If you won the lottery last week, head over to Paris sharpish!

he Paris Motor Show
has come a long way since
its 1898 debut as "The
International Automobile,

one of the most hotly anticipated
car bashes of the year, with top
manufacturers from all over the
globe keen to show off over 100
world premieres of their swanky

new motors! And with 80,000 square feet of France's Grand Palais to play with, that means lots and lots of supercars, not to mention almost two million petrolheads drooling over them!

So from Maserati to Maybach and Lotus to Lamborghini – sadly, Lada didn't make the cut – here are our pick of the bunch! **£TBC**

COMING TO GAMESTATION 8TH OCTOBER 2010

A QUICK WORD WITH...

Gary Lineker!

MOTD's host on Beckham, Capello and the ears - always the ears!

i Gary! You've written a book about the 2010 World Cup. Why were England so rubbish? You didn't see any of the players performing anywhere near their best, which suggests that the preparation was wrong. Tactically, there were massive flaws, too. Everybody else was playing two midfield players protecting their back four, allowing their more gifted individuals freedom to explore, whereas we played in the rigid 4-4-2 that didn't work. Everyone seemed to see it, except Capello. Wouldn't it have been more fun if - for the last fifteen minutes of the drubbing against Germany -Capello brought on some classic England players from the past, like Gazza or you? That really is a ridiculous question.

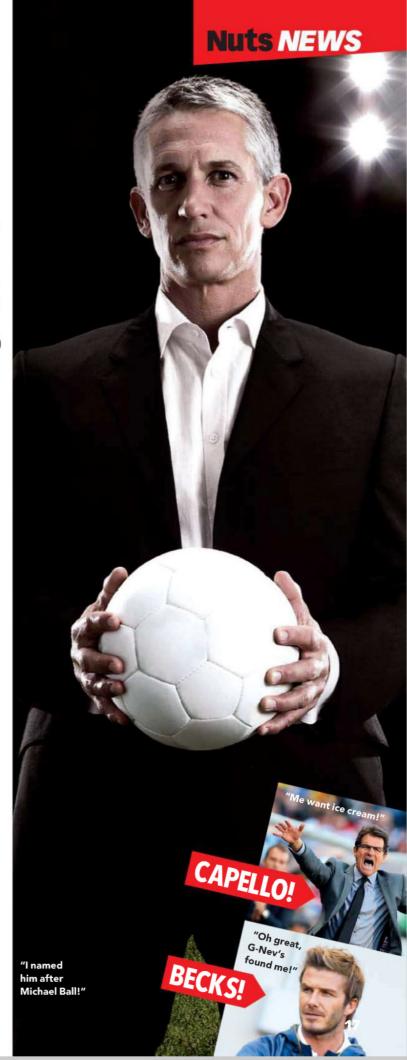

Thanks! But did you have your shorts on under your desk, just in case? Clearly not! But he might as well have sent me on. I couldn't have done any worse!

Capello also got a lot of stick for "firing" David Beckham during a TV interview, without speaking to him first. I don't know why he did that! He should've written to Beckham about the thoughts he had on the situation. He deserved that, at the very least. It was clumsily handled. To be perfectly honest, Beckham's 35 now, and he'll be 37 by Euro 2012, so he's very unlikely to play. But to do it without actually speaking to his player lacked a bit of class.

Did you see that Walkers crisp in the paper that looks like you? [Examining photo] Brilliant. It looks more like a fish, although there is a resemblance. It might be something to do with the ears! People thought you'd take over Jonathan Ross' chat show. If you did, would Hansen, Shearer, Lawrenson and Dixon be your "four poofs"? No. I don't know where that came from. I heard the rumour, but it's not for me. Apparently, Simon Cowell thinks your missus Danielle would make a good judge on Britain's Got Talent and The X Factor. She'd be great in whatever she does! She's friendly with Simon but she hasn't got a musical background, so it's unlikely. Have you met Nuts cover girl and BB winner Sophie Reade? She's been "romantically linked" to your son George. No, I've never heard of her. You're a Freeman of the City of Leicester, which entitles you to graze your sheep on Town Hall Square... Ah, that old question. I haven't bought any sheep just yet. Maybe I'll get myself a flock! Thanks for the chat, Gary! Last

Thanks for the chat, Gary! Last time we met, Nuts asked, "Big ears, big knob?" But we've all grown up now. Er, haven't we? Can't you think of any better questions? Why are they always about the ears?

THE TRUTH ABOUT SEX WITH... EMMA FRAIN!

Nuts girls solve your bedroom bother!

Email guestions to thetruth sex@ipcmedia.com

My bits are bald

I'm ginger and I shave my downstairs bits because I hate them, but I'm worried girls will find this strange. Will they? Ben, South Wales

I don't think it's strange because, apparently, it makes a boy's willy look bigger, so it should work in your favour. Or have you thought about some kind of dye to change the colour? But make sure you read the back of the box first before trying anything drastic. That said, if a girl really likes you enough to have sex with you, she shouldn't mind what colour your downstairs wig is!

Nuts Babes' **SEX TIPS!**

No.28: "Ice cubes can be fun! Trail them all over her before using them somewhere really rude!" Stacey

I go on for ages! How long should sex last in an

ideal world? Because I have to say, I'm worried I go on too long! Simon, Liverpool

I think it depends on who you're having sex with. Some girls prefer quickies and some prefer marathons. If your partner's enjoying herself, don't worry about it! In my opinion, though, anything over an hour without a break is probably pushing it, so give it a rest for a minute and then get back down to business!

Are long nails a big no-no?

I've got long nails because I play the guitar, but a girl recently knocked me back because of it. Why would girls be put off? Nick, South London

It depends how long they are! Maybe she thinks it looks a bit feminine. Why don't you just cut your fingernails off and use a plectrum if you're that conscious about it? Then this sort of thing wouldn't happen any more!

She's too hard!

My girlfriend's really rough when she gives me a hand job. I don't know how to tell her that she's really hurting me without hurting her feelings. What should I say to her?

James, Brighton

Be honest. The longer it goes on and you don't say anything, she's either going to break your willy off or it'll be awkward when you finally do pipe up!

INTERNAL MEMO

Operation Jackboots On Whitehall is a success. As we speak, the German army occupies London, and Herr Hitler prepares to arrive in triumph. Yet, still resistance remains. A small garrison of soldiers and civilians, led by the English Prime Minister Winston Churchill, masses at Hadrian's Wall, ready to repel our forces and defend Scotland. Operatives have retrieved film footage of their operations which can be seen at www.jackbootsonwhitehall.co.uk. In the meantime, take time to read and familiarise yourself with chief members of the resistance - and our own superior officers. Prepare for the final battle on 8 October and Heil Hitler!

Prepare for combat at www.jackbootsonwhitehall.co.uk!

i Professor Green! Your new single is called Monster. So, who's your favourite monster? Mr Hyde from Dr Jekyll And Mr Hyde. I like this whole idea that people can be one thing but, deep down, they can be completely different. How did you last a whole tour without trying it on with Lily Allen? Ha-ha! Ah, the lovely Lily Allen! She's beautiful but it's also her personality that makes her so attractive. She's intelligent, she's funny, she's witty. I'd love to get her out of retirement and work with her again, but it looks like she's going to be busy bringing up a kid for the next 18 years! Who else would you like to collaborate with? I'd really like to work with two producers Alex Da Kid who did B.o.B's Airplanes and Monobo, who's just signed to Ninja Tune. They're both wicked. You, er, "mention" Pixie Lott

in one of your songs. Has she

not talk about Pixie again or else I'll come looking for you!" You got stabbed two weeks after getting "Lucky" inked on your neck. Surely that was a bit unlucky? I'm not a fan of irony and it was definitely ironic when that happened. At least I had shot the Upper Clapton Dance video, so there's a record of what it looked like before. You can look at it two ways - either I was unlucky to get stabbed or I was lucky to get stabbed in the neck and survive.

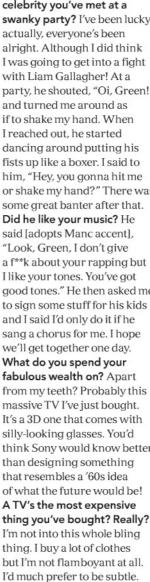

Could you beat Eminem in a battle rap? I've got a lot of time for Eminem. I grew up listening to his first two albums, which were amazing. He's a bit harsher on people than I am, so we're not so similar in that sense. That's a hard question, though. All I'll say is it's all very well sitting down writing lyrics it's a lot harder when you have to come up with things off the top of your head. I'd do alright! If you were a real professor, what would you want to be a professor of? Gynaecology! I spend a lot of time studying the female anatomy already! You had your teeth done. Would you consider any other cosmetic surgery? I'd get my

Who's been the strangest fan you've met? When I was in Edinburgh, these two sisters came up and asked me if I wanted to have a threesome with them. That was mental! And did you? You know what? When you're with your mates down the pub and an idea comes up like that, you all go, "Yeah, that'd be wicked!" But when the opportunity actually happens in real life, it's different. I just said to them, "What's wrong with you? You want to have sex in the same room as your sister? Nah!" Do you think fame has changed you? No, I'm no different. I still knock about with the same mates and they treat me the same as always they still call me a c**t! Thanks, Professor Green! Finally, you're a bit of a ladies man - how do you impress women? I love women but I don't try anything to impress them. I'm just nice. A mate of mine recently told me his best line-"Why haven't I f**ked you yet?" - so maybe I'll use that! Seriously, though, I wouldn't be interested in anyone who'd respond to that. I respect a challenge!

ROSIE

i Rosie! What was the last lie you told? I don't lie because I'm bad at it! I'm the kind of person where even if I'm telling the truth, I look like I'm lying. I reckon the last lie I told was to a bouncer when I was too young to get into a club! Who was the last person you saw in the nude? Probably Emma Glover. And before that, Stacey Massey. We're all going out tonight, so I've seen loads of naked girls on the shoot today, then I'll probably see them naked again later. It's just normal for me to see naked girls! Maybe I'll look back when I'm older and think, "That was weird!" If you could pick a different look for a shoot, what would you like to do? I'd like to do something totally different, like really dark. I want leather and whips and chains! I don't know if it'd suit me but we could let the Nuts readers decide! In general, do blokes want sex more than women? I don't know if they want it more, but women can control themselves better. It must be weird being a man! It is! If you could extend one part of your body, what would it be? Maybe my fingers. Then I could do more, like carry more bags when I'm shopping! What'd be your idea of the best ever Nuts interview? Get us girls to play "I've Never" and write down the answers. You'll learn our stories and we'll get drunk - everybody's a winner!

INDIA Reynolds

i India! When was the last time you told a lie? I lie all the time! Nothing too horrible, just like if you feel too tired to go out or something. And when I meet people when I'm out and they ask me what I do, I hate saying I'm a model, so I make stuff up. I say I've got an office job, or I work in insurance something. What's a normal day like for you? If I'm not working, I'll have a lie-in until about halften, then I'll get up and get ready for whatever I've got planned. Every day's different for me really. What's your funniest sex story? One of my friends went to the clinic to get the pill and the woman said, "How many partners have you had?" and my friend said, "None." The woman said, "Why do you need the pill?" and my friend said, "They weren't partners, they were mistakes!" How will you keep warm this winter? By having loads of sex! Apart from that, I'll have the heaters going full blast. My parents go crazy and say the gas bill is ridiculous. But it's cold! If you could pick a different kind of shoot for yourself, what would you pick? I'd like to do a bondage shoot with Rosie. I really like the sexy shoots with lots of sexy lingerie. I'd love to do a Christmas shoot, can I be in your Christmas issue? If you had a business card, what would it say? Just my name. Or a map of India, that'd be quite funny. It'd just say, "India Reynolds:

Gets Naked." That works!■

Description:

oor old Arsenal have struggled of late when it comes to goalkeeping, what with first-choice stopper Manuel Almunia practically throwing balls into his own net, and back-up Lukasz Flappy-handski hardly inspiring confidence.

So we decided to help the Gunners out. After hours (OK, minutes) in our special *Nuts* laboratory, we delivered our invention to Arsenal – massive goalie gloves!

Nuts SPORT

Arsenal fans' view

AARON, MILTON KEYNES What do you think of our

gloves? "I like them! We certainly need a bit of help in that department, and your gloves will save us from breaking the bank."

STEPHANIE, MEXICO Are you a fan of our goalie gloves? "I think

they're amazing! But to be honest, I don't think Manuel Almunia needs them – I think he's a great keeper just the way he is!"

CHRIS, NIGERIA
Do you like
our new mitts?
"I'm not all that
confident they'd

work. And if Almunia or Fabianski wore them, they'd look ridiculous! Arsenal need a new keeper and a defender as well."

WARREN, HACKNEY Would Arsenal win anything with these

gloves? "I think we might, yeah! I'm just gutted we didn't buy Mark Schwarzer. He's a world-class keeper."

LUKE, MILTON KEYNES Do you think our gloves will solve Arsenal's woes?

"With the keepers we have at the moment? No way!"

Match Of The Day still has a place in football!

et me start off by saying that I think *Match Of The Day* is an institution. It's had some stick recently from the likes of Stan Collymore, who said the format is tired and full of in-jokes, with no real opinions being shared.

Hansen and the boys know the game inside out" I don't entirely agree. Alan Hansen, Alan Shearer, Mark Lawrenson and Gary Lineker all know the game inside out, and have the trophies from their playing days to prove it.

Because I present Sky Sports' Goals On Sunday – something of a rival show to MOTD – I make a point of not watching the BBC show in case I find my opinions are affected by anything said. But I'll watch it afterwards, and I think it only needs fine tuning.

One of the issues I have with the current format is that Gary Lineker, one of the finest strikers England has ever produced, isn't given the chance to air his views, because his role is solely that of presenter. One of the best things about *Goals On Sunday* is that not only do I present, I also get to analyse incidents, then give my views on them. This is the real problem with *MOTD* – there's no discussion between panel members. It's a case of

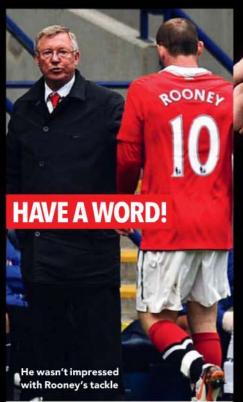

Alan Hansen giving an opinion and the others agreeing.

Another thing I like about my show is that I have direct contact with the managers. I'll call them or they'll call me to ask me to bring up incidents on the show, and we'll also have them on the sofa. Football fans have moved on in the last 15 years. They're more knowledgeable and expect some varied opinions. If MOTD gave them some arguments now and again, it could be great!

TALK TO FERGIE!

"Fergie dropped a clanger by 'resting' Rooney for the Everton game. Yeah, he was going to get stick but Ferguson fed the fire. Wayne should have played, took the abuse on the chin and showed everyone he wasn't going to be beaten. He needs to tell Fergie he'll stand up to whatever comes his way!"

2 BE A MAN!

"If a bloke working in a factory is caught cheating by his missus, he can't ring in and say, 'I ain't coming in, I'm having mayhem at home!' And yeah, maybe a factory worker isn't followed by the media, but at the same time, he ain't earning £100k every week. Respect the fans and they'll respect you!"

SEE FOOTBALL AS A REFUGE!

"Everyone knows I had troubles in my career but I can tell you they all went away the minute I crossed that line. All my problems went out of the window for 90 minutes - it was my release. Everyone's different but I think Rooney should see the game as his friend, rather than his enemy.

We poured this advice into a *Nuts* man's head and sent him online to try to win!

Deal or No Deal top tips!

eal or No Deal is a game enjoyed just by those who believe in a "system", right? Well, the TV game show might be, but the multi-line slot isn't!

For as little as 5p a go, you can win big – and if you're willing to play on all lines, you could win a progressive jackpot. In fact, one recent winner walked off with £1.4m!

And best of all? You can win big money in the comfort of your own home!

HOW TO PLAY

- The aim is to get winning symbol combinations from a spin of the reels, with the ultimate aim being to win the progressive jackpot.
- You can gamble up to 20p on each of the 20 pay lines.
 That's up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win cash.

THE NUMBER LINES

It's all self-explanatory – click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

DEAL OR NO DEAL BONUS GAME

If you're betting on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins. This is much like the *Deal Or No Deal* TV show, only the big progressive jackpot is at stake here. Don't be too greedy or, like us, you could end up with £8 instead of £100!

He won big!

Chris B won £456,168 on Deal or No Deal!**

"It's brilliant! I might move somewhere hot and buy a house. It hasn't sunk in yet!"

'He didn't just fix my leaky tap'

I met a cute plumber a few weeks ago so when my tap broke at home, he came round. I showed him to the sink and while he started work, I changed into a skimpy pair of pants, so when he emerged from under the sink, I was stood there in my undies. His eyes roamed all over my body and before I could say anything, we were passionately snogging and he'd hoisted me up onto the sink. Lifting my legs up, he pulled my knickers to the side and inserted a finger, shortly replaced by his tongue. I practically dragged him upstairs to finish the job and now, three months on, we're dating!

Lisa, Essex

'We had some X-rated fun'

I was a bridesmaid at my best mate's wedding last week and was really looking forward to the day, except for one thing. The bride's brother was the best man and years ago, we had an affair that didn't end very well. I was nervous about seeing him again and sure enough, he was pretty horrible to me. From the moment we met, he sneered at everything I said and generally made it clear he thought I was a bit annoying. Anyway, after the bride and

groom's first dance, I shot back to my room to retouch my make-up. Minutes later, there was a knock at the door and to my complete surprise, the "bridesmaid-hating" best man was standing there looking me up and down and he pushed me backwards into the room. Normally, I'd have told him where to go but the sexual tension between us was unbearable. He pinned me down, tore off my dress and kissed me all over. I loved being submissive and let him take control. After 20 minutes of X-rated fun, we joined the party downstairs and gave each other daggers for the rest of the night. No one suspected a thing!

Donna, Crawley

'He stripped me slowly'

I went away with some mates for the weekend and the girl I was sharing a room with threw a massive strop and stormed off from the group. Feeling upset by what had gone on, I sat in my room having a bit of a cry. After some time, one of the lads poked his head round the door and asked if I was OK because everyone else was downstairs in the bar. He saw my red face and swollen eves and gave me a huge bear hug. The next thing I knew. he'd taken my face in his hands and was kissing me gently on the lips. All my anguish faded away and I totally melted beneath him. I'd secretly wanted this to happen for weeks. He was so sexy and we stared at each other for a few

seconds before carrying on. I knew I should stop and go after my friend but I just couldn't help myself. We rolled about on the bed and as he started slowly stripping my clothes off, I noticed his erection was getting bigger. We did it for hours and I totally forgot about my sulking friend!

Karen, Devon

'We gave each other oral'

I work as a physio for a women's rugby team. One week, though, I got a call asking me to come down and treat some of the men's team as their usual physio had to rush off for some emergency. I'd always fancied the sexy scrumhalf but told myself that if he came in to see me, I'd be ultraprofessional. Some hope! Almost inevitably, he arrived complaining of a pulled hamstring, stripped to a pair of tiny boxers and jumped on the couch. He had strapping shoulders and big biceps. Nice arms have always been my weakness! After a bit of flirty chit-chat, he pulled me towards him and I didn't resist. We gave each other oral sex as quietly as possible. It remains the most thrilling point of my career!

ENSLAVED: ODYSSEY TO THE WEST PS3, XBOX 360

Post-apocalyptic men vs robots adventure that features some terrific writing and

acting (including Andy Serkis). The plot sees two mismatched humans

trying to negotiate a future where robots have gone mental. But it's all about the writing, characters and performances, which are universally awesome. The best new franchise of the year? Almost certainly.

TODAY'S MUST-SEES

Thorne: Sleepyhead Sky1/HD, 9pm

Decent British DRAMA dramas are few

and far between but it looks like Sky have bagged a winner with this crime saga based on Mark Billingham's book. Red Riding's David Morrissey plays DI Thorne, a troubled copper on the hunt for a baddie who gives his victims "locked-in syndrome", a nightmarish condition that leaves them paralysed and mute. The first of a three-part story, this is a proper police drama! ★★★★

Formula 1: The Japanese Grand Prix BBC1, 6am

SPORT Wake up! It's the 16th round of a season that's slowly slipping away from Lewis Hamilton. Can he, er, get back on track here? ★★★

The Only Way Is Essex ITV2, 10pm

The new reality show following a load DRAMA of Essex wannabes sounds boring,

until you notice one of said wannabes is sexy Sam Faiers, as seen in these very pages. Huzzah! ★★★

Live Darts Sky Sports 1/HD, 7.30pm

The final of the World Grand Prix from SPORT | The final of the vvoid Grand | Dublin, and we'll stick our necks out and predict that Phil Taylor will somehow be involved, defending the title that he won against Raymond van Barneveld last year. ★★★★

Andy Parsons: Britain's Got Idiots BBC2, 10.30pm

Join the bald funnyman as he goes through everything that he thinks is wrong with Britain today. It's a long list! ★★★

TODAY'S MUST-SEES

He's not much of meal, Vanessa, but he's all I could find"

Genius

BBC2, 10pm

Dave Gorman invites comic Richard COMEDY Herring along to discuss another

batch of not-so-brilliant ideas pitched from the studio audience. A new glove puppet and a cat-shaped catflap are among the brainwaves this week. ★★★

Ask Rhod Gilbert BBC1, 10.35pm

The angriest stand-up in Wales continues in his quest to answer the questions the public put to him. He's helped tonight by his flatmate, Lloyd, and Greg Davies, better known as Mr Gilbert from The Inbetweeners. ★★★

MacGruber

Sky Box Office/HD, from 6.30am

FILM A warring into this expecting A warning: if you go anything above and beyond puerile jokes, you'll be sorely disappointed. However, if you go in expecting the main hero to distract enemy hoodlums by stripping naked and shoving a stick of celery up his backside, you won't be. Will Forte plays '80s secret-agent throwback MacGruber, who's tasked with bringing down supervillain Dieter von Cunth (Val Kilmer). It's stupid and very rude, but we wet ourselves! ★★★★

The Inbetweeners E4, 10pm

COMEDY Will's left home alone when his mum goes away for the weekend with an old schoolfriend, so he makes sure to take advantage of the situation. Cue a wild time with the boys ordering stuff off the internet and raiding the fridge! ★★★★

Win all these games!

ODAY'S MUST-SE

England vs Montenegro

ITV1, 7.30pm

They're from a tiny SPORT country in southeast Europe with a population of less than one million, but England underestimate Montenegro at their peril. They, like England, are unbeaten so far in Group G, having racked up creditable wins over Wales and Bulgaria, and England are going to be lacking the services of several key players. It should be a routine victory for Capello's boys, but as we all know, what England should do is rarely what they end

up actually doing! ★★★★★

CSI: Miami Five, 9pm

DRAMA As the slick crime drama continues, the team face a race against time to save a condemned man from execution. The CSIs have

just 24 hours to re-examine a murder that happened 15 years ago. Hardly seems fair, does it? ★★★

Harry & Paul BBC2, 9.30pm

Sketch shows that don't fall firmly into the hit-and-miss category are rare beasts, but this is one of them! Tonight, we're treated to tactless Italian politician Gabbatore trying to find a mistress for the Brit PM, among other gems. ★★★

The Apprentice

REALITY Summoned & Heathrow airport,

the candidates get a big shock when their hopes for a sunny getaway are cruelly dashed by professional grumpyhead Lord Sugar, Instead, the two teams are tasked with designing and creating a brand-new beach accessory for the UK (er, why?). Then it's time to design a lovely poster, and pitch their mad invention to three big retailers in the hope of securing orders, all of which leads to another big boardroom battle for the losers. Incredible scenes! ★★★★

Leverage Bravo, 9pm

DRAMA The second series of the daft US action series continues apace, The second series of the endearingly with the ex-wife of main man Nate in dire straits in Kiev as she's framed for a jewel heist she didn't commit by a top US Embassy official. Tricky. ★★★

Californication Fiver, 10.50pm

It's the last in the series, and Hank's being plagued by nightmares in which he's in a pool, drinking and talking to the women he's slept with, who are naked and swimming around him. Er, and he calls this a nightmare? ★★★

Mad Men BBC4, 10pm

DRAMA Get your sharpest suit on, pour yourself a whiskey and settle down for another ace dose of '60s New York cool. This week, Don is up for an award, while the company's new art director gives Peggy the runaround. ★★★★

An Idiot Abroad

Sky1/HD 9pm

COMEDY Arriba! Arriba! Andale! Andale! Yes,

this week, orange-headed buffoon Karl is off to Mexico, and for once, he's not complaining. The wonder of the world he's hoping to view is Chichen Itza, the ancient Mayan temple built a thousand years or so ago. But first, he gets to experience a re-enactment of the crucifixion of Jesus Christ, a bout in the ring with some Mexican wrestlers and the neverending search for some elusive Mexican jumping beans! This is the finest moment so far of a brilliant series, so don't miss it! ****

The Simpsons sky1/HD, 7.30pm
The 22nd series continues as Grampa gives money to each of the family and they all spend it in dramatically different ways. That really young, really loaded co-founder of Facebook we're all really jealous of guest stars. ★★★

A League Of Their Own

James Corden does the funnies while team captains Jamie Redknapp and Freddie Flintoff try to answer sporting questions. Tim Henman and Chris Evans join the regulars. ★★★

"It's a stag d honey, why would go to a strip club?

True Blood Channel 4, 10.20pm

DRAMA More of the top vampire drama.
Tonight, Sookie travels to Dallas,

where she unites with one of her kind, while Jason's hard work at the Light of Day boot camp is rewarded. Humorous, violent and sexy. We love it! ★★★★
