Hard Wood

One warm sunny day my husband Dave and I decided to go for a walk to a reservoir only a short drive away through the countryside.

During the drive I undid the bottom buttons of my dress and spread my legs. I was not wearing any knickers so Dave got a good view of my neatly trimmed bush.

Licking my middle finger, I placed it on my clitoris and started wanking in

the seat. Then we went into the nearby woods for a fuck.

I got down in front of Dave and took his hard cock in my mouth, savouring its salty taste.

Dave was fucking my mouth so deep I could feel the tip of his cock hitting the back of my throat as his heavy balls slapped against

front of him. Dave found it hard to drive with me sitting next to him frigging myself off.

So he pulled up and dived down to lap at my quivering clit.

I had a mind-blowing orgasm and copious amounts of pussy juice leaked over

my chin.

Then he told me to lean forward against the tree so he could fuck me from behind. I did as I was asked and soon felt his well-sucked cock slipping inside my incredibly moist hole.

I felt myself cumming almost instantly as his big cock spread my cunt lips from behind. I yelled at him to fuck me hard as my orgasm hit me. Dave grunted and let his hot seed flood into me what a great shag.

Gina, London.

Nail Me Down

My dad's a carpenter and I'm into woodcraft as a hobby - I've even got a shed where I do projects at weekends! Most of my mates

know that's where they'll find me if they ever pop over to see me.

Last week, it was Neil, a "friend with benefits" who turned up. I didn't know he'd arrived for ages - he just stood watching as I drilled holes in the wood, and only let me know he was there when I stopped. He was grinning away to himself - I was wearing a little vest top and no bra, and my tits must have been jiggling like jelly!

Put it like this, I wasn't the only one who had wood, and when he asked if me doing it topless was out of the question, I obliged. I don't know if woodworking with your norks out is a health and safety issue, but I got away with it unscathed - and unlathed - and he got his dick and out and began wanking furiously.

my arse-muscles were really relaxed by the time he started to slip in. He had a big cock on him – hard to take, but so worth all the time and effort. The size of him was stretching me to the max, but as my arse got accustomed to that, he was able to piston it in and out.

My pussy hole needed some attention so he reached underneath and slipped a couple of fingers in me. Soon I was orgasming, tits jiggling again but in response to my own body now.

Neil's large cock slid out of my arse, and I felt his cum, melted by the heat of my body, trickle out after it. "Shower?" I said, and he joined me. My arse was too tender for more anal, but anyway my cunt was aching for cock now. He knelt down on his haunches on the floor of the shower, and I straddled him, tantric sex style, so he

Dear Julia

Hope you are well. I have just bought *Escort* vol 34 no 8 – lots of great pussy. My fave is Charlene the centre-fold with her yellow knickers and stockings. The centre pic is stunning – she has a lovely looking cunt and I just had to wank over it. I would love to lick her out and lick her bum hole – that would be heaven. If Charlene likes sex in public so much I would be happy to volunteer to play with her boobs and fuck her hard wherever she wants!

Dear Julia

I was browsing through the latest issue and pop – my cock nearly hit the ceiling when I saw the delicious Tiffany James showing absolutely everything up close (vol 34 no 8). The shot of her with her legs behind her head and both her holes shaven and smooth and ready for fucking had me spunking so much I had to go and buy a second copy!

Thank you for sharing Frankie's pics (*Escort* vol 34 no 7) and her full pubic bush. Her "lady fun-mound" complements her gorgeous figure perfectly. Years ago everyone had a bush like this but not any more! What about you, Julia?

SEX WITH ALL THE STRINGS

Daisy Blade discovers that sex dreams really can come true...

One of my longest running fantasies is to be tied down naked, blindfolded and used as a fuck toy for 24 hours. I love the idea of people having their way with me then leaving once they've had their fill. I'd be their fuck toy for a day to dip in and out of as they wished.

Although I've imagined it for the last seven or so years, it's only in the last three years that I told Mr B about it and only in the last six months that we'd considered playing it out. The wait was worth it.

On the morning of my 24 hour fuck toy fantasy, I had no idea what Mr B was planning. We went through our normal routine of getting up and showering. By the time I'd returned from the bathroom I saw the wrist and ankle cuffs attached to each corner of the bed and a blindfold laying on the pillow. I felt giddy as his plan became clear.

Mr B cuffed me so I was spreadeagled: easy access. He kissed me and slipped the blindfold on, telling me that my 24 hours had begun.

The day started gently enough. Mr B was kind enough to offer me an early orgasm by licking my pussy and playing with my big tits. He fucked me and came, then he disappeared.

By the time he returned I was desperate to feel him. Rather than feeling his big hard cock, I felt the smooth, firm shape of our remote control vibrating egg being slipped into my pussy. Thinking I'd be in for a buzzing treat I giggled and writhed. After a minute it became clear that Mr B wouldn't be switching it on straight away.

The room fell silent. Being blindfolded I had no idea if Mr B was still there. Again I'm unsure how long I was lying there. Long enough for me to relax and forget about the vibrating toy buried inside me.

It came as a shock when it started to massage my pussy. Although I was moaning and making noises I had no idea if there was an

audience to hear it.

I felt my orgasm building as Mr B (I assumed it was him) scrolled through the different settings. Finally, I felt his mouth cover one of my nipples and start sucking, while his fingers worked my clit. I was going to cum hard.

After gushing all over the egg, Mr B slid inside me again and he had his way with me two or three times over the next few hours until he felt he'd had enough and disappeared again downstairs.

That was the longest time he left me and it must have been evening by the time he returned. I heard the computer being switched on and then the sound of porn. Cheeky shit was going to watch and all I could do was listen. I thought I heard someone else in the room too.

Finally Mr B told me to open wide, so I obliged as he shoved his fully erect cock into my mouth. I lapped at it greedily. Moments later I felt another cock nudging at the entrance to my pussy. There was someone else here! He slid inside and moaned. I still didn't recognise

the voice, but it didn't matter. All I could picture was what I must have looked like spreadeagled on the bed with Mr B fucking my mouth and the mystery man pumping my pussy: it was

"Untie me! I said 24 HOURS!"

exactly as I fantasised.

The guys took it in turns to fuck me. Eventually the blindfold and cuffs came off so they could spitroast me properly. Turns out the mystery man was our housemate JC, who'd only ever been allowed to watch before. What a way for him to finally get his fill of me! Each time one moved from my pussy to my mouth I licked my own tasty juices off them. They got a kick out of that.

We kept going until I was spent and my pussy couldn't take any more – I guess even fuck toys get worn out in the end. Then Mr B filled my snatch with his load, while JC spunked on my stomach. Best 24 hours ever.

When it comes to adult fun, then you can't cram much more sex into one city if you tried: London truly is the UK's premium location for vice and misbehaving. Taking us on a brief tour around the capital is hot bisexual and London local for ten years, Amber West...

BOUTIQUE SEX SHOPPING

Gone are the days of Soho's many unlicensed, dodgy, full-of-cheap-vibrator shops (sniff). Instead they've been replaced by the likes of the very high-brow Coco de Mer in Covent Garden's Seven Dials. Run by the owners of online retail giant Lovehoney, it's possible to buy ornate nipple clamps that cost over £300 and they run salon sessions too, where your missus can learn how to give the perfect blow job, or how to dish out a good spanking from a professional dominatrix.

There's also the new Harmony Store boutique on Charing Cross Road, which runs erotic art exhibitions and then there's Sh! in Hoxton Square that only allows blokes in when accompanied by a woman. Oh, how times have changed!

EROTIC EXHIBITIONS

November sees the opening of the Wellcome Trust's 'The Institute of Sexology Exhibition' at 183 Euston Road. The display will bring together over 200 objects including art, erotica, photography and sex machines, devices and tools through the ages. See male chastity devices (spiked cock rings) and discover where the terms 'sadist' and 'masochist' originated from.

It will also explore some of the most famous sexologists from the past and present, and explore pathologies of perversions and ideas of what is "normal" sexual behaviour.

Not your average naughty afternoon out, but if you're interested in sex even a little bit (aren't we all), then it's certainly worth a look.

ADULT FLICKS

Porn cinemas are a dying establishment and considering the size of the capital you'd think this would be the one place where there would still be plenty, but that's not the case. Thanks to Islington Council's crackdown on "sleazy" establishments (the local councillors words, not ours), there is soon to be only one porno cinema left in the whole of London: Mr B's on City Road, close to Angel tube station. If you're feeling nostalgic for semen-stained upholstery, or want to check one out before they vanish completely, then now's the time!

WHERE TO PLAY

While there might not be many cinemas, there are certainly tons of other sexy venues in London to play at, including world famous strip, fetish and swinging clubs. "London is a brilliant city for making your own sexual experiences and I've even been chatted up and had horny conversations in Tesco!" says Amber. For serious adult fun, when a little more than Tesco is required, you're spoilt for choice in London.

"My favourite kink club is Antichrist. They have a great private area and I've been fucked and sucked there so many times," reveals Amber. As well as taking part, she also likes to watch saying, "It's so horny seeing everyone else fucking and reminds

"CHECK OUT A STICKY PORN CINEMA BEFORE THEY'RE ALL GONE"

me of a Roman orgy."

Antichrist is a mixture of fetish, goth and general mayhem and ticketed events run every few months. Check Clubantichrist.com for details. For the swingers, Amber recommends the popular Killing Kittens, which Amber says is a "swingers heaven", but there is a rigorous vetting process you need to go through first. See Killingkittens.com. There's also The Hellfire Club, which is one of the oldest swinging clubs in the

UK and has special couples discounts for just £10 for some parties. That's a lot of fun at a good price!

For your more traditional gentleman's club there's the original Stringfellows in

Covent Garden, or Spearmint Rhino on Tottenham Court Road. "I love Spearmint," gushes Amber. "I took my girlfriend in there once and one of the dancers really liked her, it was obvious, but so hot to see!" says Amber.

REAL WIFE SEX

For naughty Nicola, a cock up the arse is worth two in the bush

I decided to write and tell you my dirtiest little secret because, well, the idea of doing so turns me on.

So many of my friends think I'm a normal, slightly conservative kind of girl, and I play up to that. If only they knew the truth... I'm an anal-oholic!

Unlike a lot of girls, who experiment with anal sex in a relationship, I've been doing anal pretty much since I was first sexually active.

Weirdly, I was a late starter, still a virgin at 20, so when I began seeing Matthew, who was 12 years older, I was desperate to pop my cherry. In fact, I told Matt straight off that that was why I wanted him to fuck me and, in a way, it ruined it, because he was so worried about hurting me that he didn't give me the hard fucking I'd craved for so long.

But the next time – when I showed him the vibrator I'd been using since I was 18 – he finally gave me a proper seeing-to!

It wasn't that long after I'd taken his cock in my snatch and mouth, that I asked him if he'd like to take me anally as well. He asked me if I was sure I wanted him up there, so I knelt on the floor, then reached back and fucked myself in the arse with my vibrator, showing him I'd trained myself to take it.

He was convinced, and once I'd cleaned my toy he got me to use it on my clit, saying I could take him easier if I was "distracting" my body that way. It worked. I felt him go inside, but so easily, and I think I was starting to cum even before I felt his balls press up against my cheeks.

Again, he didn't fuck me too hard that first time, just let my tightness and the

I like to feel his spunk trickle out of my arse on to my slit and clit

feel of me cumming around his cock bring him off. Then he blew his load deep

in my bum. Ever since that first time, I've always loved to take a bloke's spunk in my arse, so I can feel it trickle out over my slit and clit.

Things didn't last too long with Matt – he wanted to get serious and I wanted to experiment (and have more than one partner). Since then, I've kind of been making up for lost time! I usually start fucking a bloke as soon as we get together and tell him to assume that anything goes unless I tell him he's crossing a line.

I just love sex to be spontaneous, to

RACE TO THE

Nicola, W. Yorks

be bent over in front of him not knowing which of my holes his cock is going into.

Sometimes, though, you have to be pretty up-front with a guy, telling them that it's okay to fuck me there. I don't object – better a guy waits for permission than not – but what part of, "I'm a dirty little slut and you can fuck me in any hole you like," don't they understand!

I like it best when a guy teases me –

fingers my asshole, then sticks it to me in the pussy, but it turns out that's just to wet his prick.

Suddenly he pulls out, positions himself at my arse-opening, then drives his dick in, slow but firm. And it is the anal fucking that really gets me going.

I love being shagged in the pussy, but feeling my asshole impaled on a thick cock, while my pussy's being frigg'd madly, is the best turn on for me.

I love the slight discomfort, the intensity

**STAIR BARE
MUNCH!**

"Oh no! You want to do me on the stairs? I'm likely to break my neck. Can we do it down there?" pleads 34E-cupped accident prone Kate. "I once bit my boyfriend's cock (by accident!) and we ended up in A&E. Another time I was getting shagged so hard I fell off the bed and twisted my shoulder. I'm very clumsy – falling down the stairs would be just like me. Do you think you could put something at the bottom to break my fall? A couple of nice-looking lads would work!"

Cornish Rock

My missus Emily signed up to a social networking site about six months back and has been getting in touch with old mates all over the place. One was Andrea, an old school friend now living in Cornwall, and when she invited us to stay with her and her husband, Craig, we thought why not?

Emily showed me Andrea's

lucky other girl.

I'll admit I was a bit shocked. Even if you know this sort of thing goes on, meeting people who've actually done it is another matter. Especially when they say they got off on it so much, they'd been doing it ever since.

I glanced over at Emily, wondering what she thought, and saw a glint in her eye. Then she admitted she'd fantasised about it – said she'd get off on watching me

screw another girl, and the thought of taking another bloke's cock turned her on as well.

I could hardly believe my ears and, when Andrea looked at Craig, then said they were up for it tonight if we were, it was like, "Whoa!" But it was a no-brainer – Andrea was seriously fuckable and I was getting the chance to do her.

I saw Emily look at Craig and now it was agreed, they began to kiss. He was soon unbuttoning her top, revealing her large bouncy boobs – so much fun to suck and grope!

She unzipped his trousers and pulled his cock out. He

profile, and she looked gorgeous, but that was nothing to how she looked in the flesh. It was all I could do to stop tripping over my tongue when I saw her.

We had a meal, with plenty of booze to wash it down. Chilled out and a bit pissed, Em and I were like a couple of teenagers, and Craig and Andrea were touchy-feely with each other, too. The girls started talking about shagging and Craig and I chipped in, just telling horny stories about our exploits – like the time we'd been caught shagging in a graveyard. But Craig and Andrea trumped us with their tales of swinging!

The first time, Andrea had had a threesome with another couple while Craig watched, and then he'd dicked the

was already stiff but she stroked it for a bit, then ran her tongue around the tip.

Like me, Andrea had been watching but now she turned to me and gave me the most sensational slow strip. She had the most fantastic body – her tits were so big and gorgeous I thought they must be fakes until I felt they were 100 per cent natural, and her pussy was just visibly moistening.

As she stood over me, I crawled in between her legs and ran my tongue along her slit. She used her fingers to part her pink, fleshy folds, so I could probe and lick much deeper between them. Then, as I found her clit, I focused

all I had on licking it, taking her to orgasm. When she came, her entire body shuddered. Then, breathing heavily, she sunk down onto the ground and helped me undress, before pushing me onto my back and sitting on my cock.

Her cunt was tight and hot and, as it swallowed my prick, I started seeing stars. Glancing over at my wife, I saw her on all fours, taking a firm length off Craig, seeing how his boner was soaking and shiny with her juices as he drove

it in and out of her hole.

Andrea was circling her snatch over my prick and I could tell from how fast and urgent she was going that she was on the brink of cumming again.

I looked at Craig and Emily again, just in time to see him unleash a thick white jet all over her arse. Now my own balls tightened and my cock twitched, and I fired off spurt after spurt of cum into Emily, filling her snatch.

It was one big shag-frenzy, but for me his boner soaked with her juices was the best bit plus Emily and Andrea licking out each other's spunk-sodden cunts. Now Andrea and Craig are coming to stay – I'll let you know what happens!

Max, Hampshire.

RAPHAELLA

Now here's a girl to get your teeth into (as well as other equally sensitive parts of your anatomy). Re-introduce yourself to Raffaella. "Oh yes, I'm a big girl," she grins. "Not very fashionable they say these days, but men love my curves. They hate all those stick insects you see in the papers. Imagine banging one of those bag of bones, or think about being buried in a landslide of my boobs, bum and hot wet pussy juice." We know which we'd prefer!

Boss at Bedtime

As a reward for unexpected profits at work, my boss invited my partner and me to a wine bar with her and her husband.

I wore the skimpiest of dresses, a pair of tights and my white leather 'fuck me' boots. I didn't wear knickers – I love the feel of nylon tights against my smooth pussy.

My boss Anne is just my type – blonde, busty and bossy. She ordered a bottle of wine when we arrived and the alcohol flowed until last orders.

We took up Anne's invitation to go back to her place. In the cab on the way I got a taste of what was to follow as Anne stroked my nylon-clad thigh and stuck her tongue down my throat.

As we watched a blue movie back at Anne's, my husband suggested I show off my lap-dancing skills. It didn't take long for me to get down to just my tights and boots.

When I had finished, Anne told Charles to get his kit off. He had the fattest cock I had ever seen, entirely shaven. I was soon on my knees sucking and wanking him for all I was worth.

Anne was busy pushing a couple of fingers through my tights and into my pussy. After a while she left the room and told us to join her in five minutes.

So a little later we went to the bedroom to find Anne wearing a PVC basque,

stockings and sporting a massive strap-on.

My hubby sat on a chair and watched as Anne pushed me onto the bed and roughly parted my legs. She greedily licked my pussy, ripping open my tights with teeth and fingers.

REAL WIFE SEX

Nicola's story continued from page 19

macho contest between the two of them when, frankly, I want it to be all about me! Still, there are other ways I can get my pleasure.

One time I was fucking a lad called Alex – he was just doing me doggy style when he got a bit finger-happy. I just let him do whatever he liked. He was early twenties, like me, and maybe not that experienced – I got the feeling that when he put one finger up my arse, he convinced himself he'd sneaked it up there and I hadn't felt it!

He put another up there, then another which was my moment to let go with a ripper of an orgasm, convulsing

I want to take half his load in my snatch, then he can finish off in my bum

of the sensations and, more than anything, the feeling that I'm doing something really naughty. I think that's the real reason I love it, the feeling that I'm being really bad.

I reckon that a lot of sex is ultimately in the head, even if it's other parts doing all the work, and that the idea of anal appeals to me so much that I can't do without it. Whatever the reason, once a guy realises you're up for anal, it's not a problem getting him to go for it time after time.

I suppose my ultimate fantasy would have to be double-penetration – to have a dick inside my arse, then lower my cunt slowly onto another one. Total filling, total sleaze, the ultimate bad girl act.

I haven't been in that situation yet and I'm not sure I ever will, because although a lot of guys say they're into the idea, when it comes to the crunch, they don't like the competition. If one guy's longer or wider cock-wise, it becomes like a

so hard he jumped, poor sod!

He still kept at it, though, finger-fucking me properly. So I grabbed a dildo from under my pillow and told him to use that up there.

He was a bit nervous getting it inside me but I reached back and guided his hand. And it just felt so brilliant up there, made my pussy really tight around his cock and had me cumming so hard as he spunked in my snatch.

Like I said, my ultimate ambition is the double, but I've got another alternative. Take a cock up my pussy and a big dildo in my arse. The bloke fucking me will have to have some really good control over himself, because I want to take half his load inside my snatch, then have him slide into my bum to finish off.

And if I can find somebody who can film the aftermath, so I can see the spunk dripping out of both my holes... well, we've got a deal! 📸

LEXUS

We just got a little bit of a hard-on watching the barmaid in our local cleaning the lines of bitter. She had a look of slightly absent-minded workmanlike reverie and her tits jiggled as she rhythmically drained a massive pump of fluids. Lexus here won't even bother teasing you like that. The barmaid from Lancashire will empty your barrels if you act nice and share a packet of dry roasted with her!

Driver's Delight

There were three of us in the car. I was driving, and Jane and Bill were in the back. Jane is my next door neighbour and Bill is her other neighbour.

As Jane's husband was working away from home, Bill and I had asked her to come out for lunch and a drink with us. She was looking sexy as hell in a short, split skirt and a see-through tight top that left little to the imagination.

When we were in the pub she was the centre of attention and knew it. Everyone could see her tits and nobody was left in doubt as to the colour of her panties. When we left the pub she got into the car alongside Bill.

After a few miles I glanced in the rear view mirror and saw them in a clinch. A few more miles down the road, Jane's top was up and her tits were out. Another few miles and her legs were splayed and Bill's hand was inside her panties.

I headed out of town for the country till I found somewhere to pull off the road and into a field. By the time I stopped, Jane was on her hands and knees on the back seat with Bill's dick deep in her mouth.

I jumped out of the car and opened the back door to reveal her lovely tight arse sticking up in the air in front of me. I slipped her panties down without any protest from her and slipped a couple of fingers into her wet pussy.

She shoved her arse against me and mumbled incoherently as her head bobbed up and down on Bill's swollen cock.

With my free hand I dropped my trousers and started to wank my

cock, which I then rubbed against her arse. Again she did not protest, so I removed my fingers from her cunt and slipped my purple-headed tool into her.

She moaned again as she rocked her arse in rhythm with my thrusts. I heard Bill gasp as he started to cum. She took some in her mouth, then pulled her head away and wanked the rest over

Listen closely

One evening I found my fiancée lounging on the bed in her undies and drinking a glass of wine. I could tell her fingers had been wandering between her legs but, when I went to say something, she shushed me.

I soon realised why. The walls are paper-thin and she was "earwiggling", as she puts it, on the couple in the room next to ours.

It wasn't just groans and sighs, either – we heard the woman say she was getting down on all fours so the

wished we could see them, but were also glad we couldn't – we could use the dirtiest parts of our imagination!

Now I was hard and I got Jaimie in the doggie position too. I wet my thumb in her snatch, then slid it in her arsehole before easing my prick up her twat. "Fuck me

JAIMIE, YORKS

doing now. Jaimie squared her arse against my humping crotch and, as I felt her pussy tighten with pleasure, I shot her full of jizz. When I pulled out, she cupped her hand under herself, then rubbed it all over her tits and mound.

I WET MY THUMB IN HER SNATCH THEN SLID IT UP HER BUM

pair of them could "fuck like dogs". I got on the bed, and as we listened, Jaimie wrapped her fingers round my shaft.

Then as we began to hear the slap of naked fucking, she started to wank me to the same rhythm. We sort of

deeper," gasped the girl. "I want to feel your balls against my cunt lips."

They had a head start on us, so when we heard groans we knew that he'd cum at least, and then she got him licking out her spunk-filled snatch so we heard her

orgasms too. Then things went quieter, but it didn't matter because we were too wrapped up in what we were

JANE, CHESTERFIELD

SHE WANKED THE REST OVER HER TITS

her face and tits.

This did it for me and I exploded up her cunt as she screamed loudly and orgasmed at the same time as me. The three of us ended up in a tangle in the back seat of the car.

We spent the rest of the afternoon fucking about in the field with Bill and I taking turns at shagging or

licking out Jane. Then I took these pics of her back in my bedroom, What an absolutely fantastic girl!

When we showed her the photographs she even suggested I send them to you with the story of our Sunday lunch. It turns out she has even been in your magazine before!

James, Chesterfield.

As we recovered, just lazing on the bed, we listened out for the next "instalment" of next door's

it may have been an older bloke and younger woman, but being in my early twenties, I was hard again

antics. Just when we thought they'd gone to sleep, the girl started begging for another fuck.

She told him to lie back and let her do the work, let her get him hard again.

From what came next, it was pretty obvious she had a hard mouthful of dick. We started to think

pretty soon.

So Jaimie went down on me, sucking away till we heard the girl next door mention going on top. Almost immediately, Jaimie was sitting on my hard-on too.

We fucked like animals, reaching the tip of excitement and cumming at the same time as our neighbours.

Lee, Yorks.

Titz-krieg

On a recent trip to Amsterdam my husband Kenny and I went to a sex show. I expected it to be a bit seedy, but I was pleasantly surprised by the plush interior.

As we

move my mouth up and down his shaft, making the tip hit the back of my throat.

After sucking his cock for a few minutes, I felt my dress being lifted from behind. An equally massive cock nudged at my cunt lips before being rammed in as far as it would go.

MANDY, TEESSIDE

enjoyed a good view of two babes fucking each other with a double-ended dildo, I couldn't help noticing the strikingly attractive German

When the massive weapon drove into me, I was forced to take the cock in my mouth even deeper. I glanced around to see that it was Kenny who

couple next to us.

As the show went on I got very turned on, and I was desperate for a frig. I saw that the German guy next to me was less prudish - he had his big thick cock out and was

was reaming me from behind.

As he fucked me, he had three fingers up the German girl's cunt and was fingering her hard.

I had a shuddering orgasm which triggered the blokes

slowly wanking it.

I leaned over and licked the tip of his cock, which had pre-cum oozing out.

I had to open my mouth wide to ease my lips over his massive cock. I began to

off with guttural groans. I received a dose of thick creamy spunk at both ends.

I got so much in my mouth that I had to swallow three times to get it all down.

Mandy, Teesside.
