Prince Harry's Celebrity Kama Sutra special!

Inspired by our
favourite royal's
newsy antics!

IT SEEMED impossible, but Prince Harry managed to climb further in our esteem, after filling his Las Vegas hotel penthouse with a hot troupe of American hen-nighters and playing a round of strip pool with them, that everyone won/lost. So, in homage to his legendary status, we've commissioned a Celebrity Kama Sutra special, featuring the ace royal. All totally imaginary scenarios, obviously!

Harry's method
of chalking his
cue was unique

The Vegas pool party!

After losing the easiest strip-pool game of all time (by starting with just a pair of board shorts), Harry pots the pink!

HARRY'S HEADLINES!

Harry plum made our week with his brilliant, naked Vegas party shenanigans!

It was the "at the gun" form of contraception

The Usain Bolt!

Harry famously beat Usain in a 100m sprint earlier this year – maybe he celebrated with an alternative "To di world" salute!

Admittedly, there were easier ways to secure an OBE

The balcony wave!

Harry would liven up those staid Buckingham Palace wavy PR stunts. And imagine the roar he'd get from the crowd!

Two more minutes and he would bail out

The Apache pilot!

By day, Harry's a crack helicopter pilot. But off duty, who would blame him for earning his "alternative" Apache wings?

Harry entered the final chukka on a surprise mount

The polo chukka!

The best way to celebrate a game of posh football would be to get a nice lady in the saddle and ride her to victory!

Prince of whales!

Humpback says "Morning!" to startled seafarers

➔ **WE HERE** at Nuts have been whale watching.

It consists of staring at a bit of water for half an hour, then seeing a huge tail buggering off into the murky depths. Unless, of course, you live in San Luis Obispo, California where a pod of humpback whales did everything bar clamber onto the boats' decks and throw gang signs.

The 16-metre long, 30-tonne aquatic beasts hit up the area to chow down on the millions of sardines that congregate in the bay. They eat them in "bait balls", scoffing hundreds of fish in one gulp. Like a sea-based Vanessa Feltz, basically.

WORDS: JESSIE BUCKLE PHOTO: WILLIAM BOUTON

'Don't worry, Jonah, what's the worst that can... Oh bugger!'

"Found you! Now
you count to ten
and I'll hide!"

Humpback whales: the facts...

- That tongue you can see there weighs just under half a tonne.
- The lumps on its head and jaw area are called tubercles and are actually hair follicles.
- An adult humpback's two lungs, each the size of a small car, are emptied and refilled in less than two seconds.
- A 1.5-tonne suckling calf consumes up to 240 litres of milk a day.
- Before whaling, humpback populations were thought to be around 125,000. By 1966, when hunting was banned, they'd dwindled to around 500.

"Look, I'm all the colours of the rainbow!"

EXCLUSIVE!

It's holiday Holly!

Geordie Shore gal drinks Ibiza dry!

NOW WE'RE not saying that Holly Hagan

likes a tippie, but we did hear that when Café Mambo, DC10 and Pacha heard she was heading to Ibiza, they did call the mainland and order an emergency airlift of alcohol. In fact, just out of shot is one of those firefighting helicopters, with a tank full of WKD, about to douse the pool area with booze. Just kidding, Holly! Although save a glass for us, hon.

"Urgh, I trod on a snail!"

BREAST FRIENDS!

On hols in Cancun, Holly and Rebecca Walker bonded over a mutual love of each other's boobs!

"My arm's getting tired, can someone take over for a bit?"

"Luckily, I brought my own flotation aids!"

Hi Holly! Last time you were in *Nuts*, you had your boobs out for the first time. How's it been since?

It's been amazing! I was a tiny bit nervous, because I think every girl is a little bit hung up on how she looks, but I got nothing but positive feedback. It turned me into a little bit of a sex symbol, which I've never really been before.

What was the reaction from your *Geordie Shore* chums?

Charlotte was the first one to go out and buy it – she was up at 7am and straight down the shops. I think she bought about five copies! All the boys love *Nuts* and were really impressed by how I looked.

So can we look forward to another topless shoot any time soon?

Yes, absolutely! I'm counting down the days until my next *Nuts* shoot. It was one of my lifetime ambitions to be on the cover of a men's mag, and in all honesty, there's no other mag I'd rather it be than this one!

50mph slacklining stunt!

**Stuntwoman walks across
two moving trucks!**

WORKING FOR
Volvo Trucks is, well, it's no *Nuts* magazine. So fair play to the big rig-makers, who decided to promote their nice lorries by getting stuntwoman of questionable sanity Faith Dickey to slackline between two FH Trucks. At around 50mph. Did she complete her trip? Hey, watch the vid to find out. Hint: Volvo are not currently litigants in an awful, protracted personal injury lawsuit.

"Time out!
Wee-wee stop!"

"It's fun to stay
at the... Y-M-C-A!"

"Damn! Dropped
my keys!"

"Er, are those
tunnels? Guys,
tunnels. Tunnels!"

Woman on a wire!

Hi Faith! Are you totally flipping mental? No one has ever done this before and I understand why! I've taken slacklining challenges that were both higher and longer, but I've never walked between two moving objects. This is something completely different!

No kidding! Talk us through the experience.

Normally the slackliner creates the movement in the line, but here the movement was created by the trucks. The drivers had to maintain the exact same distance at the exact same speed throughout the entire stunt, otherwise the line would slacken or twist. Another challenge was the road. Every time the trucks hit just a tiny bump in the road it made the line shake.

It looked a bit windy, too!

Apart from the fact that the location was extremely windy, there were slipstreams to contend with and the trucks created a powerful wind tunnel between them. It was almost impossible to imagine how strong the wind was on the line when the trucks came up to speed. It was brutal!

A quick word with the stars of *The Watch*!

Richard Ayoade, Ben Stiller, Vince Vaughn and Jonah Hill natter to *Nuts*!

So Richard, what the bloomin' 'eck are you doing here?

Richard Ayoade: I know! This is just ridiculous.

Vince Vaughn: Is he in the room?

Jonah Hill: I'm a big fan of Richard's. He was the first person I met when I went to England, because I was a big fan of Garth Marengi's *Darkplace*. When Michael Cera and I were promoting *Superbad*, Richard was the first person we met off the plane. He took us to a club. We were young!

Richard, was it terrifying on your first day on set with these guys?

Richard Ayoade: It was quite strange. My wife said that it looks like I've won a competition to be in a film with movie stars and that's

sort of what it felt like. I've never been in a film, really, so it was just very odd.

Ben Stiller: I don't think we were aware of that.

Richard Ayoade: You became aware of it.

What made you want to get into the US market and go all Hollywood?

Richard Ayoade: I was honestly just a fan of everyone who was involved and had been for a long time, and I thought I should agree before they realised that they'd made a mistake.

Did they take the mickey out of your Britishness? Because you are very British.

Richard Ayoade: I don't know, particularly. Not really.

Ben Stiller: I think it was refreshing. We liked it. He's such a polite guy. But he's got this devilish sense of humour. I really enjoy hanging out with Richard.

Jonah Hill: But he's the most British person I have ever met though, you can say that.

Vince Vaughn: I can't say that, but he is funny as sh*t though. He'll save it and then he'll hit you with it!

If aliens did come down and were actually living among us, like they do in the film, how would you handle yourself?
Richard Ayoade: Admirably.

JONAH HILL

"Richard Ayoade is funny as sh*t!"
Vince Vaughn

That's my answer. It would really depend on what they were up to. I would assess it on a case-by-case basis. I'm not formulating a general plan now – that would be ridiculous. I'd wait until they came, look at the situation and respond accordingly. This isn't the forum to lay out my manifesto as to what I would do in the event of an alien invasion.

Ben Stiller: You should be careful, because you're going to be on record.

Richard Ayoade: I'm going to keep an open mind and respond according to what

the situation dictates.

Ben Stiller: Good. That's what I'm doing, too.

Jonah Hill: Wait... those weren't real aliens?

Vince Vaughn: Yes, they were.

Jonah Hill: They were? Good.

Vince Vaughn: I don't know. I've never had any experiences or seen anything, but I guess the possibility is always out there, for sure. Mars just looks like the South-West [of America], is what they are saying now.

Jonah Hill: I just don't ever think about it. I have enough stuff to think about on Earth.

WATCH THIS SPACE!

The Watch is co-written by funnyman Seth Rogen, who also wrote *Superbad*.

BEN STILLER

RICHARD AYOADE

VINCE VAUGHN

"Guys, I know I said, 'Let's go bowling together,' but..."

Was there a lot of improvising in *The Watch*? How did you find that, Richard?

Richard Ayoade: There was quite a bit of improvising. Everyone was really good at it. In those things, I generally just watched and tried to not laugh.

Was the decision to be a British character in the film because you can't do a convincing American accent?

Richard Ayoade: That's part of it, yes. That's a large part of the decision. Otherwise it would have just been me doing an impression of a generalised

American accent which would have been heinous and unacceptable. So there was a pre-emptive strike.

Fair enough. Did you guys do your own stunts in the movie?

Ben Stiller: I did a couple.

Richard Ayoade: No, is the answer for me. I didn't do any of them. None.

Ben Stiller: I did the running. But not the real stuff.

Richard Ayoade: He was pretty fast.

Ben Stiller: I'm short and fast, in short and fast bursts. I'm in my late-to-mid-40s

now, so I would say for 20 yards I can turn it on.

These characters you play join their local neighbourhood watch scheme just so they can hang out together. Have you ever joined a club in your life?

Vince Vaughn: I have never been a big joiner of clubs, no. When I was young, I was put in the Boy Scouts and that lasted for... I got one badge and that was it.

Jonah Hill: Just one badge?

Vince Vaughn: I got one.

Jonah Hill: For what?

Vince Vaughn: Tenderfoot. The

Tenderfoot – is that the first one you get?

Jonah Hill: What is it?

Vince Vaughn: I don't really remember. We had to make some stuff up. I was never a big club guy.

Thanks for the chat, guys.

Finally, Jonah, did Vince and Ben treat you any differently after the Oscar nomination for *Moneyball*?

Jonah Hill: No, they just beat me horribly. With sticks.

Bonkers one off McLaren!

Minted customer orders bespoke supercar

- Does the thought of a £176,000, 616bhp, 204mph McLaren MP4-12C supercar leave you yearning for something more, well, unique? There is an answer. The brilliantly named McLaren Special Operations (MSO) department will knock this up for you. The X-1.
- Only they won't, because this is a total one-off bespoke car, based on the company's incredible MP4-12C, but covered with a completely new carbon fibre bodyshell.
- Almost everything is carbon, down to the mounts for the rear number-plate light. And it's all painstakingly handmade, down to the the nickel-plated billet aluminium airbrake rear wing, side trim and diamond-turned wheels. Even the X-1's lights are true one-offs. The main body is bare carbon, while the side shoulders are lacquered in high-gloss piano black.
- Don't mistake the X-1 for a museum piece. It's a fully road-legal car that McLaren put through high-speed track tests to ensure it wouldn't fall apart. The project has taken almost three years to complete.
- The shape and design is influenced by everything from the 1930s Art Deco period to Airstream caravans, Mont Blanc fountain pens and a cluster of classic cars including a 1962 Facel Vega, 1959 Buick Electra and 1936 Mercedes 540K.
- No one knows how this extraordinarily mad X-1 performs compared to the standard 204mph MP4-12C – we estimate a 3.4sec 0-62mph and a top speed of over 200mph – but there's no doubting the quality. If you want to get something like this for yourself, budget for at least £600,000. At least.

Plus! Man makes Lambo!

So, £600,000 will get you a bespoke McLaren. Or you can do what one chap in Suqian, Jiangsu Province, China did and make your own Lambo Aventador out of scrap. Squint and it looks almost *exactly* the same as the £253,000 hypercar!

Cockneys Vs Zombies first review

Nuts gets a world-exclusive first look at the Brit horror movie!

HITTING CINEMAS
this Friday is the ace zombie spoof *Cockneys Vs Zombies*, where **flesh-eating fiends** invade the East End of London. Nuts was the first magazine to see it. Here's what we think...

What happens?

Unlucky builders uncover a spooky crypt teeming with zombies, but the undead man-munchers hadn't reckoned on retired gangster Alan Ford (Brick Top from *Snatch*) and

his tasty firm of OAPs. The wrinklies tool up, mounting Uzis on Zimmer frames, while hot ex-*EastEnders* Michelle Ryan gets busy with her sawn-off!

Best gag!

"A Trafalgar is a zombie. It's rhyming slang, innit? Trafalgar Square: fox and hare. Hairy Greek: five-day-week. Week and feeble: pins and needles. Needle and stitch: Abercrombie & Fitch. Abercrombie: zombie! Geddit?"

"Um... a nine and a half, I'd say"

"Christ, that was a helluva night"

"Be honest, will I ever play the saxophone again?"

"Right, who says we can't watch *Songs Of Praise*?"

Verdict!

It's bursting with comedy carnage and awesome decapitations, so get ready for death by spade, Samurai sword and a grenade in the mouth! Lovers of gruesome gore are in for a treat! ★★★★★

Army Of Two: The Devil's Cartel first look!

Shooty sequel announced.
We give it a fist bump!

➔ MIX A quart of testosterone with a pint of bull's semen, shout at it for ten minutes while bare-chest-bumping a mate and, hey presto, you've got an *Army Of Two* game!

We're fairly sure that's what publisher EA has done for the *The Devil's Cartel*, the third *Army Of Two* title and **probably the loudest thing ever to scream out of a console.** We'll find out next year. For that is when it is out.

"Wow! I love your new torch!"

MORE CUSTOMISABLE!

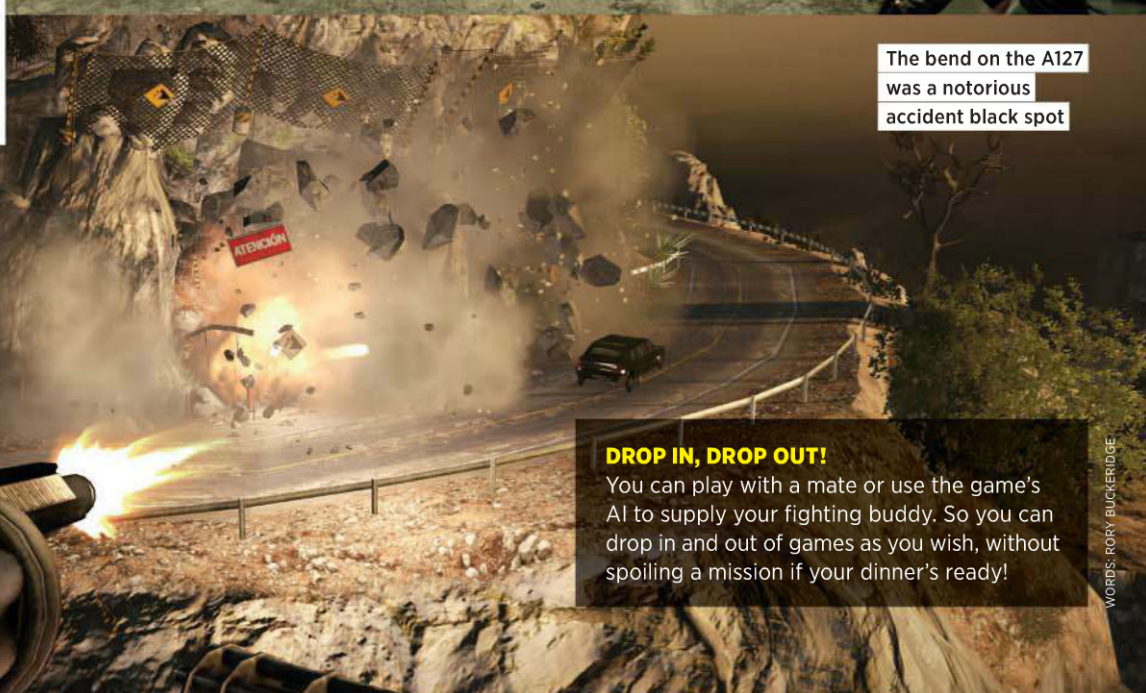

Everything from your character's mask artwork to the weapons you tote can be tweaked to the tiniest degree. Earn big money on your missions and you reinvest it in your guns.

A NEW TWO!

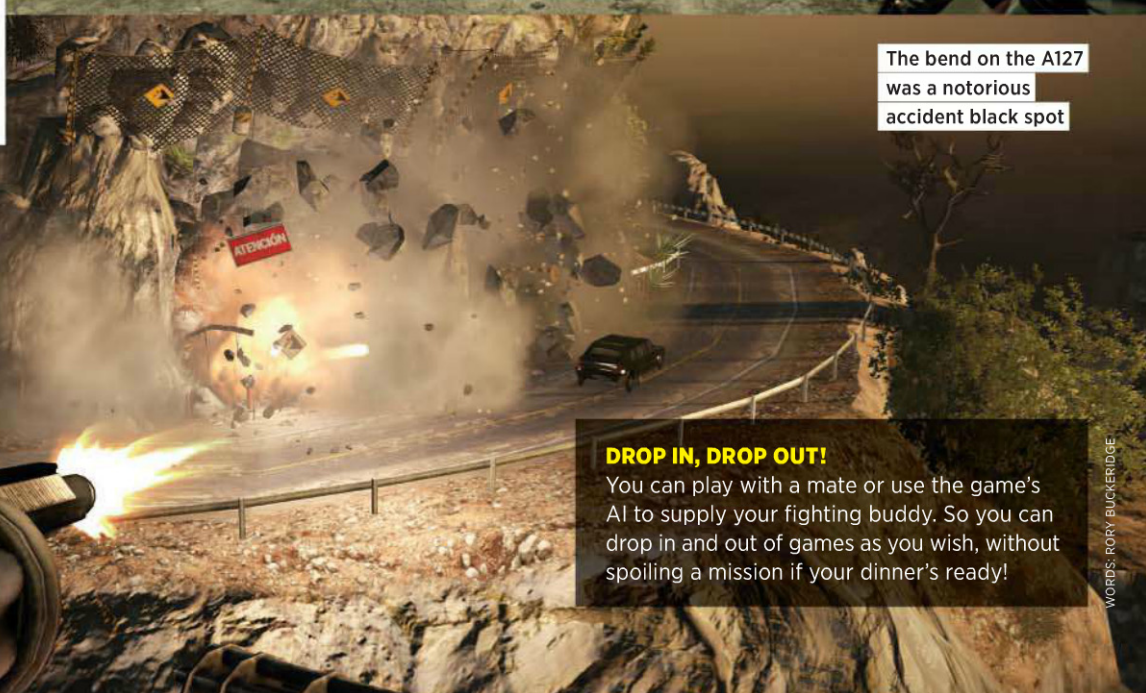

The swears, fist-bumping mercenaries have been replaced by anonymous troopers Alpha and Bravo, and their missions are more realistic and less bombastic this time.

'They cut my arm open on both sides!'

Footy foul leads to arm agony!

➔ **IT'S AMAZING** to think that this stomach-churning sight was a result of football. The limb belongs to Welsh welder Dean Lawrence.

"I was through on goal but the defender pulled me down and I fell on my left arm," Dean explains. "I had

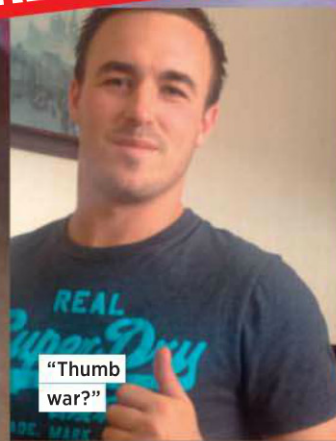

a double fracture and had to go to hospital straight away."

Even after two metal plates were inserted into his arm, Dean's trauma still wasn't over. He adds, "That same night I couldn't sleep. My arm was screaming in pain. I went back to the hospital and they diagnosed me with

compartment syndrome [damaged nerves leading to internal swelling]. They had to cut my arm open on both sides and drain the fluid. It was like this for two weeks."

Dean is well on the mend now, but we sincerely hope he isn't planning on playing in goal any time soon.

SEX ADVICE FROM A FIT LESBIAN!

Her pubes put me off!

How can I persuade my lass to go "fully shaven" in a nice way? Her pubes really put me off!

KEVIN via email

The best way to get a girl looking after herself is to take her on holiday. When the bikini's out, the hair will disappear like magic! Or, tell her your mate's dared you to go for a wax. You'll receive the same pain you plan to put her through!

I can't stop spying!

LETTER OF THE WEEK!

She's a virgin!

I've started seeing a girl from work and she's amazing, but she's only just admitted that she's a virgin. How should I go about approaching the subject of sex?

ANON via email

I agree it's a hard subject to talk about without feeling you're putting pressure on her. Is she religious? Or is she looking for the "perfect" man? If she is religious, you may have to assess if the relationship will work. If she's trying to find the perfect man, you must make her feel comfortable. At the end of the day, if she wants to sleep with you, it will happen. No need to rush!

may cause an argument. When someone in a relationship begins to feel paranoid, you'll find your bond starts to break. Reset her password – everyone

is always hacking into other people's accounts these days, so you'll get away with it! Do not do it again. Blame yourself once, then move on.

Sex drought bothers me!

I'm bricking myself about going back into my second year at uni because I got no sex at all last year. My housemates seem to do alright. What am I doing wrong?

DICKIE via email

Dickie, all boys lie about how many people they've slept with at uni. You're not missing out. Promiscuous uni sex isn't classy. Why not upgrade and find a real woman? Go for gold! Where's the Olympian in you? Besides, it's not all about sex – concentrate on your degree! Or join a sports team – girls will be falling on your c*ck!

- If you've got something to ask Danni, just email her at thelesbian@nutsmagazine.co.uk or write to her at the usual address on p64.

DOM

JOLY!

The TV funnyman on his new Saturday night show, pranks and filling Harry Hill's shoes...

His Bananaman
tribute act wasn't
a success

Hi Dom! Tell us about your new show... *Fool Britannia* is a new hidden camera show. I haven't done one for ten years since *Trigger*

Happy TV [his old telly show], but recently I started to come up with new ideas and so I took them to ITV and they were really keen. I've got my hunger for hidden camera stunts again. The concept behind *Fool Britannia* is you're not safe anywhere in Britain or even abroad. We even go to Benidorm with our hidden cameras to trick people there, too!

Can we expect to see some new regular characters?

Yes, definitely. In each of the eight episodes, there are four regular characters, including an asbo vicar who can't help but push old ladies off a bridge, a jolly butcher who's got weird things going on at the back of his shop and a health-and-safety man who annoys everyone. I've then got one-off characters in each of the shows, too, including a man who parks his caravan in places where you shouldn't.

***Fool Britannia* is replacing *Harry Hill's TV Burp* in the Saturday evening schedules. How does it feel to be stepping into Harry's shoes?**

If I can be half as good as Harry Hill, then I'll be happy. I'm a huge fan and I really like his surrealist humour. Getting an evening slot on Saturday nights is golden and I'm just so pleased that I've been given the chance.

Can we expect to see some celebrity pranks, too?

No. I feel celebrities have been pranked to bits. In *Trigger Happy TV*, we used a lot of celebrities but this time there are none at all. It's more silly humour, really. I'm a bit bored of celebrities, to be honest.

How elaborate do the stunts get?

Some of them get very elaborate! With *Trigger Happy TV*, we just had one shot with one camera, but this time we've got cameras hidden in prams and in all sorts of different places. Sometimes, we had to get a woman to stand by the cameraman to make it look as though they're

doting on their baby – when really there's a camera inside it!

What standout moments should we look forward to?

My current favourite moments are scenes with the town crier. He wanders around and just chats to people and if he gets anything personal, he notes it and then tells everybody really loudly! People are totally bemused by him. I love it.

Did you ever get into any trouble during filming any of the pranks?

Yes, there have been a couple of issues! On one occasion, we filmed a stunt and when we went to get the people to sign a consent form afterwards, the woman refused. She wasn't keen to sign because she was having an affair! She told us, 'I do have a sense of humour but he is not my husband.'

Did anybody get really annoyed and threaten you or the crew?

In one stunt, the Vicar picks up a busker's guitar, smashes it up and says, "Not in my village!" The man replied, "You can't do that. If you weren't wearing a dog collar, I would punch you in the face." I was glad I was wearing a dog collar!

What sort of reaction do you think people will give you when they see it – aren't people going to be very wary of you now?

I would be wary of me! I've done a lot more prosthetics this time around and I've spent around two hours in make-up every day. But I do think that once this goes out, it will be more difficult to do the same characters in another series. But that's fine, we'll just have to think up new characters.

Thanks for the chat, Dom. Finally, has anybody ever tried to play a prank on you?

No, I always spot one very early on! Some people have come up to me and said, "Hello!" really loudly but I'm normally quite grumpy and ask them how they would like to be shouted out. But as for pranks, I'm good at spotting them! ✕

● *Fool Britannia* kicks off on Saturday 1 September on ITV1/HD at 6.55pm.

Joly's brand new faces!

ASBO VICAR!

This man of the cloth does some pretty unholy things to his flock, like pushing grannies over and swearing at people.

BONKERS BOUNCER!

Dom's dodgy doorman makes life difficult for people trying to get into the tamest of venues like bingo halls and kiddies parties.

PARK LIFEGUARD!

This potty park protector enforces rules like "no heavy petting" for kissing couples, and "no diving" for five-a-side footballers!

HEALTH AND SAFETY!

This official meddles with everyday things like coffee temperature – much to the annoyance of the general public!

JOLLY BUTCHER!

Once this man of meat goes into his backroom, he fools customers by making the most horrific slaughter noises.

BADLY PLACED PRICE TAGS!

Think twice about where you're slapping that sticker!

Offer ends 23/07/2004

BUM DEAL!

To be honest, there are some places we'd rather not pop a plaster on.

ELF 'N' SAFETY!

They may look sweet and innocent but really they're a menace to society.

DIRTY DROPS!

Next time the doc says he's putting a "wee drop" in your ear, run a mile.

FILTHY FLICK!

Actually, this version of the 1991 movie *Class Action* sounds far more appealing.

COCK-UP!

Frankly, we'd rather stick to a few pints in the pub and a Chinese takeaway.

WORDS: SI CUNNINGHAM
ILLUSTRATION: MARK PETTY AT MARK@PARKGRANDE.CO.UK

POOR POOCH!

Now, we do love our hot dogs, but this is taking things way too far.

RUDE READ!

We always said the countryside version of *The Wire* was a bad idea.

FREE WILLY!

Whoever placed this sticker needs to stand up and take a bow. Top work.

RAUNCY PONCHO!

Put this on next time it rains at a festival. That'll really impress the girls.

SMELLY GAME!

This gives "going for a Jimmy White" a whole new meaning. ✖

89 BIANCA HENRY
She's blonde! She's from Birmingham! She's got breathtaking boobs! The lovely Bianca was always destined to get your votes.

ILLUSTRATION: JACKSON ALVES

87 TIFFANY WHITEMAN

Birmingham has given the nation some great things to be proud of, and they can add *Nuts* babe Tiffany to that list.

86 CHLOE GOODMAN

We think Page 3 regular Chloe should change her name from "Goodman" to "Greatboobs". It'd be far more fitting!

85 KATIE GREEN

It wouldn't be a list of boobly babes without the former, er, face of Wonderbra, would it? Cue curvy cutie Katie here!

84 DANNIE ASTON

Brighton belle Dannie is a true blonde bombshell. She likes playing guitar, singing and "partying too damn hard". Our kind of girl!

82 SAM KELLETT

The Chesterfield gal has some seriously pretty peepers, but even they can't distract us from her awesome assets when her top comes off!

81 DAISY WATTS

Daisy became a model because her best mate Rosie Jones persuaded her to take it up. And that's a true fact. Thanks, Rosie!

80 KAT GIBBS

The Cambridge cutie is also studying business. So not only is she beautiful, she's also very bright. Definitely our kind of woman!

79 BADURA TWINS

The lovely Klaudia and Laura come from Poland originally but have now settled in Yorkshire. "By 'eck!" as they say (in Yorkshire).

77 MARIA FOWLER

Never mind *The Only Way Is Essex*, the Home Counties hottie often decides that "the only way is topless". For that, we thank her.

76 SUZY H

Nuts Real Girl Suzy was a firm fave with those of our readers who love the sexy, sultry look, and frankly, who can blame you?

75 NICKIE HEDGER

They say Blackpool is the "fun capital" of the UK... Well, with residents like the gorgeous Nickie here, we're sure it is!

74 MORGAN LEES

You may remember Morgan from Channel 5's *The Bachelor*. Or you might remember her from her *Nuts* topless shoot. You choose!

83 DANNI KING

We'd love to take Danni on a date to Burger King, then have a King-size Twix and then listen to Elvis, aka The King. But that's just us.

78 BECKY ROBERTS

Becky once did a photo shoot involving beans, porridge, syrup and treacle. And it wasn't for a cookery website!

73 ELLE RICHIE

Bristol's finest Elle is a *Nuts* favourite, having cropped up in Bedroom Babes and Ten Rude Questions. We're still blushing from the latter!

72 NICOLE NEAL

From student to Next Top Model to cover shoot to here in your top 100, Nicole's rise through the *Nuts* ranks has been meteoric. ►

**71 JENNY NELSON**

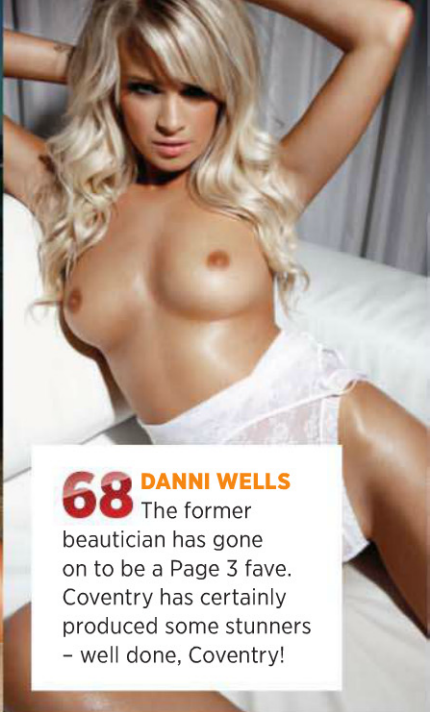

Jenny says her ideal night out would involve "curry and then doing something naughty". Hope she doesn't mean leaving without paying!

She did her first ever topless shoot for *Nuts* this year, so well done for including the former *Big Bro* babe in your top 100.

**69 TINA HIGGINSON**

The 24-year-old brunette originally got your vote to be one of our famous Bedroom Babes. You sure have good taste.

**68 DANNI WELLS**

The former beautician has gone on to be a Page 3 fave. Coventry has certainly produced some stunners – well done, Coventry!

**66 EMMA BRADLEY**

Emma is from Gloucester, a place renowned for its stunning scenery. Here, we have the compelling evidence.

**65 SAMMIE JO**

Sammie here is trained in ballet, tap and jazz. She didn't need training in "Being Damn Hot", though! That comes naturally, we think.

**64 ALICE SEY**

We're not sure what Alice "Sey", but we say a very big "Yes!" to you lot voting her as one of our 100 topless babes. Strong work!

**63 KIERA SWEENEY**

Kiera is a rapper from Devon, to us this sounds like heaven. (We hope our little ditty impressed her. It's all we've got.)

**61 AMBER ALLEN**

Amber is a fan of Birmingham City. They aren't in the Premier League for football any more, but she's in the premier league of boobs!

**60 EMILY SHAW**

Emily is a former runner-up in the Page 3 Idol competition – but as you can see, there's nothing second-rate about her boobies.

**59 DANIELLE SHEEHAN**

Silly Spencer voted Dani out of *The Bachelor*. What a bleedin' fool! Luckily, you voted far more wisely. Applause!

**58 HANNAH MARTIN**

Portsmouth hottie Hanna has a bunch of cherries inked in a very intimate place. If only it counted as one of our five a day.

67 KAYLEE SAYERS

London lass
Kaylee is only 18 years
old, so we look forward
to seeing a whole lot
more of her for many
years to come.

As you can see,
Anastasia likes showing
off her amazing body
like it's a work of art.
Now that's what we call

several tattoos on her
amazing bod, which you
can see in her online
gallery on Nuts.co.uk.

Gorgeous blonde
April has been a *Playboy*
Playmate in France, Italy
and Hungary. Those
boobs have gone truly
international.

55 MELLISA CLARKE

Rock-chick Mellisa also DJs in her spare time. Do you think she's available for hire for birthdays? Ours, specifically.

54 CAITLIN WYNTERS

That surname needs changing – how can there be anything chilly about such a glowingly beautiful lady?

53 JEANA B

OK, so the B in Jeana's surname might not necessarily stand for "Boobs", but if you ask us, it most certainly should do!

52 DANNI BROOKS

For a teeny-tiny lady, Danni has the most fabulously immense boobs. No wonder they keep escaping like this, the little tykes!

50 JESS KINGHAM

Jess is 5ft 3, which makes our number 50 super-cute. We'd put her in our pocket if it wasn't full of fluff and old bits of chocolate.

49 ASHLEY EMMA

Essex model Ashley has a blog devoted to her bum. After making it into your top 50, we hope her boobs get the same treatment!

48 HOLLY GIBBONS

Holly instructs pole-dancing classes to keep herself in shape. If we could join them, we would, but we're about as flexible as an HB pencil.

46 ROBYN LAMBERT

Robyn originally comes from Milton Keynes. We imagine it's a massively brighter place with her in it. Just look at her!

45 JODIE GASSON

Sussex sizzler Jodie has legendary 30F boobs. There's just one thing we have to say about that: incredible! We're sure you'll agree.

51 KAYLEE CARVER

The lovely Kaylee was born in Hull, but can now be found baring her boobs in London. This is the kind of career we can get behind.

47 AMBER PRICE

Sometimes brunette, sometimes redhead – we aren't prejudiced when it comes to a babe as incredibly fit as Amber.

44 LAUREN WOOD

Never mind Lauren Wood... We would! And by that, we mean we would take her out for a lovely stroll in the park and a picnic.

43 SABINE

Feisty Latvian lady Sabine occasionally likes to pop her top off. Something you may have noticed in her many *Nuts* appearances. ▶

TOP 100 TOPLESS

42 SOPHIE HOWARD

Sophie was our former relationship columnist – shame she didn't tell us how to get into a relationship with her.

41 SAM COOKE

She's the Page 3 stunner from Manchester who dates Man United defender Chris Smalling. Now that's what we call one lucky Red Devil.

40 JAMIE LEE

Jamie Lee might have two boys' names, but one look at the stunning brunette is enough to tell you she's absolutely all woman!

35 BILLIE JUDD

What exactly is it about fit blonde girls called Billie? We're not sure, but whatever it is, we're just happy to have them in *Nuts*.

34 LIBERTY PARISSÉ

According to her Twitter feed, Liberty is a Hull City fan. A girl who loves her Championship footy is a winner in our books.

31 EMILY O'HARA

Emily used to date Man United's Tom Cleverley and impressed in an audition for *The X Factor*. She's truly a woman of many talents!

30 EMMA FRAIN

Emma enjoys pole dancing to keep fit and likes playing Wii games topless... Em, if you ever need a roomie, just give us a call.

29 GEORGINA DARBY

So huge are Georgina's boobs that she has to wear two bras at the gym. She really does put the "fit" into "keep fit"!

28 ARABELLA DRUMMOND

Arabella has awesome tattoos, breathes fire and tears it up at festivals. She might be the coolest girl we've ever met.

39 MEGAN HALL
Megan once took a stand against the outrageous pasty tax in a national newspaper. Truly, she's a girl after our own heart.

38 JANINE LEECH
Whoever said nothing amazing came out of Northampton obviously hasn't seen jolly Janine here and her amazing assets.

37 KIRSTY PATTERSON
Kirsty made her debut in *Nuts* alongside Lacey Banghard – now that was a truly memorable issue of your fave mag!

36 SOPHIE READE
After triumphing in *Big Brother*, Cheshire girl Sophie has become a regular fixture in *Nuts*. We love her! You love her! Everyone loves her!

It's yet another former *Big Brother* beauty to bare all for *Nuts* – this time it's Jennifer from series nine.

32 STACEY POOLE
Naughty Stacey admits she once bared her boobs to get free shots in Ibiza. Remind us to give that a try in Wetherspoon's. Or not.

27 ROBYN HUNT
While Batman's Robin is just a naff sidekick, our Robyn shares her 34E chest with the world. Now that's a real hero!

26 GRACIE LEWIS
Nuts babe Gracie tells us that she loves a good party – and as you can see here, she definitely has an awful lot to celebrate.

25 LACEY BANGHARD
Lacey's 28GGs are so unusual that she's unable to buy bras from normal shops. No great loss there, then! ▶

TOP 100 TOPLESS

24 KELLY HALL This dashing Daventry girl is a former winner of Page 3 Idol. And we think it's an award she truly deserves for those mighty boobs.

23 GEENA MULLINS Yet another booby babe from Essex – this time, 32E Geena. Must be something in the water. Or “waw-tah” as they say.

22 SEREN GIBSON Wow. Just wow. Sometimes that's all we can say when we see topless snaps of this wonderful Welsh beauty. She's truly stunning!

17 NICOLE BONNER Oh boy, they do make 'em pretty up in Paisley, don't they? Well, that's if the stunning Scots lass Nicole here is anything to go by.

16 INDIA REYNOLDS The Berkshire babe is as much a part of the furniture at *Nuts* as the desks and chairs around here – only she's 1,000 times prettier to look at!

15 RHIAN SUGDEN The first of our two *Celebrity Big Brother* 2012 beauties to make it onto your list, Rhian is a *Nuts* legend. We love her as much as you do!

14 COURTNIE QUINLAN After her appearance in last year's *Nuts* naked brunettes feature, it's only right that Courtnie features highly here. Hot!

21 LUCY HARROLD One of the best things to come out of *Take Me Out* was lovely Lucy here. Happily she headed straight into *Nuts* for some topless fun!

20 KITTY LEA The breathtaking brunette has many things going for her, not least some truly badass boobs. In at 20, it's the lovely Miss Lea.

19 AMII GROVE Page 3 fave Amii bursts her way into your top 20. Also bursting, we imagine, is any poor bra that she tries to put on over her amazing boobs.

18 LEAH FRANCIS Leah has a massive personality to go with those massive boobs of hers – which always makes her a heck of a lot of fun to be around.

13 LUCY COLLETT The Page 3 Idol and *Nuts* favourite flies the flag for hot redheads all over the world. She genuinely loves popping her top off. Fine by us!

12 DANICA *Nuts*' own Danica is the talk of the town after going into the *Celeb BB* house. To be fair, she'd turned a few heads before that. ▶

11 JASMINE JARDOT

Lovely London lady Jasmine has an IQ of 147, which means not only is she far sexier than us, but she'd also totally rinse us at Scrabble!

10 AIMEE

We kick off your top ten topless with a stunner who's a brunette with big boobs and a brill body. That's a lot of Bs for a lot of boobs!

9 HOLLY PEERS

Holly's bra and boobs had a bit of a falling out a few years ago, which means that you'll rarely see them together. Happy days!

8 ELLIS COOPER

Slinking into the top ten is Sunderland model Ellis here, not to be confused with rock star Alice Cooper. (He didn't make the list, happily.)

7 CHARLOTTE HERBERT

Sexy Charlotte has an awesome tattoo, but it was her brilliant boobies that saw her storming into your top ten.

6 DANIELLE SHARP

New to *Nuts* for 2011, Danielle and her epic boobs just keep popping up in the mag. Expect to see much more of the sexy Yorkshire lass.

5 LYLA ASHBY

Curvy babe Lyla has impossibly large boobs! It's clear to see why she got so many of your votes. Splendid work!

4 EMMA GLOVER

It wouldn't be a topless top five without the *Nuts* legend that is Emma Glover. Her topless pics never fail to blow our minds.

3 ROSIE JONES

Taking the bronze for her boobs (which we're petitioning to have introduced in time for Rio 2016), it's all-round babe Rosie.

2 PAIGE TYLER

South Africa's greatest export since Nando's, buxom brunette Paige made her *Nuts* debut last year and we're all massive fans.

1 LUCY PINDER
She's been *Nuts*' own queen of boobs for a while now and she's not giving up her crown in a hurry! You overwhelmingly voted for Hampshire's hottest – the one and only Lucy Pinder – to be 2012's sexiest topless babe!

Hi Lucy! Congratulations on being voted number one. How are you feeling?

I love it! I've been doing *Nuts* for yonks and my fans always vote the hell out of these things, so I'm very grateful. And the competition is so fierce – there are some seriously hot girls in *Nuts* right now!

And how are you going to reward your loyal fans?

By doing ever more creative things to get my boobs out! This new award means we will be coming up with more outrageous ways of putting my boobs in even more provocative positions. Ha-ha!

Do your boobs ever make a grab for freedom?

Yes! They make a dash for freedom all the time. In fact, only the other day I was with family, when they just popped out. I think I'll have to start wearing a roll neck to keep them fastened in. Especially around babies – they just see them and think, "Free bar!"

Excellent! Well, finally, how will you celebrate winning this – will you treat your boobs to something nice?

Maybe a boob massage? No, I don't think they need that. Perhaps I'll treat them to some new bras? Yes, new bras for the prize-winning boobs – not that I think they ever stay on for very long!

IN CINEMAS FROM
7-9-2012

DREDD

3D

JUDGEMENT IS COMING

Why this high-octane science fiction action film is the best 3D film ever made

FORGET BATMAN, Spider-Man and Kick Ass. When it comes to fighting crime, there's only one man for the job – Judge Dredd. Judge Dredd is the longest running character from British comic book series 2000AD, and it's not hard to see why. He has the power to arrest, sentence and execute criminals on the spot. Just the sort of law enforcement we could have done with in last year's riots, some might argue. And now he's been made into a film – and by the looks of it, it could be the most spectacular British film ever made.

WHAT'S DREDD 3D ALL ABOUT?

It's the future. America is an irradiated wasteland. There is only one city left – Mega City One, a vast, violent metropolis of over 400 million citizens where criminals run the streets. It's a place so dangerous, it makes Gotham look like a nice day out at the seaside. The citizens live in huge concrete "mega-blocks" that house over 60,000 each. And you thought the road you live in was crowded. Worst

still, the citizens of Mega City One are suffering from a dangerous drug epidemic called "Slo-Mo", which causes users to experience reality at a fraction of its normal speed. Not something you'd want to take just before a very boring church service at a wedding then.

SO... WHO IS THIS JUDGE DREDD CHAP ANYWAY?

Keeping the peace are the Judges. The epitome of these Judges is Dredd. The Chief Judge gives Dredd a mission: to train a rookie Judge called Cassandra Anderson who has powerful psychic abilities due to a genetic mutation. When they're called to the worst mega-block in town (and remember, you'd be hard to find a nice spot for a picnic in Mega City One), they run into notorious baddy Ma-Ma who shuts down the entire mega-block, trapping the Judge inside, and orders her clan to hunt the judges down. And then... hang on. We don't want to tell you everything. Else there won't be any surprises left when you go and see it at the cinema.

WHO'S IN IT, THEN?

Judge Dredd's played by Karl Urban, who you'll recognise as Bones from *Star Trek* and Éomer from *Lord Of The Rings*. And British actress Lena Headey, who played Sarah Connor in *Terminator: The Sarah Connor Chronicles* plays baddie, Ma-Ma.

WHY YOU MUST SEE IT!

Dredd 3D is a 3D movie with great special effects and high-octane action. It's been developed with an emphasis on adrenaline and realism. It's a futuristic action film that returns the celebrated character to the dark incarnation from the comic strip.

SO WHAT ARE YOU WAITING FOR?

Go see the best 3D film at the cinemas at the moment. And tell whoever sells you your popcorn that Judge Dredd sent you.

OK, THEN

Enjoy.

- *Dredd 3D* is in cinemas from 7 September. See dreddthemovie.com

Transporter 3

FILM4 • 9pm

We're not ashamed to admit we bleedin' love the *Transporter* movies. The Stath is back as Frank the courier and in this one he's charged with delivering the splendid-looking daughter of a Ukrainian government official. Of course, he comes up against many a problem along the way. Solution? His fists.

"Morning! Can I borrow a cup of sugar?"

Shark Night

SKY MOVIES PREMIERE/HD • 9.45pm

Shark movie klaxon! All the ingredients of a mindless popcorn classic: a bunch of bikini-clad students on an island resort find they're surrounded on all sides by sharks, one of which has just bitten a chunk out of their boat. What to do? Well, stay on the island and call in a helicopter, right? Right?

★★★

"How bad it is, bro? I can't feel my legs..."

Land Of The Dead

ITV1/HD • 10.35pm

One for all you *Walking Dead* fans from genre master George A Romero. A zombie epidemic has destroyed most of the habitable world and the few survivors live in heavily fortified cities. But the living dead are starting to get smart, meaning mankind's days are numbered. Nonsensical guff, but the gore is spectacular.

Person Of Interest

CHANNEL 5/HD • 9pm

This new drama is very reminiscent of *Minority Report* – it's about two men, Finch and Reese, and their machine that warns them of people who are going to commit crimes. This time it's a lady doctor who seems to be on the verge of doing badness to someone who wronged her dead sister. ★★★★★

Mike suddenly got the feeling he was being followed

Falling Skies

FX/HD • 9pm

It's the season finale of the alien drama so expect some great action, a few deaths (we won't tell you who!) and the odd revelation. General Bressler is on a bit of a power trip, which doesn't end well for the 2nd Mass group. There's a suicide mission of sorts and even more aliens are rocking up. Overall, it's been a good series.

Bad Education

BBC THREE • 10pm

If you've not checked out this new Jack Whitehall comedy yet, you should – it's funny! At Abbey Grove, it's school outing day and all the classes have somewhere different to go: from a poetry recital to an abattoir. Alfie's class trip takes a slightly dramatic turn as his one ends up becoming something of a survival course.

England's cricket team hasn't had the best of summers, what with being deposed as the world's number one Test nation and that Kevin Pietersen making it apparent that he doesn't like his team-mates. Hopefully, the one day series, which wraps up with this fifth and final game at Trent Bridge, will provide a bit of sunshine for fans.

ITV2/HD • 10pm

James McAvoy is a loser office bod who discovers his dad was a super-assassin with awesome killing skills and, wouldn't you know it, this geeky goon has the same superpowers. Enter Angelina Jolie looking massively hot, some fantastic guns, Morgan Freeman and a big knitting machine that predicts the future. Quality.

Enemy Of The State

BBC ONE/HD • 11.15pm

We presume this movie is on mainly because it's one of many directed by Tony Scott, who died last week. But it's an excellent conspiracy thriller which follows lawyer Will Smith, who unwittingly becomes privy to some top-secret information.

Good Cop

BBC ONE/HD • 9pm

Our friends on the continent are putting out some stonking cop shows, so why are Brit detective ditties still a bit meh? The Beeb's latest grimy cop drama isn't bad, but it's all been done before. Stephen Graham brings his usual Scouse grit, but we can't shake the image of him necking off with Sean Bean in *Accused* the other week!

WHAT'S IN THE BOX?

Be afraid. Be very afraid. In fact, be even more afraid than that. *The Possession* is coming

POSSESSION (N): Any object or item owned by a specific person or persons.

POSSESSION (N): A supernatural event in which a spirit, often malevolent in nature, takes control of a human being or beings.

➔ In olden times, those of the Jewish faith would tell tales of the dibbuk, an evil spirit bent on the possession of human souls. These dibbuks would be the lost souls of the dead, wronged in life and had become vengeful, malicious and demonic.

From producer Sam Raimi, visionary director of *Drag Me To Hell* and *Spider-Man*, *The Possession* is the terrifying story of the Brenek family, who purchase a wooden box at a car boot sale. Slowly but surely, their daughter starts to behave in more and more erratic ways.

Eventually, they discover that the box was built to contain a dibbuk and that the evil spirit shows no inclination towards leaving! Starring Jeffrey Dean Morgan, *The Possession* would already be the scariest movie of the year if it wasn't based on a true story. But it is.

The real dibbuk box is a wine cabinet that has brought ill fortune and illness to all who have owned it. Originally owned by a Polish holocaust survivor, the box found its way into the possession of one Kevin Mannis. Below, Kevin reveals what life is like with a haunted dibbuk box...

MEET THE OWNER!

"I'd destroy this thing, except I don't really understand what I may or may not be dealing with. I'm afraid that if I destroy the cabinet, whatever it is that seems to have come with it may stay here with me. I'm told there are people who understand these things and specifically look for them. If you're one of these people, buy this cabinet and do whatever you do with it. Help me."

CONFESS OF THE WEEK!

'A cleaner was watching us'

MY FELLA and I went on holiday a few weeks ago to spend some saucy time together. Somehow we arrived at the airport really early for our flight home and everything was closed, so we took a seat and waited. We started talking about our naughty antics over the last few days and it got me really turned on. I was so wet, I begged him to take me then and there. I bent over our luggage trolley, then he lifted my skirt and slid into me. Suddenly I noticed a cleaner watching us from an office window – which made me feel even naughtier!

Tracey Durham

'I slipped my bikini aside'

MY BOYFRIEND and I have just come from my parents' new place in Spain. It was actually

really quiet, which was ideal as we could do lots of kissing and cuddling. One afternoon, as we were lying on the sun loungers, I could see him staring at my breasts that were trying to spill out of my tiny bikini top. I walked off sexily towards the

pool, he followed me in and grabbed me straight away as I pretended to wiggle free. He pulled my legs around him and I sat down in his lap, kissing him hard on the lips. I could feel he was rock hard and ready to erupt! I slipped my bikini bottoms aside and let his underwater monster slide into me. As I came, I felt his hands tighten on my buttocks and my fingernails dug deep in to his back. Our frisky pool adventure is definitely one to remember!

Claire Snaresbrook

'I dropped to my knees'

I CAME home yesterday to find my man in our home gym, getting all sweaty and pumped up. His muscles looked huge and so did his growing erection. I gave him a cheeky smile and began wiggling my bum suggestively. I ran my hands over his smooth chest and slowly moved my hand down over his six-pack and to his massive bulge. I sat him down on the bench and dropped to my knees. I sucked and licked him very slowly, maintaining eye contact all the time. Then I gradually used one hand and then both until he was ready to burst. Now that's what I call a workout!

Ali Kent

'My mates fell asleep'

ME AND my mates were struggling to get home one night as there were no taxis around and my boyfriend kindly offered to pick us up. My two mates fell asleep in the back of the car almost instantly. I thought my fella deserved a thank you so I rested my hand on his knee, slowly easing it up his thigh until my fingertips just grazed his crotch. His smile grew – and so did his bulge. Checking to make sure my friends weren't watching, I slipped my hand inside his jeans and stroked him until his breathing got so heavy that one of my friends woke up. She smiled but said nothing... The fact she knew what we were doing got me instantly wet and I kept rubbing my boyfriend until he came!

1 Where's the strangest place you've had sex?

"In a moving vehicle! It was pretty risky but the 'side cowgirl' position and the fact that I'm only tiny came in very handy!"

2 What's your trademark move in the bedroom?

"I'm quite flexible, so I like getting into new positions. And as I'm so small, you can take control and throw me around the bedroom!"

3 What turns you on?

"I love being talked dirty to. It's so hot being told what someone is about to do to me. I also love having my neck kissed."

4 What's your favourite position?

"I like taking control, so being on top is a turn-on for me. I also like the reverse-cowgirl position. And I'm guessing you guys like the view from behind!"

5 Is it better to give or receive?

"I like looking into a guy's eyes as I'm giving, but I also love to receive. So I say give and receive at the same time – then you get double the pleasure!"

6 What one thing would you really like to try but haven't yet?

"I'd really like to try tantric sex, as the idea of touching, kissing and teasing for hours on end sounds sexy as hell. I often wonder how long I'd last in that situation."

7 Have you ever got it on with another girl?

"I've kissed girls on nights out, but nothing major yet. I'd be up for surprising my fella with a bit of girl-on-girl action as a special birthday treat. He could join in!"

8 What's your favourite role-playing costume?

"It depends on what mood I'm in. If I'm feeling super-horny, it's suspenders and cuffs all the way."

9 Have you ever made a sex tape?

"Of course! Who hasn't? It's so hot filming yourself having sex. It feels like somebody's watching you perform. And then you get to watch it back, too."

10 What's the rudest thing you've done?

"I once had sex on a sun lounger in my back garden while the people next door were having a barbecue!"

"I like taking control, so being on top is a turn-on for me"

HUGO LLORIS

LYON TO SPURS **£8M**

"Andre Villas-Boas has been after Lloris for a long time and has made it clear that he considers him one of the best goalkeepers in Europe, despite the fact he had a poor European Championships. He'd be a great signing for Spurs – Brad Friedel is extraordinary but he's coming to the end of his career and they need a long-term replacement."

RATING: ●●●●●

KAKA

REAL MADRID TO
MAN UNITED **LOAN**

"Manchester United have lacked a bit of creativity in central midfield for a couple of years, which is why they needed Paul Scholes to come out of retirement. But I think Shinji Kagawa will fill that role now. Kaka is a massive name in the game, but his best years are behind him – if he was still a potent force, Real wouldn't be making him available."

RATING: ●

JOEY BARTON

QPR TO MARSEILLE **FREE**

"The big question: would his ban hang over in another Uefa league? I think it might. Anyway, he's not been a success at QPR and the fans want him out. He's a decent footballer away from all the pseudo-philosophical tweets. He needs to get his head down, stay out of trouble, and if that means going somewhere where his reputation doesn't precede him, so be it."

Transfer rumours rated!

MOTD's Jonathan Pearce on who's on the move!

➔ **WHEN THE** first transfer window's about to slam shut, rumours start flying around. Who's on their way in? Who's on their way out? Some of it, of course, is pure, unadulterated poo-poo, so we asked *Match Of The Day* commentator Jonathan Pearce sort the could-be deals from the never-gonna-happens...

● The transfer window closes at midnight on Friday 31 August

EDINSON CAVANI

 NAPOLI TO CHELSEA **£35M**

"Chelsea lack striking cover since losing Drogba and Anelka last season. Torres is showing signs that he's coming back to his best, but they need options. Cavani is an excellent player, even though he was shocking in the Olympics. If they pay £35m for him, they're paying well over the odds and seem to be forgetting the financial fair-play laws, but they do need someone like him."

RATING: ●●●●

ANDY CARROLL

 LIVERPOOL TO
NEWCASTLE **£12M**

"Newcastle aren't budging on their figure, so it really comes down to how much Liverpool want to offload him – and I can't see him playing a role at Anfield. Therefore, it's a case of how hungry Carroll is to maintain his England place. I think it'll be a good move for both clubs and the player – initially, he'll go on loan with a view to a permanent move."

RATING: ●●●●●

DAVID LUIZ

 CHELSEA TO
MAN CITY **£30M**

"The jury's still out on him – people keep saying that he'll go on to become a great defender one day but he's not a kid any more and he's all over the place positionally. Man City have Lescott and Kompany, so I don't know why they'd want him. And £30m is outrageous! I mean, really staggering! Frankly, I can't see how he would improve Man City."

RATING: ●

CHARLIE ADAM

 LIVERPOOL TO
EVERTON **£5M**

"Liverpool have made it clear that Adam doesn't have a long-term future at the club. It wasn't a great move for him and he's very much seen as a Dalglish signing. Players don't generally move from Liverpool to Everton directly, but this could be an exception. He definitely will leave and he definitely would be a good signing for Everton."

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"I will grow my hair this big!"

"Er, hola!"

What a mad first week!

Title-chasers have a shock as teams come out fighting!

➔ **THE SEASON** has barely begun and we've already had some real surprises.

Man United lost the title last season because of their results against Everton and so wanting to put that right early in the first game of the season would have been a high priority on Sir Alex's list. That 4-4 draw at Old Trafford cost them dearly and so he would have instilled in his team an extra determination to win

the game. But United just couldn't deal with Fellaini – and I was surprised that they didn't mark him from the decisive corner. When I played centre-half, I always picked up the biggest man, usually the best header of the ball, which was most definitely Fellaini in that game. I was surprised Sir Alex didn't change it around at half-time.

Elsewhere, Southampton covered themselves in glory, going down to a heroic

defeat at Man City, while Reading gave Chelsea a massive shock. I just hope it's not the order of the day that we're going to keep having officials making silly mistakes like Chelsea's third goal, which was clearly offside. When you get a decision like that, it costs clubs like Reading.

Actually, I hope it does keep being the order of the day – otherwise we'd have nothing to talk about on *Goals On Sunday*!

Arsenal are no feeder club!

ARSENE WENGER has been criticised by former Gunners Emmanuel Eboe and Eduardo for consistently selling the club's best players. But let's be honest, Robin van Persie was always going to leave. How could they stop him when Samir Nasri went, Cesc Fabregas went, Adebayor went? And they couldn't stop Alex Song when Barcelona came knocking either.

The fact is, Arsenal have a great infrastructure and they're richer than ever. All Arsene can do is bring in fresh players who are happy to play for Arsenal over the relative short term. They're still a big club – it's just that there are other big clubs out there with the means to poach their players.

KAMMY'S UNBELIEVABLE-OMETER™

UNBELIEVABLY GOOD!

RICKIE'S RISE!
I'm so happy to see Rickie Lambert get goals at the top level, just like he did in the lower leagues. He was superb against Manchester City and it was lovely to see.

UNBELIEVABLY BAD!

DEMPSEY'S DRAMA!
You just can't refuse to play for your team. There must be agents poisoning his mind – Clint Dempsey is one of the nicest blokes you could meet.

QPR, don't worry just yet!

POSSIBLY THE biggest shock result of the first weekend was QPR's 5-0 drubbing at home to Swansea. Fabio from United had a shocker! Yet now Mark Hughes is trying to replace Anton Ferdinand and Clint Hill with Ricardo Carvalho and Michael Dawson. QPR lost their first game 4-0 to Bolton last season. And who was it who went down?

"Nice ball control!"

THE BIG MATCH!

Liverpool vs Arsenal

SUNDAY 2 SEPTEMBER • Sky Sports 1/HD 1.30pm

I fancy Liverpool for this. It may be all doom and gloom about Brendan Rodgers after the opening weekend defeat to West Brom, but he needs time to get Liverpool going and I think this could be one to inspire them.

KAMMY'S PREDICTION: 2-1

Key man

Pepe Reina needs to be Liverpool's chief play-maker, like Michel Vorn at Swansea, and start their attacks from the back.

"Quick, I'm desperate for a 'Nasri'!"

Football's maddest tweeter!

And no, we're not talking about Joey Barton for once!

WORDS: PETE CASHMORE PHOTOS: GETTY IMAGES

➔ **EMMANUEL EBOUE'S** Arsenal career may be over, but he's still entertaining British football fans – arguably a lot more than he ever did in a Gunners shirt. Since moving to Galatasaray in Turkey, Eboue has taken to Twitter – here are some of his highlights...

Eboue on... Van Persie!

Eboue hates players who leave Arsenal, even though he, um, left Arsenal.

EMMANUEL EBOUE @TheRealEboue
Good to see @Persie_Official start with a season failure. I predict he is going to have a drought like Torres. No respect. No loyalty for a dutch donkey. Am sorry I have no respect for a captain that ducked a stable ship. I declare a state of WAR against @Persie_Official. No retreat, No surrender.

Eboue on... Samir Nasri!

See: Van Persie. Eboue likes to use his former team-mate's name as an alternative term for poo-poo!

EMMANUEL EBOUE @TheRealEboue
The only real sport I know is football. Any other sport is Nasri which is another word for (Sh*t). Why is Nasri telling the England bench to shut up. This guy is very sad. Very horrible. I needs a sh*t. I speak French but I don't support France. Nasri plays for them and I can't stand him.

Eboue on... Farting!

If Eboue's tweets are to be believed, he's prone to breaking wind in unfortunate places.

EMMANUEL EBOUE @TheRealEboue
I just did sumthin very bad. I think I just farted in the lift and some people joined me on the 3rd floor. I'm keeping a straight face. Have u ever been on an escalator and u farted not knowing someone's mouth is around your ass. Its happen 2 me in Paris. Very bad.

Eboue on... Cheryl Cole!

Eboue never says what naughty thoughts he has about Cheryl, but at least he admits they're sinful.

EMMANUEL EBOUE @TheRealEboue
I have Just seen AshleyColes X-wife Latest Music Video. Oh Lord forgive me of my sins. This Lady makes my heart full of sin. Verysexylady. Ooh this is what brother Ashley is enjoying. Cheryl is very sexy in this video. Please don't watch the video if you don't want to sin.

Eboue on... Lord Sugar!

He doesn't like Lord Sugar either! But, being a Gooner through and through, he does like Piers Morgan.

EMMANUEL EBOUE @TheRealEboue
@GaryLineker That's why I love you because you are a joke like @Lord_Sugar. Who do you think you are. Mr @Lord_Sugar. You are not my Lord. I don't say any prayer to you. Go and eat bacon, egg and baked beans.

Eboue on... Too much info!

By which we mean he likes to tell people about what he does in his bathroom...

EMMANUEL EBOUE @TheRealEboue
My toilet flush is a button. I flush two times. Alright guys, I am going to take my ipad to the toilet and chat to you guys while I take a sh*t. Don't worry guys. U won't smell it. I'll be back in a minute guys. I really need to have a sh*t. Sorry guys.

Arsene's latest discovery on RVP and his new life at the Emirates!

➔ **Hi Santi! What's the feeling in the Arsenal camp now that two of your best players, Robin Van Persie and Alex Song, have left the club?**

Let's be straight about it – there's always that realisation that football will deliver these situations. No matter what circumstance you are in, how successful you are, players will leave for other adventures. I've done this myself and have great hopes for the future. The objective now is to deal with the departures, enjoy the new individuals we've recruited and move forward.

Is there more pressure on you to deliver because you're replacing some big names? I don't think like that. I like to believe I'm here because I play a good style of football and can adapt to the Premier League. I'll be judged on my

own terms, I hope, not because of who plays for Arsenal or who used to.

Fair enough! So why were you attracted to Arsenal?

There are so many reasons. I believe there had been talk for a number of seasons about myself and [joining] Arsenal, and that's very nice for your confidence. This is a club which enjoys an incredible status in Europe, not just because of our ability to play in the Champions League but also because of the style of football. All these considerations came into my thoughts. What was happening at Malaga [they have some pretty serious financial problems! – Ed] was an influence, but no matter what was occurring there, it was impossible for me to ignore the attractions of a club like Arsenal. There were so many fantastic elements in place.

We hear you had some advice along the way...

Robert Pires told me Arsenal was a special place and that I would be happy in London. Then there was Fernando Torres and David Villa who were also happy to talk to me and recommend English football. It wasn't a hard job convincing me. Everyone knows the quality and passion of the Premier League.

Is Arsenal really a must-go-to destination for top footballers, like it was a decade ago?

People love this club. The fans are extraordinary, we have a fantastic stadium and training ground. We have incredible players. It's all new to me, but I think to myself, there are all these things, plus good signings, I'm very lucky right now. There's also huge ambition which is something we have in common.

So what are your ambitions?

I want to win titles! And yeah, I think it can happen. I'm in an incredible situation here. Am I happy? I certainly am! Just look at my face!
