

**HS: What do you think of drugs? Are they good to experiment with?**

**GD:** It depends on the drug. And I can't tell you not to do it, and I can't tell you to do it. I would say, if you are going to do it, you should do it when you are younger and not older. Your body can take it better, and I think older people tend to use drugs as a crutch, and younger people tend to just do it to have fun. I think mentally you don't really care so much about it when you're younger; it's just something fun to do because you're bored. When you're older, I think you do it because you have problems. It can be a little more addictive, more of an escape.

**HS: Did you get to meet Ray Orbison when you wrote a song for him?**

**GD:** Yeah. I first went over to his house in Malibu and we practiced the songs, and then went into the studio for a week or so doing the track. He's a nice guy.

**HS: Same with Johnny Cash?**

**GD:** It was similar. I think Cash was darker, but not any less a Southern gentleman, which is what they were. You would never realize that

they thought they were stars; they were just so humble and nice.

HS: How did those songs come about?

GD: With Roy, Rick Rubin asked me if I knew who Roy Orbison was, he was thinking of putting him on some record. I said, "You got to." He said, would you write him a song, because he was having writer's block at the time. I said, "Fuck yeah, I would write a song." With Johnny, he had heard the song I wrote for Roy and asked if I was available to write something for him and they called me up and asked if I knew who Johnny Cash was, and I said, "Fuck yeah. Of course I know who Johnny Cash is, you retard." And they asked if I'd write him a song, and I said, "Hell, yeah." So that was really cool.

HS: Have you ever considered doing Roy Orbison songs, or other older covers?

GD: I thought about doing a cover record for a long time. The Misfits were going to do a Roy Orbison cover, but we never did. If I ever do a cover record, maybe I'll put one on there.

HS: What other songs would you cover?

GD: It would probably be the weirdest, most eclectic blend of stuff.

HS: I heard that when you went on tour with Marilyn Manson, they kept trying to get kicked off the tour so they would only play two songs and then quit before you were ready to hit the stage, and all of this other crazy stuff. Is that true?

GD: No. I don't think they ever only played two songs. They played full sets.

HS: Did they get kicked off the tour?

GD: No. Who said that?

HS: I just heard a rumor about that.

GD: That's bullshit; who told you that? The only bands that ever got kicked off the Danzig tour was Powerman and Disturbed. Disturbed didn't

kind of oversee Doyle's little thing of Misfits stuff.

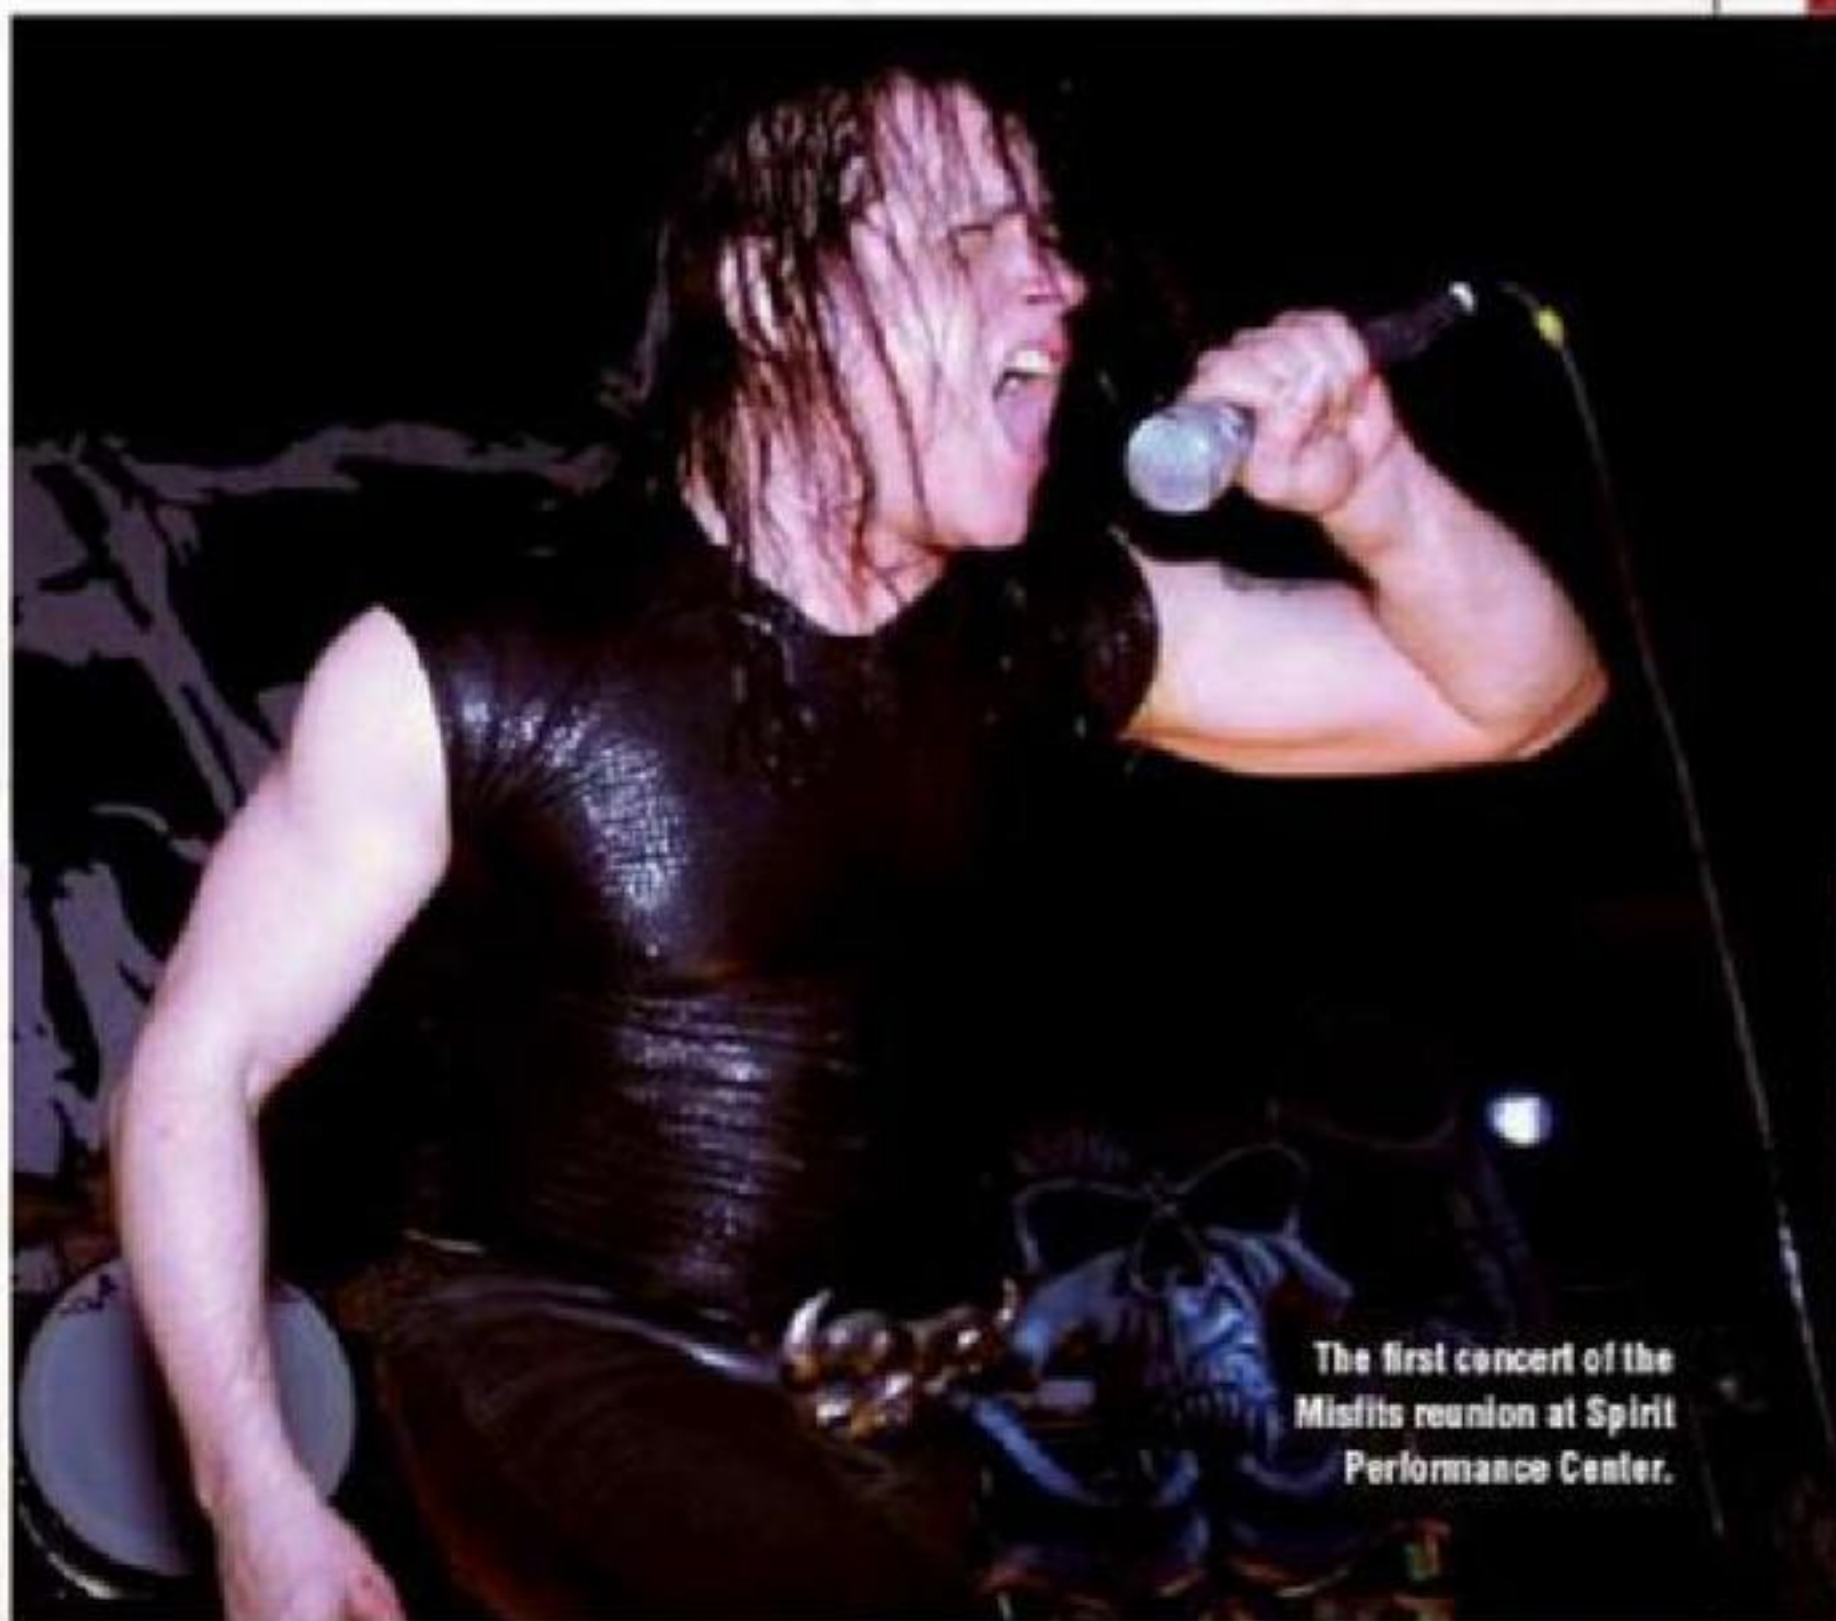

HS: Was it true that they couldn't use the name "Misfits" because that was the name of Jem and the Holograms' rival band on the cartoon series "Jem"?

GD: No. If there was a lawsuit, they would have lost because we had the name way before that.

GD: Well, it was really only Jerry, because we had so many drummers. And I think Doyle was the only stable guitar player we ever had, and I think he isn't talking to his brother [Jerry] at all. It's not gonna happen.

HS: Are you sick of touring?

GD: Yeah. I'm not sick of playing live; I'm sick of

The first concert of the Misfits reunion at Spirit Performance Center.

That's all Internet bullshit, dude. You live on the Internet too much, man. You have to look out in the real world.

bouncing around on a bus and humping around my shit.

HS: Do you have any weird fans?

GD: Yeah, I have a lot of weird fans. I have a lot of nice fans. I would have to say for the most part they are all pretty nice. I do have that weird little percentage that are nuts. I don't want to escalate it by telling you what they do.

## "Porn is just like any other medium; there's good and there's crud!"

show up for one or two shows so we kicked them off. They were the opening act anyway so it didn't matter. And Powerman, similar, they just started to act like assholes on the road, so they ended up getting dumped half way through the tour, and we took out Cold Chamber.

HS: What do you think of porn?

GD: It depends. Porn is just like any other medium; there's good and there's crud. There are people who do a good job, and there are people who don't do a good job. I know they just did Ed Lee's Grub Girl, which is one of our characters off of Verotik. They just did that as an adult movie, directed by Craven Moorehead.

HS: Do you have a favorite porn star?

GD: It changes all of the time, because they come and go so quick.

HS: Do you still get a piece of Misfits merchandise?

GD: I own my brand and Jerry owns his, and I

HS: Well, I'm in the real world now, and I'm going right to the source, and I'm asking you.

GD: That's Internet crap, though. Actually, I think they got scared of getting a lawsuit from us, and I think they just ended up not using it anymore. I think the show was such a disaster anyway that they just canceled it all.

HS: That was supposedly why the Misfits hadn't played for a long time.

GD: No, the Misfits had broken up. Those guys didn't come back around until '95 or '96 because they thought there was a dollar to make. That's really what it was all about.

HS: Will the original line-up of the Misfits ever get back together?

GD: The thing that Doyle and I did last year was probably the closest you'll ever see to anything like that.

HS: You don't get along with the other members?

**W**ith a name like Malou, words like exotic and erotic immediately *cum* to mind. Our twisted, oversexed brains are transported to some South Pacific island beach, sitting at a tiki-bar, catching sight of this gorgeous blonde bombshell with the golden tan and the million-dollar smile. Imagine she brings you back to her bungalow for a little striptease act, xxx-posing her shiny, suckable nipples and that tight, freshly-shaven pussy. Once she slips her finger in that tight little snatch and diddles herself to a moaning, groaning, oozy-coozy mess, that's your cue to spew your gool!

# LINDSAY LOHAN FIRE CROTCH NO MORE!

Our favorite tabloid queen, Lindsay Lohan, is grabbing raucy headlines yet again. The 20-year-old Hollywood A-lister has reportedly begun receiving treatment with Alcoholics Anonymous to try to curb her partying ways. No sooner was she spotted leaving AA meetings than tabloid trackers spotted Lindsey attending the newly-single Britney Spears' 25th birthday bash a few days later! Before Lindsay's walk on the straight and narrow, one saavy shutterbug with an eye for pie was able to snatch this photo of Lindsay's bald beaver as she got off a boat on her way to the Venice Film Festival. It appears the *Prairie Home Companion* actress forgot the companionship of her panties as she stepped on dry land, x-posing her Tinseltown twist for all to admire! LL did some kind of groom-job to her famously-fire-red bush, opting for a clean-shaven snapper to flaunt to the cameras!

## OOPS...I DID IT AGAIN!

Speaking of celebrity twat shots, recently-single Britney Spears turned heads and stiffened rods everywhere when she flashed her snatch (yet again) while getting out of Paris Hilton's ride as the dynamic duo set paparazzi lenses on fire by reportedly partying it up in LA on the heels of Britney's break-up. Later, unbeknownst to Britney, her ass hung out of her skirt, revealing a great backside peek-a-puss! Rumor has it Paris also reconciled her feud with fellow crotch-flaunting partygirl Lindsay Lohan (left) that night, and the three party princesses returned to Paris' pad to spend the night! Wouldn't you like to be a fly on the wall?

# MONICA, LEE & KATSUMI

## PRIME REAL ESTATE

When she's not getting fucked on camera, Katsumi tries her hand at the real estate game. They say the money's good if you're a real "people person." Her first client was none other than her hot friend and fellow porn star Monica Sweetheart, who went with Katsumi and their friend Lee to check out some California properties. Monica and Lee seemed to like the space just fine, but Katsumi thought it best to seal the deal—the only way she knows how! She moved in and grabbed a hold of Lee's pecker, shoving it in her mouth and pussy before sharing it with Monica's muff. The two girls got fucked silly and spewed on, Lee got his rocks off, and Katsumi fucked for money yet again. You can take the star out of porn, but you can't take the porn outta the star!
