oo hoo! I'm back, babies. Yes it is me, Lupe Fuentes, your favorite little Latina. I missed you all, but I left you guys some hot and dirty pics of me to enjoy while I was away. Did you guys like the pictures of me from last month? Do you want to see more? Yes! Woo hoo!

So you are probably wondering where I have been? I'm so sorry I have not responded back to you in so long, but I have been so busy feature dancing around the country. That's what I've been doing, when I'm not working on my website or filming a new porno (which I will write more about next month. Can't wait to tell you about it. Woo hoo)!

Life as a feature dancer is so hard. Lupe has to make sure she looks good. I shop for hot outfits, workout to stay in shape, and come up with ideas on what kind of show to bring you guys. When I dance in Texas, you guys are so crazy. You like it when I dance in a little cowgirl or cheerleader outfit. When I dance in New York, you guys want me to look sexy, so I'll wear a sexy, little nightgown with a G-string underneath. When I travel to Detroit, Cleveland, Pittsburgh, or Indianapolis, I wear a hot, little blue-collar outfit—cut-off jeans so you can see my ass cheeks, with a denim shirt tied in a knot and a yellow construction hat. Sometimes I'll even bring a plastic toy wrench and use it to rub up and down on my pussy. Mmmm, you guys get so wild when you see Lupe dance, and it turns me on so much that I get so wet.

I love traveling all over the country and meeting my fans. It makes Lupe so happy to see so many fans come out every time I visit your city. I have so much fun dancing on stage, taking off my clothes, and making lots of money. You know what I love most? Giving my fans a lap dance and grinding my hot pussy on your hard cock, and putting my ass in front of your face. If you're good, Lupe lets you touch me, just a little bit. Woo hoo! But my favorite part is talking to you, then taking the money that you're so nice to give to me. You know Lupe needs money to go shopping, to go out and party, and travel.

People always ask me if I get along with the other dancers. Yes, I do because I love everyone when I go to the club. All the girls are so nice and sweet and I am very friendly with them. When I go to the club it's about having fun and having a good time. If anyone is jealous of me, you know what? Life is too short to worry about haters. Lupe just wants to get out there and party, and dance, and take off my clothes, all for my fans. I have so much fun on the road meeting my fans.

So that's all for now, sexies. Remember to visit my website, ILoveLupe.com. Or follow me on Twitter @lupefuentesxxx where I will tell you exactly where I will be dancing, or just hanging out that day. Maybe if you see me I will give you a private show, just for you sexy. Woo hoo!

## NEAT FRANK

alerie Rios is a self-described neat freak, with special emphasis on the "freak." But the voluptuous Latina isn't half as passionate about keeping a spotless home as she is about keeping her friends' genitals in spit-shine shape. Her passion for extreme tidiness comes out when she comes within a tongue's length of a vagina-vandalized dick or cum-spattered cunt. Naturally, the muck maid's favorite way to launder filthy loins is 69ing. A crotch on her face turns Valerie into a tea-bagging, ass-sucking cleaning machine. Not even the nastiest ground-in cum stain stands a chance when Valerie's magical mouth gets working. Squalid, grimy, sloppy fuck stains? No problem. Valerie can even suck away the shame.

va, Alison, and Jane share dildos, buttplugs, and tropical vacations. One thing they can't share: bras. Eva's C-cups are tiny compared to her busty pals. Alison's DDs are stunners; Jane practically has to special order her titty holsters from a tack and bridle shop. Once the trio is suitably kitted-out, their tops come right off. Eva slides behind Alison and gives her ass crack an ice cream lick. Jane sucks Eva's clit. A three-way freeway ensues, a trio of tongues slosh through cunts and crappers. Finger-fucking, face-sitting—everything goes. How do they find time to do anything else? Good question. But not one that we care to answer!

f you never thought you'd see the "Ninth Wonder of the World" sucking and fucking for the camera, think again. Chyna has made many a wrestling fan's wet dream come true with the re-

> former World Wrestling Entertainment (WWE) champion, who earned respect and admiration from fan and foe alike inside the squared circle, is well known for her legendary battles-particularly against men. The gorgeous 5'10" grappler continued her impressive onewoman ring assault, battling some of the biggest and bad-

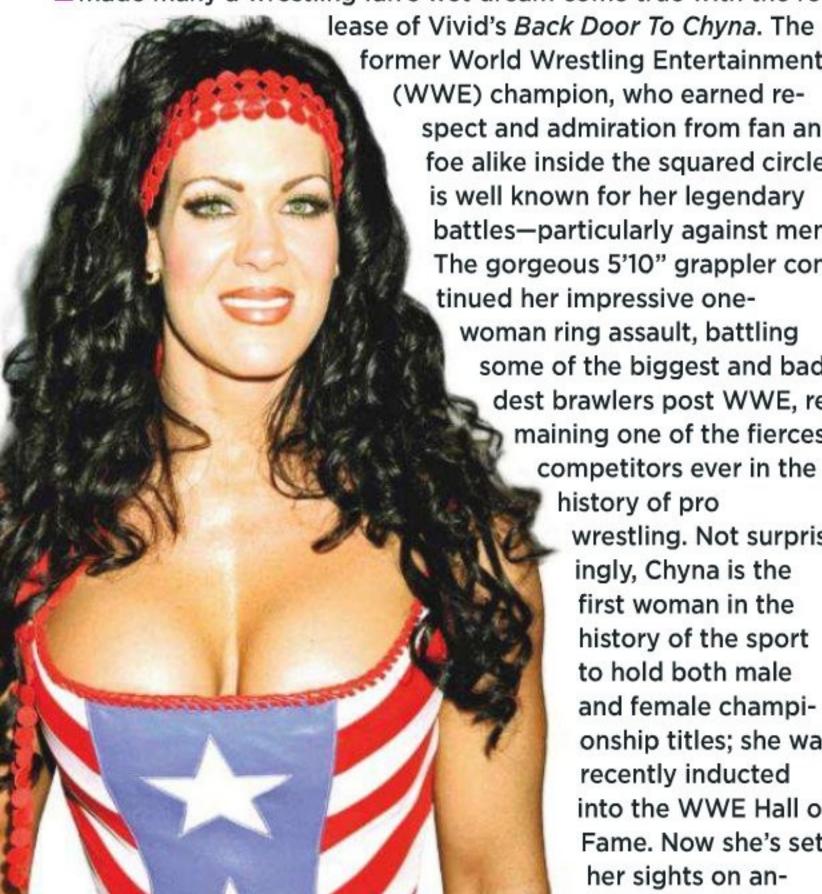

dest brawlers post WWE, remaining one of the fiercest competitors ever in the history of pro wrestling. Not surpris-

ingly, Chyna is the first woman in the history of the sport to hold both male and female championship titles; she was recently inducted into the WWE Hall of Fame. Now she's set her sights on another sport: indoor

While Back Door To Chyna isn't technically Chyna's first hardcore flick, it is the first porn film in which she was calling the shots. Flawlessly directed by veteran XXX director B. Skow, Chyna

looks absolutely stunning: tall, Amazonian, and very much uninhibited. The film's title is certainly more than accurate. Evan Stone and a band of porn's top cocksmen fuck Chyna in the ass relentlessly in one amazing scene after another. In addition to her first anal-cherry-popping, fans will also witness Chyna's first-ever lesbian encounter as she's doubleteamed by super sex screen duo Dylan Ryder and Diana Prince. Add troglodyte Lee Stone hammering away at Chyna's gushing cooch, plus a couple more throbbing threesomes, and you have one of the best-shot celebrity sex tapes Vivid has ever released. What's probably most surprising about this DVD is Chyna's downright submissiveness while taking on tusk. We thought she'd dominate her partner in the sack. Boy, were we fucked in the ass! What's not surprising-and is, in fact, downright obvious-is that Chyna clearly has what it takes to make it in porn. The buff, raging bombshell vows there will be more porn films in her future and we at HIGH SOCIETY certainly can't wait.

After all, when you're the "Ninth Wonder of the World" you fuckin' do whatever you fuckin' want!

y now, everyone knows the tawdry tale of the rise and fall of Anthony Weiner, the former Democratic New York Congressman who was once on the fast track to becoming the Mayor of New York City— that is, until his career was shattered by a senseless "sexting" scandal during the summer of 2011.

But rising from the Weiner train wreck came a new name—and foxy figure—a lovely lady with whom we were only nominally familiar, though she's a veteran adult entertainer. Of course, we're talking about exotic dancer and former porn star Ginger Lee.

First, a quick recap on all the details encompassing the Weiner Sexting Scandal, aptly dubbed "Weinergate" by a rabid press corps: In early-June 2011, a link to a photo of what was purportedly Congressman Anthony Weiner's crotch popped up on the public Twitter account that the New York Congressman reportedly used to communicate to his constituents. Weiner was quick to deny his involvement in the foolish post and instead claimed that his Twitter account had been hacked, although asserting that the pictures were not of him. It was only a matter of days before a handful of women, including a 17-year-old Delaware girl-and, more importantly, former XXX sex sensation Ginger—came forward to announce that they had been recipients of the married Weiner's "Weiner Shots". The carnal correspondence reportedly came, according to the two, via text messages and Twitter—most of which were abetted with sexually explicit verbiage, to boot. A week later, weak-kneed and reeling from the relentless press onslaught, Weiner came clean about the whole sordid scandal, shockingly admitting that all the allegations leveled were in fact true. Far too late for any beneficial damage control, Anthony Weiner announced his resignation from Congress on June 16, 2011.

So, while one Weiner has suddenly gone flaccid, conversely, another ex-XXX starlet is definitely on the rise!

Ms. Lee, the bubbly, 28-year-old blonde who hails from Macon, Georgia, appeared in some 50 adult flicks between 2005 and 2010, including such tasty-sounding delights as *T&A Buffet* (2006), *Cum Stained Casting Couch 5* (2006), and *Monster Meat 12* (2008). Although Ginger has since retired from the porn business—her most recent film was 2010's *Leather Dominance*—she continues to remain quite active on the exotic feature-dance circuit. In fact, shortly after Weiner's resignation, she headlined at Atlanta's Pink Pony gentleman's club, thrilling crowds at the venue that billed her appearances as "totally nude".

But, Ginger's seductive spin on the center-stage dance pole in Atlanta was just a drop in the bucket compared to the impression she made on a curious public during her June 15, 2011 press conference at New York's Friar's Club.

The "coming-out party" hastily thrown together by Ms. Lee's lawyer Gloria Allred, the flamboyant GILF attorney who's never encountered a publicity-drenched sex case she couldn't sink her fangs into, found juicy Ginger eagerly offering her side of the Weinergate Sexting Scandal story.

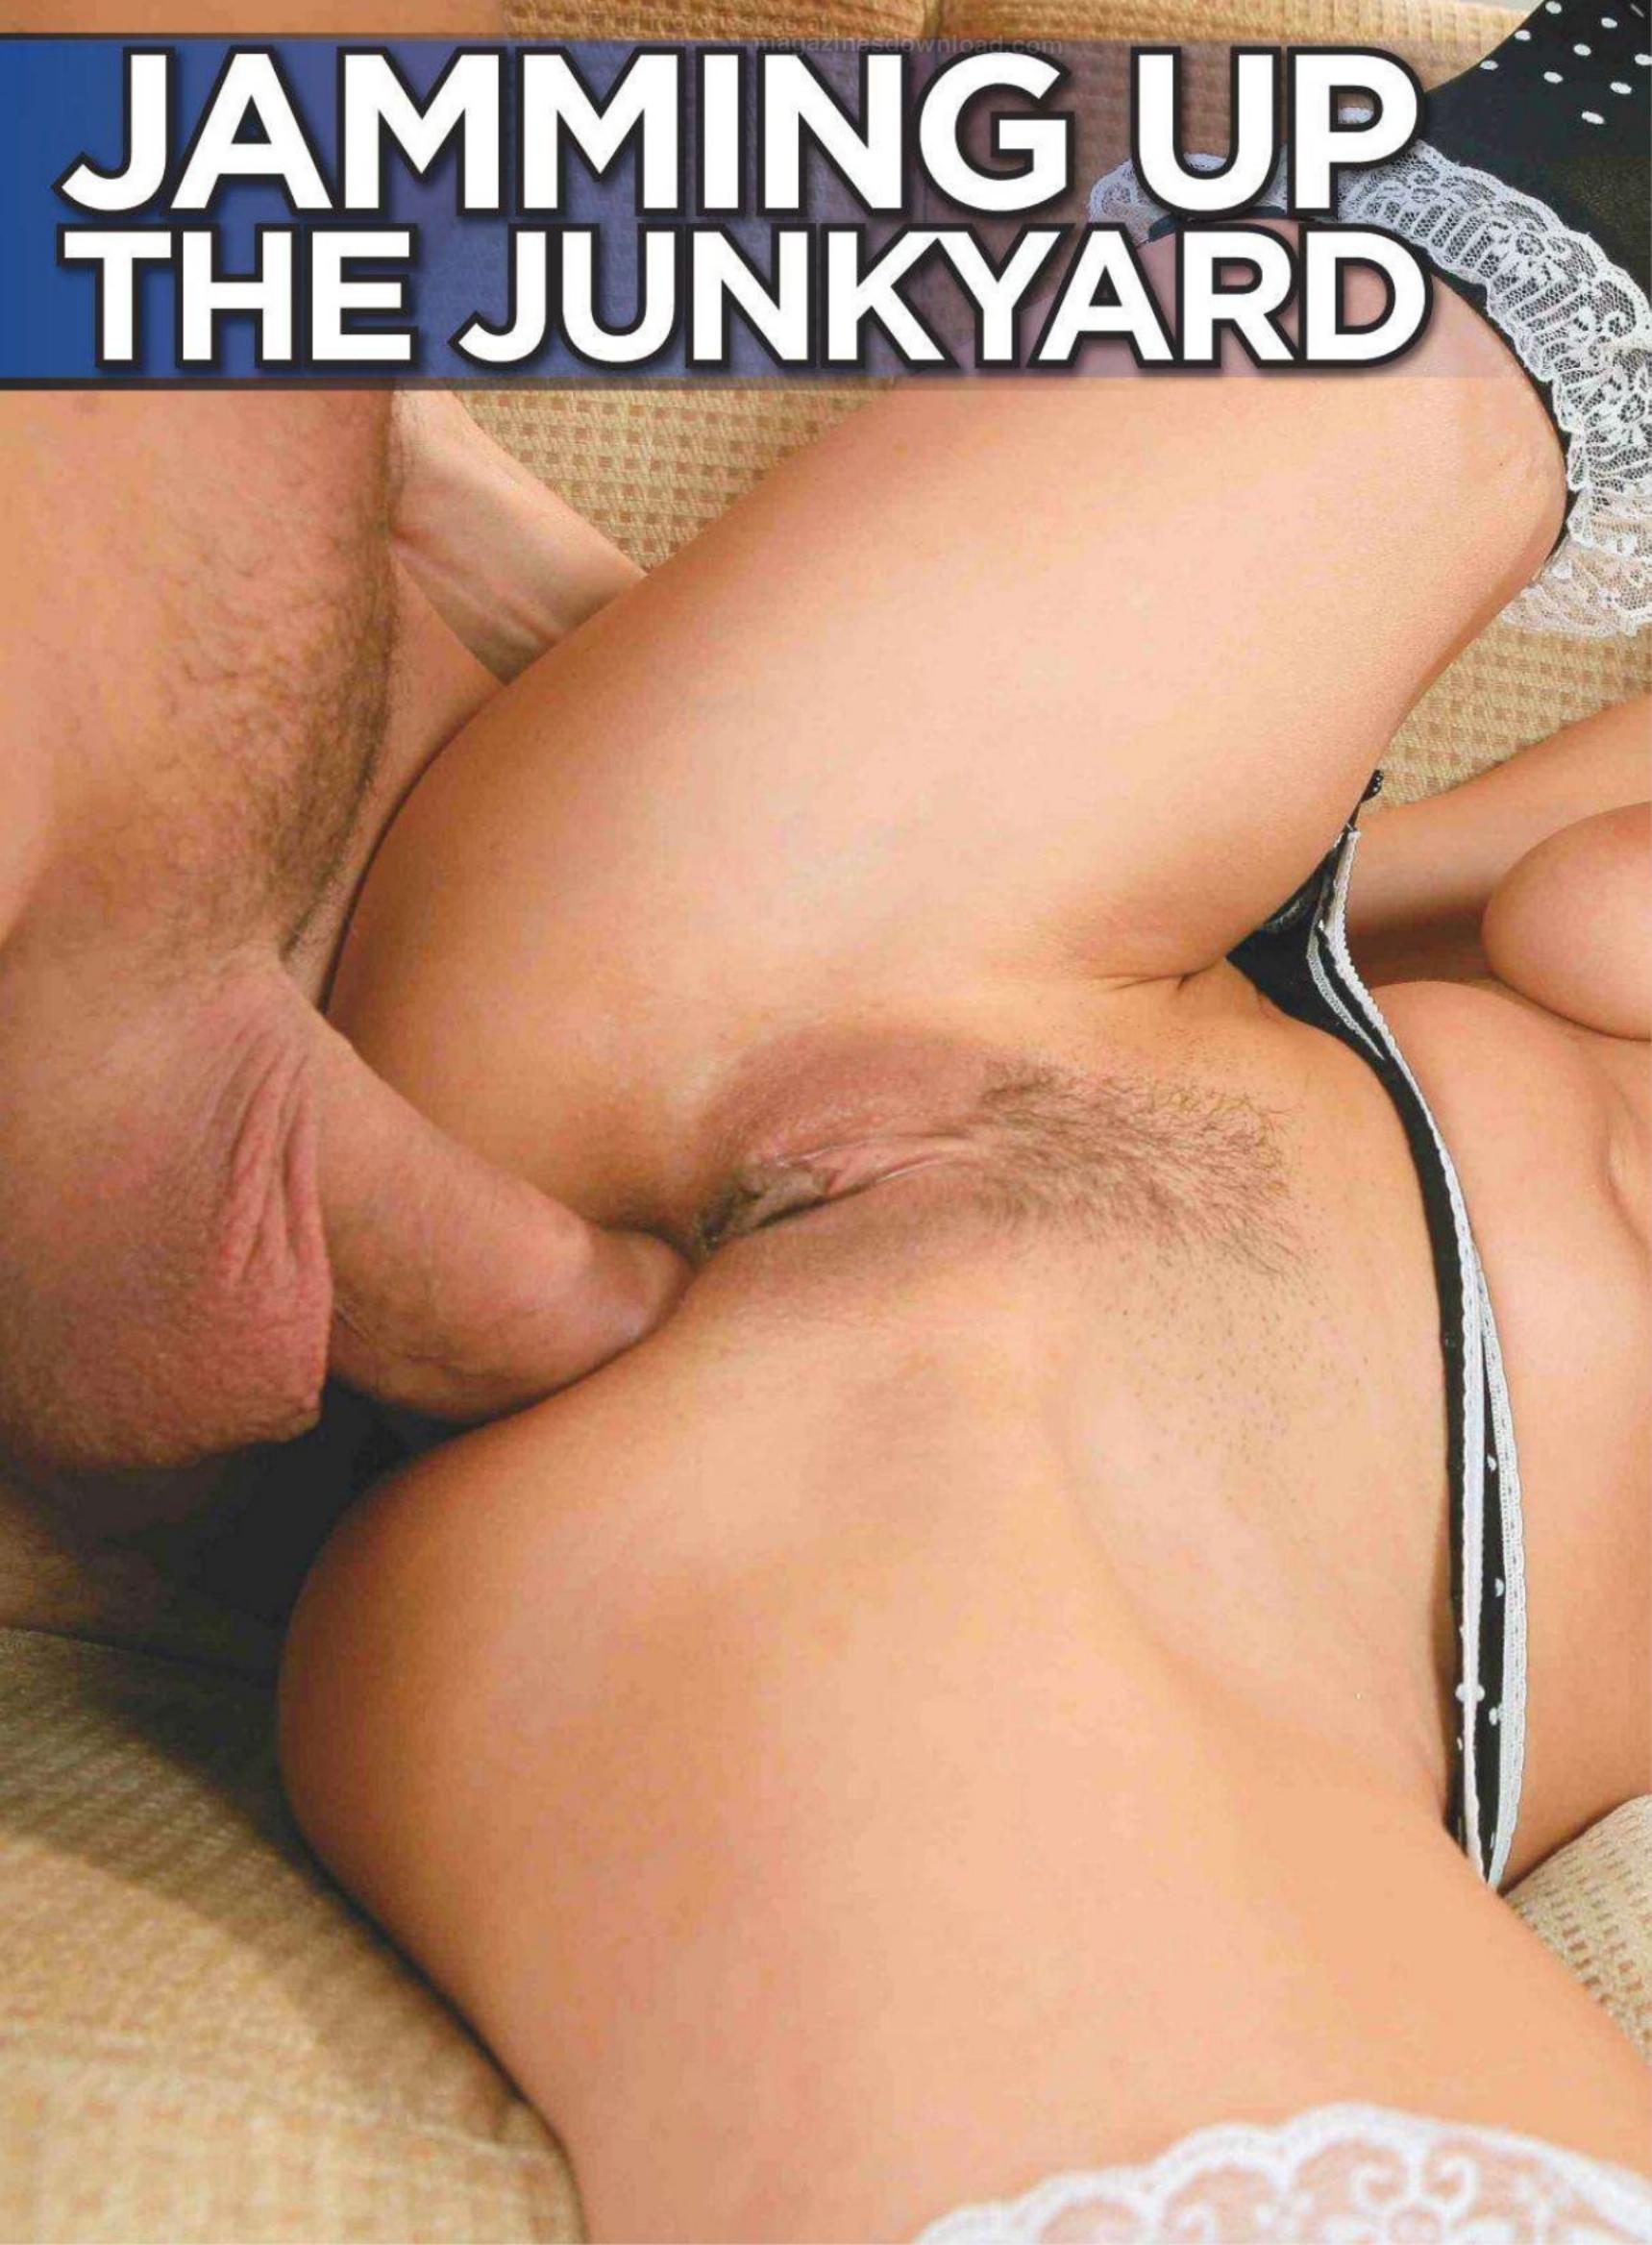

Ginger announced that she and Weiner sent each other roughly 100 emails and texts between March 2011 and June 2011, but went on to elaborate that "anytime that he [Weiner] would take our communications in a sexual direction, I did not reciprocate." One such communiqué reportedly found Weiner texting her that "I have wardrobe demands, too. I need to highlight my package."

Ms. Lee also said that Weiner somehow managed to get her phone number, called her when the scandal began to unravel, and then allegedly urged her to lie about their online relationship.

Needless to say, Anthony Weiner's immediate future isn't looking all that rosy: hopelessly unemployed, essentially deceased politically, deliberately isolated by a scorned and pregnant spouse, and unceremoniously forced to come to terms with his narcissistic demons, the former Congressman can now only dream of Eliot Spitzer-like redemption.

But for sex sensation Ginger Lee, this may only just be the beginning

asmine has it all—a pretty face, a smoking hot body, and a perfect little pinkish-purple pussy. Which is why Titus is so eager to stick his prick right where it stinks. Assfucking is like having an all-access backstage pass at a concert—you can pretty much go wherever you want to. Judging by Jasmine's baritone moans, she's thrilled at having her junk thumped. Her tiny, tight turd tunnel quivers with raw lust and heavy pleasure as Titus drills her with his bared bone. He pulls out and allows her to suck off the juices, then slams it back inside her guts. After multiple near-seizure level orgasms, her holes are all fucked out and she begs for Titus to bust his nuts inside her mouth. Jasmine is a woman fulfilled. At least for a few hours.

ucking. In addition to being the lone effective method of sustaining the species for five million years (since we first broke ranks from our chimpy kin), the mystical union of hot, throbbing cock and melty cunt remains, oddly, one of the most controversial activities known to mankind. It's tolerated, grudgingly, so long as it's widely discouraged for any ends but procreation.

Masturbation? Better get an alibi before sticking your prick into that hollowed-out hot dog bun full of Vaseline or in the exhaust pipe of your Mini Cooper.

But so long as men have had dicks, they've found places to stick them whenever a hot-pink twat is not an option. der, then, when choosing their next sexual partner, some guys will pick a cold piece of Chinese plastic with a blow-up valve and a creepy corpse-like face rather than a warm body with interminable, exasperating needs, stories, and complaints.

Sexually, men tend to be riotously diverse: some will fuck anything while others will fuck everything. There's always some dude horny enough to fuck a pepperoni Hot Pocket or bang the knots hanging from a picnic table. Grandma's silk robe easily becomes part of his latenight masturbatory marathons. Her furry bedroom slippers become the centerpiece of an imagined threesome, quickly becoming a sticky mix of nut chunks and

whackers: those who can drop a few grand on a fuck doll without missing a mortgage payment. And in the sex doll industry, "you get what you pay for" usually means a hell of a lot less. Sure, a sex doll is about a half-step above fucking a luke-warm corpse, but it's a small price to pay for the peace of mind that comes from knowing you've got pussy to fuck on the homefront, no matter what kind of night you're having with ladies who have a pulse.

From skin color to tit-size, eye color to pussy folds, today's high-end dolls are fully customizable at the point of purchase. Shipping costs a few hundred dollars due to weight. With no trace of irony, the dolls come packed in wooden, coffin-

## "There. You've just fucked a melon and it's cost you nothing, except your dignity."

And, sometimes, either a hand loses its loving feeling or the women in your life stop buying your bullshit and you find yourself in need of some prescriptionstrength penetration. You want that powerful thrusting feeling of plugging a hole, of sticking it where it stinks. You scan the house, open the fridge, check the garage, looking for something to fuck. You eventually find yourself standing in line at the porn store, dropping a few bills for a lifelike plastic pelvis and pussy or buying a cheap, blow-up butt that's nothing more than Water Wings with an asshole painted on it. But even these sexual surrogates wear out, for as the philosophers tell us, "a part cannot know the whole, even when that part is a hole".

Just a few generations ago when the world was dominated by the Victorian mind, the fine art of self-abuse was treated like a sex crime. It was "officially" regarded as a symptom of a serious mental disorder. Jerking off was censured by the medical community as a breach of sanity engaged in habitually by only the criminally perverse—little bald men in raincoats, super-flexible self-fellating freaks who locked themselves in their rooms for weeks on end sucking themselves until they sucked it off.

Spend some time at the zoo and you'll quickly become witness to the fact that our primate cousins seem happy as hockey pucks to bang as much sweet, swollen-pink ape ass as they can get their hairy little hands on. Absent red-hot simian snizz, the animals seem just as happy whacking their monkey junk for a quick autoerotic fix. Spend some time in a zoo bathroom, and you're likely to see similar behavior exhibited by the human male.

Adding to the human sexual drama, the average female seems to be born with the innate ability to drive her man absolutely fucking batshit. It's no wontoe jam.

Whether humping his way through his step-sister's panty drawer or banging last night's leftovers, a man's masturbatory options are limited only by his imagination and, to some degree, the size of his bank account.

#### IT FEELS SO REAL

Real Dolls are the gold standard through which all other sexual surrogates are measured. At an entry point around \$7,000, Real Doll snatch can be cost-prohibitive, especially when one finds himself smack-dab in the middle of the worst economic crisis since the Great Depression. And while the country boils over and banks and car companies are deemed "too big to fail," yet given taxpayer billions in bailouts, nobody considers legislation to subsidize the woes of the working-class masturbator.

With economic forecasts continuing to be anemic and gas prices remaining skyhigh, it doesn't take a corporate tea-bagger like Fed chairman Ben Bernanke to tell us that times are tighter than a Chinese midget's pussy. And while job hiring, pay raises, and credit markets freeze up during deep fiscal downturns, so does a vast swathe of the open pussy market. As more people get laid off, it actually becomes harder to get laid, according to sex therapist and penis-breathed deathwish, Dr. Ruth. The hoary old pussy monster, whose own vag long ago crumbled to dust and blew to the wind, said in the Forbes treatise Sexual Recession that "Stress, depression, and anxiety [brought on by the economic crisis] all wreak havoc on the libido." Indeed, no man wants to throw his hard-earned dollars at a shithole unless he's literally plunking pocket change down a drunken, passedout whore's gaping crapper.

The high-end fuck doll market is out of reach for all but the wealthiest hog-

like crates.

And, if you don't mind dating a toy whore, used dolls sometimes come up for sale on eBay and other online auction houses. They tend to cost about a third of the price of a brand new, unsoiled one. Just remember to clean your new girlfriend thoroughly, sanitizing all orifices and openings with a heavy-duty douche. Once accomplished, do it again. And then again.

There are rumors of companies, mainly in Japan, that rent high-end Real Dolls. We're not sure how this works. Renting bowling shoes is one thing, but supping from them is another. If you find yourself with enough money to rent a Real Doll, chances are it's just as inexpensive to rent a real woman, in which case, it's also wise to wipe her down and give her a similar dose of astringent before sticking your dick inside.

#### IT'S ALL ABOUT THE BUILD

Real Dolls are made of silicone and coated with an ultra-realistic compound called Cyberskin. It's supposed to best replicate the feel of human skin. While it feels a lot softer than a blow-up doll's plastic tits, there's no substitute for the real thing. Cyberskin is a space-age substance manufactured by Topco Sales, which claims that the life-like polymer was engineered by NASA scientists. It's marketed under the brand names Ultraskin, Eroskin, Softskin, SoftTouch, Cyber Jel-lee, and various knock-offs that sound similar, but feel a lot more like banging a burlap sack. Again, if the price seems too good to be true, it probably is.

For best results, a thermoplasticskinned silicone doll can be kept warm with an electric blanket or a heating pad, while you're out at one of the four jobs you work just so you can pay for the thing.

Cyberskin is soft, stretchy, and supple.

It's ductile, like a velvet talc or a dolphin made of silk. Only water-based lube should be used while banging the babe, as oil-based lube will break down and destroy the material.

Today's lifelike fuck buddies are not your grandpa's fuck buddies, unless it actually belongs to your grandpa, in which case, "Fucking Yuck!"

Back in the day, fuckdolls were blow-up "novelties," with clowned-out faces that looked like Depression-Era death masks. But best of all, they were girls who couldn't say "no" in an Era when girls were supposed to. These fuckdolls didn't fart, burp, or run away. They couldn't get pregnant, didn't have jealous ex's, wouldn't get sick, couldn't age, didn't get fat, and wouldn't waste your money shopping.

To anybody who has ever had any relationship with any woman ever, all of that sounds too good to be true. But most of us are busy living paycheck to paycheck, many of us supporting women who habitually do all the above. Unfortunately, for many of us, there's simply no way we're going to be able to explain the necessity of buying a \$7,000 sex doll.

The question then begs: Is it possible to make your own sex doll? Something remotely similar to a Real Doll? Something that doesn't look like a crime scene once you've drained your balls inside her? Something that doesn't look like a college softball player or Karl Rove in a dress?

The short answer is "Yes."

While there are definitely cheaper latex alternatives to a \$7,000 fuckable friend, \$300 is still a lot of money to shell out for the shell of a woman. Buying a ready-made girl-to-go may tempt the fast-food addict in you, but if you enjoy the thrill and satisfaction of doing the job yourself, putting together your own sex doll from silicone and spare parts you already have lying around the

native
with just
a little experimentation, a lot of hard
work, and some meager talent.

Since this is going to be your very own personal fuck doll, you might as well explore any and every fantasy you can think of and incorporate as many of them as possible into your build. Thinking outside the box will give you a better experience inside the box, so to speak.

For example, your ultimate homemade girlfriend might have two or even three pairs of tits, one set of satin, fuckable, DDs in front and a pair of teenybopper B-cup bra busters with long rubbery nipples in back. She could be a slutty, all-American blonde on front and a

house—an asshole here, a pair of tits there—then the Frankenstein monster approach is a distinct alternative. Provided you have some artistic ability and the patience not to rush the project, you can render a fairly fuckable sex doll altertight, little Asian or bubble-butted black girl in back. Maybe she has a tight, wet, cock-gobbling pussy for a mouth or assholes for ears. A small TV on her forehead might be a nice touch. Her crotch could be a pussy

sampler of different twat types, from big, buttery fucked-out butterfly labia to virtually-smooth teen pussy. There's a never-ending combination of parts and places. Think of it as a chance to play God, The Devil, and Charles Darwin all , at the same time. If you want an eight-foot giantess with an asshole for a mouth and a mouth for an asshole nobody except maybe Homeland Security can stop you. Or, perhaps you have a hankering for that classic Freudian mouth between her legs that provokes castration anxiety. Add a second pussy between her downy butt cheeks and clean, poopless ass, so you can eat her out right behind her back. Get all Chaz Bono on the bitch until even you're confused what the fuck she is. Beer enthusiasts can put a tap in their doll's stomach that pumps out pure, pub-fresh pints right from her clit. Or your girl might come complete with a cable remote control built right into her butthole, so you can finally channel surf while banging a tight bottom. She might even have a Kindle or e-Reader built into her inner thigh, so you can read the comics while eating at the Y. Do a nice enough job and you might even be able to put her to work on the open market: prop your gal up against something and whore her out to horny mooks via online classifieds.

#### **BUILDING THE PERFECT BEAST**

The first thing to do is find a suitable chassis for your fuck doll. This is by far "the most important part" of the build, as the entire project will take root from this initial step. The chassis will determine whether your homemade female companion is a fuckable masterpiece or a junk drawer dweller with dick holes. A department store mannequin can work very well here. A large piece of hard foam that you can more or less sculpt into form does nicely. If you are going to attempt to duplicate a Real Doll and create a fuck toy you wouldn't be embarrassed to take home to ma, you'll need some kind of skeletal system: preferably a malleable metal to use as an armature for your design, but one also strong enough to support the weight of the heavy silicone. Remember to make your bedmate bendable and always think sex position flexibility when it comes to your doll fulfilling your freakish fantasies.

Your local porn shop will have all the spare parts you'll need to turn your hunk of fake flesh into something downright bangable. Every porn star has a pussy mold, an ass mold, pre- and post-tit-job tits; there are even some depraved designer fists and even XXX-star feet available for purchase. Conceivably, your Unreal Doll could have Tera Patrick's pussy, Sasha Grey's asshole, and Jenna Jameson's tits.

Soon your Unreal Doll will slowly start

to take shape. If you're going to try to replicate a silicone doll, a good place to learn about the process might be your local art supply store. Don't be shy—tell the "expert" what you're looking to build and see if he doesn't have a few ideas of his own. Replicating a Real Doll will take serious artistic ability and some 100 pounds worth of silicone, not to mention special paints, dyes, glass eyeballs, human hair, and other pricey items; unfortunately, you could be looking at a total financial nut that prohibits you from busting yours.

The process itself involves life- and body-casting using a live model, meaning you'll likely have to shell out quite a bit of cash to get a nicely-built babe to let you cover her naked body in plaster in order to make life-like molds of her girl parts. Certainly, you can skimp on parts like the pubic hair by using your own or

Civil War relic, with its amputee-looking frog-legs and rape-face.

Even if your Unreal Doll is nothing more than a cooter fashioned from an adult diaper and a child's mitten affixed with masking tape, you've done your level best and should fuck it like the monstrosity it is. *Frankenstein* wasn't a love story, after all. It was a story about the miserable, existential existence of a galvanized corpse who ends up drifting away into the dark on an ice floe, looking for life's meaning by hastening his own death via funeral pyre.

### **MELON BALLING**

If you're not ready to build an Unreal Doll, start with a millennia old sex toy: make a pussy from a melon. Fucking fruit has been around forever and all you need is a juicy melon (preferably seedless), a good sharp knife (a pumpkin carving

#### FUCK MY COUCH. PLEASE!

Everyone loves couches, But now you're really going to love yours. All you need is a Ziploc bag, a pair of scissors, and some lube. You can start by cutting the seal off your Ziploc bag. Squirt lots of lube up in there and spread it around. Put it under one of the couch cushions. Put your dick in the bag and push down on the couch cushion for better sensation. Talk dirty to your couch. Tell it that it better have your money or else. Tell that couch that you're going to put it out on the sidewalk if it doesn't fuck back. That fucking couch.

### YOU TUBE

You've fucked produce. You've fucked a piece of furniture. Now you're going to fuck a cylindrical plastic tube. Find a shampoo or conditioner container that's round and longer than your dick. Cut the top off the shampoo holder. Get an old (or new) soft

shaving your pet, but by the time you've coughed up the cash for these supplies, unless you truly know what you're doing, the result could be deadly toxic, either due to the type of silicone you've used or just based on general appearance. Unless you're a highly-skilled Hollywood special effects artist or sculptural genius like Australian Sam Jinks, silicone can be too realistic, depending on the model. It's a remarkable medium that can capture an almost lifelike vagina with lips that look so real, they make your mouth water. Conversely, the compound will also discern every wrinkle, sag, cellulite patch, and skin tag with ruthless clarity.

The casting process for duplicating a Real Doll dates all the way back to the Egyptian pharaohs, where it was used as a means to transport a risen, wilting corpse into the afterworld. Unless you're unusually talented, your first fuck doll will likely resemble Grimace more than Giselle, but if you really want to put together something realistic enough to fool even the most discerning dick, you might be able to find some sculpture classes at a local community college, and, if you're lucky, a like-minded professor.

But first, go ahead and deflate that hideous antique you've got stashed in the attic or sleeping in that empty side of the bed next to you. It's the 21st Century, and your doll looks like a

knife is ideal), a scooper or a spoon, and a condom.

Measure the circumference of your dick when hard and cut a hole about a quarter of an inch smaller in diameter at the top of the melon where the stem is located. Dig inside and pull out the mush with your melon baller or scooper spoon, careful not to damage the edges. Put the fruit in the microwave for just long enough to warm it up, but not too long so it burns your dick off. (Always make sure you test the temperature before putting your dick inside any pussy, fake or real.) Now strap on the rubber and fuck the shit out of

and fuck the shit out of it. Use your pillows in bed to keep it from rolling and to get that doggy-style-like feel underneath you. There. You've just fucked a melon and it's cost you nothing, except your dignity. Now carefully place the melon back in the fridge, with the pussyhole side down.

gym sock and stuff it inside, pulling the elastic rim of the sock a few inches over the side of the bottle, forming a pussy-pocket inside the bottle. For a tighter fit, take a second sock and do the same. Now take out a condom and do the exact same thing to it, but this time put a length-and-a-half of duct tape around the edge of the condom, fastening it to the sock. Squirt some lube into the rubber and fuck away, sitting down like you would with a Flesh Light or stick it between pillows like you do at your favorite motel.

Now that you've fucked various inanimate objects, maybe it's time for you to put on a clean shirt, drive down to a local bar, and just hang with other human beings. You can always go out and

invest that money saved in some new clothes, a gym membership, and a haircut. Find a hobby, learn how to dance, or learn to speak the language of your third-world neighbor. Who knows, you might get lucky and score the most realistic

sex doll of all—the living, breathing kind!

enorita Chikita is one spicy hot Blanquita. This jizz-guzzling, ginch-gobbler may be more corrupt than any border town police captain in bed, but the curvy C-cup turns into a modest wallflower in polite company. To keep her from becoming ill-at-ease, we've arranged for a healthy supply of nylons, garters, girdles, stockings, and corsets. Anything that shows off her curves and full, husky fuckbags. The brazen blonde enjoys having her toes sucked before having the juices pounded out of her pussy like a piece of freshly marinated chicken. With those sugary icy-blue eyes, bronze skin, and teeny freckles, the 5'6" fuck doll may act a little nuts in the sack, but many a lesser woman is just batshit crazy simply for the hell of it. Muy bonita, Chikita!

HIGH SOCIETY: Did you enjoy your experience at the recent EXXXotica show?

GINA LYNN: It's always fun seeing your friends and it's always nice to get away. I don't think it was as busy as years before, though.

**HS:** You still enjoy greeting your fans. Why is it so important to reach out to them?

**GL:** Yes I do, because without them who am I? They are what keep it [the sex industry] all going.

**HS:** Do you still feature-dance around the country and if so, what do you consider yourself: a dancer first, porn star second or vice versa?

GL: Yes, I still feature-dance and still enjoy it after 18 years. The money is not as good as far as tips go, but again, the fans are great! I have always considered myself a dancer first. I was dancing at a club when I used to see the porn stars come through.

**HS:** Have you always enjoyed your share of attention?

**GL:** I think everyone likes getting attention. I'm a very shy person, so it usually takes me a while to open up, but attention is good—especially from guys!

**HS:** Why do you think you've lasted this long in both the adult and exortic-

EARNED.

dancing businesses?

**GL:** I pace myself, or at least I try [to]. I keep myself in shape; as a matter of fact I think I'm in better shape now than I was 10 years ago. My husband of 12 years has also helped me in more ways than one.

**HS:** How are the girls who perform today different from when you first entered the business? What are some of the negatives, as well as positives?

**GL:** The girls that perform today are giving it their all right out of the box, it seems. I wanted to give a little bit at a time. I still haven't done anal, yet. The positive side is they're probably making more money right away. The negative side would be: "What new thing do they have to offer?"

"The girls that perform today are giving it their all right out of the box, it seems. I wanted to give a little bit at a time. I still haven't done anal, yet!"

**HS**: What are some of the negative and positive aspects about being in the business for over 10 years?

**GL**: Negative aspects: I should be rich and retired by now. [Laughs] The positives: I'm still in demand enough that companies want to pay my rates because they know my movies sell!

**HS:** Who is your favorite male performer and do you enjoy working with him because you both have good chemistry, or because he fucks you good?

**GL:** My favorite male star is Voodoo because of the [sexual] chemistry; plus he's one of the better-looking guys [in porn].

**HS:** Because of your super porn star status, you must have the luxury of handpicking all the guys you wish to work with. Do you normally work from a set list of guys or will you work with someone new?

**GL:** I have a list of guys, but I do enjoy trying out new talent.

**HS:** Are you much pickier when it comes to working with a girl?

**GL:** Yes! I used to be into girls, but not so much anymore; so yes, I am pickier.

**HS:** You've won plenty of awards throughout your career, but the really big awards like "Performer Of The Year" and "Best Actress," have eluded you. Why do you feel that's been the case and do you believe it's because of some sort of industry-wide bias?

GL: When I worked with Travis Knight and

Belladonna using hot wax. She just brings

out the dirty in me.

**HS:** What girls would you cast in your dream, all-girl porn movie?

**GL:** Jenna Jameson, Belladonna, Nikki Benz, and myself.

**HS:** Name something about the [porn] business that you really don't like?

**GL:** Gay guys working in straight porn!

**HS:** What would you be doing if you hadn't gotten into porn or stripping?

**GL:** Wow, I have no clue, maybe something with animals.

**HS:** What advice would you give to a guy who wanted to have a threesome with two girls?

**GL:** [Laughs] Relax and go with the flow. Let the girls get started, then slowly join in. Oh yeah, don't brag about it afterward. Just enjoy it.

**HS:** Do you have threesomes outside of porn?

**GL:** I did for many years. I think [Gina's husband and fellow porn star] Travis [Knight] fucked most of my girlfriends. Before porn I was [involved in threesomes], but mostly with girls. I was sexually active, but went through a bad marriage when I was young.

**HS:** Besides anal, what else won't you perform on-camera?

**GL:** Anal is pretty much it. I love everything else!

# Negative aspects: I should be rich and retired by now. [Laughs] The positives: I'm still in demand enough that companies want to pay my rates because they know my movies sell!"

**HS:** What's the least amount of money you'd consider to do an anal scene?

GL: \$15,000 and I'll think about it. [Laughs]

**HS:** Where would you rate yourself on a scale of 1 to 10?

**GL:** I would give myself an 8. Is that being conceited?

**HS:** No, not at all! What would you say is your best and worst physical feature and why?

# A BIG GOEK FOR A SEXY GIRL

Acme Andersson

STARRING: BETTY STYLLE, BRIGITTE FOX, CINDY HOPE, PURE ANGEL, AND SUZY WITH CRISTIAN DEVIL, NICK LANG, ZENZ RAGGI, CHOKY ICE, AND RICARDO BELL STUDIO: NEW SENSATIONS

eeing a hot chick with a thick dick in her hole is something we'll never get sick of, and with A Big Cock for a Sexy Girl we get more than two hours of non-stop beauty banging by guys with pricks that at times appear like they couldn't possibly fit in the girls' holes. Don't worry; they manage.

It's an all-Euro lineup with **Pure Angel**, **Betty Stylle**, **Suzy**, **Cindy Hope**, and **Brigitte Fox** all getting their mouths and snatches serviced by some unusually well-hung men. Enough with the introductions, let's watch these superb imports get fucked!

We begin with **Betty** who makes a pleasant day downright unforgettable with a lawn romp that resembles a picnic and not just because of the blanket they've spread across the grass. It's more the way she gobbles his rod like a hungry kid going after a leg of fried chicken on a hot summer day. Lying on her stomach, she is attentive and starved and it's a great introduction to any fucking.

She's a pure romp monster, taking the cock she's plumped for her cooking in hand and shoving into her fat-lipped cunt. Her body shows no tan lines and she won't be getting any today, either, unless it's shaped like a pair of balls since they keep slamming against her taint.

The dark-haired, slender beauty takes his monster into her box with ease and then rides like a champ, giving a loud moan and groan that is sure to bring neighbors out to see, and what they'll see is nature at its finest. No doubt they all stuck around to see the pretty doll get her face plastered with an impressive thick and white load, so much so that it has her smiling and thinking about more.

Boats are one of those transportation sex fantasies that pretty much all of us have—along with planes, cars, and trains—but the beauty of the boat is the ability to go remote. Getting away from the traditionally horny boatmen crowd is certainly a good idea in this case, because if **Brigitte** wasn't in international waters her screams could surely be heard on shore and an unnecessary rescue would be organized.

If stuffing all that man-meat in her mouth was a struggle worthy of the greatest one-that-got-away tales, her man made his catch and we have the pictures to prove it. He takes the bait and shoves his rod into her remarkable-looking pussy, and he just may have hooked her, too, because she's in no mood to let his cock out of her snatch even when they are switching positions.

They fly through a full array, starting things with her on top and returning there for the grand finale, and Brigitte spends a lot of her time spreading her pink flaps wide to make sure that cock has full access to her wet hole. She comes in waves, but the load she takes to the face is more like a tsunami and she looks fine with his wasabi sauce all over her pretty mug.

magic spots, sending the girl into howling, shaking fits that have her tits shaking enough to set off the nearest Richter Scale.

She looks good from any angle, whether she's on top with her legs pulled tightly together to give her snatch that supertight look and feel, or on her back with a leg pulled back, her cunt looking eager even without the beaver. But the winner just might be the cowgirl since it offers not only a sweet shot of her cooch, but also a clear view of her poster-worthy booty that is full and round and no doubt a possession prized by all who see it.

None of her flesh goes unappreciated and that includes her face. After getting the bump and grind that gives us such a fine view of her behind, he's had enough and pulls out to land some of that pasty white liquid on her soft skin, with one line shooting straight up and nearly snagging her in the eye.

**Pure Angel** gives us a roadmap to her lay when she stretches her lips around the fatness of her dude's dick to pump it into her mouth, while managing to maintain eye contact with us with her pretty brown eyes. Yes, she knows we're watching and she doesn't mind one bit.

She can't help but switch her focus to the man at hand once his cock invades her taco. She's rightly awed by his veiny tool as it pushes the boundaries of her tight-lipped entryway. The invasions from behind almost have her slamming through the wall and there is the amazing sight of her reverse cowgirl that shows off his length as well as her depth.

When he's ready to blow his money shot, she's suddenly selfish and almost doesn't let his rod make his exit, but at the last moment his dick meets her lips and she gets her share of splatter, nearly earning herself a nose-full.

With her blonde hair, pigtails, and bright eyes, **Suzy** is the token innocent in the movie, but don't be fooled, she's delightfully dirty under that slightly schoolgirlish appearance. It's obviously not the first time she's ever had a cock in her mouth and judging by the way she climbs on top and lowers her sweet body down onto his bone, she's been to a few rodeos, too.

Even when she's getting the ramrod doggie-style she still manages a smile and a look of purity, but the moans and actions behind them let us know that the filth is just beginning. Though she never manages to get her shirt all the way off, her sweet tits go on full display and are a great one-two punch with her shaved-smooth twat and its welcoming reddish lips.

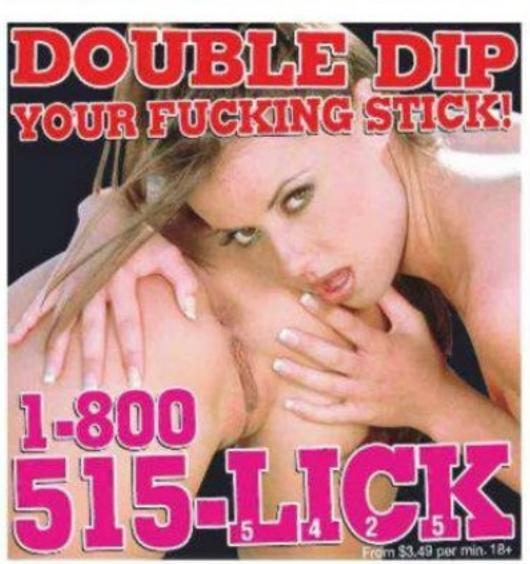

The real kicker is how pigtails begs him for a load on her face and he complies, laying it on thick as she grins throughout. Looks can be deceiving, but there's no getting around her dirty girl status when she has a big load of jizz on her face.

# STRAY CAT

hat's a pretty little porn star like Alexis Ford doing home alone on a Friday night? "I'm a bit of a loner," explains Alexis as her fingers start fondling and diddling her shaved snatch. "Sometimes I just like to stay home and finger myself." Cramming her fingers deep into her pussy and then licking them clean, Alexis smiles and grabs her glass dildo to finish the job off right. "Nobody knows how to fuck me better than me!"

blonde **Brooke Banner** returns showing off her mammoth meat hooks, but instead of going solo she's riding some long and hard meat sausage. We've also created another summer heat wave with newcomer **Melena Morgan**. This blistering brunette knows how to turn up the flame and along with porn princess **Celeste Starr**, you won't need to wander far to get off. Add to this horny roommies **Bree** and **Shyla** playing with their favorite sex toys and you've got one steamy month you certainly don't want to miss.

Yes were suters, and we were born to make all your dreams come true!
