## Nuts gives England a cold shower!

We help Fabio's boys resist those "unclean desires"!

**H**ad there been a World Cup for misbehaviour this summer, England would've walked it, given the recent tabloid allegations against the boys in white.

So we decided to give them what they clearly need – a cold shower! With the help of the lovely Kelly and Danni, we delivered one to Wembley. Now, the moment one of England's finest feels like getting frisky with the wrong lady, he can hop in and – as our demo here proves – within three seconds be colder than a polar bear's privates!

# 'Footballers believe they can do anything!'

Ex-pro Dean Windass tells us what it's like inside football's sex-fuelled world!

**NUTS LEGEND!**

## Too much, too young

"It's not about the football for a lot of these lads – they care more about the cash and the lifestyle. Before I was a footballer, I earned £140 a week on a building site. Then, when I signed my first contract at Hull, my wage went up to £250. But I'd have signed for £50 – I loved the game that much! Nowadays, you see these lads with their fancy BMWs, having achieved f\*\*k-all yet. Everything just comes that little bit too easy."

## Players live in a bubble

"When you earn so much money, normal rules of behaviour don't apply. Young, rich footballers think they're untouchable and behave how they like. But at the end of the day, there are *always* consequences. If you just think with your old chap, you're going to get into trouble! There'll always be someone willing to sell their story to the highest bidder."

## Playing the fame game

"Once upon a time, footballers were just sportsmen. Now, with all the money and attention that surrounds the game, players are almost like movie stars. I've seen for myself how groups of girls compete with each other to see how many famous people they can sleep with. They're like bees around a honeypot. It seems that everyone wants to be a celebrity – or at least get close to one. It's the way society is these days."

## Women are predators

"When women used to come up to me in nightclubs, it wasn't because they fancied Dean Windass the ruggedly handsome bloke! Let's be honest, they fancied a piece of someone who had a few quid in his pocket. It was amazing how much more attractive I got as I moved up through the leagues! Whether they wanted to be bought a bottle

of champagne (it was never lager and lime!) or to have sex, I knew their underlying motive was to kiss and tell. There's a culture now where if you can get off with a top footballer who's married, it makes the story you sell to the papers a lot more valuable."

## Pulling hotspots

"Women know where the players go, and they'll hang out in these haunts in the hope of hooking up with one. The drink will be flowing and they'll make the footballer feel like he's ten feet tall. I've seen girls falling over themselves to be first in line – like you'd get at a January sale! For a player in his early 20s, it's a hell of a temptation, especially if you kid yourself you won't get caught."

## Cash for sex

"This development leaves me scratching my head! When I was growing up, prostitutes hung out on street corners, they didn't

follow footballers around. I guess the reason players are using the services of escort girls is that they think they're buying discretion. But hang on! You're asking girls who sell themselves for money not to go to the newspapers, who'll end up paying them even more? That's madness! It again shows how the amount of money in the game makes some footballers believe they can do anything without taking the consequences."

## Blokes will be blokes

"Look, I'm not saying I blame footballers. If you're a young, single bloke and women are throwing themselves at you, why not have a go? I honestly couldn't give a f\*\*k what they get up to! In most cases, no one's being hurt, are they? But when you have a girlfriend, a wife and a family, you're just asking for trouble. You might think you're untouchable but you ain't. No one's a saint but if you can't keep it in your pants in those situations, you deserve everything you get!"

# Roo girl was Nuts babe!

Remember where you saw the lady in the Wazza sex scandal first?

**T**he sharp-eyed among you may have noticed that a certain Man United striker got himself into a spot of marital bother last week when he took his scoring-away-from-home record to new – and slightly off-piste – levels.

Well, we looked at the lady involved in the alleged liaisons and knock us sideways if she

didn't look familiar! A picture researcher was dispatched to our dusty archives and, after much blowing of dust and fencing with spiders, he came up with *Nuts* gold – a shoot we did in 2008 back with Wayne's "close personal friend", Jennifer Thompson.

*Nuts*: hooking up Premier League players and ladies (one way or another) since 2004!

# Halo: Reach first review!

Let the gaming season begin!

Someone fire a starting pistol – with the release of *Halo: Reach*, the gaming season is now officially open! It's an early break for cover from Xbox's shooting exclusive. We've played to the credits. Here's what we reckon...

WORDS: RORY BUCKERIDGE

TOP ACTION!

## ENEMIES

There are a few newbies, such as jackal-like skirmishers (left), but it's your classic beasts – grunts, elites and hunters – that still resonate.

## GAMEPLAY

Developer Bungie has now had five games to hone and polish its shooter to a mirror sheen, so the running-and-gunning is still best in show. This time, though, you're in a squad, so you have five pals backing you up. Also new are "perks" where you can select special skills – sprinting, invulnerability, jet packs, stealth etc. To be honest, our jury's still out on that.

#### WEAPONS

Fans will weep with nerdy joy at the return of the battle rifle. Also fun are all-new grenade launchers, needle rifles, a concussion rifle and a guided plasma launcher – the enemy Covenant get all the best new toys! And now you get to pilot starships, for a bruising, *Star Wars*-like space fight!

#### VERDICT

*Halo* will live on through other developers, and Bungie's swansong is an exemplary end to its stewardship. But is it shooter of the year? We'll have to tell you later! ★★★★★

**OUT THIS WEEK!**

## PS3 Move first review

It's the PSWii!

**A**lso out this week (coincidence? We think not!) is Sony's shiny, new answer to Nintendo's Wii – the PlayStation Move. It's packed with science and is backed up by the PS3's amazing brain. But is it any good? We got our best man (above) to test it and find out...

**How does it work?** Using a combination of motion-tracking the controller's ball with the camera, and clever gyroscopes in the wand, the PS3 knows exactly where the controller is in space and time.

**How much does it cost?** The starter pack – camera and one controller – is £50. More controllers are £35 a pop, and the Navigation Controller (like the Wii's Nunchuck) is £25.

**Is it any good?** Oh yes. Sony's tech is robust, impressively responsive, pin-sharp and almost impossible to fool. It's every bit what the Wii should've been when it was launched.

**What games are there?** This is where the handbrake gets pulled. Launch games consist of *Sports Champions* (generic but fun sporty sim), *Kung Fu Rider* (quirky racing game) and *Start The Party!* (girl's game). None of which are essential.

Kung Fu Rider

Sports Champions

Start The Party!

**Verdict:** This is a terrific system that makes the Wii feel like you're wading through cotton wool. But hold on to your cash until there are more games.

affect her – she's still willing to enjoy that most British of things (the Spanish holiday – as snapped here in Malaga), she's still willing to wear an agreeably miniature bikini, and she's still willing to play around with a large ball in a wet location. Which makes our job a lot easier, we can tell you!

# World's fastest car! Again!

This SSC Ultimate Aero II will beat the Veyron. For a second time!

**£626K RIDE!**

"Right, who's been at KITT with Tippex?"

**6.8-LITRE V8!**

# AIR WEAPONS STORAGE RAMP

- This is the SSC Ultimate Aero II, soon to become the fastest car in the world.
- The Aero hopes to leapfrog the current world record held by the Bugatti Veyron SuperSport, which reached 267.91mph as recently as July.
- The Veyron took its crown back from the original SSC Ultimate Aero, which hit 256.23mph in 2007 to overtake the original Veyron's 253.81mph record. Can you see a pattern here?
- Now this is an arms race we can get behind!
- And with 1,350bhp in a car a third the weight of the Veyron, the Aero will almost certainly do it.
- Helpfully, Australian wheel makers Carbon Revolution supplied the first ever one-piece carbon fibre wheel for the car – a 19-inch that weighs a preposterous 5.8kg.
- And the entire construction is made of F1-derived carbon, which helps the car achieve an outrageous 1,000bhp per tonne.
- Under the bonnet is a 6.8-litre V8 engine which will rev to an incredible 9,000rpm.
- This means the beast of a car does 0-60mph in a buttock-squeezing 2.8secs.
- Which should take the Aero II to a top speed of 275mph and result in a nice certificate from Mister Guinness.
- And how much will this awesome car cost? A mere £626,000. No change.

Read more about the fastest car in the world in this month's *Top Gear* magazine. On sale now!

COP CAPERS!

## The comic on his new film, human trafficking and kissing Eva Mendes!

**H**i Will! You're in a new film, *The Other Guys*. We understand you play a rubbish cop?

Allen [Gamble, Will's character] discharges his weapon in the office because he's convinced by the other guys that it's OK to do a "desk pop" [fire your gun while sitting at your desk]. So his gun's taken away and he's given a wooden one. Then that gets taken away and he's just handed a rape whistle. That's a sad moment. **And he doesn't get on with his partner, Terry [Mark Wahlberg].** He says Allen's not a real cop. He even hates the sound of his urination. But Allen hits back. He's worried Terry's never voted and that he wears a leather jacket.

Steve Coogan is in the film with you, and Eva Mendes plays your wife. **How the hell did Allen bag her?** Sheila [Mendes] and Allen met in the emergency room of a hospital. He was suffering from a severe case of rectal poison ivy. She was the attending physician. She was a doctor and a back-up dancer for the New York Knicks basketball team – a typical combination. She immediately fell in love with him. She was told there was a drugged-out pimp in the ER, but she said, "This guy's not a pimp, he's lovely man." And a beautiful romance began.

**And you got to make out with her?** It was strange to kiss Eva Mendes, in a way that I couldn't believe it was happening to me.

But then she dresses up as an older woman and you have to make out with her again. **Was that better or worse?** Well, I now make my wife wear a wig and an older woman's garments when we pleasure each other. **Do you feel that being partners as cops is similar to being comedy partners, in that you have to watch out for each other and back each other up?** No. I feel it's more important to be cut-throat on set and *not* look out for each other. That provides a certain tension and makes for a horrible work environment – but boy, does it pop on screen! **Were there any crazy antics on the set?** There was a trailer called "The Party Trailer" but it was towed away after the second day of filming. There was a lot of crazy stuff going on in there. There was human trafficking, a crystal meth lab – it wasn't good. **Had you secretly always wanted to play a cop?** No. When I was a kid, I'd walk around with a pair of nunchuks on my side, which isn't really law-enforcement related – it's more of a martial arts thing. I built a jail and I'd incarcerate my family in it from time to time. But otherwise, no.

When you carried the nunchuks around, did you think you were on the side of good and out for justice? Yeah, I guess I did. I think it was a vigilante, justice, guardian-angel-type thing. **How old were you?** Six years old. **Were the nunchuks home-made?** They were rolling pins. **Really?** No. **Your films are always quotable. What are your favourite quotes from your movies?** One of my favourite quotes is, "By the way, it's a pleasure to be here in 'The Whale's Vagina', which is the literal translation of San Diego." I get a lot of "shake and bake", of course. And, "You're my boy, Blue. Let's go streaking!" But most of the time, I get, "Please, don't touch me!" I say, "But that's not a quote from one of my movies." And they're like, "I know. Please, don't touch me." **Finally, do you have anything on a "bucket list" to do before you die?** I hope to do a 52in vertical leap and to learn Hebrew. I'm still working on my novel. I've written 7,000 words. It's called *Kickin' Ass* and it's in Aramaic.

*The Other Guys* is at cinemas across the UK now

# FAMOUS BLOKES' JOKES!

## He's not well

For their homework, a teacher tells her class to write about something unusual that's happened to them recently. At the next lesson, Jimmy gets up to read out his essay. "My dad fell in a well last week," he starts.

"Good heavens!" cries the teacher. "Is he OK?"

"I think he must be," says Jimmy. "He stopped screaming for help yesterday afternoon."

"Yes," the fatty replies. So the interviewer continues, "What was your favourite musical instrument at school?"

The chubby fella replies, "The dinner bell."

## Are unusual dates good?

I took a girl to see the darts the other week and she loved it because she wasn't expecting it. Do you think "weird" date ideas are always good?

*Phil, London*

Yes, weird dates are very much a good thing – a strange activity date is always going to be better than the usual date locations, such as the cinema or going out for a meal. With something like the darts, you'll get to know each other better and see more of each other's personality coming out.

## I'm breast obsessed!

I'm into big boobs and I'll only date girls with at least an F-cup. Do you think I'm weird?

*Paul, Bristol*

Ha-ha! It's not weird because all men like big boobs, but you really shouldn't limit yourself so much. Do you really want to restrict yourself to certain boob and dress sizes? You might find that you meet a small-boobed girl who you really like.

## Is my piercing a turn-off?

I have a piercing down below and a lot of girls are put off by it because they think I'm into weird stuff. What do you think?

*Adam, Dudley*

I wouldn't be put off but I'd be a bit, like, "Whoah!" because I find that kind of thing scary. You might want to go for girls with piercings themselves, as they won't be freaked out by it. Or you could just warn your partner about it before you unleash it!

## What's the best size?

Is there an optimum size for a willy? I'm worried mine's too big!

*Leslie, Glasgow*

Well, too big is better than too small, so I don't think you have anything to worry about – unless it's absolutely massive! Most blokes would be happy to have a "problem" like yours!

were on the train to Liverpool a while ago and we laughed so hard at something Stacey said, we actually did a bit of wee!

**Er, OK! If we took you to the cinema, what would you want to see?** *Twilight*. I love it! You should do a themed shoot at Halloween and I'll be a vampire!

**Nice! So what do you like a man to wear on a date?** I like a man to smell nice. I don't care what he wears. My favourite aftershave for a man is Prada. But my dad wears that, so that's a bit weird!

**Is it alright to date people you've met on Facebook?** Yes, definitely. Any kind of dating should be encouraged. I want to try speed dating – it looks fun.

**Is there anything about you *Nuts* readers don't already know?**

I drove a tank! It was bumpy. I know some *Nuts* readers do that for a living and I sympathise with them. It was fun, though!

**When did you last embarrass yourself?** My boobs fell out at 12,000 feet when I was skydiving! I only had a little top on and my boobs popped out. I don't think the instructor minded!

**Have you ever been caught getting up to no good?** I got caught having sex on the side

**What's the nicest thing you've done for anyone?** I had my boobs printed on a pillow for Rosie for her birthday, so she can sleep with her face in my boobs!

# JOHNNY MOSZ

The chubby comic on

**H**i Johnny! *Ideal's* back on the telly. What's new?

We've got a new flat and a new character. There's nothing new in that my best friend keeps pulling my lovers, so there's a bit of bed-hopping. I've given up the dealing but Nikki [Moz's ex-girlfriend] has picked up the mantle. She's more organised and manages to run it as a successful business!

**Do you see any of yourself in Moz?** I used to with the wardrobe. I came in on the first day in a two-striped tracky top and basically got changed into an identical one they'd bought me! These days, I buy all my clothes at M&S.

I've gone completely non-brand now I'm approaching 40. It's a comfortable place to shop without being judged. You don't feel young and hip in M&S!

**Do you enjoy the more sensible acting over the stand-up?** It wasn't sensible when we first started *Ideal*. The cast would go out every single night until 5am. But we've matured now. I've been doing a bit of stand-up recently at a club in St Helens [Johnny's home town]. Stand-up is really good because it's so immediate. I suppose it's because I'm turning 40. I keep saying it, so I'm obviously dreading it. I'm looking

forward to the open-top car and the midlife crisis! It's just good to go on stage and shout at people and blame them.

**Should they have stand-up comedy at the Olympics?** It would be like ['90s comedy film] *Cool Runnings*. I'd be the one who was banned years ago for substance abuse, so I've come back coaching another country. Comedy is hard to judge because it's so subjective. American comedians are very slick and precise. British comedians tend to just ramble off the top of their heads. "I know, I might talk about budgies now." I don't know how you could compare the two.

**If BBC cutbacks meant they had to merge *Ideal* with *EastEnders*, what would happen?** I'd get the entire Mitchell family off their t\*ts and take Polaroids of them in compromising positions! **And if they did an American version of *Ideal*, who'd play you?** George Clooney would have to be Cartoon Head. Who'd play me?

**How about Robert De Niro?** Yeah, maybe! Or John Goodman. Or Jason Bateman. Could Jason Bateman pull off Moz? I don't know. If they ever did it, I'd just take the entire cast from *Arrested Development* [ace US sitcom] and write them parts.

Ideal, cooking and Monkey!

You lost in a pizza-making competition to Gordon Ramsay on *The F Word*. What does he know, eh? He knows how to p\*ss people off! The pizza I made was a double-zero flour base with large yeast – very simple – with black olives, anchovies and Parma ham. I went a bit mad with my Gorgonzola – it was like the cheese dam had burst! For the sauce, one large tin of chopped tomatoes, a pinch of sugar, a pinch of salt and 20 basil leaves. I lost 3-2, so I was gutted. I did the live cookalong with Gordon, too, where me dad sat there slagging me cooking. He said the meat was too hard. I was trying to do a lasagne in 20 minutes. Lasagnes are an all-day job. By the end of it, you've drunk two bottles of wine and think you're Tony Soprano. **Finally, how's Monkey?** Monkey's grand, yeah. He's going from strength to strength. He's faking orgasms now. I'm never sure which PG Tips advert is on when, because we film them so far in advance. People shout quotes at me in the street and I've no idea what they're talking about. I just think a lot of people have mental-health issues! ■

# BB'S RACHAEL!

**N**ever let it be said that we don't listen to you, our knowledgeable and wise readers. You said you wanted to see more of delectable *Big Brother* babe Rachael White, and a few weeks ago we listened. Then you said you wanted even *more* of her, and would you believe it, we've listened again! So, as ten years of *BB* come to an end, here she is. And remember – if you want more, you've just got to ask! ➔

She's back by popular demand!

IN BB!

## BB'S RACHAEL

**H**i Rachael! What have you been up to since we last spoke? I've been doing a few Beyoncé personal appearances. I was at an event in Wales and they were giving out goodie bags with *Nuts* inside, and everyone wanted me to sign their copy! So I was there as a Beyoncé lookalike but I was signing my own name!

**Why do you think our readers love you so much?** Are you joking? Do they really? Maybe it's just because I'm a normal real girl. You could bump into me down the pub, I'm really flattered! If I keep getting the offers coming in from *Nuts*, I'll do as many shoots as you like!

**Brilliant! This is quite a raunchy shoot. Did you enjoy it?** I really liked it. The stylist brought loads of amazing underwear that I didn't get to wear because we ran out of time. Maybe we can save that for next time!

**Definitely! What was your favourite underwear?** A red sheer bra. I absolutely loved it! It was so cute and see-through. They've packed it away now but I'd have stolen it if I could.

**What was the last raunchy thing you got up to?** I've not been rude in public for a while. Now

**"It's hard to

people recognise me, it's hard to get down and dirty anywhere but my own house! I used to do things like that when I was a bit younger, but now if I was in a park behind a bush and someone poked their head round, they'd recognise me!

**How many times have you been rude since leaving the BB house?**

Ooh, let me think... maybe 100? Actually more like 70, that's more realistic. And that's any rude things. They all count!

**Cripes! So you've got quite a high sex drive?** I really do. And I've noticed in the last few weeks it's getting higher and higher!

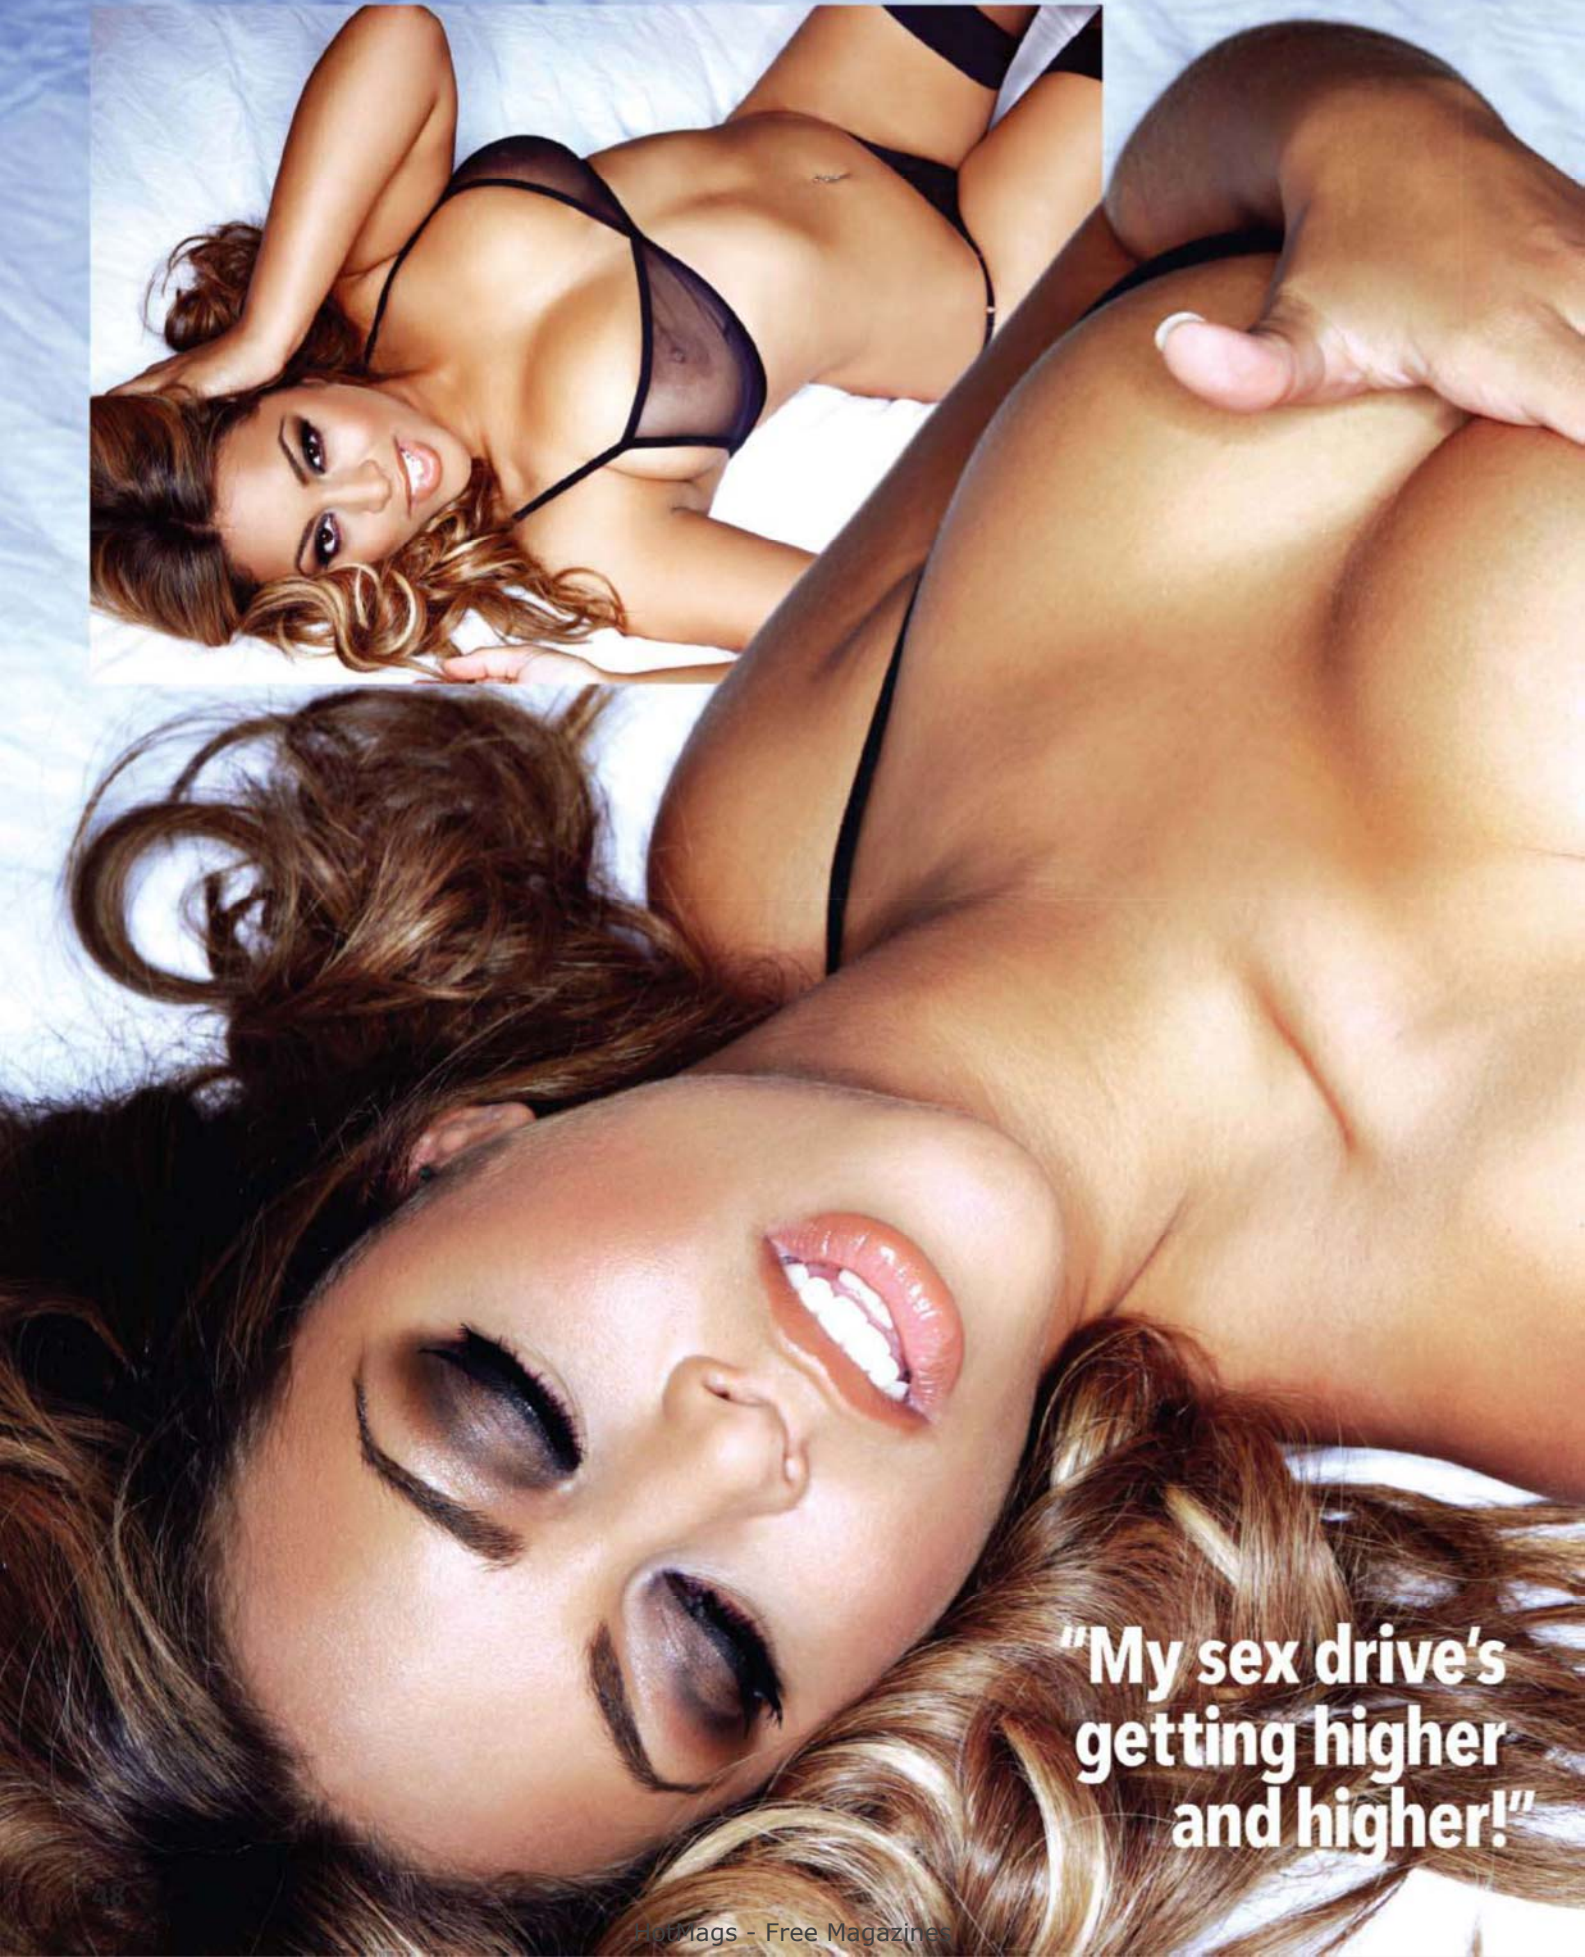

**What's the rudest thing you've ever seen?** I once accidentally walked in on a friend and her boyfriend. It was rude, but it was more just uncomfortable because I knew them. It was an accident though, I swear!

**What's your favourite rude word?** I must admit, I like the word w\*nk. I've already spoken to people and said, "Have you had a w\*nk over my pictures? How rude!" but I love it really. I'm not telling you who I said that to, but my friends all laugh at me! I do like to say w\*nk.

I even say it when girls sort themselves out. It's not like I'll say to my mates, "Give me ten ➡

**"I'd love to be a fly on the wall of my ex's bedroom!"**

minutes, I'm going for a w\*nk," but that's how I'd refer to it!

**Er... um... What was the last nice thing someone did for you?** I like the little things, like when guys hold doors open. I don't know if it's because I'm recognised a little bit more now that people do it.

**Maybe it's because you're gorgeous?** Do you reckon? Maybe all these nice guys are *Nuts* readers and recognise me?

***Nuts* readers are an unfailingly nice bunch! You're a trained hairdresser. Would you shave your head for a laugh?** Not for a laugh, no. I'd do it for charity but I'd have to raise an awful lot of money. I'm talking £500,000! I'd need a lot to part with it.

**Whose bedroom would you like to be a fly on the wall of?** Part of me thinks I'd love to see what John James and Josie are like without the cameras on... but then again, I don't want to see what they're getting up to! Do you know what, I'd like to be a fly on the wall of my ex-boyfriends' rooms. To see if they're gutted and crying over me. I bet they're not though, ha-ha! Everyone wants to know what their ex thinks of them. Facebook is one way of doing it but being in their bedroom would be even better!

**What ambitions do you have left?** I'd be totally happy if I went back to my life as a hairdresser, but if *Nuts* still wanted me to come down and do more sexy photo shoots, I'd love to!

**Cool! When was the last time you had an argument, and did you win?** It was recently, and I did win! It was about whether me and a certain person should stay in and have a quiet night in, if you know what I mean, or go out. I wanted to stay in but he wanted to go out! Who'd turn down a night in? And not a boring night in, either. I mean "a night in".

**Definitely not us! What's your guilty pleasure?** When I've got a day off, I'll sit on the sofa with a quilt and some munchies and just do nothing. I used to be dead energetic but now if I can just chill on a day off, I'll do it!

**Thanks, Rachael! So will you be popping down to the *Nuts* offices to give us all a haircut soon?** Yeah, I'll definitely do that. I'll sharpen my scissors now! ■

## Man United vs Liverpool

The skippers talk to *Nuts* ahead of the massive Sunday showdown!

**Giggs: "You can never write off Liverpool!"**

**H**i Giggsy! How do you assess this season's title race? It'll be close, but we're confident. When I look around the dressing room, I think we have a better set of players than last season. We've bought and strengthened really well. **Who are your rivals?** Chelsea, Arsenal and maybe Liverpool – you never write off the Reds. **What about Man City?** They'll be there or thereabouts. The quality of the talent they've signed is without doubt, but it's not easy to build a team from so many new signings. **What went wrong last season?** I wouldn't say anything went wrong. We still finished second and won the Carling Cup! But we lost too many games we should have won. It's the small margins

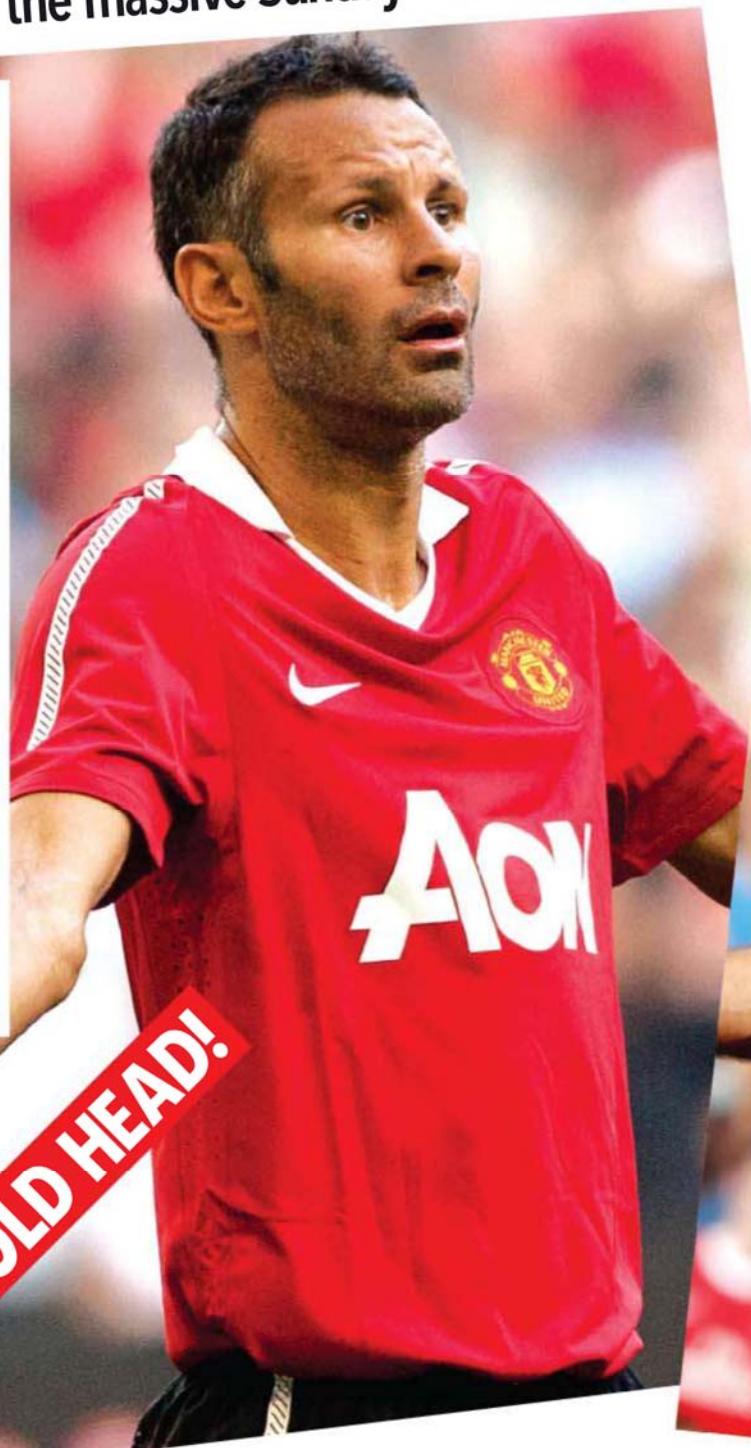

that make the difference and we weren't consistent enough. **What's different this year?**

As I said, we've strengthened well. Hernandez has bags of quality and will score plenty of goals, and we've got Rio, Anderson and Gary Neville to come back from injury, so you can see why we feel good.

**The form of Paul Scholes must be a major plus.** He's been brilliant. What you see is what you get with him. He makes the game look so easy. A total pro and a brilliant footballer.

**And Wayne Rooney?** Wayne's one of the best footballers in the world – certainly the best of his type – and he showed that last season. I'm sure he'll do the same again, but we all need to chip in with more goals across the team.

**What about yourself?** Fancy being named Footballer of the Year again? I'm just grateful to be still playing! I'll know it's time to call it a day when the legs won't do what I tell them. Thankfully, I'm not quite at that stage yet!

# Liverpool special!

"This is the worst piggyback ever!"

## Gerrard: "Can we beat United? Of course!"

**H**i Stevie! How much of a relief was it to return to England colours with two wins? I have to admit

it hasn't been much fun being an England player recently! There's a long way to go and those two wins are only one step in the right direction. But at least we've performed well.

**Now it's back to the Premier League. How do you feel about Liverpool's chances this season?**

I'm optimistic. Although we lost Mascherano, who was a big player for us, we've added some quality in other areas. And we've also kept hold of some quality in the squad, which you'd expect for a club the size of Liverpool.

**Can Roy Hodgson bring the glory days back to Anfield?**

I hope so. He's a top manager and coach – someone who's worked around the world and has a wealth

of knowledge. There's a real excitement and buzz in the club and he's a big part of that!

**What went wrong last season?** It's easy to make excuses with injuries and things. At the end of the day, we just weren't good enough.

**Liverpool vs Man United. It doesn't get any bigger than this, does it?** There's always a special atmosphere in these games because of the rivalry. United are a quality side and they'll be tough to play at Old Trafford but I'm optimistic about the way we're going.

**It'll be a good test to see how much we've progressed.**

**Can you beat your bitter rivals on their own turf?**

Of course! Two seasons ago, there wasn't much difference between the teams and we have to believe we're still a good side. If we can get a decent result, it could be a springboard for the rest of the season. We have to believe we can win, there's no other way!

"Argh! There's only

## Rooney will rise again!

I have to say I wasn't surprised when I read in the paper about Wayne Rooney and his extra-marital indiscretions.

There are a couple of reasons for this. First, while in South Africa, I heard the rumours about Wayne and that it was only a matter of time before the story came out. And second, with respect, Wazza had previous

**"He can take out his frustrations on the pitch"**

when it comes to dalliances with ladies of the night!

The newspaper that broke the story had a decision to make, as they knew about it while the World Cup was on – and Wayne knew they knew – but they didn't want to risk being blamed for him having a bad tournament because they'd exposed his alleged infidelities. As it was, he had a shocker anyway, so they needn't have worried!

But as bad as the revelations are, they might've come at a good time for Wayne. The pressure is lifting after the

World Cup mess and he can take out his frustrations on the pitch, as he did for England against Bulgaria and Switzerland.

I actually have quite a lot of sympathy for players such as Rooney, who have to deal with the whirlwind that comes with being a star at such a young age. They're constantly being told they're role models to kids when they're barely adults themselves, so they try to do things like get married early to show they've taken this advice on board, and to get a bit of stability and normality into a crazy existence.

But when they succumb to the same temptations that all young lads experience, the fallout is magnified massively because they're in the public eye. Sir Alex Ferguson is used to dealing with young starlets after guiding Ryan Giggs through a 20-year playing career, and I'm sure he'll be there to help Rooney this time around.

One thing's for sure – Rooney's isn't the first marriage to have problems and it won't be the last. He's never let anything get in the way of his football and he'll come out on top in the end.

**UNLUCKY THEO**

Poor old Theo Walcott got his injury at the worst possible time. He was flying this season and proving his doubters wrong.

**Adam's the man  
once again!**

I know this column can seem like an Adam Johnson fan club sometimes, but you can see why I'm so excited about him after his displays in England's first two Euro 2012 qualifying games. He gives the side something it hasn't had in a long time with his pace and ability. If England hadn't won those two games, I think Fabio Capello would be looking for a new job right about now!

big games!

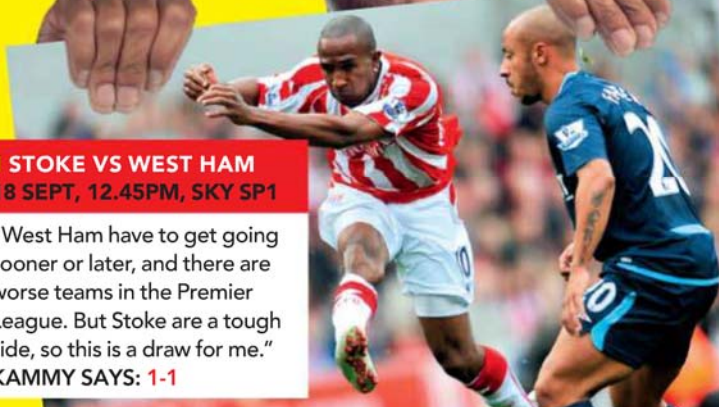

**1 STOKE VS WEST HAM**

18 SEPT, 12.45PM, SKY SP1

"West Ham have to get going sooner or later, and there are worse teams in the Premier League. But Stoke are a tough side, so this is a draw for me."

KAMMY SAYS: **1-1**

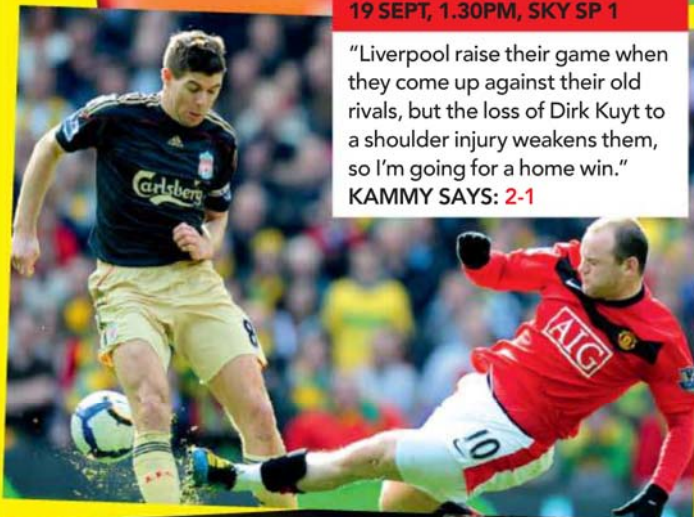

**2 MAN UNITED VS LIVERPOOL**

19 SEPT, 1.30PM, SKY SP 1

"Liverpool raise their game when they come up against their old rivals, but the loss of Dirk Kuyt to a shoulder injury weakens them, so I'm going for a home win."

KAMMY SAYS: **2-1**

**3 CHELSEA VS BLACKPOOL**

19 SEPT, 4PM, SKY SP 1

"I don't want to say this is just a case of how many Blackpool will concede, but I'm afraid it is! Ian Holloway's side will always try to play good football, though."

KAMMY SAYS: **4-0**

**ASK KAMMY!**

Hi Kammy! Do you think referees today are under too much pressure? I play at U21 level and the quality of refereeing is terrible!

*Robbie, Glasgow*

I don't think they're under too much pressure, but they have to get the big decisions right. If they do that, nobody will complain.

"OK, who nicked my hair?"

► Some brilliant giggles from this year's US open, when a dispute over a seat (or a hotdog) caused this daft duo to kick off in the stands, stopping play for half an hour. Calm down, it's only tennis!

► As far as stupid sports go, riding a bird that's big enough to eat you has to be up there with the daftest. They like racing ostriches in Yasnogorodka, Ukraine, though, so fair play to them! Crazy lot!

# DeGale: 'Rooney sets a bad example!'

## Olympic champ chats to *Nuts*!

**H**i James! You're taking on Carl Dilks as part of the Magnificent Seven event in Birmingham.

**How's the preparation?** Very good. I've had some great sessions with Tony Bellew, the Commonwealth champion, so I'm raring to go!

**What do you know about Carl Dilks?** He's a lively opponent.

He's had 16 fights and lost two, which were both controversial. He's ranked in the top five Super-Middleweights in the country, so it should be a pretty competitive fight for a couple of rounds, but if I don't knock him out I'm going to be upset!

**Have you planned a flash ring entrance?** No. I'm going to save them from now for my bigger fights, or else I won't have any new ones. I like all the madness of the big lights and stuff!

**Do you have music blaring in the dressing room before a fight?** Yeah, I like the Rocky soundtrack or funky house. I like a bit of everything!

**You wear a different T-shirt for every fight. Would you wear one saying "DeGale Is The Nuts"?** Ha-ha, I like that one.

I'll definitely put that on the shortlist for my next T-shirt!

**What do you think of Wayne Rooney's cheating story?** It sets a bad example. Footballers have beautiful women at home and live a nice, comfy life, so I don't know why they do it. Maybe they've got too much time free and they just get a bit bored!

**Does that sort of thing go on in boxing?** Well, men will be men, but I wouldn't say so. After training, I'm too knackered! Especially in the eight weeks leading up to a fight! If I ever find a lady I really like, I'll be faithful to her, so she wouldn't have to worry about me!

**You're an Arsenal fan. How will they do this season?** We're playing well, so we should be alright. I'm surrounded by Gunners. Frank [Warren], my trainer and my family all support them, so I hope they do well. It'll make life easier!

# IT'S UK VS US IN A

Inspired by ace new comedy *The Other Guys*, we're having

**GREEN!**

**N**ow here's an arresting sight! To celebrate the release of the summer's hottest comedy film, *The Other Guys*, we decided to have ourselves a *Nuts*-style "cop off"! We pitched a sexy British bobby (Emma Glover) against a foxy New York City cop (Amy Green) – both, as you may have noticed, with their "uniforms" painted on! Who'll win? We hit the streets to let the blokes decide!

*The Other Guys* is a spleen-rupturingly hilarious new comedy starring Will Ferrell and Mark Wahlberg as a pair of rather useless, not especially sexy cops. Gamble (Ferrell) and Holtz

(Wahlberg) are hapless desk jockeys constantly being outshone by two rival Detectives (Dwayne "The Rock" Johnson and Samuel L. Jackson). But even the most hopeless of berks gets his chance to shine – and so it proves for our Other Guys...

*The Other Guys* basically makes other cop comedies look like rookies. But is it enough to persuade British blokes to go for sexy US cop over hot Brit fuzz-fox? Let's now find out!

*The Other Guys* is released nationwide on 17 September. To watch the trailer, go to [www.nuts.co.uk/news/archive/films](http://www.nuts.co.uk/news/archive/films)

**Nuts  
GAMES**

## Deal or No Deal top tips!

**D**eal or No Deal is a game enjoyed just by those who believe in a "system", right? Well, the TV game show might be, but the multi-line slot isn't!

For as little as 5p a go, you can win big – and if you're willing to play on all lines, you could win a progressive jackpot. In fact, one recent winner walked off with £1.4m!

And best of all? You can win big money in the comfort of your own home!

### HOW TO PLAY

- The aim is to get winning symbol combinations from a spin of the reels, with the ultimate aim being to win the progressive jackpot.
- You can gamble up to 20p on each of the 20 pay lines. That's up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win cash.

### THE NUMBER LINES

It's all self-explanatory – click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

### DEAL OR NO DEAL BONUS GAME

If you're betting on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins. This is much like the *Deal Or No Deal* TV show, only the big progressive jackpot is at stake here. Don't be too greedy or, like us, you could end up with £8 instead of £100!

### CONFESSION OF THE WEEK!

#### 'He licked champagne off me'

I was meeting my mate at her flat, but I finished work before her so she gave me her keys. As I walked in, I was grabbed and before I knew it, her flatmate was kissing me and reaching his hands up my skirt! He obviously thought I was my mate! When he pulled away, I smiled and, despite his mistake, so did he. I felt his bulge growing, so I kissed him again and he led me upstairs, where he had some champagne. He tore my clothes off, poured it over me and licked it off before I climbed on him and rode him until my friend got home. She still doesn't know why I looked so flustered!

*Anna, by email*

#### 'He started to suck my nipple'

I went to my cousin's 30th birthday at the weekend and bumped into some old friends, who we used to hang out with years ago. There was one guy

who I used to have saucy fun with and looking at him ten years on, I still wanted him. We made eye contact across the garden and on my way from the marquee to the loo, we bumped right into each other. He kissed me quickly on the lips and grabbed my hand. As soon as we started kissing,

I didn't want to stop. I was feeling so horny that I totally forgot where I was and didn't care that there were family present. His hand quickly slipped up my top and he pulled my breast from my bra with one hand in no time before he leaned down and started to suck sensually on my nipple. As I got more excited by this, I decided to return the feeling and stuffed my hand down his trousers as he put two fingers inside me. It felt so naughty, knowing we could get caught at any time. We couldn't take it much further as we heard a bit of noise and quickly stopped, but we met up the next night and certainly made up for lost time!

*Jo-Jo, Crawley*

#### 'My white vest was soaked'

A few days ago, I was running low on supplies and quickly raced out of my flat to get some milk and bread as my folks were popping over for a visit. I was wearing a little white vest and my tracksuit bottoms but as soon as I got near the shops, the heavens opened and it started pouring down. By the time I got home again, I was soaked through and my nipples were standing to attention. I bumped straight into my neighbour, who stopped me for a quick chat. I've always thought he was quite fit and I noticed he couldn't take his eyes off of my boobs and my wet hair. I asked him if he liked what he saw and he pointed to his bulge,

which was growing as we spoke. The sexual tension between us was immense but my parents pulled up at that moment. Still, he's invited me around for dinner tomorrow – it's making me get all excited just thinking about what we're going to get up to!

*Maria, by email*

#### 'I gave my fella a surprise visit'

To keep a bit of spice in our relationship, I decided to dress up for my boyfriend one night and not tell him, just so he got a special surprise. Having finished work, I quickly changed into sexy underwear in the ladies' toilets, then put on a long coat and left the office, grinning to myself at the saucy gear I had on beneath it. I drove across town and turned up at his place. He didn't know I was coming, so he was pretty happy to see me on the doorstep to start with, and when I asked him to take my coat and he saw what I had on underneath, his face just dropped. He carried me up to his bedroom where he instructed me to keep it all on while we had sex. He absolutely loved it and now he's planning a surprise for me. I can't wait!

# 10 RUDE QUESTIONS!

And a Real Girl  
to answer them...

## THIS WEEK:

**Ann**

19, Dunfermline

### 1 Where's the strangest place you've had sex?

"Nowhere that daring yet, but I'm up for changing that! I love the idea of the thrill of getting caught, so I just need to find a guy to get caught with!"

### 2 What's your trademark move in the bedroom?

"Good girls don't tell, they just show you! So get to know me and you might find out!"

### 3 What really turns you on?

"I love it when a guy gives me a really sensual and slow massage and both of us are naked, slippery and covered in massage oil. Once you get to there, anything can happen!"

### 4 What one thing should all men be good at in bed?

"No one thing in particular but they should be considerate and give a girl what she wants. Even if that means they get neck-ache, if you know what I mean!"

### 5 Ever got it on with another girl?

"Yeah, loads of times! Most times have been in my friend's hot tub!"

### 6 Have you ever made a sex tape?

"No sex tapes just yet, but that's not to say I wouldn't consider it!"

### 7 Describe the best sex you'll ever have – what would happen?

"Pete Doherty would pick me up and we'd go partying together. We'd flirt all night and he'd get me really excited, then he'd take me back to his place to continue the party on our own!"

### 8 If you were a man for the day, what would you get up to?

"I'd go down the pub to have a laugh, then I'd go on the pull with my boy pals and see what it's like from their perspective when you have sex!"

### 9 If you were going to dress up for a bit of foreplay, what would you wear?

"A naughty schoolgirl outfit! You know the kind of thing – heels, white socks, an A-line skirt and a tie, all finished off with pigtails!"

### 10 What's the rudest thing you've ever done?

"Me and my friends once ran around our local area naked, dancing on any pole we saw. It was great fun!"

# Nuts REVIEWS

## GAMES!

Break your stick in NHL and you can kick the puck to a team-mate, then take his stick

### NHL 11

PC, PS3, XBOX 360

No one else does ice hockey games quite like Electronic Arts. Which is mostly because no one else really pushes ice hockey

games in the UK. But if puck-chasing is your thing, *NHL 11* – which features 200 gameplay enhancements – is as polished, accessible and fun a sports game as you'll find on any console. And that includes you, *Fifa!* ★★★★★

### UFC UNDISPUTED 2010

PSP

Late-entry PSP port of the gouge-'em-up transfers a lot of the console game to the handheld. So expect similar pros and cons. ★★★

### KINGDOM HEARTS: BIRTH BY SLEEP

PSP

Role-playing game that mixes *Final Fantasy* action with Disney sensibilities. And it's not bad. One for younger readers. ★★★

## APPS!

### COMICS

IPHONE, ITOUCH, IPAD

A must-have for comic fans everywhere, this comprehensive app features loads of free content, including all your fave comic-book heroes! ★★★★★

### SHAZAM

IPHONE, ITOUCH, IPAD

This tells you what that song is playing on the radio, in the shop, on TV... anywhere! Simply hold your phone up to the tune, and it'll spill all the details! ★★★★★

## DVDS/BLU-RAY!

Parts of the plane were used as percussion instruments and can be heard in the soundtrack

### LOST – THE BOX SET

CERT 15 DVD

Take a couple of weeks off and lose yourself in every single episode of the mind-boggling but brilliant drama following the

survivors of a plane crash stranded on a mysterious island where danger lurks at every turn. And if that's not enough, this includes epilogue *The New Man In Charge*, too! A must-have for newcomers and devotees alike. ★★★★★

### UFC 114: RAMPAGE VS EVANS

DVD

The eagerly anticipated bout between Rampage Jackson and Rashad Evans, who don't like each other much. ★★★★★

### PRINCE OF PERSIA

CERT 12 DVD & BLU-RAY

A prince and princess fight a villain threatening to destroy the world. Top action, and with Gemma Arterton! ★★★

### THE SIMPSONS: SEASON 13

CERT 12 DVD

All 22 episodes of yellow family fun from way back in 2001, with guests including Pierce Brosnan and REM. Woo-hoo! ★★★★★

## MUSIC!

### VARIOUS ARTISTS

PACHA PURE DANCE

Superclub Pacha know a thing or two about dance, hence this triple CD that takes in David Guetta, Kylie, Gorillaz and all manner of stuff besides. ★★★★★

### LINKIN PARK

A THOUSAND SUNS

A few weeks back, we played *Medal Of Honor* with them, and now the shouty Yanks have put out another disc of awesomely impressive big rock. Ace! ★★★★★

# The latest action-packed releases!

Ratings: ★★★★★ Genius ★★★★★ Very good ★★★ Investigate ★★ Alright ★ Rubbish

## MOVIES!

This is the fourth film Ferrell and McKay have collaborated on, after *Talladega Nights*, *Step Brothers* and *Anchorman*

## THE OTHER GUYS CERT 12A

Will Ferrell's desk jockey dork teams up with Mark Wahlberg's trigger-happy nutcase detective in a hilarious spoof buddy cop comedy from *Anchorman* bloke Adam McKay. Ferrell will have you in stitches singing *Pimps Don't Cry* with the smokin' Eva Mendes,

who plays his other half – the jammy git! – and look out for a crazy good cop, bad cop routine with baddie Steve Coogan. Supreme silliness and slapstick action. We like! And don't forget to check out our interview with Ferrell on page 22! ★★★★★

**I'M STILL HERE**  
CERT TBC

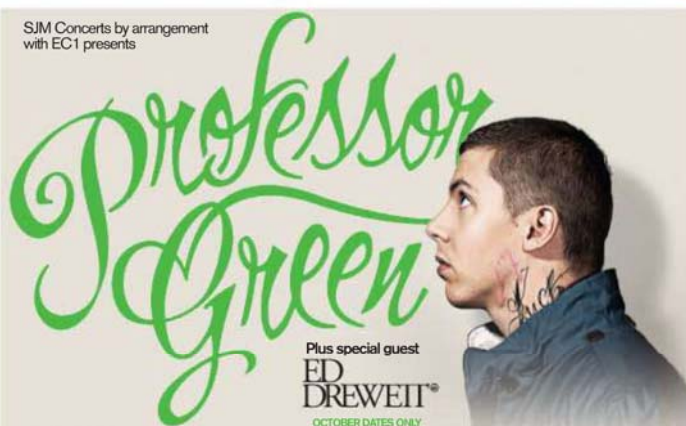

Ever wondered what happened to Joaquin Phoenix? Casey Affleck spent a year with the *Gladiator* star, documenting his meltdown as he quit Hollywood to become rapper "Jo Pho". For real or just a wacky wind-up? Either way, it's weirdly compelling viewing. ★★★★★

**THE HORDE**  
CERT 18

Blood, guts and guns abound as cops and gangsters call a truce to face off against a zombie uprising. Like a big-screen version of brap-'em-up gaming classic *Left 4 Dead*, this mental French horror is a splatterfest of the highest order. C'est magnifique! ★★★★★

## TODAY'S MUST-SEES

FUNNY FELLAS!

Michael  
McIntyre's  
Comedy  
Roadshow

9.15pm, BBC1

**COMEDY**

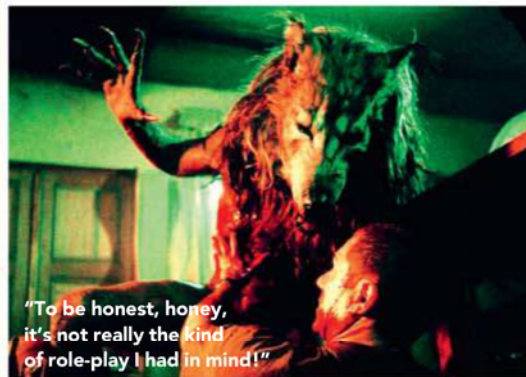

McIntyre's very much the Marmite of comedy, but we're fans, even if he looks like a squinty-eyed five year old. He's back for another series of his roadshow, with some new faces and some old favourites, including John Bishop, Ardal O'Hanlon and Kevin Bridges. Guaranteed laughs! ★★★★★

## Sunderland vs Arsenal

ESPN, 4.45pm

**SPORT** The Black Cats host the free-flowing dandies of Arsenal. The corresponding fixture last season saw Bruce's men ending the Gunners' 14-match unbeaten run. Ouch! ★★★★★

## Dog Soldiers

**FILM** Ace British horror thriller about a party of soldiers who are sent into the forests of the Scottish Highlands and find them pretty heavily populated with werewolves. Prepare yourself for fantastic gore, good gags and a top climax. ★★★★★

## Blade: Trinity

Channel 4, 9pm

**FILM**

It's the third and final instalment in the trilogy, and this time Blade's up against a rubbish Count Dracula. Still, we like this flick cause it's got Ryan Reynolds (he's funny!), Jessica Biel (she's gorgeous!) and a vampire dog (it's weird!). ★★★★★

## TODAY'S MUST-SEES

The trampoline was a bit cramped

## Man United vs Liverpool

Sky Sports 1/HD, 1.30pm

**SPORT** The game of the day sees United host their big rivals, and having been hammered in Manchester once this season – 3-0 against City – Roy's boys will need a huge improvement against a United side in top form. Still, Liverpool did triumph here 4-1 two seasons ago, so you never know. After that, it's Chelsea vs Blackpool, where there's as much chance of an away win as there is of Carlo Ancelotti cracking a smile! ★★★★★

## OLD ENEMIES!

"For the last time, Frank, a hose is much more effective!"

## Jumper

Channel 4, 9pm

**FILM** Sci-fi action thriller starring Hayden Christensen as a bloke who discovers he can teleport anywhere, but then finds he's being pursued by a very shouty Samuel L Jackson. Rachel Bilson is sex on a stick in this likable nonsense. ★★★

"Here's the Flake for your ice cream, Ms Feltz!"

## Two Weeks In Hell

Discovery, 9pm

**DOCU** Do you have what it takes to become a Green Beret? Us neither, but the men who do undertake a brutal 14-day training regime that'll make or break them, as this docu shows. ★★★

"Condoms? Err, we may have used them all for something else!"

## The Hard Times Of RJ Berger

## TODAY'S MUST-SEES

"We're Gay Force  
and we're here  
to win The  
X Factor"

## GEEKY LAUGHS!

### Chuck

Virgin1, 9pm

#### DRAMA

More ridiculous adventures with the nerdy spy gang, and tonight, Chuck's dad gets in on the action too! Chuck's started having dreams about the supposedly dead Daniel Shaw. The big question is, is he really dead? Yikes! ★★★

"Sorry, love, the  
lemonade goggles  
haven't kicked in yet"

### School Of Comedy

E4, 10.35pm

#### COMEDY

Surely children can't be funny, can they? Well, as this show in which youngsters play grown-ups in comedy sketches proves, they can be – but then we were funny when we were kids. But we soon grew out of it! ★★★

## The Inbetweeners

E4, 10pm

#### COMEDY

The third series of the brilliant school-based comedy continues in cringeworthy yet hilarious fashion. Simon's got his sights set on a younger girl (she's not five – she's in the year below him!), so he heads to a gig hoping to bump into her. Of course, his mates, being the wind-up merchants they are, invite themselves along and jeopardise Simon's chances. With friends like that, who needs enemies? ★★★★★

It was one tour too  
many for Westlife

### Pawn Stars

History Channel, 9pm

#### REALITY

Antique valuation just got cool! This new series is about a pawn shop in Las Vegas, where punters bring along such outdated oddities as a treasure chest and an aeroplane propeller to exchange for cash. Weird! ★★★

## TODAY'S MUST-SEES

The ball's invisible  
forcefield took them  
by surprise

IT'S DERBY TIME!

## Spurs vs Arsenal

Sky Sports 1/HD, 7.30pm

**SPORT**

North London  
derbies are always  
tense but perhaps more so now  
Spurs fancy themselves to be  
the dominant of the two teams  
this season. With this in mind,  
it'll be interesting to see if Arsene  
Wenger fields a weakened side  
for this League Cup tie. Either  
way, expect Harry Redknapp to  
pick a strong eleven and try to  
see off the Gunners. The sides  
last met in this competition in the  
2007-08 semi-finals, when Spurs  
secured a 6-2 aggregate win  
thanks to a 5-1 victory at White  
Hart Lane. Tasty stuff! ★★★★★

"Someone's drawn  
a willy on your back!"

## CSI: Miami

Five, 9pm

**DRAMA**

Remember Eric Delko who quit  
CSI at the start of the series because  
he got shot – again? Well, he pops up in tonight's  
episode and he's going up against his old CSI team  
in the case of a dead woman. Who will win? ★★

moody rock bloke Nick Cave's rather  
magnificent side-project Grinderman appear. ★★

## TODAY'S MUST-SEES

## HIJACK THRILLER!

The Taking Of  
Pelham 123

Sky Movies Premiere/HD, 8pm

**FILM** In 1974, a frankly fantastic  
action thriller called *The  
Taking Of Pelham One Two Three*  
came out. It was all about a gang  
hijacking a New York Subway train,  
holding the passengers to ransom  
and negotiating their release through  
a mild-mannered train-dispatch  
operator. In 2009, this remake came  
out, starring Denzel Washington  
(the good guy) and John Travolta  
(the overacting bad guy), and it isn't  
a patch on the original. But it's still  
a decent yarn full of surprisingly  
crunchy violence. ★★★

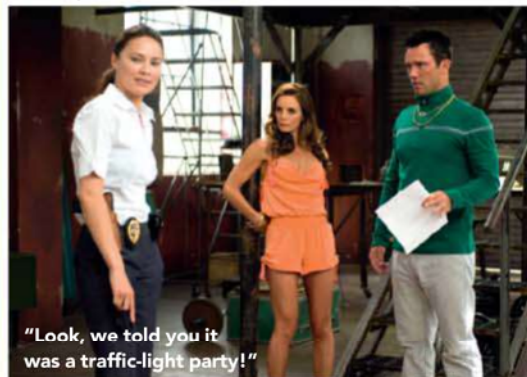

He was having another of  
his Braveheart moments

## England vs Pakistan

Sky Sports 1/HD, 2pm

**SPORT** The tourists' "interesting" visit to Britain  
concludes with the fifth one-day-er at the  
Rose Bowl in Southampton, an occasion made that bit  
more special as it's a day-nighter. Cool! ★★★★★

## Burn Notice

FX/HD, 10pm

**DRAMA** The third series of super-slick sleuthing  
continues as Michael captures a crime  
boss at the centre of a Miami police investigation,  
then offers him over to Detective Paxson in the hope  
of getting the pesky cops off his case. ★★★

## Scunthorpe vs Man Utd

Sky Sports 2/HD, 7.30pm

**SPORT** Scunthorpe reach the third round of the  
Carling Cup for the second year running  
and a full house will cheer on the Iron, but Fergie's  
men remain overwhelming favourites. ★★★

It was an odd

**NEW SERIES!**

## An Idiot Abroad

Sky1/HD, 9pm

**COMEDY**

As any fan of *The Ricky Gervais Show* will know, Karl Pilkington's one very funny man indeed, and it's a fact that's not lost on Gervais or writing partner Stephen Merchant, who pack Pilkington off to visit the Seven Wonders of the World after he described them as "a bit sh\*t", despite having never seen them. Beginning with a trip to the Great Wall Of China, what follows is some of the most hilarious TV we've seen all year, thanks to another wonder of the world - Karl's brain! ★★★★★

"They said it wouldn't show up on the bill!"

## The Simpsons Sky1/HD, 7.30pm

**COMEDY**

Terminal bachelor Moe has had enough of being every boozy bloke's sounding board when it comes to their marital problems, so he decides to teach them some lessons in life and love as Valentine's Day approaches. ★★★★★

Buzzer struggled for work after Britain's Got Talent

## The King Is Dead BBC3, 10.30pm

**COMEDY**

Simon Bird hosts the spoof comedy show in which three celebs compete to land the gig as replacement for, in this episode, a head of sales. The celebs are Eamonn Holmes, Kate Walsh and the blonde one from The Saturdays. ★★★★★

"OK, one rendition of I'm A Little Teapot, then you'll turn my power back on?"

## True Blood Channel 4, 10pm

**DRAMA**

Weirdo shaky thing Maryann reveals the extent of her powers, causing a full-on orgy at the local bar, Merlotte's. Meanwhile, Sookie has to deal with Bill's new baby vampire, Jessica, who she takes under her wing. ★★★★★

"Slinkies. Attack!"

## The Matrix ITV1, 10.35pm

Groundbreaking sci-fi flick starring Keanu Reeves as a computer hacker destined to save humanity from enslavement by a network of computers. Cue amazing special effects and a hot leather all-in-one worn by Carrie-Ann Moss! ★★★★★

● In the poster for the film, Mark Wahlberg and Will Ferrell both have badge number 10712 on their uniform.

● Allen Gamble (Ferrell) hums the theme to '70s cop show S.W.A.T. at his desk at one point – a nod to Samuel L Jackson, who starred in the 2003 film remake of S.W.A.T.

● Dwayne "The Rock" Johnson is afraid of spiders.

"Can you smell that?"  
"Just keep smiling!"

● Will Ferrell Has a brief cameo in *Naked Gun 33 1/3: The Final Insult* as a man chasing a lawnmower down a flight of stairs.

● *The Other Guys* is at cinemas across the UK from this Friday.
