This is your first cover with SHOW Magazine! What was it like working with Sean?

Yes, this is my first time shooting with SHOW magazine and I am so honored to be chosen for the cover! We shot in Los Angeles and the whole hair/make-up staff was AMAZING! Sean now shoots his models himself which is different from most mags and I have to say, I was a little nervous about his photography skills but we rocked it out! I'm very proud of him for staying strong in this difficult industry and hope to work more with him!

What would the average person say about you?

Most people who don't know me say that I look conceited, stuck up, scary to talk to....lol! I guess I just have that serious face demeanor but once they talk to me their whole perception changes! Anyone who knows me would say that I'm," super generous, kind, funny, polite and but d don't get on her bad side!"

Are you a good dancer?

Yes, I would definitely consider myself a good dancer! I used to watch the show "In Living Color" as a kid and dance infringing of the TV! Lol I danced salsa, merengue, bachata all throughout middle/High school and I am now in a professional Salsa dance group!

Do you like the nerdy type, muscle guy or regular Joe?

I don't really have a "type".

I can find attractiveness in different types of men but for me to really fall for someone (which is super rare) he has to have a little of all qualities. I want a guy with street smarts and intellect! I want a guy who has a nice lean body but not too big with muscles. I want a guy who is nice and polite but takes control in the bedroom.

Do you have secret weaknesses or guilty pleasures?

Last time I gave too many details about my naughty side and I got in trouble lol! But one of my guilty pleasures is wearing lingerie for my man. When I was younger, I was too shy to get dressed up for him but with confidence that changed! If you want to keep your man happy then you have to stay creative!

We know SHOW is known for their Black Lingerie title...how did you go about choosing your outfits?

Black lingerie can be super sexy but also very common so I wanted to set myself apart from all the other models they have shot.

I went shopping at one of the most expensive/exclusive lingerie stores "Dirty Lingerie" in LA! My full body corset was edgy, perfect fitting and the material is out of this world! I paired my outfit with shiny latex thigh highs and of course the best Christian Louboutin heels!

I never settle for less!

What was your most memorable moment as a model?

I have soooo many memorable moments that I can't even begin to explain but the effect that I have on other aspiring models and women is the best! I started my own modeling school once a month to teach girls how to model and I fly in the best photographers in the game! I also teach house wives to feel sexy and take pics for their hubby's! Their smiles after seeing their pics are most memorable!

What's your biggest turn on?

*My biggest turn on is for my man to take control in the bedroom. I'll purposely tell him no to sex just so he will "take it"! If he would just say, "Ok, fine then", then I would be like what a pussy! Lol

What's one thing about yourself that everyone should know?

Everyone should know that just because you see me looking all happy and perfect in pics doesn't mean I am perfect. I've been through hell and back in life but I'm not bitter about it. Some of my fans say, "I wish I had a perfect life like yours!" Ha! If you only knew, hunny! No one's life is perfect!

What do guys compliment you the most on?

I get compliments on almost everything but the things that I appreciate most are when a man compliments my eyes, smile and attitude! Guys always tell me, "Jessica your beautiful, but your attitude is even better!" That makes my day!

Do you consider yourself more of a giver or a taker?

I think of myself as both. I'm kind of old school. I come from a Latin family where the man works and provides and the woman takes care of her man! I would never completely depend on a man and I love to work but my man spoils me and I spoil him.

Lace or fishnet lingerie?

I enjoy all types of lingerie but I feel most sexy in fishnet! There's just something about seeing my flesh through tiny holes that drives me wild! My man loves it to!

Do you have any hidden talents?

*Wow! I have lots of hidden talents but if I told you then they wouldn't be hidden anymore....

What do you like best about being a model?

Being a model is super fun because I get to use my natural talents! Don't get it twisted, modeling is way more than just being pretty in front of a camera! Modeling is being creative, open to new ideas, mastering poses and facial expressions. I get to make my own work schedule and travel the world, which is a blessing!

What would you consider your strongest attribute?

My strongest attribute would be my mouth. I know how to make any picture become ultra sexy with a sultry smile to an innocent but sexy pout. Be careful, I can control you with it.

Have you been in any music videos recently?

I have been in 3 major music videos recently! One is Rick Ross Feat. Future "No games" which has been a repeat #1 on MTV JAMS! Second is Gucci Man feat. Chief Keef "Darker"*Third New artist C Stone feat. Paul Wall "Grillz" coming soon!

what's your favorite food?

I love all kinds of food but you can never go wrong with Authentic Mexican food!

How do you feel about acting?

The acting bug just hit me hard! Before I didn't have the confidence or drive to act but I recently shot a low budget film with director Boomtown called "Candy"! It was an easy role for me because it's about 4 gorgeous women who secretly hustle in the streets and take over. Most people don't know but I have lived that type of lifestyle for years! Don't judge me because I have blonde hair and a cute smile! ;) Movie coming soon!

When SHOW does its Latina title again would you be interested and what would you wear?

I would definitely be interested and I would want to be body painted as the Mexican Flag! I always represent for my people!

What is your relationship status:

I'm very much in love! Just waiting for him.....

What would you like to say to your fans?

I would like to say that I love all of my fans...they have stuck with me for years of me going strong and disappearing for a couple years but Also thank you to everyone who has supported me by purchasing my own line of T-Shirts! I especially want to say thank you to my lady fans that are confident enough to not Hate on me but appreciate my movement and learn from me! Love u guys!

So Iceey what made you get i nto modeling?

well to be honest I did it because as a young girl someone told me I couldn't do it. So I just went for it.

We know it's so much hating going on out here and we know your not a hater) but if it's one thing you hate what would it be?

To be honest I don't hate much if anything. But weirdly I can say I hate ladybugs lol. I never knew why.

What's your natural hair color?

I'm a natural blonde. I swear ;)

Do you have any obsessions or what can't you live without?

I'm totally obsessed with shoes. I can't live without getting new shoes all the time :) and of course Lingerie.

If there is one thing you hope to accomplish in your modeling career what would it be?

To be honest this might sound cliché but I want to show women all over they are worth the most. No matter what they are told how they are brought up etc. We are the Queens of the Planet. I just happen to be the Ice Queen.

First and foremost I would like to thank Sean Cummings, for giving me an amazing opportunity to be apart of the SHOW Magazine family and movement.

How long have you been modeling, and how has modeling changed your life?

I have been modeling for about 4 years now. I love modeling it started off as a hobby, more or less for promo but it turned into a passion so I would say modeling changed my life in so many ways. Modeling gave me confidence I never knew I had, it made me look in the mirror and appreciate what I saw!

Define "Sexy" in your own words and how do you display that same "Sexy" in photo shoots and magazines?

Sexy to me is who you are within! It's that look you can give or the walk you walk when entering a room and everybody stops and stares. To me being sexy is being confident!! The way I'm able to display sexy during a photo shoot or through the pages of magazines is... I basically put myself in a different mindset, I envision that I'm with that special someone and I'm looking to make him feel some type of way!

The question every guy in America wants to know: Are u single and if so what do you look for in a man?

Yes I am 100% single I'm just focusing on my career. As far as what I look for in a man. I look for confidence a certain type of moxie. I love a Boss, someone who can adapt to any situation and run his mouth!! But also I want a man who pays attention to things that make me smile! That's important!

What impact do you think Social Media has had on Urban Modeling? What type of impact has Social Media had on your career?

I believe Social Media plays a major part in our everyday living and it's a must that you are socially active on the net whether it's through Twitter, Instagram, Facebook or whatever!! I believe visuals are the key now because it's so easy to just upload a video; it's more competition than ever! As to back in the day you could only see your favorite model on TV, in your favorite magazine, or in you favorite artist video. Now all you have to do is log on!! As far as what it has done for my career hell I'm a social media girl so it's everything to me, it's the way I connect to my KRAZIES and vice versa. Of course Social Media has it's pro's and con's but as long as you can adapt Social Media is an asset. You just have to be responsible with how you use it as well.

What projects do you have coming up and what can your fans/supporters look for in 2014?

My team and I have been working very hard to bring the best quality material from Kendra Kouture. I have a 45 min. DVD shot by sexyassladies.com with nothing but me!!! Behind the scenes footage from photo shoots and ass, ass, and more ass lol. We also plan to expand the Kendra Kouture brand and hopefully land more major features, acting, music videos, club appearances, etc. Until then just follow me on Twitter @KENDRA_KOUTURE, IG @KENDRA_KOUTURE, FB Kendra Kouture, also be on the look out for my website coming very soon www.kendrakouturelive.net. I wanna thank all my KRAZIES who spearhead this Kendra Kouture movement and a big S/O to my manager and team MR.1204 and 1204 Promotions. Thanks!

BOOKING INFO: @MenaMonroe

For starters introduce yourself, for those who aren't familiar?

My name is Mena Monroe, and I'm from Detroit, MI.

Well are you currently single?

Yea I am! And definitely open to the possibilities of love. Heck even lust at this point (laughs).

Wow open to lust possibly? My kind of girl, what type of guys are you looking for?

Well honestly I'm just coming off of a 3 month sex fast. So I'm not really looking for that "Smash & Dash" type of guy. I want a nice guy, who dresses and smells nice, nice smile, who's attentive, and knows how to put it down in the bedroom.

Nice! What does a girl like you like in the bedroom?

Well I'm a pleaser so I like a guy who is aggressive and can tell me what he wants. I love pleasuring my partner so I love foreplay! I actually prefer giving head vs. getting it. A lot of guys don't know what to do with their months down there. I like a lot of shit talking, ass grabbing & smacking, and maybe a little roughness here and there (giggles).

Wow it seems like you know exactly what you like, so I'm assuming when your sex fast is over you'll be enjoying the single life?

The single life sucks actually. Unless you want a whole lot of miles on you. Which I don't, I'm very selection so until a decent dude catches my eye, it's just my toys & me!

So you're the type to pleasure yourself?

Absolutely!! I know my body and my spot better than anyone else. So whenever I'm feeling horny I don't mind getting my hands wet. I'm a bit freaky so whether it's porn, a toy, or a finger or two I'm definitely going to get me a nut (laughs).

You mentioned your g spot, you mind telling where your spot is?

I'm going to keep that to myself. So if whomever I'm with finds it he'll get a very squirtful surprise lol!

Well can we at least have a hint?

Ok... Well it's not on my body, it's inside of my body lol.

Describe a typical night with you in the bedroom?

Typical is boring. I like spontaneous. I'm a pleaser so if we're together and on that level, you can pull it out anywhere and I'm with it. I'm very attentive I listen and observe my man and what's turning him on. I'm a glamour model so I have tons of lingerie so I always try to look extra sexy for my man! Once I put it on it usually comes right off and it's straight to business.

You have a nice Instagram & web fan base, is there anyone who you're really a fan of?

I mean of course there are model wise I'm still obsessed with Tyra, Rihanna is beyond sexy, oh and Derrick Rose is everything! I love him.

Rihanna is beyond sexy, with that said are you into girls?

Ironically that's a fad that I'll pass on. I'm not actually attracted to girls. I can admire another woman's beauty w/o wanting to fuck her. There's just something about a nice hard penis, baby I wouldn't trade it for the world! Now I just have to find a good man attached to one to complete my dream guy lol.

What's the spontaneous place you've had sex?

I was with my ex having a horrible airport experience. Our flight was delayed for 10hrs or so. We were bored & horny plus we'd already taken the rental car back. So had to fuck me on the wall of the airport parking structure. Best quickie ever!

What's your position of choice?

I like when I'm on my back and a dude pins my legs up over my head and just goes to work lol. I cum the most in that position. From the back is runner up.

Awesome, ok let's cool off a bit, any new projects that you're working on?

Yes lol. I'm in the process of opening up a standing store for the online hair company I rep. And I'm also half way through my music project I'm working on.

What type of music project?

My rap mix tape.

Looking forward to hearing it, how can your fans keep up with you?

Well I'm on all social networks. Instagram @Menamonroe Twitter @menamonroe Facebook Mena Monroe I have a personal website www.LoveMenaMonroe.com and my booking email and P.O box is Askmenamonroe@gmail.com PO Box 47656 Oak Park, MI 48237

And I just wanted to say thanks to Sean Cummings for the opportunity and thanks to all the people who have ever supported the Mena Monroe movement.

"I love foreplay!"

M

My name is Emily Sears and I have been modeling full time now for 5 years, coming from Australia I got my start in the highest selling Men's magazine in Australia, Zoo Weekly, to date I have had 14 covers of zoo as well as a stint as a contributing advice columnist. Other career highlights of mine include appearing in GQ USA, FHM Thailand, Turkey and Germany, and being the first 2x cover model for Kandy Magazine USA. I have appeared in a number of swimwear and clothing campaigns, and recently also World Star Hip Hop Candy and Juicy J's all I blow is loud video. I really enjoy the variety in my career and the fact I'm always doing new things and meeting new people.

I've wanted to shoot for SHOW magazine for such a long time so I'm really proud and excited to be a part of this issue! In LA I am often asked to cast for jobs that want a busty blonde girl, but unfortunately they don't always bank on my booty showing up, depending on the job this sometimes holds me back from bookings, so its very nice to be published in SHOW where curves are appreciated!

Living in LA for the past 2 1/2 years has been a crazy experience, it's one of the scariest and best things I have ever done. Everyone knows the cliché of how LA can chew you up and spit you out, and that only the strong survive. I guess I manage to survive by keeping I level headed and knowing all the glamour won't last forever, and nor would I want it to! It can be exhausting and fake. I'm so grateful for everything I have accomplished at this point that rather than be too desperate for more,

I'm quietly confident in my abilities to deliver on a shoot. People ask what my next move is after modeling and I always reply "something else!" with dignity and appreciation one day I will happily move on to other things but that isn't anyway on the horizon soon! Its great to be motivated but it's another to be thirsty, I stay hungry but never thirsty.

When it comes to getting close to me I'm all or nothing, I don't have the time for games and I'm either all in or I'm out. Once I feel like I've been played I move on quick, get right or get left. I'm a secret nerd and I love nature documentaries and cartoons, but with that comes a little wild child and I love a man who has the right amount of bad boy to bring that out of me.

I love strong men who know how to treat a lady and I love a southern accent with manners. I'm traditional in a lot of ways, and if you want me doing your laundry and cooking you dinner, then you should call me a good woman and not a bad bitch. Take your time before you put me in a box, never underestimate me, and if you ever see me out and about come say G'day!

Who or what inspired you to become a model?

I have a close group of friends and family that were always encouraging me to pursue modeling but it was the opportunity to change careers and create art in a sense that got me to take those first initial steps.

What do you think is the biggest stereotype about models?

I think the biggest stereotype about models is that we always get paid.

Do you consider yourself a homebody or the life of the party?

I would consider myself homebody because I don't go out much, but when I do, I'm always the life of the party.

What is the wildest or most out of the ordinary thing you've ever done?

The wildest thing I have ever done nearly got me arrested. It involved another person and the hood of a car. You get the idea

What do you think is better, being good or being bad?

It's always best to be good at everything, which includes being bad!

When do you feel you're sexiest?

I feel the sexiest after getting waxed and having my hair done. My confidence is always at its highest then.

Tell us a secret?

I'm sort of turned on by food and have a crush on Anthony Bourdain from the travel channel.

What's the sexiest thing you've ever done for a partner?

I once prepared an entire meal in just heels and a sexy apron but we didn't end up eating anything!

After a long day, what do you do to relax?

After a long day I like to put on sweats and have a cold beer.

Aside from modeling what else do you do?

Aside from modeling I work as a makeup artist and a licensed cosmetologist.

What's next for you?

I have a lot coming up in 2014. Ill be hosting several large clothing conventions as well as shooting for several catalogs. I will also have more features with SHOW, Stacked mag and other various publications. I also hope to be making more of a transition to video and TV and currently have a short film you can see on my YouTube channel, World Star, Vimeo and IG. Look for me everywhere!!!

Welcome sexy boys!!

My name is Tashie Jackson. I'm 22yrs old. I guess you could say in a cheeky way I was made in Brazil with some spice from Cyprus! But I was brought up in LONDON!! So I'm really a cocktail of my origin! I speak 7 languages too so love to meet new people!! am a Reality TV Star/Published Glamour Model in the UK & Europe! Many of you may know me from hit TV Show Big Brother where I was in the house alongside the likes of Pamela Anderson & many more! I have acted in many great films such as 'Harry Potter' and Disney film 'The Prince Of Persia' which were so much fun to do! Since the un-expected release of my sex tape I was thrown head first into glamour modeling and have been lucky enough to shoot/interview for some major magazines such as Nuts Magazine, OK! Magazine and national newspapers such as The Daily Mail.

If you ask me where I see myself in 5 years?

Hmmmm... Well I have always been a big dreamer, so I would have to say I would love to now expand my name and brand out of the UK and into your amazing country the USA! I would love to shoot for Playboy and the cover of Playboy Brazil! And one day I hope to have a reality TV show out there too! I believe every woman's body is her temple so I take real good care of mine ;) perhaps I will be shooting nude in the future for one of these magazines too then you'll get to see even more of me! The sky is the limit and I'm shooting for the stars! Feel free to check out my pages below and discover more about the cutie with a booty you just read about ;)

**Hey Rosee, nice having you with us!
Introduce yourself to our readers.**

Rosee

Hi everybody! My name is Rosee; I am a 24-year-old French model and painter. I'm 5'9 (1m75) and my measurements are 34D-25-45.

**This is the 1st time you shoot for
SHOW, we're glad to have you
here finally!**

Yes, I was so excited when Sean contacted me to shoot! I've always wanted to shoot for SHOW, and I'm honored to grace the cover of Black Lingerie #20, thank you so much. It was really fun, make sure you check out the behind the scene videos.

Tell us about the other magazines and videos you've been in.

I was in Smooth magazine, Straight Stuntin, Originators... currently you can find me on stands in XXL Nov/Dec 2013 and KING winter 2013. As for videos, my sexiest is probably my WorldStar Hip-Hop I hope you've seen that one lol. I recently did Busta Rhymes' "Twerk It" and "Thank You" and a few other cool ones.

So how did you become a model and when did you start?

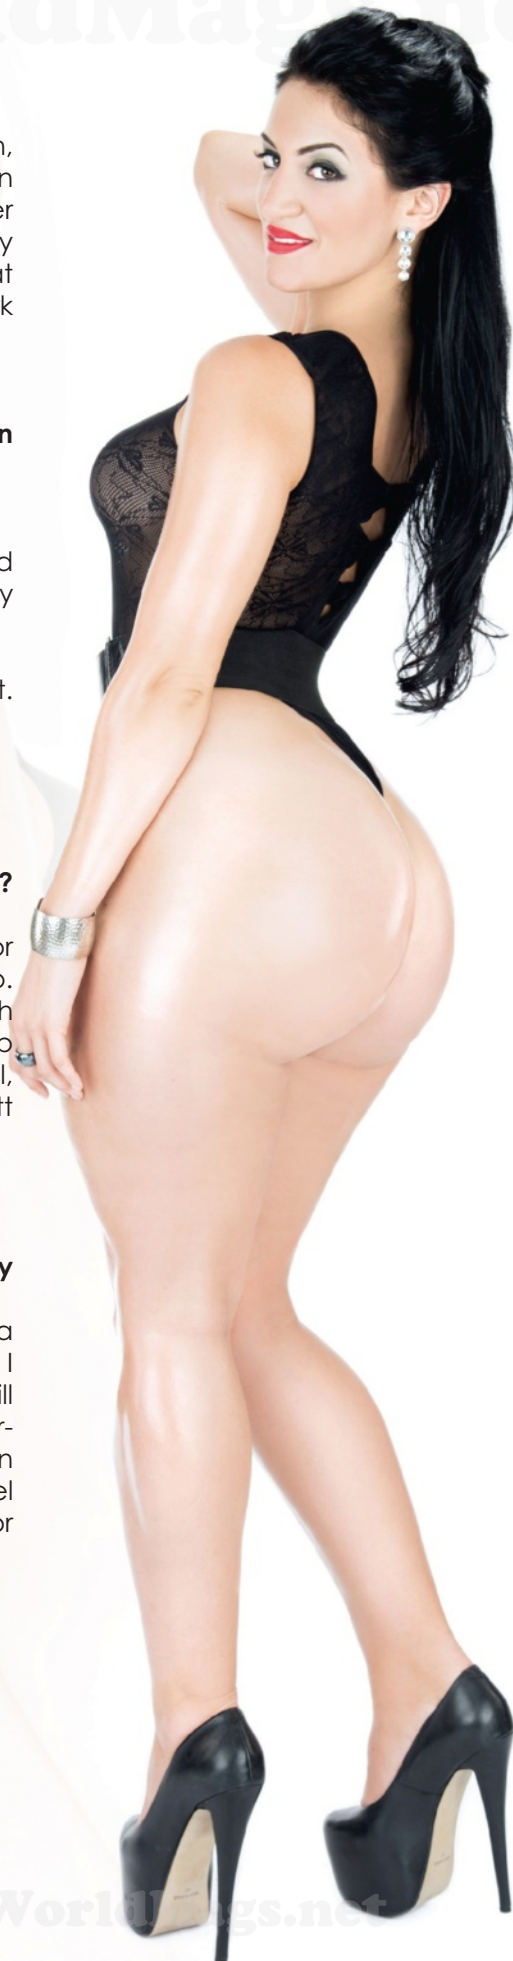

People in the business noticed me, and my social media was building so it's mostly thanks to those who supported me that it happened. I came in the country 2 years ago looking for a job in Marketing after graduating in International Business and Finance/Wealth Management. I didn't even know a woman with my body-type could model... it's different in Europe.

So people in France don't like your body? You're all natural?

People in my country mostly think I'm fat, or more like a freak since I'm so skinny up top. Yes my body is natural...I am 75% French 25% Greek, hence the skinny frame up top and the generous hips. Yes I am all-natural, before Nicki Minaj I didn't even know butt injections existed lol. No liposuction or fat transfer either, just good genes and a LOT of workout.

Where do you live now? Do you have any projects in the future?

I live between London and NYC, but with a large emphasis on the former for 2014 as I am developing my art in Europe, but I will spend a lot of time in the U.S. too. I am currently working on a few art projects, but in a near future would like to do the Art Basel in Miami, and maybe go back to school for Interior Design.

**I'm sure all our readers want to know:
Are you single?**

Yes! Not necessarily by choice, but more because I have only 24 hours in a day lol; Do you have the same problem too!? When I am in a relationship, I focus all my attention on my man... I haven't had that luxury in a while.

What kind of guys do you like? How does one get your attention?

Well, I am not especially set on 1 type of guys, but I mostly like big guys. I like tall and big, the type that can throw me around. I'm an adrenaline junkie, I need to get a rush or I get bored...but if you can make me laugh it will get you almost anywhere.

Would you rather be on top?

I love to be on top. But I always get my way so sometimes it is nice to be fought for control ...I'm a Leo, very aggressive naturally, fierce and passionate, so I need a man who's up to the task!

Name a place you'd like to have sex.

Hmm, well there isn't that many places I haven't experienced left lol but I'd say a plane.

Do you like women too?

I think they're beautiful, but they don't have what it takes to satisfy me. I love men. If I was a guy I'd probably be gay.

Before you leave us, is there any websites or social media our readers could check out? Would you like to say a word to them?

It was a pleasure! My website is www.FrenchRosebud.com and the one for my art is www.ArtSophieB.com. Instagram and twitter are the same, @Frenchrosebud and @ArtSophieB.

Thank you to all of those who support me, whether it is from the beginning or just now! You made it all possible :)
