EXCLUSIVE!

It's *Big Brother's* Lauren!

The *BB* beauty talks to *Nuts*!

➔ **LAUREN'S OUT** of the house and ditching her farm for a night in London. She made us go all funny with those CCTV gymnastics – and this shoot isn't helping!

Hi Lauren! How does it feel doing a sexy shoot for *Nuts*?

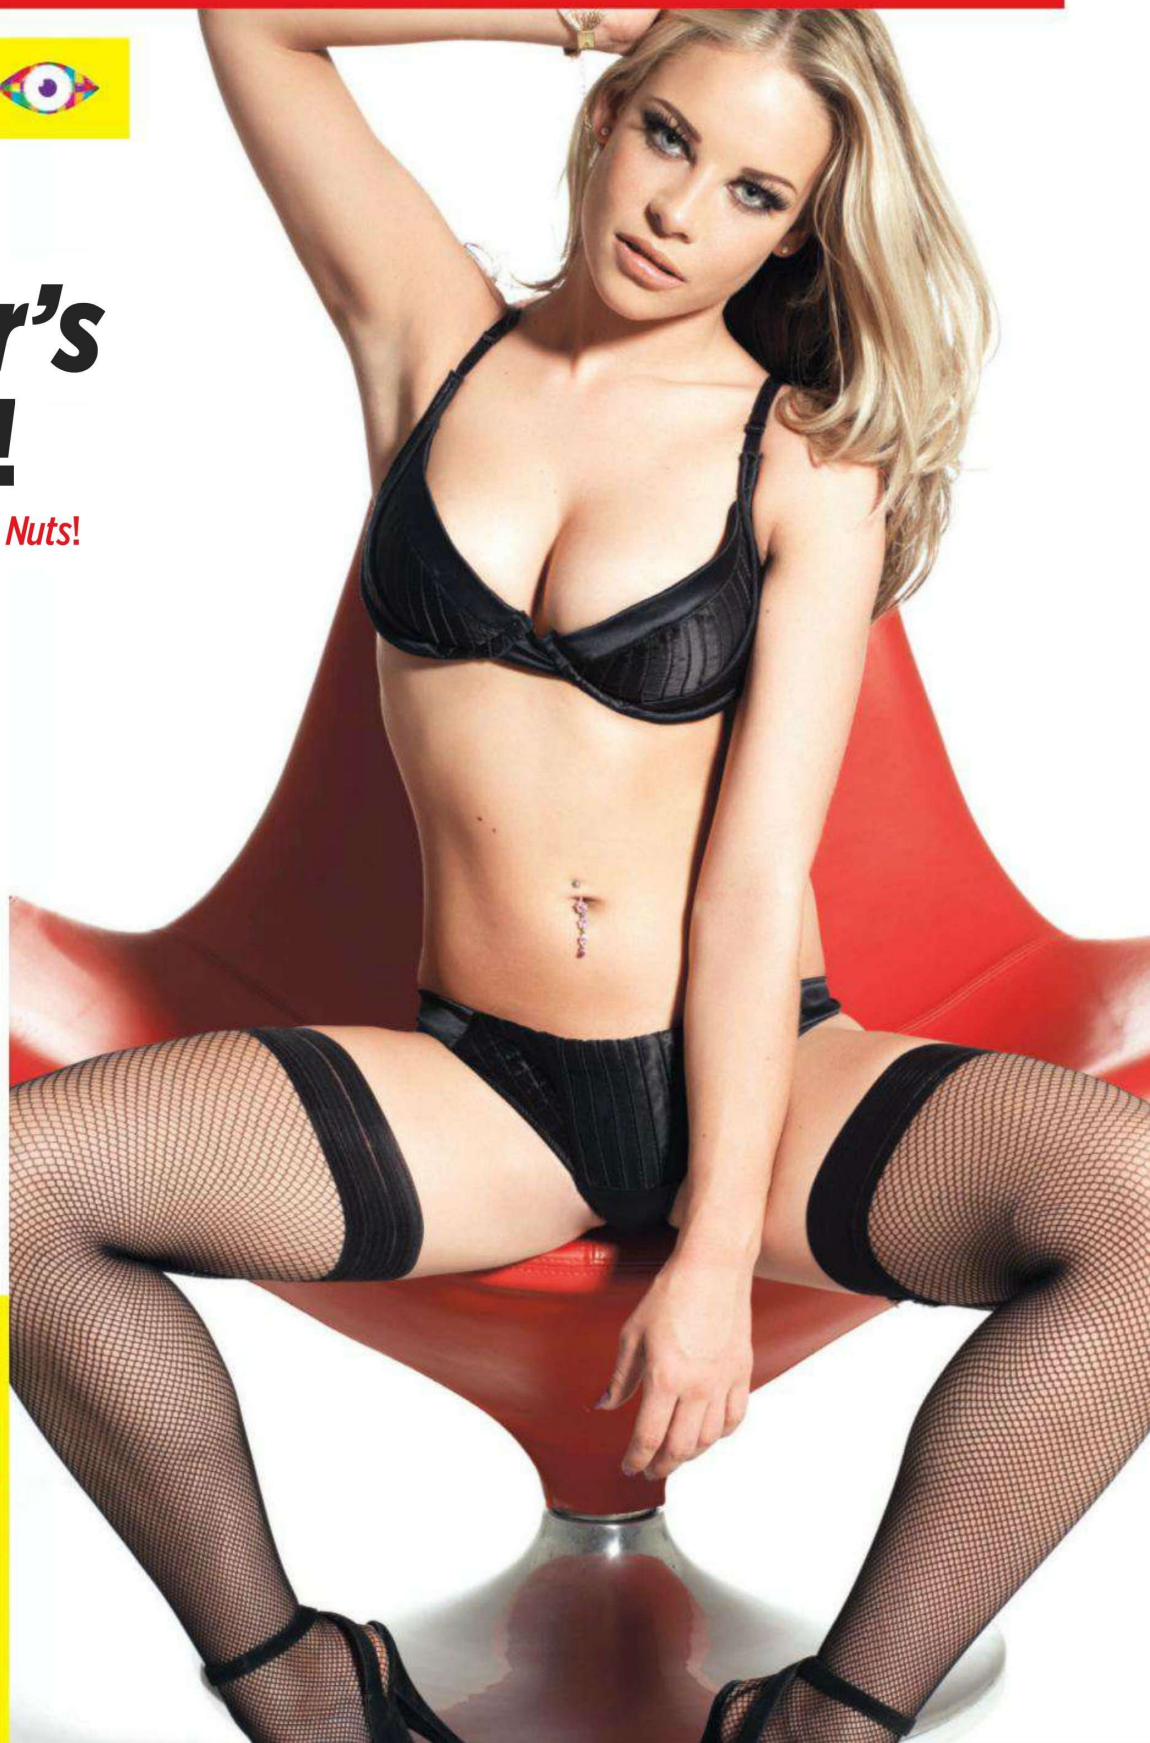

I've read *Nuts* for years. I can't believe I'm in it!

Why do you think you were evicted from *Big Brother*?

The bitchiness thing is a big aspect. I was quite aware the girls didn't like me.

How did it feel to be cheered by the crowd as you left?

It was the best feeling. I was bricking it beforehand. I had to force the staff to let me out to have a cigarette. ▶

LAUREN'S *BB* RUN!

Lauren Carre was voted out of the house on Day 46 having been put up for eviction along with Luke A.

**“I’d hate
Caroline or
Becky to
win *BB* –
they’re
so fake!”**

Nuts NEWS

**“I like a
guy with
personality
who can
be faithful!”**

**Who would you like to see win?
And who would you absolutely
hate to see win?**

Either Luke A or Adam to win because they're the genuine people in there now. I'd hate Caroline or Becky to win – they're so fake!

**You're from Jersey. Is it as wild
as the other Jersey that's on
Jersey Shore?**

We get up to things like taking road signs home – that's about as wild as it gets.

**You grew up on a farm. Can you
a) milk a cow, b) drive a tractor,
c) throttle a chicken, and d) sort
the drainage in the lower field?**

a) No, I live on a potato farm.
b) Yes! I got my tractor licence when I was 16.

c) No, but I did watch some pigs being killed, which was sad. But they tasted lovely!

d) Yes, I've done all the messy jobs, clearing the sewerage in the potato fields.

**You're a black belt in karate.
Did you ever feel like doing
some of your karate moves
on the other housemates?**

I could have used them on a few people, like Caroline and Ashley. There were a few times when I thought, "Get me in a ring with you and we'll see what happens."

What kind of guy do you go for?

I like a guy with personality, who can be faithful. I like Frankie Cocozza and my guilty crush is Gary Barlow.

**Have you ever been mistaken
for Kylie outside of the house?**

A lot of people have mentioned that I look like her but that hasn't happened. I'd love to meet her though.

**Thanks, Lauren! Finally, what
are your plans for the future?**

I'm going to try to see a few places. I've never been out in London! The fame only lasts for five minutes these days. Then it's back to uni.

**"I could
have used
my karate
moves in
the house!"**

Nuts asks: is cycling cool?

**We find out if ladies
love a man in Lycra!**

CYCLING –

IT'S the new rock'n'roll! Well, it isn't, but it certainly seems to be very popular right now, what with your Tour de France win and your Olympic Games. And that got us thinking... Pumping muscles? Skintight Lycra outfits? Fit young men? Cycling must be a hit with the chicks, right? So we got our fittest* writer to hit the streets on his £2,000 racing cycle** to test out the Bradley Wiggins look on some lovely ladies!

*Fattest **£80 BMX

- Thanks to sportsdirect.com for lending us some of their great bikes and cycling gear.

OLYMPIC HOPEFUL!

Following his Tour de France win, Bradley Wiggins will be going for gold in Wednesday's time trial.

Wiggins regretted
his post-Tour de
France pie binge

The *Top Gear* bike vs scooter vs taxi race was about to start

"I don't remember that hand signal from the Highway Code"

"And in the blue shorts, representing California..."

"This cycling lark is tiring... taxi!"

What the ladies say!

Katie 29 Surrey

"Wiggins has made cyclists more sexy. *Nuts* man looks hot. Very hot!"

Gemma 22 Gravesend

"I'm not into cyclists but the sideburns definitely work for me."

Kizzy 27 London

"I'm kind of feeling the Lycra, but then it does hide a lot of evils."

Clare 32 Stockport

"Some cyclists are sexy. You? Not so much. And your bike's too small."

Sophia 25 Kent

"Nothing is sexier than a man on a bike. And you're sort of on a bike."

VERDICT: It's (almost) a landslide. Slap on some ill-fitting Lycra and Wiggins sideburns and the ladies come flocking! On your bikes, blokes – ladies love heavy pedal!

High there!

Workers on new Twin Towers – all of them mental!

➔ **FOR THOSE** of you who are afraid of heights, this isn't the page for you.

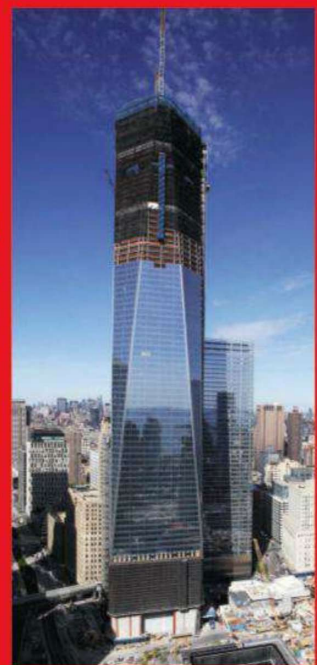

For these brave fellows are working on One World Trade Center, being built on the site of the old one, and they're about 1,400ft (430 metres) above ground level.

We don't work there ourselves – thank blooming goodness – but we can't imagine there are too many of them showing up a bit wobbly from the night before.

- Upon its completion in 2013, it will be the tallest building in the western hemisphere.
- It's 1,776 feet tall at the tip of its pinnacle mast, 1776 being the year of American independence.
- Its estimated cost is **£2.45billion**.

GRUESOME!**EXCLUSIVE!**

Resident Evil 6 first play!

Zombies are back, the hero's drunk and the president's gone green. Prepare the shotgun!

NEW PLOT!

Playing as zombie survivor Chris Redfield, you find yourself in an Eastern European bar where you're given the skinny on bio-terror, told about your dead pals and strong-armed to China to hook up with mutants like this.

**WHERE HAVE**
the zombies in
Resident Evil been?

Sunbathing on Mars and moisturising with acid, we reckon. Ditching tension for furious co-op gun play, *Resident Evil 6* is all about hook-ups – returning Leon and hot Helena alongside mercenary Jake and Eastern

European government goddess Sherry. Chris Redfield is also back with a new soldier gang – you can pick which duo you're going to play from the start. Your mission? Kill the infected president and save the world from zombie bio-terror. Easy! It's out on 2 October on Xbox 360 and PS3.

WORDS: RICHARD MELVILLE

**WE PLAYED
IT LAST
WEEK!**

Nuts man Richard played the game for a couple of hours at publisher Capcom's offices!

NEW STUNTS!

Leon drags ailing Helena across the streets and meets a zombie who gets a knife in the temple in a button-bashing mini-game. Leon then boards a helicopter, pegs it through an explosion and avoids a flaming train.

NEW LOCATIONS!

China, Eastern Europe and the US all feature. You'll need to go underground, overground and fly in a stolen helicopter to get around. Note: heads now explode, roll and fly off zombie necks at speed. Rah!

NASTY!

NEW ENEMIES!

Blow J'avo zombies' heads off and they grow back quicker than a liquid Terminator. Then there are machete-wielding Chinese gangsters and this beast that keeps humans in an iron backpack before he eats them.

Nuts tests new rollercoaster... on boobs!

£20million theme park ride subject to scientific probing!

➔ **WHEN WE** heard the world's most extreme rollercoaster ride, The Swarm, had just opened at Thorpe Park, our first thought was for the women of Britain. And specifically, their boobs.

The ride, which is the UK's first winged rollercoaster and literally flies along at 100kph subjecting riders to 4.5g, left us worried that any female bonkers enough to go on it may lose her top.

So we sent Emma Glover, Kelly Hall and Nuts man to test which clothing would best contain boobs during the ride, and everything except a Nuts vest failed.

So, ladies, if your chaps take advantage of the two-for-one offer on this page and treat you to a day out at Thorpe Park, don't ride The Swarm unless properly attired!

● To see the video go to nuts.co.uk/news

IT'S JUST MASSIVE!

The Swarm reaches a height of 39m and is 775m long. A ride on it lasts for 1 min 25 secs.

Bonkers modded Lambo!

Even Batman's Lambo isn't as cool as this!

- **As Batman fans flock to watch Bruce Wayne's bat-shaped wardrobe and moody grey Lamborghini Aventador with Gotham City number plates, Swiss/German supercar fiddler Mansory drags the drapes off its naked carbon-fibre version.**
- **Mansory has been pretty stealthy when performing surgery on Lambo's latest. Named the Carbonado (Black Diamond), it may sound more like the title of a poor ninja film, but this hypercar is far from cheesy. It's so tough it doesn't even need paint!**
- **As master of the carbon-fibre art, Mansory has remade every single body panel of the car in naked weave. But it hasn't just had a nip-and-tuck, it's been made broader, with front wings 40mm wider and rear wings 50mm wider than standard.**
- **Lambo-geeks may notice that it also has a longer bonnet and a bigger rear wing, and has been fitted with a revised front bumper (with extra-large cooling vents) and a chin spoiler. Mansory claims the modified side skirts steady airflow between the axles and help channel cool air to the engine and rear brakes.**
- **Standard wheels wouldn't do the wider-bodied Carbonado justice, so it now wears 9x20in front and colossal 13x21in rear special lightweight forged rims with carbon-fibre inlays. The rear rubber measures 345/25/21.**
- **Bruce Wayne's chariot – like every other factory-fresh Aventador – comes with 691bhp and 508lb-ft. The Aventador has a savagely fast paddleshift to bang through its seven-speed box to reach 62mph in 2.9 seconds. And top speed is 217mph.**
- **Before fitting a new carbon-fibre engine cover, Mansory saw fit to ask more from the 6.5-litre V12. So, the engine control**
- unit (ECU) got a brainwash and a custom exhaust was fitted to achieve 744bhp and 553lb-ft. On the road, that means 2.8 seconds to 62 and 220mph max.**
- **Bare carbon-fibre is used extensively inside the Aventador's angular cockpit, while there's soft cow-skin upholstery.**
- **The Mansory boys aren't yet quoting a price, but with the factory-flavour Lambo costing £253,200 and the fact that only six of these will ever be made, you can probably expect to pay almost double. Exclusivity comes at a price, but holy cow, Batman, she's a looker.**

Nuts NEWS

A quick word with Mark Wahlberg!

The *Ted* star on bear fights and man caves!

**Hi Mark! Your fight
scene with Ted is
very good – as good**

as anything in *The Fighter*.

Everybody loves the scene. I felt so ridiculous. You put yourself out there and hope it's funny, but you could look ridiculous. It's one of those things where it worked.

**Was this film a kind of
flashback for you – smoking,
singing, rapping?**

A bit. I didn't have to go method with this movie so it was good because the real Johnny Drama [Kevin Dillon's character in *Entourage*, based on Wahlberg's real-life cousin] was saying, "I should be a consultant on this movie. You know, I'll handle all the pot." I said, "Dude, it's fake weed, and I know how to smoke it. I used to do it all the time!" They thought I should start smoking weed again to make this movie.

**Did you have a favourite toy
when you were a nipper?**

I had a little stuffed monkey when I was little. I was obsessed with it.

**This is the point where you
reveal it had an embarrassing
name, like Chimpie McGee.**

No, we just called it "Monkey". I had it so much that my parents, brothers and sisters started calling me Monkey as well. That was my nickname for a while until I sat down with my dad and I said, "Dude,

I've really got to talk to you". He said, "What's going on?" I said, "I don't like the name Monkey," and he said, "What name do you like?" and I said, "I like the name Mike." So my dad always called me Mike.

**Do you have a "man cave"
in your house?**

I have a huge man cave. It has a little screening room, gym area, a little lounge, the wine cellar, a pool table, and the boys will come down there and hang out.

Tell us about Ted.

Ted is the coolest guy in the world, man. He's banging all the chicks.

**How does he manage that
without a penis?**

He's got the mouth and the toys. He's got the tools, he uses vegetables, whatever he's got – a Snickers bar. He's a rock star.

**That's horrible! You're not
easily grossed out then?**

I am but not from humour, more like gory stuff – I don't like seeing blood and guts all that much. I don't like seeing childbirth up close and personal.

**But you have four kids!
Didn't you go along to help?**

Of course! "No honey, I'll see you later. Let me know when the baby comes!"

● *Ted* is in cinemas from
Wednesday 1 August.

'Leave the kids alone!'

Mummy lion shows crocodile who's the lady boss – in emphatic fashion!

AS IF to prove that the girls can do it just as well as the chaps when it comes to, well, fighting giant reptiles, here's a mummy lioness doing her bit to ensure the safety of her nippers.

Faced with a big old crocodile blocking the way for her and her kids across the Okavango Delta in Botswana,

the lioness did what any mum would do – jumped on the croc and clawed and bit the living crikey out of it, clamping her paws around its jaws so it couldn't return the favour.

The result? One cowed croc, one safe journey across the river for the lion family. Crocodiles, eh? Wusses.

'The gash looked like raw meat!'

Unfortunate electrician's small fall leads to a sickening slash!

➔ **WHEN NUTS** reader James McNaughton had a trip on a building site, he never imagined his resulting injured leg would end up looking like this.

"After falling over some fencing, it was 20 minutes before my mate took me in his van to our local A&E to

get the injury checked out," the electrician from Northern Ireland tells *Nuts*.

The doctors told James that he'd broken his femur. "To get the bones straight, surgeons had to operate several times on me – and this was the end result. I didn't think the cut would be that shocking, but it looked like raw meat!"

After two months of recovery, the sliced-up sparky is all set to return to work, though he won't be forgetting the image you see before you in a hurry. "When I woke up after the second operation, the gash was so bad I thought I was high," he concludes.

Well, that's what nasty trips will do to you!

Ex won't leave us alone!

My ex has started to send my current girlfriend really abusive messages. I'm worried if I say something to my ex it'll make things worse, but I don't want to lose my girlfriend. Any ideas?

JAMMY via email

Abusive text messages should be reported to the police and your girlfriend should then get her number changed. If things persist, try to get a restraining order. If the messages aren't abusive enough to involve the police, arrange a threesome. Your ex misses you and wants to be close to you in times of hardship. If your girlfriend loves you, she'll understand!

Is she into me?

LETTER OF THE WEEK!

She's a bit toothy!

My girlfriend loves to go down on me, which would normally be great. But the way she uses her teeth hurts. I'm worried if I say something she'll be offended. Help!

RED via email

Well, you're obviously too scared of just telling her so we'll have to go with plan B – a banana. Just before things are spicing up, eat a banana. At least then you can use the banana skin as an armour. Or you could persuade her to undergo dentistry to remove all her teeth, but personally I think you should man up and tell her so she can stop embarrassing herself with future boyfriends.

she was out of the room, I went on her laptop to put some music on and found a picture of me as her background. Do you think this means anything?

SCOTT Bradford

I need more information. Is she a family friend who you

only keep in contact with because you have to? Or do you look up to her? Deep down you'll know. Did you feel intrigued or embarrassed when you saw the picture? I think you read too much into it the moment you chose to write in.

She won't open her eyes!

Whenever me and my girl are getting down to it, she always has her eyes closed. What do you think this means?

SMILEY Leeds

This is a great sign and means she's extremely in touch with your body and movements. If you wish to see her eyes, lightly stroke her chin and hold her jaw passionately. She'll sense you're looking at her and will eventually open her eyes. If not, don't worry – she's just imagining the perfect you in her head. It seems this girl is in love. Go you!

Aimee

Meet a 19-year-old cutie from West London!

Hello Aimee! How does it feel to be in *Nuts*?

Hello! It's all very exciting. I've had such a fun day. This is the first big photo shoot I've done, so I'm really pleased that it's for *Nuts*.

What do you do with your time?

I'm on a gap year and I work weekends in a bar. I'm off on my travels later in the summer and I want to do a skydive!

Who's your fave *Nuts* babe?

I love Rosie Jones. I'm a bit in awe of Lucy Collett, too.

If you could do any photo shoot in the world, what would it be?

Maybe on a pirate ship. We could get all the girls dressed up like Keira Knightley in *Pirates Of The Caribbean*.

Do you have any hidden talents?

Yes, I can do the splits!

We're impressed! What's the most exciting thing that's happened to you recently?

I managed to flip my car. It toppled all the way over and the firefighters had to cut the roof off. I was sitting there totally unharmed like a deer caught in the headlights.

Blimey! So would a bloke have to own a car to win you over?

I don't think it's a massive deal.

I quite like the idea of a bloke just turning up on a tandem bike and taking me on a romantic trip somewhere.

How could we give you a perfect first date?

Keep it simple. It's better not to show off and to just let your personality shine through. If the weather's nice, take me for a picnic in the park. It'd be nice and cheap, too!

USAIN BOLT

In an **exclusive interview**, the fastest man on the planet talks Olympics, playing for Man United and Prince Harry!

i Usain! How much are you looking forward to actually getting on the track?

I can't wait. I'm in great shape and I'm feeling confident. If I race like I know I can, I don't think I can be beaten.

Have you done any sightseeing in London?

London's a great city but there hasn't been much time for that. When I'm not competing or training, I'm resting back in my room. I always make sure there's a PS3 in there to keep me company, though!

9.5 seconds for the 100 metres – is it possible?

It's something I've been talking about with my coaches, and it's not impossible. It's dependent on so many factors and also some luck. In the condition I'm in, it's possible.

Will we reach a point when world records will never be beaten because a human simply can't run any faster?

I guess we'll eventually reach that point, but I don't know when. Training just keeps on getting more advanced, but we have a long way to go before we reach that point.

Do you ever go out wearing your medals?

I can't. They're in a vault at the bank. They're so important to me, I have to keep them somewhere safe. It's not like losing the TV remote – you can't replace them!

Are you any good at long-distance running?

I wouldn't be good at anything over 400m!

What goes through your mind waiting for the starting gun before an Olympic 100m final?

With some of the runners you can have a bit of fun but others are very serious and want to stay in the zone. I'm all about having fun. I don't need to be serious, I have fun running. I'd happily be there making fun of people!

What's the secret to your incredible speed?

There's something in the Jamaican gene for sure that gives speed, but it's down to natural ability and hard work. Of course, I'm naturally fast but my coaches work me very hard. You're not going to win an Olympic gold on talent alone, no matter who you are.

When did you last run outside of a race and why?

It was for an advert. People have this vision that I run everywhere. How weird would that look? Me coming out of a restaurant or something and just start running down the street.

It wasn't the most aerodynamic running style

Do you do everything in your life at such ridiculous speeds?

I'm very relaxed off the track. If you see me outside of competition, I'll just be watching a movie with my friends or something like that.

When you were at school, were you banned from racing against the other kids?

Everything started for me at school, so luckily I wasn't banned. In Europe and parts of Africa, kids want to grow

up to be footballers, but in Jamaica all the kids want to be runners when they grow up.

You've done loads of ads with Richard Branson. Does he give you free digital TV now?

He doesn't, and you think he would after he made me wear that beard!

If we were ever to visit Jamaica, what pastimes would you recommend?

We love to dance. Get to a bar in Kingston playing live Jamaican music and just have a great time. And, of course, try the rum!

If you could be any other sporting figure – alive or dead – who would you be?

Ruud van Nistelrooy. He played for my two favourite teams, Man United and Real Madrid, and whatever club he was at he couldn't stop scoring goals. The guy was a machine.

Do you reckon you could play for United?

I'm a pretty good player, and it's not just my pace. If Man United or Real Madrid ever asked me to play after London 2012, it'd be impossible for me to say no. Sir Alex Ferguson isn't somebody you could say no to!

What do you think of the one strike and you're out false start rule?

I've been on the wrong end of it but it's just one of those things. The rule has its critics but there's no point complaining about rules that are in place. It isn't going to change anything.

Do you regret slowing down and showboating during the last Olympics 100m final?

Research showed that if I hadn't slowed down I'd have run it in about 9.6. I don't know how true that is but it seems about right. I'll just have to try to break the world record again in London – and I'm confident I can.

Thanks, Usain. Finally, Prince Harry recently beat you in a race. Did his bodyguards threaten you with physical violence to let him win?

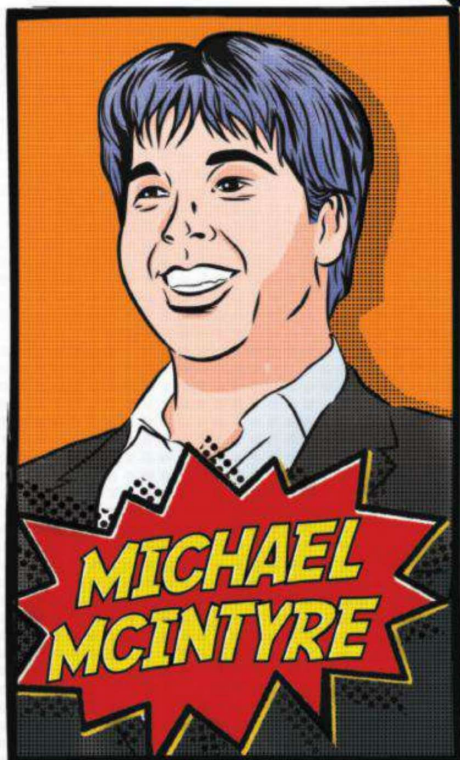

He was a really fun guy, so down to earth for a prince. It was just like speaking with a buddy. He's a very cool guy.

1 "I've started wearing glasses. I got these from Vision Express. It's not easy choosing glasses because you need glasses to see. People come up and go, 'Do you wear glasses?' How do they expect you to react? 'Oh no, I saw *Avatar* and I must have left them on. What an idiot!'"

2 "I got my bill from iTunes. My young son had spent £188 on games. I was like, 'How the f**k did you know my password?' He went, 'It's my birthday, idiot.' Then you've got old people. You know when the TV says, 'Press your red button'? My grandmother presses the only red button she knows about and turns the TV off."

3 "I stayed in New York. There was a knock at my door. 'Hello, sir – I'm here to turn down your bed.' I thought, 'Like many girls have. Are you going round door to door now to reject me sexually?'"

5 “My mum got me an iPhone as a present. You think, ‘That’s a great mum.’ But you get iPhones for free! All she’s done is sign me up to a contract. ‘Happy birthday, son, I’ve set you up with a 35 quid a month direct debit.’”

6 “I’m 25. Twenty-five is an age you can start reminiscing. ‘Remember when an iPod could only hold 1,000 songs? We were f**king cavemen. I had a mobile phone that only had a 4-megapixel camera!’”

● *Kevin Bridges: The Story Continues* tours from September. See kevinbridges.co.uk

7 “It’s hot in here. I’m sweating like Wayne Rooney on *Mastermind*.”

8 “In Starbucks they said, ‘What’s your name?’ ‘We’ll call you when it’s ready.’ I said, ‘My name’s Cup O’Shite. I’ll stand at the back – you call me when it’s ready.’”

9 “The good thing about obesity is that soon people will be too overweight to commit crime. ‘Give us your watch!’ ‘You’re not going to get that around your piggy little wrist. Chase me for it.’”

10 “Nothing can replace the joy of a good old book. You get to the end, tear out the last five pages and take it to the charity shop. They’re getting most of the story for 30p. If you meet someone who thinks Dumbledore is still alive, this is what’s happened.”

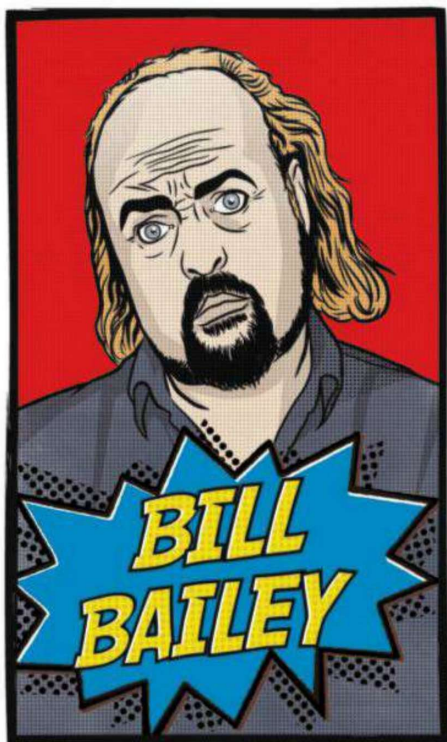

11 “This is the first generation that are going to be worse off than their parents. I find that hugely comforting. When I’m woken up by a group of teenagers singing *Poker Face* at three in the morning, I’m thinking, ‘Well, I’ve got a house.’”

12 “After I’ve filled the shopping trolley, I start putting things back. I’m a ditcher. Frozen prawns? Toss them behind the toilet rolls. I’ll be long gone before that kicks off. I’ll be at home and they’ll be digging up the floorboards.”

13 “In Wales, I asked for English breakfast tea. I caused offence so I withdrew it immediately. ‘I meant Welsh breakfast tea. As Welsh as you can make it. A bucket of boiling water with some coal in it, that’s what I’d really like.’ That’s what she brought me.”

14 “During the riots, my cousin got caught on CCTV. He’s doing 25 years. He’s eight. I went to visit him. He’s pretty upset. ‘They gave me 25 years. I’m only eight. I’ll be 57 by the time I get out.’ ‘Maybe do a maths club while you’re here.’”

15 "I was at a family christening and during it the vicar said, "What would you say to Christ if he walked in here today?" I thought to myself, 'Bad luck, mate – you're in Croydon.'"

16 "No one has asked Jeeves anything for years. I asked Jeeves, 'What's Wikipedia?' He said, 'I'll Google it.'"

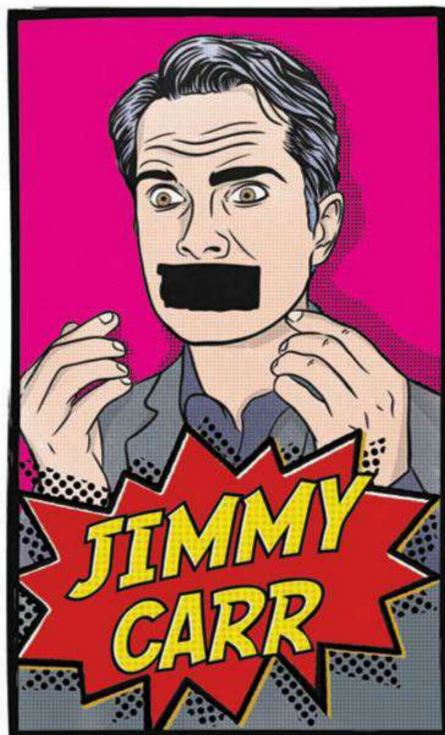

17 "I can't bear Prime Minister's Question Time. It's like some horrible nature programme, *Unfair Fights*. Ed Milliband looks like a weepy-eyed kitten being kicked around by a bullying warthog. He looks like he's caught the bouquet at a funeral. He's so ineffectual he's like a strand of cress in a vindaloo."

18 "Downton flamin' Abbey! Nothing happens. I've tried watching it with the sound down, the

sound up, I've tried not watching it, I've tried not going near a telly. Watching moss grow over a butler in real time would be more interesting."

19 "You try to work. Then you get distracted. Try to work, oh, distracted by the internet. Now I'm trying to find the scampering speed of a squirrel."

25 "My first wife was from Thailand. She died of testicular cancer."

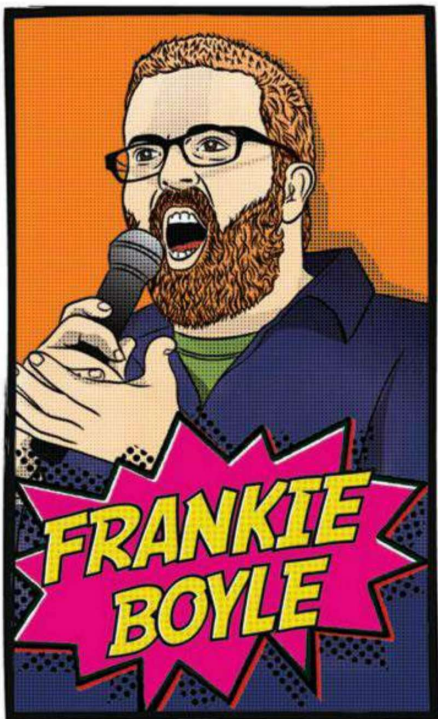

26 "Susan Boyle basically won a national knobbly knee competition – with her face."

27 "Kurt Cobain? Always shooting his mouth off."

28 "Paul Gascoigne says he's bipolar which he thinks means he can take a corner with either foot."

29 "Katie Price brought out a range of novelty knickers. They were normal knickers, but they were a novelty for her."

● Jimmy Carr: *Gagging Order* is touring now. See jimmycarr.com

30 "The people getting the most sex in Britain are the over-70s. Imagine an over-70s chat-up line. 'Here's a Ouija board. Tell your mum you won't be home tonight.'"

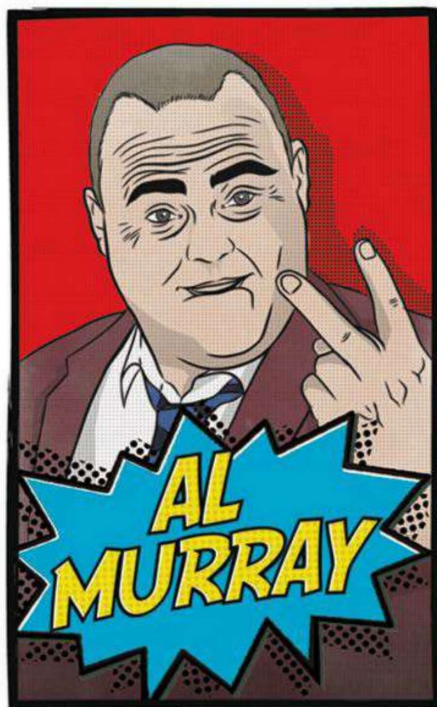

31 "People say childbirth is beautiful but you don't want to watch. You don't go back to a picnic spot after you've witnessed a murder."

32 "Jason Manford got sacked from *The One Show* for having a w*nk in a hotel room. It's not like he was having a w*nk on *The One Show*. He's a comedian on tour. I can't come on tour unless I've wrapped a student in cling film and kicked their body down a motorway lay-by."

33 "I got in trouble for using the word mongoloid on stage but I was using it to describe Vernon Kay. Vernon Kay looks like a learning-disabled adult who's been taken to one of those pavement artists who draws people in an upbeat way."

34 "*Twilight*. She's in love with a vampire and a werewolf. She's choosing between a dead guy and a dog. They wasted the chance of a vampire/human wedding. Imagine the table plan. 'Don't put him there, he'll eat her.'"

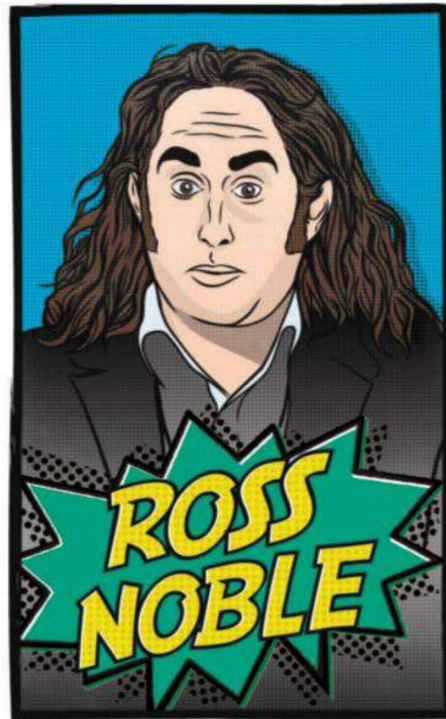

● Frankie Boyle: *The Last Days Of Sodom* is touring now. See frankieboyle.com

35 "National interest is not the same as the public interest. Public interest is what people want to read in the papers. National interest is what the nation must do. I think we should swap. The Army can do *The X Factor* and we'll send Simon Cowell to Afghanistan."

36 "In the old days, if you got a girl pregnant you'd marry her. You'd be stuck with her for ten years, then you'd bite the bullet and f**k off. These days, you get a bird pregnant, you just vanish, don't you? She gets a flat. Bingo."

● Al Murray: *The Only Way Is Epic* tours from September. See thepublandlord.com

37 "At a gig, somebody shouted, 'Does anyone know Peter?' I started doing stuff about a bloke called Peter. Then I realised they were shouting, 'Does anyone know CPR?' This bloke was choking on a Malteser. He laughed it out. I caused the problem and saved his life. It's like pushing someone off a tall building and as they're falling, clipping a rope onto their trousers."

38 "I was doing a gig down south and I said, 'Is there a north-south divide?' and this bloke went 'No, mate. You're having a laugh. Course there isn't.' I said, 'Oh, why not?' And he went, 'Cos you got in, you northern c**t!'"

39 "I had a brilliant idea. It's for a Chinese cooking pan that connects to the Internet. It's called the e-wok."

40 "Have you seen the Go Compare poster? It looks like they've got a new fat opera singer, but I'm not sure. If only there was a website that would present the two for comparison." ❌

BRILLIANT BOOBS

ROSIE

INDIA

**"British
boobs are
ones to be
particularly
proud of!"**

Rosie

H i Rosie! How's the shoot going?
Hello! It's really good because Nicole, India and Arabella are my favourite people at the moment. The dream team! I'm just looking at Arabella's boobs now and they're incredible.

What's been the highlight?

We got to wear sexy lingerie and it's making our boobs look utterly brilliant! Ha-ha!

Why are boobs brilliant?

They're just amazing! They're literally bags of fun! And I think British boobs are ones to be particularly proud of!

Can you sum up your boobs in three words?

A good handful!

Who's were the last pair of amazing boobs you saw?

I'm loving Kelly Brook at the moment! She's always got good boobs, hasn't she? I think she needs to unleash those puppies to the world! Set them free!

What's the most common mistake men make with boobs?

Men always think that bigger is better but sometimes smaller, perkier boobs can be much sexier, you know? Blokes need to come to terms with that!

Have your boobs ever caused an accident?

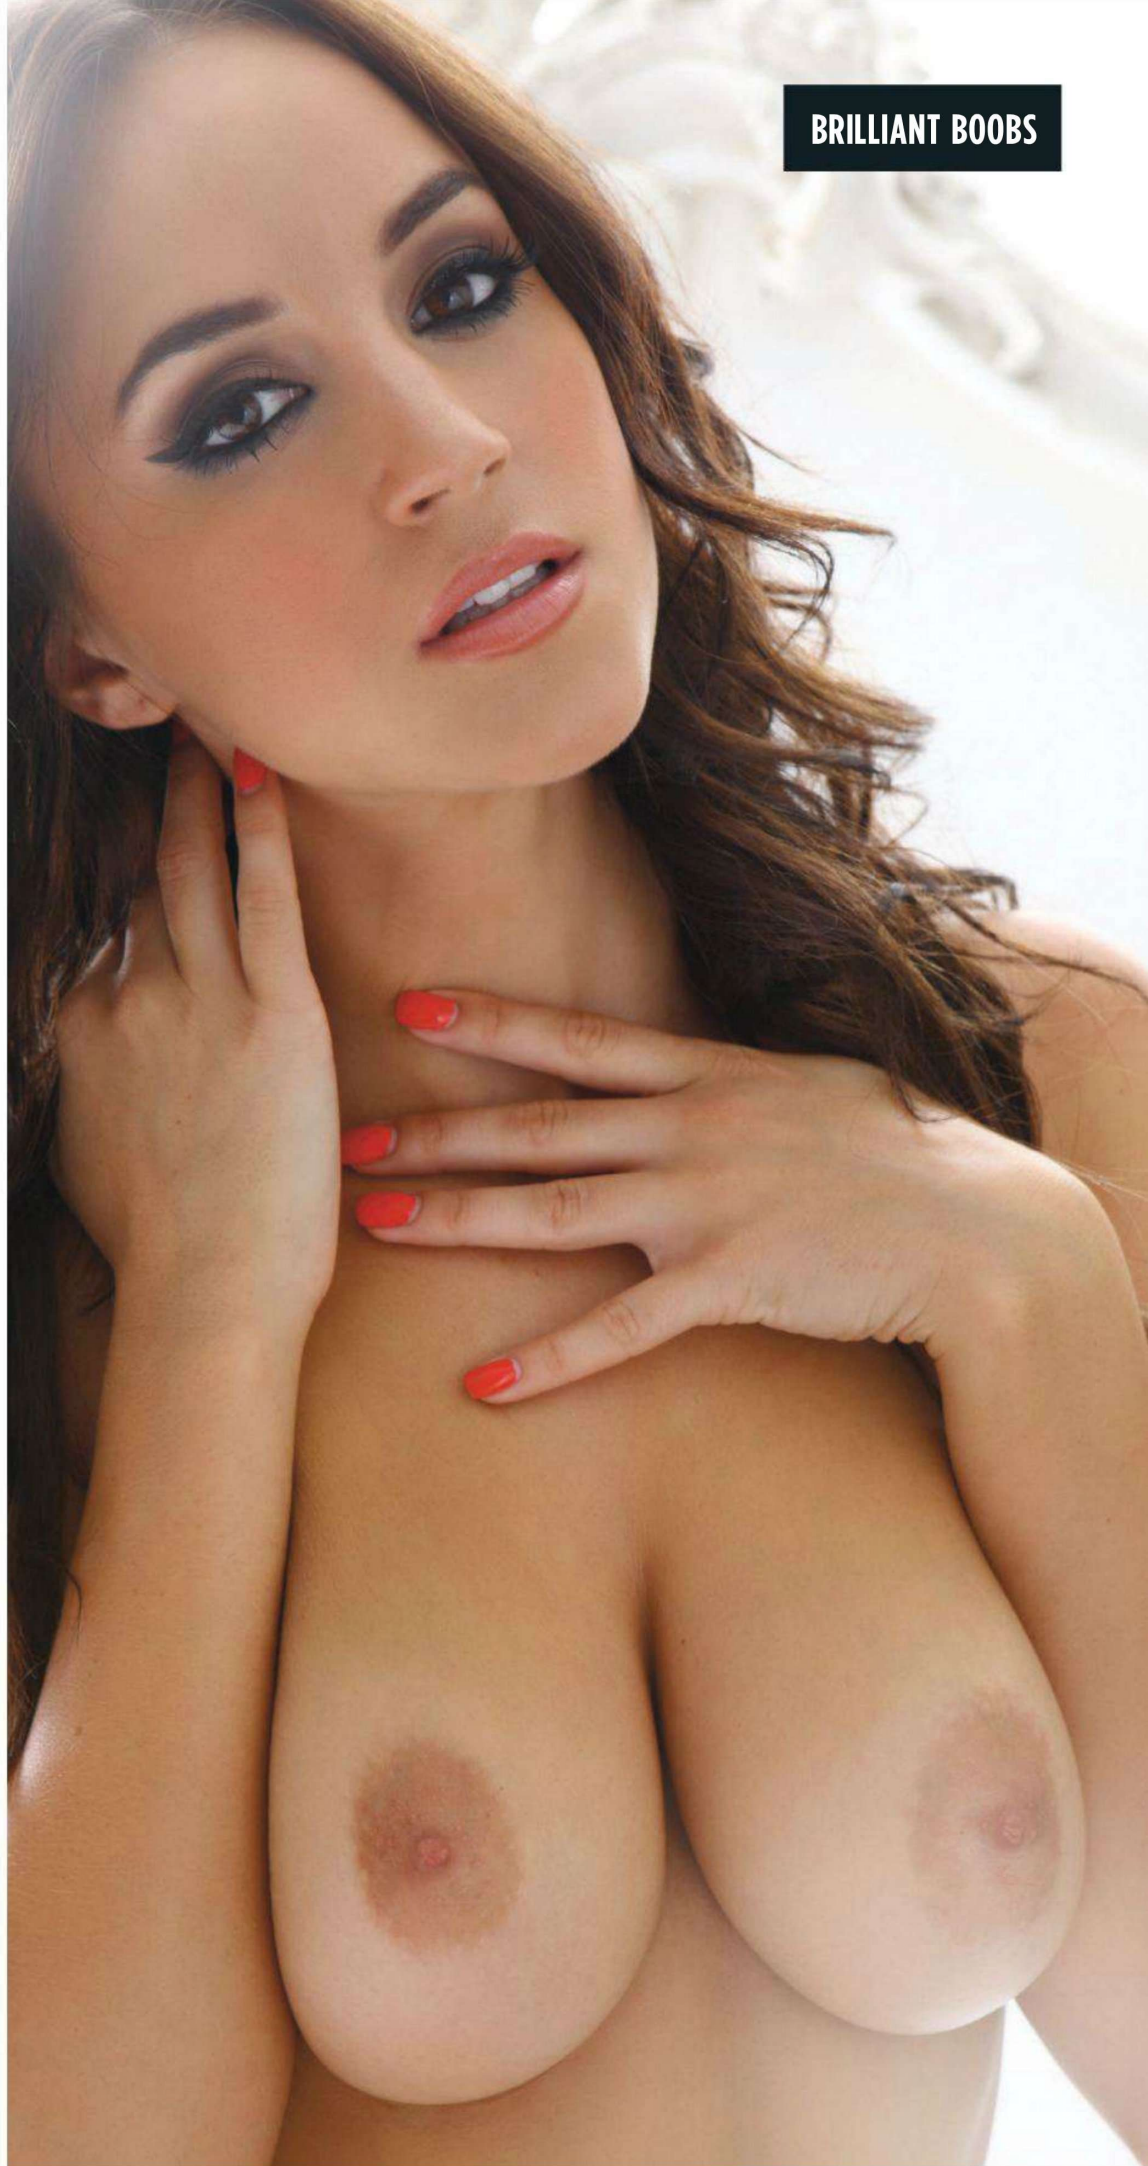

Not that I'm aware of, but possibly. I hope not! I hope no one's been hurt and they've been the cause of it! Ha-ha!

Do your boobs have a name?

Once, as a joke, I said they were called Bill and Bob, but they need a new name now, so maybe the readers of *Nuts* would like to suggest some!

Finally, give us a boob fact?

A Brit woman has the biggest boobs in Europe. We're a big-boob nation! If we had a boob Olympics, we'd win gold! ►

“Everyone here has brilliant boobs!”

Arabella

Hi Arabella! What's new with you? Hello! It's been a crazy few months! I've done a few shows with will.i.am, which was cool. I think he's got a thing for British girls from what I've heard. He's hilarious to work with. He said I was dope!

Is will.i.am familiar with *Nuts*?

No, but I'm working with him again very soon, so I'll make sure he sees this shoot.

Amazing! Have you enjoyed the *Utterly Brilliant Boobs* shoot?

Everyone here's got utterly brilliant boobs, that's for sure. I've never met India before. She has lovely boobs.

Are British boobs the best?

Our girls have real boobs. We're actually known as a booby nation. We have friendly topless magazines that have other content as well. We're just a good-boobed country!

Can you do any party tricks with your boobs?

I can't, actually. I need to learn one. I can tie a cherry stalk with my tongue. No one believes me, then I do it.

Have your boobs ever caused an accident?

Me and my friend were walking down the street and these guys put their heads out of their car to say something to us and they crashed into the car in front so, yes. They shouldn't have been so rude!

Can we have some advice on handling boobs?

There's a scene in *Bridesmaids* where this bloke pinches some boobs really hard. It reminded me how awful that feeling is. It made me cringe! Gents, handle boobies with care!

Good advice! Finally, sum up your boobs in three words?

Small and round! ▶

**“My boobs made
these guys crash
their car!”**

**“Arabella
has got
incredible
boobs!”**

India

H i India! How are you enjoying the utterly brilliant boobs shoot?

Hello! It's always fun working with

Rosie and it's been my first time with Arabella. She's got incredible boobs!

What are the best things about your boobs?

I'm told they're soft, round and good to play with. I've not had many complaints about them!

Do British girls have the best boobs in the world?

I meet a lot of British girls and they've got great boobs, but I couldn't say which nation has the best boobs. In the spirit of the Olympics, that'd be unfair!

Which celebrity's boobs do you admire the most?

I'm a big fan of Rihanna's. Some people find her a bit feisty and scary, but I love her attitude, her styling, her voice – everything. She's a big girl crush for me!

Have you ever used your boobs to your advantage?

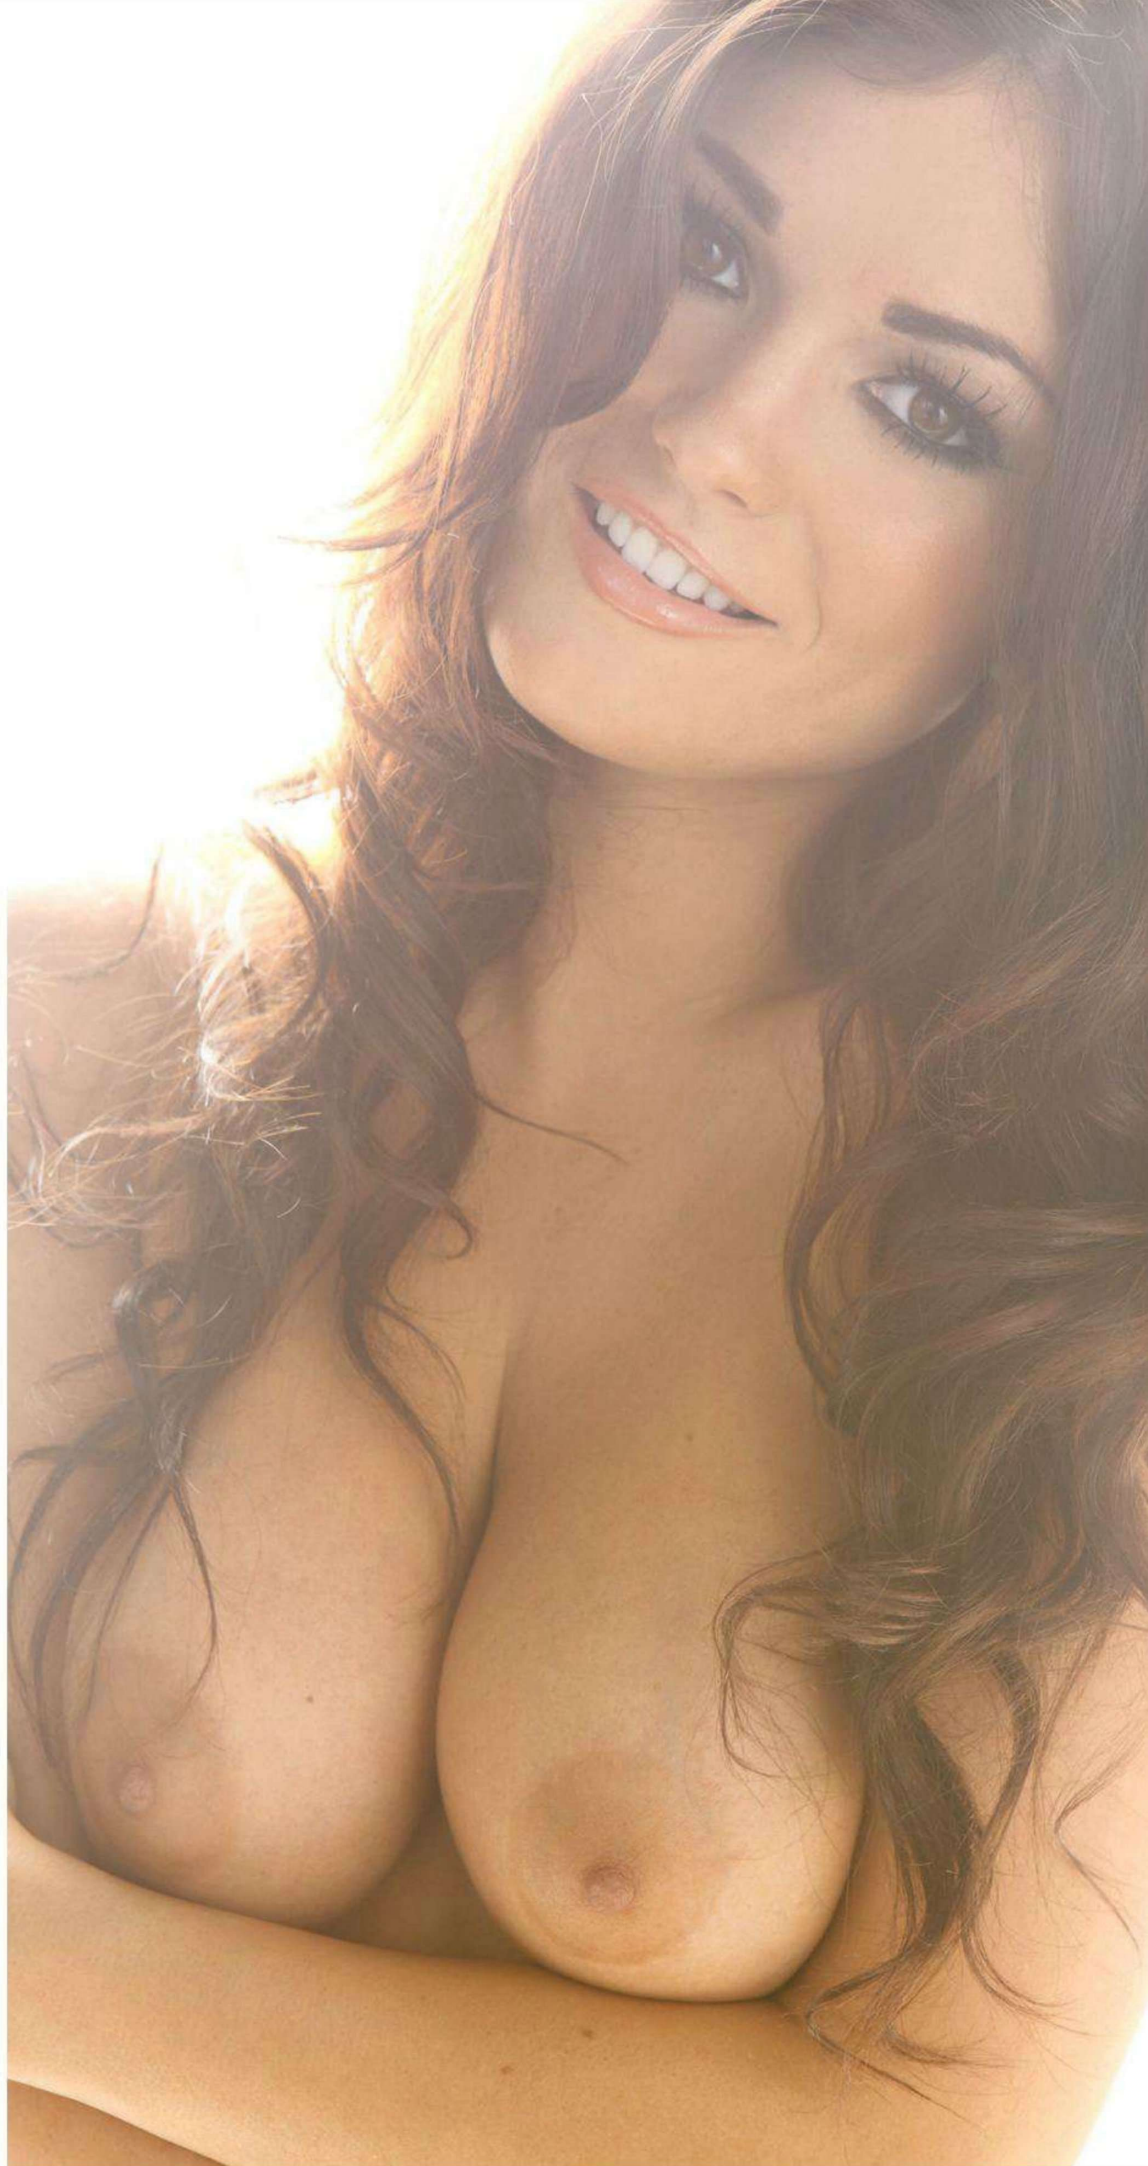

You can get away with a lot if you show a bit of cleavage. If you're in a club and you're about to get chucked out, you can always use them to get the bouncers to see things from your point of view.

How often do you notice men talking to your chest and not your face?

If I'm wearing a low-cut top, then it's pretty obvious. It's quite funny, but then sometimes you're like, "Are you speaking to me, or are you speaking to my chest?" I don't usually mind though. I just laugh it off.

Finally, do you notice other girls checking out your boobs?

Girls always check each other out, to see what the others are wearing and all the rest of it. I do it, too. We all do – probably more than blokes! ►

Nicole

Hi Nicole! How's your summer been so far?
Hello! I've been to Ibiza with Rosie and Holly. That was fun! Rosie can be a bit feisty when she's drunk. I always imagined she and Holly would make for a funny holiday, and I was right.

Since you've been in *Nuts*, do you get recognised in public?

No! Friends have said things, but I've never been approached by a random. I do get some nice comments on Twitter, although someone once asked if they could rub my feet!

If you were a guy, would you be a boob or bum man?

Boobs! I'm quite taken with Jennifer Metcalfe's at the moment. I can't tell if she has really big boobs or if it's just her character in *Hollyoaks*!

Is topless sunbathing a must?

Oh yeah, you can't sunbathe with a top on, otherwise you get lines. I'll sit at the pool and everyone's got their tops on. I can't deal with that, so my top comes off straight away. You'll find by the end of the week everyone's doing it!

Is it obvious when a guy uses sunglasses to admire boobies?

I've never noticed. I'm told it's happening and I notice when it happens to other people, but I've never ever noticed it happen to me. I wouldn't sit and stare at someone's chest, so they shouldn't sit and stare at mine. That's the point where I might put a top on.

Finally, can we have some summer pulling tips?

Be yourself, have fun! And if it's a summer romance you're after, try having a go at some activity like volleyball, because that's when people start talking. And once you've got something to talk about, that's half the battle won. **X**

straight away!”**

Inglourious Basterds

FILM4/HD • 11.25pm

If you need a break from the Olympics, feast your eyes on Tarantino's Nazi-bashing adventure starring Michael Fassbender (above) and full of the usual bitch-slapping dialogue. It'll tide us over nicely until his new flick *Django Unchained* comes out.

Britain's Strangest Pets

CHANNEL 5/HD • 8pm

Meet Jack Heathcoate. Seems like a normal fella, but then he takes you down into his basement and you're greeted by a huge tropical aquarium. Sometimes he even takes a dip with his fish. There's also couple who own one of the biggest snakes in the UK.

★★★

Vexed

BBC TWO • 9pm

Series two of the detective comedy continues, but the partnership of DI Jack and newbie Georgina's hardly proving a match made in heaven – he's lazy, she's ambitious, and they can't stop arguing. Which is hardly likely to help when they head to a university campus to investigate the murder of a student.

★★★

Celebrity Bedlam

E4/HD • 10pm

That strange fellow Lee Kearn is out on prank patrol again, pulling off remarkable jokes on unwitting Z-list celebs. In this one, Lee convinces the celebs the clothes being modelled in his fashion show are made of human skin. Somehow he even coaxes the thickos into interviewing animals. Yes, animals, like dolphins. Fools.

MEN'S 110M HURDLES FINAL

BBC ONE/HD • 9.15pm

Current Olympic champion Dayron Robles of Cuba and 2004 gold winner Liu Xiang of China (below) will be favourites, but we've got our fingers crossed for an upset from Brit Andy Turner.

Thursday 9 August

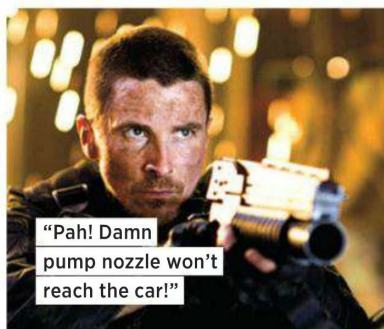

Men's 200 Metres Final

BBC ONE • 8.55pm

By now, Usain Bolt is either Olympic 100 metres champion or he's had a nasty shock and been beaten into silver or worse. That result may define how seriously he takes the 200. We don't mind, though – it's not like there are going to be any Brits in the final!

★★★★

Terminator Salvation

FILM4/HD • 9pm

If you need a post-*Batman* Bale fix, try this ace actioner. Christian Bale is resistance leader John Connor, trying to save the world from Skynet. A mystery stranger called Marcus seems keen to help, but then his true origins are revealed. Can he be trusted?

★★★★

Lemon La Vida Loca

ITV2/HD • 10pm

We're loving Lemon's new faux reality show and this week's instalment is a real laugh riot. Why? Well, it involves Keith hosting a dinner party, some impromptu skinny-dipping and a visit to his mum's house in Leeds. Bonkers but completely brilliant!

★★★★

MEN'S TRIPLE JUMP FINAL

BBC ONE/HD • 7.20pm

Fitness issues – among other things – led to a difficult build-up to the Games for Phillips Idowu. Hopefully, he'll have overcome them sufficiently to put himself in line for gold here.

"When I put that ad on the net for a 'bear'..."

TED

1 August • 15

Family Guy creator Seth McFarlane's contender for funniest film of the year. Mark Wahlberg plays a guy whose childhood wish came true

when his bear came to life. But chilling on the couch, smoking a bong with his potty-mouthed (and fuzzy) best mate isn't impressing girlfriend Mila Kunis. He faces the ultimate dilemma in a side-splitting classic that's strewn with one-liners. ★★★★★

"Anyone see which way the fox went?"

THE RAVEN

DVD & Blu-ray • 15

This enjoyable romp sees famous horror story writer Edgar Allan Poe (played by John Cusack) joining forces with a detective to track down

some mentalist who's bumping people off in ways inspired by his own work. Fairly fast-paced, a tad odd and pretty gruesome in places this is worth checking out and it won't keep you up at night either. A decent gothic murder mystery. ★★★

Racy revelations from our female readers!

Ladies, got a saucy secret you can't keep to yourself? Send your sexy story to our Lou!

CONFESSION OF THE WEEK!

'My wonderful surprise'

MY BOYFRIEND took me on a surprise weekend to London and booked tickets to the theatre. In the taxi, we teased each other and I was feeling really turned on as I was wearing my new underwear he'd bought me. Our seats were in one of the high booths with only a couple of other people, and when the lights dimmed, I felt his hand slide up my skirt. I returned the favour and rubbed his growing erection. At the interval, the others left to get drinks, so he grabbed me, pulled my sexy lingerie to the side and slid inside me. It was intense and mind-blowing and we made it just in time!

Stacie Nottingham

'He pulled up my top'

THERE'S A beautiful house across the street from me that's up for sale. Every day, I kept seeing this handsome estate agent

showing people around – we'd even flirted a few times. One afternoon, I noticed the front door was open, so I decided to have a peek inside. I was in the main bedroom when a voice startled me. I turned around to find myself face to face with the hot guy. We just

grinned at each other, then before I knew it, we were kissing against the wardrobes. He pulled up my T-shirt and caressed my boobs, then he unbuttoned his trousers as I pulled down my jeans. He slipped a finger inside me as I released his stiffy, then I went down on my knees so I could pleasure his erection with my tongue. Soon, we both came and collapsed, exhausted. We're going on a date next week!

Kelly East London

'My wet body aroused him'

I GOT out of the shower one morning to find my cat had brought a mouse in the bedroom. Just then, the doorbell rang, so I grabbed my silk robe and ran downstairs. It was the cheeky young guy who cleans our bins. He could see my panic and asked what was wrong so I told him to follow me upstairs, but we couldn't find the mouse. I noticed he was staring at me and realised that putting on my robe while I was wet had made it see-through. I could tell he was aroused. He came closer and opened my robe, exposing my naked body and before long I was lying face down on the bed with him penetrating me. I had the most intense orgasm ever and he carried on until he came, too. It still turns me on just thinking about it.

Janette Northampton

'We hurried home'

I WAS at a day festival with my boyfriend recently. The booze was flowing and the beats blasting but we weren't enjoying ourselves because of the pouring rain so we decided to leave. I don't know what came over me but in the taxi back, I sat on my man's lap and he gently kissed me while fondling my bum. I was instantly wet and had to have him. We stopped the taxi and dived into our local park. I started giving him oral but had forgot it was barely 8pm and still light until he pointed out a woman walking down the road watching us! I hurried him around the corner and pushed him onto a bench and hopped on top, but the woman came the same way and was shaking her head, so we sprinted off home to finish the job.

10 RUDE QUESTIONS!

And a real girl to answer them!

Leanne

20 Devon

1 Where's the strangest place you've had sex?

"It was on a sunbed. I guess I craved a double dose of endorphins that day. It's all about the tanning while enjoying a bit of sexy time!"

2 What's your trademark move in the bedroom?

"The 'ship at sea' move gets the motion in the ocean going in all the right ways! That involves the bloke turning you over during sex."

3 What really turns you on in the bedroom?

"I love a good kisser – it's all about the mouth. If you can't kiss, you won't get anywhere near my pants!"

4 What's your favourite position?

"The pretzel. That involves the bloke straddling the woman's left leg while she twists her right leg around his body so it looks like a pretzel."

5 Is it better to give or receive?

"I'm a giver, not a taker. There's nothing more sexy than seeing someone else turned on."

6 What one thing would you really like to try but haven't yet?

"I want to try everything and anything – I love experimenting!"

7 Ever got it on with another girl?

"No, I haven't, because I haven't found a girl worth getting it on with yet – I'm really picky!"

8 What's your favourite role-playing costume?

"I have several but everyone loves the sexy secretary look. It's so sexy and subtle. I've found the glasses alone do it for most guys."

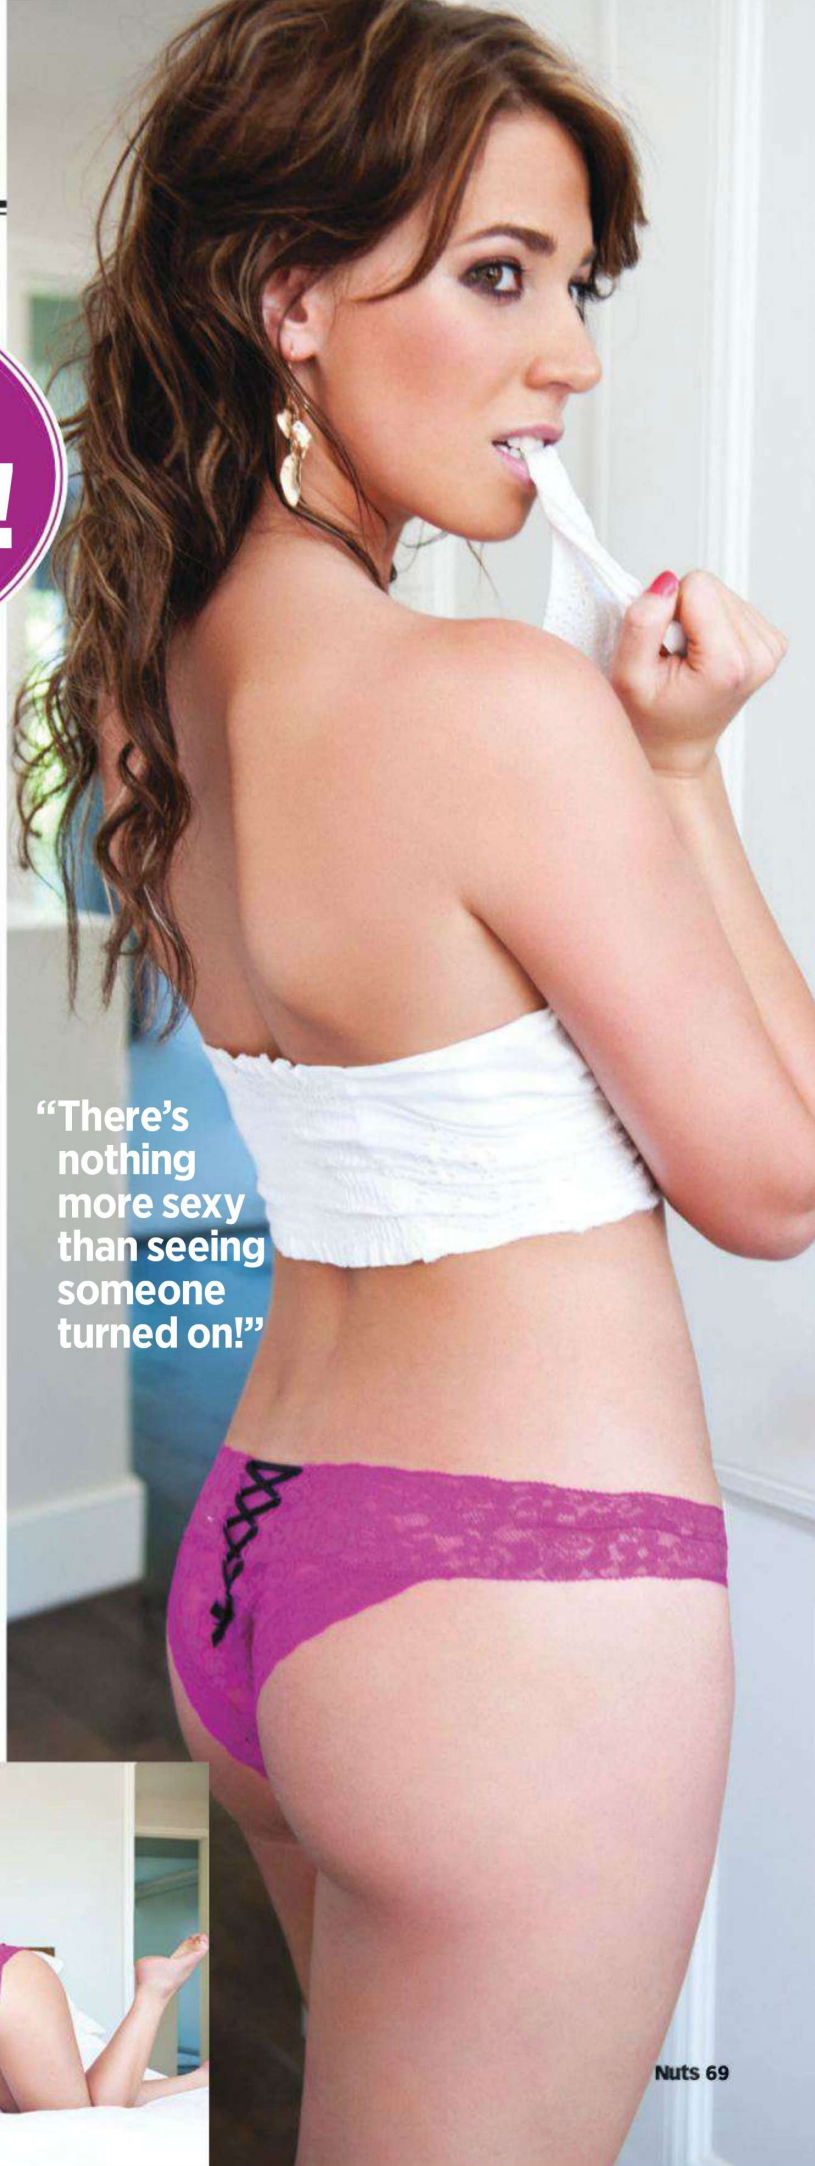

9 Have you ever made a sex tape?

"No, but I'd like to as long as it didn't end up on the internet like Tulisa's!"

10 What's the rudest thing you've done?

"Ha-ha! If I told you, I'd have to kill you!"

"There's nothing more sexy than seeing someone turned on!"

EXCLUSIVE!

Neymar: 'I will bring home gold for Brazil!'

Brazil's latest superstar on his crazy barnets, being 'better than Messi' and model cars!

Hi Neymar! You're still only 20 years old but when did

people notice you were a special player?

My father noticed very early. He has been so important to me in my career. I just wanted to play the game because I was in love with it, but I joined Santos when I was just 12.

Did your talent come naturally or with practice?

Of course I was born with my talent, but I still learn how to be better from the people around me. Muricy Ramalho [head coach of Santos] and Mano Menezes [manager of the Brazil team] always have advice for me to get better as a player.

How do you deal with being "the next big thing"?

Compliments are nice but I'm just concentrating on my game. I know what I want to achieve as a player with both Brazil and at club level. When you have talent, there's always going to be expectation, just like there was on guys like Ronaldo and Ronaldinho.

Brazil legend Pele has described you as being

"better than Messi". Do you agree with him?

To hear a man like Pele say things like that is very special for me, but I think if you look at Messi and Ronaldo they are two players that are ahead of everybody else at the moment. I'm only young and that is the level I expect to be at.

Would you consider playing in the Premier League?

Of course! Chelsea are the European Champions and Manchester United are a great team. I watch the Premier League here in Brazil and there are many great players there, but I don't like to talk about my future out of respect.

What does the English game need to do to produce more technically able players?

I think there are some very technically able English players, like Wayne Rooney, but in Brazil, Futsal is very big and that helps improve players technically. Beach soccer as well. Anything that encourages close control will help.

How seriously are Brazil taking the Olympics?

When you put on the Brazil jersey it means something. When you put on the Brazil jersey and have a chance to

win something for your country, it means even more. I have told the president of our football federation that I will bring home gold for Brazil and that is what I will do.

How do you manage to keep your feet on the ground?

I'm young and I've made mistakes. I just try to stay humble. My mother helps keep me humble. Whenever I do something that makes her unhappy, she always says to me, "I want my Juninho back," and it really helps me stay humble and grounded.

What's the craziest thing you've heard about yourself?

I ignore everything that is written about me. The internet is the worst. If you believe everything on there, I'm joining about ten different teams. It's why I never talk about my future.

When you're not playing, what do you do away from football? Are you into video games?

I do like to play video games a lot. I have this thing where I try and recreate any great goals I have scored on my PS3.

You've had some crazy hair styles - what's next?

I like to have my own style and

keep changing the way I look. I met David Beckham when I went to watch the Red Bulls play and LA Galaxy were in town. Like me, he likes to change his style, and he always makes a good job of it.

English players all drive Ferraris, Astons or Bentleys. What do you drive?

I collect miniature models of all my favourite cars. I hope one day to be able to have the real thing of them all, but for now the only car I have is a Porsche.

Nike have reportedly signed you to an 11-year deal that will last till you're 28. Does that put you under extreme pressure to perform, or can you take that in your stride?

There is pressure whenever I put on the jersey of Brazil or Santos. They both have very clear winning traditions and there is always the pressure to give your best for the fans. It's a good pressure, though. Every second that I'm playing football, I love.

It was an odd time
to bring out the
Riverdance routine

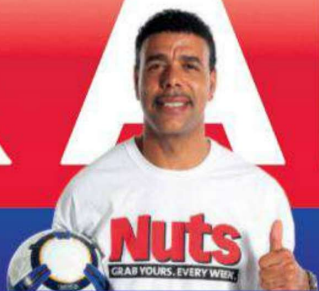

Neymar at a glance!

- Born on 5 February 1992 in São Paulo.
- Scored his 100th professional career goal on his 20th birthday!
- Named the 13th richest footballer in the world in 2012 ahead of the likes of Frank Lampard and David Silva.
- Despite being linked with the likes of Man City and Chelsea, he's remained at Santos in Brazil because – a bit like Carlos Tevez – he's partly owned by a third party, not just his club.
- Amazingly, he's never had a beer!

“I’d consider playing in the Premier League!”

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"Oi, lads! I've found the perfect spot for a picnic!"

New Barton twist is a farce!

Joey's not really heading to lower-league Fleetwood to eat up his ban – is he?

➔ I'VE SEEN a lot in my time in football but I'll be frankly astounded if Joey Barton is allowed to go out on loan to a lower-division club just to eat up the games in his 12-match ban. It sounds like pure speculation – the second he started training with Fleetwood Town the rumours

started flying that he was going on loan to them, and although the length of the ban wouldn't be shortened in terms of games, it would in terms of time.

Surely Fleetwood wouldn't have any part of this. Micky Mellon, Fleetwood's manager, is a really nice fella. I looked upon it as him just

saying to Joey, "Look, join us for a bit of training while QPR won't want you near their squad. You weren't brought up far from here – come along and give the lads a morale boost." It puts Fleetwood in the limelight and gives the press a story.

I'd be amazed if they want to get involved in helping

exploit some kind of FA loophole to get Joey's ban eaten up. But you think you've seen it all before in football and then something strange and new happens. This could be one of those situations, but it would surely be an incredible flouting of the rules. And do QPR really need Joey back that badly?

KAMMY'S UNBELIEVABLE-OMETER™

UNBELIEVABLY GOOD!

BRILLIANT BRAZIL!

Brazil were simply sensational against Team GB. The young lad Neymar, Rafael... they're absolute quality. What a crop of youngsters they have coming through!

UNBELIEVABLY BAD!

BALE FAIL!

Gareth Bale really shouldn't have been playing on Spurs' US tour if he wasn't fit enough for the Olympics. I'm surprised he didn't want to represent Team GB.

THE BIG MATCH!

"Yes! I've just got a touch of the ball!"

Robin has to go abroad!

I'VE SAID this before and I'll say it again – if Robin van Persie loves Arsenal as much as he says, he has to go abroad. He's actually gone on record as saying, "I'll always be a Gooner," so if his affinity for the club is as strong as he says it is, he either leaves at the end of his contract or goes abroad. The Manchester clubs shouldn't be on the menu. It'd be brilliant for Sir Alex if he were to get him, though – I think if it were to happen, the pendulum would swing back to the red side.

"I knew I shouldn't have had those Stellas last night"

Great Britain vs Uruguay

1 AUGUST, 7.45PM • BBC Three/HD

I'll be happy if we get a draw from this one. Luis Suarez and his compatriots are very good players indeed and Uruguay are obviously taking the tournament pretty seriously. The presence of Suarez alone sends out a real signal of intent.

KAMMY'S PREDICTION: 1-1

Key man

Uruguay striker Luis Suarez is not just the one to watch in this particular match, he's my one to watch over the whole tournament.

"Hey! Can't you see I was doing my tiger impression?"

Celtic deserve so much better than this!

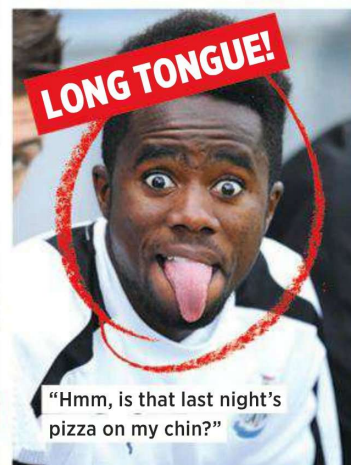

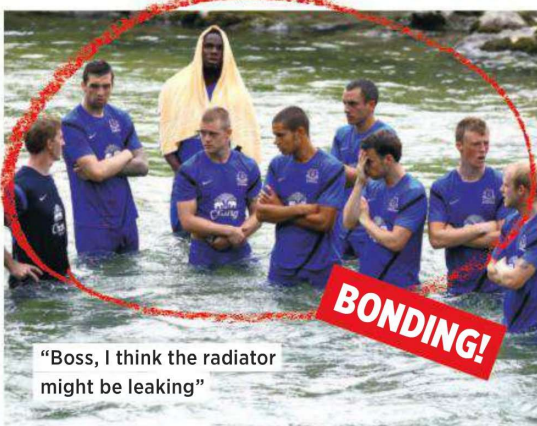

WHILE ENGLAND'S big clubs continue to enjoy their relaxing pre-season breaks, Celtic are back into competitive action on Wednesday 1 August in the third qualifying round of the Champions League, playing HJK Helsinki of Finland. Lining up alongside them in this round are giants like Ulisses Yerevan, Hapoel Kiryat Shmona, F91 Dudelange and Ekranas Panevezys (nope, me neither). This is nothing short of a scandal. Celtic once won the European Cup and won last year's Scottish Premier League! Having achieved that, they surely have to be an automatic entry into the Champions League proper. Why should a team as big as Celtic have to go through that rigmarole? They should be an automatic choice for the group stages.

Nuts ABOUT SPORT!

Funny goings-on in the wonderful world of sport!

WHOOOPS!
of the week

This is Swedish superbike type **GREGER JOHANSSON**, literally in the hot seat as his 1,950cc twin-cylinder motorbike explodes. Amazingly, while looking a little toasty, Greger was unscathed.

Apparently, **CARLOS TEVEZ**'s appalling – sorry, stylish – sunglasses are made by posh firm Chanel. Well, that's nice for him.

This is how to impress Sir Alex Ferguson – get caught on camera pretending to empty the contents of your water bottle onto an innocent bystander's head! **ROBERT BRADY** and **SCOTT WOOTTON** – manager's office, first thing Monday!

"Quote me on that!"

This week's biggest match debaters!

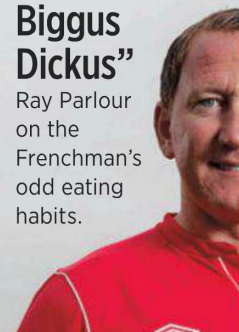

"Tennis is nothing. It only lasts one and a half hours"

Bradley Wiggins has no time for tennis wimps.

"Watching Arsene Wenger in the canteen was like watching Biggus Dickus"

Ray Parlour on the Frenchman's odd eating habits.

"Giggs is a crack"

Is David De Gea calling Giggsy an arse?

"The German lad's English is better than mine"

Steve Bruce takes lessons from Nick Proschwitz.

"The biggest pressure is to have no pressure"

Sounds like the pressure's getting to Arsene Wenger.

"You feel awkward when you hear things that are not being said"

Alan Pardew must have good hearing.

OO-ER SOUNDS A BIT RUDE CORNER!

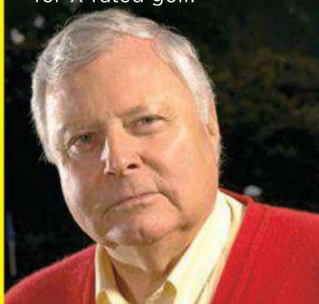

"Luke Donald is back in the clubhouse after a very nice 69"

Sky Sports' Julian Warren on a bonus for the English golfer.

"I often get letters asking why we can't see the hole more clearly"

Peter Alliss prepares for X-rated golf.

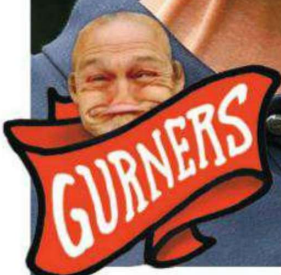

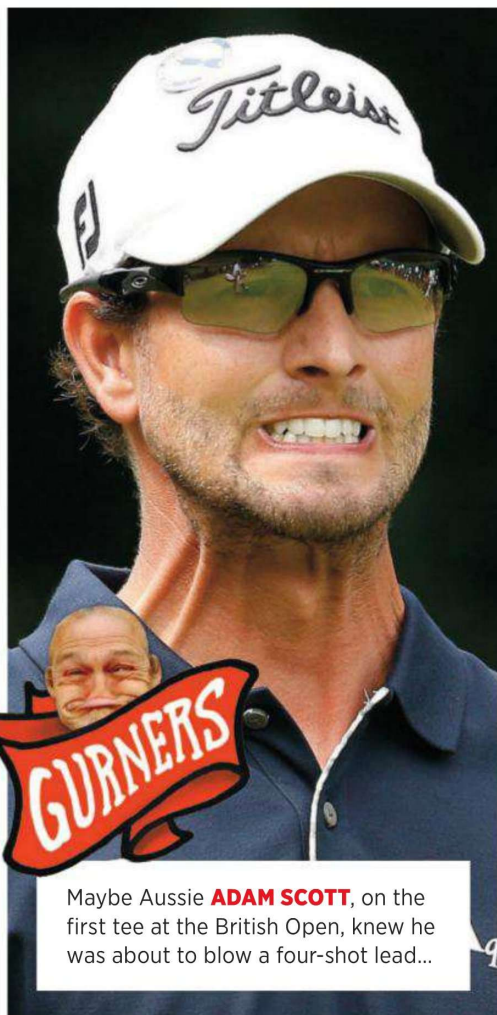

"Schumacher went in deep and hard"

Martin Brundle on the German's impressive thrust.

TOP TACKLES!

This is Parramatta Eel **JARRYD HAYNE** pictured in the middle of countless blokes' arms. We're pretty certain he's going *nowhere*.

Maybe Aussie **ADAM SCOTT**, on the first tee at the British Open, knew he was about to blow a four-shot lead...
