Dear Nuts reader,

As I write this, there's snow fluttering outside the windows of Pinder Acres, a warm glass of mulled wine is in my hand – it's my third, to be honest, so pardon any spleling mistakes – and all is well. I can reflect on another year of marvellousness in the pages of the magazine that I call my home, the lovely Nuts. But I'm also planning even more sexy fun for 2011, working with a team of Nuts babes unsurpassed in saucy hotness.

On the subject of "saucy hotness", I must get working on the cranberry dip for Christmas dinner. But before I go, I must ask, are you a leg or a breast man, dear Nuts reader? Because if you're not a breast man by now, I'm definitely going to have to try harder next year!

Merry Christmas!

NUTS PRESENTS...

ON THE SHOW!

Merry Essexmas!

It's *The Only Way Is Essex's* Sam!

The most addictive show on our tellies this year has definitely been *The Only Way Is Essex*, and the hottest lady on the show is definitely bubbly blonde hottie Sam Faiers! So, as a special treat for you lovely readers, we got the Essex cutie to pop into *Nuts* Towers, strip off all of her clothes and turn herself into the sexiest bloomin' early Christmas present we've ever seen. Enjoy, gents!

Hi Sam! How much fun was it being our first Christmas present of 2010? I loved it! We had a bit of a nightmare trying to keep everything covered up, so it was a relief to get it off in the end!

We bet! What's so great about Essex? Essex has had a really bad reputation over the years, and it's not as bad as people make it out. There's a certain crowd who like to be glamorous, get their nails done and look nice, and we just

wanted to show this side of Essex to the nation, because nothing like this has ever been on TV!

What would an Essex girl want for Christmas? To be honest, an Essex girl would probably want a Rolex or some Louboutins [shoes that cost as much as a small car]! Whether or not they get them is something else, but you might as well aim high. Even if you don't get some Louboutins, you might get something almost as good!

Can you explain the process behind the "vajazzle"? It's a transfer of Swarovski crystals that you put onto your bikini line. It's normally for a naughty weekend away, or a Valentine's or Christmas treat for you and your fella. It's not something you'd have done every week!

Could you have one done in the style of the *Nuts* logo? Of course! You can buy packs of letters and spell out whatever you want. We should do that – *Nuts* girls get *Nuts* vajazzles!

Have you had a Christmas vajazzle done? Me and Amy [the show's make-up expert] were talking about this and thinking about trying to make a special Christmas tree or something like that. It's all a work in progress!

Have you been naughty or nice this year? I'd say nice! I've had an amazing year with the show and everything else, so I haven't had time to be naughty. I definitely wouldn't be on Santa's bad list!

Thanks, Sam! Finally, do you have a Christmas message for the *Nuts* readers? I hope everyone has a super-sexy Christmas, and make sure you tune in on Christmas Eve for our Christmas special – we'll be putting the festive sex into Essex!

Aussies become Brits for the Ashes!

How can Australians not lose the Ashes? By taking British nationality!

You have to feel for the Australians – after all, they're about to receive an Ashes stuffing on their home turf from England, for the first time since 1986-7.

Well, to prove once and for all that *Nuts* is the magazine that really cares, we decided to do the decent thing and give a load of Aussies the chance to defect to Britain so they can cheer on the winning team again!

So it was off to the Walkabout pub with a load of *AN British Naturalisation* application forms, plus some "instant Brit" kits containing Union Jack hats and, of course, copies of *Nuts*.

We suspect that our sexy customs clerk Stacey may have swayed them, but a bunch of Aussies queued up in the cold to renounce their Aussieness and become British subjects. Fair dinkum, as they no longer say!

ALYCE, 19, MELBOURNE
"I'm happy I swapped nationalities for the Ashes, but now it's going to be hard not to say 'strewth' when more Australian wickets fall!"

CHRIS, 36, KALGOORLIE
"I feel like I'd rather be any other nationality than Aussie at this moment in time – except a Kiwi – so thanks for that, *Nuts*!"

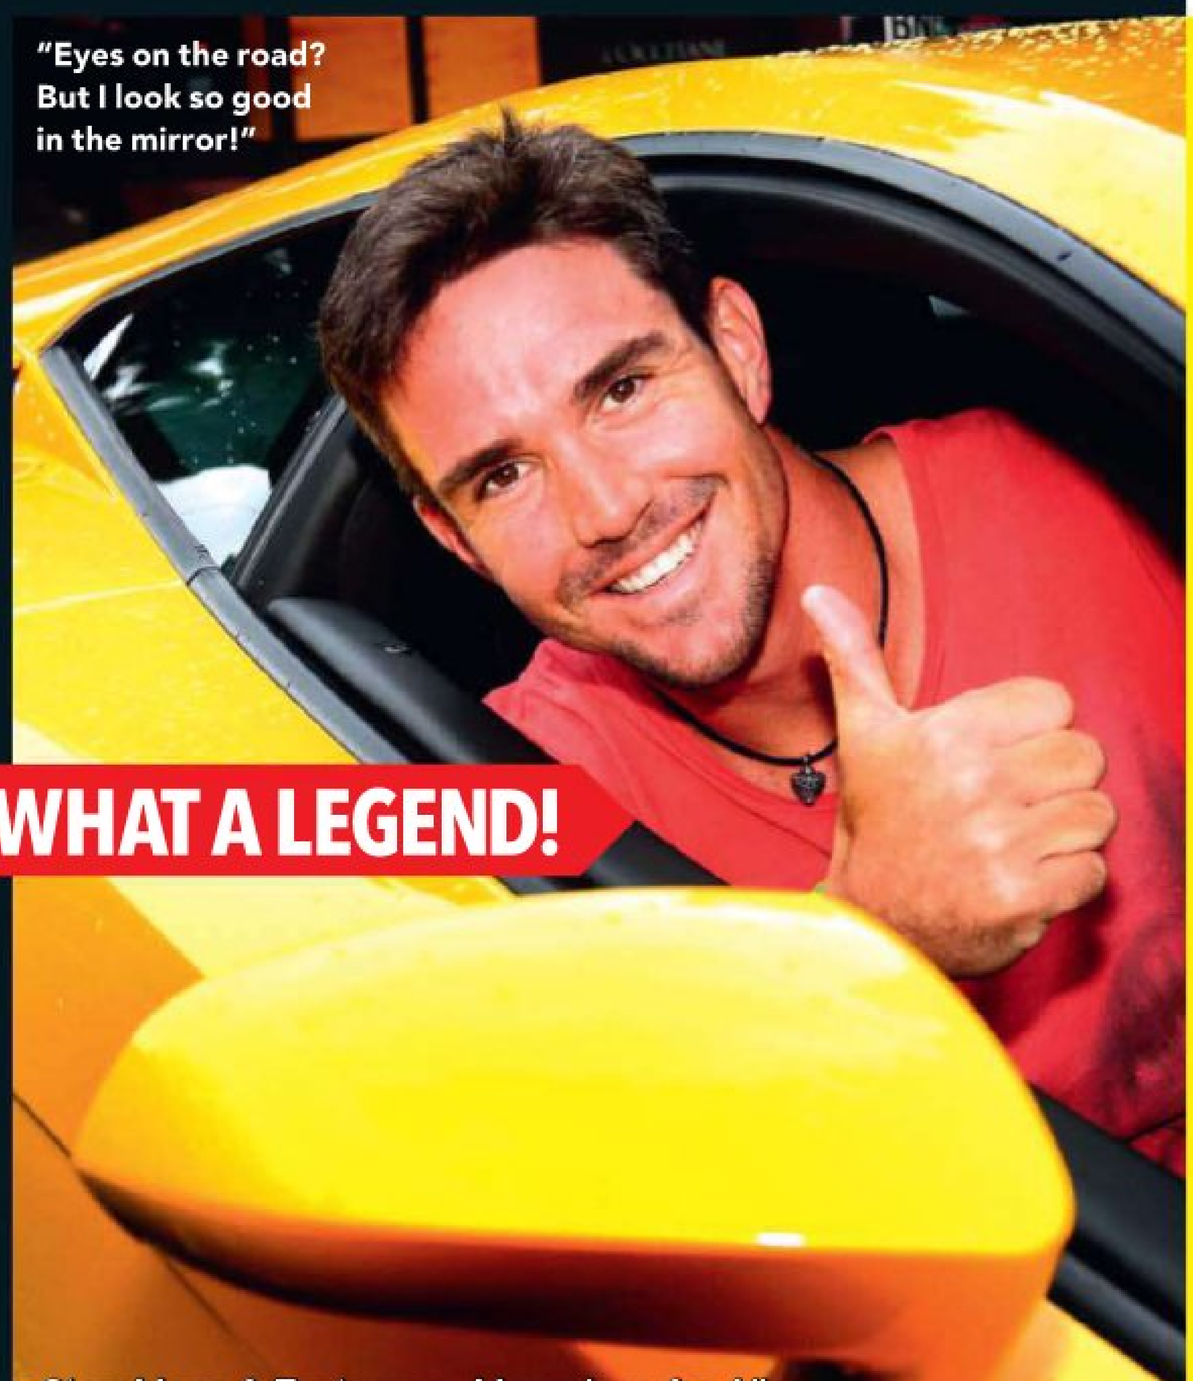
That's how you celebrate the Ashes!

Kevin Pietersen. Still a *Nuts* legend!

Cricket legend Kevin Pietersen announced his return to form with a monster 227 stand in the Ashes – his highest Test score – almost single-handedly grabbing victory in the second Test.

To celebrate, his chum Shane Warne arranged for KP to spend a few days cruising Adelaide's Gold Coast in a £140k Lambo Gallardo LP560-4. It started off nicely – "Stunning beaches on The Great Ocean Rd. Gorgeous drive!" Pietersen tweeted. "Massive thanks to Lamborghini Melbourne & @warne888 for letting me play with this."

Then it all went a bit pear-shaped, with the lead-booted batsman obviously enjoying the 560bhp V10 a bit enthusiastically, as he was stopped by the Aussie plod and handed an immediate £150 fine for speeding. Send us the bill, Kev – we'll be more than happy to pay it for you!



"I shouldn't have written my shopping list on my arm!"

Lambo LP560-4 facts!

- The 2008 Lamborghini Gallardo LP560-4 was the direct replacement for the standard Gallardo, Lambo's most successful model of all time.
- **The Lambo will do 0-62mph in 3.7 seconds.**
- It'll go over 200mph!
- **This is courtesy of its 5.2-litre V10 direct fuel injection engine, which spits out 560bhp, giving the car its name.**
- Fuel consumption and emissions have been reduced by 18 per cent, so it's green, too! Kinda.

UNDER FIRE!

BRIDGE HERO!

Nuts EXCLUSIVE!

It's Chelsea vs

We chat to two Premier League legends ahead of the big match!

Drogba: "We will fight like warriors!"

Hi Didier! Have Chelsea thrown away the Premier League title? I don't believe so, no. It's too easy for people to make judgements over a short period – it's what we do over the whole season that counts.

But you must be pretty gutted at the Blues' recent form? We have to be honest with the fans and ourselves and say we haven't been playing well. We can make excuses about injuries – and there have been many – but the truth is that we haven't performed like we should. From now until the end of the season we must do better.

You mention injuries that have hit the squad hard. Have they come about because Chelsea are a bit long in the tooth? I'd say this squad is younger than in previous seasons. So much is said about age in football in this country. I really don't think our difficulties have anything to do with age. In fact, age can be good! Age brings experience.

What does your own experience tell you about this title race? That it's never over. If we fight like warriors over every single point from now until the end of the season we can definitely do it. We've had poor periods of form before and always bounced back. I believe we can do the same. You have to have faith in what you do.

It's been a difficult time for your boss Carlo Ancelotti. Is he still the right man for the job? Of course. He's our manager and we support him. Football today means there is always speculation and negative stories around a club and the coach if results are not right. This is always unfortunate, but the facts are that we're an excellent group of players who can win many games to bring us the title.

What about yourself? It's been a bit stop-start for you after your bout of malaria! It's been frustrating because it meant I lost power and condition in many games. This is a disease that means you cannot get to 100 per cent, no matter what you do. I played through it and it affected my goal-scoring. I feel better now so, hopefully, more goals will come.

Thanks for the chat, Didier! Final question – at 32, have we seen the best of you? Always the age questions! I can honestly say I feel I can keep going for many seasons still. I'm certainly a better player than I was ten years ago! My job today is not always to just score goals but to help the team as much as I can in many ways – this is where my experience comes in. I think this can continue and Chelsea will win more trophies with my help!

BERBA'S ON IT!

MANC LEGEND!

Man United!

Giggs: "I'm hungrier than I've ever been!"

Hi Ryan! You've just reached 37 – any sign that you might want to put your feet up and enjoy a long, comfy life on a beach or something? No, not yet! You're a long time retired so I just want to take it one year at a time and monitor it as I go along. If I stay fit, keep playing OK and still have a role in the team, I'll keep going. But I never dreamt I'd be playing at this age, if I'm honest.

Twenty-three years at the same club. That's a bit mental, isn't it? To me it isn't. United are the best club in the world and I've never wanted to leave. Of course, over the years I've had opportunities to go elsewhere, but I appreciated what I had. I've been privileged.

You've won 11 league titles, four FA Cups and two Champions Leagues – isn't that greedy? Ha-ha! No! Keep 'em coming.

Seriously though, what keeps you going? I still love football, it's as simple as that. Yeah, I've been lucky to win things in my career but I'm hungrier than ever. When you get to my age, you know the end's coming sooner rather than later so you want to squeeze every last drop out of your career.

You've seen a lot of players come and go. Doesn't it make you feel, well, a bit old? I *am* old! To think that I started out with legends like Steve Bruce, Bryan Robson and Mark Hughes in the dressing room and now to be playing all this time later is amazing. The great thing about United is that even when the players change, the club stands for the same things.

A lot of that must come from Fergie...? United was a great club before the manager but he took it to a new level. He lives and breathes Man United and lets us know that the club's more important than anything.

How does this United side compare with the great ones of the past? I've played in some fantastic United sides but these didn't come together overnight – we had to build them and develop what we had. It's the same now – we've got some fantastic young players who I know will get better and better. I'm sure we'll see another great United side out of this group.

What does the future hold for you? Well, I'd like to win the title and the Champions League this season! I'll keep going as long as the manager and I think I can do a job. I'm taking my coaching badges so that's maybe a route I can explore but, at present, I'm a Man United footballer. And I couldn't be happier about it!

Hardcore track Ferrari Italia!

458 Challenge is the manliest Ferrari in years!

- As if the 0-62mph in 3.4 secs of the original Ferrari 458 Italia weren't quick enough, the 458 Challenge takes things up a few rungs on the nutcase ladder.
- **The purpose of the Challenge edition cars is that they're instantly eligible to race in Ferrari's one-make series.**
- An out-of-the-box street-legal race car, the Challenge has been built using a pick-and-mix of "normal" Italia road car and raw competition-spec parts.
- **The Challenge will weigh less than the 1,485kg Italia thanks to thinner composite body panels and most glass replaced with Lexan plastic.**
- Not that it needed it, but the Italia's suspension has had a work-over in the name of track attacking. Rubber suspension bushes have been binned in favour of solid aluminium parts, while the springs and shocks are stiffer on the Challenge.
- **The seven-speed double-clutch transmission with F1 paddle shift will scream through the gears, giving a 0-62mph whack of nearer 3.2 seconds, and a top speed of around 180mph.**
- With ride height also dropped 50mm in all four corners, the Challenge is stiffer than a fainted Gillian McKeith.
- **The Challenge comes equipped with a pit-stop-friendly set of quick-release 19in rims and Pirelli slicks.**
- Behind the wheels sit huge Brembo CCM2 brakes, which have been borrowed from the track-only 599XX model.
- **The twin-clutch gearbox has been given shorter ratios and tweaked to deliver more grunt from lower revs, so the 4.5 V8 reaches its 9,000rpm red-line scream faster.**
- Buttons on the steering wheel remind you that Ferrari's E-Diff clutch-control and F1-trac traction-control electronics are there to give maximum grip at all times. These can be adjusted depending on the conditions.
- **Ferrari tech blokes claim the Challenge generates up to 1.6g of lateral force, and that it laps their local Fiorano test track 8.5 seconds faster than the regular Italia.**
- Ferrari won't reveal the cost yet, but don't walk into a prancing horse dealership with less than £200k in your suitcase!

A QUICK WORD WITH...

James Buck

It's "the sweary one" from *The Inbetweeners*!

Hi James! How does it feel to be playing a young Del Boy in *Rock & Chips*? It's alright, isn't it? It's always fun being someone you're not for the day. I think you can over-think it at times, though.

You've met David Jason. What did he say to you? Did he give you any tips? He didn't really give me any tips. We just had a chat and he told me stories about when they made the original. It was very interesting seeing David Jason, Nicholas Lyndhurst and John Sullivan all together talking about the show.

How is being on the set different from being on *The Inbetweeners*? There are more adults, I guess! And as an actor, it's very important to work with people who can act for a change!

***Rock & Chips* is a bit more serious than *The Inbetweeners* though, presumably?** I think so, but it's probably fair to say that for any set. It doesn't get much sillier than *The Inbetweeners*!

What stuff did you get up to when filming *The Inbetweeners*? Oh, it was constant! We were always just mucking about, not taking anything seriously. It took us ages to get anything done. All I wanted to do all day long was push Joe Thomas [who plays Simon] in the sea to see if I could make him snap! We basically did everything other than the job we were meant to be doing.

Is it harder to be Del than Jay? Not at all. All I did was watch the old *Only Fools And Horses*. Before we filmed *Rock & Chips*, I watched a series each day and looked at the way Del Boy talks and walks, then I tried to weave that into what I was doing. It's not that hard, is it? If I can do it, anyone can!

You're a Crystal Palace fan. Not doing so well at the moment, are they? Not really, no! I've not looked at the league table for a few weeks now! I've not had a chance to get up there this season, which is a shame. There's not much to say about Palace at the moment, is there? I'm not sure about George Burley. The players need a bit of a kick up the arse and a bit of passion and pride, and Burley isn't that type of manager. I'm sure they wouldn't be down the bottom if Neil Warnock was still there.

What about other stuff on TV – did you catch *I'm A Celebrity...*? Yeah, I watch that! This is the first year I've watched it properly. Shaun Ryder should've won it!

What do you think of Gillian McKeith? I can't believe there's someone in the world who exists like that! If she was putting on an act, she should act as someone nice. She's coming across as a really spoilt and fussy woman. She's like a six-year-old! I can't believe there's an adult who acts like her. And for someone who's into nutrition and eating healthily, she looks like she needs a few chocolate bars!

Would you ever do that show? No. I'd be so miserable and bored, and I wouldn't be able to eat anything. I'd probably get on people's nerves. I don't think I'd be very interesting to watch.

You'd probably be more interesting than Aggro! Ha-ha! I thought he might win because you forgot he's there! If someone asked who you wanted to vote off, you'd forget who he was!

Moving on, what's the strangest thing you've ever been asked to sign? Probably a girl's breast.

"For sale? No, we're just taking our DVDs for a walk, officer!"

It was incredibly embarrassing. I was in Northern Ireland doing a bit of DJing and she asked me – I think because people see me on the TV, they think I'm really interested in that stuff.

You must get people thinking you're Jay a lot of the time. Yeah, but you can't really moan about that. I don't go to clubs much but in the street people still shout, "Bus w*nkers!" or "Clunge!" at me. But it's alright.

Do you still find it funny? Well, it's nice because it shows people are watching *The Inbetweeners*, so I don't mind it.

Is there any actor you'd really like to work with? Yeah, there are loads. Er, off the top of my head, I'm going to say Tom Cruise. I think that'd be really interesting. I like his films and my girlfriend loves them. I tried to buy a signed *Top Gun* DVD at a charity auction but my girlfriend said it wouldn't go up anywhere, so I didn't get it.

I think it'd be interesting to work with him. He's a bit odd, isn't he?

Thanks, James! Finally, we hear you've given up on Twitter. Yeah, I didn't want to bore anyone any more. And I never really said anything that interesting on there. It was just a laugh for me, but it gave lazy journalists a chance to write a story about something I've said. Also, people disagree if you've got the slightest opinion on something, even something really stupid like your favourite colour. If you said "blue", a lot of people would write something disagreeing with it. I just didn't want to bore anyone any more, so I shut it down!

Rubbish panda man!

Humans in panda outfits – unconvincing. Baby pandas – gullible!

Here at *Nuts*, we love our job – after all, we can eat crisps at our desk and occasionally get to have the heating on. But we still envy this chap in Sichuan Province, China, who spends his week as a professional baby panda-fooler.

His job is to reintroduce baby pandas to the wild, and to do so, must ensure that the pup does not depend on human influence. How to do this? Carry out your daily duties in a panda outfit!

And the ickle baby pandas know no better. Either that or they're just too polite to say, "Mate, no offence, but that outfit is *pants*." We can't do the accent.

A woman's on the way to winning £100,000 on a game show, but her final question's suspended until the next night.

Her husband sneaks into the studio and finds the question and answer. He races home and tells his wife, "Your question is, 'What are the main parts of the male anatomy?' and the answers are, 'The head, heart and penis.'"

He keeps reminding her but come the show, she's forgotten again.

The presenter asks, "What are the main parts of the male anatomy? You have ten seconds."

"Er… the head?" she guesses.

"Good. Eight seconds," continues the presenter.

THE TRUTH ABOUT SEX WITH... LUCY PINDER

Nuts girls solve your bedroom bother!

Email questions to **thetruth_sex@ipcmedia.com**

Pick her up at the party?

There's a fit lass I like in the office and I'm thinking of targeting her at the Christmas party, when she'll probably be a bit tipsy. What do you think?

Ed, Welshpool

It's a bit predatory waiting to get her when she's drunk! If you like someone in the office, it's better to ask her out, then you'll get an honest idea of how she feels.

Festive lingerie?

I was thinking of getting my lady some "festive" underwear for the bedroom, but my mates all say it's a bit cheesy and naff. What do you think?

Steve, Keswick

Personally, I think she'll find it a bit pointless to own underwear that's just for Christmas! Always go for nice underwear, but don't theme it in any specific way. I'd recommend getting some Elle Macpherson lingerie – her bras go up to bigger sizes like mine and it's always nice!

Peck or snog?

If a girl allows you to give her a kiss under the mistletoe on Christmas Eve, is it OK to go for a full-on snog?

Paul, Wolverhampton

Not necessarily! I wouldn't go in tongue-first, whatever you do! In a situation like this, you probably need a few more signs than just the acceptance of a smooch under mistletoe – loads of people will be doing that!

Too soon to buy her sex toys?

I've been with my girlfriend for three months and I'm thinking of getting her a sex toy for Christmas. Do you think she might find it a bit full-on?

Phil, South London

The fact you're asking shows you doubt whether it's appropriate, so don't go for it. She might like it and be up for it but if you're not sure, it's best to play it safe!

Nuts BABES' SEX TIPS!

No.32: "As it's the festive season, treat your lady's downstairs bits as if they were covered in mistletoe and give the whole area soft, tender kisses!"

Nuts Review of the year!

What a random year, eh? From volcanic ash to a dismal World Cup, there's been plenty to talk about – so we got Radio 1 DJ Reggie Yates, telly loon Keith Lemon, comedian Kevin Bridges and our very own Kammy to do just that!

StoreMags - Free Magazines Download in True PDF format

INTERVIEW: NICK SOLDINGER PHOTOS: ELLIS O'BRIEN, GETTY, XPOSURE, REX, THE SUN/NEWS INTERNATIONAL

StoreMags.com

Hi guys! Right, first up – between them, John Terry, Ashley Cole and Wayne Rooney have been very naughty boys this year, dangling their bits in ladies they're not supposed to. But who's the biggest cad? Who's the bounder? And who's the scoundrel? And why?

Keith: What's a cad? Oh, you mean a scumbag.

Reggie: We're rating them as b*stards, basically.

Keith: Yeah, they're all b*stards!

That's not what we said!

Keith: I think they're all b*stards! All their wives or birds are tidy. So what are they doing going with horrible prossies that probably stink of fish? Didn't Ashley Cole go with a trog?

Reggie: He had a couple of different ones, allegedly.

Keith: But look at Cheryl Cole, she's fit as f**k. I'd absolutely destroy her! And the other one.

Reggie: Coleen Rooney?

Keith: Yeah! I met her at V Festival and she was fit as well. She's right tidy. I'd smash her back doors in three times a day. She's fit as f**k!

Moving on...

Keith: So, is a cad a man with a golf bag?

No, that's a caddy!

Keith: Isn't that what you said?

No, a cad. Think dastardly gent...

Kevin: I think we'll use the word b*stards. I like that! So we'll have like proper b*stards, b*stards, then slight b*stards.

Reggie: Right, I'm going to say a proper b*stard is...

Kevin: John Terry.

Reggie: Really?

Kevin: Aye. Even before he done it, he was a proper b*stard!

Reggie: Because of his face?

Kevin: He's just a sh*t guy! Sorry, Chris – you're mates with them all, aren't you?

Kammy: I'm mates with them all, yeah.

Kevin: There's just something about his face that irritates me.

Keith: The b*stards.

Kevin: I'm not really that big a fan of Cheryl Cole.

Keith: But you'd still have a go on her, wouldn't you?

Kevin: Yeah, obviously. I'd... what was it Keith said earlier?

Kammy: You'd smash her back doors in?

Kevin: Yeah, I'd do that!

Good grief! Can we please get back to the question...

Kammy: You can't really blame any of the boys because it's the wee head controlling the big head, so there's nothing you can do about that.

Reggie: Yeah, but come on! You should know better. The thing is, Wayne's probably the least bad one. But he got bloody lucky!

Kevin: The thing is, people forget Cheryl Cole beat up that toilet attendant at a bar a while back. She's supposed to be the people's princess! I've come to the conclusion that she's Dolly Parton on the outside and Joey Barton on the inside!

OK, next topic. The ash cloud...

Kammy: Are we back onto Ashley Cole again?

Reggie: A cloud of STIs over Essex that he's left behind!

Did you get stuck anywhere interesting?

Kevin: I was just watching it on Sky News in the morning about someone who was stuck in Majorca and trying to get back to East Midlands Airport. My heart bleeds. I was stuck in Scotland!

Keith: I didn't think it was a problem, me. I just thought you could have a longer holiday. But I think a lot of people moaned because they couldn't afford to stay on holiday and some of them had to become prostitutes so they could pay the bills. ➡

MEAT DRESS!

"The vuvuzelas were so ridiculous, you had to laugh!" REGGIE

Right, the World Cup – what absolutely rocked about it and what was rubbish?

Kammy: England were rubbish! But what rocked about it was South Africa. It was brilliant.

Keith: I've been to South Africa. Didn't like it, me.

Kammy: Why?

Keith: Too windy.

Kammy: Where did you go?

Keith: Cape Town, and it was so windy, I f**king had an argument with myself and had to go back in me room and watch *Gremlins* on me phone to calm me down.

Reggie: The best and worst thing were one and the same – the vuvuzelas. It was the worst thing about it but also the best because it was so bloody ridiculous, you just kind of had to laugh.

Kevin: They should make *Vuvuzela Hero* for the PS3. Also, the look on Iniesta's face when he scored in the final restored me faith in the passion in football.

Reggie: Actually, I'm going to change my mind. The worst thing was seeing Ghana go out because my family are Ghanaian and I think the entire country became Ghanaian for about an hour and when that crap happened [Uruguay's Luis Suarez handled the ball on the line and effectively knocked Ghana out], it was awful.

Kevin: I was watching with a mate from Guinea and he was crying at the end. It can convey how a continent can be so united but if, like, Austria had been beaten, I couldn't give a f**k. You need to see it from that guy Suarez's point of view. He's done his bit for his country, hasn't he?

Reggie: He's a hero now. If an England player did that, what would you think, Chris?

Kammy: He'd be a hero if we got through to the next round.

Reggie: If he handled the ball on the line?

Kammy: It's instinctive. It's not something you plan in your head before. It just happens.

Reggie: If Rio did that in the semi-finals for England and handled the ball, would you say that was alright? Would you support that?

Kammy: Not in the way Thierry Henry handled the ball, no, but in the way Suarez handled it, yeah. Henry's was deliberate. He knew exactly what he was doing and got away with it, but what

OUR PANEL!

They relived England's World Cup bid highlights

"Why was the main guy in Avatar in an NHS wheelchair?" KEITH

"He's having the zip-line dream again!"

"Er, there's something in my Slush Puppie!"

Suarez did was something instinctive.

Keith: I didn't watch the World Cup. I saw a Leeds reserve game once when I were ten and I went "Football's sh*t." I went with a mate and he went, "You're a poof, you don't like football," so I said, "I'll f**king be a poof then!"

Lady Gaga's meat suit at the MTV Awards was interesting. If you were invited to such a prestigious event, what foodstuffs would you choose to dress in and why?

Kevin: Two Kinder eggs and a Peperami, but a Peperami Wide Boy – do it a bit of justice!

Keith: I've worn that meat suit twice this year because of her! On *Celebrity Juice*, they had me in a suit made of meat and I had pepperoni buttons and a sausage for me d*ck. But it's so heavy!

Right, Big Brother ended this year. If they made one last celeb version and you got the nod, who would you hate to be in the house with?

Kevin: Do you know what they should have done? They should have put people in the house with no cameras and left them there!

2010 was the year of 3D and Nuts did a 3D issue, which we're sure you all noticed. What's your favourite dimension?

Kevin: It sounds like a nightclub in Burnley!

Keith: I didn't like *Avatar*. I couldn't work out why the main character was wheeling about in an NHS wheelchair! They've got hoverboards in *Back To The Future*, but in *Avatar* times, you've got an NHS wheelchair!

OK, last question. The X Factor – is portly Brazilian Wagner as good at music as 19th-century German composer Wagner?

Kevin: I'm out.

Keith: He's rubbish but he was good to watch. Like Jedward. I've met 'em. Their hearts are in the right place but their brains are in their ass, but they're great to watch and so's Wagner.

Kammy: If Wagner was singing at the pub, would you go watch?

Everyone: Yeah!

Thanks for coming along chaps and merry Christmas!

JEREMY CLARKSON

THE STARS GRILL...

NUTS EXCLUSIVE!

CLARKSON!

Our mates ask *Top Gear's* main man the big questions...

Hi Jezza! As it's Christmas, we've been busy asking famous people, "What would you most like to ask Jeremy Clarkson?" "OK. I hope I've heard of them. Shoot!"

StoreMags.com

JENSON BUTTON ASKS:

Why have you got such silly hair?

"Because I spend less time at the hairdresser's than he does getting his highlights. I concentrate on more important things than my hair, unlike F1 drivers!"

TINIE TEMPAH ASKS:

Do you get to keep all the cars you talk about on the show?

"Do you know what? No! That would be idiotic!"

JAMES MAY ASKS:

Have you ever used a hair product? "He knows the answer to that. And I know he hasn't, either. The other one, however..."

JAMES BUCKLEY ASKS:

Do people complain when you sit in front of them at cinemas? "Yes. And they throw popcorn at me as well."

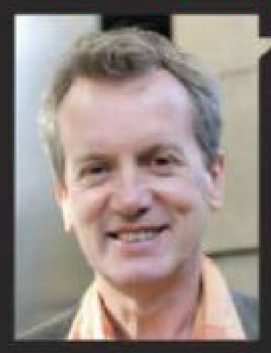
James told us you did sit in front of him at a cinema once. "Can you apologise profusely to him and thank him for being very funny? *The Inbetweeners* is by far the funniest thing I've seen on TV in years!"

PIERS MORGAN ASKS:

How's your little finger on your right hand?

[Jezza once had a punch-up with him] "It's not my little finger, it's the second one. [Shows lump]. How's his face?"

FRANK SKINNER ASKS:



Have you ever actually put gloves in a glove compartment?

"I don't think anybody's done that since 1921!"

MRS CLARKSON (YOUR WIFE) ASKS:

When are you going to agree I'm better at DIY than you? "She knows full well she's better. That's why I never attempt any DIY. Well, sometimes I'll attempt a project but she just ends up having to finish it!"

AL MURRAY (THE PUB LANDLORD) ASKS:

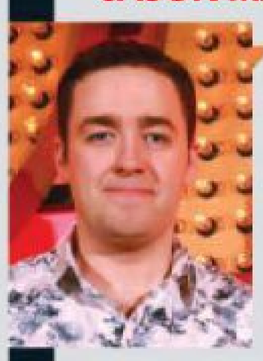
What's your favourite tank?

"Oh, same as his. Well, actually, he likes the T34 with the medium-sized gun. A T72's a good tank but the Leopard's probably my favourite as it's the fastest. I've only ever had one conversation with Al Murray and it was about tanks. Good conversation, that!"

BEAR GRYLLS ASKS:

Fancy an adventure together? "Yes! We could get dressed up in bear costumes!"

JASON MANFORD ASKS:



Where would you be in the Star In A Reasonably Priced Car leaderboard?

"I'd say top, but now Tom Cruise has set 1min 42.2secs, I don't think I'd beat that. I know that track so well, I could do it blindfolded. He was ridiculously fast!"

SHAUN WRIGHT-PHILLIPS ASKS:

What's the best car you've ever driven?

"Mercedes SLS. That's a boring answer. It's the car I like the most. The best is probably a Ferrari 458."

ALAN CARR ASKS:

Have you got a big penis?

"Do you know what? No. But at least it's thin."

LOUIS WALSH ASKS:

Why the obsession with American rock?

"Louis and I share a love of Bob Seger & The Silver Bullet Band."

Er, who? "Ring Louis and ask him. He may sit listening to drivel all day for a living but he knows his music. I saw them live in 1976. Mind-blowing. I'll put them on now if you like." ➡

JEREMY CLARKSON

VINNIE JONES ASKS:

Why haven't you come shooting with me?

"Unfortunately, I work for a living. If I could get a gig in California, I'd love to!"

JOHNNY VEGAS ASKS:

Have you stopped being such a nob about that lighthouse on the Isle of Man?

"Has he stopped vomiting in teapots? Some people want to put footpaths in and I've said no. I don't see why people should be allowed to come and sit in my kitchen."

MITCHELL AND WEBB ASK:

Do you wear nappies because your climate change denial smacks of an infantile avoidance of responsibility?

"... Or another opinion. I didn't know they were ecoists. Ah, they're on the BBC. They must be ecoists!"

EXAMPLE (THE RAPPER) ASKS:

Who would you have around for a fantasy celeb dinner party?

"Example? That's his name? I must ring my daughter, she'll want to have him round! Her iPod's full of rappers. So him! I prefer to invite my neighbours. I like the fact they can leave!"

FRANKIE BOYLE ASKS:

Why did you say truck drivers murder prostitutes when actually they murder a whole range of social classes?

"Ha-ha! That's very funny. Just put that!"

TIM VINE ASKS:

What's your favourite car joke?

"I don't do jokes. I've never told a joke and I've never laughed at one. I'm not a parrot!"

LINDSEY STRUTT ASKS:

What are you really like under the bonnet?

"If she's talking about a car bonnet, I'm terrible. If she means a Jane Austen-type bonnet, I'm not great, either!"

KITTY LEA ASKS:

If you were Prime Minister, would you enforce a driving retest for over-65s?

"That'd cost a lot because they'd have to employ people, so taxes would go up. So, no. If I ran the government, there'd hardly be any government!"

TOM MEIGHAN FROM KASABIAN ASKS:

Where do you get your hair cut?

"Wherever someone's got a pair of scissors handy. I'm not exactly fussy!"

JEFF STELLING ASKS:

Why can't I be as tall as you?

"Is Jeff small? Sorry, Jeff. I do like being tall, though – until I get into the back of a plane, anyway!"

JIMMY CARR ASKS:

You seem to just be three old men p*ssing about – Is *Top Gear* based on *Last Of The Summer Wine*?

"Yes! Or *Last Of The Summer Gear* as it's known in the office."

RHIAN SUGDEN ASKS:

Do cars actually

"Not even slightly. Only women do that!"

SOPHIE HOWARD ASKS:

Can you show us your sex face?

"No."

Turn you on?

MATT SMITH (DOCTOR WHO) ASKS:

Can I be a Star In A Reasonably Priced Car? I want to beat Cruise and Diaz! "Yes!"

ROCHELLE (THE SATURDAYS) ASKS:

Can we come on your show?

"Yes! I like The Saturdays."

GARY LINEKER (SLIGHTLY MISSING THE POINT) SAYS:

If you'd still like to bring your lad to the *Match Of The Day* set, he's still very welcome. "I'll tell him!"

TIM WESTWOOD ASKS:

Why have you always refused to have me as a guest?

"Mainly because I didn't even know he'd asked! That's honestly the only reason!"

DAVID BADDIEL ASKS:

Underneath the macho, in-your-face attitude, does there lurk the soul of a poet?

"I think so, yeah. All this misogyny… no, you know what? I'm not really like that. This is what I'm really like!"

TINCHY STRYDER ASKS:

"Who?" Ask your daughter! Tinchy asks, "Have you driven every make of car in the world?" "I've never driven a Seat. I don't drive one on purpose!"

***NUTS* MAN SAYS:**

Thanks, Jezza! Finally, what do we get the *Top Gear* presenter who has it all? "Peace, happiness and eternal goodwill to all men. Except Peter Mandelson!" And what would you, Jeremy Clarkson, like to ask Jeremy Clarkson? "Can I go home now?"

Nuts NEXT TOP MODEL!

ONLY IN Nuts!

Introducing the hottest new models – in their first ever Nuts shoot!

Emma

Emma from Leicester is a 20-year-old festive fittie!

Hi Emma! How does it feel to be *Nuts'* Next Top Model? It's brilliant! It's what I've always wanted, so I'm really happy to be doing it!

What sort of stuff do you do when you're not modelling? I normally just go to the gym and hang out with my friends at the weekends. I don't really have too many hobbies, to be honest – I'm generally too busy socialising with mates and getting up to no good!

What do you want for Christmas? Some new hair straighteners because I've just broken mine! I wouldn't mind a new car but I don't think I'll be getting one.

What's the worst Christmas gift you've ever been given? Socks! My sister gets me some every year to wind me up because she knows I don't want them!

What's the best Christmas party you've been to? A few years ago, me and my friend went to this party in a mansion that everyone said was haunted – though we didn't see any ghosts. We went as sexy Santas!

Speaking of sexy, what's the most unusual place you've done the deed? At a fire station! I was on a night out and I met a fireman, so we went back there which was very exciting!

Thanks, Emma! Finally, what does 2011 have in store for you? I've entered some modelling competitions and I've got to the final in one of them so, hopefully, I'll win that. Look out for me!

THE Nuts AWARDS 2010!

The best bits from the year gone by!

Here at *Nuts*, we like nothing better than patting people on the back for a job well done. Especially if that job happens to involve scoring goals, making us laugh or removing clothes (girls only!). And that's without so much as mentioning the folks behind our favourite food, beer, gadgets, games – and anyone who's ballsy enough to pick up a live grenade and toss it back at the Taliban.

So join us, please, as we pop open the cheap bubbles (times are hard!) in honour of the year's best bits – it's the coveted *Nuts* Awards 2010!

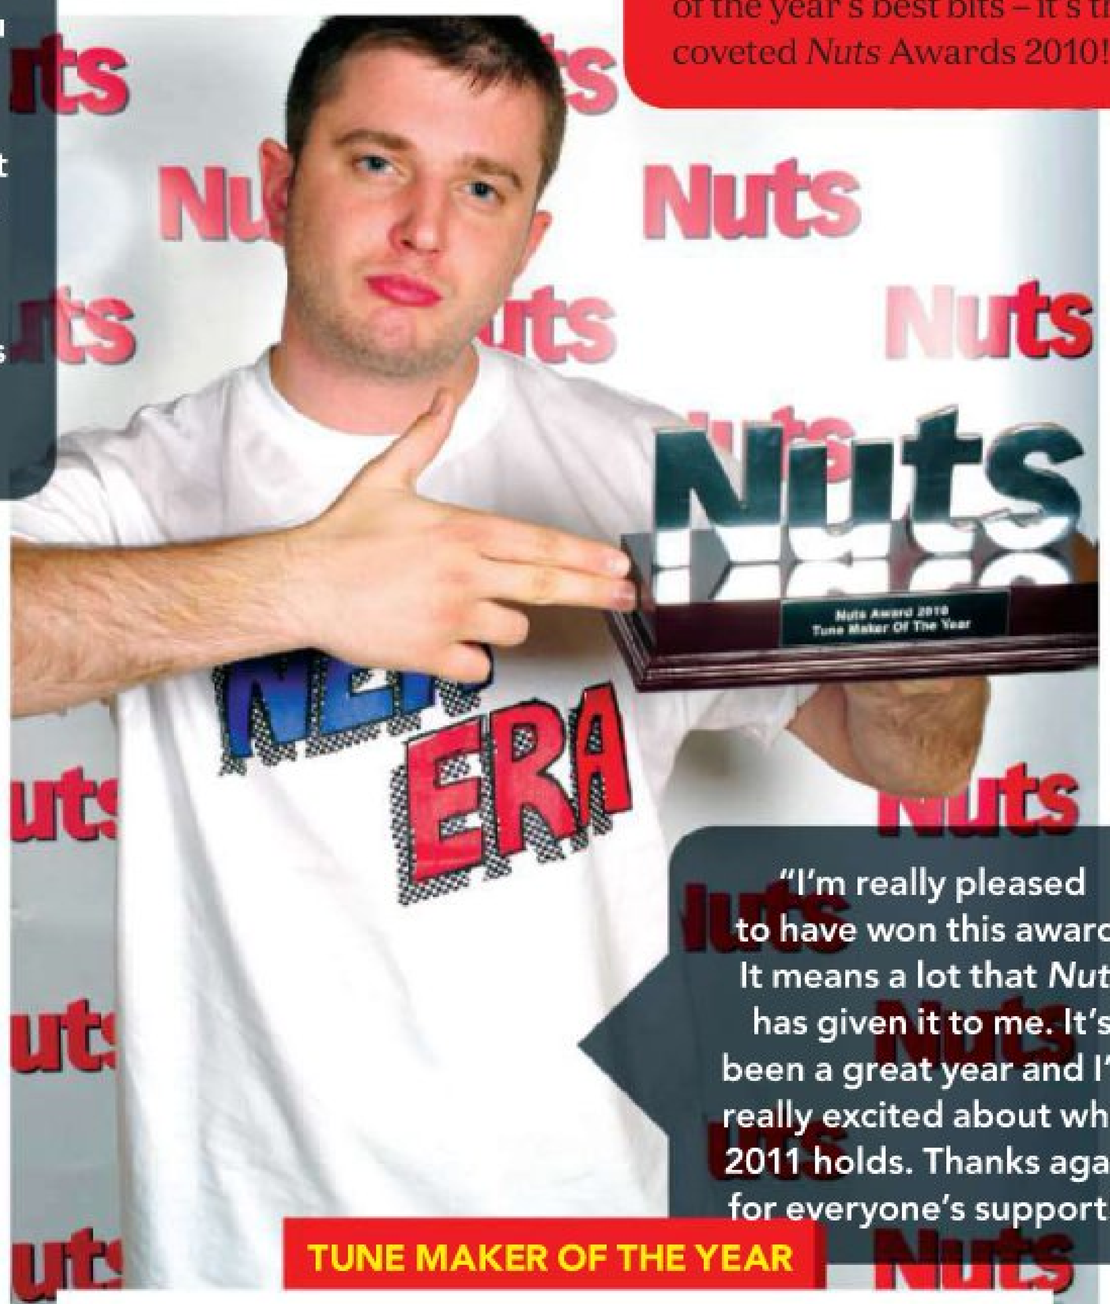
"Thanks so much for my award! I see my boobs so often, I don't even realise they're special. But if you guys still love them, the least I can do is show them off! I've just bought a house, so if next year's award could be a sofa, that'd be very helpful. Then all the *Nuts* readers could come round and sit on it with me!"

COR BLIMEY! AWARD

WINNER: ROSIE JONES

RUNNER-UP: LUCY PINDER

Surely there's no hotter woman on earth! We can't even imagine a world without the lovely Miss Jones – and judging by the amount of fan mail she gets sent, neither can you!



"I'm really pleased to have won this award. It means a lot that *Nuts* has given it to me. It's been a great year and I'm really excited about what 2011 holds. Thanks again for everyone's support!"

TUNE MAKER OF THE YEAR

WINNER: PLAN B

RUNNER-UP: PROFESSOR GREEN

We thought long and hard about this but thanks to his amazing album, the South London crooner won by a nose from Professor Green. Cheers, Benjamin… sorry, Mr B!

Hi Will! How do you plan to celebrate? I'm probably going to shave my nuts.
What's the secret to being a top bloke? It's just genetics.
Who would you like to thank? I'd like to thank my legal team for forcing *Nuts* to give me this award. And Jesus. My bodyguard Jesus Hernandez.
Have you got a special message for our readers? Stay in school!

Will's new film Megamind *is at cinemas now*

"It's quite a surprise. I had no idea this was coming. I'm flattered to get Bloke of the Year from the fine readers of *Nuts* magazine, which is actually a real publication!"

BLOKE OF THE YEAR

WINNER: WILL FERRELL

RUNNER-UP: DAVID BECKHAM

He's made us wet our pants for a decade. Plus *The Other Guys* was the funniest film of the year by an absolute mile. What more reason do you need? ➡

"This is unbelievable. It'll take pride of place with my other two *Nuts* awards. I can't believe how many people have now seen me missing a sending-off. Even last week, I did an interview with an American TV station about it!"

BEST COMMENTARY MOMENT OF THE YEAR

WINNER: KAMMY

RUNNER-UP: MARK LAWRENSON

It takes a lot to miss a sending off like Kammy did at Pompey vs Blackburn. Lawro's "Thanks very much, Sepp Blatter" following Lampard's World Cup "goal" pushed it close.

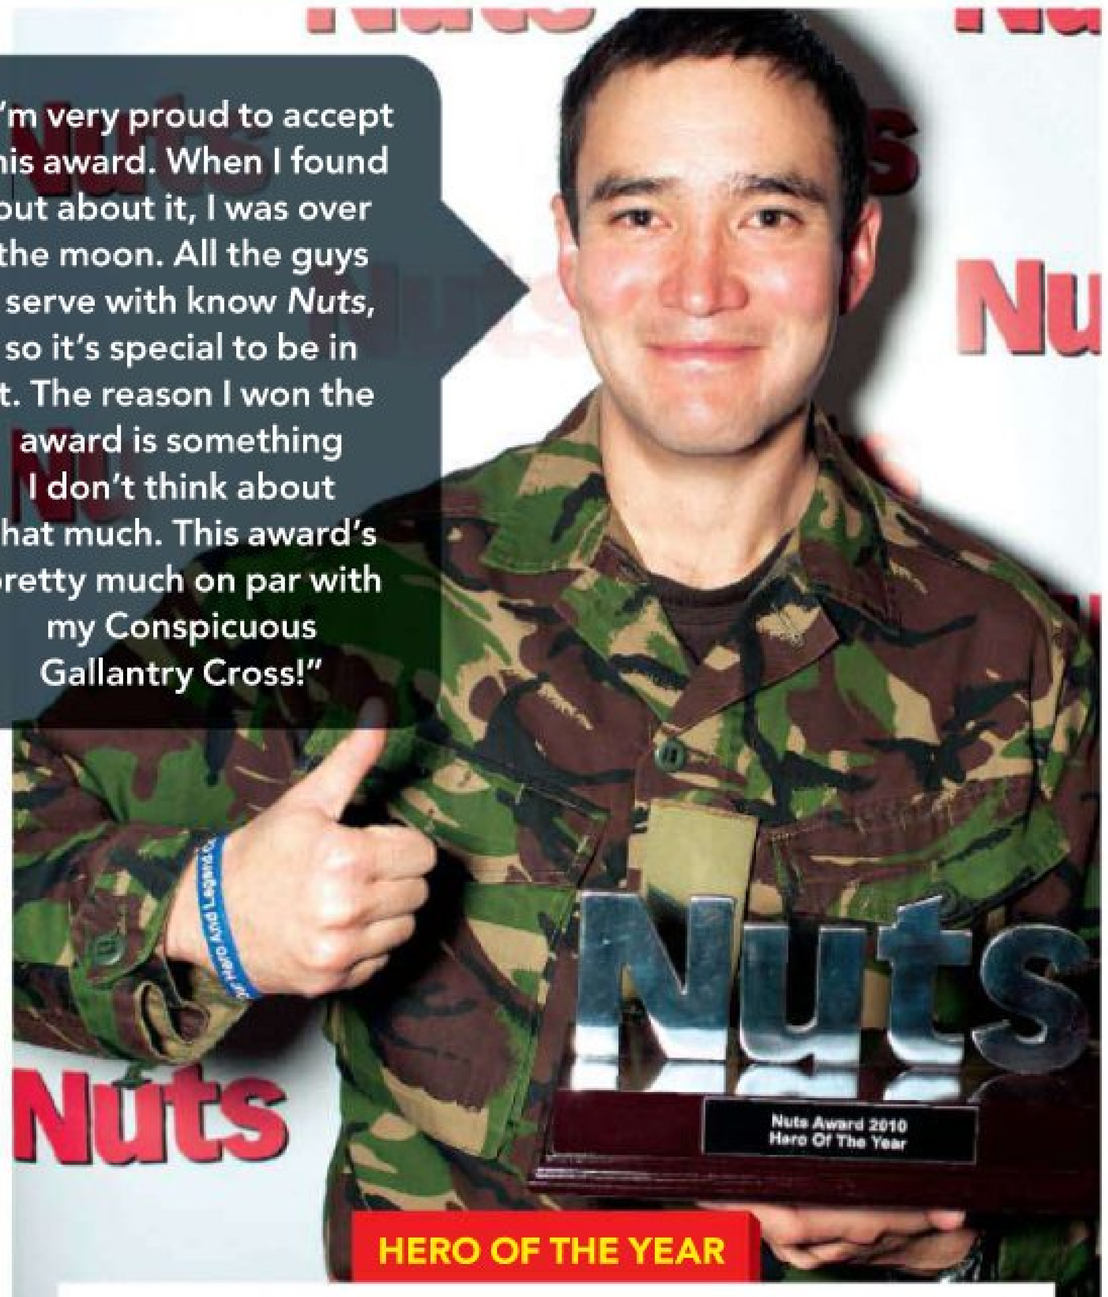
"Thanks very much! This is probably about right, isn't it? I don't think there was a funnier programme than *The Inbetweeners*. I'm a fan of Karl Pilkington but *An Idiot Abroad* wasn't as funny as us! Maybe I'll win this for *Rock & Chips* next year as well!"
JAMES BUCKLEY

FUNNIEST THING ON THE BOX

WINNER: THE INBETWEENERS

RUNNER-UP: SHOOTING STARS

Monday nights were the most tedious night of the week until Will, Simon, Jay and Neil popped into their local pub for some girl-based humiliation. Brilliant!



"I'm very proud to accept this award. When I found out about it, I was over the moon. All the guys I serve with know *Nuts*, so it's special to be in it. The reason I won the award is something I don't think about that much. This award's pretty much on par with my Conspicuous Gallantry Cross!"

HERO OF THE YEAR

WINNER: LANCE CORPORAL JAMES MCKIE

RUNNER-UP: NOBODY COMES CLOSE!

It takes a certain kind of bravery to pick up a live grenade and throw it back at the Taliban. But if it saves the lives of your mates, we're all for it. LCpl McKie should be knighted!

"I'm really shocked it's me because there are so many gorgeous new *Nuts* girls to choose from. I'm so honoured I've won! I'm going to put the award in the middle of a shelf in my flat, so it's the first thing people see when they walk in!"

SEXIEST NEWCOMER OF THE YEAR

WINNER: HOLLY PEERS

RUNNER-UP: HANNAH TOINTON

She's brunette, busty and a total babe. 2010 would have been a billion times worse without the lovely Miss Peers in our lives. All we can say is, "Thanks, Holly!"

MOVIE OF THE YEAR

WINNER: INCEPTION

RUNNER-UP: KICK-ASS

More shape-shifting skyscrapers than you can shake a stick at! Plus, it's one of the best action movies of all time! What's not to like?

BEST GROOMING PRODUCT

WINNER: GILLETTE FUSION

RUNNER-UP: BRYLCREEM

It takes more than a shave to make us look half-human. But the Gillette Fusion does a better job than other razors.

FANCIEST NEW PHONE

WINNER: APPLE IPHONE 4

RUNNER-UP: BLACKBERRY TORCH 9800

We reckon the designers at Apple could turn a pile of cat vomit into something unbelievably cool and useful!

Our winner speaks...

Hi Ryan! You've won loads in your career. How does this compare? Oh, far better! This trophy will take pride of place in my house!

How long do you think you'll carry on playing? As long as three things stay in place – I have to keep enjoying it, stay fit and play well. Oh, and the manager has to still want me. So that's four. Simple!

How ace is it being you? It's not bad, if I'm honest! I'm a lucky bloke being paid to do something I love. There are worse ways to earn a living!

Ryan's autobiography Ryan Giggs: My Life, My Story, *published by Headline, is out now, priced £20*

"I suppose you get something like this just for being around for ages! I'm still well pleased, though. Cheers, *Nuts*!"

SPORTING LEGEND OF THE YEAR

WINNER: RYAN GIGGS

RUNNER-UP: DAVID HAYE

He's scored in every Premier League season, he's got 32 medals for Man United and he might even get a game in the *Nuts* five-a-side team if he asks nicely. Legend! ➡

"I'm so happy to have won Most Awesome Lady in Pop. It's been another amazing year for me and I thank you all for the great support – it really is very much appreciated!"

MOST AWESOME LADY IN POP

WINNER: PIXIE LOTT

RUNNER-UP: FRANKIE SANDFORD

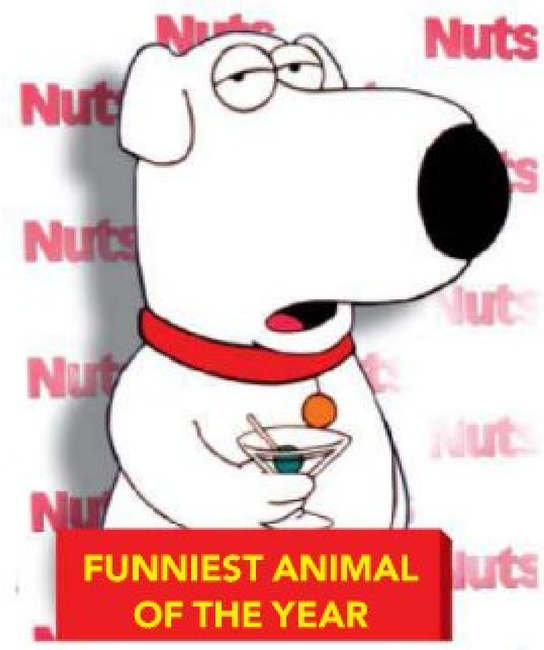
She's blonde, beautiful, sings like an angel and has the kind of legs that supermodels can only dream of. Can you really blame us for picking Pixie as our pop lady of the year?

SAUCIEST POP VIDEO

WINNER: CALIFORNIA GURLS – KATY PERRY

RUNNER-UP: SHAKE THAT ASS – ROCK SOLID MAFIA

The sight of Katy singing naked on a sheepskin rug does it for us every time.



FUNNIEST ANIMAL OF THE YEAR

WINNER: BRIAN FROM FAMILY GUY

RUNNER-UP: THE BOAT-SURFING WHALE

In many ways, this award's unfair – Brian will win it for as long as *Family Guy* is on TV!

TWERP OF THE YEAR

WINNER: JORGE LARRIONDA

RUNNER-UP: SEPP BLATTER

Jorge who? See if you can find a clue in the following words: ref, cretinous, Lampard, goal, World Cup, blind.

THE "BURSTING THE ONION BAG" AWARD FOR BEST GOAL

WINNER: GARETH BALE'S VOLLEY VS STOKE

RUNNER-UP: BERBATOV'S OVERHEAD VS LIVERPOOL

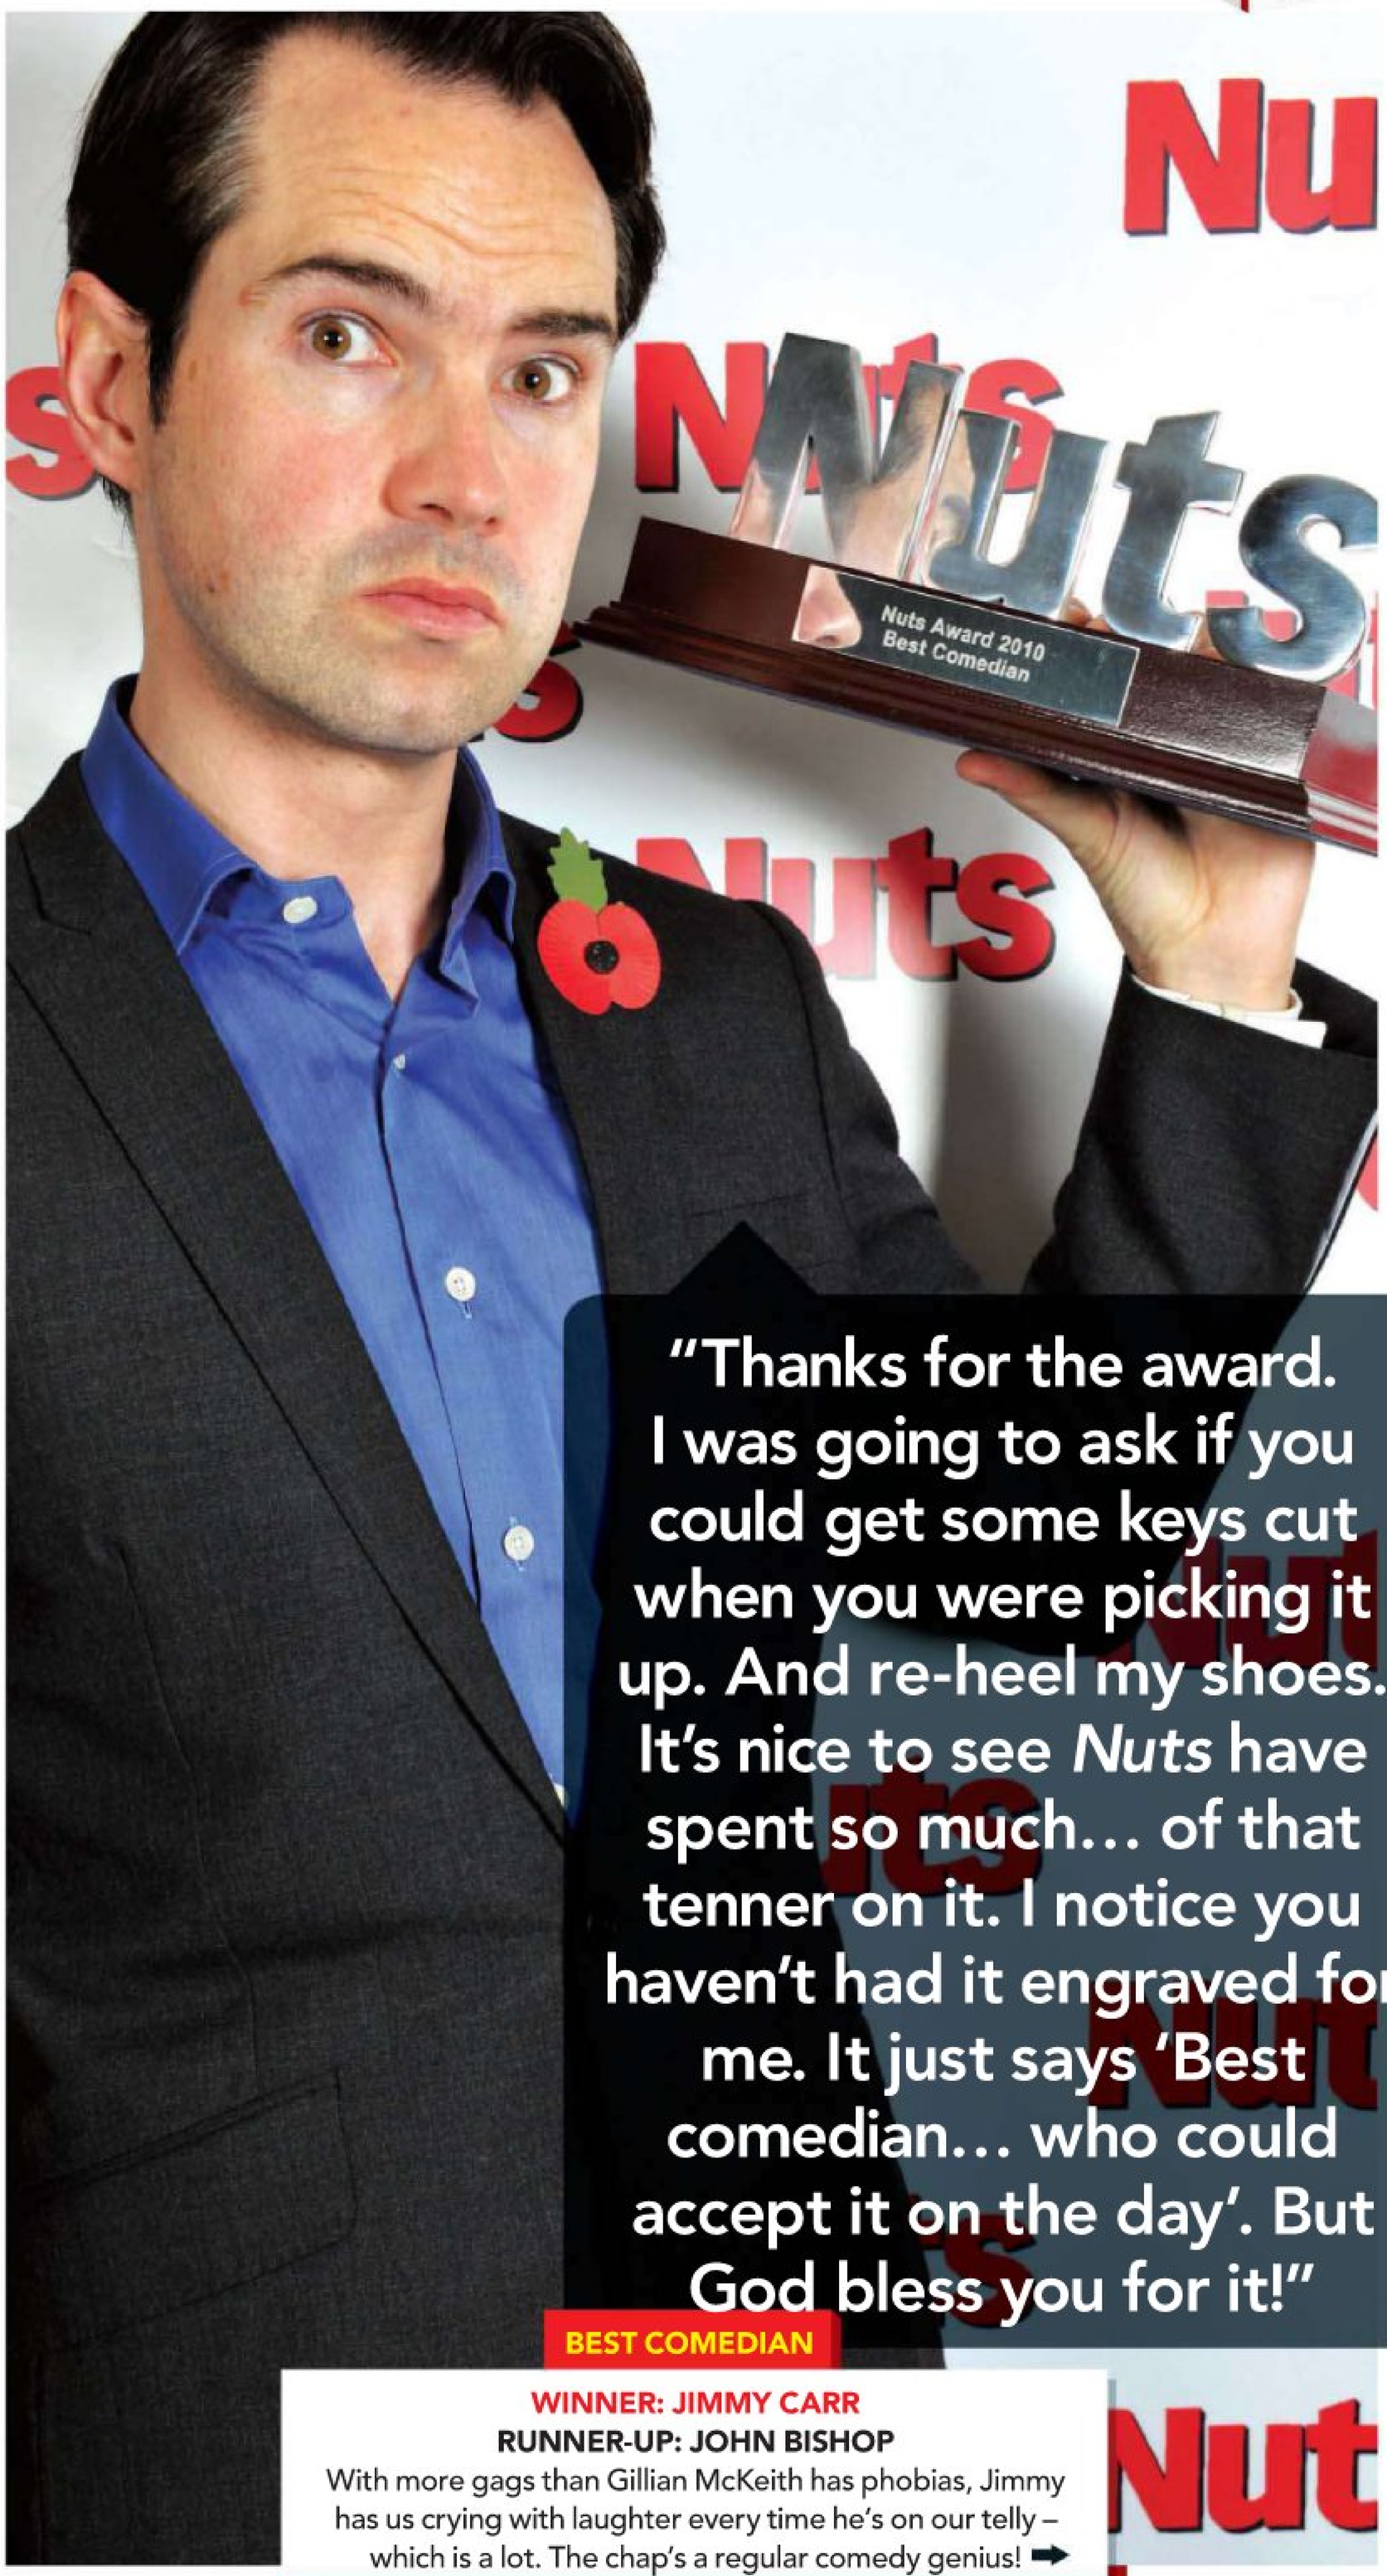
What a year it's been for the *other* Welsh wizard. And what a goal this was. Take a bow!

TIPPLE OF THE YEAR

WINNER: CRABBIE'S ALCOHOLIC GINGER BEER

RUNNER-UP: FOSTER'S

Last year, no one had heard of Crabbie's, yet summer 2010 wouldn't have been complete without one – or several!



"Thanks for the award. I was going to ask if you could get some keys cut when you were picking it up. And re-heel my shoes. It's nice to see *Nuts* have spent so much… of that tenner on it. I notice you haven't had it engraved for me. It just says 'Best comedian… who could accept it on the day'. But God bless you for it!"

BEST COMEDIAN

WINNER: JIMMY CARR

RUNNER-UP: JOHN BISHOP

With more gags than Gillian McKeith has phobias, Jimmy has us crying with laughter every time he's on our telly – which is a lot. The chap's a regular comedy genius! ➡

"I was voted second-best journalist in the UK 12 years in a row, so it's good to win something, even if I have to share!"
JEREMY CLARKSON

"Where will we keep this award? We'll keep it with all the others we've got in a big cupboard, along with the Golden Cock and a stale pie. All the TV ones are towards the back, but our *Nuts* awards are front and centre. We're very proud of them!"
RICHARD HAMMOND

"Thanks very much, we're very grateful. We'll keep accepting these awards as long as you care to keep giving them to us. We're just glad people enjoy the show and don't mind wasting their time!"
JAMES MAY

BEST TELLY SHOW

WINNER: TOP GEAR
RUNNER-UP: SOCCER SATURDAY
After eight years of total motoring mayhem, *Top Gear*'s still the most bonkers show on TV – which is a good enough reason for an award in our eyes!

"I'm chuffed to bits with this award. It's nice to be appreciated! A big thanks to all the *Nuts* readers – you blokes have made an old man very happy!"

BOSS OF THE YEAR

WINNER: IAN HOLLOWAY
RUNNER-UP: HARRY REDKNAPP

WINNER: PACQUIAO VS MARGARITO
RUNNER-UP: EDGAR VS PENN IN UFC 112
A non-stop, toe-to toe punchfest that handed the Pac Man his eighth world title!

SNACK OF THE YEAR

WINNER: PRINGLES
RUNNER-UP: PAPA JOHN'S PIZZA

It was an epic struggle but the classic tubed crisps we love to share in our office triumphed over the pizza newcomer!

GADGET OF THE YEAR

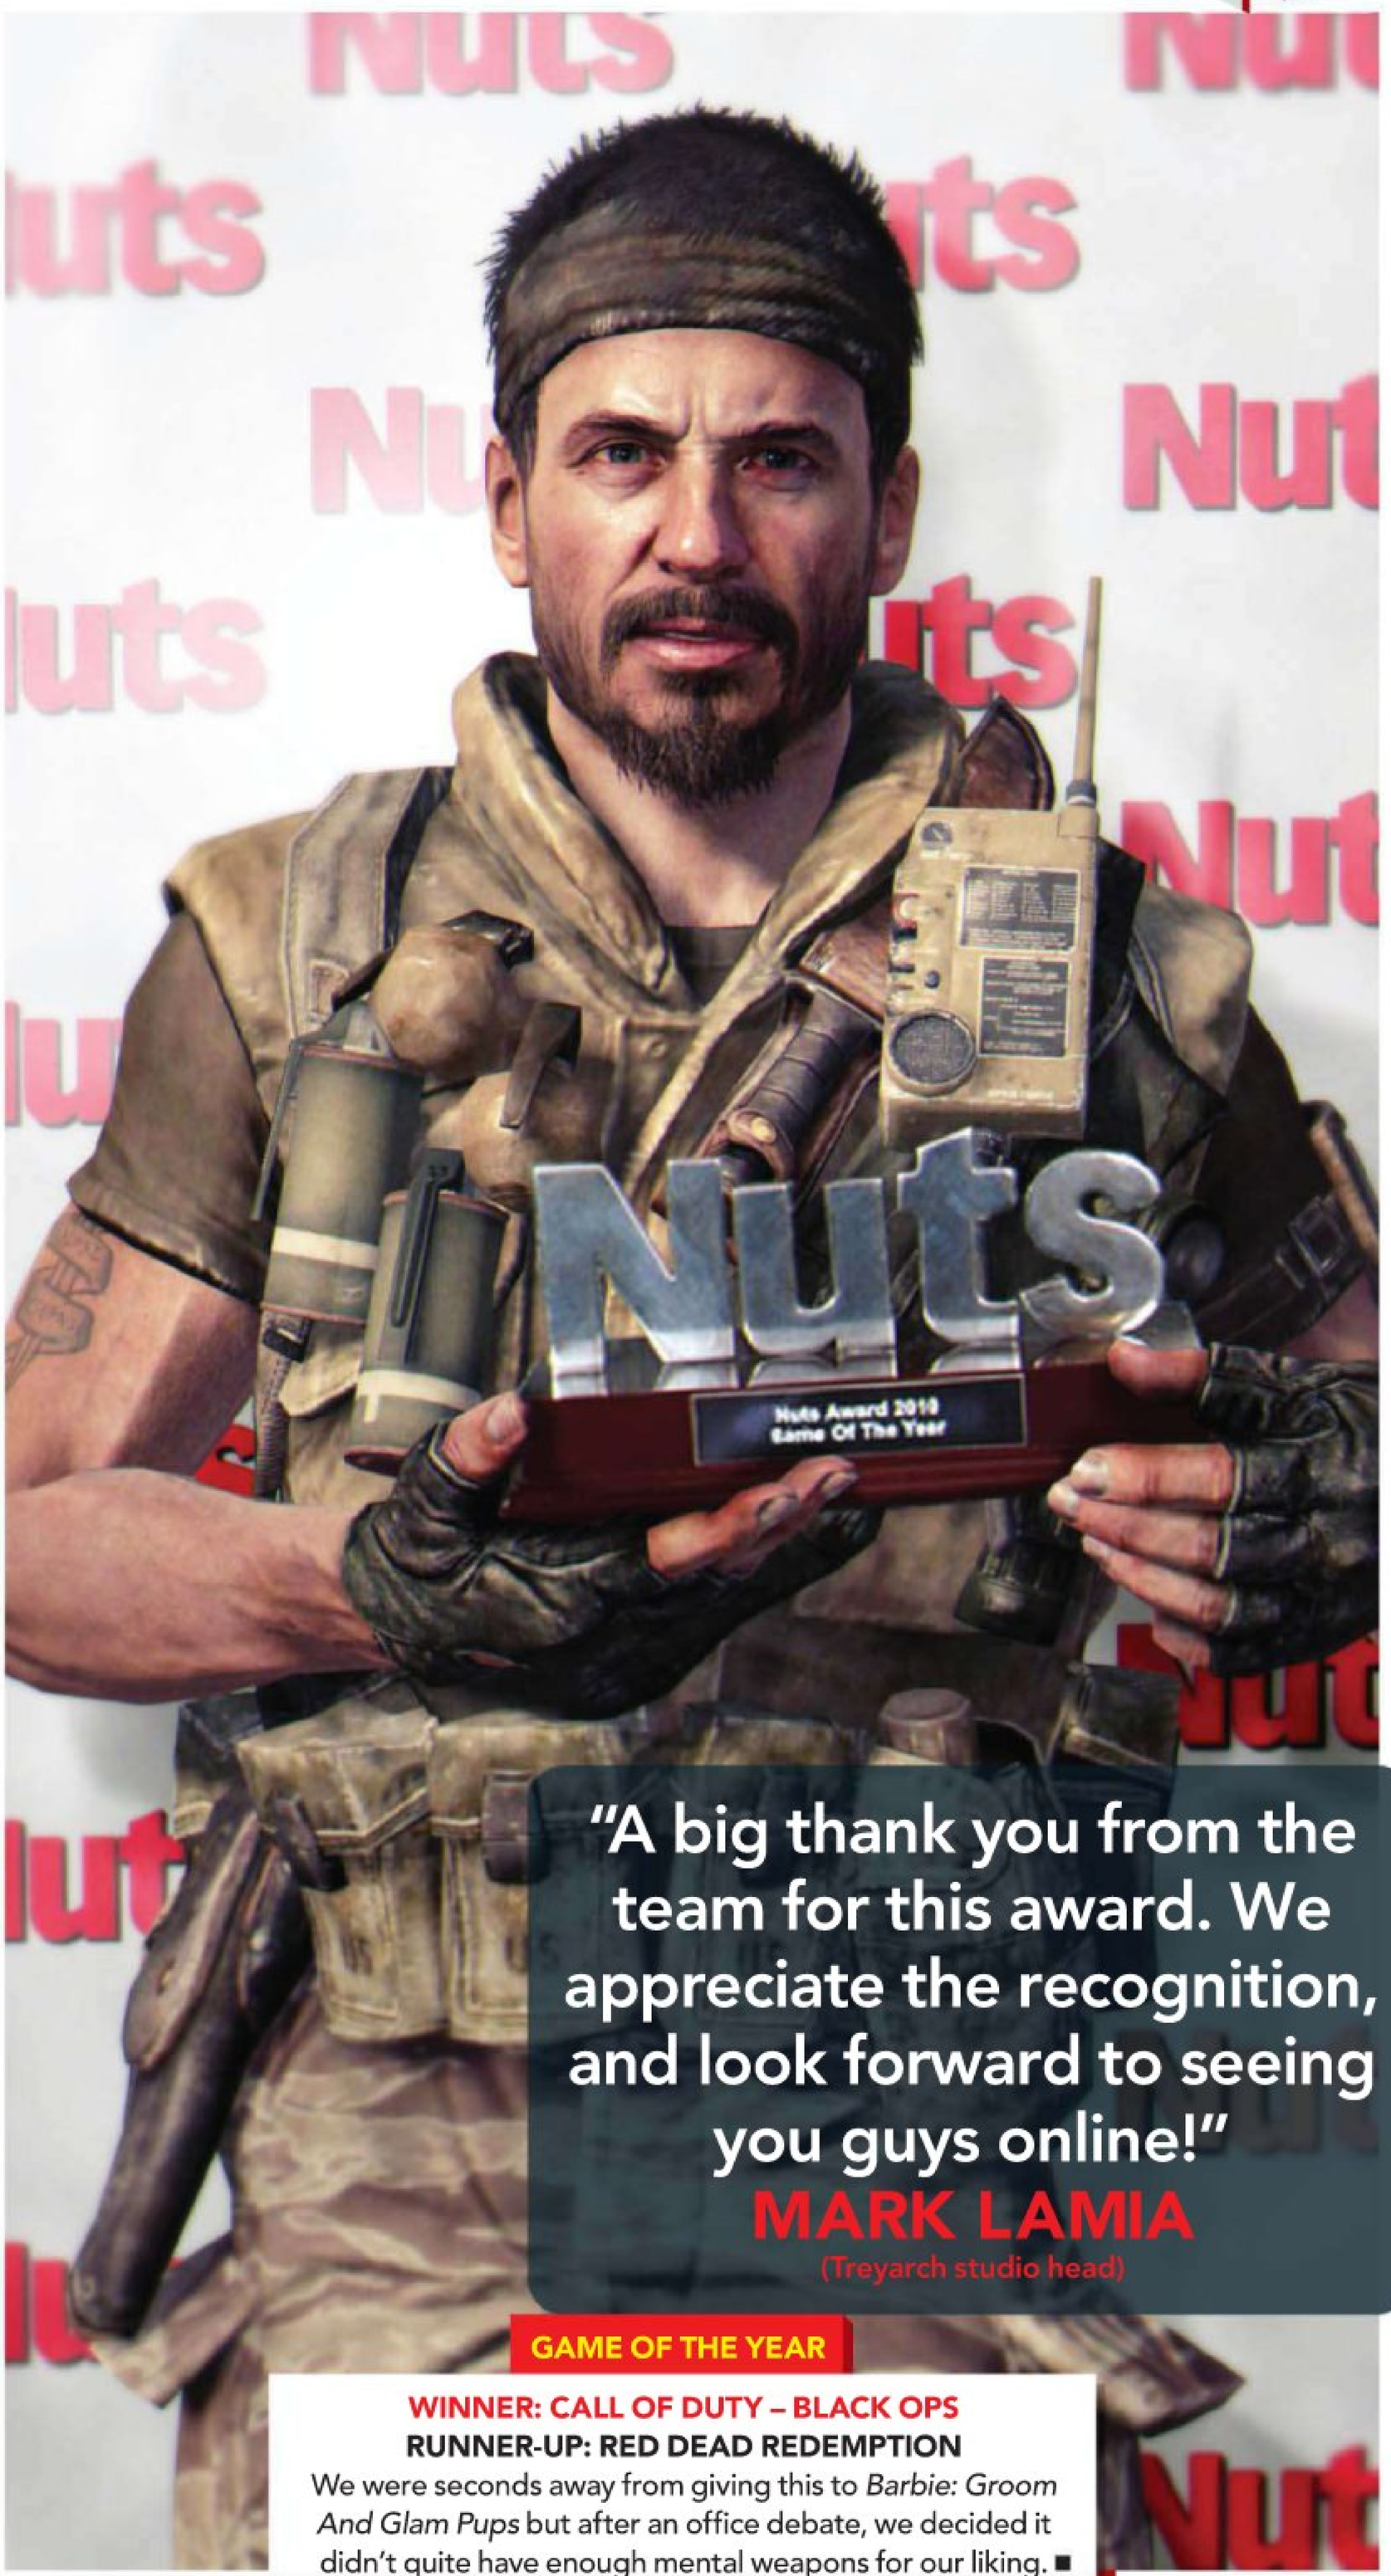
WINNER: iPAD
RUNNER-UP: XBOX KINECT

It wasn't so long ago that this sort of thing only featured in Sci-Fi movies. Now we can all look as cool as Spock. Ace!

BISCUIT OF THE YEAR

WINNER: JAFFA CAKES
RUNNER-UP: FOX'S CHOCOLATE CHUNK COOKIE

Yes, we know Jaffa Cakes aren't technically biscuits. But we still ruddy love them!



"A big thank you from the team for this award. We appreciate the recognition, and look forward to seeing you guys online!"

MARK LAMIA
(Treyarch studio head)

GAME OF THE YEAR

WINNER: CALL OF DUTY – BLACK OPS

Merry Christmas, Lucy! Thank you! And Merry Christmas to you too, *Nuts*! I hope you like the sexy pics we're doing for you! **We do! What are you hoping to find under your tree?** I don't know because it's my birthday on the 20th as well, so there's loads to look forward to. I can't really think of anything I want, I'm just really looking forward to my Christmas dinner! I love it! **If you had to give another *Nuts* babe a smooch under the mistletoe, who would you pick?** Oh, definitely Sophie Howard. They're all fit, though. I wouldn't say no to any of the *Nuts* girls! **Which is your favourite day of the whole holiday season?** I start getting depressed even as soon as Boxing Day because I just love Christmas so much. I get way more excited about Christmas than New Year! **Do you feel more frisky at Christmas?** Yeah, definitely! You can just chill out and snuggle up close under a blanket, and snuggling leads to better things! **What's your favourite Christmas joke?** What's the difference between snowmen and snow-women? Snowballs! Ha-ha! **Have you been a good girl this year?** I'm always a good girl! I've had my moments, though. I've been getting a bit of road rage this year, but I always feel bad after, so I'm hoping Santa still comes down my chimney! **Thanks, Lucy! Finally, do you have a festive message for the *Nuts* readers?** I hope everyone reading this has a very merry Christmas! And don't get too drunk and cause trouble at your Christmas parties! ➡

"I have a fantasy of having sex with Santa!"

StoreMags - Free Magazines Download in True PDF format

StoreMags.com

Merry Christmas, Sophie! What are you hoping to find under the Christmas tree this year? I hope someone buys me a Sybian [sex toy]! There's a great pyramid one, but they stopped selling it because they were blowing up!

Blimey! Describe a Christmas-based sexual fantasy. Well, I say it every year, but I still do have a fantasy of having sex with Santa. Maybe I'll start carrying around a beard, a Santa hat and a fake belly in my bag, then I could get it on with a guy wearing them!

What's been your favourite *Nuts* shoot of the year? I did a shoot with Peta, which was cool, but this is the pinnacle of 2010 for me. I love shooting with Lucy, it's brilliant to see her breasts! I've missed them dearly. They're like long-lost friends!

Have you ever decorated a tree in the buff? I haven't but I've had sex under one. Not totally under it because it was short, but right next to it. By the light of the tree. That was quite romantic. The guy wasn't dressed up as Santa, but he definitely had the belly!

Which girl would you like to unwrap on Christmas Day? Katy Perry! She's got massive boobs and a really curvy figure. And she wears rubber!

Fair point! Are you a breast or a leg girl? I'm appreciative of both. I can appreciate a good pair of boobs and a good set of pins.

Thanks, Sophie! Finally, are you shopping for sexy lingerie this Christmas? Well, if I find a man, I will be! But who needs a man when you can get a Sybian? I'm gonna get loads of sexy lingerie on and seduce a Sybian! ➡

Merry Christmas, Rosie! Do you feel frisky at Christmas? Not on Christmas Day but during the festive period in general, yeah! It's natural to stay in bed and snuggle when it's cold outside!

Do you party more at this time of year? I party quite a lot all year but if there are more parties this time of year, then I'll be out more. But it's always freezing when you go out now and I like to be warm!

What kind of Christmas food is good in bed? Nothing you get in the roast. You don't want stuffing in your bed! A Chocolate Orange would be fun. And champagne!

Can you describe your ultimate Christmas party? It'd be on Christmas Day, so we could have the proper dinner and stuff. But we'd have a Chocolate Orange in the morning, then Bucks Fizz! Katy Perry would be there with us and the real Santa would deliver our presents! Then we'd light a fire and sing carols!

Have you got a New Year's resolution? I need to start being a bit tidier, especially as I'm moving into my own flat soon! I never stick to my resolutions – I forget them after a few weeks!

Have you ever photocopied your bottom at the Christmas party? What about your boobs? I did when I was a bit younger but that was years ago. Sadly, I don't go to many Christmas parties where there are photocopiers!

Thanks, Rosie! Finally, if the *Nuts* Christmas tree doesn't arrive, will you sit in the corner and let us decorate you? Ha-ha! Yeah, I'm actually well up for that! Let me know if the tree doesn't come and you can decorate me! ➡

Merry Christmas, Holly! What's the sauciest Christmas present you've ever received? Nice lingerie – that was quite saucy! I don't get that many saucy things!

Do you have any Christmas traditions? I always go out to my local on Christmas Eve and get drunk, then I regret it the next day! I don't watch much TV. I hate *The Snowman* because it creeps me out! That song's really eerie!

Is Christmas Eve better than Christmas Day? Yeah! Christmas Day's really over-rated! We big it up all year and get really excited about it but it's only one day.

Christmas pudding – love it or hate it? I can't stand it! I don't like mince pies either! I like sausages wrapped in bacon, though. We should have those all year round!

Will you be dressing as a sexy Santa this year? I haven't done that yet but I'm planning to this Christmas! Me and my friends are going out on Christmas Eve, so we'll be dressing up!

Which other girl would you like to unwrap on Christmas Day? Emma Glover because she has a perfect body! I love her boobs, bum, legs, stomach. Everything!

What advice can you give to *Nuts* readers who want to festively romance a lady? Everyone's in a good mood when they're out at this time of year, so just be friendly and confident if you want to approach a girl. And make sure you're not cheesy!

Thanks, Holly! Finally, do you have a seasonal message for our readers? Enjoy the festive break, be happy and get drunk! Don't get too drunk, though, if you want to pull this Christmas!

Merry Christmas, India! Which girl from today's shoot would you most like to kiss under the mistletoe? That's hard to say because they're all lovely. If I had to choose, I'd pick Rosie. I'm sure she'd be a good kisser!

Do you prefer Christmas Eve or Christmas Day? Christmas Eve's more exciting because you've got Christmas Day to look forward to, but then you get presents on Christmas Day. I love them both!

Can you give us your version of the Queen's Christmas speech? Ha-ha! I'd thank *Nuts* readers for having me in the mag and hope they want to see more of me. I'd thank the troops for what they're doing and hope they're able to enjoy Christmas and come home in the New Year! How's that?

Very good! Have you ever dressed up as a present and had a man unwrap you? Not yet but that's definitely something I'll add to my list of things to do. I might even do it this year!

Which other girl would you like to unwrap on Christmas day? Kara Tointon! She's my favourite girl at the moment. She was pretty in *EastEnders*, but now she looks stunning! I'd love to unwrap her this Christmas!

Have you been a good girl or naughty girl this year? Ha-ha! I'd like to say I've been a good girl and get lots of presents, but I'm not sure I can guarantee that!

Thanks, India. Finally, are you friskier in winter or summer? Definitely winter! It's nice to be wrapped up in bed with someone in the cold weather! I like to have a little snuggle inside when I can see it's freezing cold outside! ■

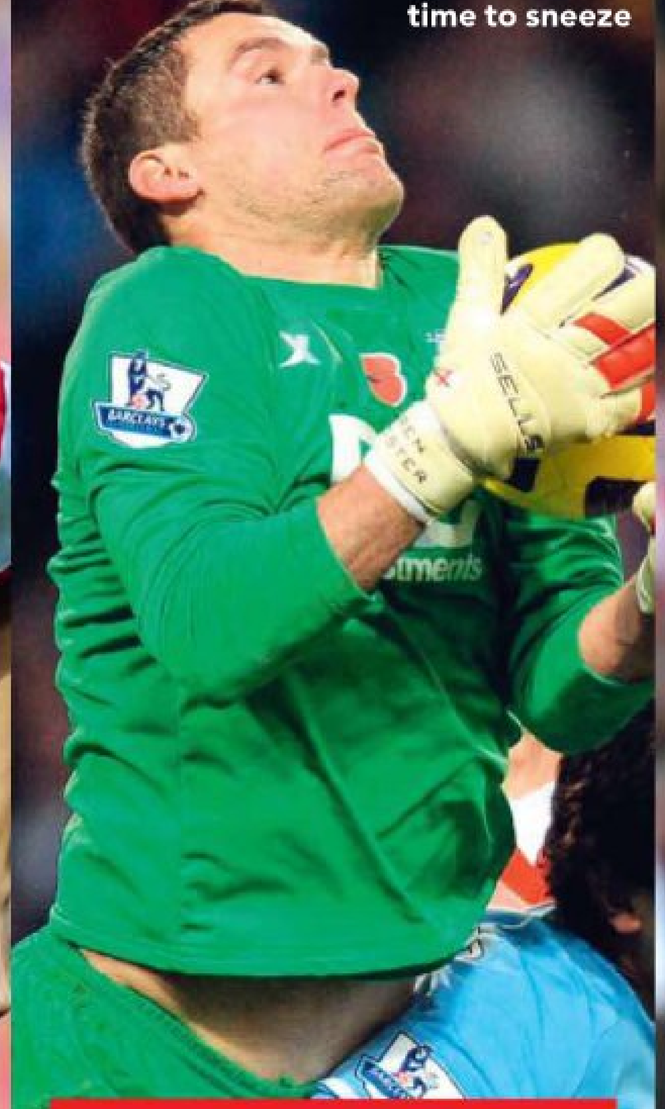
Nuts SPORT

[illegible] WEEK!

Merse's Premier League half-term report!

Sky Sports pundit and *Nuts* legend Paul Merson marks every team's season so far!



ASTON VILLA

MERSE'S GRADE: D

"Villa used to guarantee all-out 100mph action, but it's more measured under Houllier. Is it better? I don't think so. They're a young side who are in a relegation scrap. Lack of experience may just cost them."

Best player: Marc Albrighton

ARSENAL

MERSE'S GRADE: B

"Without showing any real consistency, they're in the hunt for a lot, including the league. I think they'll fall short, but who knows? It's been such a mad season. I reckon they'll finish third and win the Carling Cup!"

Best player: Samir Nasri

BIRMINGHAM

MERSE'S GRADE: C+

"They've showed amazing spirit and resilience to get results when they've been battered. Their big strength is having hard, proper defenders in front of Ben Foster, who I think is as good as Joe Hart now!"

Best player: Ben Foster

BLACKBURN

MERSE'S GRADE: B-

"Some said they'd go down, but there was never any chance. Big Sam has his critics, but he's got them organised and they're difficult to beat."

BLACKPOOL

MERSE'S GRADE: A

"If I had to pick one team to watch every week, it'd be Blackpool. Ian Holloway deserves a medal for what he's done at that club!"

Best player: "Ian Holloway. Not a player, but a legend!"

BOLTON

MERSE'S GRADE: A-

"They've been brilliant! Owen Coyle's come in and changed their style of play, and you can see how good a manager this bloke is by how the team responded. Bolton are now a really adventurous outfit."

Best player: Stuart Holden

"My tongue gon't skop gowing!"

"Oi, I was doing the vacant look first!"

LOSING FOCUS!

CHELSEA

MERSE'S GRADE: B-

"The Blues were my pick for the title but they're worrying me now. They were walking the league at one point, but losing some key men – JT, Frank Lampard and Michael Essien – has really affected their season."

Best player: Florent Malouda

EVERTON

MERSE'S GRADE: D

"David Moyes has worked his socks off to make them a dangerous side. Sadly, the players haven't done it for him this season. Mystifying!"

Best player: Seamus Coleman

FULHAM

MERSE'S GRADE: C

"I feel sorry for Mark Hughes because his best player, Bobby Zamora, has been injured all season. I still think Fulham have enough about them to stay up, especially once Zamora comes back!"

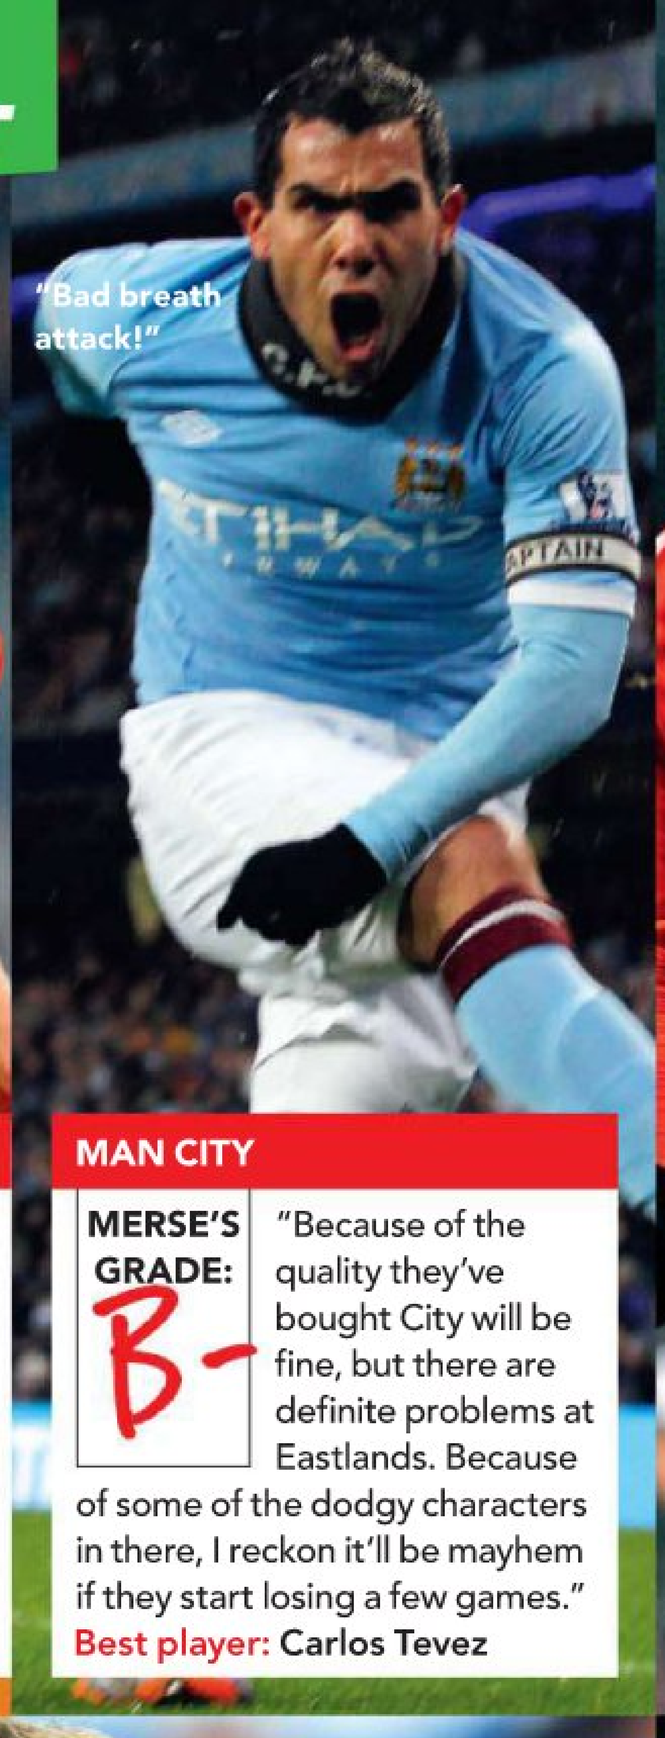
LIVERPOOL

MERSE'S GRADE: C

"They're getting their act together but they've got a long way to go to start competing for titles. They need more quality players and have to sort their away form. And they're going to miss Jamie Carragher!"

Best player: Jamie Carragher

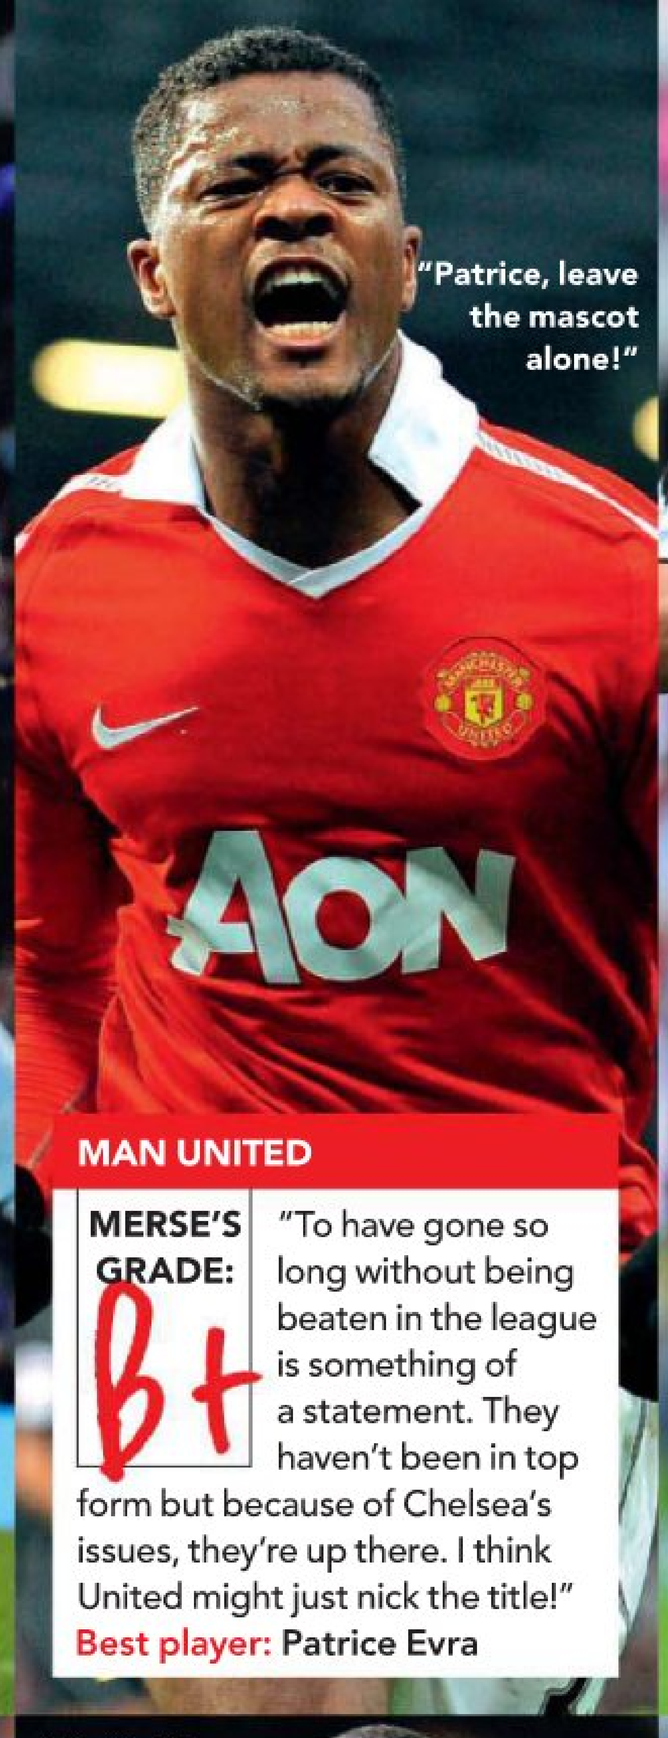


MAN CITY

MERSE'S GRADE: B-

"Because of the quality they've bought City will be fine, but there are definite problems at Eastlands. Because of some of the dodgy characters in there, I reckon it'll be mayhem if they start losing a few games."

Best player: Carlos Tevez

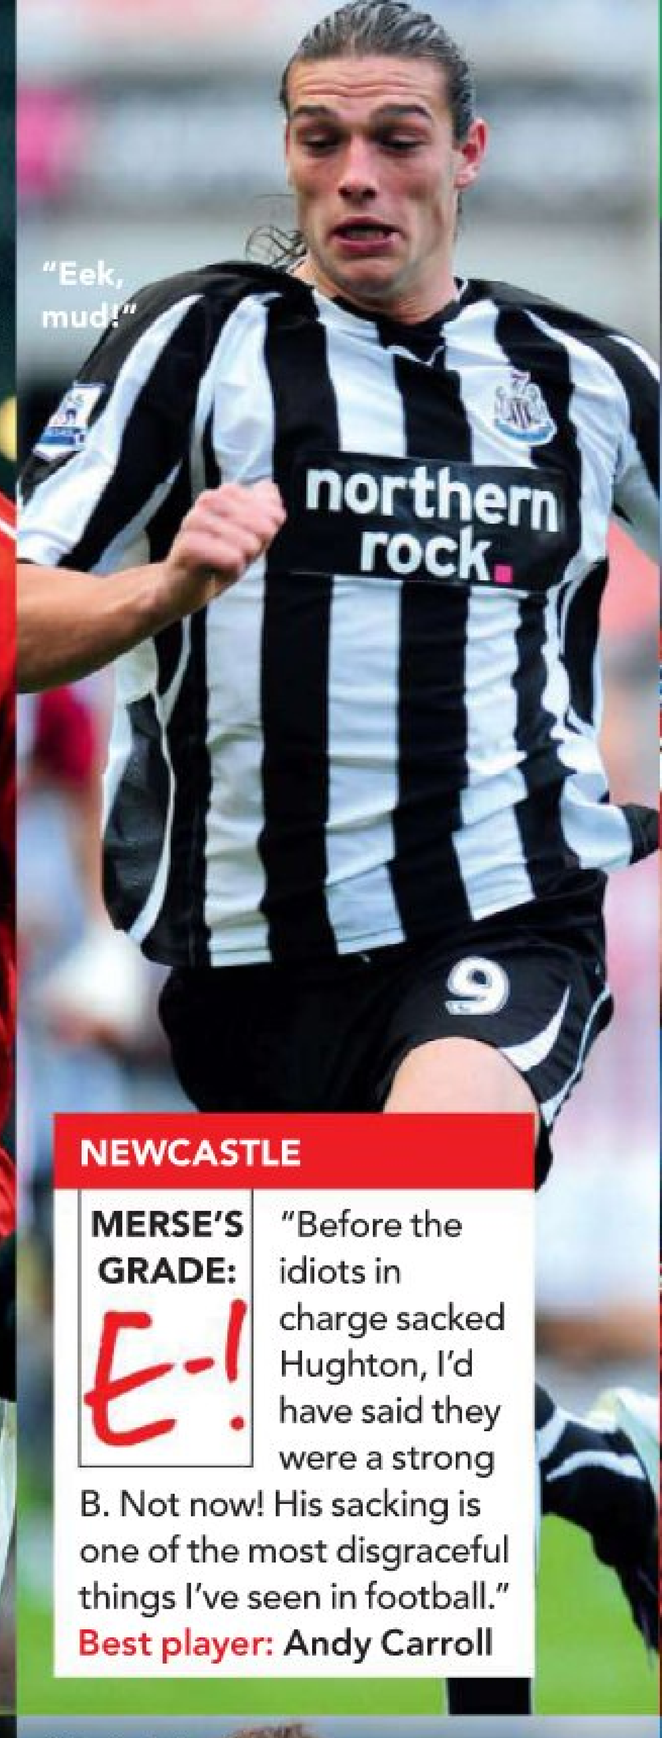


MAN UNITED

MERSE'S GRADE: B+

"To have gone so long without being beaten in the league is something of a statement. They haven't been in top form but because of Chelsea's issues, they're up there. I think United might just nick the title!"

Best player: Patrice Evra



NEWCASTLE

MERSE'S GRADE: E-!

"Before the idiots in charge sacked Hughton, I'd have said they were a strong B. Not now! His sacking is one of the most disgraceful things I've seen in football."

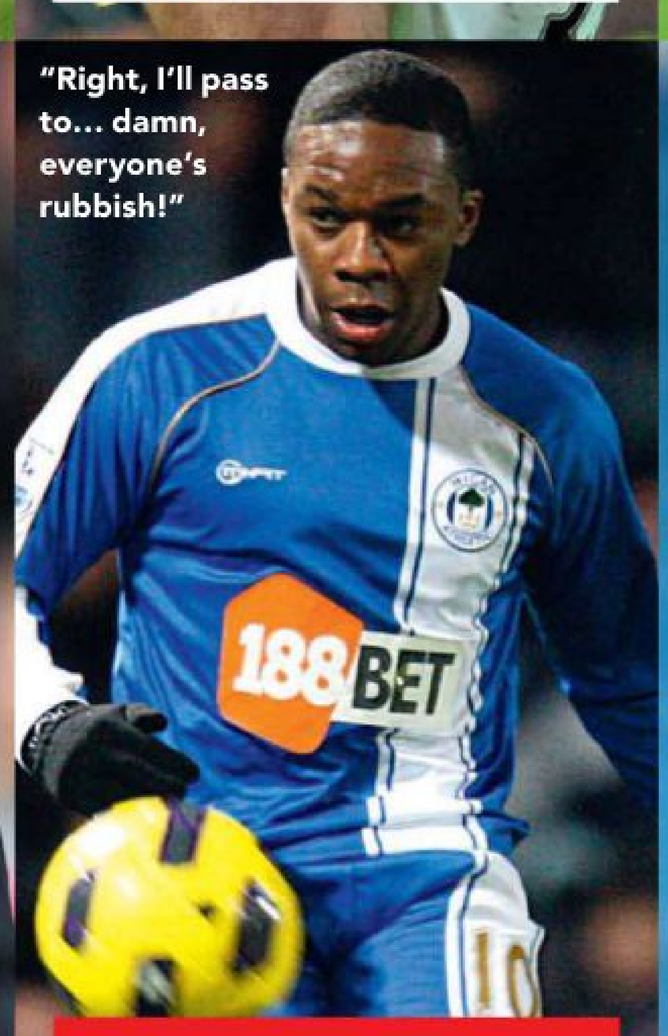
Best player: Andy Carroll

SPURS

MERSE'S GRADE: B+

"Spurs aren't title contenders for me yet! I love Harry and he's done brilliantly, but they're facing teams who know how to win a title over 38 games. Spurs don't have the experience. They're great to watch, though!"

Best player: Gareth Bale

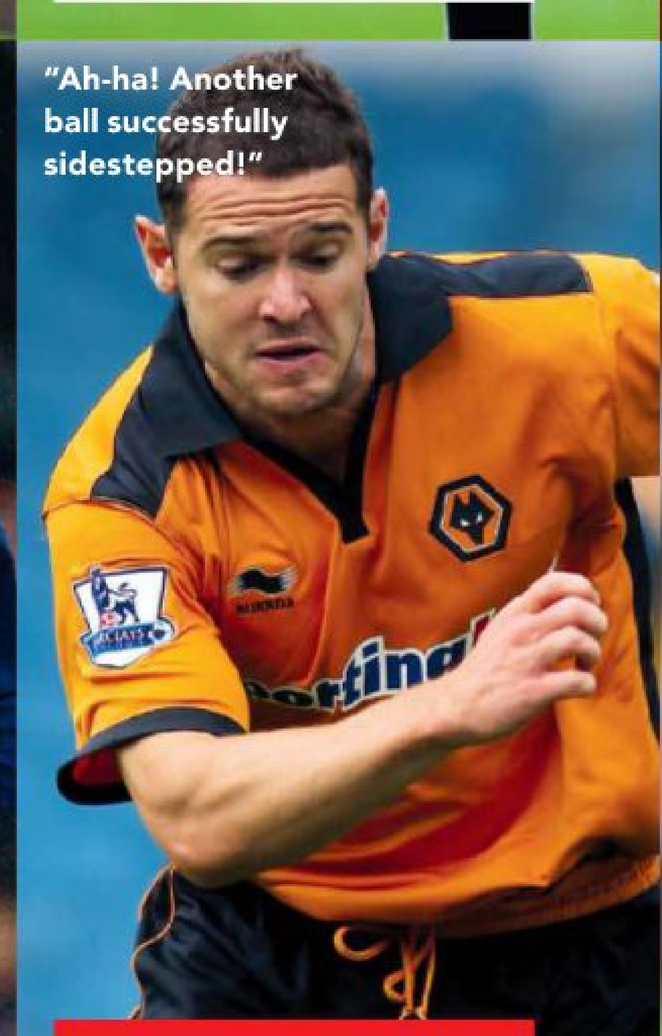


WIGAN

MERSE'S GRADE: D-

"They're goners. I said at the start of the season that they ship too many goals and so it's proved. It's all well and good trying to play 'Total Football' but they just haven't got the players to do it. Relegation certainties!"

Best player: Charles N'Zogbia



WOLVES

MERSE'S GRADE: C-

"They gave a great account of themselves against the big teams but now Wolves have got to do it – and get the points – against the smaller sides. I hope they stay up."

Best player: Matt Jarvis

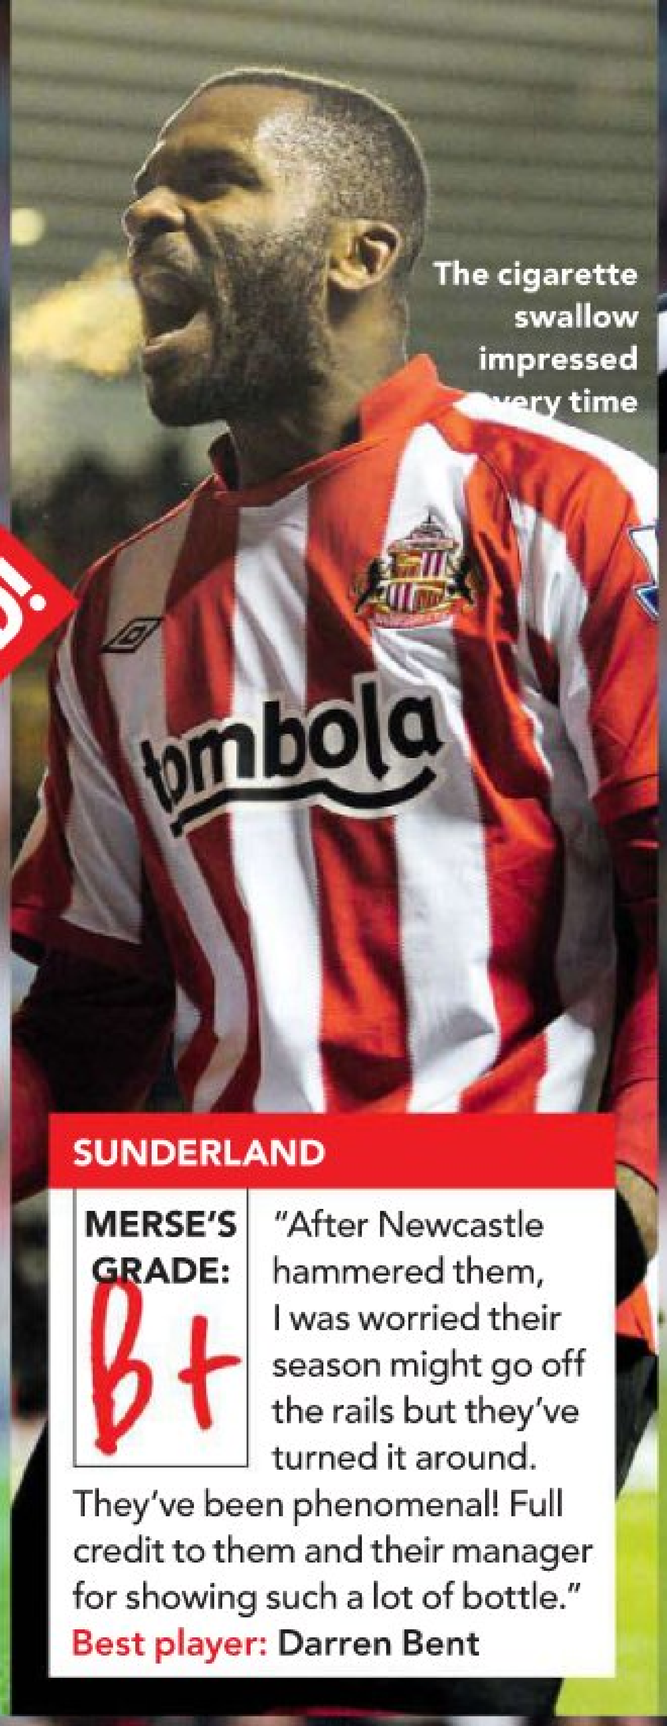
STOKE

MERSE'S GRADE: B

"Stoke are a strong team who don't get the credit they deserve. They can play it long, yeah, but they're also a decent footballing side."

Best player: Matthew Etherington

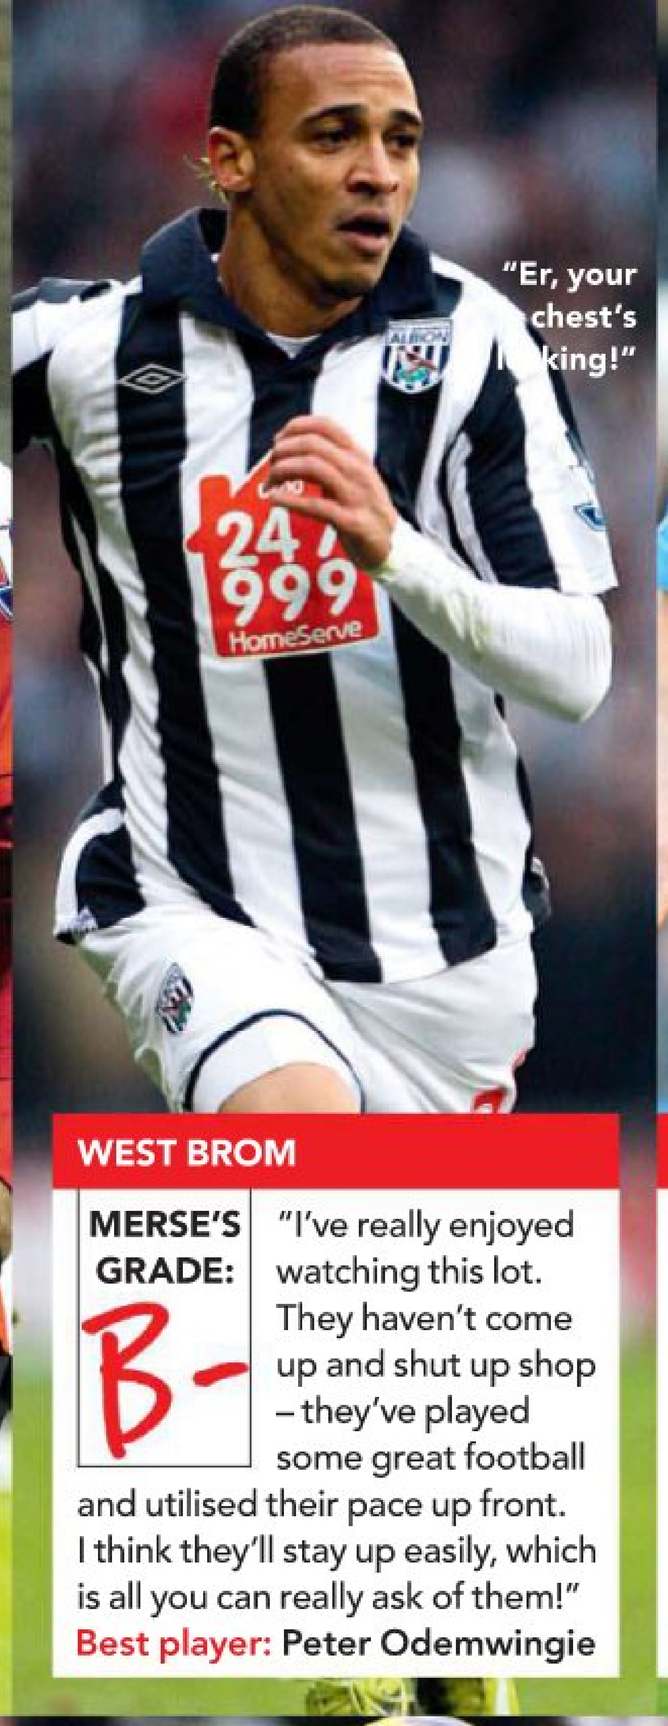


SUNDERLAND

MERSE'S GRADE: B+

"After Newcastle hammered them, I was worried their season might go off the rails but they've turned it around. They've been phenomenal! Full credit to them and their manager for showing such a lot of bottle."

Best player: Darren Bent



WEST BROM

MERSE'S GRADE: B-

"I've really enjoyed watching this lot. They haven't come up and shut up shop – they've played some great football and utilised their pace up front. I think they'll stay up easily, which is all you can really ask of them!"

Best player: Peter Odemwingie

WEST HAM

MERSE'S GRADE: E

"Wrong manager! Even without the points deduction, Pompey would have gone down under Avram Grant. How does that make him a top boss? If they survive, it'll be down to Scott Parker. But it's unlikely!"

Best player: Scott Parker

My 2010 footy awards!

Here they are – my winners and losers from an unbelievable year!

TEAM OF THE YEAR

"I give nods to Chelsea and Barcelona, but it has to be Ian Holloway's **Blackpool**, for reaching the Premier League, and for the way they play – they're a breath of fresh air!"

BEST GOAL

"**Gareth Bale's** volley against Stoke was the best I've seen in 2010, and one of the Premier League's best ever, in fact. Pure technique, and a sign of things to come from a real prospect."

PLAYER OF THE YEAR

"**Lionel Messi** has been easily the best player on the planet this year. He's incredible, on a totally different level to anyone else, and does it week in, week out for Barcelona. Amazing!"

FUNNIEST MOMENT

"There have been some great moments this year, but I think a special shout has to go to **Ian Holloway**, who has me in stitches every time he speaks! The man's an absolute legend!"

BIGGEST DISGRACE

"Poor **Chris Hughton** – his sacking was one of the most disgraceful decisions I can remember. He did Newcastle proud, and Mike Ashley doing that shows what a joke he is."

MUPPET OF THE YEAR

"The way **Sulaiman Al-Fahim** took over at Portsmouth, you'd have thought he was their saviour but he had nothing to back it up, and the club almost ended up closing for good!"

SHAMEFUL!

BIGGEST LETDOWN

"It has to be **England's World Cup campaign**, it was absolutely shameful! The scoreless draw against Algeria was the worst England performance I've ever seen."

MOST UNBELIEVABLE HAIRCUT

"*Nuts* did a great feature on all the ponytails in the Premier League not so long ago, but **Alex Song's** white afro really is something to behold!"

BEST KAMMY TRIBUTE

"I've gone for this incredible clay effort from Bryn Lenaghan of Peterlee, who took drawing me to a new level when he made a **clay model of me,** with a *Nuts* background! Great!"

BEST GAME

"We've seen some incredible games but as I was there, I'm going for **Uruguay vs Ghana** in the World Cup. Thrills, spills, a missed penalty and a sending-off! Unbelievable!"

Football stars' fa karaoke songs!

JOHN TERRY: *CHELSEA* The Mac Band – *Roses Are Red*
The Blues have been known to hit some of London's big clubs for some crooning sessions after a game and, apparently, JT's favourite number is the late '80s classic. He's such a romantic, isn't he? No...?

PETER CROUCH: *SPURS* MC Hammer – *U Can't Touch This*
Nothing makes us happier than imagining the lanky Spurs striker pulling off some of MC Hammer's moves when he gets up to sing *U Can't Touch This*! A paralytic giraffe would have more rhythm!

MIKEL ARTETA: *EVERTON* Proclaimers – *I'm Gonna Be (500 Miles)*
Everton's Spanish midfielder (who's still eligible to play for England – just saying, Mikel!) had his team-mates in stitches at the Toffees' annual karaoke night with his rendition of the foot-stomping classic.

NIGEL REO-COKER: *ASTON VILLA* Tupac – *Keep Your Head Up*
The Villa midfielder loves a bit of old-school hip-hop when he grabs the mic and just can't get enough of Tupac's hits. Well, after their recent results, it's good to know someone at the club is having fun!

These lot don't just sing when they're winning!

Footballers have pretty busy Christmases, but they do get to have a party once in a while – and it's a fact they love nothing more than karaoke. Here's what the stars like to sing!

It wasn't the kind of brass section he was used to playing with

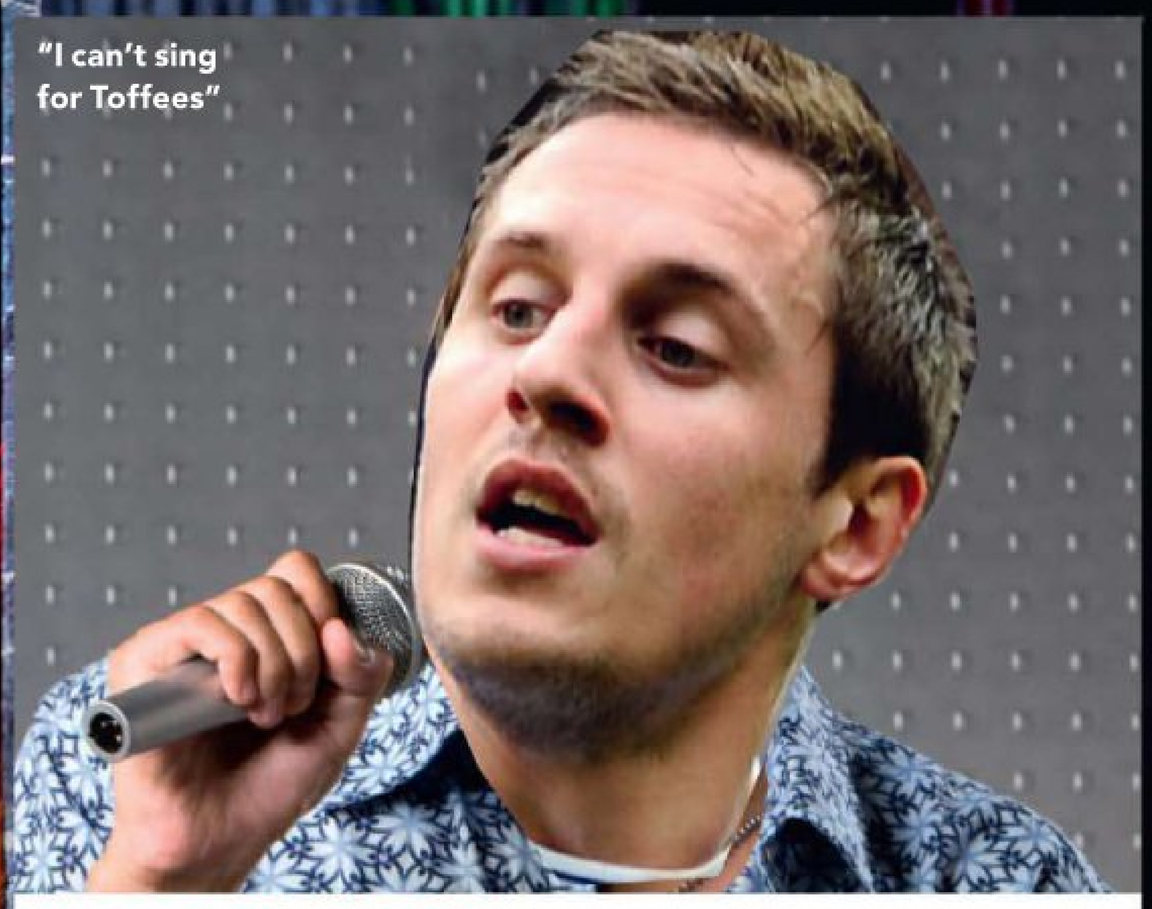
"One-hit wonder? Is that the song or me?"

LOVERMAN!

THEO WALCOTT: *ARSENAL* Mario – *Let Me Love You*
"Whenever we have a family get-together, we always get the karaoke out," says the Arsenal flyer. "I like singing Mario's *Let Me Love You*. I'm not bad, but I won't give up the day job just yet!"

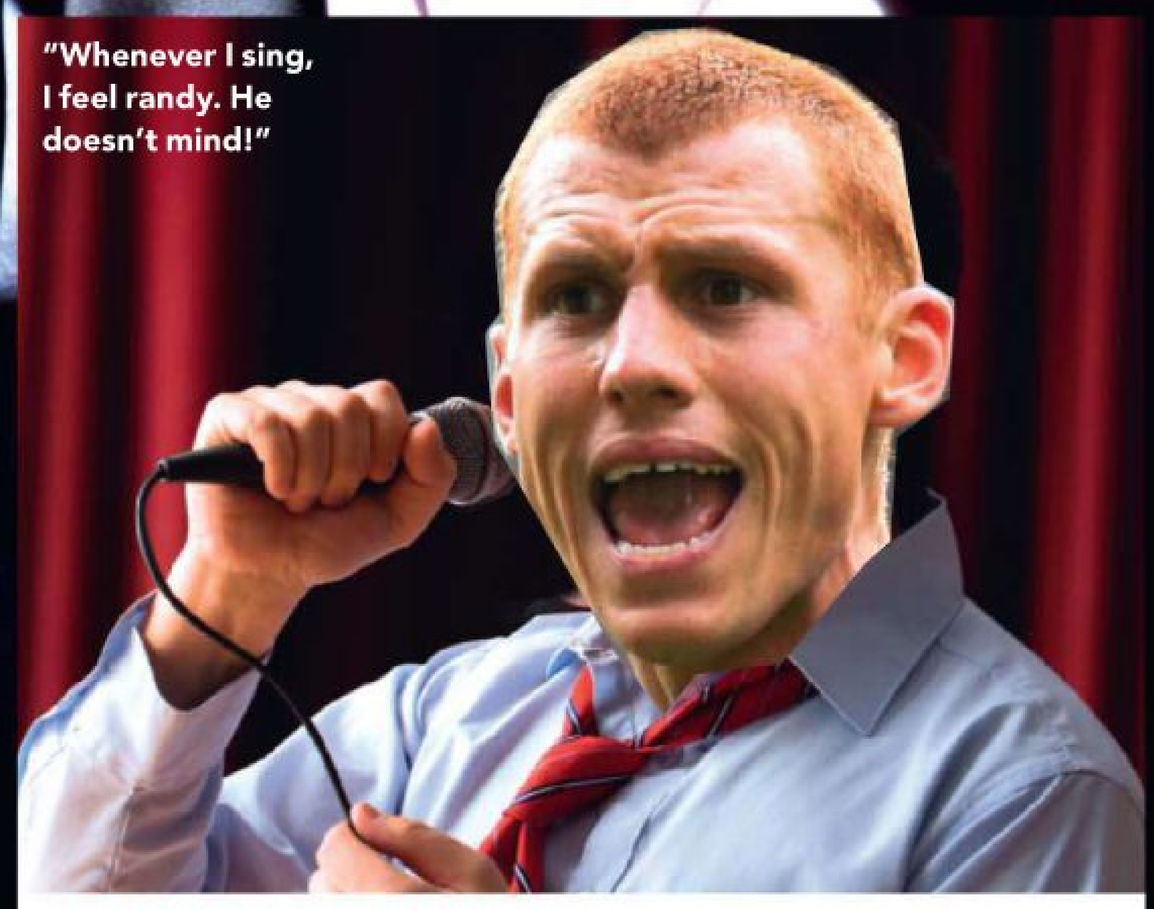
TONE DEAF!

WAYNE ROONEY: *MAN UNITED* Wilson Pickett – *Mustang Sally*
Wazza's been struggling to reach his usual highs recently, but it was the high *notes* he was struggling with at his birthday a few years ago. "He was murdering some classic tunes," revealed Wayne's "pal"!



"I can't sing for Toffees"

PHIL JAGIELKA: *EVERTON* Elvis Presley – *Blue Suede Shoes*
"My first choice of song, *Eye Of The Tiger, was* nicked by Leon Osman," says the Everton man of the club karaoke night, "so I did *Blue Suede Shoes* in the end." Good colour choice, Jags!



"Whenever I sing, I feel randy. He doesn't mind!"

STEVE SIDWELL: *ASTON VILLA* *Elvis Presley – Suspicious Minds*
It's Elvis again! The carrot-topped Villa midfield star fancies himself as a bit of a singer and reveals on his website that he always plumps for *Suspicious Minds* when he takes to the stage.

NUTS MAN TRIES: CASINO GAMES!

THREE-CARD POKER

Will you beat the dealer with your best three-card hand, or win big with pairs? This simple poker game is a doddle to pick up, but it's not a doddle to win without practice! Put in the time like we did though, and you'll be laughing all the way to the bank!

PLAYABILITY: 7/10
PAY-OUT POTENTIAL: 6/10
FUN: 8/10
CASH MADE: £11

NUTS MAN TRIES: SLOTS!

DEAL OR NO DEAL SLOTS

We all love watching *Deal Or No Deal* on the telly, and now here's your chance to win big for real! This game confused us at first, but with a little bit of practice, it soon proved to be a real Christmas cracker for paying out little wins with real regularity!

PLAYABILITY: 6/10
PAY-OUT POTENTIAL: 8/10
FUN: 8/10
CASH MADE: £9

BLACKJACK

The idea is to collect cards and stop as close to 21 as possible – as long as you beat the dealer's hand, you're quids in. The dealer was a tough customer and we kept our bets low until we were sure we were due a good hand!

PLAYABILITY: 9/10
PAY-OUT POTENTIAL: 8/10
FUN: 9/10
CASH MADE: £9

HI LO

The easiest game of all to play – simply guess whether the next card out of the deck will be higher or lower than the one before! With a bold approach, our gamble paid off and we were fortunate enough to pocket a big win!

PLAYABILITY: 10/10
PAY-OUT POTENTIAL: 6/10
FUN: 9/10
CASH MADE: £25

FORTUNE TEMPLE

We certainly made our fortune here! The key with this slot game is to bet on as many lines as possible, but make sure your bets aren't too high – this gives you lots of chances for medium-sized payouts, which soon add up!

PLAYABILITY: 6/10
PAY-OUT POTENTIAL: 6/10
FUN: 7/10
CASH MADE: £9.80

TIKI TEMPLE

Oh no! We made the classic error of being over-confident and lost out here! The trick with *Tiki Temple* is to hedge your bets, and don't go for the biggest wager. If you want to take anything, slow and steady wins the race!

PLAYABILITY: 7/10
PAY-OUT POTENTIAL: 4/10
FUN: 6/10
CASH LOST: £9

Nuts PROMOTION

Top tips to play poker like a pro!

Expert advice on how to win big in the *Nuts* poker room

1 DON'T BLOW YOUR WAD!
Be cagey with your cash and only lay bets you can afford to lose. Don't put yourself under pressure by raising the stakes to chase your losses – you'll play worse when you're scared of losing. If you think you're the weakest player at the table, it's time to bust a move and drop down a level.

2 LAY OFF THE BOOZE!
Sinking cans while playing "heads up" poker at home with the lads might be a bit of fun, but when you're playing chaps online who are only out to nab your cash, you need to keep a clear head!

3 CHOOSE YOUR HANDS!
While the big guns of the game might be able to play any two cards with skill, you'll need to build your confidence and protect your bankroll. Choose only the best starting hands to gamble with, and if you hit something big on the flop, bet hard!

4 PLAY TAG!
We're not talking playground here – to roll with the sharks, you need to play tight and aggressive. Be selective, then when you think you've got the best hand, go big.

5 STAY COOL ON THE DRAW!
If you've got a straight or a flush draw, don't keep calling bets just to see if you hit. If you're not getting the correct odds, just fold. And remember to draw to "Nut hands" (Ace-high flush) rather than low hands (7-high flush) as even if you hit your low flush, you may be beaten by a higher flush!

6 ASSUME THE POSITION!
Play moves clockwise in poker. The worst position is the small blind spot and the best is the button. If you're right of the button, you see what everyone has done before it's your turn to act, so it's the best spot to go for it and play most of your hands.

7 GO EASY WITH THE BLUFF!
Starting out, most players like to see what the other player is holding, so they call a lot more than they fold. This means people will call your bets more than they fold to them. So don't bluff too often or you'll get found out!

LADIES CONFESS! TO OUR SECRETARY!

100% REAL STORIES!

CONFESSION OF THE WEEK!

'She unwrapped me at her flat'

I split up from my boyfriend a couple of weeks back, so I went to a Christmas party to get my spirits up. I wasn't really in the mood and after a few hours, my friend and I headed back to her flat for a few drinks. In the cab home, she told me I was far too gorgeous for my fella anyway and slowly ran her hand up the inside of my thigh. She then pulled a present from her handbag – a vibrator! By the time I jumped out of the cab, my knickers were soaking. As soon as we opened the front door, she unzipped my slinky red dress and started pleasuring me with the toy. It was incredibly tender and I soon climaxed, my whole body shaking with desire. It was by far the most enjoyable Christmas gift I've ever had!

Rose, Cheshire

'He ravished me at the party'

A couple of weeks ago, the manager of my engineering firm hired a temp to help during the Christmas rush. He and I started making eyes at each other immediately and after a couple of days solid flirting in my office, finally got chatting. He was dark and sexy, and his dirty overalls only added to my increasing lust. I couldn't take it any longer, so on the day of the Christmas party, I went to work in a tight pencil skirt, stockings and a low-cut blouse. He couldn't keep his eyes off me and started licking his lips in a very sexy way. After everyone had downed a few drinks and was distracted, I motioned for him to follow me into a cupboard. Once the door was locked, he instantly turned into an animal, ripping open my blouse and kissing and licking my pert nipples. He then picked me up and placed me on a nearby tool bench, unbuttoning his overalls to release his huge, throbbing erection. I sucked him for a minute, then he whipped on a condom and thrust deep inside me before gripping both my legs by the ankles and spreading them wide so he could go faster. He certainly gave me a good service!

Amy, Brighton

'Santa took me in the shower'

My man and I had been to a cool Christmas party dressed as Mr and Mrs Claus. When we got home, I asked him if he wanted to share a shower. As I wandered into the bathroom, he took all his clothes off except for his Santa hat, scarf, beard and boots! Then, without speaking, he pushed my hands up against the wall and used his teeth to pull my bra strap down. I pretended to struggle as he licked my nipples, so he bound both my hands behind my back with his scarf and pushed me towards the shower. I was so turned on by my restraint and the seductive Santa that I was desperate for action in the warm water, and I got even more turned on as he slowly started rubbing his erection between my legs and using both hands to squeeze and twist my nipples. I couldn't take it any longer and pushed my bum towards him so that he could slide inside me under the warm water. Santa was very generous to me this Christmas, let me tell you!

Donna, by email

'We got it on in Santa's grotto'

My boyfriend and I had been out for a Christmas drink with some mates when his mate invited everyone back to his for some drinking games. After a few cheeky kisses in our cab, me and my man were really horny and up for a quickie. Halfway to the flat, my man asked the taxi to pull over outside a shopping centre and walked me to a Santa's grotto that was shut down for the evening. There were no security guards around, so we sneaked under the ropes and started kissing, surrounded by the fake snow and tinsel. It was really exciting and I pushed him onto Santa's throne, where I started riding him as hard as possible. It was so naughty!

Courtney, Sutton

Nuts REVIEWS

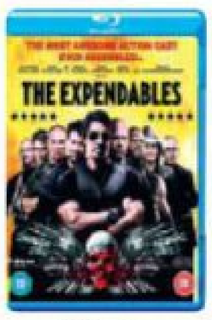
MOVIES!

TRON: LEGACY
CERT PG

In a reboot of cult 1982 sci-fi flick *Tron*, a young hacker looking for his lost father (Jeff Bridges) gets shot into the cyberspace his dad created. The plot is bonkers but it's a visual feast for the eyes in 3D. Sam Flynn battles various "programs" on a games grid in pixel-splintering disc combat and an awesome deadly race on light cycles. This is one you have to see on a *very* big screen! ★★★★

DVDS/BLU-RAY!

THE EXPENDABLES
CERT 15 DVD & BLU-RAY



If you like your films to feature plenty of adrenaline-fuelled fight scenes, big explosions and all-round carnage (and let's face it, why wouldn't you?) you've certainly come to the right place. The immense Sly Stallone fronts a team of mercenaries (including Brit actor Jason Statham and chop-socky genius Jet Li) as they embark on a mission to administer a much-warranted ass-kicking to a South American dictator! ★★★★

THE TRIP
CERT 15 DVD

Semi-improvised brilliance as top comedians Steve Coogan and Rob Brydon wind each other up while on a restaurant tour of the North. Classic telly! ★★★★

SALT
CERT 15 DVD & BLU-RAY

CIA agent Angelina Jolie is forced to go on the run when she's accused of being a spy bent on killing the Russian president. Decent thriller with some ace twists. ★★★

KNIGHT AND DAY
DVD & BLU-RAY CERT 12

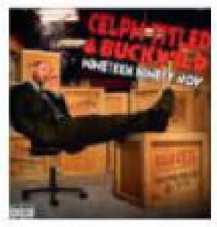
Humorous actioner starring Cameron Diaz as a woman entangled with rogue secret agent Tom Cruise. Fast-paced fun that's not too taxing on the brain. ★★★

MUSIC!

CIARA
BASIC INSTINCT

The immeasurably saucy R'n'B goddess returns for album number two. Full of chunky beats and club bangers, this is really rather excellent soul sass. Your missus will love it. ★★★★

CELPH TITLED
NINETEEN NINETY NOW



The legendary Florida MC teams up with equally legendary producer Buckwild for the hip-hop album of the decade, and it's only a year old! An absurdly entertaining album. ★★★★★

CATFISH
CERT 12A

You'll think before you click after watching this quirky real-life documentary-turned-thriller about a guy whose Facebook relationship unravels in particularly spectacular fashion! ★★★★

APPS!

GOOGLE MOBILE APP
IPHONE, IPOD TOUCH, IPAD

Not just any old Google, this lets you search the web using your voice, pictures and location, as well as typing. Really worth having. ★★★★★

MOBYKO MOBILE SYNC
IPHONE, IPOD TOUCH, IPAD

Take the pain out of manually transferring all your numbers from your old phone to your new one with this app that'll sort it in seconds! ★★★★

TODAY'S MUST-SEES

"Think this is nawty? You should have seen me at Burnley away"

ACE HORROR!

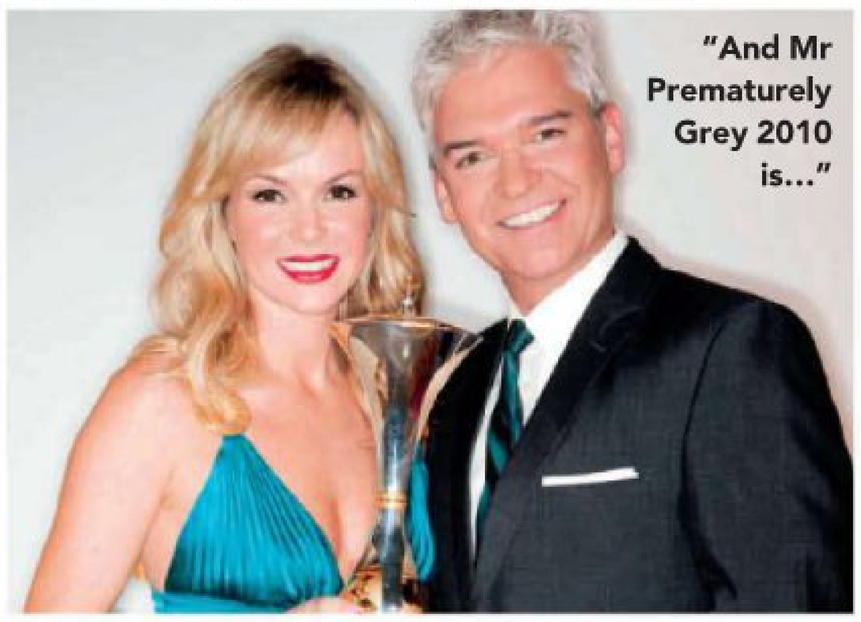
Severance
BBC1, 11.30pm

FILM Back when Danny Dyer was half-decent, he made enjoyable tosh like this riotous horror-slasher comedy, which sees a group of workers from an arms corporation heading into Eastern Europe for a team-building exercise. Unfortunately, in the woods around their holiday location, there lurks an unseen and very murderous foe who's hell-bent on making sure that all the Brits come to an unpleasant bloody end. Toby Stephens, Tim McInerney and Andy Nyman also figure in a strong cast. A hidden Brit-horror gem. ★★★★★

"You should check me out on the one-armed bandit"

World Darts Championship
Sky Sports 1/HD, 7pm

SPORT The world's finest arrowsmen gather at London's Ally Pally. Unsurprisingly, Phil Taylor's the defending champion. ★★★★★



"And Mr Prematurely Grey 2010 is..."

A Night Of Heroes
ITV1, 9pm

AWARDS We know a lot of our readers are in the forces, and every one of them should be celebrated for their hard work, which is exactly what this awards ceremony is all about. It's a tribute to you and your dedication, fellas! ★★★★★

"Oh, er, hello, love... Yeah, I'm playing five-a-side with the lads"

The Mentalist
Five, 9pm

DRAMA Feeling Christmassy? The writers of this obviously aren't, as Patrick Jane and the team go to work when a member of the National Society of Authentic Santas is murdered. And no, that society doesn't exist in real life! ★★★

They guarded the Man City dressing room with their lives

Peep Show
Channel 4, 10pm

COMEDY Mark's life is one big catastrophe, and it continues in typical fashion tonight when he picks up Jeremy on the way to his baby's christening – and they both become trapped in a hallway. Dear oh dear, chaps. ★★★★

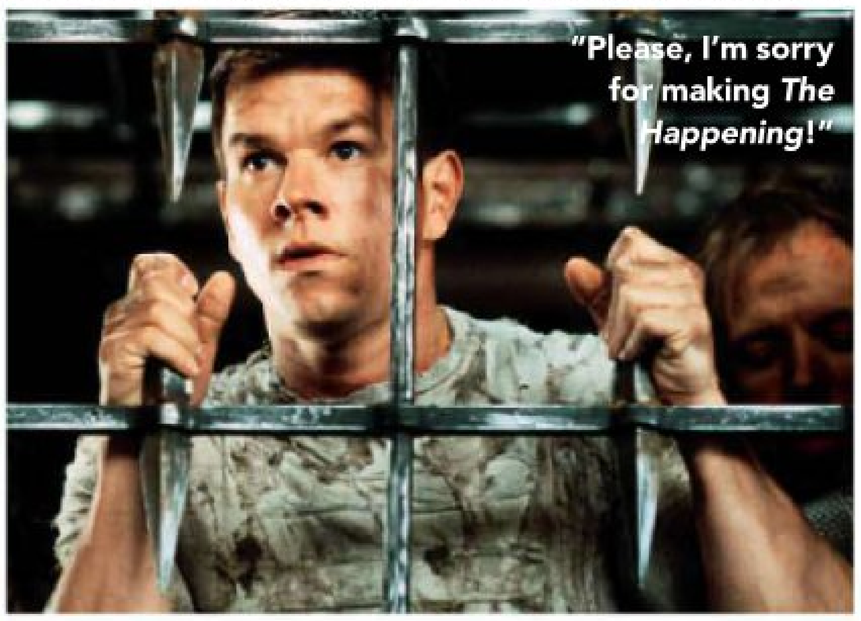
TODAY'S MUST-SEES

Take Me Out
ITV1, 8pm

GAME The cheesiest thing to hit our screens since the Babybel adverts continues! Here are the reasons you should watch this dating show and not just dismiss it as lady-friendly, Saturday night rubbish – first, Paddy McGuinness hosts it, and he was in *Phoenix Nights*. Second, with 30 women all hoping to find dates, the odds are there'll be a few fitties in there! Third, the blokes trying to "impress" the girls usually embarrass themselves horribly, which we always find pretty funny! And remember: No likey, no lighty! ★★★★

Big Fish
Fiver, 4.20pm

FILM If it wasn't for Tim Burton's crazily warped brain, this mad-as-a-box-of-frogs fantasy flick would be turgid nonsense. But he turns it into a light-hearted tale about an old codger whose wild stories charm the pants off everyone he meets. ★★★

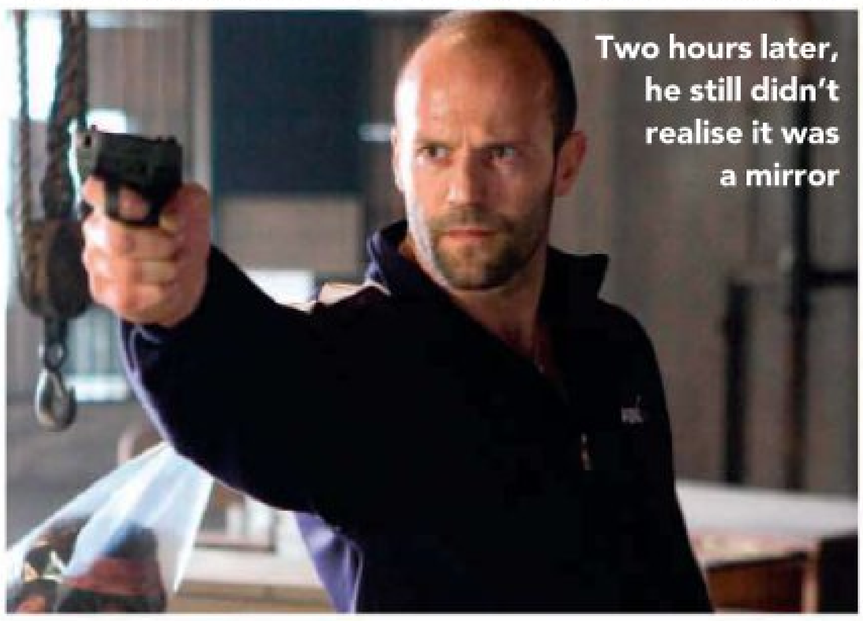


Planet Of The Apes
Five USA, 8pm

FILM Tim Burton's take on apes taking over the world stars Mark Wahlberg as an astronaut who crashes on an alien planet. These apes popped into the *Nuts* office once – they're terrifying! ★★★★

Liverpool vs Fulham
ESPN, 4.45pm

SPORT Fulham will be intent on sticking the boot in to their old boss Roy Hodgson. The snag? They have a rubbish away record. A close Liverpool win and respite for Roy, we reckon. ★★★★



Crank
ITV4, 12.55am

FILM Silly yet brilliantly entertaining actioner, with Jason Statham playing a hitman who finds out he's been infected with a chemical agent that'll kill him unless he keeps his adrenaline level at its very maximum. Cue carnage! ★★★★

TODAY'S MUST-SEES

It was a bad time for a gurning competition

BIG BATTLE!

Man City vs Everton

Sky Sports 1/HD, 7pm

SPORT Roberto Mancini's endured a rocky 12 months or so since taking the reins at City, and he could be in for a difficult time this evening against Everton. David Moyes' side did the double over the Sky Blues last season, although their forward line had a fairly sticky start to this term. Who knows, maybe Mancini might sacrifice one of his thousand defensive midfielders and actually try to win the game. Stranger things have happened! ★★★★

TODAY'S MUST-SEES

Top Gear BBC2, 8pm
CARS You've got to hand it to the *Top Gear* team – when they take on a challenge, they go for it… er, full throttle. Take this, where the tragically haired trio try to find the world's best sports car. Lesser shows would merely take a few for a spin round a racetrack before crowning a winner. Not these three, though. Instead, they take the Mercedes-Benz SLS AMG, Porsche 911 GT3 RS and Ferrari 458 Italia on a road trip up America's east coast, finishing with a race to find the fastest way into New York. ★★★★★

CSI: Miami Five, 9pm
DRAMA It's the last in what's sadly been a decidedly average series. Luckily, it does go out with a bang as there is a very imaginative serial killer on the loose. Can they get the killer before the end of the show? Let's hope so. ★★★★

X-Men E4, 9pm
FILM The first in the *X-Men* trilogy, which sees Hugh Jackman's loner Wolverine – who happens to have a metal exoskeleton – hook up with a group of fellow "mutants" to defend the world against the evil mutant Magneto! ★★★★★

Frankie Boyle's Tramadol Nights Channel 4, 10pm
COMEDY Frankie left *Mock The Week* after he had to censor his offensive jokes. No chance of that here. You've been warned! ★★★★

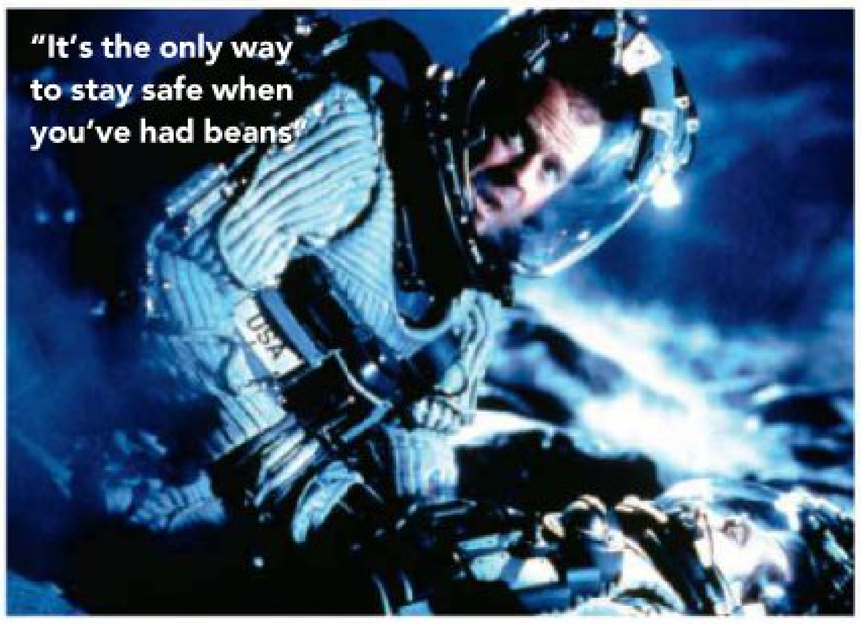
TODAY'S MUST-SEES

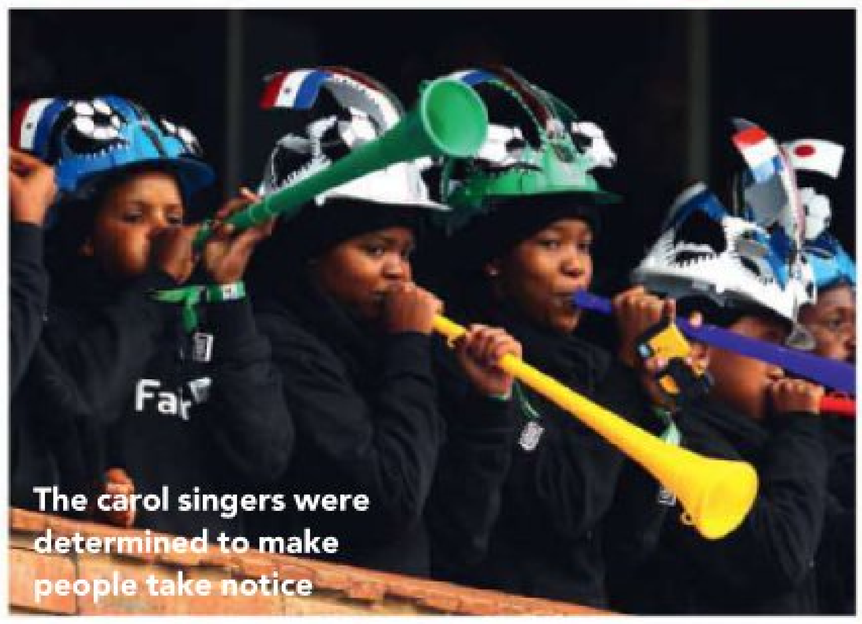
Batman Begins
ITV1, 10.35pm

FILM Christopher Nolan's directorial debut of the *Batman* franchise goes back to the Dark Knight's roots and tells the story that made the man Bat. Christian Bale plays millionaire Bruce Wayne, who by night becomes the gruff-voiced Batman. Liam Neeson takes on an almost Yoda-style role, teaching Wayne his combat skills, while Cillian Murphy's the bad guy. It's a great introduction to the rebooted franchise, and an excellent way to spend a cold Wednesday night. ★★★★★



Armageddon
BBC3, 8pm

FILM Oh dear! There's an asteroid on a collision course with Earth and only Bruce Willis and his ragtag group of drilling experts can save the day. Diverting entertainment but *Deep Impact*, which came out at the same time, is superior. ★★★★



The Comedy Annual 2010
ITV1, 9pm

COMEDY As years go, 2010's been a bit trying. But at least the comics here can find a few things to poke fun at it for, including vuvuzelas and that stupid volcanic ash cloud. ★★★

Chris Moyles' Christmas Quiz Night
Channel 4, 10pm

QUIZ The DJ welcomes Pamela Anderson and Paddy McGuinness to work their way through some funny head-scratchers. ★★★

TODAY'S MUST-SEES

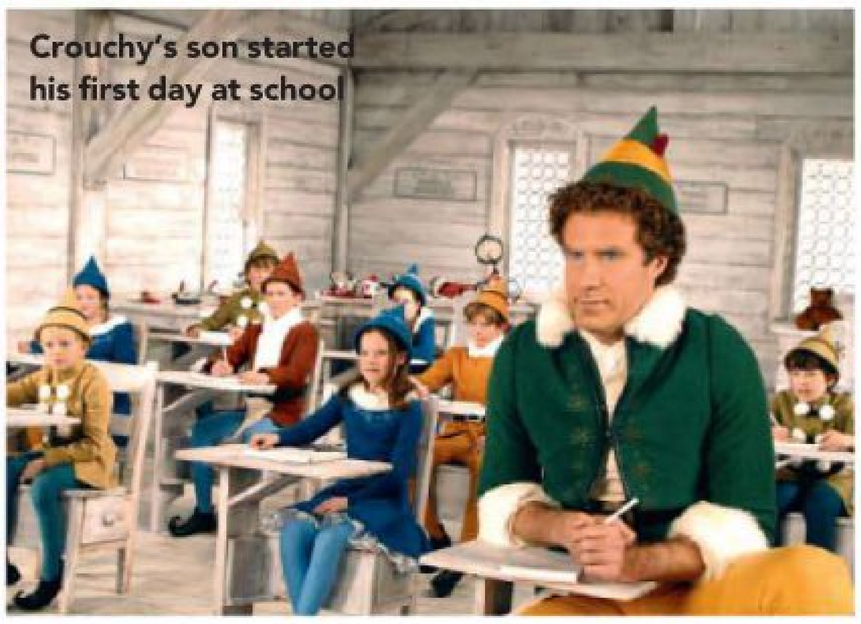
Avatar
Sky Movies Premiere/HD, 8pm

FILM This mega-budget flick from James Cameron might be stupidly long, but it's still a great sci-fi romp. A corporation is trying to mine a pricey mineral from the planet Pandora, which is inhabited by a ten-foot tall blue humanoid species called the Na'vi. The humans have managed to clone the Na'vi, and can control their avatars virtually. But this is just the tip of the iceberg in an epic story of war, love and greed, with visual effects that'll knock your socks off. Ace! ★★★★★



Elf
7.15pm, Film4

FILM John Favreau directs what's possibly one of the greatest Christmas movies of all time. Will Ferrell is Buddy, a pure-of-heart human brought up as an elf in Elfland, who goes in search of his real parents in New York. Hysterical. ★★★★★

War Of The Worlds
BBC3, 8pm

FILM Spielberg turns the special effects-o-meter up to 11 in this modern retelling of HG Wells' classic sci-fi tale, in which an extra-terrestrial – and thoroughly unpleasant – army descends to Earth to destroy us all. The rotten sods! ★★★★

Peep Show
Channel 4, 10.05pm

COMEDY You know how it is – it's Christmas Day, the folks are round, then out of the blue, your latest obsession and your drug-addled pal show up! Well, that's what happens to Mark when Dobby and Super Hans appear anyway. Brill! ★★★★

Rich Hall: Hell No I Aint Happy

TODAY'S MUST-SEES

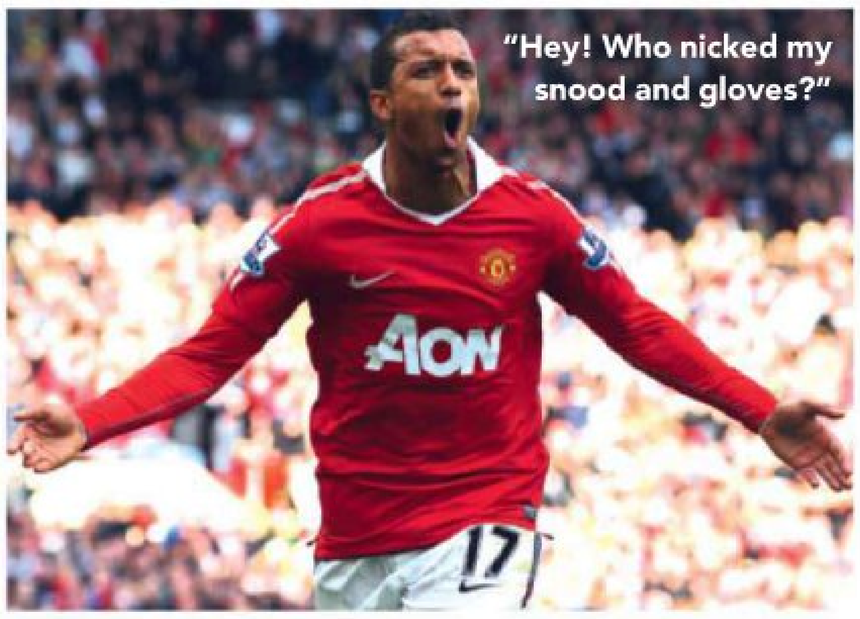
Forgetting Sarah Marshall
ITV1, 9.45pm

FILM Let's make one thing clear – this is a romantic comedy. But it's a very amusing one. Jason Segel's a composer who's dumped by his TV star girlfriend, and so heads to Hawaii to recuperate, only to find that said ex-girlfriend has also showed up, with a new boyfriend, rock star Aldous Snow (Russell Brand, in the role he reprises in *Get Him To The Greek*) in tow. He's joined by Jonah Hill as an awestruck waiter and Paul Rudd as an idiotic surf instructor. ★★★★★



West Brom vs Man United
Sky Sports 2/HD, 12.30pm

SPORT Like sacrificial lambs, WBA entertain the Red Devils for a drubbing – or do they? After all, they pulled off an incredible draw at Old Trafford having been two goals down. ★★★★★

Harry Potter... ITV1, 5.05pm
FILM *... And The Prisoner Of Azkaban.* It's the one where the supposedly super-evil Sirius Black escapes Azkaban prison. Evil Dementors stalk Hogwarts and so Harry and co embark on yet another magical mission. Great fun! ★★★★

Indiana Jones... BBC1, 5.35pm
FILM *... And The Kingdom Of The Crystal Skull.* Indy might not pack as much wallop as he used to, but this is still a top adventure flick, complete with man-eating ants, evil Germans and lots of whip action! Completely daft ending, though. ★★★★

Come Fly With Me BBC1, 9pm
COMEDY We're loving Lucas and Walliams' airport spoof. This week, a "sudden wing malfunction" delays FlyLo passengers, and we meet Tommy, a wannabe pilot who currently works at the Happy Burger! Surreal brilliance. ★★★★★
