“Food, sex
and sleep
are my
favourite
things in
the world”

LUCY PINDER 29

→ Time flies when you're having fun, but we had to double-check our calendars when our very own 32F fittie reminded us that 2013 is her tenth year of modelling for *Nuts*. Years of loyal service can sometimes take its toll on people (just look at Alex Ferguson's purple conk) but our Queen of Boobs is looking more perfect than ever. Her secret? “I've got good boob genes.”

“My boobs
might be big,
but they’re
also very
delicate!”

“A bit of cocoa
butter is good
for my boobs”

CHANELLE HAYES 25

→ Miss Hayes was one of the first to prove that big boobs + *Big Brother* = dead good telly. Since then, she's been a most welcome visitor and her shoots have developed a reputation for being seriously saucy. And it's not just her snaps that make us boys blush, as Chanelle boasted, "I love handcuffs and blindfolds!" We assume she's referring to some sort of parlour game...

“I’d love to do
a shoot with
Lucy Pinder”

“I really
love to
wear lacy
French
knickers!”

STACEY POOLE 22

→ During a recent heated debate on owning ample assets, Barnsley babe Stacey stated: “Boobs are big, bouncy, and beautiful.” OK, it wasn’t much of a debate, as we happened to fully agree with her. Plus, we were kind of floored by her follow-up plea to the men of Britain: “Guys still have to be persuaded to give boobs more attention!” Gents, you heard the girl!

“Brunettes look more
luscious! We’re known
for being busty!”

“My boobs are so big, they sometimes knock things over!”

BETH HUMPHREYS 19

→ Beautiful Beth came bouncing into our lives last year – bouncing being the operative word for a lady armed with a 30E chest. And it's not just her boobs that are making a serious impact. "I'm coming up with a business plan so one day I can take over the world!" Beth told *Nuts*. We're not sure what this plan entails but, from what we've seen so far, we are very much "in!"

"I've got a crush
on Rihanna. She's
a natural woman!"

“My sexiest
outfit is my
birthday suit!”

DANIELLE SHARP 21

→ Like all superheroes, bona-fide *Nuts* babes have ways of concealing their powers in everyday life. A student-by-day, Danielle told us, “People are surprised when they find out I model because I don’t walk around with my boobs out all day long.” Yes, that would be a giveaway. Rest assured though, her boobs are never kept under wraps when she’s in *Nuts*!

“A massage is
always a really
good way
to start sex”

A full-body photograph of a woman with long, wavy brown hair, posing against a plain white background. She is wearing a black lace bra and matching black lace underwear. She is also wearing black lace thigh bands. Her right hand is on her hip, and her left hand is behind her head. She is looking directly at the camera with a slight smile.

“It’s always
exciting to
do naughty
things every
so often”

INDIA REYNOLDS 22

→ Whenever there's a booby brunette shoot going on, you can always guarantee that Reading's finest is never far away. "Us brunettes are mysterious. We always look like the girl-next-door but we're mischievous," India explained to *Nuts*, before adding, "When I go shopping, I have a bad habit of leaving the changing room door open and flashing!" Sigh...

“Us brunettes
are making a
booby stand!”

MAXIMUM LOAD
10 CWTs

“On holiday,
I always like
to sunbathe
topless!”

HOLLY PEERS 26

→ We'd be bonkers not to include the peerless Ms Peers in any form of "big boob" collection. And speaking of bonkers, that's a word many a *Nuts* babe would use to describe Holly here. "I can be a bit of a handful on a night out," she admitted to *Nuts*. "Some blokes are a bit scared of me!" Well, judging by these snaps, we kind of agree about the "handful" bit!

“I accidentally
flashed my
boobs in
a restaurant!”

“Brunettes may
look innocent,
but we’ll show
you a really
wild time!”

“*Nuts* shoots
are sexy – but
they’re always
such fun!”

JOEY FISHER 19

→ Joey’s boobs are so big that Royal Mail will eventually need to give them their own postcode as we imagine they’d get a lot of fan mail! Joey is still new to *Nuts* but has already made a massive impact. Some have suggested pairing her with fellow behemoth-boobied babe Stacey Poole, but we fear *Nuts* may well combust under the sheer strain of sexiness. Safety first!

“My boobs just blossomed out of nowhere!”

“I love wearing
thongs because
it feels like I have
nothing on”

LACEY BANGHARD 20

→ When *Nuts* discovery Lacey appeared in the *Celebrity Big Brother* house earlier this year, a nation warmed to her girl-next-door charms, but all is not as it seems... “Everyone has a dark side, and I can be pretty naughty,” Lacey revealed to *Nuts* when asked about her bad habits. OK, we’re not sure if she’s committed any actual crimes, but she’s certainly stolen our hearts.

“I’m always looking at
girls’ boobs and bums!”

“I’ve got a
thing for
stockings”

LUCY COLLETT 23

→ Our resident racy redhead's most recent task involved a seriously sexy shoot with an all-new bevy of babes. When we asked what her all-time ideal *Nuts* babe would look like, she replied, "She'd have Lucy Pinder's boobs, Sabine's bum, Rosie Jones' torso and Holly Peers' face." Hey, does anyone know if that Dr Frankenstein bloke is listed in the phone book?

“Redheads
aren’t shy
– I get my
boobs out
on trains!”

“I always wear
hold-ups or
stockings on
a night out”
