Collection Printemps - Été 2012

«Escale exotique» Printemps - Été 2012

Elégante et moderne, la nouvelle collection Barbara s'inspire de l'Orient et nous emmène dans un véritable havre de paix. Evoquant un palais et son jardin aux fleurs majestueuses, l'ambiance, presque irréelle, laisse place à une pause féminine emprunte de douceur et de volupté...

«Exotic stopover» Spring - Summer 2012

In a modern and elegant way, Barbara's new collection draws its inspiration from the Orient, leading us into a haven of peace. Evocative of a palatial garden with majestic flowers, an almost unreal atmosphere invites a feminine pause, full of gentleness and sensuality.

c'est moi !

A woman with long, wavy brown hair and blue eyes is posing in a white lace lingerie set. She is standing in a white arched doorway, looking back over her shoulder at the camera. Her right hand is resting on the right side of the doorway frame. The background is a plain, light-colored wall.
