Ok rookie, what was it like shooting with SHOW for the first time?

At first I thought it was going to be a breeze. I had packed days before so I thought was fully prepared. I was so wrong! I messed up. I did not pack enough accessories or shoes. Sean got in my ass about that at the shoot! I felt about 10 centimeters tall. LOL!! We ended up Reshooting and I brought my completed outfits & looks. Moral of the story, Ladies bring lots of shoes & lots of accessories.

Do you consider yourself to be an exhibitionist or an ecdysiast?

Honestly I am both. I'm extremely comfortable and confident with my body. I've danced for years and I have never had a problem with nudity or sex. In fact, I love these hot Texas summers because I can be in a bikini (especially my clear string collection) most if the time.

What are your best qualities?

I love to Shut up and observe people. You learn so much more that way. I have been told that I am a great listener and I can give honest advice if asked. I also have an amazing ability to keep secrets and I know when to mind my own business

What are your worst qualities?

These can be attributed to my Star sign: Cancer. My mood swings & hot temper. I also am very easily irritated if I am experiencing a high amount of stress.

What's your favorite drink?

I was just introduced to Moet Ice Imperial this summer. It is a must! It is best served over ice cubes with Mint Leaves.

Tanya Renee

What is your favorite exotic car?

Lamborghini over any other! They are very masculine & erotic. The fact that they're named after bulls is fascinating to me. Vroom Vroom!

What's your favorite music?

edm! Edm! EDM! And Hip-Hop club-bangers

What is a must have in the bedroom?

I wear Christian Louboutin heels & lingerie. When I was younger I never really understood why women were so into that. Now, I completely understand.

What is something new that you have delved into?

I have fully embraced roleplay & I find it to be a real eye opener.

Are you into toys?

Ummm... not really, except for my incredible, and I do mean INCREDIBLE, Hitachi vibrator. It is actually a small back massager w a powerful head. It uses Wall plug & no batteries.

Do you dom?

You know when I worked at a gentlemen's club here (BabyDolls Saloon) we had to spank the bachelor on stage. no joke, I would get the biggest adrenaline rush while I was spanking this guy. It was an immediate high. Just seeing some random guy bent over grabbing his ankles like a bitch and WACK! watching his knees buckle and scream "yes ma'am can I have another".....Biggest power rush!

Do you watch porn?

I can't tell you how many times I've been asked this or asked if I have ever done porn. Yes I watch, no I've never been in any.

Any new photoshoot ideas?

I want to work with SHOW Again before the end of the year. I also want to execute a sheer nylon and exotic car shoot before 2015.

M

My name is Shalena Triplett, I'm from Fort Smith, Arkansas. Yes I am a county girl! I currently reside in Dallas Texas, where I have been for years now. I model, I am a licensed cosmetologist, I love doing makeup, working up a sweat, and I am getting into acting these days.

What is the most interesting thing you've done sexually?

I had a threesome for the first time last year, and it was awesome! Women are sexy to me and I love them, but I do prefer a man.

What is your favorite part on a man?

I love the v cut that starts at the waist and leads down...yum!

What is your favorite position?

I like all positions! But I am able to have an orgasm easier when I am on top in control, or from the side. When you have passionate love making instead of just "sex", all positions work out well.

What type of man are you attracted to?

I love an educated man! Intelligence is sexy! A man that has morals, knows how to cook, smells good, and takes care of home. His home, not mine! Lol If he can take care of his home, then we can work on having a home together.

Are you a giver or a pleaser?

I'm a giver and a pleaser! I'm very affectionate so there never really has to be a question asked about anything in regards to being satisfied.

Lena Renea

Do you enjoy oral sex?

Giving and receiving! The more you give the more you receive...;-) I am single, but my partner tells me I give some of the best oral he has ever had...making it feel like you are inside of me is my goal...

Are your breasts real?

Yes they are! I have had a reduction and they grew back on me, lucky me huh? I get asked a lot if they are real because of the rest of me! I am a triple d and it is all natural!

I am Nikki Renee' from Dallas, Texas. I'm a country girl from a little East Texas city called Tyler. I am the middle of 3 kids with an older sister and younger brother. I'm 26 years young standing at an awesome 5'2.

How long have you been in the modeling/ entertainment industry?

I would say I've been "taking pictures" for about 7 years but actually taking this seriously and realizing there is actual money to be made in this industry, I'd say about 4 years.

Any major projects out?

I have a couple of major projects I've recently done. I flew to New York about a month ago and shot exclusively with Dynasty Series for our slumber party series. I also just came back from Houston a few days ago shooting with 2020 photography for Black Men's magazine. It's been really exciting. Other than that, I've just been updating my website with different and new stuff and just building relationships.

What advice would you give to another aspiring model?

I would tell aspiring models to stay focused and keep their minds focused on what they are doing. Sure, it's cool to follow other models for inspiration but never hate on that person. Use it as motivation. Be smart enough to weave out the bullshit that a lot of people are going to come at you with. Be strong enough to take harsh and serious criticism. Understand that your time will come and never let your grind lack.

Nikki Renee'

What are your gym secrets?

No real gym secrets. I do focus most of my workout on my abs, thighs and butt though. Squats and crunches are a must with all of my workouts. I usually use a waist trainer at the gym. The workout T25 also finds its way into my routine every once in awhile.

Who's the lucky man in your life?

I do have someone in my life and everything is great! Nothing like finding someone that can actually accept you as a part of this industry. Love you booski!

How many messages do you get a day from guys trying to get at you?

Lol!! I actually get dirtier messages on Facebook then Instagram. I barely answer messages on either but if I do, I'm typically polite to people. If they seem desperate, the conversation ends. But I wouldn't say to many guys get out of control with the messages.

How would someone be able to contact/book you for their next event?

If someone wanted to book me for anything they can reach me at:

I'm so excited to be featured in this issue of SHOW! As this is my very first magazine spread, I almost don't know how to act! To be completely honest, I was contemplating shooting as I thought, "I look different from other woman". In all actuality, that is just it, the fact that you showcase yourself apart is what captivates the interest of others. I never want to present "stereotypical pretty", I want you to look at me & wonder, gossip, & even question me. Mystery is sexy & I want to remain a hot topic in the back of ones mind. To give you a slight bit of background on myself, I'm originally from California, currently reside in the Dallas/Fort Worth area. I love art, all formalities of art, from makeup artistry to the simplicity of nature. I have currently gained an interest & hobby in drawing & painting. "I'm a woman of diversity, I never like to look the same". I love to keep people entertained & fascinated with my switch ups. I'm a big do it yourself type of girl, so my makeup & hair is usually done by myself. I am more then willing to answer any questions or give feedback on my makeup tricks, style, etc. I see no reason to be ugly to the next person, I'm very much so approachable, so don't be shy! I love engagement & interacting with various people, feel free to tweet me @_yella_cake & follow me on Instagram @_yella_cake. If you see me out, feel free to come up & speak ;)

Raquel Royce

Am I in a relationship?
I am very much SINGLE

Any tattoos?
NONE. I think the fact I have none is what sets me apart, I like it this way.

Comfortable being nude?
Yes. It's very daring & sexy & I love to give people something to make a huge deal out of.

Hobbies?
Gym, writing, painting & drawing. I may seem boring, but I'm not!

Dislikes?
Cats, Seafood, cold weather, neutral colors, beer

Turn offs?
Bad breath, bald heads, facial tattoos, no ambition or work ethic

Turn ons?
Beautiful teeth, a gym rat, tattoos, a man that is slightly hood, but educated
