BEHIND THE SCENES OF SKYFALL *P8*

DANIEL CRAIG

Bond, James Bond on gadgets, money and underwater snoozes!

Hi Daniel! There's a lot of action in *Skyfall*. How did you prepare for all the running, jumping and fisticuffs?

The rule we applied was that I started rehearsing those scenes well before we started shooting. I'm not a fighter. I mean, I pretend to be one. It's called "bullsh*t boxing" but I know that we try to make it look good. And I had to do a lot of running in this movie, which I hate. Bond doesn't usually walk through a room. I'm going to have to change that. Why you can't gracefully go through a room, I have no idea.

So how many push-ups did you do?

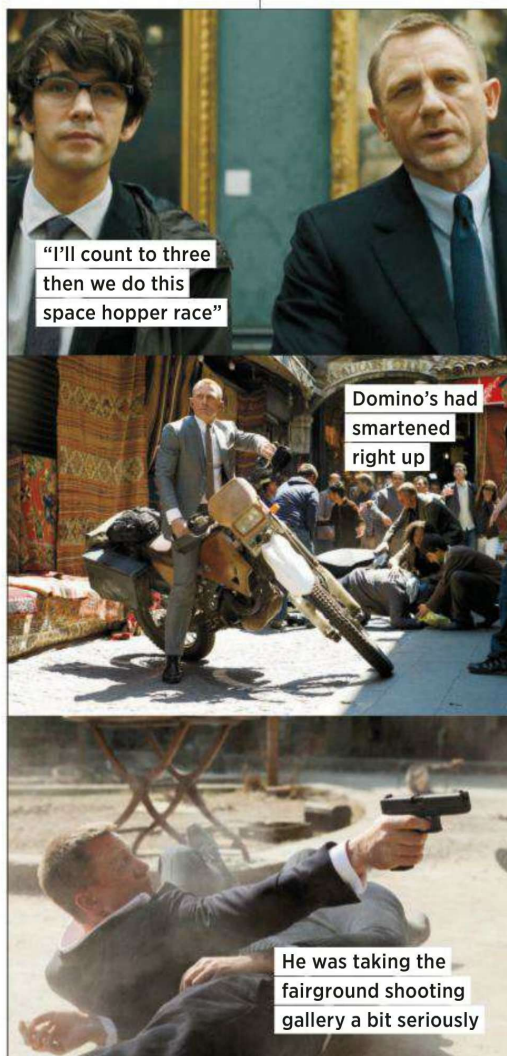

I don't know. All I know is they're not on camera. They're on the floor of the cutting room.

This movie focuses a lot more on Bond personally...

Nobody told me that we couldn't make an action film with a good story and we always go back to [Bond author] Ian Fleming when we sit and discuss the movie. And if you look at the novels, he's so conflicted – Fleming tries to kill him off. He gets really p*ssed at him. He's a killer, you know? He kills for a living. It's a dark place he goes to. But what I'm so proud about in this movie is that the writing is so good and the lightness of touch is back that we wanted so much and we've combined it with a very emotional story and I just... they employed me. They knew what kind of actor I was. It's their fault. Blame them!

It was really great to see a little bit of Bond's back-story...

Yeah. It's about families. This one's a little bit about families and parents and children and, you know, not in a heavy way, just in that it's part of the plot and going back to his childhood just to sort of destroy it really, and move on. You know. Begin again.

This is the first time we see Bond cry on screen...

I don't cry. That's sweat!

Sweat? Is that in the script?

It's on the page! And what do I think about? I'm thinking about what I'm having for lunch. That's what I think about.

There's a scene that happens underwater.

What was filming that like?

Actually, the great thing about doing those underwater scenes is that I spend most of my time under the water. I just sink to the bottom, put the respirator on

and hide. Sometimes I fall asleep as well. You can actually get some sleep

down there. And then you'll hear a voice say, "Where's Daniel?"

Were you a bit disappointed that you didn't get to play with many gadgets this time around?

No. People talk about gadgets all the time but if you look at the original gadgets, what was sexy about them is Bond took out a box, stuck it on the door and pressed a button. The red light came on and that's kind of sexy. But to have Bond on a computer at a screen, I think is f**king boring. So we brought Ben [Whishaw] in, who's Q and is a computer whiz, and we have this clash of the two worlds and there's a potential there to make a really great team. It just means Bond doesn't have to be dealing with technology. We very deliberately have kept the gadgets simple and don't just sort of put them in extraneously.

Apparently, you initially turned down the role because you were worried about being typecast. But now you're rumoured to have signed on for *Bond 24* and *Bond 25*. What made you change your mind?

Money.

Money? Really?

I suppose I was concerned about being typecast but you know, when you weigh it up, it's not a bad thing to be typecast as James Bond. Is it really? You know, I changed my mind.

One of the most painful things in the movie is when the Aston Martin blows up. Is there some sort of symbolism there that we might not know about?

It's a joke. It's a gag. You know, the car's beautiful. Everybody loves it and he might find another one. You never know. We'll figure it out. **X**

Of course, she's Sévérine, Bond's latest squeeze, clocking in as the ninth French Bond girl, maybe surprisingly the sixth oldest at 33 and definitely one of the hottest. Which is a shame because... [spoilers removed so you don't storm Nuts Towers with torches and pitchforks].

LONDON TUBE TERRORIST ATTACK!

For *Skyfall* baddie Silva's audacious attack on London's Underground, the production team had to build their own Tube trains and sewers to use at Pinewood Studios. "It took 25 engineers six months to make the replicas," said special effects supervisor Chris Corbould.

ISTANBUL TRAIN CHASE!

Part of the popcorn-dropping 12-minute opening chase involves Bond fighting on a moving train. In this pic, Daniel Craig watches his stunt double Ben Cooke, although Craig himself went on to do the actual stunt. Fifteen £35,000 Audis were destroyed while shooting in Turkey!

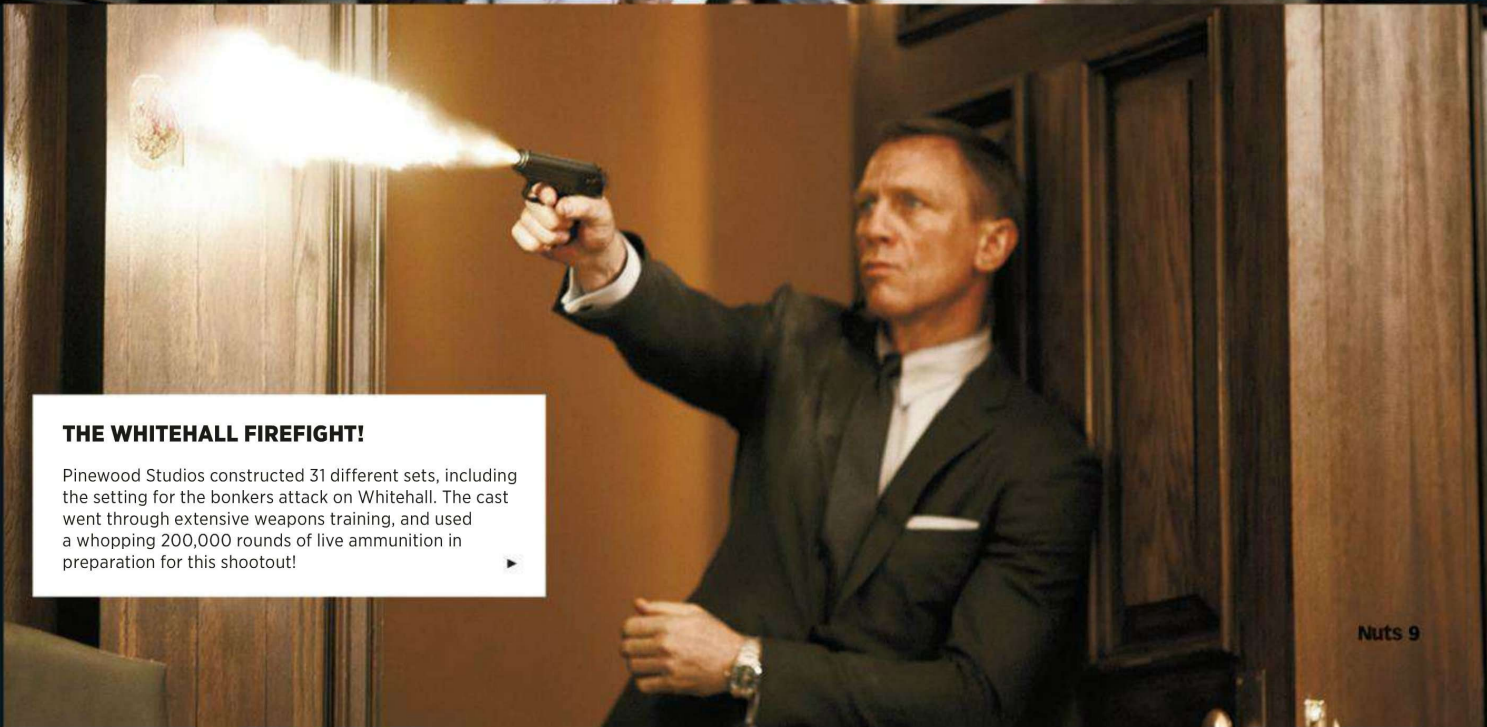

BOND ON THE RUN IN SCOTLAND!

The classic Aston Martin DB5 makes a return to Bond's world. When you watch the film, check out the registration plate on the DB5 – BMT 216A. It's the same as Sean Connery's in *Goldfinger*. "I love them and this story was the perfect platform to reintroduce the DB5," said Craig.

HOT PURSUIT UNDERGROUND!

Charing Cross Tube station was used over four weekends to film an incredible chase scene. The middle metal parts of the escalators were replaced with rubber so the cast could slide on them. Craig said, "This would be impossible in most movies, but Bond's name opened a few doors!"

THE WHITEHALL FIREFIGHT!

Pinewood Studios constructed 31 different sets, including the setting for the bonkers attack on Whitehall. The cast went through extensive weapons training, and used a whopping 200,000 rounds of live ammunition in preparation for this shootout! ▶

SKYFALL

BOND MEETS HIS CAPTOR!

Javier Bardem describes his character Silva as “an angel of death – a very clean person who happens to be rotten on the inside”. This snap catches the first encounter between him and Bond in Silva’s incredible lair, basically an abandoned city off the coast of China!

BOND'S SHANGHAI SNIPER SHOWDOWN!

No *Bond* flick is complete without 007 getting his passport stamped in an exotic location, and *Skyfall* is no different. Part of this Shanghai skyscraper shootout scene was actually filmed atop London's Broadgate Tower, while the pool you'll see is a Virgin Active pool in Canary Wharf!

THE SIEGE OF SKYFALL!

This is supposed to be Skyfall, Bond's ancestral home in the Scottish Highlands – but it's actually a replica mansion built by 70 crew members on MOD land in Surrey. This loaned Merlin helicopter and 28 stuntmen were then used to attack it in this amazing “Siege of Skyfall” scene.

INSIDE SILVA'S HIDEOUT!

Villain Silva's Chinese lair looks stunning. It's supposedly on the island of Macau, 37 miles south-west of Hong Kong, but was actually built at Pinewood Studios, 20 miles west of London. Twelve artisans were flown in from China to assist with creating authentic structures.

THE MI6 PRISON BUNKER!

Here, Silva is held in what's supposed to be a makeshift MI6 HQ on the site of Churchill's Second World War bunker. It took nine weeks and 250 crew members to build the replica on the 007 stage at Pinewood. Secret tunnels under Central London were used in some scenes.

SKYFALL'S EPIC EXPLOSIONS!

In the film's finale, 30-odd explosions were used to bring carnage to Skyfall. "We used the equivalent of 140 sticks of dynamite and 200 gallons of fuel," said Corbould. "Four of the 11 cameras we used were in purpose-built steel boxes. You could blow them up and they'd be fine!"

8 amazing Stratos jump facts!

Awesome snippets about that incredible Felix Baumgartner!

LAST WEEK, heroically mental Austrian Felix

Baumgartner jumped into a balloon, rose to three times the cruising altitude of a 747, popped out, and calmly broke three world records – highest manned balloon flight, highest freefall and first man to travel faster than the speed of sound **unaided**. Want more facts? We've got your back!

1

THE JUMP FACTS!

It took two hours 21 minutes for Felix's balloon to reach the altitude of 128,177ft (24 miles). Then followed four minutes 22 seconds of freefall, during which he reached a velocity of 834mph – 144mph faster than the speed of sound at that altitude.

2

IT NEARLY FAILED!

Felix had to conquer panic attacks and feelings of claustrophobia from his pressurised suit when he went into a dangerous spin. As the air at that altitude is so thin, the wind resistance needed for his body to stabilise just isn't there. If his spin had exceeded 3.5Gs, a safety chute would have automatically deployed.

3

FALL FACTS!

It took Felix 34 seconds from stepping off the capsule to reach the speed of sound. He fell 36,529m, falling for four minutes 22 seconds before pulling his chute 1,615m above ground. That's nine minutes nine seconds from jump to landing.

4

AN INTERNET PHENOMENON

The jump was the most-watched live event online, with YouTube's live coverage alone reaching a peak of over eight million viewers.

"Why can't I ever get a taxi round these parts?"

"I can see
my house
from here!"

5**FELIX NEARLY DIDN'T MAKE IT!**

In a rehearsal run, Felix's main parachute failed to open and when trying to pull the reserve, he accidentally pulled the chute eject cord. But failsafes stopped him from dying, and he was later able to break the sound barrier for real.

6**HE DIDN'T FEEL A THING!**

Strangely, and disappointingly, Felix felt nothing as he broke the speed of sound as his pressurised suit – designed to keep him toasty in the -70C temperatures – protected him from the elements too much.

7**THE DELAYS!**

The jump happened almost a week after it was scheduled as the 55-storey balloon was so fragile, it wouldn't survive winds of over 2mph. Roswell, New Mexico, was chosen specifically for its calm weather conditions.

8**THE BALLOON!**

It takes eight hours to prepare the balloon. First the runway is cleared of every stick and stone, then men wearing cotton gloves and protective suits unwrap it and inflate the thing – it's taller than the Statue Of Liberty – which takes over 45 minutes. The 0.2mm strips of polyethylene it's made of would cover 40 acres if laid out on the ground.

"Who knew fountains made such good scratching posts?"

"For real, officer? And it's called indecent exposure?"

Aliens: Colonial Marines first play!

Nuts gets exclusive time with Sega's extra-terrestrial bug hunt and official sequel to *Aliens*!

ONE OF the brilliant things about games is their ability to tell a new story. Or continue an old one. Case in point? *Aliens: Colonial Marines*, which is the de facto sequel to 1986 action classic *Aliens*. Much care's been taken to ensure everything is canon and authentic for this game, out next February.

CANNON FODDER!

Lots of visiting marines mean lots of lovely aliens bursting out of their chests. And therefore lots of lovely, grumpy, clawy things to shoot!

"Um, so when
should we start
panicking, boss?"

PLAY AS ALIENS!

In "Deathmatch" you can control three types of alien - standard soldier, a sneakier, more mobile lurker and a "Crusher" - to take out marines in vicious mêlée attacks.

"OK, you're not
ugly! I take it
all back!"

"Ha! A wedgie!"
"Not now, Terry
- I'm busy!"

IT'S THE SEQUEL TO *ALIENS*!

The campaign mode story starts 17 days after the film finishes, as marines arrive to investigate the distress call from planet LV-426 and find it in ruins.

CLASSIC GAMEPLAY!

You use a combination of standard marine-issue pulse rifle and movement detector to hunt down your alien prey. This means gameplay is extraordinarily tense.

"Not more of them
- I'm missing
The X Factor!"

RETURN TO SPACE!

You return to original spaceship the Sulaco where you fight both aliens and Weyland-Yutani (*Aliens*' evil corporation) mercenaries who want to capture and weaponise the toothy varmints.

On the Olympics!

"I enjoyed the Olympics. My favourite bit was the closing ceremony 'cos they got lots of dead people to perform. I'd love to have been at the production meeting. Lord Coe comes in. 'Who have we got?' 'John Lennon said yes.' 'Really?' 'We had a séance last night. Well, he said "Y-E-D". Took that as a yes. Freddie Mercury, bit more complicated. He said, "Scaramouch, scaramouch, can you do the fandango?" Think he's keen."

On Lady Gaga!

"You never see anyone in a meat dress. There are only two things to do with meat: eat it and raffle it. You don't wear it."

On airports!

"They say you should live every day as if it's your last. It's a very good excuse for not picking people up from the airport. 'Yeah, I would pick you up, but I'm living every day as if it's my last. If it was my last day on Earth, no way would I spend three hours in traffic. Are you mental?'"

On irons!

"You know when you burn yourself, you think, 'What an idiot. I burnt myself'? I mistook the iron for the telephone. The really stupid thing was, I was dialling at the time. I was trying to get through to the hospital because I'd just burnt my ear."

On alternative medicine!

"I was in a vegetarian café. They had postcards up advertising stuff. There was this one card advertising acupuncture for dogs. That seems really cruel. There's no way you could explain to the dog why you're sticking pins in it. 'This will realign your energy channels and balance your...' 'Woof! Grrrr!'"

"I'm not a big fan of alternative remedies. They're OK if you're feeling a bit peaky but if I'm in an accident I want to hear sirens, not wind chimes. I want to go to a hospital, not a wigwam."

On toilets!

"The other day I went to a disabled toilet just to see what would happen if you pull that cord. If there are any disabled people in, a word of advice: you better really need some help. The abuse you get! I said, 'You call that helping people, do you?'"

"Before I use a disabled toilet, I look up and down the corridor and estimate the chances of someone in a wheelchair needing the toilet in the next three or four minutes. A really optimistic person would look down the corridor, see a person on a wheelchair coming towards them and think, 'I don't reckon they need the toilet.'"

On the Danes!

"The Danish have banned Marmite because it's too salty. You know what they want to ban? Whaling."

On boobs!

"They say that eyes are the windows to the soul. But what are windows? To me, they're the tts of a house. They're symmetrical. Sometimes they have balcony, like a bra. So eyes are the t**ts of the face. So what are t**ts? They're the knees of the chest. The eyes are the knees of the face. What's a face? It's the front door to the personality. It's no wonder I can't sleep at night."**

On America!

"In America, they don't give a sh*t about anyone else in the world. I came back and the papers were full of Barack Obama and Mitt Romney. In America, there was no mention of the Lib Dem conference. Not a word."

"Sad, lonely English women write to American murderers on death row. Their women don't write to our murderers. It pses me off. Come on, what's wrong with our nutcases? Sitting there all lonely."**

On the Jubilee!

"I just couldn't get into it. I couldn't understand all the flag-waving. When I told my brain that the Queen has been on the throne for 60 years, that didn't translate into, 'Yeah!' My brain translated it as, 'Oh, right.' Which was a very similar response to the one the Queen had. She looked like she'd have been happier with a tin of biscuits."

"Prince Philip couldn't make it because he had a bladder infection. Imagine you're in hospital, watching the news and they're talking about your bladder, just because your wife's got a good job?"

On Ashley Cole!

"Ashley Cole got in trouble because he called the FA a bunch of tw*ts. He'd probably written that tweet twice. 'Think I'll change the c**ts to tw*ts.'"

"Ashley Cole is a bit like an eight-month-old spaniel. Just when you think he's house-trained, he shts in your slippers."**

On Jesus!

"Jesus had followers. He literally had 5,000 people following him wherever he bloody went. Everywhere he turned round there would be 5,000 people going, 'Huh?' That's why he said so much. He's stop and say, 'The meek shall inherit the Earth.' 'Ah, that's brilliant! But b**locks, obviously.' He walks off again and stops. 'It's easier for a camel to pass through the eye of a needle than for a rich man to enter heaven.' 'B**locks, again, but f**king brilliant!'"

On being impersonated!

"My agent said there was this guy impersonating me. I say it was a bloke, could be a woman. Could be a transsexual. It could be a very intelligent crow. My personal fantasy is that it's a little old lady from Dundee. After lunch at 11am, she's like, [does impression of little old Scottish lady] 'What shall I do with the rest of my day? I'll impersonate that comedian, I've seen him on Dave.'"

Retro British supercar

Jaguar-inspired supermodel is designed and built in Coventry!

- Drawing inspiration purely from the E-Type Jaguar – an icon which blew out 50 birthday candles on its cake last year – the Lyonheart K looks to be as retrospective as a new car gets.
- The blatant retro touches come thick and fast. From the one-piece clamshell bonnet and oval open-mouthed grille, to real wire wheels – sometimes a car can just look so astonishingly beautiful, you'd almost buy it without an engine.
- But amazingly, included in its £415,000 price tag, the Lyonheart comes with an engine – and it's a goodie. Below the front-hinged bonnet lives a supercharged 5.0-litre V8 borrowed from the modern-day Jaguar XKR.
- Not satisfied with leaving it be, the Lyonheart K's lump has been rebuilt and re-engineered by British race engine evangelists Cosworth to make 567bhp. With the thing promising to weigh less than 1,600kg, it will reach 60mph in 3.7 seconds. 62mph comes in 3.9. Now that's Ferrari California acceleration territory.
- Keen to make the car as quintessentially English as possible, the Lyonheart company is based in Coventry – where Jaguar's life began. Every part of the K will be developed, engineered and hand-made in Britain.
- Only genuine high-end materials get a look-in on the K's construction – traditional leather, brushed aluminium and wood veneer on the inside, with mirror-polished stainless steel and chrome on the exterior.
- Yet as trad and retro as the Lyonheart looks, bags of technology lies beneath. The shell is made up of carbon fibre panels that cover a state-of-the-art aluminium chassis. They haven't said, but we suspect the latter is a version of the existing new Jag XK underpinnings.
- Justifying the bum-puckering asking price was always going to be a tough sell, but the Lyonheart goes a long way to display extreme attention to detail on a car that pays tribute to possibly the prettiest British car ever built. When the E-type was launched back in '61, Ferrari boss Enzo Ferrari said it was "the most beautiful car ever made". Is the Lyonheart more of a looker than the crop of current-day Ferraris? Yes, it probably is.

JACK Stafford

If you feel strongly about something, don't hold back. Girls love rules, so tell her yours. Talk about the smoking situation. Tell her that because she smokes, you're limiting kissing on the lips. Be really passionate and romantic, wine and dine her, make tons of eye contact and throw in a present on payday, but stick to the rule. Girls find kissing rewarding and intimate. Take that away and, if she really loves you, she might actually stop smoking.

LETTER OF THE WEEK!

Toys don't look much fun!

My lady friend has suggested introducing her toys into the bedroom. I'm worried she's going to want to put them in places I'm not comfortable with. What should I do?

ROBBIE via email

Man up! Normally, when girls bring toys into the bedroom, it's for selfish reasons. They want their clitoris simulated while you penetrate them. If she enjoys anal, I suggest you attempt some double penetration. If she does want to butt plug you or wrap you up in PVC, you can always say no - just like she can say goodbye when she realises you're not living up to her sexual appetites!

If there's a chance your girlfriend could meet the people you flirt with, then you're disrespecting her. I understand the Facebook

ROBIN Hastings

I've never had sex in the workplace. Having sex with a work colleague isn't simple and will end in tears more often than not. If you do it, though, be very direct. Tell her not to wear any knickers every Thursday for the next month, for instance. Then do it on the next Thursday when you have time - but preferably not the first one. If she's keen, she must learn work comes before play.

JOKE OF THE WEEK!

Reverse psychology

AN OAP is driving down the motorway when his mobile rings.

He answers it and hears his wife’s voice urgently warning him, “Albert, I just heard on the news that there’s a car going the wrong way down the M1. Please look out and be careful!”

“Hell,” says Albert, “It’s not just one car – it’s hundreds of them!”

Gator-ate

AN ELDERLY man in Louisiana had owned a large farm for several years. He had a big pond at the back of it that was perfect for swimming, so he fixed it up with some nice picnic tables and planted some fruit trees.

One evening, the farmer decided to go down to the pond as he hadn’t been there for a little while. He took a large bucket with him so he could pick some fruit.

As he neared the pond he heard giggling and splashing and as he edged closer he saw it was a group of attractive young women skinny-dipping.

The women screamed when they saw him and ducked down under the water. The old man said, “I didn’t come down here to watch you young ladies swim naked or to make you get out of the pond.”

Holding the bucket up he said, “I’m just here to feed the alligator!”

THREE BUILDERS are on their lunch. The first man has a ham sandwich, the second has cheese and the third has corned beef. They agree that if they have to eat the same sandwiches again tomorrow, they'll jump off the building.

The next day comes, they all get the same duff sandwiches and throw themselves off the building.

At the inquest, the first wife says, "I shouldn't have given him ham, I'm so guilty!" The second wife says, "He hated cheese!" The third wife says, "Well it isn't my fault – the silly sod made his own sandwiches!"

ROSS NORRIS

The frizzy-haired Geordie funnyman talks us through his new role as a hilarious murdering clown!

Hi Ross! You've got a new film out called *Stitches*. Will it have us in stitches?

It will have you in stitches. It's one of those films that I can confidently say will have you laughing out loud, but at the same time, you'll be utterly disgusted. Other times, you'll be utterly disgusted and then start laughing out loud. It's about a scummy children's clown who gets accidentally murdered at a party. He falls into a dishwasher and gets a knife through his face. He's brought back from the dead by these black-magic clowns and ten years later, takes revenge on the children who are now adults. The twist is...

Hang on! Don't give away the plot, man!

This isn't even scratching the surface! The twist is he kills them using his clown skills, you see. He kicks off someone's head with his big clown shoes. And there's something involving innards and a balloon dog. There's plenty to look forward to.

Blimey! Is it true that you used to be an actual clown for a living?

Before I started stand-up, I used to do juggling at kids' parties. I wasn't an actual clown, but I did a few parties. I didn't kill any of the kids but I thought about it! Doing the film, I flashed back to those

days thinking, "This is familiar, but now I get to kill you." Ha-ha!

Is it hard to be taken seriously as an actor when you're best known for being a comedian with daft hair?

Well, in this, I don't have crazy hair. I have a bald head. Although, coming back from the dead in real life would explain why it looks like I've just climbed out of a grave a lot of the time. Then again, quite a lot of rotting flesh falls off when you're dead, so it's not always a bonus, is it.

Did you have to shave your locks off for this job?

No. It's all hidden away. Before I die in the film, I look like this [shows photo of a normal clown]. Then I get a knife in the head and

I look like this [shows photo of a horrible zombie clown]. If we do a sequel, I will shave my head and leave the side bits all tufty. I quite enjoyed the look, to be honest.

How about full-frontal nudity – would you do that, provided it was artistic?

As long as it wasn't artistic, I'd do it! If it was tasteful and for a reason, not at all. If someone said, "Just get your c*ck out, it's got nothing to do with the plot," I'd do that. If it was integral to the plot, absolutely not.

Is the clown you play in *Stitches* from Newcastle, by any chance?

No, he's from West Yorkshire. The accent is different, but subtle. I wanted to do a different accent,

I wanted him to be a bit more gruff. The Geordie accent is too friendly!

You don't think Ant & Dec are about to go on a murderous rampage at any moment, then?

Those guys... You never know! Ha-ha!

Has going on a murderous rampage in a film given you a taste for going on a murderous rampage for real?

Not really. I did think that after the Olympics, I might buy a shotgun and try to qualify for the next Olympics. Part of me thought, "I could get a shotgun and when the burglars break in, I can blow their heads off."

Who's the most annoying person on telly?

I always find these questions hard. The thing is, I watch people on telly and think, "I hate your guts." Then I meet them and they turn out to be thoroughly nice. So I've got to be careful. I'm not going to start saying I want to murder people.

If you could throw any one celebrity to the lions, who would it be?

I think any of the Kardashians, probably. The thing with the Kardashians is, you wouldn't know which one to chuck first. Kanye West I could probably do without as well. I reckon Kanye and Kim Kardashian.

Would you give them a running start?

I'd give Kim Kardashian a running start because she's got a big arse. But Kanye West can fend for himself.

● *Stitches* is in cinemas from Thursday 25 October.

"I said just short back and sides!"

"What's that, Lassie? There's trouble up at the Apollo?"

DANICA PRESENTS...

101 topless TV stars!

The small-screen stars who've lost their bras!

DANICA ON THE TV!

Danica was a contestant in *Celebrity Big Brother 10* earlier this year.

**“Would I go
naked on telly?
Maybe! Acting
is acting!”**

Hi Danica! Are you proud to be fronting our topless telly babes special?

It's great! I'm really excited. I wish I could watch more telly but I've been busy after *Celebrity Big Brother*.

Have you had TV offers since?

I've had lots of offers but I can't tell you about them just yet. I'd love to be a TV presenter. *Take Me Out* would be fun. Or anything animal orientated would be amazing.

If they did a topless version of *Big Brother*, who would you like as your housemates?

I think Rhian's got very good boobs. I'd have her in there.

Were you tempted to flash more on *Celebrity Big Brother* than you did?

No. I like to have a good laugh but that's not really me. You men hope girls are all about topless pillow fights, but it ends up being pyjamas, a cup of tea and biscuits. Sorry!

Which celeb would you love to see topless?

No one! I think leaving things to the imagination is a lot nicer sometimes.

Would you get naked on telly if a part required it?

Maybe. I think it's more acceptable to do things in films because acting is acting.

Do you have a 3D TV?

I haven't. I've never watched a film on 3D TV before. I've never seen a 3D film at the cinema either. I get dizzy.

Thanks, Danica! Finally, what else have you got planned?

Me and Rhian are going to a fancy dress party together. I thought it would be funny to wear a pumpkin outfit.

You could pull off a sexy pumpkin look, Danica!

Do you think? Pumpkins aren't sexy, really. I think a sexy witch would be more me! ▶

1 DANICA THRALL
CELEBRITY BIG BROTHER

Danica was evicted from this year's *Celebrity Big Brother* after 17 days. We can only assume viewing figures plummeted from that moment.

**“I’d take
Rhian into
a topless
version of
Big Brother!”**

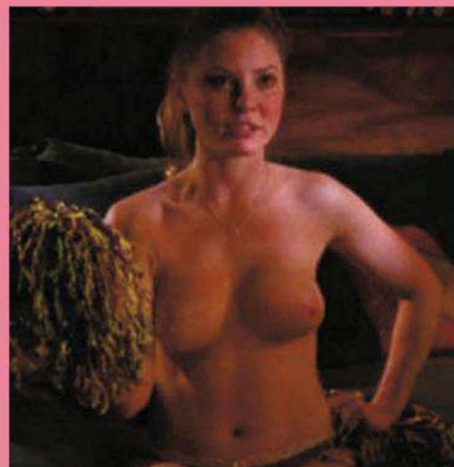

2 ADDISON TIMLIN *CALIFORNICATION*

It's not the money, charisma or fame that makes us envy David Duchovny, it's that he got to see co-star Addison in a state of serious toplessness!

3 IMOGEN THOMAS *BIG BROTHER*

We don't speak Welsh, but if we did, we'd exclaim loudly that Imogen Thomas is chuffing fit. Actually, we could just do that in English, really.

4 KAITLIN DOUBLEDAY *HUNG*

A US sitcom about a baseball coach who resorts to male prostitution sounds funny to us. And it's got the amazing Kaitlin Doubleday in it too.

5 DAISY LOWE *CLASS OF 2008*

Fashion model and *Class Of 2008* star Daisy cemented her position as top of our class with this stupendous pic of her on the beach.

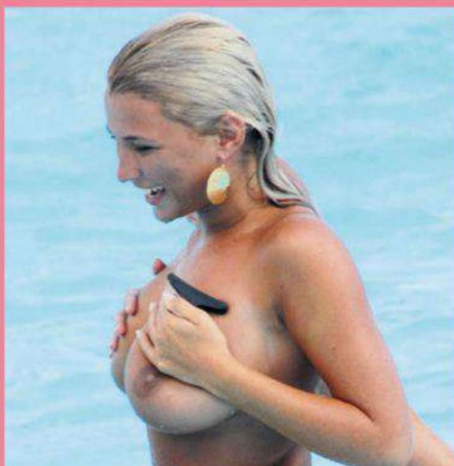

6 CAMILLA LUDDINGTON *CALIFORNICATION*

Camilla's added a welcome touch of British boobiness to US show *Californication*. Camilla, a nation of grateful men salutes you!

7 AISLEYNE HORGAN-WALLACE *BIG BROTHER*

Blonde beauty Aisleyne rose to fame as a contestant on *Big Brother 7* in 2006. She's been blinding us with her beautiful boobs ever since.

8 BILLIE FAIERS *THE ONLY WAY IS ESSEX*

Since making her *TOWIE* debut in the second series of the show last year, Billie's become a firm favourite round these parts, for two good reasons.

9 GRETCHEN MOL *BOARDWALK EMPIRE*

What has HBO's gangster epic taught us? Well, mainly that guns and hats are dead cool and that crime types generally have good taste in women.

10 SOPHIE MONK *ENTOURAGE*

Lovely London-born fake Aussie Sophie is one particularly sexy slice of pop band Bardot, but we're bigger fans of her telly stuff. ▶

11 NICOLA MCLEAN
CELEBRITY BIG BROTHER

The *I'm A Celeb...* and *Celeb Big Brother* beauty once appeared on a *Weakest Link* Page 3 special. Beauty and brains? We think we're in love!

12 KATHLEEN ROBERTSON
BOSS

This is actually one of several boob scenes Kathleen appears in on the US political drama, which is why we're ordering it on DVD!

13 ADELE SILVA
EMMERDALE

Adele's best known for her role as bad girl Kelly Windsor in *Emmerdale*. By 'eck, lass, that's a fair set of boobs! (As they say in Yorkshire.)

21 CHANELLE HAYES
BIG BROTHER

Nuts favourite and recently boob-enhanced Chanelle now owns a cake shop in Wakefield. Nice buns, we hear. The cakes aren't bad either. Sorry!

17 JAIME MURRAY
HUSTLE

If you're going to hustle people, it apparently helps if you have an extremely fit woman to hand. Take a bow, Jaime, for you are that fittie!

22 BILLIE PIPER
SECRET DIARY OF A CALL GIRL

With her naughty ITV2 drama, Billie finally shed her girl-next-door image by giving the world the gift of her beautiful boobs. Thanks, Billie!

14 OLIVIA WILDE

HOUSE

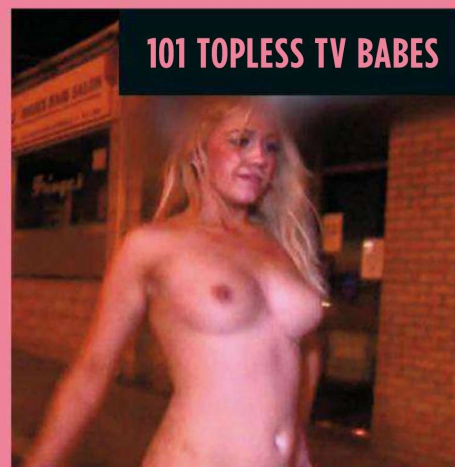

Thirteen from *House* likes the ladies as much as the men. And with boobs as lovely as hers, it's no surprise she turns the heads of both sexes.

15 KATIA IVANOVA

CELEBRITY BIG BROTHER

Katia famously dated wrinkled Rolling Stone Ronnie Wood before heading into the *BB* house. We'd prefer to remember her for this saucy snap!

16 CARLEY BELMONTE

THE VALLEYS

When it comes to sheer reality TV filth, the Welsh chaps take some beating. Or spanking, as saucy Carley here would doubtless call it!

18 SAM FAIERS

THE ONLY WAY IS ESSEX

Sam has recently helped a skin-cream sell over a million tubes in two months. That's because ladies want to be her and we want to be with her!

19 ANNA PAQUIN

TRUE BLOOD

Whenever sexy Anna does a topless scene in vampire drama *True Blood*, you'll be left in no doubt you've witnessed a thing of true beauty.

20 RACHAEL WHITE

BIG BROTHER

The 23-year-old *BB* contestant headed straight into the pages of *Nuts* after she was evicted in 2010, and that was a win-win in our book!

The day lovely *My Big Fat Gypsy Wedding* lass Danielle revealed her boobs was a day we'll never forget. Relive the magic of that moment here.

Joanne actually began her career playing a nurse in BBC drama *Casualty*. We'd be happy to have her stick a thermometer up our... (Stop! - Ed.) ►

BAYWATCH

Pam's been in two "home movies", but it's the sight of her on a beach in a red bikini that has us mentally jumping in the sea pretending to drown.

DESPERATE SCOUSEWIVES

Ah, Liverpool – city of football and music. Now you can add *Desperate Scousewives* star Amanda's boobs to that rather brilliant list.

28 KATRINA LAW

SPARTACUS: BLOOD AND SAND

The *Spartacus* franchise has been a valuable addition to our lives, containing our two favourite TV things: hot naked women and decapitations.

30 REBECCA HALL

RED RIDING

This bleak Channel 4 drama was awesome. But we wish we'd paid more attention to Rebecca rather than Sean Bean being crooked.

31 AIMEE LUIS

TOOL ACADEMY

You may recall Aimee cropping up in E4 reality show *Tool Academy*. The series was short-lived, but we'll never forget her lovely boobs!

32 NATASHA GIGGS

CELEBRITY BIG BROTHER

Naughty Natasha has had quite a few topless moments since becoming well-known earlier in the year. Here's one of our favourites.

33 ELEN RIVES

DANCING ON ICE

Frank Lampard's former fiancée Elen appeared on *Dancing On Ice* last year. This booby pic proves she's no ice maiden – just an utterly hot one.

GEORDIE SHORE

Newcastle, famous for Brown Ale, stripy football shirts and girls as gorgeous as Holly from *Geordie Shore*. Try saying that with a mouthful of marbles.

38 AUDRINA PATRIDGE

THE HILLS

Audrina shot to fame in 2005 as a result of her role in MTV reality show *The Hills*. The emergence of topless pics like this didn't hurt though.

39 SOPHIE READE

BIG BROTHER

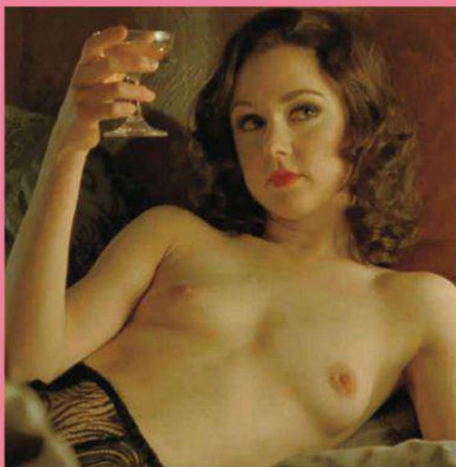

The former *BB* babe has gone from the house to our hearts. She's now a regular fixture in *Nuts* who isn't afraid to evict her boobs from her bra!

40 SARA FOLINO

BIG BROTHER

The stunning Aussie did a seriously naked shoot in *Nuts* after leaving the house back in 2008. *Big Brother* really has been dead kind to us. ▶

41 MEG CHAMBERS STEEDLE

BOARDWALK EMPIRE

This rude one plays a "flapper", which seems to be the Prohibition-era version of a WAG. With a substantially ruder-sounding name.

42 PARIS HILTON

THE SIMPLE LIFE

She might sound like a French hotel, but the socialite is reportedly worth \$100million, some of it thanks to a naughty movie that leaked online.

43 AMY ALEXANDRA

BIG BROTHER

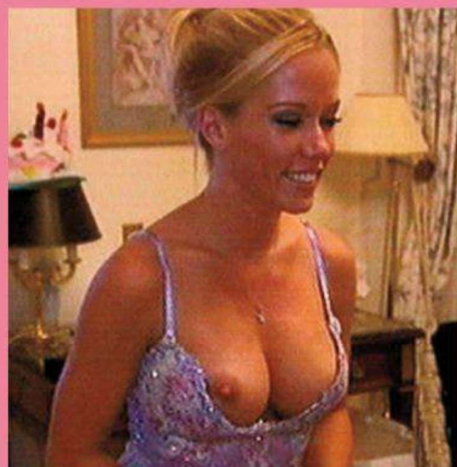

There was some serious sexiness in the eighth outing of the reality juggernaut, but the real spice came after Amy left the house and gave us this!

51 LUCY PINDER

CELEBRITY BIG BROTHER

Luscious Lucy featured on *Celeb BB* in 2009 and has acted in *The Real Hustle* but never strayed far from her first home in *Nuts*. Hooray!

THE GIRLS NEXT DOOR

A *Playboy* Playmate who happens to have a sex tape doing the rounds? Why, Ms Wilkinson, we are charmed to meet your acquaintance!

52 EMILIA CLARKE

GAME OF THRONES

Remarkably, it turns out Emilia isn't a natural blonde. We can't believe it! But then, we also thought that *Game Of Thrones* was real.

44 LUCY HARROLD

TAKE ME OUT

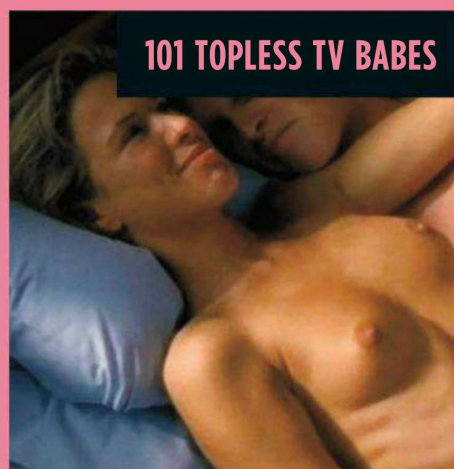

The 24-year-old stunner from Tamworth says she'd like to date a spaceman. We reckon a date with Lucy would be pretty out of this world.

45 CHARLOTTE SALT

THE TUDORS

Staffordshire hottie Charlotte went topless in period drama *The Tudors*, and we simultaneously realised that history really could be fun.

46 RHONA MITRA

STRIKE BACK: VENGEANCE

The 36-year-old found fame as the second ever real-life Lara Croft model. We certainly wouldn't mind going tomb-raiding with her!

48 ALANNA UBACH

HUNG

US comedy-drama *Hung* may be about the antics of a gigolo, but the site of lovely Alanna getting her boobs out on it redresses the balance nicely.

49 JORDAN

WHAT KATIE DID NEXT

What can be said about Jordan that hasn't been said already? How about she's a master potholer? It's not true, but it hasn't been said already.

50 LAUREN POPE

THE ONLY WAY IS ESSEX

We have much to thank *TOWIE* for. Arg. The Faiers sisters. The fact that "reem" didn't catch on as a catchphrase. And lovely, bosomy Lauren!

53 SARAH BYRNE

SHAMELESS

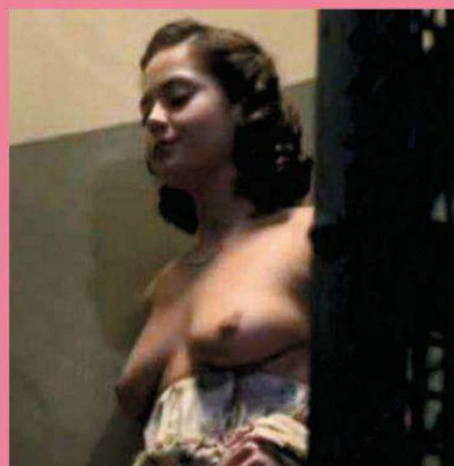

Sexy Sarah plays badass Meena Karib in Channel 4 staple *Shameless*. These pics prove that she's absolutely spot-on for a show with that title.

54 MORGAN LEES

THE BACHELOR

The blonde bombshell says she likes nothing more than a slobby girls' night in. If there's one girl who can make the slobby look sexy, it's our Morgan!

DOCTOR WHO

Ever watched a family show and thought, "Love to see her boobs"? Wishes were granted when the doc's sidekick got 'em out for a BBC drama. ▶

GAME OF THRONES

Foxy Roxy found fame in *Hollyoaks*, played bisexual Pippa in *EastEnders* and now gets booby in *Game Of Thrones*. A lady of many talents then.

57 PAZ DE LA HUERTA

BOARDWALK EMPIRE

Boardwalk Empire's Lucy Danziger will be playing a sexy nurse who uses sex to lure men to their death by night in *Nurse 3D*. We'd say it's worth it.

58 ANGEL MCCORD

CHEMISTRY

Angel takes part in a lesbian sex scene in little-known US comedy-drama *Chemistry*, which makes us wonder, why isn't the show absolutely massive?

60 KERRY KATONA

CELEBRITY BIG BROTHER

Loopier than a box of Cheerios, you really can't argue that Crazy Kerry still has curves in all the places where curves are supposed to curve.

61 CHLOE SIMS

THE ONLY WAY IS ESSEX

If this show was being honest, it would be called *Spartacus: Blood, Sand And Many Boobs*, thanks to the efforts of ladies like Lesley-Ann!

BOARDWALK EMPIRE

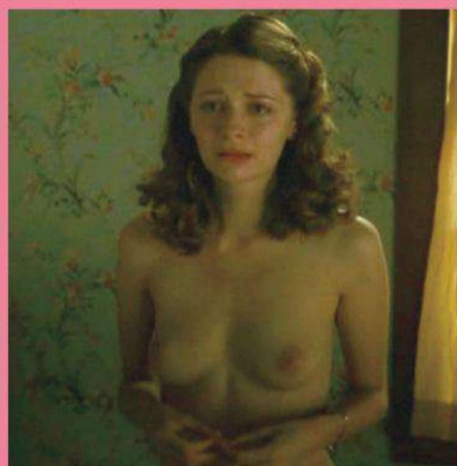

The HBO masterpiece has many things going for it – violence, suspense, humour, a great plot – and the even greater sight of Aleksa in a sex scene.

66 MARIA FOWLER

THE ONLY WAY IS ESSEX

The 26-year-old Derby brunette says that Cheryl Cole is her ideal woman. Given the choice of Chezza and Maria, we'd say it's a close call.

THE OC

Stunning English export Mischa played the bi-curious Marissa Cooper in *The OC*. We'd be happy to help make your mind up, Mischa!

59 NICOLA TAPPENDEN
CELEBRITY BIG BROTHER

THE L WORD

Amazingly, Jennifer is just two years shy of 50, yet lezzed it up attractively in the lady-love programme of considerable note until 2009.

64 RHIAN SUGDEN
CELEBRITY BIG BROTHER

Along with Danica, Rhian was the second *Nuts* girl to appear in this year's *Celeb BB*, making it the most enjoyable yet as far as we're concerned.

68 EMILY O'HARA
THE X FACTOR

You may recognise Emily here, for she has graced these pages with her boobs on many an occasion. And she can sing. Avert your eyes, Walsh!

Entourage star Alice bared her boobs in 2009 indie film *Crossing Over*. The lucky recipient? Movie veteran Ray Liotta. Damn you, Ray!

81 DANIELLE SHEEHAN

THE BACHELOR

Another *Bachelor* stunner, Danielle's a party animal who reckons men struggle to keep up with her. We'd love to take her up on the challenge!

77 KIM KARDASHIAN

KEEPING UP WITH THE...

Unfortunately, these curves are now the sole province of Kanye West's wandering fingers, but heck, we can look. And Kim is happy to let us!

82 MIA KIRSHNER

THE L WORD

Who says authors are boring? Not us, after finding out *The L Word's* Mia's written a book. Other hobbies? Loving other ladies, of course!

74 MARY-LOUISE PARKER

WEEDS

She might play naughty, pot-dealing soccer mum Nancy Botwin in US comedy-drama *Weeds*, but a life in the clink with Mary wouldn't be all bad.

THE REAL HUSTLE

JJC was recently in court answering unpleasant allegations involving... no, wait, that was JLC. JJC is the really fit one with super-boobies!

76 ROSAMUND PIKE

A RATHER ENGLISH MARRIAGE

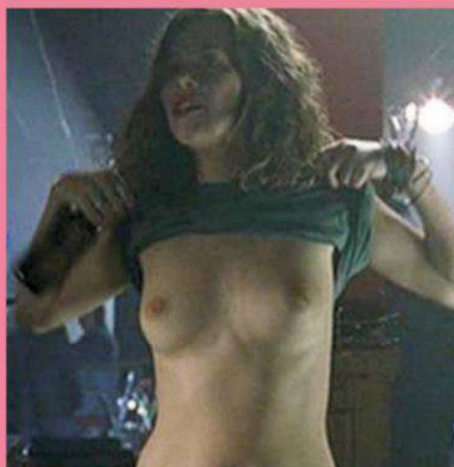

More famous for *Die Another Day*, Rosamund once appeared in a play nude apart from a pair of high heels. Who said the theatre was boring?

78 ERIN MCNAUGHT

NEIGHBOURS

We think that Erin, who steps out with lucky pop chap Example, ought to add a "Y" to the end of her name, and then start acting accordingly.

79 ANNA FRIEL

PUSHING DAISIES

We suspected Anna was naughty when she had a lesbian kiss in *Brookside*. This scene in 2006 TV film *Niagara Motel* confirmed our suspicions.

BIG BROTHER

This busty Stockport bisexual shocked and amused in equal measure on *Big Brother 11* with her saucy in-house antics and 30G boobs.

84 LIZZY CAPLAN

TRUE BLOOD

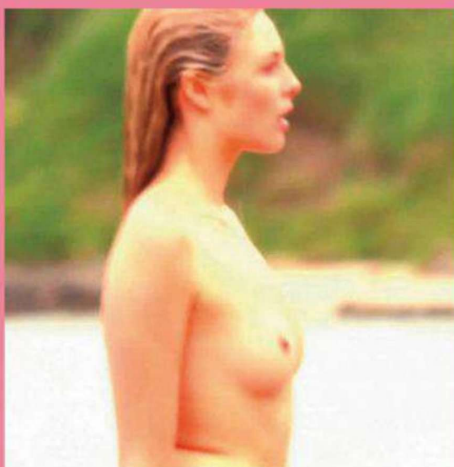

Lizzy plays sexy waitress Amy Burley, who kills vampire customers and drains their blood. Not the easiest of dates then, but we'd still forgive her.

85 PORTIA DE ROSSI

ARRESTED DEVELOPMENT

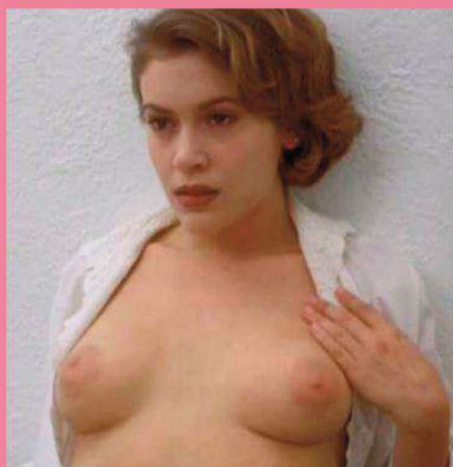

Portia is named after a character from Shakespeare's *The Merchant Of Venice*. If Venetian ladies are as sexy as her, we're going asap! ▶

86 TAM SIN EGERTON

MERLIN

This knockout 23-year-old appears in *Merlin* as some kind of posh, sexy witch. We're not sure exactly, we weren't concentrating on the show.

MY NAME IS EARL

Lovely Alyssa also appeared in '90s sci-fi drama *The Outer Limits*. We'd love to explore the outer limits of this New Yorker's boobs!

THE X FACTOR

Stunning Sam's found more fame in the pages of *Nuts* than she did on *The X Factor*, and we never made her take any silly auditions!

HOMELAND

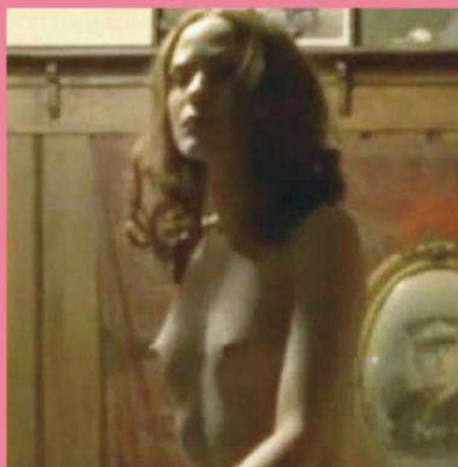

Sergeant Brody's sexy wife Jessica's surprise sex scene in the first season of the US drama only added to the aceness of this show!

THE VOICE

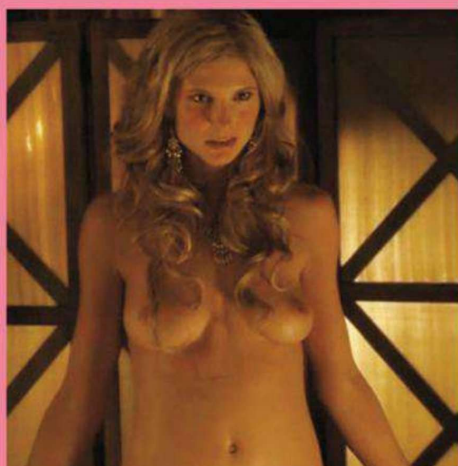

You may know her as the annoying one from *The Voice*, but when her nipple slipped out in the video to *Laserlight*, we suddenly felt very tolerant.

93 EVAN RACHEL WOOD

TRUE BLOOD

You could do worse than watch *True Blood*. Technically, anything involving vampires is for girls but, you know, it's got stuff like this in it. Result!

98 VIVA BIANCA

TUESDAY • FX/HD, 10pm

New series equals new pants!

The B&B was a bit of a letdown

Friday 26 October

Those new contact lenses were bothersome

Derren Brown: Apocalypse

CHANNEL 4/HD • 9pm

Even by Derren's standards, this is a mad one. A normal member of the public is somehow convinced that a meteor has struck the Earth and they are one of only a few survivors left in a land otherwise overrun by the living dead. Should be ruddy hilarious!

★★★★★

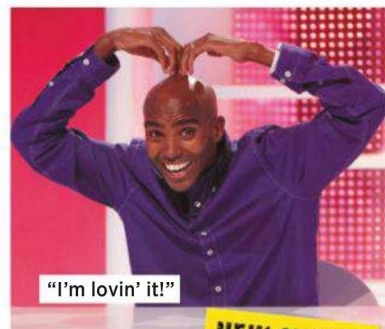

"One more duck and I win the giant teddy"

The Walking Dead

FX/HD • 10pm

One thing's for certain: when the world actually *is* overrun by the living dead (see Derren Brown, left), there's always someone out to eat you. Once again, the survivors' supposedly safe haven has come under threat from flesh eaters.

★★★★★

"I'm lovin' it!"

NEW SERIES!

A League Of Their Own

SKY1/HD • 10pm

Mo Farah fact! Clare Balding invented the Mobot on an episode of *A League Of Their Own* last May while she was suggesting celebrations for him. Mo returns to the scene of the crime with bronze-winning gymnast Louis Smith and Jack Whitehall. Fun all round.

★★★★

SOFA AMMO

**28 WEEKS
LATER**

E4/HD • 10pm

It's a cracking night for zombie action! Did you know that Robert Carlyle, who stars in this movie, originally turned down Christopher Eccleston's part in *28 Days Later*? You do now.

Saturday 27 October

Rehearsals for *Step Up 5* were in full swing

Man City vs Swansea

ESPN/HD • 4.30pm

After a corking start to the season, Swansea have been slipping down the league of late, a situation not helped by their away form. Oh well, only a trip to the champions to arrest the slide, eh? Stranger things have happened, but not much stranger.

★★★★

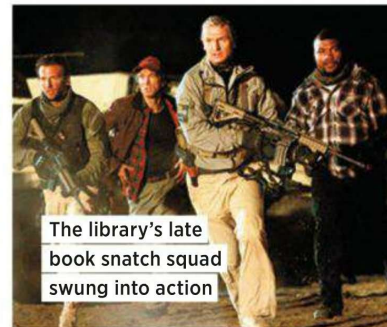

Between them they nailed the fly

Boardwalk Empire

SKY ATLANTIC/HD • 9pm

Things are hotting up something rotten in Atlantic City, what with new nutcase Gyp messing up the flow of booze to New York. We're a bit bored of Nucky's love triangle storyline, but the rest of this series is so awesome we'll let it go.

★★★★

The library's late book snatch squad swung into action

The A-Team

CHANNEL 4/HD • 9.05pm

Utterly ludicrous, over-the-top action flick based on the ace '80s series about a group of ex-US Special Forces soldiers framed for a crime they didn't commit. It may be insane, but that doesn't make it any less than brilliant. With stars including Liam Neeson and the always-hot Jessica Biel, it's a big *Nuts* thumbs-up.

KILL BILL: VOL 2

BBC TWO • 11pm

Don't miss this for the ace bitch-fight between Uma Thurman's Bride and Daryl Hannah's Elle, which ends with Elle having her only eye plucked out. Lovely.

Sunday 28 October

"But you always get to be Bruce Lee"

Live Super Sunday

SKY SPORTS 1/HD • 1pm

This is what Sunday afternoons are about. First up, it's the Merseyside derby at Goodison, with Everton – for once – genuine favourites. Then, table-topping Chelsea host Man United, who know a thing or two about topping tables themselves.

★★★★★

A particularly riveting Jeremy Kyle meant he missed the bank job

Homeland

CHANNEL 4 • 9pm

After last week's breathtakingly tense episode, and definitely the best of the series so far, Saul debriefs a stunned Estes. Brody seems to be losing his grip just a touch after his encounter with the twitchy bomb maker, and then he runs into everyone's favourite nut, Carrie. How exactly is that going to go down? Watch and see.

★★★★★

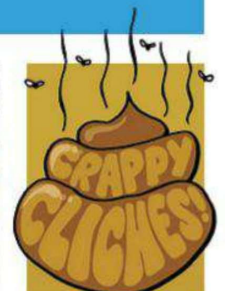

Customise your jumpsuit for that prison-chic look

Misfits

E4/HD • 10pm

It's the brand-new series and much of the cast we've come to love has disappeared. Still, there's now hot new girl Jess, cheeky Liverpoolian Finn and star of the show Joe Gilgun is back as Rudy – the bloke of two halves. This opening episode is all about a man with a suitcase and a power that infects them all.

★★★★★

DRAGONS' DEN

BBC TWO/HD • 9pm

Count the number of times Theo does his "sharp-intake-of-breath" face, Duncan bitchily says, "I'm ooooooot" and old Debs waves her hands in the air.

Monday 29 October

"I love what you've done with the place"

Arrow

SKY1/HD • 8pm

Hopefully you caught last week's first episode of this quality new superhero drama. It follows Oliver Queen, a billionaire playboy presumed dead for five years who returns home with a killer alter ego called Arrow. He likes to kill baddies with, erm, arrows. This time, someone's out to get Arrow's ex-girlfriend.

★★★★

The growth spurt was never going to happen

50 Years Of Bond Cars: A Top Gear Special

BBC TWO • 9pm

This is a wonderful thing. Hammond plays it mostly straight in this hour-long praise of Bond and his motors, making an "invisible" Transit and an actual working Lotus submarine.

★★★★★

Jack recalls his time in the Big Brother house

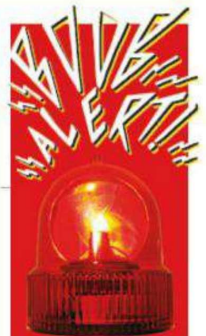

NEW SERIES!

Don't Sit In The Front Row

SKY ATLANTIC/HD • 9pm

Once again the Great British Public are wheeled out for entertainment. Jack Dee hosts, as a panel that includes Frank Skinner and Josh Widdicombe grills four members of the audience, narrowing it down to the biggest odd-ball.

★★★

TRUE BLOOD

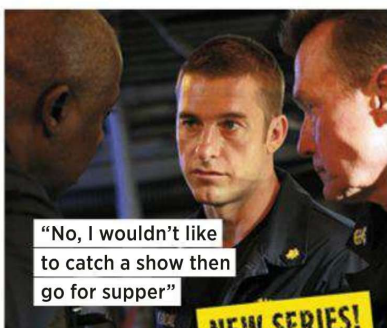

FX/HD • 10pm

If you dare watch this show, you'll see a lot more than just Jessica Clark's boobies, if you know what we mean...

"No, I wouldn't like to catch a show then go for supper"

NEW SERIES!

Last Resort

SKY1/HD • 8pm

Created by Shawn Ryan, the man behind *The Shield*, comes this utterly brilliant new drama. Set on a submarine, the commander is ordered to fire nukes at Pakistan. When he questions his orders, he's instantly replaced. When the new man in charge also questions, their sub comes under fire. Riveting!

Photography standards in *Nuts* were improving

American Horror Story: Asylum

FX/HD • 10pm

After last year's quite frankly terrifying horror series featuring more spooks than you can shake a stick at, this new series has taken lots of the old cast in new roles, and moved them to a creepy mental asylum set in 1964. It's horrific!

★★★★★

"Sooo, how do these work again?"

Fresh Meat

CHANNEL 4/HD • 10pm

It's Easter hols at Medlock and JP invites the gang to stay at his country house. It doesn't go as well as planned, especially as Josie's ex Dave is getting married that weekend. Meanwhile, Howard and Sabine are left home alone together. Will they? Won't they? You'll just have to find out. Come on, Howard. You can do it.

★★★★

BETTING SLIP
PUNT OF THE WEEK!

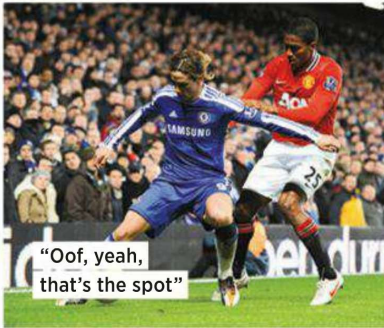

READING VS ARSENAL

Sky Sports 2/HD • 7.30pm

An away win at the Madejski, surely? But wait! This is only the Capital One Cup fourth round. Have a dabble on the hosts beating Arsenal's kids.

Wednesday 31 October

Chelsea vs Man United

SKY SPORTS 1/HD • 7pm

Crikey! They've already met once this week, and this time it's time for (presumably) the second string to get a run-out in a cup comp about which both managers probably don't care. Or maybe they'll be up for it after a league clash on the Sunday before!

★★★★★

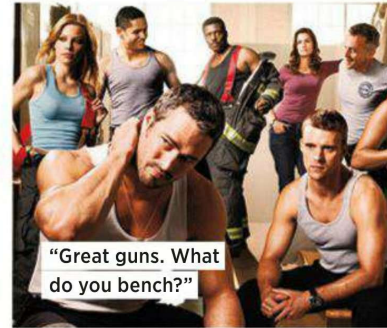

Tower Heist

SKY MOVIES PREMIERE/HD • 8pm

This flick was universally poo-pooed and definitely isn't a masterpiece. But if you take it for what it is, which is big dumb fun, it's OK! Ben Stiller stars as the manager of a posh block of flats, but fat cat and Tower resident Arthur Shaw cons all the money from the employees. Stiller and Eddie Murphy hatch a revenge plan.

★★★

Chicago Fire

SKY LIVING/HD • 9pm

If you like fast, slick and actiony dramas, this new one will be right up your street. Follow the antics of Firehouse 51 – a Chicago-based fire department who struggle to deal with the death of one of their firemen, clash, bicker and put out fires. Its got hot girls, fire, big blokes your missus will fancy, more fire, and it's good.

HOW SAFE ARE BRITAIN'S ROADS?

People are killed in road accidents every day, so the answer to the show's title is simple: not very.

Young Apprentice

BBC ONE • 8pm

The return of the tiny tycoons always brings a few laughs. For this opening ep, Lord Sugar has his wee scrotes selling old clothes. All well and good, but the best bit about the first week is watching the young 'uns come up with a team name.

★★★★★

Hatfields & McCoys

CHANNEL 5/HD • 9pm

An amazing mini series based on a genuine feud between two families in the aftermath of the American Civil War. Starring Kevin Costner, Bill Paxton, Tom Berenger, Jena Malone and, weirdly, Sarah Parish from *Cutting It!* There will be blood...

★★★★★

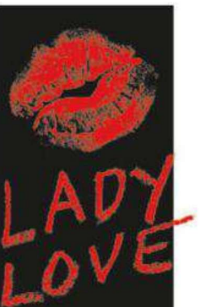

Russell Howard's Good News

BBC THREE/HD • 9pm

It must be nice being Russell Howard – bad news just passes him by. Which is good news for us – a show with him moaning about pubs being too loud or the recent hike in the price of gas wouldn't make for good TV at all. Good news is much more fun.

Geordie mirth-maker Ross Noble stars as a kids' party clown back from the dead to haunt and terrify his killers. His death might have

The fact that this movie didn't get a US theatrical release doesn't bode well. But considering the star presence (Robert De Niro,

CONFESSION OF THE WEEK!

'Our fun on the flight home'

I'VE JUST returned from a holiday in Marbella with some friends. While there, I got it on with a male friend and had a fumble or two with a close girl friend. On the night-flight home, I was seated next to the boy and my female friend was on the other side of him. As the plane went into darkness, I surprised my snoozing mate by pleasuring him with my hand and then sucked his manhood. Soon, my girl friend joined in and he repaid us by working his magic on our clits. It was the most exciting flight I've ever had!

'I wanted to tease him'

I HADN'T seen my boyfriend for over two weeks so I decided I was

going to surprise him by turning up in a trenchcoat with just some sexy lace underwear underneath. He answered the door and didn't think anything of the coat, and it wasn't until we got upstairs and I still

hadn't taken it off that he caught on. I could see from the look on his face that he was excited but I wanted to tease him, so I undid the coat really slowly. As it dropped to the floor he grabbed me and threw me onto the bed, kissing every inch of my body as he ripped my underwear off. I wanted to tease him some more so I made him watch as I played with myself, but he couldn't control himself and he thrust deep inside me until we both came in a hot and sweaty, but amazing, mess!

'We handled his tackle'

RECENTLY, I went for a day out in the countryside with a female friend. It was a boiling hot day and we stripped to our bikinis and boots, stuffing our clothes into our rucksacks. We suddenly heard a rustle and saw a hot guy fishing by a river. He practically fell in when he saw us bouncing along wearing next to nothing. His trousers strained as we approached and we grinned at each other as we noticed his excitement. After a bit of flirting, we had his trousers down and gave him oral sex. We all took turns pleasuring each other and he said it was the best catch he's ever had!

Amanda via email

'I unzipped his trousers'

WHEN I started my new job, we had a temporary boss covering a maternity placement. Everyone was talking about this hot new guy and on my induction day, we really hit it off and I kept noticing him checking out my breasts. He texted me that afternoon and we soon began a "sexting" affair. The messages were getting dirtier until he called me into his office and locked the door. We started kissing and I wasted no time unzipping his trousers and getting out his erection. I soon took him in my mouth, licking up and down his shaft. He grabbed a condom held my skirt up by my hips and began pounding me from behind. After our sly quickie, I returned to work, although a few work colleagues soon noticed my pink cheeks!

10 RUDE QUESTIONS!

And a real girl to answer them!

Lisa-Marie

22 Essex

1 Where's the strangest place you've had sex?

"That would have to be behind a curtain! It was in a room full of people partying. The risk of being caught made the whole thing even hotter!"

2 What's your trademark move in the bedroom?

"I'd like to think that I've got all the moves when it comes to making my man happy, but I'm particularly great with my mouth."

3 What really turns you on?

"I really love being spoken to dirty. A bit of rude talk gets me going every time, without fail."

4 What's your favourite position?

"Legs over the shoulders is a big favourite of mine. It gives a girl a really great sense of freedom."

5 Is it better to give or receive?

"That really depends on what kind of mood I'm in. Sometimes I like the man to do all the work, but maybe if I'm feeling really assertive then I'll take control of everything."

6 What one thing would you really like to try but haven't yet?

"That's difficult as I'll try anything once. Maybe *Nuts* readers can make a few suggestions for me after reading this!"

7 Ever got it on with another girl?

"Ha-ha! Who hasn't after a few drinks? Girls are great – and I love feeling their boobs!"

8 What's your role-playing costume of choice?

"I love leather. Put me in thigh-high boots and a catsuit and I'll be your dominatrix for the night. Oh, and throw in a pair of handcuffs for good measure as well."

9 Have you ever made a sex tape?

"Well, that would be telling wouldn't it? You should Google my name and find out. Ha-ha!"

10 What's the rudest thing you've done?

"I'm not sure that it can be printed! Let's just say that it involved whipped cream, stilettos and not very much else!"

"The rudest thing I've done involves whipped cream and stilettos!"

SUPER SUNDAY PARTY GAME!

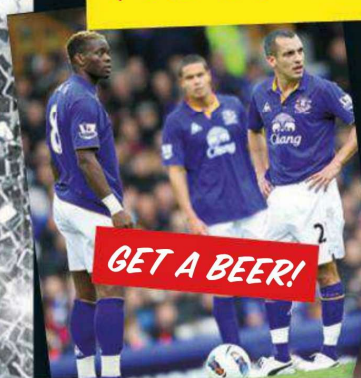

Some fun for the biggest day of the season!

➔ **IT'S FAIR** to say that this Sunday's football really does live up to Sky's Super Sunday billing, with the Merseyside derby literally getting the ball rolling, then Man United travelling to Chelsea for a table-

topping dust-up. It's going to be an afternoon to savour from end to end, and here's how to enjoy it, Nuts-style!

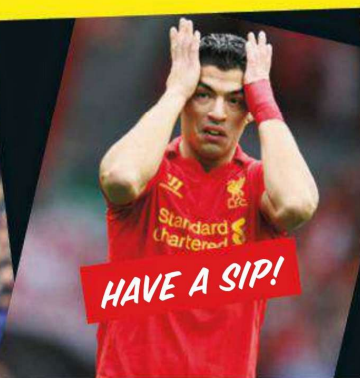

● **Super Sunday:** Everton vs Liverpool, 1.30pm; Chelsea vs Man United, 4pm, both Sky Sports 1/HD

ROUND 1: EVERTON VS LIVERPOOL!

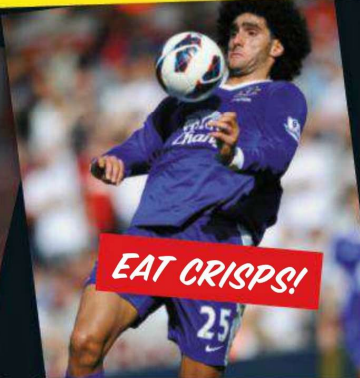

GET A BEER!

Whichever one out of Everton or Liverpool kick off the match, help yourself to a beer!

HAVE A SIP!

Have a sip every time Luis Suarez is booed. Only sips, mind – you don't want to get totally hammered!

EAT CRISPS!

Marouane Fellaini wins an aerial challenge because of his hair – eat some crisps. You may need a lot though.

ADD POP!

A Liverpool player too young to drink (such as Raheem Sterling, 17) scores – add a lemonade top.

HAVE A HALF!

Everton score a goal in which no English players are involved – have a half. They boast 15 nationalities!

DRINK BEER!

There's a red card – have a fresh beer. And remember, there have been 12 red cards in the last 18 derbies!

DRINK BEER!

Everton win – down your beer (if you're supporting Everton), that's your tenth Premier League derby win.

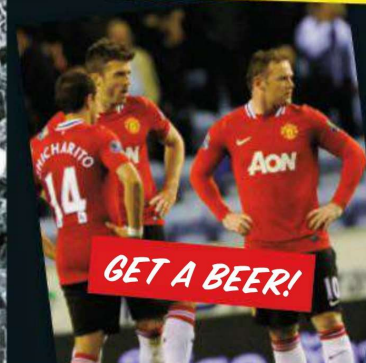

DRINK BEER!

Liverpool win – down your beer (if you're supporting Liverpool), that's your 19th Premier League derby win.

ROUND 2: CHELSEA VS MAN UNITED!

GET A BEER!

Whichever one out of Chelsea or Man United kick off the match, help yourself to a beer!

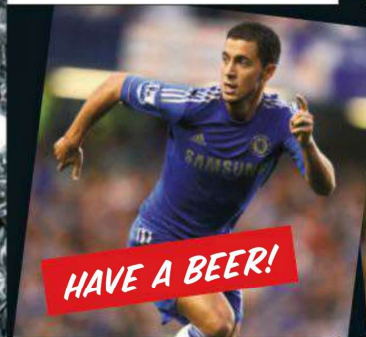

DRINK BEER!

Roberto Di Matteo appears in a lovely suit – wolf-whistle and have a swig of beer if you wish!

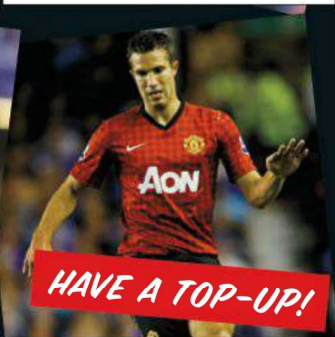

EAT NUTS!

Robin van Persie is described as exhibiting “a sublime bit of skill” – have a handful of peanuts.

HAVE A BEER!

Eden Hazard scores or gets an assist – swig some beer. He had a hand in five goals in his first two Prem games!

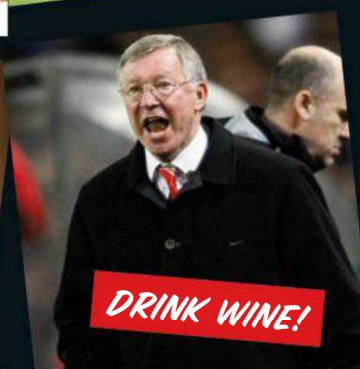

HAVE A TOP-UP!

Every time a goal's scored, top yourself up. The last four of their Prem fixtures have produced 16 goals.

THROW NUTS!

Close-up of Roman Abramovich looking nonplussed – throw some peanuts at the TV screen.

DRINK WINE!

Close-up of Sir Alex Ferguson swearing his head off at a ref's decision – have a glass of red wine.

DRINK BEER!

Rio Ferdinand scores and gesticulates towards where John Terry is sitting – time for another beer!

DOWN A BEER!

Chelsea win – finish your pint (if you're supporting Chelsea) as there's a gap between you and United.

DOWN A BEER!

United win – finish your pint (if a United fan) and look forward to the home game (they won 3-1 last season).

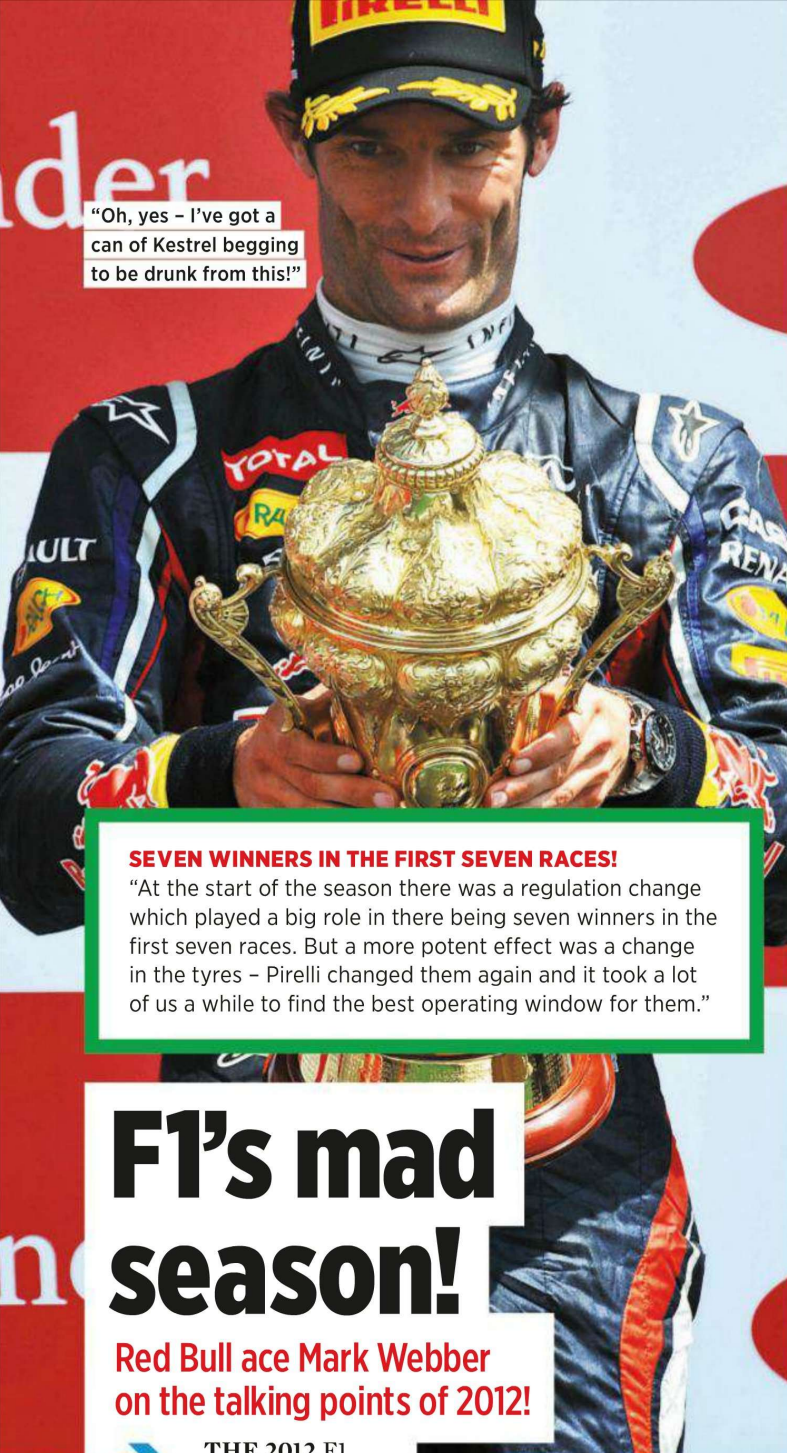

Win! A brilliant Chang beer party pack!

We've teamed up with premium Thai beer and Everton shirt sponsor, Chang Beer, to give away a fantastic beer-based prize to one reader and make Super Sunday's football feast even better! For a chance of winning,

simply email your name and address to nutsmagazine@ipcmedia.com or text it to **0771 388 8008**. The deadline is 10am on 26 October. Follow @ChangBeerUK on Twitter for more updates and giveaways.

"Oh, yes - I've got a can of Kestrel begging to be drunk from this!"

SEVEN WINNERS IN THE FIRST SEVEN RACES!

"At the start of the season there was a regulation change which played a big role in there being seven winners in the first seven races. But a more potent effect was a change in the tyres - Pirelli changed them again and it took a lot of us a while to find the best operating window for them."

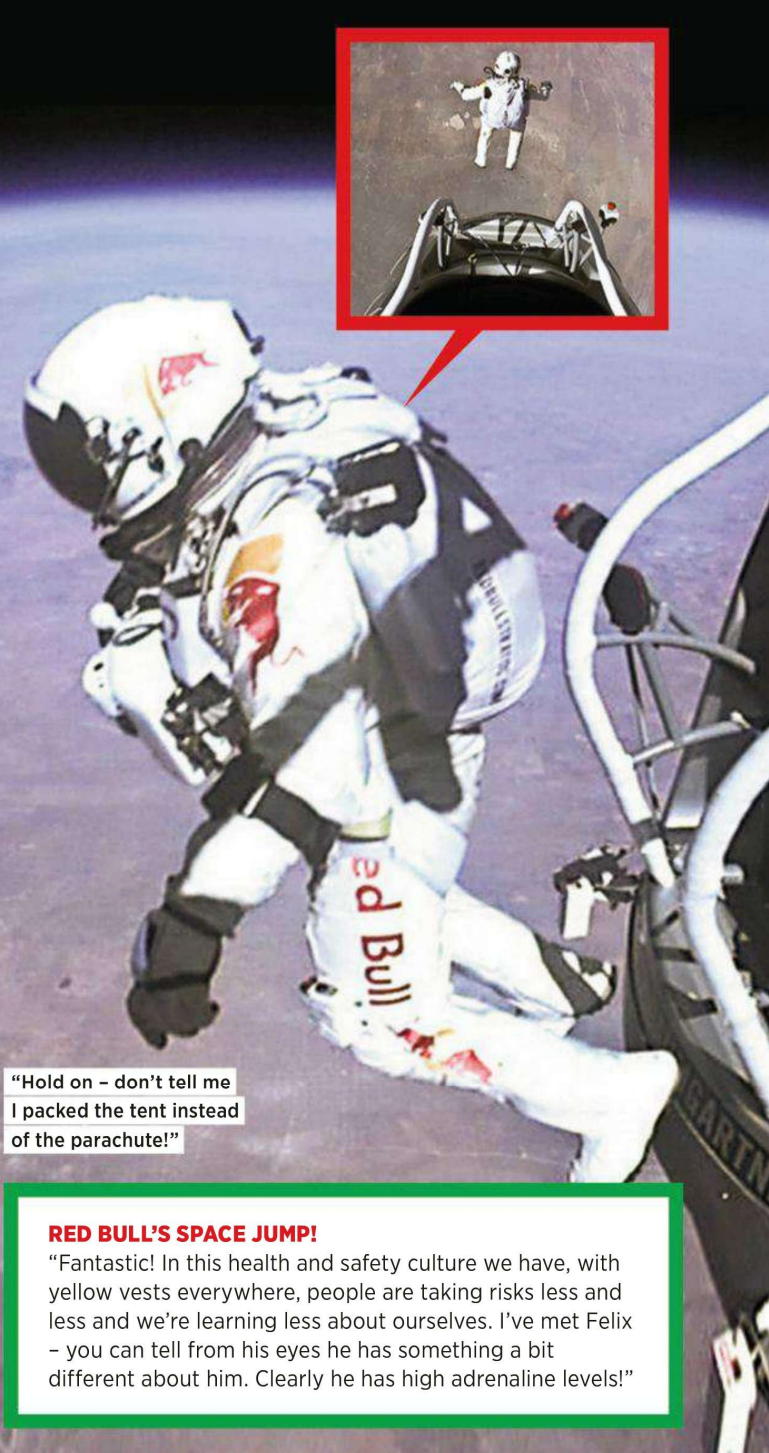

F1's mad season!

Red Bull ace Mark Webber on the talking points of 2012!

➔ **THE 2012 F1** season has been tasty, with pile-ups, Twitter spats and defections. Mark Webber gives us his thoughts...

● Indian GP, 9.30am, Sunday, Sky Sp F1/HD

"I knew that gap was a bit tight for reverse parking!"

"Hold on - don't tell me I packed the tent instead of the parachute!"

RED BULL'S SPACE JUMP!

"Fantastic! In this health and safety culture we have, with yellow vests everywhere, people are taking risks less and less and we're learning less about ourselves. I've met Felix - you can tell from his eyes he has something a bit different about him. Clearly he has high adrenaline levels!"

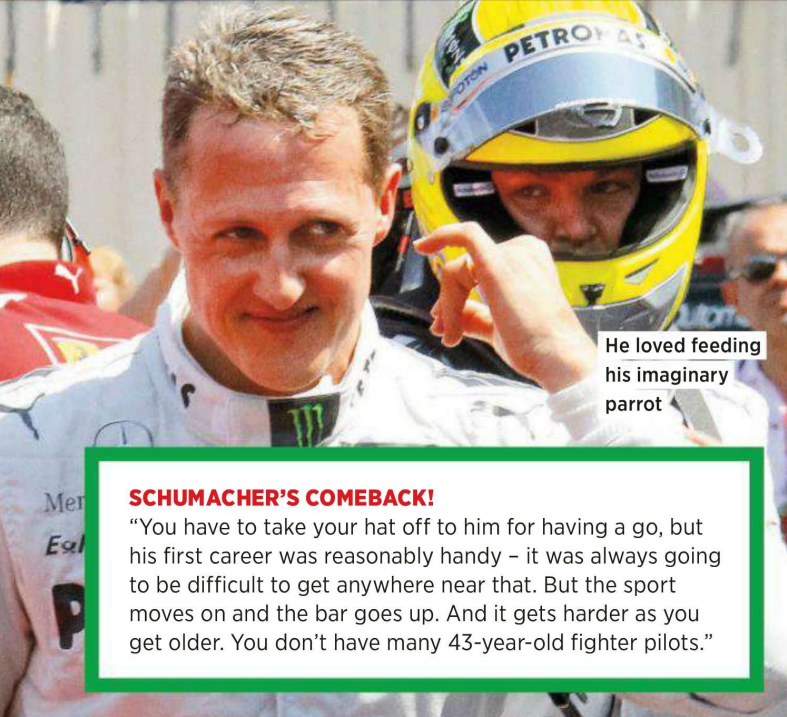

GROSJEAN'S PILE-UPS!

"He's not a rookie any more, but this year he just seems to be a bit of a magnet for other people, particularly on the first lap. I've been on the receiving end of one of his shunts. He's got to learn from it. Belgium looked the most spectacular, but his misjudgment at Suzuka was worse."

CHALLENGE MARK!

Mark's multi-sport challenge for charity starts Wed 28 October. Info at markwebberchallenge.com

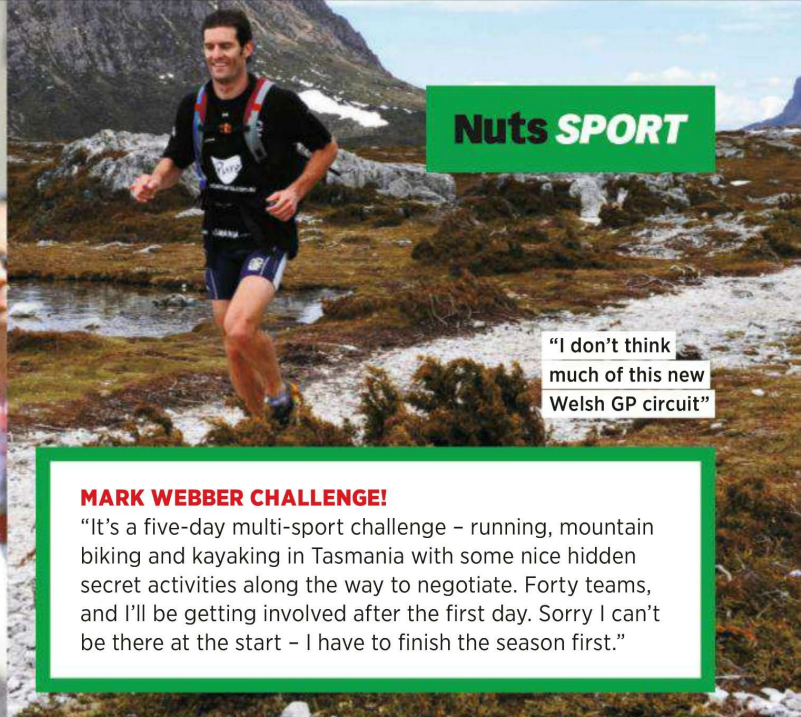

He loved feeding his imaginary parrot

SCHUMACHER'S COMEBACK!

"You have to take your hat off to him for having a go, but his first career was reasonably handy – it was always going to be difficult to get anywhere near that. But the sport moves on and the bar goes up. And it gets harder as you get older. You don't have many 43-year-old fighter pilots."

Nuts SPORT

"I don't think much of this new Welsh GP circuit"

MARK WEBBER CHALLENGE!

"It's a five-day multi-sport challenge – running, mountain biking and kayaking in Tasmania with some nice hidden secret activities along the way to negotiate. Forty teams, and I'll be getting involved after the first day. Sorry I can't be there at the start – I have to finish the season first."

"Perfect timing – I just sneezed on this hand!"

BEING FORGIVING!

"What can you do? What do people expect us to do? I've been on the receiving end of crashes, I've caused some crashes – it comes with the territory. You have words with them yourself, and that's the way it should be done but... you don't know how forgiving I am behind the scenes!"

"What is this rubbish? They know I only drink the Dom Perignon '79"

THE F1 TITLE RACE!

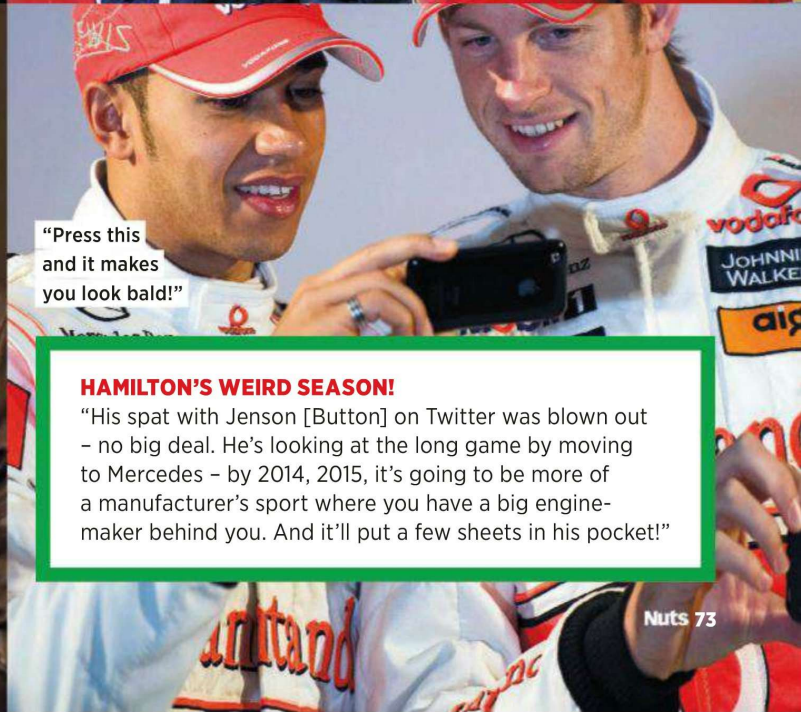

"Fernando [Alonso] and Seb Vettel have a good gap on me, Kimi Raikkonen and Lewis [Hamilton]. Those two should duke it out. The form is with Seb – if he holds it for two more races the title's his. We've improved the car and when Seb gets on a roll, that's not good for the rest of us."

"Think, Seb – how would Rylan off *The X Factor* do it?"

VETTEL'S POP VIDEO!

"There's always plenty of p*ss-taking regarding some of the stuff we have to do, but I've done some absolute horrible things in my time. That's the way it goes – sometimes we shouldn't roll with the punches but we do and some PR agency is ready to make us look like clowns!"

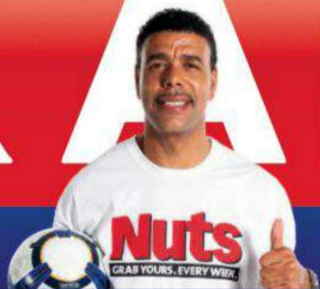

"Press this and it makes you look bald!"

HAMILTON'S WEIRD SEASON!

"His spat with Jenson [Button] on Twitter was blown out – no big deal. He's looking at the long game by moving to Mercedes – by 2014, 2015, it's going to be more of a manufacturer's sport where you have a big engine-maker behind you. And it'll put a few sheets in his pocket!"

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"Go on mate,
let us cop a feel"

England were poor – but it's still a result!

They were in the same boat as Poland weather-wise!

➔ **THE FIRST** thing that needs to be said is that England weren't good against Poland. We can't paper over the cracks and blindly applaud the performance. But the bottom line is, England got a result.

It's remarkable really, the results Roy manages to grind out in contrast to the performances he gets. And let's not forget that's his first 11 matches unbeaten which is no mean feat. We can talk

about performances as much as we like, but at the end of the day, England went there and got a result.

Now, you could argue that if England had played to the best of their ability they would've been good enough to expect a win, but they played quite poorly and got a point, so Roy must be doing something right.

I don't think you can blame the weak England performance on the farce with the weather either. As

a player, you're all keyed up for a match and that feeling doesn't go away. They'll have been just as prepared to play on the Wednesday afternoon as on the Tuesday night. Both teams were subject to exactly the same circumstances, so if anyone's trying to explain away a bad England performance because of pouring rain and a dodgy roof, I'm afraid they're going to have to take a harder look at the team!

"We've done it!
We've made a
human pyramid!"

Mixed fortunes for the Home Nations!

LAST WEEK, everyone thought Northern Ireland would be like lambs to the slaughter against Portugal, who expected a celebration. But Northern Ireland spoiled it with a draw. Fantastic.

The fortunes of Scotland and Wales rather contrast with theirs. I see no way out for Craig Levein – his must-win game was against Wales and he shouldn't have played for the draw against Belgium. Wales came up against a tough team in Croatia, and it's hard to be critical of Chris Coleman as they played so well against Scotland. They had a bit of luck too, but that's football.

- Send jokes, comments, pics etc to kammy@ipcmedia.com. The best one each week wins a signed *Nuts* T-shirt!

UNBELIEVABLY GOOD!

BACK IN THE FOLD!
Craig Levein did the right thing in inviting Steven Fletcher back into the Scotland squad. The situation should never have been allowed to fester in the first place.

UNBELIEVABLY BAD!

SAD SCOTS!
Sadly, Scotland lost both the games! Levein took his chances, called heads, it came down tails and they lost both. I think it'll be curtains for Craig.

THE BIG MATCH!

"Three, four... yes, I've smashed my keepie-uppies record!"

Serbia's shame!

IT'S RIDICULOUS that the Serbian FA have denied that they were at fault for the disgraceful scenes after England's U21 victory. Maybe some of the Serbian players didn't know why Danny Rose reacted the way he did – that will be their get-out clause – but those Serbs on the terraces knew what they were doing.

Ajax vs Man City

WEDNESDAY 24 OCTOBER •
Sky Sports 2/HD 7.45pm

I'll be at this one! It's win or bust for Mancini – he has to win this game. City said they'd learned from last season's Champions League and if that's true, they know that they must win this game. I think they have it in them.

PREDICTION: 0-2

Key man

Carlos Tevez causes problems for City when he doesn't play and problems for the opposition when he does.

Alex Oxlade-Chamberlain:

Joe Hart: “F**king concentrate!”

POLAND VS ENGLAND 17 October, National Stadium, 4.33pm
The England number one's exasperated with his defence.

Wayne Rooney: “Come on, keep going, keep going!”
