WELCOME to the Jungle

TAKE A WALK ON THE WILD SIDE WITH DARLING NIKKI.

"LINGERIE IS ALL ABOUT FEELING SEXY
IN YOUR OWN SKIN."

"IT IS A REQUIREMENT
FOR A MAN TO BUY ME LINGERIE—
TEDDIES AND ANYTHING WITH LACE."

"WHAT I LIKE TO WEAR IS SOMETHING FEMININE,
BUT AT THE SAME TIME WILD."

PARRA- DISSE RIOT F

ONE NIGHT WITH JERIKA IS AN AFFAIR TO REMEMBER.

"THESE GARTER BELTS, THIGH-HIGH BOOTS, AND CORSETS
ARE ALL OLD-SCHOOL, CLASSIC SEXY."

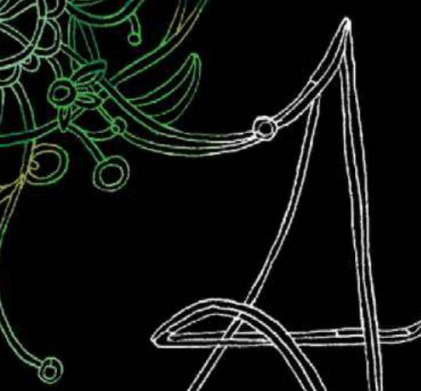

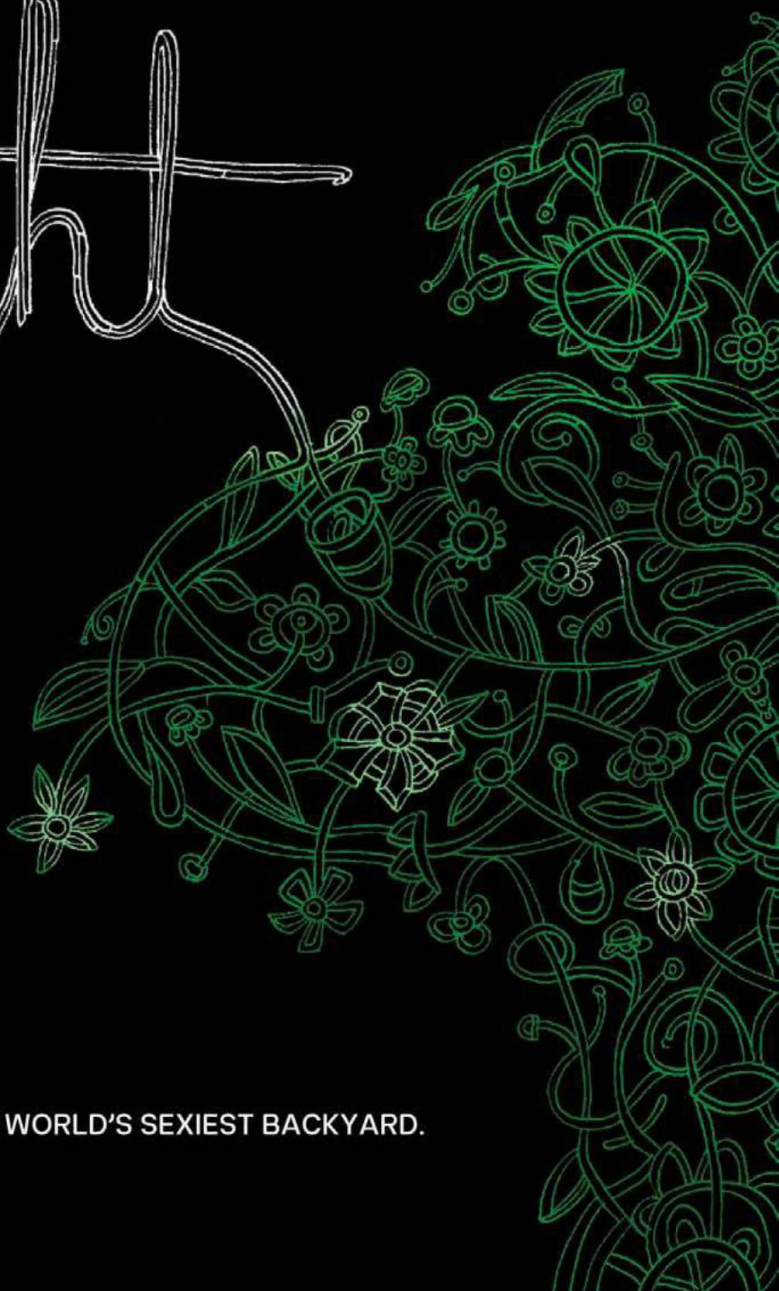

"LINGERIE I BUY FOR MYSELF
IS SUPER VIXEN
AND SCANDALOUS."

Afternoon Delight

CARLA ROMPS IN THE WORLD'S SEXIEST BACKYARD.

"I FEEL SEXIEST IN ANYTHING THAT'S SEMI-SEE-THROUGH—
THE KIND OF LINGERIE THAT DOESN'T SHOW EVERYTHING
BUT AT THE SAME TIME REVEALS A LITTLE BIT."

"I LOVE TO SEE A MAN'S REACTION TO LINGERIE.
TO SEE THAT THEY WANT TO ADMIRE IT,
BUT OBVIOUSLY
THAT THEY WANT TO TAKE IT OFF, TOO."

AMANDA DARES YOU TO TAKE A DIP—CLOTHING OPTIONAL.

"I ALWAYS WEAR A THONG OR A G-STRING.
**BUT TO IMPRESS A MAN I WOULD
GO FOR THE WORKS—**
GARTER BELTS AND EVERYTHING."

"THE LINGERIE I WORE IN THIS SHOOT WAS HOT.
IF SOMEONE BOUGHT THIS FOR ME,
I WOULD DEFINITELY WEAR IT."

"TO SLEEP IN, I LIKE A ONE-PIECE SLIP DRESS OR A NIGHTIE,
THOUGH NORMALLY
I DON'T WEAR ANY CLOTHES AT ALL TO BED."

KNOW YOUR UNDERTHINGS

BEFORE YOU EVEN ATTEMPT TO PURCHASE LINGERIE, AT LEAST LEARN WHAT THE HELL YOU'RE TALKING ABOUT.

CHEMISE

> Think silky minidress. Bonus: Most girls find these annoying to sleep in, as the fabric bunches underneath them. Guess she'll just have to take it off before bed!

CAMISOLE

> Effectively a frilly tank top with spaghetti straps, the "cami" is the ultimate utility piece. Go easy on the lace and she can sport it with jeans and a blazer, too.

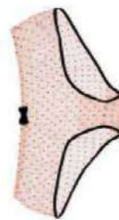

BUSTIER

> Like a bra that extends down to her hips, this is a wire-laden doo-hickey that gives a fantastic boost to the gloriously top-heavy.

TEDDY

> Lingerie's answer to the one-piece bathing suit, a teddy functions as a bra and panty in one. Many button-and-unbutton-down there.

BOY SHORTS

> Boy shorts, a.k.a. booty shorts, sit low on the waist and offer full yet sexy coverage of her hips and humps. Unlike thongs, there's no string up her ass.

FROM THE MOUTHS OF BABES

WE SPOKE WITH REAL GIRLS TO DEVISE THIS LIST OF FIVE KEY LINGERIE-BUYING TIPS.

1

WORK OUT THE KINKS

This purchase isn't a lacy trip to Hornyville. That's *your* itinerary. She just wants some hot underwear. Should it be sexy? Absolutely. Practical? You bet. Crotchless pleather panties with a horsetail? Never.

2

WHITE IT OUT

You know why you stopped wearing white underwear, Sir Streaks-A-Lot. Do the math and discover why she banished them, too.

3

SIZE HER DOWN

You already know to rifle through her drawers to determine her style preference and size. However—no matter what you find—when it comes to bottoms, never buy "L" or larger. Find a pair with numeric sizes, or just get a medium. In her mind, receiving an "L" is like being called "Chunky Trunk."

4

BRAND-MANAGE HER

Nothing will make her feel sexier than a superluxe ensemble. You know Victoria's Secret, but it's time to learn these upscale brands, too: Kiki de Montparnasse, Agent Provocateur, La Perla. And if she has a favorite big-name designer, investigate their unmentionables as well. Labels like Dolce & Gabbana, Chloé, and Dior all make sexy stuff that will induce panty envy in her friends.

5

SET A DATE

The only way to guarantee a fail-safe lingerie buy is to have her do the work for you. Take her to the store, have her model her favorites for you, pay the tab, and then take her out to that new restaurant you both want to try. She'll think your "thoughtfulness" is ultra-sexy, and you'll get a tantalizing preview of what's to come. Check, please!
