100 SEXIEST NUTS BABES EVER!

5TH BIRTHDAY SPECIAL!

The girls that made this mag the hottest!

The last five years have flown by, and one of the main reasons for that is the hundreds of gorgeous ladies who've passed

through our pages. Blonde or brunette, tall or short, pert or buxom – we've loved them all!

But we had a sneaky feeling that, seeing as *Nuts* is celebrating

its fifth birthday this year, you might want to see the best of the best. So here are the 100 sexiest *Nuts* babes ever. Hold tight, gents – it's going to be a bumpy ride!

100 Peta Todd

Not only is Essex girl Peta gorgeous and well-blessed in the boob department, she also does a lot for charity. What a woman!

99 Sammie Pennington

One of our New Year's resolutions was to keep delivering hot girls, and here at *Nuts* we always keep our resolutions – so here's Sammie!

5 Nuts COVERS!

98 Orlaith McAllister

The *BB6* star and former Miss Belfast tells us she's a shopaholic. Orlaith, if you ever need help carrying your bags, we're there!

97 Claire Andrisani

This half-French, half-Italian babe is almost perfect. Shame about the two rubbish national football teams she has to choose from!

1 Nuts COVER!

38 Sara Folino

The Aussie star of *BB9* told *Nuts* that she once had sex in a park in broad daylight. Obviously, there were no barbecues to distract her.

4 Nuts COVERS!

37 Kayleigh Pearson

Not only is the Somerset saucepot the owner of a top bod, she's also a qualified gymnast – which means she must be great in... the gym!

36 Melanie Boorman

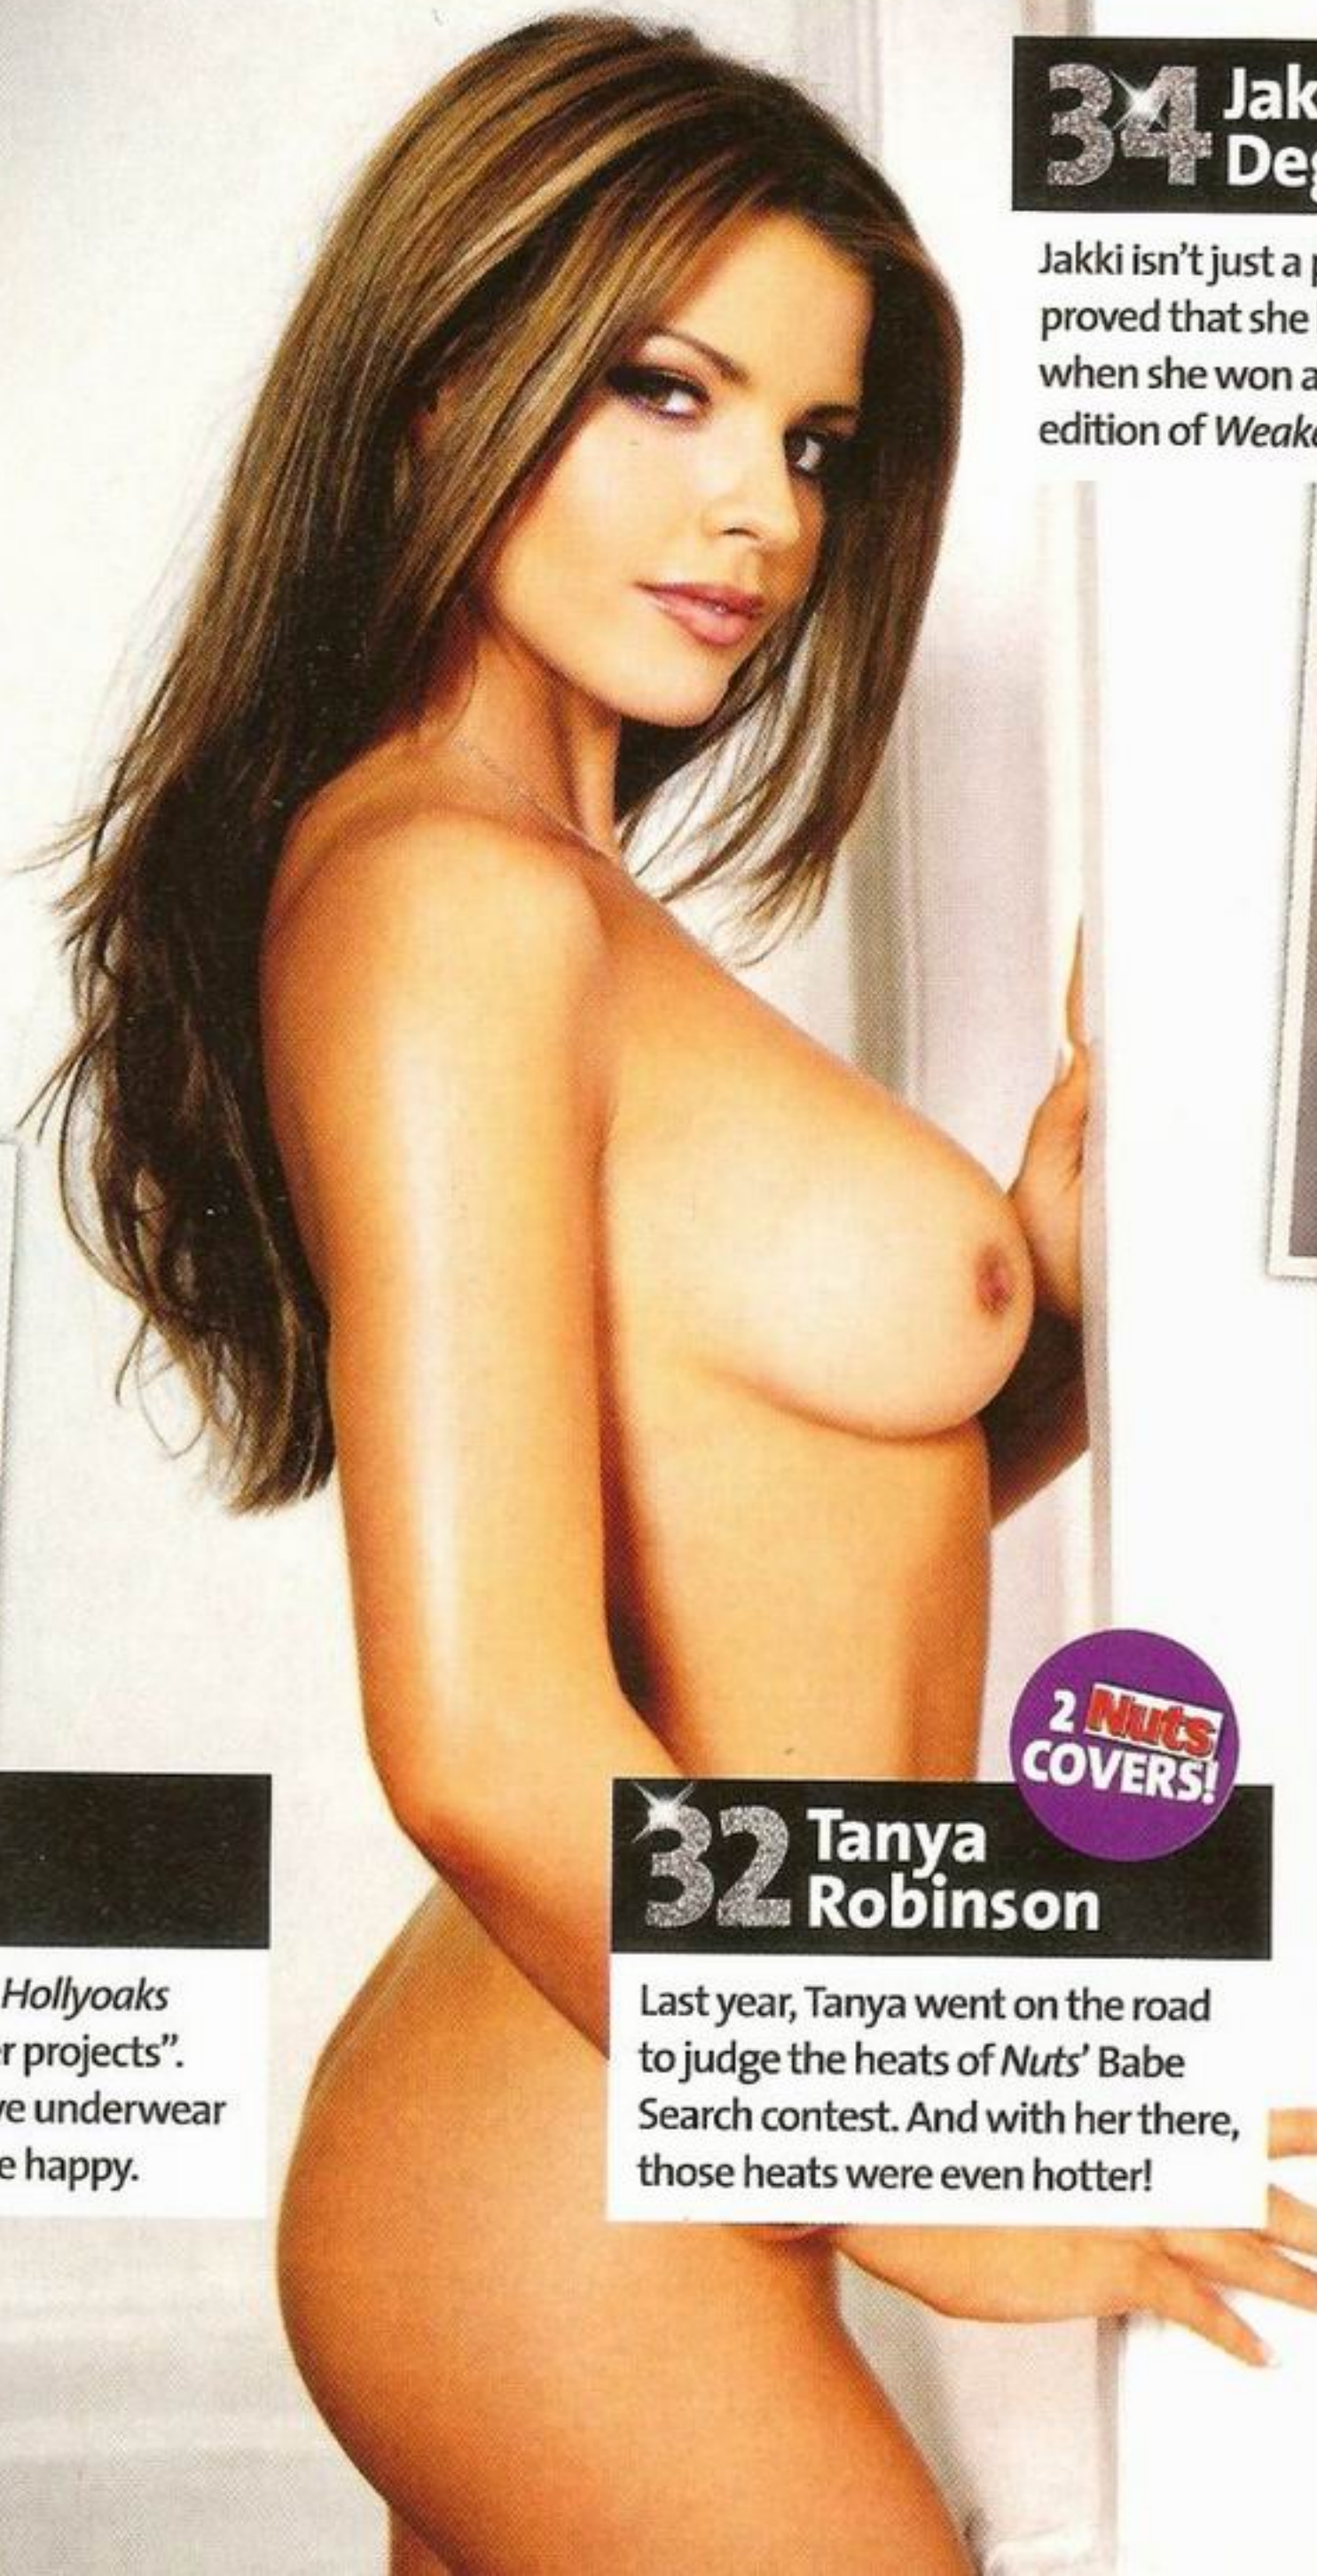

Interesting fact about Melanie – she used to be a bus driver! Even more interesting fact – she's a self-confessed bisexual. Blimey!

2 Nuts COVERS!

35 Michelle Bass

BB5 star Michelle was known for her liberal use of the word "chicken" on the show. When it comes to Ms Bass, we're definitely breast men.

2 Nuts COVERS!

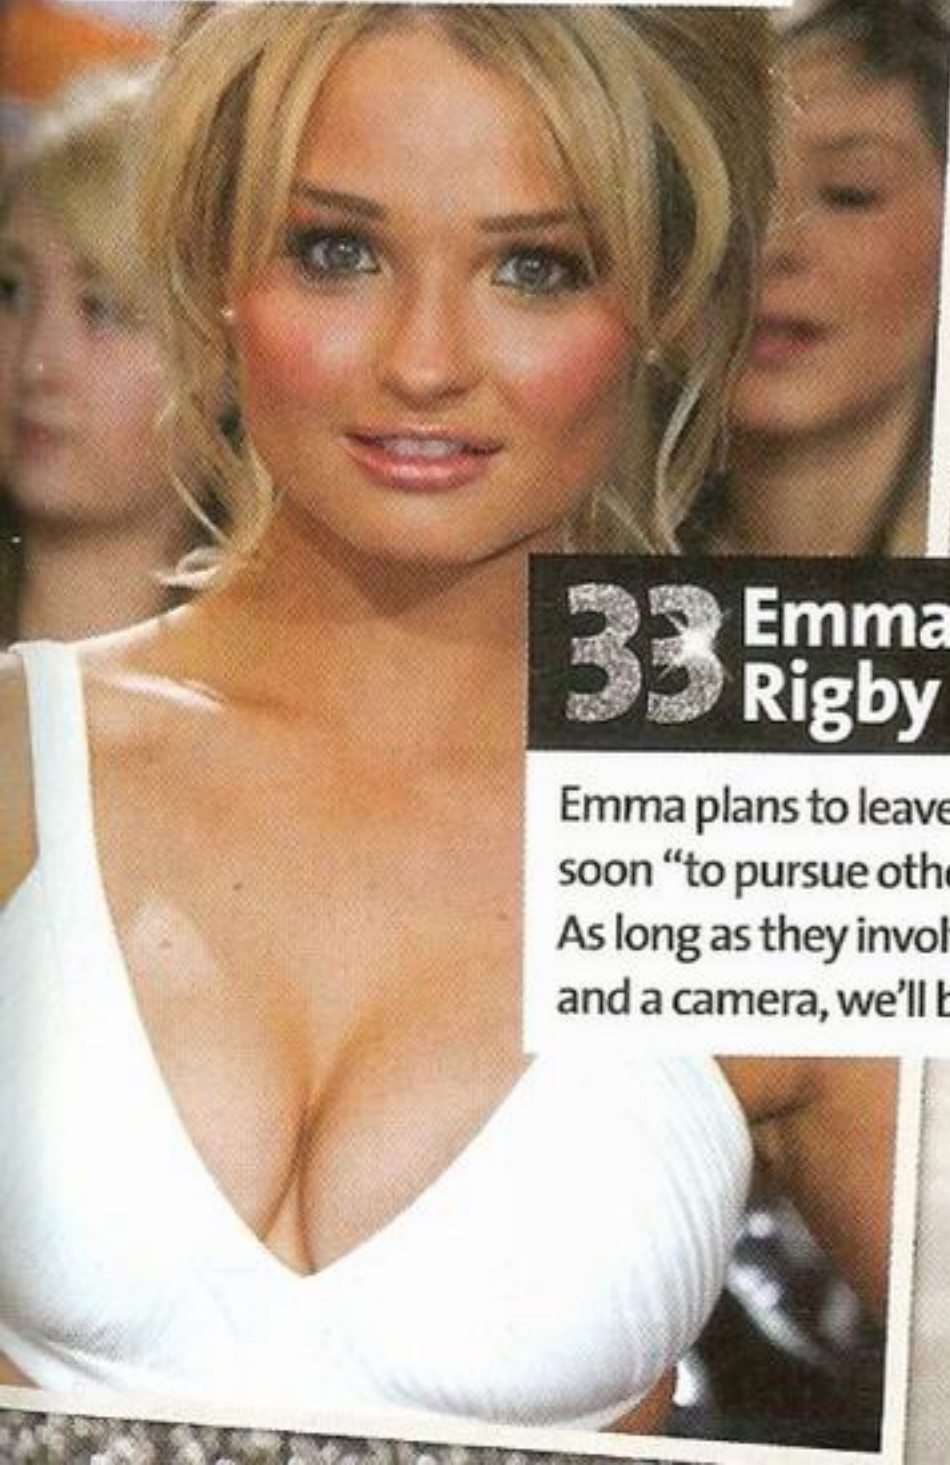

32 Tanya Robinson

Last year, Tanya went on the road to judge the heats of *Nuts'* Babe Search contest. And with her there, those heats were even hotter!

34 Jakki Degg

Jakki isn't just a pretty face – she proved that she has brains as well when she won a special "models" edition of *Weakest Link*. Clever girl!

33 Emma Rigby

Emma plans to leave *Hollyoaks* soon "to pursue other projects". As long as they involve underwear and a camera, we'll be happy.

31 Natalie Denning

Natalie made her name in reality TV show *Poor Little Rich Girls*, then made us all feel like we'd won the lottery when she stripped for *Nuts*!

96 Billie Piper

The *Secret Diary Of A Call Girl* star first found fame in 1998 with her single *Because We Want To*. But this show is more like what we want!

95 Grace Adams-Short

The *BB7* and *Cirque De Celebrité* sizzler may be Short by name, but she certainly doesn't fall short in the looks department!

94 Roxanne McKee

Raunchy Roxanne has just left her role in *Hollyoaks*. We hope to see plenty more of her on TV, though. She Rox our world!

93 Alex Sim-Wise

Who says red-headed girls aren't fit? Looking at TV presenter Alex's offerings, we reckon it'd be a very un-Wise judgement to make.

92 Carly Stratton

Stunning Carly was such a hit on *Shipwrecked: Battle Of The Islands*, we were thrilled to welcome her into the *Nuts* fold in April 2008.

91 Cara Brett

The mere thought of Lincolnshire lovely Cara in the nude is enough to keep any man warm on these long, wintry nights. She's red hot!

90 Kate Booth

You don't have to travel far to see two of the Seven Wonders of the World. They live in the East Midlands, under model Kate's bra.

89 Holly McGuire

Essex model Holly cites Pamela Anderson and Angelina Jolie as her idols. If only we could get the three of them in a shoot together!

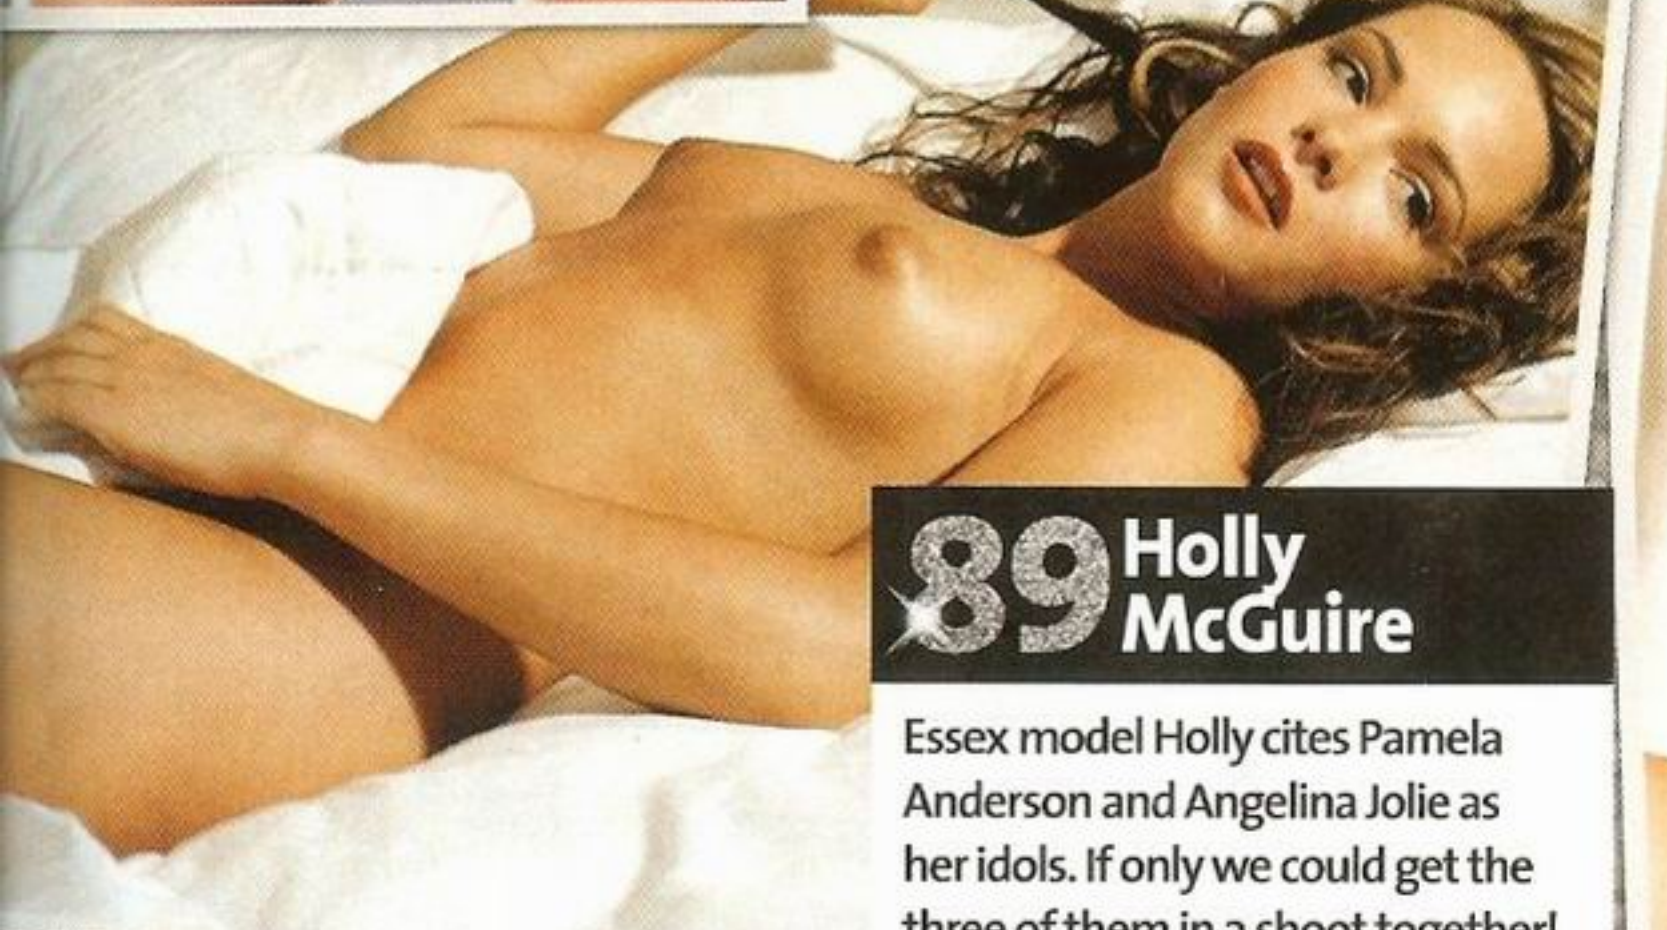

88 Lauren Pope

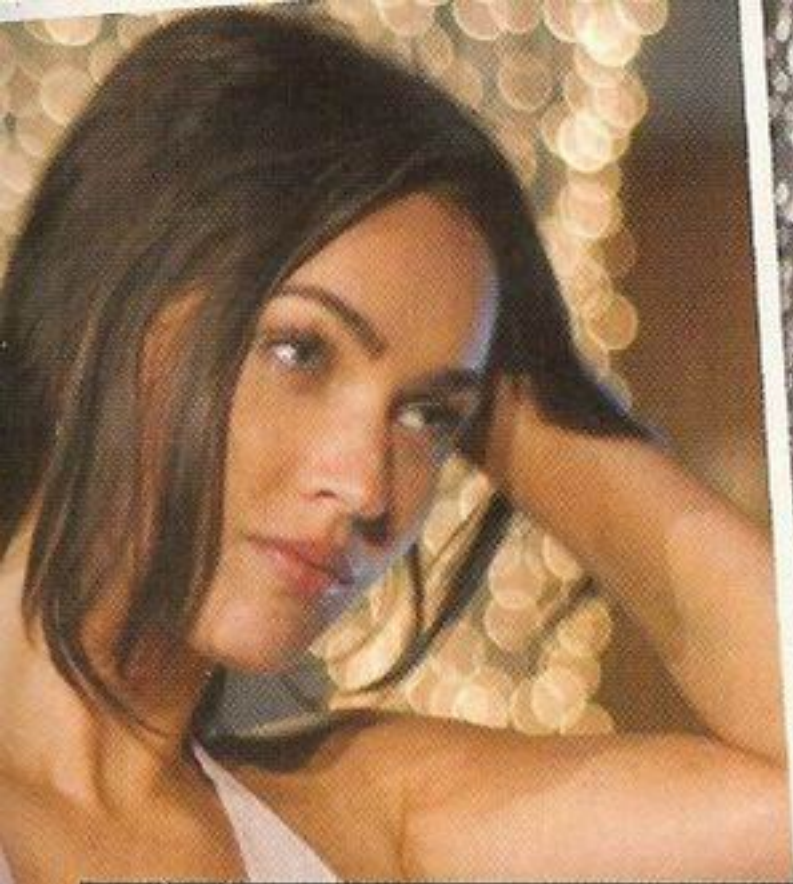

On reality TV show *Tycoon*, Lauren tried marketing hair extensions. By the looks of it, she doesn't need anything else extending!

87 Emily Parr

Bristol girl Emily was chucked out of the *BB8* house for saying things she shouldn't have. Telly's loss was our gain, as this shot proves!

86 Megan Fox

The *Transformers* actress is so eye-poppingly pretty, there isn't much point in writing anything here – chances are you won't read it!

85 Charlotte Mears

WAG extraordinaire Charlotte demonstrates here how she managed to snare ace footballer Jermain Defoe – the lucky swine.

84 Rhian Sugden

A blonde bombshell with a traffic-stopping top half, the best thing about Rhian is that we probably haven't seen the best of her yet!

2 Nuts COVERS!

1 Nuts COVER!

83 Jerri Byrne

Mancunian Jerri has starred in so many *Nuts* shoots, it'd be difficult to pick a favourite – but we reckon this one is right up there.

82 Jana Defi

"People tend to concentrate on my boobs," says Czech model Jana. That's because the last time we looked, they were massive!

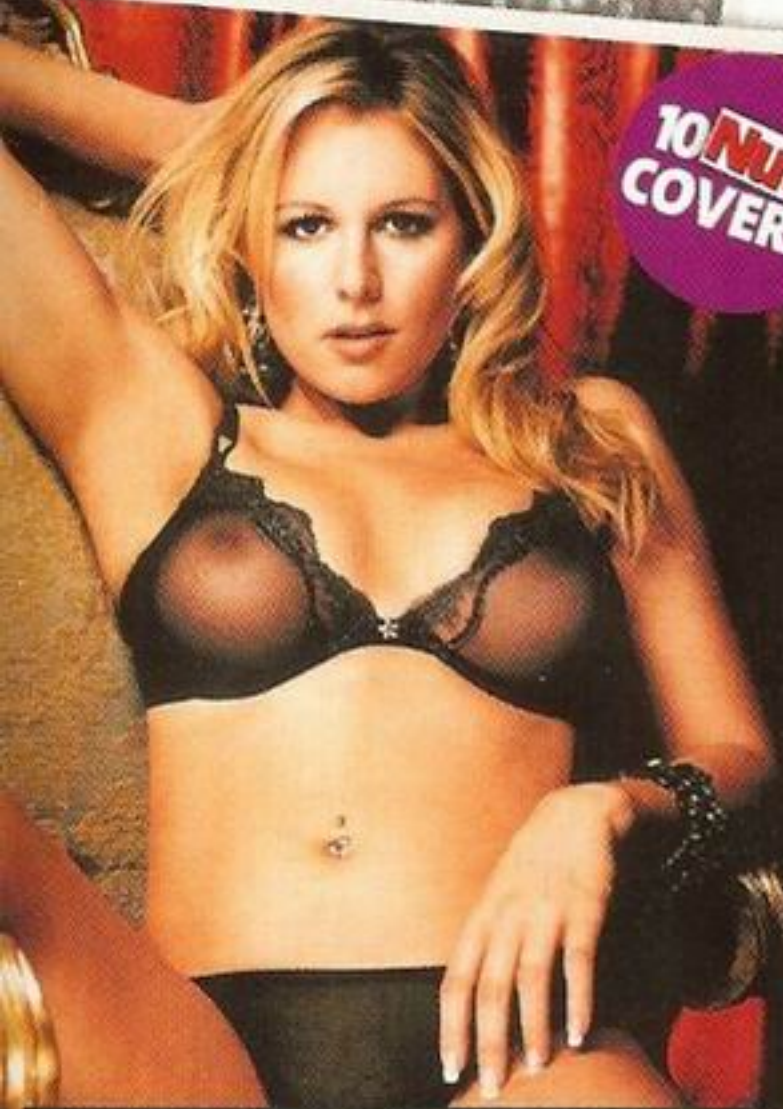

2 Nuts COVERS!

81 Natasha Mealey

Gorgeous Natasha first appeared in *Nuts* five years ago, but we're not tired of her yet – and we very much doubt that you are either!

80 Chantelle Houghton

Chantelle appeared on *Celebrity Big Brother* in 2006, pretending to be in a pop group called Kandy Floss. She's certainly very sweet!

10 Nuts COVERS!

79 Abi Titmuss

Once upon a time, Abi was *Nuts*' sex columnist, dishing out saucy advice to us lads. We couldn't have hoped for a better teacher!

78 Keeley Dean

The 21-year-old Londoner lists her favourite hobbies as "dressing up and sex". Notice how she suddenly looks even sexier?

1 Nuts COVER!

77 Paris Hilton

The hotel heiress has the lot – beauty, buckets of cash and a brilliant dislike for clothes. Shame she doesn't drink at our local.

76 Kimberley Walsh

Kim makes up one-fifth of Girls Aloud, the sexiest girl group ever – which, according to our sums, makes her... erm, very sexy indeed!

75 Lucy Becker

Lucy's always been a favourite here at *Nuts*. Could it be the piercing eyes, the generous chest or the sexy pout? We think it's all three.

74 Imogen Thomas

The best thing to come out of Wales since Ryan Giggs, the *BB7* star appeared in *Nuts* in June 2006 and made it the hottest summer ever.

73 Lianne Dauban

Set adrift from *Shipwrecked: Battle Of The Islands*, Lianne soon found a place in *Nuts* – and on bedroom walls across the land.

72 Jessica Simpson

Country singer Jessica may have gone off the radar a bit lately but, looking at this shot of her, we hope a comeback isn't far away!

71 Sylvia Barrie

The *BB9* beauty might have been evicted from the house fairly early, but she made up for it by getting rude in an exclusive *Nuts* shoot.

70 Sammy Braddy

Sammy's 32E bra-strainers prove what a brilliant feat of engineering modern underwear is. But even bras need a rest sometimes!

68 Jordan

Although she's hung up her boobs now, so to speak, only a fool would leave the voluptuous maiden out of a list like this. She's saucy!

3 Nuts COVERS!

66 Angelina Jolie

She may come across as being barking but Angelina is a) absurdly gorgeous and b) prone to getting her kit off – so we'll let her off.

65 Natalie Oxley

1 Nuts COVER!

Slender yet packing implausibly large boobs, Natalie is one of the biggest names of the *Nuts* era – and a blooming lovely lady with it.

69 Holly Willoughby

Holly caused a stir by wearing plunging necklines on ITV1's *Dancing On Ice*. Our only gripe was that they didn't plunge far enough.

67 Saskia Howard-Clarke

BB6 babe Saskia may well boast the greatest set of boobs ever seen in the *BB* house – and she unveiled them just for *Nuts*! Cheers, Saskia!

5 Nuts COVERS!

64 Vanessa Nimmo

Who could possibly forget the *BB5* hottie's formidable curves? Well, in case you have, here they are again in all their glory. Crikey!

63 Leilani Dowding

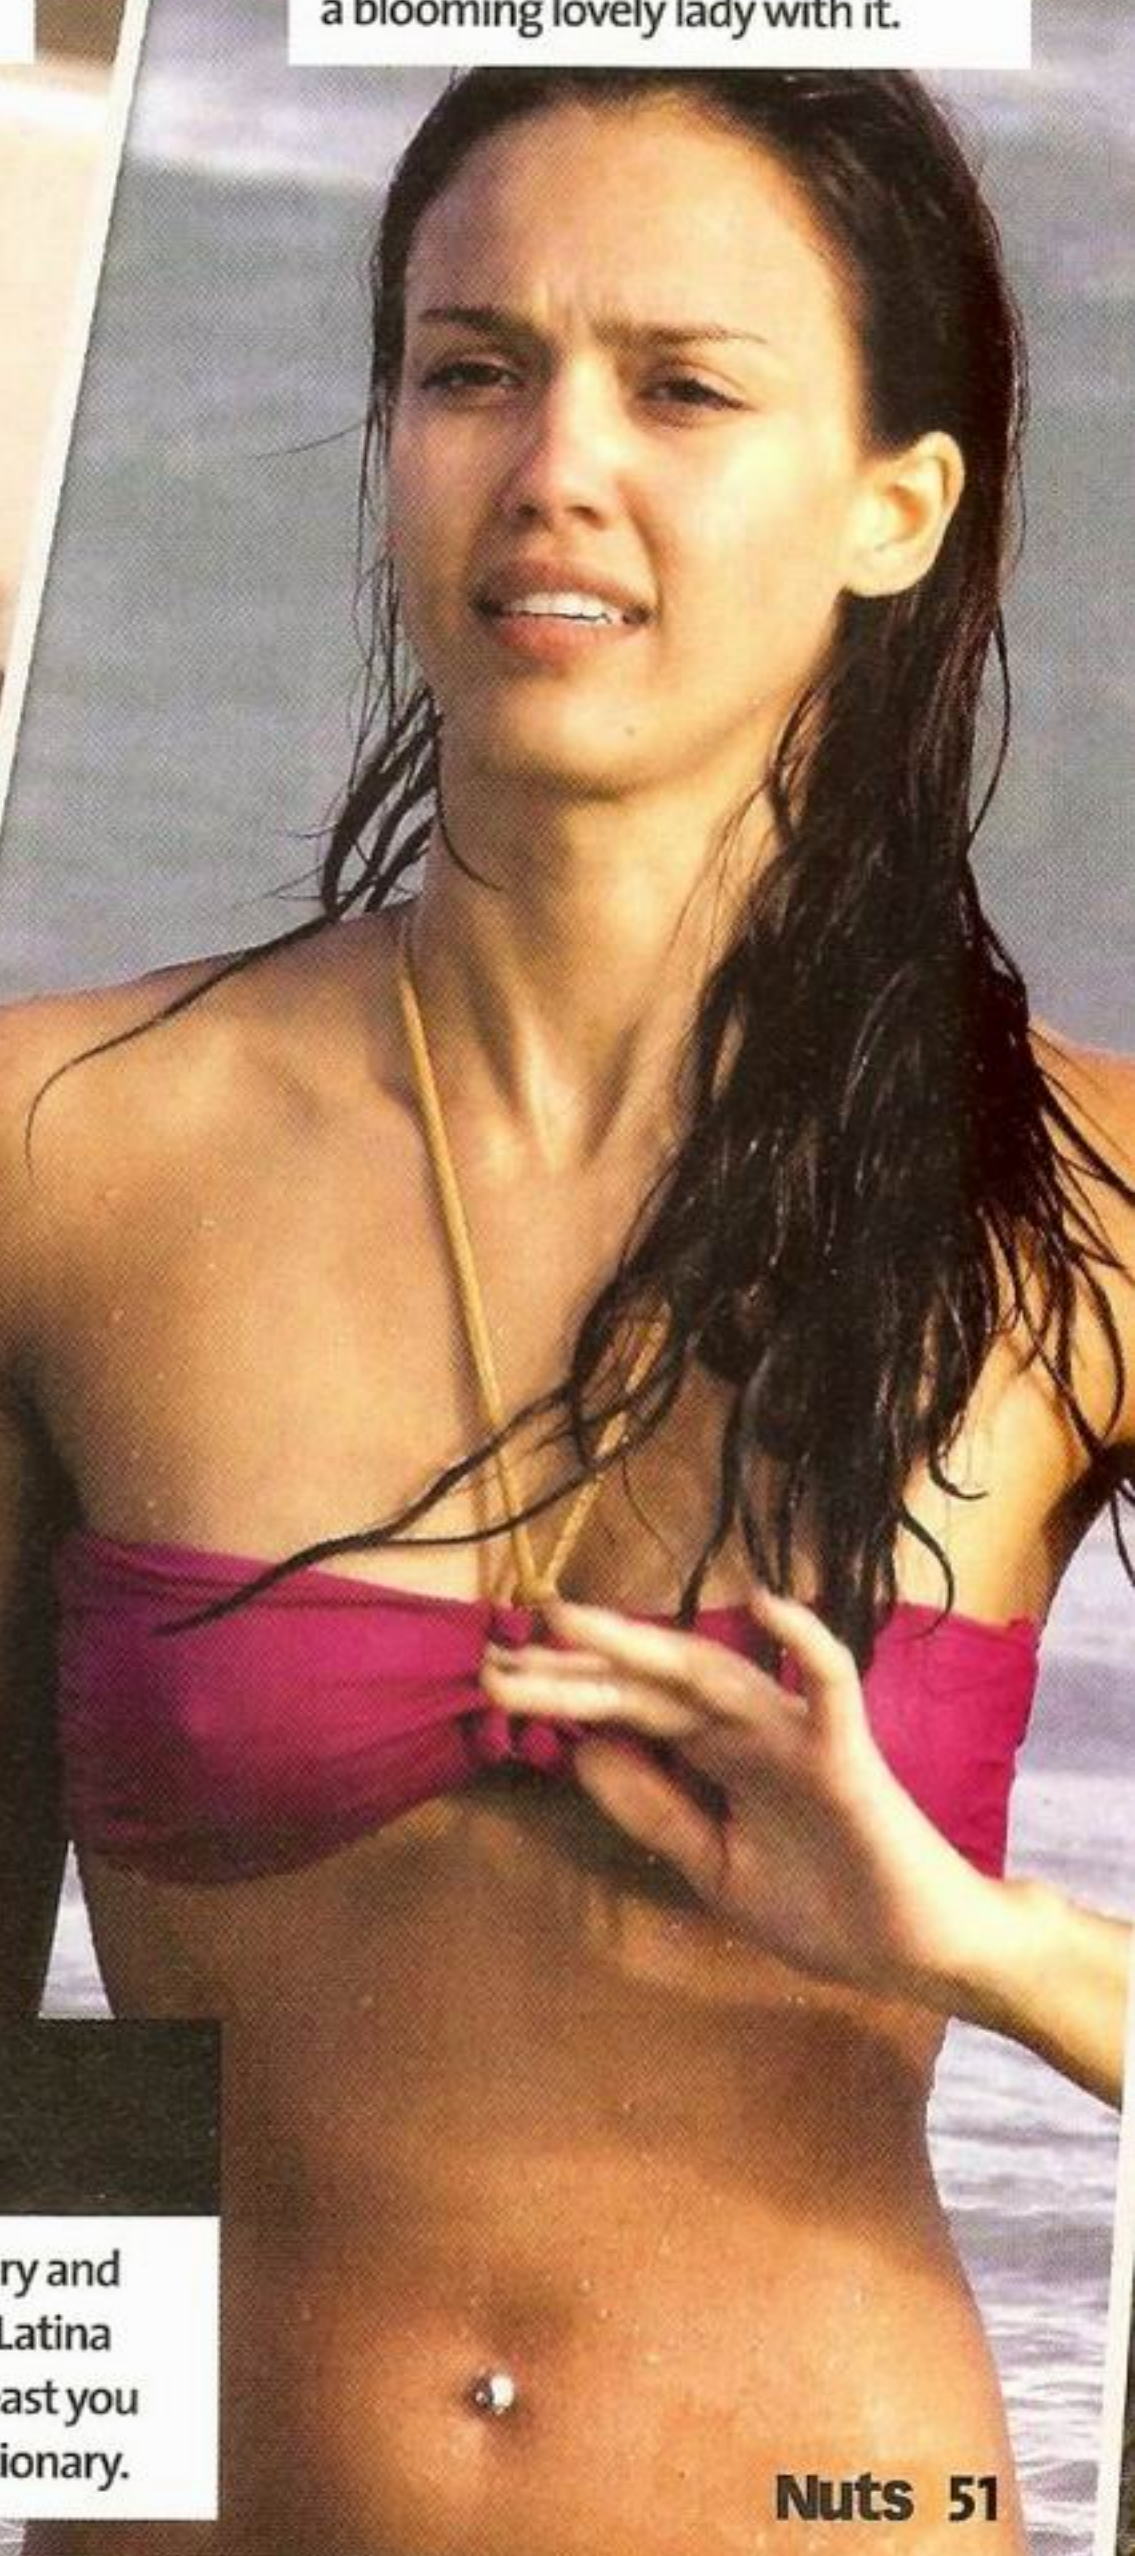

When Leilani signed up for *Celebrity Wrestling* and grappled with Victoria Silvstedt, the only thing missing was some baby oil.

1 Nuts COVER!

62 Jessica Alba

Look up "fit" in a dictionary and you'll find a photo of this Latina lovely in a tiny bikini. At least you would if *Nuts* made a dictionary.

3 Nuts COVERS!

61 Louise Porter

Louise went from TV show *Ladette To Lady* to the cover of *Nuts*, and further boosted her popularity by revealing her 34E boobs. Oh yes!

58 Carly Zucker

Joe Cole's fiancée has the sort of body that melts brains, and that's probably because she's a personal trainer. Where do we sign up?

2 Nuts COVERS!

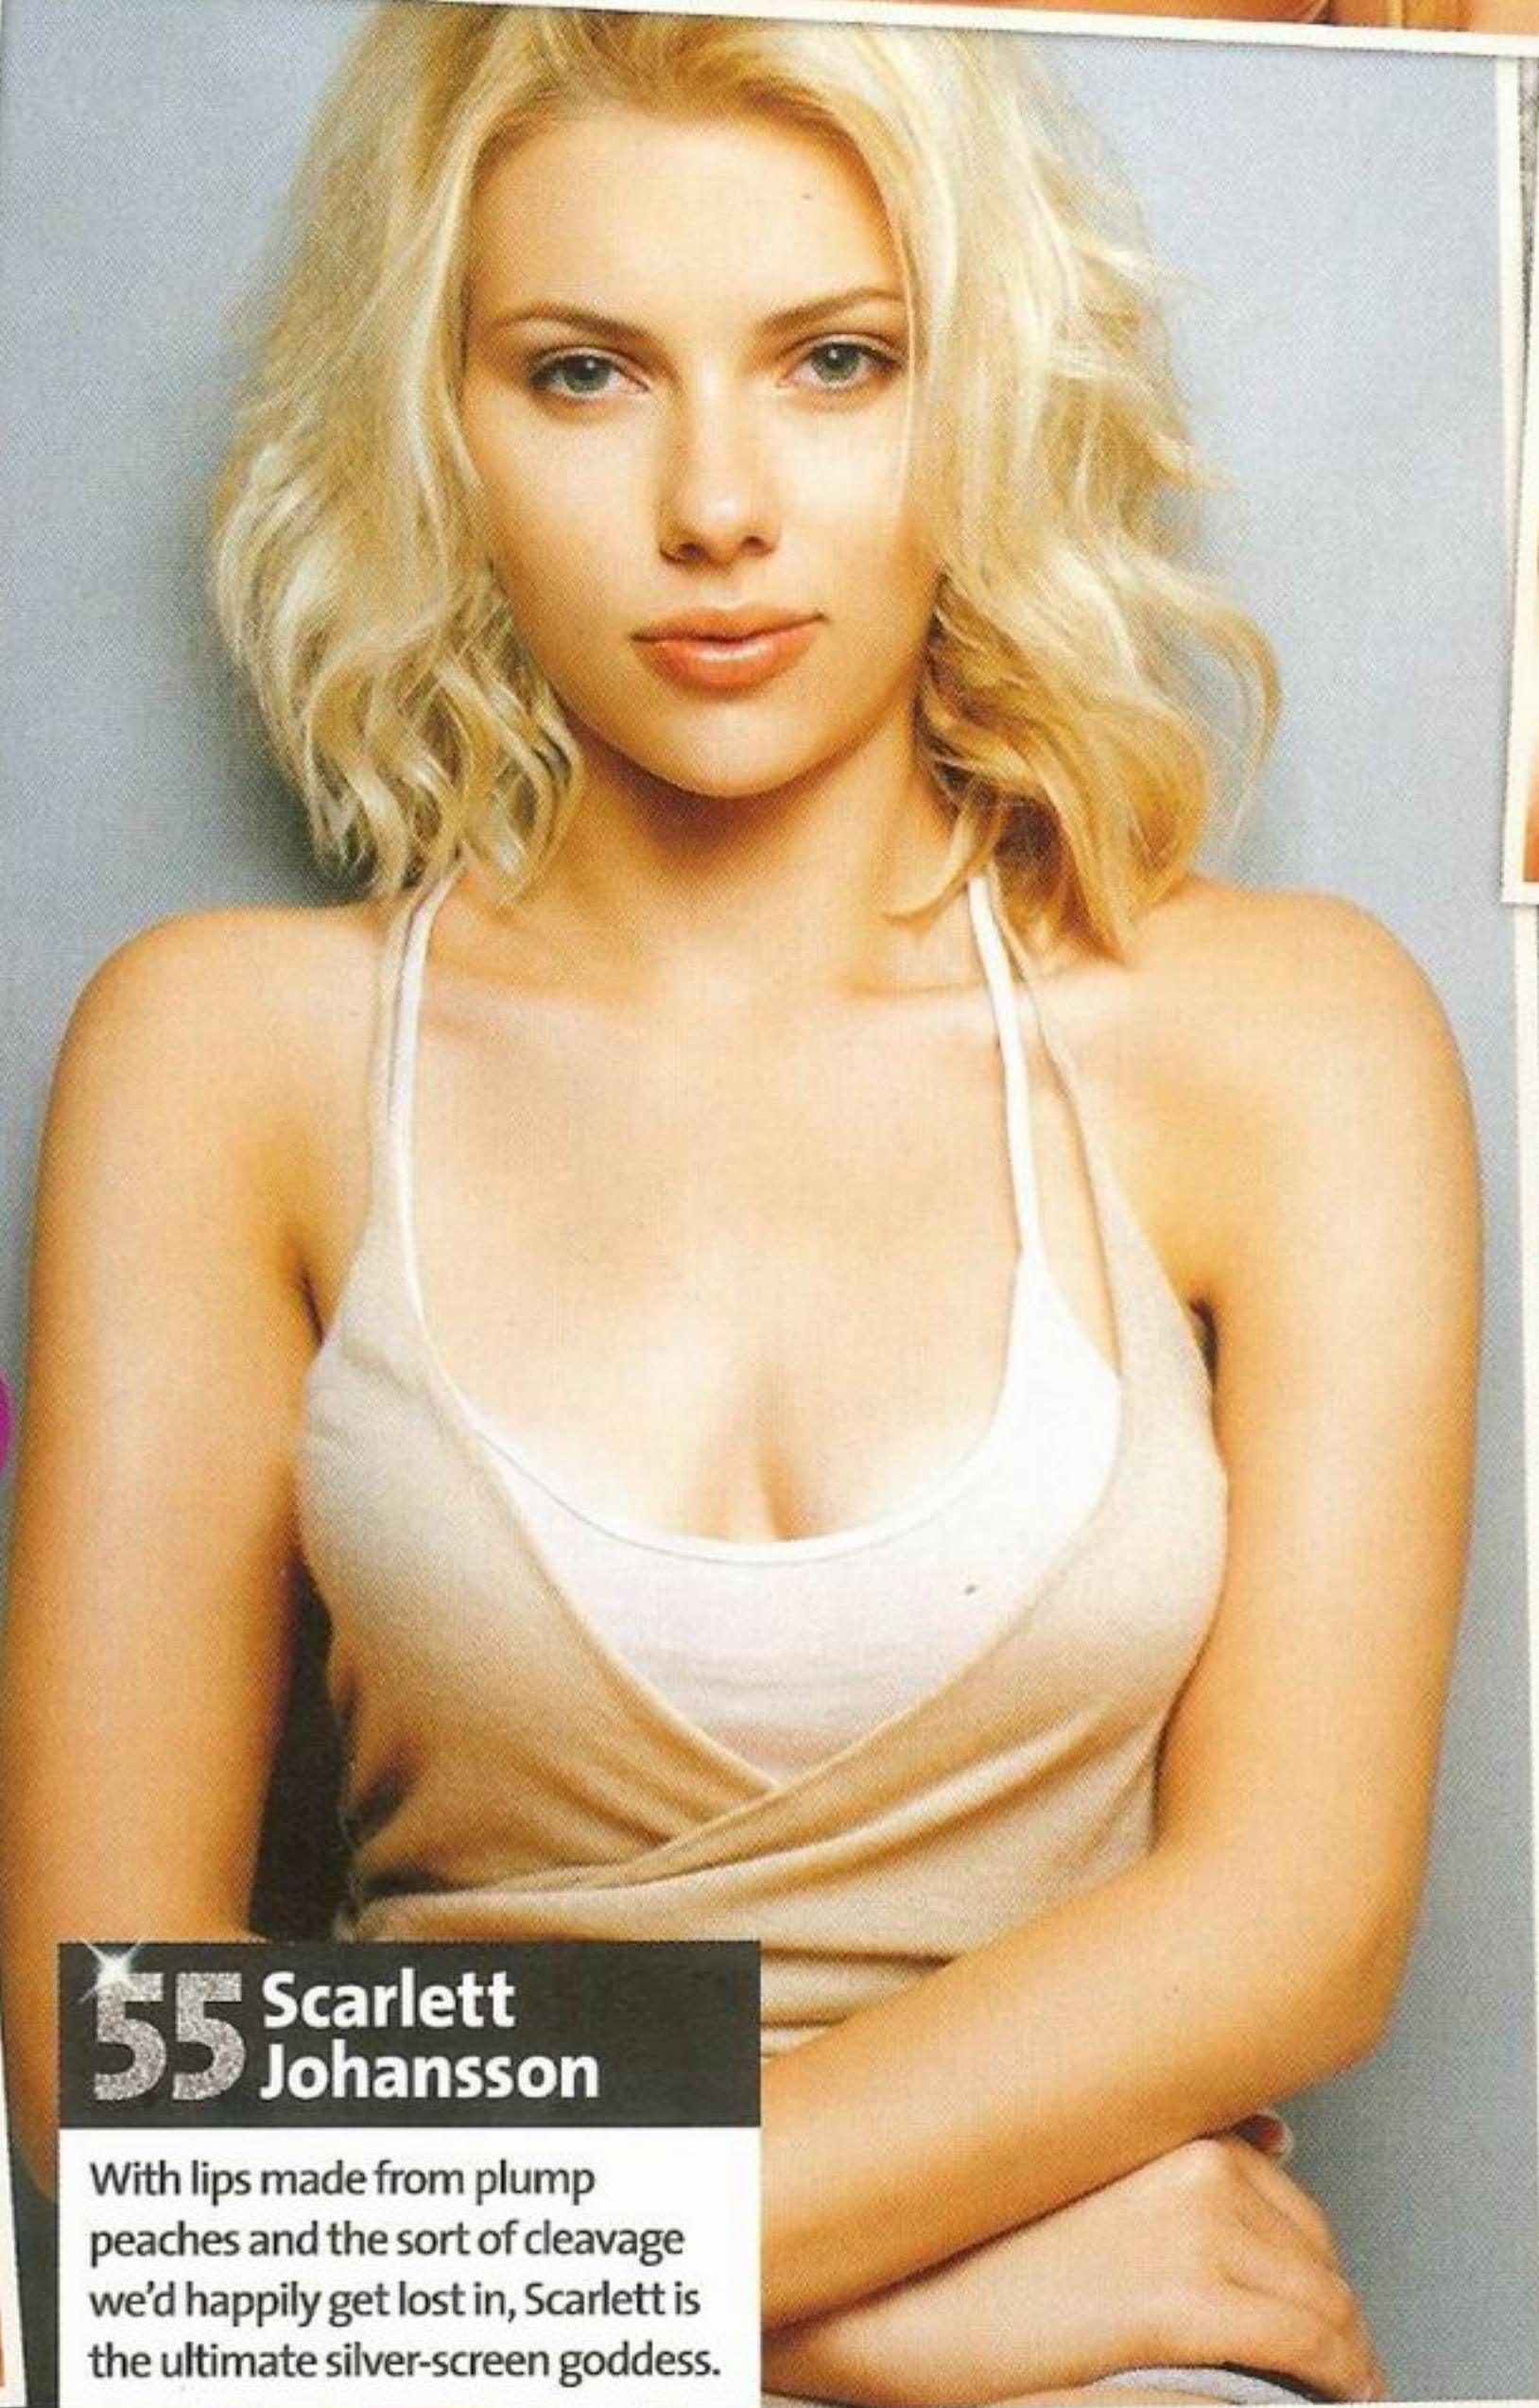

56 Naomi Millbank-Smith

The *Shipwrecked: Battle Of The Islands* lovely proved an instant hit among blokes who like girls pert and spectacularly good-looking.

60 Zoe Stollery

On her MySpace page, the mega-boobed model lists "flaming Lamborghinis" as one of her likes. We hope she means the cocktail!

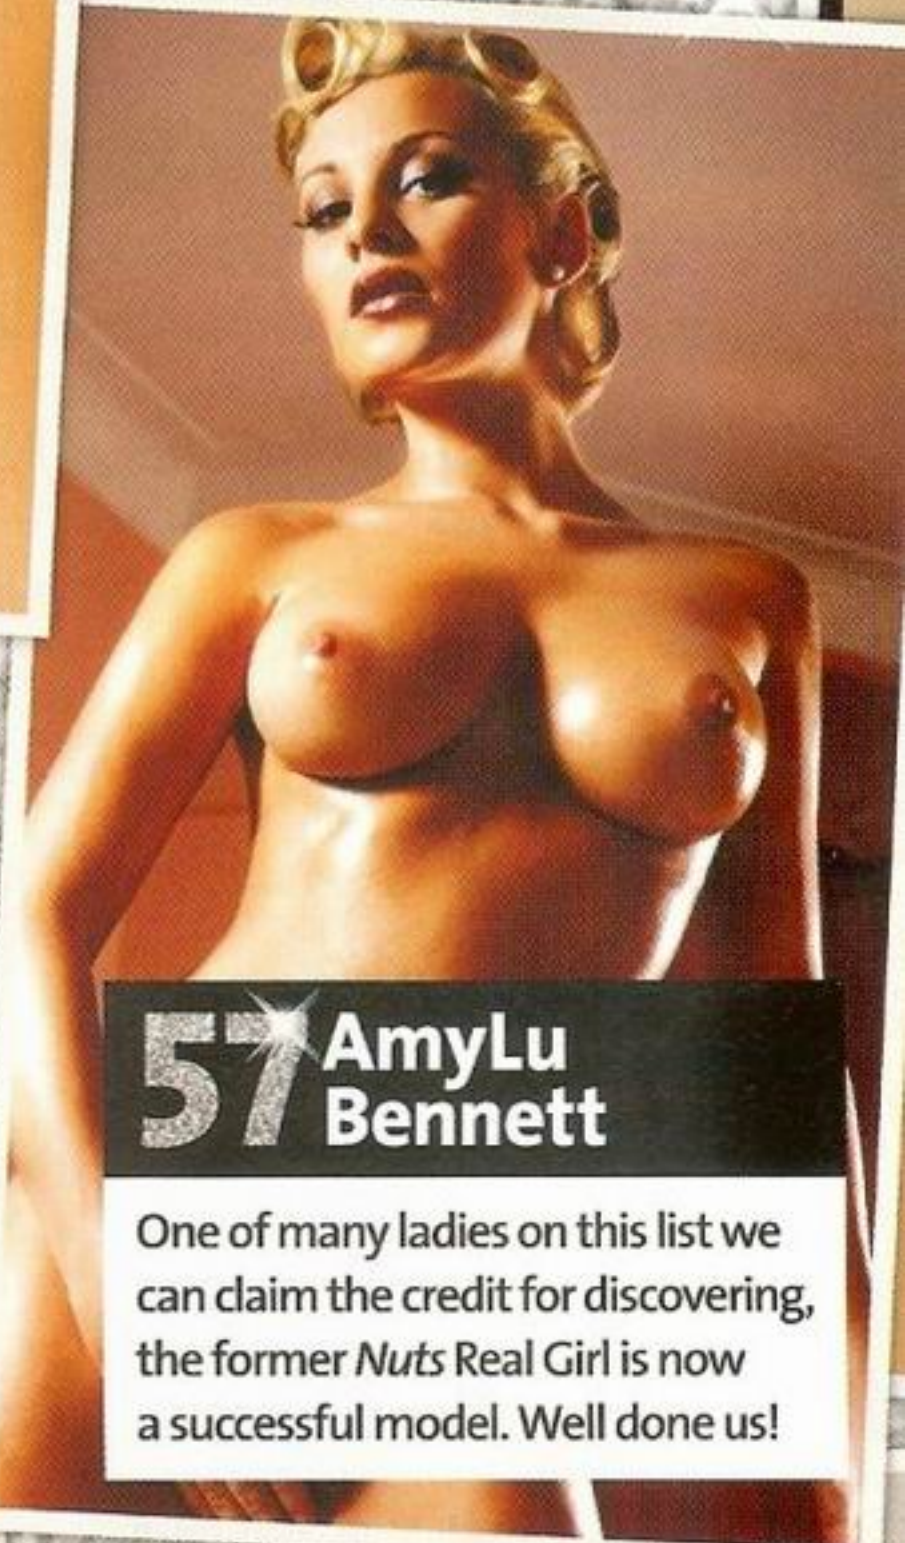

55 Scarlett Johansson

With lips made from plump peaches and the sort of cleavage we'd happily get lost in, Scarlett is the ultimate silver-screen goddess.

59 Coleen Rooney

Wayne Rooney will make a good manager one day, as he clearly has an eye for top talent with something special up front.

57 AmyLu Bennett

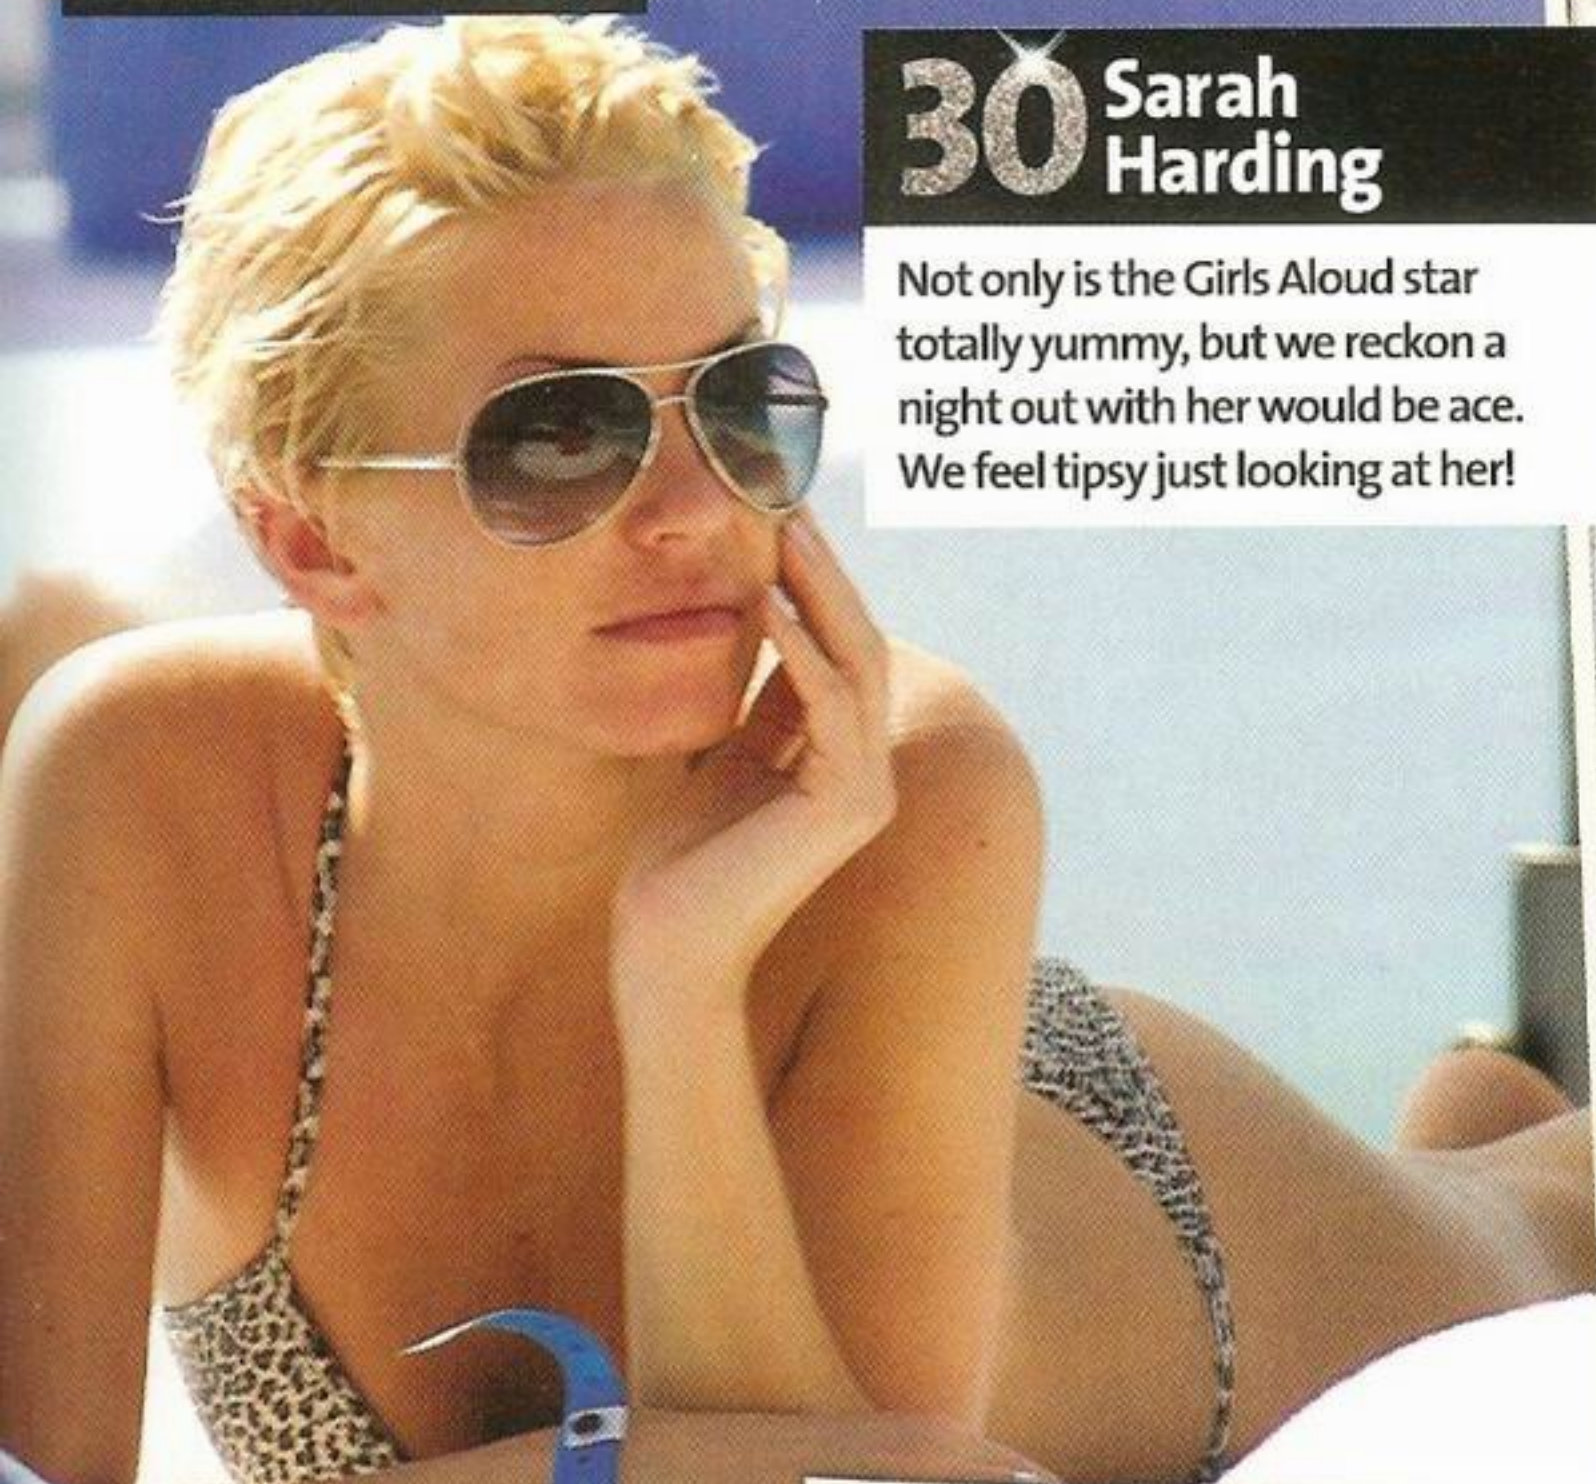

One of many ladies on this list we can claim the credit for discovering, the former *Nuts* Real Girl is now a successful model. Well done us!

1 Nuts COVER!

54 Elisha Cuthbert

The gorgeous girl-next-door once played a secret erotic movie star in a US comedy that proved very popular with blokes. Wonder why?

30 Sarah Harding

Not only is the Girls Aloud star totally yummy, but we reckon a night out with her would be ace. We feel tipsy just looking at her!

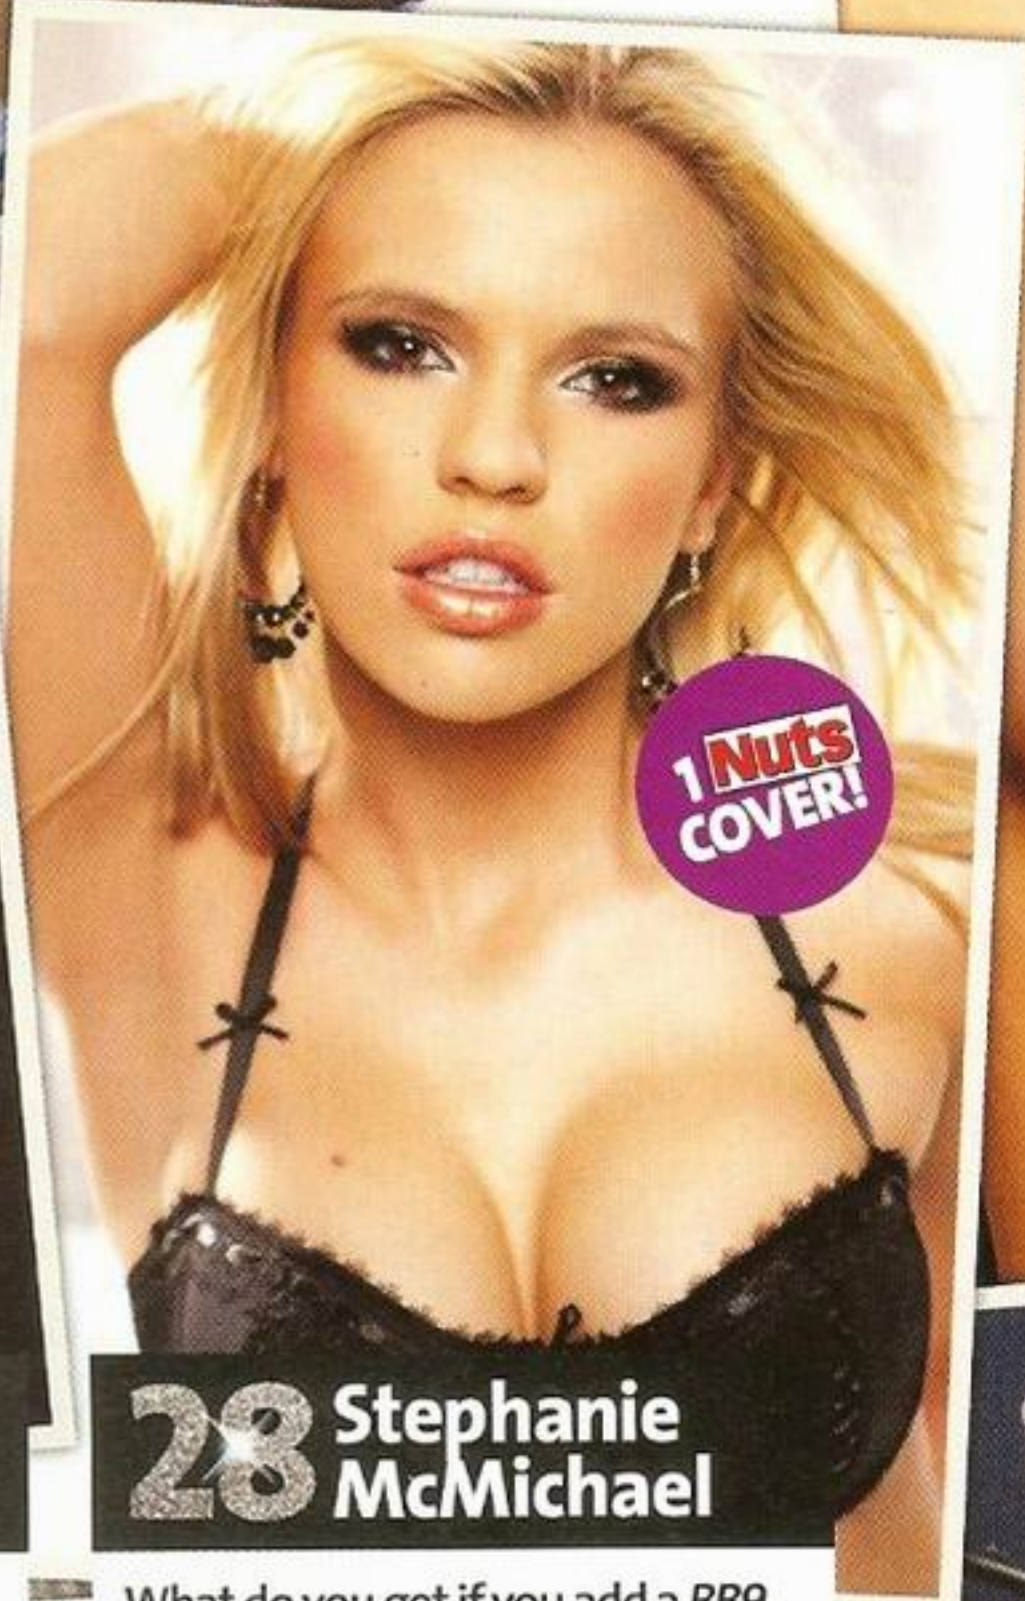

6 Nuts COVERS! **27 Katie Downes**

The little lass from Liverpool might be lacking in height, but she more than makes up for it with a rather spectacular set of bra-busters.

29 Malene Espensen

Malene once appeared in Sky1's *Brainiac* as "the nurse". We reckon she was perfectly cast – looking at her always makes us feel better!

28 Stephanie McMichael

What do you get if you add a BB9 contestant, a perfect pout and brilliant bouncy boobs? An amazing shoot in *Nuts* magazine, of course!

25 Pamela Anderson

She's the most famous blonde in the business and, as Borat once said, we'd love to put her in a sack and make marriage with her.

24 Louise Cliffe

Louise would be our ideal girlfriend. Not only is she a stunner of the highest degree, but she also loves all the *Rocky* movies!

26 Jessica-Jane Clement

The Sheffield lass appeared on the BBC's *Celebrity Scissorhands* show in November. Figures, really, as we reckon she's a cut above.

53 Sophie Reade

We know it's a bit naughty to stare at a lady's breasts but when they're this perfectly formed, it's blooming difficult not to!

52 Amy Green

The best thing to come out of Yorkshire since Yorkshire pud, this former health worker made us all feel better when she went topless.

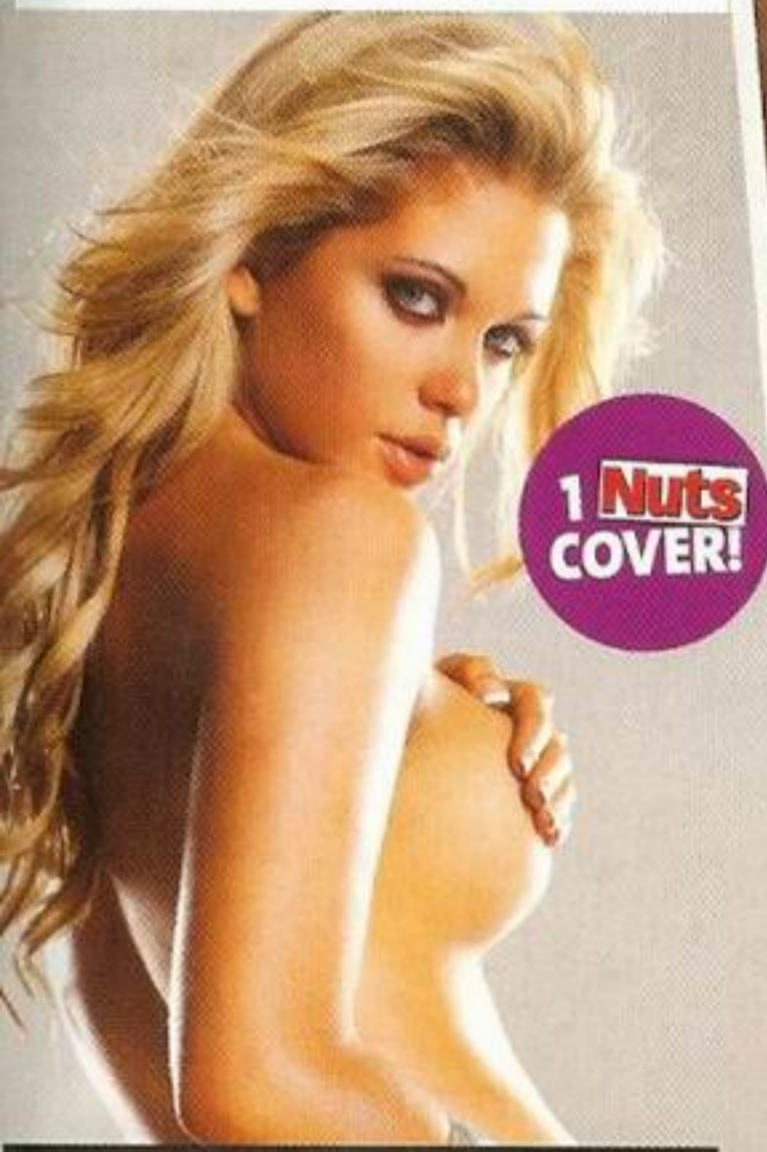

51 Nikkala Stott

When she's not modelling, Nikkala pulls pints in a pub in Birmingham. We hazard a guess that it's packed whenever she's working there!

50 Carmen Electra

The American babe appeared in spoof horror flick *Scary Movie*, but we preferred her when she was in *Baywatch*. She wore fewer clothes!

1 Nuts COVER!

49 Bianca Gascoigne

After treating herself to a 34DD boob job, the reality TV babe can no longer find a bikini big enough to fit her. Let's hope she never does!

48 Aisleyne H-Wallace

The *BB7* beauty played a zombie in *Dead Set*, a TV drama set around the *BB* house. She also seems to be dead set against wearing clothes!

2 Nuts COVERS!

4 Nuts COVERS!

47 Amy Diamond

Sexy Amy tells *Nuts* that her favourite party trick is popping her boobs out to shock the boys. Next time we have a party, she's invited!

23 Sienna Miller

Any girl who can make us sit through a rubbish movie like *Alfie*, just so we can see her naked, clearly possesses considerable talents.

21 Jennifer Metcalfe

Bradford-born Jennifer plays Mercedes McQueen in *Hollyoaks*. And like the posh German car, you have to admire her bodywork.

19 Gemma Bissix

Before she became a *Hollyoaks* star, this blonde beauty measured women's boobs for bra fittings at M&S. Sounds like our dream job!

18 Nell McAndrew

Nell is so fit, she's completed two London Marathons. We reckon even we could manage it if she was waiting for us at the finish!

16 Katie-Marie Cork

When she started modelling, Katie worked at a theme park, where, she says, she gained experience in giving men the ride of their lives.

22 Kitty Lea

When we asked Kitty what the best part of her body was, she said her lips – which surprised us, until she told us what she can do with them!

20 Jennifer Clark

The *BB9* babe bought herself some new DD boobs after she left the house and memorably revealed them in *Nuts* the following month.

17 Michelle Marsh

Lucy Pinder's best mate has it all – blonde hair, huge boobs and a ready-made excuse to fondle Britain's other most famous model!

TOP 100 BABES

46 Sophie Anderton

This leggy lovely is as comfortable in the nude as we are in our tracky bottoms and hoodie. No prizes for guessing who looks better.

1 Nuts COVER!

45 Nicola McLean

There were two very good reasons for tuning into the last series of *I'm A Celebrity...* and we're not talking about George Takei and Joe Swash.

1 Nuts COVER!

44 Hannah Kay

Now and again, a girl comes along who stops us in our tracks with her good looks and turns us into a gibbering wreck. You still there?

41 Lily Allen

The mouthy singer made us all smile when she suffered a record number of nip-slips in 2008, before shedding her top altogether!

43 Becky Rule

According to the saying, rules are made to be broken – but when the Rule in question is the lovely Becky here, it wouldn't be the done thing.

42 Leah Francis

Nuts newbie Leah says she wants a threesome with another girl and is just looking for a lucky bloke to complete the equation. Splutter!

40 Lindsay Lohan

We have a lot to thank Calum Best for because after Lindsay shared adult hugs with him, she turned to lady-love. Nice one, Calum!

39 Imogen Gray

Last year, Imogen posed in her bikini in the freezing cold and painted *Nuts* man with Marmite. She's bonkers but we love her!

TOP 100 BABES

8 Nuts COVERS!

15 Kelly Brook

The original girl-next-door gave us all hope when she dumped that bald Yank bloke this year. Then she began dating Danny Cipriani. Bah!

1 Nuts COVER!

14 Rosie Jones

After making her *Nuts* debut this year, Rosie told us she'd like to do a topless shoot on a rollercoaster. That'd be a ride worth queuing for!

12 Gemma Merna

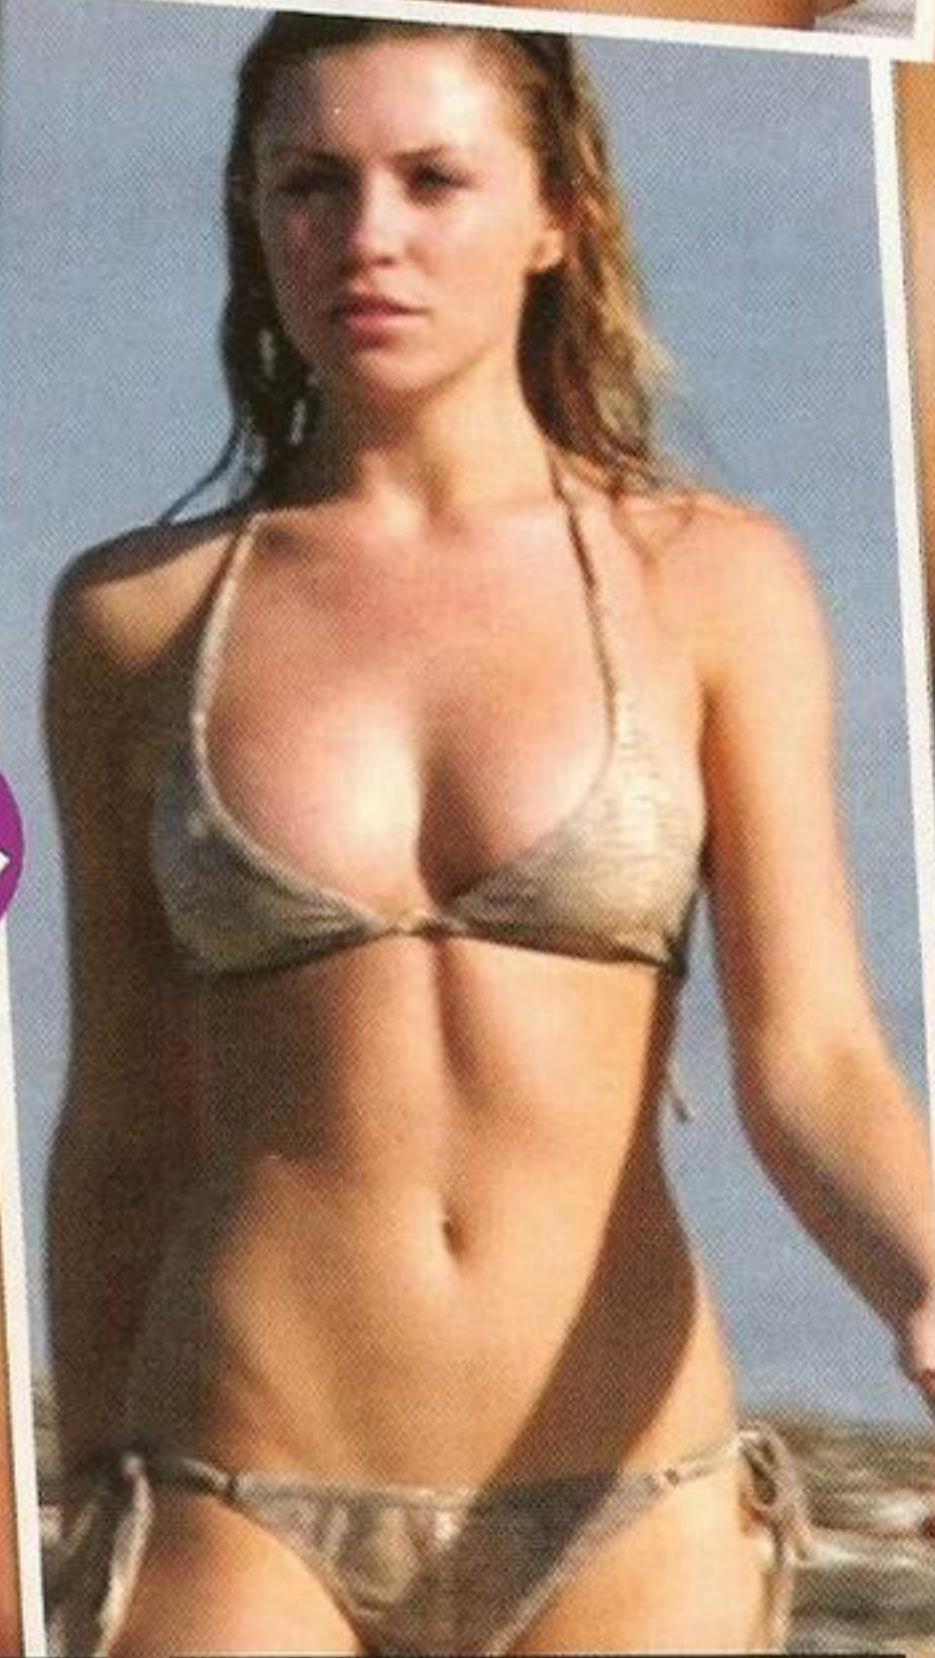

Another *Hollyoaks* stunner who went on to appear in *Nuts*. Well, it saved us waking up on a Sunday morning to appreciate her assets!

1 Nuts COVER!

11 Lindsey Strutt

Doncaster lass Lindsey's crowning glory was when she flew to Iraq with *Nuts* to visit Our Boys in 2007. Never had morale been so high!

10 Abbey Clancy

When asked what he'd be if he hadn't become a footballer, Abbey's bloke Peter Crouch replied "a virgin". If only we'd kept up football!

13 Kaylee Carver

Kaylee was a struggling student before we discovered her. Now she's making men happy and living on more than just baked beans!

5 Nuts COVERS!

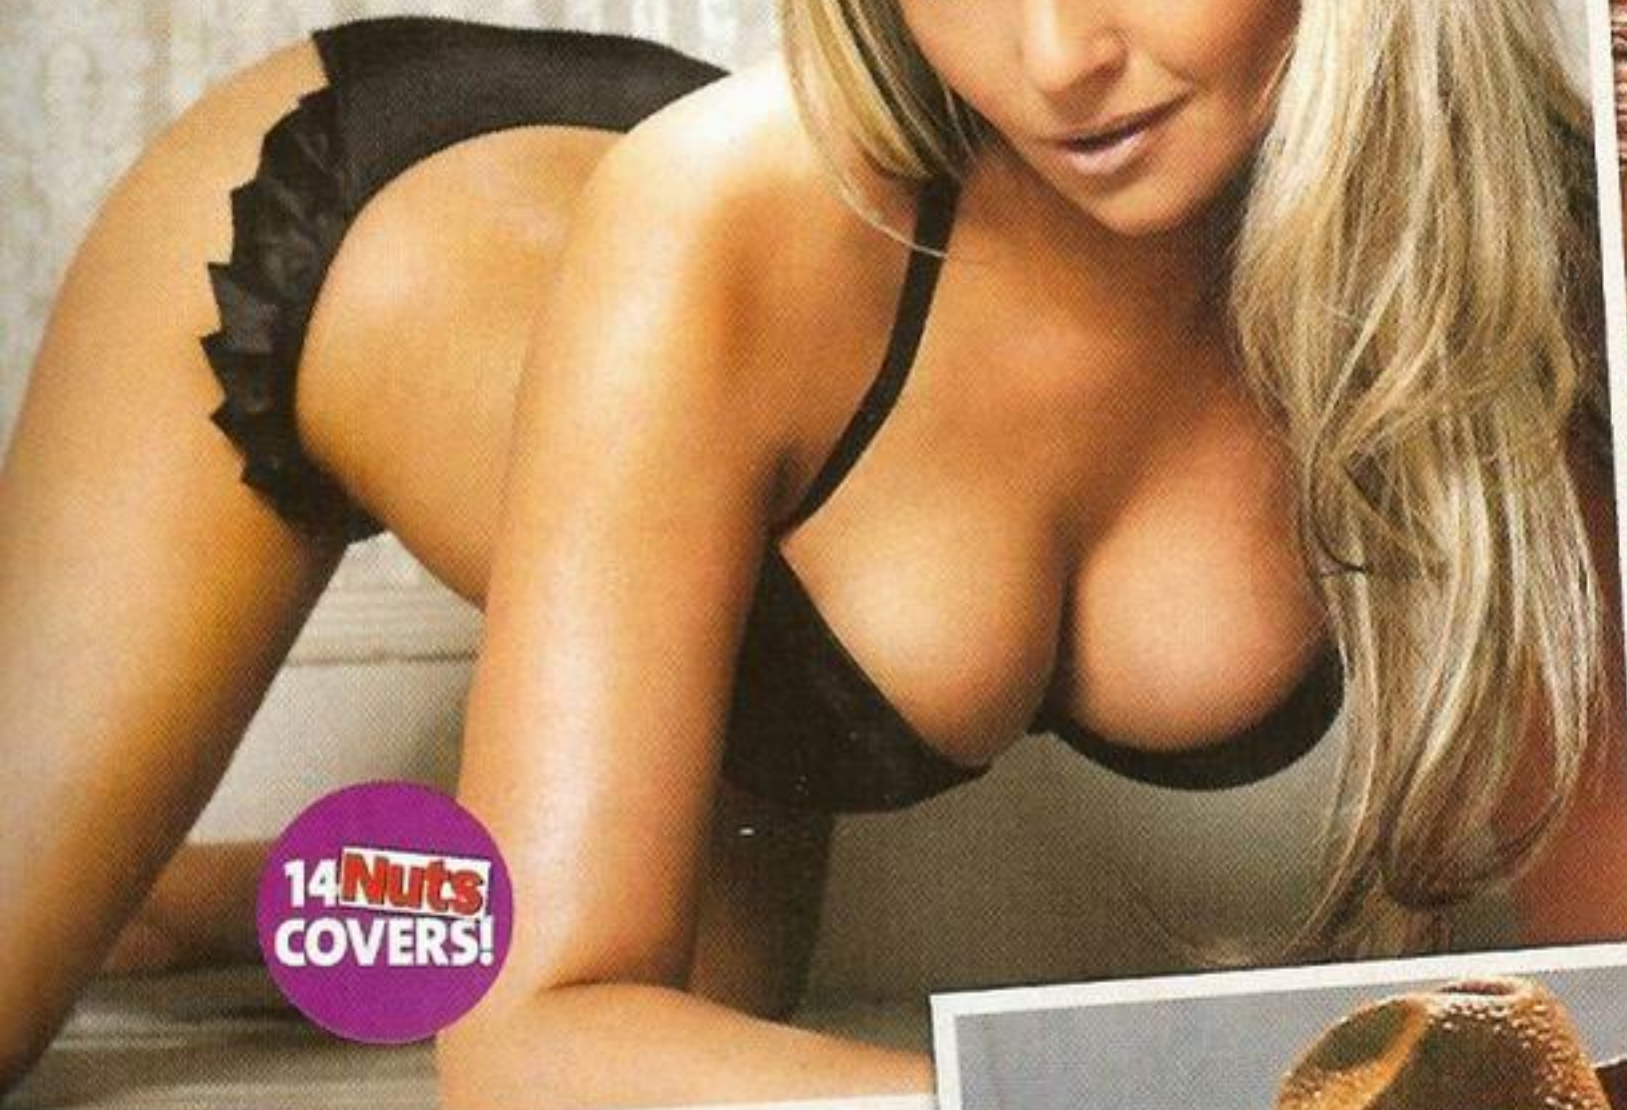

9 Keeley Hazell

Keeley made her singing debut last year with her single, *Voyeur*. We can't remember how it went - we were too busy looking at the video.

CELEBRITYPICTURES.CO.UK, POPSTARRPICTURES.CO.UK, CAMERA PRESS, SOLARPI...

14 **Nuts** COVERS!

6 **Nuts** COVERS!

7 Eva

When the Polish goddess signed for *Nuts* in January 2008, she told us she wanted to have sex on a motorbike. So we bought one!

8 **Nuts** COVERS!

6 Gemma Atkinson

Formerly "that girl with huge boobs in *Hollyoaks*", Gem is now better-known as "that girl with huge boobs in *Nuts*". We love her!

8 **Nuts** COVERS!

5 Chanelle Hayes

Since Chanelle's *Nuts* debut, the question we've all been asking is: when will she go topless? Could 2009 be the year? Stay tuned!

3 Danielle Lloyd

The 32DD former Miss Great Britain is yet another impossibly big-boobed Liverpudlian lass we'll never tire of gazing at.

TURN OVER TO DISCOVER THE SEXIEST NUTS BABE EVER!

WINNER!

1 Lucy Pinder

The busty brunette from Bournemouth is to *Nuts* what Cristiano Ronaldo is to Manchester United – quite simply the very bestest in the business. With more *Nuts* front covers than any other girl in history (29), it's no surprise that Lucy came to us when she wanted to unveil her boobs for the first time. Truly a *Nuts* legend, Lucy Pinder just had to be our pick for sexiest *Nuts* babe ever!

“Do you like my two big disco balls?”

**THE
SEXIEST
NUTS BABE
OF ALL
TIME!**

Hi Lucy! Incredibly, this is the 29th time you've graced the *Nuts* cover in the last five years – how do you feel? Wow! I had no idea it was that many! I feel privileged and very proud to be so popular with the *Nuts* readers. I started modelling at about the same time *Nuts* started in 2004, so I feel like we've grown up together!

What's the sexiest shoot you've done for us? I'd say it was the first ever shoot I did with my boobs fully out. People had been waiting a long time to see The Pinder's nipples, so I enjoyed that day when I could finally show all to *Nuts*!

All the shoots with Michelle Marsh were great as well – there was so much boob-touching going on!

And what's the naughtiest thing you've ever got up to at a *Nuts* shoot? The overseas trips have always been fun, as we've been able to get our kit off on beaches and in lots of nice hot public places. →

Strictly Come Dancing
had improved since
he'd last watched it

What do you remember about your first ever *Nuts* shoot? I think I was lying on my stomach a lot, wearing some silky knickers and a corset. I had really wavy hair as well. I don't recall being shy. Everyone was so chilled and nice to me that I couldn't wait to get my kit off!

What would be your fantasy shoot for *Nuts*? I'd like to do a burlesque striptease shoot where I could dress up in lots of naughty lingerie and curl myself around a pole! Other than that, I'm always up for taking my clothes off on the beach!

We'll see what we can do! So who's the naughtiest other *Nuts* girl you've ever done a shoot with and why? Sophie Howard's very naughty indeed! She has this really cheeky way about her, which I like. She's always up for some boob touching as well, which I'm very happy about, as hers are really amazing!

What is it about you that makes *Nuts* readers love you more than any other girl? I don't know, but I think *Nuts* readers like the fact that all of us are just normal girls you could talk to, which isn't the impression you get from some famous women.

How are you going to celebrate your status as number one *Nuts* girl? I'm just going to do even more *Nuts* shoots that are sexier than ever!

As we're five years old, what present would you give *Nuts* and why? I'd buy you a birthday cake so big that you couldn't even get it in the building! Inside would be me and loads of other girls, who'd jump out and give kisses to everybody in the office! Then I'd get you a crate of beer and a Lucy Pinder calendar.

What's your favourite thing about *Nuts*? It's got the best boobs and the best girls, and it always cheers me up – even when I'm not in it!

Will you appear in our tenth birthday special? I hope so! I'm going to carry on getting my clothes off for *Nuts* until the readers say they don't want me any more. I'm hoping that's a long way off, though, as nothing makes me happier than working for *Nuts* – it's been a pleasure to model for you! And if my boobs could talk, they'd say how proud they are to be in *Nuts*, too! ■
