CHAMPIONS LEAGUE SPECIAL!

Nuts EXCLUSIVE!

It's Rooney v

The Champs League stars talk exclusively to *Nuts*!

Rooney "Messi does amazing things with a football"

Hi Wayne! First up, congratulations on United's record-breaking 19th title! Yeah, it's been amazing. We've had ups and downs this season but it all seems worthwhile now. Credit to the lads.

When you asked for a transfer at the start of the season, did you ever think you'd win the title and get to the Champions League final? I've said many times I made a mistake. I apologised and moved on. Thankfully, the club and the fans got behind me and as the season went on, I'd like to think I got better and better. I won't lie and say it's been easy but winning the title and doing well in Europe has justified all the hard work!

What do you say to claims this isn't a vintage United side? People can have their opinions, that's OK. I think we've done great. All the lads contributed at different times and we showed character when things got tough. I'm confident that we'll get better and better.

Did you think your partnership with Javier Hernandez would click so quickly? I didn't, to be honest. I knew he was a good player but I thought it'd take time for him to settle into a new country and a new team. Fair play, he's been brilliant – scoring big goals in big games. And the way he plays allows me to get on the ball a lot more, be involved and find space a bit deeper. That's something I've really enjoyed.

You're a fan of Spanish football and Barcelona in particular. How does it feel to meet them in the Champions League final? I can't wait. The result's the most important thing but I also hope it'll be a good game. Everyone knows what Barca can do to you if you let them, so we'll have to defend well. But we've got great attacking players, too, so it should be entertaining. Everyone here is keen to put right the result we had against them last time.

Controlling Lionel Messi must be part of the gameplan? Messi's a genius. The things he does with a football are amazing. So, yeah, we'll keep an eye on him but it's the same for all their players – Xavi... Iniesta... Pedro... They're a top team. But so are we!

How's the Rooney temper? I'm a footballer and I care passionately about what I do. I desperately want to win and sometimes that spills over. I don't mean anything by it!

There are rumours you might leave Old Trafford even if you win the Champions League! I hear things all the time that aren't true. I'm lucky to be a United player, to play for the biggest club in the world. I plan to be here for a long, long time!

Big mouth strikes again

"Barcelona are a top team. But so are United!"

s Messi!

Messi "Rooney is strong, a warrior"

Hi Lionel! Care to make any predictions for the final? I think it'll be a great occasion. I have a lot of respect for United, their history and the way they approach football. I pray it'll be an exciting final with lots of attacking play.

Don't you think United will shut up shop and hit you on the break? I'm not sure a team managed by Ferguson would ever do that. And in any case, Barcelona tries not to focus on the opposition and their tactics. It's more about what we will do and our philosophy towards the game.

What's the key to winning? We must impose our game on United. People look at the quality of our play and our individuals and think it must be easy but we earn the right to attack. We work hard to close down the opposition and when we get the ball we hopefully do something beautiful.

You scored against United in the 2009 Champions League final... To this day, I say that was the best goal of my career. Not because of what it looked like but because of what it meant to me and my team-mates. Hopefully, I can do the same again this time!

Which United players do you admire? Vidic is an incredible defender and Giggs is someone who deserves everyone's respect but Rooney stands out. He's a warrior and seems to honestly love the game. Watch him on the pitch and you see someone who is all about the team. Yes, Rooney has individual brilliance – he's strong, holds the ball up, has great skill and scores goals – but it's all in the context of getting a result for the team rather than just himself.

Does the talk about you being the best player of all time make you proud? I don't agree with these claims. I've been lucky to play with a great team in Barcelona and we've had some success but the greats won things for a long period – I'm only young. Also to be the best you need to win a World Cup, which I haven't done.

You're weirdly modest. We'd be insufferably smug if we were you! I try not to get carried away. If I get criticised by people, I ignore it – it's the same when good things happen. I've always done what felt right and enjoyed football. The rest just falls into place.

But the mountains of cash must help! Money makes life easier because it makes my family comfortable but it's not my reason to play football. I would do this for nothing!

Thanks for the chat, Lionel! Final question – do you fancy a cheeky move to the Prem? No, this will not happen. I'm a Barcelona player. For me it's more than just a place to play football. It's my home!

Geordie Shore!

MTV's American reality show *Jersey Shore*, about a handful of toned, tanned berks let loose in a luxury house, became their most successful show ever. Keen to get in on the act, MTV UK has transplanted the format to the north east of England with some toned, tanned attention-seekers of their own. We took our best Geordie translator and headed to their first ever shoot for a chat! ➡

Vicky!

Hi Vicky! You're known as "Vicky VIP". Why? I coast the cocktail lounges – I live a very, very wild lifestyle. The VIP lifestyle!

If we took you out on a date, would you expect the full VIP treatment? I'm a little high maintenance, sorry!

So we'd have to be minted? I guess I just like rich guys. I like being looked after!

What's the least you've worn on a cold night? For my birthday in November, me and the girls dressed as Hula girls. So bras, grass skirts, bikinis and that's it!

Would you say *Geordie Shore* is a sexier show than *The Only Way Is Essex*? What's really sexy about *Geordie Shore* is that we're all ourselves, whereas girls in Essex are constantly dolled up to the nines.

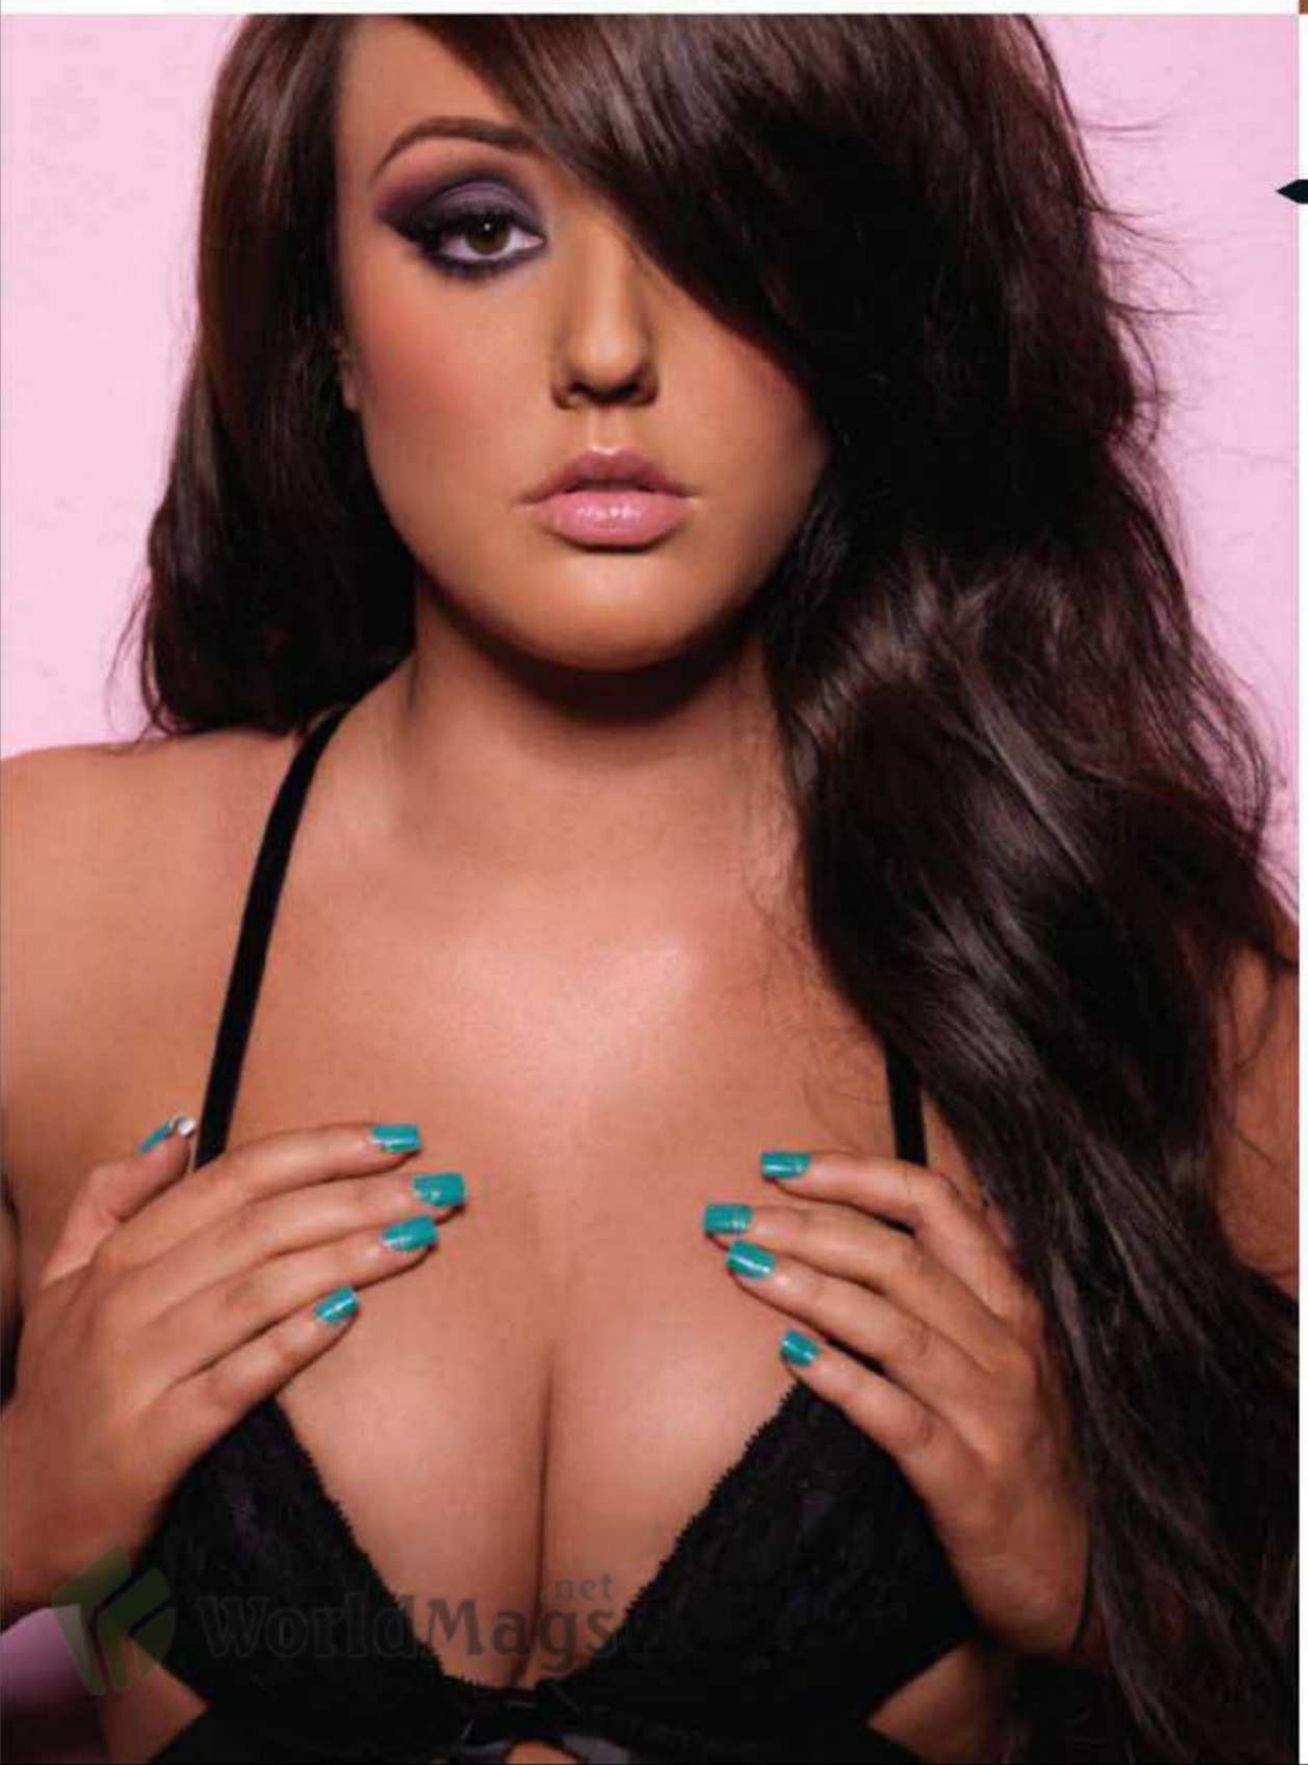

"I live a very, very wild lifestyle – a VIP lifestyle!

Is getting drunk on MTV's coin one of the reasons you applied for *Geordie Shore*? That was the main reason! Ha-ha! Seriously, it was hard work with the filming and stuff, so it wasn't exactly what I expected.

JWoww from *Jersey Shore* was offered millions to pose for *Playboy*. Would you consider that? Nah, I'm not a huge nudity fan really!

What do you think *Nuts* readers will get out of *Geordie Shore*? *Nuts* readers are into girls and having a laugh and we definitely combine those two elements!

Charlotte!

Hi Charlotte! Welcome to your *Nuts* interview. This is all very exciting, right? It's really exciting, isn't it? You know that fluttery feeling in your belly? That's what I've got!

Is this the first sexy shoot you've done? Yeah. I have taken photos of myself in my bras and knickers, but that doesn't count, does it?

Not if you have to do your make-up. Why do you do that? I used to send them to boys – but only boyfriends!

According to your biography on the website, you're the biggest attention-seeker in the group, is that fair? No way! Really, is that what it says? It's between me and Sophie – we like to make everyone laugh! I'm a natural at it!

"I take photos of myself in bras and knickers!"

What's a night out with you normally like? I don't really go out and pull – we normally have dance-offs!

Complete the sentence – Geordie girls are the best, because... We know how to have fun!

Would you say Newcastle is the only way rather than Essex? That's exactly what I'd say.

Again, according to your biography, you only go out with £10 in your purse. That won't get you very far, will it? You go out with half a litre of vodka, then buy Coke!

Cheryl Cole's gone to America – do you think she'll represent Geordies? She's certainly flying the flag, isn't she? She's got to keep that accent though!

Sophie!

Hi Sophie! Do you find it weird to walk around in your underwear? Nah! In *Geordie Shore*, that's all I do!
You said you'd like to be a role model for curvy women. What's your message to the curvy girls? My message is curve all the way! And don't worry about what other people think!
Do you really think working out in nightclubs is the way to fitness? That's what I've just said to Charlotte. She was saying, "We've got to go the gym!" I was like, "We're going out! We don't need the gym!"
Who would you rather go on a night out with? The Essex girls or the Chelsea girls? Essex, all over. I love the Essex girls.

"I'm dreading the first episode. I was so drunk!"

What's it like in the *Geordie Shore* house? Is it like *Big Brother*? Nah, it's completely different to the *Big Brother* house – we've got so much freedom in what we can do.
What kind of guy do you go for? Blond hair, blue eyes – I like a bit of muscle as well. You're my type all over. But you know what, you've got too much chest hair!
Sorry. With us, it's hairy or bust. I just don't like the hair. Your face is doing alright!
What was the biggest night out you had with these guys? Bloody every night! Probably the first night. I was so drunk! I haven't seen the show, so I'm dreading the first episode. I totally forgot what I did!

Holly!

Hi Holly. Can you tell us a bit about yourself? Yeah, I'm 18 and I'm from Middlesbrough. I used to work in a call centre and now I'm on a *Nuts* shoot! And I love to go out and party!
Hang on. You're from 'Boro? You're not a Geordie at all! Well, it wasn't for Geordies only – it was people from the North East!
What's your most attention-grabbing outfit for a night out in Newcastle? It's probably a little tiny black skirt and massive killer heels. They've got to be six inches or it's not good!
Something for blokes to bear in mind. Ha-ha! Exactly! And then something which shows my boobs off! I have big boobs!

"I don't need a chat-up line – my boobs do it for me!"

Charlotte says she's the biggest attention-seeker in the group. Do you agree? Charlotte's absolutely hilarious! She does anything for fun!
You reckon you can get any guy you want. Give us your best chat-up line then. I don't need a chat-up line. My boobs do it. I just stick my boobs out!
If we were out, what would be the best way to approach you? Just buy me a drink and compliment me on my boobs. I really like that!
Would you consider posing for *Playboy* like JWoww? Of course I would! You wouldn't even have to ask me twice!■

Geordie Shore is on MTV, Tuesdays at 10pm

Nuts gatecrashes Radio 1's Big Weekend!

We hang out backstage in Carlisle with the stars!

On stage with... Westwood

Hi Westwood! Who's biggest at Radio 1's Big Day Out? The ultimate is the clash between me and Moyles, baby. I'm about to lay the Westwood wallop. Moyles has two chances. Slim and not. Slim left Carlisle this morning.
What are you on about, Tim? It's a DJ clash. Record for record, baby. I'm gonna be the chocolate éclair to his diet. To beat the man you have to be the man. Call me Mr Love Handles. I'm gonna open a can of pimp juice, baby. Then I'm gonna open an extra strength can of smack-down juice.
Are you sure you haven't been drinking already? And a can of whoop-arse, baby!
Concentrate! Lady Gaga's here. Will you try it on? No. But she asked if she can wear my meat for her performance.
People wear rubber boots at festivals. How would you pimp some wellies? By not wearing them. Straight sneakers. Would you have the courtesy to smell my trainers today? They're festival fresh.
You always say that, then they stink! Experience the Westwood whiff!
Yuck! What's the worst thing you've done at a festival? Tipped over the Portaloo when Moyles has having a poo-poo!
Thanks, Westwood. Can we get on your shoulders later to see over the crowds? Yes. But I don't want nappy rash from having you on my shoulders, so the answer must be no.

Reggie Yates

Hi Reggie! Lady Gaga's here. Will you try it on? Hell, no. She's scary. I don't want to date anyone who takes days to get ready.
Are you hoping Fearne Cotton will drink too much and let you snog her? That's disgusting! She's like a sister.
When your mum's cross with you, does she call you Reginald? No one calls me Reginald. So, don't.
Thanks, Reggie. You voice Rastamouse. Why aren't Rastamouse and Da Easy Crew playing today? They're at Glastonbury. They only do the big gigs!

Wretch 32

Hi Wretch 32! You had a single called Traktor. Will you be driving around on a tractor today? I just saw a tractor and thought, "Wouldn't that be cool on stage?" Sadly, we couldn't.

Lady Gaga's here. Will you try it on? No. It might be a bad romance. Ha!

Thanks. Will you get on Westwood's shoulders to see over the crowds? He couldn't hold me. We're both too skinny!

Example

Hi Example! What are you doing here? I finished my new album yesterday so I've come to party and perform with Wretch.

Er... what's happened to your hair? Has it got wet? My new album's a bit more grungy than the last one, so I thought this would fit. Plus, I'm bored of having to brush it up.

Lady Gaga's here. Will you try it on? No thanks! She's all yours.

Thanks, Example. Have the Stone Roses phoned to ask for their sample back? We had to clear it with [Stone Roses singer] Ian Brown. But he loves it!

Ellie Goulding

Hi Ellie! I can't stop. I'm on stage in a minute!

OK. Good luck. Bye!

WITH THE STARS!

Westwood & Tinie

Hi Westwood and Tinie! What does this button do? Don't touch a thing! We're live on Radio 1!

Tim Westwood will be broadcasting his BBC Radio 1Xtra show live from Camp Bastion, the main base for British troops in Afghanistan, from Monday 30 May – Friday 3 June (4pm-7pm), linking live with BFBS Radio.

When bubbly blonde Lydia Bright was a late entry to series one of *The Only Way Is Essex,* she was… well, let's call her "quirky". With wacky hair and a look best described as "dressed in the dark", it was a debut with all the panache of Fernando Torres at Chelsea.

But she must have attended a crash course in "Essexism", as she returned for series two glamorous and super-sexy, and got loads more screen time.

So we've caught up with "Lyd" on her hols near Barcelona, in a black bikini, topping up her tan – alongside TV's Zoe Hardman – with actual sun rays. Which is surely frowned upon in the land of the fake tan?

THE ENGINE

The DB4GT packs the same 6.0-litre V12 engine as the Vantage, so expect similarly amazing performance with 510bhp and 420lb-ft of torque.

PERFORMANCE

Zagato should tease more power from the Vantage's cousin. So expect a sub 4-sec 0-62mph dash and possibly kiss the magic 200mph mark.

Brand-new Aston!

Mr Martin surprises us with a gorgeous new motor, the V12 Zagato!

Nothing gives the lazy oiks on *Nuts*' news desk a more swift kick up the backside than a brand new Aston Martin supercar launched with seconds to spare on press day.

The car in question is a one-off collaboration with legendary coach-builders Zagato and is an endurance race-car concept based on the V12 Vantage. Called the V12 Zagato, it'll be shown at the Villa D'Este Concours (a supercar show for billionaires on the banks of Lake Como) when, if there's enough interest, they'll decide whether to put it into production. There will be enough interest.

As a full-bred racing car, it'll have its track credentials tested at the Nürburgring 24-hour endurance race in June, like all recent Aston launches. Then, Aston Martin tell us, you may be able to buy one – for a ballpark price of around £350,000. A snip.

The original Zagato!

This collaboration marks the 50th anniversary of the original Aston and Zagato brainchild, the first DB4 GT. This 1960 production run of only 20 cars used aluminium in the body and perspex in place of glass where possible, both of which were extremely unusual at the time. The surviving models of that car now sell for around £5million.

FUEL TANK
As befits a sportster with its endurance heritage, the V12 packs a 120-litre endurance racing fuel tank. That should get you home from the shops.

ONLY IN Nuts!

JIM JEFFERIES! GOES NUTS!

It's the most offensive column on Earth!

"I w*nked off over Hillary Clinton!"

Chest awful

Wayne Rooney shaved "19" onto his chest after Man United won a record 19th league title. Well, here's what else it might mean! The number of hookers he'll be visiting this week. The number of times he's called Shrek in one day. The number of letters he thinks are in the alphabet. The age he was when he f**ked your nan. For the record, well done City for winning the FA Cup.

Mess him up

A 20-year-old c**t of a burglar in Cambridge smashed an elderly couple's window to steal £105, but he was spared jail because he has OCD and claimed he'd find the prison conditions too messy. Oh, that's alright then! I also suffer from OCD so if I ever find myself up in court I'm gonna insist I'm let off prison on the grounds I'd find it too messy to have several men rape my f**kin' arsehole!

Frisky business

I was reading in the paper the other day about this chick in Brazil who suffers from a condition called hypersexuality, which causes her to masturbate up to 18 times a day. She's an accountant, apparently, but she has to duck off every ten minutes to whack off. Anyway she's now won a court case to allow her to do it to porn at work every single f**kin' day! Well, I think I might have this same condition but I don't reckon a court in the land would let me do myself when I'm at work. Imagine what that'd be like for the poor b*stards in the front row at one of my gigs! Eww!

"You should see my vajazzle!"

"19... The age he was when he f**ked your nan!"

Unorthodox methods

I also read last week that a Jewish newspaper in New York, *Di Tzeitung*, digitally removed Hillary Clinton from the famous White House situation room photo where everyone's watching the live assassination of Osama bin Laden. Apparently, they took her out of it because her image was too sexually suggestive. They're bang on there – I w*nked off to that picture several times before I realised it wasn't the start of a gangbang. But hey, they're right! What's sexier than a 60-year-old woman in a suit watching Navy Seals shoot someone in the face? What a bunch of freaks these Orthodox Jews must be! I'm not worried about upsetting them, by the way – if they're reading *Nuts* magazine then they're already in big trouble, 'cos if they find Hillary Clinton sexy, then Lucy Pinder's gonna bust their nuts!

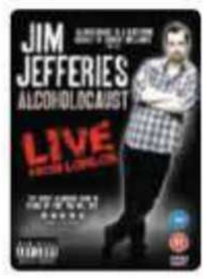

Obama loved *Medal Of Honour*

Mum of the Year

Finally, did you hear about that kid in the US whose mum's been giving her Botox at eight f**kin' years old? Apparently, the kid's been taken into custody 'cos of it. C'mon, what's wrong with injecting your kid with Botox? I saw a pic of the girl and she didn't look a day over seven! Still it must've been awful for her to be taken away from her family – although she apparently showed no emotion whatsoever. But then again, she couldn't have, could she? See you next week, ya f**kers!

'My leg looked like something from a horror movie!'

Human error leaves leg in limbo!

Let this be a lesson – forget to put your seat belt on and your leg could end up looking like a hot serving of corned beef!

Chris Rigby, 23, a delivery man from Derby, tells *Nuts*, "My mate was giving me a lift home from the pub, and I forgot to do up my seat belt. I didn't notice that the car door wasn't closed properly and when the car made a sharp turn, I fell out and took all the impact on my leg.

"I stumbled back to the car and we rushed to the hospital. I was dreading seeing how bad it was. To my shock, my leg looked like something out of horror movie. The skin had been ripped clean off and there was blood everywhere!

"I was in a wheelchair for two months but I'm walking again – and I never forget to put my seat belt on now!"

"Nurse, does this look like a man in pain to you?"

Nuts GEAR

Your next laptop!

Google's Chromebook – it's a laptop-less laptop!

Those clever chaps at Google reckon the reason PCs tend to be slow, heavy and clunky is that they have to hold all your stuff and the means to play with it as well. So they've come up with an operating system they've called Chrome – and the Chromebook to play with it on! Essentially, all your stuff – content, applications etc – lives in Google's house in "the cloud" on the internet, rather than on your hard drive. All you need to access it is a portal – a keyboard and a mouse to poke it with. It's stupidly clever and it may well be your next laptop!

THE HARDWARE!

Samsung and Acer will both be hitting the market with Chromebooks in June. Priced at around £350 for Wi-Fi only and £400 for 3G versions.

NO APPLICATIONS!

As it does everything on the web, any applications sit on the cloud. You just add apps to your account like an iPad and they stay there.

AUTOMATIC UPDATES!

As the lappy's essentially just a clever portal to the web, all the software updates happen online in the background. Same for virus protection, too!

BOOTS IN SECONDS!

Eight, to be precise. As there's no ungainly hard drive and operating system to boot, you just turn it on and eight seconds later, you're working!

THEY'RE 3G!

The Chromebook falls on its backside if you haven't got an internet connection. So, as well as Wi-Fi access, these will get on that internet via 3G!

IT'S STILL A LAPTOP!

It still has two USBs, a four-in-one card reader and 16GB of solid state memory, so you save music, pics etc there before sticking it on the cloud.

NO HARD DRIVE!

All your content – documents, music, videos, etc – live in the cloud, so there's no need for a hard drive, making the lappy lighter and more portable.

Nuts NEXT TOP MODEL!

ONLY IN Nuts!

Introducing the hottest new models – in their first ever *Nuts* shoot!

Amber!

She's a 32C beauty from Birmingham!

INTERVIEW: DAN CURLEY PHOTOS: ZOE MCCONNELL
HAIR & MAKE-UP: LISA HARRIS STYLING: SPECIAL K

Hi Amber! How does it feel to be appearing in *Nuts*? Bloody brilliant! I've been working towards appearing in *Nuts* for about a year now, so it's really good to have finally made it!

Who's your modelling hero? Amii Grove, who's beautiful and from Birmingham, like me!

Is this the first time you've appeared in a magazine? Yes! I've done other stuff but I've not appeared in a magazine before!

What tip would you give fellas to make themselves more attractive to you? Always have nice hair. I hate messy hair, so you'd definitely need to have a nice haircut. Make sure it's always looking well-kept!

What do you think is your best asset? My nice smile, I guess!

What's the sexiest outfit you own? I've got a policewoman outfit but it's not come out of the closet yet! Maybe I'll save it for a special occasion.

What's your top ambition as a model? Oh, I'd love to be on the cover of *Nuts* one day! That's definitely the dream job! So I need all your readers to ask for me more! Get voting, fellas!

Finally, if you could do a photo shoot with any other model, who'd it be? And where? I love India Reynolds and Rosie Jones. Rosie has massive boobs! I'd love to shoot with her, but her boobs might make mine look tiny! And I'd like to do it in Jamaica!

Want more Amber?

To see more Amber in *Nuts*, text **AMBER** to **86611**. Lines close 9 June. Texts cost your standard network charge. You'll receive a free message reply. Telecom Express helpline: 0870 880 4869

Hi Guv! You've got a brand-new show, *Al Murray's Compete For The Meat*. How's it work? Do points mean poultry? Well done! Points do mean poultry! That's one of our brilliant catchphrases, along with "Are you diggin' the chicken?" which is good, too. When you're putting together a TV game show, you have to ask yourself the question WWVKD? – What would Vernon Kay do? – and the rest is easy.

Contestants compete for the ultimate prize – a frozen chicken – with sausages for the runners-up. Is there any prize better than meat? No, I think this, right now, is the greatest prize on TV.

A million quid would only spoil you but a frozen chicken when times are tight is just about as good as it gets!

Would Olympic athletes be more motivated if they were competing for meat rather than medals? Yeah, probably. I bet after a marathon you're starving, so a frozen chicken for the winner sounds like a great idea. Though they'd then have to defrost it and cook it, so maybe not.

Rounds include general knowledge, a pub challenge and "Meal Or No Meal". How do these work? General knowledge does what it says on the tin. We do a round of that, then the losing team are replaced by random punters and marched to the Sin Bin while everyone sings the *Thick And Slow* song (lyrics: "Thick and slow", repeated three times). After another round of general knowledge, the losing team does the Last Chance Saloon challenge against the Sin Bin team to see who stays in. Challenges include Extreme Shove Ha'penny and Dwile Flonking (look it up*). Then there's a quick-fire round and we award the chicken to the winners. Simple.

You've got a new mascot, too – Mr Giblets. What's happened to your dead dog Ramrod? Health and Safety. Apparently, a stuffed dead dog some 12 years dead is not allowed into a food hygienic area. Bloody do-gooders!

***Compete For The Meat* is exclusively on Dave. Is it aimed mainly at people called Dave?** Two thirds of the people I know are called Dave or Steve. Did you know the bloke in charge of Dave is called Steve? Takes some getting used to. At least he's not a Tarquin or a Crispin.

Will you have to re-record the entire programme one hour later for Dave Ja Vu? Yes. What? Oh sh*t!

Why hasn't anyone thought of doing a meat-based quiz show before? It's a surprise to me that this hasn't been done before but, then, most game shows are about greed or at least winning new luggage. The idea came direct from my gaff. In my gaff, whenever we do a quiz, it's a frozen chicken to the winner, sausages for the runners-up.

It's the summer soon. Do you have any barbecue tips? Yes. Lighter fuel actually enhances the flavour of most supermarket sausages.

Thanks for the chat, Guv! What if *Compete For The Meat* takes off and they do versions around the world like with *Who Wants To Be A Millionaire*, *The Weakest Link* and *Deal Or No Deal*? Could you stand foreigners tinkering with it? They can do what they like as long as they pay me in cash or gold!

Al Murray's Compete For The Meat *is on Dave from 19 May. *Dwile Flonking is a game involving one team dancing around the other trying to dodge a beer soaked cloth being flung at them* – Nuts *Look-it-up editor.*

Hi Jess! Have you ever been mistaken for JLC? I hope you mean because of our similar initials! No, I get mistaken for JLS a lot though! Joking. I once did a photo shoot where the make-up artist was expecting another Jesse Jane, who's a porn star!
Who's the most famous person in your phone book? I can't say! I have my own number, so I am!
Who's the last person you looked at and thought "fit!"? Me again, in the mirror this morning! I'm joking! I walked past a poster for the new *Fast & Furious* film. My three favourite celebrity men are in it – Vin Diesel, Paul Walker and The Rock. They're all pretty fit.
When was the last time you did something you shouldn't have, and what was it? I cut the fatty bits off my meat and put them on other people's plates! I'm like the witch in *Hansel And Gretel,* trying to fatten people up!
Who really winds you up? Tracy from *Coronation Street* winds me up – she's the kind of character you love to hate! ➡

Who really makes you laugh? I watched a Lee Evans stand-up show on telly the other night. It had me in stitches! My brother always makes me laugh, too.

When was the last time you had a wardrobe malfunction? I was in Starbucks in Sheffield and a man walked over to me to tell me I had a massive green sticker on my bum! I just said, "I must be for sale!" The man took that as a chat-up line. I couldn't get rid of him after that!

What was the last bad idea you had? I decided to wash my contact lenses in a new solution without reading that it was some sort of acidic steriliser you were meant to leave overnight. My eye felt like it was on fire and I was sure I'd blinded myself! Luckily, I didn't. Always read the label!

What's the best thing about Britain? I love the Union Jack. It's the coolest flag in the world – it makes me feel so patriotic.

What's the least sexy thing a man can do? Follow a girl around like a little puppy. Having said that, it's not nice when a guy acts all "Treat 'em mean, keep 'em keen." A nice balance would be good.

Do you prefer clean-shaven and dapper, or a bit rough around the edges? It depends. If I want to be treated like a princess and romanced, I'd want clean-shaven and dapper. If I'm feeling a bit naughty, though, I'd want a bit of rough around the edges!

Restaurant or takeaway? I only have takeaways when I'm back with my family in Sheffield. Generally, if I'm not cooking, I like a nice restaurant.

Do you prefer cats or dogs? I love my Knickers! Knickers is my puppy – she was on the shoot and had her picture taken! ➡

What's on your iPod right now? All the *Now That's What I Call Music* CDs. Whenever I put my iPod on shuffle, I always skip every song until I get to one from a *Now* album, so I just end up putting them on instead.

Do you prefer telly or photo shoots? They're completely different. I would do naughtier things on shoots than on the telly though!

What one thing would you really like to do but are too frightened to try? I'd love to be able to sleep on my own but I'm terrified of sleeping when there's no one in my house!

You're always on Twitter – what sort of people do you get following you? I get some crackpots! I got sent a picture of a willy the other day! I would ➡

Who are your top three ladies? My top women would have to be Dita Von Teese, Megan Fox and Holly Madison. So hot!

What's your favourite saying? Cream always rises and poop sinks! I live by it!

Do you have any holidays planned this year? I'm busy up until Christmas but I'm touring India in the New Year.

Thanks, Jess! Before you go, what's your favourite film and TV show? I could watch *Bridget Jones* and *Alfie* [cult '60s movie, recently remade in a bit of a rubbish stylee with Jude Law] over and over again. Barcelona vs Man Utd special!

Nuts legend Paul Merson weighs up Saturday's mega-match!

Merse on the teams!

BARCELONA

"We all know just how good Barcelona are but can they change their game if United attack? With Carles Puyol and Gerard Pique at the back, I'm not sure they're used to the pace United can throw at them. They hold the ball incredibly well but can they respond to a setback? Pep Guardiola has instilled in them the need to hound the opposition when out of possession and they have the best midfield in football. Plus Lionel Messi. Not bad overall!"

MAN UNITED

"For me, it's simple. If United attack Barcelona and play Javier Hernandez up front, then they have a great chance of winning. If they play Wayne Rooney up front on his own and try to break up the play too much, then Barcelona will win comfortably. In Nemanja Vidic and Rio Ferdinand, United do have the best centre-back partnership in the world for me, so they can do a job on Messi but Sir Alex Ferguson simply has to gamble a bit and attack them."

PHOTOS: GETTY IMAGES, BACKPAGE IMAGES

WorldMags

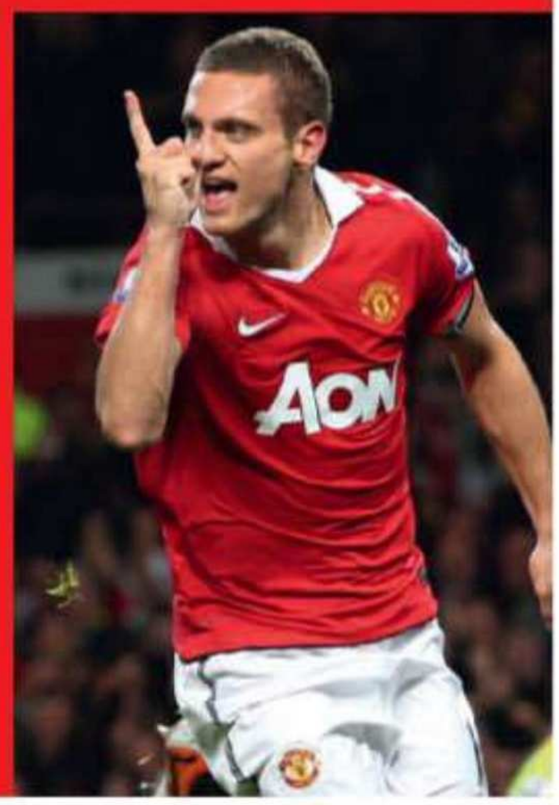

WorldMags

Merse on the defenders!

BARCELONA
"The Barcelona captain is a very good defender but, in all fairness, I reckon I could still play centre-back for Barcelona! If United have Hernandez chasing balls over the top, Puyol just won't be able to cope with his pace."
RATING: 7/10

MAN UNITED
"What a season Vidic's had at United, and what a player! Together with his central defensive partner Ferdinand, the Serbian's been unbeatable. If anyone has the smarts to deal with Messi – the best player in the world – it's him."
RATING: 10/10

Merse on the midfields!

BARCELONA
"Andres Iniesta has incredible vision. I don't think anyone spots a pass as well as he does and with Sergio Busquets around, he doesn't have to worry about defending. And Xavi Hernandez is almost as good as Iniesta!"
RATING: 9/10

MAN UNITED
"I gave Michael Carrick a bit of a pasting a few months ago in *Nuts* but he's really come on since then. Great on the ball and very rarely gives it away. Together with Ryan Giggs, he forms a partnership that will cause the Catalans problems."
RATING: 7/10

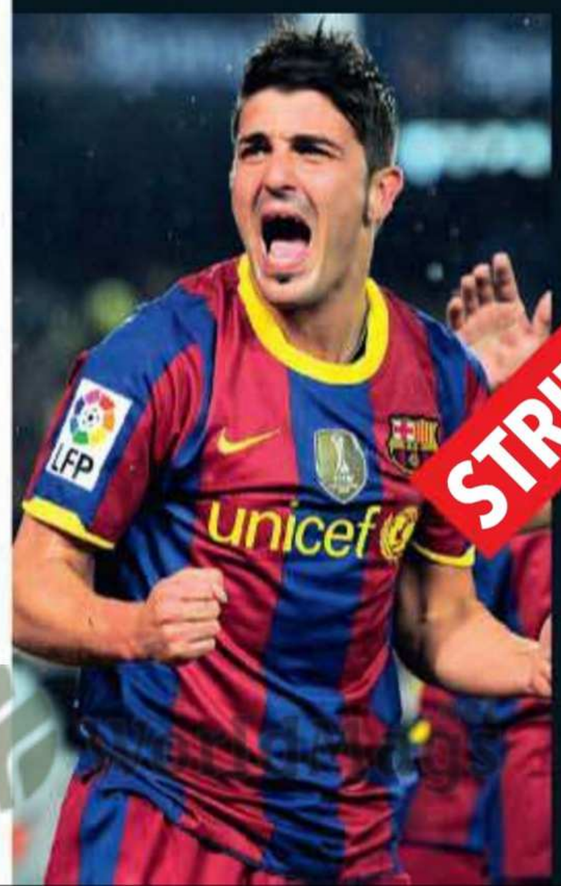

MIDDLE MEN!

Merse on the hitmen!

BARCELONA
"David Villa may not have scored as many goals this season since he's been playing on the wing but he's still very dangerous. United will have to watch him. Messi will move around all over the pitch, while Patrice Evra will have to stop Pedro Rodriguez down the right-hand side."
RATING: 9/10

MAN UNITED
"I think Hernandez might well be the key to this whole game. With deadly pace and the most brilliant movement around, the little Mexican will play on defenders' shoulders and pull them everywhere. Rooney will be in behind him looking to play him in with first-time balls."
RATING: 8/10

STRIKERS!

Merse's key men!

BARCELONA
"Messi may well be the best player on the planet, bar none. But if United can push him onto his right foot, then he can be kept quiet – Arsenal showed that at The Emirates when they faced him. Given space, though, Messi will absolutely murder any team and he's unplayable."
RATING: 10/10

MAN UNITED
"Rooney drops very deep to get the ball sometimes but I don't think United really want him to do that. They need him just where he's been great lately – in the hole, right behind Hernandez. Whatever happens though, Rooney's got a big part to play in this game, that's for sure."
RATING: 9/10

Merse's prediction

BARCELONA 1 – 2 MAN UNITED "What a game it's going to be! It could go either way. I'll back United but only just!"

Nuts Champions League Final drinking game!™

Glasses at the ready, gentlemen, it's the big one!

PHOTOS: GETTY IMAGES, PA PHOTOS, SHUTTERSTOCK

It's the biggest game of the season, Barcelona versus Man United at Wembley in a best-of-Spain meets best-of-England footie spectacular, and how better to enjoy it than with our brilliant new Champions League Final drinking game™?

Grab a few mates, more than a few cold tinnies, and some of those bottles in your dad's dusty old liquor cabinet that you're not allowed to go near, then turn on the telly and just follow the simple rules!

Remember, though, *Nuts* doesn't condone drinking to excess in any way whatsoever. Unless it's Champions League final night, of course!

You'll need:

- **Beer**
- Sambuca
- **Sangria**
- Wine
- **Scotch**
- Headache tablets
- **A telly**

1 When Ole Gunnar Solskjaer's injury-time winner in the 1999 final is mentioned, have a Sambuca shot. If you're a Scouser, have two. Then start crying.

Barcelona vs Man United

Sat 28 May, Sky Sports 1/HD & ITV1/HD, 7.45pm

LAGER TOP!

2 Every time Barcelona complete a pass to a team-mate, have one sip of beer. Do note, though, you will be battered after about three minutes and fast asleep.

3 Each time ITV commentator Clive Tyldsley sees Lionel Messi make a mistake and says "he is human after all!", sigh and drink two sips of lager.

WorldMags

WorldMags

DOWN IN ONE!

4 Any time United's Portuguese winger Nani hits the floor after a tackle/dive, drink beer until he gets up again. This could take a while, so go easy.

5 Down a pint if Jose Mourinho turns up and insists that, despite being routed in the semis, Real Madrid were cheated of the title and he's the true winner!

TIME, GENTLEMEN!

6 Drink a scotch when you spot Sir Alex Ferguson chewing gum, tapping his watch or doing that weird jumpy celebration that looks like he's sat on a drawing pin.

7 Pour a glass of French wine when you hear a song about Eric Cantona, who hasn't played for ten years and now just does bad films and adverts.

8 When Barcelona have a decision against them, count how many of their players surround the referee, and drink the same number of shots. So 11 then.

9 Drink a jug of sangria every time Javier Hernandez scores a goal, does a weird prayer on his knees or gets mistaken for a girl with shaved hair.

10 If Darron Gibson nutmegs Xavi in the 88th minute, then scores with an overhead kick, then drink the lot and go to bed. Something is very wrong.

ONLY IN Nuts!

He's the voice of the fans – and he's only in *Nuts*!

"Oh well, there's always Millwall game to ok forward to!"

"The Hammers will bounce straight back"

I was amazed that West Ham lost their Premier League status this season. It just goes to show that the old cliché about being too good to go down really should be consigned to the rubbish bin.

On paper, the Hammers should've been pushing for the top ten. They had plenty of options up front, plus quality in the midfield in the shape of Footballer of the Year Scott Parker, an England goalkeeper in Robert Green and decent defenders in Matthew Upson and Wayne Bridge. Something was obviously very wrong at the club, from top to bottom.

Sacked manager Avram Grant must shoulder the majority of the blame. Much as I like and respect Avram, he doesn't seem like the kind of coach that raises his voice and inspires his players when the chips are down.

West Ham have the new Olympic stadium to move into, and they're going to have to turn things around pretty quickly to avoid more disaster.

Still, with the right managerial appointment I think they can bounce straight back from the Championship next year. Especially if they're able to keep hold of some, if not all, of their better players. The board have admitted their mistakes and have taken a club back into the Premier League before, managing it at the first time of asking with Birmingham City.

I like West Ham a lot, and I wish them all the best, together with the other teams that dropped out of Britain's top league this season.

"The Hammers should've been in the top ten"

What a day for Swansea and Reading!

Next Monday sees the richest game in world football being played at Wembley, as Swansea and Reading go head-to-head in a battle to reach the Premier League. It's going to be an amazing occasion.

The two managers, Brendan Rodgers and Brian McDermott, have done incredibly well to take their teams so close. I'm climbing Mount Kilimanjaro with Brendan in June – if he wins this big one, he'll have a skip in his step and leave me trailing in the dust!

Best of luck to both sides!

Nuts EXCLUSIVE!

Graeme Swann: 'It's going to be a great summer!'

The England bowler on Twitter, Newcastle United and N-Dubz!

Hi Swanny! How exhausting was it being on tour with England the whole winter? Mentally, it was pretty tough but as I bat down the order I've got the easiest job going. I only have to trot five or six steps before I bowl! I feel sorry for the seamers who have to do those long bowling shifts… actually, no, I don't!

Are you looking forward to being in front of a home crowd again? Yeah, I love playing in England. Everywhere we go, we have full houses. You're never more than a couple of hours from your bed as well! Plus crowds like you get in Bristol – they really know how to drink and have a party!

Why do you think our one-day team can't match the achievements of the Test side? I can't put my finger on it. I don't think we're far off but at the moment, we seem to have players that are better suited to the Test game.

You're well known as a sportsman who likes Twitter – what do you make of sportsmen getting in trouble over it? Everyone has the right to say what they want, it's a free country but it's a stupid man who says something on there that lands him in hot water. You can get your point across without courting controversy. Mine's just funny, rude road signs and my favourite TV shows!

You're now rated as one of the best spinners in world cricket – does that freak you out a bit? No, it doesn't bother me to be honest. You still have to go out there and get the job done.

How are you enjoying being a Newcastle United fan at the moment? It was a weird season! I just hope we can spend some of the £35million we got for Andy Carroll. He's a good footballer but I think we got the best of the deal. I don't want Luis Enrique to leave though. He's brilliant!

Seeing as you're the singer in a band, would you swap the cricket for rock stardom? Yeah, that would be living the dream, wouldn't it? I still have this idea that I'm going to be massive in Japan one day! I'd love to be a rock star!

What music gets played in the England dressing room? Ever stuck yourself on? Ha-ha! No! When I get hold of the dressing room iPod, it's guitar music all the way, none of the crap Stuart Broad and Matt Prior listen to! N-Dubz and Chipmunk! Horrible!

What do you reckon you'll do when you finish playing? Singing maybe, or being on comedy panel shows? Well, it's going to be rock star or fighter pilot at the moment! I don't want to think about it too much at the moment! My missus reckons I'll end up in Butlins!

Who's the most famous person in your mobile phone? Peter Beardsley, what an absolute legend. Love him to bits!

Professional cricketers used to be known for liking a drink and a cigarette. Have things changed much? It's a lot more professional than it used to be – I won't say that players don't enjoy a drink any more because the three Test matches we won in Australia last winter were followed by three of the biggest drinking sessions I've ever seen! These days there's definitely a time and a place for it though. We all know that!

A few people in the *Nuts* office just don't get cricket. How would you sell the game to them? I wouldn't! If they don't like cricket, then they must be idiots, ha-ha! If you're English and you've got any sense of history and pride then you should be into cricket, full stop!

Can you give us any England dressing room secrets? No, what goes on in that dressing room stays in that dressing room! I've too much to lose otherwise!

Do you think we can beat Sri Lanka and India? Yeah, we can beat them both! It's going to be a great summer! We're up for it!

NEW TO Nuts!

MANAGER'S CORNER!

No.9 Gus Poyet

The Brighton boss tells it like it is!

Hi Gus! If you weren't in football, what would you have done instead? I would've been an engineer.

What was your first car? A Renault 11. I didn't have a car in Uruguay. In France, in my first international contract they gave me the car. I was quite a bad driver as you can imagine, though, so it was very difficult to drive.

What was the last music you bought? Rihanna. I'm a fan of Rihanna, I like her music.

What's your TV guilty pleasure? Oh, I don't know, I usually watch typical family shows like *The X-Factor*.

If you were going to sing a song at karaoke, what would it be? Well, I'm quite poor. I can tell you the song that they made me sing when I arrived at Chelsea. It was *Uno, Dos, Tres, Un Pasito Pa'Delante Maria* [by Ricky Martin], that's a Spanish song. I repeated that for about 15 minutes and got destroyed by the Chelsea players. So it wasn't a great experience!

Have you ever been mistaken for another famous person? Yes, Diego Simeone. I was travelling home and had to go through Argentina by plane. Many people came up to me thinking I was Simeone, but I said "No, it's not me, mate!"

If you could have a dinner party with any three people from history, dead or alive, who would they be? Apart from being football mad, I really, really like basketball so I'd go with Michael Jordan. I've read plenty about him and I think he was a genius. I'd go with my idol, probably, who was a player from Uruguay, Fernando Morena. I learnt a lot from him. The third one would be my wife. If I didn't say my wife I'd get killed!

Thanks for the chat, Gus. Finally, what would you cook for them? Cook? Me? No, I'm really bad at cooking! When my wife goes away for two or three days, she has to leave me with everything because she knows I'll go to restaurants every day. Don't count on me for that, no chance!

LADIES CONFESS! TO OUR SECRETARY!

100% REAL STORIES!

CONFESSION OF THE WEEK!

'I came to a shuddering climax'

I work as a netball coach for a local team. After a welcome game for beginners, I was tidying the changing rooms and decided to have a quick shower before leaving. Feeling horny after all that running around, I started to touch myself under the warm water. Then I heard a noise behind me and realised one of the new girls had walked in – she'd seen me and was stripping off to come and join me in the shower. She walked over and started kissing my neck. Then she replaced my hand with hers and, while pushing her fingers inside, squeezed my nipple with her free hand. She gave me oral and I came to a shuddering climax. I returned the favour and now I hang behind after every game!

Lou, Gateshead

'He used each toy on me'

On about the fifth date with a new guy, we started talking sex toys after a few cocktails. He told me he'd never used one with past girlfriends and I blurted out that I had a drawer full! As we got to my front door, he gave me a lingering kiss goodbye and I cheekily asked him if he'd like to see my collection. We raced upstairs and he watched with delight as I played with each one. I was getting really horny and could tell he wanted to get his hands all over my body. He used each toy on me, making me come twice before whipping on a condom and taking me hard from behind. The next day, he couldn't wait to take me shopping to Ann Summers!

Beth, by email

'We all got soapy together'

My friends had a party one weekend as they'd just moved into their first flat. I went with a male friend, a guy who I know likes me and we chatted about wanting a threesome with another lady. I nipped to the loo to do my make-up and there was a quiet knock on the door. A girl stood there giggling explaining that she'd overheard our conversation and she wanted to play. She began kissing me and I responded, eager for her touch. A moment later my friend snuck in, knowing what we were up to. We both started to undress him as his hands groped at our chests. He started kissing her as his fingers went up my skirt and into my knickers. Soon we were all naked in the bathroom, experimenting, turning each other on. We all ended up in the shower afterwards, soaping each other down. A few people kept banging on the door but most people were so drunk, they didn't notice we were missing!

Sal, Lincoln

'His groans just got louder'

After working late one night in the office, I got to the underground car park only to find I couldn't start my car. The security guard spotted me and after lifting the bonnet for a nose, he rang the recovery people. He was short, dark and handsome and I couldn't tear my eyes away from the tight bulge in his trousers. He caught me staring and this seemed to make it grow even bigger. I made my move and soon had my fingers wrapped around his shaft. The head was huge and shiny, and I licked and kissed it sexily, looking up at him as it went into my mouth. My technique seemed to work as his groans got louder and his hands moved onto my head. He tried to say he was about to come but instead, he gasped with pleasure just as his warm liquid filled my cheeks. A few minutes later, the recovery guy turned up and he was quite hot, too – but a girl can't be greedy! Still, it was a perfect way to wait for help!

Nuts REVIEWS

GAMES!

A spectacular *DiRT 3* crash can be recorded, then posted online

DIRT 3 PC, PS3, XBOX 360

Exhaustive point-to-point racing sounds dull but it really isn't. This is by far the best rally game out there. Then when you've done all the stock courses, there's Gymkhana – a freestyle area that's half assault course, half Tony Hawk-style tricking. Gorgeous looks, delicious playability and wacky multiplayer options complete a top racer. ★★★★

SAMOROST 2 IPHONE, IPOD TOUCH

Help a sad gnome recover his stolen dog in a cute point-and-click adventure. It brims with sly humour and a warm art style. ★★★★

GEARS IPAD, IPHONE, IPOD TOUCH

Ball-rolling puzzler where you need to tilt (or poke) a sphere across a level of moving cogs. Sounds easy but it's fiendishly fiendish. ★★★★

APPS!

LYNX STREAM IPHONE, IPOD, IPAD, ANDROID

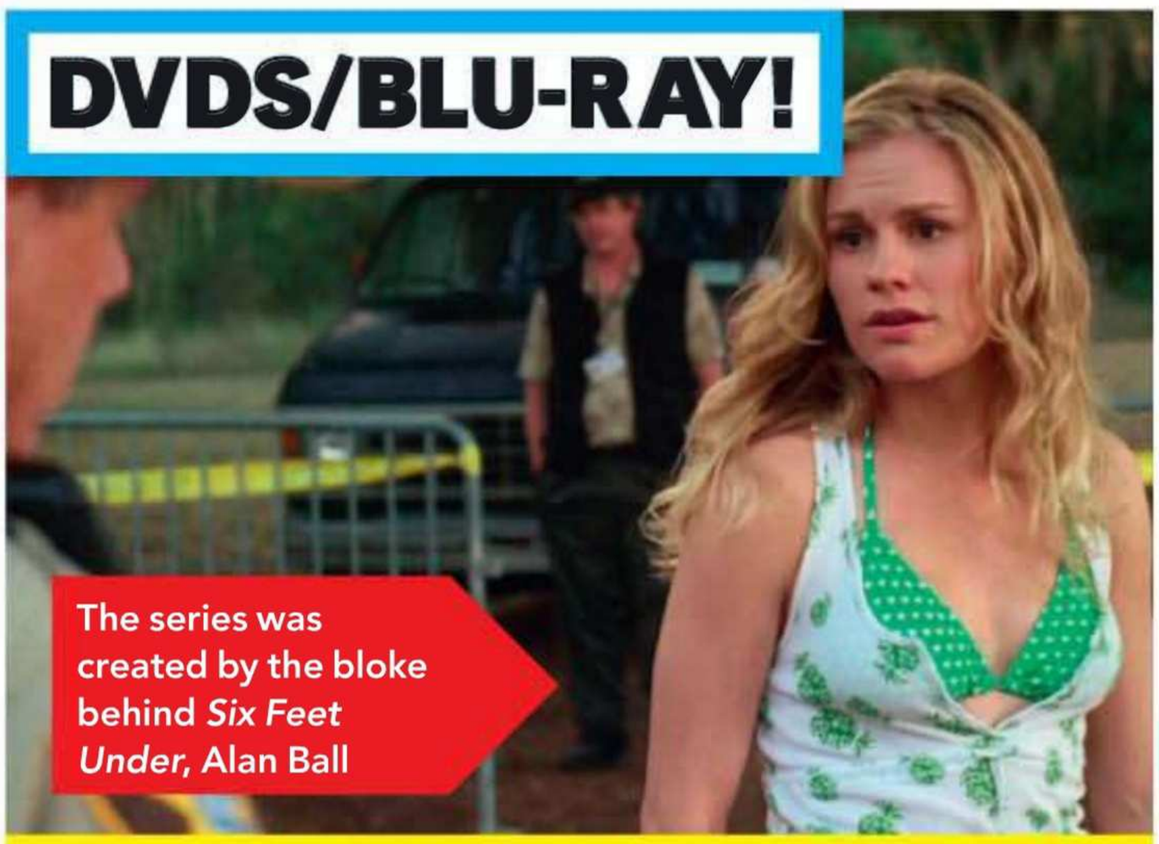

Nifty night-out app that puts all your mates' pics, tweets, statuses and videos into one "stream". Perfect to refresh the memory the morning after! ★★★★

KEITH LEMON'S MOUTH BOARD IPHONE, IPOD, IPAD

The bleached mulleted one's best lines in a top app. Hold your phone to your face and it looks like you're saying them too. Bang tidy! ★★★★

DVDS/BLU-RAY!

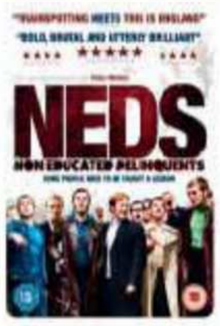

The series was created by the bloke behind *Six Feet Under*, Alan Ball

TRUE BLOOD: SEASON 3 DVD & BLU-RAY CERT 18

The best vampire drama around reaches its third season, so expect more humour, violence, gore and hotties (Anna Paquin's super-cute as telepathic Sookie Stackhouse) as the human residents of Bon Temps continue to live uncomfortably with the blood-suckers. Better still, werewolves make an appearance in this series! Brilliant! ★★★★★

NEDS DVD & BLU-RAY CERT 18

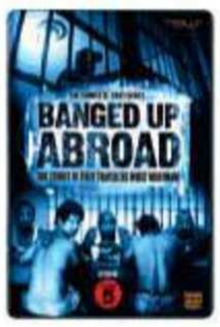

Brutal drama about Non Educated Delinquent gangs in '70s Glasgow starring newcomers such as lead Conor McCarron. ★★★★

UFC: BEST OF 2010 DVD CERT E

The finest limb-bashing action! This includes that ever-so-friendly meeting (or not) of Rampage Jackson and Rashad Evans. Ace! ★★★★

BANGED UP ABROAD: SERIES 1 DVD CERT E

Tales of how trips overseas can end up lasting longer than planned. It features reconstructions and interviews with ex-cons. ★★★

MUSIC!

LADY GAGA BORN THIS WAY

Gaga flirts with religious ideas in her new barmy dance anthems. As long as she keeps stripping in her videos, we're happy! ★★★

PRODIGY WORLD'S ON FIRE

Blistering live CD from the dance group who translate best to the live arena. It also includes a bonus DVD of the concert. ★★★★

MOVIES!

Mike Tyson cameos again, this time rapping *One Night In Bangkok*!

THE HANGOVER 2 CERT 15

The Hangover is a hard act to follow but the sequel doesn't disappoint. The boys are lost in Bangkok this time with only a fag-smoking drug-mule monkey to help them find the bride's little brother. Laugh it up! ★★★★

ANGELS OF EVIL CERT 15

Ace true-life story of '70s Italian gangster Renato Vallanzasca. Car chases, shoot-outs, prison busts and babes… molto bene! ★★★★

APOCALYPSE NOW CERT 15

The ultimate Vietnam War flick gets a cinema re-release. Martin Sheen's on a mission to kill a rogue colonel. ★★★★★
