PEUGEOT ONYX CONCEPT

Although apparently a design study, this carbon-tubbed Onyx supercar sports a mid-mounted 3.7-litre diesel V8, which joins forces with a designed-for-Le Mans electric motor. The untreated copper body panels should age gracefully.

Halo 4 first play!

Oh yes! *Nuts* has had a go on all-new *Halo*!

➔ WE'LL BE honest, we had reservations about this one. When *Halo*-makers Bungie stepped away from the franchise after *Halo: Reach* and Microsoft established a whole new studio to take over the franchise, the opportunity to stuff it all up was legion.

Happily, we've sat down in front of a big telly for three hours for an exclusive *Halo 4* tinker and phew! It's really, really good. You be the judge on 6 November, when you'll slide it into your Xbox 360.

MISSION TWO!

In the second mission (chronologically, actually mission three) the Chief faces his new enemies – the Prometheans – AI constructs that are *much* harder to take down than the Covenant scum.

MISSION ONE!

Master Chief awakens four years, seven weeks and ten days after *Halo 3* to find his ship surrounded by Covenant forces in orbit around a mysterious metal planet called Requiem. Time to shoot stuff!

SPARTAN OPS!

We then had a tinker with *Spartan Ops*. Set six months after *Halo 4*, this is an incredible ten-week episodic multiplayer co-op series you'll download free if you've bought the game.

VERDICT!

With all-new enemies, the look, feel and rhythm of *Halo* has changed completely. So it jars at first, but get stuck in and this could well be a classic, and exciting new chapter, in the *Halo* story.

NEW MODES!

Developer Treyarch has confirmed that there will be all-new modes in this biggest-ever Zombies pack. Alongside classic "Survival" will be "Tranzit" and "Grief" modes.

Plus! CoD zombies are back!

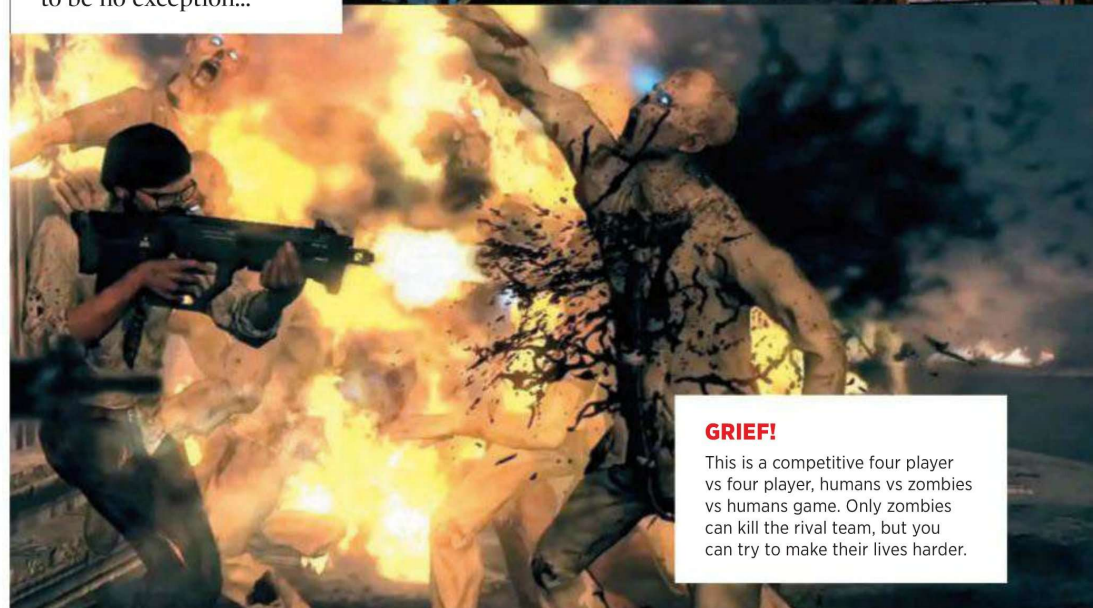

Black Ops 2 gets undead shooting!

➔ **BLACK OPS 2** may be mostly about future fighting with drones and whatnot, but the zombie bit of *Call Of Duty* has slowly become a cult smash. This year's looks to be no exception...

TRANZIT!

Tranzit is a huge, story-based campaign where players travel between missions in vehicles which give some protection, but will be under siege throughout.

GRIEF!

This is a competitive four player vs four player, humans vs zombies vs humans game. Only zombies can kill the rival team, but you can try to make their lives harder.

Holly's hot calendar!

Make every day special with Ms Peers!

➔ **WHEN YOU** get a new calendar, the first thing you do is flick to your birthday to see what sexy snap it holds. For *Nuts*, it's 15 January, when our first issue was dished out into the hands of excited chaps, way back in 2004. It's also Edith Bowman and Skrillex's birthday, and the day Elizabeth I was crowned Queen back in 1559. So a fine day in anyone's book. But we digress. Look! It's Holly Peers' 2013 calendar!

Formation wingsuiting!

100 skydivers make a pretty shape!

SEEING AS
it looks so
impressive, it's

quite a surprise that this is the first time a wingsuit formation skydive has been attempted. So fair play to these plucky peeps who bunged themselves out of five separate planes cruising at 13,000ft above Perris Valley in Southern California, to make a lovely 80mph diamond.

There was also a man with a clipboard from Guinness World Records there. We expect a nice, framed certificate to be dished out any day now.

WORDS: RORYBUCKERIDGE PHOTOS: BARCROFT MEDIA

Rumours of an
iPhone 5 restock
had spread quickly

Wingsuits you, sir!

- Early wingsuits date back to the 1930s, using canvas and whalebone.
- **The first commercially available wingsuit wasn't launched until 1999, by a company called Birdman International.**
- Wingsuit jumps are complex, so most authorities require jumpers to have completed at least 200 skydives within 18 months before one can be attempted.
- **Swiss nutjob Yves Rossy strapped four jets to his wingsuit to cross the English Channel and Grand Canyon at around 190mph.**

KICK-ASS RETURNS!

Hapless hero Kick-Ass (Aaron Johnson) returns to battle arch enemy Red Mist in a story that should be a lot darker if it's faithful to the original comic book version.

Russell Brand had finally lost the plot completely

Kick-Ass 2 first look!

Filming for the sequel has started in Canada – here's a sneak peek!

KICK-ASS WAS the sweariest, most impossibly violent and most fun flick of 2010. So it's great that the sequel's being filmed in Toronto. *Kick-Ass 2: Balls To The Wall* sees the original cast joined by a roster of new and deluded crimefighters. Expect it to hit cinemas next July.

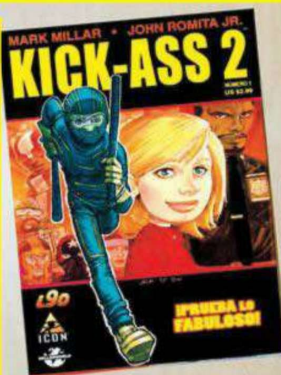

RED MIST RETURNS!

Christopher Mintz-Plasse returns as Red Mist, but he's now a hardcore villain calling himself simply "Motherf**ker", leading a gang called the "Toxic Megac**ts". Charming!

The Expendables 3 jumped the shark

THE COMIC BOOK!

Kick-Ass 2 is based on the third of Mark Millar's comic book series, with two more books planned.

NEW CREW!

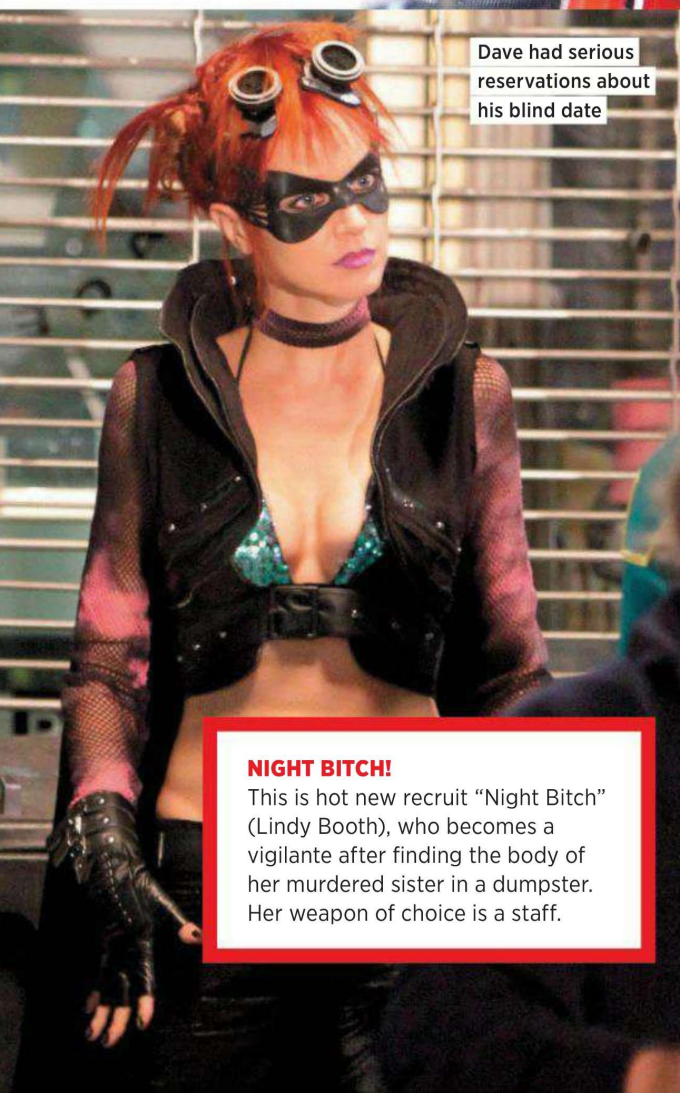

This new team of crime fighters call themselves "Justice Forever", led by Colonel Stars (Jim Carrey). They are: Insect Man, Battle Guy, Night Bitch, Kick-Ass, the Colonel and Dr Gravity.

Kate Middleton was taking no chances

HIT GIRL'S BACK!

Chloë Grace Moretz returns as the schoolgirl psychopath. At the start of the movie she's renounced violence to retire into a normal life, but later dons the mask once more.

Dave had serious reservations about his blind date

NIGHT BITCH!

This is hot new recruit "Night Bitch" (Lindy Booth), who becomes a vigilante after finding the body of her murdered sister in a dumpster. Her weapon of choice is a staff.

On his rubbish electrician!

"I like my electricity sockets like I like my women. One hole at the top and two at the bottom."

On cowboy builders!

"This plaque said, 'We are proud to be part of the considerate builders scheme.' I said, 'What does it mean?' He said, 'Everything we do, we go that extra mile.' I said, 'What does it mean?' He said, 'We try not to wolf-whistle at women.' 'Try', not 'don't'. What's next, a considerate hairdresser? 'We'll try not to shave a cock and balls in the back of your head.' 'This dentist looks good, darling. It says here on his website that while you're under anaesthetic, he'll try not to pull your knickers down, take photos of your chimney and upload them to the internet. It sounds too good to be true!"

On rubbish christmas presents!

"My girlfriend got me the Oral B Triumph 5000 toothbrush. You don't buy someone a toothbrush for a present! You might as well buy them a plug-in air freshener and some bleach. It's like giving somebody a toilet brush. 'Feel the weight of it, it's a joy to use. The sh*t is coming off like wet paper. Come and have a sh*t in here, love...' She said, 'It knows how long you've been brushing your teeth.' I said, 'What's the worst that can happen? You think I'm going to lose track of time and plough on into the night?'"

On his flaming Battenburg tattoo

"My girlfriend hit the bloody roof. And not for any logical reason. Her main reason was she doesn't like marzipan. She doesn't like the ingredients of my tattoo!"

On trains!

"I was on the train. They made 19 f**king announcements telling me how quiet it was in the quiet carriage. They might as well walk down the aisle with a trombone. 'Quiet carriage, quiet carriage, everyone quiet! [Mimes banging some drums.]'"

"They don't even make the tea these days, they just give you the component parts and you make it yourself. Cup of hot water, sachet with a teabag, sugar sachets and a plastic stirrer. It's like going to a restaurant. 'I'll have the burger, please.' 'Good choice, sir. Here's the cow, a baseball bat and a Kenwood Magimix.'"

On girls' nights in!

"They stick the music on, get pissed, dance around the living room and somehow daintily manage to avoid everything they own and smash the sh*t out of your stuff. Every time I come home: 'Sorry, we broke seven of your DVDs.' 'Any of yours?' 'No, they seem to have come off unscathed.'"

On getting engaged!

"They do this service in John Lewis where you go around and do a wedding gift list. An hour later we argued so badly in the café that we divvied everything into who was getting what when we got divorced. 'I'm having the plates!' 'They don't f**king exist unless we get married!'"

On Ryanair!

"What other airline has a fanfare just for f**king landing the plane? [Makes fanfare noise.] 'Another plane landed, the main basic requirement of a plane. It was either that or stay up in the air, or kill everyone.' We should all have a trumpet with us at all times ready to celebrate the most mundane things. I'd like to see my postman walking down the street with a bag in one hand and a bugle in the other. 'Another letter successfully delivered!'"

On arguments!

"Don't get into an argument with me. I don't mean I'll win - I'm sh*t. But I'll carry on long after you've lost interest and possibly died. You'll have to stop and give in and go, 'You win, Rhod,' and I'll go, 'Yes!' even though I f**king know I haven't."

Dobbin finally tracked down the teeth thief

A quick word with Mark Wright!

The *Take Me Out* chap on sympathy dates, *Geordie Shore* and Kate Middleton's boobs!

Hi Mark! How many lights would be left on after the first round if you were a contestant on *Take Me Out*?

I honestly don't know. You can't tell. The girls have different tastes, don't they? I could get all the lights turned off!

Should they change the format so boys do the lights and a single girl comes down the Love Lift?

That would be good. But I don't think they'd do it. Everyone says it wouldn't work. I think it's because the boys would all leave their lights on! The girls are far pickier.

Would you leave your light on for Paddy McGuinness if you were a girl?

Ha! I don't know! Men aren't my taste so I couldn't tell you.

Have you had a sneaky look at Kate Middleton's boobs on the net?

I haven't seen them yet. Send them over! Ha-ha!

Do you feel sorry for the girls who are left week in, week out? Would you offer them a sympathy date?

When they're on longer, sometimes they think they're getting more famous. So nah, I don't really feel sorry for them!

Have you ever been snapped in the buff?

There may be some pictures out there. I'd rather not talk about it!

Have you ever had to say, "Do you know who I am?" to get into a nightclub?

Um... no. Not ever. I'd rather not get in.

Finally, the *Geordie Shore* lot accuse the *TOWIE* lot of being boring. What do you say to those Toon tykes?

I don't want to comment! But I wouldn't want my daughter to end up on *Geordie Shore*, if you know what I'm saying! Ha-ha!

Candy Bar Girls

Should I shave or stay hairy?

My balls get awfully hairy and I'm tempted to wax. What do girls like best: a clean-shaven package or a bit of bush?

GREGORY via email

I think you should have a little something on top, but if you don't want to see pubic hairs stuck in a girl's teeth, I suggest you monitor the situation.

I'll leave that one with you.

I've got two left feet!

When I go out with my mates to nightclubs, they all seem to pull on the dancefloor. But I'm crap at dancing, and I freeze when a girl comes near. Got any tips?

ANON Lincoln

If you're not a confident dancer simply don't dance. It's called

LETTER OF THE WEEK!

I lost my bedroom mojo!

I've been seeing a girl for months now, and at first the sex was amazing, but now I feel like I have no sex drive any more. Is it a sign of a weak relationship?

RUPERT Rochester

There's a point in every serious relationship where the desire to be around one another is more than just a sexual one. But you should never deny her sex if she pleads for it – that would be silly. Do you miss the flirtation? It sounds like you should treat her. Send her to a spa for the day and tell her when she gets back she's in big trouble. Building anticipation and excitement could reawaken your sex drive.

"let's go talk on the dancefloor." The girl will do the grinding, all you have to do is keep eye contact and attempt to carry on your conversation. You won't be

able to hear each other, but it's the distraction that you need. If you're getting on well, little pinches or a hand on her back might also go down a treat.

New boobs get me down!

My girlfriend's recently had a boob job. I thought it'd be great, but she now insists on everyone feeling her new boobs. I find it a bit weird having guys feel her up. Should I say something?

SEAN via email

Are you being sensitive or is she pushing the limits? Either way, it's bothering you so you must talk to her. When a woman feels good in her body she'll gain confidence. You can advise her how she's coming across to others but ultimately, don't stay in a relationship if you begin to feel unhappy.

- If you've got something to ask Danni, just email her at thelesbian@nutsmagazine.co.uk or write to her at the usual *Nuts* address on p64.

TIM IS going speed dating and is nervous, so he asks his mate Dan for some advice.

"The key to a woman's heart is to agree with whatever she says," says Dan. "Whatever she likes, say you like as well. Whatever her interests are, say they're yours too."

Tim arrives at the speed dating centre and finds himself sat in front of a gorgeous brunette.

"I won't waste time," she says. "I like nothing more than going down on a bloke all night."

"Me too!" says Tim.

A DOCTOR and a lawyer are talking at a party. Their conversation is constantly interrupted by people describing their ailments

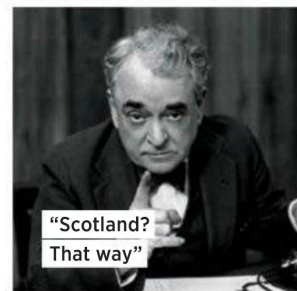

and asking the doctor for free medical advice. After an hour of this, the annoyed doctor asks the lawyer, "What do you do to stop people asking you for legal advice when you're out of the office?"

"I give it to them," replies the lawyer, "and then I send them a bill."

The doctor is shocked but agrees to try it.

The next day, still feeling slightly guilty, the doctor prepares the bills. He goes to fetch his post and finds a bill from the lawyer.

Nuts NEXT TOP MODEL!

Introducing the hottest new models – in their first ever *Nuts* shoot!

ONLY IN
Nuts!

Chloe

Behold – the Brighton babe with the 32D boobs!

Hi Chloe! How was your first *Nuts* shoot?

Hiya! Great fun – it was awesome to shoot for you guys, and I even got to meet the gorgeous Lucy Collett, who was hanging around the studio in her lingerie. Bonus!

So what would we find out if we went on a night out with you?

I'm a good laugh, for sure. I love playing practical jokes

on people – so keep an eye on your cup of tea on the next shoot with me! A night out with me would be a like a cross between *The Hangover* and *Bridesmaids*!

Who are your fave *Nuts* girls?

It's got to be India Reynolds, Rosie Jones and Emma Glover – I love the chemistry they have in all their pictures together. I'm actually friends

with them already and we have such a laugh, so I can't imagine how amazing it would be to do a shoot with them. They're so much fun on a night out.

Will you be expecting a place in the infamous "Glamilly" then?

Yes! I'll have to give Emma a quick call later and say, "Oi, Glover! Where's my place in this Glamilly of yours?" Ha-ha!

Do you have any weird or wonderful hobbies?

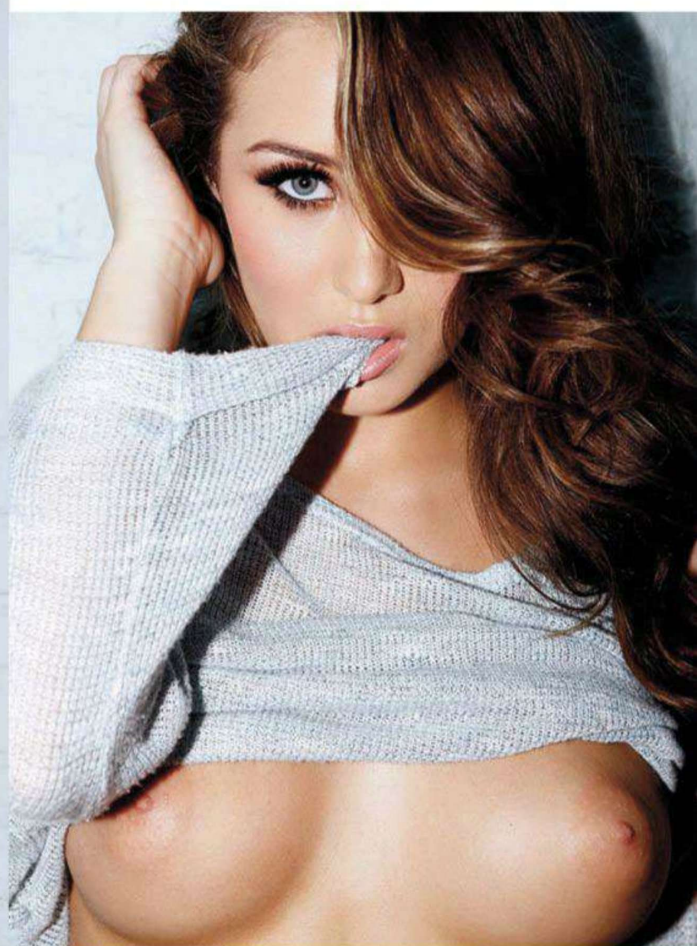

I tried surfing recently and I loved it! I picked it up right away. I might rock the sexy surfer chick look more often!

Finally then, what would your ideal shoot involve?

I'd take my favourite *Nuts* girls to an insanely exotic country and do a big naked shoot with lions and cheetahs!

ROSS KEMP

"THERE WAS A

BANG!

ROSS

I THOUGHT THEY'D DROPPED A BODY ONTO OUR CAR!"

KEMP

The gang-botherer's back in a world more extreme than ever!

Hi Ross! Tell us about your latest series of *Extreme World*...

Well, this is the second series that I've worked on. We've been to Karachi, Venezuela, Glasgow, Marseille and New Orleans. It's been more intense. The last show is having to go out later because we have some footage of people who've been beaten and set on fire after being accused of witchcraft.

Has there been a running theme for this series?

We've done 28 gang shows now and 15 in Afghanistan. My team and I have seen things that you would class as extreme but don't necessarily fit under gangs or war. "Extreme" is a wide enough umbrella to cover a whole gambit of current affairs.

How do you choose where to go in the world?

What we try to do is pick out individual stories that have a certain amount of interest. People have accused us of

being voyeuristic, but I think you have to show what you see. We're not seeking out these horrible bits of footage. If you come to the shows and you're shocked by what you see, you should be!

You seem to get very close to some dangerous people...

This time around one of the hairiest moments was being fired on in Karachi. Being shot at by snipers isn't good for you! There are always moments when you're scared, and I get a buzz from that, but there's only a certain amount of time I'll be young enough to travel around the world and meet these incredible people, so it's worth it. I'm given the budget and the time to spend with these people, and that's how we get the access.

Do you ever pay them?

We can't pay these people, no. We have to win their trust. These people are good at sussing out who's genuine, and who's not. Hopefully, they get quite quickly that I'm not there to bend their story – I want to hear the truth. Generally, the truth is shocking enough without having to tart it up.

What's been the scariest moment filming this series?

In Marseille, they have estates – like in London, like in Manchester – that are pretty much no-go zones for the police. We tried to get in there, to this estate that's been built like a fortress. As we drove in, we got stuck in a dead-end. Then bang! A 2.5-litre bottle of frozen water was dropped on our car from the tenth floor. If you want to see Ross Kemp jump, that's the time. I thought it was a body!

What about the thing that shocked you the most?

Because it was so close to home, it was probably what I saw in Glasgow. I've been ignorant to the extent of it. I met this prostitute who was injected with heroin at the age of nine. She took me where she sleeps under a bridge, where she'd recently been ill, and there were needles and excrement

on the floor. Yet there were luxury apartments 200 yards away! I felt embarrassed.

Is it true that you got some stick for including Glasgow in the series?

People say we're kicking Glasgow, but we went there for the statistics. But to say that these problems go on in that city alone is completely incorrect. I feel that the money we spend on welfare is probably being used in the wrong way. Maybe it's time we re-address how we deal with people who've slipped through the net.

Well, thanks for the chat! Finally, where is Ross Kemp taking us next?

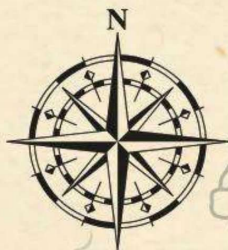

It's been such a full-on year. It's been so intense. But I'm doing a show about people who are mentally wounded by war. I don't think the government have put enough money in the coffers to deal with mental health. The film looks into that, and will be out just after Remembrance Sunday in November. ✕

HELL'S HIGHWAY

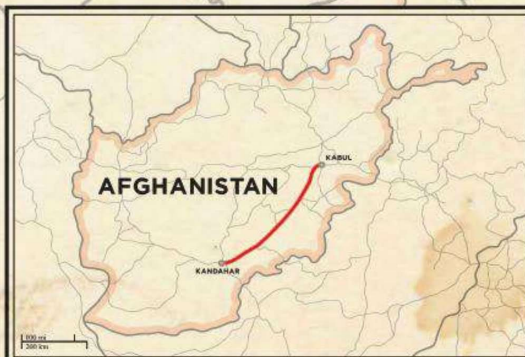

The road from Kabul to Kandahar is the planet's most dangerous drive...

کندهار
KANDAHAR

HIGHWAY ONE

د کابل
KABUL

Afghanistan's Highway One is a ring road that loops through the country. The 300 mile section that links the capital, Kabul, to the second city, Kandahar, is the World's most dangerous road. This year alone, it's seen around 200 bomb attacks and 300 shootings.

WORDS: NICK SOLDINGER, ALLY SINYARD PHOTOS: JASON P HOWE MAP: MARK WATKINSON

VITAL SUPPLY ROUTE

Although British and US troops tasked with securing this key corridor have made it a lot safer, it's impossible to protect every vehicle. On top of everything else, the (often Pakistani) lorry drivers contracted to supply Nato bases, face the prospect of being beaten and robbed by rogue Afghan police units, or kidnapped by outlaws.

PAID FOR IN BLOOD

The road was built in 2003. The army of labourers, who took eight months to complete it, were protected by 1,000 troops – not that it stopped the Taliban from making daily attacks. The road, which was funded by the US, Japan and Saudi Arabia cost around £200m to build, and despite the huge security operation, over 30 lives.

DRIVING AT HIGH SPEED

Delivery drivers often only work on “convoy days” when the road is busy with security forces. Vehicles drive at high speeds in the hope that they’ll clear a blast zone before a Taliban triggerman has had time to detonate his bomb. Slaloming down a road littered with the carcasses of blast-mangled vehicles obviously has its own perils. ►

HIGHWAY ONE

TALIBAN TACTICS

Thirty-five per cent of Afghanistan's population lives alongside Highway One. The Taliban also infest these areas and punish communities seen to cooperate with the authorities. One barbaric method they use, a relic from medieval times, is to poison precious water supplies, by killing an animal and throwing it down the local well.

BOMB CRATERS

The largest bomb ever discovered on the road by US forces weighed a staggering 250lb (the same weight as a baby elephant). With so many concealed bombs being planted, the road resembles a battlefield, with huge craters pock marking its length. Highway One is largely unlit, so travelling at night is particularly dangerous.

ROADSIDE EXECUTIONS

The road is also used by displaced families, driven out of their traditional farm lands by the Taliban. Like the lorry drivers, they also face the prospect of running into Taliban checkpoints. Here, armed fanatics will interrogate them. A wrong answer, or being in the possession of the wrong documentation, can easily lead to a roadside execution.

THE FUTURE

With Nato troops set to quit Afghanistan in 2014, the road's survival will depend on men like these from Afghan Special Forces. Keeping traffic and trade flowing along it is vital if Afghanistan's future is to be prosperous and stable, but as anyone who's ever travelled Hell's Highway will tell you, it's a treacherous task. ✕

TV'S SEXIEST BABES

BILLIE FAIERS PRESENTS...

TV's Sexiest Babes!

TOWIE's finest introduces the fittest stars of the small screen!

TOWIE'S BACK!

Series seven of *The Only Way Is Essex* is on Wednesdays and Sundays on ITV2. Watch or shut uuup!

'Marbella's great. It was nice to chill out around the pool with the girls!'

Hi Billie! Great to see you in *Nuts* again. What's new with you? Hello! Good to be back! What's

new? Well, I've bought a house, which is being done up at the moment. That's exciting! I also start filming *TOWIE* again really soon. Also, we took Minnies Boutique [Billie's shop] on tour.

Nice! If we popped into Minnies to buy a nice frock, would you be behind the counter?

Yeah, we all work in the shop. We do all the photo shoots for the clothes ourselves, too. People don't expect me to be working there, but I'm still very hands-on. I think for it to be successful, you have to be. After Christmas, we're opening another boutique in Essex.

So what can we expect from the new series of *TOWIE*?

I think there might be some new characters. I'm not sure who yet, but I'm guessing there will be. To be honest, I really don't know what everyone has been up to during the breaks – who's with who always changes! Marbella in the last series was great. Us girls had a lovely, big villa so it was nice to chill out around the pool with all the girls.

You didn't seem to be featured all that regularly in the last series. Why was that?

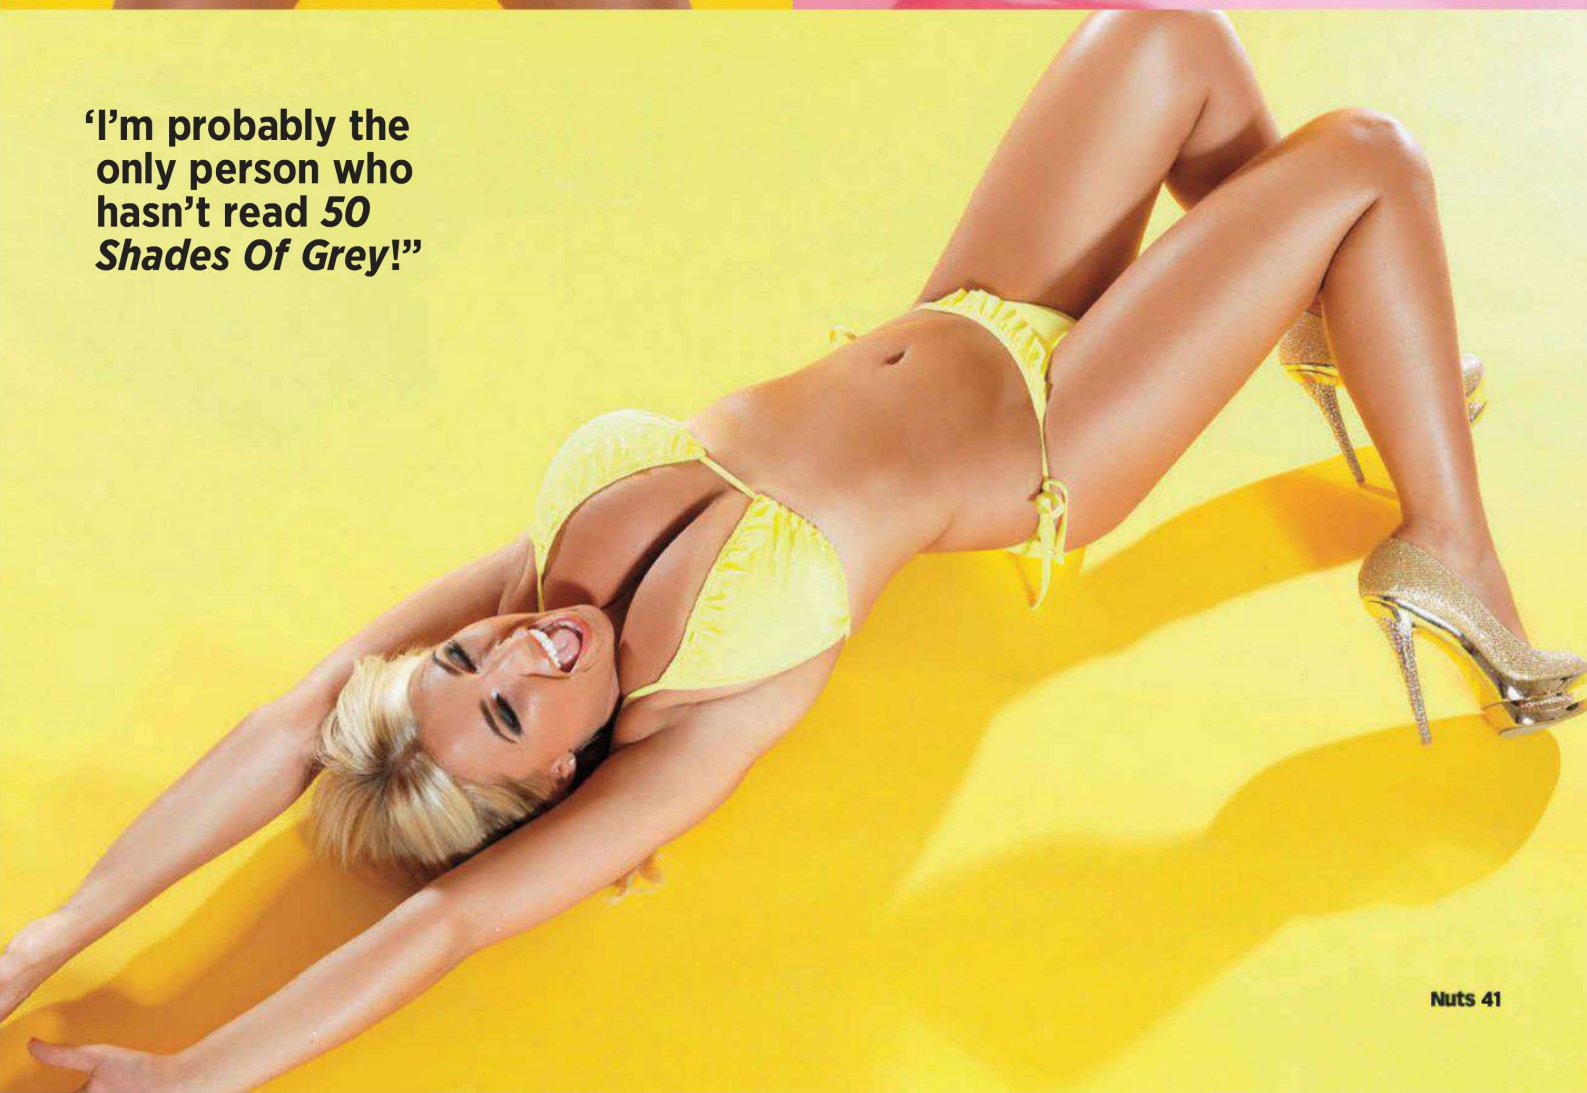

I think a lot of it is to do with the fact that I don't have a boyfriend in the show, and one of your main storylines is if you're in a relationship. Obviously, I'm never gonna have a main storyline to do with a relationship because I wouldn't ever want to have a relationship played out in public like that.

It's knocking on a bit now. How do you keep it fresh?

There are still quite a lot of the characters from day one. We just need to keep doing what we're doing and keep going out. People love all that.

TV'S SEXIEST BABES

Billie Faiers

TOWIE, ITV2

Fancy Billie? Sure! Fancy a bit of Billie Pub Ammo? Why not! Well, she's just 5ft 4 tall, a tiny size 8, yet rocks 30H boobs! Phew!

We saw that Sam did a *Fifty Shades Of Grey* shoot for a girls' mag. What did you make of it?

Ha-ha! It was really funny because it was shot really serious. I wouldn't be able to do anything like that – I'd laugh the whole time. I'm probably the only person in the world who hasn't read *Fifty Shades Of Grey*, but I've heard so much about it. I'm gonna wait until the film comes out.

Who do you think should play sex man Christian Grey?

I don't know. Maybe Mark Wright could. That would be funny – He's definitely got the alpha male thing going on.

What other telly shows would you like to go on?

Not *Dancing On Ice* because I'm rubbish at skating! *Strictly Come Dancing* would be really good. I'd be absolutely rubbish on *I'm A Celebrity...* – I wouldn't be able to eat any of the insects or do any of the tasks!

But you could just stand under a shower in your bikini. It worked for Jessica-Jane Clement!

Ha-ha! Oh yeah, I'm sure I'd enjoy that!

***The Valleys* started last week. Do you think shows like that make *TOWIE* seem a bit tame?**

We've got such a huge fan base of younger and older people that people don't like it if things get a bit crude. I love *Geordie Shore*, but *TOWIE* is a lot more for everyone to watch. The humour is more tongue-in-cheek, whereas *Geordie Shore* is ruder – but still funny.

Thanks, Billie! Finally, then, bearing in mind Arg did the London Marathon, do you think you could have a go?

I'm crap at running – it would be my worst nightmare! As much as I'd love to do something sport-wise for charity, I don't think it would be running. For Arg, it was a personal challenge because he wanted to train and lose weight. In fact, I reckon he'll do it again next year. ▶

MOVIES

He hadn't quite mastered the Heimlich manoeuvre

TAKEN 2

4 October • 12A

Liam Neeson's back and he's still nails!

But the first film had the edge for ultra-violence, as Luc Besson's sequel teases but never fully

delivers. The man with the "special set of skills" gets taken by the family of the blokes he butchered in Paris – cue carnage and the odd comic moment as Neeson and screen daughter Maggie Grace evade capture all over Istanbul. ★★★

spooky home movies lead to a terrifying twist. ★★★

DVD & BLU-RAY

Her poop-lighting party piece had gone disastrously wrong

SNOW WHITE & THE HUNSMAN

DVD & Blu-ray • 12

Despite the title, this is no fairytale.

No, it's more of a good vs evil action flick, starring Charlize Theron as the menacing

evil queen, and Kristen Stewart as the supposed fairest of them all (although we'd take Charlize any day). The film is visually stunning, with the CGI done to perfection and some incredible battle scenes, making for a surprisingly thrilling ride. ★★★★★

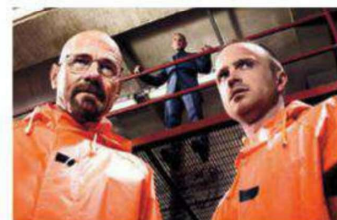

CASA DE MI PADRE

DVD & Blu-ray • 12

Really silly Spanish-subtitled Western with Will Ferrell as a farmhand taking

on a drug lord. Crammed with daft gags, it will amuse. ★★★

Old Freshy is a favourite round here, and Dizzee, Rita Ora and Rizzle Kicks help make his third album's title an apt one. ★★★★★

CONFESSION OF THE WEEK!

'I got it on with my postie'

I'D JUST got out of a long-term relationship and was gagging for some intimacy. The doorbell rang and I knew it would be the cute new postie. I'd just got out of bed so threw on some tiny shorts and a T-shirt. When I opened the door, he could see my nipples were aroused. He gave me a cheeky smile and I invited him in and pulled off my T-shirt. I saw his bulge through his trousers so I had to free him. Soon I had his stiffy in my mouth then we had the best sex I've had in a long time. Now he comes round regularly after work!
Kelly Wolverhampton

'We broke the bench'

MY BOYFRIEND and I went to Cornwall with his family to celebrate the

New Year. It was late and we decided to go for a walk along the cliffs. We found a bench and I felt his hand run up my thigh. As I pulled away, looking at him, I saw him getting rock hard. I unzipped his trousers

and pulled his stiffy out, taking him in my mouth and teasing him with every lick. I then straddled him, sliding up and down while moaning loudly. As we started going faster, we heard a loud bang. We didn't think about what it was and my boyfriend just picked me up and put me onto the grass where we carried on until I climaxed while fireworks exploded above us. We put our clothes on then went back to the bench. We'd been going at it so hard, the bench had come clean off its brackets!

'He unzipped my jeans'

RECENTLY, I had to stay in the local hospital where my ex worked. It wasn't long before we ran into each other and, as soon as the nurses' backs were turned, we were very quickly all over each other. During my stay, I led him into the toilets a few times and gave him some blow jobs, but the best bit was definitely the train ride home where our fun continued. We were sat in the corner of a busy carriage where he unzipped my jeans and fingered me until I came. I could have screamed and couldn't wait to get home. It was one train journey – and hospital visit – I'll never forget!

'My fun with the Marines'

I WORK as a stripper and on one particular night I ended up feeling really horny by the end of the evening. As the end of my shift approached, I started talking to three Royal Marines who hinted they were up for some fun. After talking to them for a while, I followed them in my car. I parked just outside their barracks then jumped into their car so I could sneak into the barracks. We parked up and they checked there was no one around, then we went up to one of their rooms. They'd soon got me undressed and we started playing. Before long, I was bent over with one of them taking me from behind. There was a lot of swapping around that night. Needless to say, it was a pretty eventful end to a hard night's work!

10 RUDE QUESTIONS!

And a real girl to answer them!

Karmella

23 Brighton

1 Where's the strangest place you've had sex?

"Purely for the amusement and determination factor, a single shower cubicle. It was like a sex position-changing contest!"

2 What's your trademark move in the bedroom?

"Bump, grab and grind. The advantages of this are great as it requires lots of bum-tensing, so it's a workout at the same time. Ladies, skip the gym and just enjoy a bit of sexercise instead!"

3 What really turns you on?

"Either being the dominator or being dominated. You can't beat being a bit of damsel in distress, being grabbed squeezed and bitten."

4 What's your favourite position?

"I like finding tight fits. The main aim is to find a way for a bloke to fit as tight and close as possible."

5 Is it better to give or receive?

"Definitely receive. That way you can just lay back and enjoy the ride."

6 What one rude thing would you really like to try but haven't yet?

"I love the thrill of getting caught doing it in public. So maybe a new thing could be stealth sex – I'd like to have as many quickies in public in one day as I can!"

7 Have you ever got it on with another girl?

"No, but there's a first time for everything. I can't honestly say it's at the top of my to-do list, but I think it's something everyone needs to try at least once."

8 What's your favourite role-playing costume?

"Police lady. Being a police lady also gives you authority to do whatever you like and to order others to do whatever you want."

9 Have you ever made a sex tape?

"I've taken sex photos accidentally when I was trying to make a video! I found it rather amusing because you can make a sort of sex comic by adding captions to each photo."

10 What's the rudest thing you've done?

"I performed foreplay in a busy Italian restaurant!"

EXCLUSIVE!

Tom Cleverley: 'I love to score!'

The Man United ace on great players, top role models and terrible fashion!

➔ **Hi Tom! You've made it into the Man United and England teams. You must be pretty pleased with your progress.**

Yeah, it's great! To win three caps has been an honour and hopefully I can get more. First and foremost, though, I have to make sure I'm playing well for Manchester United.

Playing at the Olympics must have been an incredible experience for you...

It was unbelievable going to the opening ceremony and being part of the whole event. Unfortunately, we didn't manage to get a medal, but it was great for gaining experience.

With the likes of yourself, Danny Welbeck and Jack Wilshere coming through the ranks for England, is it an exciting time to be involved in the international set-up?
Massively. We've got a lot of young good players at the

moment that are all chomping at the bit. That said, the older players really help, too – their experience and guidance is crucial, especially when it comes to tough away matches.

Position-wise, where do you like playing best?

I like going box-to-box, getting the ball off the centre-back and playing combinations to move it forward. I also love scoring, but it isn't something I've been doing a lot of recently! For England, I tend to play in a more advanced role, but as long as I'm on the pitch, that's all that really matters.

Who do you most look up to at Old Trafford?

It has to be Paul Scholes. I really learn off him – his speed of thought, range of passing and goal scoring is just incredible. What a role model!

Who at Man United can do the most amazing stuff in training?
Tricks-wise, Nani can do some unbelievable things with

a football. Danny Welbeck is pretty silky sometimes, too – he likes to pull out the old nutmeg now and again!

And off from the pitch, who's king of Fifa?

I play against the lads all the time online and at the training ground. Rio and Wazza like to think they're the best, but I'm pretty handy myself.

You footy stars like your clothes, but who's your worst-dressed team-mate?

Anderson wears some really dodgy stuff but David De Gea is the worst. I haven't a clue where he gets his clothes from!

Cheers, Tom! Finally, you scored against Newcastle at home last week in the Capital One Cup and you're visiting the Sports Direct Arena in the league this weekend, what do you think of Alan Pardew's team?

Alan Pardew's built a really decent squad – Ba, Cisse and Cabaye are extremely talented. And going to St James' is great, it's one of the most iconic stadiums in the country and the fans are so passionate. But with the quality we've got, we hope we can take all three points – just like at Anfield!

Tom was desperate to win the on-pitch gurning competition

Fashion disasters!

It's De Gea at United, but he's got competition...

NICKLAS BENDTNER

Like David Beckham before him, the Danish striker tries to rock the sarong look. And fails. A good tablecloth wasted there, surely.

MARIO BALOTELLI

You'd think that on Mario's monster wages he'd be able to afford some new jeans. On this evidence, it appears not.

FRANK LAMPARD

On the beach with his "sensitive" appendage, Frank indulges in a spot of off-season "handbags". What's wrong with a wallet, lad?

DANNY SIMPSON

Forget club tracksuits – when Danny hits the Toon he wears this oversized babygro. Can't see this look catching on in Tyneside.

'Rio and Wazza like to think they're the best at *Fifa*, but I'm pretty handy!'

Football's best bundles!

Players go back to the playground in the maddest goal celebration yet

FORGET THE "Shearer point" or the "Drogba shhh"

– the latest trend in goal celebrations is the bundle. Arsenal performed a great one against Man City last weekend, and they're not

the only ones, as our pics show. So which team has executed the perfect pile-on? We got *Soccer Saturday* star and *Nuts* legend Paul Merson to cast his eye over these brilliant bundles to decide which is best.

ARSENAL

"This wasn't the biggest game of the season, but I like the team spirit here. And the height is unsurpassed. Great effort!"

MERSE'S MARK

9

LEICESTER CITY

"This is certainly impressive – the player executes his flight with real style. Wouldn't like to be on the bottom, though. Ow!"

MERSE'S MARK

7

BLACKPOOL

"This is magnificent, it's like they're doing an impression of Blackpool Tower. I love that togetherness in a big game. Great!"

MERSE'S MARK

8

TOULOUSE

"It's Toulouse again – they must love a pile-up. But this fella's grabbing the glory – you can't tell who's scored! I hate that!"

SC BRAGA

"The player at the top knows where the camera is, and he's saying, 'Look at me!' He'd actually want this picture framed."

MERSE'S MARK

4

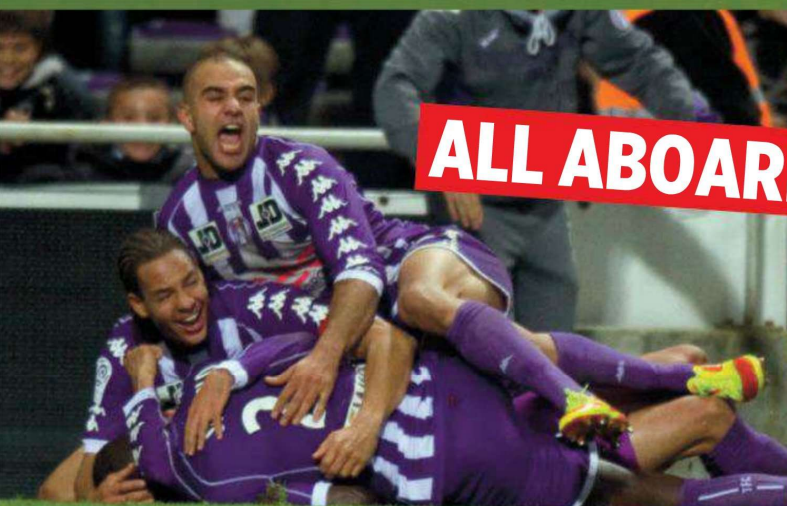

SCHALKE

"This looks a bit dangerous! I bet they're defenders who don't normally score – that's why one of them's on his head."

MERSE'S MARK

6

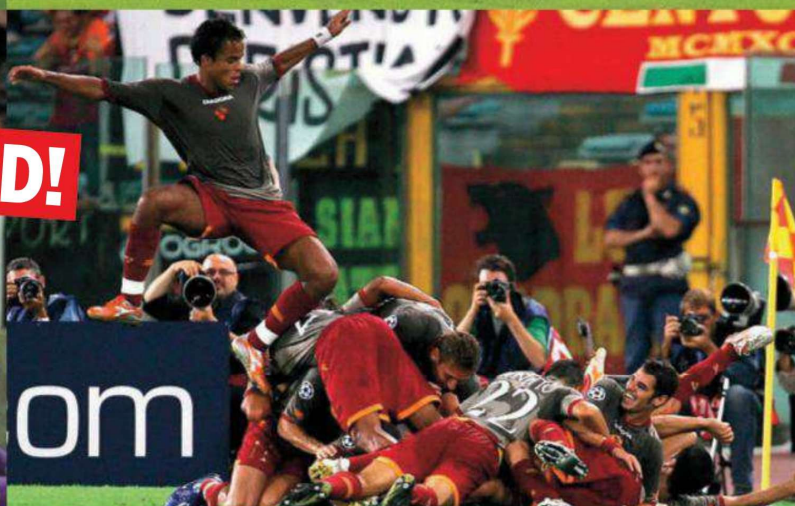

TOULOUSE

"I don't how I feel about this one, it's a bit too 'romantic'. There's also not a great deal of imagination here, either."

MERSE'S MARK

3

ROMA

"There's a touch of the Bruce Lee about this one. I can't fault his artistic merit but it's all about him, not the goalscorer."

MERSE'S MARK

7

And the winner is...

CHELSEA

"This looks like a big fight, but I love the sheer joy of it – even Torres is getting in on it and he never celebrates with anyone else. That's what winning a Champs League does to a team!"

STEVEN GERRARD

Stevie G's domestic trophy room boasts shirts from many of the world's greats, cups, medals and England caps in abundance. Tidy!

PHIL NEVILLE

The Everton captain's country pile betrays a previously hidden bling tendency: Initialed gates, a dining room like a pharaoh's palace and a full-sized pub!

AFTER SEEING Brendan Rodgers' mega-mansion in *Being Liverpool*, we're more convinced than ever that football plays host to some of the biggest, brashest and most bonkers houses in the world. With budgets that can stretch to pretty much anything, top soccer players are free to let their interior decoration imaginations run wild. The results stretch from the beautiful to the brave and the wonderful to the just plain wrong. Right, now it's time for a viewing!

Footballers and their mad houses!

You're nobody in the Premier League these days without a ludicrously over-the-top mega-pad to live in...

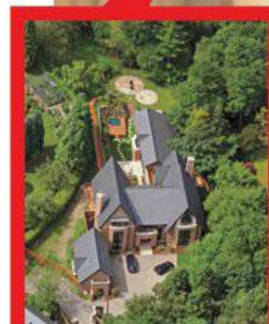

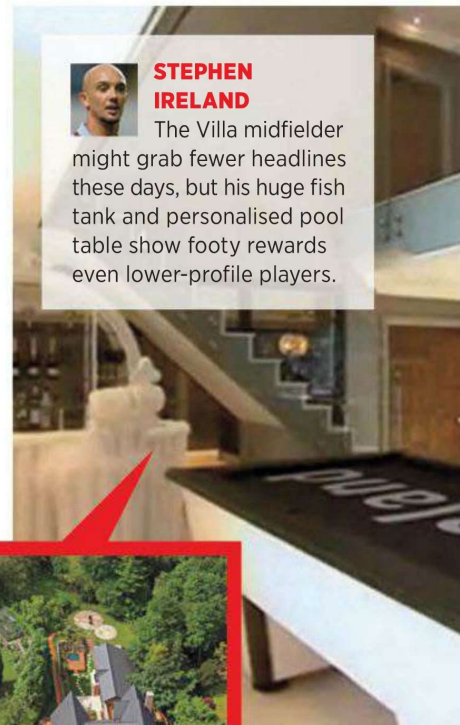

GARY NEVILLE

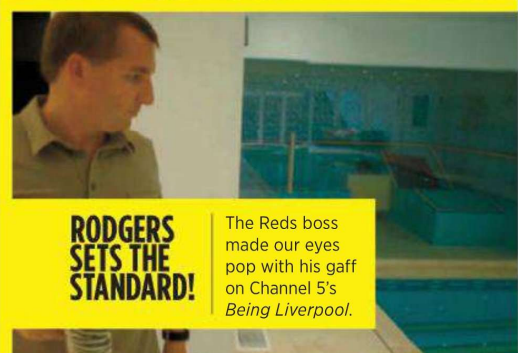

Having "unusual" taste in property must run in the Neville family. Gary's proposed £8m "eco mansion" looks more like something the Teletubbies would live in.

STEPHEN IRELAND

The Villa midfielder might grab fewer headlines these days, but his huge fish tank and personalised pool table show footy rewards even lower-profile players.

RODGERS SETS THE STANDARD!

The Reds boss made our eyes pop with his gaff on Channel 5's *Being Liverpool*.

Leighton Baines must have seen his team-mate in his pants.

"No disrespect, but we gave them too much respect"

Blackburn boss Steve Kean launches his own Respect campaign.

"Roberto Mancini sold Nigel de Jong for a cup of tea"

Paul Merson on the world's cheapest transfer.

"Lots of people hate having their teeth drilled, but they don't go into the surgery singing vile songs about the dentist"
Maybe a new trend, Robbie Savage?

"Maybe my next challenge is to have a bowl of scouse"

Liverpool manager Brendan Rodgers sets his sights high.

"I want to find the Loch Ness Monster"

Swansea midfielder Michu is on a mission.

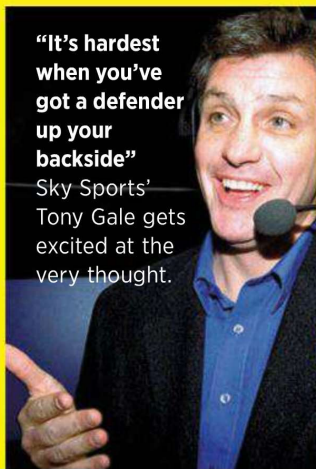

OO-ER SOUNDS A BIT RUDE CORNER!

"Podolski was rigid all night"

Soccer Saturday pundit Phil Thompson on a stiff encounter.

Sky Sports' Tony Gale gets excited at the very thought.

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

His balancing of the ball on his thumb was impressive, if pointless

Terry's guilty verdict shocked me

Cleared in court, fined by the FA - I'm confused!

➔ **I'M STILL** reeling from the FA's decision to find John Terry guilty of racist abuse and fine him £220,000 – surely the biggest financial penalty ever. But what I'm finding hard to understand is how you can be cleared in a court of law but not by the FA. Should the court have found him guilty instead? The mind boggles.

The FA have to release their findings and show us

the evidence they used to convict him. I know John Terry well – perhaps he thought he'd be found guilty before the hearing, hence his resignation from the England team. It's a really hard one to call.

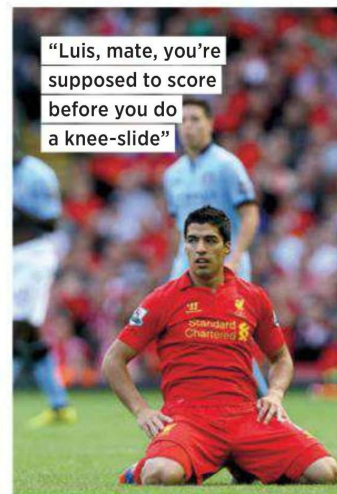

For Terry, this is just the tip of the iceberg. Without a doubt he'll be labelled as a racist from now on – it's going to be difficult for him.

On the pitch, his departure from the England team now leaves space for the return

of Rio Ferdinand. Left out of the Euro 2012 squad by Roy Hodgson, apparently for "footballing reasons", it was obvious that he and Terry couldn't play together.

Ferdinand is a brilliant player, and just as Italy could never leave Pirlo out because of his age, then it should be the same with Rio. England have got some great central defenders, but with Rio performing well for United, he could surely do the same for England.

"Luis, mate, you're supposed to score before you do a knee-slide"

Suarez pays price for diving

AGAINST SUNDERLAND and Man United, Luis Suarez could well have been awarded penalties. The problem is that he now has a reputation as a diver and in football, reputations count for a lot. Now everyone's looking out for him. It's a cross he has to bear.

I know some Liverpool fans have been critical of Suarez's finishing, but everything that could go wrong for him has.

When Thierry Henry started at Arsenal, he wasn't scoring much and I asked Arsene Wenger whether it was because of bad technique or bad luck. He said bad luck, and sure enough, in the end Henry came good. The same may well happen with Suarez.

KAMMY'S UNBELIEVABLE-OMETER™

UNBELIEVABLY GOOD!

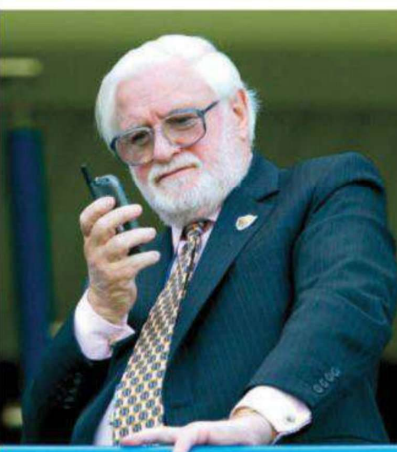

THE 96 HONOURED!
The tribute the players, staff and fans of Man United and Liverpool paid to the Hillsborough dead was fantastic. Some things transcend rivalry. This was one of them.

UNBELIEVABLY BAD!

REF RAGE!
The abuse referee Mark Halsey got from some fans after the Liverpool-United game was disgraceful. Opinions are fine, but wishing someone dead isn't acceptable.

Leeds sold?

FOR MONTHS, people have been saying that Leeds United will be sold by Ken Bates to a consortium from Bahrain. Well, I'll believe it when I see it, but the fans don't feel Bates has invested enough in the club, and they're a club with global support – no wonder the men from the Middle East seem keen, and the fans too.

THE BIG MATCH!

"Come here, you pesky little yellow minx, you!"

Newcastle vs Man United

SUNDAY 7 OCTOBER •
Sky Sports 1/HD, 4pm

The Geordies may be hard to beat at home, but they're facing a United team who are coming into a rich vein of form, with key players starting to fire on all cylinders. I really fancy Fergie's men to go up there and win this one.

PREDICTION: 0-1

Key man

If Robin van Persie carries on with his early season form, I'd be surprised if he didn't score against Newcastle.

Jonjo Shelvey:
“Stay out! Shut your f**king mouth!”

LIVERPOOL VS MAN UNITED Anfield, 23 Sept, 2.08pm
The Reds midfielder warns Ferdinand as he faces a red card.

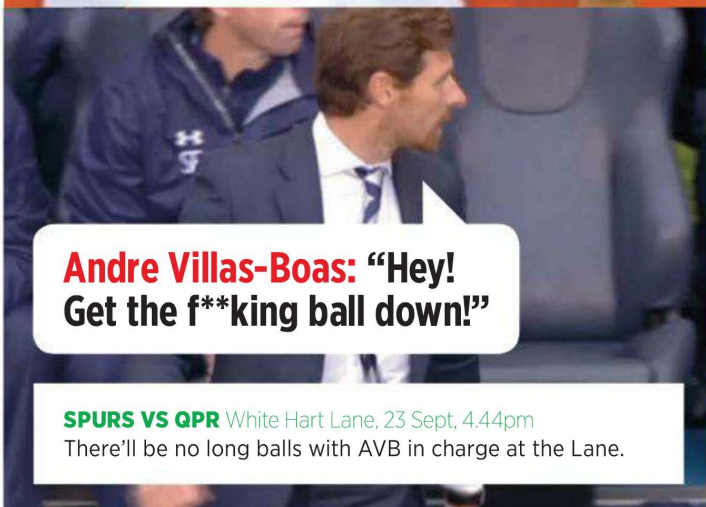

Sergio Aguero: “Penalty! I got hit by a defender!”

MAN CITY VS ARSENAL Etihad Stadium, 23 Sept, 5.10pm
The Argentine striker reckons he should get a spot-kick.

Chris Hughton:
“He makes no runs”

N'CASTLE VS N'WICH Sports Direct Arena, 23 Sept, 3.28pm
The Canaries boss bemoans his side's lack of movement.

Andre Villas-Boas: “Hey! Get the f**king ball down!”

SPURS VS QPR White Hart Lane, 23 Sept, 4.44pm
There'll be no long balls with AVB in charge at the Lane.

Potty mouth corner!

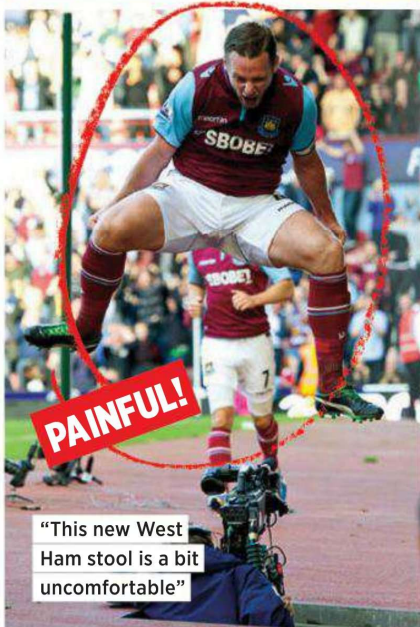

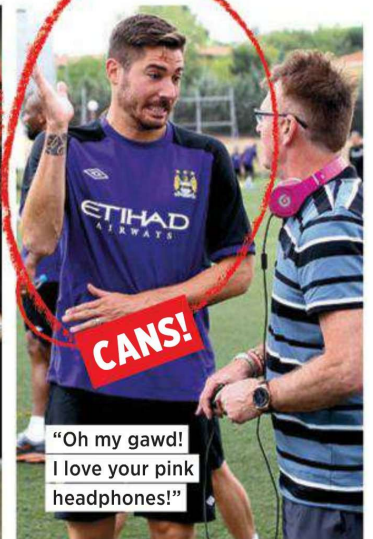

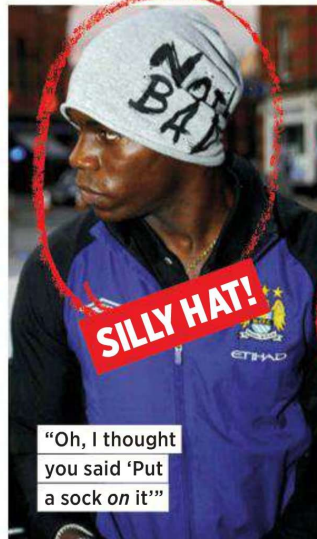

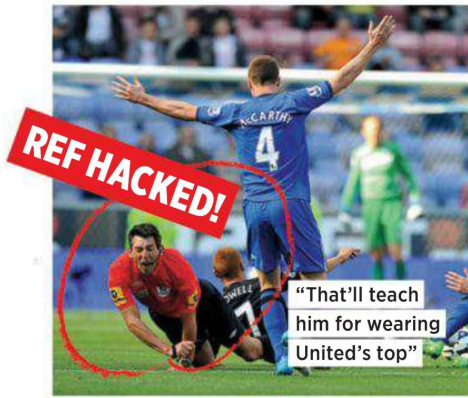

Jonjo Shelvey:
“Hey, you knew it, you're a c**t!”

LIVERPOOL VS MAN UNITED Anfield, 23 Sept, 2.09pm
As Shelvey departs, he vents his spleen at Sir Alex Ferguson.
