## Kelly Brook's 2012 calendar!

And the good news is, she's not wearing any heavy knitwear!

**WHY IS** it that people like the end of the year so much? Well, for one thing, it's when Christmas happens and there's also the chance of snow, which is pretty and often leads to the day off work. But above all, as the year draws to a close, lots of lovely ladies release their calendars – and you'll find none more lovely than Kelly Brook! Yes, she may have conquered Hollywood, but Kelly always remembers to bestow a corking calendar upon her British fans – her 2012 effort is no exception, and here's an exclusive preview peek at some of the best bits!

She was rightly proud of her net curtains

**MILLION SELLER!**

To date, Kelly's calendars have sold over a million copies! That's a whole lot of pin-up perfection!

# Modern Warfare 3 review!

2011's *Call Of Duty*, played to the end!

**THE LAST**

*Modern Warfare* game ended with grumpy Russian warlord Makarov having just kicked off a world war. And the new edition, *Modern Warfare 3*, picks up where it left off, with Russia launching attacks on New York, London, Paris and Hamburg.

*Nuts* was lucky enough to play it start to finish...

● *Modern Warfare 3* - out now for Xbox 360, PS3.

"Emmerdale's changed a lot since they made Michael Bay director"

**LOCATIONS!**

The usual globetrotting, starting in New York and finishing in the Arabian Peninsula, via the London Underground and a Bond villain-style diamond mine assault in Siberia!

**ADDICTIVE  
MULTIPLAY!**

**NUTS GETS

*Nuts'* game geek tested *MW3* last week in a 24-hour game-athon!

**ACTION-PACKED  
SINGLE PLAYER!**

The Debenhams

### MISSIONS!

There are 14 missions, which should take around ten hours to pile through. But their scale is blockbuster epic, from a chemical attack in Paris to a Somali sandstorm.

"Now, how do  
I unlock the broly  
power-up?"

### MULTIPLAY!

Of course, you buy *Call Of Duty* for multiplayer, and this is the best yet, with strike packages for the more casual gamer and new modes like the utter genius "Kill confirmed" game, where you have to capture your victim's dogtags after shooting him to register a kill.

## The Nuts verdict!

From storming New York's Stock Exchange to a weightless shootout on a zero-G luxury jet, plus Elite online multiplayer support, *MW3* is every bit as good as we hoped it would be!

**Goals:** defeating King Hyperion, freeing Greece.

# Immortals – Heaven & Earth collide in 3D!

We get very excited about the epic Greek gods action fantasy, in cinemas this month!

IF YOU'RE paying a visit to your local multiplex, you'd be stark raving mad not to want to spend it gawping at mystical Greek heroes clashing swords with corrupt kings and fighting in sandals on a screen the size of a big bus. Loudly, and in eye-popping 3D.

Step forward *The Immortals*. Squeezed from the brains of the chaps who produced the

brilliant *300*, it's an epic tale of buff hero Thesius squaring up against naughty chap King Hyperion for bragging rights over Greece. Oh, and a legendary bow that can unleash the power of the Titans. Bit like a Prem derby, then. It'll kick in the doors of your nearest cinema on 11 November. Let's meet the main characters!

"Do you mind?  
I'm trying to

## 'OK, deer?'

**A timely reminder that snakes are horrible**

### GOOD NEWS!

There's one less Burmese python for us to worry about! Alas, the 16ft snake's death came too late for one poor resident of the Everglades National Park in Florida.

After the python was killed, a deer was found fully intact (if a bit dead) inside it, which explains the bulge in the snake's midriff. Deer, eh? They taste nice but they go straight to the belly.

# A quick word with Richard Hammond and James May!

The *Top Gear* chaps take us behind the scenes of their new DVD!

**Hi Hammond and May. So, what's this DVD all about?**

**Hammond:** It's called *Top Gear At The Movies*.

**May:** It's not just me and him going to the movies.

**H:** Two hours of footage of us staring at a cinema screen wouldn't be very exciting.

**M:** It's about cars in the movies. We have a race of all the cars that normally get left behind the scenes – a catering trailer, a Portalo truck, a limo and a St John's ambulance. We race a Skoda Fabia S2000 against the world's first jet-powered flying man. And we make a Bond car, but on a budget.

**Clarkson is notable by his absence from this DVD. Is that because he's so tall, you can never see if you sit behind him at the cinema?**

**M:** That assumes we would invite him to the cinema. We wouldn't.

**How about if Clarkson dressed up as a lady? Would you be tempted?**

**H:** Oh god, yeah.

**M:** I don't think that means "tempted to hit him around the head with a baseball bat".

**H:** Oh. Tempted isn't the word then. Sick is the word. I've never seen him in a dress.

You see them sticking out of his baggage sometimes.

**M:** With his PVC trousers.

**H:** He goes for the frumpier look, which is the surprising thing. Not that I've ever seen him in a dress. Honest.

**M:** I think the answer to your question, Mr Nuts, is a resounding no.

**Top Gear is stranded on a desert island. Who do you a) scoop out and use as a raft, b) eat, and c) start repopulating the human race with first?**

**H:** That's a question, isn't it? Jeremy can go f\*\*k himself anyway, so he can disappear up his own arse and get on with that.

**M:** Jeremy is for all his failings, also the tallest. Or – in boat-building terms – the longest. So you could make the ideal canoe out of him. Hammond and I will club Jeremy to death, eat his offal, avoiding one or two bits that aren't going to be particularly savoury like his lungs, kidney and his brain. We'll hollow him out, then Hammond and I shall go off and repopulate the human race.

**H:** What, with each other?

**M:** No, you weirdo!

**H:** Oh, so we set sail for an all-girl college that happens to be on the desert island next door?

**M:** And have a Bounty bar to celebrate.

**What games do you play in the car when you're on long journeys to amuse yourselves?**

**M:** "Dashboard Spot The Difference". One of you sets the controls and knobs and the other gets 15 seconds to memorise them, then has to look away. You make three changes and the other has to spot the difference.

**H:** "Longest Finger In The World". You take a springy aerial and take a series of preordained button-pressing tasks against the clock, for example "retune the radio to Radio 4" and "close the driver's window".

**M:** "Shag Five", where out of the next five women to go past, you have to choose one to have sex with. Once you've chosen, you can't change your mind. If Hammond takes the first and I ignore the next three, I've got to have the fifth. It's a great way to pass the time.

**Big car, small penis. Discuss.**

**H:** I've got both. I'm fine. Ha-ha! But I don't think there's necessarily a direct correlation betwixt the size of the trouser package and the size of the car.

**M:** I have a Rolls-Royce and a Fiat Panda so I have a very large car and a very small car. What does that mean?

**H:** He's got a tiny penis and massive balls!

**Thanks, Richard and James! Finally, if Top Gear presenters were the seven dwarfs, which one would you be?**

**M:** Well, you would be Snow White.

**H:** She's not a dwarf!

**M:** Jeremy would be C\*\*ty.

You'd be Shorty.

**H:** May would be Smuggly!

● **Top Gear At The Movies is out now.**

They'd been  
banished to  
the garage again

## Best of the DVD stunts!

### JET MAN VS SKODA FABIA

Hammond: "Car chases are the heart of any good action movie. But why limit it to car vs car? We race a Skoda Fabia S2000 vs the world's first jet-powered flying man to prove that cars are best. Or are they?"

### BOND CAR ON A BUDGET!

May: "Who has the most iconic wheels in cinema? Most would say James Bond. Can you have Bond car for a fraction of the price? We build a budget Bond car with ejector seat, weapons and even invisibility!"

### UNSUNG HEROES RACE!

Hammond: "The people behind the scenes rarely get the credit they deserve. So, we race a catering truck, a Portaloo van, a limousine and a St John's ambulance. You won't have seen a race like this before!"

### SEXY SUPERCARS!

May: "All the best car chases have no music. This means a good movie car must make a great noise. So, we sample the best around, looking for the ultimate engine purr. Which will we like best?"

"You've spent rather a long time choosing a new phone, Brian!"

# Brand-new *Fast Show* jokes!

The legendary comedy sketch show is back!

➔ **FIRST** WE had Alan Partridge's *Mid-Morning Matters*, then it was *Vic & Bob's Afternoon Delights* and now Foster's *Funny* has commissioned 12 new mini-episodes of catchphrase-tastic sketch programme *The Fast Show*, featuring the likes of Ted and Ralph, Ron Manager and lady-loving car salesman Swiss Toni. In these exclusive-to-Nuts clips, Toni regales his assistant, Paul, with some kitchen-themed love advice...

## "Treat her as an egg!"

"Do you know what I say, Paul? Boiling an egg is very much like making love to a beautiful woman. First, make your selection. If you're lucky, you'll have half a dozen to choose from. Brown or white? It doesn't matter – they're all the same on the inside. Three-and-a-half minutes later, you'll be ready to take its top off and dip your soldier in."

## "Love her like a baked potato!"

"Baking a potato is very much like making love to a beautiful woman. Choose a nice, big, plump one. But you don't want it tough and leathery. Wash it, warm it up and check for blemishes, misplaced eyes and poisonous growths. When it's ready, assume your prong. If she's soft and warm on the inside, you're ready to split her in half, cover her in butter and start mashing."

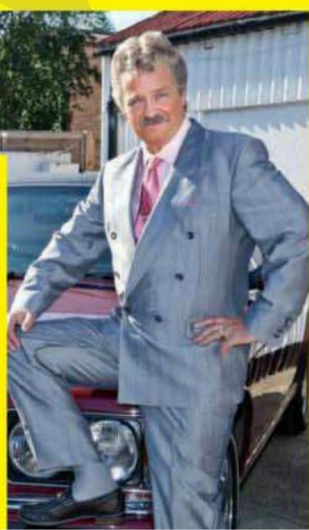

## "Sex is like cooking mussels!"

"Cooking mussels is very much like making love to a beautiful woman. First, get it all hot and steamy, and slosh some wine in there to loosen things up. Stick your face in to savour the fishy aromas. Split her open and have a good old slurp. If, after you've warmed her up, she doesn't open of her own accord, give her a wide berth."

● The *Fast Show*: *Faster is being aired on fostersfunny.co.uk now.*

**LIFE AS** a volcano must be pretty boring – you sit there, smoking gently, and every 50 years or so you get to erupt a bit. So when that time comes around, you'll be wanting to really show off. Well, the Puyehue-Cordón Caulle volcano in Chile certainly did that, attracting a bonkers electrical storm to swarm around, and flash into, its billowing ash cloud. This remarkable pic is the result. Now then, what's Chilean for "Lawks, that's impressive!"?

## "Slutty witches are sexy!"

**DID YOU** have a nice Halloween? I love Halloween. The last Halloween party I went to may have been full of guys dressed like total douchebags, but there seems to have been some law passed that means all the women have to dress up like slutty witches and tarty zombies. And I'm all for hot girls dressing like sluts. Now, I know what you're thinking: "We don't need Halloween for this, we already have Newcastle!" But these girls were hot. Isn't Halloween supposed to be a pagan celebration of the night, when spirits rise from the afterlife or something? So surely, the dress code should be scary rather than slutty? But I'm not complaining. I actually think there should be more whorish outfits for other holidays, like Christmas, Easter and Remembrance Day.

Ferguson

zany new image

## "Heaven sounds like hell!"

**SO, SIR** Jimmy Savile is dead, eh? The mad old coot joked that he'd break St Peter's thumbs if he wouldn't let him into Heaven. Well, first of all, Jimmy, I hate to break it to you but there is no Heaven. What is it with people looking forward to getting to Heaven just so they can meet up with their dead relatives? Most of my dead relatives are c\*\*ts. To me, Heaven would be a place where I'd have to live longer without the people I love, because they're all still alive. I mean, I wouldn't mind seeing my grandmother again but after a couple of days, I'd be thinking, "Jeez, I really wish my friends would die!"

## "The mutants are coming!"

**THEY'VE FOUND** a three-eyed fish swimming in a lake in Argentina, next to a nuclear power facility. Apparently, his third eye doesn't help him to not get caught by fishermen, which is a bit of a f\*\*ker. I say

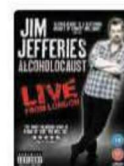

"Swimming goggles?  
I can never find  
any that fit!"

look on the bright side – we may have made loads of species extinct, but now we're inventing new ones! Obviously, the place where this will be the most pronounced is Japan, which has so much nuclear waste that it's probably over-run by f\*\*king Godzillas by now. But they'll also have the mutant superheroes to deal with them, so that's OK.

## "Hack off, Facebook!"

**THE HACKERS** group Anonymous last week vowed they were going to shut down Facebook on 5 November, so by the time you read this, you'll know if they were serious or a bunch of geeky, lying c\*\*ts. I was looking forward to it, as I'm sick of Facebook. Whatever will we do, not knowing what everyone's up to every second of their miserable lives? In the old days, you had a friend, you got along with them, then you decided they were c\*\*ts and stopped talking to them. Now, everyone's in your life forever. And it makes drinking less fun, too. How many times have you got home drunk and looked up an ex to have a w\*nk over, only to see she's got a new guy? So shut down the internet. You won't get to see as many YouTube clips of a cat playing a piano but you'll be a lot happier.

**Fuel fail leads to badass bonfire burns!**

➔ **FIRE CAN** be man's best friend, keeping us all toasty and grilling our pork chops. But when it comes to petrol-fuelled bonfires, it can be our greatest enemy. *Nuts* reader Ian Catchpole from Essex found this out the painful way, as these brutal burns demonstrate.

"I was burning a bonfire," Ian recalls. "It started to go out, so I threw some petrol on it, but it sent it out of control. Some of the fire went into the can, which then spectacularly exploded all over me. It felt like my skin was cooking!"

Ian only realised he was on fire after he'd put the bonfire out, and then had to wait in

excruciating agony for an hour before he could get help.

Amazingly, Ian's seared skin healed up naturally meaning he avoided the skin graft that specialists predicted he'd need. "It was a lucky escape!" admits Ian.

Something tells us he'll be staying indoors every bonfire night from now on!

I really like women's clothes. I'm not gay but I'd like to see what reaction I'd get if I went out dressed as a woman. Do you think my girlfriend will run a mile if I suggest it?

**CAL** via email

Many straight men are interested in women's clothes – the cut of the blouse, skirt or dress emphasising or hiding the treasures underneath. But this doesn't mean they want to wear them. I think you need to be clear which camp you're in. I suggest you try cross-dressing without your partner present and see what happens.

## To spank or not to spank?

I've heard that when you're in the throes of passion that girls really like to have their bottom spanked just before orgasm. I've never done it before and I'm worried I might get a slap myself if I try it. What's your advice?

**WILLIE** via email

I'd suggest a gentle pat with the palm of your hand to begin with, to test the water. If she likes this you can graduate to bigger slaps. Of course, she has to be on top or you need to be doing her from behind to get the full experience. A friend of mine graduated to a lashing with a Sam Browne belt on the bottom and on her legs!

I think you're approaching this from a selfish point of view. You say you love her. This, in itself, is enough for most men. I accept that you want to expand your sexual repertoire with her but have you thought how to do this in a way that

gives her an incentive? You say she won't go down on you. How about you going down on her, big boy? Maybe your wangdoodle ain't clean enough, so her point of view's entirely understandable. Get your thinking cap on!

## I found her rude snaps!

While I was at my new girlfriend's flat, waiting for her to get home, I started having a nosey through some of her old photo albums. At the back of one, I found some rude pics of her taken by her ex. I can't get the images out of my head. What can I do?

**SEAN** Carrickfergus

What's the problem here? The photographer in question is her ex, right? Did she tell you she was a virgin or something? Everybody has a past. Anyway, what are you doing going through her private stuff?

Fantastic! I've been working in a bank, so this is more fun!

**What are you enjoying most?**

I really like posing and being sexy! I love lingerie and have no problem being topless.

**Were you nervous?**

No, not at all. I'm not shy! I had to tell my dad, though. I was like, "Right, I'm doing some modelling – you're banned from buying any newspapers or magazines!"

**Have you ever taken any DIY snaps with your camera phone?**

## Vs the Nuts Question Bucket!

Sell:

The toothy comedian on elephants, kissing girls and the meaning of life!

Copy:

**THE RULES** are simple. We fill our bucket full of ridiculous questions, then a celebrity picks them out at random and must answer whatever they get!

**Would you rather have an elephant's trunk for a nose or a mermaid's tail instead of legs?**

I think I'd rather have an elephant's trunk for a nose because I like peanuts and buns. It would also be handy for shoplifting. In Greggs, you could point for something at the back and as the assistant's looking round, your trunk could pick up a steak bake. Is this the sort of sh\*t you're after?

**How many girls have you kissed?**

I bet I've kissed more girls than you. Then again, you will walk around with a bucket. Girls turn up at a gig and they want

to stick their tongue in, which I'm horrified at. But you'd probably love it.

**If you had to have your head replaced by a piece of fruit, what would it be?**

Pineapple, because my hair's receding a bit. It would be nice to have something little to play with at the top.

**What's the meaning of life - if indeed life has a meaning?**

I think the Nuts bucket probably symbolises life. You put your hand in, sometimes you pull out gold and sometimes you pull out sh\*t. But you've got to stick your hand in the bucket.

**Would you rather have a fridge that did all your shopping for you or a toilet that could talk?**

I'd rather have a fridge that could shop. Because a toilet that could talk...

what would it say? If it went, "You're full of sh\*t", you could go, "Look who's talking".

**What's the rudest sexual practice you know?**

Circle jerk. I'm not saying I've done it. I've just heard about it.

**What do you miss most about being a child?**

Hanging around ice cream vans without people judging you. I'm coming across really well in this interview, aren't I?

**If you were a Creme Egg, how would we eat you?**

You'd unpeel me slowly and stick your tongue in. You asked!

**Would you be able to leave right now if a job came up as a pirate?**

I couldn't. I'm in the middle of a stand-up tour. But as soon as I've finished, I'm open to be a pirate. Get your people to speak to my people, put it in the diary.

**If you saw yourself in a dress, would you fancy yourself a little bit?**

When I did *The Friday Night Project*, me and

Justin were always wearing dresses. I think I'm quite minging as a man but in a backless number with suspenders, I look quite fit. I've made myself hard by just looking at myself in the mirror. Did you know I'm a size 14 as a girl? Well, maybe 16. OK, 18.

**Would you rather have the body of a rhinoceros and a normal head or a normal body and head but the neck of a giraffe?**

I'd like to have the neck of a giraffe because I quite like polo necks and roll necks, so I'd have a bit more neck to show them off.

**Can you name every planet in the solar system?**

Mercury, Venus, Mars, Earth, Saturn, Pluto, Uranus, Jupiter, Neptune. Is that all of them?

**Ever grown a beard?**

I've tried to but I've got no testosterone in my body.

# 'I was locked up with Taliban killers in an Afghan jail...'

Major Bill Shaw MBE had served in the British Army for 28 years but while working in Kabul, Afghanistan, as a private security contractor, his life fell apart as he was thrown into prison. Here, he tells *Nuts* his incredible story...

## **i Bill. What were you doing in Afghanistan?**

When I left the Army, I was looking for a job that would keep me in with ex-service people,

so joining a private security firm seemed like a good idea. The money was great and the work took me to Iraq, then Kabul.

## **How did you end up in prison?**

In Kabul, some of our vehicles were impounded by the security wing of [Afghanistan President Hamid] Karzai's government. My company was told that we had to pay \$25,000 [£15,500] for them to be released. We paid the money to somebody who we thought was an official, but it turned out he was nothing of the sort and was never seen again. We also didn't get a receipt. I complained about this system and was accused of having paid a bribe to get our vehicles back.

## **When did you realise you were in trouble?**

When I was arrested and taken to jail, I thought I'd be in for a few hours. Then the British Embassy came and said there was nothing they could do, that justice would have to take its course. I was stuck in prison and had no idea when I'd get out. Then I was sentenced to two years.

## **Tell us about the imprisonment itself.**

I was in three different prisons. The first was called Tawqeeef, where I was in a cell with 17 others. It was a filthy place with a courtyard in the middle. My story had been on the news, so there was a \$10,000 [£6,000] bounty on my head straightaway.

## **What was the jail like?**

Disgusting. I slept on the floor in a corner of the cell and I had cockroaches and rats climbing over me in the night. There were lots of Taliban in the jail but I was in a cell with some older, more moderate Afghans, who looked after me. It was a dangerous time, though, as devout Muslims shave every part of their body, so there were razor blades lying around everywhere.

## **How long were you there for?**

I was in Tawqeeef for three and a half weeks before being transferred to a new American-built prison called the Counter Narcotics Justice Centre. I was in a cell with one other guy and I wasn't allowed anything, I couldn't see anybody and I had to deal with the torture of total silence. We'd be locked up for 50 hours at a time.

## **Who were you imprisoned with?**

In the CNJC, I had an Afghan in my cell for a while, but he moved and nobody else wanted to share with me because I was a Christian. The bounty was still on my head. The Taliban would throw rubbish into my cell and make slit-throat gestures. The main thing I was scared of was being sent to another prison called Pol-e-Charki, which was said to be the worst prison in Afghanistan, with 40 people to a cell. This is where I was taken when I was sentenced.

## **What was Pol-e-Charki like?**

It was like a Trivial Pursuit board – it had a huge building in the middle with wings running from it. I was in a cell on my own but there were two other westerners who'd been there for a while, who helped

me to settle in. The scary part was that they put me in the wrong section of the maximum-security wing. That part was the newest, so it wasn't too grim, but they put me in with some hardcore Taliban, so it was like being locked up with a pack of lions. Luckily, the security was good and I had my own cell, so they couldn't get me.

## **Is there a lot of corruption in those prisons?**

Yes. The officers were always begging me for money. As I was being transferred to the CNJC, a guard hassled me the entire way. Eventually, I gave him six dollars to shut him up and told him I didn't have any more. He didn't know I still had 400 dollars hidden in the lining of my bag!

## **How did you sleep at night?**

In the latter two jails, I felt safer but for the first few days at Tawqeeef, I barely slept. I found a space in the corner of the cell where I could see everyone. I'd go through scenarios in my head as to how I'd react if anybody came for me with a razor blade – but thankfully, nobody did.

## **Was anybody tortured?**

I wasn't but many of the younger prisoners in Tawqeeef were. They'd abuse the guards or be caught with opium, and they'd be hung in a crucifix position outside while the guards took it in turns to flog them. I could hear the screams from my cell.

## **What persuaded them to let you go?**

I appealed against my sentence, which was risky because if I'd lost, I could've had my sentence increased to ten years. Luckily, there was a far more sympathetic judge in the appeal and it took almost no time for him to realise a mistake had been made.

## **Will you ever go back to Afghanistan?**

I won't ever go back. My family would never let me and I don't blame them. ✕

## Pol-e-Charki prison: the facts

"The worst prison  
in Afghanistan"

### DANGEROUS

Pol-e-Charki was a dangerous prison even in the '80s, when the Soviet Union invaded Afghanistan.

### DISAPPEARED

Many prisoners "disappeared" inside the prison. Most are presumed to have been tortured to death.

### HARDCORE

Two thirds of the country's prisoners are here. Hardcore Taliban are based on the top floor, in "The Zone".

### PUNISHMENTS

There's a Taliban "court" in one block, where inmates dish out punishments to each other.

### HACKED OPEN

Guards are known to hack open shoes and rip apart bread that visitors bring inmates, looking for drugs.

A full-page photograph of two women posing in lingerie. The woman in the foreground is seen from the back, wearing black sheer underwear and black high-heeled shoes. She has long brown hair and a large tattoo on her lower back. The woman behind her has blonde hair and is also wearing lingerie, with her hands on the first woman's hips. She has a tattoo on her upper arm. They are standing in front of an ornate, gold-colored metal screen.

DANICA PRESENTS...

# *Nuts* babes uncensored!

Four of Britain's fittest girls get nuder and  
ruder than you've ever seen them before!

ARABELLA

SAFINE

DANICA

**NUTS BABES UNCENSORED**

**“Sabine is the  
naughtiest  
out of us all!”**

# Danica

**Hi Danica! Are you enjoying being uncensored today?**

Yes! It's been very busy, with so many boobs to shoot, but it's been exciting and a little bit ruder than normal. The kinky stuff is different to what I usually do, but it's nice to have a change every now and again.

**When's the last thing you thought, "Wow, that's rude!"?**

I met a girl on Twitter and struck up a conversation with her. It turned out she was a porn star and when I Googled her, I saw some shockingly rude things! She told me she'd been a bit naughty in the past but I didn't realise how much!

**What was the last really revealing outfit you wore?**

There's been a lot of nakedness today, so the last revealing outfit was probably on my last *Nuts* shoot. It was really sexy and a bit see-through. That was my favourite shoot ever!

**Which of the girls here has impressed you the most?**

I get on well with all the girls. It's the first time I've met Arabella and she's lovely and so hot. I thought she'd be feisty but she's so innocent! Rhian's stunning as well. Sabine is the naughtiest out of us all!

**You're really into horse riding. Some people might say that's a kinky hobby!**

I guess it could be! I don't use my whip, though – it's cruel and should be banned from horse racing. I hate the idea of using a whip on an animal, so you won't find me spanking someone's bottom with one!

**Finally, what type of bloke do you go for?**

I go for the fair chaps these days. I like them to be taller and older than me. And they should have a business head.

**Someone like Lord Sugar?**

I like him but not as my ideal sex partner, thanks a lot! ▶

**"My most revealing outfit was sexy and a bit see-through!"**

## Sabine

**Hi Sabine! How are you enjoying yourself today?**

I'm having fun and trying out lots of new stuff. I haven't worn one of these sexy collars before. It's very kinky!

**Who's been the naughtiest on today's shoot?**

Me! I've been having naughty thoughts all day because I've been given a little spanking toy to play with. One of the girls told me that if I hit someone on the bum in a special area called "the letterbox", it feels nice. I want to try that!

**What's your favourite outfit from today?**

I like these pants with the feather front and see-through back. And I might try to keep this neck collar. I could say to people, "Come on, take me for a walk up to bed!" Ha-ha!

**What was the last thing you saw that should've been censored?**

I've seen *Two Girls, One Cup* and I was like, "Ew!" But normal porn doesn't shock me.

**Do you have any special skills that could be used in the sack?**

I'm very bendy, so I can get into many naughty positions! Also, I have a long tongue that can go past my chin. I'm sure that could be put to good use!

**Have you ever been so rude in the bedroom that you've reduced a bloke to tears?**

Not physically but I like to play mind games. I like to feel I've got the power, so I'll tease a man by being really sexy but not doing anything. But he'll know something's going to happen in the end!

**Finally, when was the last time you shocked yourself?**

My brain shocks me all the time because it keeps changing its mind about things! Like today, after seeing Arabella, I really want to get loads of piercings and tattoos done. She's so pretty and sexy! ►

**"I'm very  
bendy, so  
I could get  
into many  
naughty  
positions!"**

**NUTS BABES UNCENSORED**

**“Sabine would probably end up taking me to a bondage torture den!”**

RHIAN

## Arabella

**Hi Arabella! Is all this rudeness new to you?**

I've performed at fetish parties and dressed up in pretty rude stuff, but I'm not into weird orgies or anything. I'm not much of a public-sex person! It's interesting but I haven't been down that road yet.

**Have you been inspired by any of the fetish gear kicking around today?**

I loved one of my outfits. It was a mesh, see-through thing and it was really sexy. But the paddles and stuff might be a bit rude – even if I did enjoy giving Sabine a spanking! I've been tied up but that's not very shocking these days, is it? We have the internet now and access to loads of rude things!

**What are your thoughts on bondage and S&M?**

There's so much bondage in fashion that it's not taboo any more. Rihanna's done a whole video about S&M!

**Have you ever had naughty thoughts about Rihanna after watching her sexy moves?**

Not Rihanna, but I have with Angelina Jolie. She's the only person where I've looked at a few rude pictures of her and thought, "Yeah, you're hot!"

**If you could censor anyone in the world, who would it be?**

People's ex-boyfriends or losers in general. And people without a sense of humour. I find hilarious men attractive.

**Where's the naughtiest place you've been uncensored?**

I've been naked everywhere – it's actually ridiculous! I've had sex in the woods, on a beach, on holiday – everywhere!

**Finally, what's your favourite rude word?**

I say the C-word and f\*\*k more than I should. But I have childish and innocent names for rude body parts, too. I call a willy a "pee-pee"! Ha-ha! ▶

**"I've performed at fetish parties and dressed up in pretty rude stuff!"**

**NUTS BABES UNCENSORED**

**“I tend to be  
rude in public  
quite a lot!”**

# Rhian

## Hi Rhian! What have you been up to recently?

Hello! I've been up to all sorts since I was last in *Nuts*, but the big thing is that I did a road trip around America with Lucy Pinder. It was for a testicular-cancer campaign I'm working on, and it involved me sporting a pair of b\*locks for the day!

## That's a bit weird! Did you enjoy having knackers?

Maybe for a day – I liked swinging them around and giving them a fiddle, but I think the novelty would wear off. I prefer having boobs – they're better to look at, too!

## When was the last time you did something truly uncensored?

I'm not sure because I tend to be rude in public a lot! But I must admit, I enjoyed having Arabella crawling on top of me while we were both naked. That was quite intense! She's seriously fit. I quite fancy her. I'd try to get massive tattoos like her, but I'd probably look like a deformed Barbie!

## How many different rude words for sex can you think of?

Sex, banging, sexy-time, f\*\*k, making love, screwing, drilling, dipping... Is that enough sex for you, *Nuts*?

## Which one of the girls do you think has enjoyed the shoot most today?

Sabine! She's a proper dirtball, in a really good, sexy way! I saw her being naughty with the spanking tool and I was thinking of asking to join in. She wouldn't hold back and would end up taking me to some bondage torture den!

## Finally, are you turned on if a bloke is sexually confident?

I like the cocky, confident boys. I always seem to go for them – but maybe that's a bad thing! Be sexually confident but don't go over the top and start whipping things out in the middle of the pub! ❌

### The Walking Dead

**FX/HD** • 10pm

It's flesh-eating frolics-a-plenty this week as the group faces a series of pant-pooingly scary encounters with the walkers, while shady sheriff-man Shane gets even weirder after making a deadly sacrifice. We'd be more scared of him than the zombies!

★★★★

"Hello, have you considered changing your gas supplier?"

### 8 Out Of 10 Cats

**CHANNEL 4/HD** • 10pm

Host Jimmy Carr and team captains Jon Richardson and Sean Lock usually provide a solid serving of laughs in this opinion-led panel show, but the chuckle count should be sent through the roof in this evening's edition because they're being joined by Johnny Vegas. Let's hope he's had a few beers beforehand!

# Saturday 12 November

"Someone tell me, is there dog muck on my boot?"

## England vs Spain

ITV1/HD • 4.45pm

You'll forgive the England fans in the *Nuts* office for being nervous about this fixture but... Uh-oh! Yes, those pesky Spaniards and their better-than-everyone-else-in-the-world football are coming to Wembley to give Fabio's boys a lesson in how to play. Still, looking on the bright side, at least they might learn something.

★★★★★

"OK, I'll swap you some chops for this lovely tie"

## Boardwalk Empire

SKY ATLANTIC/HD • 9pm

It's been a pretty slow-paced second series for the prohibition-era saga, but the battle for Atlantic City's booze business turns brutal this week, and boss-man Nucky (Steve Buscemi) has to take a few risks to lay his hands on the illicit hooch.

The hair curlers experiment had been a disaster

## Let The Right One In

CHANNEL 4/HD • 11.30pm

## Misfits

E4/HD • 10pm

The writers of this awesome show can't resist introducing a new character without them turning out to be some sort of weird mentalist. This week, Simon saves the life of a comic book nerd who he then strikes up a friendship with. Of course, striking up a friendship in *Misfits* is never really "picnics in the park", is it?

★★★★★

"Ooh, do you use Listerine?"

## Alan Carr: Chatty Man

CHANNEL 4/HD • 10pm

One of the better chat shows on TV right now. Tonight, the funnyman welcomes *The X Factor* judges for some banter, *Nuts*' top boy Tinie Tempah and Kasabian come and sing too. Plus an extra star for Terry Wogan, who also pops in!

## Ross Kemp: Back On The Frontline

SKY1/HD • 9pm

According to Ross, the Taliban watch his shows. Well, while those beard-botherers may have a terrible sense of humour, they've got great taste in TV! In this series, Kemp revisits the war-ravaged nation ten years on from 9/11 to see how things have changed.

★★★★

## Young Apprentice

BBC1/HD • 9pm

A delicious premise this week, as Lord Sugar challenges his teen tycoons to flog goods to old fogies – setting two generations on a collision course. Hopefully, the oldies will silence the candidates and send them on their way with some Werther's Originals!

## Bronson

FILM4/HD • 11pm

Ahead of his forthcoming role in the new Batman flick, and after dazzling turns in both *Warrior* and *Inception*, Brit actor Tom Hardy is hot property at the moment. It's a good time, then, to revisit one of his early successes in this ace biopic of convict Charles Bronson. Hardy is both terrifying and hilarious as the loony prisoner!

★★★★★

## True Blood

CHANNEL 4 • 11.10pm

After almost three seasons of *True Blood*, Sookie finally finds out she's a faerie. No wonder all the vamps are obsessed with her. ## Frozen Planet

**BBC1/HD** • 9pm

The awe-inspiring desolation of the polar regions is the real star of this series – the animals just live there. This week, said animals include baby beluga whales playing with their mums, polar bears feeding on a whale carcass and the fights that break out among rutting musk oxen. They make post-pub scuffles look tame!

# Nuts gambling masterclass!

A host of top tips to help you play Deal or No Deal!

➔ YOU MAY think Deal or No Deal is a game for those who believe in "systems". Well, the TV show might be, but the multi-line slot isn't!

You can win big from the comfort of your own home for as little as 5p, and if you play on all lines, you could win a progressive jackpot. One recent Nuts Games winner bagged himself £229,776!

## How to play

- The aim is to get winning symbol combinations from each spin of the reels, with the ultimate target being the progressive jackpot.
- You can select up to 20p on each of the 20 pay lines. That gives you up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win some extra cash.

## The number lines

It's all self-explanatory – click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

## Bonus game

If you bet on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins – this plays like the TV show, with the big progressive jackpot at stake. Don't be too greedy or, like us, you could end up with £8 instead of £100!

**Plus win up to £10k!**

Play three games for the price of one with Deal or No Deal Scratchcard. Play from the comfort of your home for £1 for your chance to win!

**CONFESSION OF THE WEEK!**

## 'She used her sex toys on me'

ON A girls' holiday recently, I'd met a gorgeous guy around the pool, and we decided to hook up on the last night. After a few cocktails, I invited him back to our apartment for some naughty fun. When we got there, one of my friends was lying on her bed, pleasuring herself with her sex toys, but instead of stopping, she invited us to join in. We stripped off and she used one of her toys on me. I was so turned on that shivers of pleasure ran through my body. Then we took turns giving him oral. He couldn't keep the smile off his face!

**Claire Essex**

## 'We sent dirty texts'

I WENT swimming with my friend last week in an effort to get fit but we ended up spending the entire time in the pool gossiping and sharing sex

stories. When we got out of the pool and headed towards the showers, she admitted she was feeling horny and suggested we try some girl-on-girl action. I was taken aback at first but curious, and as soon as she kissed me, I felt myself getting wet. We rushed to the changing room where she went

down on me. I asked her if I could take a picture with my phone and send it to my ex as he'd always fancied my friend and she agreed. We took a few intimate snaps and sent them to him. Ever since that afternoon, he's been trying to get in touch with me again. I can't think why!

**Hayley London**

## 'She licked my wet fingers'

A GIRLFRIEND and I went shopping recently to buy some new lingerie. There was so much beautiful, skimpy underwear and we both tried on loads of sexy stuff, which made me feel really horny. I whispered to my mate how I was feeling and, knowing she'd be up for it, asked her to nip into my changing room. She stood behind me and gazed at our reflection in the mirror, cheekily stroking my breasts, which made my nipples harden. I slid a hand inside her thigh and stroked her while she sucked on my boobs. Then she licked my wet fingers and we kissed deeply, grinding our bodies against each other. We were both moaning with pleasure and enjoyed an orgasm each in our tiny cubicle. Once we'd finished, we bought loads of underwear and raced home to continue our mischievous dressing-up session!

**Lucy via email**

## 'I pleased myself'

I WAS watching a sexy film at home on my own recently and was feeling really turned on by it, so I started to rub myself through my clothes. I couldn't resist the urge to take it further so I slipped a couple of fingers inside myself and then began squeezing my nipples using my free hand. The feeling was so amazing that I couldn't stop myself from letting out a soft moan. I was so oblivious to everything that I hadn't noticed my boyfriend had come home. As I opened my eyes, he was stood in the bedroom doorway, so I beckoned him over. He started pleasuring me and sliding his fingers over my clit. I was shaking all over with pleasure by the time I came and now I often let him catch me at it!

# 10 RUDE QUESTIONS!

And a real girl to answer them!

**Ebony**

22 Brighton

**1 Where's the strangest place you've had sex?**

"On a window sill. People were walking past the house at the time and it didn't fuss me one bit. It made it so much more exciting for us both!"

**2 What's your trademark naughty move in the bedroom?**

"I'm afraid that's going to remain my little secret! I like it to be a surprise for a bloke to find out!"

**3 What really turns you on in bed?**

"I like it when man takes control, and I like a bit of rough and tumble. I enjoy dirty talk, because it really gets me in the mood. Oh and I love a guy teasing me in a sexy way!"

**4 What's your favourite position?**

"I have two favourites – spooning, and then from behind but standing up. Always winners!"

**5 Is it better to give or receive?**

"Both. It feels great to receive, but then knowing you're making someone feel a lot of pleasure is just as satisfying!"

**6 What one thing would you really like to try but haven't yet?**

"I'd love to have sex on a plane. That would be so exciting and naughty at the same time!"

**7 Have you ever got it on with another girl?**

"I've snogged a few girls on drunken nights out before, but I've never gone further than that. I'm happy to experiment though."

**8 What's your favourite role-playing costume?**

"My naughty policewoman outfit, with crotchless thong, suspenders and a tie. And with my sunglasses on – I think it makes it more kinky not seeing the eyes!"

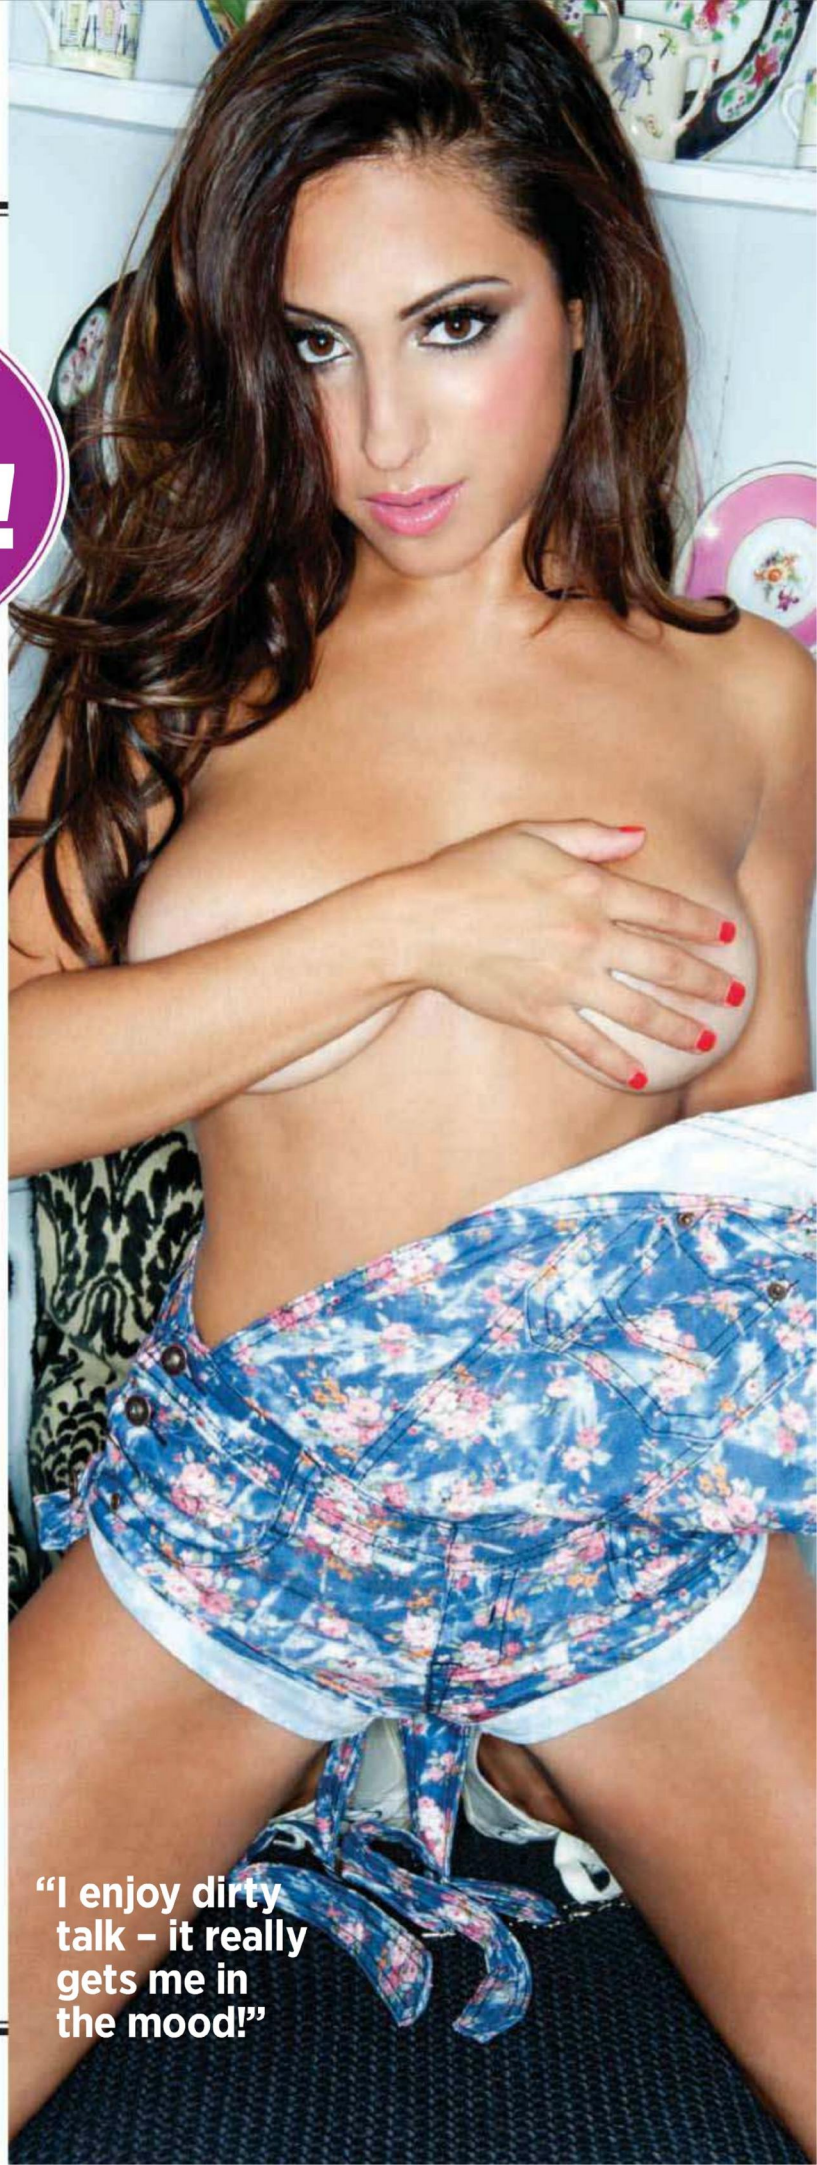

**9 Have you ever made a sex tape?**

"No, not really. Well, never an actual tape but I have had many recordings done on my camera phone."

**10 What's the single rudest thing you've ever done?**

"I've indulged in quite a lot of naughtiness in public before – in clubs, on the beach, in the back of a cab – although not with the cab driver, obviously!"

**"I enjoy dirty talk – it really gets me in the mood!"**

**EXCLUSIVE!**

## Bent: 'I want to lead the line at Euro 2012!'

**Aston Villa's star striker talks to *Nuts* ahead of England versus Spain!**

**Hi Darren! How's life going at Villa Park?**

"Yeah, really good!

Obviously, the boys have made a decent start to the season and we're playing some good stuff."

**How do you explain Aston Villa's upturn in fortunes?**

We've really stepped it up in training and been working on defending well as a unit. The players are determined to improve on last season and make sure we're higher up the table.

**Are you pleased with how you've been playing?**

Yeah, I'm happy. Obviously, as a striker, you always think you can score more goals but as long as we're the getting the results as a team, it's less important how I play.

**Man City look like they're the team to beat. Do you think there's been a shift of power in the Premier League?**

It's still too early to say. Man City have been awesome so far and are playing some great football, but I can't help thinking Man United will still have something to say when it comes to the title race. You can't forget about Chelsea, either.

**Are you looking forward to facing Spain?**

I can't wait! Obviously, they're the best team around at the moment. They've won the European Championship and the World Cup. But it's about finding a solution to beat them. We're at Wembley and I think we've a decent chance of getting a result.

**Really? Have you seen how good they are!**

Of course. But they have 11 men, just like us. You have to believe you're going to win, otherwise why even bother going out on the pitch?

**Can you explain Fernando Torres' loss of form?**

Sometimes you can be unlucky with injury or form. Other times there's nothing you can do about it. You just have to keep training hard and hope your luck changes.

**Is it all about confidence?**

It is for me, yes. When you're scoring goals and your confidence is high, you feel like you can score from anywhere. Obviously, if it's not going so well then it can be difficult. But you have to keep making the runs and getting in positions to score. Eventually it will happen.

**Do you feel you have a big part to play in Euro 2012?**

That's definitely my aim. I've been involved in a number of Fabio Capello's squads and scored some goals. If I can keep scoring for Aston Villa and making an impression, hopefully, I'll be leading the line next summer.

**Thanks for the chat, Darren! Finally, we know you love your gaming. Do you play any other footballers online?**

Yeah, I love it! I usually play against some of my old Sunderland team-mates on *Fifa*, like Fraizer Campbell and David Meyler. I win my fair share of matches but Meyler is the man to beat!

- Think you've got the skills to beat Wayne Rooney and other Premier League stars at *Fifa 12*? Upload your best *Fifa* goal to [easportsfootball.com](http://easportsfootball.com) and win a place to take on your heroes in the *Fifa 12* Pro Player Challenge Final at the "House of Wayne".

## Merson: 'Spain can be beaten'!

The *Nuts* legend on how Capello's men can ensure victory!

### **PATIENCE**

"England need to be really patient. It's at Wembley and the crowd will be wanting the home side to attack, but if Fabio Capello wants a result he needs to treat this like an away match. Be cagey, get behind the ball and don't play too open."

### **PLAY 4-5-1**

"Capello will have to pack the midfield to deal with the likes of Xavi and Iniesta. You can't give players of that quality any space or they'll kill you. England will need to set up defensively and try to hit the Spaniards on the break."

### **PLAY STRONGEST TEAM**

"This isn't a game where Capello should be experimenting at all. It's very likely that we'll have to beat Spain if we want to win Euro 2012 and this is the perfect opportunity to get some experience playing against the best."

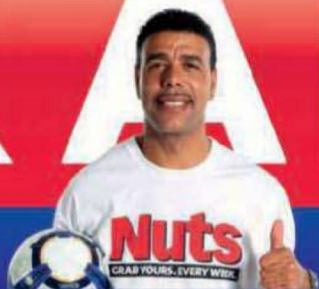

They just heard Green was out

● England vs Spain is on Saturday, ITV1, 4.45pm

**HAPPY HITMAN!**

# KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"Woah! Sweet child o' mine!"

It was an odd moment to begin to jive

## Rooney: only England star!

I SEE that Wayne Rooney's the only English player nominated for the Ballon d'Or World Player of the Year award. I can't say I'm surprised – it's not been a great year for England. To be honest, I don't think it's been that good a year for Rooney either, but he made it in.

Sometimes it's hard not to think it's more about profile than talent. Obviously Rooney has been in fantastic form this season but, before then, he wasn't playing to his potential. It's silly that the nominations are decided at this point anyway. Why not announce them in the close season? One thing's for sure, Barcelona are so far ahead of everyone else, it just isn't fair. Eight of the 23 nominees are Barça players!

## Where are all the sackings?

**No Prem League gaffer has lost his job this season... yet!**

**IT REALLY** is unbelievable!

Premier League managers can't get sacked at the moment! At this point in the season, with ten games gone, at least two or three would've usually seen the door by now. If you look at the likes of Steve Kean at Blackburn or Roberto Martinez at Wigan, under normal circumstances, they'd

probably be looking for new clubs, but their chairmen have really backed them and that makes all the difference.

Despite massive pressure from the fans, the Venkys have stuck by Kean, while Dave Whelan has publicly stated that he would never sack Martinez. That sort of support is crucial if these teams want to turn the corner. It's the same at

Molineux, Wolves have had a bad run of late but Mick McCarthy still has the full support of the board.

The fact that the three promoted teams have started so well only adds to the pressure. You'd usually expect at least one of them to be in the bottom three.

It's nice to see everyone still in a job, although I'm sure it won't last long!

- Send jokes, comments, pics etc to [kammy@ipcmedia.com](mailto:kammy@ipcmedia.com). The best one each week wins a signed *Nuts* T-shirt!

**KAMMY'S UNBELIEVABLE-OMETER™**

**UNBELIEVABLY GOOD!**

**BRILLIANT BA!**

It's a long story, but I once played basketball with Demba against the Harlem Globetrotters! He was a lovely lad and it's great to see him scoring for fun at Newcastle!

**UNBELIEVABLY BAD!**

**FLIPPANT FANS!**

I don't know what certain Chelsea fans were thinking with their Anton Ferdinand chants in Genk, but it wasn't on. How on earth did they think it would help John Terry?

**THE BIG MATCH!**

"We love cucumbers!  
We love cucumbers!"

## Billy Sharp is a true hero!

**MY HEART** goes out to Doncaster Rovers striker Billy Sharp and his wife. Billy played – and scored – in Rovers' 3-1 defeat to Middlesbrough only three days after losing his newborn son. I cannot imagine how difficult it must've been for him, but he showed true bravery and professionalism in turning out for his team, even though he could have missed the game. Our thoughts and prayers are with you, Billy.

Sharp dedicates his goal to the memory of his baby boy

## Estonia vs Rep of Ireland

**SAT 11 NOV & TUES 14 NOV, 7.45PM • Sky Sports 1**

I'm backing Giovanni Trapattoni's men to make it to Euro 2012. I think they'll set up defensively for the first leg in Estonia and leave with a goalless draw. Then go for the jugular at the Aviva and grab the win they need.

**KAMMY'S PREDICTION: 2-0 (ON AGGREGATE)**

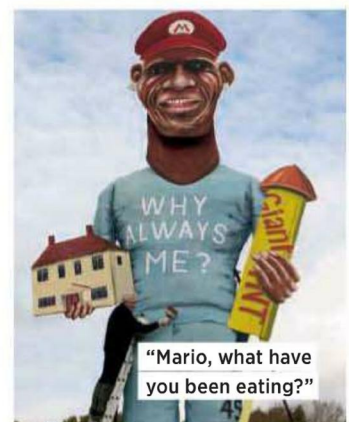

## Key man

Robbie Keane will grab a couple of goals. I saw him play for LA Galaxy recently and he was still sharp. Shame he isn't playing in the Prem!

## Balotelli goes up in smoke!

**IT JUST** keeps getting crazier in Mario Balotelli's world! I see someone made a giant effigy of him on Bonfire Night! They even stuck a firework in his hand! Mario's loving life at the moment and it's showing on the pitch. The Premier League is a better, and more entertaining place with him in it!

# Massa vs Hamilton!

**Eddie Jordan on F1's biggest feud!**

**IT'S MADNESS!**  
McLaren's Lewis Hamilton and

Ferrari's Felipe Massa have crashed into each other five times in the last 12 races! To help us understand why it's happening, we enlisted F1 guru Eddie Jordan...

"Oi, I saw the parking space first!"

## THE CRASHES

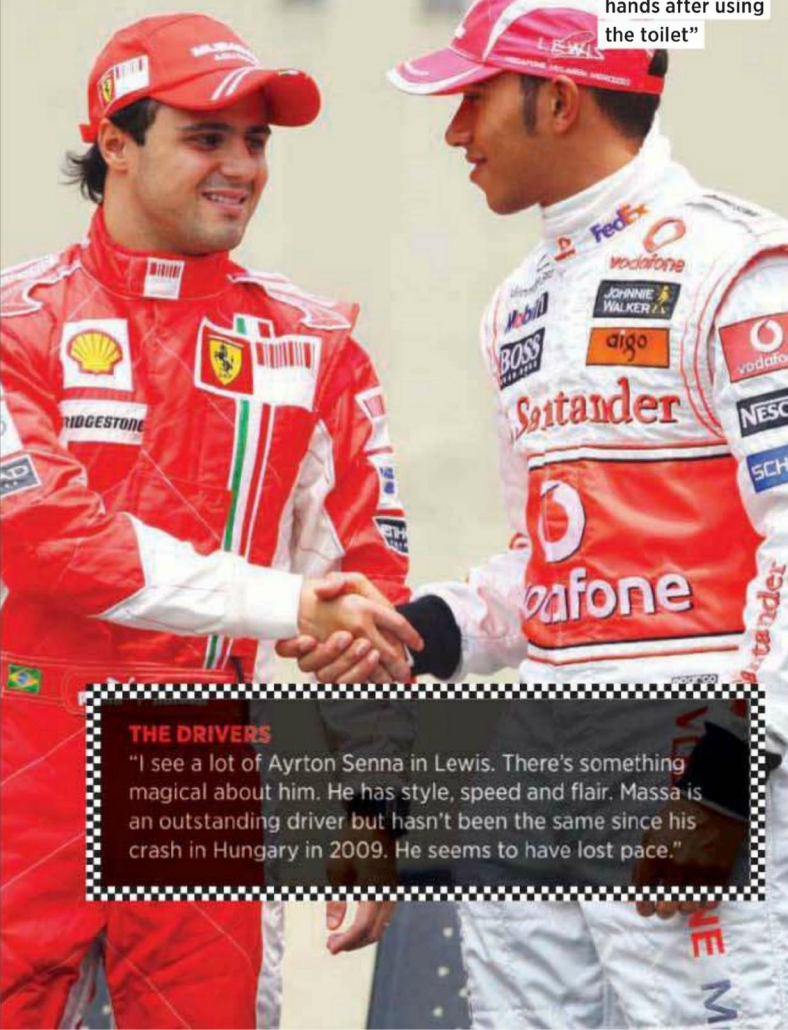

"They shouldn't even be on the same part of the track! The McLaren is faster and Lewis has the pace to stay ahead of the Ferrari. But they seem to attract each other. There's a magnetism there and it's become a bit of a vendetta."

## HE'S AN F1 LEGEND!

Eddie Jordan (right) used to own the Jordan GP team and is now the chief F1 analyst for the BBC.

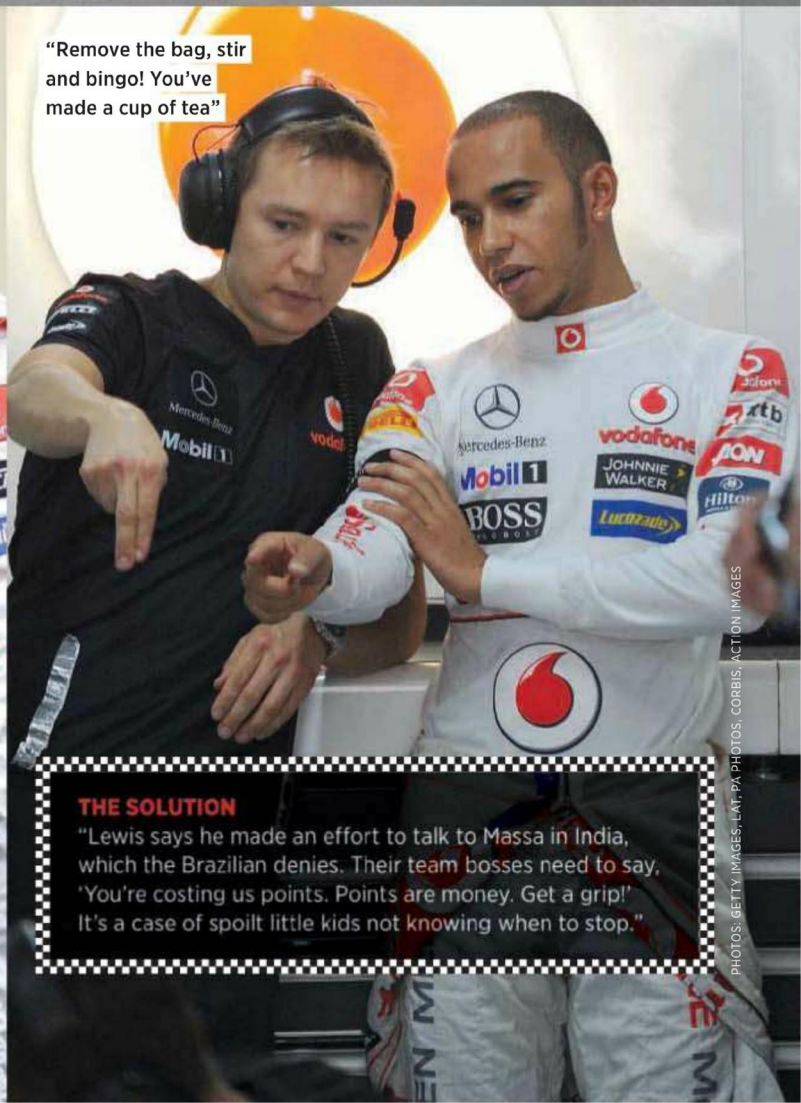

"I didn't wash my hands after using the toilet"

## THE DRIVERS

"I see a lot of Ayrton Senna in Lewis. There's something magical about him. He has style, speed and flair. Massa is an outstanding driver but hasn't been the same since his crash in Hungary in 2009. He seems to have lost pace."

"Remove the bag, stir and bingo! You've made a cup of tea"

## THE SOLUTION

"Lewis says he made an effort to talk to Massa in India, which the Brazilian denies. Their team bosses need to say, 'You're costing us points. Points are money. Get a grip!' It's a case of spoilt little kids not knowing when to stop."

"Here's a shaver, Lewis. Lose the sideburns!"

#### THE MENTALITY

"Lewis doesn't drive dangerously but he's impetuous and sometimes puts his car in places it shouldn't be. Massa is under pressure. He's the number-two driver at Ferrari. The stress of proving yourself means you can make mistakes."

"Stop following me!"

#### THE FUTURE

"Lewis and Felipe could go through next season and never see each other on the track. The crashes have been purely circumstantial. The two of them just need to assess where they are and move on. They'll both prosper as a result."

# Fury: 'This time next year, I'll be world champion!'

**The Commonwealth heavyweight champ on his next fight and Audley Harrison's dancing!**

**➔ Hi Tyson! How's training going for your Commonwealth title defence against Canadian Neven Pajkic?**  
It's going good, thanks. Really good. I can't wait to smash the guy's face in!

**So you haven't got a complex tactical game plan, then?**  
No. I just want to get in the ring, hit him as hard as I possibly can, break his ribs and smash the bones in his face. That's my game plan!

**You really don't like this guy very much, do you?**  
This isn't a normal fight for me. It's personal. Pajkic has been calling my father, wife and kids names, and I want to do him some serious damage.

**Former world featherweight champion Barry McGuigan says you're part of a "bright future" for the British heavyweight division. How does that feel?**  
It's good to hear. Barry was a great fighter and is now a great commentator. I feel like I'm on my way to the top and nothing is going to stop me.

**With David Haye retiring, are you his natural successor?**  
I don't think we're that similar. I'll make it whether he's part of the heavyweight division or not. He would've had to fight me sooner or later, and he would've got knocked out.

**What do you think Haye's legacy is?**  
He was cruiserweight champion and heavyweight champion, he made his money, then he got out of the game. He was too small to make it as a proper heavyweight anyway.

**What do the next couple of years hold for you? Think you can become world champion?**  
There's absolutely no doubt in my mind – this time next year, I'll be the heavyweight champion of the world!

**What do you make of Alexander Povetkin's claims that you ducked a fight with him?**  
To be honest, it's complete bullsh\*t! We wanted the fight but Povetkin's people never came to us with a deal or put any money on the table. He knows I'd wipe the floor with him anyway.

**Your name's a big clue, but who are your boxing idols?**  
Obviously, Mike Tyson! But Muhammad Ali and Lennox Lewis, too. I try to take a bit from each boxer and put it all together to make my own style.

**Thanks for the chat, Tyson. One last thing – what do you make of Audley Harrison appearing on *Strictly Come Dancing*?**  
He's obviously doing it for whatever money he can get his hands on. It's understandable because he was a complete failure as a boxer. Mind you, his dancing isn't much better!
