EXCLUSIVE!

Its BB's **Danica & Rhian!**

BB's hottest couple get cosy in Nuts' red-hot shoot!

IT WAS quite literally a double whammy of TV awesomeness when both Danica Thrall and Rhian Sugden sashayed their wondefully jiggly way down the Celebrity Big Brother runway. Luckily, we grabbed the girls before they entered the house for this world exclusive housemate-onhousemate shoot as they got to know each other a bit better before their incarceration. Then we caught Rhian after her eviction last week... >

Rhian

Н

i Rhian! What was Jasmine Lennard really like? Jasmine.

deep, deep down, has a good heart. I think she's very insecure. I don't appreciate being called a skank by her – hey! Pot, kettle, black.

Jasmine also called Danica a prostitute!

Danica is far from a prostitute! I'm a flirty person – it's only human – but I know where to draw the line, and I imagine Danica does too.

How relieved were you when she went?

It was a huge relief. I think she put most of the house on eggshells.

How did you find Samantha Brick?

She was a sweetheart. I don't agree with her relationship morals, though. She was judging me for "leading Ashley [McKenzie] on" by sitting next to him on a bed, yet said her husband would divorce her if she got fat!

Who do you want to win? You're not allowed to say Danica!

Julian [Clary] or Coleen [Nolan]. They're both amazing people. Julian is a comical genius!

Thanks, Rhian! Finally, What was your favourite bit of the experience? The shopping trolley

dash. I can't tell you how much I used to love Supermarket Sweep!

 See the Celebrity Big Brother final, Friday at 9pm, on Channel 5/HD

DANICA IS BENDY!What else would you wear to do the crab other than undies and high heels?

the nation got itself all in a flap over news that a lion was on the prowl in Essex.

There were many questions raised - where did he come from? Where's he been hiding? Isn't it just a massive ginger cat on a slow news day? But no one thought to ask, "What does a lion get up to with time to kill in Essex?" That is, until *Nuts* caught up with the outsized moggy and got these exclusive snaps! Blimey, what a "roaring"

THE ESSEX LION!

A police search was launched after reports of a lion sighting near St Osyth, Essex, last week.

-

Hi Matt! The news from last Saturday's episode is you've

got a new companion, Clara Oswin, played by Jenna-Louise Coleman. How hard was it to keep your new chum a secret?

It was hard. But it's like The Dark Knight Rises. That movie's f**king mad. I saw it and was like, "How did the big twist there not get out?"

So it's hello to Clara and goodbye to Amy Pond and Rory Whatshisname. Are you sad to see them go?

Shooting *Doctor Who* is such a juggernaut. The rest of the episodes will go to show what great companions Karen [Gillan, who plays Amy] and Arthur [Darvill, who plays Rory] were. They're spellbinding. In the last episode, they're just brilliant. It's just so heartwrenching to see them go.

There were lots of Daleks in last Saturday's episode. Are there little people inside them making them work?

There are. Two of them are a real-life couple. They chat

away, going, "Guys, it's really hot in here. I've been in here all day." Then the cameras roll and suddenly they're really aggressive. It's frightening!

We hear you've signed to be the Doctor until at least 2014 now. So that's at least another series with you in the role!

I'm not going to leave *Doctor Who* in its biggest year ever. And it's his birthday! [*Doctor Who* is 50 next year – *Nuts* TV Ed]. There'll be a party and stuff. I don't want to miss that!

So, what can you tell us about the Christmas special? Will there be snow?

We're shooting it now till four or five in the morning! It's a big Christmassy extravaganza. Richard E Grant is the villain. It's set in Victorian times. And, yes, there's lots of snow!

You're a fan of music festivals. Do you think the Doctor would like to go to Glastonbury?

That's a random question! I'd love to be in a band. I think the Doctor would go there. He'd have to have a reason, but why not? I love Glastonbury.

Is it an accident that trousers that are too short and tweed jackets are in fashion?

That was my idea, yeah. I suppose it's always been a show that's appealed across many generations so it's great that so many young people are getting involved. They have the *Doctor Who* Experience in Cardiff now [where *Doctor Who* is filmed] so there always seem to be lots of people in *Doctor Who* costumes wandering about. It certainly makes going to Tesco more interesting!

Were you ever tempted to dress the Doctor in something more casual, like a tracksuit?

'Daleks are ga...

aren't they?"

they're behind me,

No, a tracksuit would have looked rubbish. I wanted it to feel professorial, if that's even a word.

We see. You're not on Twitter. Get with the times, grandad! I know. I joined for a day but I didn't like it. I spend enough time on my phone. And I

time on my phone. And I think, who cares what I do?

Do you ever go on the internet

to see what all the *Doctor Who* nerds are complaining about? That was the first thing [*Doctor Who* producer] Steven Moffat said to me. "Never go on the internet." So no, I don't.

Doctor Who is massive in America. What's it like when you go to those huge, nerdy US science fiction conventions?

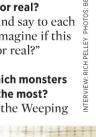

There's lots of screaming. It's the closest we'll ever get to being rock stars. We went to Comic-Con [massive Yank entertainment fest] recently and had a great time.

When you're filming *Doctor Who*, do you ever wonder what you'd do if all the crazy things were happening for real?

Yes. We do stop and say to each other, "Can you imagine if this was happening for real?"

Good answer! Which monsters are you afraid of the most?
My favourite are the Weeping

Brand new Jack Dee gags!

Spanking new chuckles from the glum-faced joy factory!

On wind chimes!

"Why does anyone think that they're a nice thing to have? 'Oh, that's nice. This bit of metal and bamboo will clang around all night, you say? That's nice.' They might as well have a slamming door hanging from the tree and hire a toddler to stand underneath to play the violin."

On charity!

"People say, 'It's for a good cause.'
Of course it's a good cause. You
don't get people raising money for
bad causes. You don't get people
in the high street shaking a tin,
'Save the wasp.' 'The Rebekah
Brooks foundation. Please give
generously.'"

On shopping!

"I picked up a jar of mayonnaise and it said, 'Keep me in the fridge.' I thought, 'I can keep you where the f**k I want. If I buy you, you're mine. You don't get to make conditions about it.' I don't want to pick up a tube of haemorrhoid cream that says, 'Shove me up your arse.' I picked up a grapefruit that said, 'I'm one of your five a day.' I thought, 'You don't look like a vodka and tonic.'"

On mobile phones!

"People who plug in their phones without asking. There's got to be a protocol. There's a mobile blinking away. 'What's this?' 'Sorry, Jack. Thought I'd give it a bit of a zap, hope that's OK.' 'Yeah, fine. Why don't you go home and get your tumble dryer as well? My car's outside if you want to syphon off some petrol."

On light bulbs!

"I turned the light on in my garage and the bulb blew. Incredible. I must have turned that light off just in time last time."

On new parents!

"Aren't they touchy? You say something like, 'What the hell is that strapped to you?' or, 'What an ugly baby' and they're off."

On massages!

"I had a cranial massage and I was sat in front of this guy. After 20 minutes nothing was going on, so I said, 'When are you going to start?' He said, 'I'm doing it now, I'm massaging your aura, my hands don't actually make contact with your head.' When I was writing out the cheque, he said, 'What are you doing?' 'The pen doesn't actually make contact with the cheque.'"

On touring!

"People say, 'What's it like?' It's long hours on your own. You spend days on end in hotel rooms, eating fast food, watching films, drinking yourself to sleep. I see my kids once a fortnight, I speak to my wife once a day on the phone. It's perfect."

On drinking!

"I saw an advert that said, 'If you regularly drink five units of alcohol a day, you could well be on your way to being an alcoholic.' I thought, 'If I regularly drank five units of alcohol a day, I'd be well on my way to being cured of alcoholism."

"Twenty-one units a week is like the speed limit on the motorway. They say 70 but we all know it means 80 or 90. They say 21 units a week, what they mean is 80 or 90."

"I went to the doctor. I said, 'Can I have a candid discussion about my drinking?' He said, 'Of course, that's what I'm here for.' 'The thing is, I like to get sh*tfaced. How often can I do that without dying?""

On old people!

"Old people go, 'I'm 92-years-old, I'm going to walk from John O'Groats to Land's End.' 'Don't do that! You're 92. No one expects that. Chill out, man. At your age, if you get back from the shops with your trousers still on and not in the back of a police car like last time, we'll be impressed."

presents!

"My wife gave me a foot spa. 'I just thought you might like it.' 'Did you?' It's a bucket that you fill with water, stand in, and plug into the mains. I'm not falling that for that again."

On the riots!

"The riots were a big shock unless you happen to be a Kaiser Chief, in which case, well done, you predicted it. If you are a Kaiser Chief and you're predicting any other sh*t coming our way, maybe you could let us know in a more sensible fashion."

"I live in a fairly low-key area. The worst that happened was some kids broke into Starbucks and stamped their own loyalty cards."

On hot drinks!

"'Tea or coffee?' 'Whatever's easiest. Do I look like the sort of person who would be confused? Think I'm going to go back into the kitchen and burst into tears?' 'How do you take it?' 'How it comes.' 'Oh, that's alright because I have mustard in mine."

On handymen!

"I got this flier through my door. 'Handyman. No job too small.' That's a challenge. 'A pencil needs sharpening.' 'I've got some fluff stuck on my hoover.' 'Can you change the toilet roll for me? Why can't I do it? Because my trousers are round my ankles and I've got a sh*tty arse. Are you coming over or not?"

An Evening With Jack Dee is on tour now. See offthekerb.co.uk/jack-dee

And it's a four-wheel drive monster!

- Last year, Porsche buffed up its iconic rear-wheel drive hooner, adding a seven-speed manual gearbox and Panamerastyle cockpit, and zing! The "991" variant was born. Now they've given it another polish with the four-wheel-drive Carrera 4 and Carrera 4S.
- It's fatter, faster and 65kg lighter than before, while it has less of a thirst, too.
- Both the Carrera 4 and Carrera 4S have an extra 22mm girth in the rear arches, which means the tyres are 10mm wider than those worn by the rear-wheel drive 911s.
- This means better grip, especially when you've got PTM – Porsche Traction Management. Porsche reckons its new active allwheel drive system retains the classic rear-wheel drive feel of the 911, but with the benefit of four-wheel drive.

- The Carrera 4 boasts a display on the instrument cluster with nice graphics showing how the traction management is splitting the torque between the front and rear wheels.
- Power-wise, the regular Carrera 4 has a 3.4-litre heart with 345bhp, while the Carrera 4S gets 3.8 litres and 395 horses.
- If you choose the PDK double-clutch paddle-shift gearbox, the 177mph C4 sprints to 62mph in 4.5 seconds, while the 186mph C4S achieves it in 4.1 seconds. Or there's the convertible, with extrastrengthening flab that siphons two-tenths off the 0-62 time and nabs 2mph at the top end.
- This 911 is 16 per cent more fuel efficient than before, managing up to 32.8mpg – better than some hatches.
- The price starts at £77k, rising to £96k for the C4S.

ARSENAL (GROUP B)

"I think Arsene Wenger will be delighted when you look at the teams they've avoided. Schalke, Olympiakos,
Montpellier – I wouldn't expect them to have too many problems against any of them. Montpellier are French champs but their best player, Giroud, is now at Arsenal."
CAN THEY WIN IT? "They can win the group! We'll have to wait and see whether they get a kind draw in the last 16."

MANCHESTER CITY (GROUP D)

"People are calling it the Group Of Death, but I fancy City, to be honest. They and **Real Madrid** will qualify. **Borussia Dortmund** did brilliantly in Germany last season, **Ajax** have to look back at their former glories, so you have to be wary of them, but I can only see City and Real going through."

CAN THEY WIN IT? "Yes. They'll look for confidence from the games against Real, but they'll improve on last year."

Kammy's Champions League draw verdict!

Our man on the English giants' group draws - and their cup hopes!

KAMMY'S

Kammy's professional playing career ended in 1995 with Bradford, who he went on to manage.

CHELSEA (GROUP E)

"Chelsea are a massive scalp now, as champions, so all their games will be pressure games. But this isn't the hardest group in the world and very winnable. **Juventus** will be tough, **Shakhtar Donetsk** are a good side on their day. It's less likely **Nordsjaelland** will make life difficult!"

CAN THEY WIN IT? "They need the same level of luck that they had last time. Retaining the trophy will be tough!"

MANCHESTER UNITED (GROUP H)

"This group could more or less have been what Sir Alex would have hand-picked himself, if he'd been able to. He'll be delighted, although after last season, he and his team won't be so blasé. But games against Braga, Galatasaray and CFR Cluj? – they'll run away with that group."

CAN THEY WIN IT? "I think it may be Sir Alex's last year, so he'll be determined to win. With Van Persie, they can."

Unlucky man attempts to climb fence, fails spectacularly!

THIS ISN'T a re-enactment of the bit when Arnold Schwarzenegger skins his own arm in *The Terminator*. It's actually the result of welder Darren Stafford's attempt at climbing a fence.

"I decided to take a shortcut home after going out for Sunday dinner. There was work being done on a footpath and it was all fenced off, so I thought it was a good idea to climb over," explains the 37-year-old from Leicester. "I slipped off at the top and the wire mesh ripped my arm open. Blood was pouring out – it looked like I'd been attacked by a pitbull!"

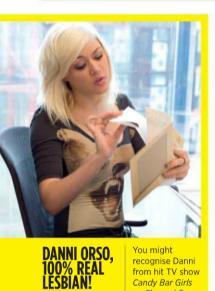

Darren used a T-shirt as a makeshift bandage to cover the wound and stop bleeding as a passerby helped him until an ambulance arrived. "It was like it happened in slow-motion, like something out of a horror film. It was pretty gruesome – I could see veins and all sorts – but luckily the morphine took it off. Happy days!"

Darren now faces a lengthy five weeks off work, desperately wondering if his welding will ever be the same. (By which we mean playing XBox and reading *Nuts* on the sofa.)

I noticed you mentioned not wanting "girls" to think you're not enjoying sex. Perhaps you should try relaxing and look for one girl to sleep with. It sounds like you're looking for a real connection and, dare I say it, a relationship? The more you open up to someone and explore yourself with them, the easier coming will be. DONNY VS DAVID HASSELHOFF

Bad dad fact: He was famously videoed by his own daughter having a drunken rant.

Lucy says: "Everyone loves the Hoff, but it must be a whole different story if he's your dad. I'd be worried all the time that he was going to gatecrash one of my parties and try to chat up all my hot friends!"

1

DONNY'S MAD DAD FACTOR:

The Hoff might be bonkers, but would he let his kid get a tattoo in the 3rd Grade, like Donny does? Probably not! Sorry David, Donny's way wackier than you!

DONNY VS MICHAEL LOHAN

Bad dad fact: The father of *Machete* star Lindsay is infamous for recording her private phone calls and then releasing them to the public.

Lucy says: "Oh man, can you imagine your dad trying to take the limelight off you? I bet he'd try and star on a cover of *Nuts* if he was my dad!"

DONNY'S MAD DAD FACTOR:

Lohan is truly a mad dad, but we bet he can't party as hard as Donny! Mike, looks like you had better stick to taping those phone calls.

DONNY VS HULK HOGAN

Bad dad fact: After starring in family reality show *Hogan Knows Best*, Hogan went on to split from his missus, before cropping up in a naughty sex tape earlier this year.

Lucy says: "Hogan's a proper legend but is a bit bonkers. It must be so weird if your dad is seriously famous and drags you into a reality TV show like Hulk did with his kids!"

DONNY'S MAD DAD FACTOR:

It's difficult to decide who'd party harder, but Donny just about has the rock'n'roll edge. Besides, we reckon Hulk Hogan's a big softy at heart!

DONNY VS RICHARD MADELEY

Bad dad fact: The louder half of Richard & Judy once used his live show to threaten the person who'd mugged his daughter Chloe. Crikey!

Lucy says: "If I were Chloe, I'd always be worried that my dad would hog the camera and say something totally embarrassing. I bet he's the sort of dad who dances at a wedding!"

DONNY'S MAD DAD FACTOR:

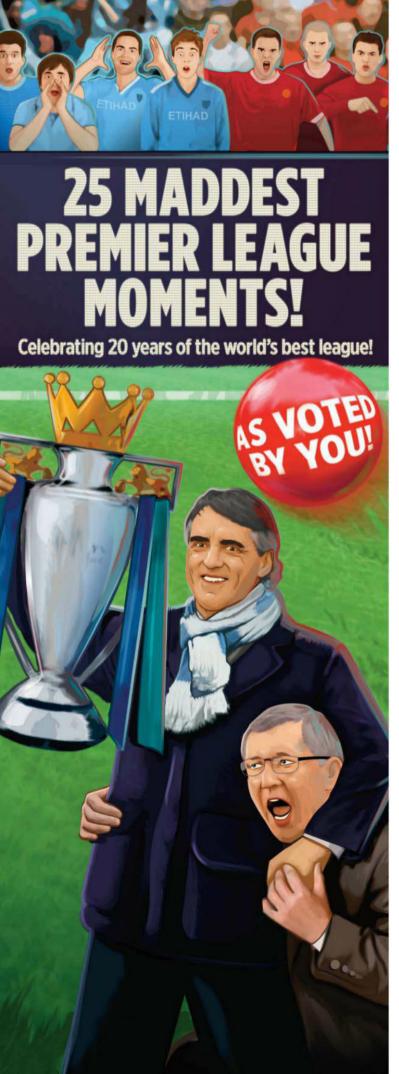

Donny's way cooler and far more rocking than Richard, even though they've both got some bonkers barnets! You can't beat a dad with an embarrassing hairdo.

TEVEZ AND MASCHERANO JOIN WEST HAM! UPTON PARK, LONDON, AUGUST 2006.

Two world-class Argentine superstars signing for little old West Ham on deadline day? It's quite simply the maddest transfer coup the Premier League has ever seen. It also turned out to be the most controversial!

GOODISON PARK, LIVERPOOL, JANUARY 2012.

Everton's goalie was only trying to punt the ball upfield, but it caught a gust of wind, bounced over opposite number Adam Bogdan's head and into the Bolton Wanderers goal. Howard then refused to celebrate the goal as he felt bad for Bogdan.

These two French fancies brought plenty of va-va-voom to Arsenal in the Noughties. But this penalty catastrophe against Man City, in which Pires unsuccessfully tried to pass to Henry instead of shooting, was more like a broken-down old banger.

SAVAGE POLEAXED BY REF! ST JAMES' PARK, NEWCASTLE, AUGUST 2003.

Football's ultimate pantomime villain got his comeuppance here, as referee Matt Messias attempted to signal a free kick but instead clobbered Robbie in the face! Rumours it was all part of a deliberate Referees' Association directive were never confirmed.

Half-times will never be the same again at Norwich after a slurring Delia Smith stumbled onto the pitch during the interval against Man City and shouted into the mic, "Let's be havin' you!" The Canaries lost the game, and Delia lost her dignity.

BARTON GOES BALLISTIC! ETIHAD STADIUM, MANCHESTER, MAY 2012.

QPR's controversial midfielder saw red in more ways than one, whacking Carlos Tevez, kneeing Sergio Aguero and then trying to fight Mario Balotelli on his way off. Not exactly what you want from your captain in a tight relegation decider.

MOURINHO THROWS IT AWAY! STAMFORD BRIDGE, LONDON, APRIL 2006.

When Jose Mourinho first said, "Chelsea's achievements are for the fans," we didn't realise he meant it literally. Then the Special One launched his Premier League winners' medal into the crowd. The bewildered recipient later sold it at auction for over £16.000.

15 KEOWN BASHES THE RUUD BOY!

OLD TRAFFORD, MANCHESTER, SEPTEMBER 2003

At the height of the fierce Arsenal/Man United rivalry of the early Noughties, Van Nistelrooy's last-minute penalty miss sparked an aggressive barrage of abuse from Gunners defender Martin Keown. Que hell breaking loose at Old Trafford!

GHOST GOAL CONTROVERSY!OLD TRAFFORD, MANCHESTER, JANUARY 2005

Pedro Mendes' ambitious long-range shot should have given Spurs a famous 1-0 victory over Man United – it finished a clear two yards over the line. But incredibly, ref Mark Clattenburg waved play on. Whoever said Man United get the rub of the green at home?

20 ADEBAYOR'S ON HIS KNEES! ETIHAD STADIUM, MANCHESTER, SEPTEMBER 2009.

First he walked out on Arsenal, then he stamped on their best player, but worse was to come. Upon scoring against his former employers, Emmanuel Adebayor ran 80 yards to celebrate in front of the Gunners faithful. It's fair to say they weren't best pleased!

JOSE'S SPECIAL INTRODUCTION STAMFORD BRIDGE, LONDON, JUNE 2004.

Jose Mourinho's first press conference as Chelsea boss was hardly subtle. "I am a special one," he confidently announced, much to the mockery of Britain's press. In fairness, his subsequent record at Stamford Bridge was befitting of such a claim.

KEANE SWINGS FOR SHEARER! ST JAMES' PARK, NEWCASTLE, SEPTEMBER 2001

In the first of his three angry outbursts on this list, Man United's Roy Keane was sent off for swinging a fist at Newcastle's Alan Shearer. "I regret it," Keano said later. "Because if I was gonna get a red card for it, I should've punched him properly."

PHIL BROWN AIRS DIRTY LAUNDRY IN PUBLIC! ETIHAD STADIUM, MANCHESTER, DECEMBER 2008

With Hull 4-0 down at half-time on Boxing Day, their gaffer discarded any sense of Christmas spirit, instead keeping his players on the freezing cold pitch and laying into them right front of the travelling Hull faithful. Bah, humbug!

FOWLER SNORTS GOAL LINE! ANFIELD, LIVERPOOL, APRIL 1999.

Fed up of allegations that he was on drugs, "God" mimicked the snorting of cocaine while celebrating a goal in the Merseyside derby against Everton. It didn't go down well with the powers-that-be – a big fine and four-match ban ensued.

TEAM "MATES" SCRAP IT OUT! ST JAMES' PARK, NEWCASTLE, APRIL 2005.

Lee Bowyer and Kieron Dyer were meant to be working in unison for the Magpies, but instead erupted into a punch-up during this match against Villa. Both were sent off, and Newcastle's eight remaining men (Steven Taylor had been sent off earlier) lost 3-0.

KEVIN KEEGAN'S "LOVE IT" RANT! ELLAND ROAD, LEEDS, APRIL 1996.

With Newcastle and Man United duelling in an intense title race, King Kev lost the plot with a rant aimed at Alex Ferguson, all live on air during a post-match interview. In one finger-jabbing moment, Fergie won the mind games and Man United won the league.

MAN UNITED 8-2 ARSENAL! OLD TRAFFORD, MANCHESTER, AUGUST 2011

Undoubtedly the maddest scoreline in Premier League history, as a depleted Arsenal side crumbled in spectacular fashion. Afterwards, Gunners manager Arsene Wenger refused to accept it was his lowest ebb, but he wasn't kidding anyone.

THIS BECKHAM KID AIN'T HALF GOOD! SELHURST PARK, LONDON, AUGUST 1996

On the opening day of his first full season, 21-year-old Becks audaciously took a shot from inside his own half, lobbing Wimbledon goalkeeper Neil Sullivan and announcing himself to the world with a goal later voted the greatest of the decade.

DI CANIO'S A GOOD CATCH! GOODISON PARK, LIVERPOOL, DECEMBER 2000

With Everton's goalie in an injured heap on the ground and the goal at Paolo Di Canio's mercy, West Ham's unpredictable striker chose to sportingly catch the ball instead of scoring. He was penalised for handball but later won Fifa's Fair Play Award.

KEANE TAKES REVENGE ON HAALAND!MAINE ROAD, MANCHESTER, APRIL 2001.

Three years after he'd been goaded by Alf-Inge Haaland for "faking" what was a real knee injury of his own, Roy Keane flew into a savage premeditated assault on the Norwegian's knee. "Take that, you c**t!" was how Keane put it in his autobiography.

FOOTBALL MADNESS

LIFE'S A BEACH FOR BENT! STADIUM OF LIGHT, SUNDERLAND, OCTOBER 2009

Sunderland beat Liverpool 1-0 thanks to a Darren Bent strike that bizarrely deflected in off a blow-up ball that a Reds fan had thrown onto the pitch. Strangely, no such beach-related paraphernalia has been seen at Liverpool games since.

KEANE VS VIEIRA TUNNEL BUST-UP! HIGHBURY, LONDON, FEBRUARY 2005.

These two iconic skippers were supposed to shake hands, swap memorabilia and introduce the child mascots, but they were entrenched in such hatred for one another that they had to be restrained from brawling in the tunnel before the game instead.

CITY'S LAST-MINUTE MAYHEM! ETIHAD STADIUM, MANCHESTER, MAY 2012

In the maddest climax to a season ever, Man City's Sergio Aguero thumped home a winner with his last kick in the last minute of the last game, edging City ahead of Man United – who were celebrating after beating Sunderland – in the race for the title.

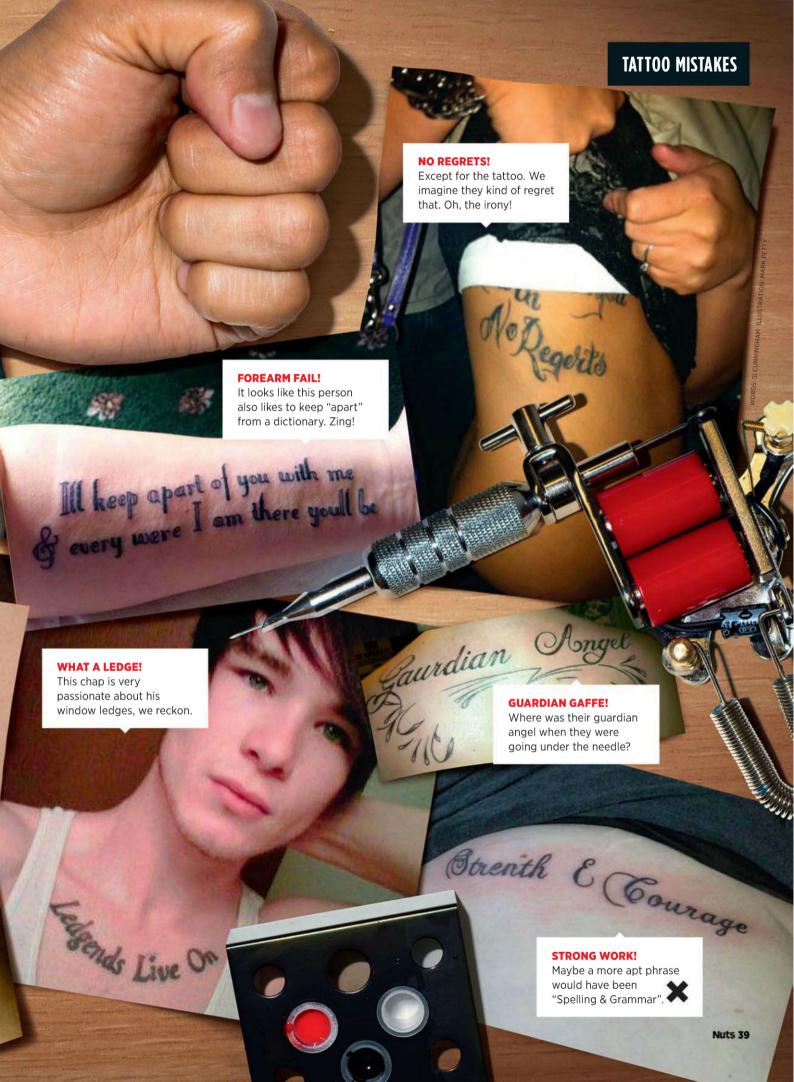

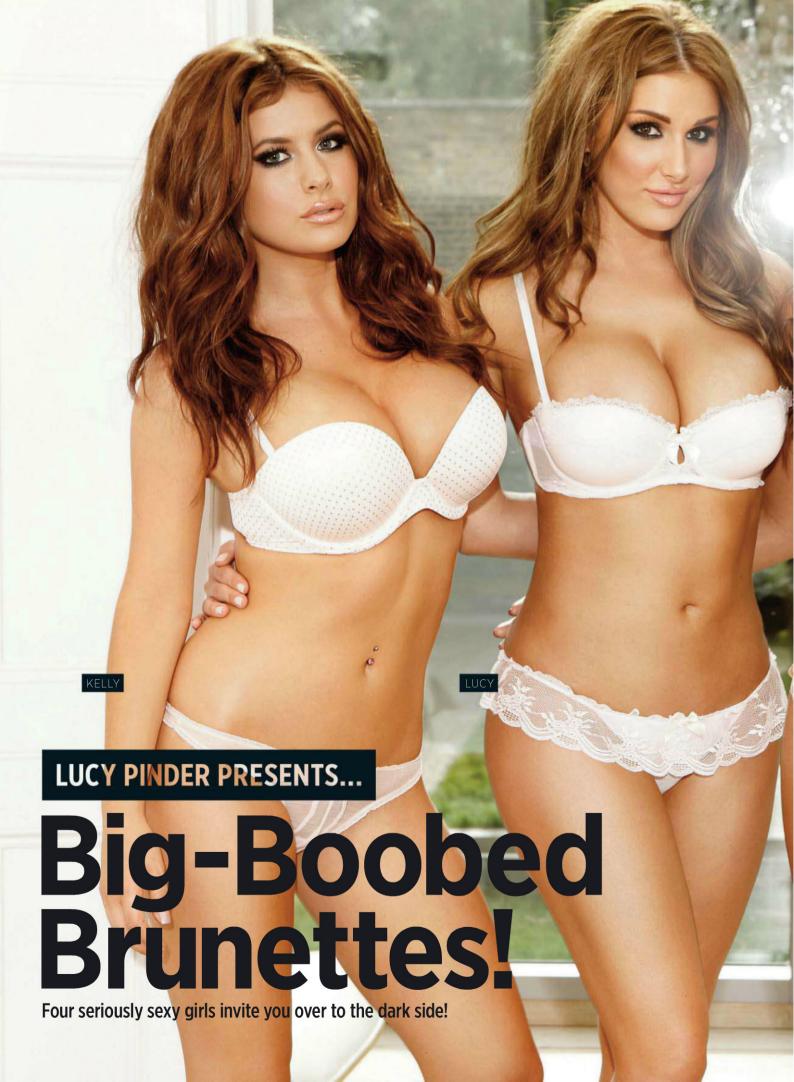

PAOLO PUSHES HIS LUCK! HILLSBOROUGH, SHEFFIELD, SEPTEMBER 1998

Years before his Mr Nice Guy antics, Di Canio was sent off for kicking Arsenal's Martin Keown, then shoved referee Paul Alcock, an act made all the more memorable by the official's comically staggered descent to the turf. No fair play awards this time!

Lucy Pinder

i Lucy! How are you enjoying the brunette action today? Hello! It's lovely to see so many dark-haired beauties in one place, isn't it? I don't think you can beat the whole "big boobs and brunette" combo. There's something very classic and sultry about it.

Who's the hottest brunette in the world at the moment? Well, my big girl-crush is Penélope Cruz. I definitely feel a bit hot for her. She's very classy and has an amazing bod.

Where's the weirdest place you've been recognised?
I get spotted in the gym most of all – perhaps it's because I'm bouncing around a bit?
Oh, and I get chatted up by lesbians a lot!

Really? Tell us a bit more about your lesbian followers...

The other week, a girl sent her friend over to ask me if I was gay or straight. She was really fit! So I went over with my friend and had a really nice evening with these lovely lesbians. But no, nothing like that happened.

Have you ever tried to blag a free copy of *Nuts* because you're on the cover?

Well, it's a bit embarrassing to go and buy a copy of *Nuts* when you're on the front cover so my mum buys it for me, so I can read it. And my nan keeps every copy I've ever been in!

Are you planning to go to any Saints games this season?

I'm really pleased we got promoted, so hopefully I'll get to go to a couple this season.

If they finish in the top half, will you consider streaking?

Ha-ha! I don't think they'd let me! I'm not risking a lifetime ban just to get my boobs out – I do that enough anyway!

Holly Peers

ey Holly! Are you brunette through and through?
I am, for sure!
Although when
I was 19, I dyed
my hair plum and cut it into a bob. I was having an awkward teenage phase. That was a bit of a mistake! Life is definitely better as brown.

Do you think brunettes are sexier in general?

It's a tough shout. *Nuts* has so many babes – blonde, brunette, redhead – that it's hard to pick who's the sexiest. I'd definitely say that we can come across as being a bit more exotic.

When was the last time you had a boob malfunction?

Oh, when am I *not* having a boob malfunction? I was in a swimming pool with my friend last week. She missed a step and went to grab something – but it probably wasn't a good idea to hold on to my bikini! Ha-ha! It was a crowded pool...

Have you ever used your boobs to blag something?

Yes! I went out to buy cigarettes for a mate, but the guy in the garage didn't think I looked old enough. I couldn't believe it! There was no chance I was going home again to get my ID, so I just grabbed *Nuts* and said, "I wouldn't be in this if I was under 18, would I?" He was gobsmacked!

Do your boobs have pet names?

No! Any guy who ever gave my breasts pet names would immediately find himself single. Seriously, they're lovely as they are without having some awful pet name!

Finally, our amazing summer is almost over. How can we keep the nation's spirits up?

We should have a proper Boob Olympics, like the one that was in *Nuts*. Medals for bounce, size and shape. I'd volunteer to be a judge, I'm an expert!

Stacey Poole

i Stacey! Who has more fun - you or your blonde friends? I've got one blonde and one brunette bezzie mate and we're all as bad as each other. That said, my blonde pal is more fiery and louder and out there, and we just follow what she does.

Are brunettes more mysterious?

Us brunettes let the blondes get all the attention first, then we just swoop in and own the place with our sexiness.

Tell us about your last really great night out.

It's got to be Ibiza. The drinks are so expensive in Ibiza, so when we got to the bar they said, "If you flash me your boobs, you can get some free shots." So we were like, "Yeah, no problem!" The boobs came out in the middle of the club and we all got free shots!

Whose boobs are you most impressed with?

Sabine. She's just absolutely amazing in the flesh. I can barely speak when I see her. But I love getting to see Lucy Pinder's boobs on this shoot.

Does it ever feel weird seeing yourself in the magazine?

I was looking in *Nuts* the other day and the guys in Afghanistan were pictured holding up a copy of the mag that I was in. It's bizarre to think I made it all the way out there. My boobs are on the front line!

Have big boobs ever got you into trouble?

Sometimes they make you clumsy. It's like a trade with karma. I always knock things over, especially when I'm in a hurry. I think I need a beeper system like long vehicles have when they reverse – beepbeep! A booby beeper!

Kelly Hall

i Kelly! How are you enjoying working with Lucy today?
She's so lovely!
She's actually just a very warm, kind love machine. She has all these posh cats that she feeds gourmet fish to and strokes on her lap. I would very much like to be Lucy Pinder's cat.
Imagine being stroked on Lucy Pinder's lap all day!

We'd love that! What's the best thing about being brunette?

People take you far more seriously than if you're blonde. Then I actually say something – usually rude or silly – and they realise they've made a terrible mistake. Ha-ha!

What's the craziest thing you've done on a shoot?

I was shouting into a camera, rapping with an Uzi in my hand for one shoot. I was spitting Jay-Z's lyrics, waving this gun around, rapping quite impressively. I've actually got some serious rhymes!

You and Miss Jones like a party, we've heard. Is that true?

Yes! Rosie recently dragged us up to dance on top of the bar *Coyote Ugly*-style and all these folks in the bar couldn't believe it. They weren't shocked, more terrified – then they practically exploded when we finished the song by getting our boobs out. We had to leave just after that.

Who do you have a crush on?

Jason Statham, maybe? I want a rough bloke with tattoos and who can boss me around. I like, "Oi, you, get back in that bed!" Well, maybe not quite that rude – maybe just the illusion of bossiness.

What was the last thing that really made you chuckle?

Anything Holly Peers does.
We can just be there and laugh at each other for hours.
Just pure silliness!

Its STUFF

The week's best TV, movies, games, fashion, music and tech!

Friday 7 September

Moldova vs **England**

ITV1/HD • 7.30pm

It only seems days since England's triumphant (or not) Euro adventure, and they're off again, on the road to Brazil World Cup qualification. And where could be a more glamorous place to start than Moldova? Think of those Rio beaches and dream.

"Everyone assembled?

Ace! Sonisphere,

CHANNEL 5/HD • 9pm

This has definitely been one of the better editions of Celeb BB. Not only has it had Nuts girls Rhian and Danica looking super-fine, it's also had loopy Jasmine Lennard and likeable chaps Mike Sorrentino and MC Harvey. But who'll take the crown?

2012 MTV Video **Music Awards**

MTV • 9pm

The annual back-slapping ceremony for the rich and famous always chucks up a fair bit of entertainment. Who'll wear what? Who'll win the coveted Video Of The Year? But, more importantly, who will make a boob of themselves? Cough, Kanye, cough...

HISTORY/HD . 9pm

Make sure you watch this bunch of loons, who take on the medieval sport of jousting while decked in suits of armour. Oof! Painful stuff.

Saturday 8 September

Doctor Who

BBC ONE/HD • 7.35pm

The second episode of this brand spanking new series has everything you'd want from a Time Lord tale... spaceships, dinosaurs, Harry Potter stars and, more importantly, Karen Gillan looking fitter than ever as the Doc's sexy sidekick Amy Pond. Plus it's still more entertaining – and believable – than *The X Factor*!

Moneyball

SKY MOVIES PREMIERE/HD • 10pm

You don't have to be a fan of baseball to enjoy this superb man-friendly sports drama. Brad Pitt's the coach of the Oakland Athletics, who are doing terribly. That is, until he meets Jonah Hill (who actually plays this serious role brilliantly), who's a statistical genius and helps Pitt put together a motley crew of a team.

The Butterfly Effect

CHANNEL 4 • 11.15pm

It's an oldish flick but it's also very clever. Ashton Kutcher is a student who discovers he can travel back in time. When he does so, he tries to fix past traumas in his childhood, but his fixing has a catastrophic knock-on effect in his current life.

THE JONATHAN ROSS SHOW

ITV1/HD • 9.55pm

If you're coerced into watching Wossy, behold the mesmerising Cheryl Cole. Make your escape before the visually rotten Andrew Lloyd Webber crops up though.

Sunday 9 September

Strike Back: Vengeance

SKY1/HD • 9pm

Oh dear. Stonebridge and Scott have got themselves in a right old pickle. They're in insane warlord Waabri's lair, and they need to escape. Elsewhere, two mercenaries try to do a deal with the warlord to get their hands on a case of nuclear triggers.

Dragons' Den

BBC TWO/HD • 9pm

Thanks to endless repeats on Dave, we've perfected our Duncan Bannatyne "I'm oot" and use it in everyday life. In this one, there's a boxer, an Irishman who royally screws up his figures and some mimes. Expect the Dragons to shatter more dreams in this new series and, occasionally, dish out some dough.

Family Guy

BBC THREE • 10pm

Poor Peter. After years of crushing Lois in the bedroom, his wife brings twin beds into the boudoir so as to prevent her death underneath her husband. All very well and good, but Peter finds that without a cuddle, he can't get to sleep. Stewie, meanwhile, has finally met someone who shares his love of high-tech weaponry.

RESIDENT EVII

CHANNEL 5/HD • 9pm

When you watch the crow attack scene, know this only two actual crows were used in the whole sequence. The rest were CG!!

Fifth Gear

DISCOVERY CHANNEL/HD • 8pm

It may never scale the heights of Top Gear (what could?) but this longrunning alternative is still good for a motoring fix in the Beeb show's absence. Swedish rally bloke Stig Blomqvist takes Nuts' Jonny Smith for a drive on ice, and the convertible Mercedes SLS AMG is tested against an Aston Martin, a Jag and a Bentley. ***

Ross Kemp: Extreme World

SKY 1/HD • 9pm

The second episode of the new series sees Ross Kemp mission into Caracas, Venezuela. Boasting an incredible murder rate and a phenomenal number of guns in circulation, plus a failing prison system, Ross tries to get his head around a country in despair.

Beaver Falls

E4/HD • 10pm

It's the last in the series following the Brits abroad as camp counsellors in the States. It's the big day for Flynn and PJ as they prepare to make it official and get hitched. But half the camp know that Flynn got down and dirty with PJ's mum last year, so can he make it down the aisle without his future missus finding out? Unlikely!

Tuesday 11 September

Pursed Lips Day

oddly popular **Person Of Interest**

ITV1/HD • 7.30pm

vs Ukraine

England

After facing Moldova on Friday, England face a stiffer-looking test against the Euro 2012 co-hosts. And they're without Wayne Rooney. Home advantage should come into play, though, so we expect it'll be played two, won two, by the end of this.

CHANNEL 5/HD • 9pm

We're enjoying this drama but find Jim Caviezel's Reese a bit wooden. Still, another week, another number to pop out of the machine of doom, telling Reese and Finch who's about

to be killed or do the killing. This time, it's a judge and his son in trouble.

Bad Education

BBC THREE • 10pm

The good news for posho funnyman Jack Whitehall is that the Beeb have commissioned a second series of this school-set sitcom before the first run has even finished. That goes to show how much everyone's enjoying it us included. This week, hapless Alfie (Whitehall) is put in charge of PE, despite being rubbish at sport.

DISCOVERY REAL TIME • 9pm

Meet Nathaniel, who has been in a relationship with his car for a few years. He's had the sex with it too!

Wednesday 12 September

England vs South Africa

SKY SPORTS 1/HD • 6pm

We're getting a tad fed up with those pesky Springboks – first they depose England as the top Test nation, then rob them of the one-day crown, then drive Andrew Strauss into retirement! Thankfully, this final match in a threegame Twenty20 series sees them off.

Anger Management

COMEDY CENTRAL/HD • 9pm

After Charlie Sheen went completely bonkers, he was fired from *Two And A Half Men*. But this is his comeback show. He stars as a former baseball player-turned-therapist. He has issues of his own, so sees his own therapist, who he also happens to be shagging.

Shameless

CHANNEL 4 • 10pm

There's a phrase, "jumping the shark", which means something has carried on for longer than it should have. We mention this as this is the tenth series of *Shameless*, and it should probably have ended some time ago. But, for the hardcore fans, it's back! Family patriarch Frank Gallagher has returned, and this time, he has a job!

Thursday 13 September

Lethal Weapon 3 Good Cop

CHANNEL 5 • 9pm

We recommended you watch the original *Lethal Weapon* on Monday as a nod to classic telly, so when we spotted this, we couldn't ignore it. This time, Riggs (Mel Gibson) is back with Murtaugh (Danny Glover), who's days away from retirement. Will he make it there unscathed? Joe Pesci's also back as the amusing Leo Getz.

BBC ONE/HD • 9pm

It's the penultimate episode of the cop-based drama and it's all going off! The team are about to start a door-to-door investigation to try and score some clues in Callum's murder. They have to remain professional even though he had a hand in Andy's death. And then Sav spots one of Andy's killers in the cop shop.

"I like to call it 'holiday rep chic"

Celebrity Juice

ITV2/HD • 10pm

It's our favourite quiz host Keith Lemon with his usual lovely lady team captains Holly Willoughby and Fearne Cotton answering random questions about showbiz. This week, *American Pie* star Jason Biggs is among the guests, and you can rest-assured he'll be in for a proper mickey-taking courtesy of our flame-haired hero.

KARINA: WILD ON SAFARI

ANIMAL PLANET/ HD • 8pm

We're not suggesting you watch this show about nice fluffy animals, but do check out hot hos Karina Holmes.

OK, HERE'S the deal. EA's awesome new driving game Need For Speed: Most Wanted is out on 2 November and they want you to be among the first blokes on the planet to play it.

In fact, they're so keen for you to have a crack, they've created something called the EA *NFS*: *Most Wanted* Hub (essentially a big posh trailer) which they're going to park up at the FIA European Drag Racing Championships at Santa Pod Raceway in Northants this weekend (6-9 September), fling its doors open and invite you in to have a go. Inside this wondrous palace

of delights, you'll not only find stacks of games consoles all loaded with preview copies of *NFS: Most Wanted* but two of the finest-looking women ever to grace the pages of this esteemed gentlemen's periodical – step forward, Ms Emma Frain! Take a bow, Ms Jodie Gasson!

Prices to get into Santa Pod start from £4 but entry to the Hub is free and what's more, once you're in there, you'll get the chance to prove you can kick botty when it comes to driving games. Simply gain Speed points in each demo session you compete in to challenge for the title of

Most Wanted Driver over three rounds. Secure that particular honour and not only will you get a rather ace *NFS* T-shirt, but your name will go up on a leader board which, if you're topping at the end of the tour, will win you a shiny new iPad

and, no doubt, plenty of admiring glances from Ms Frain and Ms Gasson.

 So what are you waiting for? Go to www.santapod.co.uk/ for tickets!

Racy revelations from our female readers!

We were hungry for more'

I'M IN my first year at uni and I have to share a room. One night I came back drunk and sweaty from dancing, jumped in the shower then collapsed naked in bed – my roommate was already asleep. I nodded off quickly but was woken up by my roommate stroking my naked body. She was embarrassed, but I leant in to kiss her. She had the softest mouth and our tongues were hungry for more. I moved down her curvy body until her legs were over my shoulders. She was so wet and I kept licking until she screamed in pleasure. We experiment quite a bit now and we're looking for a guy to share our fun! Lauren London

'Our first threesome'

MY NEW fella and I had spoken a few times about a threesome and we were both eager to give it a go. After a load of drinks and some silly dancing at a cheesy disco one night, we headed back to ours with an old schoolfriend of mine. I went into the bathroom to touch up my make-up and

my friend suddenly appeared at the doorway. She stepped towards me and kissed me on the lips. Wondering what we were up to, my fella walked in and a huge grin spread across his face. We beckoned him in and both started to undress him. He gave my friend a kiss and put his hand up my skirt and into my knickers. We all ended up in the shower, soaping each other down. It was the most exciting night we'd had so far and I definitely think we'll be doing it again. Steff Lincoln

'I released his stiffy'

A FEW years ago at university, I lived in halls and was lucky enough to have my own room. I love sex and if I'm not doing it with someone, I enjoy masturbating with my huge variety of sex toys. One evening I forgot to lock the door and a guy from my science group came walking in to find me with my hands down my knickers and nipple vibrators on each boob. He was really hot and geeky and I'd always had a secret crush on him. I asked him to join me on the bed, released his stiffy and gave him my expert blowjob. It's probably the naughtiest thing I've done! **Alex Hull**

'Our friends caught us'

I WAS at a friend's housewarming party a couple of weeks ago when I noticed a guy who I've fancied for months giving me the eye. I met his look instantly and before I knew what was going on we were in the garage ripping each other's clothes off. He lifted me up against the cold garage wall, holding my hands above my head as he pounded me. Just as we were about to climax, we heard the automatic garage door opening. Well, by then, we just couldn't stop and, as the door opened, all our friends turned to see what was happening. They couldn't believe we were still going at it. The bliss of the climax easily outweighed the embarrassment and now just the thought of it is enough to get me going! Sasha Hampshire

i Bianca, what's an ideal first date for you? A full

body massage at a spa, followed by champagne and strawberries in the hot tub.

How could we impress you for £5?

Blow the whole £5 on chocolates and have a cosy night watching movies.

How would you give a bloke a night to remember?

Hit the club with a few friends, and then dance to make him want me!

How can a man make himself attractive?

By treating women like princesses!

Finally, what's the key to your heart?

Someone who can make me laugh so hard I'm crying. ICTURE POSED BY MODE

10 RUDE QUESTIONS!

And a real girl to answer them!

Dannie

21 Hertfordshire

Where's the strangest place you've had sex?

"On a balcony in Majorca while looking at the stars. It's not very strange but it was such a turn-on. It was the best sex I've ever had, and we did it five times!"

What's your trademark move in the bedroom?

"I can do the splits during certain sexual positions. I used to dance so I have loads of kinky sex tricks like that. I can bend into very strange positions!"

What turns you on? "Nerdy guys! I love a man who's really clever and a bit quirky. I need a man who can hold a decent conversation and surprise me in the bedroom!"

What's your favourite position?

"I like to be on top doing the splits with my man bouncing me up and down. That gives me orgasms like you wouldn't believe!"

5 Is it better to give or receive?

"Give, give, give all the way. I love to receive, of course, but I do quite enjoy a naughty blowjob."

What would you really 6 like to try but haven't?

"I've never had a threesome and really want one! I'm not sure whether I'd prefer two girls or two guys though."

Have you ever got it on with another girl?

"Oh god, loads of times. I'm as straight as they come but a sneaky drunken kiss with one of your girl friends is always great fun. I'm a big fan of spin the bottle."

8 What's your favourite role-playing costume?

"My Miss Massage costume by Ann Summers that I borrowed for Halloween from my friend. I don't want to give it back!"

Have you ever made a sex tape?

"Sorry, I haven't. I think I would with the right man though. If I did I'd make it really naughty!"

What's the rudest thing you've done?

"I flashed my boobs at another car that was driving by. It was so funny - the driver saw and nearly crashed! Warning to all drivers - if you see my baby pink beetle cruising by, expect to see some boobies!"

As qualifying kicks off, we look ahead to a Rio rave-up! FIFA WORLD CUP

IT'S THAT time again! Yes, qualification is about to get under way for the 2014 World Cup, and all the Home Nations will want to get there, not only because it's the top tournament in football but also because it's in Brazil! Home of the most successful international team the world has ever seen, the best player it

 Moldova vs England, Fri 7 Sep, 7.45pm, ITV1/HD England vs Ukraine, Tue 11 Sep, 7.45pm, ITV1/HD

has ever seen – and loads

of hot babes! Here's why it's going to be *awesome*!

"Why are you twying to stwangle me?"

> The possibility of Roy Hodgson trying to say: "Terry needs to be really very wary of France's Franck Ribery in Rio". Heh-heh!

The Brazilian wandering spider - the world's most venomous and aggressive spider! Its bite can cause painful erections!

"Come on, you two, stand closer together"

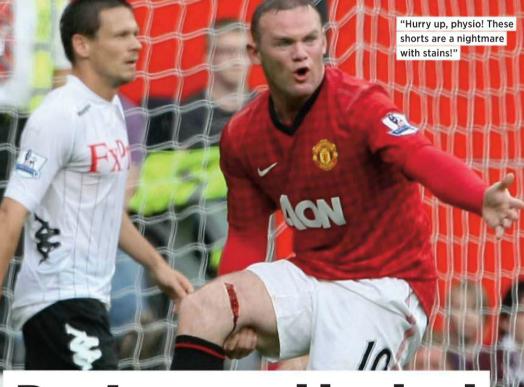

England are currently ranked no.3 in international football, so are guaranteed a place in the semi-finals. Honest!

CRACKING VIEWS!

Did we mention the thongs yet? Lots of lovely thongs. The reason they invented near-total downstairs waxing. Mmmm!

Roo's wound looked like a nasty one!

Wazza's thigh gash wasn't one for the squeamish!

POOR WAYNE
Rooney – that gash
was horrific! It just
shows how something that
looks innocuous can be so
gruesome. When I saw it
I thought there was nothing
in it, a slight tear that
wouldn't require stitches.
But now I don't know how
he can get it to heal in a

short time. Sorry, England!

I had Peter Schmeichel on the show last week and he was talking about how he was physically sick when Coventry's David Busst suffered a horrendous compound fracture of the leg right in front of him.

Thankfully, I've never seen anything like that in the flesh – no pun intended – but you could see from the reaction of Danny Welbeck that Rooney's injury was not a pretty sight.

The good thing is there were no recriminations towards Fulham's Hugo Rodallega – often you get managers in a rage when their players suffer an injury but you could see it wasn't intentional. It's just one of those things that happens.

Belgium have come from nowhere!

WHAT IS going on with Belgian football? What a group of players they have!

I was a bit disappointed with Eden Hazard when he played against England in their friendly before Euro 2012, but just look at the players they have – Vincent Kompany was injured for that game, Vermaelen, Fellaini. If they can get their act together then they have the players to be challenging Spain for top dogs of Europe.

I don't know where they've all come from but the fact is that they're here and they look absolutely great!

 Send jokes, comments, pics etc to kammy@ipcmedia.com.
 The best one each week wins a signed Nuts T-shirt!

Roy, don't let me down!

QUALIFICATION FOR Brazil 2014 starts this week, and I'm looking forward to spending a little time down Rio way. I've already sorted out my travel and got my hotel room sorted, so if Roy and the boys let me down I'll be devastated! But England have a decent group and should qualify, so I'm not worried. Much.

"Get lost, ball!

the can-can!"

We're practising

ITV1/HD, 8pm

Well, England dealt with them in Ukraine at Euro 2012 so they really should be able to deal with them on home turf, especially now Shevchenko has retired. Ukraine were all about him - England can't lose to a Ukraine team that doesn't have him in it!

Key man

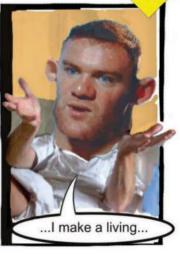

In the absence of Wayne Rooney, Roy needs to rely on skipper Steven Gerrard. He held it all together in the Euros he'll have to do it again.

3. Pick Deal or No Deal slots!

 Betting on all 20 paylines gives you 20 chances to win on each spin, as well as the chance to play the Deal or No Deal bonus game.

How to play

- The aim is to get winning symbol combinations from each spin of the reels, with the ultimate target being the Progressive jackpot.
- Choose your coin size (up to 20p on each of the 20 paylines) before you play.
- Click the number beside the reels, or the "Bet One" or "Bet Max" button to select the number of lines you want to bet on.

The jackpot

- The Progressive can only be won on the Deal or No Deal bonus, but you can win cash on other bonus games Banker's Offer and Mystery Box Bonus, too.
- The Deal or No Deal bonus game only begins if you bet on all 20 paylines and get three Deal or No Deal bonus symbols on any payline. This plays like the TV show, but with the Progressive at stake.
