Meet *The Bachelor* babes!

The pick of the honeys from 5's new dating show!

IT'S A tough life for rugby buffoon Gavin Henson. Charlotte Church's ex is now starring in Channel 5's new reality show *The Bachelor*, with 25 hot-as-hell girls battling to be his new squeeze. Poor bloke!

Nuts met three of the sexiest singletons that Gav will be getting to grips with – and bachelorettes Nickie, Morgan and Carrie were more than happy to show off a few very good reasons why he should snap them up.

Offers for them to sack off Gav and live in the *Nuts* office weren't met with great enthusiasm! ▶

It was the hardest game of "Snog, Marry, Avoid" of all time

WorldMags.net

Hi girls! So tell us, what's it been like filming *The Bachelor*?
Carrie: Hello! Twenty-five girls competing to win one heart – it's been very entertaining!
Nickie: So much fun! A proper once-in-a-lifetime thing, and it's very genuine – nothing's made up for entertainment.
Morgan: I was stupidly nervous! But once everyone got settled, it was definitely one of the best experiences. It was a very surreal way of dating, though!

Did you all watch the American version of the show to bone up?
C: I YouTube'd it! It really sold it to me because it was classy, glamorous and genuine.
M: I knew lots about the show. I saw some stuff on YouTube, but it didn't prepare me for how emotional it would be!

Why did you go on the show?
C: I'd tried everything else! I'd just had enough after a string of bad relationships.
N: I've been single for quite a while now, so I thought I'd give something different a go. I got the feeling that all the girls were there for that reason and not just to be a reality TV star.
M: I've had first dates in the past where I had to leave halfway through, so I've clearly not been getting it right!

Reckon you'll all become *The Only Way Is Essex*-style celebs?
M: Whatever happens, it's going to change our lifestyles.
C: Getting to do fun things like this *Nuts* shoot is great!

What would be your ideal first date and how would you go about impressing your man?
C: Not dinner! Something fun – a sport or something scary, so he could look after you as well as having fun. Skydiving!
N: It's up to the bloke to impress! I like a guy who's not shy and tells a few jokes. And I agree with Carrie – not a meal.
M: I'd say a picnic, so you can get to know each other in a chilled environment. ✖

Inbetweeners movie secrets!

As whispered to us by the writers!

YOU PROBABLY won't recognise the scruffy herberts below, but you already love the work of Iain Morris and Damon Beesley, the creators of *The Inbetweeners*.

You may have heard that they've penned a movie, taking the antics of Will, Simon, Jay and Neil on a lads' holiday to the continent. Well, they kept a bit of a diary during filming, and here – exclusively for *Nuts* – are the choice bits.

THE PUKING SCENE!

"Nice! There are lots of things we like about this scene. One: they're eating Subway's Meatball Marinara sandwiches, so we got to eat some. Two: the puke matches Will's shirt. Three: that's a *lot* of puke. There's no rig – Simon Bird has just taken in a massive amount. Well done, him!"

THE LOO-ROLL GAME!

"A game we found in a bar in Magaluf – you have to down a pint before you can put out the flaming toilet paper. Joe [Thomas] and James [Buckley] are amazingly good to do something this dangerous. We knew it couldn't be Simon, because he can barely *drink* a pint, let alone down one!"

IAIN MORRIS & DAMON BEESLEY

The genius writers of *The Inbetweeners*.

WorldMags.net

WorldMags

"There must be a couple of quid in his pockets!"

THE UPSIDE-DOWN DRINKING GAME!

"This drinking game was inspired by director Ben Palmer's trip abroad. It was incredibly uncomfortable for Simon, but the most whingeing came from Joe and James, who moaned that holding his legs was 'tiring'. I've looked for Simon's c*ck and balls, and I think it's that lump to the left!"

"I just can't quit you!"

QUAD-BIKING STUNT

"Quad bikes are everywhere in Malia [Crete, where some of the movie was shot]. Apart from the bars, the next most immediately recognisable thing there are the quad bikes. Buckley rates himself as pretty good on them, but that look of fear from Simon is 100 per cent real!"

James Buckley gabs!

Hi James! The movie's out this week. How was filming?
We filmed off-season in Magaluf and the whole place was freezing! But it was great fun – the whole town became our film set! We filmed about 30 seconds' worth in Malia last year, which became the teaser trailer. What you can't see is people getting thrown out of nightclubs, fighting and getting run over by quad bikes! It was a complete nightmare!

Is it true you got a personal trainer to buff up for the beach scenes?
I didn't. Simon Bird did! He had two sessions, then – because he's Simon Bird – he went, "I don't need one any more, I can do it by myself," because he wanted to save money. That was the end of that.

Have your pubes grown back yet? You shave them off in the trailer!
I chickened out, so they got a double in for me. I didn't want to shave my pubes into an arrow. What's wrong with saying no to that?

So is that really it for *The Inbetweeners*? Do more!
Nah. This'll be it. We'd all like to finish. We all love working together, so we'd take any excuse to work on something else. I'm really proud of *The Inbetweeners*. I wouldn't want to fiddle about with it!

"This is boring. Pub?"

Fire + planes + 375mph truck!

Yes, the result *is* rather impressive!

WHAT'S NOT to love about this picture? You've got an upside-down stunt plane racing a 375mph truck (brilliantly called the Flash Fire Jet Truck), while a gigantic wall of fire explodes in the background. The answer, of course, is nothing.

And yet this isn't the whole "act" from the awesome US stunt trio Team Chaos – there was also a mid-air near-miss between the plane and a second stunt aircraft! Kind of makes *Britain's Got Talent*'s dancing dogs look a bit rubbish, really.

Gears Of War 3: the first two hours!

Nuts plays Act One in its entirety!

PICTURE THE scene: ten sweaty men sit hunched over Xbox controllers, expensive headphones plastered on heads, eyes squinting at flat-screen TVs, a slightly simple grin plastered across their faces. Sexy it most certainly isn't, but that's what happened last week in Xbox's swish London offices, where a crack squad of chaps were let loose on the entire first act of upcoming shooter *Gears Of War 3*. It's out exclusively on Xbox 360 on 20 September, and here's what we made of it.

After a handy story recap, it's straight into the action as our warship is attacked by the Lambent – twisted aliens infected by a glowy, yellow "emulsion". Gross!

THIRTY MINUTES IN!
It all kicks off as we clear a path for two helicopters to escape. Plus, we're given our first mission: find main man Marcus' father, long thought to be dead.

ONE HOUR IN!
Our men face-off with a huge boss – a Lambent Leviathan – jumping into tooled-up mechs called Silverbacks to shoot him in the face with missiles.

Swann: 'Being number one means nothing!'

England's spin wizard on curry for lunch, Newcastle FC and facing Tendulkar

Hi Graeme! How are you enjoying the Test series against India so far?
It's been brilliant! The boys were always keen to get off to a great start and we can't really complain about how it's panned out so far!

What would it feel like to be the number-one Test team in world cricket?
To be absolutely honest, it means nothing! We just have to keep winning and the rankings will take care of themselves. At the end of the day, they're just statistics on a bit of paper.

Shane Warne has compared the current England squad to the great Australian side he was part of. Do you think England could dominate world cricket over the next few years?
Obviously, our aim is to get to the top and stay there, and we have the tools in the batting and bowling department to do it. But you also have to have luck on your side and hope your big players remain injury-free.

With yourself, Stuart Broad, James Anderson, Chris Tremlett and Tim Bresnan, England must have one of the most formidable bowling line-ups in world cricket?
I'm not sure about that! We're really happy with our current bowling line-up, that's for definite. In our own backyard, in our own conditions, we've been outstanding.

What's been the toughest thing about facing the Indians?
You know what? It's been eating curry every day for lunch! We get given the same grub as the Indian lads and it really hasn't agreed with me at all. I'm usually more of a pie and chips man myself!

There's been a lot of talk of Sachin Tendulkar getting his 100th century in this series. What's it like facing him?
Obviously, he's an amazing player and a tough batsman to bowl against. Thankfully, we've managed to keep him relatively quiet this series and I think that's been one of the keys to our success. It's just like when we kept Ricky Ponting quiet in the last Ashes series!

The fourth Test is coming up at the Oval. Is it one of your favoured grounds? What's the pitch like for a spinner?
The Oval is a great ground. I have some wonderful memories from playing there in the 2009 Ashes series. As for the pitch, we'll have to wait and see. Sometimes, it can spin, which is obviously great for me. Other times, it can be as flat as a pancake!

You're a big Newcastle United fan. What do you make of their chances this season?
I'm not sure, to be honest. All the latest stuff with Joey Barton is really disappointing. We always seem to be in the newspapers for the wrong reasons. But hopefully, it'll be forgotten when we're sitting pretty at the top of the table!

We know you love your music and that you front your own rock band. Have any of your England team-mates ever seen you play?
They have, actually! We played at the PCA Cricket Awards once. Alastair Cook was loving it, dancing his socks off at the front! He doesn't remember much about the night – but neither do the rest of the players, to be fair. That was definitely our type of audience!

From the Ashes tour onwards, it's been pretty much non-stop cricket for you guys. Do you ever get burnt out?
It can be really tricky, I won't deny it. But the hardest thing is definitely being away from your family for such a stretch. That said, you're a long time retired!

Are you looking forward to playing the one-day matches in India? Are the pitches there a spinner's dream?
You have to take them as they come, really. Some of them obviously spin a lot but there are a few that are amazing batting wickets and really tough to get any sort of turn on.

Which is your favourite form of the game?
Oh, for me it has to be Test matches all the way. They're the purest form of the game and exactly how cricket should be played! I do like the shorter forms, although I prefer Twenty20 cricket to one-day matches, as I don't have to get out of bed until the afternoon!

Thanks for the chat, Graeme! Finally, what's it like having Broad and Alastair Cook captain you in the one-day and T20 sides? Do you get grumpy being bossed about by youngsters?
When I'm bowling, I'm always a bit grumpy – but that's usually the only time! As long as Cooky and Broad are doing a top-notch job, I'll have no complaints.

● England vs India: fourth Test starts on Thursday at 10.30am on Sky Sports 1.

THIS IS Aston Martin's newest model, the Virage. With a price of £150,000, it sits between the middle-aged DB9 and the pumped-up DBS – faster than the former, comfier than the latter.

As usual, it looks quite similar to the four other Astons but under the microscope, the Virage boasts a longer snout, new headlights, a five-slat grille, sill extensions and a unique rear diffuser. Importantly, it's very fast and handles nicely.

JIM JEFFERIES GOES NUTS!

The world's most offensive comedian lets rip!

ONLY IN Nuts!

"When I said 'pull my finger'..."

WHO THE HELL'S JIM JEFFERIES?

Jim's an award-winning comic from Australia. He likes swearing, and being angry.

"Let's make the Brazilians kick off!"

LET'S TALK about the riots this week. I mean, what the f**k else am I going to talk about, right? Really, Britain, what's the point? I know the issue seems to be that the police f**ked up again, but since when do we expect British cops to do everything right? Remember when they shot that Brazilian dude on the tube? Why weren't there a load of Brazilians out on the streets kicking off and looting? I would've loved a good carnival!

"I. Love. Rice."

Poundland sustained literally tens of pounds of looting

"Don't steal TVs, steal David Cameron's stapler!"

OK, I'M putting on my serious face now. I'm sure you're all very angry and I love a good social revolutionary uprising as much as the next guy. But I love 'em against the government. So by all means protest, but don't go burning down some innocent f**ker's private business. Most of these c**ts don't even know why they're rioting in the first place, and even if they do, how has stealing the latest 42in plasma TV from Currys ever proven anything? I notice that nobody's proving their point by looting a government building and stealing UB40 forms and David Cameron's stapler. Smashing up private buildings is like hitting your dog's mate because your girlfriend f**ked another guy!

"You're looting all wrong!"

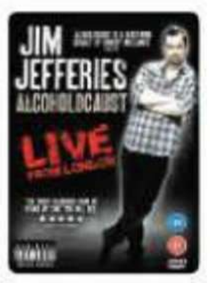

I'M AWAY from the UK at the moment, so I don't want to say too much about what the exact vibe might be, but I *do* know that Amazon.co.uk have just recorded their largest sale of baseball bats in any 24-hour period in the UK, *ever*. I'm not sure if you people have got this looting thing down pat yet.

First up, you break into the sports store. Then you get your baseball bat, then off you go. I've seen a lot of JD Sports stores being broken into, but I also saw a branch of Lidl getting done. I don't want to make assumptions about the type of people who are rioting but if you're going to riot, go to Waitrose or Marks & Spencer. Don't loot at your own level, guys – always loot *up*!

"God bless the Millwall fans!"

IT'S BEEN reported that in some areas, the only stores left unlooted are bookshops. One Waterstones employee was quoted as saying, "If we stay open, they may steal a book and actually learn something." Let's look on the bright side – I'm sure loads of you f**kers have had a free day off work, and these situations always give us a fresh sense of community. The people of Clapham took to the streets with brooms to clean up the mess and in Eltham, Millwall fans were out on the street corners protecting all the shops and bars. Funny, eh? Millwall fans protecting the community against violence and destruction! That's like Mike Tyson campaigning against rape. Right, calm down f**kers and I'll see you next week!

RICKY Macclesfield

I think this just means your girl is being experimental, so let her. However, I'd suggest you keep an eye on her, too! Loads of lesbians have had sex with lots of guys but need to start somewhere. If she's just doing it for attention, that's fine, but there's always the chance you could lose her.

Sex-toy help!

What would be a good sex toy to give a girl as a gift? I'm looking for something fancy.

DAZ Bristol

There's only one answer: the ten-function, wirelessly controlled, vibrating c*ck ring, with super-stimulating egg, of course! Google it and you'll find it online easily enough, or just pop into your nearest sex shop. It'll enhance your... well, you know, that thing I don't have, and will make you last longer. I can highly recommend it as it'll make sex a lot more enjoyable for both of you, and I guarantee it'll give your lady's bits a bloody good buzz! And you said you wanted to buy something fancy? Well, it's waterproof!

LETTER OF THE WEEK!

How do I go down?

When I go down on a lady, I'm not exactly sure what I should be doing with my tongue. Can you give me a little guidance?

STEWART Taunton

Hi Stewart. OK, first you need to be confident – this isn't about making love, this is about getting down and dirty! Make sure you hold her in position and take control. It's very important that you get involved! Don't think about your c*ck – this is her time. Tease her to begin with and don't strike for the clit straightaway – there's biting, scratching and pinching to be done beforehand. Follow these instructions and, trust me, she'll be yours. The objective: make her beg!

Lesbian porn!

My girlfriend loves watching lesbian porn. She says it really turns her on but that she's not a lesbian. I'm confused!

DAVE Belfast

Watch it with her and get a grip! She's probably trying to teach you something. Most lesbians watch straight porn and watch the d*ck going in, so don't worry – she's just trying to turn you on. Use it to your advantage and maybe even "play" her a little bit. Tell her that you think watching lesbian porn is a great idea and – more than that – you want another girl in your bed, too. Two can play that game!

***NUTS* READER,** beware – the angle-grinder is officially your worst enemy! Don't believe us? Then just ask Berkshire mechanic Ian Facer, who recently got on the wrong side of one of the dastardly devices.

"I was at work one day, happily cutting some metal with a 9in angle-grinder, when it suddenly kicked back into my left arm," Ian, 40, tells *Nuts*. "It went right through an artery, so as you can probably imagine, there were jets of blood shooting everywhere!"

This brutal image shows the immediate aftermath of the bloodbath, in which eight tendons and two nerves were also severed! However, four-and-a-half hours of surgery later, Ian assures us that he's well on his way to recovery.

"I had 50 stitches put in and there's still a load of hard physio to come," he says, "but at least I have a fantastic scar on my arm to show for it!"

TWO AMERICAN tourists are being given a tour of Australia's Outback when their guide tells them about the skills some of the native Aborigines possess.

"The local population have a talent for being able to hunt animals and find people using only the landscape around them," informs the guide.

Later on, the pair find an Aborigine man who has his ear pressed to the road in front of them. They ask him what he's tracking.

The Aborigine replies, "About ten miles away is a red pick-up truck... with a bald tyre... a broken mirror... and nine blokes in the back drinking booze."

"Jeez! You can tell all that from the road?" asks an impressed Yank.

"Nah," begins the local, "I fell off the bugger about 20 minutes ago!"

MELISSA DEBLING

Hi Melissa! What's the last really wild thing you did?
I went out dressed as a sexy pirate. I got a bit over-excited about the new *Pirates Of The Caribbean* film!

Why are pirates called pirates?
I don't know.

Because they *aaaaare*!
[Laughs] That'd be a good chat-up line if you were a real pirate!

What's your hidden talent?
Everyone always says I'm very flexible. I used to do pole dancing, which comes in handy at house parties!

What three things should every bloke do to make himself more attractive to women?
He should wash and smell nice, brush his teeth, as bad breath is rank, and use a strong aftershave. I'm a clean freak!

What's on your iPod right now?
I've been listening to Professor Green, Example and the new Arctic Monkeys stuff.

If we went on a night out with you, what could we expect?
A long one! Normally, I'll end up in some club until 5am and then go on some random adventure. On my last big night out, I ended up in a strip club!

How would you honestly describe yourself?
I'm very sociable and like to have a good gossip with my mates. But I also have a really dark sense of humour that blokes seem to really like.

What kind of chap totally floats your boat?
It's really important that my man can make me laugh. Apart from that, I'm not really fussy.

What can a guy do to impress you in the bedroom?
He needs to be adventurous and not afraid to try new or naughty things. Girls like experimenting, so listen to this good advice!

"A man needs to be adventurous and not afraid to be naughty!"

Sell:

Mr *Celebrity Juice* talks Fearne Cotton, nail varnish and snails!

Copy:

THE RULES are simple. We fill our bucket full of ridiculous questions, then a celebrity picks them out at random and must answer whatever they get!

What's the last lie you told to someone's face?
I said to Fearne Cotton, "You look really pretty," just because I felt I'd given her such a hard time. People go, "Why do you give Fearne such a hard time?" 'Cos it's funny!

Which war's your favourite?
Star Wars!

Do you reckon you could chop down a tree?
I don't think I could be arsed. It looks a lot of hard work, dunnit? I'd use a chainsaw – I've had a go with a plastic one dressed as Eminem. It made noise but it didn't go round or anything. F**k chopping trees down. Just go and buy some wood!

When was the last time you did something really girly?
This morning. I had Special K for breakfast. I always feel a bit homosexual when I'm having Special K.

If you were sitting on a beach and looked up to see a shark running across the water at you on its fins, what would you do?
I'd phone up Adidas and say, "I've got a great idea for an ad with a shark. Get some trainers on its fins!" I remember after I saw *Jaws* as a kid, I'd sh*t myself getting in t'bath.

Have you ever accidentally spat on a girl while trying to chat her up?
If I do spit on people, I'm one of those who goes, "Oops, sorry! I've spat on yer." Some girls are into that. When you're making love to them: "Spit on me!" OK, if you want. [Mimes spitting] I like it when they spit on your d*ck!

Ever got so angry, you've hit an inanimate object?
Yeah, loads of times. I've learnt to control it now. I remember when I bought a bed. I couldn't find my keys, so I kicked that. I was p*ssed off.

When was the last time you pooed yourself?
Reading Festival. Can't remember what year. Normally, when I eat something I'll go for a sh*t straightaway but because I was p*ssed, I farted and sh*t meself! I threw me pants in a bush. I wasn't on telly then, so nobody knew who I was. I went to the Portaloos and got my arse out in the sink.

Ever worn nail varnish?
I've got it on now! I bust me finger putting a trampoline together. See that one? [Proffers finger] It's black. When I did *This Morning* on Monday, I said to t'make-up artist, "Got any flesh-coloured nail varnish? I keep seeing it and thinking I've got sh*t on me finger!" Is it pikey to keep it on for ages?

Can you lend us a tenner?
No. Got no money on me.

Why are frogs so weird?
I'm terrified of frogs. When I was a kid, I lifted up a grate – a frog looked up at me and licked my face. I screamed so loudly, my mam thought I'd been run over!

Have you ever trapped one of your nuts in your zipper?
No, but I've been circumcised. I'll never have that done again. It f**king hurts, man.

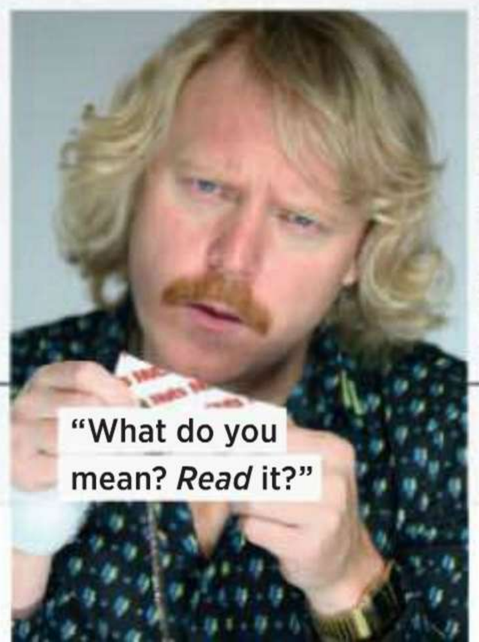

Ever been propositioned by a friend's mum?
All me friends' mums fancy me since I've been on telly. People come up to me and go, "My mum fancies you." "Yeah, I know. They all do!"

Are snails essentially evil?
Yeah, devil's creatures! They're just f**king slugs with little helmets on!

BODY DOUBLE!

Latif Yahia, who spent four years posing as Uday Hussein

SADDAM & SON!

The real Uday with his father, Saddam Hussein

The madness of Uday Hussein

- **As head of Iraq's Olympic Committee, Uday imprisoned and tortured players in the national football team if they lost.**
- When US troops stormed Uday's palace in 2003, they found a personal zoo belonging to him that contained lions and cheetahs.
- **Uday owned a race horse called Assad, meaning "lion", that he only fed ice cream.**
- Uday had a paint shop behind his palace garage and had his cars re-sprayed every day to match the colour of his suit.
- **Uday murdered Saddam's official food taster at a party in Baghdad in 1988 by beating him with a cane, then stabbing him with an electric carving knife.**

LATIF'S MOVIE!

Dominic Cooper plays Latif Yahia in the new film of his book, *The Devil's Double*.

WorldMags.net

WorldMags

‘I survived kidnap, torture and 11 assassination attempts’

For four years, Latif Yahia was the body double for then Iraqi President Saddam Hussein’s psychotic gangster son, Uday.

Fortunate to still be alive, this is his chilling story...

When did you first meet Uday?
I was 16 and Uday was in my class at school. I hated him. He was the President’s (Saddam Hussein) son, so didn’t do any work – he got his security people to do it for him. He was always shouting in class, chatting up girls, bringing them to lessons and parking his Porsche in the basketball court to prove he was above the rules. One teacher told him he couldn’t take his girlfriends to class and was never seen again.

How did you end up becoming his body double?
I was doing national service in the Iraqi army in 1987 when I got a letter telling me to report to Uday’s headquarters. I was very nervous because if you ignored such a letter, you’d be killed. So I went to see Uday and he told me he wanted me to be his body double. I refused and was thrown in a one-square-metre cell. The walls were bright red and I was beaten up, hooded and subjected to sleep and food deprivation for maybe a week. I was told if I didn’t work for Uday, my family would be given the same treatment – or worse.

What sort of man was Uday at this point?
Words like “psychotic”, “insane” and “mad” just don’t describe him. He was nice to me for the first week or so, when I enjoyed the luxury of living in his palace. Then everything changed.

Tell us about the plastic surgery you had to have.
German surgeons immediately gave me a new chin and teeth. When I first saw my new face, I felt terrible – it wasn’t me. Uday wanted me to be him in every respect. He had members of his team teach me how to behave exactly like him, even to the point where I had to have a tantrum like him. I keep the false teeth from my time with Uday in a box in my house.

What was life at the palace actually like?
It was a daily diet of rape and violence. Uday never had the same mood for more than an hour. He’d be calm, then have incredible rages. He’d abduct girls and rape them. He tortured whomever he pleased. He had legions of pimps working for him, who’d get him guns, cocaine, girls, cars – whatever he wanted. He enjoyed inflicting pain. It was madness.

Did he ever try to kill you?
Once. He shot me in the shoulder after I refused to kill the father of a beauty-contest winner on his orders. Uday had had his way with her, then she was killed. The father complained.

Did anyone try to kill you, thinking you were Uday?
There were 11 attempts on my life. The worst was in Basra, when three hand grenades were thrown into the car I was travelling in. Everyone else died but somehow I survived. It was four years of hell.

Did you ever see Saddam?
Many times. I was told never to do anything before he did – never try to shake hands, never sit down. When he first saw me, he said, “Allah gave me two sons. Now I have three.”

How did you eventually get away?
Friends smuggled me to a CIA base in Northern Iraq. From there, they took me to Austria and freedom.

How did you feel when Uday was killed in 2003?
I was very angry indeed. I didn’t want him to die. I wanted him to face trial and have to pay for what he did to me and millions of others. ✖

“I always feel sexy when someone calls me Miss Clement!”

WorldMags.net

RARELY DO we single out one particular city for some *Nuts* praise, but we feel it's about time we "bigged up" Sheffield. Over the years, it's given us Sean Bean, Arctic Monkeys and a couple of decent footy teams – but we think its crowning glory is a certain Jessica-Jane Clement. There's really no point in us saying any more than that, is there? Just look at her!

Hi JJC! What's new with you?
I'm pleased to announce that I have a new puppy. He's called Pants, so I now have Knickers – my other puppy – and Pants! I've also started a new show for BBC Three. I can't say much about it but I'm very excited. Then there's season ten of *The Real Hustle*, so lots going on!

What's the freakiest thing that's ever happened to you?
It was in Thailand. I went to text my friend to let him know I was on the beach but I accidentally pressed some random wrong number. The number I texted belonged to my friend's cousin, who lives in Australia! How weird is that?

That's spooky! What really winds you up?
When I yawn and a bloke sticks his finger in my mouth, I snap! My jaw is stiff and sometimes locks, so I have to be really careful. Yawning can be pretty painful for me!

What else really annoys you about blokes?
They're always annoying! I hate it when blokes say, "Is it that time of the month?" It's like men don't think girls can get angry because of something stupid that they did.

Have you ever been stood up?
No. I don't think it's possible to be stood up these days, is it? You can see where the person is on Facebook or Twitter! I can just imagine being stood up, then seeing the Tweet, "Just stood a girl up. LOL!" ▶

“I broke up with a guy because he didn’t pay for my ice lolly!”

WorldMags.net

WorldMags

JESSICA-JANE CLEMENT

Have you ever been mistaken for somebody else?
I tend to wear a lot of black, so when I go shopping I can sometimes get mistaken for a shop assistant. Girls come up to me and say, "Do you have this in a size 12?" One girl was really obnoxious and showing off to her mates – she clicked her fingers at me! Eventually, the manager came over and told her to leave because she was annoying other customers.

What's funnier: a dog in a tuxedo or a cat in a hat?
A cat in a hat isn't that funny, it just rhymes! To me, any animal in a human outfit just looks like a person who's suddenly turned into an animal. I like those costumes where the legs go on the dog's front paws and little fake arms come out of the side. They really do look like little shrunken people then!

What's your tipple of choice?
I have a few for different occasions. Wine is for when I'm meeting friends for a bit of a gossip. I like vodka and Diet Coke on a proper night out. Beer is for a warm summer's day and Long Island Iced Teas are for going mental!

Would you say you're an expensive date then?
I don't expect champagne or anything like that. I do think it's nice when a bloke pays for dinner, though. It makes you feel special and looked-after. I once broke up with a guy because he didn't pay for my ice lolly when he was buying his own! I know that sounds a bit shallow but I think it was a sign of things to come.

We're ordering a takeaway – what do you fancy?
I like balls! Crispy sweet and sour chicken balls with white rice, to be precise. Oh, and lots of prawn crackers, please. I live two minutes away from Chinatown in London and I've eaten in just about every Chinese restaurant. I'm an expert on their crispy balls! ▶

WorldMags.net

WorldMags

JESSICA-JANE CLEMENT

When was the last time you did something really embarrassing?
I live above a popular hotel and there are always paparazzi and autograph hunters outside. I was on my way to meet a friend for a coffee when two men approached me with literally hundreds of photos of me to sign. I said I would but I tripped over the pavement and all the photos went flying! It was quite beautiful actually – the photos completely separated and it looked like it was raining pictures of me!

That sounds like our kind of rain! If we gave you one wish, what would you do with it?
I'd have bigger boobs, for sure. I'd want a magic button where I could turn them up and down until I settled on my ideal size. I really like big boobs – the bigger the better, I say!

What was the last practical joke you played?
I once bought a fake poo from a market and put it on my friend's laptop. He doesn't get my sense of humour but I thought it was hilarious!

If you had to kiss one ugly man, who would it be and why?
I quite like rugged, bearded, scruffy men. Ugly to me is a man who's orange, plucked, shaved, waxed, buffed, shiny, whiny, gelled, greasy and vain. So I'd probably pick one of the *Geordie Shore* boys. I'm sure they're nice blokes. I'd feed them macaroni cheese and hide their wax strips!

Thanks for the chat, JJC! Finally, what's the sexiest thing that's ever happened to you?
Well, I always feel really sexy when someone calls me "Miss Clement". It just makes me feel really special and classy. I think calling someone by their second name is guaranteed to make them smile. So from now on, I'm Miss Clement to you! ✖

Arsenal vs Liverpool

SKY SPORTS 2/HD • 12.00pm

TV's biggest talent contest is back for a new season, with a brand-spanking-new panel of judges! Hugely hyped upon its release, this sci-fi flick follows the son of a wealthy computer whizz, who must zap himself into a digital domain to rescue his missing dad. NUTS PROMOTION

Nuts reader bags £229,776 on *Nuts* Games!

Deal or No Deal win of almost quarter-of-a-million quid!

AS IF you needed any more reasons to buy your favourite magazine, reader Ash Adams shows that on *Nuts* Games you could well be the next big winner!

Bank worker Ash, from Hampshire, bought a copy of *Nuts* from a hospital shop while visiting his missus. "That's where I saw the ad for the Deal or No Deal slot game. Within 45 minutes of playing, I'd got into one of the three bonus games five times! By the end, I was down to my last two boxes. I clicked 'No Deal' on the banker's offer and won the lot!"

Hi Ash! Well done on bagging the jackpot! What's it like having all that cash?
Words can't really describe it. It's crazy! I don't think I'll properly believe it until I buy myself something really big with it, like a house or a new car!

Is this the first time you've won anything like this?
Yeah! The most I've ever won before was £200. I'd been signed up to *Nuts* Games for less than an hour, though, so you can imagine how I felt when it said I'd won!

We bet! Would you say you're a lucky bloke in general?
I do enjoy online games and have had some luck, but I wouldn't consider myself lucky. But all my mates said that if it was going to go to anyone it was going to be me.

So your mates expect you to get the drinks in from now on?
Yeah! A lot of my mates are in Ibiza at the moment. When they're back, I'll book a few VIP boxes at one of our local clubs and have a big old night.

You mentioned buying something massive with the money. Are you tempted to blow it all on a big spree?
I've had a mini spending spree already. I said to my girlfriend we'd take £1,000 each and spend it on anything we want, so we've done that. I bought a new car for her and I'll sort myself out with a new one soon, plus I plan to get a house!

The new Lambo Aventador starts at £202,000... Tempted?
Ha-ha! Yeah, a Lambo would be nice, but I've got my sights set on plenty of other stuff, too. Plus I'm going to carry on playing. Since I won the jackpot in June, I've had loads of smaller wins on the other slot games too, so it's definitely worth paying up!

NEW TO Nuts!

Gadget

"The **BLACKBERRY PLAYBOOK** is like a mini iPad that fits in your pocket. You can write lyrics on there, you can go on Twitter, you can play games and you can watch films – it's impressive!"

Film

"***THE LINCOLN LAWYER*** was pretty good. I like a courtroom drama. The worst film I've seen recently was *Sucker Punch*. What a waste of time!"

Holiday

"**AUSTRALIA** is my favourite destination – I once saw Steve Irwin do a demonstration at Sydney Zoo. I've eaten alligator fingers in Florida – they're not really alligator meat, though!"

Car

"My favourite car is an **AUDI R8**. I've ordered a silver one off a dodgy bloke in Dubai. I think it was owned by a rich Arab who drove it twice and now he's selling it on to me."

Game

"I'm a big **FIFA 11** fan. We play it on the tour bus all the time. If I sit and play for half an hour and get in my zone, I'm pretty much unbeatable!"

Music

"My favourite song is ***STAY AWAKE*** by Example! It's about kids on drugs. My new album, *Playing In The Shadows*, is all a bit moody like that."

Food

"I eat steak four or five times a week. I like steak tartare and **BEEF CARPACCIO**. That's raw steak, prepared with a number of ingredients."

Book

"When I was a kid, the doctor said I had mild autism, so ever since then I've never really read. But I did read ***THE GIRL WITH THE DRAGON TATTOO*** and that was great."

Grooming

"**CLINIQUE M LOTION** is good if you're looking a bit pasty. On tour, we've started calling it 'tour skin' so the women don't know we're using make-up!"

Drink

"My favourite drink is dark rum like **CAPTAIN MORGAN**. I'm very all-or-nothing. I'll be sober for weeks, then I'll go out and get completely sh*t-faced!"

Most extravagant purchase

"I bought a **£3,000 JACKET**. I've worn it twice. It looks great in my cupboard!"

LADIES CONFESS! TO OUR SECRETARY!

Racy revelations from our female readers!

AND HERE'S WHO READS YOUR STUFF! Lou is the *Nuts* secretary and loves reading your saucy stories. So keep them coming!

CONFESSION OF THE WEEK!

'He slipped his hand down my panties'

A COLLEAGUE and I recently had to travel to London for work. I really fancied this guy, so I asked if I could rest my head in his lap on the coach. As I quietly moaned and rubbed against his bulge, he was soon feeling my boobs and slipping his hand down my panties. I took hold of his rock-hard tool, moving my hand faster until he gasped with pleasure. Every time I get on a coach now, I can't help feeling naughty!

Sam Watford

'I worked her with my tongue'

I'VE JUST come back from holiday with a group of mates, including a hot female friend who I've always been secretly attracted to. After a boozy night out, Miss Hottie and I went back to the villa with a male mate of ours. As soon as we walked through the door, I felt her hand stroke my breasts. Our male friend watched as her hot mouth caressed my hard nipples, making me moan. I slowly knelt down and began to use my tongue, sliding my fingers inside her as I did. We finally allowed him to join in and he pushed me down onto the sofa, entering me while she teased me with her tongue. Soon it was her turn, and as I watched her bouncing up and down, I slowly brought myself to orgasm. We felt so naughty knowing that the rest of our group could come back and catch us at it. It was the perfect end to a brilliant night!

Stephanie via email

'We both gave him oral sex'

A COLLEGE friend and I visited her new fella's car workshop one afternoon to see what he gets up to at work. He was really sexy and kept grinning at my mate before looking me up and down. I soon realised what they were after and she admitted she'd brought me along under false pretences. I could've walked away there and then, but I was curious and didn't object when she leaned forward and kissed me. I felt her bloke's hands run up my thigh as a big bulge appeared under his trousers. Before I knew it, my friend and I were both giving him oral sex and I gasped out loud as he quickly climaxed in our mouths. I couldn't believe how outrageous we'd been!

Chelsie London

'We looked for a place to do it'

I WAS at home one night when I realised I couldn't ignore the tingling between my legs any longer! Feeling horny, I texted my boyfriend and told him to meet me in town. I got changed into a skirt for easy access and by the time we met, we were both really excited. We searched for places to have sex, but it was still light and quite busy. I couldn't go back to my flat as my sister was there, but I work in a surgery and have a spare key. We snuck into the office and tore our clothes off. I was soaking wet and ready for him when he bent me over the clinical bed and took me from behind. Now I always smile when I see patients going into that room!

10 RUDE QUESTIONS!

And a real girl to answer them!

Jeana

22 **Kent**

1 Where's the strangest place you've had sex?
On a golf course! I went with my boyfriend at the time and it was a bit of a spur-of-the-moment thing.

2 What's your trademark move in the bedroom?
I used to be a stripper, so a striptease. The key is to tease, slowly and sensually, but also be cheeky and fun.

3 What one thing is a guaranteed turn-on?
To get me into bed, you have to make me laugh. Once there, you have to be a good kisser.

4 What's your favourite sexual position?
On top. I'm in control and everyone gets a good view!

5 Is it better to give or to receive?
It has to be both, equally!

6 What's the one sexual thing you want to try?
I'd like a threesome with another girl. Is that boring? Scarlett Johansson, please!

7 Ever been with a lady?
I snogged a girl at a party. We ended up kissing and were both like, "Whoa!" So it didn't go any further.

8 What's your rude fancy dress of choice?
If I'm making an effort in the bedroom, crotchless knickers and a corset to make my boobs look good.

9 Ever made a sex tape?
I recorded some *very* personal stuff with an ex, but I made him delete it as soon as we'd finished!

10 What's the rudest thing you've done?
I've been to a sex party! A guy I knew asked if I fancied it, so I thought, "Why not?" There were people getting it on all over the place, but it didn't make me want to get involved. I just liked watching!

Carroll: 'I'm honoured to wear that No.9 shirt!'

The striker talks goals, Kenny and Boyzone!

Hi Andy! So, can Liverpool win the title this season?
I have to say yes, or else there's no point turning up! I came here to win things and that's still my mindset. We've bought some quality players this summer and the club feels really positive. I can't wait to get started!

Is the positive outlook down to Kenny Dalglish?
He's a fantastic manager but, more importantly, he's a fantastic man. What he's achieved in his career is phenomenal, but he's down-to-earth. He just wants what's best for the club.

You were spotted together at a recent Boyzone concert – how cosy!
Ha-ha! I've had a lot of stick for that! I was just settling into the club and was looking for a night out. I'm not sure what it did for my street cred, though!

Speaking of nights out, is the bad-boy image in the past?
I've made mistakes, just like everyone else. I had to learn that anything I did would make the papers, and that's hard for a young lad to get his head around. I know the score now, though.

So you're a changed man?
I think a lot of the stuff written was exaggerated. I'll never be a complete angel – I'll always like a pint – but now I know what mistakes not to make.

Tell us about the hair. That's one monster ponytail!
It's only a haircut! One morning, I'll wake up, decide I'm fed up with it and cut the lot off. No big deal!

What can you bring to Liverpool this season?
Everything I've got – as simple as that. Liverpool have put their faith in me and that's something I'll use to spur me on. If I don't do well here, it won't be through lack of effort.

Is there more to your game than just being a target man to launch long balls at?
I'm not just about that. Yeah, I'm decent in the air but I can also get the ball down and bring others into the game. I'm looking forward to getting a partnership with Luis [Suarez] going. I think we'll work well together.

Is there pressure to be England's next great hope as well as Liverpool's?
Football is funny – it can kick you in the teeth just when you think you've got everything sorted. I really want to be an England regular and someone the country can rely on, but let's just see what happens!

"Two tickets for Westlife? Cheers, Kenny!"

LIVERPOOL VS ARSENAL SPECIAL!

EXCLUSIVE!

Van Persie: 'We're not babies!'

The Dutch master on injuries, transfers and the need to bring a trophy back to the Emirates

Hi Robin! How confident are you that Arsenal can end their trophy drought?
We're always confident because we have faith in ourselves and in each other. We're up against sides who spend a lot of money, but we must do what we can.

How close are you to finally winning a trophy?
We came very close for periods of last season, and on our day we could beat anyone. If we can solve the problem of consistency, we can win the title this time.

What about new signings?
Every top side needs to renew and to refresh their squad, but there's no crisis at Arsenal. If we'd won the Carling Cup last season, I think the questions would've gone away.

How painful was losing that final to Birmingham?
It still hurts now. It was stupid and careless of us.

What do you say to the suggestion that Arsenal aren't tough enough to win stuff?
Football is about ability, yes, but desire and motivation are maybe even more important. I see these qualities in the dressing room. Winning things is everything to me and I'm content this can happen here.

At least you've got Jack Wilshere in the side!
Jack Wilshere is an incredible talent, someone who English fans should cherish. He's so young but has the potential to be one of the world's best.

What about you? Last season was blighted by injuries.
I feel I'm approaching the best years of my career, so to miss a lot of last season and then take time to get back to my best was frustrating. But I feel good now. I'm confident I can have my most successful season as an Arsenal player. The most important thing is that we win a trophy.

How likely is that?
We've been close but at the last moment made mistakes. It wasn't the club's fault or the manager's fault, it was down to the players. We're not babies, so we must take responsibility. It's up to us!

Arsenal vs Liverpool is on Saturday at 12.45pm on Sky Sports 2

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

Hernandez loved the taste of Nani's arm

It's United for the title!

Fergie's boys are equipped for more glory

IT'S GREAT to have the Premier League back! Hopefully, it'll be as exciting and open as it was last year.

It's difficult to look past Man United for the title. They're always so consistent and have added real quality to their team. With Ashley Young, Nani and Antonio Valencia all options on the wing, and Wayne Rooney and Javier Hernandez up front, they're going to take some stopping! Sir Alex is amazing. He's 70 this year, yet his hunger and passion for trophies is as strong as ever. Will he ever stop?

Chelsea will be up there, but it'll be tough for Andre Villas-Boas. He has to win something this season or he could be out of the door come May. If you look at the Blues last season, they were nailed on for the title in September, then Ray Wilkins left and they fell apart. They can't afford a similar dip this season!

Man City also have to challenge. With the money they've spent, Roberto Mancini has to improve and there's no excuse for them not to push Man United all the way in the title race.

As for Arsenal, it's impossible to say how their season will pan out until the transfer window slams shut in September. Losing Cesc Fabregas and Samir Nasri will make it extremely difficult for them to mount a serious title challenge.

Has Wenger given up?

I CAN understand the fans' frustrations over at Arsenal. They want experienced players who can hit the ground running, yet Arsene Wenger goes out and signs another teenager! Alex Oxlade-Chamberlain is a player with a lot of promise but is he really what Arsenal need right now?

Surely, Wenger would be better off spending £12million on a player who'll make a big difference to the first team. To put it in perspective, he could've got Matthew Upson, Jonathan Woodgate and Shay Given all for £3.5million – players who'd make a massive difference to Arsenal's squad.

Some of the fans I speak to think Wenger has given up, that he's just running down his contract. That's harsh. Wenger is the best gaffer in the club's history and deserves trust, but he needs to start placing the emphasis on winning trophies rather than entertaining!

He still hadn't got over Cowell's *X Factor* departure

Man United vs Spurs

22 AUG, 7PM • Sky Sports 1

It's difficult to see how Spurs can get a result at Old Trafford. First and foremost, they have to keep hold of Luka Modric to have any chance. United are usually slow starters but they looked fantastic in the Community Shield. It could be a long night for Harry Redknapp!
