I've always had a passion for modeling. I was born and raised in Birmingham, AL. As a little girl I was bashful, but I've always enjoyed taking photos. My desire for taking photos began in pre-school, as I found myself posing for the camera while taking class pictures. From that moment on, I knew I wanted to become a model. Most people still find it hard to believe that I'm a model because I'm so shy. It has always been said that I can light up a room with my presence alone!

My professional modeling career began as I was discovered at an auditioning for a music video. One week after signing with South Models LLC, I attended a live casting in Atlanta for up and coming magazine. Before long, I was being flown out to LA to shoot my first magazine feature with the one and only SHOW Magazine. SHOW also landed me with the #1 wallpaper download. With an overwhelming response, SHOW called me back for my own cover, the very first issue of Black Lingerie.

Widely gaining notoriety, I have been booked to host events, appear in music videos, and also featured in more magazines. I've hosted events in Alabama, New York, Florida, LA, Texas, South Carolina, Georgia & Miami. I've appeared in music videos for Gucci Mane (Lead), Ludacris (Viral Lead), Music Soulchild (Lead), T.I. (Feature), Playaz Circle (Lead), and that's just to name a few. I've landed a featured spread in J'Adore Magazine, Black Men Magazine, & a cover for Sweets Magazine.

Back for the 13th issue of Black Lingerie, I'm ready to take the modeling world by storm. I'm aiming to remain a household name & to prevail in all areas of the modeling industry: Hosting, Print, Acting, Runway, and more.

I soon plan to launch my own jean line, and I'm working on releasing a book about my journey into the modeling industry.

Ophilia

Originally from the Midwest (Indianapolis, Indiana), Latoya "Ophilia" Bledsoe is a unique beauty of African American / Puerto Rican descent. Her true passion is fashion, which she is currently in school studying fashion design, and plans to graduate in the fall of 2010. Naturally, her interest in fashion goes hand in hand with her modeling. Ophilia is no amateur in front of the camera and is always able to captivate her audience. She was destined to be a public idol from the very beginning.

In 2000, Ophilia began to publicize herself through modeling. She did hair shows for well-recognized hairstylists: "LUCKY" from Indianapolis, Indiana. She appeared in numerous hair magazines, hair videos and also was featured on the cover of a few hair show tapes for Hair Wars with Hump the Grinders from Detroit Michigan. Then in 2001 she appeared on the Ricky Lake show with her personal hairstylist where she won the best model in a hair contest. Later (after establishing that she was ready for more exposure), she signed with a non-exclusive modeling agency known as Lmodelz. She began shooting for FINISH LINE, MAN ALIVE and with many skilled photographers such as; Mr. Pride (from Pride Photography), Paul Ellison, Dean Scott, Donald Burlock of Pyro Blu, Leo Marshall, Shawna D. from Atlanta, Walter W., Falaah Shabaaz from Chicago and Matt from Detroit. ▶

Ophilia is working very hard to fulfill her ambitions and reach her dreams. Since her start in the industry she appeared in countless videos like; 50 Cents- "I GET MONEY", "YEAH OK YA RIGHT" , Murphy Lee- "TEAR THE MALL UP" , Sir J- "DEEPER" and Nappyville- "TAKE'EM OFF" just to name a few. She even starred in a trailer with Bruce Bruce called "BOUNTY HUNTERS". Ophilia made a grand entrance as a contender on VH1's reality TV SHOW "FOR THE LOVE OF RAY J" where she adopted the nickname "JUST RIGHT". Don't forget to check her out on THISIS50.COM with PIMPIN CURLY and a hot photo shoot with G-UNIT.

This innovative model was featured on the cover of numerous magazines including METRO MIX, THE LEAK, TWENTY FOUR SEVEN, SMOOTH GIRL and not to mention her spreads in BLACK MEN, KING and SHOW MAGAZINE. She is anything but boring!

Ophilia still faces many obstacles and, with true ambition, she still manages to overcome them. Look out everyone; Ms. Ophilia is on her way to the very top and she can ONLY RISE HIGHER! I can be contact at

My "SHOW" magazine photo shoot was absolutely awesome! I definitely want to extend much thanks and gratitude to Sean Cummings. The experience felt like a luxury five-day vacation. We started the day with a wonderful breakfast from the Los Angeles four star hotel accommodations; in which SHOW provided and the customer service was superb! Then off to work I went, which in fact to me didn't seem like work at all. And I have done plenty of photo shoots. However, this one felt more like a pampering day at the spa. SHOW magazines staff was so attentive to my needs I almost forgot it was work. The time spent at the studio made a model feel extremely sexy and inviting. The environment was filled with high energy, friendliness and professionalism. Like myself, they love what they do and they do it very well!

Doing the SHOW magazine shoot I had no idea that I would be attended to from head to toe and I mean that literally. SHOW was staffed with an awesome hair stylist, and baby I love my hair to bounce and flow. Ha ha ha. Oh, and the make up artist, one word, FABULOUS! Then there was the wardrobe coordinator that dressed every curve of my body so sexy. I cant forget the assistants that lotion my body from head to toe and made sure that every inch of me was on point. I was definitely feeling great and ready for the photographers. All I had to do was smile for camera. They did all the work! And the photographers took the pictures effortlessly. I loved every minute spent shooting for SHOW Magazine!

So to Sean and all the staff at SHOW, I just want to say that I had a SULTRY experience! Oops, can't forget my shout out to my mom. I love you and you are my rock and to my agency, Arabelle Modeling thanks for all your hard work.

Sudeene

Black Lingerie show

Sudene

Hi my name is Sudeene and I was made in the lovely Kingston, Jamaica. Caribbean women are the best if you haven't heard yet. This is my debut in SHOW magazine but I been a SHOW girl since its launch. I love this magazine.

I am not new to modeling but I still get excited with each photo shoot like it's my first time. Big shout out to Nick, the genius photographer. I come from a very good-looking family. My mother is very beautiful. Most people can't tell how down to earth I am just by looking at me, but when they get to know me it's always a surprise how much of a sweetheart I am. The first thing you might notice about me is my confidence. Many people mistake my confidence for arrogance, but that's their problem not mine.

I don't have any kids yet but I love kids so much. I love to read and write my own stories because one day I will write my own books. I earned a degree in Communications so I'm not shy at all and I love meeting new people. I have beauty and brains, baby. Plus, I'm street smart. I love music and I really love to dance. I'm a big Maxwell and Vybz Kartel fan. I am also a true Scorpio.

I know what most people always say about Scorpio women and I just want to say. It's true (wink). I'm very comfortable with my body and have no gripe about showing it off. I am one of God's creations, why wouldn't I be proud? I love kissing but I'm not really big on cuddling. I love to please my man and I do it well. I love laughing, so a man with a sense of humor is always important. Looks are not at the top of my list but he must have swagger.

These are just a couple things I look for in a man but sorry fellas, I'm off the market. Loyalty and honesty are two qualities that can hold together any relationship whether business or personal. If you mess up, you must be woman or man enough to confess and then be sure to not let the same mistake happen twice. Last but not least, I'm a very fun and outgoing person who love to live her life to the fullest. I always remember my motto: Live, Laugh, Love. Have a blessed one.

"Nick and the
Slickforce crew
made me feel
very beautiful."

I'm Ericka, better known as Fantasy Logan. I'm grateful for the opportunity to be published with SHOW. Nick and the Slickforce crew made me feel very beautiful. I made my print debut in Straight Stuntin Magazine in 2009. Shortly after, other features followed including a spread in Smooth Magazine.

Other experiences include an appearance in a Calvin Richardson video and an exotic shoot abroad with Smooth girl Magazine in Negril, Jamaica. I'm definitely enjoying the opportunities that are swinging my way.

However, I am still that down to earth Southern Girl from Houston, TX that lives for the moment and doesn't take life too seriously. I truly still enjoy simple pleasures like dancing, reading, and walking around completely naked in the privacy of my own home. As far as modeling goes, I'll be around for as long as people enjoy what I bring to the industry.

L.A.
Brown

L.A. Brown is a Newport News, VA representative and for anyone who's got to experience her beauty in person, will profess VA is for lovers.

This bombshell's beautiful face, smooth even chocolate skin tone, and jaw dropping measurements of 34C-28-48, one could only give her the title as "Hip-Hops Baddest Body". You may remember her infamous curves in Twista's "Yo Body" and Clipse's "Door Man" music videos. L.A who has always been shy comes from a large family of 5 sisters and 4 brothers who've always been protective of her.

Breaking out of her shyness L.A has graced the pages of Smooth Girl magazine, Straight Stuntin, and Jet magazine. If you think her body is all there is to her, think again. She is not only the obvious attractive woman you see in magazines and videos, but she's also in the process of earning her degree.

In her spare time, she enjoys playing softball, has a true passion for singing, and weirdly enough doing arts and crafts. This beauty is ready to make an impact in all facets of the entertainment industry.

I've got to admit working with SHOW and the whole Slickforce crew is something kind of amazing. I kind of felt like an A-list celebrity, lol. I took an immediate liking to everyone and their professionalism. This is the first issue I could say I loved my hair my makeup and my clothes. Time was taken on every little detail, which I loved, princesses for a day. Sean was terrific, him and I seem to be as if we've been working together for years that's pretty cool relationship like that takes almost forever to build. The photographers were awesome, motivating and knew how to get that look out of us. Nick is amazing I believe we all felt special and beautiful because of him as well. That's hard to do please 10 or more women. You got to give props for that.

I mean when I first saw SHOW magazine I was like this is a hot magazine. Now I got to experience first hand why this magazine is hot!! SHOW, Sean, Nick, and the whole Slickforce crew they really put their heart and soul in it and I am keeping it 100 right now. I defiantly hope to work with them again. If we all could take this initiative it could be a beautiful thing lol. Thanks SHOW Magazine. I thank Sean for giving me this opportunity. I want to thank my agent Arthur and Arabelle Modeling for placing me in this opportunity.

*Amazin
Amie*

Hailing from Newport News, Virginia, Amazin Amie has taken the urban modeling world by storm. Having landed three national magazine covers in less than three years this bombshell beauty is just getting started.

Beginning in 2007 Amie began studying the modeling & entertainment industries, educating herself on what happens in front of the camera, and more importantly the actual business behind the scenes. Realizing she wanted to be more than just another pretty face, she branded herself into becoming a consummate entrepreneur and savvy businesswoman.

It was at this point she began to hone in on her natural ability to interact with the public, negotiate deals, schedule and book national appearances, and most important embrace her curvaceous natural physique (36C-27-42 measurements) and distinctive German features, that the once tom-boy tried to hide. This was the preparation that allowed Amie to set herself apart from her modeling counter parts. ►

Gracing national covers and featured in numerous publications such as SHOW (4x), Smooth Girl, XXL, Straight Stuntin (2x), Hip Hop Weekly, Urban Ink, BlackMen & BlackMen 40/40. In addition to appearing in John Legend's "Heaven", and Rick Ross ft. Triple C. "Yacht Club Re-mix" videos. Amie's determination and business networking savvy have been the driving force behind her career.

"I'm a very positive and motivated person that will work hard to succeed. My style has a cross over appeal." says Amie.

Now a house hold name, when Amie isn't traveling the country making club appearances, hosting parties, and on location. She balances her time between her home in Newport News, VA and Miami, Florida where she still studies and masters her craft.

Understanding that it takes fresh concepts and personal reinvention to stay on the top of a short list of elite models in this ever-changing industry. Amazin Amie is destined for greatness and determined to hurdle over any obstacles to become successful in this business.
