FROM RUSSIA WITH LOVE

Every man has a fantasy somewhere in his psyche of a mysterious Russian beauty. Maybe it's all those Cold War years that held the statuesque Soviet stunner as the ultimate unattainable woman. How we all longed to peek at the babes behind the Iron Curtain, or to meet a blonde Russian spy in a dark alley. An evening's seduction would be worth the heat from the KGB. These days, years after the Cold War, we have Russian beauties smiling at us from billboards—tennis babe Maria Sharapova, supermodel Natalia Vodianova. The truth is, Moscow and St. Petersburg are brimming with women this beautiful. They walk the streets of a thousand little towns and villages too—long-legged creatures with high cheekbones and feline eyes. Since a leisurely trip over there probably isn't in your plans, we've put together our own Russian itinerary—no passport needed. You hold in your hands a one-of-a-kind Playboy Special Edition filled with Russian models in all their naked glory. To put this issue together, our photographers swept from Siberia to the Caucasus, snapping gorgeous women all the way. The idea? To indulge your most delicious fantasies. You'll meet Oxana Arefieva of Moscow, who loves fast driving and sensual men, sometimes at the same time. And Varia Serova, originally from Alma-Ata, who is most relaxed while drinking wine in a bubble bath. Care to join her? They and many more await you inside. All you have to do is turn the page.
