Black Lingerie by SHOW

I am a reality star, actress, and model, but as of 2013 I can now proudly check club owner off of my list of accomplishments because I am now the owner of Suite 135 in New York City, coincidentally in the same neighborhood that I grew up as a little girl with big dreams.
Be forewarned, I am not your average pin-up model. I pack a triple punch with beauty, brains and brawn.
As a first generation American, born to Dominican parents in Harlem, New York, I am a true native New Yorker.
I'm the oldest of three girls, and I've always been a trendsetter.
After attending New York City Public Schools, I went on to graduate from the John Jay College of criminal justice.
I used the streets of Harlem to fine-tune my natural swagger, my education to be strategic about my career, and my strong personality to do things "my way".
I feel like with the combination of all of the above, I am well on my way to my goal of becoming a household name, with a powerful brand to match! Keep watching!

I am proud to say Black Lingerie 20 is my second spread with SHOW. I'm honored. Since my first cover with SHOW I've done a few more videos, such as "Got That Work " with Fab and also two videos with his artist Fortunate Ones' "99" and Freck Billionaire's "Bling Kong".

This shoot was so sexy and fun. I'm so excited that Sean was my photographer for this shoot for the first time. He's amazing and made it very comfortable for me. It was oily and sexy and my body looked amazing from the camera to the screen without any edits. I haven't been all over the place but you'll see me back again.

Coco

Hi my name is Coco Francesca I'm 22 years old, my ethnicity is African American, Cuban, and Italian. My measurements consist of a beautiful natural 32C-24-42 and I am from Connecticut. This is my first appearance in SHOW magazine and I'm super excited because since the beginning being seen in SHOW Magazine has been one of my many goals to accomplish in my modeling career. I absolutely enjoyed my shoot for SHOW and it's defiantly what I would consider to be one of my favorite shoots! You can also find me featured on sites such as Dynasty Series, and Thisis50.com. I have done a ton of music videos my first being "All his love" by 50 Cent, and my most recent "Twerk it" by Busta Rhymes ft. Nicki Minaj. I have also been blessed with the opportunity to be a part of an amazing radio show OFFTOPTV that was an amazing experience.I am defiantly what you would consider the best of both worlds.

I am young, ambitious, beautiful, and most of all educated. I have a bachelor's from UCONN and I am currently pursing school to obtain my Master's degree. During the day I work a regular 9-5 job but once I step out of the office my alter ego comes out, I transform and I am able to comfortably express myself in a extremely sexy way. Growing up I loved to dance and I always admired the vixens I seen in the videos, from their beauty to their bodies and that's what really inspired me to start modeling. I've been in the industry for about a year and a half and it has been a learning process on the do's and don'ts. I didn't know anyone when I first started but networking has brought me to meet some great people. I have defiantly learned a lot of important things! I have learned that dedication, patience, and the way you deal with people are absolutely everything!

I would like to take the time and thank SHOW Magazine for honoring me with this wonderful feature and I defiantly look forward to working with the whole team again!

Black Lingerie *SHOW

What separates you from any other model?
I'm not only a model, but I'm versatile with all the talent I can offer. I style and I'm also an upcoming designer. Fashion has always been apart of my nature growing up from being a child putting fashion shows together in talent shows, to styling my best friends in photo shoots, to me styling most of my own photo shoots. I have an artistic side that I think attracts the crowd and I'm not afraid to be different and daring at the same time. I simply don't worry about what society thinks, only what mark I can make on those I have encountered.

Modeling isn't exactly the easiest profession to pursue. Why is it your passion?
It's just like getting into character or acting you get to be someone else in f ront of the camera and show the world that you can be whatever comes to mind. It's fun to me kind of like playing dress up. It's funny to me because I use to be really shy in front of people and the camera. But now I've mastered and gained the confidence to know I'm truly good at what I do.

Where do you see yourself 5 years from now?
I see myself with my own clothing line living in either NYC or LA and sharing my creativity with the world and sharing it with my future husband and kids.

Kitty Kouture

What videos and or modeling projects have you done?
I've been fortunate to grace the cover of URBAN INK magazine with Prodigy of Mobb Deep, Blackmen Magazine 2X, Straight Stuntin Magazine, Dimepiece Magazine, Coast2Coast Mixtape Magazine, Gorgeous Magazine.
As far as videos, Rico Love (Strip Club), I am the Featured body paint model in DRUMMA Boy, 2chainz, Gucci Mane and Young Buck in "I'm on Worldstar" WSHH, MEEK MILL -Amen

What has been your best experience as a model so far?
Getting my first cover for a magazine was a big thing to me especially an international tattoo magazine that I love!!! I was very honored to work with Howard Huang.

What was your worst experience and what did it teach you?
I honestly can't recall having one, everything I've worked on has showed me new things or I may have gotten corrective criticism, which I like but nothing terrible.

What type of men intrigue you?
I respect a man who has his life together someone you don't have to carry. A man who empowers his woman, as well and actually fulfills the duty of being a MAN. That's a turn on to me.
A man with confidence, style and, of course, ambition, like me. You're always a reflection of you significant other so if he's on his way to the top so am I, honey.

How can people contact you for booking?
You can book me by emailing booking@dreamwerkzent.com or call 832-506-8286

Where were you born and raised?
I was born in Maryland, raised in Washington DC

What would be your dream job to book?
I've never really thought about it but I wouldn't mind getting an editorial spread in VIBE or COMPLEX Magazine, they always have creative concepts that's just my fashion side coming out.

Nicole Mejia

Hey, my name is Nicole Mejia, I'm from sunny Miami, FL and I'm 25 years old. I have been modeling for about three years now and am focusing mostly on fitness and glamour. I'm half Colombian, half Italian, and 100% NATURAL. Being natural in this industry classifies me a dying breed, where most models are fresh off the surgical table.

I've been in music videos and a number of swimsuit, lingerie and clothing campaigns and just launched my own fitness company. I'm in the process of filming workout videos that are going to teach the ladies how to 'Get Fit and Thick." In the future, I'm focusing on building my brand and maintaining my versatility, which allows me to grace magazines such as the pages of SHOW, while also being a fitness inspiration to women all over the world.

Check out my website www. thenicolemejia.com, my fitness site www.getfitandthick.com, and follow me on instagram and twitter: @Nicole_mejia

Black Lingerie SHOW

What are your favorite things to do?
I enjoy listening to music, dancing, shopping, traveling LOL typical girly activities.

What's your favorite food?
OMG I love almost all types of good especially spicy foods like Mexican.

What's your favorite color?
My favorite color is purple. My second favorite color is gold.

What is your favorite type of music?
I love, love, love R&B from the 90's like jagged edge.

Do you have any pet peeves?
Yes, my biggest pet peeve would have to be people picking their teeth in public, so disgusting.

Do you have any body piercings?
When I was younger, I used to be like pin doll LOL but now I'm really not into inflicting pain on to myself.

Any obsessions?
Yes I'm addicted to ink; I LOVE TATTOOS. I see it as an open canvas to write our story on.
All my tattoos tell a story from my past negative and positive.

If I may ask, what are some things that you want out of life?
Like your career, marriage, education, relationships with anyone?
All I'm really after is respect. I want respect for my struggle, respect for my drive, for my ambition, just want to be respected. As far as career wise, I would like to ultimately become an actress, maybe have my own television show one day. As far as marriage I don't need the typical old fashion marriage, I know times has changed a whole lot, but all I really want is honesty and loyalty from my spouse. And as for friendships, in my opinion it's hard to find people who are genuinely happy for me. I have only a handful a females I can call my friends, everyone else are co-workers and associates.

What are some qualities that you value in a person?
I would have to say honestly, loyalty, and it has to be genuine.

What inspires you to be good?
Only thing that inspires me is my baby sister, she is 8 years old <3 and she is my motivation to become greater.

Were did you grow up and what was it like?
I grew up in the Bronx; LOL it was very shall I say tough, I had to defend myself, I had to stand my ground. Especially being pretty, some people think they can take advantage of you. Not me! I'm a tough cookie.

Describe you parents, what are they like?
Well my mother is my rock. She is the only one I can always run to when times get rough. She is beautiful! She's the true definition of loyalty. And my father, well just know he was the one who taught me how to defend myself. He didn't care that I was his daughter; he said I had to learn to defend myself from guys.

How's your relationship with family members?
I have a great relationship with my siblings. We are different but we always manage to come together. I love my family. They all I have.

Is there anything in particular that you wish you could do over?
Yes sometimes I wish I would've never treated some people so good, they didn't deserve my love.

What is something your really proud of and why?
I am really proud of how far I have come. I am honestly just a regular girl who dreams big and I actually have the motivation to get up and get it.

What are some goals your still trying to accomplish?
I'm attending acting classes to sharpen up my skills. One day hopefully I get to be in a movie with Robert Di Niro.

Are there any nicknames you go by?
My real name is Stephanie but go by Holly, which is short for Hollywood.

What are you scared of?
I have a fear of abandonment. I hate being alone. I'm also afraid of the ocean and water bugs.

Have you ever been in love?
Yes, love is the most beautiful thing in this world. When the love is mutual. And when both parties want the same thing.

Have you ever had your heart broken?
Yes, many times. More than I would like to admit but I always manage to get up and keep it moving!
