Meet the new *Real Hustle* babe!

Sexy scams with the new team member!

TV BABE SPECIAL!

MEET THE lovely Polly Parsons, the sexiest new addition to top TV scam show *The Real Hustle*!

Hi Polly, and welcome to *Nuts*! Tell us a bit about yourself...
Hello! Well, I'm a Bristol girl, I'm an actress and you'll be seeing a lot more of me in the new series of *The Real Hustle*! I've always been well into my acting. I started out as a TV presenter when I was about 19, but then I got into various hidden-camera shows – which I love! ▶

IT'S TV'S SEXIEST DOUBLE ACT!

Polly joins *Nuts* fave Jessica-Jane Clement in the *Real Hustle* team.

"You'll see me dressed as a sexy secretary in high heels!"

"Tea? You know I start the day with gin!"

"Aargh, that gin's given me a right headache!"

STUNNER!

How prepared are you for life on the *Real Hustle* team, then?
It's great! I've watched every series so far, so I think I was already a bit of a hustling expert before I even auditioned! I'm especially a fan of the bar bets, because everyone loves to blag a free drink.

Can you teach the readers a good bar bet?
There's an app you can download that teaches you how to do them all, so readers should look for that. My personal fave involves balancing three straws on one another. It's a real crowd-pleaser!

Did you have to dress up a lot and assume mysterious identities?
Absolutely. One minute, I'll be donning an ambulance driver uniform and the next you'll see me dressed as a sexy secretary in high heels. In every scam, you play a different character.

We're big fans of the lovely Jessica-Jane Clement. Was it fun working with her?
Ah, we've become really great friends! The first day on the show, she gave me a massive hug. We've been making roast dinners for each other!

Do you see yourself on the cover of *Nuts* one day, just like Miss Clement?
Yes, of course – I'd love to give that a whirl! Jess always looks so sexy when she's in *Nuts*. I always make sure I pick up the mag and have a good butcher's!

The "Bulimic Bullies" were London's toughest girl gang

Nuts tests the Darryn Lyons look!

Can a false six-pack and an absurd Mohican wow our nation's womenfolk?

CELEBRITY BIG Brother is always going to boast the odd spot of nipping, tucking and implanting. But we were expecting any implants to live in a bikini, not in Aussie twerp Darryn Lyons' tum! The *CBB* berk has got us all guffawing at his ridiculous six-pack implants (which look a bit daft attached to the larger bloke), stupid hairdo and terrible shorts, and wondering why anyone would make themselves look like that. Is it for the ladies? Or is he just mad? Only one way to find out – get *Nuts* man done up just like Darryn with the aid of a false midriff and red paint, and ask the ladies of Britain for their thoughts on the look that is quite literally not sweeping the nation...

NEW SUPERCAR SPECIAL!

Ferrari 458 goes topless!

And it could be this week's sexiest topless model!

"Hang on, we had a roof when we parked it!"

- **Those Italians call this the 458 Spider. It's the 458 Italia with a clever folding aluminium top, making it the world's first mid-engined hard-roof convertible. Now you can hear the 562bhp!**
- Within 14 seconds, the car goes from watertight/looter-proof to sun-worshipping player. The rear panel hinges up and the roof simply backflips (in two pieces) under the engine cover.
- **According to Ferrari, this aluminium top is 25kg lighter than the soft-top equivalent. Even more impressive than that? Because the roof stows behind the engine, there's more storage space than most cabrio supercars behind the seats.**
- Having won the "Engine Of The Year 2011" award, Ferrari would be bonkers to meddle with the screaming 4.5-litre V8 that lives behind the standard 458's seats. So they haven't. 562bhp is a very pleasant sound when you don't have the top up.
- **Just like Lambo Gallardo Spyders and the Audi R8 soft-top, the 458 Italia**

boasts an adjustable wind stop that rises up between the seat roll-over hoops. Ferrari officials say this allows normal conversation to be held even at speeds of over 125mph. Handy to know you'll be able to chat when you're being chased by the police.

- The Spider's suspension has been adjusted to ensure the cabrio rides as sharply as its tin-topped brother. Convertibles are strengthened to stop them going floppy when you lop off the roof.

- **So, let's talk pub bragging stats. Hold on to your hair – 0-62 in "less than" 3.4 seconds and a top speed "greater than" 198mph. In other words, even faster accelerating than the fixed-roof 458 and not far off the 202mph top end. Clever fellas, those Maranello grease monkeys. And all they ask is around £223k!**

ARSENAL (GROUP F)
"Arsenal's progress will be determined by what Arsene Wenger does before the transfer window shuts. Without strengthening, they'll find it hard to survive. Marseille and Borussia Dortmund are harder to beat than Udinese."

CHELSEA (GROUP E)
"This could be stickier than people think. Valencia are a top side and Bayer Leverkusen have gone beyond all expectations in this tournament. Chelsea will get to the quarter-finals but it'll be down to luck if they go further."

EURO STARS!

MANCHESTER UNITED (GROUP C)
"I'd never heard of Otelul Galati, the Romanian team in the group! Benfica is a glamour tie because of their history, but United will win the group and make the semi-finals at the very least."

MANCHESTER CITY (GROUP A)
"Hard, very hard. You have to get past Bayern Munich and a Villarreal team that boasts Diego Forlan. But City's strong squad are fully capable of coming through the group and making it to at least the quarters."

Man walks a kilometre along a 5cm cable. Clever man!

THIS NICE, wavy chap is Swiss wire-walker and profound mentalist Freddy Nock, who's in the process of walking an entire kilometre to the top of Bavaria's Zugspitze mountain along the cable car's cable.

The scary stroll, which took 90 minutes to the summit of the 2,962m lump of rock (Germany's highest mountain), was done without the aid of a balancing pole. But with the aid of balls so big, they presumably acted like handy counter-balances.

EXCLUSIVE!

Gervais, Merchant and Pilkington!

The comedy trio on bungee-jumping, bucket lists and a brand-new *An Idiot Abroad*!

Hi Ricky, Stephen and Karl! In *An Idiot Abroad 2*, you send Karl off to fulfil his "bucket list" of things everyone should do before they die. How did you choose?
Ricky: We chose the most popular 100 and he had to choose seven or eight. Some we added little things to along the way. Some we completely changed, like swimming with dolphins, we changed to swimming with sharks. We just stitched him up!

Do you think Karl makes a good travel presenter?
Stephen: Most people who get to travel the world are informed in some way, they have some prior knowledge. He doesn't!
Ricky: The last series was great – they didn't know who Karl was, he went along, it wasn't what he expected. Now the stakes are higher. He didn't want to do a second series, so we had to lie to him. Now whatever we come up with, he goes, "I'm going to f**king do it, I don't want to give them the satisfaction."
Karl: It's like me eating weird stuff. I eat it to spite the crew. They go, "Karl. Dinner. It's a lizard." I just go like this. [Mimes eating] "What we having now?" I know I moan, but most people get to stay in top hotels when they go aboard. They're having a good time. I'm sh*tting in a bucket.

What were your highlights?
Karl: I went to a dwarf village in Africa. I got these shoes for 45p. Charities go, "You need to give money to people in Africa. They're poor." What are they on about? Things over there are dirt cheap. 45p for some shoes? They should put their prices up!

Do Ricky and Stephen bully you into doing things you don't want to do?
Ricky: No, of course it's not bullying. He's doing a job. He's making a show. It's what mates do. Do you think it's bullying?
Karl: When I first met you, you hit me over the head with a mobile phone to see what sound it makes.
Ricky: I'd never seen a head that round! He doesn't know he's funny. This is a man who's out of his comfort zone. He's got no filter. He says exactly what he's thinking without malice. He hasn't got a pretentious bone in his body. He just doesn't like to dive off things or swim with sharks.

Anything you refused to do?
Karl: Bungee jumping. I tried to understand why people do it. It's all about "have you got the balls?" I haven't. I'm not embarrassed. Stephen wouldn't do it, would you?
Stephen: I would! I just haven't got around to it.

Why don't you send Karl on holiday with Ross Kemp when he's next off somewhere dodgy?
Ricky: That's a great idea!
Stephen: He goes to all these danger zones, really puts his neck on the line. How would you feel about going to Libya?
Karl: I'm not into danger. I wouldn't even bungee jump.
Ricky: We had an idea of doing a show, *An Idiot At Home*, with him going round England. Also *Fool's Gold*. I'll give him a million pounds and if he can double it within a year, he can keep the two million. Do you know why he's not doing it? He said it would be too easy!

So, Karl. What would be on your "bucket list" of things to do before you die, if you got to choose from scratch?
Karl: Kicking a duck up the arse. That's one. You walk through Regent's Park and all the ducks have got their arses stuck up in the air. I just want to kick one.

So, is that it, or will we see *An Idiot Abroad 3*?
Karl: I've seen a lot of the world now and I don't think there's anything else worth seeing.
Ricky: So there's nothing else to see?
Karl: I went to a place called Vanuatu this series. I've got a globe at home. It's not on it. I've been to more places than are on the globe. I don't think there's anywhere left!

JIM JEFFERIES GOES NUTS!

The world's most offensive comedian lets rip!

ONLY IN Nuts!

HE'S RUDE, RANTY AND RIOTOUS!

Jim's an award-winning comic from Australia. He likes swearing, and being angry.

"Keep the t*ts wrapped up!"

IT WAS just National Go Topless Day in America, with hundreds of women protesting topless in the street because they believe they have the right to not wear shirts, the same as men do. Protest against the war, protest for civil rights, but jeez, in my experience, women only tend to get upset when I stare at their t*ts. It's in their interest to keep them under wraps, unless they want me protesting for my right to w*nk in the street.

"Cowell's being iced!"

SO, SIMON Cowell is planning on being cryogenically frozen when he dies, on the off-chance that he can be brought back to life in the future. Only 200 people in history have undergone this procedure, and it doesn't work for every kind of death. Heart attacks are good, drug overdoses are good, because they leave the body in its prime. So we could have got Jimi Hendrix back, we might even have gotten Amy Winehouse back. But I can't imagine we'll be seeing Kurt Cobain any time soon!

"Have you seen that fat f**kwit on *Celebrity BB*?"

DARRYN LYONS, eh? What a f**kin' c**t! He's the fat f**kwit from Australia on *Celebrity Big Brother*, and the reason I'm telling everyone I'm from New Zealand right now. This vain f**king c*cksucker has had abdominal implants – they look quite good if you like the look of abs attached to a fat old c**t. Genius – your stomach looks muscular while the rest of you looks like a big f**king b*llock. He makes a living taking pictures of celebrities looking like sh*t. Talk about the pot calling the kettle fat.

"They'll have to f**k to stay alive!"

AMERICA'S PREPARING a mission to colonise alien planets! The journey to the next solar system will take over 100 years though, so because entire generations will live and die on the shuttle before they even get there, they'll have to keep f**king just to keep the group alive. Good luck trying to build a human habitat when you're that in-bred – it'll be like one of the Royal Family trying to build a shed! China have already started colonising a planet too – it's called Earth.

"What's wrong with having fun, Gary?"

AND FINALLY, Gary Neville's bringing out a biography saying that gambling's like a plague on the England football squad. What's wrong with them having a bit of fun, Gary, you boring pr*ck? I don't think I'll be getting the biography, which is 99 per cent an exposé of England's gambling problem, with the other one per cent being all the fun moments from Gary's life.

First-class night ends with third-degree burns!

NEXT TIME you leave the radiator on and wake up sweltering, spare a thought for Leeds golfer Nick Sheard and his agonising encounter with a humble heater!

The pro sportsman was recovering from a night on the tiles when he drifted into a boozy sleep. "It was a big stag do and we didn't get in until five in the morning. I must still have been well oiled the next day because I fell asleep at my desk!" Nick, 37, tells *Nuts*. "I'm diabetic and don't get much feeling in my feet, so I hadn't noticed that my foot was pressed against a working fan heater. My skin was melting as I slept!"

Nick awoke to find his toes covered in horrific blisters and hot-footed it (sorry) to A&E, where some skin grafts were swiftly sorted. "The recovery should take around five months, but I'll be back to normal soon enough!" he says. Until then, we reckon he could do a pretty mean "walking on hot coals" party trick!

SEX ADVICE FROM A FIT LESBIAN!

Because she knows what she's doing and we don't!

DANNI ORSI, 100% REAL LESBIAN!

You might recognise her from hit TV show *Candy Bar Girls* on Channel 5!

What's your secret?

What do women do in bed that men can't? I want to know all the tricks in the book!

KAI Plymouth

A woman can go down on another woman better than a man – that's all there is to it! Practice helps, of course, but we're the only ones who really know how it works down there!

How do I seduce a lady?

If you had one must-know tip for a man trying to seduce a woman, what would it be?

MIKE via email

It's all about eye contact and control for me. To really seduce someone, you need to be in control of the situation. Make sure you hold yourself confidently and try to be as direct as possible. For example, if you're in a restaurant, you should know what wine to order and suggest what she may want to eat. Women are useless at making decisions and want to be cared for. Treat her like a princess but make sure she's grateful. You should try to make her feel like she needs to be on her best behaviour. You want her to know that if she does a single thing wrong, you could just yawn and forget about her. Play it smooth, but full of passion!

LETTER OF THE WEEK!

She won't go down!

My girlfriend doesn't like going down on me, but I do it for her all the time. What do you suggest?

ALISTAIR Preston

It's a tricky one. Evaluate how much you like the girl – there are plenty more fish in the sea! However, it might be that you don't make her feel confident and she's scared she won't impress you. Suggest taking it in turns – one night you please her, the next she pleases you. Find a move or a gesture you haven't used or tried before. The more you put yourself out there, the more she will.

I need a new position!

Are there any sex positions that we men don't know about?

PETE Birmingham

I'm not going to insult you guys. If you know your sex, you know your sex. However, I can tell you what position feels most intense. Push your lady onto the bed, wrap her legs around you and lift up her waist. The more upside down she is, the more she'll feel it! Another way of doing this position is to slide her off the bed so her head is resting on the floor. Trust me on this one – she'll thank you afterwards!

- If you've got something to ask Danni, just email her at **thelesbian@nutsmagazine.co.uk** or write to her at the usual *Nuts* address on p70.

GEORDIE SHORE

TV BABE SPECIAL!

Geordie Shore girls!

Vicky and Charlotte are back! Without their clothes! Wahey!

NEWCASTLE MEETS MAGALUF!

There are over 100 bars in Magaluf. Charlotte and Vicky drank in most of them!

VICKY!

34 Nuts

CHARLOTTE!

The only thing in Newcastle more outrageous than Coloccini's barnet, the *Geordie Shore* mob have packed up their beach towels and bikinis and hit Magaluf for their summer special, *Magaluf Madness*. But not before they'd done a saucy shoot with us first, of course!

Hi Vicky and Charlotte! *Geordie Shore: Magaluf Madness* is showing on MTV now. What can we expect to see?
Vicky: Well, it does exactly what it says on the tin! It's just non-stop – constant tashing on, Jägerbombs and relentless madness!
Charlotte: We're much worse behaved – it must be the sun! Holly was in wet T-shirt contests all week. She could literally smell them – in there like swimwear, she was! Remember, this is the girl who can drink a bottle of champagne from her boobs. She won a fair few as well!

There were quite a lot of (ahem) "bedroom shenanigans" last time around. Can we expect more of the same?
V: We got lots of boys' numbers – we averaged about two or three per day, but we're a bit sick of tashing on with each other – we needed to throw it further afield and get some new lads in.

Did you learn any Spanish?
V: Dos vodka Red Bull, por favor. Dos Jägerbomb, por favor.

What kind of reaction do you get from blokes now?
V: We've split the male nation. Half of them are totally put off by such fierce, passionate women. The other half simply can't get enough!

Tell us about the last time you did something embarrassing.
V: I do horrible embarrassing things all the time. I'm the worst dancer. ▶

GEORDIE SHORE

C: We had to work all day in this smoothie shop – there was no chair so we had to stand up all day. I hated it, so I tried to run away but only got as far as hiding behind a bin!

What do you think of *The Only Way Is Essex*?

V: Our show is absolutely madness – 24/seven! Theirs is more about looking gorgeous, sitting in Sugar Hut and being pretty subdued. We met up with Arg the other week and he asked for my BB pin. I don't think much is going on yet – he's a canny lad.

C: I sit there thinking, "Well, what's going to happen?" Nothing ever happens. We just get out there and have it! In terms of TV shows, ours is wilder and loads more fun.

Would you go on *Big Brother* if you were asked?

V: Yeah, defo! Amy Childs is in there, isn't she? I can't say I blame her for the ridiculous coin she's getting. What is it – £200,000? Money for nothing isn't it? Not bad for a ditzy beautician.

C: She's so boring and I don't get any of the appeal. What's she going to add to *Big Brother*?

If a *Nuts* reader saw you in a bar or club, how should he approach you?

V: With a Jägerbomb in one hand and a vodka Red Bull in the other!

C: I don't know – come over and have a laugh about the show. Shout "Tash on!" at us and you'll get our attention.

So, are most Geordie girls really like you ladies?

V: Geordies are really friendly and love the craic – that's why all the stag dos are heading there – you're guaranteed a good night.

C: We're low maintenance. I only took four tops and two pairs of shoes to Magaluf. You get a lot of girls wearing just

their bra and knickers in the clubs – less than we wear!

In the original show, it looked like you went clubbing pretty much every night – is that what it was really like?

V: We were made to go out four or five times a week. The show is like an exaggerated version of how we are. It skips out any quiet nights in.

C: Watching our show back is like watching a drunken home video. It's not really sunk in that it's going out to a massive audience. It's a bit like a night out where you realise, "Oh no, why on Earth did I do that?"

Of the two of you who is the most outrageous?

C: I'm the angriest. Back at the villa, we had some right dramas. I unleash a lot of angriness! I nearly hit Vicky one time, it got that angry.

What are your biggest turn-ons and big turn-offs?

V: Lads with confidence – but not arrogance – and a light, sun-kissed tan. Just come over and say something nice. Maybe a bit of light p*ss-taking. I hate arrogance, though.

C: I want someone who has a bit of experience. I get turned off if a guy hasn't had girlfriends. If he says less than seven, I'm thinking I might need to train him up.

Thanks for the chat, ladies. Finally, what's the quickest you've gone from meeting someone to ending up doing the sex with them?

V: Despite all my front, I'm quite old-school when it comes to that. I need to know that a guy is sleeping with me the next night as well. You can love having sex and be a wild child in the bedroom, but keep it to just one lucky fella.

C: I've never had a one-night stand. Or if I have, I've stayed all week and turned it into a relationship!

Inside The Albanian Mafia

As the original Mafia's grip on the US underworld starts to weaken, a new threat is on the rise

Around midnight on 3 June 2011, Albanian gangster Bajram "Van Damme" Lajqi walked up to a car parked outside the Tosca Café in the Bronx and slashed its tyres. Then he made for the café doors, strolled over to the driver's table and, without warning, punched him in the face. Startled, the car owner instinctively made for the exit, but as he hit the streets Lajqi pulled out a pistol and started firing. Within seconds, the man was lying on the pavement with gunshot wounds to his thighs, as Lajqi closed in for the kill.

Amazingly, though, Lajqi spared the man. He wanted him to live to literally tell the tale – to spread the message of what would happen to anyone who dared to cross the Albanian mobster.

THE THAQI ORGANISATION

Unfortunately for Lajqi, this message reached as far as the FBI/DEA Balkan Task Force, which had been investigating the New York-based Albanian Mafia since it had started to be increasingly active around a decade ago. Worse still, every second of his assault was captured on CCTV and delivered to the cops.

On 13 July, the footage was used to help round up Lajqi and 36 other members of a crime gang dubbed the Thaqi Organisation in a mass swoop across New York, New Jersey, Florida and Colorado. Headed by ruthless gangster Gjavit "The Doc" Thaqi, the New York-based syndicate has since been charged with smuggling thousands of kilos of marijuana into the US, and an equally vast haul of cocaine into Europe.

On the eve of the arrest the gang were also plotting to move 100kg of cocaine from Colombia to New York, with the idea of then establishing a pipeline from there into Spain. The mobsters' tentacles are also said to have spread into Canada, Mexico, Holland and Venezuela and involved smuggling everything from MDMA to prescription pills such as oxycodone.

"This alleged organized crime syndicate oversaw a drug distribution organisation that operated across the globe," DEA Special Agent-in-Charge John Gilbride tells *Nuts*. If convicted, the leaders of the Thaqi crew face life behind bars. Yet they're not the only Albanian mobsters to have fallen foul of US law enforcement in recent years.

The Albanians and Gambinos drew guns on each other at a petrol station

TAKING OVER

A year after the death of New York Godfather John Gotti in 2003, rising mobster Alex "Allie Boy" Rudaj decided to lay down a marker for the Albanians by turning up at Gotti's favourite restaurant, Rao's in East Harlem, and insisting on eating at the Teflon Don's favourite table. When the owner refused, Rudaj returned with dozens of heavies and insisted. The gangsters soon became regulars, and with their confidence rising, began to move in on the illegal gambling operations of the Luchese and Gambino families.

In a move resembling a scene from a mobster movie, Rudaj and his henchmen broke into a Gambino gambling den, Rudaj shouting, "Gentlemen, this place is closed. I don't want to see nobody here. If I see you one more time, I swear to God, I say, I beat you f**king one by one. I eat you up. It's closed." His thugs then beat a bystander unconscious.

In response, Gambino boss Arnold Squitieri arranged a meeting with Rudaj at a petrol station in New Jersey. Things rapidly turned nasty, with Squitieri pointing a gun at Rudaj's head and weapons drawn from both crews. A bloodbath was only avoided when an Albanian pointed his shotgun at a petrol pump and threatened to blow them all to oblivion. At this point, witnesses say the Gambinos dropped their guns and fled.

THE KRASNIQIS

Yet Rudaj's success was to be short-lived. On 26 October, 2004, he was sentenced to 27 years for racketeering, extortion and illegal gambling. Into his place stepped the Krasniqi Organisation, run by brothers Bruno and Saimir Krasniqi, famed for their trademark interrogation technique of ramming the barrel of a pistol down their victim's throat.

Their first public incident involved the daylight drive-by killing of rival mobster Erion Shehu at a restaurant in Queens. Six months later, the brothers shot mobster Erenick Grezda in the head, dumping his body on the side of the Brooklyn-Queens Expressway, in public view.

As with the other Albanian mobs in New York, the Krasniqis' reign was brief. In August 2010 the US Attorney opened a 37-page indictment detailing charges of "murder, kidnapping, assault, narcotics trafficking, robbery, extortion, arson, obstruction of justice, and interstate transportation of stolen goods". The brothers are due for sentencing later this year.

It's too early to tell whether this – or the takedown of the Thaqi Organisation - has fatally weakened the Albanian network in New York but it would seem their power elsewhere is undiminished. Earlier this month, though, the Albanian Mafia was linked to a £350million cocaine-smuggling plot in London, and another, recently foiled £300million plot in Southampton. Evidence that while the Feds have taken some key figures out of the game, the Albanian Mafia remains far from being defeated. ✖

TELEVISION IS a wonderful thing. In fact, we'd be absolutely lost without it here at *Nuts* HQ. Can you imagine having to go through life without *Match Of The Day*, *The Apprentice* or *MasterChef*? [Are you sure about that last one? – Ed] It's the stuff of nightmares and could only be made worse by the thought of missing our Sunday omnibus fix of *Hollyoaks*! We love the girls in the show, and judging by our bulging mailbag of requests, so do you! Well, we aim to please, so here's the lovely Jorgie Porter in a serious state of undress and looking hotter than ever!

Hi Jorgie! What's new with you?
Hello! Well, it's lovely to be back in *Nuts*! As you might be able to see from my tan, I've just got back from my holidays – I've spent the week in my bikini on an amazing yacht! Apart from that, it's been work hard and play hard!

So there's lots of exciting stuff coming up, then?
Without giving away too much, Theresa [Jorgie's character] has got a good, deep storyline, and possibly a love interest! We've also got some new *Hollyoaks Later* coming out, which I love. It's a bit more risqué and you can get away with more. Plus, there's always more of a party vibe after we've finished shooting!

You seem like a fun bunch – what are nights out like?
Oh, we are fun! The best nights out are after things like awards shows, when everybody's out having a drink! Nick Pickard [Tony Hutchinson] is a very good dancer. Once, we played this game where we had to balance cushions on our head while dancing in the middle of a club – he was the best! ▶

“There are loads of sexy girls in Chester!”

The girls seem very feisty. Would *Nuts* survive a night out?
No, probably not! We’d probably out-dance you all, and half of us would drink you under the table. You’d be done for – sent home! Ha-ha!

We also can’t help but notice you’re all very beautiful. Are you all made in some sort of beauty factory?
Yeah, we are! We all have the same arms and legs really, we just stretch a bit! Nah, I don’t know, we’re just normal girls! I’ve been out in Chester before and seen loads of very sexy girls, so it’s not just the ones from *Hollyoaks*!

What storyline would you really love to do on the show?
I’d like to do an extreme, action-packed car chase. With guns. Maybe if Theresa turned bad-ass, like in *Sin City*! Like if she just had guns strapped to her sexy suspenders! If you can imagine something like *Sucker Punch*, I’d like to do a *Hollyoaks* version of that with all the babes.

Speaking of Hollywood, what was the last film you saw?
The Hangover 2 was good! I was laughing out loud, anyway! The Chinese guy is amazing! You see his willy! It’s the size of a tiny little chipolata sausage.

Aside from a tiny little chipolata willy, what other features do you look for in a bloke?
I like people who have a passion for stuff and aren’t too self-conscious – blokes who can just be themselves! ▶

We're ordering a takeaway! Nah, I'm gonna cook for you. I'd make antipasti, so lots of salami, ham and melon bits for starters. Then I'd cook stir-fry, because it's really easy, and Eton mess for dessert!

Who would be the cheekiest *Hollyoaks* girl to invite along?
Honestly? Nicole Barber-Lane [Myra McQueen] is cheeky! She plays a mum, so you wouldn't expect her to be that feisty, but she's always slapping the other girls on the backside. Plus she can breakdance!

Who would you love to see make a cameo in the show?
Keith Lemon! He'd be awesome. He could come in as a long-lost McQueen uncle. Can we start this as a rumour on Twitter? Then it might happen! I doubt we'd get much work done, though!

Have any of the blokes you've had to kiss on the show become, er, over-excited?
Probably! The awkward bit is who's going to pull away first – if the actors are still kissing after they shout "cut", they're probably kissing in real life!

Noted! So are you pleased with the new *Hollyoaks* calendar?
Oh, yes, it's very sexy! We had lots of woodland fun shooting in the New Forest!

Amazing stuff! Finally then, what really makes you laugh?
Carrying heavy stuff! Oh my God, I get the giggles because I know how important it is to not drop it! That sounds a bit weird, doesn't it?

ENGLAND VS WALES!
TUESDAY • ITV1, 7pm
European Championship qualifying battle royale!

The swelling on his big toe was immense

Friday 2 September

Bulgaria vs England

SKY SPORTS 1/HD • 6.30pm

Non-fascinating fact: every home nation is playing a team from Eastern Europe this weekend. England will want to repeat their 4-0 victory over the Bulgarians at Wembley. Wales could do them a big favour by getting a result from Montenegro...
★★★★★

Dexter

FX/HD • 10pm

We're sad to report this is the finale of a mind-blowing season of serial-killing delights. And this season ender has got it all: foot stabbings, eye-gouging, even a car flipping over. With Jordan Chase gone nutso and planning to do evil to Lumen, can our anti-hero Dexter save the girl and himself in time?
★★★★★

Comedy Showcase: Chickens

CHANNEL 4 • 10.30pm

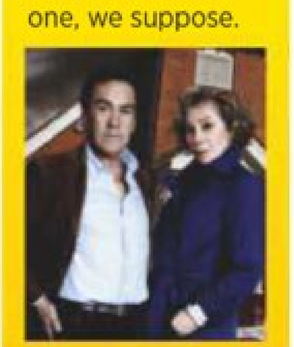
Take two of *The Inbetweeners*, add their mate and ask them to write a new TV show about avoiding all the fighting during the First Word War: meet *Chickens*! Gently amusing stuff.
★★★★

DO NOT WATCH!

MY FAMILY

BBC1 • 8.30PM

It's been on for 11 years, so we ought to highlight this last ever episode. We won't suggest you watch it – but it's worth noting it's finally doing one, we suppose.



Saturday 3 September

England vs India

SKY SPORTS 1/HD • 10am

After drubbing India during the Test series, England will be looking to continue in the same vein in the five-match one-day series. Last time the two teams went head-to-head in 2007, an exciting seven-match series went to the wire, but India are now looking knackered and demoralised. Smart money is on Swanny and co.

★★★★★

Red Or Black?

ITV1 • 7pm

Over the next week, 7,000 contestants are whittled down to one lucky blighter who'll bag a million smackers based on guesses to the results of a series of challenges taken on by the likes of the Hoff, Robin van Persie and Rory McIlroy, each with a 50-50 outcome. Ant and Dec get suitably excited about the whole thing.

★★★

Doctor Who

BBC1 • 7pm

The wrong-haired time-traveller comes to the aid of a kid terrorised by fears of what lives in his bedroom, but he can't simply tell him to man up – turns out these particular monsters are real. Nightmare! As usual, it's the presence of the Doctor's cute sidekick Amy Pond (Karen Gillan) who gives us our only real excuse for tuning in.

★★★

GAG OF THE WEEK!

JOHN BISHOP'S BRITAIN

BBC1 • 9.25PM

"At one point, Britain actually controlled 25 per cent of the known world. Now we take our victories where we can: the highest teenage pregnancy rate in Europe. Stick that up your arse, Germany!"

Sunday 4 September

Dragons' Den

BBC2 • 9pm

Among the latest batch of potty pitches is a car that thinks it's a bike! Madness, but still better than a multi-millionaire businesswoman who thinks she's Gollum in shoulder pads. Step forward Hilary Devey, who's added some much-needed bite to the latest series following the departure of nice guy James Caan.

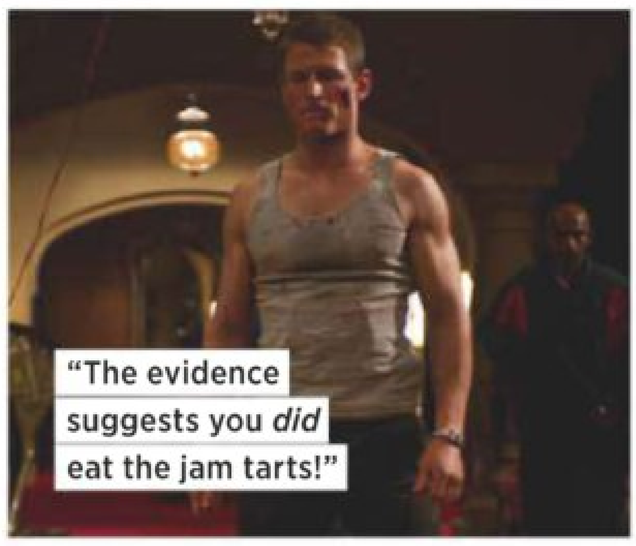
★★★

Four Lions

CHANNEL 4 • 9pm

You'd think the lives of Muslim suicide bombers wouldn't be the stuff of classic comedy, but this dark, satirical film (with a surprisingly warm heart) proves otherwise. Riz Ahmed plays the leader of a four-man cell waiting to cause some carnage in the name of Allah. Sadly, they are all utterly inept. Look out for the bit with the crow!

★★★★★



Strike Back: Project Dawn

SKY1/HD • 9pm

Mayhem, action, covert operations... And it's all happening in Cape Town. MI6's Section 20 are chasing notorious terrorist Latif, but former IRA members muscle in on the action. Time to send in former Special Forces loons Stonebridge and Scott!

★★★

ONE WITH THE MISSUS!

DOWN WITH LOVE

BBC1 • 11.45PM

Slushy New York-set romantic comedy with Ewan McGregor and (almost inevitably) hamster-cheeked Renée Zellweger. It's two hours of cheese, frankly, but your missus will lap it up. Guaranteed sexy time!

The Real Hustle: New Recruits

BBC3 • 8.30pm

Back for a whopping tenth series, the rogues gallery adds two new faces. One (a bloke) is of no importance. The other is the splendid Polly Parsons, who you can see in various states of undress in this very magazine! And there's goddess Jessica-Jane Clement!

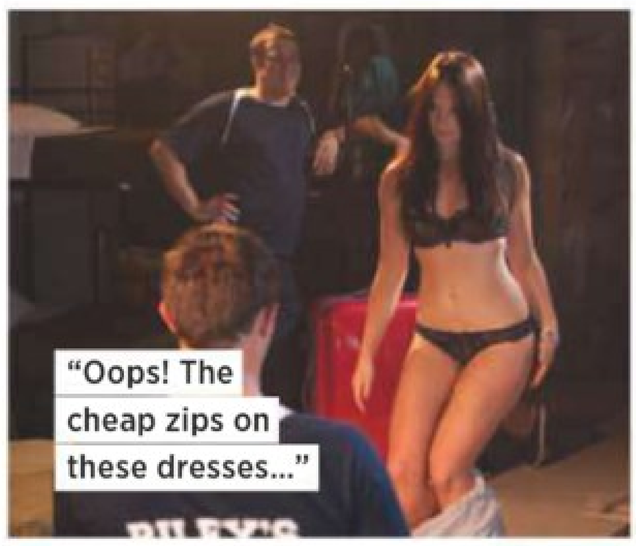
★★★

Shooting Stars

BBC2/HD • 10pm

What a cracking bunch of guests the *Stars* lot have scored this week. They've got funny-woman-come-impressionist Ronni Ancona. We fancy her, in a sexy 'Will's Mum from *The Inbetweeners*' older-woman type way. But in a sexy younger-woman type way, there's the super-hot Sam Faiers. The other blond guest? It's Chris Tarrant. Oh.

★★★★



Hollyoaks Later

E4/HD • 10pm

Always a bit risqué, always a bit rude, and they always chuck in the word "sh*t" to prove this is the later, special edition of the '*Oaks*. Highlights include the McQueens heading to Ibiza for Mercedes' hen do. Let's hope they spend the week in their bikinis! Mitzee (the Cheryl Tweedy/Cole lookalike) also crashes the chaps' stag do.

★★★

BBC2 • 6.30PM

Twenty, that's 20, episodes of Melvyn Bragg retelling stories of life in Britain from 1900-1970 using archive footage. It's a no from us.

England vs Wales

ITV1/HD • 7pm

Well, this one should be a bit tasty, shouldn't it? By now, Wales will probably have nothing to play for within Group G, but you can be sure they'll give it their best shot – which proud Welshman wouldn't be pleased to put one over on those pesky Englishmen? Still, Capello's chaps will be hopeful of emerging triumphant.

★★★★★

True Stories: Armadillo

MORE4 • 10pm

Not a documentary about docile armour-plated herbivores, but the gripping study of a group of Danish soldiers in Helmand Province, less than a kilometre away from the Taliban, who are intent on causing as much harm as possible. Riveting.

★★★★★

Wilfred

BBC3 • 10.30pm

Things take a spectacular, dark turn this week, as Wilfred (the man/dog) and Ryan (the bloke who sees Wilfred the dog as a man... still with us?) work at a hospice to impress Wilfred's owner, Jenna. What follows is murder, Wilfred stealing drugs and getting high and, of course, Ryan once again looking like a prize tool.

Bin Laden: Inside The War Room

CHANNEL 4/HD • 9pm

This revealing docu tells the story of the build-up to the CIA operation that saw al-Qaeda boss Osama bin Laden receive a one-way ticket to hell, featuring insight from a big roster of White House insiders, including some bloke called Barack Obama.

★★★★

Sons Of Anarchy

5USA • 10pm

The Sons have finally made it over to Ireland, (surely Jax should have gone in episode one?) and there's trouble from the get-go. Some serious Jax and Trinity flirtation is beyond wrong, because little do they know, they're half brother and sister. And "taking care of" Jimmy O will pretty much be the answer to the Sons' problems.

★★★★

Batman Begins

ITV2/HD • 10pm

There's loads of stuff flying around the internet about the latest *Batman* movie and it doesn't even come out for another year! Whet your appetite as the man in the mask takes on The Scarecrow and Ra's al Ghul. Ra's al Ghul's son is rumoured to appear in the forthcoming *The Dark Knight Rises*. There you go, fact fans!

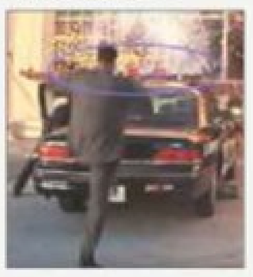
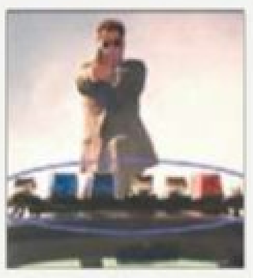
BBC3 • 9PM

No blue lights on the cop car, right? Cut to the next shot, two blue lights visible!





Thursday 8 September

NEW SERIES

The Killing

CHANNEL 4/HD • 9pm

This episode feels a bit like a filler, but it's not. It takes a step back from the "who killed Rosie Larsen?" case and focuses more on the characters of Sarah and Holder. Sarah's kid Jack has gone missing, though to be honest, we're surprised she's even noticed – she ain't winning any Mother Of The Year awards, that's for sure.

★★★★

Happy Endings

E4/HD • 9.30pm

It's another Yank comedy centred around a bunch of good-looking friends. Sounds familiar, except two of them are getting hitched, until the girl jilts the guy at the altar. As the buddies fight it out, there are proper laugh-out-loud moments plus some cringey bits. Most important fact: it stars Elisha Cuthbert!

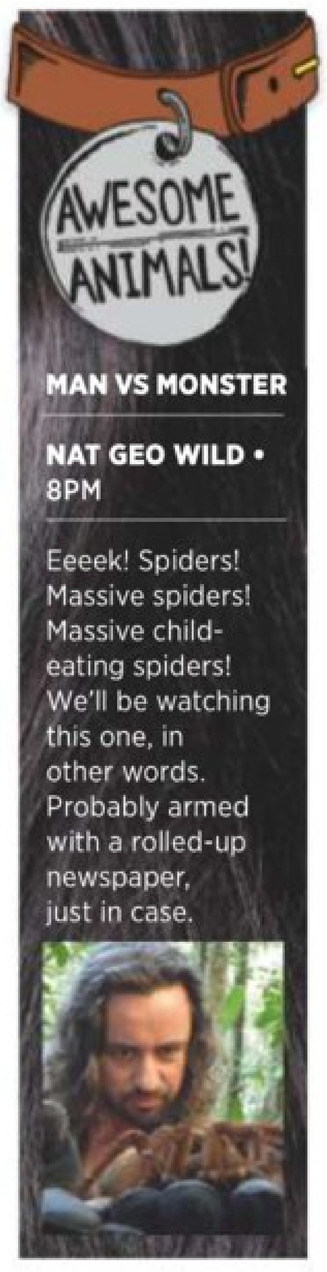
★★★★

Celebrity Big Brother: The Final

CHANNEL 5/HD • 9.30pm

That was an anti-climax, wasn't it? We were built up to expect Charlie Sheen! Bobby Brown! Pamela Anderson! We got a Pamela, but she wasn't Anderson. And there was a Bobby, but who he was, still nobody knows. For all we care, Jedward can win it.

★★★



MAN VS MONSTER

NAT GEO WILD • 8PM

Eeeek! Spiders! Massive spiders! Massive child-eating spiders! We'll be watching this one, in other words. Probably armed with a rolled-up newspaper, just in case.

KILL LIST
2 September • 18
Get ready for a ride to hell in a hitman-meets-horror flick following two ex-soldiers turned contract killers taking on "one last job". But their mysterious employer's kill list brings them face to face with the occult. Neil Maskell (*Rise Of The Footsoldier*) and Michael Smiley (from TV's *Luther*) make a darkly comic ultra-violent pair in one of the scariest films you'll see this year! ★★★★★

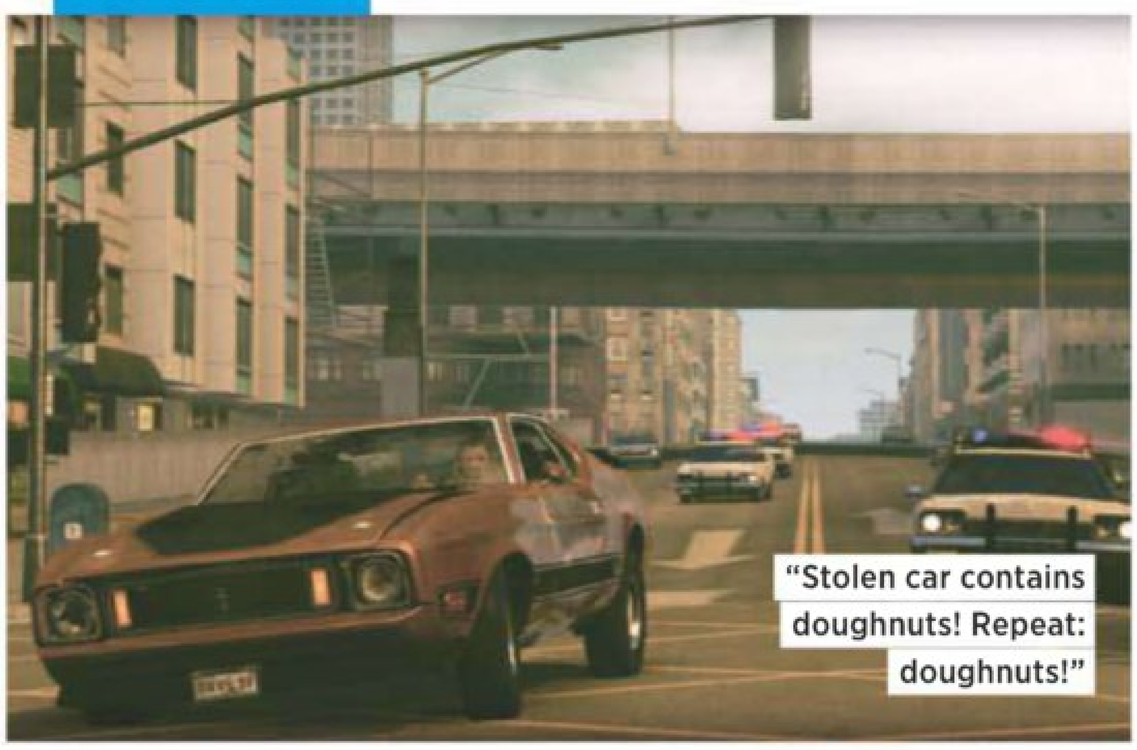
GAMES



DRIVER: SAN FRANCISCO
Xbox 360, PS3
Purists will miss the single-car action (not the horrible pre-game licence tests) but otherwise, this is a solid and entertaining driving game reboot. The twist here is that you can jump from car to car to complete your missions, going after a crime kingpin who's put you in a *Life On Mars*-style coma. Multiplay is slick and silly, too. ★★★★

BODYCOUNT
Xbox 360, PS3
Futuristic shooter that's part *Tron*, part *Halo* and part *COD*. Visceral, super-realistic and seeped in the finest gun-porn. ★★★★

MADDEN NFL 12

This is the NFL game for aficionados – it's beautifully made and impossibly exhaustive. But it's American Football... ★★★★

Nuts gambling masterclass!

A host of top tips to help you play Deal or No Deal!

YOU MAY think Deal or No Deal is a game for those who believe in "systems". Well, the TV show might be, but the multi-line slot isn't!

You can win big from the comfort of your own home for as little as 5p, and if you play on all lines, you could win a progressive jackpot. One recent *Nuts Games* winner bagged himself £229, 776!

How to play

- **The aim is to get winning symbol combinations from each spin of the reels, with the ultimate target being the progressive jackpot.**
- You can select up to 20p on each of the 20 pay lines. That gives you up to 20 chances to win on each play!
- **The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win some extra cash.**

The number lines

It's all self-explanatory – click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

Bonus game

If you bet on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins – this plays like the TV show, with the big progressive jackpot at stake. Don't be too greedy or, like us, you could end up with £8 instead of £100!

Plus win up to £10k!

Play three games for the price of one with **Deal or No Deal Scratchcard**. Play from the comfort of your home for £1 for your chance to win!

Sign up and deposit to get up to £200 free play!* Enter promo code NUTSC35 at www.nutsgames.co.uk

*200% DEPOSIT BONUS UP TO £200 FOR NEW CASH MEMBERS ONLY. MINIMUM £10 DEPOSIT REQUIRED – EG DEPOSIT £100 AND WE'LL GIVE YOU AN EXTRA £200 FREE PLAY ON TOP. TO RECEIVE THIS OFFER YOU MUST ACCEPT THE SIGN-UP BONUS WHEN REGISTERING. SUBJECT TO TERMS AND CONDITIONS OF THE OPERATOR, AVAILABLE AT WWW.NUTSGAMES.CO.UK. FOR 24-HOUR HELP AND SUPPORT, FREEPHONE 0800 458 0770. OVER-18S ONLY. PLEASE PLAY RESPONSIBLY. WWW.GAMBLEAWARE.CO.UK CLOSING DATE: 13 SEPTEMBER 2011. © 2003 ENDEMOL

Stuff I like!

This week we speak to telly and radio star Dave Berry about the gear he loves most!

NEW TO Nuts!

Car

ASTON MARTIN DB9. Neil Fennell (with whom I co-own October House English tailors) worked at Aston Martin for years and he knows how to make things look beautiful.

Film

There's only one way I can answer that – let's just say if ***GOODFELLAS*** had hoverboards and dinosaurs in it, we'd be somewhere close to the ultimate film!

Food

CHICKEN JALFREZI, mushroom rice and Bombay aloo, accompanied by three poppadoms, mint sauce and onion salad, and followed by a bucket of gummy worms!

Football

My beloved **CHARLTON ATHLETIC** – with Chris Powell at the helm and 16 new signings already, it won't be long until we're back in the big time. Fingers crossed!

Holiday

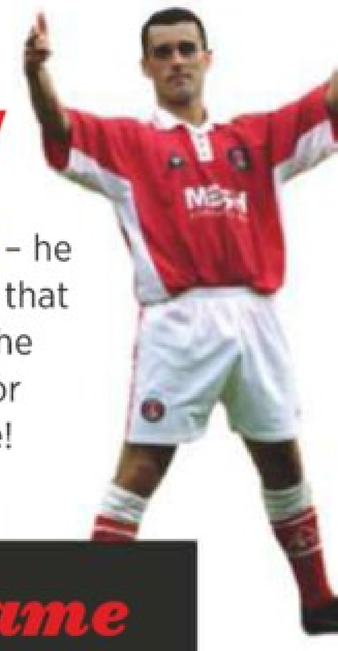
INDIA, a place full of amazing tastes, sights, sounds and – most importantly – people.

Song

This is almost impossible to answer but based on what I like to call "filth-ability", I'm going with ***SEVEN NATION ARMY*** by the White Stripes.

Gadget

I'll go for the **IPAD 2** because it enables me to enjoy my work, my music and my writing. And of course, my porn!



Sporting hero

CLIVE MENDONCA – he scored the hat-trick that took Charlton to the Premier League for the very first time!

Videogame

It has to be ***PRO EVO 4*** – the best football game ever. Although I say that with a heavy heart as I'm now a *Fifa* man.

Aftershave

It's got to be the classic **GIORGIO ARMANI AQUA DI GIO**, which reminds me of my youth. By which I mean hanging out in sweaty indie clubs in East London!

Most extravagant purchase

My glasses – I saw a great pair of **TOM FORD** frames and just had to have them!

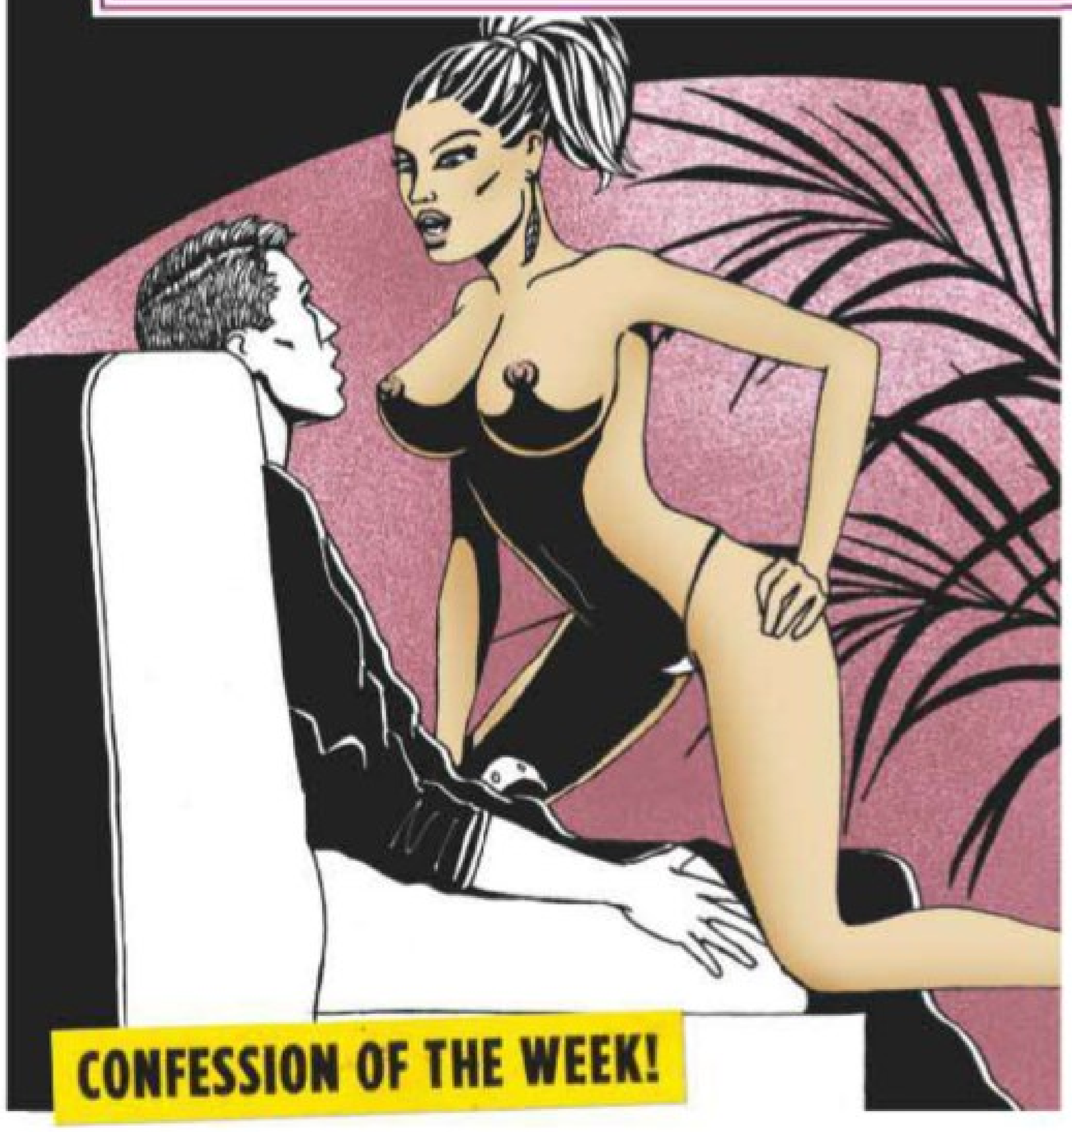
LADIES CONFESS! TO OUR SECRETARY!

Racy revelations from our female readers!



CONFESSION OF THE WEEK!

‘I gave him a private show’

I WORK as a stripper at my local club and one night, a group of lads came in to celebrate their mate’s 30th birthday. The birthday boy seemed very shy and immediately caught my eye. I wanted to show him more of my dirty moves, so I texted him my address to give him a private show. Back at my place, I sat him down and straddled him, pushing my cleavage into his face. He then stood up and asked me to bend over the sofa, moving my lacy thong to one side as he took me hard. This shy guy certainly enjoyed his birthday!

‘I flashed in the cab’

MY MAN and I had been out all night at a friend’s leaving do. After lots of dancing and grinding, I wanted to go home for some hot and wild sex. We all jumped in a taxi and after we’d dropped my friends off, I parted my legs and gave my man a cheeky flash of my thong. He gave me a wink, and showed me how hard he was getting. I instantly felt horny and moved forward to pretend to speak to him. I slipped my hand inside his jeans and wrapped my fingers around his growing erection, slowly moving my hand up and down. I was feeling quite tipsy and almost grabbed his member too hard as we flew round a corner. That was a journey home to remember!

Hollie via email

‘His hand went up my thigh’

I’D BEEN flirting with the manager of a pub near work for weeks, when one day, he cheekily explained that they had hotel rooms as well. He invited me to meet him in one of them, so the next day, I was sitting on one of the beds, nervously waiting in my sexy stockings. I felt really excited as soon as he walked in, and his hands immediately went up my thigh and into my knickers. I got really wet and started tingling, and I could see I was turning him on. He kept my stockings on but pulled my tiny black panties to the side, thrusting his fingers deep inside me. I pulled down his trousers to reveal his huge erection and began working my mouth quickly up and down his shaft. He grabbed my boobs for a squeeze before straddling both my legs over his shoulders. He pumped me until he was ready to explode – I’ve never heard a man groan so much in my life!

‘My leg was on the dash’

A SEXY guy has moved into a house a few doors down from me, and we always seem to arrive home at the same time. One day, it was pouring with rain and as he parked up next to me, he wound down his window, gave me a grin and asked me to hop in. Within minutes, we were kissing and tearing at each other’s clothes! I lifted one leg up on the dashboard as his tongue tenderly licked my clit. Soon, he was using his fingers to penetrate me as I moaned with pleasure. I then undid the buttons on my blouse and he started pulling and twisting at my nipples. I was in heaven! It was by far the dirtiest thing I’ve ever done and we soon raced back to mine to continue the naughty fun!

10 RUDE QUESTIONS!

And a real girl to answer them!

Shannon

21 Kent

1 Where's the strangest place you've had sex?
"In the back of a taxi after a night out! We got started and the taxi driver let us carry on! We'd had a few drinks so we were probably quite noisy – he must have liked it though, because he gave us a wink as we left!"

2 What's your naughtiest move?
"Using ice and a blindfold. You have the element of surprise with a blindfold, which is always good!"

3 What really turns you on?
"Smart looking guys in expensive suits really do it for me. I guess it's the power thing I like!"

4 What's your favourite position?
"Doggy, because the guy is in complete control. I love being dominated by a nice strong guy."

5 Is it better to give or to receive?
"It's normally better to receive. I'd say nine times out of ten, it's better to receive. It totally depends on how much you like the guy, though. If he's not very good in the bedroom, I prefer to just get it done and get out of there!"

6 What's the one sexual thing you want to try?
"I'd love to try a threesome with a guy and another girl. It's one of those things you've got to try, to find out whether you like it or not!"

7 Ever got it on with another girl?
"I've kissed a few. On nights out, I turn into a raging lesbian when I'm around my friends! It's only kisses, though – I've never gone any further than that."

8 What's your rude fancy dress of choice?
"A policewoman would be good, or something in latex that's tight-fitting and revealing. Anything to make me feel sexy and look good!"

9 Have you ever made a sex tape?
"I've made a couple. I hope they don't get sent in after my ex-boyfriends read this!"

10 What's the rudest thing you've done?
"I had two threesomes in one night! I told some guys about a threesome I'd just had and ended up having one with them, too!"

Tuffers: "One of the best sides ever!"

Cricket legend Phil Tufnell on the five factors that made England No.1!

1 INCREDIBLE STRENGTH IN DEPTH

"England bat very deep. Graeme Swann is coming in at ten and he has Test 50s under his belt. Matt Prior's a wicketkeeper but could get into the team on the strength of his batting alone – he runs teams ragged! The tail's ability to get runs is demoralising for other teams, too."

RUTHLESS!

2 IAN BELL

"People have accused him in the past of getting 'easy runs', but he's grown in confidence and clearly feels like he deserves to be out there. You can see he's grown in stature. He has lovely technique, very pleasing on the eye, and his average over the last year or so is ridiculous!"

3 STUART BROAD

"If your batting and bowling averages are both around 30, you're a good all-rounder – in this series, he got 61 with the bat and 13 with the ball! At Lord's, England were in trouble, then Broad and Matt Prior came in and next thing, the game's away from India."

England's success in numbers!

The stats that make Strauss's men top dogs!

- **Tim Bresnan has played in ten Tests and never been on the losing side.**
- Seven England batsmen completed the series against India with an average of over 50.
- **In their last 12 Tests against Australia, Sri Lanka and India, England scored 500 or more seven times.**
- In that time, Kevin Pietersen (twice), Alastair Cook (twice), Jonathan Trott and Ian Bell all racked-up double hundreds.
- **Six of the Tests ended in an innings victory for England, including three against Australia on their home turf.**
- England have four Test batsmen in the world's top ten, with joint third held by Ian Bell and Alastair Cook, Jonathan Trott in sixth, and Kevin Pietersen in eighth. They also have the bowlers ranked number two (Jimmy Anderson), three (Graeme Swann), five (Stuart Broad), ten (Chris Tremlett) and 11 (Tim Bresnan).
- **Wicketkeeper Matt Prior is the 23rd-ranked batsman in the world!**

WINNERS!

4 SQUAD ROTATION

"Look at our bowling line-up. You've got Steven Finn, Chris Tremlett (above) and Graham Onions all bowling 85-90 miles an hour, and none are in the side! England practically have a football-sized squad to choose from. We've the first and second best bowling attack in the world!"

5 KILLER INSTINCT

"They haven't just beaten India, they've annihilated them. The ruthlessness comes from the likes of Andrew Strauss and coach Andy Flower, people who never say die and the stats prove this is one of the best England sides there's ever been!"

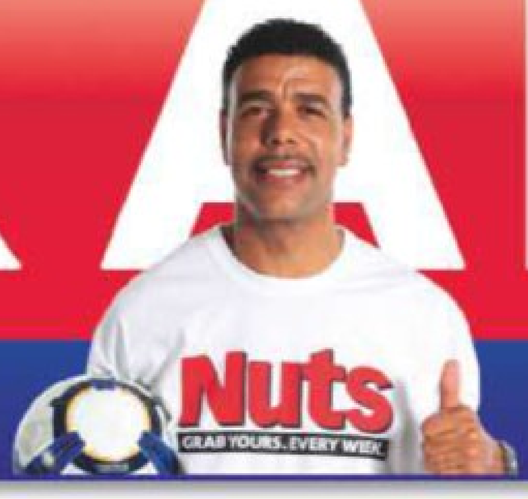
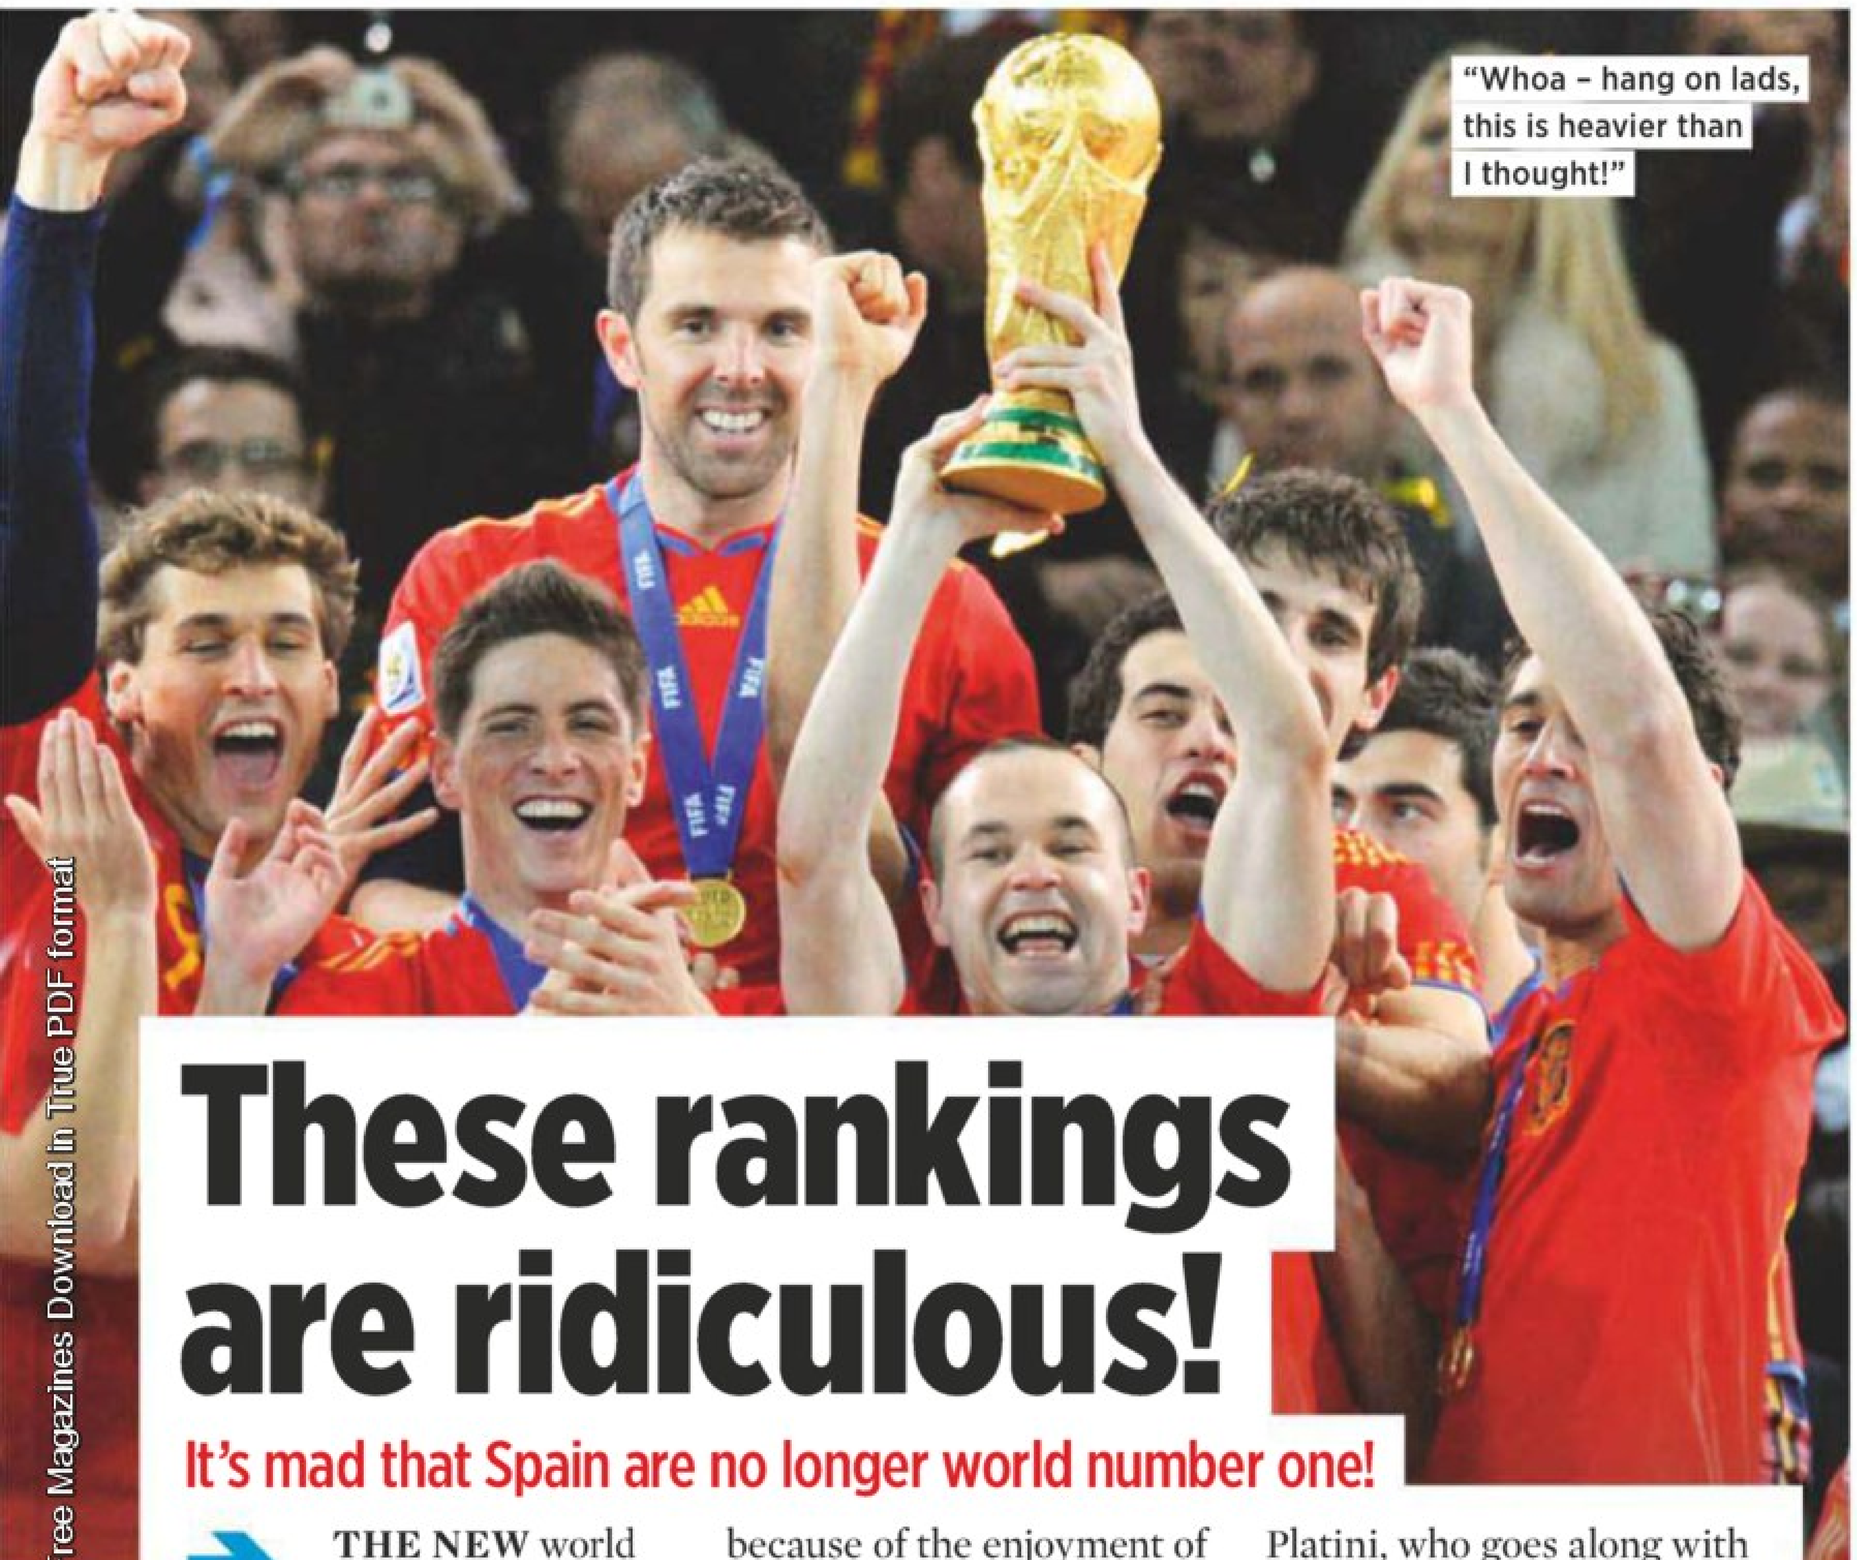
KAMMY!



He's the voice of the fans – and he's only in *Nuts*!



These rankings are ridiculous!

It's mad that Spain are no longer world number one!

THE NEW world rankings really are b*llocks! What are they based on? It sure isn't results or performances!

Nobody I know can figure out why England have moved up two places to fourth and why Spain have been knocked off top spot by the Netherlands.

When Brazil were all-conquering, they had the respect of everyone, and you'd be happy to watch them beat your team just because of the enjoyment of watching them. I'm puzzled as to why Spain aren't viewed the same way.

There's nobody better than Spain, and yet they're supposedly not superior to Holland, the team they beat in the World Cup final.

Anything Fifa does seems to be ridiculous. They keep their heads in the sand regarding goal-line technology, and they never allow football people into their ranks, except Michel Platini, who goes along with whatever they say!

Fifa are the ultimate prawn sandwich brigade, thinking, "What shall we do that has nothing to do with football, but that'll get people talking about us again? I know, let's move Holland to the top of the rankings!" Why? Is it because Spain doesn't have enough money at the moment? Or maybe it's just because Holland's got the best nightlife. Ridiculous!

Arsenal should sign Crouchie!

PEOPLE ARE already calling this season a two-horse race between the two Manchester teams, but I don't think you can rule out Chelsea, and amazingly, Arsenal can still be involved in it, too. But they have to – have to – get some new players in before the window closes tomorrow.

For a start, they need to bring in Gary Cahill, who's still gettable. I really think they missed out on a bargain with Joey Barton, but if he's heading elsewhere, then they should go for Mikel Arteta at Everton, who'd be a ready-made replacement for Cesc Fabregas.

And they could do worse than go for Peter Crouch. I know he plays for rivals Spurs, but he'd be a big presence who could take the weight off Robin van Persie's shoulders.

Three men of that ilk, and Arsenal can still be in with a serious title shout.

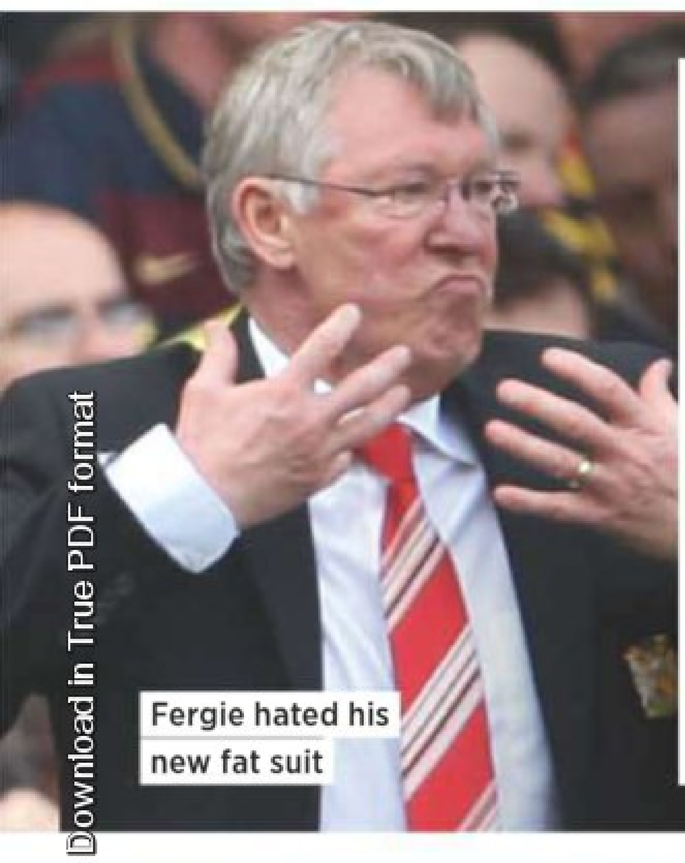
2 SEPT, 6.30PM • Sky Sp 1

I had Fabio Capello in on *Goals On Sunday* last week and he's determined to make sure that this campaign goes well – he feels his reputation was tarnished by the World Cup. So I'm expecting a very efficient England performance and a comfortable win.

KAMMY'S PREDICTION: 1-3

Key man

Assuming Scott Parker's going to be the holding midfielder, he'll be in a system he's played for the whole of his career, providing insurance.



Fergie hated his new fat suit

Sir Alex has done right!

I'M GLAD Sir Alex Ferguson has agreed to bury the hatchet with the BBC. It was great for Sky Sports because the BBC would have Mike Phelan on every week while we'd get Sir Alex, but he's a bit old to be holding grudges like these!

Joey's no free transfer!

I DON'T understand Newcastle letting Joey Barton go for free. Sites like Twitter get up managers' noses, but this is a bit of an over-reaction! For the first time, fans can connect with footballers, know what they're up to and how they're feeling. Someone can tweet a question and they might get an answer. Rio's got a million followers – that's a million people who see Rio as a pal! What can be wrong with that?

"Anyone seen my iPhone?"

One to watch!

I WAS at The Emirates last week and the lad Frimpong's what they need. He may have been sent off for being a bit reckless, but he'll still have Arsenal fans thinking, "At last, someone who wants to battle!"

That Scotch egg was back to haunt him

How to save Arsenal's season!

Gunners legend Paul Merson gives us his plan for turning their season around!

THEIR PREMIER League campaign is off to a rocky start and they only scraped into the Champions League by a whisker. Arsenal are in trouble and need help, fast. Luckily, Merse is here with the solutions that can save their season!

MERSE!

STAND UP TO WENGER!

"You can't sack **Wenger** – there's no one else out there – so get someone who isn't scared to say when he's wrong. Since David Dein left, no one will grab Arsene and say, 'This needs to change.' He has just a day before the transfer window closes and he needs help to build a whole new team."

"I've made a fist! And I'm not afraid to shake it at you!"

NEW CAPTAIN?

FIND LEADERS ON THE PITCH!

"Arsene's scared of players who might question him. You know who the leaders are at Chelsea, Man City and United. Where are they at Arsenal? They haven't had a leader since Patrick Vieira. People may scoff at Arsenal signing **Scott Parker**, but he's a proper captain who'd drive them forward."

"Argh, my hand's cramped up from playing *Fifa*!"

CAHILL!

GET SOME ENGLISH GRIT!

"This is the English Premier League. You need heads on sticks – guys like **Gary Cahill** who can defend 25 crosses a game, not centre-halves from Belgium, Spain or France who only look good when the ball's on the floor. All the top clubs have at least one English central defender."

When it came to hopscotch, there was no one better

REBUILD THE SPINE OF THE TEAM!

"Last season, Arsenal needed a goalie and a centre half. They need way more than that now. Arsenal are lacking in all areas – they're weak right through the middle. How many Arsenal players would get in the Man United side? **Robin van Persie** and Jack Wilshere and that's it!"

"Don't be shy, little man!"

SAMBA!

INVEST IN BIG LADS!

"The first Wenger sides were all huge. Not just your Vieiras and Campbells, but the whole squad – Bergkamp, Petit and Henry are all six-footers who could handle themselves. Arsene is buying small players and it just isn't working. Someone like **Chris Samba** would add strength."

"Ew, a snail!"

TRANSFERS!

BE PREPARED TO SPLASH THE CASH!

If Everton want more for **Phil Jagielka**, Arsenal need to pay it because their squad's so thin. Last week, with Kieran Gibbs injured and Gael Clichy gone, Wenger had to play Carl Jenkinson at left back, who last year was playing non-league football. That shouldn't happen!"

"Who do I talk to about getting some sleeves?"

BUY FOR NOW, NOT THE FUTURE!

"Arsenal need experience badly. **Alex Oxlade-Chamberlain** might one day be a superstar, but Arsenal needed to buy players yesterday, not tomorrow! How can they pay £12m for a kid – who's never even played in the Championship – when they need so many other players first. Mad!"

Rooney: 'England have a bright future!'

Wazza on the next generation of talent!

Hi Wayne! Would you say you're in the form of your life?
I'm getting back to where I want to be. I feel good at the minute. Every time I go on the pitch I reckon I can score. Things at United are really exciting right now and I believe we're in a good position to do great things. Where I'm playing means I'm a lot more involved – I can set up goals as well as score them. It's a role I enjoy because, although scoring is a great feeling, I get a buzz out of providing opportunities, too.

How does it feel to be a bit of a wise head in the dressing room despite being only 25?
The manager has brought some great young players like Ashley Young and Phil Jones – and then there's the likes of Tom Cleverley, Chris Smalling and Danny Welbeck. They're all really talented and mature for their age. Lads like these will help us progress, so personally it'll be great to be part of that. I enjoy playing alongside Danny and our understanding is getting better and better. He's got the complete game so I don't see why he can't make an impact at the top level.

These youngsters are tipped to be the next generation of England stars. Can they be?
Absolutely. They've all got bright futures, for sure. I can see them doing the business for England in years to come. All of a sudden, you've got these lads knocking on the door. We have strength in depth now, which is great for the manager and the team.

How impressed have you been with Jack Wilshere?
The potential there is unbelievable. He always knows where to find the space, which is fantastic for any player, and he's got the football intelligence of someone older. As a striker his ability to find a pass is going to be great for me.

Is Capello still the man to lead England into Euro 2012?
He's a great manager. The players are all behind him. It's up to us to make a success of qualifying and take it into the competition itself. A side's only as good as its players and the performances they put in.

Can England win in 2012?
We have to believe we can win every game. It's not about being over-confident – becoming a successful team isn't easy at this level. But I do believe we have the players and the right balance between young and old. I can't wait for the rest of the season. For Man United and England, I hope it's going to amazing!
