"My visual art influence"

Brooke

Black Lingerie by SHOW

Brooke

Where to start...

Well I guess the obvious choice would be how I got here, in this magazine. It all started with this infatuation with my visual art influence growing up in the heart of the valley. 21 years old strong and free spirited I swear I could conquer the world and do anything I wanted. Nobody could tell me shit type of attitude, it's the Leo in me.

I played sports all my life, soccer in particular, and worked for everything I have. Miss independent cause you can't trust anyone anymore. Rarely Understood, sometimes even outspoken. But that's fine cause I don't owe anyone an explanation. If you come close enough you can find a girl who's capable of loving unconditionally. What I learned from it all, money comes and goes. If you want something real in life you have to earn it. I'm blessed to have this opportunity, any that follow and most importantly, for what I already have. Xo

You can call me Kiki...

Hi my name is Kiki Kayo, but you can call me Kiki. I'm originally from Tampa, Fl but I now reside in the Miami area. SHOW will be the first magazine to give me my cover.

I'm more then grateful to have worked with Sean Cummings on this project and I hope we will work together again.

I've been published in Blackmens magazine twice, Straight stuntin', Smooth magazine, Mixed magazine, dynasty series and many more. Also I'm blessed to have been featured in music videos such as Rick Ross 'I'm not a star', Jeezy Lil Wayne 'ballin' and many more. This year I made my debut appearance on Starz hit TV series Magic City season 2.

I'm excited to see my first cover and so grateful to have worked with Sean Cummings and TPM agency to help make that possible. Thank you all for your support in my modeling career and be on the look out for more of Kiki Kayo.

Adrianne

Las Vegas... Sin city!

Hey guys!! My name is Adrianne Nicole, representing Las Vegas... yes Sin city its self. This is my first appearance in Show and I am beyond honored and excited to be blessed with it being, not just the cover... but my first cover as well! I've been a fan of Show since I saw Coco wrapped in the red bondage tape (I think I actually still have that issue!). So this is definitely a major and exciting step in my modeling career. I have also been featured in Smooth, Blackemen's 40/40 Ink Candy, as well as featured many times on Dynasty Series, as well as ThisIs50.com, and InFlexWeTrust to name some. This will be my third year coming up in my modeling career, so it's been a whirl wind to say the least.

I am a very fun loving and ambitious woman. There's definitely more than meets the eye when it comes to me. I love traveling, which is why modeling and training to get my corporate Pilate's license is perfect for me to meet and experience new different cultures. I'm a Cancer,which makes me a little more shy when you meet me one on one than you'd think. And when I meet the right man he's definitely catered to, in every way possible. I love to cook (it's therapeutic to me), read and just have fun! I'm definitely about fun, and living your life the way you want, not focusing on what the next is doing. Just keeping positive, beautiful people around me. Looking for the next adventure.

I am looking forward to where my modeling career will go from here and definitely thank Sean and Show for this opportunity and making a young girls dream come true, to not only see herself in the magazine but on the cover. This is still definitely just the beginning, there's much more to come from me... so be ready!

Black Lingerie by SHOW

We are the Howe Twins

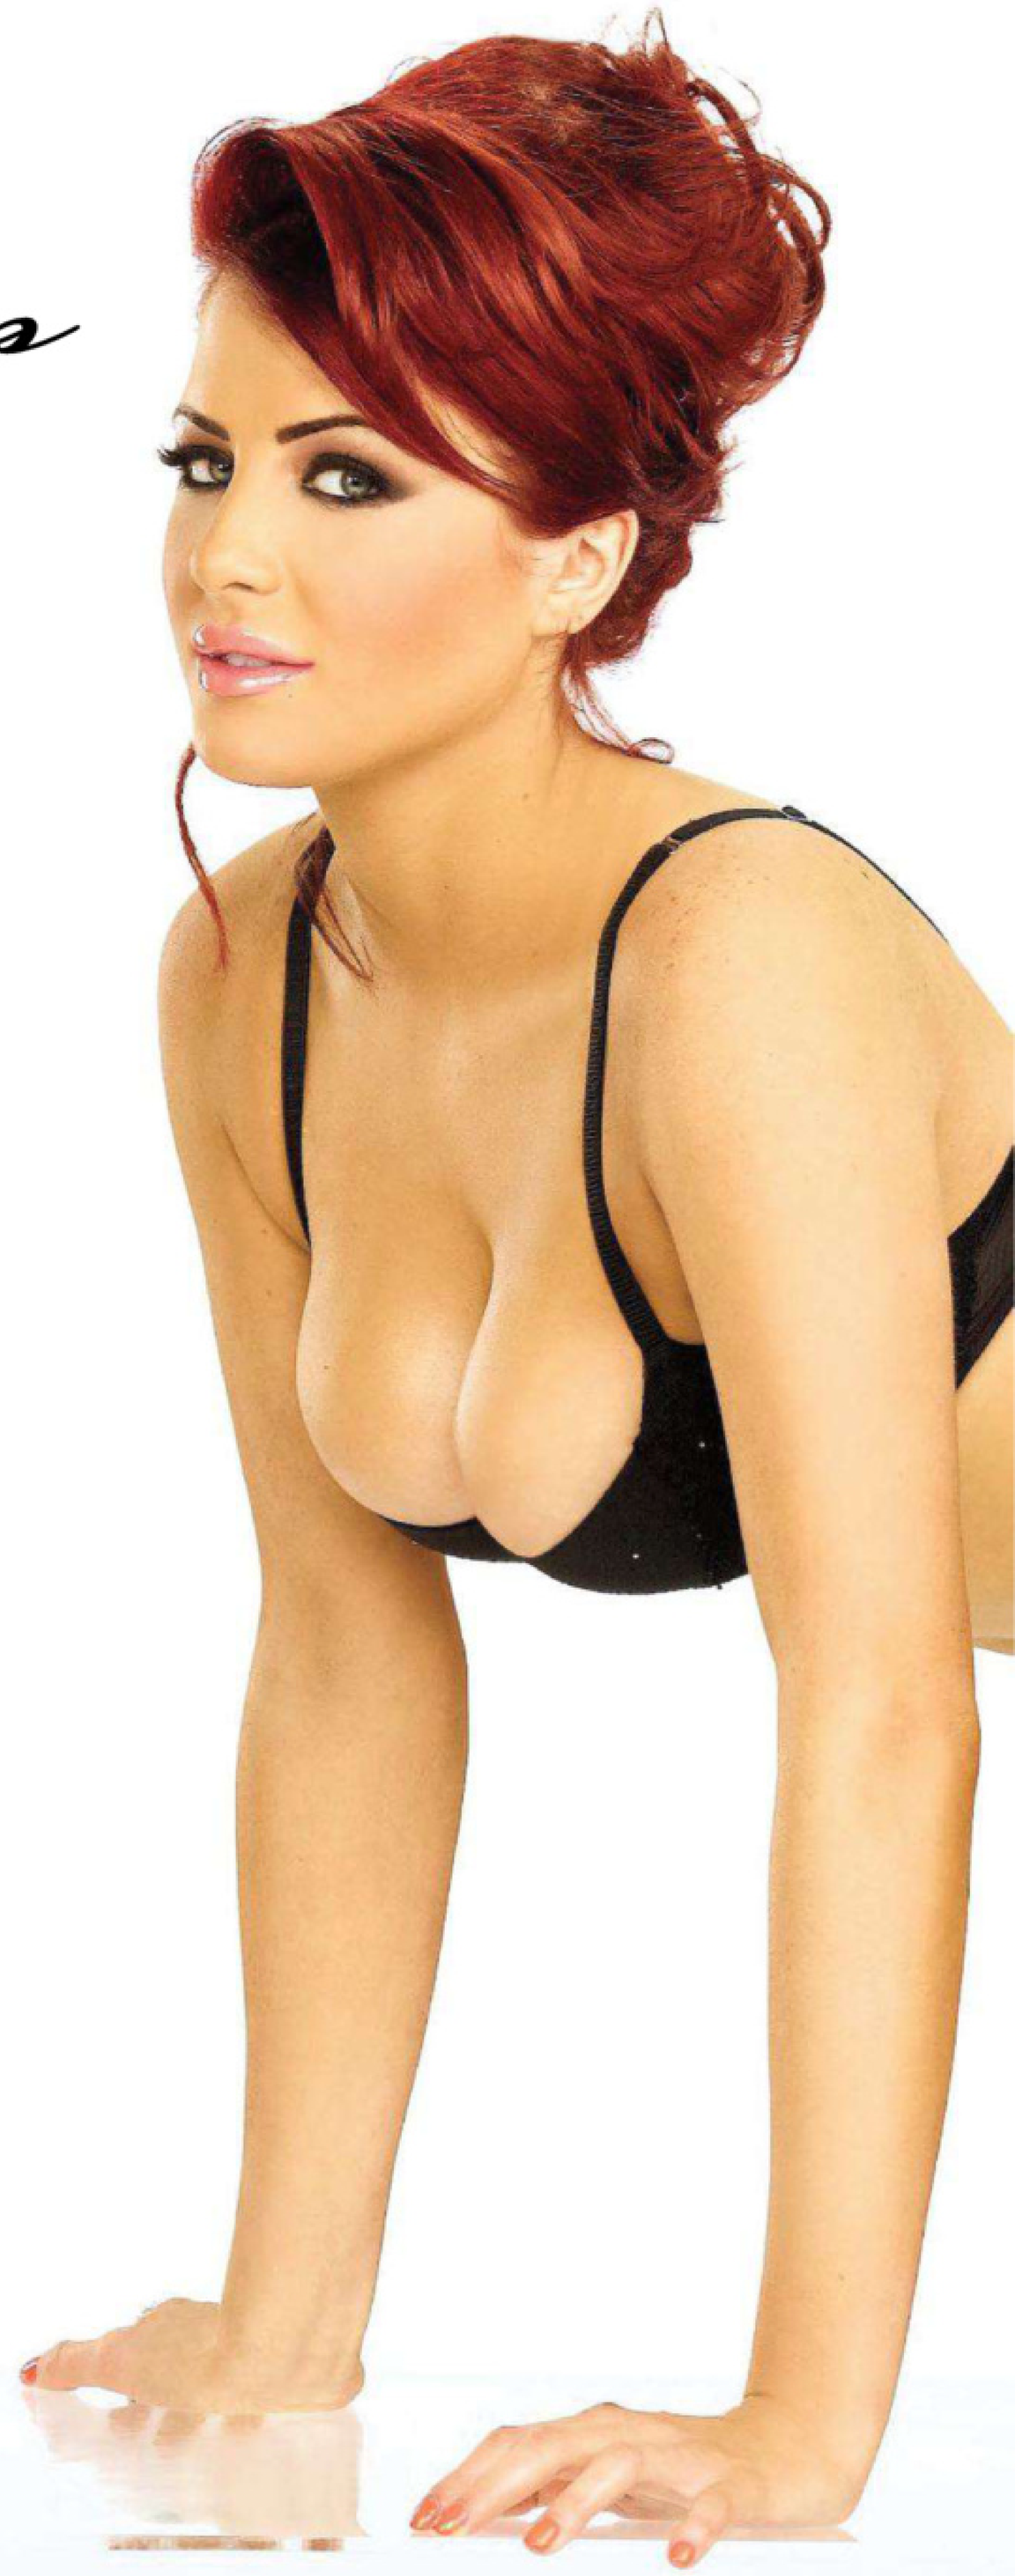
Hey every-one its Carla and Melissa Howe "The Howe Twins". We are originally from England Aylesbury Bucks. Currently we reside in LA and London. We are 120lbs with natural 32dd cleavage. Our mother is Scottish. We are 23 years old. Most people know us for our work with Playboy and our appearances in numerous music videos for the likes of Snoop Dogg. Chris Brown, 50cent, Birdman, G-unit. You may also recognize us presenting on Snoop Dogg's GGN weather news in his anniversary special with RZA and Luenell, Carla can also be seen in Snoop Dogg and Wiz Khalifa's buddy comedy release" Mac and Devin go to high school" in which she features a hot steamy x rated scene with Wiz Khalifa.

We first started our modeling career when we left high school, Carla studying performing arts and Melissa media studies, during college we juggled between studying and auditions, aged just 18 years old, we where both craving more we dropped out of college half way through our last year and decided to pursue bigger dreams, moving to New York, From there we had our first job a 50cent music video "ok all right" and never looked back. We did various promotional modeling including "Funkmaster Flex" car shows radio magazine runway, and started to gain recognition in the industry, at 20 years old after living between New York and London for 2 years on and off, we got offered an audition to do some work with Playboy in LA. We did our first shoot with playboy for there "Malibu beach house shoot" , since then we have been crowned " Playboy radiomates 2011" and have been given regular slots on the morning show and on the red carpet interviewing celebrity guests including Danny Trejo, Lil John, Tommy Lee.

Modeling is our passion we love being diverse and not sticking to one genre, we just shot for Playboy, which was an amazing experience and dream come true. We have also shot for "Lowrider Girls" and UK'S Loaded Mag, and many more. It has been lots of fun shooting for SHOW shout out to Sean Cummings for our hot shoot.

Working with Snoop is always the funniest because he is so genuine and humble. His nickname for us is "strawberry shortcake" we are blessed to now call him amongst our close friends.

We have a lot of media tabloid coverage both in the UK and USA from our affiliations who we work with and our high profile relationships, it can be hard reading the headlines and stories but its what you sign up for in this industry. I'ts not for the faint hearted, we just ignore the negativity, it makes us stronger



The next goal is to achieve our global takeover. There's nothing basic about what we do watch out for our reality show, more movies, perfume clothing line and 2013 calendar available for purchase on our website , check us out

"Everyone loves my sexy accent"

Bolivian Barbie

What do you want to accomplish as a model and what is you ultimate goal?
I want to use this as a way to get exposure, so then do some Latin soap operas those shows are really popular in the Latino community. Being on one of those shows would be a dream come true. My ultimate goal is to have my own business be my own boss I don't want to work for no body but me.

How would your friends describe your personality?
They would say that even though I have a beauty, I'm still very, very humble. I think that's because where I'm from and the way I was raised. Where I'm from whom you are inside is what's important, not how you look.

What do you consider a turnoff?
Guys who talk too much about themselves, who they know or what they have, turns me off. I don't like guys who brag.

How open you are when it comes to sex.?
I will do anything and everything with my partner. There is nothing my man can't get from me sexually. But it will only be between him and me. Sex to me should only be about two people, call me corny I don't care!!! That's how a man will respect you and your relationship.

What do you like to do to your man?
I like to kiss my man all over his body. That makes me feel good to know I'm making him feel good.

Anything else you would like to say?
Always believe in yourself dreams come true, besitos Bolivian Barbie.

"I want to represent what an ideal Latin woman"

Janz J.

Hi Black Lingerie 19 readers, my name is Janz J. I am a Dominican model from New York City. I was born and raised in Washington heights. I graduated from Fairleigh Dickinson University with a Major in Sociology and Minor in Criminology. I have been modeling since a very young age but was never interested in runway because I didn't like the fact that models had to be so thin. I stand at 5'10, my measurements are 36D-25-48. I want to represent what an ideal Latin woman should look like, thick and curvy. Curved define us, its who we are and what makes us stand out amongst other women. My most admired features are my hourglass figure and my smile. When I got older I took interest in bikini modeling and I fell in love. I have shot for Smooth magazine, Dynastyseries.com, Mixed magazine and now SHOW Magazine black lingerie.

I have had the opportunity to host for a number of clubs and its one of my favorite things to do as a model because that's when you notice, you really have fans and people come out just to see you and take pictures, it's a great feeling. My experience shooting for SHOW black lingerie was amazing not only the shoot itself but the experience of flying out to LA and visiting a new place was memorable. Modeling for me is not a career it's a hobby something I enjoy and love doing, it's not all I want to do. I want to act and take this as far as I can.

I want to thank Jose Guerra for opening the doors of this world to me, my agent Arthur for always looking out for me, to Slickforce Studios for a great experience and last but not least Sean Cummings CEO/Publisher of SHOW Magazine/Cummings, Media INC for giving me the opportunity to be part of SHOW Black Lingerie 19. Most importantly to all you fans and SHOW magazine Black Lingerie readers, Thank you for your support.

Love, Janz J

Kandy Kat

Hello everyone out there! My name is Katherine Barbery (aka Kandy Kat) for those of you that don't know. I am a feisty Brazilian bombshell with a hint of Bolivian mix lol. I moved to the U.S. at the age of 15 with my family to live in the great Washington D.C.

Just a few facts about my career experiences include numerous magazines, covers, small part in a major film, etc. I just recently moved to the west coast to further my acting career and fulfill a life long dream of mine. This was my first appearance for SHOW magazine and hopefully not the last, but I had such a great time shooting. I love to model very much, but I would like to see what else my future has in store for me.

Positivity is a very strong personal trait that I live by. I believe that if you surround yourself with positivity, and positive people, then you only can expect positive outcomes. One major positive in my life is my beautiful, loveable, handsome son. He is the love of my life and will come first, before anything. I don't know where I would be without him. He is my motivation everyday to get up and be somebody he will be proud of when he grows up.

Me being Spanish makes me a very passionate person. I am really romantic and a little shy until the time is right. I am truly a lady in the streets, and only my man knows how I am in the sheets. I can also be a little crazy at times, but that's what you have to deal with when it comes to us Spanish girls lol

I would like to thank Sean for this amazing opportunity to be featured SHOW magazine.

Make sure you all follow me on Twitter @ Kat_Barbery and my instagram @Kat_ Barbery. beijos xoxo

Stephanie Monique

I love my legs and my thighs...

Stephanie Monique has been a featured model in a number of videos including a lead in Drake's "HYFR" Music Video" Stephanie has worked with a number of artist such as Lil Wayne, Meek Mills, Big Sean, Dj Khaled, Birdman, and a number of other Latin artist as well. Stephanie Also has her own Swimsuit line coming soon.. So ladies look out for that!

Let the readers know where you are from and tell us a brief description?
I am from Panama the land of paradise I love to call it! I currently live in the D.M.V. area.

What do you consider to be the most sexiest part of your body and why?
I love my legs and my thighs. I have some big thunder thighs lol. So I love wearing heels and showing them off. Plus men love grabbing and rubbing on some thick legs, So it's a big plus in my eyes :)

With that being said what do you like to wear most to show off those legs?
I love to wear shorts, sexy skirts, little dresses, and heels because they accentuate your frame.

What's the best part about modeling to you?
I love the fact that you can express yourself thru film, just the poses and the look on your face can say a million and three things. I love how you can turn people on by just looking at a photo.

Speaking of poses what's your favorite position?
Lol I would have to say doggy style because you can look back at your man and see how much he is enjoying it, and you can throw it back and watch him run a bit ;)

You are very sexual from the way you communicate to some of the photos you take. Do you get judged from it and if so how do you deal with it?
I am very sexual I think it's just in my blood I love being sexy, and if you can't take the heat then you're going to have to get up and move to a colder spot. I don't change myself for anybody this is me and I love me!
