THE DEFINITIVE LIST OF AUSTRALIA'S MOST BEAUTIFUL WOMEN
FEATURING IGGY AZALEA, SAMANTHA ARMYTAGE, THE YELLOW WIGGLE & MORE

MAXIM 1000 HOT 2014 AUSTRALIA

FOR THE PAST 364 DAYS, WE HERE AT MAXIM HAVE BEEN VIGOROUSLY RESEARCHING THE MULTITUDE OF TALENTED AND GORGEOUS WOMEN OUR LUCKY COUNTRY HAS TO OFFER. THE RESULT? THIS DEFINITIVE LIST...

100 JACKI LAMBIE

She's parliament's true renegade: Jacqui's refusal to always tow the line with erratic billionaire PUP leader Clive Palmer gives her serious power in the senate. The outspoken Jacqui has won fans and foes alike with her unique blend of common-sense policies, borderline racism, and dick jokes (she likes them big, fellas).

99 ANJA NISSEN

To the outside world it may seem an awful like this year's winner of *The Voice* disappeared after the show's final, but if her mentor/manager will.i.am puts his money where his mouth is, we may soon see a phoenix-style return from Anja.

98

Andreja Pejic

First making headlines at age X when male Andrej first took to Paris runways modelling womens clothing. This year the Melbourne-raised modelling superstar announced she had undergone gender reassignment surgery and would be known as Andreja. Enjoy!

97 JULIE BISHOP

If somebody has to take to the world stage to announce we no longer believe in science or we're ready to blow up some poor people, it may as well be a person who delivers everything in the tone of a disappointed high school maths teacher. And those EYES!!!

96 MARGARET POMERANZ

Australia's grande dame of film critiquing, this year Margaret and her reviewing partner David Stratton, announced they would retire from *At The Movies*, bringing to an end to over 176 years of incredible bickering.

EXTRACTED FROM THE WOOD OF BARRELS.

95 PRINCESS MARY

It's been a decade this year since Tasmanian-born real estate agent Mary Donaldson married Fredric, Crown Prince of Denmark. Since then, the ultimate MILF has squeezed out two princes and two princesses, ensuring the Danes will be run by part-bogans forever more.

94 FIFI BOX

The only thing more ridiculous than Fifi's quirky name is her always amusing life, so it's just as well she loves sharing so much of it on Fox FM breakfast.

93 NICOLE DA SILVA

Whatever is going down at Wentworth detention centre, the setting of Foxtel's Prisoner reboot *Wentworth*, you can bet that Nicole's feisty Frankie Doyle will be at the centre of it. Whether she's fighting or f-king, Nicole is a scene stealer.

92

Amber Greasley

Former Miss World Australia, Amber has had a huge year, relocating to Sydney with Swans player Jeremy Laidler and starring in her first ever *MAXIM* photo shoot. Boom!

PHOTOS: HEMA (98), SHUTTERSTOCK (97, 95), WAYNE DANIELS (92)

91 **CHRISSIE SWAN**

One of the few ex-*Big Brother* contestants to make a proper media career for themselves, hilarious radio host Chrissie is never far away from a tabloid scandal, a sure sign of her popularity. We adore you, Swannie!

89 **SHARNI VINSON**

She keeps a lower profile than a lot of other Aussie's in Hollywood, but Sharni is building an impressive filmography. On the big screen she's already danced, fought off a giant shark and killed a serial killer with a blender! is there anything left for this sexy actress to prove?!

90 **LAURA DUNDOVIC**

Sydney model Laura has ventured into the world of acting, with a guest appearance in web series *Hunter n Hornet*, inbetween posting incredibly hot pics of herself on Instagram.

88

Kitty Flanagan

She's the best segment on *The Project* and also lends her trademark disapproving tone to the ABC series *Utopia* as a determined bureaucrat.

87 **KATE RITCHIE**

After 273 years (approx) on *Home and Away*, new mum Kate is now in the world of radio, co-hosting *Tim, Marty and Kate* on Nova stations around Australia. As much as we love hearing her voice, we're hoping for a return to TV is on the cards for Kate soon.

EXTRACTED FROM THE WOOD OF BARRELS.

86

Erin McNaught

Erin may have been a bit quiet on the local scene of late, now that she's married and preggers to musician Example, and swanning around the most exotic corners of the globe, but she's still smokin' hot (as her frequent Instagram posts prove). Big LOVE!

85 SIA

From indie princess to pop goddess, French DJ David Guetta's use of her demo vocal on his hit *Titanium* forced mega-talented, Adelaide-born Sia from semi-retirement to the top of the US charts. Chanda-lee-heer.

84 JESSICA ROWE

If she hadn't become a journalist and mental health advocate, *Studio 10* panellist Jess could have been a model. Although we're not totally sold on her hair's recent flirtation with blue rinse, we still love her muchly!

83 ASHER KEDDIE

The queen of Aussie TV drama collects Logies like we do restraining orders. While the future of *Offspring* hangs in the balance, Asher's new offering *Party Tricks* looks set to be yet another hit.

82 LISA WILKINSON

We're usually too hung over to watch breakfast TV, but when we do there is nothing as calming as the soothing tones of Lisa reassuring us that everything will be OK. Just ask Karl.

EXTRACTED FROM THE WOOD OF BARRELS.

81 JACKIE O

After over a decade of playing good cop to Kyle Sandilands on the wireless, Jackie has proven to be a radio ratings powerhouse, the duo managing to stay at the top of the FM ratings in Sydney this year despite jumping ship to Kiis FM.

80 LAURA CSORTAN

When MAXIM cover girl Laura injured her back and got out of doing the short-lived TV mess, *Celebrity Splash*, it made her the show's true winner.

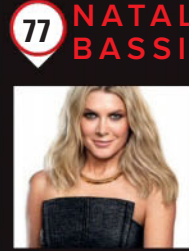

79 KYLIE GILLIES

The fact Kylie Gillies is a very good journalist and presenter goes without saying. But the fact she's also a yummy mummy needs more discussion. Right, Larry?!!!

78 KYLY CLARKE

This model, *Dancing With The Stars* contestant, and Mrs Michael Clarke better half, Kyly, would definitely be in the grand final of the Hot WAGs competition.

77 NATALIE BASSINGTHWAIGHTE

Singer, dancer, actor, presenter. Is there anything Natalie Bassingthwaighte can't do? Please send your answers on the back of a postcard c/- MAXIM.

76

Phoebe Tonkin

She left Australia a child star, and now 25-year-old Phoebe has found fame playing a sexy werewolf in US series *The Vampire Diaries*, and spin-off *The Originals*.

75 SAMANTHA JADE

After making a splash playing a spot-on '80s Kylie Minogue in the INXS mini-series *Never Tear Us Apart*, Sammy Jade has since been busying herself recording her new album in LA... and also looking mega-hot.

EXTRACTED FROM THE WOOD OF BARRELS.

74

Dami Im

The X Factor's 2013 champion has seamlessly slipped into life as a pop star with hit singles... and a visit to North Korea for a story on *Sunday Night*.

73 CARRIE BICKMORE

With the appointment of Rove McManus as host of *The Project* (aka *News For Dummies*), we have to keep reminding ourselves that Carrie is reading actual, real-life news stories. Which would explain all that war talk.

72 MEGAN GALE

Model, TV host and Isola bikini designer Megan has added new mum to her resume, welcoming a baby son to Carlton player Shaun Hampson – officially making her Queen of WAGs.

71 MELANIE VALLEJO

These days the gorgeous Mel is a fancy actor in *Winners and Losers*. Which is why we won't let her forget that tampon commercial or the time she played a Power Ranger.

70 KYLIE MINOGUE

This year Kylie returned to Australian TV on *The Voice*, released a new album *Kiss Me Once* and kicked off a world tour (which heads our way in March). Over a quarter of a century in the pop game and the artist formerly known as The Singing Budgie is still going strong. Respect!

EXTRACTED FROM THE WOOD OF BARRELS.

69 PILATE INSTRUCTORS

A lot of blokes think pilates is the strict domain of women. This is both ludicrous and short sighted. Pilates instructors put the "phwoar" in core!

68 JESSICA MARAIS

She received critical acclaim for her roles as Carlotta in the TV movie based on the legendary drag performer, and as a '60s midwife in *Love Child*. Expect some serious awards coming Jess's way over the next few months.

67 KYM JOHNSON

Looking refreshing sexy after her stints on the US version of *Dancing With The Stars*, Kym returned to the judging panel of *DWTS Australia* this year and as such has nudged Helen Richey out of the Hot 100 once again.

66

Candice Falzon

This ironwoman rocked a MAXIM cover this year and made fiancée David Warner a better man and more importantly, better cricketer. We wish them all the best with their new addition, aka "Ashes baby".

EXTRACTED FROM THE WOOD OF BARRELS.

65 NATARSHA BELLING

Newsreader Natarsha added the "r" to her name to ensure people pronounced her name the posh way. Which is why we'll now be known as *MAXIRM*.

64 SARAH HARRIS

How could stunning Sarah not join her female *Studio 10* co-hosts on the list? Not only is she smart, but that wicked laugh suggests she'd be an excellent BBQ guest.

63 RACHAEL FINCH

This gorgeous former Miss Universe Australia always looks stunning even after recently giving birth to daughter, Violet, with her DWTS partner-cum-husband Michael Miziner. HOT!

62

Nicky Whelan

After her unforgettable scene in *Hall Pass* Nicky has gone from strength-to-strength in Hollywood and also posed for *MAXIM* in this smokin' shoot.

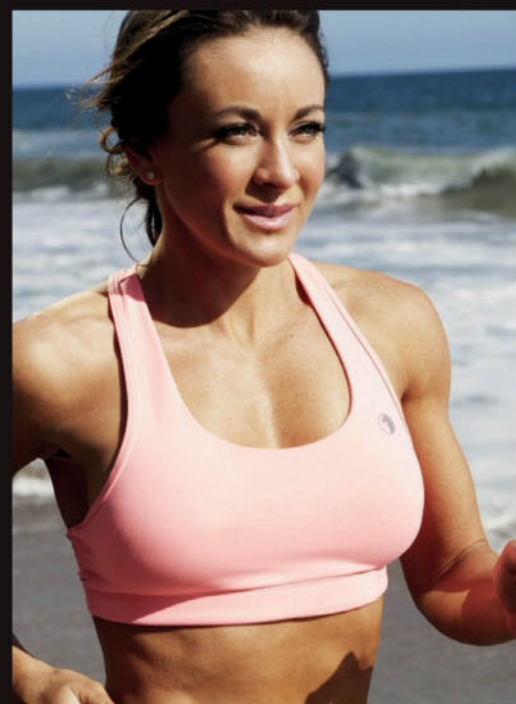

61 ALLISON LANGDON

For some, the sound of *60 Minutes'* ticking clock heralds the reality of another Monday approaching, for us it's time to check if Allison is filing a story on the show. Although, we'll also happily accept Liz Hayes and Tara Brown. Just sayin'.

60 CATE BLANCHETT

Finally Cate won the Oscar she's deserved for so many years for her role in Woody Allen's *Blue Jasmine*. Next up she'll be glowing in the ninth through 11th hours of the seemingly endless Hobbit saga *The Battle Of The Five Armies*.

59 MICHELLE BRIDGES

It was probably around the time Michelle Bridges' 12WBT fitness empire was valued at \$67million that she decided it was time to ditch her gig as trainer on *The Biggest Loser* and (last we heard) ex-boyfriend Steve "Commando" Willis for a new life in LA.

58 IMOGEN ANTHONY

She dates Kyle Sandilands, she appeared on our cover with giant cutlery, and she turned up to our 3rd birthday party in bondage gear. What's not to love?

57 ROZ KELLY

When Roz quit her role as Channel Nine sports reporter and announced she was moving to South Africa, we thought we may have lost her for good. Thankfully, Network Ten snapped her up as a host of the Commonwealth Games and all was right with the world again.

56 DANNII MINOGUE

It's often said that the only thing more difficult than choosing a favourite child is choosing a favourite Minogue, but 2014 belongs to Dannii. The most sensible judge on *The X Factor* also boasts a fashion range, but we're still waiting for a new single or a return to *Home and Away*.

55 LAURA GEITZ

Australian netball captain Laura added a Commonwealth Games gold medal to her trophy case this year. In contrast, we almost went to the gym on a least two occasions.

54

Stephanie Rice

With a brand new nose and a whole new attitude, Steph recently angered fans when she announced a return to the pool on Twitter as part of a radio prank. When has a radio prank ever gone wrong?

53 LEIGH SALES

Walkley Award winning journo Leigh, host of ABC's 7.30, makes interviewing look easy. From talking global issues with Hilary Clinton to confusing Tony Abbott with big words, Leigh asks the tough ones without ever losing her cool.

EXTRACTED FROM THE WOOD OF BARRELS.

52

Laura Brunskill

Like most girls, Laura grew up dreaming of the day she could slip the *MAXIM Australian Swimwear Model Of The Year* winner sash over her bikini-clad bod. And this year, not only did her dream become a reality but she also posed for a sexy *MAXIM* cover!

51 STEPHANIE GILMORE

Pro surfer Stephanie's recent defeat of world No.1 Sally Fitzgibbons at the final of the Swatch Women's Pro in California means Sally had better watch her back, and we had better watch a lot more surfing.

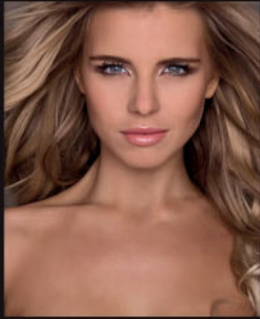

50 ANNA BAMFORD

If your girlfriend has tried to fill an *Offspring*-sized hole in her life with *Wonderland*, she's not alone. Luckily for us there's Anna who seems to get walked in on in the shower... A LOT.

PHOTOS: JAMES MILLS (58), WAYNE DANIELS (52)

EXTRACTED FROM THE WOOD OF BARRELS.

49 **TEGAN MARTIN**

She's nabbed the Miss Universe Australia crown and a celebrity boyfriend in the form of actor Lincoln Lewis, next stop for Tegan: reality TV.

48

Erin Molan

Is it just us or has the *NRL Footy Show's* incredibly intelligent, first-ever female panellist (to last more than one episode) got a whole lot funnier and sexier in 2014?

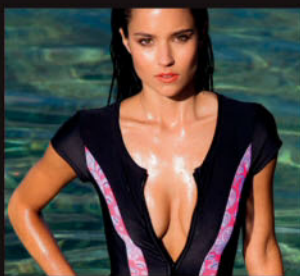

47 **JAIMEE ROGERS**

She appears during pretty much every sportscast in Australia, and it turns out TAB Sportsbet's Jaimee is sporty herself. She competed in the Sydney Olympics swimming trials and is a devoted Sydney Roosters and Chicago Bulls fan. Go figure!

44 **EMMA WATKINS**

As the first female Wiggle, Emma has stepped into the yellow skivvy so well that we've almost forgotten the old blokes... And also proven once and for all that skivvies flatter nobody. Please call us, Em!

46 **RHIANNON FISH**

Since leaving *Home and Away*, the most we've been seeing Rhiannon is via her frequent Instagram posts. We love Instagram. We love Fish.

45 **ROSE BYRNE**

Scoring a huge box office hit with *Bad Neighbours* alongside Seth Rogen and Zac Efron proves Rose's career shows no sign of slowing down. We're still waiting for her to headline her own comedy, pretty please.

EXTRACTED FROM THE WOOD OF BARRELS.

43 SONIA KRUGER

Sonia must be one of the world's hottest 49-year-olds. Not to mention 49-year-old mothers-to-be. One of the best ad libbers in the biz, Sonia is the best reason to watch *Big Brother* since they stopped doing the Adult's Only version. Or have they?

42 RENEE BARGH

As the Aussie-accented one of US entertainment news show *Extra*, Renee gets to chat to celebrities and work with former *Saved By The Bell* actor Mario Lopez. Lucky girl!

41

The Faders

Sassy Sydney gals Milly Gattegno and Suhana Lye are two of the hottest DJs in the country right now. Not only did they recently release their new album *E.U.N.*, but they're also the support act for Miley Cyrus' Bangerz Tour. Now THAT'S HOT!

PHOTOS: SHUTTERSTOCK (42)

EXTRACTED FROM THE WOOD OF BARRELS.

40 ANNA FLANAGAN

In 2013 Anna "Flanno" Flanagan of the mighty Hockeyroos was named Hockey's World Young Player of the Year. In 2014 she was named "hot" by *MAXIM Australia*. That is all.

39 MICHELLE JENNEKE

Michelle became an internet star the world over in 2012 when a video of her hurdles warm-up routine went viral. The famous hips returned at this year's Commonwealth Games, but sadly she missed out on a medal.

38 SANDRA SULLY

We get that hosting the Sydney news is a plumb gig, but nothing has been the same since Sandra stopped doing Ten's national late news. We miss those late nights, Sandy.

37 HAVANA BROWN

Melbourne-born DJ and singer Havana Brown has scored four No.1s on the US dance chart, and her latest video *Better Not Said* caused controversy with scenes in which she kidnaps a bloke. "Why would I do this if I was just to be safe?" she says.

36

Rebel Wilson

Her short-lived US sitcom *Super Fun Night* might have come to a premature end, but the Rebel consoled herself by stepping into the sequel to the highly successful teen musical comedy *Pitch Perfect* in what was another BIG year for her!

EXTRACTED FROM THE WOOD OF BARRELS.

35 SALLY PEARSON

Our golden girl at this year's Commonwealth Games, champion hurdler Sally backed up her win with a silver medal at the Diamond League in Zurich. Onya, Sal!

34 TORAH BRIGHT

Olympic gold medal winning snow boarder Torah proved that Aussies can win Winter Olympic medals, even when their competitors don't all fall over, and also dance a little bit.

30 KAHILI BLUNDELL

MAXIM cover girl and Aussie UFC hottie, Kahili, still manages to be sexy 24/7 even when she's dodging fighters' blood and spit ringside or in the octagon.

33 THE VERONICAS

After years in the pop wilderness (thanks, record company politics!) this year Brisbane born twin sisters Jess and Lisa Origiasso returned to the top of the charts with *You Ruin Me* as if no time had passed at all.

32 CAITLIN STASEY

With some controversial (mainly with old people) entrances into the Free The Nipple campaign, and roles in US series *Reign* and Josh Thomas's local comedy *Please Like Me*, Caitlin is sort of like the hotter, smarter, more talented Eddie McGuire.

31 SHERIDYN FISHER

You could call swimwear designer and MAXIM model Sheridyn Fisher a fitness fanatic, and devotee to a "green, clean and lean" lifestyle. We are happy to support her in this. From the couch.

EXTRACTED FROM THE WOOD OF BARRELS.

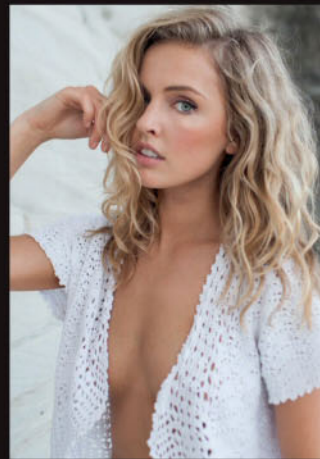

29 APRIL ROSE
PENGILLY

Ditching modelling to concentrate on acting, the gorgeous daughter of INXS sax dude Kirk, could easily turn her DTWS gig into a bigger role on Aussie TV. Watch out, Osher Günsberg!

27 JESSICA &
ASHLEY HART

One works a Victoria's Secret catwalk, the other dances on a TV show with other stars. There's also something to love when it comes to the super-hot Hart sisters.

26 LANA
KINGTON

We like to take credit for Lana's entire career. Even if that isn't at all true, you can thank MAXIM TV for your weekly dose of this country girl hottie with a sense of humour to match.

25 AMANDA
KELLER

A part of the Aussie media zitgiest since sporting parrot earrings on '80s science show *Beyond 2000*, famous sidekick to Andrew Denton, these days Sydney breakfast radio alongside Brendan "Jonesy" Jones on WFSM and Friday home improvement TV with *The Living Room*.

28

Renee
Somerfield

MAXIM cover girl, budding actress, animal rights activist... what's not to love?

EXTRACTED FROM THE WOOD OF BARRELS.

24

Ellie Gonsalves

She's graced the cover of *MAXIM* three times, making her three times more successful as you (possibly), and moved to the US for bigger and better things. Watch this space!

21 CHEYENNE TOZZI

She's taken the world's catwalks by storm, survived Naomi Campbell's attitude as a judge on *The Face*, and now she's joining Jennifer Hawkins on *Australia's Next Top Model*. Could that show GET any HOTTER!

23 REIGAN DERRY

Rising from the ashes of hit-free girl group Scarlett Belle, Reigan has wowed us on *The X Factor*, and shown that she is not to be counted out, with her masterful vocals and super sexy stage presence.

22 JESINTA CAMPBELL

If it were up to us, Jesinta would be everywhere, always. Unfortunately (in so many ways) we're not Buddy Franklin. Lucky bastard.

20 ITA BUTTROSE

The Queen of Australian media returned to the small screen with early morning chat-fest *Studio 10*, a position from which we hope she will fix Australian society once and for all.

EXTRACTED FROM THE WOOD OF BARRELS.

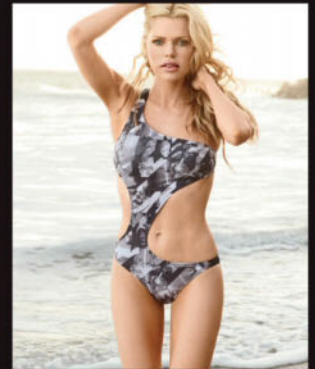

19 ELLYSE PERRY

Still juggling her gigs as an international champion in both cricket and soccer, we predict the next 12 months to be an even bigger year for one of Australia's hottest athletes.

18 SOPHIE MONK

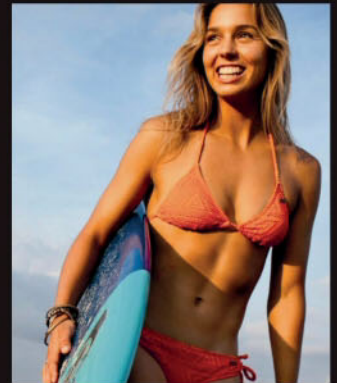

From Popstar to actress to MAXIM cover girl to radio host, Sophie impressed us all this year by ditching high times in LA for a gig on Sydney breakfast radio.

17

Ricki-Lee Coulter

There's just no stopping MAXIM cover girl Ricki-Lee. With a new album and a gig on DWTS getting her plenty of attention, surely a movie career can't be far off.

16 SALLY FITZGIBBONS

This surfing superstar has the world (and its waves) at her feet. And even though she recently hooked up with NRL player Trent Merrin, you're still one of our favourite gals, Sal!

15 OLYMPIA VALANCE

Yes, she's the younger half-sister of Holly Valance, and possibly the only reason you'd ever watch *Neighbours*. We're counting the days for when she calls us for a cover shoot, but for now the 21-year-old is concentrating on stirring up trouble in Ramsay Street.

PHOTOS: SHUTTERSTOCK (13), WAYNE DANIELS (14), SASHA EISMAN (18)

EXTRACTED FROM THE WOOD OF BARRELS.

14

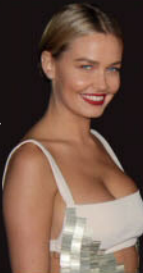

Lauryn Eagle

Champion boxer, water skier, and *MAXIM* cover girl, Lauryn secured her ninth boxing victory this year. Oh, and she also continues to have one of the best bodies in the business.

13 LARA BINGLE

Let the women's mags cover her on-off relationship and possible pregnancy, we're just happy to have a high-profile supporter of women getting topless at the beach.

12 DELTA GOODREM

Vacating her seat on *The Voice* for a spot on the kids' table, Delta seems set to come out of relative musical hibernation, just toured with Andrea Bocelli, and released a cover of Martika's *Love...Thy Will Be Done*.

11 SAMARA WEAVING

Samara might have been very quiet since leaving *Home and Away* last year, but we have a feeling the 22-year-old is bidding her time before launching a full throttle assault on Hollywood stardom.

EXTRACTED FROM THE WOOD OF BARRELS.

10

YVONNE
STRAHOVSKI

“We had emus come quite a lot to our back fence,” remembers Yvonne of her idyllic Aussie childhood, which would somehow lead her to becoming one of the most successful Aussies in Hollywood and the go-to sexy action woman in shows like *Dexter*, 24, and *Chuck*.

LAUREN
BRANT

This former Hi-5 member has had children up on their feet and dancing on a daily basis. She also got a rise out of more than a few fathers. We predict a big year ahead for Lauren. Watch this space!

PHOTO: BRAD MAWBY

MIRANDA KERR

Most magazines only care to speculate about her romantic life, family dramas, blah blah blah... Can't they just admire the Kerrster for all the good she brings to the world? You know, like these black, tight spandex pants?

EXTRACTED FROM THE WOOD OF BARRELS.

7

JESSICA MAUBOY

Jess already has a string of hits, a couple of movies and even an appearance at this year's Eurovision Song Contest under her belt. Now she's ready to storm the charts again with more hit music. All this and she's only 25.

EXTRACTED FROM THE WOOD OF BARRELS.

6

NICOLE
TRUNFIO

With a huge year that included a role in model reality show *The Face* and of course that unforgettable MAXIM cover, Perth hottie Nicole still can't believe her luck. "I thought it [modelling] was going to last two years. I'm 12 years in and busier than ever." With photo shoots like this it's not very hard to see why!

PHOTO: NICK LEARY

5

JESSICA GOMES

Exotic looks and killer curves have made Jessica a familiar face on both on the catwalk and bikini shoots. A megastar in Korea, the David Jones ambassador has become partial to a visit to Korean bathhouses – a mental picture we're now going to have all day, every day.

EXTRACTED FROM THE WOOD OF BARRELS.

4

JENNIFER
HAWKINS

“When I was 15 I was more into touch football, soccer, ballet and netball,” says the host of *Australia's Next Top Model*. “To be honest, I was never into modelling.” And it's her combination of beauty and being completely down-to-Earth which makes Hawko an eternal winner to us.

EXTRACTED FROM THE WOOD OF BARRELS.

3

SAMANTHA
ARMYTAGE

There's just something about waking up to this beautiful *Sunrise* co-host that makes our tummies go a little bit funny. There's the laugh, there's the intelligence, there's the sarcastic streak, there's the fact she's gorgeous. Plus, they let her host the show with her dad (sorry. Kochie), which only a professional like Sam could handle.

I IGGY AZALEA

Few Aussies, female or otherwise, have had a bigger 2014 than Iggy. The first artist to have their first two singles hold the top two positions on the US music chart since The Beatles, the Mullumbimby rapper has truly taken the world by storm. Sometimes dropping out of high school and moving to Miami, a penniless teenager, can really pay off.
