PRIMING THE PUMP FOR A MECHAFUCKER

NATURE'S BOUNTY

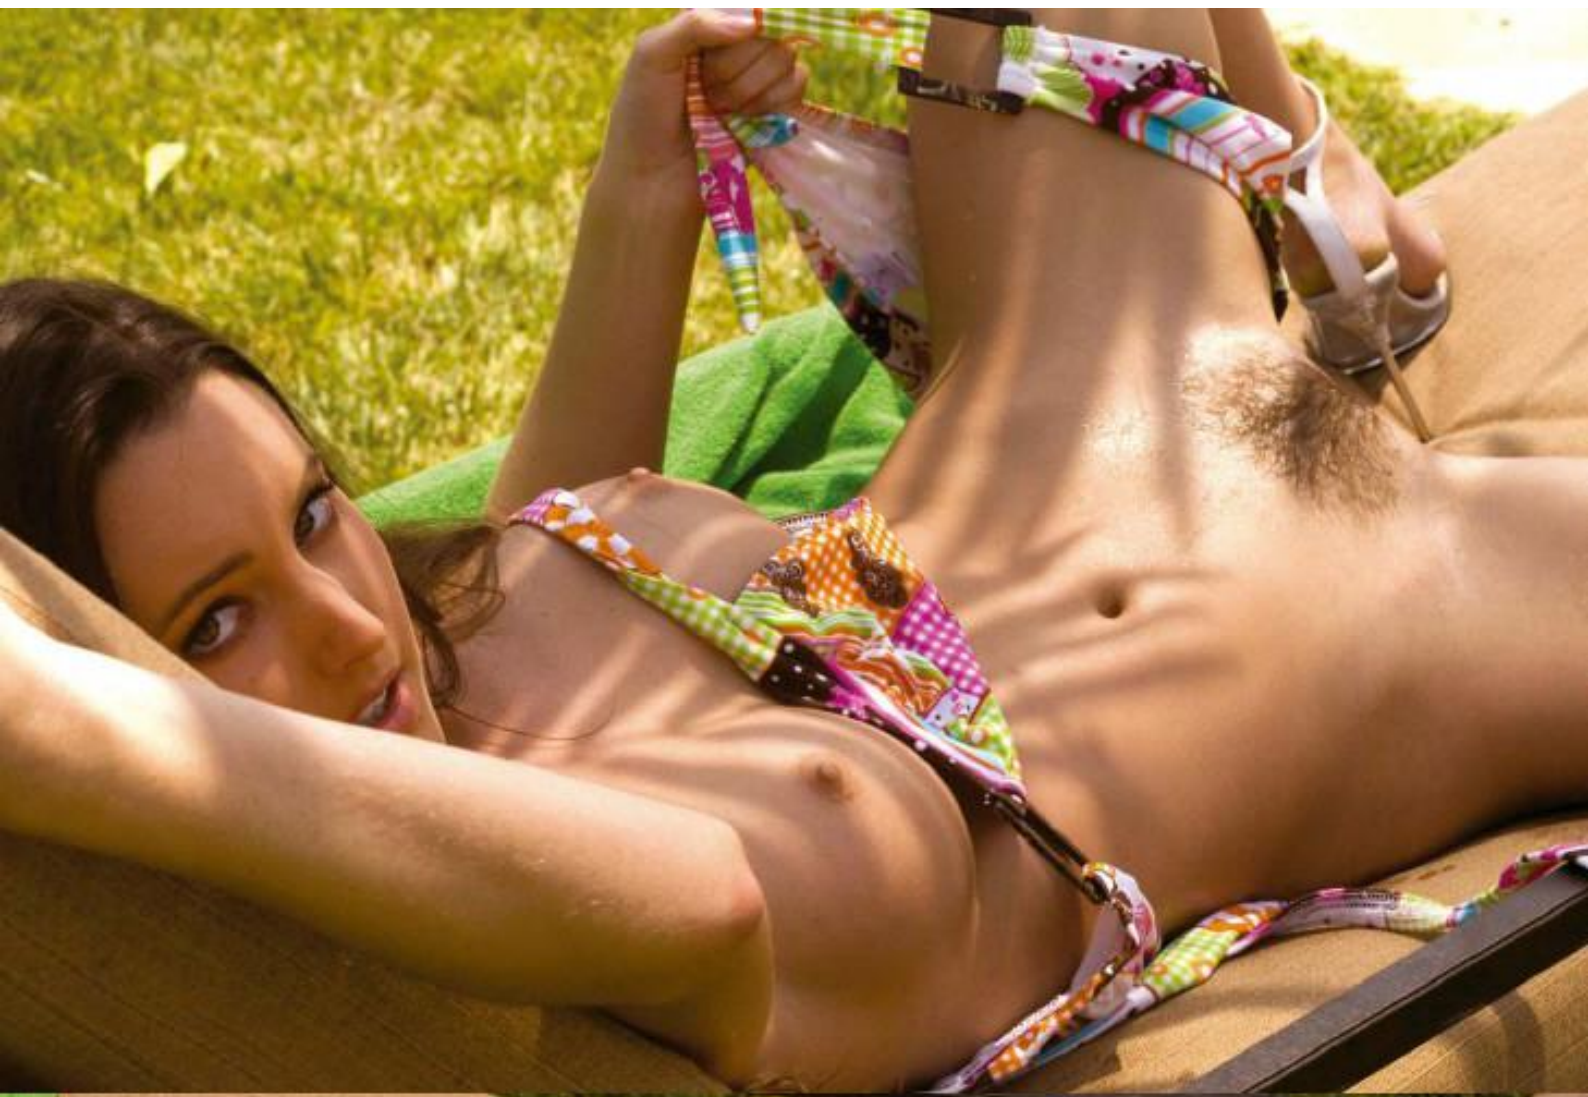

Ellyson is a real nature girl. She loves the sun bronzing her tender body on a warm summer day. A bit of a 70's throwback, our young muffin sports a funky little afro bush and a laid back attitude as she chills and finger fucks her pussy by the pool. "I love getting fucked in the outdoors," explains Ellyson as she diddles her clit. "I like the sun, the breeze, the birds chirping—it's really primal!" Hey, far out, baby, whatever gets you off!

CHECKING THE OIL

We all think of lesbians as pussy lickers and cunt lappers. But really, they just like playing with holes. Eating pussy is nice and juicy, but there's another hole going virtually ignored right next door! Luckily these hot lesbos took notice of each other's anus and decided to start stuffing their bungs with fingers and fuck toys while eating pussy at the same time. Waste not want not!

BLEW COLLAR BITCH

Rebecca Linares is a well-known anal queen among porn fans. And wouldn't you know it, these two horny meatheads knew exactly who Rebecca was when they under-bid on a small repair job to fix her staircase. Realizing they would barely turn a profit, our hired help was looking for a far more rewarding payoff for their labors—and struck oil when Rebecca walked into the room half naked and let them take turns fucking her asshole and cumming all over her!

BIG TITS & HOT LOADS

ON THE SET OF *Red Light District's*
110% NATURAL #14

The title of this highly-acclaimed series from Red Light District says it all. Five overly-stacked, big-titted beauties share 1 mission: to suck and fuck their way to a hot load of cum! *110% Natural #14* delivers gigantic jugs jiggling to the beat of a good pussy pounding (and, in some cases, a thorough ass-reaming!) With a cum-drenched cast of cock suckers and a whole lotta monster melons, we went behind the scenes to see what all the shaking and quaking was really about...

Red Light District
TM

Adrianna Nicole gets
crammed in both holes!

Fayth Deluca spreads and rides Mark Davis.

With 5 scenes and more than 3 hours of non-stop action, *110% Natural #14* has found a winning formula for filth. And trust us when we tell you there's NO filler in this flick—unless you count the ladies' pussies and assholes getting filled with monster meat poles!

The action is wild and bouncy right out of the gate as natural-knocked Nikki Cooxxx jiggles and oils her jugs before descending on John Strong's dong for a wet warm-up fellatio round. Once his cock is throbbing, Strong spreads Nikki's fishnet-wrapped thighs and delivers a dirty doggie drilling, with Nikki looking slutty and sexy bent over the couch and gasping for breathe in between moans of pleasure. Once Nikki hops on top for a thumping dose of reverse-cowgirl, we quickly get a sense of what's to cum next—namely, John's juicy jizz blast all over Nikki's bouncing balloons!

Next-up is fun-bag-favorite Fayth Deluca and the filthy Mark Davis. If ever there was a perfect teaming for a big-titted reaming, it was the pairing of these two in the second scene! Mark's stern, hardcore approach and Fayth's gentle swagger provide an on-screen contrast that adds to the edginess and explosiveness of this deep-cockin', tit-knockin' marathon! After an intense, hardcore finger-fucking, Fayth has her pussy all juiced up and ready for some deep, squeal-inducing reverse-cowgirl, so intense we weren't sure whether to watch the piston-drilling of Fayth's fuck-hole or the richter-scale-quaking of her giant tits (so we decided to rewind and concentrate on both...several times over). Regardless of what body parts you focus on during this deep drilling expedition, you'll love the way this xxx-plosive scene finally ends—when Fayth's ability to squeal is abruptly ended as Mark drops a monster load down the back of her cum-starved throat! Like a squeaking baby bird asking to be fed, Fayth is silenced—be it with a mouthful of semen!

Nikara bends and jiggles!

Nikki the Sex Queen!

The more flexible, the more fuckable!

Honey DeJour is
fucked speechless!

Nikki Coxxx earns her name
the HARD way!

Serious hang-time!

Anal freak Nikara gets her
bunghole probed.

Fayth gets fed after giving head.

Seems as though Nikki's a natural redhead!

Honey gets stuffed in her mouth and muff!

Adrianna Nicole takes TWO poles!

The third scene of *110% Natural #14* introduces Honey DeJour, a brace-faced beauty who gets reamed in a seismic 3-way. Each of her horny holes get crammed with cock—and she takes quite a tag-team anal cavity dick-probing—until the scene finishes with a double-tit splash!

We knew there had to be one extensive anal pounding in this movie, and we found it in the fourth scene, as Nikara the giant-titted anal freak stepped up to perform in her scene. If you like big breasted women getting banged in the back door, this is your scene. Her double dose of dick meat takes turns working her gaping brown-eye, until they finally pull the trigger and glaze Nikara's nipples full of sticky cum!

The final scene of the movie sure ended things with a bang! Tattooed and lewd, Adrianna Nicole steps in to get the DP drilling of a lifetime from John Strong and Mark Wood! The action starts quickly as Adrianna gets crammed with cock in the kitchen. Double-teamed at every moment, Adrianna's beautiful boobs hang and bounce as she gives head and gets slammed in her ass. Moaning and groaning while her jugs jiggle and wiggle, this monstrous scene concludes with a ferocious anal pile-driver deep into her puckered button, gaping her young asshole and making a splooge-soaked mess out of her used-up body!

So many big tit movies lack the variety and hardcore edge that Red Light District has delivered here in *110% Natural #14*. Five uniquely-freaky scenes keep the action fresh and full of tit flesh, delivering hot and heavy action with truly explosive endings—a real mammary masterpiece that's well worth watching!

Nikara gets her giant tits glazed
with goo!

FUCK MACHINE FRENZY

DEEP-SPACE DRILLING

The year is 2035, and even though sex is voice activated, orgasms are still earned the old fashioned way—with machines! **Aliana Love** lies down on her post-modern kink bed with a wide selection of dildo fittings for her favorite fucking machine, **The Bunnyfucker**. Armed with a cock-starved clit and an incredibly horny sexual appetite, Aliana is ready to live out her futuristic fuck fantasy! The fucking machine is voice activated, but the robot has a mind of its own as Aliana gets sweaty and stretched, dripping cum all over the gears as she fucks her way to outer space!

THE LATE SHOW

It's anything but an average night for newcomer **Kacey Villainess**, who is home alone with a copy of **HIGH SOCIETY** and a fucking machine named **The Monster**. She unwinds with a little clit foreplay and then uses her remote control to drive The Monster deep into her pussy, until she is stretched and cumming. Her perfect, round tits and tight body grind the night away until Kacey is tuckered and puckered!

entourage babes get naked!

BY RAMSEY STEELE

Readying for its fifth stupendous season, *Entourage* continues to click with the ever-desirable male demographic of TV watchers, just as it continues to fill the screen with the kind of tantalizing Tinseltown temptresses that us normal joes have come to lust. We last checked in on the hot Hollywood muff that populates the *Entourage* canvass a couple of years back, so we figured it was time to tune in once again. And believe us when we tell you, it's been a good couple years for the show, which remains television's most exciting examination of Hollywood hedonism. Take a look at the next few pages and tell us we're wrong...we dare ya!

perry reeves

"MRS. ARI"

The wife of *Entourage* movie star Vincent Chase's (Adrian Grenier) super-agent Ari Gold (Jeremy Piven), Mrs. Ari (as she's referred to by her hotshot Hollywood husband) may tolerate her spouse's unending bullshit, but she sure as hell gets what she wants in the end. And happily for Ari, this far-from-desperate-housewife puts it all together while maintaining a formidable figure and surprisingly arousing attitude.

Erotic encounters when not part of *Entourage*:

Kicking & Screaming (1995)

carla gugino

"AMANDA"

Curvaceous Carla Gugino's Amanda becomes Vince's new agent midway through Season Three, not long before getting down and dirty with him to further cement the relationship. She ultimately quits the job and breaks up with him, but, happily, not until Vince has made her work damn hard for her 10% commission!

Erotic encounters when not part of Entourage:

Judas Kiss (1998)
Sin City (2005)

beverly d'angelo

"BARBARA 'BABS' MILLER"

A regular on *Entourage* for the past two seasons, Barbara "Babs" Miller first came on the scene as Mandy Moore's agent—and, inevitably, a rival of Ari Gold. Well, that was soon to change as she and Ari ultimately came together (now ain't that nice?) and formed a joint partnership (The Miller-Gold Agency) a season later. A balls-to-the-wall businesswoman and hot-as-hell hellion, Babs is always ready to give Ari a run for the money!

Erotic encounters when not part of Entourage:

Vacation (1983)
Women in Film (2001)

malin akerman

"TORI"

Magnificent Malin popped up in a pair of Season Three episodes as Tori, the best friend of co-star Kevin Connolly's on-screen girlfriend Sloane (Emmanuelle Chriqui). No mild-mannered girl is this torrid blonde Tori, as she initiates a sizzling ménage à trois between the three and sets the whole series a-flutter.

Erotic encounters when not part of Entourage:

Harold & Kuman Go To White Castle (2004)

bai ling

"LI LEI"

When Ari gets Vince a high-paying gig acting in a foreign TV commercial directed by a well-respected Hong Kong special effects guru, a martial arts training session is in order. Enter Bai Ling as trainer Li Lei, who teaches Vince a thing or two about Asian intimacies—and then some. Next thing you know, it's the Chinatown shuffle!

Erotic encounters when not part of Entourage:

Edmond (2005)

jennifer hill

"CHEYENNE"

Season Three offered viewers a hot-rolling Las Vegas episode entitled, unsurprisingly, "Vegas Baby, Vegas!" The boys head to Sin City for a vacation when Vince is offered \$100,000 to make a special promotional appearance. It's lucky for them that the appearance revolves around Vince judging a stripper contest. It's lucky for us, too, as that's how we first set eyes upon Cheyenne, Jennifer's show-stopping stripper.

Erotic encounters when not part of *Entourage*:
Ice Queen (2005)

heidi hawking

"STRIPPER"

Speaking of strippers, there've been a whole helluva lot of them in *Entourage* over the past four years! Still, the most pulchritudinous of the pole-dancers remains the luscious, unnamed lady from the Season One entry "The Scene," wherein Vince and company get down to business at L.A.'s infamous Chateau Marmont.

Erotic encounters when not part of *Entourage*:
Grandma's Boy (2006)

HOT STUFF

Meet Gina, our delectable new centerfold. This blonde hard body loves to spread her legs apart, flashing her picture-perfect pussy and the cutest little ass you ever did see! We were amazed how her ass gaped open just big enough to shove your dick into. "Oh, there's a reason for everything," Gina explains about her open back door, "it didn't get that way by itself!" We'd sure like to stuff this young muffin where it counts!

NIP SLIPS

Most celebrities don't like to air their dirty laundry, but these Hollywood hunnies sure do like to let their puppies breathe on occasion! And if that occasion happens to be in front of the horny lenses of the paparazzi, well, lucky us! Check out these terrific Tinseltown tits as HIGH SOCIETY proudly presents our Top Ten Nip Slips!

Irish eyes were smiling in Belfast when Brit's tit peeked out of her kinky costume!

Actress Mischa Barton looks more like Dolly Parton after a breast bounced in London.

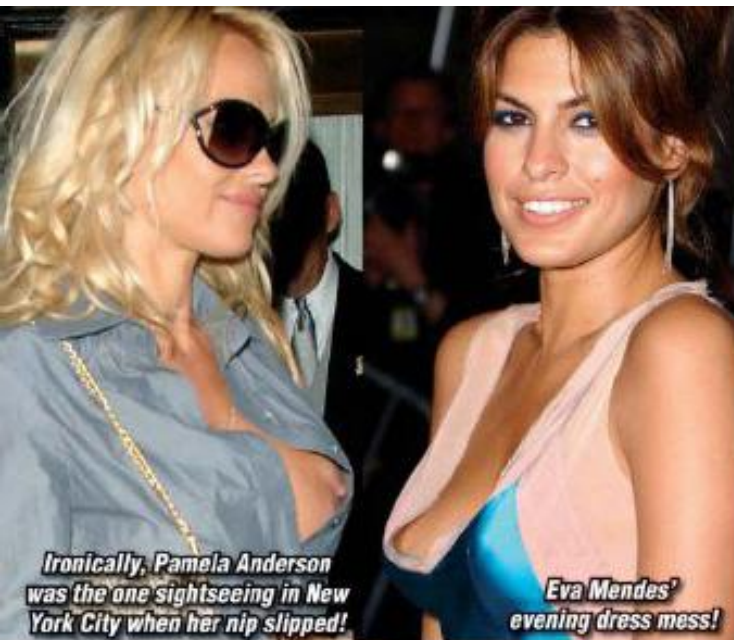

Demi's see-through peek-a-boo shows some serious MILF mammaries!

Ironically, Pamela Anderson was the one sightseeing in New York City when her nip slipped!

Eva Mendes' evening dress mess!

Lindsay Lohan flashed some perky pink nip while frolicking with Callum Best in the Bahamas.

ROBE MALFUNCTIONS!

FEEDING FRENZY

What's better than fucking a cock-sucking slut who likes to take it in the ass and eat cum? Well, not much, actually—unless she brings along her sperm-starved friend who's even more twisted and sex crazed! Doubling down on a dick, these filthy fuck hounds share a hard cock between their gaping asses and cum-hungry mouths, deliriously licking clit and dick until their mouths are filled with a milky warm batter, and their jizz jones is suppressed...for now.

KINK GOES PINK

Just because it's kinky and fetishy doesn't mean it has to be about black. This dutiful duo happens to know that when it comes to ass worship and pussy-licking obedience training, it's all about the pink! Our docile blonde seems to agree as she gets face fucked and reamed by her stunning brunette mistress.

THE MAKING OF VIV THOMAS' UNFAITHFUL

by Spunk L. Davis.

For more info visit: www.unfaithful-movie.com

Viv Thomas had been reading an open internet forum for lesbians and lesbian movies. It was a rant from a middle-aged lesbian saying how she didn't like the way our films had taken on such an austere format. It blasted 'you-do-me-I-do-you' scenes, multiple castings, and unrealistic

settings. She wanted to see sex which wasn't heavily directed or set-up. She wanted to see the same two girls making love at different times, and she wanted the girls to be genuinely into each other, and what they were doing.

Viv considered the woman's request: How could one make a film with just two girls? What if people didn't like them, or wanted more variety? How could we be sure they'd connect for that spark of realism we so desperately sought? Which two girls could we possibly use to pull it off?

If it was going to be about two girls, it would have to be about their relationship, including the difficulty they face being lesbians, the 10 year age-gap issue between the girls (Nella and Lisa), and essentially

feel like a nouveau lesbian-reality-porn! Along came *Unfaithful*, about a woman who's infidelity was destroying her perfect relationship with her young lesbian lover. A third girl played a physiologist who counsels Nella through these problems, and at the end of the movie becomes "part of the problem" being a lesbian herself. The focus stayed on the sex, the intensity of the lust, and the love between the girls.

The girls had given us something which we hadn't prepared ourselves for: genuine, unadulterated, flowing, natural love-making. They had the enthusiasm and the experience to do things we couldn't have faked, and each and every orgasm we filmed was one hundred percent real, without a doubt. It was true lesbian love—with a twist.

Unfaithful co-stars Lisa (licking) and Nella (kneeling).

Unfaithful became our fastest selling title. It brought hordes of real lesbians to our website, and we received letters and emails thanking us for making something like this.

We introduced other characters into the story, who would in-turn affect the course of the plot. These were girls who we knew would fit into this kind of film. They were girls who were genuinely into lesbian sex, and not just 'gay-for-pay' performers. The first film had set a precedent, a benchmark—something we had to live up to! We were now ready to shoot *Unfaithful 2*.

The story would continue where the last one left off, but this time we would go back in time and see how the girls first met, and how their relationship began, with Lisa cheating on her then girlfriend to be with Nella. It was how they fell in love, and it was how they eventually split up. More of an erotic movie than a porn film, it's 60% sex, 40% story; a fully explicit film for couples that had to be intensely erotic, so much so that it would turn anyone on, even someone who usually didn't like watching girl-on-girl. It had to be something no one had ever done before.

And indeed, *Unfaithful 2* felt totally different from anything else we'd done up until this point. It was more art-house in it's style than ever before, with a wonderful score by the Swiss-French Greg Lusted. Behold the lesbian reality erotica feature you've always dreamed of as we go behind the scenes of *Unfaithful 2*.

REPORTS FROM THE SET OF UNFAITHFUL 2

DAY ONE:

In Day One we filmed a scene with Lisa and Mya Diamond. It was at night, and the girls come home from a night out. It starts downstairs, with them making-out as they come in through the front door and into the lounge—then onto the sofa, and finally the bedroom. I couldn't stop staring at Mya's body. I don't know how many times I've said it, but that girl has the most amazing, unbelievable body: small, tight, everything is perfect, her breasts are big for her frame, and they stand proud on her chest, her nipples plump and pink. The contours of her ass and her waist are like a work of art. She truly does have one of the best bodies in the business, and I'm amazed she isn't much more popular. I urged the guys to work more with her this year.

I could see by the glint in Lisa's eye that she was excited. Lisa and Mya connected, the fires were lit and they opened up to give the camera exactly what was needed to start this movie—real, furious lust. Lisa gave Mya an orgasm, eating her asshole out whilst fingering her wet, pink pussy. At this point it was clear that *Unfaithful 2* was off to a flying start!

DAY TWO:

The first thing filmed was a series of nonsexual scenes for the movie. The girls have come on as actresses, and are really taking to their roles. This passion and reality really electrify the on-set atmosphere. Lisa and Nella brushed each other's hair back, smiled at each other, and played with each other's hands. This alone was really turning me on. That intense sense of passion made the air around me thick and hot—something special was about to happen!

This was the greatest scene I have ever been privy too! I've never sat through a scene where the only noises which could be

heard were a faint gasping for breath, the moans and sheltered groans of unbridled pleasure, the sloppy clicks and pops of a fully aroused pussy being kneaded and loved by a lover's mouth, the sound of soft lips pressed up against each other, and tongues making love inside mouths.

Nella and Lisa were reunited today, and I have a feeling that erotic, adult movie making has turned another corner. I've never seen two women making love with such a genuine lust for one another. I wasn't sure that intimacy could be captured so genuinely in a professional environment, but it was!

DAY THREE:

Today I met a new girl who calls herself Ariel. She has a really cute face, red hair, pale white skin, a lovely shapely body, and a fabulous pair of breasts. Full, heavy, comfortable, soft boobs, with medium sized, very pink, defined nipples. Ariel plays a Czech friend of Nella, who comes around late one night to comfort her. It was an interesting scenario, because Ariel is playing a straight girl. The scene starts with the two girls drinking wine and talking about sex, relationships, love, and orgasms. Ariel tells Nella that she hates her boyfriend—he's lazy, and he never goes down on her! She jokes that sometimes she wishes she could be like Nella, in love with a woman. The two girls shared a moment of silence—eye contact, a connection, a spark. Neither knows how to react, but they both know there was something in it. Suddenly, some passionate French-kissing began. Ariel's body was worshipped by Nella, and the glint in her eye showed she was trying, but could not hold back the pleasure vibes rippling through her body. Every inch was kissed and caressed. It was intense and the room was heavy with female scent. Ariel came, her orgasm was one of those powerful muscle orgasms. I could see how Nella found the button when she was sucking and licking Ariel's clit, and it built, and built, and finally Ariel let it go! It was unbelievable. Her whole body went into a uncontrollable spasm and Nella held on tight to her thighs to make sure it was complete.

DAY FOUR:

Today's scene was a flashback. Lisa thinks back to when she first met Nella, whilst she was involved with another woman. We see their first glance into one another's eyes, the first words spoken to each other, the first flirtatious stares. After the set-up Lisa ends up in Nella's apartment, and she gets to know a very confident young woman, very sure of herself, very forward and direct—and very horny! It started tender, with a long sequence of foreplay, Lisa working Nella up, making her relaxed, taking charge and stimulating her so much that Nella would lose herself. This, of course, crescendos into an intense lesbo tryst of kissing, licking, and fingering each other to the limit!

Unfaithful 2 is the greatest film I have ever been involved with. It's a perfect example of the path we are walking, and the direction we'd like to see more of our movies going—more sophisticated, more natural, more emotional, and more intelligent erotica for adults.

Day Three brought with it a red-headed Ariel assault!!

POOL LAPS

Charlie Laine & Neveah aren't what you'd call "accomplished swimmers." In fact, they rarely ever even make it into the water. These playful, perky pals like to work on their tans—and work up a good orgasm as they lap pussy by the pool. Once these sexy lasses strip off their bikinis, the real vacation starts—right between their thighs!
