The result is that this year's Hot Shots calendar stars some automatic handguns, semi-automatic rifles, grenade launchers, shotguns... oh, and Rosie Jones, Holly Peers, India Reynolds, Staci Noblett and Charlotte McKenna.

And, as ever, 50 per cent of the proceeds go towards aiding injured ex-servicemen via the Help For Heroes charity. So, it's girls and guns and days, and you're actually doing a good thing by purchasing it. Hurrah!

Rosie!

Look familiar?

When we first saw the 2012 Hot Shots calendar cover, it got our brain boxes ticking. Where had we seen it before? Turns out it's a cheeky (and entirely appropriate) homage to last year's brilliant, best-selling game, *Call Of Duty: Black Ops*.

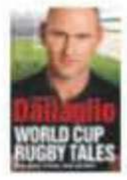

Dallaglio's World Cup preview!

England Rugby legend Lawrence on the home nations' chances!

WITH ALL the hullabaloo surrounding the new Premier League season, it might have slipped your mind that the Rugby World Cup starts in New Zealand on Friday. If your knowledge of the oval ball game's a little rusty, fear not! *Nuts* has enlisted former England captain and World Cup winner Lawrence Dallaglio to talk us through the prospects of the home teams!

- World Cup Rugby Tales *by Lawrence Dallaglio is published by Simon & Schuster (RRP £18.99)*

WORLD CUP WINNER!

Dallaglio played 85 times for England, lifting the World Cup in 2003 and appearing as a sub in the 2007 final defeat to South Africa.

SCOTLAND
"In Andy Robinson, Scotland have a very passionate and experienced coach. The Scots need to stay injury-free, but I think they can qualify from their group."
Prediction: Quarter-finals

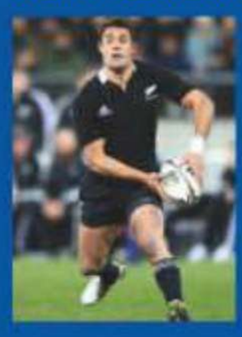

ENGLAND
"In the last year, England have made progress, winning the Six Nations and beating Australia home and away. They should easily qualify from their group."
Prediction: Semi-finals

CHRIS ASHTON!

Lawrence's favourites!

The teams all the home nations will fear!

NEW ZEALAND

"The World Cup is New Zealand's to lose. They're the number one side in the world and they have home advantage. Even with the problems they've had of late, with the earthquake and the devastation it caused, if the country gets behind them, they'll be very tough to stop."

AUSTRALIA

"Australia will push the New Zealanders all the way. They've just won the Tri-Nations and beaten the Kiwis in Brisbane. They're packed full of world-class players, such as Will Genia and Quade Cooper. A betting man would back the Wallabies for glory."

SOUTH AFRICA

"South Africa could well face tournament favourites New Zealand in the semi-finals. They're a physical team and can beat anyone if they're in the mood. Most South Africans will think they have a chance against anyone, but the All Blacks might be a step too far for them."

- World Cup opening ceremony, 8.30am, Friday 9 Sept, ITV1

IRELAND

"Ireland have had a series of poor results recently. I think their chances will depend on Brian O'Driscoll and Sean O'Brien, but the Irish need to up their game overall."
Prediction: Quarter-finals

WALES

"Wales are in pretty decent shape. They've beaten England and Argentina in warm-up games but face a tough first group match against South Africa."
Prediction: Quarter-finals

‘Whoops!’

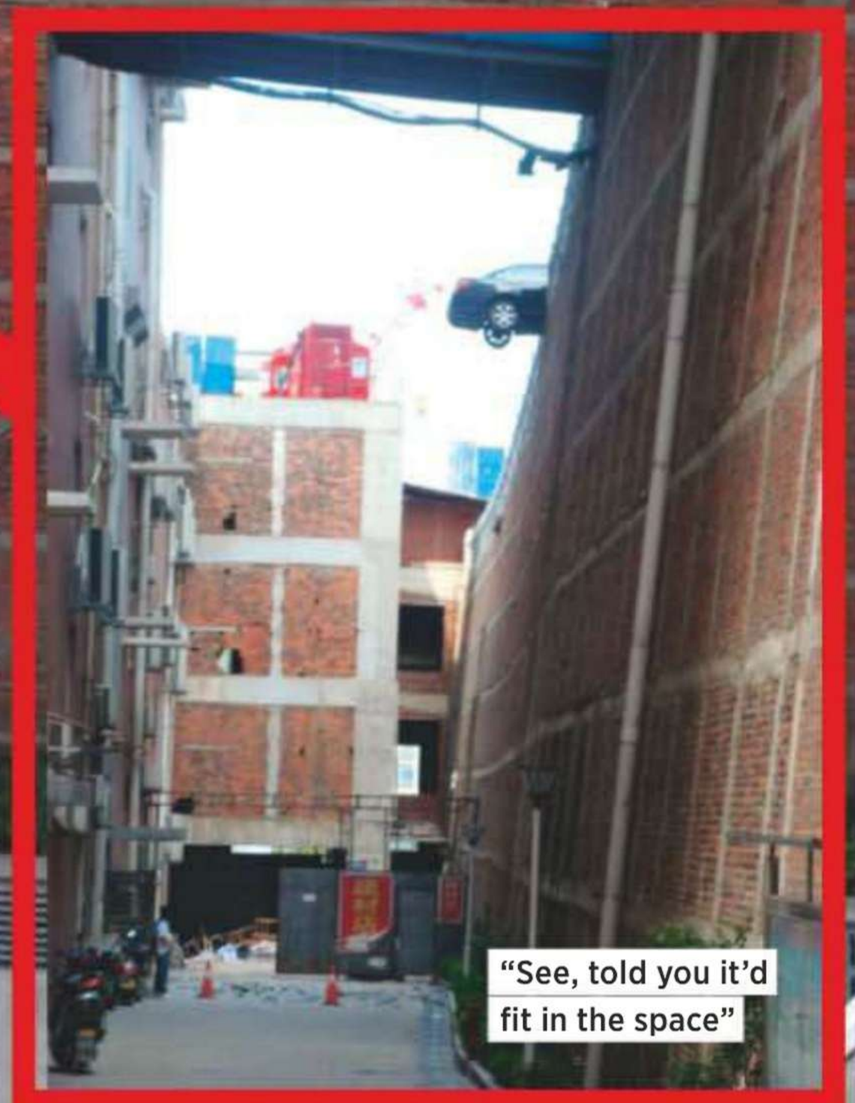

Lead-footed parkers avoid 15m drop... just!

YOU CAN only imagine the biblical row that must have erupted between these husband and wife motorists, once they’d scrabbled to safety from this terrifying example of bad parking in Changsha, capital of China’s Hunan Province. A blast on the accelerator while the car was in reverse left it teetering on the edge of this car park’s 15m drop – inches away from probable death, or at the very least, some industrial-grade whiplash and a visit to ambulance-chasing-injury-lawyer-parasites-are-us.com!

ON THE EDGE!

“So, have I passed?”

"See, told you it'd fit in the space"

Car parks: The facts!

- **The world's biggest car park is at the West Edmonton Mall in Alberta, Canada, with 20,000 spaces.**
- The 8,400-space Baltimore-Washington International Airport lot's automated system directs drivers to free parking spaces with the aid of lit-up signs!
- **The UK's most expensive car park is the Pavilion Road multi-storey NCP in Knightsbridge, London, at £43.20 for six hours!**
- Also in Knightsbridge, a 99-year lease on a two-car parking space recently sold for a whopping £200,000!

Modern Warfare 3 multiplayer first play!

Nuts gets a world exclusive first go on *Call Of Duty* multiplay!

IT'S THE most anticipated game of the year. It's the most pre-ordered game ever. It's something that *Nuts* just happens to have played. We're fresh back from *Call Of Duty* XP where we were given first pop on *Call Of Duty: Modern Warfare 3* multiplay – and it was great fun!

Unsurprisingly, turns out it's blooming terrific! We had a three-hour blast on the new maps and modes, and after cleaning our eyeballs and having a bit of a lie down, we reckon it's their best yet! Roll on 8 November, for that's when it's out!

WORDS: RORY BUCKERIDGE

NEW MAPS
The game comes with six all-new multiplay maps. Our fave's based around a London Underground station, with wrecked trains you can enter.

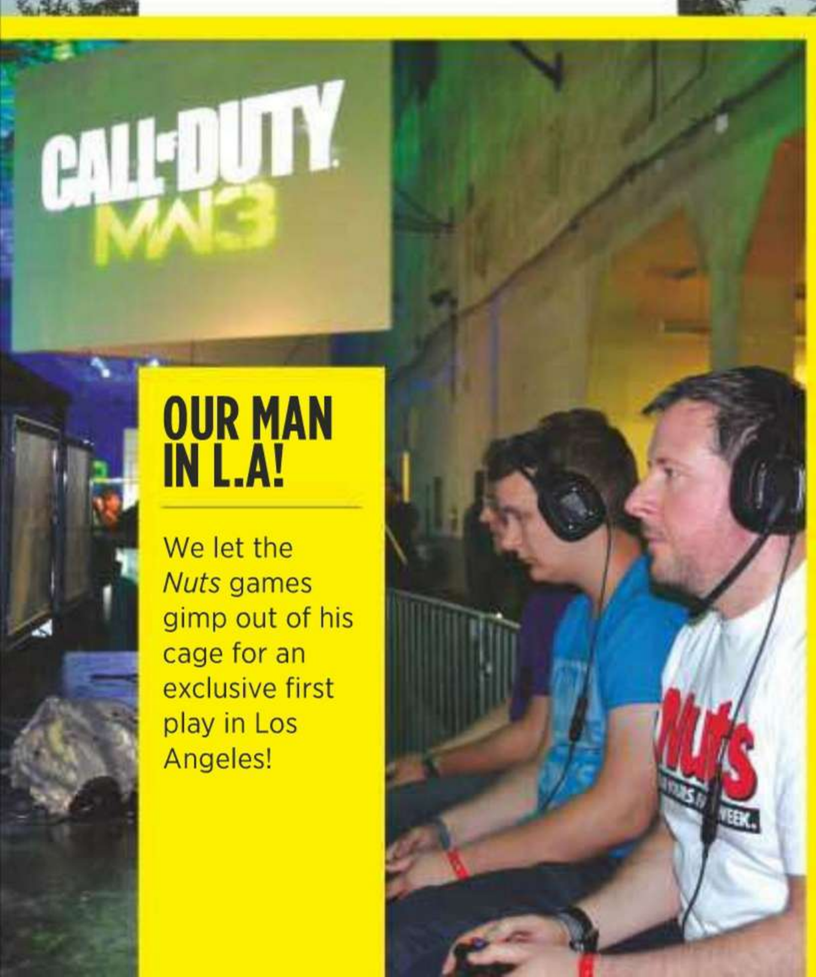

NEW MODES
One new mode was "Kill Confirm" – kill an enemy and he drops dogtags, which you have to race to pick up to confirm the kill and score your point.

PERSONALISED STRIKE PACKAGES
You now get three: "Solid" (your familiar kill streak rewards), "Support" (for teamwork), and "Specialist" (adds perks as you kill).

FACEBOOK INTEGRATION
If you sign up to Elite (see above right), you'll be able to link Facebook friends into the game, get alerts when they're online, and send them game invites.

"Put the kettle on, love – I'll be in in a minute!"

OUR MAN IN L.A!

We let the *Nuts* games gimp out of his cage for an exclusive first play in Los Angeles!

ELITE: ONLINE MEMBERSHIP
It'll be around £35-£40 a year. For that, you get all downloadable content – approx 20 pieces, which means monthly drops of new maps, new modes etc.

NEW KILL STREAKS
The Kill Streak system has been tuned so it also benefits team players. You'll get care packages for completing objectives and helping team-mates.

ELITE TV
There's also a TV channel with expert analysis to improve your strategy, plus celebrity appearances.

"It shoots OK but it's giving me a right headache!"

WEAPON PROFICIENCIES
Now you can level up weapons alongside your character. So, with experience, you can fine-tune your favourite gun for less recoil, less swing etc.

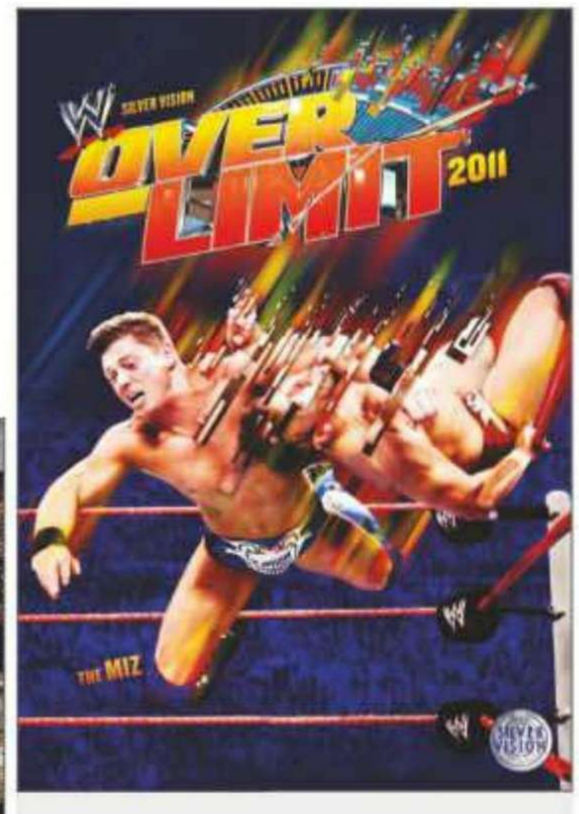

PRIVATE MATCH-UPS
There are more ways to customise your private matches. Then you can share them with your chums and the community. Good ones get voted up.

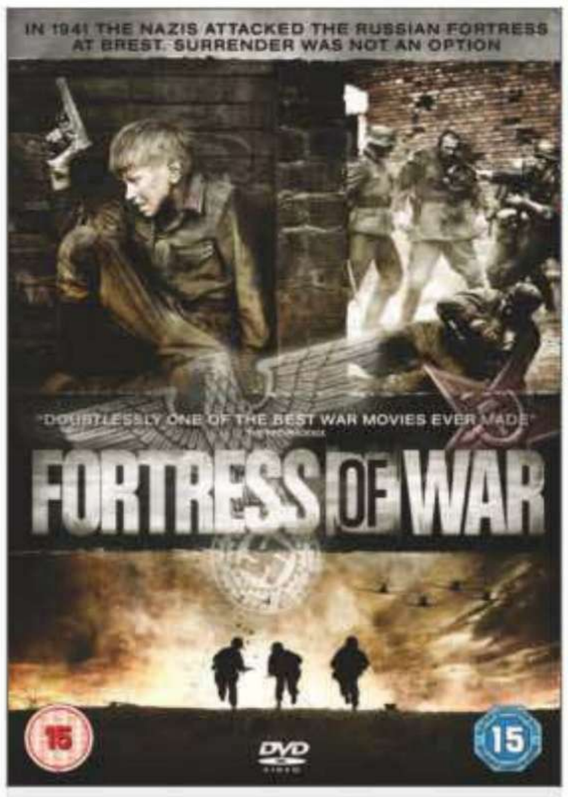

Nuts' verdict!

If playing *COD* online is the reason you buy your yearly shooter, you'll not be disappointed with this. It's every bit as slick, silly and shooty as ever. Hurrah!

Bachelor babe topless!

Carianne Barrow bares her brilliant booby-doobies!

LIFE REALLY is unfair, isn't it? It always rains when you go on holiday, the pub always runs out of your favourite beer first, and preening rugby type **Gavin Henson gets to select his next special lady friend from an army of stunners on Channel 5's *The Bachelor*,** without putting in any effort. And this lady – one of the 13 contestants still standing from the original 25 – could be the hottest of the lot. Her name's Carianne Barrow, she's a lingerie model, and here she is, making her topless magazine debut in *Nuts*!

Crazy Cadillac concept!

Yanks launch the Ciel – an awesome 419bhp four-door convertible

- **No one in the world currently produces a four-door convertible, which is a great shame – especially when they look as slick as this. The Ciel may be only a concept for now, but makers Cadillac hope that it will ultimately resurrect the cabrio.**

- Ciel is pronounced "seal" and is French for sky (with it being topless and all), which might seem a bit random for America's most iconic luxury car brand, but then Cadillac itself is named after the French explorer who founded Detroit.

- **Not since the early '60s has there been a four-door convertible. Made by Lincoln, it was the car US President John F Kennedy was shot in.**

- The idea behind the Ciel was the ultimate four-seat, four-door, open-topped Entourage-style cruiser. Swaggering on nine-spoke billet aluminium 22in rims, the five-metre long Ciel sits low with bold, minimalist curves. No door handles, no fussy trim – it's all about Caddy's trademark sharp, thin, vertical head and tail lights.

- **Rear passengers live in first class flight levels of luxury, with individual sculpted bucket chairs, accessing the stitched leather den via rear-hinged "suicide" doors.**

- Each seat is more like a suite, featuring a pull-out cashmere blanket for when the night rolls in, and a drawer to stash sunglasses, sun cream and a towel for when the sun starts flexing its muscles. It even has an on-board aromatherapy control system in the armrests, together with a cigar humidor.

- **Made from 300-year old Spanish olive wood, the dash is a simple but future-thinking unit, which can wirelessly charge phones or cameras by just placing them on top.**

- The interior isn't plastered with buttons – it's simply spacious and curvaceous, inspired by vintage speedboats. Like the exterior brightwork, the interior sports nickel-plated trim.

- **The Caddy Ciel is powered by a 3.6-litre twin turbo V6 with direct injection, shoving out 419bhp, but on top of that is a lithium-ion battery-fed electric motor. Pretty damn sexy for a hybrid, eh? We especially like the exhausts neatly hidden beneath the rear lights.**

- Performance isn't the point here, but 0-62mph will take around six seconds, while top whack is 155mph. Sadly, it's not yet for sale but we truly hope it sees the light of day on UK roads.

It's *Star Wars'* Boba Fett!

The galaxy's most-feared bounty hunter on parking tickets and Jabba's backing singers!

Hi Boba Fett! You banked the bounty for Han Solo but you didn't actually capture the smuggler himself, did you?
Check the fine print. "There will be a substantial reward for the one who finds the Millennium Falcon." Doesn't say a word in there about capturing, does it? That's a separate deal. I could've asked for a bonus for the whole "shoot at Luke and steer him towards the carbon-freezing chamber" thing but I didn't. Threw that in as a perk. Builds repeat business.

Does the kudos of having captured Han Solo help with the ladies?
Ask the back-up singers at Jabba's Palace.

Despite not being very nice, you're easily the coolest *Star Wars* chap there's ever been. Why do you resonate so well?
Again, ask the back-up singers at Jabba's.

Your ship, Slave I, is hardly the best-looking craft in the galaxy, why did you choose it?
Do I really look like the type who cares about a paint job or a glossy finish?

Talk us through all your "after-market" additions.
No one gets to look under the hood unless they're looking to be strapped onto it.

Has anybody ever been brave enough to stick a parking ticket on it?
Just one. See the throw rug? You're standing on him now.

What are the perks of being an intergalactic bounty hunter?
Once again, ask the back-up singers at Jabba's.

You never had a cool, walk-on theme like Darth Vader. Why?
Loud music would cover up the sound of my spurs. And I happen to like the sound of my spurs.

Thanks for the chat, Boba. Finally, what's it like working with a dark lord of the Sith?
Well, if the walk-on theme music didn't tip you off, Vader insists on making an entrance. Treat him like a lord, and it'll spare you any temper tantrums.

"There's cool sh*t to see in the UK!"

TV HISTORIAN Dan Snow reckons kids may have more fun going on trips to historical sites like castles than they would going to amusement parks with rides and arcades and sh*t. Actually, I have to agree with him – as a kid, I'd have absolutely loved to run around loads of castles and forts but, being Australian, all we had was beaches and nice weather all year round. It's fun to have historical excursions in the UK because you have lots of cool sh*t to see, but in other countries there's no way they'd be more fun than going to an amusement park. Imagine being a kid in Germany! "Come on, kids – stand under the swastika so dad can take a photo. OK, everyone – salute and say, 'Heil!'"

The Ivy's new waiter wasn't quite up to scratch

"It's just photos of arses!"

P-DIDDY, PUFFY Wuffy, the master of the hip-hop arts, is producing a coffee table book entirely devoted to women's bums. It's just a load of photographs of arses. It was going to be a regular-sized book but because Nicki Minaj and Kim Kardashian are in it, they had to make it coffee table-sized. They were going to include Nigella Lawson and Vanessa Feltz, too, but the dining table book hasn't been invented yet. My girlfriend's actually thinking of bringing out a pop-up book of guys' c*cks, entitled *Be Careful, You'll Have Your Eye Out*!

"A Ramsay lookalike's been eaten!"

HERE'S A happy story! Percy Foster, a 35-year-old porn star who also happened to be a) a dwarf and b) a Gordon Ramsay lookalike, was recently found dead and partially eaten by badgers! He didn't deserve such a short life. Sorry, couldn't resist. But what an amazing story! Isn't it incredible that there are animals out there that will eat something that looks like Gordon Ramsay?

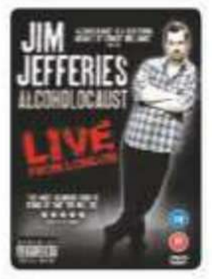

Ramsay's Botox treatment had been a mistake

"I wouldn't make a good husband!"

GOOD NEWS, blokes! A recent study has shown that the current generation of dads is the worst in recorded history! Apparently, you're all too childish, too selfish and play too many video games. I think I'd be a great father but not so good a husband, which is the problem right there. You can't just marry a woman, have a kid with her and then divorce her in the first year – that's "bad dad" territory. I think the only way forward for me is to have a kid with someone and then she dies soon afterwards. Not right away! I'm not a f**king animal – I don't want her to die in the first year! Just a few years later when the kid can walk and wipe its own bum and stuff like that. They can raise themselves from that point on. What I'm saying is, I need a terminally ill chick who doesn't know she's dying, so if there are any doctors out there who can keep a secret...

'My hand was almost dragged off by a car!'

Halloween party ends with hand of horror!

FAIR PLAY to ballsy *Nuts* reader Stephen Pollard, whose brazen attempt to avert a car catastrophe ended up leaving this grizzly mess on the end of his arm!

The 32-year-old diving instructor from Oxford was heading home from a Halloween shindig last year when his wheels took a scary swerve for the worse.

"I hit a wall and basically put my hand out to try to stop the car," Stephen tells *Nuts*, "but I ended up dragging my hand between the road *and* the car!

"I remember looking at my mashed-up hand and thinking, 'Oh f**k!' before calling an ambulance," recalls Stephen. "I was in a complete daze but the combined force of the car and the road meant my hand was almost dragged off!"

Five operations, three months and a load of new skin later, and Stephen's hand is pretty much back to normal.

"I'm back playing rugby and it seems to be working perfectly now. But for a while, I thought I'd have to be looking for a fake hand!" he adds.

At least that would have been this year's Halloween costume sorted, eh, Stephen?

"What was that about looking like a nectarine?"

Keep the banter going and give her a few spanks with your c*ck or something. Just make sure you're enjoying yourselves and keep in control!

She'll think I'm mad!

I like the idea of meeting up in a hotel and pretending me and the missus are strangers who get a room together and go for it all night. But I reckon she'll think I'm mad if I bring it up!

CRAIG Weston-super-Mare

First off, I'd just like to say that when I first read this letter, even I got a little excited! Good thinking, Batman! It seems you have a bit of a creative spark when it comes to sex, which is definitely a good thing. Right, I just asked my mate if I could say this... it sounds bad, but I'd suggest just getting her a bit drunk. Tell me how it went! On a more serious note, it's best to ease her into it. Maybe make her think it's a mad idea and that you're both crazy for thinking such a thing, but then tell her you're willing to give it a go. Mind games, fellas!

LETTER OF THE WEEK!

Am I pushing too hard?

What are your sex-toy tips? Whenever I use one on a girl, I always feel as though I'm thrusting them too hard, even though the girls seem to really like it.

MARTY Luton

If you're hurting her, I'm sure you'll be told! Once, I was... I mean, once I *heard* about someone who was being done from behind and their partner pushed too deep and she turned around and backslapped them in the face! It turned out to be the hottest thing they've done in bed so far. I'm not saying it's OK for you to slap girls around, by the way! I'm just saying that it's hard to go too hard!

Why won't she swallow?

I've been with my girlfriend a year and she still won't swallow. When we get to that point, she makes me go to the bathroom and relieve myself. What do you think?

TOBES Brighton

Gross! Ha, sorry. Umm... make sure you stay clean and drink lots of pineapple juice. Or is it an old wives' tale that it makes your come taste better? Play with come in general. When fingering her, use her wetness to write something on her. She just needs to get used to the idea that it's not gross!

Sophie & Holly!

Two of *Nuts*' naughtiest babes go boob-to-boob!

Sophie

Holly

Hello Sophie and Holly! If we went on a night out with you two what could we expect?

Sophie: There'd be no mucking about with lager. It'd be straight onto the hard liquor – brandy and dark rum!

Holly: And you'd have to do vodka shots with me as well. The bouncers would have to throw us out at 4am as we'd be the last ones in the club – then I'd use my skills to sniff out the best after-party!

Tell us about the last prank that you played?

S: My housemate and I watched *The Ring* together, which terrified her. When she went up to bed afterwards, I fiddled with the circuit board and turned the electricity off. She absolutely freaked out! I'm amazed she's still living with me!

H: My mum had some red hair dye, which I spilt in the shower and it looked just like blood. I started screaming and so my mum ran in and started hauling my naked body out of the bath. When I started laughing she was so angry. But only about me wasting all her hair dye!

Can you tell us something about you that might surprise the readers?

H: I used to really fancy the young Harry Potter in the first few movies. I still go for the geek chic look now on boys.

S: I hate it when guys take photos of their c*ck and send them to me! Men take note: it just makes your c*ck look weird and I'll show the photo to all my mates and you might not like the reaction!

Have your boobs ever got you in trouble?

S: I was trying to buy booze in Tesco and I got asked for ID. I just got a copy of *Nuts* off the shelf and told the bloke that I couldn't do topless modelling unless I was 18. It worked and I got the booze!

H: I've done that, too, when I was buying a pack of ciggies for my dad at a motorway service station! Having *Nuts* around is actually more handy than I ever knew!

Thanks for the chat, girls. Finally, what do you think of the footy season so far?

S: I'm a Liverpool fan and it's funny that we paid so much for Carroll and he's been mooning around, not running very fast, and yet we paid so much less for Suarez and he's just destroying everything!

H: I'm a Man City fan, like my dad, so I've got no complaints so far, really. Though of course, it was pretty annoying that on the day we score five away from home bloody United had to score eight!

Vs the *Nuts* Question Bucket!

Sell:

The UK's top rapper on going to the dentist, mice and groupies!

Copy:

THE RULES are simple. We fill our bucket full of ridiculous questions, then a celebrity picks them out at random and must answer whatever they get. This week, the rather ace London rapper!

Do you want to be buried or cremated?
Buried, I think. You know what – maybe half buried and half cremated! I'll have my legs buried and my head cremated!

Can you make up a song about *Nuts* right now?
I think I'll have to talk to my record label about that. I might get in trouble otherwise.

What happened the last time you went to the dentist?
Ah... he ripped me out. [Puts fingers in mouth.] One, two, three, gone! Rest in peace, man. Rest in peace.

When was the last time you noticed your flies were undone in public?
I never notice stuff like that. I've got someone who checks for me. Actually, yesterday. I was on stage and I didn't want to make it obvious so I kind of kept on moving.

Who would you like to play you in the Hollywood version of your life?
I think it'd have to be someone who doesn't exist right now. Maybe a cross between Will Smith and Chris Tucker... and Jackie Chan because of my early days, so they get the whole story.

Would you rather have a talking goldfish or a trained cat who could do all the hoovering?
Seeing as I'm a Pisces, I feel I'm a talking goldfish. So probably a trained cat who could do all the hoovering. I'm not really one for animals, man. I've got mice... do they count? They're trained to clean up.

What did you want to be when you grew up?
Human! That was the first thing on the checklist. Other than that, a footballer. Not just any footballer. I wanted to be Ian Wright. He got Shaun Wright-Phillips. I got a microphone.

Have you slept with a fan?
Er... it depends on what we're defining as a fan. Someone who doesn't buy the music but just listens to it technically isn't a fan. They just like my music and just happen to be at the show. It's a technical one but I'd say no, I haven't... with a fan.

What have you got in your pockets right now?
Two phones. One works, one doesn't. I'll just prove it. [Gets phone out.] This one's really cool because it's got my name on it. Now if I lose my phone they're going to know it's mine. It seemed cool at the time. In this [pats other pocket], I've got my wallet and about £20 worth of notes.

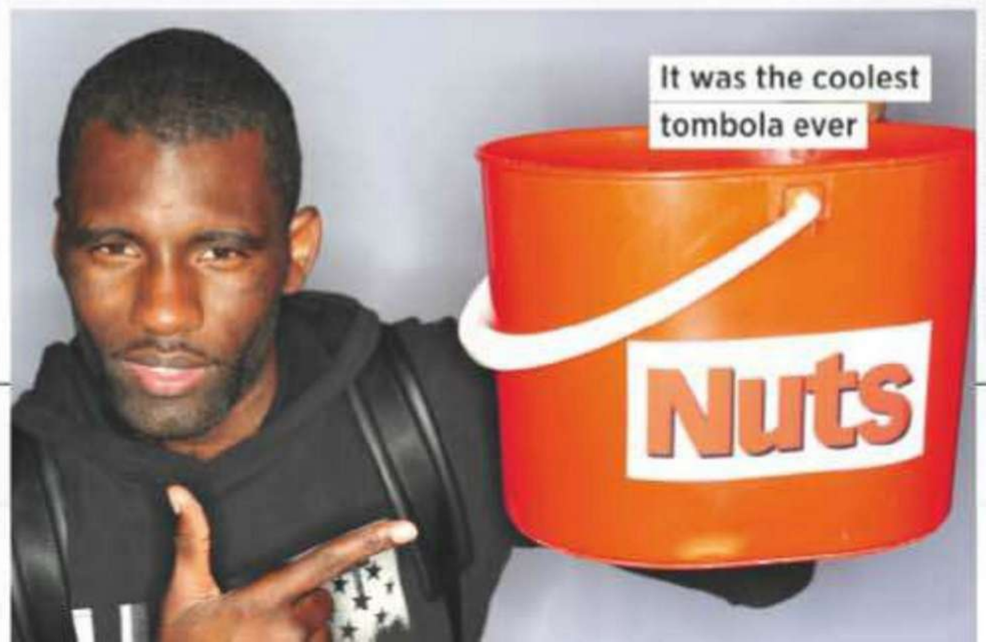

Would you rather have the body of a human and brain of a monkey or a monkey body and a human brain?
I think I've got a monkey body and a human brain, so probably the other one. It's probably cool to have a monkey brain. They're really cool animals, man. They know what they're after in life.

What's the most embarrassing record in your collection?
I don't really have any embarrassing records! I'm proud of everything I download. If I had to say anything, my own songs. I only downloaded them to check they're working.

Does your mum think you should get a proper job?
Ha! Um, no. My other job wasn't proper so she said I should get a proper job and this is the one I got!

Spell "Mississippi".
M-I-S-S-I-S-S-I-P-P-I. That's what I'm saying. Proper job? Come on!

CLEAR IDIOCY 2!
"OK, Bob, we have to get it right this time. Is this street wide enough to fit in the whole word?" "Yep! Hic!"

TRUCKING IDIOT!
It's not the dodgy spelling that intrigues us, it's the fact that there might be some flashing going down!

SUS-TUPID!
What's a "sus stop"? Somewhere for women in suspenders to hang out? That would be quite cool!

STOP THAT!
What is it with road-based bus stop workmen? Evidently, it's that they can't spell for toffee.

H IS FOR HIDIOT!
There's only one "H" in Southampton. Unless you live here, in which case you're special. ✖

WRONG AGAIN!

HUMAN TORCH

"Iraqis turned me into a human torch"

In 2005, Private Karl Hinett suffered 37 per cent burns after being attacked by Iraqi insurgents in Basra. This year, he's attempting to run 52 marathons to raise money for the burns unit that treated him.

This is his story...

Fire engulfed Karl Hinett's tank almost instantly

THE DAY KARL CAUGHT FIRE...

Karl, serving as a private in the Staffordshire Regiment, was just 18 years old at the time of the attack.

i Karl. What do you remember about the day you nearly died?
Our mission was to release two soldiers who were being held in a Basra police station, but there was an angry mob of 500 waiting for us. They were throwing rocks and one shattered the sights of our tanks. We opened the hatches up so we could see – that proved to be a mistake.

Then what happened?
The next moment, what felt like a bucket of water was drenched over me. I only realised a petrol bomb had dropped into the tank when I caught a whiff of the harsh smell. It took barely a split second, but the whole inside of the tank ignited.

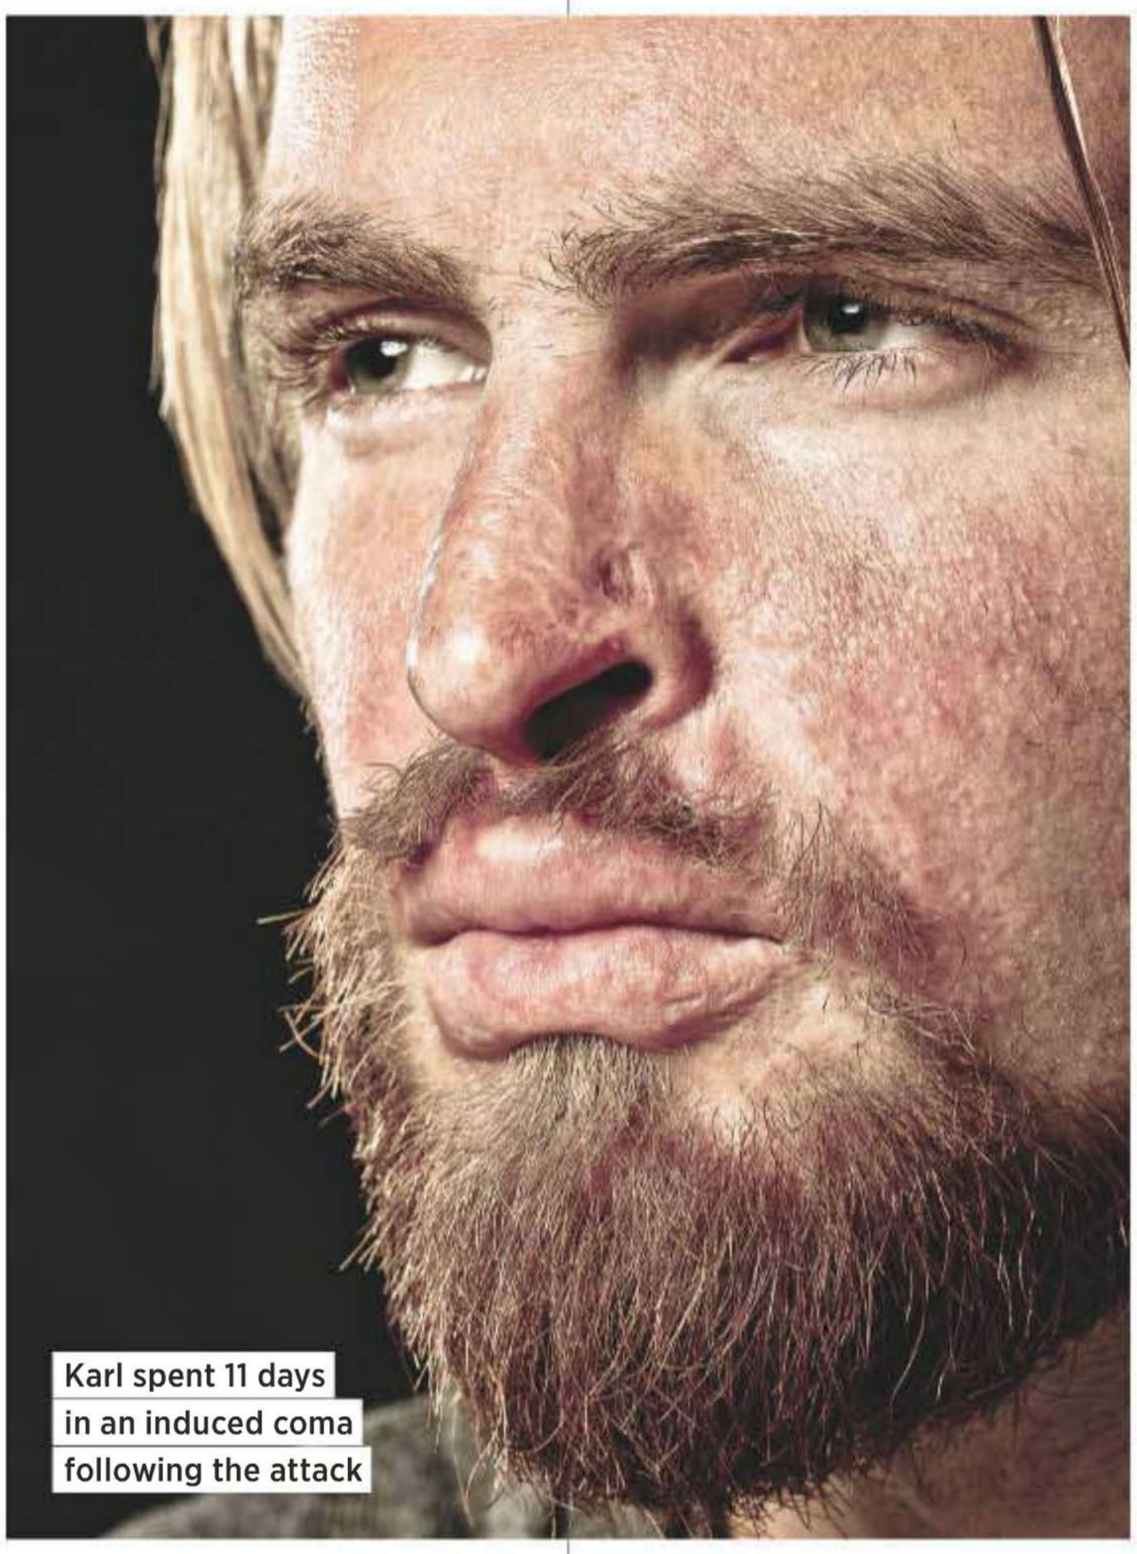

How did you get out?
Panic set in and I was frozen by this horrific pain. My commander in the seat next to me, who was also on fire, saved my life by telling me to keep calm. I gripped the burning metal and hauled myself out, but because all the communication kit in my headgear was still wired to the tank, I was dragged back down into the flames. I thought, "That's it. I'll sit here and hope the end comes soon." But with a final effort, the cords attached to my helmet snapped and I was able to roll out of the tank onto the ground.

How lucky were you to survive?
My family was told I had an extremely low chance of survival because of fluid loss and exposure to disease because I'd lost so much skin. In the small confines of a Warrior turret, the heat's magnified – it's like being in an oven. The doctors said I was lucky I was so lean – the body practically cooks when it's on fire, so any more fat would have fed the heat.

What happened when you came round?
I'd been placed in an induced coma for 11 days because of the pain and to keep me still. When I woke up back in Birmingham, my whole body was bandaged – every limb, right down to my fingers, was in a splint to hold it in shape. There was no, "Sh*t , where am I?" moment when I woke up. The realisation of what happened was instant.

What was the hardest part of your recovery?
Because I had to place my hands on the scorching metal to escape, the scar tissue fused my hands into a grabbing motion permanently – that took years of physio to help correct. I was constantly tearing new wounds. Every bandage change on your wounds also tears more skin off. Whenever I bunched my knees up, the underside of my thighs would fuse to my calves. I also remember the moment when I first studied my hands – the skin was charred black with weeping scabs all along the length of my arm.

Tell us a bit about your rehab.
Starting to move again was the most awful pain – beyond description. The physios just said to me, "Do this now or it'll be worse later." I've had about 15 operations and spent over 100 hours under the knife, with skin grafts on my nose, cheek and hairline, plus my legs and thighs. My mouth completely closed up and that needed reopening. I even had a line where my hot metal helmet had scored my skin.

Karl spent 11 days in an induced coma following the attack

Yet six years on, you're running 52 marathons this year?
I wanted to give something back to all the doctors and nurses who helped me. I've run races all over the UK, then Tokyo, Amsterdam, Cape Town – where the race was 35 miles long – Reykjavik and several when I backpacked across America. I've run over 30 this year, starting at midnight on New Year's Eve in Switzerland, and number 52 will be on 31 December.

What's your preparation for each race?
I just grab my kitbag, my passport and go. I don't have a physio or a team. I'm only on my second pair of trainers. They're so worn down there's no padding left, just a sole!

Running all those marathons must take its toll on your body. How bad has it got on the road?
There are times when your feet are red raw and your armpits are bleeding from days and days of chafing. I do a bit of on-the-road maintenance – any toenails that are hanging on have to come off. I've learned to deal with any pain now. If I have to, I'll walk each one. Even if they've cleared the route and the cones have been put away, I'll crawl to get there.

Do you feel any anger about what happened to you in Iraq?
I feel no rage, no anger or anxiety. My only bitterness was that I suffered burns, not something a bit cooler like a gunshot wound!

- Karl's raising money for The Queen Elizabeth Hospital Charity, who hope to build a new £3m "Home For The Brave" – a non-medical centre for injured soldiers. To donate to Karl, please visit justgiving.com/karl-hinett

Karl's 52 marathons

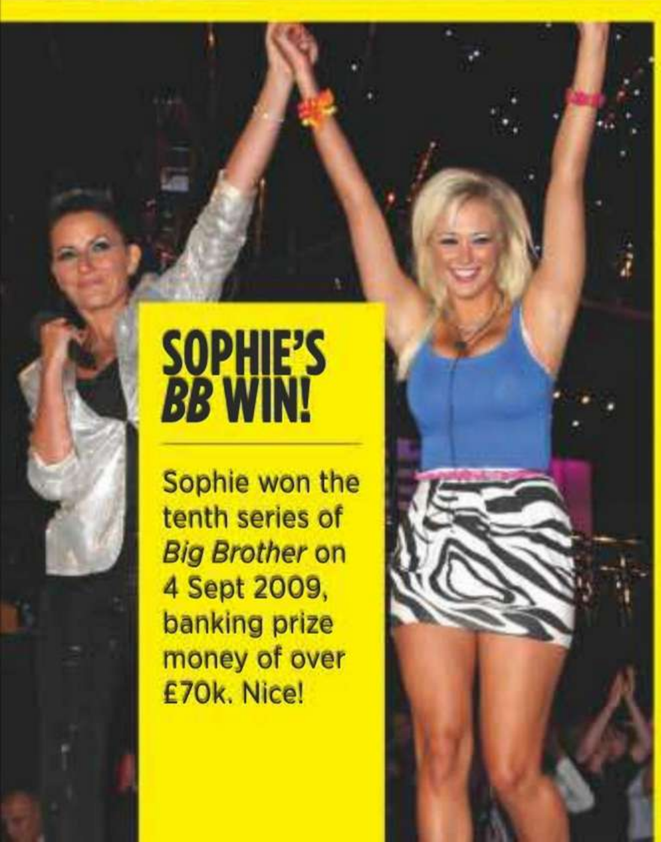

- **By the end of the year, Karl will have run a total of 1,363 miles.**
- Karl took part in the "Tronium Picnic" at Box Hill – reputedly the UK's hardest marathon.
- **His best time is three hours 22 minutes.**
- Karl hopes to join the "100 Marathon Club" sometime in 2012.

SOPHIE READE PRESENTS...

BB babes topless!

Big Brother's back, and so are Sophie's boobs! Hallelujah!

SOPHIE'S *BB* WIN!

Sophie won the tenth series of *Big Brother* on 4 Sept 2009, banking prize money of over £70k. Nice!

BIG BROTHER BABES

"I wanted to go topless in the hotel but I had to keep my bikini on!"

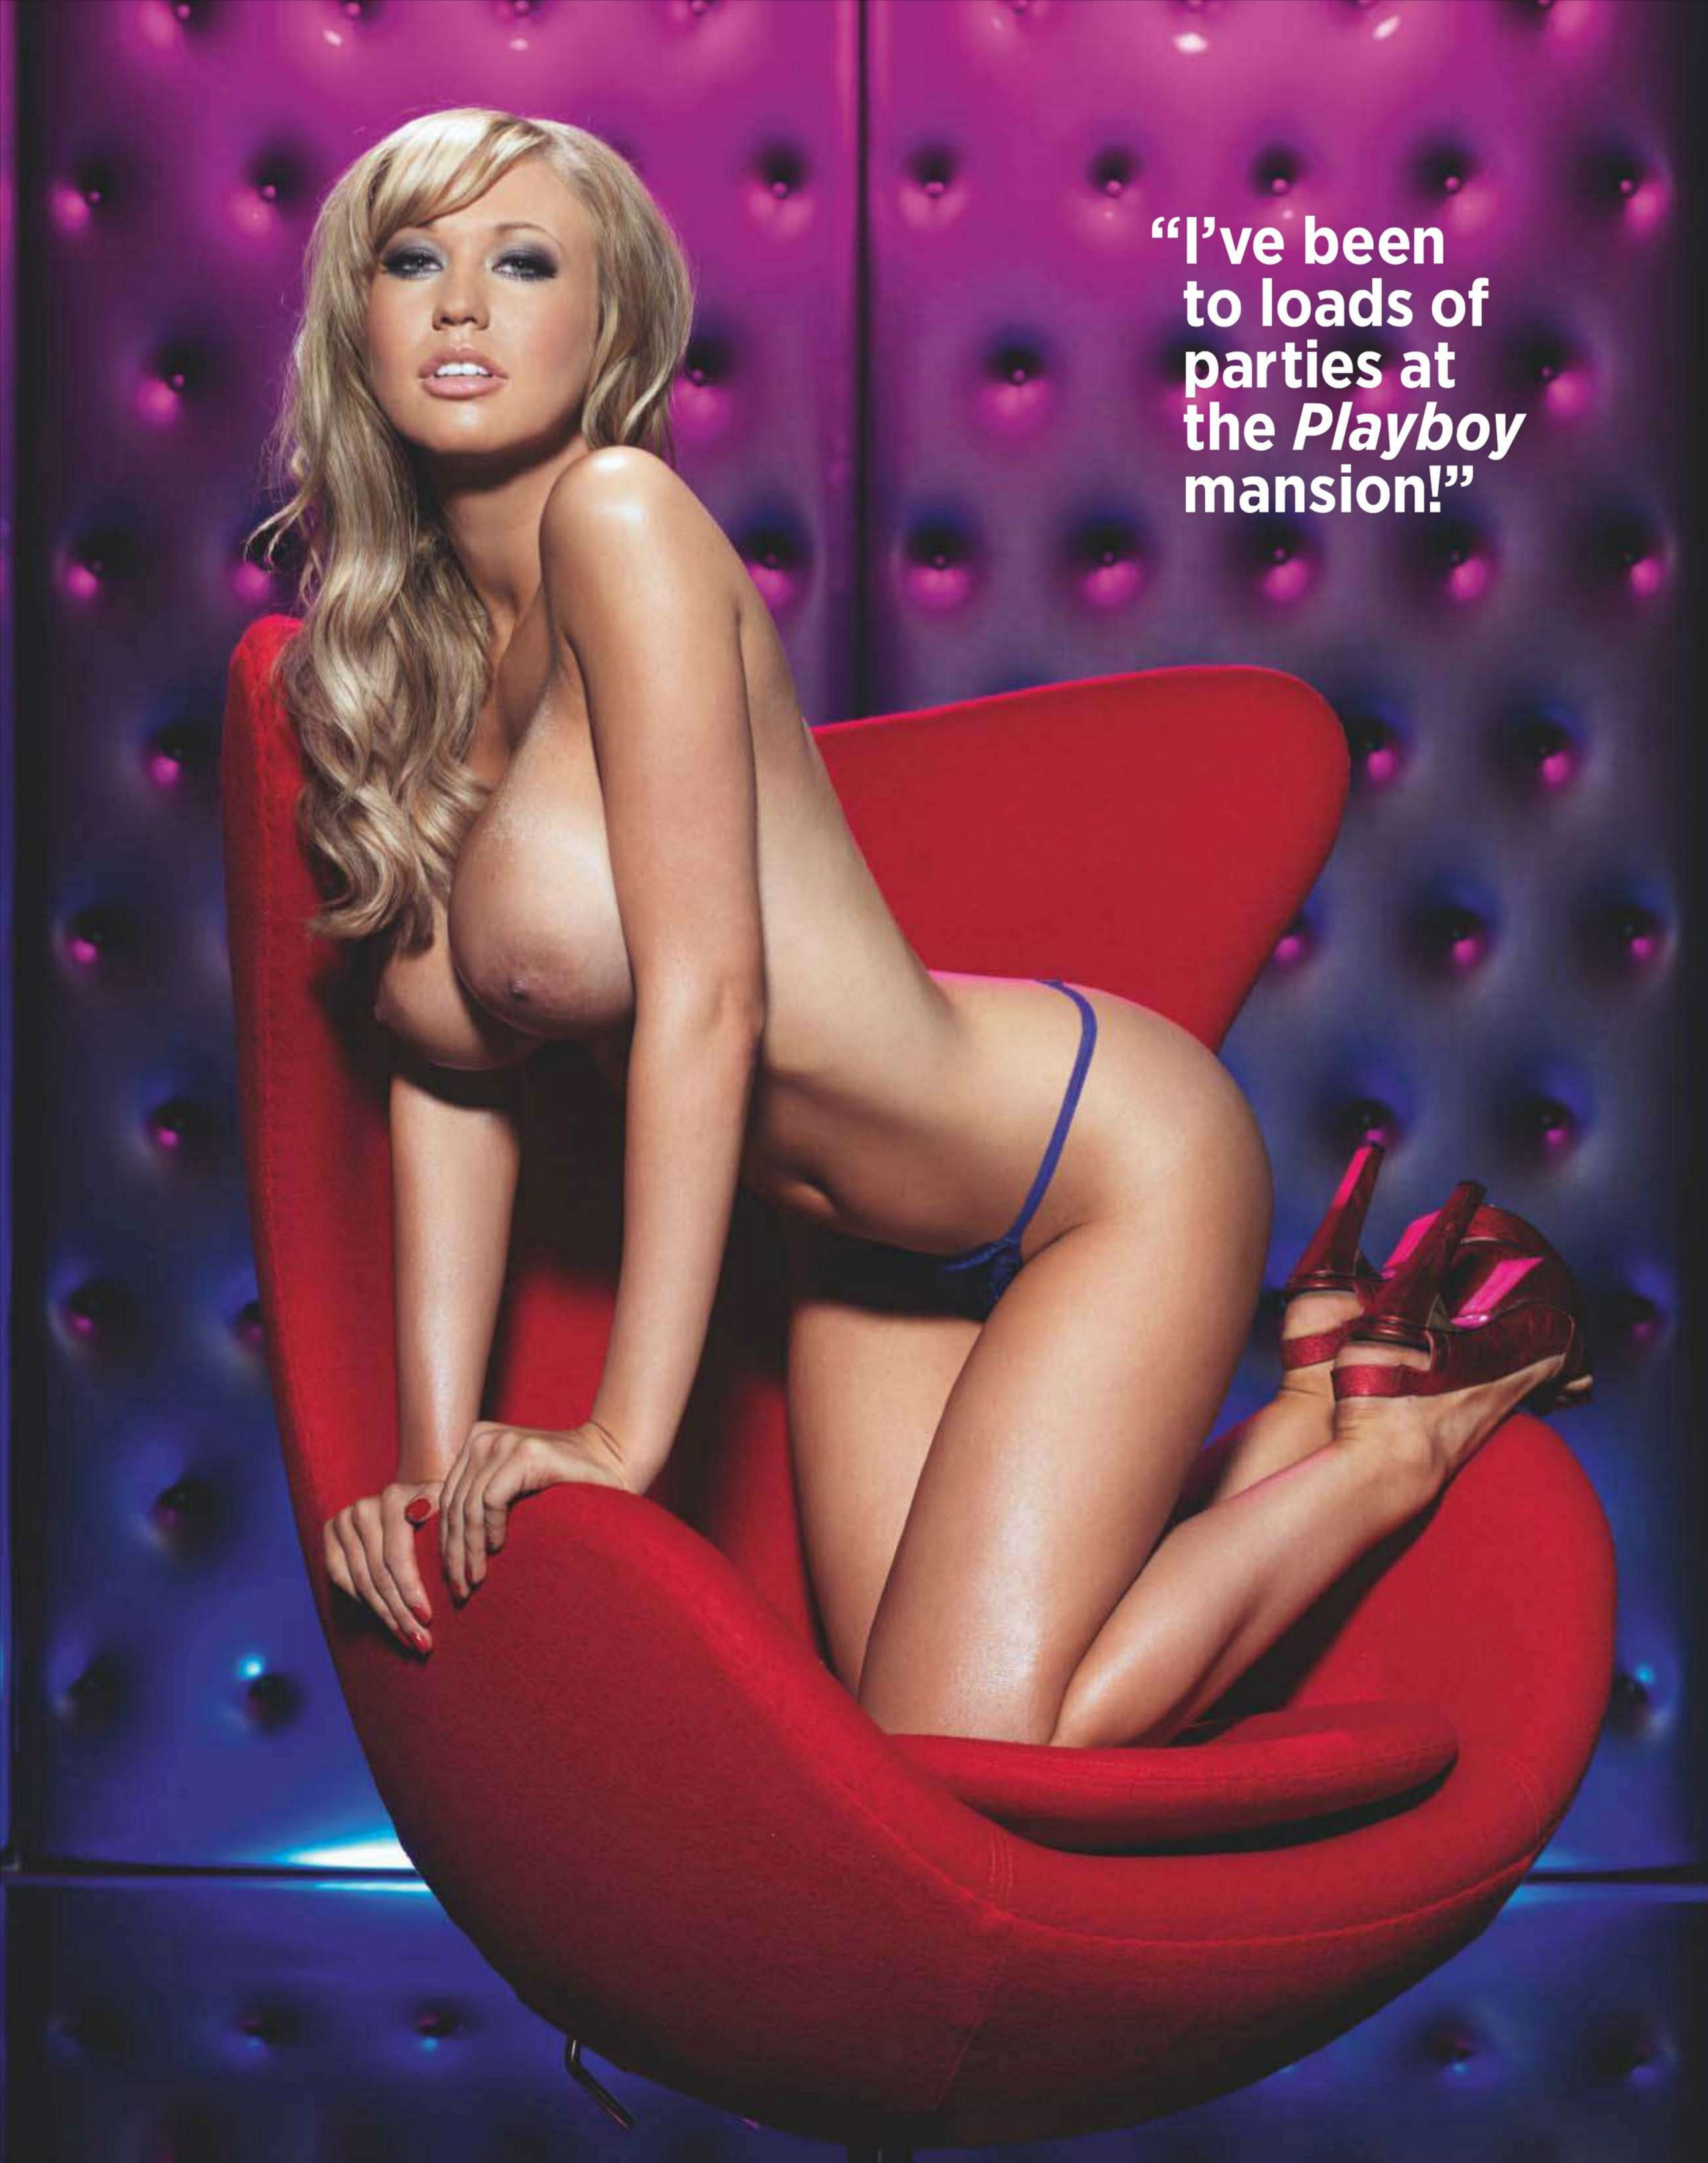

WE ALWAYS like to think we're on the cutting edge of current affairs here at *Nuts*. True, we may not be the most politically aware or socially conscious, but if there's a telly show with a gorgeous lady on it, we'll try to make sure she appears in these very pages in a serious state of undress, and that's just as important as whatever else is going on in the world, right? So, when we heard *Big Brother* was back, we got the queen of reality TV, Sophie Reade, to select her fave *BB* topless babes from down the years. There's no need to thank us, just sit back and enjoy!

Hi Sophie! How's it going?
Hello! I'm well, thanks. I've been tearing it up in LA since I last saw you lot. I've been to loads of parties at the *Playboy* mansion!

Would you marry Hugh Hefner? We hear there's a vacancy at the moment...
Oh yeah, 'cos that girl's not marrying him any more! Well, I reckon there's a good chance I'll be Hugh's next wife. He'd love a British one!

Amazing! When you're in LA, do you get recognised as a *Big Brother* babe?
I do, actually! I was out at a nightclub one night, and as I was leaving, this Irish guy was like, "You're Sophie from *Big Brother*!" I never thought I'd get recognised out there.

Do you think the Yanks would be mesmerised by your bombastic boobies?
Probably! They're a little more prudish over there, aren't they? Last time I was in a hotel there I wanted to go topless, but I had to keep my bikini on. ▶

“I’ve been to loads of parties at the *Playboy* mansion!”

Do you like the latest series of *Celebrity Big Brother*?
I love it! I like Tara Reid – she's a babe. I don't like Darryn Lyons though. His abs are grotesque!

If a bloke were to sport Darryn Lyons-style false abs, would you not be the slightest bit turned on?
Abs on a guy are a turn-on, but they just look a bit bizarre on him.

Was it weird seeing your ex Lucien Laviscount in the *Celeb BB* house?
Yeah, it was a bit freaky seeing him in there but he came across really well.

We also have *The X Factor* in full swing. Are you into that, or a loyal *Big Brother* babe?
There's room for both! I love Tulisa – she's really good-looking. They've got a really good-looking panel now, except for Louis Walsh!

Who'd win In a brutal Irish brawl between him and Brian Dowling?
Oh, I'd have to go for Brian Dowling. He's feisty and I reckon he could give Louis a good bitch-slapping. He might quite enjoy it, though!

Who would be your ideal celebrity housemate?
Johnny Knoxville or one of the others from *Jackass*.

What about the worst person you could possibly live with?
Darryn Lyons. I'd hate it if I was in there with him – he'd drive me mad!

Where's the most public place you've been rude?
At V Festival in a tent! I mostly like doing stuff outdoors – and if you can get caught, it just adds to the excitement!

- *Big Brother* starts on Channel 5 this Friday at 9.30pm

"Tulisa from *The X Factor*'s really good-looking!"

BIG BROTHER BABES

JENNIFER CLARK BB9
Memorable moment: Going mad when housemate Rex Newmark smeared pizza over a painting she'd done.
Sophie's verdict: "Jennifer was playing people against each other in the house. I think she liked the attention!"

IMOGEN THOMAS! BB7
Memorable moment: Well, there have since been rumours about her being a big football fan. Anyway, moving on...
Sophie's verdict: "I love Imogen! Some people have a bad perception of her but she's single, and it takes two..."

ORLAITH MCALLISTER BB6
Memorable moment: The Irish hottie was no stranger to the odd three-way kiss with Makosi and Anthony!
Sophie's verdict: "This was my favourite season, and that's partly thanks to Orlaith and her frequent romps!"

RACHAEL WHITE BB11

Memorable moment: Giving Aussie John James a massage, which led to a good old-fashioned row.
Sophie's verdict: "She looked so much like Beyoncé. John James was bitchy to her, but I think he fancied her!"

CORIN FORSHAW BB11

Memorable moment: Dancing around the living room after housemate JJ agreed to sleep with her. Crikey!
Sophie's verdict: "I loved Corin so much! She's another big-boobed beauty, but she was lovely and dippy, too!"

NOIRIN KELLY BB10

Memorable moment: Allowing Brazilian housemate Rodrigo to draw a moustache and glasses on her face!
Sophie's verdict: "Two words spring to mind when I think of Noirin, and they're 'man' and 'eater'! She was fit!" ▶

SARA FOLINO BB9
Memorable moment: Teasing some idiot called Darnell, until he snapped and said some nasty things!
Sophie's verdict: "I didn't remember her at first, but now I recall that she was the Angelina Jolie lookalike!"

SASKIA HOWARD-CLARKE BB6
Memorable Moment: Getting all loved up in the house, forming a relationship with Cockney clown Maxwell Ward.
Sophie's verdict: "Saskia's boobs were as big as my head, so she won't be easy to forget. And they're real, too!"

CHANELLE HAYES BB8
Memorable moment: Rumours spread that Chanelle and in-house boyfriend Ziggy enjoyed some rudery!
Sophie's verdict: "She was such a good housemate! She'll be remembered for being good-looking, like Posh Spice."

BIG BROTHER BABES

AMY ALEXANDRA BB8
Memorable moment: There were plenty of steamy romps with randy housemate Liam McGough.
Sophie's verdict: "I seem to recall Amy being something of a naughty minx in the house. She was sexy enough!"

KARLY ASHWORTH BB10
Memorable moment: Teasing fellow housemates by pretending she was a lesbian porn star!
Sophie's verdict: "Hmm, I don't really speak to her any more. I got on well with her when I was in there, though!"

AISLEYNE HORGAN-WALLACE BB7
Memorable moment: Snogging Nikki Grahame during a game of spin the bottle. It doesn't get better than that!
Sophie's verdict: "Aisleyne was a feisty one, and a bit scary, too! She had a bit of a gangsta vibe going on!" ✖

BIG BROTHER
FRIDAY • Channel 5, 9.30pm
The new batch arrive!

Crimewatch's new look needed a rethink

Friday 9 September

"You can't see where the red balloon's gone!"

Big Brother

CHANNEL 5 • 9.30PM

After a lacklustre first attempt at *Celebrity Big Brother*, here's Channel 5's take on the regular version starring Joe Public. We're hoping and praying they pop some stunners in, along the lines of Imogen Thomas and this week's cover girl Sophie Reade (hottest *BB* contestant ever? We think so). Bring on the line-up.

★★★★★

"Beats me how she can sleep with the lights on"

Coma Girl

CHANNEL 4/HD • 10.30PM

Comedy showcases are a cracking way of testing the water for new shows. *Pete vs Life* and *PhoneShop* are examples, but while the former was ace, the other wasn't so great. Sadly, that applies to this. It's about a group of girl friends visiting their comatose mate. It made us laugh, but it's probably one for the ladies, really.

★★★

Prince Harry asked for his costume back

Comedy Lab: Totally Tom

E4/HD • 11PM

Two blokes called Tom take on an array of characters in this excellent sketch show. There's no doubt it's weird, but it's also really funny. Look out for an incredibly offensive teen-drama spoof called *Hitler Youth*. You've got to see it to believe it!

★★★★

GAG OF THE WEEK!

NEW SERIES: WOULD I LIE TO YOU?

BBC1 • 9.30PM

Rob Brydon: "This is the sweatshirt my wife and I put on to cozy up." Jack Whitehall: "Why get it in orange?" Brydon: "We wanted that Guantanamo feel."

Saturday 10 September

Argentina vs England

ITV1/HD • 9AM

Ace! It's England's first match of the eggball World Cup! Martin Johnson's bruisers won the Six Nations earlier in the year, and they reached the World Cup final four years ago, so we're optimistic. A comfortable victory for starters then, please, lads. Thanks.

★★★★

Bolton vs Man United

ESPN/HD • 4.45PM

The season's young, but already the gap between the Premier League's haves and have-nots is looking huge. Even so, Bolton have some handy players despite their poor start, so watch this in the hope of a little shock. Er, unless you're a United fan.

★★★★★

Rhod Gilbert Live

CHANNEL 4 • 10.40PM

Rhod Gilbert is a very funny Welshman who has the ability to get extremely angry about completely inconsequential things and turn them into comedy gold. In this stand-up filmed live at London's Hammersmith Apollo, he unleashes his stream of bitterness on topics including a cat that looks like Nicholas Lyndhurst.

★★★★★

ONE WITH THE MISSUS!

STRICTLY COME DANCING

BBC1 • 6.10PM

Fancy watching a load of random celebs prance around in glittery clobber? Course you don't. But on the bright side, Holly Valance is rumoured to be a contestant.

Sunday 11 September

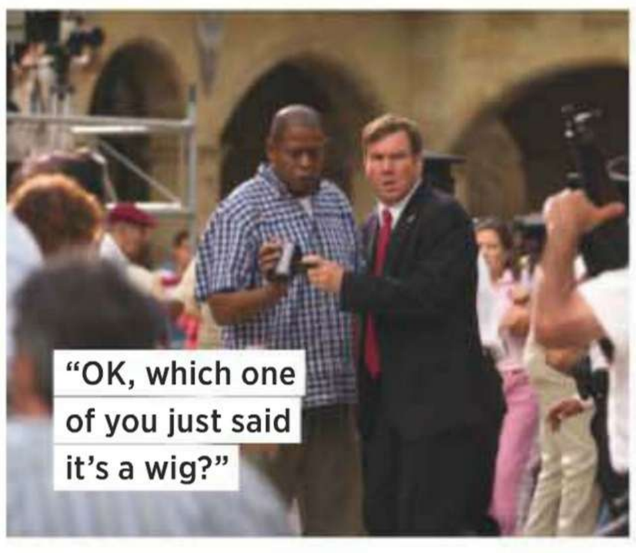

Italian Grand Prix

BBC1/HD • 12.10PM

There are still seven races to go in the season, including today's dose of gas-guzzling in Monza, but the chances of one of Lewis Hamilton or Jenson Button taking the title look forlorn. Sebastian Vettel's seen to that with seven wins in 12 races. Still, at least we can watch without the pressure of needing one of the Brits to win.

★★★★

Vantage Point

CHANNEL 5/HD • 8.05PM

Very entertaining conspiracy thriller, although you'll have to make sure you have your noggin screwed on to follow it. An attempt's made on the life of the US President, and the incident's then replayed from the perspective of six witnesses, who each know something none of the others do. Intriguing stuff.

★★★★

Strike Back: Project Dawn

SKY1/HD • 9PM

Damien Scott's tasked with bypassing a security system as the quest to thwart a pesky terrorist organisation continues. Good job he's got a photographic memory to help him, eh? Shame it's not enough to complete the task, though. D'oh!

★★★

ABUSE ALERT!!!

SIRENS

BBC1 • 11.25PM

Monday 12 September

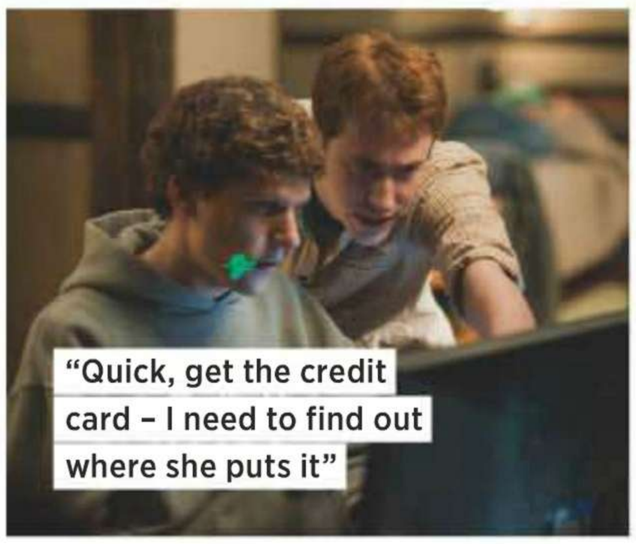

QPR vs Newcastle

SKY SPORTS 1/HD • 7PM

The most likely to stay up of the promoted teams entertain the Geordies. The match will have added frisson thanks to the presence in the QPR side of one Joseph Barton, who'll be lining up against the team he left in controversial circumstances.

★★★★

The Social Network

SKY MOVIES PREMIERE/HD • 8PM

Facebook! Where would we be without it? Probably out in the real world having actual conversations in pubs, that's where. Anyway, this is the ace film version of the tale of Mark Zuckerberg, the man who got us all poking and hitting the "Like" button.

★★★★

Shooting Stars

BBC2/HD • 10PM

It's another episode of the bonkers quick show! Hooray! It's also the last in the series! Boo! Jack Dee's guests include Stone Roses bassist Gary "Mani" Mounfield, while Ulrika's include *The Fast Show*'s Charlie Higson and East End geezer Micky Flanagan. You're guaranteed laughs with the mad-haired Cockney around!

Dortmund vs Arsenal

SKY SPORTS 4/HD • 7PM

Arsenal's season so far has been a disaster, so they'll be looking for some respite in the Champions League. And yet, of all the English teams, they have the most difficult group to negotiate. D'oh! It's Chelsea vs Bayer Leverkusen on Sky Sports 2.

★★★★★

CSI: Miami

CHANNEL 5/HD • 9PM

You know how it is – you're casually attempting to stop someone jumping from a bridge while out fishing when suddenly, a hail of bullets hit your boat. That's what happens to a Good Samaritan here, anyway, who has no idea why he was targeted. Oh, and the would-be jumper claims he wasn't suicidal either. Welcome to Miami.

★★★

True Blood

CHANNEL 4/HD • 11.05PM

Series three of the best vampire-based comedy drama ever lands on Channel 4, pretty much a year after it went out Stateside. So, if you've not already caught it on FX, here it is! Bill the vamp has gone awol, so Sookie enlists Eric's help to track him down. It's worth noting there's plenty of nudity throughout this series. Nice.

★★★★★

FREAK OF THE WEEK!

MY STRANGE ADDICTION

DISCOVERY REAL TIME • 10PM

A woman who eats detergent. She'll die horribly but have a lovely finish. Ha-ha!

Wednesday 14 September

Benfica vs Man United

ITV1/HD • 7.30PM

Man United always seem to end up in a Champions League group that the *Nuts* five-a-side team could negotiate. Portugal's Benfica will provide their stiffest opposition, but United will still expect to beat them tonight. Man City face Napoli on Sky Sports 2.

★★★★★

Planet Dinosaur: Lost World

BBC1/HD • 8.30PM

Dinosaurs! Yay! Here at *Nuts*, we love those creatures that once walked the Earth but now do not. This series uses CGI to recreate the prehistoric world, and reveals new and pleasantly bloody secrets about the beasts that ruled the roost 95 million years ago.

★★★★★

Sons Of Anarchy

5USA • 10PM

The Sons are still in Ireland, and they'd do well to search for some leprechauns – after all, Jax and co can do with all the help they can get. There's double-crossing galore to the point it's hard to keep track of who's screwing over who. We do know Jax has promised Agent Stahl Jimmy O's head on a plate, though...

★★★★

DAREDEVIL

BBC3 • 9PM

We see the reflection of burning DD in Joe Pantoliano's glasses. Clearly, it's not a reflection though, otherwise the DD would be back to front!

Thursday 15 September

The Killing

CHANNEL 4/HD • 9PM

The series ends with a double-bill, but we're sorry to report it might not be the conclusion you were hoping for. Sarah and Holder get a strong lead when they find footage of Rosie withdrawing money from a cashpoint at a casino. And it seems the elusive Orpheus' identity is revealed. Did he really kill Rosie Larson?

★★★★

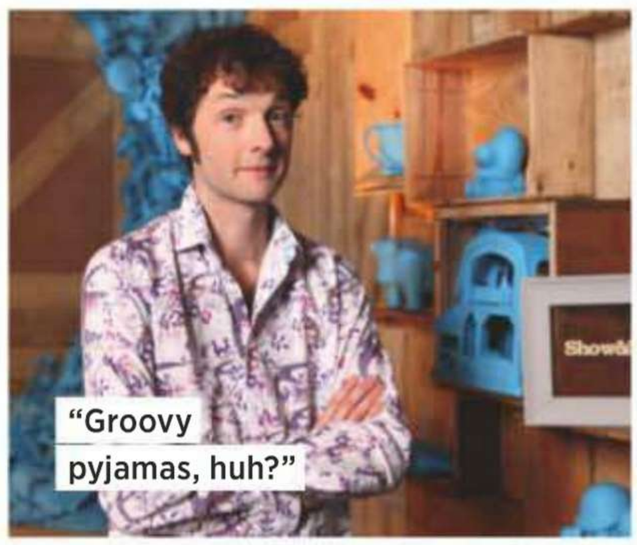

Young Soldiers

BBC3 • 9PM

Compelling docu following the lives of a group of new recruits and their families over 18 months – from day one to the front line in Afghanistan – asking what motivates someone to enrol. It's a fascinating look at how family are affected, what the training involves, and what the recruits make of their new lives.

★★★★

Show And Tell

E4 • 10.35PM

New stand-up show hosted by Chris Addison (who does a *very* funny Princess Diana skit) which sees him joined by three newbie comedians who each bring something to show and tell us about it (hence the title). The audience bring their own comedy items, too. The first comic's story about his unlucky pants is class!

TROLL HUNTER

9 September • 15

It's *The Blair Witch Project* meets *Monsters* in this "shaky cam" horror comedy from Norway. When a group of student filmmakers investigating a series of bear killings uncover a government plot to keep a bunch of mythical beasts under wraps, they join up with a bear poacher turned troll hunter and film a series of mental battles. Gruesomely funny, it's a jaw-dropper! ★★★★

They've brought the original cast back to do one last heist in Rio. The Rock stars as a federal Agent trying to take down the crew. DEAD ISLAND

PS3, Xbox 360

Great new title launch sees you fighting off an unexpected plague of the undead on the tropical island of Banoi. Mysteriously immune to the infection, you travel the island, helping survivors and figuring out what happened. The deep, unfolding story is superb, combat is solid and well judged and the concept rocks. Zombie game of the year. ★★★★

RESISTANCE 3

PS3

Sony's alien-shooting trilogy ends with probably the best of the bunch, as humans finally face off against the alien invasion by the evil Chimera. Developer Insomniac has had ages to figure out the horsepower of the PS3, so the visuals are just wonderful, while the game is characteristically gritty and challenging. Will keep you happy till *Modern Warfare 3*. ★★★★

TV presenter Richard Bacon on the things he couldn't possibly live without!

Gadget

"I'm on my third **iPAD**! I bought two originally. Don't ask me why, I just like wasting money! When Apple brings a new product out, it's a bit like you've travelled into the future."

Grooming

"I use Redken Rough Paste on my hair and **COWSHED** products in the shower. And I have a Groomsman – a piece of shaving kit that leaves consistent stubble on my face."

Song

"I thought Noel Gallagher's new single **THE DEATH OF YOU AND ME** was great. If I was in Beady Eye, I'd be feeling a bit sick."

Drink

"As '80s or *Mad Men* as this sounds, I'd probably say that **COCKTAILS** are my favourite drink. I like to go to New York just to go to their speakeasy-style bars and drink lavish cocktails."

Most extravagant purchase

LADIES CONFESS! TO OUR SECRETARY!

Racy revelations from our female readers!

CONFESSION OF THE WEEK!

‘I got him off in Amsterdam!’

ON A recent trip to Amsterdam, my boyfriend and I took a little trip to the red-light district. Surprisingly, seeing all the gorgeous girls made my bits start to tingle and I dragged him into the nearest sex shop to take a look at some of the toys. He pulled me into one of the porn booths and put some money in the slot to get a hardcore scene on. I had his erection out in seconds! I climbed aboard and we watched a dirty movie as we f**ked. I felt him come inside me and my body shook. Then we went for a post-shag drink to unwind!

Lisa Northampton

‘I came on the bus!’

I’d been catching the early bus to work for a year and I saw the same few faces at six each morning. There was one tall blond guy who I couldn’t stop thinking about. Every day, I wore something sexy and he’d smile and sit on the seat next to me or behind me. After two weeks, I was masturbating over him every night! One morning, I had the tiniest skirt on and we were stuck next to each other right on the back corner seat. We started flirting and he kept glancing down at my tanned thighs. I opened my legs a little and gave him a wink. He took the hint and gave my leg a little squeeze. I took his hand and moved it upwards. The bulge in his trousers was massive! I hadn’t worn any knickers and the look on his face as he touched my wet clit was priceless! He rubbed away as we stared into each other’s eyes and I soon came on his hand. I suddenly realised I’d missed my stop and had to race off. He didn’t follow and to this day, I’ve never seen him again!

Anon via email

‘I wore a sexy nurse outfit!’

As a student nurse, I think men believe our uniforms are really sexy but, in reality, they’re very formal so I bought a sexy Ann Summers version to wear for my boyfriend as a special treat. I sat waiting for him to get home from work on the sofa with my legs spread and he greeted me by grabbing my boobs (which were nearly falling out of my tiny top). He then pulled my knickers down making me beg for his hard-on, so I parted my legs and he started to screw me like crazy! The uniform made me feel ten times sexier. We both pushed into each other until I screamed with pleasure. I’ve ordered a policewoman’s uniform for next time!

Ladies, got a saucy secret you can’t keep to yourself? Send your sexy story to our Lou!

‘I had a sexy siesta!’

During a week-long trip to see my old school friend in Spain, I met her sexy older brother. He didn’t speak much English but his eyes couldn’t stop roaming across my tiny dress. One night, we went out and my mate got so drunk she had to go to bed early. He motioned for a cigarette so I went to his room to share a fag. He whispered in Spanish and suddenly kissed me. He soon had me pinned on the bed and we were pulling our clothes off. Horny as hell, I sucked his rock-hard manhood while he fingered me. He had a condom on in no time and we were going for it. But just as I was about to come, I bit down on his lip and drew blood! The poor guy had a blackened, swollen lip for the remainder of my stay!

10 RUDE QUESTIONS!

And a real girl to answer them!

Mercedes

19 **London**

1 Where's the strangest place you've had sex?
"In the cinema, on the back row, while everyone was obliviously enjoying their film! Obviously, we had to muffle our gasps!"

2 What's your naughtiest move?
"Being bossy! I love taking control, so sex always ends with me being on top! Get used to it, fellas!"

3 What really turns you on in a guy?
"It turns me on when a guy goes down on me. I love to watch him while he gets to work! I also love rough sex – a bit of hair-pulling always flicks my switch!"

4 What's your favourite position?
"I have a great bum, so I love it when a guy takes me from behind!"

5 Is it better to give or to receive?
"It's always better to give. Everyone wants to be remembered, right? Well, they'll never forget me!"

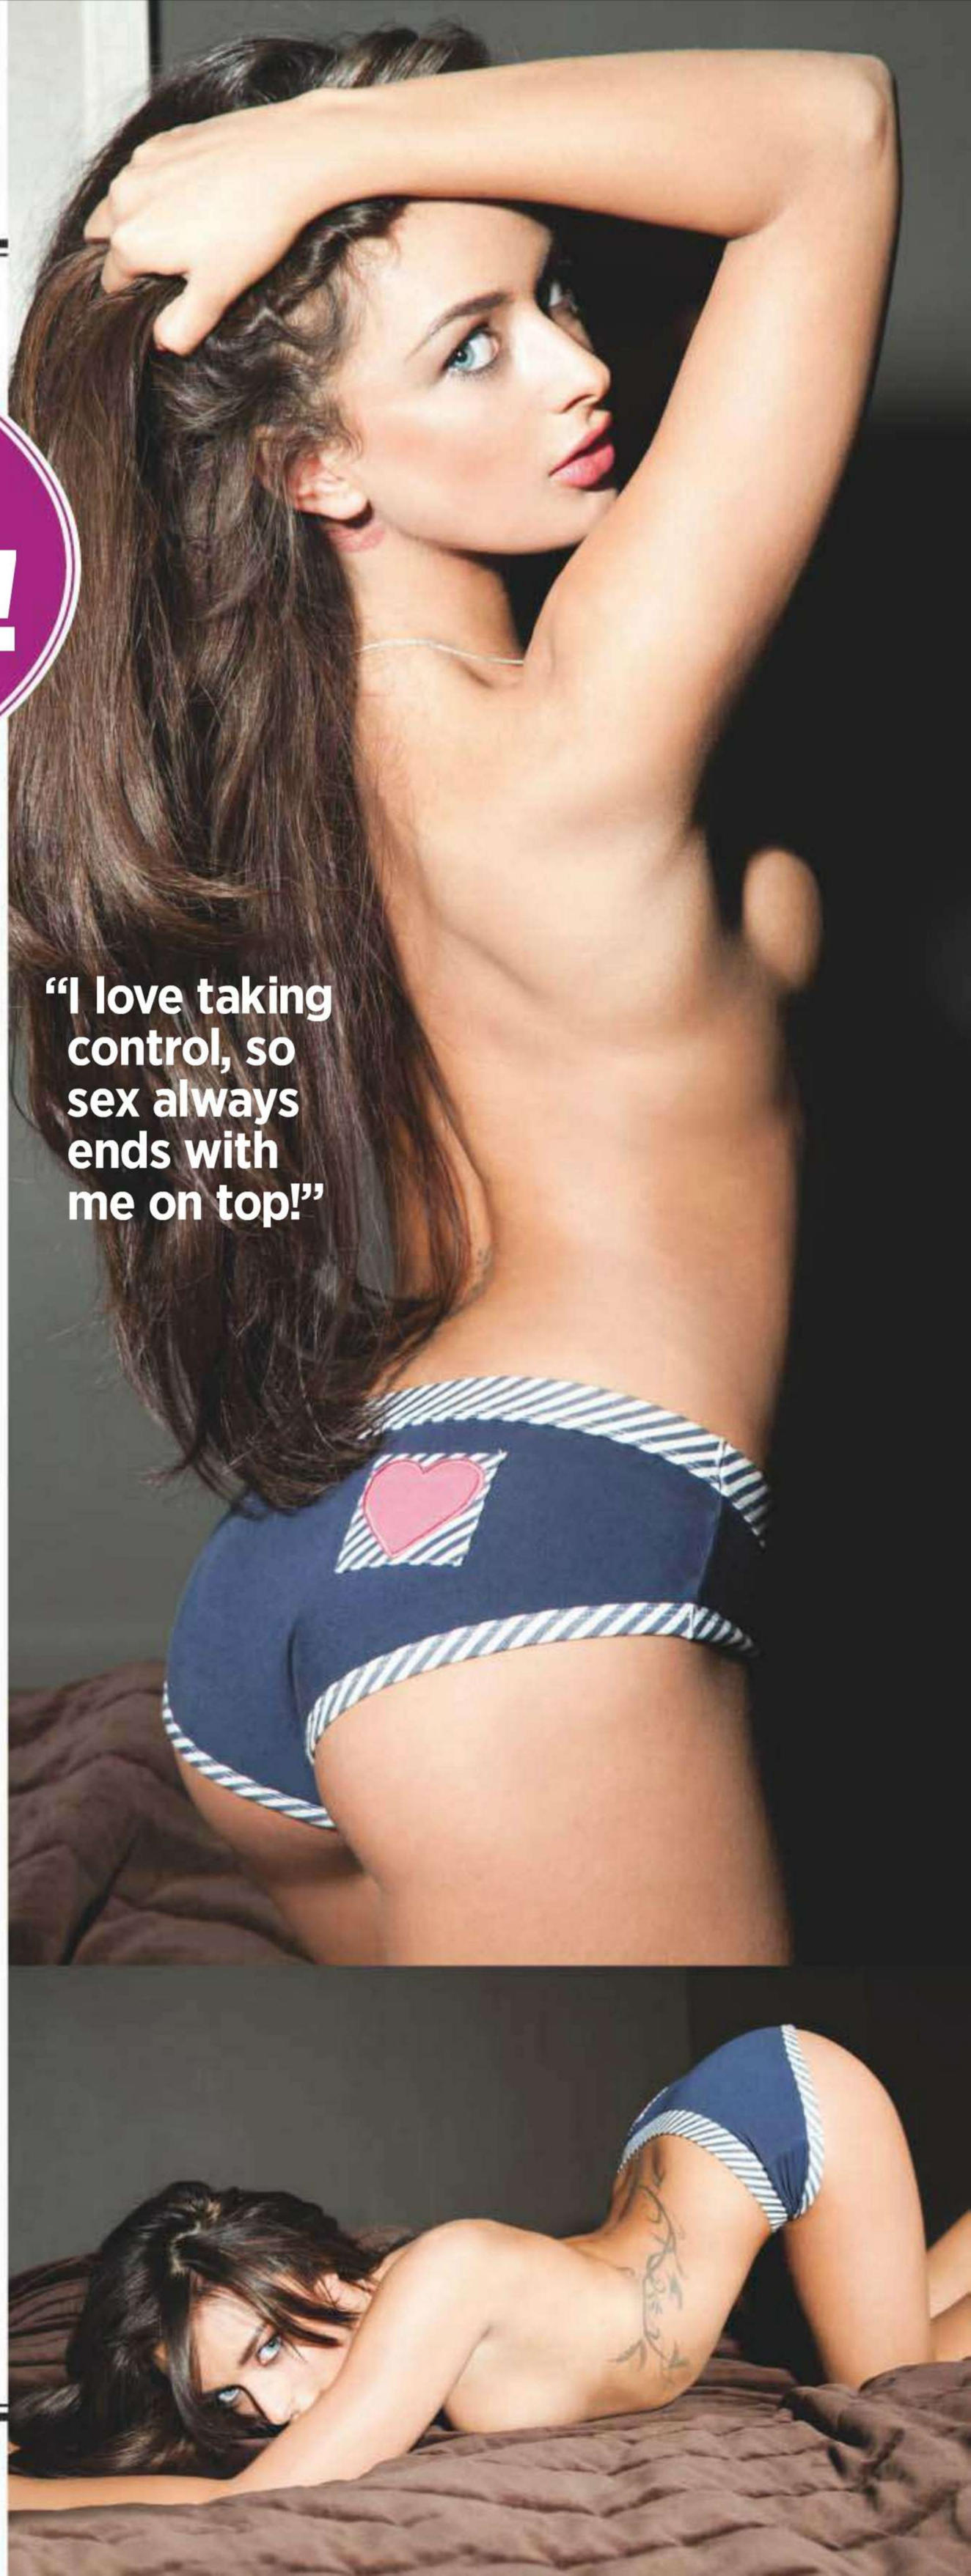

6 Ever got it on with another girl?
"Nope, I've kissed another girl but that's as far as I've ever gone. For the right girl, though, I'd definitely be open to offers!"

7 What one rude thing would you like to try that you haven't yet?
"I've never had a threesome, but that's something I'd like to try. I'd love to share a guy with another hot lady. It's on the to-do list!"

8 What's your favourite role-playing costume?
"I like to dress up as a naughty devil in the bedroom – black, over-the-knee leather boots, red underwear, horns, the lot! One partner said it was the best sex ever! I definitely felt my sexiest then!"

9 Have you ever made a sex tape?
"I've never made a sex tape, but I can see nothing wrong with a home movie in principle!"

10 What's the rudest thing you've done?
"I had sex in the lobby toilets of my hotel in Spain. There were no locks on the doors and it was peak season in summer – anyone could've walked in! It was so risky but so worth it – I really got off on the thrill!"

Premier League tonkings: Rated!

Blackburn's Jason Roberts on some stunning scorelines!

HOW DO you recover when you "do an Arsenal" and end up on the wrong side of an agonising and very embarrassing defeat? Blackburn Rovers' Jason Roberts, who's been involved in some tonkings in his time (not always in a good way), rates some of the most humiliating results in Premier League history and gives us a lesson in how to recover from them.

ROBERTS RADIO!

Jason Roberts presents *606* on Radio 5 Live Saturdays at 6.06pm.

I wonder if Cesc would put in a good word for me?

I wonder if Samir would put in a good word for me?

MAN UNITED 8 ARSENAL 2 28 AUGUST 2011

"Arsene Wenger went with the mentality that they could play United at their own game – they would've been better off dropping deeper and counter-attacking. A team of Arsenal's stature can't be conceding eight goals to anyone."

EMBARRASSMENT RATING: 1 2 3 4 5

INTERVIEW: PETE CASHMORE PHOTOS: GETTY IMAGES, BACKPAGE IMAGES

SPURS 1 MANCHESTER CITY 5 28 AUGUST 2011

"Spurs were playing at home against one of their rivals for a Champions League place and got hammered! They didn't have Arsenal's excuse of injuries – they had a strong team out – but kept getting caught out at the back."

EMBARRASSMENT RATING: 1 2 **3** 4 5

SPURS 9 WIGAN 1 22 NOVEMBER 2009

"Thankfully, I wasn't at Wigan when this one happened! Sometimes a 1-0 loss to a close rival can be more damaging. Wigan also lost 8-0 at Chelsea the very same season but they stayed up, and that's what's important!"

EMBARRASSMENT RATING: 1 2 3 **4** 5

MANCHESTER UNITED 1 LIVERPOOL 4 14 MAY 2009

"One of the biggest clubs in the world beaten at home by their bitterest rival – it doesn't get much worse than that! It sent a message that you could take United in their back yard, and I know that Sir Alex will have taken it badly!"

EMBARRASSMENT RATING: 1 2 3 **4** 5

NEWCASTLE 6 ASTON VILLA 0 22 AUGUST 2010

"This was a very hard defeat for Villa to take, especially against a newly promoted team! Although Newcastle did have some Premier League players in their squad, you still don't expect to be beaten by that scoreline."

EMBARRASSMENT RATING: 1 2 **3** 4 5

MIDDLESBROUGH 8 MAN CITY 1 11 MAY 2008

"A club supposedly on the rise, with a huge tradition and following, annihilated by a young Boro side. It effectively ended Sven-Goran Eriksson's time at Man City. Can you imagine the current City team losing that way?"

EMBARRASSMENT RATING: 1 2 3 4 **5**

Dealing with a tonking!

"You're going to hurt and you'll want to avoid watching or reading about football for at least 48 hours. As you gain experience, you learn how to take doing badly – and indeed doing well – with a pinch of salt. There's nothing worse than dwelling on a hammering. Try to get it out of your mind!"

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"Urgh! It's making my boot all dirty!"

My Man City prank backfired!

Joke deadline-day tweet left me in hot water!

TRANSFER DEADLINE day was fantastic entertainment. It's so exhilarating to watch as the clock ticks down and clubs get their last-minute business done! I have to admit, though, I got into a bit of trouble with Man City.

Around 9.30pm, as a prank, I tweeted that the club had offered £100million and Mario Balotelli to Barcelona for Lionel Messi. Unfortunately, the fans took it to heart and the phone lines went crazy over at the Etihad Stadium!

I soon had City executive Brian Marwood on my mobile, telling me to stop messing about. I was just enjoying the night so much, I needed to get involved one way or another!

I know it's had its share of criticism, but I'm a big fan of the transfer window – it's so exciting for the fans and it means we can concentrate on football for the majority of the season.

However, I'd like to see the window shut before the league gets started – it just makes more sense. The clubs would know who they have on their books and the squads could be finalised before the big kick-off. Mind you, knowing how stressful it can be, I'm sure a lot of managers would probably disagree with me!

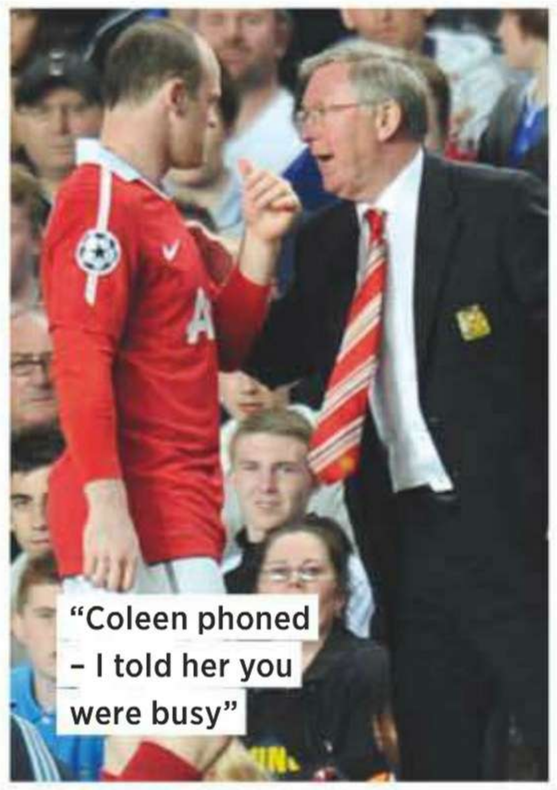

Neville wrong on Sir Alex!

I HEARD Gary Neville say that even Sir Alex Ferguson couldn't have won the 2010 World Cup with England. I have to say, I disagree with the former United man.

Although Spain were fantastic and deserved winners, it's impossible to say how the competition would have panned out. Just look at Greece in Euro 2004. Anyone can win a major tournament, you just need that bit of luck.

I think Sir Alex could have made a massive difference to England's chances. I've never doubted the players' abilities – they show week-in, week-out just how good they are, and Sir Alex is a fantastic man-manager. He could have given a huge boost to the mood in the camp, which under Fabio Capello wasn't great.

Fergie would never take on the England job though – he's too smart!

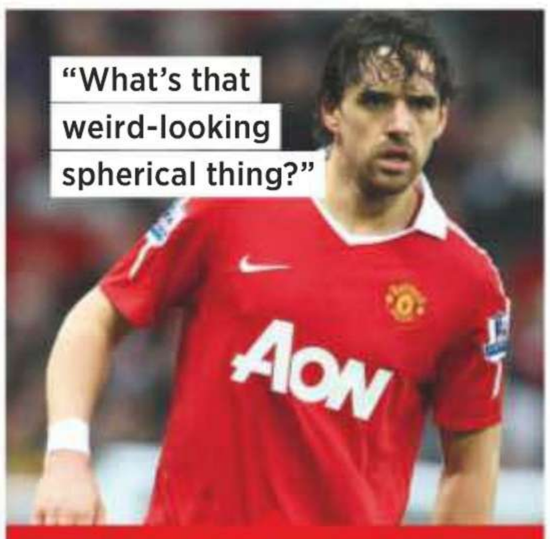

"Coleen phoned – I told her you were busy"

Kammy's best deadline day deals!

The most brilliant bits of last-minute business!

THERE WERE some really massive moves on the final day of the transfer window. To help sort out the dodgy looking deals from the really stellar buys, I've picked out the six transfers that I reckon will be pivotal to their new clubs' success this season!

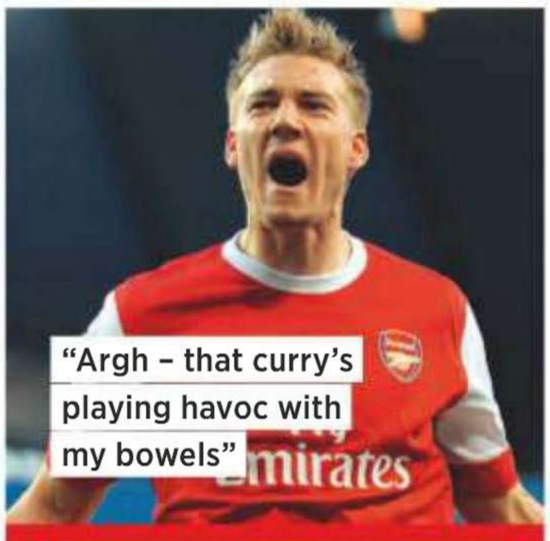

OWEN HARGREAVES
TO MAN CITY FREE
"This was a big surprise, but it's a no-brainer when you think about it. If Hargreaves is fit, he'll be in Man City's first team. With so many games, the more quality they have the better!"

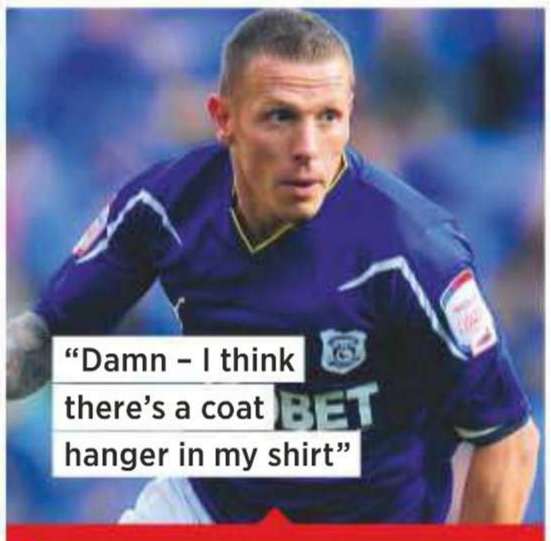

PETER CROUCH
SPURS TO STOKE £12M
"It's land of the giants at Stoke! No one'll fancy going to the Britannia this season. Crouchie will be a top signing. He can score goals and he's a lot more consistent than Kenwyne Jones."

MIKEL ARTETA
EVERTON TO ARSENAL
£10M
"This is the deal that sticks out a mile for me. Arteta's a ready-made replacement for Cesc Fabregas, and at Arsenal he'll be given more freedom to play."

NICKLAS BENDTNER
ARSENAL TO SUNDERLAND LOAN
"Bendtner has bags of potential and is a very talented boy. He's got the lot, but needed a move from Arsenal to get his head together. The fans will love him."

CRAIG BELLAMY
MAN CITY TO LIVERPOOL
UNDISCLOSED
"I can see Bellamy causing havoc alongside Andy Carroll and Luis Suarez. He'll love playing under a legend like Kenny Dalglish, too."

SCOTT PARKER
WEST HAM TO SPURS
£5M
"This is an outstanding bit of business. Harry Redknapp's sold Wilson Palacios and replaced him with last year's player of the season, and made a profit!"

Neville: ‘England was a waste of time!’

Gary on Man United, England and being the new Andy Gray!

Hi Gary Neville!
Hi *Nuts*. Are you going to be taking the p*ss?

Who, us? What was the banter like at United?
Everyone’s fair game for the banter but the spirit’s fantastic – the new lads have to make a speech!

You’re the new Andy Gray. They’re big shoes to fill...
Andy Gray made it look easy – but then he’d been doing it for 20 years. I had one rehearsal and I was live on TV for three hours!

You didn’t fancy management then?
I had offers but it’s too stressful these days. The average manager only lasts about ten months!

Can Man City win the league?
They’re the nearest challengers to United now. Their squad is very strong but then they have spent a lot of money on it.

How about your other favourite team – Liverpool?
They’ve started to buy a different type of player now, much more suited to the Premier League. They’ll challenge United this year.

In your book, you say your England career was a waste of time – what did you mean?
At United, we’re trained to win things, but it wasn’t like that with England. If you take a girl out 85 times, you’d expect her to be your girlfriend, right? It was a waste of time. There was never any end product.

Why do you think England never win anything?
We set ourselves up for a fall. We always expect to win tournaments when we haven’t won anything for years. What about Spain, France, Germany?

How can England improve?
Technically, we’re getting better. It has to come from the bottom, and it’s looking better. Look at Cleverley and Wilshere – technically they’re very good.

Thanks, Gary! Finally, does it help having players like Cleverley and Jones coming up together at club level?
It’ll help because the players know each other, but when we came through together it didn’t help England win anything, did it?
