Kelly Brook's Valentine's undies!

The gift that keeps on giving to our nation's menfolk!

LOVE IS in the air, so we're told – the last time

we got a sniff of any action, it was 2004, so we'll just have to take everyone else's word for it. But we're feeling pretty loved up when it comes to these pictures of the divine Kelly Brook, rocking some of the fancier undergarments from a well-known undies chain.

If you're stuck for a last-minute present (or if the missus thought your gift of a King Size Twix wasn't quite cutting it) we reckon these would fit the bill just nicely. And if your lady looks as good as Kelly does, then a very happy Valentine's Day to you, sir!

WORDS: PETE CASHMERE

'So... who's hungry?'

Fishermen find a 40-foot fish-fest!

➔ **WELL, IT'S** fair to say they won't be throwing this one back in for being too small. This whale shark, some 40 feet (12 metres) in length and weighing in at a chubby eight tonnes, washed up in a fishing port in Karachi, Pakistan, giving local seafood fans a treat – just as soon as they could fish it out of the water. Eventually, it took three cranes to hoist the beast onto the dock, at which point there began the even trickier task of dividing it up. Something tells us that there was enough of it to go around!

WORDS: PETE CASHMERE PHOTOS: CORBIS, GETTY IMAGES, SHUTTERSTOCK

"There, there, Nemo.
It'll be alright"

Super-size sharks!

- Whale sharks are the largest fish in the world, with the largest recorded at 44 feet (13.5 metres) long.
- They are harmless filter feeders that suck in plankton and small fish.
- There are up to 4,000 teeth within the beast's massive mouth, but they serve no purpose.

EXCLUSIVE!

A quick word with... Kevin Bridges!

The Scottish gagsmith on his new show, bathtime romance and being the daddy at Pro Evo!

→ Hi Kevin! Your parents are in an episode of your new BBC show, *Kevin Bridges: What's The Story*. Are they embarrassing or cool?
Cool as, mate. They're old-fashioned but pretty liberal – not like swingers, mind. They're open-minded and love what I do, so they were well up for it. They're brilliant and I'm proud of them.

You also hang out in an American frat house. Did the boys even understand you?
The US party was a bit surreal but they were all really positive and friendly folks. I don't think they had a clue what was going on, but they were up for it and their energy was completely mad. It was like being in a movie.

How tough were some of your early gigs in Glasgow?
I had some tough ones, mainly in the pubs. Having to go on stage on Tuesday nights during live football games always had a certain life-threatening element to it. I've performed in prisons, snooker halls, bingo halls, call centres. It's those gigs that help you grow as a stand-up.

On your new show, you go on a hen night with a load of boozy women. Can you tell us some of the highlights?
Two of them fighting with each other, ten of them screaming into the camera and some of them pole dancing! It was a bit "booze Britain" and out of control. That's what made the show exciting to do. When you're filming with the public, you can't control them too much.

When was the last time someone asked you to tell them a joke?
I had a taxi driver last week ask me to tell her a joke. She was really insistent. I said, "I don't really tell jokes." She replied, "Aye, you do like, observations? Well, observe something about taxis then." She was deadly serious. It was quite a tense journey. Psycho!

Did you get time to chat to David Beckham when you were on *The Jonathan Ross Show*?
Yeah, he was a really nice, genuine guy. We spoke about football and his days at Real Madrid – I was over in Madrid for El Clasico last month, so we spoke about that. I think he was quite happy to talk football instead of his endorsements, A-list pals and all that stuff. A top bloke.

Madonna's recent Super Bowl half-time show is reported to have cost £12million. What would you do with £12million?
I'd keep it in my current account and hit "Display Balance" at every ATM I passed. It would amuse me to see a message saying, "Your balance is £12,000,000. Today you may withdraw £300."

One of Frankie Boyle's jokes about Scotland's football team has been voted the greatest gag ever by *Nuts* readers. Do you have any jokes about the Scotland football team?
No, mate, but plenty about the England football team!

You recently moved out of your parents' home. How are you coping?
Good. The cooking's getting better and we have a weekly *Pro Evo* tournament. I'm the reigning champion – my house is a real fortress. It's a tough place to come and get three points.

The Queen has just marked 60 years on the throne. How will you be celebrating Her Maj's achievement?
I think I'll have a quiet day of not giving a f**k. Maybe I'll invite a few friends over to mine and together we'll not give a f**k.

What would you suggest to our younger readers as an ideal gift for the missus if they manage to forget Valentine's Day?
Bath bombs. Loads of bath bombs – go and get a box full. Brilliant things.

What's the set-up to your favourite joke? You don't have to tell us the punchline – we'll guess it.
My favourite joke's too long to type, but the set-up to a shorter favourite of mine is, "What do you call a monkey with a stick of dynamite up its arse?"

● **Catch Kevin Bridges: *What's The Story?* on BBC1, Wednesdays, 10.45pm. And the punchline to his favourite joke is "a baboom!"**

"These mobiles just get smaller and smaller!"

BUILDING BRIDGES!

Kevin only took up stand-up in 2004. By 2010, he'd recorded his debut DVD in front of 10,000 fans.

"Nothing like a '70s timewarp to put a smile on my face!"

"We have a weekly *Pro-Evo* tournament at my house"

His fear of smog was out of control

'I've got the horn!'

Bloke gets uplifting experience from angered moo-cow!

➔ **ONE OF** the most perplexing rituals the world over is that of grown men – and it is almost always men – wanting to run with enraged bulls. Big enraged bulls. With horns. Sure, it's probably one heck of an adrenaline rush, but there's always the chance that the bull-bothering is going to end up with you getting gored in an unpleasant place.

This chap, for example, was supposed to be celebrating the festival of Candlemas in the otherwise charming town of Tlacotalpan, Mexico, but we'd be hard pushed to feel too celebratory with a horn up the tallywhacker!

Our suggestion? Next time, don't run with the bulls, grill them and serve them up with fries. Now *that's* how to bother a bull, Pedro!

Awesome souped-up Corvette!

The US marque celebrates its 60th birthday by updating a classic!

- It's a bit like fitting your grandpa with Usain Bolt's heart, lungs and legs. On the outside, he'll still look like a wrinkly old-timer, but he'll have the hidden ability to outrun a police dog unit.
- Similarly, this classic two-tone Corvette may be 53 years old but everything beneath its roadster bodyshell is distinctly Mr Bolt. It's the creation of Pogeia Racing, a German tuning house established in 1997. Although it normally chips ECUs, and adds carbon fibre and fruity wheels to cars, this custom-built car – which took 12 months to craft – was slightly more hardcore than that.
- For starters, the body has been lowered over a new, tubular chassis, built with help from Chip Foose in the US. This not only makes the car safer and stiffer, but means modern adjustable coilover suspension, engine and brakes could be fitted to the car more easily.
- Braking power now comes courtesy of LS5 vented, drilled 330mm (front) and 300mm (rear) disc brakes, with six-piston and four-piston calipers respectively.
- The rear axle is a limited-slip Dana 44, built to withstand as much tyre smoke as you can make. Which might not be a lot when you tot up the cost of the 305/30/19 rear rubber that wraps around the 12in-deep, 19in, three-piece split rims. The front end wears 265/40/18 treads over 9.5in-deep 18s.
- To tuck those huge rear rims under the wings, the back was widened by 14.5in, with an extra pair of tail lights.
- These upgrades have come about because the 250bhp V8 engine has been switched for the 6.2-litre "LS3" from the 2011 C6 Corvette.
- And that 6.2-litre V8 is far from standard. A new inlet manifold, fatter fuel injectors, high-flow air filter and a custom exhaust bring bhp up to a very naughty 479, with 432 lb-ft of torque. Better still, this retro relic weighs just 1,130kg. How does 62mph in 3.9 seconds and a top whack of 179mph sound?
- Beyond the Ferrari red and white two-tone paint, the interior boasts matching red upholstery with white floor mats. Pogeia also took the time to add power steering (controlled by a three-spoke, flat-bottomed wheel), air-con and an Alpine touch-screen satnav audio system.
- At £187,000, it's nearly triple the price of an entry-level new Corvette, but there's something beautifully analogue and angry about this 1959. And you won't find another, because there's only one!

"Hmm, very nice

"You've got to laugh!"

HOORAY! I got a letter off a *Nuts* reader called Lewis, who complained about a joke I made about diabetes. My mother has type 2 diabetes so, as Lewis said he hoped might happen to me, there's a good chance I'll get diabetes later in life, what with my family history. And diet. And alcohol intake. But diabetes is funny, just like cancer and Aids, which I've also made fun of. They're not nice, which is the reason to laugh at them. Lewis, you can't just get offended by jokes that affect you. But I wish you all the best, and hope you don't get Aids or cancer, or you'll have nothing left to laugh at!

"He's a real best man!"

TALK ABOUT friendship, Dan Flack gave his mate Robert

"Come on, everyone! I said oops upside your head..."

"Goodbye to good times!"

A NEW medical study has shown that drinking as little as two glasses of wine a day can triple your chances of getting mouth cancer. It was only last year that scientists revealed that women who give a large amount of oral sex are also at increased risk of getting mouth cancer. So what does this all mean? Well, remember that girl at university who used to get really drunk at parties and suck you off? She's dead now. So it just goes to show you that the good really do die young.

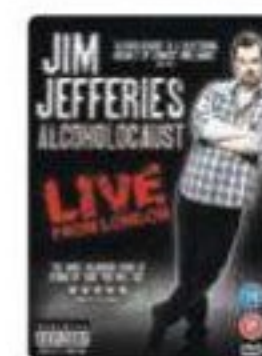

"Yeah, this is where the party happens!"

Baldwin (both left) a kidney – he was best man at Robert's wedding and wanted his mate to be able to walk down the aisle. I'm assuming the stag do was sh*t – nobody can get really f**ked up on one kidney – but even so, what a gift. At my best mate's wedding, all I got him was a toaster. And all Rhodri Giggs got was his brother's c*ck in his wife.

"Religion is a choice!"

OUR WACKY friends in Al Qaeda are at it again, and this time they're trying to recruit young women to become suicide bombers. This makes sense to me, as they could theoretically hide bombs under their burqas, but I still have a few issues with all this sh*t. First of all, Al Qaeda, what's with the whole suicide aspect? What's wrong with just putting a bomb in a bag and walking away and having a pint on the other side of town? The IRA were doing that for ages and yet it's the Irish who get all the jokes about being stupid! There'll be people saying "ban the burqa" but you just can't stop people dressing in weird clothes, otherwise we'd have to ban Goths and nuns. Let's all stick to common sense – you can't wear burqas in banks, just like you can't wear motorcycle helmets in banks, or on a plane. The burqa has to go. If you don't like it, you have to choose: "Do I want to fly or do I want to adhere to my religious views?" It's the same choice I face when I go to a pub and it says "No football colours" – do I want to let the world know I'm a religious follower of Fulham FC, or do I want to get p*ssed? Here's a clue: I want to get p*ssed.

I don't think it's cheesy but you should follow up by asking her out on a date. Get an amusing card – this will reduce any cheesiness. But since the card will be anonymous, make sure you ask her out pretty damn quick or some other bloke may take the credit and get stuck in before you've made your pitch.

LETTER OF THE WEEK!

The ultimate Valentine!

I want to really spoil my missus on Valentine's Day. What do you think would make the ultimate romantic gesture?

NOEL via email

Flowers, chocolates, a Ferrari... it all rather depends on your budget. But above all, try to make her feel special. One of the best ways to do this is in the bedroom. I don't know what your life in bed is like but do everything in your power to please her. Try something new if you haven't already exhausted the repertoire – and her! Remember that a woman has many sources of pleasure in her body and mind. Stimulate them all!

at her ease. Find out what her interests are and talk about them. Don't babble on about yourself all the time but let her know enough to see that you're good boyfriend material. Try to make her laugh – that'll relax her – but no dirty jokes!

Also no excessive compliments, as they sound insincere. Visit the lovely ladies on nuts.co.uk/hotdates for practice – I chat to them myself from time to time (purely friendship, of course!). But if conversation does dry up, just ask if she fancies a f**k!

I want to seduce her!

I really want to seduce my girlfriend on Valentine's Day but I'm rubbish at that sort of stuff. What should I do that will really turn her on?

TOM Ballymena

It sounds as if you haven't been to bed with her yet, which makes your question sound like something from the '50s, as my granny tells it! Read the other advice in this column, it'll give you some ideas. But in simple terms, make her feel secure, make her trust you and, well, make her come!

My bloody Valentine

A **MAN** says to his wife, "I've been thinking, love, this Valentine's Day, I'm going to give something from the heart."

Healthy marriage

A **MAN** goes to hospital to receive some test results, but the news is so bad that the doctor decides to break it to his wife first and let her tell him later.

The doctor says, "His condition's so bad, the only way he'll survive is if you offer him a completely stress-free existence. You must never shout at him, you need to prepare lovely meals for him, and make sure he's having regular sex."

The woman takes in the news and goes to see her husband in the waiting room. "So, what's wrong with me?" the worried patient asks.

The wife replies, "You're going to die."

BILLY Buckinghamshire

Dirty waiter

A **CHAP** goes for dinner in a restaurant and orders soup as a starter. When it arrives, the bloke sees that the waiter has his thumb in the bowl.

The second course, a beef stew, is delivered by the same waiter who once again has plopped his thumb in the food.

After paying the bill, the diner says to the waiter, "I wasn't going to say anything, but I noticed you had your thumb in my food quite a lot. What was that all about?"

The waiter replies, "Well, I have an infection and the doctor says I have to keep it somewhere warm and moist."

Fuming, the man snaps, "Well, keep it up your arse then!" to which the waiter replies, "Where do you think I've been keeping it when I'm in the kitchen!?"

TWO FELLAS are in the pub the evening after Valentine's Day. The first chap says to his mate, "I'm determined to track down the bloke who sent my missus a secret Valentine's card saying how beautiful she was. I'm going to put him in hospital!"

"Blimey, are you really going to hurt him that much?" asks his mate.

"Oh no," replies the first chap, "the man clearly needs psychiatric help!"

Vs the Nuts Question Bucket!

Sell:

The *TOWIE* star on Ibiza, doughnuts and cooking the perfect beans on toast!

Copy:

THE RULES are simple. We fill our bucket with ridiculous questions, then a celebrity picks them out at random and must answer whatever they get!

When was the last time you were completely naked in public?

I don't think I've ever run out completely naked, but I might have done. If it was, it was probably when I was in Ibiza.

Who from *TOWIE* does the smelliest trumps?

James Bennewith.

If you had to draw the essence of Essex, what would be in the picture?

What does "essence" mean? I'd draw the sun.

What's the most illegal thing you've ever done?

It'd probably be stealing something out of a shop when I was little.

Why do you all go to the same parties? You only end up arguing!

I think everyone follows me to the party!

If you were going to cook, what would you do?

Beans. Put them in a mug, microwave the beans, then just do the toast.

Lots of the girls in *TOWIE* are very pretty. Do they make your eyes hurt?

Nah.

Would you consider opening a bakery called Krispy Reem Doughnuts?

I don't think Essex needs a doughnut store. I might be opening a bar soon. I'm going to call it Joey's Bar. Something nice.

Who's your favourite other Joey?

Joey from *Friends*. [Does impression, but gets it completely wrong:] "What are you saying?"

If you were called Joey Chelsea, would you be in *Made In Chelsea* instead?

No. Never. Essex is the one, innit? I couldn't do the accent.

Could you handle a night out with a Geordie on his home turf?

Yes. I go out with Gaz [Geordie Shore's Gary Beadle] all the time. Newcastle's a lot different to Essex. The girls are more up for it up there.

Were you disappointed they didn't offer you a part in the new *Muppets* movie?

I wish they did. I'd love to be in a Hollywood movie. I'd like to be James Bond. Or in *The Hangover Part III*. I'd wake up like, "Eeerrr!"

What's the most fascinating fact you know?

Um. [Thinks for ages.] The most fascinating fact I know is... [Thinks for ages more.] I don't know any facts. I don't know any facts at all. [To his agent:] Do I know any facts? [Agent: "James has got a diagonal mouth."] Yeah. James Bennewith has got a diagonal head and a diagonal mouth.

Have you ever tried it on with someone famous and been rejected?

I ain't, actually. I've flirted with a famous person, but never gone for someone and got rejected. I've always got with them.

Can you explain to us, loosely, how the Large Hadron Collider works?

Large Hadron Collider? What's that? I've never heard of him.

Did you move to Essex because your surname is Essex or was it just a happy coincidence?

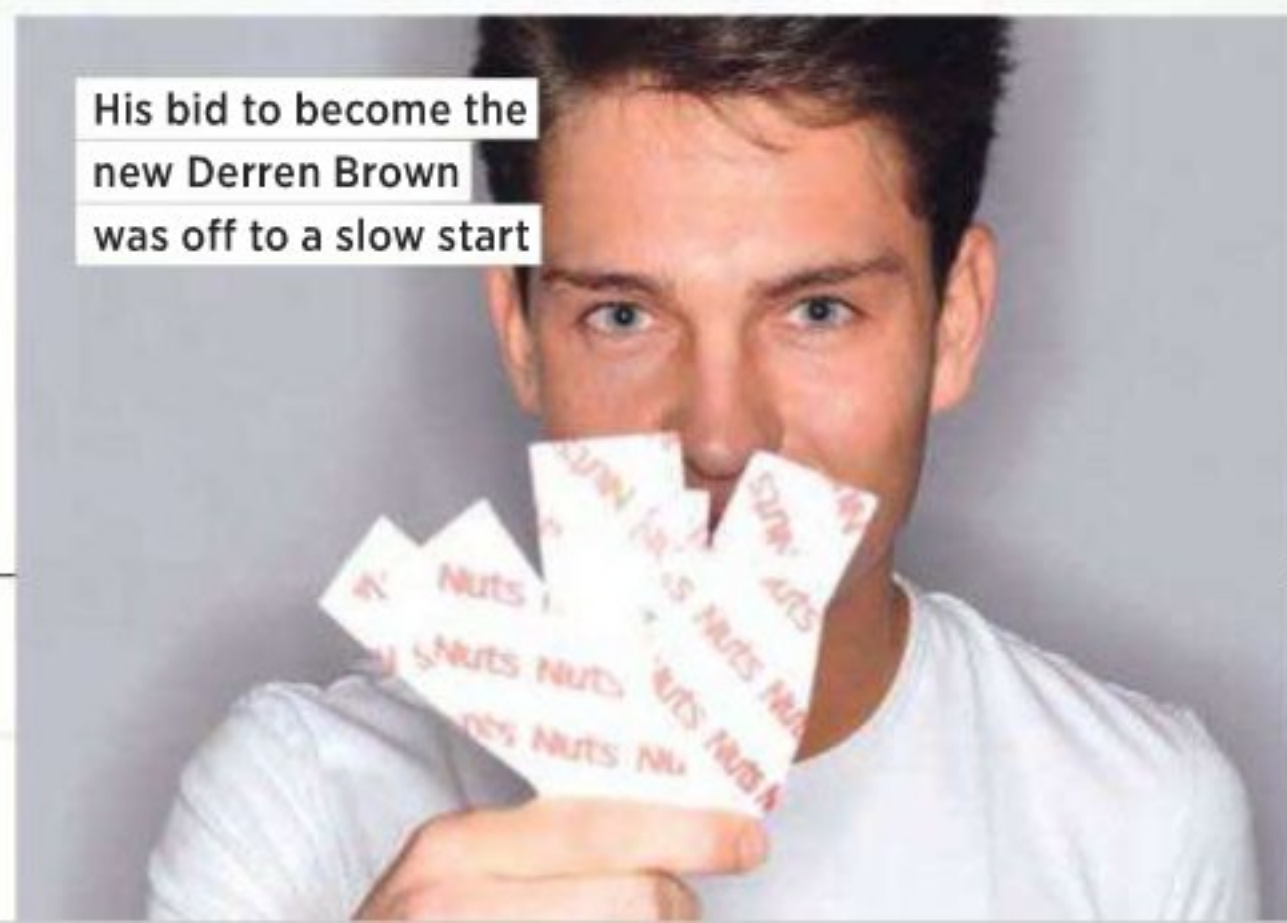

I didn't know what Essex was when I first moved to Essex. I lived in Bermondsey [in South London – *Nuts* Geography Ed]. When I moved to Essex, everyone was like, "Is your name really Joey Essex?" It's the same now. People don't believe me.

Can you tell us a joke?

Knock-knock! Who's there? Joey. Joey who? Joey Essex. Ha! That's the only one I know.

LUCY PINDER

LACEY BANGHARD

LUCY PINDER'S...

Big Boob Special!

Gentlemen, behold some of the biggest and best
boobs in the business! And, yes, they're all British!

LUCY COLLETT

STACEY POOLE

Lucy Pinder

Hello Lucy! Are you enjoying the boob bonanza today?

Yes, I am! We've got the gorgeous Stacey, Lacey,

Lucy and me... which is a pretty booby line-up, I think. If there were such a thing as the Booby Cup, I think this line-up would form part of the winning team right here!

Is having your boobs out just second nature to you now?

I've seen a lot of great boobs in my time. It feels very normal not to have a lot on. But I'm a good girl, so I know that there's a time and a place for my breasts to come out, and it's in *Nuts*!

Who's been the feistiest girl on the shoot today?

Do you know what, I think everyone's been quite chilled. It's a really nice group of girls here, isn't it? Obviously, it's great to welcome Lucy for a big shoot. But, yeah, not too wild at all.

So what was the last wild night out you had?

I like to be in bed by half ten, normally, so I'm a proper good girl. But, recently, I did a rare 4am stint and it was brilliant! It was at a very big party and I got super-drunk. I'm quite good at removing myself when I think I've had too much, though. But girls go out wearing absurd heels... that's often our drunken downfall.

What's Lucy Pinder's number one piece of boob-handling advice for blokes?

Be gentle. Don't go in all heavy-handed. No "grabby-grabby" unless it's requested by the girl herself. Also, I like my bra to be taken off for me – if a man can't work out how to undo a bra strap, then we're going to have problems! I'm not a fan of biting either, although some girls are. Boobs are sensitive things. ►

**“If a guy can’t
undo a bra,
we’re going to
have problems!”**

We've had some frosty weather of late. How have your boobs been coping with the cold?

They hate the cold! My nipples have gone into sensitivity overdrive and keep sending me subliminal messages, ordering me to put more layers on!

So, you're not a fan of sex in the snow, then?

No way! But I don't think cold temperatures bode well for men either. Sure, I'm a fan of sex outdoors, but not when it's freezing cold. It's a good job I'm not an eskimo because I'd be leading a very boring, sexless existence.

If you could be a man for the day, what would you do?

I'd sleep with a woman! I'd probably play with my bits for the novelty factor, but that would get boring. I imagine if a boy were to have boobs for the day, the first thing he would do would be to give them a good fondle in the mirror.

They say the world might end this year. What would you like to achieve before the fiery end?

Apparently, the actual date given for the end of the world is 21 December, which is the day after my birthday, so I'm thinking if I go out and just get hammered, I'll sleep through the annihilation. But before then, I'd like to have travelled lots. I'd like to go to the Monaco Grand Prix this year.

If your boobs could talk, what would they say?

They'd probably give me a telling off for making them work so hard! But I'd have to thank them for making me famous, wouldn't I?

Indeed! Finally, do you have names for your boobs?

I refer to them as "the girls", but I've never individually named them! I know some people call theirs the Mitchell Brothers, or something like that! I've never drawn on them either. My god, I haven't lived! Let's get a pen out and do some art work on my breasts! ►

**“If I was a
man, I’d
play with
my bits!”**

***“Nuts* should run
a competition to
be a boob-oiler
for the day!”**

Lucy Collett

Hello Lucy! How are you enjoying the boobs today?

Hello! It's a really great, fun shoot.

I've loved meeting

Lucy Pinder and working with her – she's so lovely! As I was coming here, I was a bit nervous, but the other *Nuts* girls are just awesome, so it's all been very relaxed.

Do you ever get flustered being surrounded by all these boobs?

I've developed an immunity to them. Today, I've just had girls grabbing my boobs and oiling them up and I've been, like, "Just go for it!" Do you think being the *Nuts* boob-oiler is up there with the best jobs in the world? Maybe you could run a competition to be one for the day. I wouldn't mind!

Blimey! Do your amazing boobs ever accidentally escape?

I kind of forget I've got them out quite a lot. I walk around my house naked all the time. I once answered the door to the postman, forgetting I had my boobs out. That's how comfortable I am with them!

When was the last time you had your boobs out in public?

I was at a party the other night and my friend was asking me how heavy my boobs were. So I just whacked them out and let her have a good feel! The lads in the room were asking if they could have a feel too, but I was, like, "Nah, girls only!" By the way, they weigh the same as a bag of sugar.

Thanks, that's good to know.

Erm, finally, are there any golden "boob rules" us chaps should be aware of?

Don't be too rough! I hate it if a guy gets all grabby. Be nice! Stroking and kissing is the order of the day. And never motorboat a girl. You can do it once if you ask nicely, but that's it. I do it a lot to my girl mates, but that's different. ►

Lacey Banghard

Hi Lacey! Are you enjoying the boob-tastic shoot today? It's full of massive boobs, a lot of bright colours, a lot of smiling and playfulness. And we've got the queen of boobs, Lucy P, here. Little Miss Hottie, as I call her.

You look very tanned.

I've been sunning it in Tenerife. I was with a load of other models and we always have such a good laugh, just getting drunk and causing mischief.

What's the weirdest thing you do with your boobs out?

Cleaning! I don't know how it happens. I start getting undressed and think, "Oh, I'll start dusting," and then it all goes from there. I could start a craze and get the country hooked on naked dusting.

Ever get overwhelmed by all the boobs on a shoot like this?

Oh no! When we're here, it's just second nature. The last time I was shooting with Rosie Jones, we were playing with our boobs in the mirror. But when I go home and I'm with my other friends, I forget where I am. I'll just get naked without realising and wonder why people look surprised!

Do you ever accidentally knock stuff over with your boobs?

It happens quite frequently. I'm always knocking over drinks and stuff. It's really annoying! The other day, I knocked over a vase at a friend's house. Luckily, it wasn't expensive. It's probably not safe for me to go to museums really, is it?

Thanks, Lacey. Finally, what's the one bit of "boob advice" you can give to our readers?

Boys can be a bit rough with boobs. You have to remember they're very sensitive, so handle with care. ►

**“My boobs
are always
knocking stuff
over – it’s so
annoying!”**

Stacey Poole

Hi Stacey! Welcome back to *Nuts*! How's it going?
It's great to be back so soon after doing the New Babes of 2012 shoot. This is a really nice follow-up. I'm working with girls who I've always said, "Oh, I'd love to work with them!" I'm a bit star-struck.

Have you been recognised since your first big shoot?

The odd time. It's strange. A few people came up to me and said, "Oh, are you in *Nuts* this week?" I'd sort of look at them funny, but then it would click and I'd remember.

This is a very booby shoot. Is it weird being surrounded by so many lovely boobs?

No way! I love boobs, so this is a bit of a home-from-home for me. I love girls who can walk around with their boobs out and feel comfortable with it.

Do you ever do stuff forgetting you have your boobs out?

All the time! I remember once when it started raining outside, so I ran out to get the washing in. I just totally forgot that I had nothing on!

Do boobs ever get in the way?

They really do, but in a good way. If I reach over to pick something up or if I'm eating something, they'll knock a glass over. They're like little weapons of destruction.

Finally, if a chap were allowed to have boobs for the day, would he use them responsibly?

Definitely not. I think he wouldn't stop feeling them and he'd be jumping up and down and testing them to their limit. Boys should not be trusted to own boobs. I don't know why you're so fascinated with them, I just think men like something to grab. So I guess the bigger the better! **X**

This week's best TV, movies, games, fashion, music and tech!

HOMELAND

SUNDAY • CHANNEL 4/
HD, 9.30PM

Brilliant new thriller!

"Maybe if I keep
whistling she'll agree
to go out with me"

Friday 17 February

"Ha! We really know
how to cut loose!"

The Mentalist

CHANNEL 5/HD • 9pm

Back after a short break, Patrick Jane continues mentalising people. In tonight's episode, a former American football star seems to be the target of a car bomb (the star's assistant accidentally gets killed. Whoops). Jane has a cunning idea about how to trap the killer, but it turns out loads of people wanted the footballer dead.

★★★

"Medium rare –
just how I like it"

The Walking Dead

FX/HD • 10pm

In the USA, TV shows like this have mid-season breaks, which strikes us as silly because it's not like the living dead are going to get tired. This is back tonight, and the deep-seated differences between Shane and Rick finally start to come to the surface.

★★★★★

"Hi, would you
like to buy some
insurance?"

NEW SERIES!

The Mad Bad Ad Show

CHANNEL 4/HD • 10pm

Two things TV's not short of are adverts and comedy panel shows, but this, combining the two, is a winner. Mark Dolan oversees proceedings as the brilliant Micky Flanagan and Mark Watson captain teams to answer questions on the world's nuttiest ads.

★★★★★

SOFA AMMO

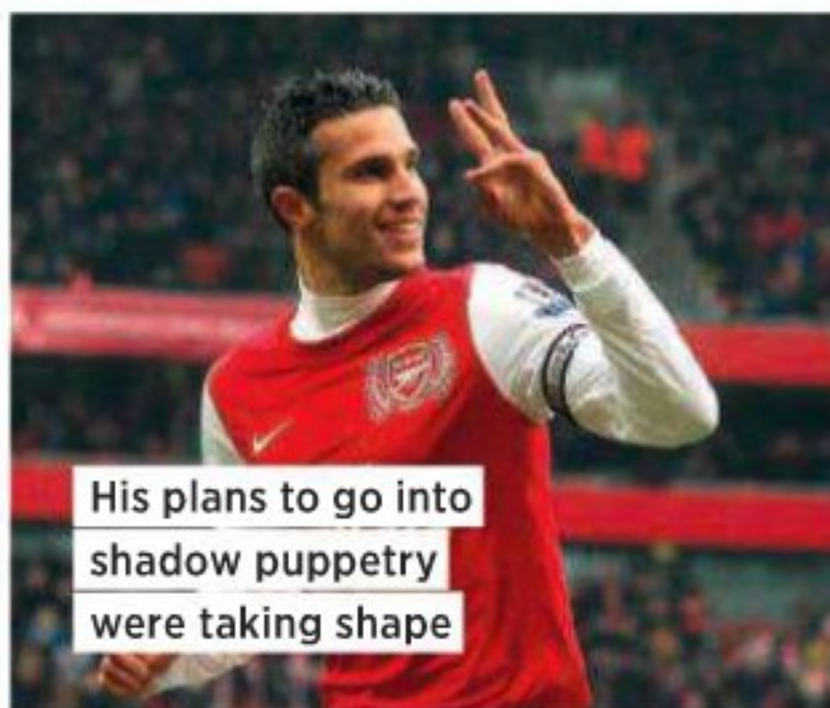

THE WIRE

SKY ATLANTIC •
10.20pm

Michael K Williams, who plays Omar in the ace drama, didn't use make-up to give him that almighty scar on his cheek. He was actually slashed with a razor on his 25th birthday!

Saturday 18 February

Sunderland vs Arsenal

ITV1 • 4.50pm

With both Manchester clubs out, this season's FA Cup could give one of the lesser lights a chance of silverware. Heck, even Arsenal could land some for the first time in ages! First they'll have to overcome a revitalised Sunderland in the fifth round, though.

★★★★

Let's Dance For Sport Relief

BBC ONE/HD • 7pm

We normally hate dancing shows, but this is different. It's for charity, for a start, but also, it offers a chance to see the likes of Olly Murs and Omid Djalili humiliated by panellists Greg Davies and Keith Lemon. Ex-TOWIE hottie Amy Childs is taking part, too.

★★★

Luck

SKY ATLANTIC/HD • 9pm

From the writer of *Deadwood*, directed by Michael Mann (*Heat*) and starring a quality cast including Dustin Hoffman, this new HBO drama set in the world of horse racing should be amazing. However, it's a slow burner and complicated. But that's what people said about *The Wire*, so we'll stick with it for now.

★★★★

STARKY & HUTCH

BBC1 • 10.20pm

A highly amusing film, made all the better by Amy Smart and Carmen Electra swapping spit. Excellent!

Sunday 19 February

Top Gear

BBC TWO/HD • 8pm

Bombing around in mobility scooters may not be the most hair-raising stunt the chaps have taken on, but it still promises to be great fun as they take to the streets in an eight-wheeler with bull bars, one with caterpillar tanks tracks and another with mini tractor wheels. Elsewhere, James puts the Fisker Karma through its paces.

★★★★★

Being Human

BBC THREE/HD • 9pm

The supernatural drama is still settling down after most of the original cast left but it's keeping us gripped with tense storylines. Tonight, evil cop Fergus tries to lure Hal from his new life with an offer of becoming leader of the vampires, but it's only when Fergus attacks the house that Hal is forced to choose whose side he's on.

★★★

Homeland

CHANNEL 4/HD • 9.30pm

Sergeant Nicholas Brody has been missing in Iraq for eight years, presumed dead until he's discovered in a locked cell by Navy Seals. Brody returns to the USA a hero, but CIA agent Carrie Mathison has been given intelligence that an American prisoner of war had been "turned." This is the best TV show you'll see all year.

★★★★★

UPSTAIRS DOWNSTAIRS

BBC1 • 9.30pm

Argh, period drama hell... but who's she? Lady Persephone Towyn is played by Claire Foy. We likey!

Monday 20 February

The Bleak Old Shop Of Stuff

BBC TWO/HD • 8.30pm

It stars *Peep Show*'s Robert Webb and David Mitchell, but don't expect this three-parter (following the Christmas special) to be similar. We're in the Dickensian world of a shop of oddities, and the gentle humour of owner Webb and his associates.

★★★

Grimm

WATCH/HD • 9pm

After a decent opening episode last week, this drama about a detective whose legacy is to become a hunter of evil fairytale creatures falls a tad short here. In this one, there's a family of bears masquerading as people who like to hunt humans as part of some weird ritual. Still, suspend your disbelief and give it a whirl.

★★★

Death Valley

MTV • 10pm

The San Fernando Valley, until now known mainly as the centre of the US porn industry, has been overrun by suckers of a different type, namely vampires. Not to mention zombies and werewolves. This week, it's the werewolves causing bother – a porn video shoot is interrupted when one of the actors turns into one.

★★★★

WATSON & OLIVER

BBC TWO • 10pm

A new comedy sketch show starring two women, who are unsurprisingly called Watson and Oliver. We've seen it. It's not funny.

Tuesday 21 February

● New issue on sale today!

Napoli vs Chelsea

SKY SPORTS 2/HD • 7pm

The Champions League continues as the Blues visit Naples for this last-16 first-leg tie. Napoli will be confident, having already conquered English opposition this season (Man City), but defeat surely doesn't bear thinking about for Andre Villas-Boas.

★★★★

56 Nuts

The Brit Awards

ITV1/HD • 8pm

Top bloke James Corden hosts the annual music awards back-slapping event with some quality acts like Noel Gallagher, Rihanna and "Outstanding Contribution To Music" winners Blur performing. You can also cheer on nominees Ed Sheeran, Coldplay, Adele, Bruno Mars and Olly Murs, and all from the comfort of your own sofa.

★★★

Friday Night Lights

SKY ATLANTIC/HD • 8pm

If you caught the first episode, you'll be pleased to know that quarterback Jason Street regains the feeling in his legs and all's fine. Not really! He's wheelchair-bound and Coach Taylor's team is falling apart. Can he fix his broken crew in time for the big game?

★★★★★

SQUEAMISH

DMAX • 10pm

All about bugs, this is guaranteed to make your skin crawl and women scream. There's a bloke who breeds cockroaches and flesh-eating flies who lay their eggs in humans. Eek!

Wednesday 22 February

No Strings Attached

SKY MOVIES PREMIERE/HD • 8pm

After a chance meeting between two former friends leads to sexy time, singletons Adam and Emma agree to a no-strings relationship. But it soon gets complicated when Adam (Ashton Kutcher) inadvertently falls for his sex buddy (Natalie Portman).

★★★

Sons Of Anarchy

SUSA • 10pm

There's massive fallout from last week's episode, which saw Juice stealing a brick of cocaine for the cops. The Mayans and the Sons are pointing fingers at each other, with neither admitting responsibility for the missing drugs. The Sons try to smoke out the culprit, but this can only end one way – and that's death!

★★★★★

10 O'Clock Live

CHANNEL 4/HD • 10pm

David Mitchell (yep, him again), Charlie Brooker, Jimmy Carr and Lauren Laverne host more comedy on the kind of topical subjects we normally roll our eyes at, like politics, science and culture. It's hit-and-miss, but with presenters like those around, the odd corker of a comment's never too far away. Worth checking out.

★★★

BIG BODY SQUAD

CHANNEL 5 • 8pm

We meet 53-stone Keith as a team of eight struggle to get him home following a stay in hospital. We can only hope they stapled his stomach, for his own sake.

Thursday 23 February

Pramface

BBC THREE/HD • 9pm

One of those warm and friendly comedy dramas (from the writer of *That Mitchell And Webb Look*) that'll have you reaching for the condoms! 16-year-old lad Jamie loses his virginity during a one-night stand with 18-year-old Laura. The problem? He's impregnated her. Jamie's mate Mike is the star of the show though.

★★★★

Inside Men

BBC ONE/HD • 9pm

It's the final part of the quality Beeb drama about a big money heist. The group are getting tetchy as the date of the job approaches. Marcus' missus is offered a proper role in the heist, which she accepts, and former quiet guy Chris starts displaying unusual behaviour, which is cause for concern. Will they get away with it?

★★★★

House

SKY 1/HD • 10pm

Back after a mid-season break (we thought they only happened in the Bundesliga), House is still dealing with medical mysteries and being all sarcastic. This week, an Alzheimer's patient taking part in a drug trial starts vomiting and being even meaner than Dr House himself, as if that's even possible!

★★★★

BETTING SLIP

PUNT OF THE WEEK!

PAKISTAN VS ENGLAND

SKY SPORTS 1/HD • 3.30pm

England flunked the Test series, but they're World Twenty20 champs, so we're hopeful here. Get a few quid on an England win.

THE WOMAN IN BLACK

10 February • 12A

The Hammer House of Horror churned out spooky flicks by the dozen back in the day. Now, Daniel Radcliffe puts down his

wand for ghostly goings-on in their latest old-school spine-tingler, set in Victorian times, where the former boy wizard plays a solicitor sent to a remote house. Adapted by *Kick-Ass* writer Jane Goldman, it's mildly spooky stuff. ★★★

BRAQUO

DVD • 15

Ordinarily, we'd give subtitled French TV cop dramas a very wide berth, but *Braquo* is something else altogether. It was written by

a former cop, and it's about a group of police officers who are so corrupt, so bad and so violent that they make *Vic Mackey* off *The Shield* look like a pansy. Did we mention the violence already? It'll make your teeth squeak. Guaranteed. ★★★★★

Nuts Games' top tips to help you win £££s!

➔ **YOU MAY** think Deal or No Deal is a game for those people who believe in so-called "systems". Well, the TV game show might very well be, but take it from us, the multi-line slot game most certainly isn't!

You can win big from the comfort of your own home for as little as 5p, and if you play on all lines, you could win a progressive jackpot. One recent **Nuts Games** winner bagged himself a massive £58,236!

Head over to www.nutsgames.co.uk and start playing NOW!

How to play

- The aim is to get winning symbol combinations from each spin of the reels, with the ultimate target being the progressive jackpot.
- You can select up to 20p on each of the 20 pay lines. That gives you up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win some extra cash.

The number lines

Click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

Bonus game

If you bet on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins – this plays like the TV show, with the progressive jackpot at stake. Don't be too greedy or, like us, you could end up with £8 instead of £100!

Ladies, got a saucy secret you can't keep to yourself? Send your sexy story to our Lou!

'Her hand ran up my skirt'

AFTER A night out with my new workmates, I missed my last train home so a sexy colleague offered me a bed at her place. In the cab, she was flirting with me and confessed that she liked girls. I probed her for more details, so she leaned in for a kiss. I was a bit shocked but liked the feel of her soft, full lips and delicate tongue. Then I felt her hand run up my short skirt and gasped as her fingers rubbed over my tiny G-string. When we got back to hers, we had a great night experimenting with her collection of sex toys!

Marie Winchester

'I rubbed the gearstick'

I'D JUST reached my 18th birthday and as I'd always wanted to learn to drive, an older friend of my sister offered to give me a few lessons. I was so excited

on the morning of my first lesson and as he was pretty fit, I dressed in a short skirt and a sexy tight top. After he'd shown me around the car and given me a few instructions, I was ready to move off. I placed my hands on the wheel and couldn't resist rubbing the gearstick up and down. This

made him stare at me for ages. I could tell he was gagging for me. Neither of us moved or spoke, so I reached across, grabbed his hand and guided it towards my cleavage. We started kissing and touching each other. He invited me back to his as everyone was out, so I quickly agreed. We swapped seats in a flash and he drove rather quickly to his place to continue our "lesson"!

Vicky Hull

'I played with his erection'

MY BOYFRIEND had worked all weekend and came home tired and hungry. His back was killing him, so after cooking him a tasty meal, I offered him a massage. Wearing a sexy little one-piece, I sat astride him on the sofa and squeezed some cream over his chest. I gave him my best serious rub for a few minutes and then I gave up. I leaned forward and, using my boobs, I rubbed up and down, feeling him stiffen against me. As I played with his erection, he rubbed the lotion into my boobs and then started licking and biting my nipples. We were both breathing deeply and I couldn't wait any longer. I slipped him inside me and bounced around on top of him until he groaned with delight. I've got to work late next week, so I hope my massage treat is just as good!

Ayshe Stratford

'He soaped my breasts'

THE WEATHER turned freezing cold last week but I promised my boyfriend that I'd help him tidy up our garage. It took hours and by the end, I was cold to the bone and filthy. We dived into the bathroom and were both soon warming ourselves under our huge shower head. He started washing my back and giving my shoulders a quick rub. I rested my head back on his chest and then his hands started soaping my breasts. I could feel his erection getting harder against my back as his hands slid down between my legs. I reached behind me and began to stroke him. He bent me over in the shower and I had the most intense orgasm of my life. It was the best way of warming up and getting clean!

10 RUDE QUESTIONS!

And a real girl to answer them!

Sophie

20 King's Lynn

1 Where's the strangest place you've had sex?

"I once did it at the cinema with my boyfriend. It was in his car, in the car park and there were loads of people about. It was really exciting – until the security guard came over and made us stop!"

2 What really turns you on in bed?

"I like being teased in loads of different ways!"

3 What's your favourite position?

"I have loads... I'm the Kama Sutra queen!"

4 Is it better to give or receive?

"Both are great fun, but I'm definitely not selfish!"

5 What one thing would you really like try but haven't yet?

"I'd like to do a naked parachute jump!"

6 Have you ever made a sex tape?

"No, only photos!"

7 Have you ever got it on with another girl?

"No, but I once did a very sexy photo shoot in an ice cream van with my friend."

8 What's your trademark move in the bedroom?

"My trademark move involves using my pole-dancing pole that I've erected in my bedroom!"

9 What would be your role-playing costume of choice?

"I love dressing up but I'd have to say my favourite is my police outfit, so I can get out my handcuffs!"

10 What's the single rudest thing you've ever done?

"My boyfriend and I were in his 4x4 on the beach once. We got out and had wild, mad hot sex on the beach, then on the back of the 4x4! But the car got stuck in the sand and we had to get towed out by a tractor with no clothes on!"

"I once had sex in a cinema car park!"

Merse on Europe!

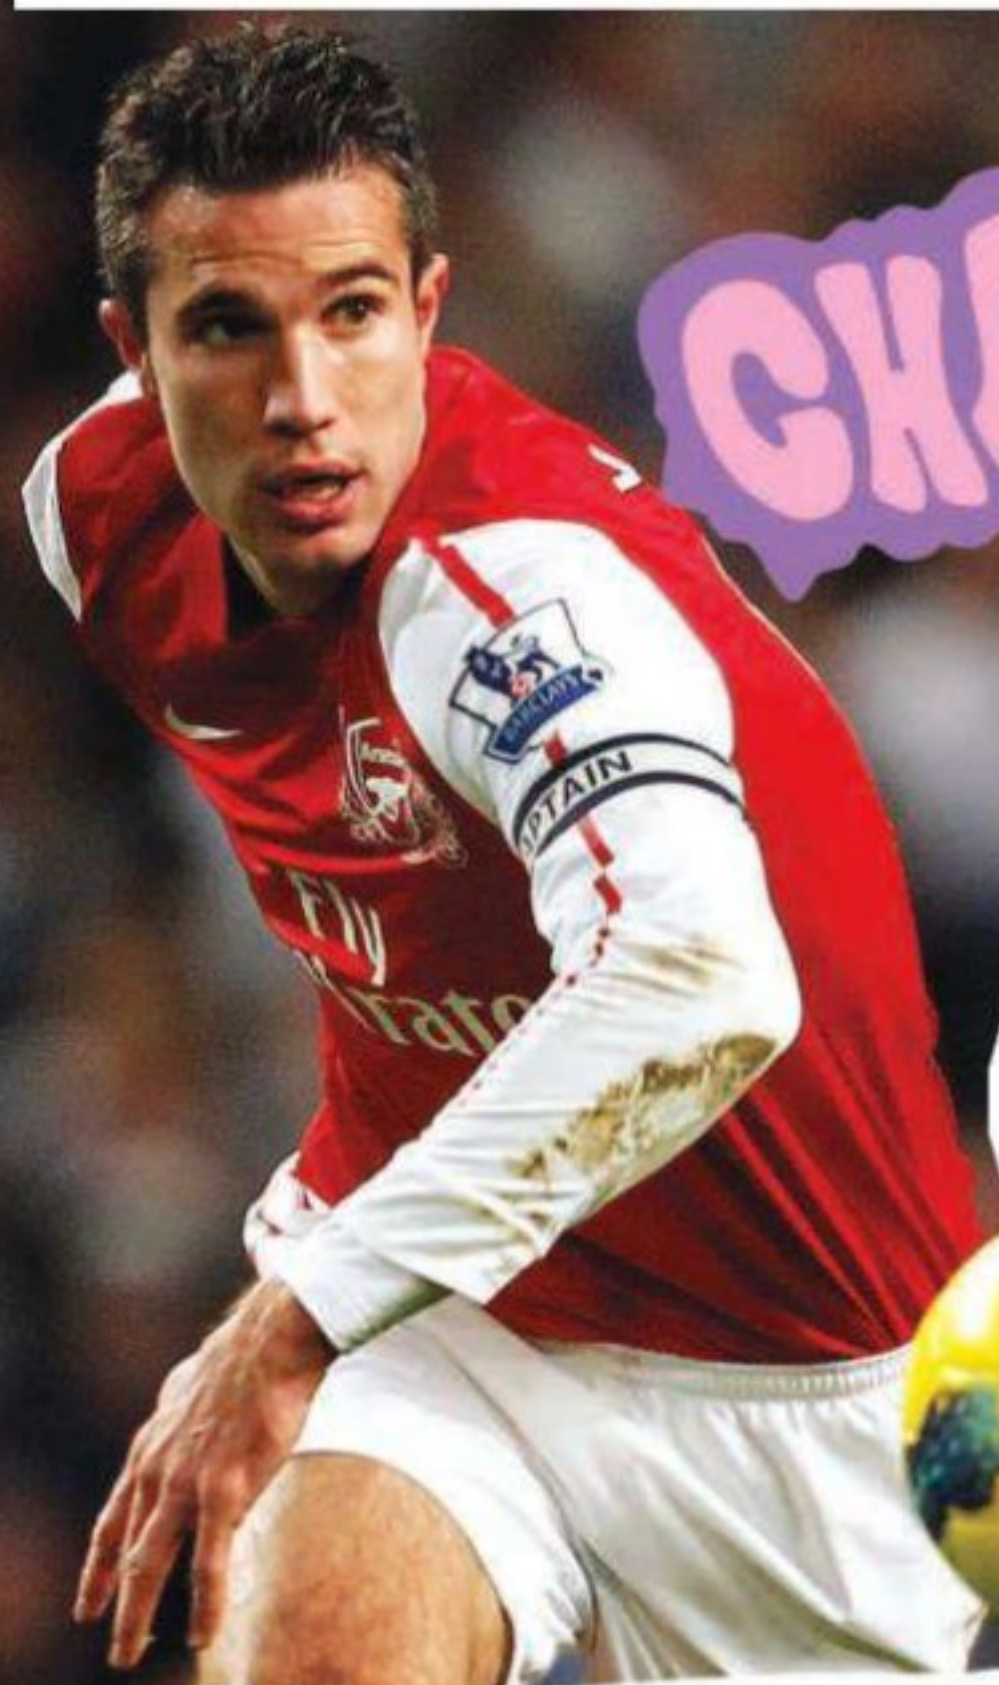

Nuts legend Paul Merson on our boys' European chances!

THE PREMIER

League's finest return to European action this week and there are some big matches ahead. Arsenal travel to AC Milan in the Champions League, while Ajax entertain Man United in the Europa League. *Nuts* legend Paul Merson tells us how he thinks our teams will get on!

CHAMPIONS LEAGUE!

'Arsenal won't get bullied. Milan aren't that strong!'

AC MILAN VS ARSENAL

"Europe suits Arsenal's style – they won't get bullied. That said, this tie could go either way. Milan aren't the strongest at the moment but Arsenal are also struggling. With the FA Cup too, it's a big couple of weeks for Arsene Wenger's men."

Prediction: 2-2 on aggregate (Arsenal to win on penalties).

Wednesday, 15 February, 7.45pm • ITV1/HD

'Chelsea know how to play over two legs!'

NAPOLI VS CHELSEA

"Napoli are a decent side. Man City underestimated the Italians in the group stage and paid dearly. I can't see Chelsea making the same mistake. Andre Villas-Boas' boys are so experienced in Europe and know how to play over two legs."

Prediction: 3-1 to Chelsea on aggregate.

Tuesday, 21 February, 7.45pm • Sky Sports 2/HD

AJAX VS MAN UNITED

"Ajax are having a nightmare in the Eredivisie and not playing well at all. Man United will use the tie as a chance to see if their kids can hack it on the big stage. United may struggle away, but I expect them to win comfortably at Old Trafford."

Prediction: 4-1 to Man United on aggregate.

Thursday, 16 February, 6pm • Channel 5/HD

'United will use the tie to give their kids a chance!'

EUROPA LEAGUE!

'Man City's priority is the Premier League!'

FC PORTO VS MAN CITY

"Porto are the holders so won't go down without a fight. Man City are more concerned about the Premier League and Roberto Mancini's side will have to play nine matches to win the Europa League. They won't be worried if they go out!"

Prediction: 3-2 to Porto on aggregate.

Thursday, 16 February, 8.05pm • ITV1/HD

STOKE VS VALENCIA

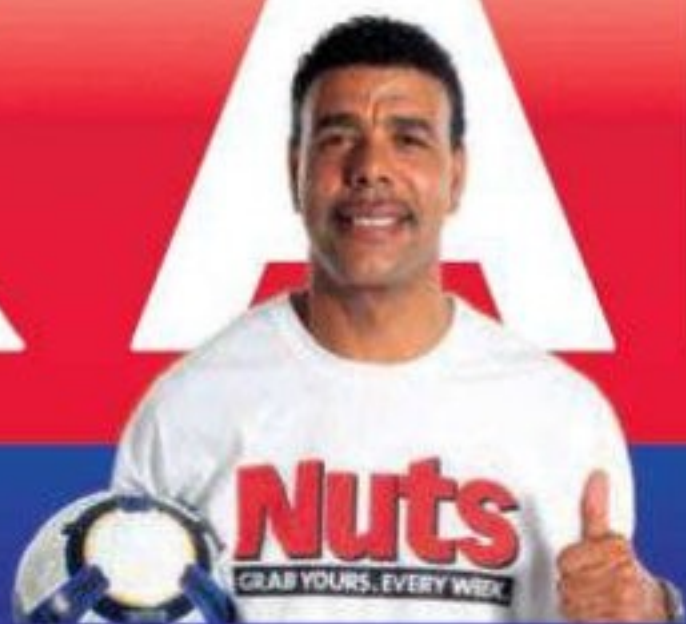

"It's a miracle Stoke are playing Valencia in the Europa League! This tie will be a true clash of styles and Stoke will cause the Spaniards problems. Valencia won't like dealing with Stoke's set-pieces. It's key that Stoke are at home first."

Prediction: 1-1 on aggregate (Stoke to win on penalties).

Thursday, 16 February, 8.05pm • ESPN/HD

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"Damn, I can't quite reach the lift button from here"

Arrivederci Capello!

I'm glad mercenary Capello has gone for good!

➔ **WHAT A** week for England! I have to say, I'm more than happy Fabio Capello has disappeared back to Italy. I was never a massive fan of his and he came across as a mercenary manager only interested in making as much money as he could!

Capello was never interesting in developing younger players and going

above and beyond what was asked of him, he just picked the team and did little else. And from the sound of things, it was a mutual decision – the Italian is getting a payoff in return for keeping his mouth shut. Everyone is happy and England are much better off without him!

As for a successor, the FA shouldn't look any further

than Harry Redknapp. He's a fantastic man motivator and players want to play for him. I think he could perform a dual role till the summer, managing Spurs and England. It would cost the FA a fortune to buy out his contract and he might be happy with managing his country in a big tournament, then heading back to Tottenham next season!

"Yes! I won a tenner on a scratchcard!"

Bright future for England!

WHOEVER TAKES over as the new England boss has a fantastic pool of youngsters to manage. Just look at names like Wilshere, Cleverley, Hart, Welbeck, Smalling, Sturridge, Walker, Jones and Rodwell – unbelievable! Any manager would relish the chance to develop those players.

That said, it's important not to forget the more experienced England internationals, I know some of them had a stinker at the World Cup in 2010, but under the right guidance, they still have a lot to give! And I would give the armband to Steven Gerrard, an amazing player who leads by example!

- Send jokes, comments, pics etc to kammy@ipcmedia.com. The sender of the best one each week wins themselves a signed *Nuts* T-shirt!

KAMMY'S UNBELIEVABLE-OMETER™

UNBELIEVABLY GOOD!

KAMMY'S THE BOSS!
I see a Twitter campaign has started to make me the next England manager! I think you're all crazy! I'm more Mike Bassett than Harry Redknapp, that's for sure!

UNBELIEVABLY BAD!

CLAMPED KEEPER!
Poor Anders Lindegaard! Not only is he injured, his flash new Jaguar was towed away in Manchester. Anders, watch where you park it, silly boy!

THE BIG MATCH!

"Here, Yossi, can you help me with my bootlaces?"

Unbeatable Barca set for glory

THE CHAMPIONS League is back this week but I reckon most of the remaining teams might as well just pack up and go home now! I can't see anyone knocking Barcelona off their perch. They're a footballing phenomenon and the best club side ever. If you're thinking of having a cheeky bet on anyone else for the big cup, I wouldn't bother!

"Do you like my new bathtub?"

Sunderland vs Arsenal

18 FEB, 17.15PM • ITV1

Sunderland must be the favourites here. They're bang in form and have the feelgood factor with Martin O'Neill in charge. Arsenal were great against Blackburn recently but have AC Milan to contend with in the Champions League and won't fancy a trip to the Stadium of Light.

KAMMY'S PREDICTION: 2-1

Key man

Stephane Sessegnon is playing fantastically well. The midfielder knows where the goal is and I expect him to cause Arsenal some problems.

City stars back just in time

VINCENT KOMPANY is set to return for Man City this week and he'll be joined by Yaya Toure, who's just returned from the African Cup of Nations. It can't come soon enough for Roberto Mancini – City have really struggled without these two!

Yaya was happy to help when Vincent needed winding

BRITISH BOXING SPECIAL!

Chisora: 'Vitali is gagging for me to kiss him!'

Dereck Chisora talks to *Nuts* ahead of his world title fight against Vitali Klitschko!

➔ **Hi Dereck! How do you feel about the fact you're fighting Vitali in Germany?**

I love fighting away from home. The more boos I hear, the more excited I get. I'm looking forward to fighting for the biggest prize in the history of the sport.

It's the biggest fight of your career. Has it come too soon?

Nah, I just hope Vitali doesn't chicken out like his brother did – twice!

Can you win this fight?

Yeah, and I want to win in round eight, as it's my lucky number. I'm ready to take what he has and make it mine. I'm not scared.

He'll be the favourite. How does that make you feel?

Everyone's tired of these two Klitschkos. Boxing needs a new king. All of Europe wants me to win this fight. America wants me to win this fight, South Africa wants me to win this fight – everyone does.

What about Asia?

China's never heard of me, but they will have when I'm finished whooping his arse!

Klitschko says he'll knock you out in the sixth round.

I've tasted the floor before, so I don't think I'll be doing it again. You can only punch something you can see and he won't be able to see me. He's the doctor and I'm the black plague, and I'm coming to take what's his.

You lost your last fight. How can you be so confident of winning this one?

I'm the shining light of boxing. People are bored of him killing the sport so I'm going to whoop his arse!

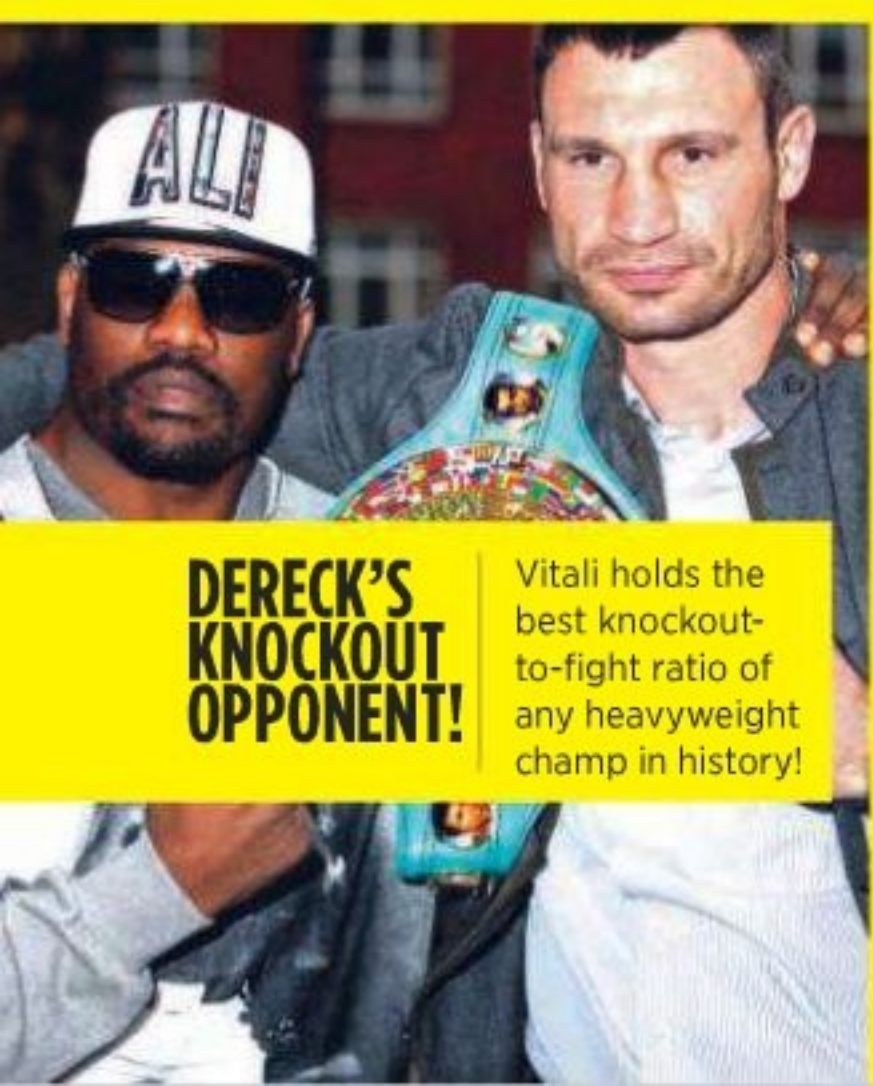

Will he retire after this fight?

Probably not. He wants to retire when he wants to retire. Retiring's giving up doing something you love, so I can't see it happening.

Thanks for the chat, Dereck. Finally, you've kissed an opponent in the past. Will you be doing that in this fight?

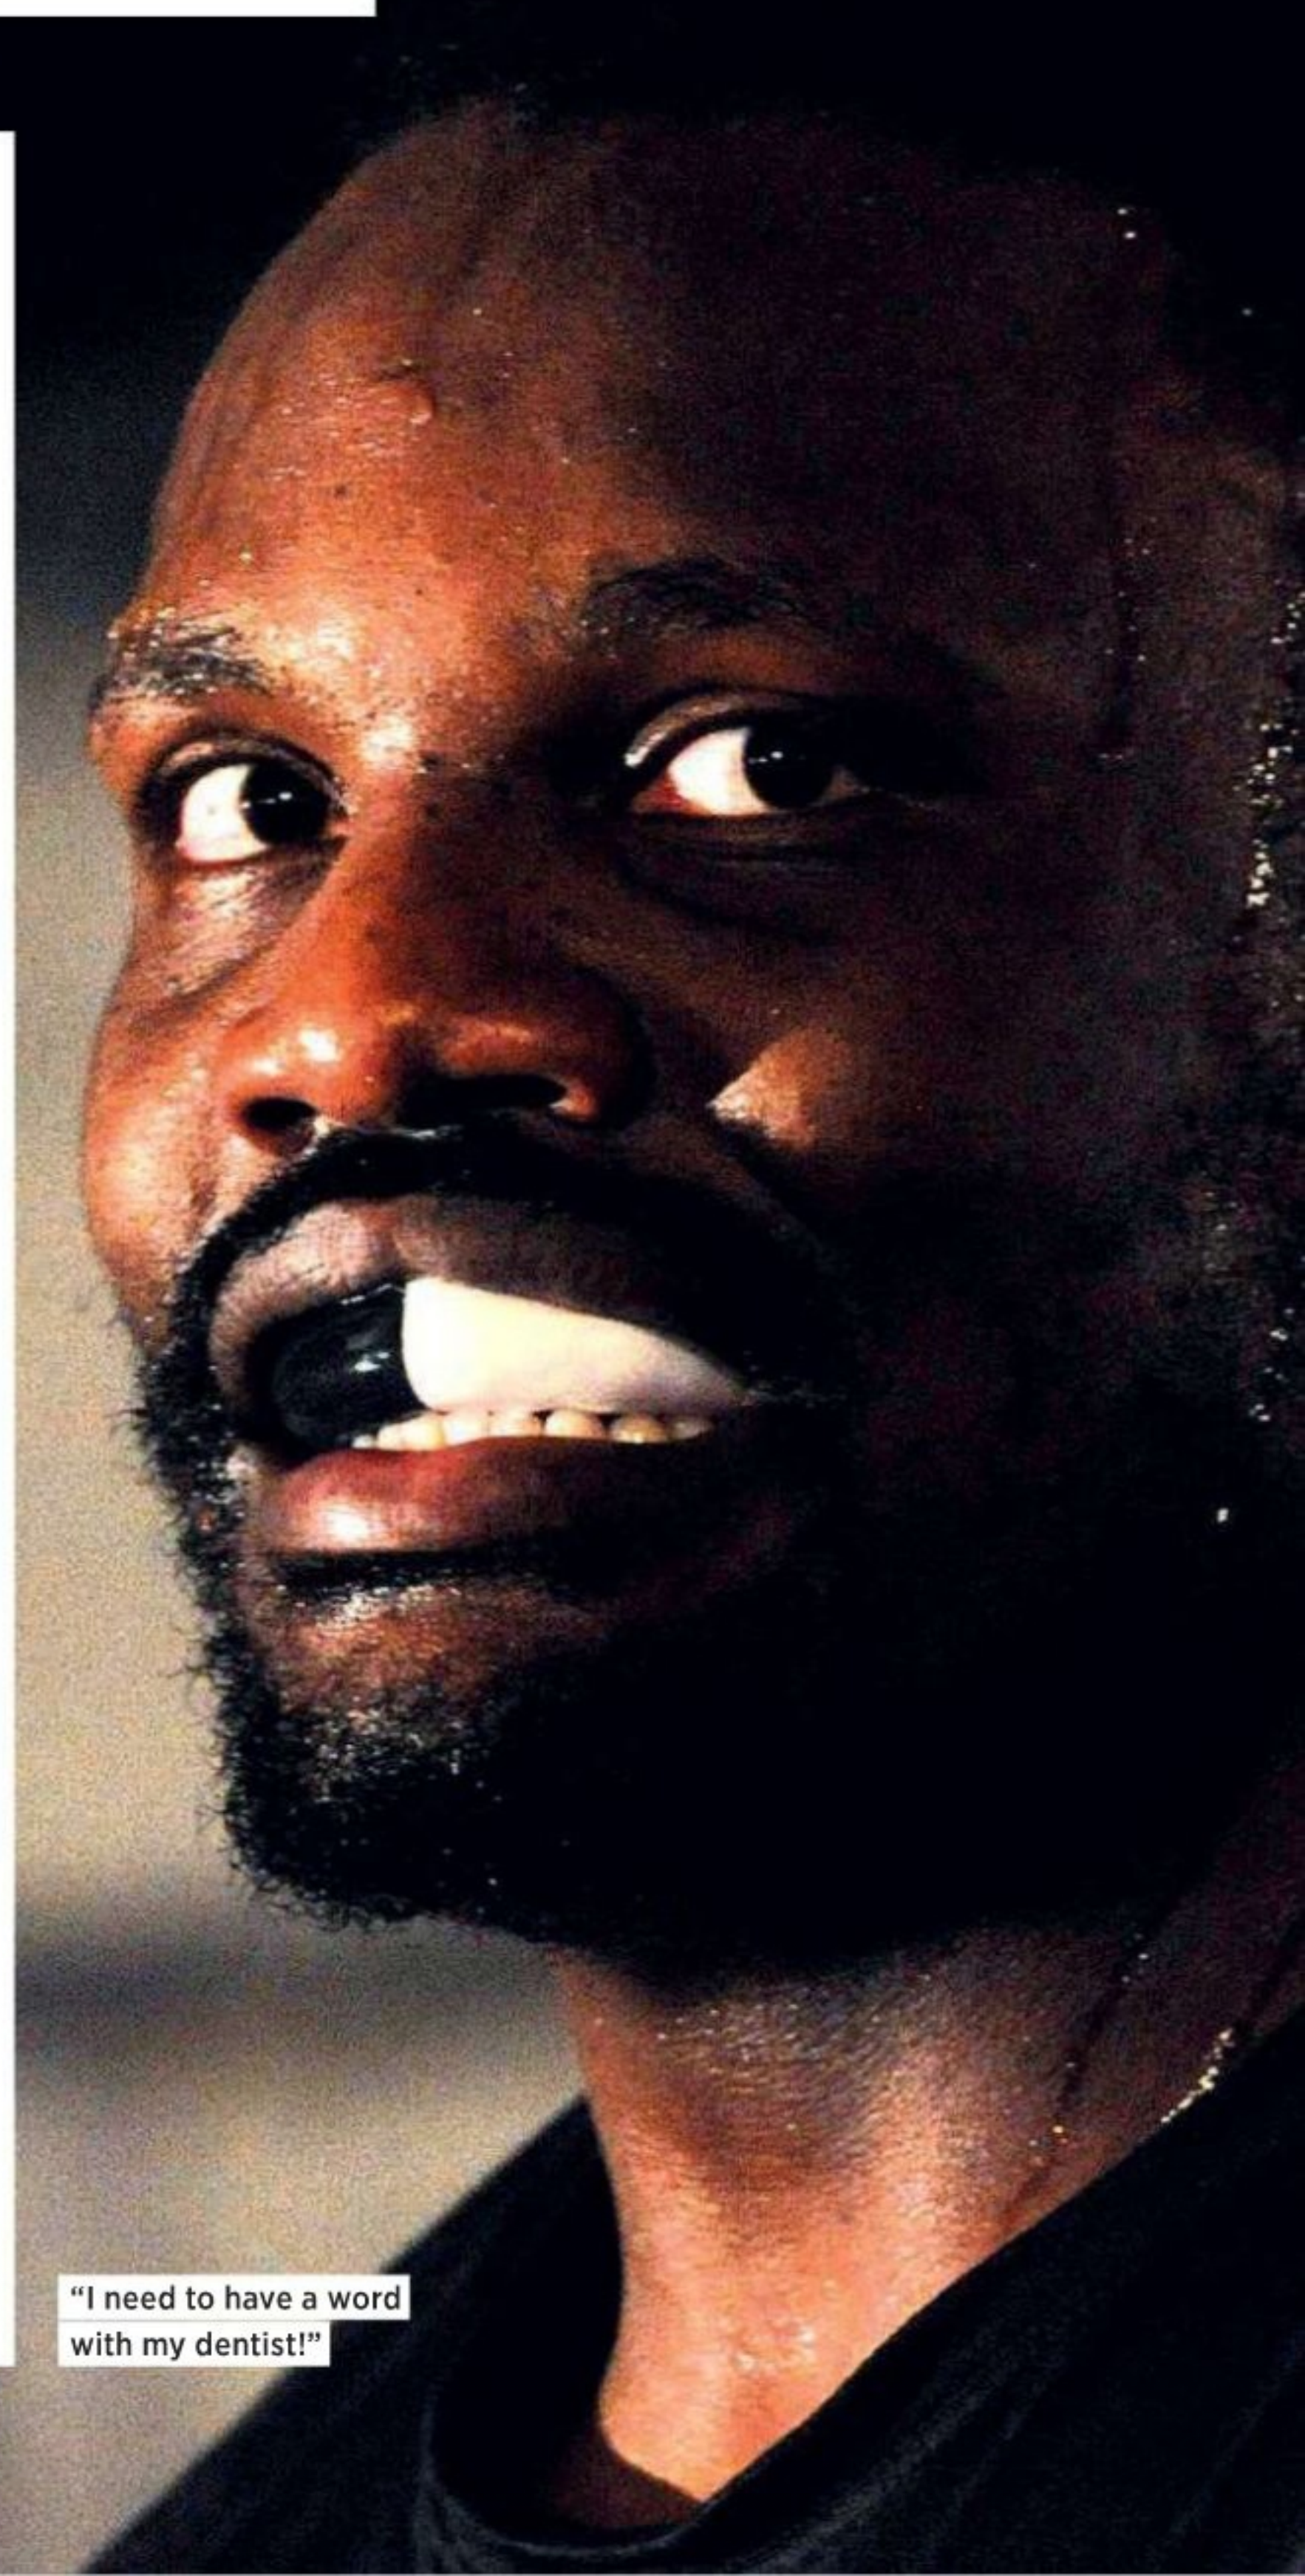

Ha-ha! I offered to kiss him, but he didn't shave. I told him I swing both ways but he doesn't believe me. He's gagging for a kiss though!

Eubank Jr: 'I want to bring the wow factor back to boxing!'

Chris Eubank Jr on his next fight, his dad and looking good in the ring!

➔ **Hi Chris! You've had one pro fight after a great amateur career. Is there a difference?**

The main difference is that you don't have headgear. Plus, now I'm fighting in front of millions on TV rather than a few hundred.

People are interested in seeing how good you are. Yeah, but I don't think having a famous name adds pressure. The expectation on me only makes me want to fight and train harder.

What valuable advice has your dad given you? He's always guided me and showed me techniques, like

footwork. I take whatever advice I can get from him.

So your style is similar? Obviously we're going to be similar because it's in my blood, so it's only natural that we're going to look the same, but nothing's forced.

Did you watch him growing up? Yeah, I've watched a lot of his tapes. Being around him 24/7 has meant that a lot of stuff has rubbed off on me.

He was a showman outside the ring. Are you similar? Yeah, I'm always looking to put on a performance. Ever since my first amateur fight I've jumped over the top rope.

You've trained with Floyd Mayweather Sr. How was that? It was great. He's all about speed and putting together combinations. Now I can throw seven or eight shots at a time.

Have you set a target for yourself to start winning titles? I get a shot at a title in a year or so that'll be perfect.

Other than your dad, who did you watch growing up? I liked people who could fight and look good doing it. So Sugar Ray Leonard, Prince Naseem and Floyd Mayweather, people like that. Many boxers these days lack that wow factor. I want to bring that back to the sport.

Thanks, Chris! Finally, your dad used to wear a monocle. Will you be doing that? No, it's not my style!

● *Chris Eubank Jr fights Jason Ball on Saturday. For tickets visit www.hennessysports.com*

Africa's craziest footy fans!

Crowd highlights from the African Cup Of Nations!

WE'VE BEEN enjoying the recent African Cup Of Nations in Gabon and Equatorial Guinea – not just for the football, but also for the brilliantly “colourful” fans, who take devotion to their team to new levels of insanity. We've picked out some of our favourites...

TUNISIA What a fine figure of a man! We especially like the way he's highlighted his man-boobs in different colours, just in case we missed them!

GUINEA With the novelty Hulk hand and scary Carlos Tevez mask, this fan probably wouldn't even be allowed in to most Premier League grounds!

BURKINA FASO Two salad bowls, novelty glasses and a pair of Iron Man hands are all you need to get this look. It may be tricky getting through the turnstiles.

MALI This fan looks ready for a dust up! We like the multi-coloured helmet, but we haven't a clue what he's holding. The knitted gloves are a nice touch, too.

The curious QPR striker isn't short on motors. In fact he loves American cars like this Chrysler. The striker even had a portrait of his daughter emblazoned on the bonnet!
