## Frankie Essex's new boobs!

**TOWIE babe's first ever sexy shoot! 34E chest unveiled!**

➔ **THE ONLY** Way Is Essex returned last week, bigger and better than ever. And so did Frankie Essex – she premiered her new boobs, having boosted her chest from a 34C to a 34E. “Time for her first sexy shoot,” we thought. So here she is!

**Hi Frankie! First up, how was the shoot?**  
Amazing! I felt super sexy. It was good to be naughty!

**Is it good to be back with the new series of TOWIE?**  
It feels like we've never been away. We now film things in real-time, on real nights out. Before, the rows or conversations were real but the clubs

### FRANKIE ON TV!

were closed, with extras in the background. Now anything could happen!

**Are you not worried with those boozy punters so close by?**

Thankfully, we have a decent security team. Also, we're nice girls who keep out of trouble!

**Are you pleased Kirk's back?**

I nearly fell out of my bed when I found out! But now he's back, good luck to him.

**Now, your new boobs... why did you want to have them done?**

When I was younger, I used to be quite large – I was around a size 14-16 – then I lost a lot of weight really quickly and my boobs got smaller. Shame!

**Did you choose a celebrity pair you like and just ask for them?**

No! I really didn't want the fake look – like two balloons on a stick! I discussed it with the doctor and we tried all these different shapes and sizes until I found the ones I liked.

**Several of the other *TOWIE* cast have had their boobs done. Did you go to them for advice?**

Oh yeah, they all advised me, especially Chloe Sims – she's had two boob jobs now! They told me what would happen, how the new boobs would feel.

**Do they make you feel sexier?**

Yes! I feel super-confident and I'm wearing much lower-cut tops now to show them off!

**Would you ever get your bum done like Chloe Sims has?**

No, I wouldn't need to. I've already got an awesome bum!

**Your brother Joey says a lot of daft things. Does he play dumb, when he's actually quite smart?**

I wouldn't say he's dumb. After all, people remember what he says and quote it back at him. So he's the one winning, really.

**Thanks, Frankie. Finally, if you did a show called *The Only Way Is Bognor*, would you change your name to Frankie Bognor?**

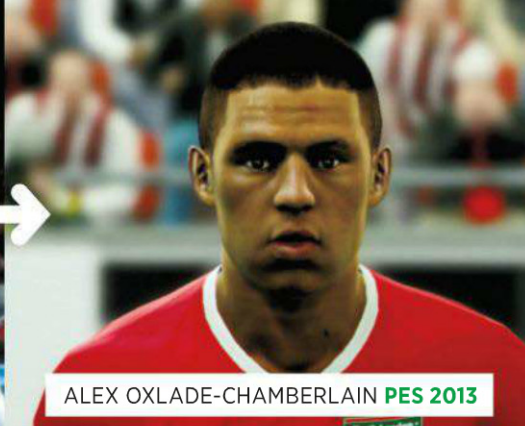

No, no way! I'm always Essex!

**“I wouldn’t get my bum  
done like Chloe. My bum  
is already awesome!”**

# Fifa 13 vs PES 2013 face-off!

The footy games literally go head-to-head!

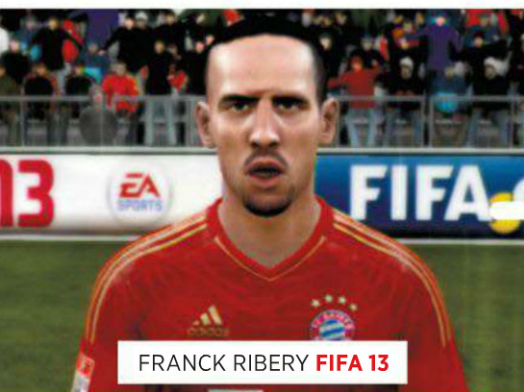

WHEN THEY demo their latest football games, the developers always bang on about passing, first touches, dead balls and such. But the real fun of a new game is figuring out how much or little the players' likenesses resemble the actual football stars.

Our chums at *Official PlayStation* magazine are similarly obsessed and so created this excellent mugshot rogues' gallery of our favourite players. Some of the faces are uncannily accurate, and some even the players' mums probably wouldn't recognise.

Doctors shaped the new ear from rib cartilage...

Nuts NEWS

...which was inserted under the skin of the left arm...

# Woman grows new ear!

And it's right there! On her arm!

➔ **WHEN POOR**  
American lady Sherrie Walters lost an ear to cancer in 2008, she thought she was facing a life of wonky sunglasses and binning her free iPod earphones. That was until doctors at Johns Hopkins Hospital in Baltimore decided to simply grow her a new ear. On her arm! They took some cartilage from her ribs, fashioned it into a fine ear and stuck it under the skin of her arm to grow around.

Hey presto! A few months later and the new lughole was whipped out and successfully attached to her head. And once the swelling goes down, she'll look like a right Lineker again. So... swings and roundabouts!

The new ear has now been attached

...and is growing back over several months

# Ross Noble's new gags!

A selection of funnies from the hairy chap's new tour!

## On *The Dark Knight Rises*!

"You know my problem with that film? Too much whispering going on. There's a f\*\*king riot going on in Gotham, and Batman stands there having a bit of a whisper. [Whispers] 'I am Batman. I am here to bring safety to the streets of Gotham.' 'Sorry, mate. What was that? There's a riot going on – can't hear a thing!' [Whispers] 'I am Batman. I am the Dark Knight.' 'What's he saying?' 'I don't know. Something about having a sh\*te.' 'No, I am Batman!' 'He says, 'he likes your hat, Stan.' [Whispers] 'Put down your weapons, I am Batman.' 'He wants us to go to M&S and buy a hatstand?'"

## On Jimmy Savile!

"Who knew at the Great North Run, when he used to fire the gun and set off last – who knew they were just running away from him? That's not a fun run at all! 'Quick! Jimmy's coming!' It was a mass escape from wrongness!"

## On learning an audience member is a transsexual!

"How many times have I heard that on a night out? 'I was having a lovely evening, then turns out he was a tranny!'"

## On the Paralympics!

"If you've got one leg, you don't want gold. You want bronze. Because on the podium you'll be wobbling around. If you win bronze or silver, you can rest one leg but the bloke on the top is wobbling around, smashing you in the face."

"Oscar Pistorius [South African sprinter] kicked off because the other fellow had longer blades. If it was me, I'd have turned up on the start line with blades on a hundred foot high. 'Ready, Oscar?' Bang! [Takes one giant step.] 'Loser!'"

"Some of the races seemed so mismatched. You'd have a fellow with one leg but no arms, one with two legs but no arms, and a bloke with no legs and no arms getting loaded into a cannon. 'Good luck, lads. Light the fuse!' He shoots past. 'Losers!' 'How did he do that?'"

## On *Fifty Shades Of Grey*!

"It's a dirty book for old women. It's weird, you sit by the pool on your holidays and every lady has a Kindle and *Fifty Shades*. I get out one copy of *Razzle* and I'm the bad guy? They get away with it because the cover is grey. If it had the words 'Big Jugs' written on the front cover it would be very different. Flick away, madam. Flick away!"

## On Top Gear!

"Since I went faster than Tom Cruise, I've become an insufferable tw\*t. Ask my wife. If a Tom Cruise film comes on the telly she's, 'Yes, I know, you're faster than Tom Cruise and I know he was in *Day Of Thunder*.' I was in LA and went past a poster of Tom Cruise and even the taxi driver was like, 'What, you're faster than Tom Cruise?' Twenty minutes I sat there boasting."

## On groupies!

"Can you have a cuddle, you say?' Let's just look at this for a second. Why would an attractive, young woman like yourself be thinking, 'What I'd like is to watch a man dance around the stage for two hours. When he's nice and sweaty, when he's got to the point that he's properly rancid and his hair smells like a dead sheep, what I'd like is for that big f\*\*king Geordie b\*stard to wrap his arms around me and rub his sweat all over me.'"

## On sex!

"Most people's sexual fantasies aren't fantastical enough for my liking. 'I want to be tied up!' That's not a fantasy, it's a piece of p\*ss! You know what I want to do? I want to make love to a sexy nudey lady, but get this, she's got a tiger's head! A proper live tiger's head. It's not the sex element I like, it's the danger – the fact you're shagging her and any moment she can rip your throat out!"

## On his Toyota Hilux!

"I took my Toyota Hilux in to be serviced. Turns out the pollen filter was blocked. Didn't even know there was a pollen filter on my car. It was a nightmare because my friend, who's a bee, was going, 'I'm not enjoying this journey as much as I thought.' Now I know there's a pollen filter, I'm going to drive my car through beautiful flower meadows, and two weeks later the glove compartment will be full of lovely honey."

# 273mph Koenigsegg!

This Swedish stunner's called the Agera R BLT – and it's terrifyingly fast!

- Don't let anyone convince you that Bugatti's Veyron is the fastest production hypercar. The Swedes are faster. The Koenigsegg Agera R develops up to 1,115bhp when burning E85 ethanol fuel.
- It can also drink unleaded, but that dips the bhp to 900. Regardless, the Agera R has

entered the record books with six land-speed records – one 261mph. And it's capable of a staggering 273mph. Eek!

- The BLT is a bespoke edition dreamed up by a very well-off, anonymous Chinese customer.
- Clearly, the BLT in this instance doesn't stand for the sandwich. BLT means

## Hennessey Cadillac!

It's an eye-poppingly powerful 1,226bhp Caddy!

You've been reading about the £1million+ Koenigsegg weapon with 1,115bhp and you're impressed. Well, this is a Cadillac which will not only match the Koenigsegg's 0-62mph time of 2.9 seconds, but it has 111 more bhp.

4.0 seconds and finish up at 191mph.

- **But US-based tuner John Hennessey will sell you one of his VR1200 twin-turbo Cadillac CTS-Vs. This has bunged the 6.2 in the bin and fitted a 7.0-litre V8 with a pair of turbos the size of Labrador heads. 1,226bhp. 0-62mph in 2.9. A quarter of a mile in 10.0 seconds. 242mph.**
- 1,000bhp at the back wheels! Just 12 VR1200s will be made, and you choose whether it's a coupé, saloon or estate. £181,000 seems steep for a car no one has heard of, but it's cheaper than a Koenigsegg Agera R.
- **Yes. Twelve-hundred and twenty six horses, for flip's sake. Cadillacs are (thankfully) not the flabby old boats they used to be.**
- This is a CTS-V coupé. You can buy them here in Britain for £75,000 and they come with a not totally measly 564bhp 6.2 V8. In its standard form the Cad will crack 62mph in

It was the world's most expensive clown car

something more important, but no one's saying what.

- **Although no power tweaks have taken place (when would 0-200mph in 17.68 seconds ever be considered unacceptable?) it does wear exquisite detailing, with the carbon-fibre bodywork tinted blue with pin-striped red outlines.**

- Then there are the rims – the BLT features unusual nine-spoke blade-like wheels.
- **Inside, there's quilted blue leather, special double-diamond stitching and suede door panels.**
- A stock Agera R costs a whisker under £1million. This could add half as much again to that price tag.

# A quick word with Simon Bird!

The specky chap on fight scenes and *The Inbetweeners Movie* sequel!

➔ Hi Simon! *Friday Night Dinner* is back, weirdly on a Sunday night after the new series of *Homeland*. Eh?

When you make a show you want as many people as possible to watch it. I suppose this is the best Channel 4 slot available.

If you and your pretend brother, Tom Rosenthal, were playing on-screen sisters, would every episode be based around you trying on each other's clothes and doing each other's hair?

I don't think we'd get on any better. The idea behind the show is that whenever you go back to your parents' house you behave like you're 15, no matter how old you are. I think it would be the same.

Did either you or Tom injure yourselves during your many fight scenes?

Tom really got into a bit where he was trying to strangle me. There was a moment when I thought, "I can see the light at the end of the tunnel."

Would you like to see an *Inbetweeners* cameo?

Um, I never want to see any of them again.

Do you reckon there's going to be a sequel to *The Inbetweeners Movie*?

Well, according to the press there is. But I don't know. The four of us kind of think that it's come to its natural conclusion. But we really like working with Iain [Morris] and Damon [Beesley] who are the writers. So if they come to us with an idea, we'd definitely talk about it. But they haven't yet, despite what everyone is writing.

Oh, go on, Simon! You'd get the chance to snog some more pretty girls!

Mmm... well, I'm not allowed to say hopefully because I'm married now. So hopefully not – I'm off the market.

Did the *Inbetweeners* boys come to the wedding?

Did James Buckley jump up and down on the altar, shouting "Fwiends!"?

They weren't ushers, but they were there. I see a lot of them. We were together last week in America promoting *The Inbetweeners Movie*. The film's gone to America which is a total bonus because it was never meant to. Somebody's taken a punt on it and we're just going to see how it does, but we've got very, very low expectations.

How's your new sitcom, *Chickens*, coming on?

I'm writing at the moment with Joe [Thomas]. It's set in 1914 and it's about three men who don't fight in the First World War. That's hopefully a bit different. We film that in February so we've got lots of work to do because I've been busy with this and Joe's been busy with *Fresh Meat*.

On a night out, how often does someone shout "Briefcase w\*nker!" at you?

I tend not to go out that much. But, yeah, it happens a lot. It all comes from a good place. It means that people like the show.

Why not get contact lenses?

That's a good idea. I was supposed to have no glasses in *Friday Night Dinner* but I kept...

Bumping into stuff?

Yeah, on the first day I couldn't really see where the other actors were so I kept talking into the middle distance.

Thanks for the chat, Simon! Finally, how long can you keep on playing a teenager? You're 28!

I'm not supposed to be a teenager in *Friday Night Dinner*. I think I'm supposed to be 25. I'm working my way up to my real age slowly. I don't think I'll take any more parts set in a school unless I'm a headmaster.

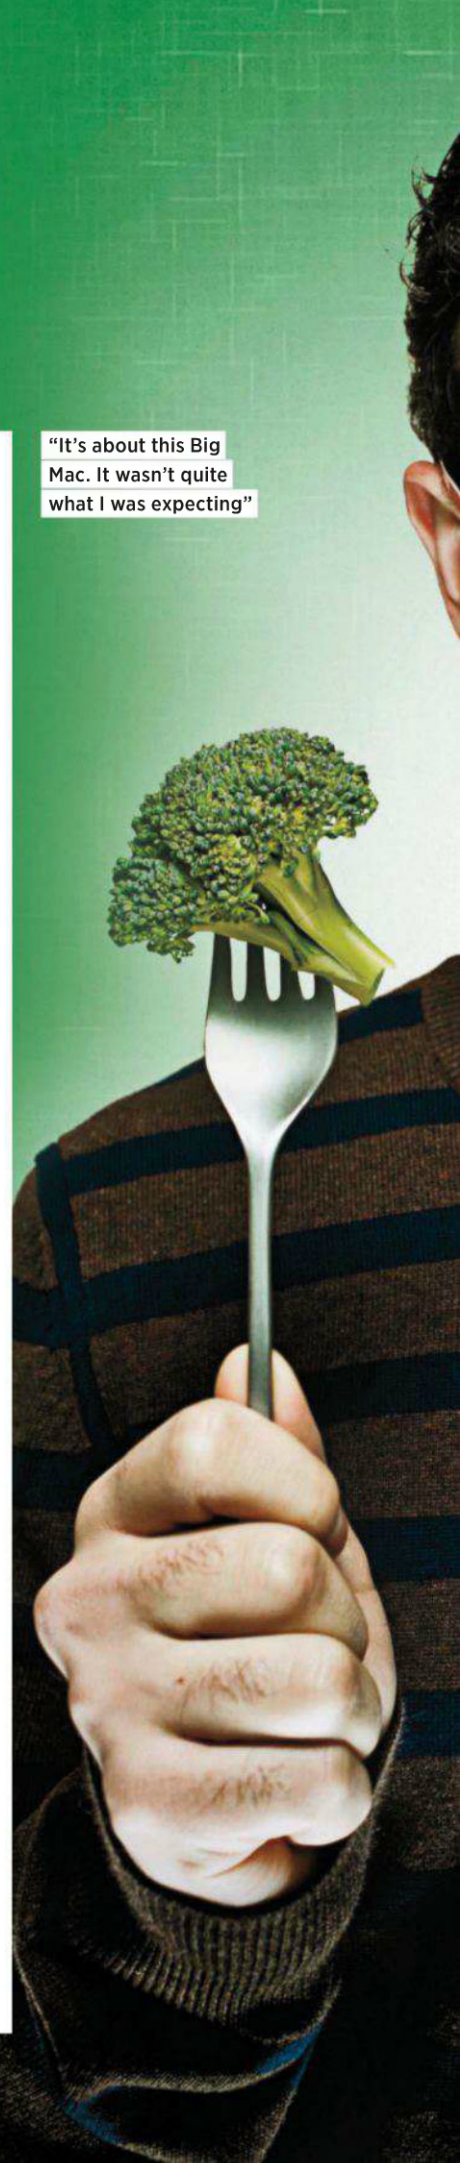

● *Friday Night Dinner* is on Sunday on Channel 4/HD at 10pm.

I slept with a girl from work after a night out. It was fun but now she keeps asking me out and sending me flirty texts. I'm not after anything more. How can I let her down without hurting her?

**BILLY** via email

**LETTER OF THE WEEK!**

## Dream girl is a nightmare!

I keep having sexy dreams about my ex, and I wake up missing her. It's really annoying because I'm in a new, happy relationship. How can I get her out of my mind, and my sleep?

**REX** via email

When you have time, get a pen and write down the pros and cons of your ex and do the same with your current girlfriend. That way you'll be able to think more clearly. If you want the ex back, fight for her. If you don't, pass this mag to your mate, go over to your girlfriend on the sofa, pick her up and take her to the bedroom. She just passed the hardest test, so go pleasure her - repeatedly!

Maybe use a fancy-dress party as a starting point. Begin by taking her out for the night dressed up for the party. When you're back at yours and about

to get frisky, tell her to keep her heels on. Then gradually introduce more fantasies - both hers and yours! If she's up for it, you're in for a treat.

## She wants rude chats!

Do you have any phone sex tips? The girl I'm seeing at uni is well into it, but I'm rubbish on the phone and get embarrassed!

**MARK** Chester

Tell her when you're going to ring her and what you want her to wear. Maybe buy her a G-string, and ask her to wear it to uni. Later that night, call her to tell her how good she looked. Tell her how you wanted to pleasure her. Describe how turned on you were by the thought of it. Ask if she's still wearing it. Then meet her outside the library!

- If you've got something to ask Danni, just email her at [thelesbian@nutsmagazine.co.uk](mailto:thelesbian@nutsmagazine.co.uk) or write to her at the usual *Nuts* address on p66.

## Cat call

A **BLOKE** accidentally runs over a cat. The cat’s address is on its collar so the man goes to apologise to the owner. He knocks on the door and a little old lady answers.

The man says, “I’m so sorry. I’ve just run over your cat. Can I replace it?”

“I don’t know,” Replies the old lady, “How are you at catching mice?”

**HARRI** Liverpool

## Fore play

A **MAN** and his wife are playing golf. The man’s wife turns to him and says, “If I die, will you marry again?”

The man replies, “Oh no, darling. I couldn’t do that.”

The woman then asks, “If we got divorced, would you let another woman sleep in our bed?”

The man answers, “No, not a chance.”

Finally, as she drops her clubs into the boot of the car, the wife asks, “If you meet another woman, will you give her my clubs?”

“Oh no,” says the man. “She’s left handed.”

## Smokescreen

**TWO BLOKES** are in the pub discussing their day. “How did your trip to the doctor go?” one chap asks the other.

His mate replies, “I need exercise. He said I should do something that gets me out of breath everyday, so I’ve taken up smoking!”

"No, I am German," he replied. "And how on earth did you know I was called Walter?"

## 'My skin was shredded right off!'

**Bike smash leads to foot gash!**

➔ **WE'VE SEEN** some mangled plates of meat in our time, but this stomach-churner is something else. It belongs to motorbike-mad Damien Nobbs, who was involved in a terrifying crash earlier this year.

"It proper smashed me up!" the Oxfordshire plumber tells us. "I snapped my femur in half, broke my knee, my tibia and fibula, all the metatarsals in my right foot, my left ankle, my hands and cracked my ribs! They replaced the muscle in my foot with one from my thigh and did a skin graft. The skin was shredded right off!"

Damien, 29, is now on the road to recovery. Will he ever be back on two wheels? "Never say never!" he adds. "Just don't tell my mum!"

Mums: even scarier than a brutal bike accident!

"Yeah, I think it might be athlete's foot"

INDIA REYNOLDS

# India Reynolds!

Summer's over, but the Berkshire babe is looking hotter than ever!

'I misbehaved  
on a shoot  
with Rosie  
and got told  
to rein it in!'

**H**ello India, how's it going?  
Hello! I'm great thanks. I've been having loads of fun – maybe a bit

too much fun – I accidentally smashed my iPhone the other day. Ha-ha! Apart from that, it's been amazing.

**What's the craziest thing you've done recently?**

I went jet-skiing, which was great! I thought I'd hate it and be terrified but I had the best fun, so I'm definitely doing it again next time I go away. I'm tempted to try it in the UK, but the water's always freezing!

**What's the most embarrassing thing you've done recently?**

The other day when I was drunk, I fell down some stairs. That was pretty bad! The other *Nuts* girls say I'm the group lightweight but I'm losing my reputation – Emily O'Hara is much worse than me.

**OK, we're cooking dinner for you. What should we whip up?**

Anything with chicken would do it for me, or some nice Thai food. I can actually cook a pretty mean Thai curry myself, so I'd probably whip that up for you lot. I'm slowly learning how to cook.

**Who would be your ideal dinner party guests?**

Based on my experience at Wireless, I'd like to have dinner with Rihanna, Drake and Nicki Minaj. I think it would be pretty hard to control my guests because they're all pretty feisty, but it would be fun. Plus Rihanna's super hot!

**Thanks for the chat, India.**

**Finally, apart from falling down stairs, have you been up to anything else exciting lately?**

I went to LA to do a shoot with all my favourite *Nuts* girls for the Hot Shots calendar. We misbehaved a bit last time so we were told we have to rein it in a bit. Ha-ha! But we still had plenty of fun! **X**

**'Rihanna's hot. She'd be my ideal dinner guest!'**

## 10 Lamborghini Gallardo

**SPEC**  
**Price:** Up to £149,990  
**Top speed:** 196mph  
**Power:** 520bhp  
**0-60mph:** 3.7 secs

Only just remaining in the top ten after dropping a couple of places, but there's still nothing that turns a WAG's head quite like a Lambo. This Italian beauty will always be a firm fave with flash footy-playing types.

**DRIVERS INCLUDE:** Ashley Cole, Marko Marin (both Chelsea); Nani, Wayne Rooney (both Man United)

The *Knight Rider* remake was hit by budget constraints

**NEW ENTRY!**

## 9 Mini

**SPEC**  
**Price:** Up to £29,550  
**Top speed:** 155mph  
**Power:** 218bhp  
**0-60mph:** 6.2 secs

It's a new entry for the monster Mini, which costs nothing compared to a supercar. Amazingly, this is an hour's work for some stars! Still, though, it's reassuring to know that with the addition of some blacked-out windows and a nice body kit, you too can rock up to Nando's in this affordable auto and pretend you're a new hotshot Prem signing.

**DRIVERS INCLUDE:** Jamie Carragher (Liverpool); Phil Jagielka (Everton); Laurent Koscielny (Arsenal); David Luiz (Chelsea); Scott Sinclair (Man City)

"Right, so it's loo roll, some eggs and a pint of milk"

## 8 Porsche 911 Turbo

### SPEC

**Price:** Up to £108,141

**Top speed:** 193mph

**Power:** 500bhp

**0-60mph:** 3.7 secs

Fast and flash, this bad boy leaves fat SUVs in its rear-view mirror. It's perfect for the player-about-town who wants to impress the ladies. It makes us suspicious that the M6 toll road was built specifically for our Northwest-based players to burn rubber without any pesky congestion spoiling the fun.

**DRIVERS INCLUDE:** Wes Brown (Sunderland); Andy Carroll, Pepe Reina (both Liverpool); Cameron Jerome (Stoke); John Terry (Chelsea)

It was the only way he could keep up with Van Persie

## 6 Bentley Continental GT

### SPEC

**Price:** Up to £132,150

**Top speed:** 198mph

**Power:** 567bhp

**0-60mph:** 4.4 secs

The posh wardrobe on wheels adds a touch of class to proceedings. It slips out of last year's top five, but its luxury status commands an epic price tag. Mario Balotelli's got one, presumably to fit all his fireworks in the boot.

**DRIVERS INCLUDE:** Mario Balotelli, Gael Clichy (both Man City); Steven Gerrard (Liverpool); Nani (Man United); Phil Neville (Everton); Shaun Wright-Phillips (QPR)

The new Bond was a controversial choice

## 7 Aston Martin DB9

### SPEC

**Price:** Up to £128,653

**Top speed:** 190mph

**Power:** 470bhp

**0-60mph:** 4.6 secs

The Brit classic holds steady at number seven and has been adopted by a new generation of players who aren't in a hurry to get to grips with this "public transport" malarkey. Not a bad showing for an auto that only came out in 2004. It makes you proud to be British.

**DRIVERS INCLUDE:** Gareth Barry, James Milner (both Man City); Darren Bent (Aston Villa); Peter Crouch (Stoke); Glen Johnson (Liverpool); Steven Pienaar (Everton)

"Hmm... Arsene's driveway goes on for miles!"

## 5 Audi R8

### SPEC

**Price:** Up to £113,645

**Top speed:** 186mph

**Power:** 500bhp

**0-60mph:** 4.0 secs

Last year's number four is still a firm fave with the boys. The best-looking Audi ever is growing its fan base and the new Spyder edition is limited to just 333 cars! Well, players with money to burn do like their wheels to be exclusive, although we wonder if any have contemplated buying all 333 of them. ▶

**DRIVERS INCLUDE:** Micah Richards, David Silva (both Man City); Petr Cech (Chelsea); Theo Walcott (Arsenal)

"Patrice? Yeah, it's Luis.  
Fancy grabbing a late  
supper and a movie?"

## 4 BMW X6

### SPEC

**Price:** Up to £76,290

**Top speed:** 155mph

**Power:** 555bhp

**0-60mph:** 4.7 secs

It's the SUV that screams, "Yo! Everyone look at me! I'm a footballer with a bit of brass to burn!" The sports-style seats are electric and built for comfort – so just perfect for footballing divas who demand a cushy ride around town after a tough day at training. Oh, it's a hard life!

**DRIVERS INCLUDE:** Anton Ferdinand (QPR); Adam Lallana (Southampton); Juan Mata (Chelsea); Luis Suarez (Liverpool); Cheick Tiote (Newcastle)

## 2 Porsche Cayenne

### SPEC

**Price:** Up to £90,790

**Top speed:** 173mph

**Power:** 550bhp

**0-60mph:** 4.8 secs

The most popular Porsche ever induces more yawns than yelps, but the family man's SUV still manages a top speed of 173mph! Of course, that's the Turbo option but what self-respecting player wouldn't go for the model that flies like a suspicious brown substance off a very shiny shovel?

**DRIVERS INCLUDE:** Patrice Evra, Robin van Persie (both Man United); Steven Gerrard (Liverpool); Ji-Sung Park (QPR); Younes Kaboul, Scott Parker (both Spurs)

Wazza loved The Carpenters on the way to training

## 3 Audi Q7

### SPEC

**Price:** Up to £95,260

**Top speed:** 155mph

**Power:** 500bhp

**0-60mph:** 5.5 secs

This burly SUV has been overtaken by its arch-rival the Porsche Cayenne in the players' cars stakes this year. To be fair, the Q7 is significantly slower than the Cayenne but it still looks swish and the WAGs love it, too. That's why it'll always be a familiar sight at training grounds across the land.

**DRIVERS INCLUDE:** Chris Brunt (West Brom); Gervinho, Theo Walcott (both Arsenal); Rory Delap (Stoke); Wayne Rooney (Man United); Fernando Torres (Chelsea)

2012

## 1 Range Rover Sport

### SPEC

**Price:** Up to £61,900

**Top speed:** 140mph

**Power:** 385bhp

**0-60mph:** 7.2 secs

It's a hat-trick for this footy fave! Three years in a row at No.1 for the all-terrain V8 star that won't complain if it ends up on the pitch. Does anything say "Prem star in a car" more than this colossal king of the road? Either that, or it could be James Bond in there. **X**

**DRIVERS INCLUDE:** Jermain Defoe (Spurs); Frank Lampard (Chelsea); Micah Richards (Man City); Martin Skrtel (Liverpool); Jack Wilshere (Arsenal); Ryan Giggs (Man United)

KELLY BROOK

## On her naked scenes...

## On sex with Keith Lemon...

"The first scene in the film where we consummate our relationship... well, it doesn't really go to plan, and Keith unfortunately, prematurely, has a little party."

"I'm dying to work with Quentin Tarantino. I really like visual directors and those kind of very fun, quirky and sexy films."

# Vs the Nuts Question Bucket!

Sell:

The hat-wearing rapper on kebabs, socks and Tulisa!

Copy:

➔ **THE RULES** are simple. We fill our bucket full of ridiculous questions, then a celebrity picks them out at random and must answer whatever they get!

**Are you really going to set up your own Greek kebab shop called "Dapz Brapz"?**

Dapz Brapz? If I did, I'll support the cause and do one in Greece to carry on the legacy. It wouldn't be a kebab shop, it would be a tavern and it would have loads of beautiful salads, fresh fish, calamari and tzatziki. It wouldn't be a typical kebab shop.

**Who was the last person to call you by your real name, "Costadinos"?**

The lady who does all my press and brings you guys to me. She called me Costas today. I looked up and was like, "What? Did you really call me that?"

**Which do you change more often, your socks or your hats?**

The hats is a thing I did with N-Dubz and was a quick claim to fame. The hats just made us who we are, two hats with a girl in the middle. Now I don't always wear hats. I've got good hair, so I might just keep my hair out. Do I change my socks more than my hats? I think I do! That's a Nuts question!

**You're a keen angler. What's the biggest fish you've ever landed?**

A f\*\*king good question. Let's say a big carp, as you can see on the front of that magazine [gestures to a copy of *Angler's Mail* on which he's the cover star]. I like carp fishing. They weigh up to 40lb. My biggest one is 38lb of carp. That was the biggest animal I've ever hunted.

**If Tulisa wasn't your cousin - would you?**

Aw, that's a naughty one! Of course I wouldn't! She's like my sister, man. It's out of the question.

**There was a chance you might have gone to jail this year for an "incident" at a petrol station. How would you have survived inside?**

If you're famous, people are going to want to try it with you. But I know a lot of people up and down the country inside, so I think I'd be safe.

**Bear Grylls says he's keen to take you with him on an adventure. Would you go?**

Serious? Because he knows I like him? That means a lot to me, bro. It would be an honour to go with him and watch him do his own thing and just learn off him. Yeah, I'd be good. I'd eat bugs and drink my own wee!

**You got an A\* in GCSE English. Are you cleverer than you look?**

I don't know how I look. If I look stupid then people might think I'm stupid. I don't think I look stupid. If you did an IQ test, I'd get a good level I think.

**You gave the alternative Christmas message on Channel 4 in 2010. What would you say this year?**

I think I'd be more blunt this time. I'd grab David Cameron by the neck and raise him like a uni fee! Cameron took it from being able to go to a uni for free to having to pay 11 grand. Come on!

**2012 was the year of celebrity rudeness. Would you get your kit off for a photo shoot?**

Haven't you seen *Heat* magazine? I had a picture with everything out. It was a publicity stunt last September when *No Regrets* went to number one and it got over a million hits.

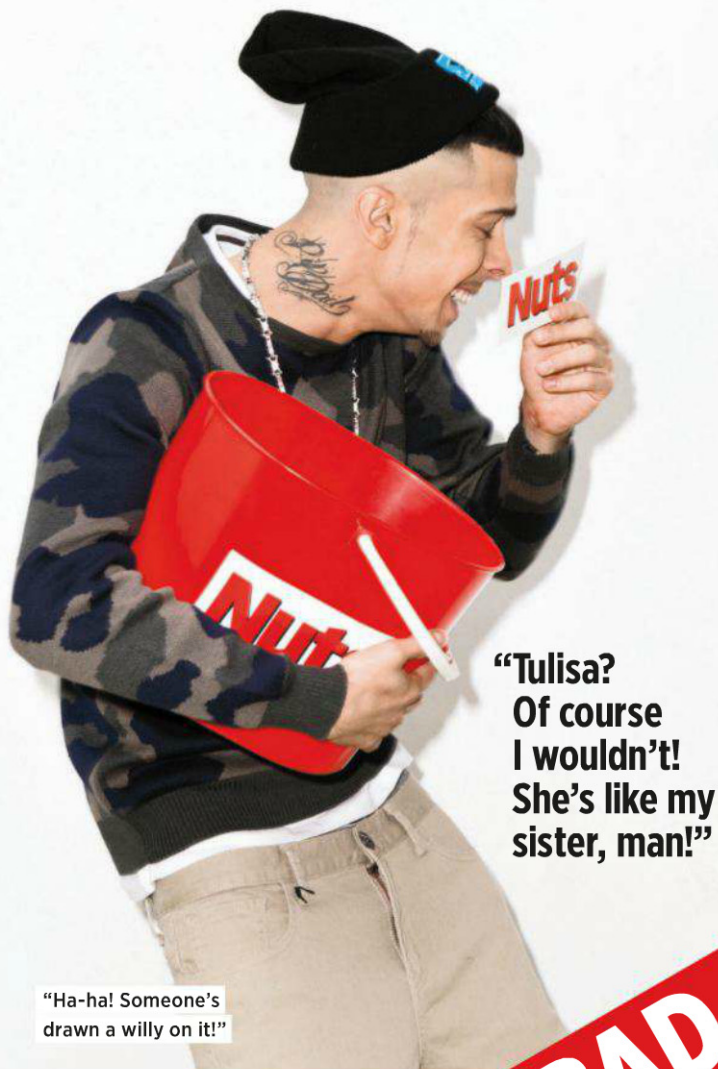

**You were once thrown out of Alton Towers for allegedly smoking a dooby. Weren't the rides scary enough already?**

Ha! The Nemesis was really scary. It was just a mistake. It wasn't even me who smoked it. Honest!

● Dappy's single *Good Intentions* is out now. The album *Bad Intentions* is out on 23 October.

What our chaps thought of NBA 2K13...

**SEAN, 23, YEOVIL**

"Jay-Z is an executive producer on the game, so the soundtrack is awesome! It'll be great for getting the lads around for a night in. Can we borrow the Nuts girls?!"

**JON, 24, BRISTOL**

"I'm normally a Fifa man, so didn't think I'd be that into it, but it's just as addictive and a bit more varied. I don't know much about basketball, but I still loved it!"

**JACK, 24, BRIGHTON**

"I've actually played it before, but was well impressed with the new gameplay features. You can play old NBA legends against new ones, which is pretty sweet!"

**CRAIG, 24, LIVERPOOL**

"I just really like the multiplayer features. It means all your mates can get involved, and no one's left sitting around waiting for their turn. The controls are dead easy to use, too."

**LEE, 23, HULL**

"I love watching NBA games anyway, so it's ace to see all the legends featured in the game!"

### England vs San Marino

**ITV1/HD • 7.30pm**

One of the few occasions where we can say with virtual certainty that England will win a football match and win it well. San Marino have played 113 internationals, won one (against Liechtenstein) drawn five and lost 107. Boost that goal difference, England!

### Moone Boy

**SKY1/HD • 9.30pm**

It's the last in the series of this enjoyably daft sitcom and it's the last week at junior school for Martin Moone. Spurred on by imaginary pal Sean (Chris O'Dowd), Martin decides to leave his mark and ensure his name lives on in the school's memory. Cue "Martin Mayhem"! A second series is already in production. Hurrah!

★★★★

### QI

The clever-clogs quiz show is perfect for boning up on pub ammo (as if *Nuts* didn't give you enough) but also manages to pack in the chuckles. This week's egg-heads are joined by Jimmy Carr and posho funnyman Jack Whitehall, who's presumably riding high on the popularity of *Fresh Meat* and *Bad Education* right now.

## Fresh Meat

CHANNEL 4/HD • 10pm

A packed episode sees Howard losing his shoes in a bizarre mugging incident, Vod getting a job as a hotel chambermaid and soon realising she's bitten off more than she can chew, and Ralph laid low with mumps. Meanwhile, a self-defence class organised by Sabine has unfortunate consequences for Heather.

## The River

SYFY/HD • 10pm

Six months after an explorer goes missing in the Amazon, a search party try to find him and film the journey, documentary-style. Soon, odd things start happening, like his daughter becoming possessed, and the crew finding a tree draped in dolls. As far as boat trips in foreign climes go, we thing we'll just stick to booze cruises.

HOARDING: BURIED ALIVE

DISCOVERY REAL TIME • 9pm

A woman with a collection of hundreds of ventriloquist dummies. Creepy!

# Wednesday 17 October

## Horrible Bosses

**SKY MOVIES PREMIERE/HD • 8pm**

If the prospect of Jennifer Aniston as a foul-mouthed, sexually aggressive ball-breaker appeals, you'll like this outrageous dark comedy. Sick of their bosses, three blokes (Jason Bateman, Charlie Day and Jason Sudeikis) enlist the help of a "murder consultant" (a show-stealing Jamie Foxx). But their plans don't exactly go smoothly...

★★★

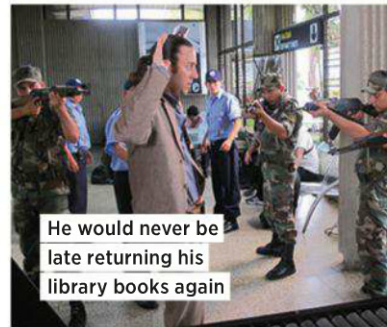

The five-headed  
monster was feeling  
a bit more human

## Meet The Parents

**E4 • 9pm**

The last in the series of the reality game show putting a member of the public in more uncomfortable positions than a fortnight at a yoga retreat. People get the pleasure of meeting their partner's "family", little realising they're actually actors and determined to make life as hellish as possible for their victims. Shudder!

★★★

He would never be

## Banged Up Abroad

**NATIONAL GEOGRAPHIC/HD • 9pm**

It's a bloke's worst nightmare – going on holiday somewhere hot and poor, and ending up in jail. Duane Wollum, was put in chokey in Nicaragua when the local plod found he was carrying a huge quantity of cocaine. Something he no doubt regrets now.

## Hunted

**BBC ONE/HD • 9pm**

Aussie hottie Melissa George continues to impress as the paranoid espionage operative attempting to find out who was responsible for trying to kill her. She thinks she makes a breakthrough here when she runs into a man from her past. But what does he really know? Quality stuff from the people who gave us *Spooks*.

★★★★

## The Thing

**SKY MOVIES PREMIERE/HD • 9.45pm**

This prequel to the 1982 Antarctica-set horror doesn't quite hit the heights of that, but still makes for a respectable – and similarly bleak – companion piece. It follows events to the beginning of the '80s classic, as scientists dig an alien spaceship out of the ice... and revive the occupant.

★★★★

"Could you be the  
final member of our  
Abba tribute act?"

## Celebrity Juice

**ITV2/HD • 10pm**

Once upon a time, we longed for a quiz hosted by a comic who'd adopted a mad alter-ego, with hot girls as captains and who playfully took the mick out of both them and whichever guests were on that week. The telly gods then smiled down and gave us this! Dappy and Olly Murs are the guests in the firing line tonight.

# LADIES CONFESS!

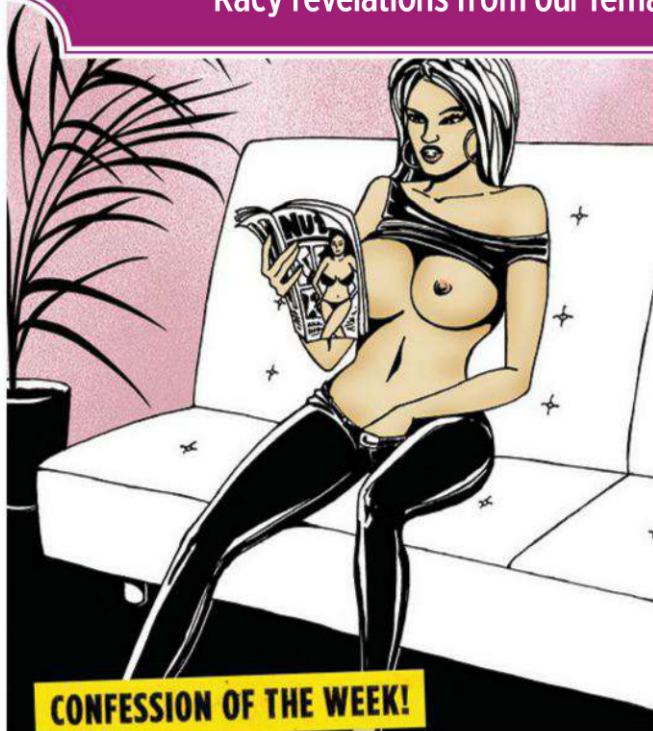

TO OUR SECRETARY! 

Racy revelations from our female readers!

**SHARE  
WITH OUR  
SECRETARY!**

Ladies, got a saucy secret you can't keep to yourself? Send your sexy story to our Lou!

**CONFESSION OF THE WEEK!**

## 'I got horny in reception'

**MY BOYFRIEND** was working in London one day and I tagged along and sat in the empty reception area reading magazines. After a while, I was quite bored, so I grabbed his copy of *Nuts* from his bag. I started reading Ladies Confess and couldn't believe how horny the stories were making me. Soon I had my hand down my knickers. I'd almost reached the point of no return when I looked up and saw a CCTV camera! Luckily, I was just out of shot. I couldn't wait to try out some more fantasies when we got home!

**Katie via email**

## 'She rubbed my boobs'

**A FEW** weeks ago, I went on holiday with a couple of girlfriends. One of the girls

was ill one day, so it was just two of us by the pool getting our tan on. After a while, my friend began rubbing sun cream on my back and it felt so nice that it started to turn me on. Once she'd finished rubbing

my back, I turned over and she started rubbing cream on my chest, too. My nipples soon became erect and she could tell she was turning me on. We ran to a quiet corner of the pool where she continued to rub my boobs and then she slipped her hand down my bikini bottoms and started playing with my wet pussy. I was a little concerned people would notice, but she kept it up gently until I orgasmed silently. We never told our friend – she might even read it here first!

**Emma London**

## 'We got it on in the Jacuzzi'

**I JOINED** a new gym recently and during one of my first sessions, I noticed a really fit fella working out at the same time. One evening, I decided to use the Jacuzzi and steam room and I noticed him and his hot, sweaty body on the way in. He gave me a wink and nipped in there before me. I couldn't control myself, and soon I was on his lap in the bubbles, he was inside me and our swimwear was floating in the Jacuzzi. I cried out with pleasure and tried to hide it by laughing. The lifeguard knew what we were up to and kicked us out eventually, but I've already got my money's worth from this gym membership!

**Kirsty Bristol**

## 'My nails dug in his bum'

**I'D RECENTLY** started a job at a local supermarket and thought it was going to be really dull. To my surprise, my manager was red hot and a real flirt. One day, I was late into work and he summoned me to his office. He was really angry and shouting right in my face. But his manly rage really turned me on, so I grabbed his tie and forcibly dragged him forward and began to snog him. He soon undid his belt and unzipped his trousers and lifted me onto his desk. His erection was rock hard and, after whipping on a condom, he slid inside me, my nails digging into his bum. After just a couple of minutes of intense, loud sex we came one after the other. The only trouble was everyone working on the morning shift could hear us at it!

## Ultras' best banners!

The fans who turn stadiums into cauldrons of noise and colour!

**THE PREMIER** League may claim to be the best, but European fans give us a hiding when creating an atmosphere.

SV Hamburg's most fanatical supporters, the Ultras, recently celebrated the German club's 125th anniversary by transforming the stadium into a sea of blue and white. And they're not alone. Across Europe, ultras assemble choreographed displays of banners and flares.

We asked Radio 5's European soccer expert Gabriele Marcotti his views on the best!

### EUROPEAN EXPERT!

Gabriele Marcotti was born in Milan and has lived in Germany and Poland. He now lives in London.

"How can it be my turn to take it home again?"

### PSV EINDHOVEN NETHERLANDS

"Philips are based in Eindhoven and the town calls itself 'The City Of Light'. So, when several PSV ultras groups banded together, they chose the name 'Lighttown Madness'. Get it?"

### SV HAMBURG GERMANY

"Trendy St Pauli are the media darlings in Hamburg, but it suits SV's fans. They're mainstream and proud, even though one of their main groups calls itself 'The Chosen Few'."

### WILLEM II NETHERLANDS

"Willem II's 'Kingside Crew's' biggest rivals are NAC Breda's 'B-side Rats'. So, under the heading, 'We are back', Kingside are looking to exterminate some rodents using, erm... darts."

Crouchy's dad  
thought he'd  
catch a game

**GALATASARAY** TURKEY

"Gala boss Fatih Terim, now in his third stint at the club, is known as 'The Emperor'. In this photo, fans pay homage to the great man showing his players the way into battle."

**SLAVIA PRAGUE** CZECH REPUBLIC

"Slavia have played second fiddle to crosstown rivals Sparta for a few years, so now much of their fans' fun comes from deriding their team with a Nelson Muntz-like 'Ha-ha!'"

**NEC NIJMEGEN** NETHERLANDS

"Nijmegen's ultras, the 'Legio Noviomagum', show love for Vitesse Arnhem with their 'Grab them by the throat' banner. Their stand is known as 'de bloedkuul' or 'blood hollow'."

**FC BASEL** SWITZERLAND

"Basel's ultras call home the 'Muttengerkurve' (their sector of the ground) rather than the stadium. 'Red is the intensity of our love, Blue the depth of our faith' is their motto."

**FC AARAU** SWITZERLAND

"The club's main ultras groups are the 'Fistulos' (Hurricanes) and the 'Amigos' (Friends), and they have a code of non-violence. But not non-booze, flares or noise."

# James DeGale: 'I'll be world champ by summer!'

On Ricky Hatton, London 2012 and Chris Eubank Jr!

➔ **Hi James! You've been out the ring for a while. Are you in good shape?**

Yeah, I've been in the gym every day. Boxing's my job so I haven't stopped training. I can't wait to get back – it's been a long time.

**What do you know about the guy you're fighting, Hadillah Mohoumadi?**

Not much. But the plan is to stop him within six rounds!

**Recently, Chris Eubank Jr claimed to have "schooled" you in sparring...**

Ha-ha! He and his Dad live on a different planet! He's also meant to have broken Nathan Cleverly's rib and claims to have beaten up George Groves in sparring. It's all a publicity stunt!

**So there's a problem with you two?**

A year ago he sent me a message on Facebook saying that in a couple of years' time he and I were going to be big rivals. He was telling me I needed to carry on being arrogant to make our rivalry even bigger. I did him a favour by having him in my gym! Do not believe a word that comes out of that boy's mouth. He's very disrespectful.

**What do you think about Ricky Hatton coming back?**

I'm looking forward to it. No fighter wants to go out like he did against Manny Pacquiao. People forget he's only 33. I think he'll have a lot left and can be a world champ again. I'm a big fan.

**What about Amir Khan?**

Amir's in a bit of a weird situation coming off another loss, but he's still young. People saying he should retire don't know what they're on about!

**Do you regret not being able to defend your Olympic gold medal at London 2012?**

I watched a lot of it and it did bring back memories. Part of me did want to be defending my gold medal! But I've had my time, it's time to move over for the new boys.

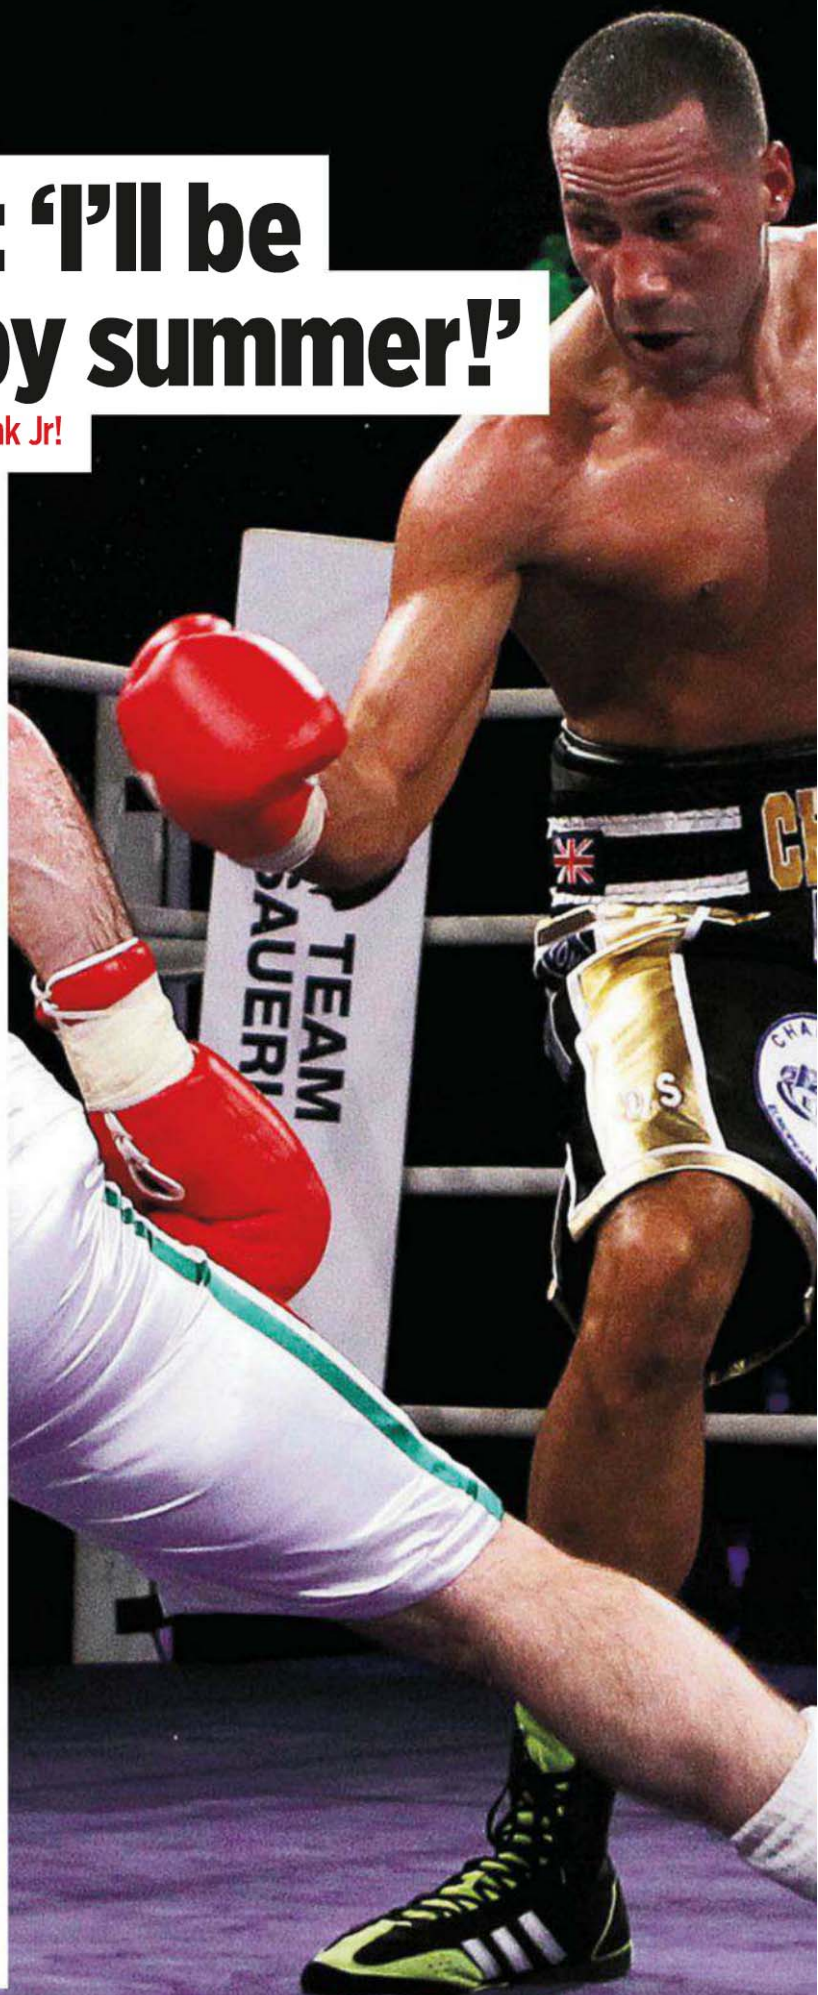

**Do you think those that won medals should turn pro now?**

Yes! They should strike while the iron's hot! Luke Campbell, Anthony Joshua and Anthony Ogogo all need to turn pro. They've got to – they've reached the pinnacle of their amateur career.

**Thanks, James. Finally, what's the goal for the next year?**

I'll have a couple of fights and then hopefully a world title. I think I'll be a world champion by the summer next year. I'm not afraid of anyone, there's the George Groves rematch or I could fight Carl Froch for the world title. There are loads of top super-middleweights out there – I'm actually honoured to be part of such a competitive division.

● James DeGale defends his European super-middleweight title on Saturday 13 October, with live coverage on Channel 5 from 10pm. Tickets from [www.ticketmaster.co.uk](http://www.ticketmaster.co.uk)

## 'Cole's anti-FA tweet was understandable'

**Social media to blame for Ashley's heat-of-the-moment rant**

➔ **IN LAST** week's column, I said the John Terry affair could grow and grow. Sadly, Ashley's Cole controversial tweet has proved me right.

Last Friday, Ashley called the FA "a bunch of t\*\*ts" on the social network after a report into the John Terry/Anton Ferdinand incident queried his statement to the FA hearing that led to Terry's "guilty" verdict. Ashley believes he told the truth, and if you think

you've done nothing wrong, you fire back. Twitter, with its huge reach, let him do it. It was probably a spur of the moment thing, but once it's out there it's not going to go away – even though he apologised later that day.

There's now a possibility that Cole could relinquish his role with the England team, and that's something we don't want. He certainly shouldn't be banned by the FA, whatever he's said. It is, after all, just an opinion.

Footballers and managers will have to look at how they deal with the public. You couldn't meet a more honest bloke in football than Roy Hodgson, and when he spoke to fans on the Tube about Rio Ferdinand, he'd never have guessed it would become a huge story. But it did, thanks to social media.

Now he'll never speak so candidly to supporters again, and that ruins it for other fans. It really is a new world we're living in.

## Scotland have too much for Coleman's side

I'M REALLY looking forward to another "Battle of Britain" World Cup qualifier between Wales and Scotland.

It really is a mystery what has happened to Wales since the death of Gary Speed. When Gary died, Chris Coleman looked – and still could look – the ideal replacement, but it's just not happening.

Scotland, on the other hand, look good, and now that Craig Levein has offered the olive branch to Steven Fletcher (above), they should have too much for Wales, though Gareth Bale will be a danger.

Result? I reckon it'll be a 1-0 win for the Scots.

**KAMMY'S UNBELIEVABLE-OMETER™**

**UNBELIEVABLY GOOD!**

**SMART HART!**  
He's outstanding and has to be one of the best goalkeepers in the world. Without Hart, Man City would have been well beaten by Borussia Dortmund.

**UNBELIEVABLY BAD!**

**KEAN WOE!**  
The Blackburn situation is very bad. The departure of Steve Kean, when he'd lost just one game, was terrible. Why not do it at the end of last season?

## City in Europe

I WAS blown away by the attitude of Borussia Dortmund when they came to the Etihad in the Champions League last week. Were they intimidated by the most expensive side in world football? Not a bit of it. It's too early to say how City will do in the Champions League, but it's a steep learning curve they're on.

## Poland vs England

**TUESDAY 16 OCTOBER •**  
ITV 1/HD, 8pm

England play San Marino on Friday before jetting off to Poland. Defensively, Roy Hodgson has made the team strong, and I can't ever see them letting in more than one or two goals. For me, this should be a routine victory.  
**PREDICTION: 0-2**

## Key man

I know people will say he hasn't done the business in the World Cup or the Euros, but I think Wayne Rooney will shine here.
