SHAY'S

A full-page photograph of Shay Laren posing on a brown lounge chair. She is lying on her side, propped up on her elbows, looking back over her shoulder at the camera. She has long, wavy brown hair and is wearing a dark, patterned bikini top. The background shows a swimming pool and a blurred view of a house or building.

Look at those perfect tits hanging in all their natural beauty—and that well-sculpted ass, with a tight pink pussy tucked below. Shay Laren has never looked better; she's rearing to go, crouched doggie-style by the pool, looking back to see if you're ready to take the ride of your life! So fasten your seatbelts fellas, because this HIGH SOCIETY favorite certainly lets it *all* hang out this time—and the results more than speak for themselves.

SMOTHERED n' COVERED 4

Acme Andersson

Brianna Love

Claire Dames

Rebecca Lane

Rachel Starr

Rosario Stone

Director Mark Wood is very particular about the girls he casts in the Smothered n' Covered series. It's all about the ass and the auditions are notoriously strenuous. Wood inspects each girl personally, and this is not just a little look-see.

He starts by sticking his face between the girl's cheeks, checking requirement one, which is that he must be able to get lost in a girl's ass. Then there's the jiggle test. And the taste test. If he's still undecided, he'll take the girl for a little test drive.

Five girls passed the test for Volume 4: Claire Dames, Rachel Starr, Rosario Stone, Rebecca Lane and Brianna Love were all deemed worthy of appearing. Was all of Wood's rigorous screening process worth it? Absolutely!

Claire Dames & Mark Wood

Claire meets with Wood's wife, Francesca Lé, who thinks that this girl is just what the director is looking for. "He's really particular," Francesca warns her. Undaunted, Claire says she is certain that Mark will love her.

After subjecting the brunette lovely to his three-pronged ass test, she goes that extra mile to convince him by taking his dong in her mouth for a very persuasive blowjob. Once Claire has been introduced to cock, there's no stopping her. She asks Mark if she can get on top and ride his cock and Mark, no fool, grants her wish.

With Francesca working the camera and encouraging the pair, Claire quickly finds her rhythm and bounces energetically on his long schlong. First the focus is on her ass, then she turns around and displays a rack every bit as impressive as her bumper. Mark then bends her over, giving him a clear view of that sweet backside. As he plows her doggie her huge tits flop wildly and her nipples practically drag on the ground.

After taking each other through the ringer there's only one thing left to do—share a load with the fine lass. He jerks off onto her mug and she gives his pop a smear right into her mouth.

Insane in the membrane—
of Claire Dames!

Brianna slides down on
Mark's Wood!

Rachel Starr samples the product.

Rachel Starr & John Strong

She loves her boobs, she loves football and she loves cock—she's the perfect girl! Of course, the requirements for this movie go beyond sports and sex, there are mandatory physical attributes.

Mark checks out the behind on Rachel, bending her over a small stool, which is quickly swallowed up by her massive flipside. She shakes and jiggles and Mark is duly impressed. No doubt he'd take her for a ride himself, but that's why he brought John Strong along.

John gives her the taste test, which she seems to pass as John spends a good long time between her buns. Rachel returns the favors, giving his cock the gobble-and-gag. After a bit of this John finally allows her to take his pink steel in her perfectly-shaved snatch. She gets on top, ass to the camera, lifting and dropping in remarkable fashion.

John takes control after that, pumping her from behind, below and even the side, her tight twat gripping his cock as it thrusts in and out of her girlhole. It's the standing doggie, with Rachel's fingers dancing on her clit, that finally gets John ready to pop his fresh load. She asks him to cum in her mouth, and he agrees. Rachel drops to her knees, opens her moan hole and looks up at her man. He blasts, she swallows, gobbling all John's residue into her hungry tummy.

Rosario Stone & Mark Wood

Like the other girls, Rosario takes a lot of pride in her derrière. Once the camera is turned on, she does a long, playful sequence of showing off her sweet cheeks. She struts and shakes until Mark comes along and sticks his nose into her business. He rims her ass and squeezes her cheeks.

That seems to get his motor running, because when Rosario gets her hands between his legs his pecker is up and ready. Just to be sure, Rosario pops his cock in her mouth while giving him one of the most impressive handjobs a person will ever see. She then

When you wish upon a Starr—you'll pop a serious nut!

Oh Rosario!

TM

gets on top and finds her Latina rhythm as she bounces on his pole, muttering motivations in Spanish. Mark may or may not speak her tongue, but no doubt he grasps the meaning of what she's saying—she wants to be fucked harder.

By the time he bends her over the couch we are officially in bilingual territory. In the frenzy she goes completely native. There's no misunderstanding when she is squealing and shaking beneath him, her digits going wild on her clit and shouting "Si! Si!", that she is having a whorégasm.

Then it's Mark's turn and she gives him an impressive handjob, jerking his wad right into her mouth. She smiles for the camera and gives him one last sniff of her sweet ass before saying goodbye.

Rebecca Lane sucks...

...and screws Mr. Pete's meat!

Rebecca Lane & Mr. Pete

Few things show off a fine ass like a little bikini, so that's exactly what Rebecca wore to the set. Hot pink. The strumpet gives a walk-by, then goes for the pool, where she pulls down her bottoms and dips her ass into the water. Then the top comes off, showing off her relatively small tits. After some splish and a little splash, she heads into the house where Mr. Pete awaits.

With no introduction she sits on his face and he licks her twat while breathing in her ass. Soon she is doing some tasting of her own, sliding Pete's shaft into her mouth. They twist into a 69 position which they hold until Pete simply must penetrate her. He props her up on the couch, her plump ass high in the air, spreads her cheeks and gives the ho his heave.

She's a loud one, moaning noisily through gritted teeth as Pete takes his turn with her hole. He grips her cheeks as she presses toward him in an effort to get every centimeter of cock inside her. Pete drives her through all the positions, finally settling on a sideways doggie to get his rocks off. He offers up a king-size load, plopping the first few rounds on her tits, yet thoughtful enough to leave the rest on her face and mouth. She cups her tits, licks the cum off them and smiles for the camera.

Brianna Love & Mark Wood

By the time you read this Brianna may well have gone through with the boobjob she's been threatening, but here we see the vintage 34A model. Either way, she's a beauty and has arguably the finest booty in Pornoland.

As the director, Mark takes Brianna himself. She very slowly leads him upstairs, stopping to bend over teasingly. Finally upstairs, not a moment is wasted as Brianna, who quickly turns into a sex kitten. Mark puts his mouth on her onion ring and Brianna appears more than happy to have her tunnel tasted.

Once Mark finally comes up for air it's time for Brianna to put her ass to work. She gets on top, his lengthy meat sinking easily into her snatch. Her cheeks ride up and down while she turns around to look at the camera, telling Mark to squeeze her hips and fuck her harder.

Mark saved the best for last, with the brown-eyed girl eager to take his choad in her backdoor. As he thrusts harder and faster she tells him to "Take my ass! Take my ass and cum all over my face!" He complies, splattering jizz all over her pretty mouth (and pretty face and pretty little titties). She shows the load to the camera, swallows and giggles her goodbye. A fine sendoff.

THIS MACHINE IS JUST RIGHT...

Sophia Lynn is a sweet, blonde, girl-next-door type looking for a new kinky experience. She strolls through the fetish halls looking at the shackles, whips, and spraying water towers—but still nothing seems quite right, until she walks past the machines in the sci-fi set and her curiosity takes over. **The Black Magic** gets her started, but it's **The Dragon** where she gets pounded until she jumps right off the machine!

CALIGULA

THE SECOND CUMMING

STUNNING NEW DVD TAKES ITS PLACE IN THE PANTHEON OF PORN!

By RAMSEY STEELE

With its budget of nearly \$20 million, a cast that includes Malcolm McDowell, Helen Mirren, Peter O'Toole and John Gielgud, a disowned screenplay by Gore Vidal and scene after scene of hardcore sex and violence, *Penthouse* Magazine publisher Bob Guccione's 1979 *Caligula*, directed by Tinto Brass, was considered by many to be one of the most expensive, star-filled "home-made" pornos ever made at the time of its release. Today, nearly 30 years later, the film is looked upon by its legion of fans and fervent followers as a fascinating and important link between Hollywood's oh-so-glossy historical epics of the Fifties and Sixties—*Ben-Hur*, *Spartacus* and the like—and the more graphic and realistic depictions of the Ancient World produced over the past decade a la *Gladiator*, *300* and HBO's *Rome*. It's story of the Ancient Roman emperor Caligula (McDowell), who ruled his imperial land from 37 to 41 AD and was said to be insane, violent and wont to engage in carnal perversities of all natures, is an infamous one, and a tale ever-so-ripe for the telling in an epic motion picture. And with the film *Caligula*, said era was regaled with splendor, garishness, and

unabashed sexuality. It's a remarkable piece of epic filmmaking that finds an A-list cast of actors emoting on a vulgarly lavish Roman set finding themselves interrupted with frequent cutaways to the kind of material best suited for 42nd Street at the time. *Caligula* has been available in some dozen different cuts over the years, but with *Penthouse's* recently released *Imperial Edition* DVD, we feel safe in saying that the definitive version of the film is finally available to the public. Two cuts are offered in the DVD package—the unrated, uncensored theatrical version and an alternate pre-release cut featuring never-before-released footage—as well as a wealth of supplements, including newly recorded commentaries by stars McDowell and the always-game Mirren, who portrays Caligula's third wife, the nymphomaniacal Caesonia, a empress considered to be one of the most wanton and promiscuous women in Rome. Leave it to the Oscar-winning "Queen" to reveal all when it comes to the legendary behind-the-scenes stories that emerged from the infamous film's production. "Making the film was like being on an acid trip—it has its good moment and its bad moments, but all in

all, it was a fantastical journey," Dame Helen happily announces in her commentary as scenes of ancient Roman debauchery unspool on the screen. McDowell is equally forthcoming and lucid in his commentary track, often referring to Caligula's frequent on-set nudity, producer Guccione's cutaway insertions of actual, hardcore sex at certain moments in the film, and the film's army of extras, many of whom were Penthouse Pets that Guccione provided to dress up the sets with the appropriate decadent sexiness. "When [the Pets] first arrived, I think they thought they were supposed to be in some sort of James Bond movie. There was one being shot nearby, but it was being shot in Malta. They were nice girls. They were pretty game," McDowell remembered in a recent interview. "They were sent in because Guccione didn't think the extras we had been using were pretty enough. Tinto Brass threw up his hands and said, "This is Rome, for God's sake! This is Fellini's Rome!" Rome is not full of beautiful people by any stretch of the imagination, and it still isn't!"

The package contains a zillion other extras, including new video interviews with Brass, Guccione, and actors **John Steiner** and **Lori**

Wagner, hours of deleted and alternate scenes, two versions of an extended making-of documentary, a host of mini-featuetttes, behind-the-scenes footage, hundreds of on-set photographs, a gaggle of theatrical trailers and even a DVD-ROM link to Gore Vidal's original screenplay.

As Caligula has taken its rightful place in the pantheon as one of those famously huge celluloid misfires from the '70s that many have heard about but few have actually seen—think **Michael Cimino's Heaven's Gate**—only filled to the brim with sex, nudity, and violence. This notoriety, abetted by its infamous production tales and a striking package featuring a bloody gold aureus emblazoned with a profile of star McDowell, has piqued the interest of those who've seen it on the new release shelf and aren't even wholly aware of the film's reputation. We've put together a sampling of some of the film's more startlingly sexual imagery and as you can see, Caligula ain't taking no hostages. And there's a whole lot more where that came from! So do yourself a favor and take a trip back to Ancient Rome courtesy of an insane emperor and the film that he hath wrought!

rage comes to life.*

Kayden Kross is one of those luscious blonde hair, blue-eyed California cuties who defines the prototypical American Porn Star. Kayden's a product of Sacramento, like another blonde Barbie Doll performer, Monique Alexander. We don't know whether it's that sizzling Sacramento sun or just good genes, but this city sure produces some American Pie knockouts! Whatever the cause, Kayden sure is cute & tight—a combination that suits us just right!

LUCKY FUCK

Here's a bit of good advice: If you're really horny and you just so happen to run across a hot Euro-slut named Lucky, take her home and fuck the shit out of her cum-starved body! Not only does Lucky suck a mean cock, she'll let you fuck her pink pussy AND her tight asshole, so long as you cum in her mouth when it's all said and done. Seems like a reasonable request to us...

THE MAKING OF VIV THOMAS' UNFAITHFUL #2 & BEYOND!

From *vivthomas.com* comes the sequel to the story where infidelity changes everything, but love conquers all! It's the highly anticipated follow-up to Viv's acclaimed first film, *Unfaithful*.

The story continues where the last one left off, but this time Viv Thomas takes us back in time to show us how the two main characters, Lisa and Nella, first met and how they fell in love. The film also delves into the manner in which the girls eventually split up. "This time I'd written more of an erotic movie than a porn movie," says Viv Thomas' right-hand man, producer/director Lewis T. "It was 60% sex, 40% story, a fully explicit film for couples, for a more mature audience. But the draw was that the sex once again had to be intensely erotic, so much so that it would turn anyone on, even someone who usually didn't like watching girl-on-girl. It had to be something no one had ever done before."

Unfaithful co-stars Eve Angel and Jo work up a sweat in the bedroom.

One critic in particular responded in earnest, nailing the very nature of the film with his wise words: "Fully explicit and intensely erotic, *Unfaithful Part II* pushes the boundaries of art-porn. Tasteful. Beautiful. Evocative. It is the unique vision of a production team set on changing the way we view pornography. Capturing fervant and wild lesbian sex genuinely and with honesty, it is a fierce and powerful presentation."

All of Viv Thomas' top-shelf girls are on-board for the seductive sequel, including Ariel, Mya Diamond, and Peaches. "Ariel, or Piper Fawn as she's been called, was a close friend of Nella's in real-life, so that is the exact role she was cast in," says Lewis T.

Newcomer Ariel was greeted with open arms—and legs—by co-star Nella.

On the set of Unfaithful, a then-still-blonde Jo discusses her lines with a director.

Muff-diving divas Lisa and Nella turn up the heat!

*Just another day
in paradise for Viv
Thomas and
his girls!*

And boy are there fireworks when Ariel and Nella finally hookup! For upcoming *Unfaithful* sequels, Viv would eventually call upon more of his amazing models, including two *vivthomas.com* regulars, Jo and Eve Angel.

Unfaithful Part II was released in July 2007. Several more *Unfaithful* sequels are now in the can and soon to hit the adult market. Don't miss them!

Jo demonstrates proper digit technique for the camera.

*Unfaithful superstar Nella appears too
pooped to pop.*

SUB-DOM SLUTS

Sarah tends to come on a little strong—which happens to be fine for Victoria, who likes it when her domineering lesbian lover takes *cuntrol* of their lovemaking. She not only wears the pants in this relationship, she also wears a big, black strap-on dildo that she likes to fuck her docile friend with. Our sub-dom lovers lick and probe the night away, tasting each other's tender gashes and frothy pussy juice.

HIGH SOCIETY favorite Sandra Shine stopped by the offices looking sassy and sexy, with a dirty attitude to match! We figured it would be a great time to capture Sandra's *nastier* side—so we went to our kink closet and Sandra found some nice rubber fetish gear to truly express the way she felt. Sandra finger-fucked her kinky crotch and flaunted her fun-bags under the lights—and the results speak for themselves!
