Fit as fuck

Driving to a building job, I stuck my head out of the window and told this girl jogging she had the best bum I'd ever seen. She gave me a big grin and said, "I work hard enough for it!"

The last thing I expected was a phone call, but she'd noted down my number from the side of my van. I asked her for a date,

around the corner. "I'd better have a shower," she said, making it clear she wanted me to join her.

I squirted shower gel all over her tits, foaming it up by rubbing myself against her, then I dropped down to my knees and buried my face in her pussy while I wanked myself off.

It was so sexy, screwing like this under the warm splashing water of the shower. Tina's slippery tits rolled around in my hands, and I'd get a little gasp every time I gave them a bit of a pinch. Her

snatch was tensing hard around my length, and I felt my balls start to bunch up as my climax built.

It was me who started cumming first, but Tina reached down and strummed at her clit, bringing herself to a sudden and intense orgasm just after I started shooting.

Looking at my fella Martin, you'd never guess his sexy secret. He's a total suit during the day, and likes to look sharp even when he's off duty – strip off his clothes, though, and you'll see he's got a big Prince Albert piercing through his cock.

When he first came home with it, after a weekend in London with the lads, I couldn't believe what I was seeing – it just didn't go with his image. And I wasn't pleased when he told me shagging was off limits for the next six weeks while it healed up.

If I hit the roof then, I was climbing the walls a couple of weeks later, but Mart did what he could to make things up to me. I don't think he's

ever spent as long with his face down between my thighs – thankfully he didn't get his tongue pierced at the same

time as his prick, so licking stayed on the menu – and he also bought me a massive ‘real feel’ dildo and a vibrator. It was so funny – he’d start watching as I got myself moist with the vibro, then slid the lubed dildo slowly up my hole. I’d be stirring the fake cock around inside me as I teased my clit with the

end of the game. He crouches over me, so when I close my eyes all I can feel is his body heat – and the ring rubbing over me as he moves up or down my body. When it’s skimming over my slit, it’s such a turn-on – I know what’s coming next.

Obviously, when we’re fucking it doesn’t touch my clit, unless he’s rubbed it against me before slipping in, but in the right position – doggy’s often best – it’ll catch my G-spot

up when he cums, so I can see his face. Just when he looks like he might black out with the pleasure of it, I’ll up the ante even more by clenching tight around his shaft, squeezing and pulling on his cock with my cunt muscles. He moans out loud but he’s never asked me to ease off or stop...

Now Martin’s trying to persuade me to get some piercings of my own. He decided he didn’t want his nipples done as he didn’t want them showing through his shirts – but he reckons it would look horny as

MAYA, W. SUSSEX

as he’s thrusting in and out, which means I’m getting some of the hardest, deepest orgasms of my life. But that’s almost nothing to what it does for him.

When I’m sucking him, I’ll use my tongue to flick and rotate the ring, which really sends him off on one – sometimes his orgasm sneaks up on him so fast I get a massive load hitting the back of my throat almost before he even knows it’s coming. And, when I take it in

a few times during a fuck, and he likes to finish off with me on top of him. I’ll sit up so my cunt is right over his prick, pulling it upright and deep inside me.

He loves playing with my tits in this position, and sometimes I’ll lean forward so he can have a suck on my nipples.

But I like to be arched right

fuck if I had a pair under a tight or see-through top.

He also says I should get my clit done, so I can cum even harder than I do now. I’m tempted but so far I’ve chickened out – I keep telling him I couldn’t handle another six weeks without screwing him!

Maya, Crawley.

vibrator, and he’d suddenly forget he wasn’t even supposed to be wanking and have to leave the bedroom!

It was so worth it in the end though – I can’t believe how much that ring adds to our sex life. Mart loves to wind me up, telling me I’ve got to lie still on the bed, all opened up for him – if I move it’s the

the face or over my tits, the ring means it sprays all over the place, splattering me all over.

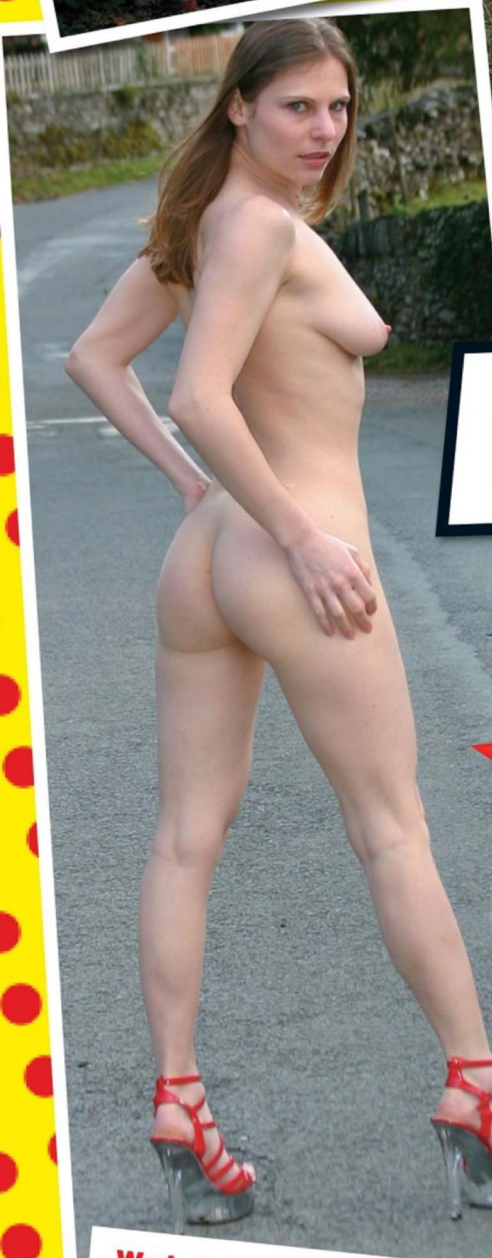

The sexiest thing, though, is seeing his face when we’re fucking – he’s always going on about how much harder he cums since he’s had the ring done, and it really shows in his face. We change position

It had been ten years since my threesome with Mark and I fancied another go.

Then Andy told Mark to lick my clitty as he held my lips open. Mark first gave me a love bite either side of my pussy and then went to town on my erect clitoris. I came for the first time and Andy had to hold me up as my legs just about gave way.

We moved to the bed where these two hot men started to have their wicked way. They sucked my nipples and fingered my clit.

Andy produced one of my many toys and gave it to Mark. He inserted it gently between my pussy lips and switched it on to full power. I was cumming again and nothing was

I could not wait any longer and asked Mark to fuck me first. He rolled me on to my side so I could face my loving husband Andy. He moved my left leg so it was over Andy's and I reached back and felt that lovely thick and wide cock... "Just as I remembered, Mark. Go on then, slip it into me..."

I pushed back until his big bell-end slipped into me.

We had a couple of drinks and I sat in between Andy and Mark on the couch and placed my hands on their legs and squeezed them "What you planning to do to me then boys?" I asked. Mark started to suck my nipples while my husband started to fuck me good and proper holding my waist from behind. I started to kiss Mark again with passion.

Andy whispered in my ear that his cock was covered in Mark's cum. When I heard this I told the boys that I was away again. Then Andy exploded into me just as Mark had done only a few minutes earlier. It was brilliant and when Andy had emptied his last bit of hot cum, he eventually pulled out his cock from me.

REAL STORIES FROM THE SECRET WORLD OF UK SEX!

Arselick and Lace: Lyndsey loves it up her!

MILF model Lyndsey Lace reveals how she loves shooting sexy snaps for you to shoot your load over. The stickier the pages, the better...

One of the hottest accessories my husband and I use in the bedroom is a camera. I've been modelling for my husband privately for a long time. But getting the camera out was just a bit of fun at first.

In 2011, we sent some snaps to an adult magazine for their readers' wives section and that's how we got into glamour and adult modelling. They published my pictures and asked me if I'd like to appear again, which I did. After that, I was offered the chance to do a professional shoot with one of their photographers.

My first time was at home. I was extremely nervous as I'd only modelled for my husband previously. I waxed everything off the night before and that morning I got all my sexy outfits together and then waited. It was hard to relax, but when the photographer arrived he put me at ease straight away, chatting about normal stuff.

Once we got started it all came naturally. We shot a 'messy set' in my kitchen, which meant eating cream cakes and rubbing cream all over my tits and pussy! It was very arousing and I sort of lost myself in it all, forgetting that this strange man was up close and personal taking pictures! It went really quickly and when I saw the pictures I was impressed!

It was seeing the end result and how sexy the pictures turned out that made me to want to do more. All of the compliments I received gave me such a buzz – what girl doesn't like to get compliments? My husband found it a huge turn-on too, which has ultimately resulted in us having a great sex life. Since that first shoot I've appeared in ten different issues of top-shelf mags. My husband loves seeing me in print and knowing guys are getting off over his wife.

'MILF' is the only modelling I've done, as I got into glamour later in life, so I can't compare it to what it's like being a younger model. I suppose being a MILF plays up to a lot of the younger guys' fantasies. In my experience the sets are always fun and relaxed. The photographers are always professional but they are men at the end of the day and a few flirty comments usually get passed around. I've done some outdoor stuff, which was a bit more tense,

We support the Lancashire sixty-niners

"At one break, I sneaked a big dildo into the ladies and had a massive orgasm with it"

Full power: Two minutes. Stir. Full power: Two and a half minutes. Sounds about right

because there's the risk of being caught in some uncompromising positions.

I'd say shooting outdoors was probably the hottest set I've done so far. I loved the thrill of being seen by people walking past. It was very sexy and led to some fantastic al fresco sex with the hubby later! I'm in talks about doing a girl-girl shoot soon, so I'm looking forward to that experience and that could become my new favourite!

Getting ready for a shoot always involves waxing – I love to have a nice smooth pussy. I keep my own hair and make-up simple. I always choose the outfits I feel the sexiest in and have my husband to help 'test drive' any new lingerie and toys I buy.

I always feel sexy and horny for my shoots. It has to come from the inside out – if I'm not horny then how can you expect to turn on the people looking at my pictures? Afterwards I find myself turned on. I did one set with a big dildo. During a break I managed to sneak it into the ladies to have some fun and had one of the best orgasms ever! It gave the pictures some added sex appeal as I was naturally very wet! Often hubby comes with me to the shoots and it's very rare we make it home before ripping each other's clothes off for a quick shag or a blow job somewhere quiet on the way home!

The thing I love most about my job is the fan mail. I get off hearing from men that they are having great sex with their partners after enjoying my pictures together, or wanking over the shoots I've done. Hopefully you're making these pages very sticky!

Fancy picking up the camera? My three tips to get the perfect shot of your own wife are:

- 1) Keep the poses simple and natural. It's hard to feel sexy if you aren't comfortable.
 - 2) Lighting! Make sure it's not casting unflattering shadows on your face or body.
 - 3) Get a clear background, nothing sexy about seeing an overflowing bin, but most of all keep telling her how fantastically sexy she is, that will make her sexiness really show through!
- Keep up to date with Lyndsey at Twitter @LyndseyLace.

Nice set of lungs, girls! Blowing up balloons for a party ends with Chloe and Satine's clothes popping off and a good banging session. Not to mention some rapid inflation in our trouser region. "These balloons are liable to pop as soon as you sit on them!" says Chloe. "Just like most men I know!" grins Satine.

Rebecca

Colour-blind readers may not realise that Rebecca has just been on a winter sun getaway. She didn't have the guts to get her noony out round the hotel pool – at least not in the daytime. "After dark I went skinny dipping with a couple of the waiters!" the Bradford lass informs us. "I wanked them off underwater, then they ended up diving into my pussy one after the other!"

Cry three-Dom

I ended up spending a night watching porn with my best mate Will and his missus.

They're a kinky pair and he doesn't mind sharing her.

She was grabbing her own nipples and stretching them up and out, and jiggling her tits as she rubbed against me as we watched the film. I was

off my T-shirt, nuzzling my chest with her face, then stripped my bottom half naked too.

I don't know what the gloss was she was wearing on her lips – minty perhaps – but when she rubbed the tip of my cock over her mouth it felt all cool and tingly. Then she opened her mouth and started slapping the underside of my helmet against her

tongue. I didn't want to rush her, but I was desperate for her to start sucking my knob, and it was like she read my mind. Her lips closed around my bell-end, and she started sucking me, swirling her tongue around.

By now I had actually forgotten that Will was there, and so had Tara, I think – that's probably why she squealed when he suddenly came up behind her and started feeling up her pussy. He grabbed the back of her G-string, pulling it tight then yanking it back and forth against her slit. Then he pulled it to one side and fed his cock slowly up her wet hole.

Fair play to her, she didn't miss a beat and Will kept things slow and

still fully clothed, but when I slid a hand under her crotch, I

WILL DOESN'T MIND SHARING HIS TARA

could feel how hot and moist her pussy was – her little G-string was wringing wet with her juices.

It was weird doing this with her boyfriend sitting there, but he loved to see her get manhandled.

I didn't need any help undressing but I still let Tara do the honours. She peeled

easy until she'd sucked me all the way. The slurping got louder and more frenetic, then she gave my balls a squeeze and I fired six or seven thick, creamy jets into her mouth.

Next thing, I heard Will groan to Tara to sit on his cock – he lay down on the rug and Tara immediately straddled him, just like she'd

done to me while she was teasing me.

This time, though, there was no messing – his prick was straight up her hole, and her tits were bouncing and slapping around as she rode him hard.

I don't know what the hell she did to him with her inner muscles – although she gave me a good idea later on –

but I could see exactly when he started cumming and his face told me when every jet of spunk was squirting up inside her.

It was one hell of a night – no matter how hard or how much we fucked Tara, she was always ready to take the next hard cock offered to her.

Jonathan, Norwich.

Bathing Booty

We went on holiday with my friend and her husband and she's always chuntering on about what a big cock he's got.

After too much to drink one afternoon I decided to stay by the pool of our villa while the other three went to the beach at lunchtime.

My friend's husband came

me to turn over, which I did, leaving myself completely exposed to him.

He put his head between my legs and started to lick me out. I held his head till I came all over his face and then he stood up and pushed his trunks down.

Fucking hell, I could see what she meant. It must have been at least ten inches with a big fat purple head that was absolutely seeping and glistening with pre-cum.

He moved this beast up to my head pointing his massive cock at my face and said, with a toothy grin: "My turn."

I gladly licked all around the tip, savouring his saltiness. I only managed to get

I declined but asked if he would rub some sun cream on my back. Before he left he began to rub it on my back and then started on my legs, moving his hands up my thighs until I felt him rubbing between my legs for a moment, which made me jump.

But I never complained so this time he did it again – only much firmer and for a bit longer.

He could see I wasn't going to stop him so he put his hands on my bikini bottoms and pulled them off. He asked

the head of his knob in my mouth – there was no way I would be able to suck him off properly, it was just too big!

He held my head with one hand and slowly started to

wank himself off with the other. He asked me to start playing with myself, which I did, flicking my clitoris and penetrating my hole with two and then three stiff little

fingers. He could tell I was close to cumming again and asked me if I liked tasting spunk. I just nodded.

really fast. I knew he was close so I started flicking my tongue over the tip of his cock. He let out a groan and started to shoot. It went everywhere! Over my face and hair, in my mouth, over

my tits. There was absolutely loads of the stuff. It was like he hadn't had sex in a year. But I don't think he was the kind of man to go without for that long.

After he'd finished he did no more than pull up his trunks, say thanks and go back to the beach, leaving me covered in his spunk while I fringed myself to another orgasm.

Pick-orators in

My wife Jane loves being really dirty in front of the camera and over the years we have taken many photos of Jane fucking herself with her many dildos or sucking my cock. These were for our eyes only.

That was until we got a decorator in to do our bedroom. His name was Andy and he looked about 25 years old. He told us it would take about three days to do.

On the third day Jane finished work early. She let herself in and went upstairs to see how Andy

was getting on. The bedroom door was half open.

Jane looked in to see Andy lying on our bed wanking his hard cock while looking at some pictures of Jane naked

NUDE year Party

On New Year's Eve, myself and my fiancé were seeing in the New Year with a few drinks and some good company at a friend's house.

Conversation came round, as it so often does drunkenly, to the topic of sex and sexuality. Though my husband had never seen me do anything, he was aware that I liked women as well as men.

Our friends also knew this, and as we talked our friend Sam mentioned that she liked a bit of both too. She told us she had experimented with a woman but never progressed very far.

It was news to all of us, and as the drink flowed even more the men started suggesting that we got it together.

When we said no, they claimed they were only joking anyway.

After the New Year came round and the celebrations drew to a close, people started leaving. Sam's husband was in bed, and when my husband went to the toilet Sam and I were left alone.

TRISH, DEVON

We talked about the previous comments, and decided we would give them something to really talk about. Taking my cue, I leaned over and kissed Sam.

She responded to my kiss, and it wasn't long before we were fondling each other's breasts. I eased my hand

with a big dildo deep inside her wet cunt. Jane is an expert at blow-jobs – she likes to tease the end with her tongue and then take the lot deep down her throat.

It wasn't long before Andy was pumping his hot spunk deep inside Jane's mouth. She

kept sucking until all his spunk was inside her.

Jane now wanted Andy to lick her wet cunt. She got naked and lay on her back with her legs open. Jane told Andy to get down and lick her pussy, and he did so straight away.

He flicked her hard clit with his tongue for a while. Then he

pushed his tongue all the way up her cunt. This had Jane cumming in no time, pushing his face into her cunt and coating it in love juice.

Next Jane instructed Andy to fuck her hard. He had recovered his hard-on, and

under her blouse, finding her nipples erect under my touch.

Her breathing was becoming heavier, I knew with excitement. As I moved my hand down over her damp knickers I could feel her bulging pussy was getting hot and creamy.

This got my juices flowing and my own knickers became damp. I slowly removed them, revealing my nicely shaven, swollen pussy.

As we came closer together I felt her shudder, eagerly awaiting my fingers. Not

about to disappoint her, I slowly slid a finger between her pussy lips and gave her a good frigging while my thumb rubbed her clit.

Her pussy was so creamy I just had to have a taste. I took her pussy and licked her clit before pushing my tongue deep inside her, tasting her

He started to say how sorry he was but Jane told him to keep wanking. She was loving the sight of him tossing over her photos.

Then she dropped to her knees and took his cock in

he got between her legs and pushed it all the way up her. His cock wasn't that long but it was satisfyingly thick.

Jane was soon cumming

before Andy came over Jane's face and tits. She finished off by licking his cock clean.

When I got home from

SHE LICKED HIS COCK AND BALLS CLEAN

again as Andy pumped his meaty cock into her. They fucked for about an hour

work Jane told me what had gone on. I was a bit pissed off to start with but the more I thought about it the harder my cock got.

We ended up fucking for hours and by the time we were done Jane's cunt was well used and sore.

Jane has asked Andy to decorate the hall and spare bedroom. He said it was a big job and he'd need to bring a mate along to help.

Needless to say, Jane was grinning from ear to ear when she heard that news!

hot sweet-tasting juices.

Before long she gave a groan and cum gushed forth, filling my mouth and running down her chin.

had a solid cock and a very wide smile. He was wanking himself off and ready to cum. He came over and shot his load over us.

MY FIANCÉ WANKED OVER THE PAIR OF US

With all the excitement we had forgotten my fiancé had only popped to the toilet. As I sat up I felt him standing behind me.

I turned around to see he

We rubbed the fluid into each other before Sam went to bed, leaving me and my fiancé to have the most passionate sex imaginable.

Trish, Devon.

Milk and honey

My husband Eddie and I were on one of our cruises through the countryside.

I had no panties on as usual and my shaven, pierced pussy was feeling really horny. We came across a small wood with a rough path leading to a clearing.

Eddie drove in and parked up. He pulled his camera

the lad was watching. Eddie told me he had an idea and then got into the car and unzipped his trousers.

He told me to lean in from the other side. I did as Eddie suggested, leaning over to suck his cock while my naked arse was sticking out of the door.

I took his shiny helmet I my mouth, flicking my tongue around his helmet and balls, savouring his taste. Suddenly

I felt a strange hand between my legs parting my butt cheeks.

It drove

me crazy and in response I crammed more of Eddie's cock down my throat. I was sopping wet as I felt this young stranger's cock rubbing against my thighs.

Then he rubbed his blunt cock-end round my bum and pussy before

quickly sliding it inside my soaking cunt. .

I carried on like this for

out and prepared for some action. We took a load of sexy photos in and around the car

THIS BRAZEN YOUNG LAD FUCKED ME FROM BEHIND

and the clearing.

After a while I noticed that someone was moving around in the trees behind Eddie. I kept posing as if I hadn't noticed, but looked harder to see what I could see.

I saw a young lad of about 17 or 18 in the trees. He was getting a good eyeful as Eddie went to work on my clit.

My love juices were flowing as I whispered to Eddie that

ages, sucking Eddie off while this brazen young lad fucked me from behind in the middle of a wood.

As I came for about the fourth time I felt the lad increase his pace and finally shoot his load.

Eddie groaned and flooded my mouth with creamy cum.

What a day out, I'd love to repeat it soon.

Take a big slice of love pie Lizzie. The specs-wearing sex demon loves to let her hair down, and lose the bins every Friday night. Like most of us, she has a boring job and can't wait for the weekend. "I saw some of my workmates in a club last Friday. They didn't recognise me out of my boring work clothes and specs. They would have recognised me even less later on when 'boring old Lizzie' was getting two big hard dicks up her at the same time!"
