## Keith Lemon edits *Nuts*!

Mag given the "bang tidy" treatment!

➔ LOOK WHO turned up to edit your favourite magazine this week! Yes, none other than potty-mouthed *Celebrity Juice* legend Keith Lemon. We didn't know what hit us!

HE'S IN THE BUILDING!

Keith arrived with some helpers, chosen for their office skills, of course.

CLEARING  
OUT THE  
DEAD WOOD!

BYE-BYE, BOYS!

The *Nuts* chaps were shown the exit, replaced by a bevy of babes.

**SEXY ASSISTANTS!**

Lucy and Rosie were on hand to spice up Keith's first editorial meeting.

**SHAKING UP MEETINGS - "MORE PINDER!"**

**PENNING MY EDITOR'S LETTER!**

**REDECORATING MY OFFICE BETTER!**

**FEELING AT HOME**

Keith's makeover of the editor's office wasn't what you'd call subtle.

**MY NEW SECRETARIES - BANG TIDY!**

**LEMON'S MAGAZINE MUST-HAVES!**

**1 MORE PINDER!**

"For my first big feature, I'm going to recreate some scenes from Lucy Pinder's 2012 calendar. She's been my favourite thing about running the magazine. Her and Rosie!"

**2 A NEW COVER STAR!**

"I think my first cover star will be Gail Platt from *Corrie*. She's lovely. If she's not up for it, I'd like to see myself screaming out from the shelves of Smith's."

**3 MORE BOOBS!**

"You need enough in there to justify a good fist-pump. I had

a copy of *Nuts* on the set of my film. I used the hell out of it."

**4 MORE STYLE FEATURES!**

"I think style is crucial to any magazine. I want to see more features about Richard Branson, Nicky Clarke and anyone else with good hair like that."

**5 NO MORE GORE!**

"I don't want to see any more blood and guts. The only gash I want to see needs to belong to a lass! Instead of Don't Look, I want an article on how to do the digital switchover, 'cos my tellies don't work any more."

**LOOKS LIKE A NOB - BRILLIANT!**

"Are you sure this is how you can predict my future?"

**EXCLUSIVE!**

# Nuts girls on holiday!

Ibiza welcomes the best "girls on tour" ever!

**WE MUST'VE** missed the memo but is there a single lady who hasn't taken a holiday this year and slobbered by the pool reading saucy lady-lit *Fifty Shades Of Grey*? Here's more evidence – Holly, Rosie and Nicole Neal giggling at the poorly written naughtiness in Ibiza. Maybe they've been issuing the book at airports and stations, in a deal alongside Veet and corn plasters!

They'd both had too much fizzy pop

Her new catapult was certainly easy on the eye

"... then gently squeeze and wait for the 'honk!'"

"Ha-ha! It says here she had massive 'whammers'!"

It was the only  
way she could hit  
the high notes

"OOOH, ROSIE... I'VE  
BUMPED FISTS WITH  
HER. I DON'T EVEN  
HAVE TO DO MANY  
STROKES AND - SLIP,  
PLOP! - I'M OFF!"

### DRONES!

Unlock a Scorestreak drone reward and you can pilot it, or just launch and forget about it as it independently roams the battlefield, filling enemies with lead.

## EXCLUSIVE!

# Black Ops 2 multiplayed!

**Nuts gets exclusive first go on Call Of Duty multiplayer**

**LAST WEEK,** we had first-ever eyes-on with

*Black Ops 2* multiplayer, as Activision unleashed the blockbusting trailer. And this week, **Nuts** has blagged a world-first hands-on with this gaming behemoth, flying over to Cologne to sit in a swish studio and get hands-on for over two hours of bullet-based death. This is what we learnt. And here's our subsequent briefing for the game that hits consoles on 13 November.

### PERKS!

Gun perks now work differently, so they'll only be available as attachments, no better bullet impact or "Steady Aim" for hip-fire accuracy, for a real-world feel.

### HIGH-TECH HEAVEN!

This is our man getting stuck in at Activision's awesomely swish studio in Cologne, Germany.

### SCORESTREAKS!

Killstreaks have been replaced by more traditional Scorestreaks that reset when you die. But alongside killing to ratchet up your points, you can build them by playing well. So put a drone up and you get points for every kill your team makes.

### SCORESTREAK REWARDS!

Reward highlights in the new multiplayer include a microwave personnel suppressor called The Guardian, a huge drone mech called the AGR and Hunter Killer, a launch-and-forget guaranteed-one-kill drone.

### GRAPHICS!

Developer Treyarch has polished this game to a gleaming shine. It's the best-looking *Call Of Duty* by a country mile – and that's saying something!

### WEAPON LOADOUTS!

New is a "Pick 10" system where you have ten slots to fill how you wish. Swap an entire secondary weapon for attachments on your primary, or extra grenades etc.

## Verdict

With a slower style and old-school scorestreaks back, this is the multiplayer fans have been demanding!

### LEVELLING!

Hardcore *Call Of Duty* chaps will be pleased to know that there are a whopping 55 levels to play through, as well as ten levels of Prestige. *COD* Points are swapped for unlock tokens, which are dished out when you level up.

### ESPORTS!

Publisher Activision is determined to make *Call Of Duty* a spectator sport. So there will be live, commentated games broadcast 24/7 that you can watch via your games console, or stream direct to iPads and tablets.

### NEW MAPS!

We played four new maps: this one, called Cargo. Turbine (the main pic), which is a medium-sized, figure-of-eight map. Yemen is shown in the "Levelling" caption and Aftermath is shown in the "Scorestreaks" caption.

### LEAGUE PLAY!

Activision is working hard to make the ranking system work. So when you start the game, you're ranked with people of equal skill. Win consistently and you'll progress to the next bracket. So only *CoD* ninjas should face *CoD* ninjas.

# A quick word with *The X-Factor*

**Louis, Tulisa, Nicole and Dermot on the Spice Girls, blubbing, fisticuffs and cheating!**

**Hi guys! Melanie B – aka Scary Spice from the Spice Girls**

**– was a guest judge on the first episode of this series and, boy, was she scary! Did you think she went too far?**

**Tulisa:** I loved her. She tells the truth, so you can't knock her for it. There were points where I was thinking, "Did you have to be so honest?" But she's telling the truth. I think you'll either love her or hate her on the show.

**Louis:** We all loved her. She's just saying what everyone else is thinking. That's why she's Scary Spice.

**In one audition, a girl looked like she was going to climb down and deck you all. Do you ever fear for your safety?**

**Tulisa:** I didn't fear for my safety. I feared for Louis!

**Louis:** [Looking miffed] Why?

**Tulisa:** She looked like she had it in for you.

**Louis:** I tried to help her. We gave her two songs. She came out looking like Pink. Even [her dad who looked like] Tom Jones couldn't help her. She was a Pink look-a-like. She looked like Pink.

**Will all the judges be falling out with each other this series?**

**Tulisa:** I can't speak for the other guys but I'm always 100 per cent myself when I'm on the show. Anything I say is exactly what I'm thinking.

**Louis:** We're very emotionally involved with our acts. That's why we fall out.

**If it came down to fisticuffs between the judges, who'd win?**

**Louis:** I'm going to say Tulisa.

**Nicole:** Tulisa has a big heart. I think Gary [Barlow] can be pretty tough sometimes, too.

**Dermot:** Let's say Gary because he's not here.

**There's always a lot of blubbing among contestants on *The X-Factor*. Do you ever worry that someone might come on the show and have a fully blown mental breakdown just because you haven't put them through to the next round?**

**Tulisa:** Thousands of people audition every year and there's always going to be one person who has a hissy fit. You can't go, "We need to think of the emotional stability of these people." That's one person with their own issues.

**Are there any hotties we should look out for this series?**

**Tulisa:** There are definitely some hot solo males!

**Er, that's not exactly what we had in mind.**

**Louis:** And I can think of at least two boy bands that you haven't seen yet.

**Oh, well, we'll just have to keep our eyes peeled. Nicole, will you be doing anything different over here to what you did on *The X-Factor USA*?**

**Nicole:** I don't really know. Obviously, there's a different energy on the panel over here. And different contestants. And the judges are much nicer in the UK than in the US.

**Dermot:** Where are you going with this? Oh, wait, Simon [Cowell] is in America, isn't he?

**Louis, there were some pictures in the paper recently of Simon Cowell and Sinitta in a speedboat together. Does that mean the judges will be using Sinitta's house this year?**

**Louis:** I can't tell you that. I can't tell you anything, in fact. But I know whose houses we'll be using. You'll just have to watch the show!

**Dermot:** Which is the right answer, Louis.

**Nicole, in the first show of the series, you described yourself as a "scary bitch underneath". How scary are you?**

**Nicole:** I think what I meant was that I know what I'm looking for. There are never any excuses. Ultimately, I try to let people down gently and bring out the best in them. But at the end of the day, I know who has it and who doesn't.

**This year's contestants are allowed to have managers. Isn't that cheating?**

**Tulisa:** I don't know how many of them do because it's not a general question we ask them. But there has to be a change. Just because someone has a manager or experience in the music business doesn't mean that they're any less deserving to be on the show than a normal person who hasn't any experience. I had a manager for seven years before I got anywhere at all.

**What do you say to people who say that *The X-Factor* is turning into a soap opera?**

**Louis:** Soap opera? It's a talent show!

**Tulisa:** It's always going to be about the music but there will always be drama and fun. It's not just about the talent, it's about the connection with the audience, so you need to see every side of the person as they go through the competition. There's going to be drama, there's going to be tears and there's going to be laughs. That doesn't make the show any less credible. It's still about the music.

**Finally, do you ever worry that people will get bored of watching the show?**

**Louis:** Last year was still the second biggest series of *The X-Factor*.

**Tulisa:** Last year, it was the second biggest show after the Royal Wedding. I'm not worried about it at all!

● *The X-Factor* is on ITV1 every Saturday evening

**NINE YEARS OF TEARS & DRAMA!**

This is the ninth series of the show and, including guests, there have been 20 judges!

"Hi, we're here for the swingers party!"

## The best put-downs

When *The X Factor* judges put the boot in!

**Simon:** I've got to be honest with you, I'd like to throw myself in the coffin after that. You're like a couple of corpses.

**Simon:** You came in here like an Alsatian dog that, when he opened his mouth, meowed.

**Simon:** I didn't know what a cat being squashed sounds like in Lithuania, but I now have a pretty good idea.

**Gary:** How exactly have you matured? Because things mature nicely like a red wine or a cheese, but you've matured like a bad curry, mate.

**Simon (to a boy band):** Have you all got colds?

**Louis:** George, you've got no likeability at all. And your singing was really not good.

**Simon:** Your mouth is far, far too big when you sing. It was like looking into a cave. I've never seen anything so huge in my life. And because your mouth is so big, this weird sound comes out of it.

**Simon:** My advice would be, if you want to pursue a career in the music business, don't.

**Louis:** It was like three cats being strangled in an alleyway.

**Cheryl:** I very rarely say this but it was quite shocking.

**Gary:** If I shut my eyes, I wouldn't have known if that was a human being or an animal being strangled.

**Simon:** I've never heard anything like that in my life. You were singing notes that haven't even been invented.

**Louis:** Is there something wrong with my hearing?

**Cheryl:** I can't work out if you're doing this just for a laugh.

# Happy birthday, *The Simpsons*!

"People can come up with statistics to prove anything – 14 per cent of people know that"

"What's the point of going out? We're just going to wind up back here anyway"

"Vampires are make-believe, like elves, gremlins and Eskimos"

"If the Bible has taught us nothing else – and it hasn't – it's that girls should stick to girls' sports such as hot-oil wrestling and foxy boxing, and such and such"

"If at first you don't succeed, give up"

## *Simpsons* pub ammo: 500-shows special!

Wow your mates at the pub with these little nuggets of Springfield-based trivia...

- Even though we're about to see the 500th episode here in the UK, 508 episodes have been aired in the US.
- The 500th episode is the 14th episode of the 23rd season and is called *At Long Last Leave*.
- At the beginning of the 499th episode, Springfield residents run into the Simpsons' living room to congratulate them on 500 episodes, but Lisa points out that they're an episode early.
- Special guests in the 500th episode include Kelsey Grammer as Sideshow Bob, Jackie Mason as Rabbi Krustofski and Julian Assange, the founder of WikiLeaks.

"A woman is like a beer.

your own mother just to get  
one. But you can't stop at  
*one* – you wanna drink  
another woman"

"A nuclear  
reactor is a lot like  
a woman – you just  
have to read the  
manual and press  
the right buttons"

"Facts are  
meaningless –  
you could use  
facts to prove  
anything that's  
even remotely  
true"

"When you  
participate in sporting  
events, it's not whether  
you win or lose, it's how  
drunk you get"

- The 500th episode's couch gag features a montage of every couch gag ever seen in *The Simpsons*.
- To celebrate 500 episodes of the show in the US, Fox set out to break the Guinness World Record for the longest continuous television watching. A hundred fans of the show were invited to watch nothing but *The Simpsons* for as long as possible and two fans lasted for 86 hours and 37 minutes, breaking the record.

# Next year's Range Rover

**Lighter, more eco-friendly and the first model to surpass the £100k mark – we want one!**

- The Range Rover may be 42 years old this year but it's still the go-to car for everyone from Premier League footballers to catwalk models, gangsters to royalty. The original luxury off-roader, it defined the "SUV" (sports-utility vehicle) genre. Everything else is just a copy of what the Range Rover created back in 1970.
- Well, after more than 18 months of rigorous testing, Land Rover has launched this brand-new version of its high-and-mighty 4x4. The big news is that it's shed 420kg of blubber, is much quieter than previous models and has become more eco-friendly.
- The huge diet (it's 39 per cent lighter than its predecessor) has been achieved by switching from a steel chassis to state-of-the-art aluminium-monocoque tech. This means a huge improvement in the Range Rover's miles-per-gallon ratio.
- There are several engines to choose from. Most Brits will likely opt for a diesel – either the 3.0-litre TDV6 or the 4.4-litre TDV8 – but there will also be a 503bhp supercharged petrol V8 on the options menu. Great if you happen to work for BP, Shell or Texaco, or live in Saudi Arabia.
- The reduced weight means the car is happier going around corners. The new model gets revised air suspension all round and promises a less wallowy ride.
- It'll also be the quietest Range Rover ever. Thanks to upgraded soundproofing, special laminated glass and cleverly structured body panels, the new Range Rover's innards will be quieter than a closed library. But it's still boxy, which means a 0-60mph punt of 6.5 seconds and a top end of around 140mph.
- Inside, expect a new selection of leather hide, wood veneer and brushed aluminium, plus a Meridian audio system.
- Just like the baby Range Rover – the Evoque – this model has had its roof height lowered and boasts slimmer headlights and wrap-around taillights. It wears very Evoque-esque 22in rims and, as with the Evoque, a contrasting coloured roof is an option.
- The front end is more raked back and less likely to inhale flies on the motorway, while the vertical side vents have moved from the front wings to the front doors.
- So what's the price for luxury? The base model will start at around £70k, but start ticking the options boxes and the showroom price will (for the first time) sail past £100,000. But that's still quite a bargain for what promises to be the must-have car of 2013.

"Blimey, it's foggy out!"

"I've got a zit on the other side"

# Buy yacht, get supercar free!

**Just £33m gets you a boat *and* a McLaren MP4-12C!**

➔ **AT 60 METRES** long and 48 metres tall, the UltraLuxum CXL 160 is the world's largest cruising trimaran. And it includes a show garage for a McLaren MP4-12C supercar! Asking why does seem a bit silly, but the answer's simple – McLaren Applied Technologies helped out with the boat's carbon fibre hull beams.

And brilliantly, slap down the £33m asking price, and the builders will throw in the £176k supercar free! Which, in these austerity times, everyone would agree represents great value.

**YOURS FOR £33M!**

## Boat facts

- The car slides into the garage in the aft of the boat but you can still keep an eye on it through glass walls.
- In open water, the hull expands to 23 metres for stability, but shrinks to 11 metres in port for easier mooring.
- There are four guest cabins, but one of these can be easily be converted into a spa.
- Outside, there are several open decks for sunbathing, a hot tub and a dining area.

**Cod almighty! Wrong plaice, wrong time for flattened fisherman!**

➔ **HAVE YOU** ever "given the finger" to a van driver? Well, we bet you haven't done so as literally or spectacularly as Northumbrian fisherman John White.

"I was stood behind a wagon waiting to weigh some fish when the driver jumped out and left the van

in reverse," recalls John. "It ploughed straight into me and took my finger clean off!"

"I couldn't look at it. After being rushed to A&E, I took a glimpse at the bloody mess and it was just shocking. My finger was hanging by a sliver of skin, like a bell!"

After two operations, surgeons decided the finger

couldn't be reattached, so they took it off at the knuckle. But, despite being a digit down, brave John was quickly back to work and tells *Nuts*, "I'm lucky it was just my finger and not my whole hand!"

Lucky indeed, John – our fashion guys tell us that fingerless gloves will be bang on trend this autumn!

# SEX ADVICE FROM A FIT LESBIAN!

Because she knows what she's doing and we don't!

**DANNI ORSI,  
100% REAL  
LESBIAN!**

You might recognise Danni from hit TV show *Candy Bar Girls* on Channel 5

## Her nicknames annoy me!

My girlfriend insists on calling me baby names when we're out. It's getting annoying and I know my mates are fed up with it. How do I get her to back off?

**CRAIG** Liverpool

Communication: crazy, I know. Be a man and tell her how you feel. If she doesn't listen, make up a name for her. She'll soon change her ways once she gets a taste of her own medicine.

## I just don't fancy her!

My best friend is a girl, we've known each other years and get on brilliantly. Recently, though, she tried to get it on with me and now things are awkward. I really don't fancy her. What do I do?

**BEN** Wiltshire

**LETTER OF THE WEEK!**

## Do chat-up lines work?

I'm going on a lads' holiday soon. All my mates are great at pulling women and I'm worried I'll be left behind. Do cheesy chat-up lines work or should I just be myself?

**ANDY** Derby

It depends on what kind of lady you want to pull. "Girls on tour" enjoy letting their hair down, so you may get a drunken blow-job. But the most important advice I can give you is to forget the goal of pulling. It won't happen if you force it, plus seeming uninterested is a strange but strong turn-on for women. And if you don't pull, at least you'll be the only one of your mates without an STI.

I've not much faith in male/female friendships – there always seems to be one with a secret intention. Girls are good at playing the "friend" game,

but they're really just learning all about you. I'd leave it. If she brings it up again, distance yourself from her so she can distance her feelings for you.

## She's butch!

My girlfriend is too butch. I don't know what's happened to her recently but she's taken to wearing my clothes a lot. She can drink me under the table now as well! It's weird.

**JG** Forest Green

I think you're hinting at me to suggest that your girlfriend's turned into a lesbian. You may have just made her hang out with the boys too much and now she's trying to fit in. Buy her a dress, take her out for a meal and make her feel like a princess. You should make an effort with your appearance, too so she can see a good reason to up her game.

# KEITH LEMON

## Our potty-mouthed new Editor on his hilarious new film, *The Hoff and Kelly Brook's boobs!*

**H**i Keith! This is very much your year, isn't it? What's the key to your success?

The secret of my success is confidence and lying. I do a lot of lying. Sometimes, I feel ashamed of my lying. Maybe I should speak the truth a bit more. But on 7 November, you'll be able to read all the truth in my new book, *Being Keith*. And a lot of the truth has already been revealed in my new TV show, *Lemon La Vida Loca*.

**OK, plugs aside, what's the biggest whopper you've had to tell to get ahead?**

I once said I could use a computer – but I can't. I'm a f\*\*king clot. I could use an Etch A Sketch and draw t\*\*ts on one of them, but that's it. I can normally cover my lies by saying, "I was joking. It was a joke, you dingbat!"

**How on earth did you manage to sell your film to the movie bigwigs?**

I just went to Lionsgate and said, "I'd like to make a film, please, Mr Lionsgate." And they said, "What sort of film do you want to make?" I sold it as a small film with a big heart – and a massive c\*\*k.

**The film has loads of cameos. Did anyone refuse to be in it?**

No, because I didn't ask anyone who I thought wouldn't do it. I asked people who I knew would hopefully say yes, and they *did* say yes. The most surprising person to work with was Kelly Brook. I thought because she's fit, she must be a bitch. But she's one of the most grounded people I've ever met. She's one of the lads.

**We understand you got to see her boobs. What was that experience like?**

When I got to see Kelly's bangers, I was worried that I might get a straight-on. She's done some film called *Three*, where she f\*\*ks someone to death on a beach. So I was concerned that I might get happy pants, but she said, "I'll be offended if you don't."

**The Hoff is also in the film. Was he high all the time?**

He was high all the time – on life! I think he's having a second wind with his career. I remember the first time I worked with him – when he'd finished shooting, he said, "The Hoff is leaving now!" and started to applaud. I think that's an American thing. I still call him Dave.

**Have you got any dirt on any celebs you've worked with?**

The only dirt I have is on Richard Arnold from *Daybreak*. He has very long nipples – extremely and abnormally long. It's disgusting looking at him. They're female levels of long.

**OK, Phillip Schofield, Holly Willoughby, Fearne Cotton – snog, marry or kill?**

I'd kill Phillip Schofield because I'm not into kissing men – although I've kissed Richard Arnold loads of times. I'll probably marry Fearne because there's going to be some spice there – we disagree on everything. Finally, I'd love to f\*\*k Holly.

**What's the most rank thing you've ever seen Holly do?**

I was at the V Festival with her and she went into the toilet. She destroyed the place. It was like an old tramp had sh\*t in there. It was a mess. She should've been banned from the V Festival for that activity.

**Got any moustache tips?**

Grow a beard, then shave the beard off, but not here [points to his moustache] and that will create the styling of a moustache. Give it about three weeks, I'd say.

**What's your favourite thing about *Nuts*?**

*Nuts* for me means lots of nice women to look at, you can get some latest fashions, see what's on the telly. But it's a splash rag as well. I mostly buy it when I'm in it.

**What's next up for you? Fancy running for Parliament?**

No, as I know nothing about politics. I don't think I can change the world. I'm just having a good time and, luckily, you're all having a good time watching me having a good time. Next year, I expect more *Celebrity Juice*. I'll do that until Holly or Fearne leave. And hopefully, there'll be a sequel to *Keith Lemon: The Film*. I'll give you an exclusive now – it's gonna be called *Keith Lemon: The Film 2*.

**Finally, would you ever consider doing reality TV?**

I'm doing a new reality show called *Lemon La Vida Loca*. Have you not been listening to me? It's about me and my missus. It's about her putting up with me.

● Watch the full interview at [nuts.co.uk/news](http://nuts.co.uk/news). *Keith Lemon: The Film* is in cinemas nationwide from Friday 24 August

## 3 BRUCE LEE

Enter The Dragon, Fist Of Fury

The martial-arts marvel found fame in '60s TV show *The Green Hornet* before making classics such as *Way Of The Dragon*.

**FACT** Lee died in mysterious circumstances aged 32 after a suspected allergic reaction to a headache painkiller.

## 2 BRUCE WILLIS

Die Hard 1-4, Sin City, 16 Blocks

Both Arnie and Sly turned down the role of John McClane in *Die Hard*. Now the franchise is set for its fifth outing. We can't wait!

**FACTS** The badass slaphead once modelled for Levi's and had a number-one album of soul ballads back in 1987.

## 1 ARNOLD SCHWARZENEGGER

Commando, The Terminator 1-3, Total Recall, Predator

He said he'd be back, and he jolly well is! Your numero uno and star of action classics *The Terminator* and *Total Recall* lived up to his famous catchphrase by returning to the big screen with Sly Stallone for *The Expendables* after a stint as the "Governator" of California.

**FACT** Arnie was trained in London by Yorkshireman Reg Park when he claimed his first Mr Universe bodybuilding title in 1968. He went on to land five Mr Universe and seven Mr Olympia titles. We wouldn't mess with him!

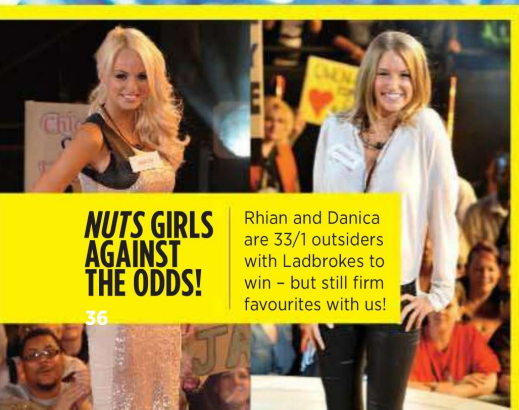

**BB BABES TOPLESS**

**RHIAN & DANICA PRESENT...**

# **BB Babes Topless!**

*Celeb BB's hottest new housemates!*

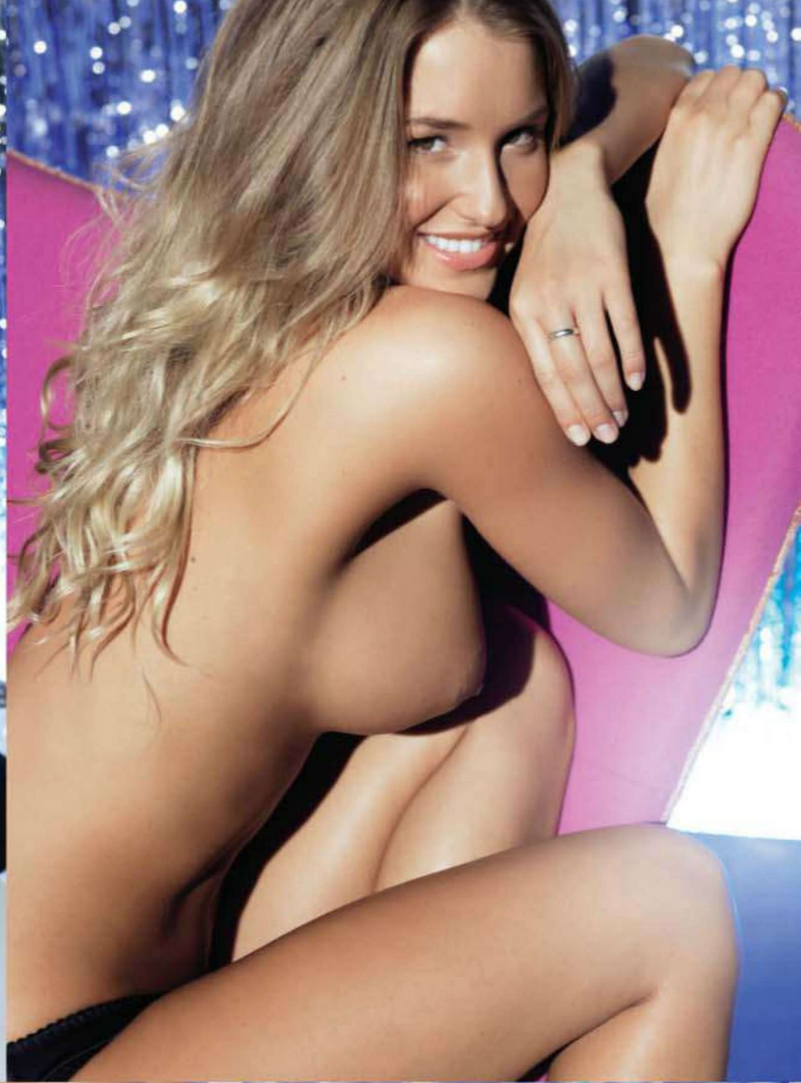

**NUTS GIRLS  
AGAINST  
THE ODDS!**

Rhian and Danica are 33/1 outsiders with Ladbrokes to win – but still firm favourites with us!

“I need my  
sleep or else  
I’m kicking off”

# Danica

**H** i Danica! What are you most worried about leaving behind when you go into the house?

I'm really going to miss my dog, Willy. He's a sausage dog that thinks he's a Rottweiler. He's very protective of me. I'm hoping they'll let me see him if I get a task right or something. I don't think there's ever been a pet in the house.

**How did the producers approach you about entering the house?**

It was just a normal interview about me and my modelling work, really. You have a health screening but my report was completely clear. I'm a well-behaved girl!

**Are you planning on sneaking any contraband in?**

You get one case and you're not allowed mobile phones or computers – not even a pen – so I won't bother trying my luck.

**Will you mind sharing with 12 other celebrity souls?**

The burping, belching and farting – that's all fine, but if I get no sleep, then that's going to cause problems. That's my big vice – I need sleep or else I'm kicking off! Also, I come from a long line of "clean freaks", so people will find that I'm very tidy and clean.

**Who would you most like to be in the house with?**

Now then, a certain girl called Rhian Sugden would be nice! She's looking really beautiful, isn't she? I've deliberately not read any of the papers about who's supposed to be going in, but I'm not really fussy to be honest – as long as it's not anyone who hates animals.

**How do you feel about being in the house with MC Harvey? He has a reputation for being a bit of a player!**

I don't mind that. I don't really think of a lot of these people ►

**"I'm taking a nice little dress with tassels into the BB house. It's a bit too short!"**

**“I wouldn’t rule out going topless in the house!”**

as celebrities anyway. I’m not very good with celebrities. I think of celebrities as people like Hugh Grant or big A-listers. I’m glad I can go in there with an open mind – not knowing much about them.

**Booze is always flowing in the *Big Brother* house. What kind of a drunk are you?**

I’m very happy and loud but sometimes I get emotional. After a couple of bottles of wine, I get a bit tearful and think of bad stuff! I can be a bit embarrassing maybe, but never aggressive.

**What’s the sexiest outfit you’re taking into the *BB* house?**

Oh, I have a nice little dress I’ve bought from Agent Provocateur. It has tassels and is very short – actually a bit too short! It’s supposed to be lingerie but I’m wearing it as a dress. I wouldn’t rule out going topless in the house!

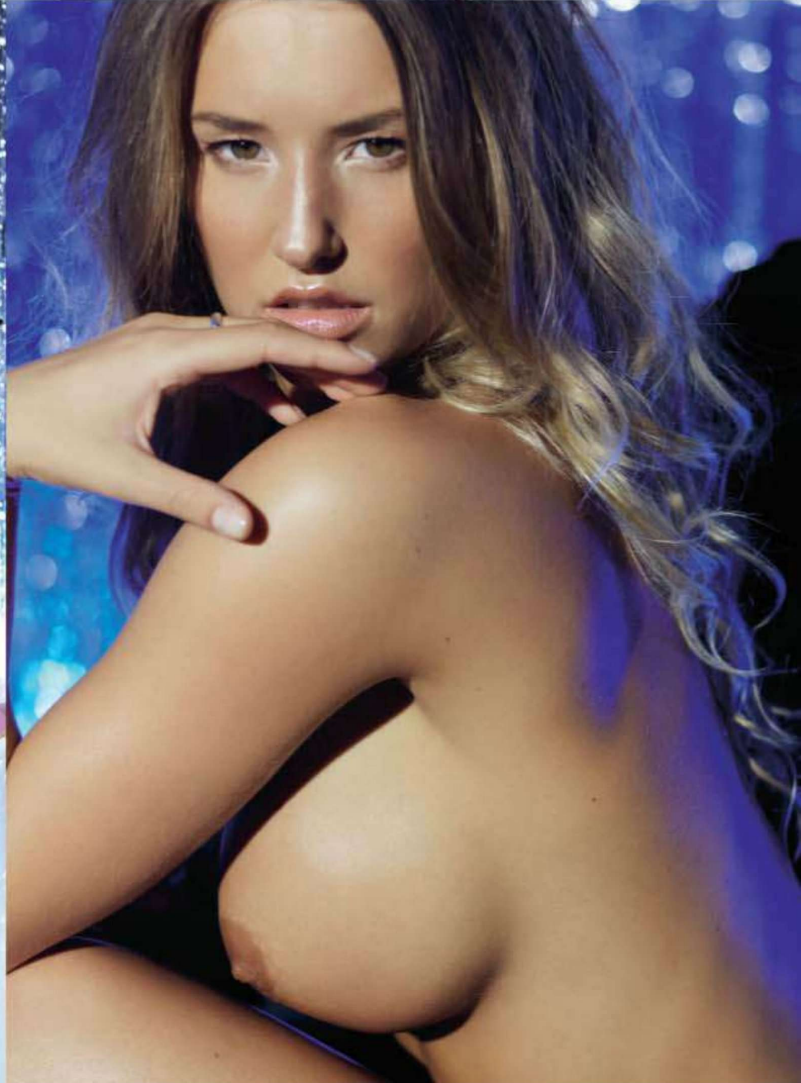

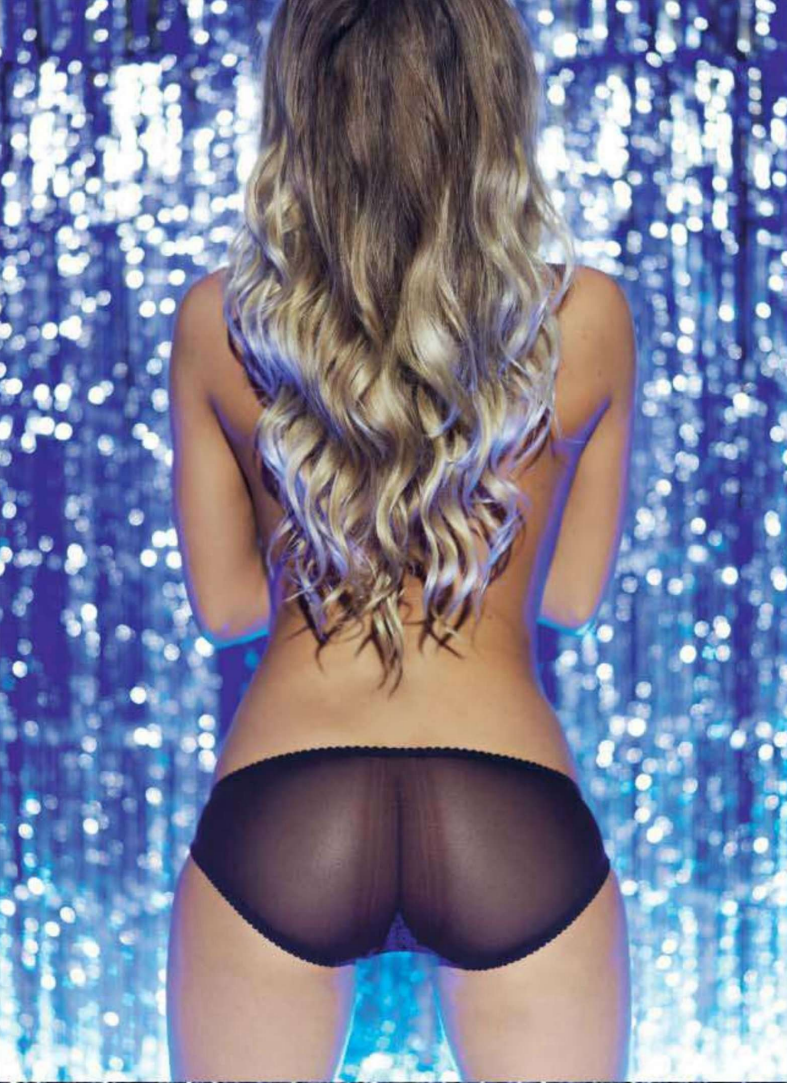

**Are you worried what people might think after you were on that *Sex, Lies & Rinsing Guys* show on Channel 4 about models “rinsing” blokes they meet on the internet?**

Ha! That show was called *Girls On Top* originally – nothing about rinsing! “Rinsing” is a completely made-up word, which became the focus of the show. Still, I’m pleased I did it and I don’t regret doing it. I know I’m going to get booed when I go into the house. I’m not a celebrity and so I’ve got to explain where I’m famous from, which is going to be controversial. Hopefully, people will see me for me.

**Nice one. Thanks for the chat, Danica. Finally then, what do you think are your chances of winning?**

I’d be really disappointed if I got voted out first, because I’d like to experience life in the house. I want to change it so us glamour girls are in there for a little bit longer. It’s a shame Pamela Anderson won’t be in there – she’s my favourite *Big Brother* contestant! ▶

**“Lucy Pinder  
is the sexiest  
BB housemate  
of all time!”**

# Rhian

**H**i Rhian! So what are you most worried about leaving behind when you're in the *BB* house?

I'm gonna miss my Sunday McDonald's when I'm hung over. I'll miss Nando's. Oh, and I'll miss my phone.

**Is there anything that will really annoy you in the house?**

Snorers and lack of food, in that order. I'm going to have to get earplugs because if I'm sleep deprived and starving you won't wanna be around me!

**What kind of a housemate do you think you'll be?**

I'm quite a nice person to live with. I love a moan – not that it means I want something done about it, I just like to voice my opinion on everything, and I'm not a burper or farter – I'm a girl, so we don't do that!

**Which housemate are you least looking forward to being with?**

Jasmine Lennard. We've got beef, even though we've never met! Apparently, I had a "thing" with a guy she was seeing. She was just like, "Stay away from him!" We just don't get on... but I'm going to try to be nice.

**Were you asked to go in so that you'd spill the beans of Vernon Kay's "sexting" antics?**

These are awkward questions, aren't they? Well, you'll have to tune in, won't you?

**Oh, don't worry, we will! If the sun comes out, will you be popping your boobs out?**

No! I've got some very small bikinis packed but that's as far as it will get, I think.

**Thanks, Rhian! Finally, who's the sexiest *BB* housemate ever?**

It's got to be Lucy Pinder. But I'm excited about Danica.

● Watch highlights of *Celebrity Big Brother* every night on Channel 5 ▶

**"I've got some very small bikinis packed!"**

This way for *BB*'s hottest ever babes!

"I LOVE PINDER!  
I'VE NEVER ACTUALLY  
BEEN INSIDE HER, BUT  
I HAVE RESTED IT ON  
HER ARSE CHEEKS!"

**LUCY PINDER** CBB6, 2009

Our very own Queen of Boobs cropped up as 2009's sexiest celebrity housemate. She might have been the first to exit, but that just meant she could get straight back into *Nuts*!

**NOIRIN KELLY** BB10, 2009

The tenth instalment of *Big Brother* was a smorgasbord of sexy girls – including breathtaking brunette Noirin here. We're also massive fans of her amazing Irish accent.

**IMOGEN THOMAS** BB7, 2006

We've made some good calls here at *Nuts* (even though we do say so ourselves), but signing up Imogen has been up there with the best! Long may our relationship continue!

**SOPHIE READE** BB10, 2009

The Cheshire cutie was crowned winner back in 2009, but has since gone on to blow our tiny minds with her regular *Nuts* appearances! Mario Balotelli, you are truly a wally!

## BB BABES TOPLESS

**CHANELLE HAYES** BB8, 2007

Wakefield's finest delighted us all with her first ever topless shoot in *Nuts* earlier this year, and she also runs her own cake shop. Best girlfriend ever.

**CORIN FORSHAW** BB11, 2010

Manchester lass Corin is one of the most recent additions to the "*Big Brother* Hall of Being Extremely Fit". Q: Does she have amazing boobs? A: Forshaw! ▶

**JENNIFER CLARK** BB9, 2008

You could be forgiven for thinking that lovely Jennifer looks a wee bit like Geordie pop songstress Cheryl Cole. Just as well, Jennifer, 'cos "we think ya goar-geas!"

**KATIA IVANOVA** CBB7, 2010

One we got the image of wrinkly Rolling Stone Ronnie Wood necking off with Katia out of our mind, watching cutie Katia in the 2010 house was a real pleasure!

**LOUISE CLIFFE** BB12, 2011

Louise recently married Jay McKray, who she met on *Big Brother* last year, so sadly for us she's now off the market. Thank goodness we still have these precious memories!

**RACHAEL WHITE** BB11, 2010

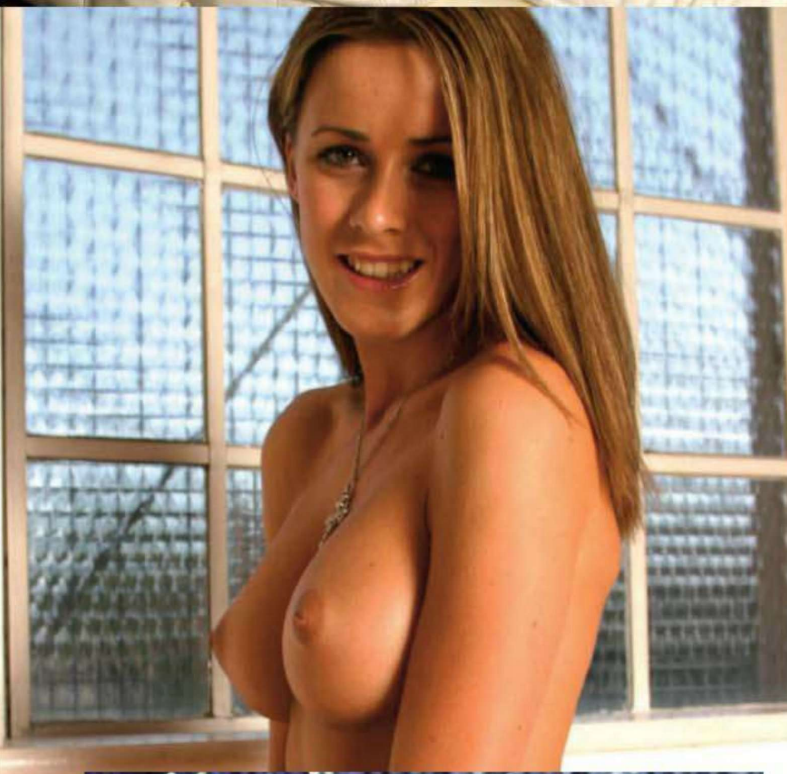

Once again, it's another hottie from the 2010 house! This time, it's the pro Beyoncé lookalike who, we're happy to report, did her first ever topless shoot in this very magazine!

## BB BABES TOPLESS

**DANIELLE LLOYD** CBB5, 2007

The 2007 celeb edition of BB was shrouded in controversy but no one can deny that one of the best things about it was being able to see Danielle knocking about in a bikini!

**NICOLA TAPPENDEN** CBB7, 2010

The model and singer used to work in asset management before hitting the big time. She's since done a sterling job of managing two very different assets. Ba-dum-tish!

**SASKIA HOWARD-CLARKE** BB6, 2005

Saskia was famous for having three boobs in her life: the two you see before you, and bozo boyfriend, Maxwell. Thankfully, she has now shed one of that trio.

## C4's 30 Greatest Comedy Shows

CHANNEL 4 • 9pm

Channel 4's Funny Fortnight has been a bit hit and miss. We've enjoyed the stand-up from the likes of Micky Flanagan but some of the one-off shows have frankly been a bit poor. So celebrate the good stuff here, like *The Inbetweeners* and *Father Ted*.

## Apollo 18

SKY MOVIES PREMIERE/HD • 10.10pm

Very silly combination of sci-fi and horror. There was no Apollo 18 in real life, of course, and this "found footage" chiller attempts to explain why, as a group of astronauts head to the moon, documenting everything on film as they go, and soon realising that they're not alone...

## Wild X Files

NAT GEO WILD/HD • 8pm

The subtitle of this show – "Bird Apocalypse" – may be going slightly over the top but when 5,000 blackbirds suddenly fall out of the sky, stone-dead, in one night in the US state of Arkansas, there's clearly something a bit weird going on. Also: are great white sharks getting more ferocious? We sure do hope so!

**SCOTT ADKINS:**

**“ME AND VAN  
DAMME ARE THE  
ASS-KICKING  
BAD GUYS!”**

Brit actor and stunt supreme Scott Adkins on his explosive role  
in the year's most awesome action flick – *The Expendables 2*!

**S**ylvester Stallone's Barney Ross and his band of mercenaries are out for revenge against Jean-

Claude Van Damme's high-kicking baddie Vilain for guaranteed kick-ass fun in *The Expendables 2*! Sly assembles a cast of action legends as Jason Statham, Jet Li, Terry Crews, Randy Couture and Dolph Lundgren return, joined by Arnold Schwarzenegger (he's "back" and he's badass!), Bruce Willis and old-school karate king Chuck Norris. It's gonna be epic! Stuntman Scott Adkins tells *Nuts* just what it was like on set.

**Hi Scott! Tell us how a Brummie goes on to have a crack at Hollywood stardom?**

It's all I've ever wanted to do. Everyone around me would tell me to choose another profession, but there wasn't anything else I wanted to do!

**What can you tell us about your role in *The Expendables 2*?**

I play Hector, Jean-Claude Van Damme's right-hand man. We have our own army somewhere in Eastern Europe. We're not mercenaries, we're more like ex-army guys who've moved into organised crime. We get tangled up with The Expendables, who are there to hunt us down, and we're more than willing to take them on!

**So it's just you and Jean-Claude kicking ass?**

Absolutely! Me and Van Damme are the ass-kicking bad guys, and the rest of our army are these faceless goons!

**Amazing! Did you have to bone up on your gun-toting skills?**

No, we've all done so much of it before that we just know what we're doing. It's a film

with all the action stars, so we come on set and know exactly what we're doing with the guns and the fights and stuff.

**So you do all the stunts yourselves?**

Pretty much, but sometimes you just can't do all your own stunts – you might be off shooting something else whilst the other unit is picking up some of the fight stuff with other people. It's inevitable that stunt doubles will be used,

but we do most of it ourselves.

**Was there any point during filming that any stunt scared you?**  
What I

found really unnerving was a scene we had to shoot where a helicopter lands right behind our heads and the blades are insanely close to us. They're real blades, and the power is blowing me and Jean-Claude

off our feet! It does cross your mind that you're about to have your head chopped off! Good fun though!

**What was it like working with Van Damme?**

He was an idol of mine growing up, but I've worked on a film with him before. I think that helped with the chemistry of our characters in this film. But to be on set with all these action icons there was just amazing.

**There must have been so many action heroes on set – who was the joker of the pack?**

Arnold Schwarzenegger's a really funny guy! He doesn't take himself too seriously, you know. He's gone off and done his politics and you get the feeling that he's really enjoying being back into movies. It just

goes to show how popular he still is.

**Has there ever been a point shooting a stunt where you've thought, "What am I playing at?"**  
I did a film called *El Gringo* where I have to blow up a car. I'm standing right next to it, sticking a rag into the petrol tank and setting fire to it, then I have to walk away without looking back. But there's an uneasy feeling knowing that the car is

stuffed with explosives! You start to think, "Hang on, who's pressing the button? Do I trust this guy?" But it's an action film, you're there and you just get on with it – even knowing a car could land on your head.

**What's the key to a really great fight scene?**

Good choreography is a must. If you don't film it right then no matter how good a fighter you are, it will look rubbish on screen. I see it time and time again in movies, and it can be the most disappointing thing ever if you're doing a fight but know it's not being filmed well. It's an art, and they do it best in Hong Kong.

**Ever fancied using your MMA skills to have a pop at UFC?**  
I never really fancied it as I knew that films were for me. If that was the road I wanted to take, I could've been good at it, but I won't sit here and tell you that I can do what the pro fighters do. It's a tough game! Also, you've not got to mind being punched in the face, and I'm far too vain for that!

**Finally then, did any of *The Expendables* struggle with your proud Brummie accent?**  
It's still there, isn't it? It was much stronger when I was younger and I've had to change it a bit to avoid any confusion. But, let's be honest, the accent doesn't do you many favours – even in England. I remember a poll they once did that said the Birmingham accent was voted the most stupid sounding. Ha-ha!

**CONFESSION OF THE WEEK!**

## 'I crept in wearing a towel'

**I RENTED** out two of my spare rooms over the Olympics and one of my lodgers, an American guy, was gorgeous. We soon started flirting as we watched the action on TV. One day, he announced that he was going for a shower and gave me a sly wink. I waited a few seconds, then unlatched the door and crept in wearing just a towel. He smiled and pulled me under the water. I got down on my knees and took him in my mouth. I was dying to have him inside me, so we snuck to my bedroom – grabbing a condom from his suitcase – and dived onto the bed. We stayed there all afternoon!

**Mary London**

## 'She felt my big boobs'

**ME AND** my best mate are models and we did loads of saucy shoots for the Olympics. In one, we were completely naked

except for medals around our necks. The male photographer was very sexy and made us both feel a little horny. In our dressing room afterwards, we removed our make-up and I couldn't help but notice how naturally gorgeous my friend was. All of a sudden,

she stepped towards me and cupped my face. We looked at each other, then she kissed me. Our tongues darted into each other's mouths and her hands grabbed my big boobs. I was so horny, I pushed my fingers between her legs and that's when I realised she was turned on, too. Sadly, our fun was interrupted by the lady from reception, who looked really embarrassed and rushed out. We just burst out laughing and got dressed, but I'm sure we'll explore a bit further next time.

**Emma Essex**

## 'I thought of him inside me'

**I WORK** at my local golf club as a barmaid and one night, I noticed a really hot guy giving me the eye. I went to clean his table and got in a muddle as he smiled at me. I knocked over a glass and spilt beer all over him. Blushing, I lead him into a back room to dry him off. I could feel his toned body through his shirt and noticed his bulge growing as I dabbed him dry. The thought of him inside me made me so hot. I unzipped his jeans, releasing his massive hard-on, and took him in my mouth. Then I rose from my knees and he took me against the wall. It felt so good and I struggled to keep the noise down. Needless to say, that guy sunk a hole in one that day!

**Nic via email**

## 'I got on top to ride him'

**A FEW** weeks ago, I had sex in a forest while my mate and her boyfriend were close by. We'd all gone out for a drive and had stopped in this clearing by some woods. After going for a walk, they seemed to disappear, leaving me with his friend. Me and this guy had met a few times before and obviously fancied each other, so I wasn't surprised when, after some awkward giggles, he pulled me in and kissed me. He was really passionate and one thing led to another until we ended up having sex. He lay on the ground and I got on top to ride him – I didn't want to get my clothes dirty! When we finally rejoined the others, we didn't tell them what we'd been up to, but I think they probably guessed by the state we were in!

# 10 RUDE QUESTIONS!

And a real girl to answer them!

## Natalie

26 Bradford

### 1 Where's the strangest place you've had sex?

"It was after a beach party. We'd had a bit too much to drink and went skinny dipping. One thing led to another and the next thing I knew, we were doing it on the beach, doggy style!"

### 2 What's your trademark move in the bedroom?

"It has to be doggy style. I love it when a man takes control – there's something so naughty about being bent over and given a good, hard seeing to!"

### 3 What turns you on?

"Being kissed on the inner thigh gets me every single time."

### 4 What's your favourite position?

"You've probably gathered by now that it's doggy style. Ha-ha!"

### 5 Is it better to give or receive?

"Definitely receive. I once let a guy go down on me for two whole hours and it was amazing. I orgasmed about four times and was shaking! All guys should do that if they want to get in my good books!"

### 6 What would you really like to try but haven't?

"Sex behind a waterfall sounds so sensual – like something from a movie. I doubt it'll ever happen though because I don't know of any decent waterfalls in the UK. If any one fancies taking me to Niagara Falls, I'm there like a shot!"

### 7 Ever got it on with another girl?

"No. It's not my thing – sorry to disappoint you. But it leaves more for the boys!"

### 8 What's your role-play costume of choice?

"It's got to be my sexy police officer outfit. I love a bit of role-play. I'm the dominant police officer and you're my prisoner who has to do everything I say... or else!"

### 9 Have you ever made a sex tape?

"Not yet but I wouldn't rule it out. You never know. Find me a waterfall and I'll think about it. Ha-ha!"

### 10 What's the rudest thing you've done?

"I can't single out one rude thing as I'm really quite naughty, but I'm an expert at sex talk. There's nothing like a bit of filth!"

"I'm an expert at sex talk – I love a bit of filth!"

**THE OLYMPICS** may have provided us with a vague distraction from the lack of football (because let's face it, all that Team GB nonsense doesn't really count) but thankfully, there's been the constant back-and-forth of the transfer market to keep us entertained, with some big money deals going down in the last few weeks. Our man with an eye for a bargain, Paul Merson, gives *Nuts* his best deals...

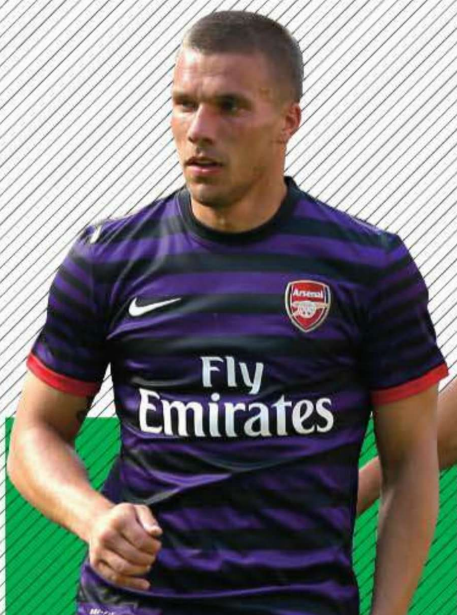

### ROBIN VAN PERSIE

ARSENAL TO MAN UNITED **E24M**

"This will be good for the Premier League. With Van Persie at United, it's 'game on' again. Without him, I think United would've been a little short. I doubt if he'll have another season like he did last season (44 goals in 57 games for club and country) - he surely can't be that good again - but him and Wayne Rooney up front? Now that's a force to be reckoned with!"

PHOTOS: ACTION IMAGES

**LUKAS PODOLSKI**COLOGNE TO ARSENAL **£11M**

"A snip at that price. He comes with a huge reputation, he'll score you goals and he's got a great left foot.

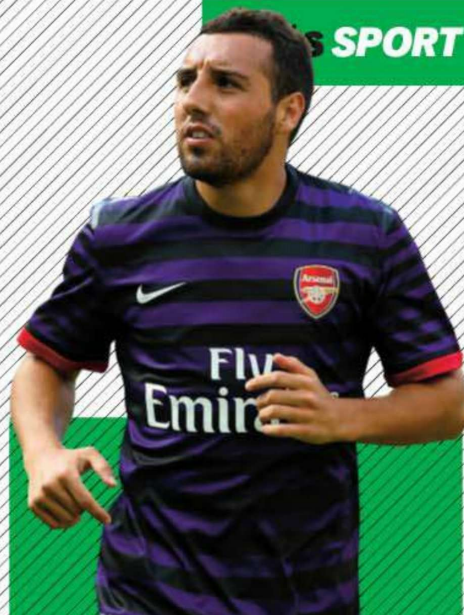

For a 27-year-old, the amount of experience he has is quite remarkable – he's played 101 internationals.

When push comes to shove, anyone can see that he's not Robin van Persie but he won't let Arsenal down.

A very good buy."

**JAN VERTONGHEN**AJAX TO SPURS **£10M**

"A good left-footer, the Belgian centre-half will probably go straight into the starting 11 and the way that Tottenham play, I back him to nick a goal or two. For a defender, he likes to get forward – he scored eight goals in 31 league games for Ajax last season. Him and Sigurdsson, for the amount laid out for the pair, are seriously good buys."

**SANTI CAZORLA**MALAGA TO ARSENAL **£15M**

"This lad is a good player. I have to admit that it surprises me that Wenger is shelling out £15m for a 27-year-old, but he's an experienced international and a quality winger, good on the ball and always looking to get a lot of time on the ball, too. He makes things happen. I like this lad a lot. I honestly think Wenger has had a right touch getting him right at this moment."

**JUNIOR HOILETT**BLACKBURN TO QPR **UNDISCLOSED**

"The price may not have been set yet by tribunal but he'll be a good buy.

He played very well last season in a team that was pretty poor otherwise. No disrespect to QPR, but I thought he might even have aimed higher.

But thanks to signings like this, QPR are going to be comfortably safe.

No way will they be in the situation they were last season."

**GYLFI SIGURDSSON**HOFFENHEIM TO SPURS **£8M**

"I thought he'd have followed Brendan Rodgers to Liverpool. Either way, he's a very good player – Modric looks like he's bound for Real Madrid and Gylfi plays the number 10 role very well. On a big pitch like Tottenham's, if you get the ball to him, he'll hurt people. And £8m in this day and age is nothing. He can play under no pressure so if it doesn't work out, the bank hasn't been broken."

**MERSE'S  
STAR  
BARGAIN!****PARK JI-SUNG**MAN UNITED TO QPR **UNDISCLOSED**

"I can't believe none of the top six bought this lad. He's a great, great player who always delivered in the big games for Man United. He's a massive signing – he's got loads of energy and intelligence. You tell him to do a job and he'll do it. QPR got a steal with him, and the rumoured fee, about £5m, is a pittance. Why didn't Arsenal go for him?"

**The captain should always be playing!**

I WAS at Liverpool's training ground on the day of the England vs Italy game, visiting Brendan Rodgers. I ran into Steven Gerrard and asked him what he was doing there. Shouldn't he have been in Switzerland for the game? He explained that Roy was trying all the youngsters, with Frank Lampard as captain.

Now, I'm all for giving the youngsters a go but, surely, you want your team captain to be playing? You have to have a structure. If you're going to try to put together the pieces of a jigsaw, the captain should be the first piece you lay down. Having said that, what a great game. A meaningless friendly but it sure was entertaining!

## Follow the Olympians!

**Our Premier League footballers could learn a lot from London 2012**

➔ **ROY HODGSON** has come out and said that our footballers and fans could learn a lot from the Olympics, and I have to say that I agree with him. Football has changed. Even with the advent of Twitter, footballers are less accessible than ever. In my day, you were accessible to the fans, who, in turn, identified with you. Now, there seems to be an "us and them" situation – not with

everybody, I should add – where players behave as if they're above and beyond the supporters.

When I look at how hard our Olympians work and how happy they are to do interviews, it makes me wonder why, when I ring up a footballer to appear on my Sunday morning show, they can't be bothered to be up and on air by 11am. And it's nigh on impossible for a football fan to get a photo or autograph from their hero.

To be fair, a lot of players are different once you get past the inevitable small army of agents, but the public's perception is that a lot of them just don't care. You see Olympic athletes getting incredibly emotional, in both victory and defeat, and then you see footballers smiling and laughing as they climb into their flash cars after a defeat. It's not really difficult to see which one a sports fan will relate to the most, is it?

**UNBELIEVABLY GOOD!**

**VAN'S THE MAN**  
 Robin van Persie is a great coup for Man United. Now Sir Alex's boys are as strong as City up front, and that could tilt the balance of power back in their favour.

**UNBELIEVABLY BAD!**

**I FEEL FOR FAB**  
 I'm so sorry for Fabrice Muamba having to retire. He was determined to prove everyone wrong, but if it happened again... It doesn't bear thinking about.

**I don't predict!**

I WAS asked by *The Sun* to predict Championship scores, but anybody who knows me knows I never make predictions. Unlike my mate Merse in the studio, I have to go to all the grounds and fans don't want to hear that their team will be relegated before a ball has even been kicked from someone like me! No predictions – end of!

"Do you want to go large for an extra 50p?"

**THE BIG MATCH!**

"Ooh, orange stripes! Nice"

## Liverpool vs Man City

26 AUGUST, 4PM •  
 Sky Sports 1/HD

At this early stage, Brendan Rodgers will want to stifle City and prevent them from playing. I don't imagine there will be a lot of chances, so City will have to take them if they want to come away with anything other than a draw.

**PREDICTION: 1-1**

## Key man

Joe Allen. A lot of Liverpool fans aren't sure why they paid so much for him, so this is his chance to show them.
