Nuts tests the Olympic torch route!

Doing our bit for London 2012!

FROM LAND'S End to John O'Groats, the

Olympic torch is currently snaking its way around the UK's towns and cities before finally showing up for London's big bash in July.

Looks pretty tricky, this "running 100 metres with fire" malarkey, so we thought we'd test the route ourselves – basically figuring that if a Nuts berk could get round a bit of it without going up in flames, anyone could.

We caught up with the relay and took our own ample-bosomed athletes – Jess, Lacey, Emily and Sabine – along for added security. And what a reception we received!

WORDS: S. CUNNINGHAM PHOTOS: ELLIS O'BRIEN, REX FEATURES

TORCH SINGER!

John Terry spam!

**Pics mock revelling
Chelsea captain!**

➔ **WHEN
CHELSEA**
pluckily won that
Champions League
against all odds last week,
few could have blamed
John Terry for ripping
off his trackie and
hoisting the cup like
he was single-handedly
responsible for the victory.

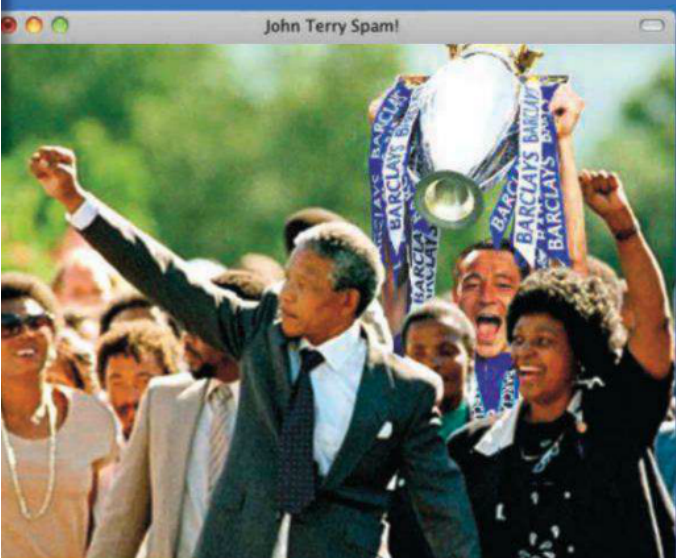

Of course, we're being
silly. The (non-Chelsea)
nation guffawed loudly at
his unseemly celebrations.
And then some clever
people sat down to mock
him in the best way they
know how – in spam.
Here are the highlights!

Cameron joined in too!

Our PM was also snapped celebrating Chelsea's win alongside Pres Obama. This threw up some good pics, too!

A quick word with Kelly Brook

Straight from the Cannes Film Festival!

Hi Kelly! You're in Cannes to promote *Keith Lemon: The*

Film. What's your character?

I've been playing me. I'm doing some serious method acting. I've been living the actor's dream after all those years in Hollywood. In Hollywood I wanted to be a film star, or a Bond girl.

What made Keith cast you?

Keith said it was easy to cast me as I'm the woman of his dreams. I'm evil in the movie. I was the one requesting all the nudity, and I actually added more nude scenes. It's a perfect Christmas Day movie with all the family round. Warm and fuzzy in areas and warm and sticky in others.

Who's Keith playing?

Keith plays a billionaire. His favourite billionaire's Richard Branson. Though probably Bono's everyone's favourite now. I think he's a billionaire since Facebook floated last week. Keith says Bono still wears that scruffy sh*t jacket though, so that's why he's not his favourite.

What would a billionaire like Keith buy you? A boob job?

I hardly need a boob job, do I? Keith said I would just be t*ts with legs if I was any bigger! There are lots of girls showing big boobs out there on "La Croisette" [Cannes' main street]. It must be like a jungle with all those boob jobs.

Who would you really want to act opposite?

Ben Stiller or Will Ferrell would be my two main choices. I'm a huge fan of Mike Myers and Samuel L. Jackson too, so they'd be really cool to act opposite.

Didn't you once present *The Big Breakfast* from Cannes?

No, that was Melanie Sykes. I came here a few times before though, like for *Fishtales* – an amazing film that I was in. It wasn't as rude as it sounds. I played a mermaid. But I haven't been here for a couple of years and everyone paps you, so you have to be in tip-top shape and avoid eating too much of the wonderful food.

Do you think there'll be a sequel to the film?

Keith calls this his "Loose Origins Story" before he became a whore on *Celebrity Juice*. I'm getting replaced in the next film by [Corrie's] Michelle Keegan apparently. Or maybe that's just a threat. I'm an older version of Michelle, apparently. More experienced.

"Be honest, is the coat too much?"

COMING TO A CINEMA NEAR YOU!

Keith Lemon: The Film, co-starring Kelly, will be in cinemas from 24 August.

"What am I wearing?
This'll surprise you..."

1 SKY HIGH!
Gary took the helicopter up to 2,400ft before stepping out onto the runners.

2 THE TARGET!
His target – a strip of cardboard boxes – is nearly a mile away, and looks alarmingly small.

Parachute-free stunt jump!

No chute? It's OK, he's wearing a helmet!

➔ **LAST WEEK,** certified soft-in-the-head stuntman Gary Connery decided to try a very silly thing: go 2,400ft up in a helicopter, then jump out of it. Without pulling a parachute of any kind.

He was fairly confident that a big pile of cardboard boxes would soften his landing enough for him to, you know, not get spread across the Oxfordshire countryside like jam on toast. This is how it went...

WORDS: RORY BUCKERIDGE
PHOTOS: GETTY IMAGES, REUTERS

4 IN FREEFALL!
Gary was in freefall for three seconds before his suit inflated, letting him control the glide.

5 SLOWING DOWN!
Gary uses his wing suit to slow from around 80mph to the much "safer" 60mph.

7 SOFT LANDING!
The box stack is 350ft long, 50ft wide and 12ft deep. Hopefully, enough to land safely on.

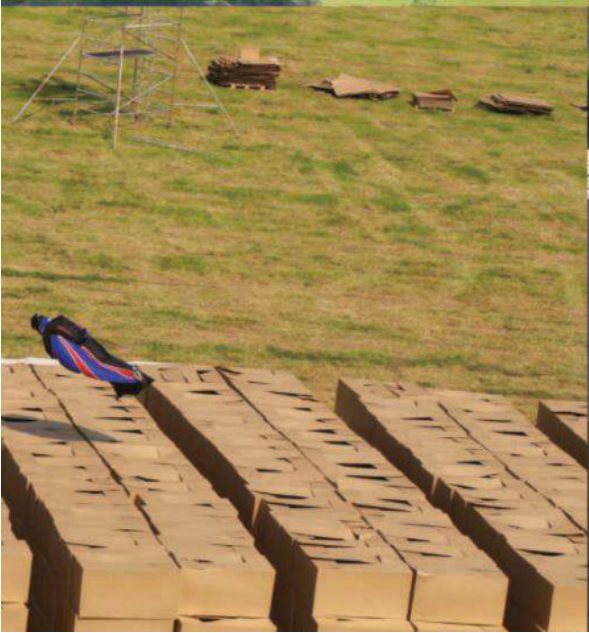

8 WALLOP!
There are over 18,600 boxes in the stack, designed to break Gary's fall and decelerate safely.

3 ALLEY OOP!
Then he steps off. The chap behind him is a cameraman who pulled his chute seconds later.

6 ON APPROACH!
From start to finish, the one-mile flight lasted somewhere around 45 seconds.

9 MISSION ACCOMPLISHED!
He's fine! Time to hit the pub for a pint and bag of pork scratchings.

"One of our bikinis fell in the pool, so India and I fished it out. We're nice like that!"

"This is us recovering having devoured the worst kebab in Ibiza the previous night!"

"Kelly's a trained masseuse and spent the trip getting to grips with some hot bods!"

"Getting ready was a huge drama - we all stole each other's clothes!"

"This is our bum shot in the sunset! There's a 50ft drop on the other side!"

Rosie and chums' holiday snaps!

Our girls hit up Ibiza. It looked fun!

➔ **LAST WEEK,** a crack squad of *Nuts* honeys including that Rosie Jones, Lucy Collett, Lacey Banghard, Holly Peers etc hit up Ibiza for possibly the sexiest all-girl holiday in the history of ever. Hold on tight - here's Rosie's exclusive behind-the-scenes gossip.

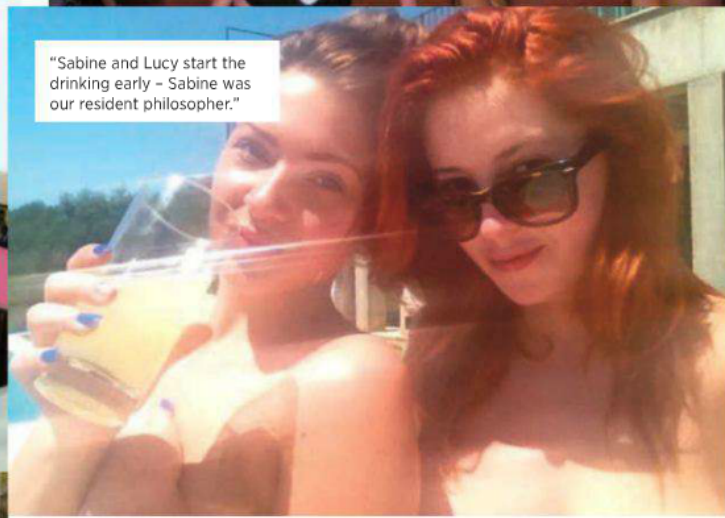

"Kelly said if West Ham won the play-off final, she'd streak around Ibiza naked! Done!"

"We're the Boob Troop and here's our caped crusader. I'm not sure who this is!"

"This is us in Lineker's bar. I think the final Jägerbomb count was 30 between us!"

"Sabine and Lucy start the drinking early - Sabine was our resident philosopher."

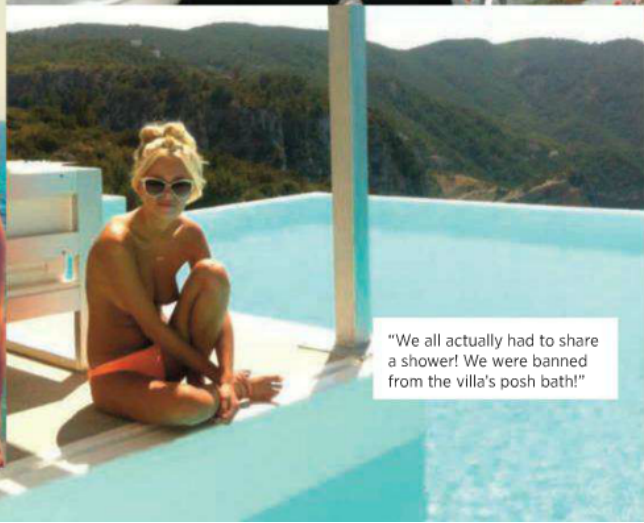

"Kelly may be a masseuse but she's also a groper. She's worse than any bloke!"

"A hungover duvet day! Me and India shared a bed, but she always kicks me off!"

"We didn't get much attention on nights out - everyone's naked and sexy in Ibiza!"

"We all actually had to share a shower! We were banned from the villa's posh bath!"

Lumberjack loved his
new company car

Amazing concept Renault!

You heard us! Frenchies resurrect infamous Alpine brand!

- Back in 1955 a French company began building sports cars that used Renault engines. Called Alpine, the company was officially bought by Renault in 1973, and their A110 model won the World Rally Championship of that year.
- It was a proper driver's car, without any of the poniness attached to it of other brands. Sadly, the Alpine name died off in the early '90s, but Renault promises to bring it back to British roads with a version of this low, wide, tough eye-widener.
- So here's the Renault Alpine A110-50 – a concept to celebrate 50 years since the

birth of the A110. Yes, it's a concept car, but it's fully operational, as proved when Renault showed it off doing a pace lap at last weekend's Monaco GP.

- The new Alpine follows a rich tradition of sexy, lairy mid-engined machines. It's based on the tubular space frame chassis of the deeply mental RenaultSport Megane Trophy race series car – Renault apparently found out by coincidence that their mocked-up design had the same wheelbase as the Mégane.
- This, then, is a pure-bred two-seat race car. By using carbon fibre and special

composite materials in the bodyshell, the Alpine tips the scales at just 880kg. Power? Well, there's a 3.5-litre V6 strapped behind the driver/passenger pews – as per the Megane.

- However, whereas the Mégane racer plays with 360bhp, the Alpine's engine (a poked-about Nissan 370Z power plant) is rated at 400bhp. No turbos or superchargers, just high-revving, six-cylinder car opera.
- While no official performance figures have been released, you can bet that with such low weight, six-speed twin-clutch sequential transmission and

400bhp to play with, the Alpine A110-50 could square up to Porsche's 911 GT3 RS. That means a maximum of 4.0 secs to 62mph, and at least 190mph, top whack.

- The Alpine looks stunning, sharing more than a bit with the 2010 DeZir concept. The race elements have been turned up to 11 though, with extra-wide track, seagull-shaped rear wing, circular nose grilles (paying homage to the old A110's circular spot lights) and supercar calibre curves.
- **You're constantly reminded that the engine lives in the middle of the Alpine** by deeply channelled nostrils in the side panels, and the air scoop in the roof, designed to ram as much fresh oxygen down to the engine's open throttle body mouths as possible. This is a concept. But this car, or something very similar, will almost certainly start tearing up roads in only a few short years.

"So, you're sure the getaway car will just blend in?"

RAF copter stops for chilly treat!

➔ **WHEN THIS** RAF Sea King rescue helicopter landed on the beach at the small fishing village of Winterton-on-Sea, Norfolk, last week, stunned holidaymakers expected some *Casualty*-style drama. Instead, they gawped as one of the crew rushed into the Winterton Dunes Beach Café and emerged with some chocey ice creams.

"They bought three Magnum Classics and one white chocolate Magnum," explained café owner Carmel Shiggins. "People were asking what they were doing, was there an emergency? And I said, 'No, they came in for ice creams.'"

"This isn't a routine occurrence but the crew weren't breaking any rules," explained an RAF spokesman. Between mouthfuls of choc ice.

I'm a stand-up comedian and, as part of my routine, I often talk about my relationship. My other half knew the sort of material I did before we got together, but now she wants me to stop and I think that's unfair. What do you think?

ALEX Leamington Spa

If you're revealing your private life together to all and sundry, I think she has a point. But I do understand that this is your vocation. Do you actually tell the truth in your routines or make it up? Would there be any chance of her joining you on stage as a double act? Then at least she'd get a fair crack of the whip.

LETTER OF THE WEEK!

I'm a cheat!

I cheated on my lady last week. There's a girl who gets my train every week and we always sit and chat. Last week, though, our train was stuck on the track for ages and we ended up getting quite drunk in the buffet car. One thing led to another and we ended up having sex in the toilet. I feel so ashamed and the guilt is killing me. It was a total one-off but should I tell my other half?

M via email

You must've been drunk to have sex in a train toilet. Did you wear a condom? Have you been checked out at a clinic? If you get the medical all-clear, put the incident out of your mind. If not, you have some explaining to do.

had her boobs, face and lips done! She thinks she looks great and says it gives her confidence, but she's starting to look too fake for my liking. I'm worried I can't make her stop - what should I do?

DD via email

This is a female thing, I'm afraid, and some women don't know when to stop. Try to reassure her that you like her au naturel, but if she persists with the surgery, at least get her to have her vagina muscles tightened as well!

If all else fails, suggest that she gets a job as a mannequin in a ladies' clothes shop.

Her feet stink!

My girlfriend has really smelly feet - how do I tell her?

MEL Manchester

I think it's OK to discuss it with her as long as you're diplomatic. It is, after all, in her best interests. I presume it's just her feet and that her downstairs area, bottom and armpits are all fine? If so, it may not be a lack of personal hygiene that's to blame but a foot condition. Ask at your pharmacist for an appropriate remedy and you'll soon be sucking her toes with gusto.

- If you've got something to ask Danni, just email her at thelesbian@nutsmagazine.co.uk or write to her at the usual address on p66.

PLAN B!

On *Ill Manors*, Ray Winstone and David Cameron...

Hi Plan B! Your new film *Ill Manors* is properly intense. Is it based on your own experiences? Large parts are based on my life – it's even shot in the area of East London where I grew up. The initial plan was to make a short film about a crack whore, totally based on a true story, about a drug dealer I knew who was punishing a girl for losing his phone. It wasn't meant to be a feature until I played it to Noel Clarke, who encouraged me to explore other characters – that's when *Ill Manors* was born.

What reaction did you get filming on the streets?

We had a few hairy moments but some of these kids have never left their postcode, so they're rightly passionate about the area they live in. I went over and talked to them with respect, and they respected us in return. It's a lack of respect that often causes problems. That's part of the reason the London riots kicked off last summer. We pre-empted that frustration in *Ill Manors*.

If you were in David Cameron's shoes, how would you stop future riots?

I'd never be in Cameron's shoes because politics is bullsh*t. Nobody benefits from the propaganda, there's too much red tape and they're not living in the real world. I've been working at my old school, Tunmarsh Centre, which is where kids in East London go when no other schools will take them. I was excluded from school and wound up there and it pains me that the same stumbling blocks are in front of kids 15 years on.

Did you vote in the recent London Mayoral election?

I didn't as I wasn't in the country. But we represent ourselves as human beings in this city, and no Oxbridge graduate in a suit is gonna represent London. No matter who's Mayor, he ain't benefiting those on council estates – that's down to the teachers and role models who see these kids every day.

Your new film and album are pretty gloomy. What do you do to cheer yourself up?

Ill Manors is a film about negative things, but for me it's positive because it's

showing the reality of what goes on. If we don't appreciate, confront and discuss negative things, how are we ever going to improve them?

Are you worried about scaring away old fans with all this serious stuff?

I am who I am and I don't give a f*ck who I alienate. I don't do this for money or fame or any of that sh*t. I do it to express myself the way I want to. The general public don't own me. I ain't gonna be a prisoner. What's all this commercial success worth if I'm not staying true to myself?"

What's in your pockets right now?

I've got lyrics written down on pieces of paper, my Visa card, chewing gum and my house keys – I travel light.

Who's the most famous person in your phone book?

Probably Ray Winstone, who I met while filming *The Sweeney*. Not only did I work alongside him, he took me under his wing and invited me to his house. I now consider him a friend.

What do you and Ray talk about?

Music, films, football, youth culture. He's says he doesn't get kids these days and I help him understand. I've got so much love for the guy.

You lost loads of weight for your role in *The Sweeney*. Now you've wrapped filming are you enjoying a blow out?

I'm not as militant as I was but I'm staying in shape. Back then I was on no carbs, no dairy products, no sugar, no alcohol, none of that. Now, if I want to go for a few drinks I will. I miss working out, but I did one gym session the other week and it ruined me.

Do you ever fancy just turning up unannounced to a rap battle to see how you'd get on?

You have to train your brain to think quickly. I appreciate it as an art form – sometimes I'm a little bit envious of it.

Who'd win a battle between you and Example?

I don't know, man. I think rappers are either good at off-the-cuff battling or good at written stuff, and I fall into the latter category. Only rare geniuses like Eminem have strengths in both disciplines.

Your advert for Bulmers is on telly all the time. Do people offer you cider when you're out?

People might think I'm a sell-out but I don't endorse anything I don't like. I drink Bulmers so that's why I did it. Thing is, that ad was filmed three years ago when I was 14 stone and I look like a fat idiot. Hopefully when *The Sweeney* comes out, my new svelte figure will have more of an impact! **X**

● Plan B makes his directorial debut with gritty crime thriller *Ill Manors*, in cinemas from 6 June.

These beasts are weeny and small and not very tall at all!

PINT-SIZED OWL!

There are around 35 sub-species of pygmy owl, none growing to more than 20cm tall. They're widdly!

ICKLE BAT!

The two-gram bumblebee bat can be carried in your hand. If you're very cruel, you could then make a fist.

MINUTE MONKEY!

Weighing just 120g, this is the pygmy marmoset. You could train him to pick pockets and everything!

MINI-COW!

Swallow the cow is just 84cm tall – and is probably worried about what that bull is going to do to her.

TINY ANIMALS

NOT-BIG PIG!

Tetley is so called because he's about the size of a cup of tea. Well, it's better than calling him Wall's Streaky!

TINY CHAMELEON!

The chameleon species *brookesia micra* is small enough to stand on the tip of a match. It's well wee!

SMALL SEAHORSE!

No idea who Denise is, but the Denise's pygmy seahorse is just 1.5cm long, so she's probably lost it anyway.

CRAZY LIL FROG!

The world's smallest frog, *paedophryne amauensis*, grows to 7mm - not even a snack for a Frenchman!

HALF A HORSE!

Thumbelina is the world's smallest horse at just 43cm tall. She'd be no use in the Grand National. ✕

100 BOOBY BABES

STACEY POOLE PRESENTS...

100 booby babes!

Our biggest, bounciest and
boobiest collection yet!

H

i Stacey! How does it feel to be presenting our 100 booby babes list?

Hello! Wow, it feels amazing!

It's such an honour as there are so many girls with amazing boobs, I can't actually believe it's me presenting them. Just as well I love boobies. Ha-ha!

Who would make it onto your list of booby beauties?

I could reel off loads. I've seen so many boobs and they're all beauties. If I had to choose, it'd be Lucy Pinder, Sabine, Lacey Banghard, Nicole Neal and India Reynolds.

When did you last see some really great boobs on TV?

That would have to be the other weekend on *The Voice*. Holly Willabooby has huge, gorgeous boobs. She really does her name justice. She's very hot indeed.

Is it obvious when guys look at topless girls on the beach?

Yes! It's so obvious, but it's not our fault there are gorgeous girls with huge boobies. I rub cream all over mine to see what people who are looking do. That gets them flustered!

Do your boobs ever get you into trouble?

Ha-ha! Always! I blame them for everything – they clumsily knock things over and bash into things.

Do you use them to your advantage?

You have to. That's what they're for – to be used and shown to the full. They're like puppies – you must give them freedom to play.

Lovely! Finally, have you ever named your boobs?

I think of them as twins but with different personalities. One loves the spotlight and popping out to show off. The other is more reserved and takes warming up. But they work and look good together!

01 STACEY POOLE

Silence, please, in memory of Stacey's bra – it didn't stand a chance. ►

100 BOOBY BABES

06 LACEY BANGHARD
This is why Lacey always has her boobs out – she eats all her bras. A bit odd, but we're not complaining.

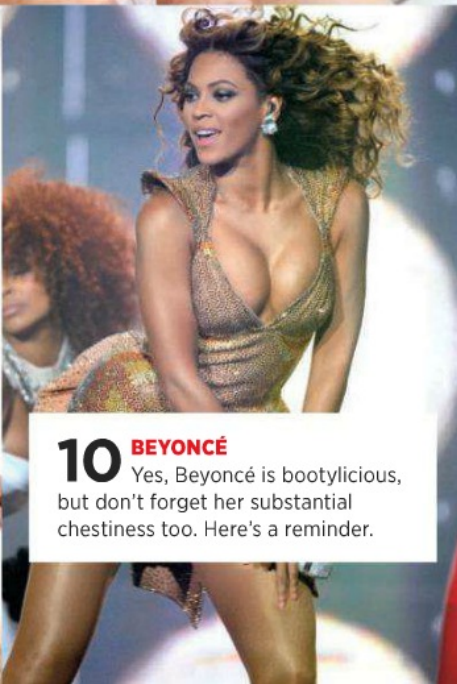

02 KATE UPTON
A big hand, please, for Essie Beach Bunny swimwear for squeezing Kate into this tiny bikini.

07 IMOGEN THOMAS
The Welsh wonder woman is immune to cold. Which means she'll never willingly put on a sweater.

09 KELLY HALL
Kelly is a ruddy legend in the *Nuts* office. She also apparently has the poshest bed we've ever seen.

10 BEYONCÉ
Yes, Beyoncé is bootylicious, but don't forget her substantial chestiness too. Here's a reminder.

11 ALEX JONES
Alex presents BBC1's *The One Show*. Or, as it's known in the *Nuts* office, *The Two Show*.

03 COURTNE QUINLAN Courtne is either removing her bra or making the straps go "ping!" Either's good, to be honest.

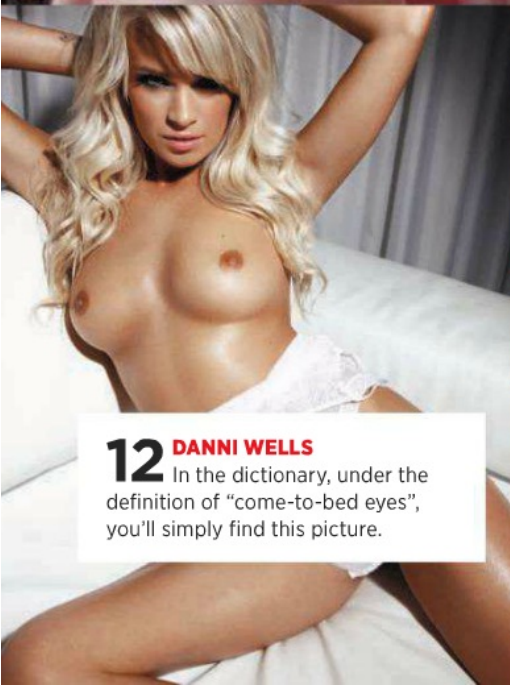

04 GRACIE LEWIS Young lady, if you're trying to hide your curves behind your hair, we must tell you that you're failing.

05 DANIELLE SHARP "Sharp" is not a word we associate with Danielle. Unlike "soft", "bouncy" and "ruddy marvelous".

08 ANGELINA JOLIE Ever wonder why Brad Pitt looks so smug all the time? This should give you a clue. Or two.

12 DANNI WELLS In the dictionary, under the definition of "come-to-bed eyes", you'll simply find this picture.

13 EMMA GLOVER Emma has invited *Nuts* staff to feel her boobs. We declined - what right have we to touch perfection? ►

19 SOPHIE READE
The busty *Big Bro* babe brings beauty before bazillions because of her brill boobs. Enough Bs there?

14 JAY HARRIS
Why, look at this sultry minx and her delightful bodywork. The zebra-print rug, we're less sure about.

15 AMBER ALLEN
Amber's initials are "AA" but she's rather more towards the "DD" end of things in terms of chestiness.

20 HELEN FLANAGAN
We love the former *Corrie* babe. If she isn't on hols in tiny bikinis, she's exiting cars in outfits like this.

21 DANIELLE MASON
Some people think young folk in hooded tops are a bad thing. Danielle is proof that they're not.

24 NICOLE SCHERZINGER
Lewis Hamilton is lucky. He dates this sexy singer *and* he stars in those Santander ads. Wowzers!

25 KIRSTIE PATTERSON
It's difficult being as booby as Kirstie. It makes your vest stretch and then... well, then this happens.

26 GEMMA MERNA
Hollyoaks is TV's boobiest show and Gemma is its boobiest star. Making her pretty ruddy booby!

16 INDIA REYNOLDS
India likes Domino's pizzas. India looks like this. Is India the ideal woman? Yes, we reckon India is.

17 SARAH RANDALL
The Welsh beauty is the enemy of bras across the nation. They simply can't take the work!

18 ARABELLA DRUMMOND
Arabella is one girl on this list to whom we can say, "We love your tats," and it not be a typing error.

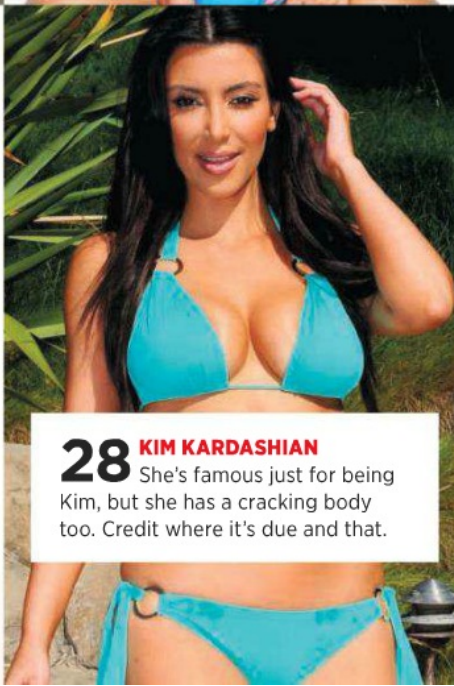

22 AMBER ROSE
Once upon a time, Amber was Kanye West's main squeeze. And a lot of squeezing was probably done.

23 KIERA SWEENEY
Kiera is our favourite Sweeney. We like the old TV show, but, as always, boobs trump telly.

27 TONI ANWYLL
Another brill babe from *Take Me Out*. And yes, Paddy, we likey. We likey very much, thank you!

28 KIM KARDASHIAN
She's famous just for being Kim, but she has a cracking body too. Credit where it's due and that.

29 LUCY COLLETT
Lucy posts a sexy self-taken picture on *Nuts* Twitter feed most Mondays. Gents, follow us asap! ▶

30 DIORA BAIRD
The go-to star whenever a script calls for extremely wonderful boobs. Well, if she isn't, she should be.

31 BAR REFAELI
Being named after a drinking spot is cool. But looking like this, too? Cooler than an eskimo's cold bits!

35 SABINE
Nuts favourite Sabine makes us blush with saucy stories on shoots. It makes us love her even more.

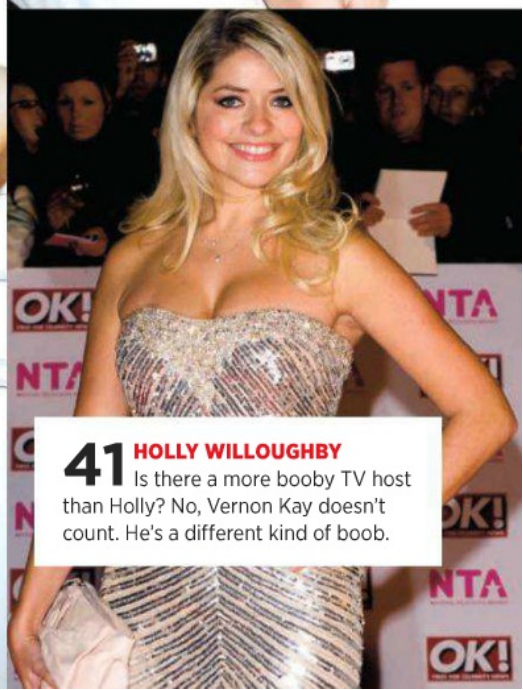

39 LUCY PINDER
Never mind Her Maj's golden jubilee, we should be applauding *Nuts*' Queen of Boobs for her loyal service.

34 CHLOE SAXON
Chloe is relaxing after a hard day. And every day is hard, because being this booby is a full-time job.

40 JESSICA KINGHAM
Fingers crossed that Jessica never buys a cardigan with buttons that actually work, eh?

41 HOLLY WILLOUGHBY
Is there a more booby TV host than Holly? No, Vernon Kay doesn't count. He's a different kind of boob.

32 SALMA HAYEK Forget Johnny Depp – Salma is easily the sexiest vampire on Earth. She can sink her fangs into us any day.

33 NATALIE BLAIR This Carlisle cutie sure likes to get naked. Now, if we could just find an excuse to move to Carlisle...

38 DANICA THRALL She was on a TV show about how random men buy her gifts. Let's hope none of 'em ever buy her a bra.

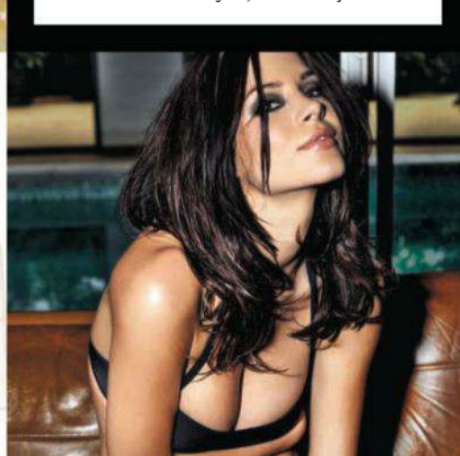

36 AMY CHILDS One of the *TOWIE* originals, and much better than Arg when clad in swimwear, as you can see.

37 KATY PERRY Quite simply the hottest woman in pop. Maybe apart from Beth Ditto. And yes, that is a joke.

42 RHIAN SUGDEN This lovely is often mistaken for singer Rihanna. Mainly because chaps see her and go, "Rhian... aaah!"

43 KACEY BARNFIELD The good news? Kacey bins her bra in a Hollywood film. The bad news? It was *Lake Placid 3*.

44 SAM KELLETT Sam clearly puts the "chest" in her Chesterfield home. Well, her and Big Bob from down the café... ▶

45 MIRANDA KERR The Aussie model was voted "woman of the year" by a lady mag and who are we to say any different?

49 ANNABELLE WOOLLACOTT Annabelle's winning smile says, "I'm very happy with my cleavage." And she's not the only one!

50 JESSICA-JANE CLEMENT You all know how fabulously bosomy JJC is, right? In case you've forgotten, here's a handy reminder.

54 GEMMA ATKINSON Cristiano Ronaldo formerly had access to Gemma's heavenly bod. The jammy, hair-gelled little twerp.

55 RACHAEL WHITE Hells bells, Rachael is properly hot! The *Big Brother* babe was the best thing to come out of 2010's show.

56 LAUREN WOOD Poor Lauren. Someone has nicked her chair. Luckily, she has her delightful boobs to cheer her up.

46 **CARRIE SPENCER**
Well hello, foxy russet-haired lady. And a similarly warm greeting to your adorable chest.

47 **JORDAN CARVER**
Yes, we know, they are rather spectacularly large, aren't they? We noticed that too.

48 **ROCHELLE WISEMAN**
Which of The Saturdays should we marry? Time to convert to a religion where you can have 50 wives.

51 **CHRISTINA HENDRICKS**
The hottest woman on TV by a mile. Film producers, start writing topless scenes into her scripts, now!

52 **APRIL SUMMERS**
We love the month of April as it reminds us of April here. We like May, too, as in, "she may flash her boobs."

53 **GEORGIA SALPA**
She's a *Big Brother* babe and a big booby babe as well. Our very favourite kind.

57 **JESSICA WRIGHT**
TOWIE babe, in a bikini, standing under a shower. Do we have your attention now? We thought so.

58 **JESS DAVIES**
Look! It's Jess! In a state of undress! When it comes to boobs, she's a success! Now that's poetry. ►

59 LUCY HARROLD
The raven-tressed lovely was on *Take Me Out*. If only she had her own show called *Keep Them Out*!

60 LINDSEY STRUTT
Ah, the Strutter. What can you say to a babe who has it all? Just "Fantastic boobs, Lindsey!" perhaps?

66 MORGAN LEES
The *Bachelor* babe used to be a fitness instructor. She clearly is quite the expert on being fit.

64 JODIE GASSON
Jodie's also a talented make-up artist – well, the sight of her minus her top brings colour to our cheeks.

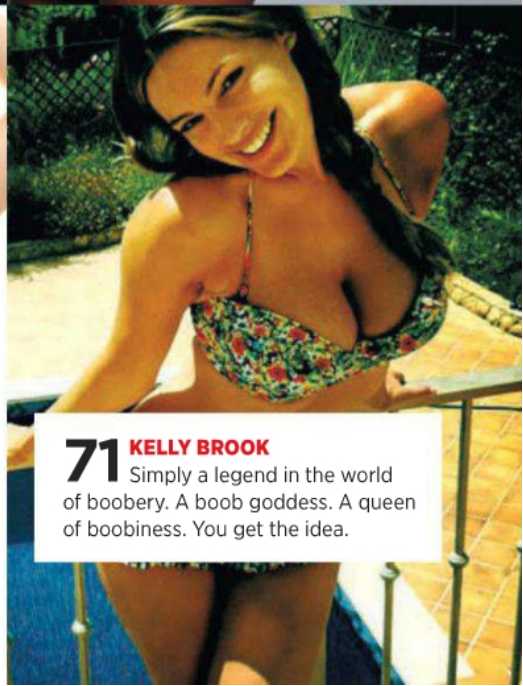

65 GEMMA ARTERTON
One of our favourite film stars. We couldn't name any of her films, mind, but crumbs! Look at her!

69 BIANCA HENRY
The *Nuts* office has an "Incredibly Hot Underwear Alarm". It's flashing and honking loudly right now.

70 KITTY LEA
Can you link big boobs and patting your head while rubbing your tummy? This is what science is for!

71 KELLY BROOK
Simply a legend in the world of boobery. A boob goddess. A queen of boobiness. You get the idea.

61 HOLLY PEERS
What can you say about Holly and her incredible chest? How about "Zoinks!" "Yowza!" and "Crikey!"?

62 CASEY BATCHELOR
When it comes to boobiness, The Batch need fear no-one. She even swims in the nude, apparently.

63 MARIA FOWLER
TOWIE's finest had a Twitter bust-up with an *X Factor* chap. It was very much a case of boobs vs boob!

67 MINKA KELLY
We love the hot star of the brilliant *Friday Night Lights* for her cute curves and awesome boobs.

68 JENNIFER ELLISON
We hope that one day, Jennifer will agree to do a topless photo shoot. And while there's hope...

72 VIKKI BLOWS
Beautiful and booby she may be but Vikki hasn't got the knack of putting her knickers on properly yet!

73 SAM FAIERS
TOWIE's Sam brings a touch of proper glam to the Essex clan, and we're a big fan.

74 MELISSA DEBLING
Ms Debling would make a fine lifeguard. Well, she is equipped with built-in floatation devices. ▶

75 EVA GREEN
Hot babe. Naked boobs.
Soapiness. Yep, we're pretty darn
happy right now.

80 ROSIE JONES
As Aqua sang, "Calling Rosie
Jones... Rosie Jones, where are you?"
(It was *Doctor Jones* - *Nuts* music ed.)

79 ELLE BASEY
Elle is doing just what we'd
do if we were her: totally ignoring
her cracking bosoms. Er, no, wait!

82 NICOLE NEAL
Art student Nicole was new
to *Nuts* last year. Since then, paint and
easel sales have risen 600 per cent.

83 ROSIE WHITEMAN
She's blonde, she's beautiful,
she has seriously good boobs. Yes,
we're talking about Rosie Whiteman.

84 SOFIA VERGARA
Fans of Sky 1's sitcom *Modern
Family* will recognise saucy Sofia.
Luckily, none of our family are this hot!

76 JWOWW Here's the only real star of *Jersey Shore*. Actually, make that the only two real stars of *Jersey Shore*.

77 KELLY ANDREWS The only Kelly we haven't included here is the Stereophonics' Kelly Jones. Phew!

78 OLA JORDAN The *Strictly Come Dancing* babe handles some big boobs. And that's just Brucey and Anton du Beke.

81 JENNIFER LOVE HEWITT Jennifer is a real Hollywood star. She deserves an Oscar for "best supported actress" by the looks of it.

85 SEREN GIBSON Another fittie who went to art college. There'll be a painting of her in the National Gallery soon, no doubt.

86 DANNI BROOKS If you're looking at this pic and thinking, "Good Lord!" then good news - your eyesight is just fine. ▶

87 ROSY O'BRIAN When folk say, "Everything's Rosy," meaning, "It's all's OK", then they've just seen this picture. Fact.

88 JASMINE My, doesn't Jasmine here look happy as she flips off her top for our enjoyment? You go, girl!

89 EMILY SHAW Her name is Emily Shaw, and she Shaw has got a terrific chest on her! Sorry, we'll get our coat.

93 RACHEL ALDANA She showed off Britain's second biggest boobs in an exclusive *Nuts* shoot. We love you, Rachel!

96 JODIE MARSH We admit it - we have a bit of a soft spot for Jodie. She's quite simply a very naughty girl.

97 BILLIE FAIERS TOWIE has done so much for boobiness that they deserve their own special award. Shaped like boobs.

90 NICKI MINAJ The freaky (but fit) singer looks like she'd be fun on a night out. Once we stopped being terrified.

91 SOPHIE HOWARD Sexy Sophie's rude stories turn us red. Erm, it's either embarrassment or high blood pressure.

92 MICHELLE KEEGAN The saucy Stockport actor has brought cuteness to the *Corrie* cobbles and long may she continue.

94 EMMA FRAIN Whenever Emma visits *Nuts*, we're amazed she isn't on a catwalk. Fashion's loss is boob-lovers' gain!

95 ALICE SEY Not just wonderfully busty, Alice also has excellent taste in trainers. If that's important to you.

98 SOPHIE GRADON The former Miss Great Britain is a big Newcastle United fan. Wonder if Bigg Market was named after her?

99 LAUREN POPE The most extravagantly bosomy of all the *TOWIE* ladies, which is really saying something!

100 TAMARA ECCLESTONE She was recently snapped in a very hot Lambo. Damn it! Our car special was last week!

The drama following a detective living two realities after a car crash – one where he's lost his wife, the other his son – has been given the boot after just one series, but we still reckon it's pretty rewarding if you can get your head around the complex premise. Tonight's ep sees Britten become a suspect in a murder investigation.

CONFESSION OF THE WEEK!

'I pulled down my towel'

I STAYED at my best friend's house after a night out, and was a bit worse for wear. While she went out to buy the food for a fry-up, I took a shower. I thought I was alone so I walked straight out in a tiny towel, singing, and bumped into her attractive brother, who I fancied. My towel didn't cover much and he was staring at my huge boobs, so I pulled it down to reveal a nipple. I could see his erection growing and he grabbed my hand and took me to his room. He kissed and caressed every inch of me with his tongue and fingers, giving me the most intense orgasm – then we heard the door go so I ran back to my friend's room. She doesn't know to this day!

Eileen Coventry

'My best ever birthday'

ON MY 21st birthday last month, a big group of us went for a girls' night out in Manchester. We had to

share rooms, three to a room. All night, one of my room-mates who is known to like girls as well as boys, kept giving me signals – stroking my hips and grabbing me by the waist. After a good few cocktails, we were snogging

and she discreetly rubbed me down below. I was really turned on and wanted to carry on, so I grabbed her hand and we went back to the room. She was going down on me and I could barely hold in the noise of my orgasms. I remember thinking it was the best birthday ever, and then our other room-mate walked in and stood there, shocked, watching us for a good five minutes!

Paula Nottingham

'We played on the doorstep'

MY BOYFRIEND and I had just started going out and he was taking me back to his parents' place to meet them for the first time, but we'd arrived early and they weren't home. His parents live next to a busy roundabout on the ring road and it was still quite busy when we got there. He has a bit of a thing for public sex, which gave me a kinky idea. Before we went in, I grabbed him and kissed him and soon we were really snogging. Before long I could feel his erection harden against me, I brushed over it with my hand and he moaned with pleasure. Then I reached down, unzipped him and started playing with him. I looked into his eyes as I pumped his rock-solid shaft between us. Then I bent over and took him in my mouth, right there on the doorstep!

Anon by email

'I gave her a sexy lesson'

TO CELEBRATE my friend's birthday, a group of us decided to rent an apartment in Bristol and have a crazy night out. We settled in and showered, ready for the night ahead. The drinks started flowing and, as usual, the questions about me being a lesbian began. I decided to let the group discuss who they would turn lesbian for a while, while I had a fag on the balcony. Soon, the birthday girl followed me out and told me she didn't understand lesbian sex. As I was explaining, she started kissing me, so I pushed her up against the wall and let my hands wander up her skirt. She moaned loudly while writhing against my body and came within minutes. I think I answered all her questions on lesbian sex!

10 RUDE QUESTIONS!

And a real girl to answer them!

Bow

24 Essex

1 Where's the strangest place you've had sex?

"I went to Thorpe Park and we got so excited by the rides that we couldn't wait. We found a quiet space in a nearby field!"

2 What's your trademark move in the bedroom?

"The 'canine coupling', which is a special version of doggy-style."

3 What really turns you on?

"I like someone who's a gentlemen in public but rough and ready in the bedroom! And I do love a man with tattoos – I have a few cheeky ones myself."

4 What's your favourite position?

"The 'titillating trapeze' – for ladies, it allows us to watch the man in action. I like my men to show me what they're made of!"

5 Is it better to give or receive?

"A little bit of both! I enjoy giving as I like to keep my men interested and keep the excitement alive. I like to try new things – maybe some strawberry sauce on different parts of the body!"

6 What one thing would you really like to try but haven't yet?

"Sex in a hot tub, or a luxury swimming pool, maybe on some hot island, where you can be all hot and sensual. As I'm single, I should get booking those summer holidays. You never know what might happen!"

7 Ever got it on with another girl?

"Yes, just a few kisses. I don't swing both ways but there's nothing wrong with a bit of experimenting!"

8 What's your favourite role-playing costume?

"Oh, Catwoman, for sure. This kind of outfit shows off my best assets. I'd love a few hours of whipping and chaining some sexy guys in a black PVC suit!"

9 Have you ever made a sex tape?

"Not as far as I'm aware!"

10 What's the rudest thing you've done?

"Often I go out without my knickers and bra – I find it invigorating! Once I did this and I didn't realise how short my little black dress was. Let's just say it was lucky I'd waxed!"

"I'd love to dress up in PVC and whip some sexy guys!"

Nuts SPORT

1 RECKLESSLY BLOW CASH ON OVERPAID MANAGERS!

Brilliantly, the FA have already done this, flushing over £20million down the Fabio Capello khazi – almost as much as it cost Chelsea to hire then replace Andre Villas-Boas.

2 APPOINT AN UNLIKELY NEW MANAGER!

Nobody saw Roberto Di Matteo coming, and likewise, we all thought 'Arry would bag the England job. But no! The FA fooled us by hiring Roy Hodgson, the cunning swines.

BEAT THE ODDS!

Bookies give 10/1 against an England win, but then again, no one rated Chelsea against Bayern, either.

Nuts' Blues print for Euro 2012 glory!

What Roy can learn from Chelsea's triumph

WE ALL cheered (well, most of us did) when Chelsea pipped Bayern Munich to win the Champions League. But can England learn anything from Chelsea's victory? *Nuts* says, "Hell yes!" And here's how...

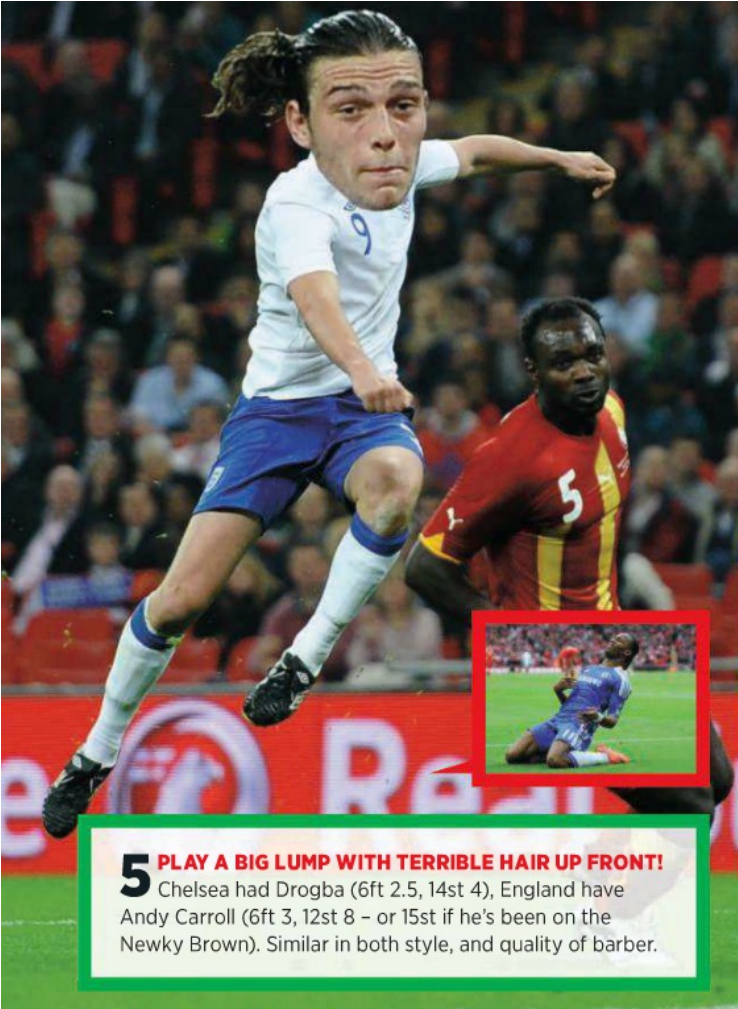

3 REPLACE JOHN TERRY WITH GARY CAHILL!

JT still has a role to play with England. Namely clattering opposition players in off-the-ball incidents and lifting trophies. Other than that, it's Cahill all the way.

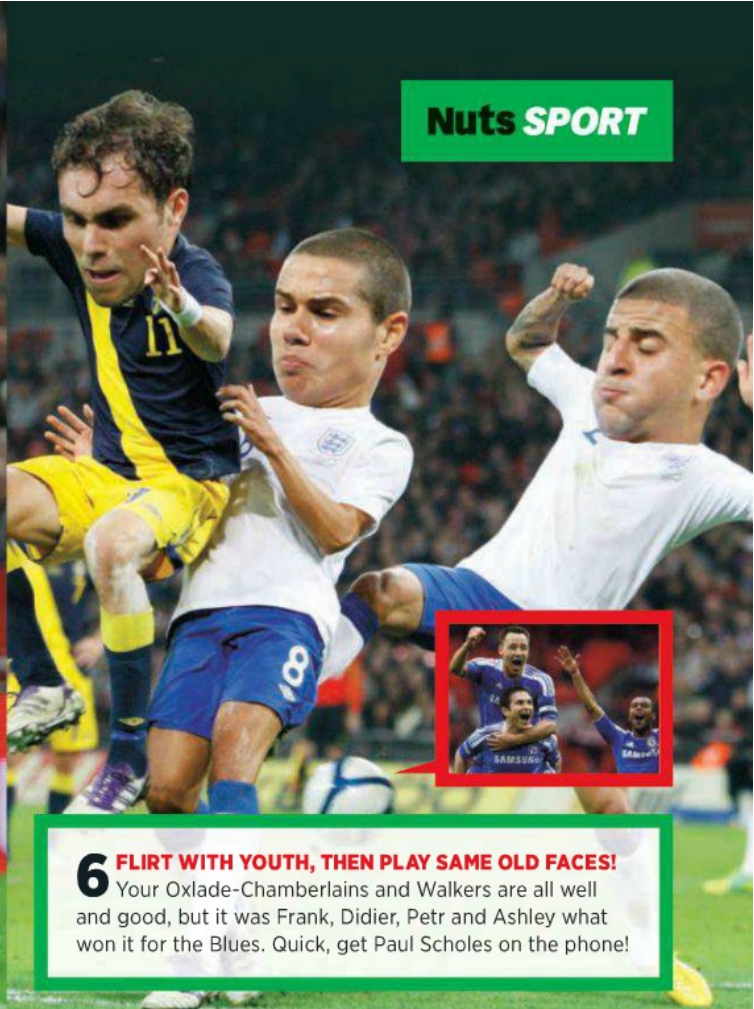

4 FORGET TOTAL FOOTBALL – PARK THE BUS!

Yeah, having loads of shots on goal is over-rated anyway, isn't it? A ground-out 1-0 win, as Woy (and Barça!) would doubtless tell you, is still a win.

5 PLAY A BIG LUMP WITH TERRIBLE HAIR UP FRONT!

Chelsea had Drogba (6ft 2.5, 14st 4), England have Andy Carroll (6ft 3, 12st 8 – or 15st if he's been on the Newky Brown). Similar in both style, and quality of barber.

6 FLIRT WITH YOUTH, THEN PLAY SAME OLD FACES!

Your Oxlade-Chamberlains and Walkers are all well and good, but it was Frank, Didier, Petr and Ashley what won it for the Blues. Quick, get Paul Scholes on the phone!

7 MISS YOUR FIRST PENALTY IN THE SHOOT-OUT!

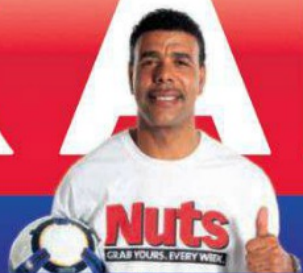

Lull the (probably German) opposition into thinking that it's going to be another English spot-kick meltdown. And then tuck the rest of them away while they choke.

8 LET JT COME ON AT THE END AND STEAL THE GLORY!

As in the Champions League final, have JT on the bench but ensure he's fitted with a quick-release England tracksuit so he can slink into the cup-hoisting photo opp!

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

The drinking competition was getting out of hand

"I'm telling you – rub it here and a genie appears!"

Give Roberto the job!

The right choice of manager is right in front of Roman!

➔ **IT REALLY** is absolutely ridiculous that Roberto Di Matteo hasn't been offered the job of Chelsea manager on a permanent basis. I've never known, or even heard of, anything like it in football. The only reason I can think of for Abramovich not recognising that he's the man for the job is that the pair have some personal

differences, because he's achieved the one thing that Roman wanted to achieve.

Whoever comes into the job after Di Matteo faces an impossible situation because how can you do better than winning the one thing the owner always wanted? You can equal it, but you can never beat it because Di Matteo has already done it!

What Di Matteo did was very simple – he embraced

the senior players and they united under him.

As an aside, I'm happy to hear Juventus have tried to tempt Didier Drogba to stay in Europe, a better option than going off to China for one last payday. I'd welcome the sight of him in the Champions League to prove to the world that football isn't just about money, it's about the hunger for more triumphs as well.

The new boys have a chance!

NEWLY PROMOTED

Reading, Southampton and West Ham will be buoyed by the knowledge that all three promoted clubs stayed in the Premier League last season, two of them comfortably.

Reading will be hungry – the run they went on to propel them back into the big time shows that they have desire and work-rate in abundance. Southampton shot up two levels in the same way Norwich did and have players of the quality of Rickie Lambert and Adam Lallana, while West Ham have loads of players with Premier League experience, like Carlton Cole, Kevin Nolan, Rob Green and Mark Noble. They'll all provide a big test for the teams they're joining.

KAMMY'S UNBELIEVABLE-OMETER™

UNBELIEVABLY GOOD!

TOP TECH!
For the first time, we're going to see goal-line technology put to use in England's game against Belgium. At last! I thought it would never happen but they're giving it a go.

UNBELIEVABLY BAD!

RUBBISH ROM!
I think Roman Abramovich should have been waiting after the Champions League final with a contract for Di Matteo. It's poor form to keep him hanging on.

THE BIG MATCH!

The new formation was a bit on the narrow side

Joey knew it was coming!

I THINK Joey Barton knew he was going to get a ban and fine in the region of the 12 matches and £75,000 that the FA gave him. I just don't know why he didn't apologise, but to continue the argument on Twitter was very odd. It'll be interesting to see what QPR do with a player who's going to miss a third of their season.

"Don't go breaking my heart. I couldn't if I tried..."

England vs Belgium

2 JUNE • ITV1/HD, 5.15pm

This will be fantastic, obviously, because I'll be on the pitch before the game performing *Sing 4 England!* It can't get better than that! England will beat the Belgians in Roy Hodgson's first game at home to send everyone off with a bit of optimism – and then it's down to business.
KAMMY'S PREDICTION: 3-0

Key man

We've been lacking someone up front with strength and presence, and **Andy Carroll** has that, with finesse as well – and he's in form.

Outside the Box

JULIAN PUCKETT & STEPHEN GULBIS

...you've only your shelf to blame...

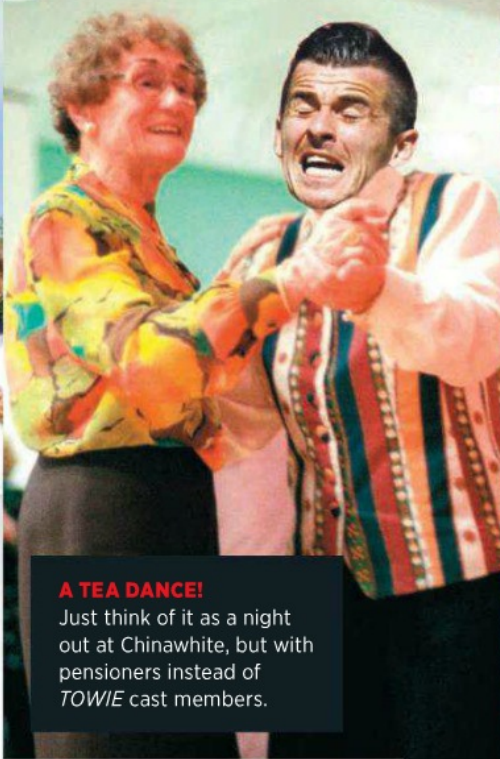

ONLY IN NUTS!

Nuts BART

CROWN GREEN BOWLS!

Well, it'll get him working with balls. He shouldn't try any headers though. Although, knowing Joey...

A TEA DANCE!

Just think of it as a night out at Chinawhite, but with pensioners instead of TOWIE cast members.

GARDENING!

"Look, Joey! A little pansy!" "What the f**k did you just call me?" "Er, no, Joey - you've misunderstood."

Nuts keeps Joey busy!

Things for the QPR bad boy to do during his 12-match ban!

JOEY BARTON'S

going to have some time on his hands at the start of next season - a 12-match ban's worth, in fact. So here are some nice, sedate things he can do to kill the time, rather than killing an opponent.

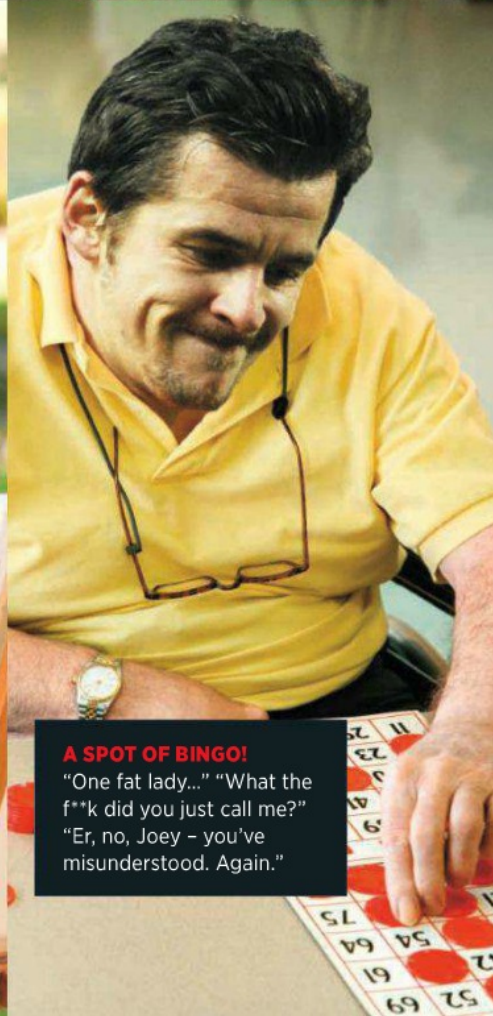

HOME BAKING!

Joey could show his teammates how sorry he is by baking cakes. Then Paddy Kenny can eat them all.

WATERCOLOUR PAINTING!

Maybe art fan JB could be the next Van Gogh, though he'd cut off his opponents' ears rather than his own.

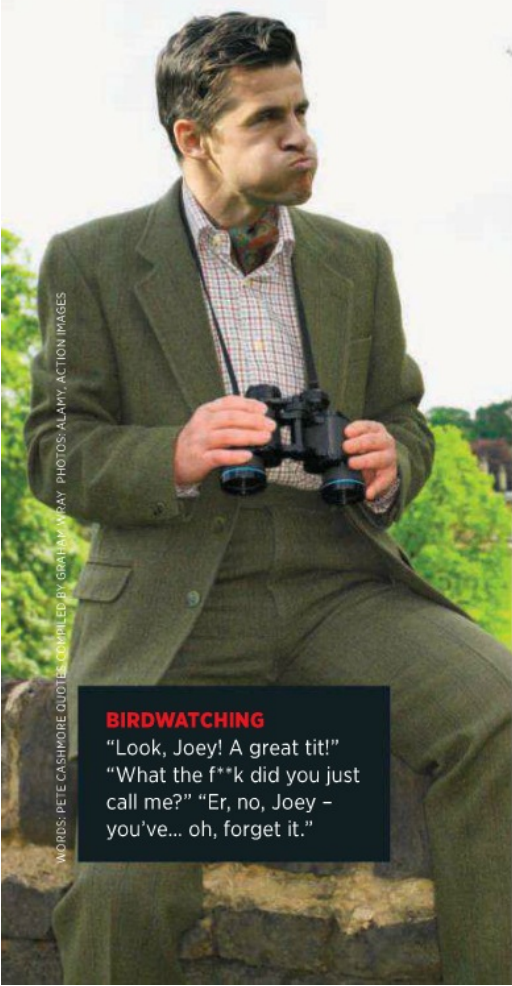

A SPOT OF BINGO!

"One fat lady..." "What the f**k did you just call me?" "Er, no, Joey - you've misunderstood. Again."

A COUNTRY WALK!

As anybody who has read Joey's Twitter posts will tell you, the man sure does love to ramble.

BIRDWATCHING

"Look, Joey! A great tit!"
"What the f**k did you just call me?" "Er, no, Joey - you've... oh, forget it."

"Quote me on that!"

This week's biggest match debaters!

"A pitchful of Germans and they let a Dutchman take the penalty!"

Gareth Southgate sums up that Champions League final.

"All the West Ham players are 8ft tall"

Blackpool's Alex Baptiste tells a few tall stories.

"A man's head is always complicated"

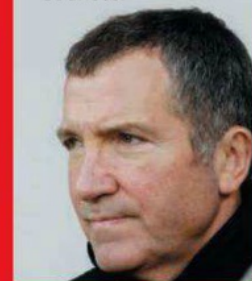

Cristiano Ronaldo speaks for himself.

Nuts **SPORT**

"In a word, Chelsea haven't been stretched"

That's more than a word, Graeme Souness.

"Balotelli has to get his brain to work. That's his problem"

Roberto Mancini on the mental side of Mario.

"All I can keep doing is doing what I'm doing"
Darren Bent continues doing the doing thing.

OO-ER SOUNDS A BIT RUDE CORNER!

"I had to rip the backside out of it"

Big Sam Allardyce pops it round the back.

"I'd say to my players, make sure you get your hands on that big thing"
Jamie Redknapp urges a mass grope.

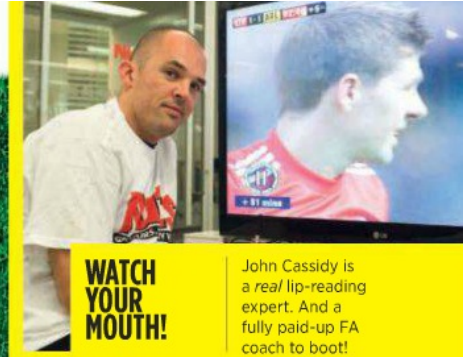

"The difficulty will be when Robben slips inside Ashley Cole"

Gary Neville on a very painful move.

THE NUTS LIP READER!

When he watches a match, he sees every word!

**WATCH

John Cassidy is a real lip-reading expert. And a fully paid-up FA coach to boot!

Stephen Dobbie:
"You f**king beauty, mate! F**king beauty!"

BLACKPOOL VS WEST HAM Wembley, 19 May, 4.03pm
Dobbie congratulates Tom Ince for bringing Backpool level.

Roberto Di Matteo:
"You know, we are in this f**king final today! Discipline, discipline! Half an hour to go!"

BAYERN MUNICH VS CHELSEA Allianz Arena, 19 May, 9.39pm
The Chelsea boss keeps his team focused before extra-time.

Ashley Cole:
"It's all down to you as well!"

Roberto Di Matteo:
"Thanks so much!"

BAYERN MUNICH VS CHELSEA Allianz Arena, 19 May, 10.34pm
Cole credits Di Matteo with masterminding the win.

Ashley Cole: "Frank! Frank! Wait for him to spin"

BAYERN MUNICH VS CHELSEA Allianz Arena, 19 May, 8.16pm
Cole gives Frank Lampard orders as they await a free-kick.

potty mouth corner!

Franck Ribery: "F**k you, son of a bitch!"

BAYERN MUNICH VS CHELSEA Allianz Arena, 19 May, 9.28pm
Ribery slams David Luiz after he clatters Arjen Robben.

Nuts **SPORT**

Nuts ABOUT SPORT!

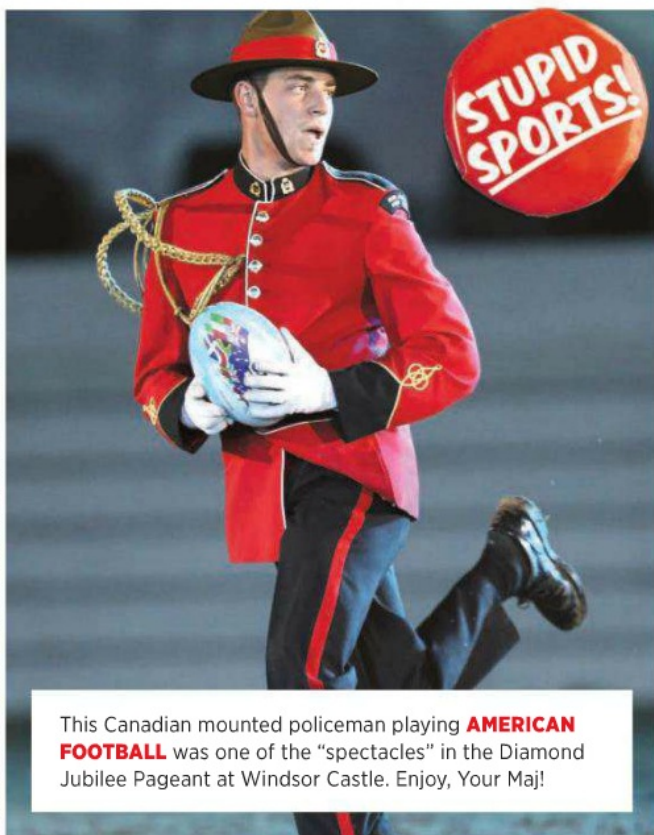

Funny goings-on in the wonderful world of sport!

One of these men is the most powerful man in the Western world... and the other is **BARACK OBAMA**. Nobody seems to have told the US President that if he's number one he has to go in goal.

Here's someone to spark your interest in the modern pentathlon - **ELODIE CLOUVEL** of France, who can fence, swim, run, ride horses and shoot a pistol. Cool!

This Canadian mounted policeman playing **AMERICAN FOOTBALL** was one of the "spectacles" in the Diamond Jubilee Pageant at Windsor Castle. Enjoy, Your Maj!

Doesn't big **SAM ALLARDYCE** look overjoyed after his Hammers secured promotion to the Premier League in the Championship play-off final? Well, no, not really, but he is wearing a big daft wig.
