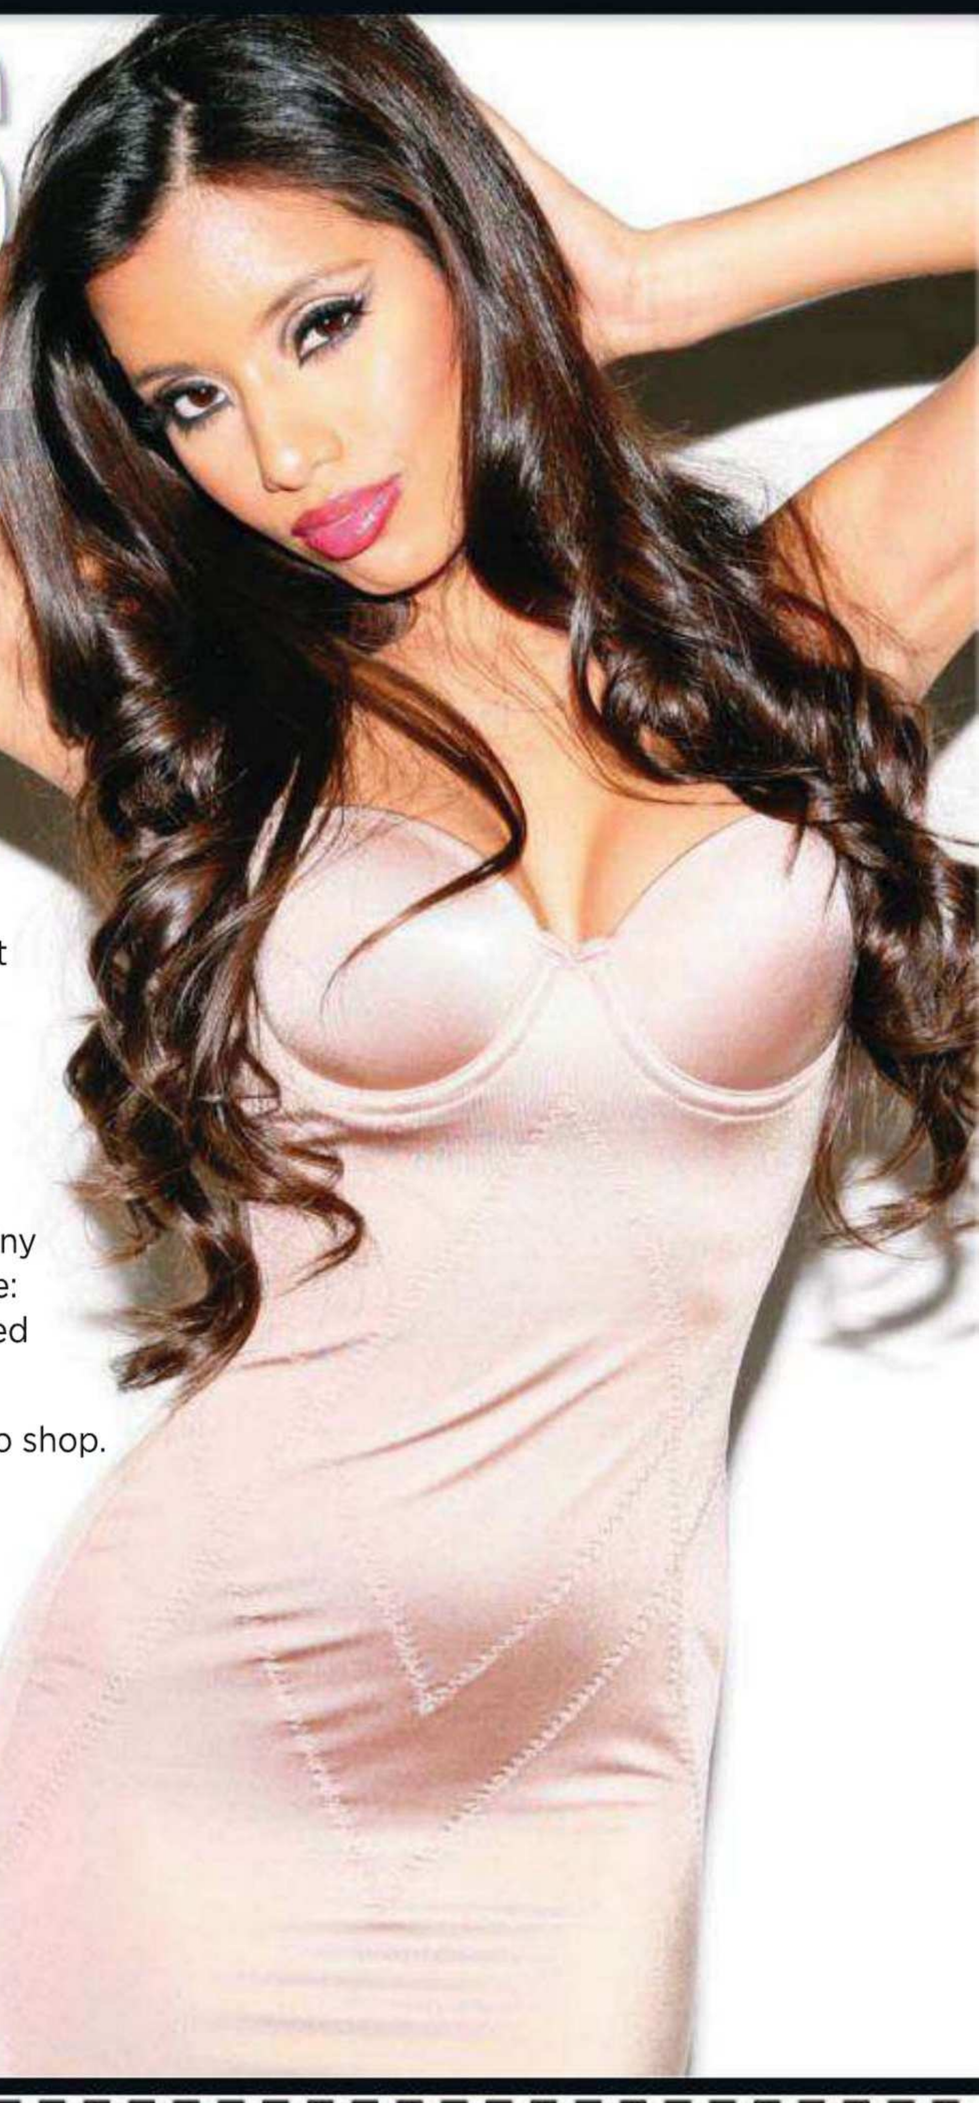
LUPE FUENTES

HIGH SOCIETY SEX EDITOR-AT-LARGE

by LUPE FUENTES *PHOTOS COURTESY OF SINNERGY ENTERTAINMENT*



Hola sexies! It's me, Lupe Fuentes, back again in my favorite magazine, HIGH SOCIETY. Woo hoo! Did you see me on the cover last month and my layout? Did it make your cock hard and make you want to jerk off? That makes Lupe feel very dirty and *very* horny. It was so hot that day. I went to my pool to sunbathe in my favorite teenie bikini. I was lying on the ground with my eyes closed and I started thinking about all of you sexy boys with your cocks hard and rubbing them cumming all over me. It was so dirty and it made my pussy wet. I put my fingers in my pussy and started to rub it very fast. My body started to tremble, and my legs started shaking. I was thinking it would be so hot to have one of my fans (like you), fuck me hard in my tight pussy. My pussy is so tight you would cum so fast. Do you like seeing me play with my tight pussy? I love playing with pussy!

Guess what? I'm so excited to tell you about my new fashion line, Sexy Little Angel. It is so unbelievable and I am so excited. Woo hoo! Now why would a porno star want to start my own fashion line when you guys like to see me *naked*? Because I can never find clothes when I go shopping. And you know Lupe likes to go shopping! Why can't there ever be any clothes for petite girls like me? Everywhere I go there are all these clothes for fat girls. Lupe isn't fat; I'm a tiny girl and all I want are clothes that will fit me. The only thing large about Little Lupe is my job title: Contributing Sex Editor-At-Large, Woo hoo! Every girl wants to be thin and fit like me, so I started Sexy Little Angel so other petite girls can find clothes designed just for them.

If you're tiny like me, petite or small and like to dress sexy, Sexy Little Angel is where you need to shop.

Look at these clothes, which ones do you like? If you're spending money to buy clothes for you girlfriend, then you can tell her how much you really love her by buying garments you'd love to see her in. Maybe it's that Teeny Bikini for when you both go to the beach. It's sure to make all the other girls jealous—that's for sure. Maybe you could buy her a pair of Crazy Pants that will make her ass look nice and round when you are walking down the street. Or if your girlfriend is a dirty girl like me and likes all the attention, a Lupe Mini Skirt will do just fine. Guys I know deep down you want your girlfriend to look sexy and hot? All you need to do is get her to buy my clothes. She'll love Lupe's Sexy Little Angel. I promise!

Love,

Lupe Fuentes

KATE SHAKES HER MARAC

KATE BOSWORTH

We all know Kate Bosworth is a beautiful beach bunny after her sexy breakout role nearly a decade ago in the sensational surfing movie *Blue Crush (2002)*. But on a recent trip to Cancun, it seems Kate mistook 'Surf's Up' for 'Shirts Up' when the actress and Calvin Klein model peeled off her bikini top and splashed in the Mexican surf at a public beach! Lucky fans caught an eyeful of Kate's pretty titties as the sexy water nymph jiggled in the gentle Caribbean waters.

Cassandra Cruz reread the personals ad: “Horny, drunk motherfucker with big, veiny hard-on ISO hot, slutty Latina poon.” She had never answered a personals ad before, but this one really spoke to her. Instead of trying to be witty and smart, this guy got right to the point. She wouldn’t have to sit through some bullshit dinner or some lame-ass movie. This guy was all about getting right to the point. And he was. He answered the door, grabbed her ass and hammered away, blowing his wad all over her sweet tits. She lay there, cum on her nipples and exhaled. “We really need to talk,” she said. They both erupted into laughter as she left, cum still wet. It was the best relationship she had ever had.

ALL ANAL ALL THE TIME!!!

A ring is a promise, even to porn sluts like Simony Diamond. When Ian says he wants to get serious, Simony demands one as a sign of sincerity. Not just a ring—a *big* ring. He thumps her ass, pulls out and spreads her cheeks, measuring her stink-hole sinkhole with his tang-stained hands: It's a four-carat gaper. Simony pouts. Not big enough. Ian bangs her hungry maw until it resembles a baritone holding a long "o" note. Now her gaping pink poo-port ring is huge. It will certainly make all her girlfriends jealous. Drunk on butt-huffs, Ian keeps reaming relentlessly until he hears a voice—an echo. Was it coming from ... *inside*? "My car keys!" booms the echo. "Simony... I found them!" Good luck taking that ring back!

MADELYN MARIE

THE HIGH SOCIETY INTERVIEW

WITHOUT QUESTION, MADELYN MARIE IS ONE OF PORN'S TOP PERFORMERS, ESPECIALLY WHEN YOU CONSIDER THAT HER TOTAL XXX OUTPUT TO DATE CONSISTS OF LESS THAN 50 TITLES IN THE THREE YEARS SHE'S BEEN AN ACTIVE PERFORMER. IN MADELYN'S CASE, SHE'S ALWAYS CONSIDERED QUALITY OVER QUANTITY—AND IT SHOWS. OF COURSE, HER RELATIVELY SMALL FILM OUTPUT [COMPARED TO OTHER HARDCORE ACTRESSES] CAN ALSO BE ATTRIBUTED TO HER RATHER HECTIC SCHEDULE, AS MADELYN IS CURRENTLY WORKING TOWARD HER DREAM OF BECOMING A DOCTOR. UNDERSTANDABLY, THE HARSH DEMANDS OF ATTENDING MEDICAL SCHOOL OFTEN OUTWEIGH HER DESIRED AVAILABILITY ON SET. STILL, MADELYN HAS MADE HER MARK, PERFORMING FOR POWERHOUSE STUDIOS SUCH AS DIGITAL PLAYGROUND AND BRAZZERS; SHE ALSO HAS THE REMARKABLE DISTINCTION OF BEING CROWNED BLUEBIRD FILMS' FIRST-EVER CONTRACT GIRL. HER ROLE AS KATWOMAN IN ONE OF 2010'S MOST-ACCLAIMED FILMS, *BATFXXX*, CATAPULTED HER TO PORN STAR STATUS [A TITLE SHE SURPRISINGLY OPENLY DESPISES], AND FRANKLY NO ONE COULD'VE LOOKED AS GOOD AS SHE IN THAT FELINE CAT SUIT. NOW AN INDEPENDENT PERFORMER, MS. MARIE CONTINUES TO PICK SCENES THAT WILL PORTRAY HER AT THE TOP OF HER GAME CAREFULLY. SHE'S SIMPLY NEVER BEEN ONE TO GO FOR THE QUICK PORN BUCK AND SHE'S NOT STARTING NOW. IT'S AN ATTITUDE AND WORK ETHIC THAT HAS MADE MADELYN MARIE ONE OF THE INDUSTRY'S MOST SOUGHT-AFTER TALENTS. TO SAY THAT WE ARE EXCITED TO PUBLISH THIS INTERVIEW WITH THE SOMETIMES-ELUSIVE ACTRESS IS AN UNDERSTATEMENT. *HIGH SOCIETY* IS INDEED PROUD TO HAVE HER.

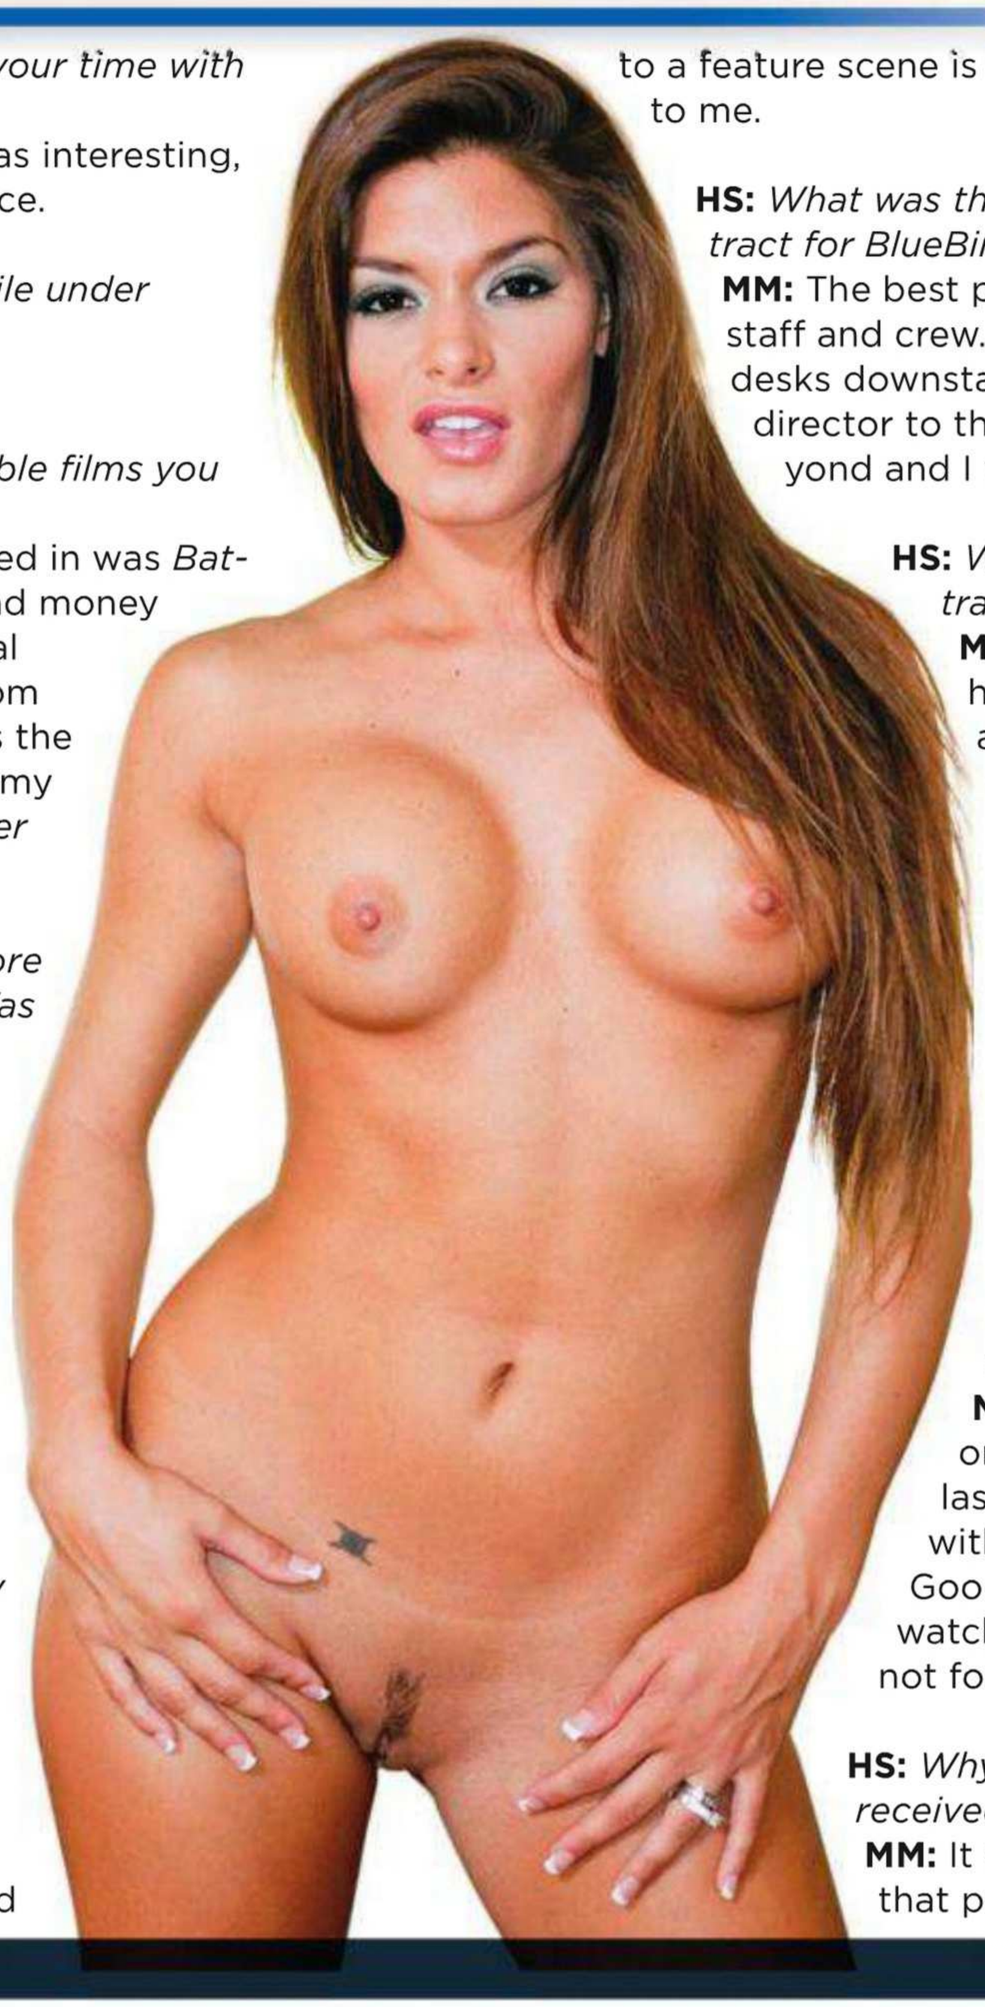
HIGH SOCIETY: *How would you describe your time with BlueBird Films?*
MADELY MARIE: My time with BlueBird was interesting, to say the least. It was a learning experience.

HS: *What did you learn as a performer while under contract with them?*
MM: I learned patience.

HS: *What were some of the most memorable films you did for the studio?*
MM: The most memorable film I participated in was *BatFxxx*, mainly due to the amount of time and money that went into the film. It took a substantial amount of patience and understanding from the entire crew to produce *BatFxxx*. It was the largest movie I have been involved in, but my favorite movie with BlueBird was *Passenger 69*.

HS: *At BlueBird did you get into acting more than you had previously in your career? Was acting easy for you and did you enjoy doing the big-budget feature stuff?*
MM: The acting was really minimal, to be honest. We did not particularly stick to the script and it was often being changed anyways, so I let the costume do most of the taking for me. The bigger budget movies were fun, but as they say, more money more problems.

HS: *Would you like to do more feature work now that you're on your own and have you been approached to work on any big-budget films?*
MM: I have been approached to do a lot of mainstream work lately, so I will see where that goes. As for adult features, if I am booked to work on one I will give it 100%, but I do not really have much of an opinion on them. A gonzo scene compared to a feature scene is nothing more than a time difference to me.



HS: *What was the best thing about being under contract for BlueBird?*
MM: The best part of being with BlueBird was the staff and crew. The people behind the cameras and desks downstairs *made* that company. From the art director to the PR team, they went above and beyond and I was honored to work with them.

HS: *Would you consider being under contract again?*
MM: Absolutely not. I am extremely happy being independent. I, and I alone, have my best interests at heart, so now I am able to call all the shots and make all of my decisions based on what's best for me. My success is in my hands. I like being productive and successful, and having to gain approval from someone else that does not have the same drive and ambitions is just not a good situation for me. So, I will continue to manage my career independently.

HS: *Regarding any possible sequel to* BatFxxx*, will you be back as Katwoman?*
MM: There will be a Katwoman sequel or at least BlueBird was planning one last year, but I decided to part ways with BlueBird so I will not be Katwoman. Good luck to whomever takes the task and watch what you eat because the cat suit is not forgiving, that's for sure!

HS: *Why do you feel that movie was so well received by fans and critics?*
MM: It was such a major mainstream success that people became very involved in the

characters throughout the years. When we made an adult version, it answered and fulfilled everyone's fantasies. It was an over-the-top movie that could not negatively be critiqued because everyone was just blown away by it.

"I am happy if I am able to have sex on a bed without people and lights in my face."

HS: *Was working on* BatFxxx *a lot of fun to work on as well as a challenging role?*
MM: Yes it was a fun movie to work on, but extremely stressful at times and no, the role was not challenging. The costume did all of the talking for me. [Laughs] I broke a few bones in my fingers and shattered a tooth while making this movie, so at times it did get a little tiring when the production extended.

HS: *How are you able to manage your time between medical school and performing? Is it difficult handling the rigors of medical school along with performing in scenes?*
MM: Not anymore. In the beginning I often thought of pulling my hair out, but I learned to manage my time and priorities properly. Now, I juggle several major things and it's a piece of cake. Discipline is key. I decline jobs if there's a conflict with more important things. Sometimes I would rather go to set and collect a paycheck instead of being in a lecture hall, but in the end the lecture hall will bring me far more success and joy. I just have to remind myself of this often. [Laughs]

HS: *How far along are you in medical school? What sort of medicine do you plan on practicing when you graduate, and will it involve working within the adult community from a medical standpoint?*
MM: I have learned recently that discussing too much about my personal life is an issue, due to malicious people in this world, so without giving out too much detail I will answer this briefly. I am very close to completing my university education. I plan on practicing in a high-intensity field with rapid patient turnover and although I originally wanted to re-circulate into the adult industry—via helping in the health-care system—I doubt it will be a good fit for me, but I will always be in support of testing facilities.

HS: *Since your goal is to be a doctor, do you plan on performing in the near future?*
MM: I am currently performing and working on the creation of my website. I am not sure what the near future holds for me but I embrace and accept whatever is thrown at me.

HS: *Who is the real Madelyn Marie? When you're not being Madelyn Marie the Porn Star, what sort of things are you interested in: hobbies, activities, etc.?*
MM: The real Madelyn Marie? [Laughs] If I'm not studying or in class, I am at my ranch riding my horses, at the dog park with my pups, or at home with my husband. I love anything that has to do with my horses! I am an avid equestrian rider and if you see me out and about I am usually in riding gear. I love cooking although I do not seem to find much time to do so anymore. I paint, write, volunteer with local foundations, and travel any chance I get. I am pretty normal.

HS: *Are you still picky when it comes to the scenes you'll do and, if so, why are you very particular when it comes choosing scenes?*
MM: [Laughs] I love how everyone knows I am so selective. [Laughs] Yes, I am still very picky with the scenes in which I will perform. Actually, I am more selective now than before with the scenes, people, and companies I will work with. I entered this industry promising myself I would never jeopardize the class and elegance I have, nor would I ever regret anything I did while in the adult industry, so in order to withhold my image, I have to be extremely selective. Also, I am actually having sex with my co-star, so I am very picky on whom I will work with because my health is on the line. So, in this industry it is actually best to be reserved and selective. Just my opinion, though, I have been successful with this thought process thus far.

HS: *You are a true porn star. What's the best and worst thing about being a porn star?*
MM: Thank you for such a flattering comment, but the word porn star is an inflated, unrealistic label. I cannot stand when a new girl in the industry describes herself as a porn star. There are a select few people in the adult industry that are true porn stars. I am a very successful adult actress, but I am not a porn star. I think the worst part of being labeled a "porn star" is the unrealistic assumptions that people have toward us. I do not eat babies, I do not drink blood, I do not *only* come out at night, I do not have sex all day, I do not burn bibles, and I am not on drugs or uneducated. I fight ridiculous questioning and assumptions daily, and it's so annoying! People cannot grasp that I am normal, just because I take my clothing off on camera. The best part of being in the adult industry: a freeing schedule and lucrative career. I am my own boss and I make all of my own decisions.

"My favorite sex act would have to be oral. I love giving head."

HS: *Where would you rate yourself, looks-wise and body-wise, on a scale of 1 to 10?*
MM: I do not judge myself. There are enough people in this world judging me that I do not need to add any criticism. As humans we all critique ourselves the hardest. I do not need to analyze and rate myself.

HS: *What would you say is your best and worst physical feature and why?*
MM: My best physical feature is my hair. I have naturally long thick hair, which is such a rarity. My worst physical feature would be my left ear. I broke it in an equestrian accident when I was a child and it sticks out.

HS: *Are you a very dominant or submissive person?*
MM: I am extremely submissive for the most part, but if I sense the person I'm working with is extremely unsure of himself then I will dominate him. I am more dominant with females than males. It's a power trip I guess.

HS: *Have you ever participated in a gang-bang on film or in person and, if not, why?*
MM: No, I have never preformed in a gang-bang, nor would I. It is not my cup of tea and I do not see anything attractive in putting myself in that type of situation.

"I need to be schooled on licking pussy because I do not have much experience in that field. On camera I always make it look good, but I have no idea what I am doing."

HS: *Do you masturbate often?*
MM: No, I actually do not.

HS: *On occasion, when you do, what do you think about?*
MM: I do not really masturbate, to be honest, but [when I do] I do not think about anything. I just enjoy the pleasure I am feeling. When I masturbate I zone-out so having to think about anything would be pointless.

HS: *What sexual fantasies have come true for you since you started working in porn?*
MM: Well, I have role-played just about every character imaginable: cop, nurse, doctor, teacher, student, wife, and Kat-woman, so I would have to say doing an orgy scene. It was not necessarily a fantasy, but I was very curious about the whole situation.

HS: *What girl in the business turns you on the most and why?*
MM: I have a girl crush on Sunny Leone. Do I really even need to describe why I want to have sex with her? Exactly!

HS: *Describe what your kinkiest, sexual fantasy is?*
MM: It's strictly a fantasy in which I will never make a reality: a double penetration scene with two men. For some reason the thought of being manhandled by two men in such a way is overwhelming, but I will never do it.

HS: *Have you had a one-night stand and, if so, how did it occur?*
MM: No, I have not had a one-night stand. I tried to once, but it turned into a relationship. Go figure!

HS: *In your personal life have you had threesomes?*
MM: I did have a threesome once in my personal life about two and a half years ago, but that is the only time. I am married and we are both in the adult industry, so the sexual fantasies most people have are not exciting to us. I am happy if I am able to have sex on a bed with out people and lights in my face.

HS: *Before porn did you have an active sex life?*
MM: No, before porn I did NOT have an active sex life. I actually had only slept with one person before entering the adult industry. Crazy I know, but I was never focused on dating or guys, in general.

HS: *Where's the most interesting place you've ever had sex?*
MM: Goodness, this is a hard question. I have several: top down on a Ferrari driving down a major highway, in New York City at the Standard Hotel, which happens to have floor-to-ceiling windows (our room was on a low floor so people could see in), and Number Three, in a cockpit of a plane while flying.

HS: *Do you like getting fucked fast or slow?*
MM: In my personal life I love passionate sex and it's usually slow and sensual, but when I am performing on camera, I love rough, hard, fast sex. If my co-star is slow and boring, the scene will be horrible because I feed off of my partner.

HS: *Any special techniques you use when sucking cock and licking pussy?*
MM: I need to be schooled on licking pussy because I do not have much experience in that field. On camera I always make it look good, but I have no idea what I am doing. [Laughs] As for doing the dirty deed with a boy, slow and sensual, tickle with the tongue, find his special spot, and tease. Eye contact and always wet. Simple little guidelines to a successful blow job!

HS: *What size cock do you prefer?*
MM: I am not a size queen by any means. I prefer a normal or average-size cock. I often dread working with the "bigger" guys in the industry because I know my evening will consist of ice packs and Tylenol.

HS: *Do you like eating a girl out?*

WorldMags.net

WorldMags

WorldMags.net

WorldMags

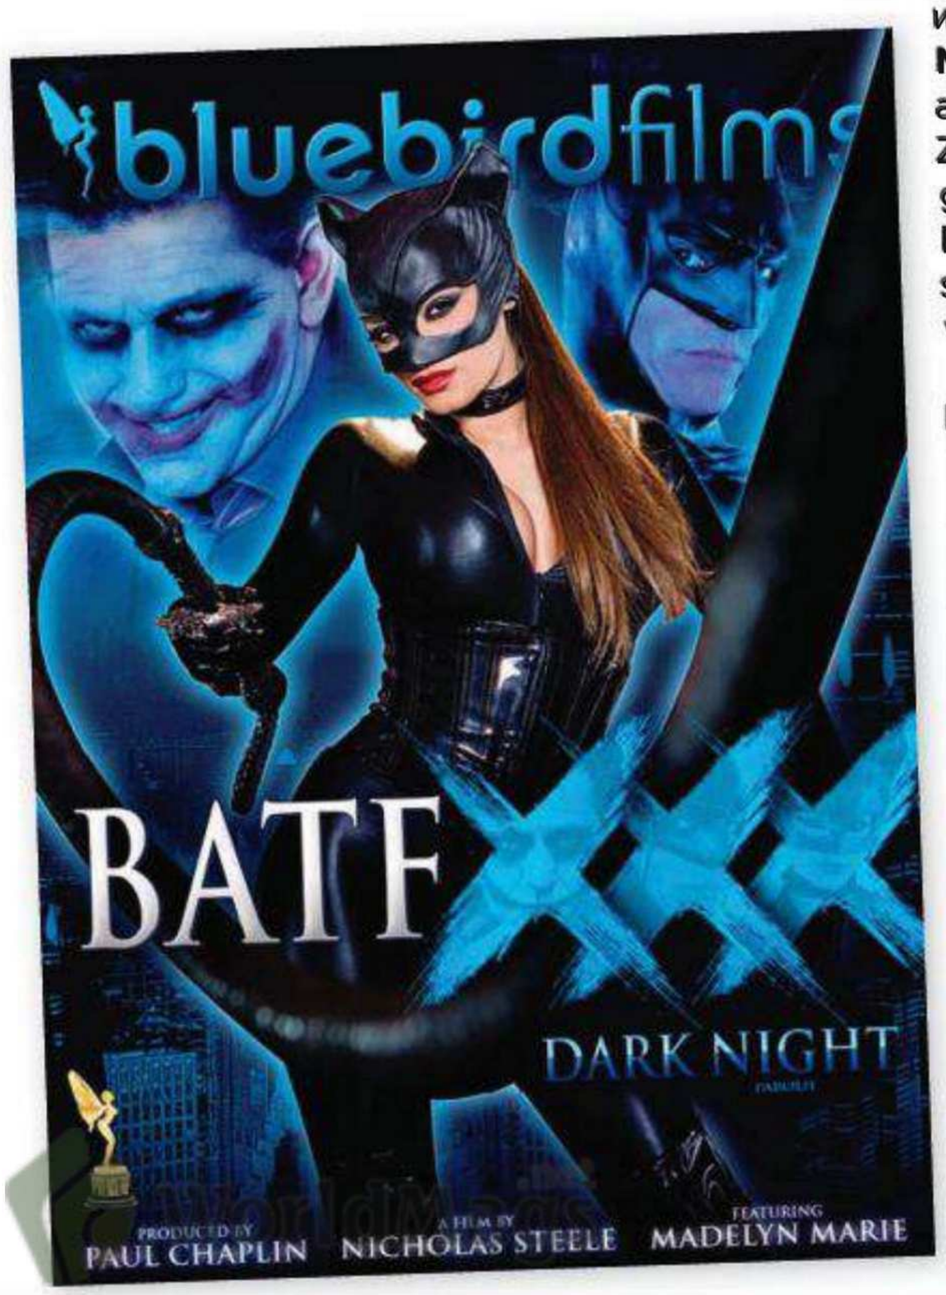
MM: It truly depends on the girl. Some girls make it a task, but others make it a pleasure. If the chemistry is right, I do not mind it.

HS: *Are you a true bi-sexual or do you prefer one sex more then the other?*
MM: [Laughs] No, I am not bi-sexual. I truly love men and I consider myself to be the text book definition of a heterosexual. I like lusting over the female body, but I love everything about a man!

HS: *Describe your first sexual experience with a girl? Was it a good or bad experience?*
MM: My first girl-girl experience was truly just innocent self-exploration between two teenagers. It was a fun experience, but definitely awkward.

HS: *What kind of girls are you into? Have you ever had a relationship with a girl?*
MM: Without sounding too self-absorbed I am attracted to girls that have the same qualities as I: dark hair, olive complexion, dark features, tall, thin. As for a relationship with a girl, no, I have never been in a relationship with a girl before, nor do I think I could ever be in one either. I am far too emotional to be in a relationship with another female. I am pretty sure it would end in bloodshed.

HS: *If you could cast your dream, all-girl porn movie, who would you cast in it and why?*
MM: My ideal girl-girl movie cast has already been made. *Girlvanna 5* by Zero Tolerance had just about every girl I would cast in a girl-girl movie. Each girl brought her own special style to the movie and it worked very well!



HS: *What is your favorite sex act?*
MM: My favorite sex act would have to be oral. I love giving oral.

HS: *What's one sex toy you can't live without?*
MM: My favorite sex toy that I cannot live without is hands-down my Hitachi [Magic Wand]. It is the most amazing devise ever created and I think every guy should buy one for his significant other, and be open to including it in his lovemaking, as well. There is nothing better.

HS: *Which of your movies are you most proud of?*
MM: I do not think I am necessarily "proud" of any of my movies. Being in the adult industry is not really something I can flaunt or brag about, but I felt a sense of accomplishment with *BatFxxx* and *Passenger 69*.

HS: *What's one superpower you wish you could have?*
MM: If I could have one superpower it would be to jump from place to place. If I visualize being on a beach in Hawaii, I can just appear there. It would be amazing not dealing with airports, customs, or the craziness of travel, in general. My second superpower choice would be to read minds and I pick that strictly for amusement purposes.

HS: *What does the future hold for you?*
MM: Well, if I knew the answer to that, life would be so much easier. [Laughs] Education is priceless, so I plan on focusing more on that aspect of my life along with my personal life in which I have greatly neglected over the last three years. I am married and have not had the chance to truly be a wife, due to grueling schedules, so it would be nice to focus on my marriage, as well. As for my "career" in the adult world, I will focus on a website and continue to work for select companies.

"A gonzo scene compared to a feature scene is nothing more than a time difference to me."

HS: *Do you have a website, Twitter, Facebook, or MySpace page where your fans can reach and interact with you?*
MM: Twitter. I am a Twitter-holic and it's the best way to contact me at *Twitter @madelynmarie*. I also have a MySpace, which is *madelynmariexxx*. I do plan on launching a website in the near future as well, so follow me on Twitter for all upcoming information about appearances, movies, and my site.

HS: *Anything you'd like to say in closing to the* HIGH SOCIETY *readers?*
MM: Thank you so much for supporting *HIGH SOCIETY* Magazine and the adult industry. If it were not for all of the readers and viewers we would not be here, so thank you so very much. Also, to all deployed military, please feel free to contact me in reference to care packages. I love sending out gift boxes with all the necessary staples to make your deployment a little more comfortable. Years back, you could have unwittingly found yourself talking to lurid Indian beauty Priya Rai while she toiled for top rupee at a Delhi-based outsource call center. The subcontinental sex fiend spreads her folds of rich caramel flesh until it flashes a glistening pink and pinches the nipples crowning her pillowy breasts. “We were supposed to troubleshoot software problems,” says the spicy slut. “I didn’t even know what a computer was...so I calmed irate callers with dirty talk.” She fingers her slit. “Even today, when somebody talks tech, I have to masturbate.”

HIGH SOCIETY PRESENTS ON THE SET OF...

THE ROCKI WHORE PICTURE SHOW

STARRING: jessica drake, ROCCO REED, ALEKTRA BLUE, MAC TURNER, NICKI HUNTER, RANDY SPEARS, PUMA SWEDE, RON JEREMY, KAYLANI LEI, ANNIE CRUZ, JAMES BARTHOLET **DIRECTOR:** BRAD ARMSTRONG **STUDIO:** WICKED PICTURES

The world was taken by surprise not long ago when the airing of *Glee's* Rocky Horror Picture Show tribute was followed by an announcement in the adult press that Wicked's Brad Armstrong was in pre-production on his own interpretation of the cult movie hit. Titled *The Rocki Whore Picture Show: A Hardcore Parody*, the director revealed it would be a XXX tribute to the original that blended the beautiful Wicked Girls with gender-bending comedy and exciting pop songs.

While this revelation caught many by surprise, to those who'd really been paying attention the announcement made perfect sense. After all, Armstrong had been instrumental in securing Wicked a high profile role in sponsoring the official Rocky Horror Picture Show 35th Anniversary Convention in downtown Los Angeles.

Although the director had planned to use adult entertainment professionals (including, of course, the award-winning Wicked Girls) in the movie, the challenge of creating a hardcore musical led him to taking an unorthodox approach to casting. He held a formal casting call and, in a first for the company, posted

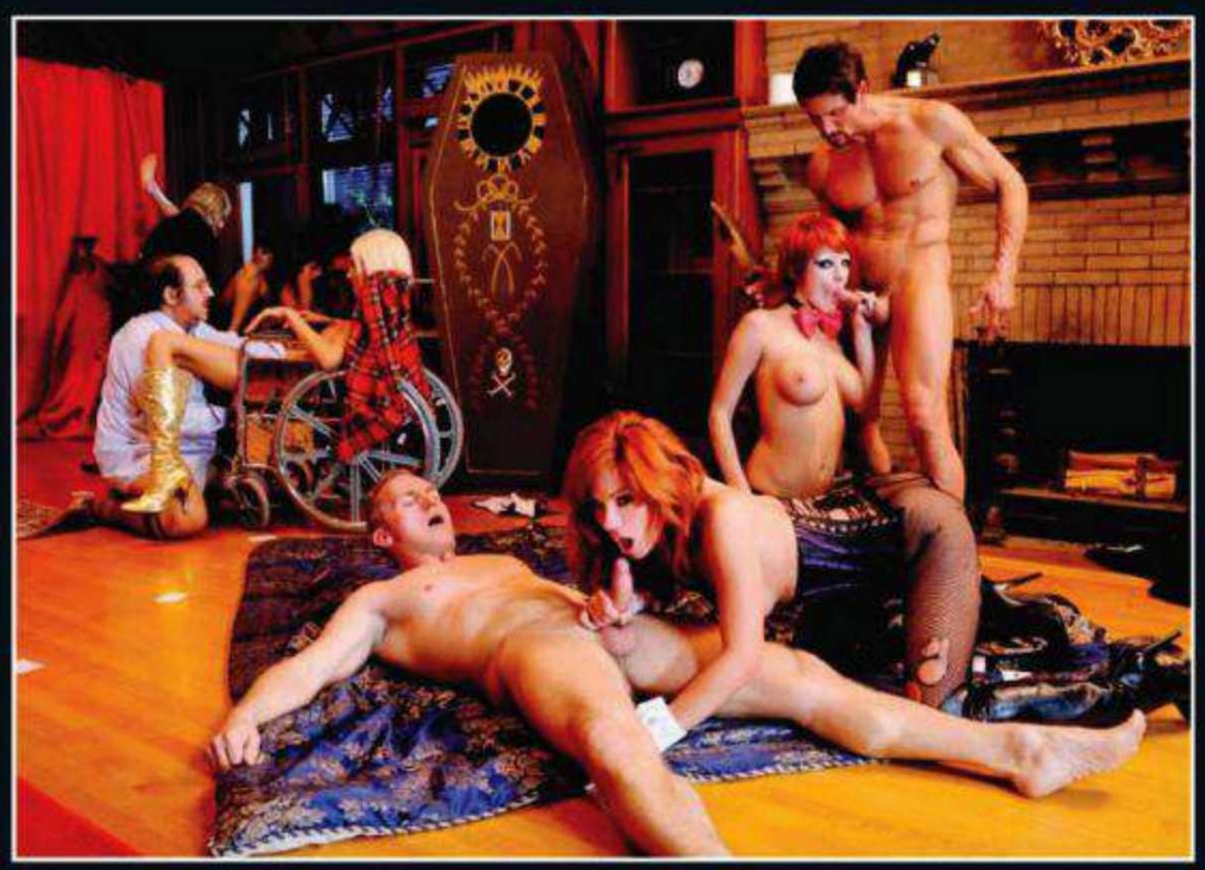
exclusive audition information for aspiring cast members online. "We put up one of the parody songs, with lyrics for people to learn and sing," he revealed later. "There were also scenes from the parody script for them to perform. It was a lot of fun."

"Obviously we were looking for performers that resembled the original cast members, but even more importantly, we were looking for people that could mimic their mannerisms," he continued. "Singing ability was preferred, but it wasn't mandatory. It was more important that people have a flair for the dramatic and a willingness to let go and just have fun. Fans of *The Rocky Horror Picture Show* obviously had an advantage, but talented people who were quick studies were also welcome." A fan of the original film himself, the director's personal mandate for his new rendition was clear: "I want us to do justice to it."

At the time of the casting call, most of the film's leads had yet to be cast. "The only roles that weren't up for grabs were those of the Criminologist and Dr. Scott. Those roles were given to James Bartholet and Ron Jeremy," Armstrong revealed, adding "Ronnie actually has a long history with Rocky Horror from back in the day, and even knows some of the original cast members personally." The auditions were subsequently held over the course of two evenings at the offices of Wicked Pictures, and were videotaped as part of a behind-the-scenes feature for the DVD release.

Just as he had used the Rocky Horror Picture Show 35th Anniversary Convention and the *Glee* broadcast to announce key news regarding the film, his carefully hand-picked cast was unveiled in a similarly dramatic fashion. Long celebrated as the Los Angeles "home" of *The Rocky Horror Picture Show*, L.A.'s Nuart Theater played host to a "science fiction double feature" of a radically different stripe as the award-winning director revealed the cast of his upcoming parody to a packed house. Lucky film-goers learned that rising star Mac Turner had landed the coveted lead role of Frank,

WorldMags.net



the deviously flamboyant pan-sexual scientist from Transsexual Transylvania. Popular actor Rocco Reed was cast as the awkward and out-of-step "hero" Brad, and Wicked Girl jessica drake would portray the sweet and somewhat naïve Janet.

In other casting news, the role of Frank's macabre minion Stiff Staff was given to Randy Spears, while Nicki Hunter landed the part of Vagina. Wicked Girl Alektra Blue snared the part of Euphoria, a groupie and lover of Frank, while, in an intriguing bit of casting, Frank's Amazonian creation "Rocki" would be personified by blonde Euro-sex sensation Puma Swede. In another fun twist, Wicked Girl Kaylani Lei was teamed up with Annie Cruz to portray two new characters, Mona and Lisa.

As a special treat for Rocky Horror fans, and to pay tribute to this skilled cast's willingness to do what it took to get into the Transylvanian spirit, Wicked released exclusive behind-the-scenes audition footage featuring drake, Blue, Turner, and others onto the Internet. The intriguing content can be viewed on The Official Wicked Pictures YouTube Channel at www.youtube.com/wickedpictureslive. (At the time of this writing, further updates and contests are scheduled to appear at www.wicked.com/rockiwhore.)

Before heading out for the first day of shooting, we perused the production's entertaining mainstream-quality screenplay. Much like the original, the script for Armstrong's rendition was a fun thrill-ride through the worlds of satirical comedy, taboo-smashing sexuality, and the steamy excitement found in early Rock & Roll. And like such

WorldMags

other mega-productions as *2040* and *SPEED*, the script called for a massive orgy that would sexually unite most of the film's cast. In fact, a parody of the iconic tune "Time Warp" from the original was dubbed "Orgy!"

The first day of production found us making a trek out to the northwest San Fernando Valley, where several soundstages had been painstakingly designed to replicate key sets from the original film. As they say when visiting a film location, "it's all in the timing," and time was definitely on our side. We arrived to witness horny Frank's sly sexual seduction of the "innocent" Janet. Just as in the original, a canopied bed was bathed in a warm, red glow by Armstrong's skilled lighting crew.

As Janet, jessica drake fit the role like a glove, even cutting her locks to echo her character's iconic hairdo. And her svelte, sleek body looked perfect bathed in the set's flattering lighting. As the cameras were prepped, she rehearsed with Mac Turner, whose copious amounts of make-up and garters made him a perfect likeness of everyone's favorite "Transsexual Transylvanian."

Once Armstrong called action, jessica and Mac delivered their lines with charisma to spare, nailing a beat-perfect rendition of this key sequence from the original. The seduction played out perfectly, with jessica slowly giving herself over to absolute pleasure. The subsequent sex scene was passionate and varied, with Mac and Ms. drake exploring the missionary and doggie positions before climaxing in a frothy finish. It was an explosive encounter that's certain to be remembered at awards time as one of the year's most memorable couples scenes.

The second day of shooting found us catching two scalding sex scenes at a gothic mansion in Altadena, where the brisk winter morning was set on fire thanks to a scorching dining room seduction featuring Nikki Hunter and Hall Of Fame veteran Randy Spears. As the taboo-busting team of Vagina and Stiff Staff, these two popular performers were nearly unrecognizable beneath detailed wigs and make-up that helped them transform effortlessly into character. Nikki was the aggressor here, going

down slow on Randy before climbing onto the dining table and taking his shaft deep into her juicy pussy. Randy came into his own once the screwing began, vigorously plowing her snatch until he launched a steaming load across her tight belly and heaving boobs.

As day turned to night it was time to shoot the film's epic orgy, and much to everyone's surprise and delight, the film's already-stellar cast was joined by 2011 AVN Awards Show Red Carpet Host and Wicked Girl Kirsten Price. It seems she couldn't resist the opportunity to join in some multi-positional, multi-partner sex with one of the best casts to be assembled this year. She joined jessica drake, Kaylani Lei, Alektra Blue, Rocco Reed, Annie Cruz, Puma Swede, Mac, Randy, Nikki, and more for a spectacular orgy stuffed to overflowing with hardcore sucking and screwing. The Wicked Girls switched partners with wild abandon, making this one of the most stunning group sex scenes in the company's history.

A gender-bending blend of comedy, sex, and music, this one-of-a-kind production succeeded in attaining Armstrong's goal of doing justice to the original. So don't dream it, be it, and give yourself over to absolute pleasure when *The Rocki Whore Picture Show* comes to a store near you!

Alektra Blue lifts her big wet ass in the air and spreads her slippery, gaping anus. The dude from the bar slithers inside her butt until his balls are snug against her pussy, his shaft in her ass. She felt his fingers slide deep into her wet cunt as he pumped her butt into a creamy stink. “Fuck my ass!” she screamed. “Hard!” It was the most intense feeling ever. He was sliding his cock in and out of her ass. So deep. “Cum in my ass!” she barked. She clenched as he yanked out and ripped a hot load all over her. Nothing worse than a back-seat driver, he thought, as he gathered up his clothes and got the fuck out of there.
