**EXCLUSIVE!**

## Meet the *Scousewives!*

It's the stars of E4's  
new reality show!

➔ IT SEEMS that lazy reality TV producers now commission shows by spinning three times in their chair and sticking a pudgy finger into a map of the UK. There are your endearingly dim residents of Essex, the upper-class twits of Chelsea, booze-loving Geordie lasses and now these strangely eyebrow-obsessed ladies of Liverpool.

Only time will tell if we'll get drawn into their world of big hair, "Scouse brows" and cat fights. But by the looks of its lady stars, this show could be as moreish as crystal meth. And Pringles.

Debbie

Sam

Amanda

### SCOUSERS ON SCREEN

Catch more of these lovely Liverpool ladies in *Desperate Scousewives* on E4, Mondays at 10pm.

Elissa

Chloe

Gill

Turn this way for  
more of the ladies!

**CHLOE CUMMINGS**

Chloe is Abbey Clancy's cousin and wants to be a successful model, too. She says her legs are her best asset. We're not arguing!

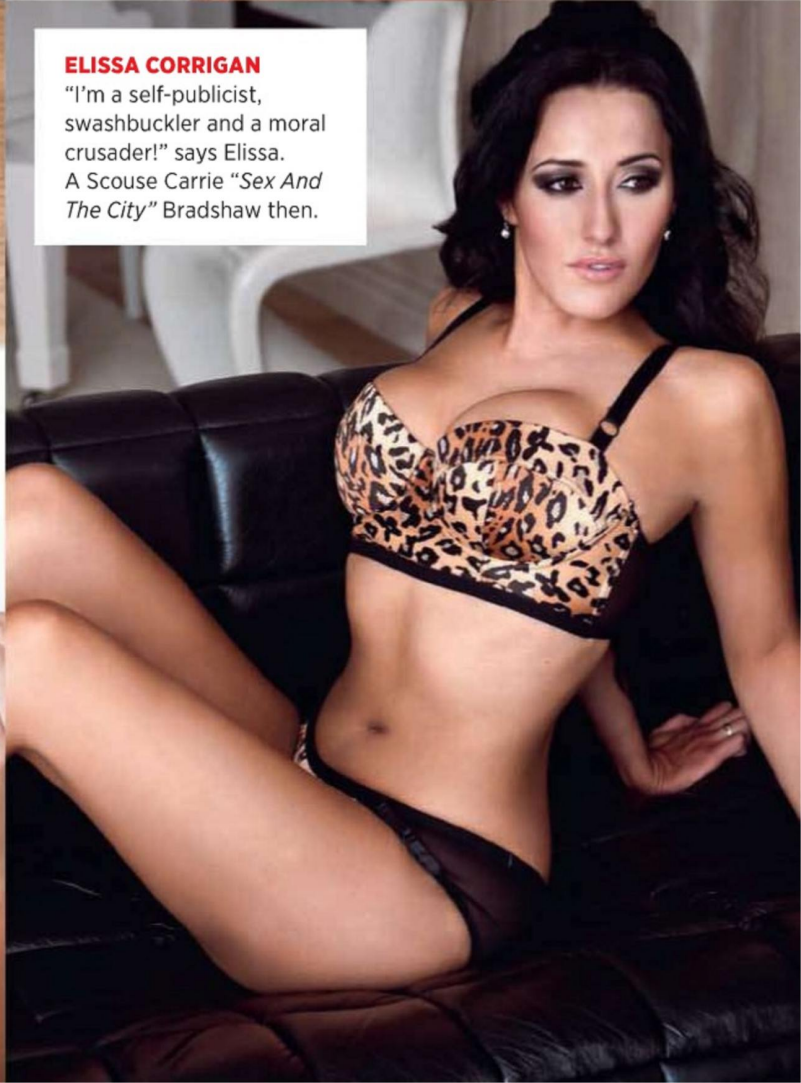

**AMANDA HARRINGTON**

Amanda wants to be like Pamela Anderson and Kim Kardashian, and we know what link *they* share! Fire up the internets, chaps!

**SAM WOOLLEY**

People often mistake Sam for Kate Middleton. "I'm loud, outgoing and live life to the full!" she says. Making her our favourite.

**ELISSA CORRIGAN**

"I'm a self-publicist, swashbuckler and a moral crusader!" says Elissa. A Scouse Carrie "*Sex And The City*" Bradshaw then.

**GILL & DEBBIE O'TOOLE**

Debbie wants to be a top model and shares a room with older sister Gill, pillow fighting in their undies and hair in bunches. Probably.

# £1.5m Land Rover concept tested in LA!

*Fifth Gear's Jonny Smith gets world's first go on DC100 Defender Sport for Nuts!*

## CONCEPT CARS

are true supermodels – one-off prototypes intended to be gawped at, not played with. But we convinced Land Rover to give *Nuts* the keys to their £1.5million machine of the future.

Twenty-four hours before its American debut at the LA Auto Show, *Fifth Gear's* Jonny Smith was at the wheel of the DC100 Defender concept car, crossing the golden sands of Santa Monica beach.

"Think of concept cars as an expensive movie set," Jonny said. "They look totally believable, but half of the stuff isn't usable. The DC100 Sport concept is a prototype designed to hint at what the replacement for the Defender might look like in 2015.

"The car has that stocky, unkillable feel, which makes anyone who drives it feel the same. Not that anyone else has driven it!" *Nuts* – always first for cool car news!

"This doesn't look like Wolverhampton"

## HERE'S JONNY!

Jonny Smith presents *Five's Fifth Gear* along with Tiff Needell and Vicki Butler-Henderson.

## THE SCIENCE

The DC100 Sport carries serious off-roading tech. Take "Wade Aid" – sonar sensors in the front bumper and wing mirrors that measure the depth of water before you drive through. Plus, the "Terrain Response" system, which uses 3D maps and AI to scan land ahead and adjust the suspension or gearing accordingly.

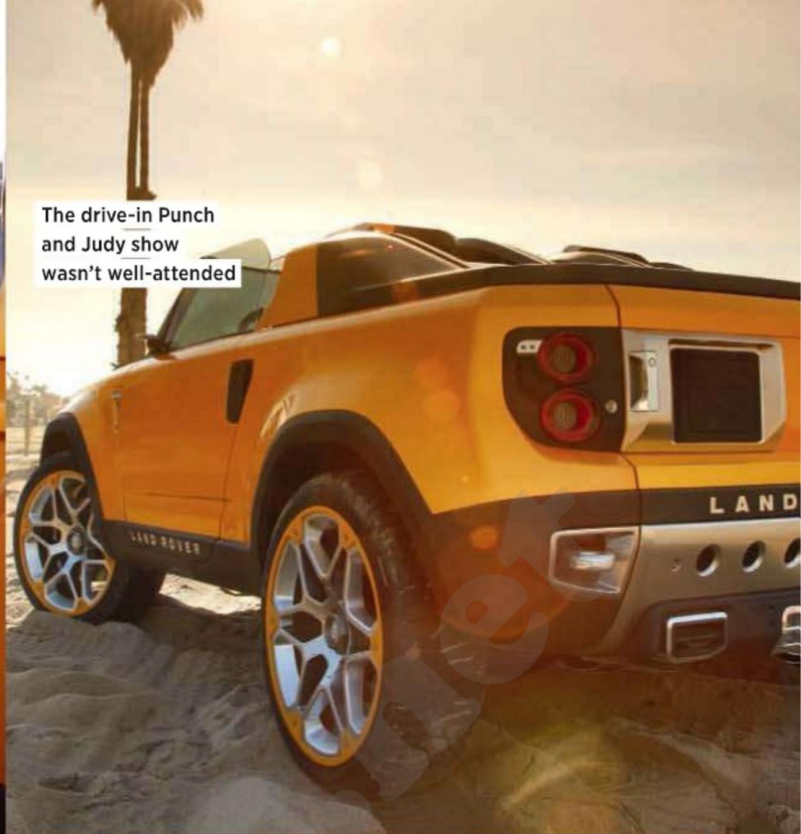

Car loved getting in a spot of sunbathing

#### THE INTERIOR

Not everything works on concept cars. The buttons on the two-spoke steering wheel are fake. This is a two-seater, but there's a third that folds down in the middle. The floor area's rubber and can be hosed out, but still looks cool thanks to a big starter button underneath a sliding aluminium panel.

The drive-in Punch and Judy show wasn't well-attended

#### THE LOOKS

The DC100 Sport's appearance is very much farmer meets gangster, but look carefully and you'll see Defender DNA creeping through into this fresh design, like the wheels pushed out into each corner with short overhangs, integrated front bumper winch and hallmark Landie slab sides.

"Er, anyone know the way to the dodgems?"

#### THE DRIVE

We weren't allowed to gun it over 15mph (concept test rules), but it felt surreal to know there's no other vehicle like the one we drove. The chunky 20in tyres have been hand cut for this concept and it feels like no amount of sand/snow/mud/rioters would stop it. The V8 noise drew glances all over the beach.

### Jonny's verdict!

"This won't be the last Land Rover Defender concept between now and 2015, but it's a fine start. It still has that Land Rover feel, as though you could drive over a grenade without getting so much as a stone chip."

# Frankie Boyle and Jimmy Carr!

The A-list comics on Piers Morgan, tumble dryers and what they think of each other!

**Hi Frankie and Jimmy! You're both about to do tours.**

**Do you get bored of touring?**

**Jimmy:** People say I'm the hardest-working man in comedy. That's like saying, "He's the best-looking guy in the burns unit." That's why I tour so much: self worth. What I do for a living is stupid, but I do a lot of it.

**You've both got in trouble for offending people with your jokes. Is that unfair?**

**Jimmy:** A lot of British comedy is about class. I sound posh – I'm not, I'm from Slough – so I get an easier time than Frankie. When you do an offensive joke, it sounds more brutal because you're Scottish.

**Frankie:** Maybe people think I'm working class so I'm an idiot and I didn't mean it?

**Jimmy:** I've heard people say they wished you were a character. Maybe if you wore a funny hat...

**Frankie:** And I was called Mad Jack McScottish...

**Jimmy:** Sometimes you know you're going to get into trouble. I did a joke about Jimmy Savile. He'd been dead two hours. I said, "Jimmy Savile from *Jim'll Fix It* has died. I guess he finally got round to reading my letter." Nothing. They couldn't care less.

**Frankie:** I thought of a new joke about iPads. On the train, wait for a fat person to sit beside you. Then you say, "Excuse me, I left my iPhone where you're sitting. Oh, you've squashed it, you fat c\*\*t!"

**Is there anything you wouldn't make a joke about?**

**Jimmy:** It's difficult to make aeroplane food funny.

I feel like someone has got there before.

**Frankie:** Flooring is a difficult area, I've always found.

**Jimmy:** I'm sure there's a joke about Hispanics and underlay you could put together.

**Frankie:** People go, "You should never make a joke about rape, that's not funny." What about Piers Morgan being raped by Lion-O from *Thundercats*? That's funny. Piers Morgan being raped by a Thundercat at the assembly of a disabled school? Not funny. But they're blind so they can't see! Funny! But they can smell something's wrong. Not funny!

**Jimmy:** You know when Piers Morgan interviews people on television? I said to him, "Why don't you get Parkinson's?" I don't mean his f\*\*king job. Are you shaking your head at a Parkinson's joke, Frankie?

**Frankie:** Taboos aren't rational. Necrophilia is a big, clean, Saturday night laugh. People love a necrophilia joke.

**Jimmy:** Look at *Twilight*. It's basically a young girl's choice between necrophilia and bestiality.

**Frankie:** It's a horror movie. He shagged her once and she got pregnant immediately.

**Jimmy:** It'd be interesting to make a horror movie about things people are genuinely scared about. It's like Aids – Aids is cheeky now.

**Frankie:** People come up to me and say, "Frankie. What shall I do if an ex-girlfriend tells me I'm HIV positive?" The trick is to always act surprised.

**Are you really going to retire after your next tour, Frankie?**

**Jimmy:** I can't believe that you're retiring. Comedy is so

about ego. The subtext of all comedy shows is, "Please like me." Yet you don't seemed that fussed.

**Frankie:** It's like someone saying, "My dog barked when you came on TV." I couldn't care less what some guy I don't know thought.

**Jimmy:** How about the approval of other comics?

**Frankie:** I couldn't care less. I hate comedians. They're largely coke-filled shaggers. Their opinion doesn't mean anything.

**Jimmy:** Present company excluded of course.

**Frankie:** Er... No.

**Are you fans of Twitter?**

**Frankie:** I hate Twitter. It's like justifying a new autism. If you're sat in a room and shout, "I'm wearing red socks today!" people would think you're nuts. And retweeting! That's like someone going, "He's wearing red socks today!" Come on!

**Jimmy:** I love it. I use it for topical stuff. I wouldn't put topical stuff in a live DVD because I want that DVD to last. I don't want to be embarrassed in five years time. If I do a joke about David Cameron... remember that guy?

**Frankie:** I'm the opposite. In five years' time, we'll all be living in a pyramid of tumble dryers, dying from radiation sickness. This is the end of history, man. It's totally topical.

# A year of Sophie Reade!

**Twelve months of boobiness!**

➔ IF WE made a Venn diagram of "men who like dates of the year" and "men who like really big boobs", in the middle would probably be this – saucy snaps from Sophie Reade's 2012 calendar. Admittedly, the "boobs" ring would be lots bigger than the "dates" ring, but that's just maths, eh?

# Star Wars: The Old Republic first play!

Hands on with the intergalactic supergame!

➔ IT'S HARD to explain in a few paragraphs and some captions just how preposterously huge *The Old Republic* is. A living, breathing, evolving *Star Wars* adventure, it's an MMO (massively multiplayer online game) that could keep you chained to a PC for years. Choose your side, pick your *Star Wars* man/lady and you'll be thrown into a new yarn that the chaps behind it reckon gobbles up 60 years of writing. That's a lot of gaming! We spent an hour jabbing at PC buttons. This is what we discovered...

● *Star Wars: The Old Republic* is out on PC on 20 December.

## THE STORY

As ever, this is a Jedi vs Sith dust up, but it happens 300 years after Xbox game *Knights Of The Old Republic* and 3,500 years before the *Star Wars* films. And you get your own starship to personalise!

## CHOOSE YOUR CLASS!

There are four good (smuggler, trooper, Jedi knight and Jedi consular) and four bad (bounty hunter, Imperial agent, Sith warrior and Sith inquisitor). Each has hundreds of hours of gameplay.

#### CHOOSE YOUR MAN!

After much pondering, we chose a Sith warrior and crafted a chap resembling Darth Maul from *The Phantom Menace*. The game randomly selected his name: Helkekzeesh. Good name!

#### COMPANIONS!

Like Doctor Who, you can recruit five companions to send off to do tasks. Like making items and gathering stuff you're too busy to get because you're sticking lightsabers into people's guts.

#### COMBAT!

Expect player vs player and player vs PC combat. We began with basic lightsaber attacks, but soon added force lightning and an earthquaking stomp attack. Level up and combat gets very powerful.

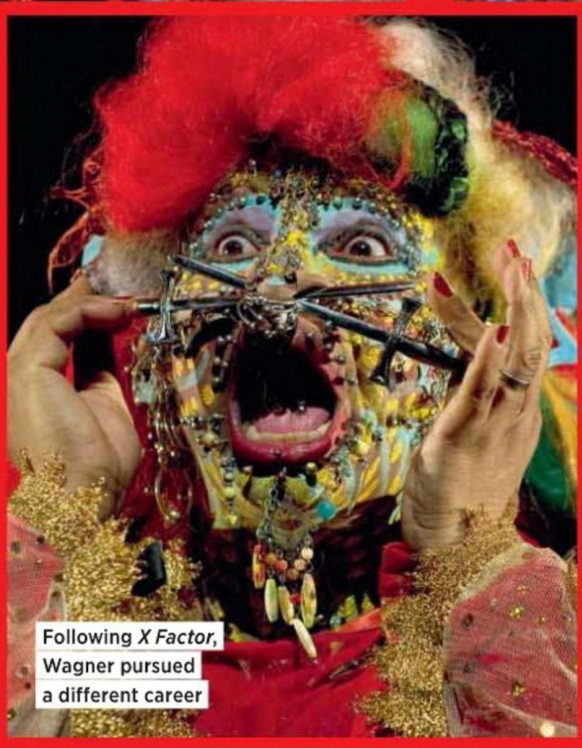

# 'Dude! You've got something on your face!'

It's a Venezuelan performance artist/sieve!

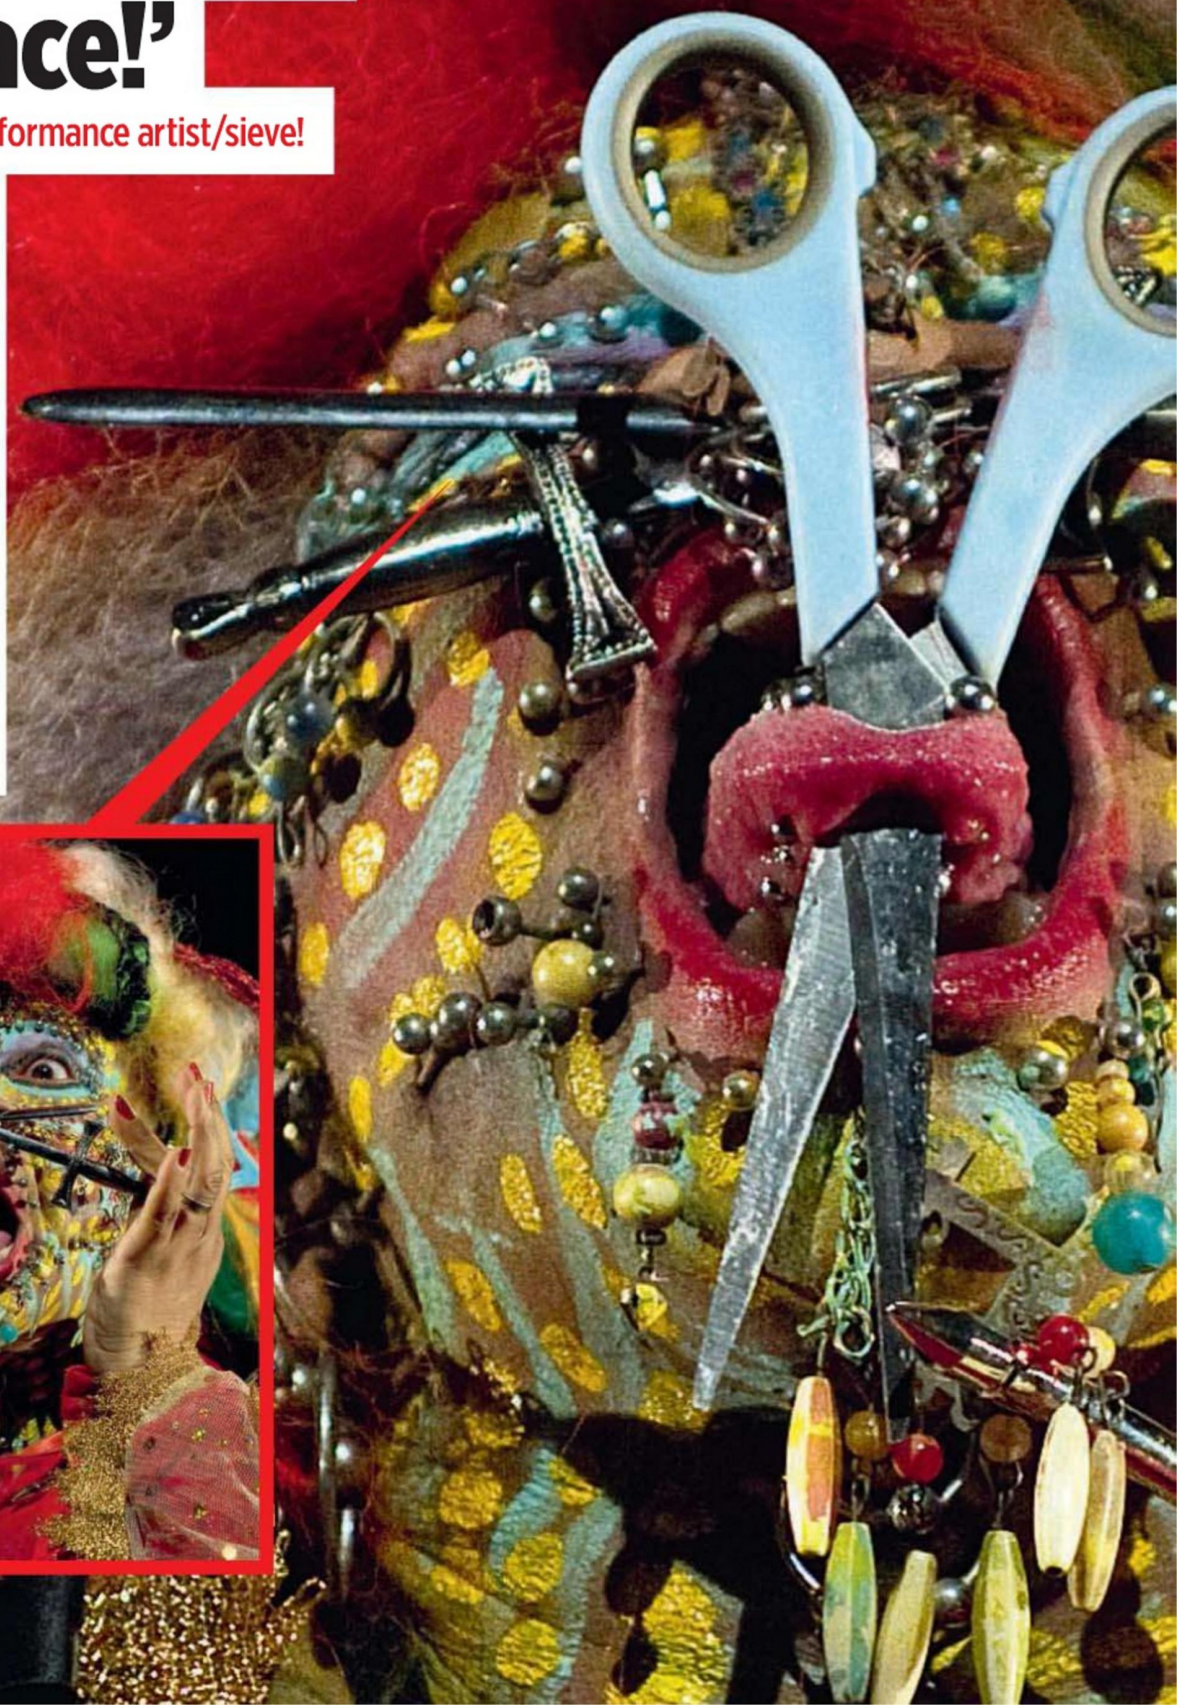

➔ **THIS CHAP** decided that, to stand out at the Body Paint Festival in Caracas, Venezuela, all they had to do was ram a pair of scissors through their tongue. Seems the red hair, full-face paint and many piercings just weren't doing it for them.

The Festival is a big shindig where thousands of participants paint their faces and bodies in various hues of gold, orange and brown.

So, just like an episode of *The Only Way Is Essex*, then? (Twirls bow tie. Takes a bow.)

Following *X Factor*, Wagner pursued a different career

"This little piggy  
went to market. Oh..."

# Man grows new finger!

**On his tummy. Why not?**

**WHEN 20-YEAR-OLD** furniture worker Wang

Yongjun managed to chop the end of his finger off with a saw while working in the Liaoning Province of China, he probably girded his loins for a lifetime of "Yo! Nine fingers!" and "Oi! Semi-hand!" jibes.

That is, until a clever surgeon decided to attach

Wang's finger to his stomach, and grow a new end for it! Not only did it restore blood circulation but, after a month forcibly sewn into his tum-tum, enough extra skin had grown to cut around it and create a new finger end.

So now he's back proudly giving the full one finger salute to anyone who mocks him. The angry little tyke!

## Chloe Sims

**At a party, London**

Chloe hit London in a dress that stepped artfully to the left, like a Ronaldo shimmy, to reveal a boob. The dress then winked and minced off, claspings a man bag.

## Alize Mounter

**Celebrating her win**

This is the shiny, new, Miss England, in a bikini and her tiara. Which we *really* hope is a bedroom "thing", too.

## Rihanna

**Promoting her album**

There are few jobs in the world we'd choose over working on that *Nuts* magazine. But "Rihanna's Breast Holder" qualifies.

## Helen Flanagan

**At a party, Manchester**

Helen tweeted a snap of herself in this very dress a couple of weeks ago. So we put it in *Rude News*. Last week, she wore it again. Any questions?

## “Swearing’s no big deal!”

A UK judge has deemed that profane language is so common that it can’t be seen as offensive any more, and I for one say about f\*\*king time! How many times have UK courtrooms been held up because some idiot dropped the F-bomb in front of a cop when he was drunk? The cops f\*\*king love it! They want you to swear so they can throw you on the ground and pepper-spray you! It’s all bullsh\*t – did the poor little policeman hear a dirty word? My brother’s a cop and they all f\*\*king swear. They’re like people in the utilities – they want you to swear so they can get you off the phone. That’s why I always warn the gas company or the phone company before I start the phone call that I have Tourette’s. And then I let rip on the f\*\*king c\*\*ksucking c\*\*ts!

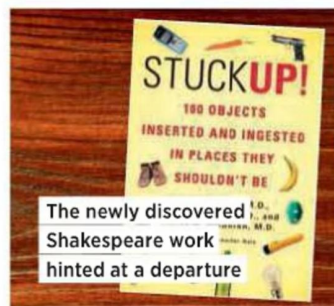

The world’s  
heaviest woman,  
Pauline Potter

## “She’s good in the sack!”

THE WORLD’S heaviest woman, Pauline Potter, weighs 52 stone and can’t walk or dress herself unassisted. Even so, she sure is good in the sack! Her ex-husband, all ten stone of him, has decided he can’t live without her and shags her an average of seven times a day! I’m not going to ask you, “How could he?” because a lot of people have some weird preferences, but I’m sure going to f\*\*king ask, “How *can* he?” Physically, how can he? I’m assuming that her good stuff is under a lot of excess flesh – that dude has probably had sex with half the rolls of flab on her body. And she must smell like my bedsheets!

## “Rolling pins stuck up the bum?”

THERE’S A new book coming out called *Stuck Up* (check out some of the highlights on page 20) devoted to pictures of items inserted, accidentally

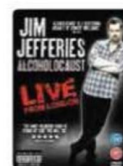

The newly discovered  
I.O. and  
Shakespeare work  
hinted at a departure

or otherwise, into places they shouldn’t be. Things stuffed up people’s arseholes, basically. I can understand sex toys being stuffed up your arse, but not things like Coke bottles and rolling pins. Not because I find it weird, I just can’t stand cheap people. Sadly, we only get to see the things that got stuck up the arse. I’d like to see a book called *Things I Stuck Up My Arse But Got Back Out*, with pictures of famous people holding up the things they got out. So you’d get pictures of David Cameron holding up Boris Johnson’s watch. Or Ant holding Dec.

## “The brain’s faster if she’s naked!”

SCIENTISTS HAVE proved that staring at t\*\*ts can speed up mental reaction. In other words, your brain works faster if you’re ogling a naked chick then a chick wearing a bikini. That makes perfect sense to me – if I’m looking at a girl in a bikini, I’m thinking, “I wonder what her t\*\*ts look like naked,” so if I can see them, my brain’s free to think of other things, like other girls’ t\*\*ts, for example. As a matter of fact, I watch so much porn, I should have a doctorate by now. Catch ya later, f\*\*kers!

# SEX ADVICE FROM A FIT LESBIAN!

Because she knows what she's doing and we don't!

**DANNI ORSI,**  
100% REAL  
LESBIAN!

You might recognise Danni from hit TV show *Candy Bar Girls* on Channel 5!

## Will it all end in tears?

I finished with my girlfriend a month ago because she's really selfish. I don't like her much as a person but that doesn't change the fact that she's hot, so ever since we broke up, we've been meeting spontaneously for casual sex. Should I just carry on or is this all going to end in tears?

**BORIS** Manchester

It sounds as if you've achieved a perfect arrangement – hot sex with no issues. In what way might it end in tears? And why don't you like her? In what way is she selfish? Obviously not in bed, judging by what you say.

## Sleeping with my bro's ex!

I'm sleeping with my brother's ex. I got to know her while she was going out with him as she was always round our house.

ILLUSTRATION: BILL MCCONKEY

LETTER OF THE WEEK!

## She won't go down on me!

I've been with my girl for three years and we love each other but one thing really bugs me – she refuses to give blow jobs. I go down on her and she loves it, but she says she'll never give me a blow job because she hates the thought of a penis in her mouth. How do I get her to try it?

**SIMON** via email

If you love each other then she may yet come round. If the problem persists, though, try to persuade her to undergo aversion therapy. People do this to overcome a fear of spiders and things like that. It can involve hypnosis and a gentle bringing on of the feared object.

When they broke up, she Facebooked me to ask if I could drop her stuff over. One thing led to another and we've been getting it on for a few weeks, but I'm worried she's just using me to get back at him. Is she?

**PETE** via email

Do you mind if she is? Why don't you give it a chance? Is your brother OK with this? If you're worried that you'll become attached to her and that she's just using you for revenge and may drop you, then you should be careful.

## A case of forbidden love!

I'm in love with my second cousin and she's in love with me. Our dads are cousins but we hardly saw each other growing up. We then met randomly a year ago and have been dating since but we have to put up with people accusing us of incest. I think I want to marry her. Is that wrong?

**AARON** Newhaven

Nothing wrong at all and if you're in love with each other getting married sounds like a good idea. The people around you must be very bigoted if they're saying things like that.

- If you've got something to ask Danni, just email her at [thelesbian@nutsmagazine.co.uk](mailto:thelesbian@nutsmagazine.co.uk) or write to her at the usual *Nuts* address on p72.

# Jason Manford Vs the Nuts Question Bucket!

Sell:

The northern comic on pirates, pigeons, his mum and his times tables!

Copy:

**THE RULES** are simple. We fill our bucket full of ridiculous questions, then a celebrity picks them out at random and must answer whatever they get!

**How many girls have you kissed in your life?**

I'd say about 60. I'm counting early-doors pecks on the cheek. I'm counting the lot!

**What were you like when you were at school?**

I spent the first 16 years of my life being told to shut up. Now I'm a pro non-shutter-upper!

**What will you have written on your gravestone?**

I'd just put: "Tried his best." Or maybe something philosophical like: "You can please some of the people some of the time and the rest can f\*\*k off!" Imagine that on a headstone. Legendary!

**Could you pack up and leave right now if a job came up as a pirate?**

I'd be gone, man. You mean, like, copying DVDs and that? I could do that in a heartbeat!

**What's the longest you've ever gone without leaving the house?**

When I broke my ankle playing football. So, four weeks. The doctor said, "You need to rest, put your leg up." I said, "I'll stop you there. That's all I need." I watched the whole of *The Sopranos*. At university, I once watched three whole series of 24 in three days!

**Does your mum think you should get a proper job?**

My dad does. My mum doesn't now because I just bought her a house. I wouldn't have done that with a proper job, would I, eh? She actually wanted me to be a teacher.

**What's the meaning of life, if life does, in fact, even have a meaning?**

The meaning of life is to bring your kids up better than your parents did you. That's all you can do.

**Do you have smelly feet?**

Yes - I wouldn't smell them! When I'm asleep on the couch, for a laugh, the kids will dare each other to smell my feet. "You do it!" "No, you do it!" It's like their own little version of *Jackass*!

**Can you cook?**

Yes, I can. But I choose not to!

**What's 8 x 7?**

8 x 7 is 50... 40... it's less than the number of girls I've kissed, for definite! Everyone's got a calculator on their phone these days - that's not a skill I need! Early on in comedy, you did, because you were on a door split. The money

was split between you and the promoter. So you'd be on stage with your jokes, counting up how many people were in the audience and timesing it by a fiver!

**Would you be able to drown a cat if your dog's life depended on it?**

I don't think I could. I'd have to say, "Sorry, old fella." My dog's really old, so they'd probably both be dead in the next six months anyway!

**Would you rather have the body of a human and the brain of a monkey, or the body of a monkey and the brain of a human?**

The body of a monkey would be a laugh. No one would believe that a monkey could do... I was going to say times tables, but I can't do them anyway, even with the body of a human!

**Do pigeons get bad press?**

No. They're absolute pr\*cks. Every single one of the dirty, grey b\*stards!

# 'I was trapped alive under 18 inches of ice!'

Thirty feet underwater and with thick ice above him after his snowplough crashed through thin ice on a frozen lake, US boat builder **Mike Hazeltine** was facing a desperate battle for survival...

Mike was clearing the frozen lake of obstacles when disaster struck

**WAS IN** the cab of my snowplough, driving across a frozen lake when I plunged through the ice and slammed straight into the lakebed. The inrush of water through my open window was like a giant hammer blow. I was in total darkness, being tossed around by the freezing water, and all I could think was, 'I'm going to drown,'" 36-year-old Mike Hazeltine tells *Nuts*.

Mike was on clean-up duty for his snowmobile club after a winter festival on Milton Three Ponds, New Hampshire. "We'd taken drill samples, and the ice was 18 inches [almost half a metre] deep. We'd been racing snowmobiles on a course all weekend. The piste had snowbanks around it, and I was knocking them down with a four-tonne Tucker, which is like a truck on four tracks. There's a snowplough on the front to push the snow."

As the festival wound down, Mike's job was to flatten the banks so that night-running snowmobilers wouldn't hit obstacles as they raced over the frozen lake. "I was ploughing 200 metres from the shore when two riders came through, and I moved aside for them," he recalls. What Mike didn't know was he'd driven his four-tonne machine onto a patch of ice thinned by a spring under the lake.

## Into the abyss

"I realised that the truck's tracks were spinning, and I thought the drag had grabbed too much snow," explains Mike. Unconcerned, he pushed the gear stick into neutral and tried to open the driver's door. It wouldn't open. What Mike couldn't see was that the back half of his machine had fallen through the ice and was dragging the cab with it. The driver's door was jammed against the ice as the snowplough sank into the lake. "The first I knew was seeing ice and water flood up past my windscreen, then I began plunging down. In the first seconds, the water was brownish, then everything went black as the cab rushed to the bottom."

The cab's windows were open, and a solid torrent of lake water blasted into Mike as he instinctively grabbed for the door handle. "I knew what was happening. I knew I had to wait until the cab was full of water to equalise the pressure so I could open the door, but the flood that came in was like a giant fire hose and it threw me into the passenger side of the cab. Then the blast from that side threw me back!"

Mike found the passenger door handle. He tugged it, but the door was jammed. He wriggled his arm through the open window and tried to haul himself through. "I had too many clothes on," he tells *Nuts*. Weighing 20 stone, wearing two T-shirts, a sweatshirt and a heavy winter jacket, Mike's body wouldn't fit through the opening.

## Out of air

Mike struggled back into the cab, found a pocket of air near the roof, took a breath and tried again. "I knew I had to break out of there. I got my boots against the window and battered at it." Mike felt the glass break and plunged through the opening, tearing his hand on jagged broken glass.

Outside the cab, in the water, Mike could see the dim orange flicker of the roof beacon still flashing. Above his head was a cream-coloured patch – the cleared ice of the snowmobile race track. Kicking hard, fighting the dragging weight of his boots and clothes, Mike clawed his way upwards. He reached where he thought the hole was, but battered his head against the underside of the lake's ice. "I didn't know where I'd come through. All I could think was, 'Now

I have to find the hole!' I'd escaped being trapped in the snowplough, but now I was trapped under 18 inches of ice, less than an arm's length from the air I needed!"

Eventually, Mike's flailing hands moved a chunk of ice and he knew he'd found the opening. On the surface, rescuers were crowding around. Less than three minutes after the snowplough vanished, Mike's hand poked up through the ice. A rescuer tried to grasp it, but the distance from the edge put it out of reach. Two volunteers grabbed the man by his feet and leaned him over the gap. "I felt him grab my thumb and pull, then my face was out of the water and I was breathing again."

## Perils of the ice

- There are around four or five ice-fishing deaths in North America each winter due to thin ice.
- **River ice is usually weaker than lake ice, but it's normally safe to walk on as long as it's at least four inches thick. At 8-12 inches, you can take a car on it.**
- In Britain's 2009 big freeze, 51-year-old John Butterfield died trying to rescue two dogs from a frozen-over River Tees.

## Rescued

Mike was hauled onto the ice by five rescuers who covered him with their jackets before getting him into an ambulance. Amazingly, his only injuries were cuts to the head from smashing into the ice from below and a cut hand from scrambling through the window.

The next day, Mike was back at the lake to watch as the snowplough was raised to the surface. "I had to see the window I escaped through, I had to see the snowplough where I should have died," he explains.

"I knew at the time I couldn't afford to panic.

I didn't have the time to do anything but what I did. Even on the way down to the lakebed, I was thinking, 'Stay cool. You have to let the cab fill up, then get out.'" Mike vows he'll never take a vehicle onto a frozen lake again. "I've not touched my snowmobile since that day!"

The back of the snowplough plunged into the lake, quickly taking the rest with it

### ROSIE JONES

Last year: **N° 1**

You love her! We love her! All the other *Nuts* babes love her! If you don't think Rosie's gorgeous, we need to examine your eyesight and give you the help you so clearly need.

**“These boobs  
won’t be going  
anywhere  
in a hurry!”**

**C**ongrats, Rosie! How does it feel to once again be crowned queen of all things sexy in 2011?

It's amazing! I'm always slightly confused to be given nice titles like this, but really happy. Hopefully, this means there'll be more *Nuts* shoots to come. These boobs won't be going anywhere in a hurry!

**What's your secret?**

I wish I knew so I could stop myself from one day getting old and wrinkly but, sadly, I don't have one. There's no magic potion or anything!

**You've beaten the likes of Lucy Pinder and Megan Fox to the top spot. What would you like to say to the *Nuts* readers?**

First of all, thank you. Second, I think you're all mental – but I love you! Thank you, thank you, thank you. Have I said thank you yet?

**How will you celebrate?**

I'm saving myself for a big night out with my friends this week, so maybe we'll have a few drinks in my honour. Probably not the best idea, given past experiences!

**Who would you have chosen as your number one this year?**

Obviously my fellow *Nuts* lovelies would all come first, but I have a massive Adriana Lima crush. Oh, and Michelle Keegan. And did you see Daisy Lowe in *Playboy*? She's so hot!

**What will you be doing in 2012 to ensure you bag yourself a hat-trick next year?**

Oh, that'd be nice. It'll be business as usual. I'll squeeze in as many *Nuts* shoots as I'm allowed. Hopefully, I'll get to do some with the new girls.

**Finally, could you give us a winning speech, please?**

I'm just glad my boobies bring so many people so much happiness. I'd like to thank the Academy, everyone at *Nuts*, and especially all the readers. I owe you all a beer! **X**

"Early Christmas present, Milton?"

### Live At The Apollo

**BBC ONE/HD** • 9.30pm

Another half hour of stand-up laughs, this week presented by baldy *Mock The Week* bloke Andy Parsons, who, as well as cracking a few gags of his own, introduces others from relative newcomer Andrew Lawrence and the deadpan Milton Jones.

★★★★

"This is the best water pistol ever!"

### The Walking Dead

**FX/HD** • 10pm

Being the remaining few humans left alive in a world over-run by the living dead isn't a bundle of laughs, and the group are still under the cosh this week. Hershel's in denial about the deep doo-doo the world's in, while the rest of the group are losing hope.

### Peter Kay Live At The Bolton Albert Halls

**CHANNEL 4** • 11.05pm

The roly-poly comic returns to his Lancashire roots. We've heard a lot of it before, but most of his observations are still funny. Let's just hope he doesn't do that bloody *Amarillo* song.

**THE DILEMMA**

**SKY MOVIES PREMIERE/HD** • 8pm

Billed as a buddy comedy and starring Vince Vaughn and Kevin James, this should be OK, but it's a laughless mess.

## Newcastle vs Chelsea

SKY SPORTS 2/HD • Noon

The Magpies started the season with 11 unbeaten, but that run came to an end against Man City at the start of a tricky run that continues today. Still, given Chelsea's form, you can see the Toon Army coming away from this one with a big grin on their mugs.

## Boardwalk Empire

SKY ATLANTIC/HD • 9pm

Nucky and his driver Owen (who's been slipping it to Nucky's missus) are off to Ireland to have a cup of tea with those nice men who belong to that popular club, the IRA. Meanwhile, in Philadelphia, Waxey Gordon takes on the big butcher, Manny Horvitz.

★★★★★

## Pineapple Express

CHANNEL 5/HD • 9pm

## Ross Kemp: Back On The Frontline

SKY1/HD • 9pm

## Harry Potter & The Deathly Hallows: Part II

★★★★

## Man City vs Bayern Munich

**SKY SPORTS 2/HD** • 7.30pm

It shouldn't have come to this either! Even if City beat Bayern they need Napoli to slip up against Villarreal to progress in the Champions League. Meanwhile, on ITV1, Man United need a draw in Basel to guarantee progress themselves. Take your pick!

★★★★★

## Frozen Planet

**BBC ONE/HD** • 9pm

There's one, er, "hot" topic that this excellent series hasn't touched on until now – what global warming will do to the polar regions. ## Dave's One Night Stand

**DAVE** • 9pm

The comics on *Dave's One Night Stand* vary greatly and Stephen K Amos isn't one we'd usually set our Sky+ for, but he's not bad. As he riffs on his home town of Tooting in South London, he even laughs at his own gags. Which, as they're pretty funny, is fair enough.

★★★

## Life's Too Short

**BBC TWO** • 9:30am

Ricky Gervais and Stephen Merchant's mockumentary follows the same old formula: laughing at people in uncomfortable situations. It'll make you cringe, but you've got to wonder how much truth there is in tonight's episode, as pint-sized Warwick seeks spiritual healing to repair his shoddy life. Cue Scientology.

★★★★★

## Frank Skinner's Opinionated

**BBC TWO** • 10am

For a comic in his 50s, Frank Skinner can still banter with the best of them, as this topical debate show (it's really funny too, honest!) proves. Joining him for news natter is fellow stand-up Russell Howard, who knows a few things about topical laughs himself.

# Nuts gambling masterclass!

A host of top tips to help you play Deal or No Deal!

➔ YOU MAY think Deal or No Deal is a game for those who believe in "systems". Well, the TV show might be, but the multi-line slot isn't!

You can win big from the comfort of your own home for as little as 5p, and if you play on all lines, you could win a progressive jackpot. One recent Nuts Games winner bagged himself £229,776!

## How to play

- The aim is to get winning symbol combinations from each spin of the reels, with the ultimate target being the progressive jackpot.
- You can select up to 20p on each of the 20 pay lines. That gives you up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win some extra cash.

GET UP TO £200 FREE PLAY!\*

## The number lines

It's all self-explanatory - click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

## Bonus game

If you bet on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins - this plays like the TV show, with the big progressive jackpot at stake. Don't be too greedy or, like us, you could end up with £8 instead of £100!

**Plus win up to £10k!**

Play three games for the price of one with Deal or No Deal Scratchcard. Play from the comfort of your home for £1 for your chance to win!

# LADIES CONFESS!

## TO OUR SECRETARY!

Racy revelations from our female readers!

**SHARE  
WITH OUR  
SECRETARY!**

Ladies, got a saucy secret you can't keep to yourself? Send your sexy story to our Lou!

### 'We got it on beside him!'

**MY BOYFRIEND** and I had been talking about inviting someone else to join us in the bedroom. I talked to one of my friends who'd done it with her boyfriend and they'd had an amazing time, so I thought, "Why not?" One night, I asked her if she'd come over to mine to try it, but I wanted to surprise my man. He'd fallen asleep on the sofa after work as usual, so my friend and I got it on beside him. He awoke, shocked but hard. My friend and I then gave him oral sex until he came over us. He then watched as my friend pleased me with her tongue. She dressed and left, leaving us to have the dirtiest sex. A week later on his birthday, I showed him the secret filming of our raunchy night. He said it was his best present ever!

**Kelly** Plymouth

### Win £50!

Ladies, send your raunchiest confessions to [louise\\_prior@ipcmedia.com](mailto:louise_prior@ipcmedia.com) or to the address on page 72. The best one each week\* wins £50! Come on, girls!

### 'Our saucy shopping trip!'

**WHILE OUT** shopping with my bloke, I went into an Ann Summers to buy some kinky underwear. We went to a café afterwards where my man told me he was horny and kept picturing me in my new gear. I picked the bag up and told him to follow me into the ladies in five minutes. As soon as he snuck in, my bloke was all over me, pulling my knickers to the side to get quick access. He took me against the wall, squeezing my nipples through my lacy bra. When we finished we bumped into two tourists patiently waiting!

**Anon** Derby

### 'We used a vibrator!'

**MY EX** once bought me a vibrator for a present, but I'd never used it because I wasn't really interested in sex toys. Then, one night recently, I brought

a new guy back to mine and he found it in my drawer. I told him I didn't bother with it but he insisted we should use it together. At first, he used his tongue on me in ways I'd never experienced before until I was wet and ready. I begged for him to take me, but instead he slid the tip of the vibrator

in and out of me, using his other hand to rub my clitoris. I groaned with delight, not believing how wonderful it felt. He started sucking my nipples and pushing the toy into me further. It was the best night I'd ever had and now I can safely say I'm mad on toys and want to buy loads!

**Hayley** via email

### 'He kissed my damp boobs!'

**MY BOYFRIEND** took me to Thorpe Park one day and we went on the Tidal Wave water ride. When we got off, we were soaked and my white T-shirt had become very see-through. I was wearing the bra he liked me to wear the most and I knew he'd noticed. I told him that I needed the toilet and when we got there, I whispered to him that he was coming with me. I lingered by his ear, sucking it for a bit before walking off. He followed me into the ladies' toilet and undressed me from the waist up. Soon, he had me up against the wall, kissing my damp boobs, my nipples standing on end from the cold and the thrill of it. He bit my nipples as we both raced to undo our jeans. He slid his erection inside me and we had the sauciest quickie ever. Because we were already wet, no one could tell how sweaty we really were afterwards!

# Nuts SPORT

EXCLUSIVE!

## Beckham: 'Retirement is not an option!'

Becks on the MLS, England and the Premier League title race!

**Hi Becks! Well done on winning the Major League Soccer title!**

It was amazing – the culmination of five great years. I really had to win something to prove I hadn't come here for the wrong reasons. You can see what it meant to me because I played the match with a torn hamstring. Nothing was going to stop me.

**Blimey! Did the win put the old "twos-up" to your critics?**

I've always had stick – sometimes I've deserved it – but some of the things said about me coming to America were stupid. First, they said I came for the money, which is clearly not true because I've earned enough in my career. Then some said it was because I lacked ambition and just wanted to lie on a beach. Well, I think it's clear I'm always up for a challenge. Say I can't do something and I'll try to prove you wrong.

**What was that challenge?**

My job was to be an ambassador for the game and to raise the profile of the MLS and LA Galaxy. I think I've done that. But I also came to win things and finally I've done it.

**So what's next for an out-of-contract David Beckham? A return to the Prem perhaps?**

I can't see that happening. I've still think I can play at the top level, but I'd feel weird pulling on a different Premier League shirt and going to Old Trafford. Almost like a betrayal. It was hard enough doing that for Milan, so playing for another English club isn't likely to happen.

**What about PSG?**

It's an honour to have a club like that showing an interest in me. I've had three or four top clubs get in contact, but I haven't made a decision either way. I may or may not stay in LA. It's something to discuss with my family.

**Is retirement an option?**

I won't retire, no. I still love playing. Yes, I'm 36 but I've looked after myself so I've got plenty left in the tank. I was never that quick so losing pace isn't a problem!

**That's a shame. We can see you as an LA actor!**

No way. I've done bits and pieces and I'm rubbish!

**Have you closed the door on your England career?**

I'll never do that, but it's clear

that England are moving on by bringing in top young talent. All credit to Fabio Capello for doing that because you can see the excitement in the country. Sometimes focusing on youth is the way to go. Just look at the Germans. They took that road and are flying now.

**Will we see you in the GB side at the Olympics?**

I hope so! A few years ago, I'd never have believed football could play a big part in the Olympics, but now I'm a complete convert! And also, as a Londoner, to play in an event in my native East End would be a dream.

**Thanks for the chat, David!**

**Last question – who's going to win the Premier League?**

Man City have built a formidable squad and, much as it pains me to say it as a United fan, they look really, really strong. Chelsea still have top players and I also think Harry [Redknapp] has done an incredible job at Spurs. But I'm still going with United because they know how to win titles and have the best manager of all time. I'll be cheering them on every step of the way. Once a Red, always a Red!

## MLS pub ammo!

**Wayne Rooney's** brother John is at the New York Red Bulls. He's played five times since leaving Macclesfield Town and is yet to score.

Also at New York Red Bulls, **Thierry Henry** earns \$5.6m (£3.6m) a year, second only to David Beckham, who's on \$6.5m (£4.2m).

MLS is the USA's third best attended sport, after Major League Baseball and the NFL. The **Seattle Sounders** average crowd is 38,000!

**DC United** are the most successful team in the MLS, with 12 trophies, including one Concacaf Champions League and four MLS Cups.

Becks always enjoyed a bit of Lady Gaga

# KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

He'd gone into his  
karate lessons  
half-heartedly

## Villas-Boas for the chop!

**The Chelsea boss must start winning again, and soon!**

➔ **ANDRE VILLAS-BOAS** is under massive pressure at the moment. Losing in Leverkusen was a huge blow, and failure to qualify for the Champions League knockout stage would surely see him get the boot. Even if Chelsea do qualify, they face tough Premier League matches in December

against the likes of Man City, Newcastle and Spurs.

It isn't fair on the Portuguese boss – he should have been given a five-year contract at the start of the season and told he had time to rebuild his ageing squad.

Abramovich really needs to back AVB. He's a terrific young manager and may well get it right if given

time. It's difficult, as Villas-Boas isn't a big name in the football world, and it's tough to manage club favourites like Frank Lampard and John Terry while trying to bring youngsters through.

Unless Chelsea turn the corner quickly, the pressure will increase until the inevitable happens. AVB is on a very sticky wicket!

"Russell Grant's  
been voted off  
*Strictly*? Gutted!"

## Man City for the Europa League!

**I DON'T** fancy Man City's chances in the Champions League this season. To qualify, they have to beat an excellent Bayern Munich side and hope Villarreal can hold Napoli, but I just can't see it happening.

To be fair, I think the Premier League's the priority. City won the FA Cup last season and the title would be a massive step forward for them.

At least City will have the Europa League to look forward to, although that'll be seen as more of a distraction during the title run-in. Mind you, I think it's fair to say their squad is good enough to deal with it. At least it'll give the £30million fringe players a run out!

- Send jokes, comments, pics etc to [kammy@ipcmedia.com](mailto:kammy@ipcmedia.com). The best one each week wins a signed *Nuts* T-shirt!

**KAMMY'S UNBELIEVABLE-OMETER™**

**UNBELIEVABLY GOOD!**

**ROCKIN' ROBIN!**  
What a season Robin van Persie's having! He's been instrumental in Arsenal's revival. Even if they don't hold onto him, he's bumping up his price tag every week!

**UNBELIEVABLY BAD!**

**FAN FAIL!**  
There's been an increase in fan violence with the attack on an official in La Liga (above) and abuse of Emmanuel Eboué in Turkey. We must stamp it out!

**THE BIG MATCH!**

"Ha-ha! Pack it in, Nando – you're tickling me!"

## Fifa seedings are a joke!

IT'S GREAT to see England ranked fifth in the world, but I have to say, the seeding system must be bonkers! We know in this country that we're nowhere near that good. We certainly aren't better than the likes of Brazil, Argentina and Italy. I reckon we've been bumped up a few places so we'll get off Blatter's back. Well, bad news, Sepp – it's not going to happen!

"I'll have this for my car boot sale"

## Newcastle vs Chelsea

**SAT 3 DEC, 12.45PM • SKY SPORTS 1/HD**

This will be a tough match for Chelsea. They're shipping cheap goals and Newcastle are formidable at the Sports Direct Arena (sorry, Toon fans!). Alan Pardew's boys have been a revelation this season and I expect them to push the Blues all the way!

**KAMMY'S PREDICTION: 2-2**

## Key man

Demba Ba will be crucial. With the leaky Chelsea defence, I expect him to get chances. He really looks like he's enjoying his football this season.

## Kammy's one to watch!

**RICKY VAN** Wolfswinkel is being tracked by Man United and Chelsea. The Dutchman has a big future and bagged seven goals in his first nine league appearances for Sporting Lisbon since moving from Utrecht. And what a name – the headline writers would have a field day!

"If I concentrate really hard this beard will grow!"

# Nuts ABOUT SPORT!

Funny goings-on in the wonderful world of sport!

Someone should have told **NASCAR** driver Brett Thompson his car was on fire – it just looks as if he's just carrying on as usual! Surely his footsies must have been getting warm?

It was touch and go as to whether this would be filed under International Man-Love. England rugby league star **SAM TOMKINS** appears to be getting some extra special Australian attention here!

There are nicer ways to score a touchdown than the Patriots' **ROB GRONKOWSKI**'s effort!

Derby winger **LEE CROFT** proves you don't have to be Premier League to pull a stunner. He's the lucky chap who's bagged Essex's **MARIA FOWLER**.

Being a women's volleyball **MASCOT** must be fantastic. You get to watch ladies getting hot and bothered, then they play with you. Our application's in the post!

## "Quote me on that!"

This week's biggest match debaters!

"I'd shake Sepp Blatter's hand with one of my hands. But I can't tell you what I'd be doing with the other"

Mick McCarthy's a bit handy.

"To think of John Terry leaving is unthinkable"

Jason Cundy thinks before he speaks.

"The result was a bitter swill to swallow"

Super Sunday's Jamie Redknapp's been at the pig food again.

"We conceded three and scored two so we lost 3-2"

Tony Pulis literally explains a result.

"The mad minute was a mad minute"

Lee Dixon helpfully explains.

"Liverpool have got no pace at all. But Downing's quick down the left"

So they have, in fact, got pace, Merse.

**OO-ER SOUNDS  
A BIT RUDE  
CORNER!**

"I've got a little fella"

Man United striker Michael Owen unwisely reveals all.

"I've gone completely the other way"

Ashley Williams shuts the closet behind him.

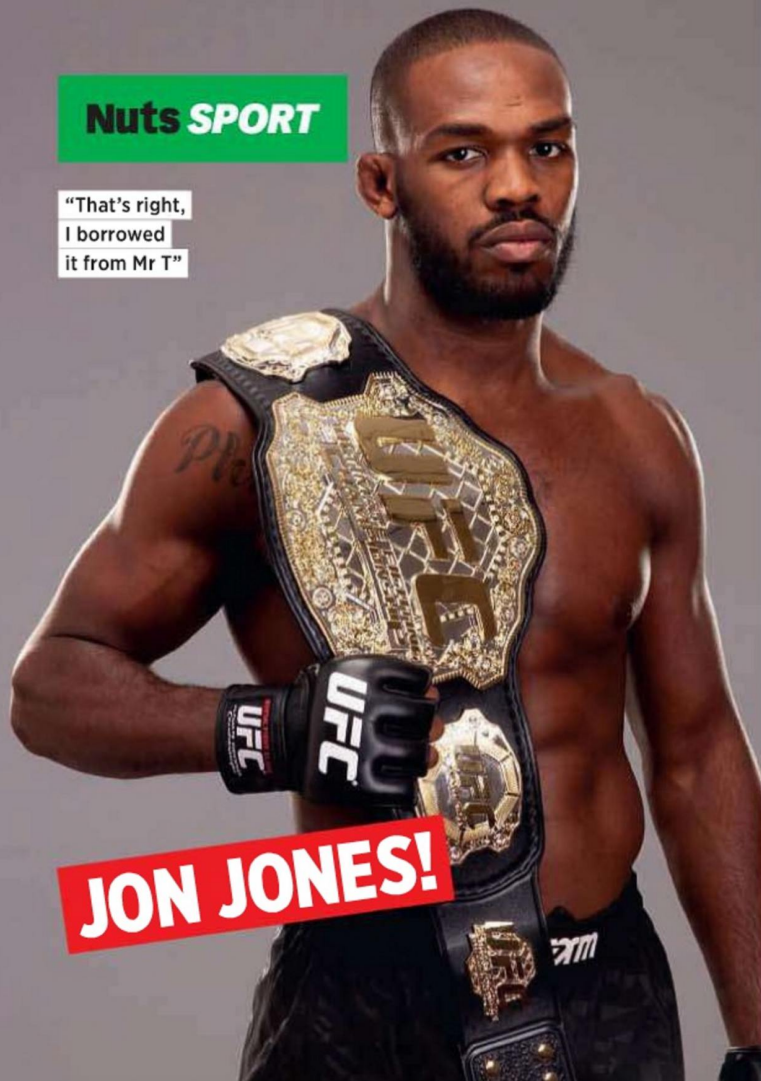

"Gareth Southgate had Stewart Downing when he was younger"

Adrian Chiles may care to rephrase.

"That's right, I borrowed it from Mr T"

**JON JONES!**

"Hey, if I don't win, I can always try modelling"

**LYOTO MACHIDA!**

# Jones vs Machida

**Former champ Rashad Evans on the forthcoming UFC Light Heavyweight world title fight!**

**Hi Rashad! Weren't you supposed to be taking on Jon Jones**

**for the title at UFC 140?**

Yeah, but I hurt my hand when I fought Tito Ortiz so Machida got the shot instead.

**You and Jones used to train together. What's he like?**

He spends most of his time on stand-up, to the point where any time you went

to the gym, he'd be there and sparring. He'd spar with anyone who came in. But what's really scary about him is how quickly he learns. You show him something once and he'll do it perfectly at the first attempt.

**You've also fought Lyoto Machida before. What should Jones watch out for?**

Honestly, I think Jon Jones can handle anything Machida can throw at him. Machida has this blitzing style of fighting, but I don't think that's going to work against Jon,

because of his superior reach. Machida won't be able to get close enough to him to do any real damage.

**So you don't see it going to the ground?**

Machida's pretty much all stand-up but if it did, Jon has enough to take him there, too.

**Sounds like it's going to be pretty one-sided!**

Not necessarily. Machida trains with [Middleweight Champion] Anderson Silva, who Jon pretty much took his fighting style from. So all these amazing tricks and shots Jon's known for aren't necessarily going to work with Machida 'cos he'll have learnt how to deal with them from sparring with Anderson. Well, some of them!

**It's been said Jones will be the Muhammad Ali of the UFC. What makes him so good?**

You've seen him fight, right? He's just so unpredictable. Some of the things he does make absolutely no sense and, more than anything, he has the balls to try to pull it off. He has the balls to be like, "F\*\*k it! I'm going to go for it." It's why he's so hard to beat and so great to watch!

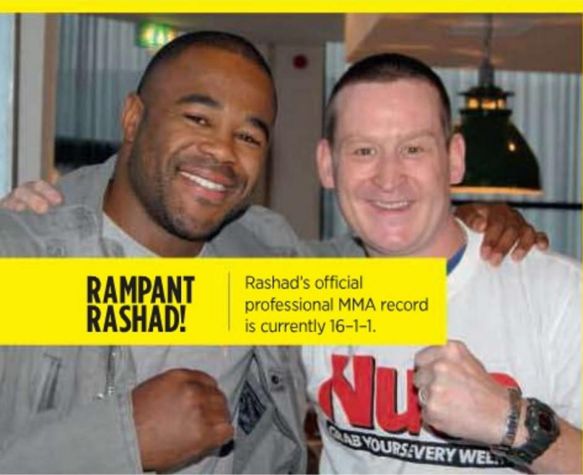

**Thanks for the chat, Rashad. One last thing, fancy an arm wrestle?**

Who, me and you? C'mon. I can't because of my hand.

**Scaredy cat.**

Ha-ha! You just wanna beat up on a hurt man!

● **UFC 140, ESPN, 10 Dec, 2am.**

**RAMPANT RASHAD!**

Rashad's official professional MMA record is currently 16-1-1.

# THE NUTS LIP READER!

When he watches a match, he sees every word!

**WATCH

MOUTH!**

John Cassidy is a real lip-reading expert. And a fully paid-up FA coach to boot!

**Craig Bellamy:**  
“Hey, you  
c\*\*t, you think  
it’s wrong?”

**CHELSEA VS LIVERPOOL** Stamford Bridge, 20 Nov, 4.35pm  
The Welshman slams John Terry after fouling Ashley Cole.

**Craig Bellamy:** “Yeah, I said to  
Lamps, I definitely won’t do it again”

**CHELSEA VS LIVERPOOL** Stamford Bridge, 4.36pm  
The striker comes over all Mr Nice Guy for ref Lee Probert.

**Paul Robinson:**  
“Morten! Close  
the f\*\*king  
ball down!”

**WIGAN VS BLACKBURN** DW Stadium, 19 November, 3.45pm  
The ex-England keeper slams Morten Gamst Pedersen.

**Tony Pulis:** “Have a good  
game, apart from you!”

**STOKE VS QPR** Britannia Stadium, 19 November, 2.59pm  
The Stoke manager has some fun with the QPR bench.

potty mouth corner!

**Roy Hodgson:**  
“What a  
w\*\*ker!”

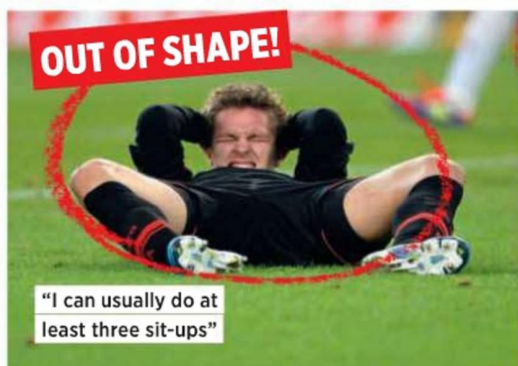

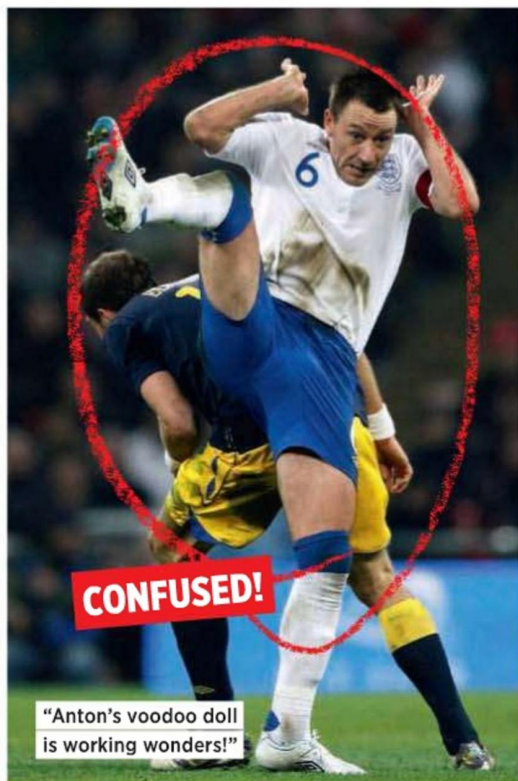

**WEST BROM VS BOLTON** The Hawthorns, 19 November, 3.21pm  
The Baggies boss is furious after a penalty is given to Bolton.

## Pub Ammo on... Advent calendars

- The Scandinavian nations have an annual, televised, 24-episode Advent calendar in the run-up to Christmas.
- Some calendars start as early as 27 November, where

- the beginning of Advent sometimes falls. Others end on New Year's Eve.
- The Germans (inventors of the Advent calendar) stopped producing them

during the Second World War to conserve paper.

- Calendarclub.co.uk's best-selling Advent calendar of 2011 was *The Night Before Christmas*.
