Nuts NEWS

EXCLUSIVE!

It's *I'm A Celeb*'s Helen!

It's Ms Flanagan's turn under the waterfall!

IT'S NOW tradition that alongside the faded comedians, ropey '70s variety acts and, erm, Sulu from *Star Trek*, the *I'm A Celebrity* producers throw in some waterfall candy to keep men with a pulse and remote occupied.

Of course, this year the jungle welcomes ex-*Corrie* knockout Helen Flanagan and ex-Pussycat Doll Ashley Roberts (sorry, Charlie Brooks). So let's hope for warm weather, lashings of mud and late evictions for the reality honeys. We've got two weeks to fill, and Linda Robson in a onesie isn't going to cut it.

Hi Helen! We hear your backpack's going to hold mostly three bikinis and loads of fake tan...

I went shopping in London before I flew out to buy

some bikinis for the jungle. You can take three sets in so I'm doing that. I don't mind that it's going back to basics because I'll make sure I'm tanned, manicured and I've got my lashes on!

Good call! How do you think you'll handle the challenges?

I'm fearful of heights. I've never jumped out of a plane and I don't even like rooms high up in a hotel! I'll scream if I see a spider at home but we'll all be in the camp together and we'll all deal with it.

Are you looking forward to chowing down on some kangaroo anus?

I'll deal with it when I get in there. I kept myself busy before flying out so I wouldn't think too much about what lies ahead.

Thanks, Helen! Finally, how do you think your *Corrie* chums are going to react?

Everybody at *Coronation Street* watches *I'm A Celebrity*. It's always on in the green room and I know everyone's going to go, "Oh my God, Helen's in the jungle!" They won't expect me to do the trials. They know me well!

● *I'm A Celebrity* is on ITV1/HD most evenings.

"Hello, I live next door. Can I borrow some stockings?"

WEAPONS

Before the last bullet's been fired, you'll have played with machine guns, sniper rifles, shotguns, lumbering Claws drones, SAM missiles, a VTOL jet and punched idiots with electric knuckledusters.

"But I'm telling you, darling, the hotel looks lovely in daylight!"

Call Of Duty: Black Ops 2 first review!

Nuts has played, and finished, the best *CoD* yet! Here's our verdict...

PLAYING THE most anticipated game of the year's always a rum thing. You hope it's aces, clearly, but you don't know till the credits roll, if it fails, meets or exceeds expectations. So after two days of playing campaigns start to finish, hours of multiplayer and zombie silliness, we can stamp "Nuts approved" on *Black Ops 2* – out now on Xbox 360 and PS3. It's a thing of loveliness.

STRIKE FORCE MISSIONS

This is brand new to *Call Of Duty*. It's a more tactical set of challenges where you can control individual units – soldiers, drones, turret guns – or view the action, top down, marshalling your units.

It was the usual bedlam on Oxford Street

GLOBE-TROTTING VENUES

It skips around the planet like James Bond grabbing air miles, featuring missions in Angola, Myanmar, India, Nicaragua, Pakistan, a resort in the Cayman Islands, Panama, Yemen, LA and Haiti. Phew!

Baumgartner just couldn't resist a new challenge

“For tea tonight?
Crispy pancakes.
How about you?”

THE CAMPAIGN

With 11 conventional campaigns plus five extra “Strike Force” missions – more tactical missions that advance the story but aren’t essential – there’s nine or ten hours of gameplay, and that’s breezing through on easy!

Epsom had really
let standards slip

STORY

This is comfortably the best *CoD* story yet. It leaps decades between anti-terror chap David Mason’s 2025-set chase after naughty cyber-terrorist Raul Menendez and ‘80s missions, featuring Black Ops chaps Woods and daddy Mason showing how Menendez rose to power.

VERDICT

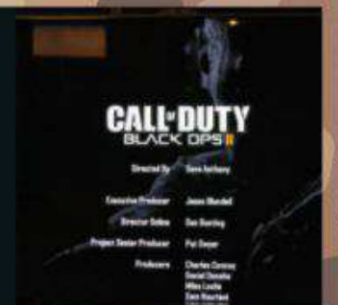

With a brilliant story by *Batman* chap David Goyer that dances impressively between modern and historical settings with a cracking plot, industry-best multiplayer and zombies, it’s the best *Call Of Duty* ever. ★★★★★

“I knew we should have
stuck to go-karting for
Gary’s stag weekend”

ROLL THE CREDITS!

Wait till after the credits, there’s a bizarre – and brilliant – Easter egg. Enjoy!

‘Morning, Jaws!’

Brazilian diver shows two-tonne fish who’s boss!

BELIEVE IT or not, the secret here, according to Brazilian snapper Daniel Botelho, when diving cage-free with great white sharks, is to “Hold your ground, retain eye contact and relax.”

The shark expert explains, “All sharks

behave the same, the only difference is the size.”

Good luck, pal. The only way we’d dive with great whites is in a chain mail suit, in a cage, inside another cage, still on the beach, in the Maldives!

● For more of Daniel’s pics visit danielbotelho.com

INTERVIEW: ANDY JONES

“OK, let’s radio up
and tell them to
shut the pool”

Shark man talks!

Hi Daniel! How risky is it to dive without a cage?

Diving with great whites requires a lot of focus and knowledge of animal behaviour. No distraction can be allowed.

How do you resist the natural reaction to leg it?

I don’t feel scared. It’s challenging, like a chess game, and the eye contact is the main rule. You should stay relaxed.

Does folding your arms, as in the picture, help or is that for show?

Ha! It was a lucky shot. Nothing was planned!

What do people who get attacked do wrong?

The only way to avoid being bitten is to own your entire perimeter and keep eye contact.

Are great whites actually cuddly, misunderstood teddy bears of the sea?

Great whites are misunderstood. They’re not teddy bears, but like lions, they deserve our admiration. They’re a magnificent creature.

“I hate it
when we argue”

All-new Jack Whitehall gags!

The beardy posho's latest funnies!

On Kate Middleton!

"I went to school with Kate Middleton. They said Kate Middleton is the first commoner to marry into the Royal Family. I'll tell you something about my school. It made *Midsomer Murders* look like *The Wire*. We had one black guy in the entire school. The headmaster put him in every photograph to make the school look more diverse. 'But I'm not in the cricket first 11!' 'Well, you are now. Now comb that afro into pigtails, new head girl!'"

On America!

"I went to the Apple Store in New York. It's a big, white glistening cathedral... of c**ts. They applaud the first customer of the day. They all stand around like d*ckheads clapping as they walk into the shop. At my local T-Mobile shop, the only one who gets applauded is the last one out of the day. 'Thank f**k you've gone, we're going down the pub, you BlackBerry w*nker!'"

On iPhones!

"They only tell you the good stuff. They don't say, 'This phone is amazing but, unfortunately, it has a battery life of 20 seconds.' It's like the best new buddy in the world, the coolest guy you've ever met, but he's got ME because he's asleep all the time."

"Where does the iPhone get its vocabulary? It's constantly jumping to conclusions. Nobody talks like that. It doesn't matter what you put into the bloody thing. 'A-N'. 'Did you mean 'ANDROGYNOUS?' 'No, I meant 'AND'!"

On Cheryl Cole!

"Cheryl Cole was sacked from *The US X Factor* because they couldn't understand her Geordie accent. B*llocks! It was to do with Americanisms. In America, they say 'sidewalk'. In Newcastle, they say 'path'. In America, when it comes to contraceptives, they use 'rubbers'. In Newcastle, they don't."

On lesbians!

"I went out with this girl. She said she was bi. I was like, 'Ooooh, sexy!' Turns out, she meant bi-polar. She was f**king mental!"

On the riots!

"I saw a group of youths trying to loot a Lidl. I'm not an expert looter, but I would imagine that one of the major advantages of smashing in a shop window and stealing their sh*t is that there aren't any budgetary restrictions. I wanted one of them to take some initiative, come around the corner on his BMX with a handful of quail's eggs and prosecco. 'This isn't just looting, this is M&S looting.'"

A full-page background image of Jack Whitehall on stage, wearing a dark suit and white shirt, with his hands raised in a gesture. The background is dark with out-of-focus stage lights.

On sex!

"When it comes to sex, I'm quite Victorian British. I want three minutes, in the dark, then we roll over, assume the foetal position and cry for a bit."

"I hate the talking. They say during sex a woman should lie back and think of England. I couldn't agree more. But let's make it more specific. Lie back and think of London. Don't make any eye contact with me and don't you dare start a conversation."

On charity work!

"I did some charity work after I'd left school. Just a couple of weeks in a Special Needs school, playing football and tennis with them. It does make you feel good inside because you always win."

On girlfriends!

"I had a girlfriend who tried to get me to talk dirty. I warned her it wouldn't work. This isn't a sexy voice. She insisted. She was, 'Oh, Jack, tell me I've been a bad girl.' 'You've been a very bad girl.' 'How bad?' 'I don't know. Is there a scale? Worse than a looter, not as bad as Harold Shipman, are you happy now?'"

"I was going out with this girl at university who'd gone out with her PE teacher at school. She asked me to do this roleplay where she was the PE teacher and I was the pupil. I didn't know how to do it. Eventually I turned up with a note from my mum."

On his mum!

"When I first started doing stand-up, I was too young to drive, so my mum would drive me to gigs, wait in the car and take me back afterwards. It made it quite hard to pick up ladies. 'You want to come back to my crib, baby? My ride's outside, it's the Volvo estate, you'll have to sit in the back because me and mother like to ride up front and listen to Radio 4.'"

On obesity!

"Apparently, obesity is now a bigger threat to this country than Al-Qaeda. It's definitely not. Who would you rather have sitting opposite you on the tube? Some mental guy with a beard, a 100-yard stare and a backpack full of Semtex? Or a jolly little fat kid with a backpack full of Quavers?"

On his dad!

"I didn't get the birds and the bees talk. I was 15, my dad picked me up from school, we stopped at the traffic lights and he turned to me and went, 'Jack, I've had a lock installed on your door. The last thing I want is for your mother to walk in and find you having one off the wrist.'"

On drinking!

"You know you're somewhere classy when you buy two Jägerbombs and get the morning-after pill for free."

● *Jack Whitehall Live* is out on DVD on 19 November

"Wow! St Peter, you weren't what I was expecting!"

"I've neither hoovered nor made your tea. Is that a problem?"

IN THE world's biggest architectural willy-waving contest, Saudi Arabia has just pulled this monster out of its pants, as work has begun on the planet's new tallest building, the Kingdom Tower – standing at a huge 1km tall – to be completed in Jeddah by 2016.

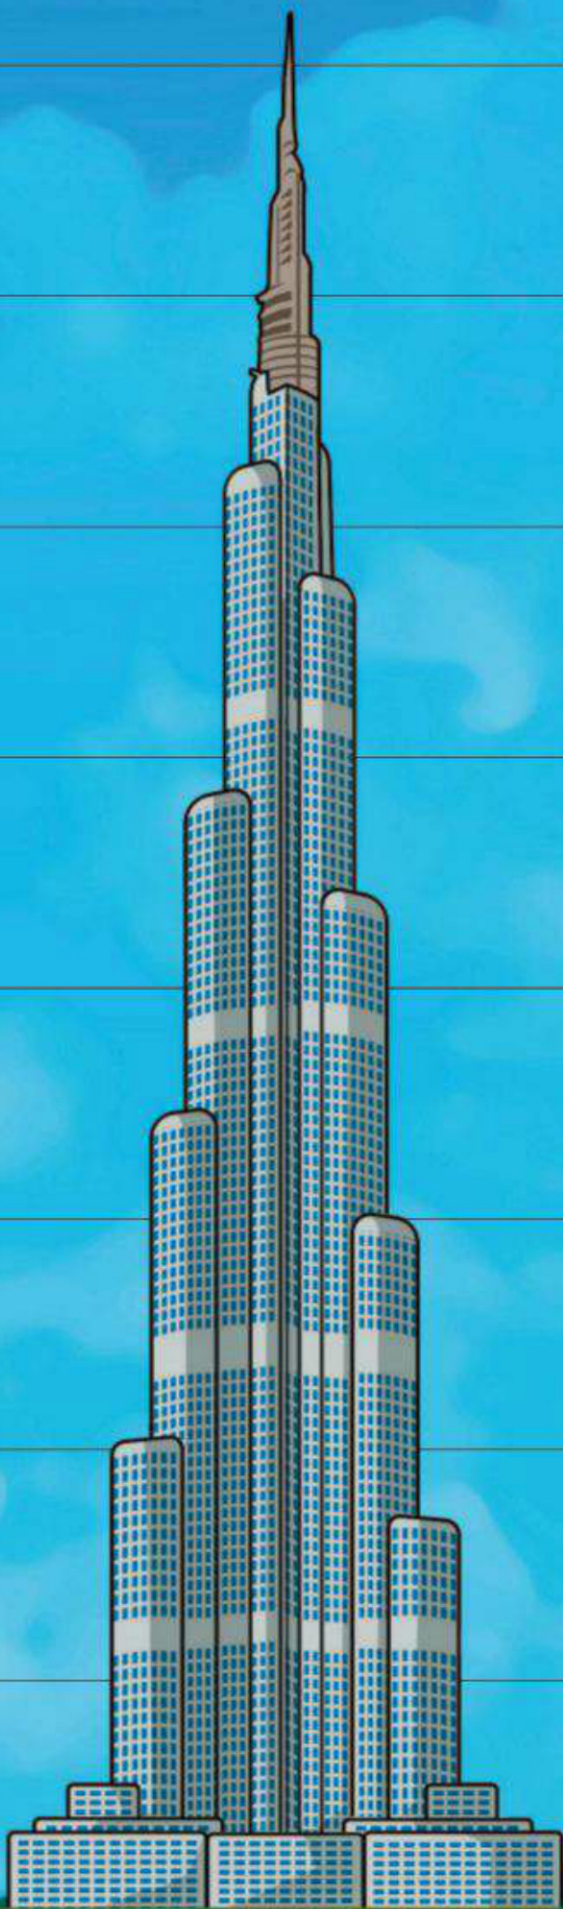

The \$1.23bn (£773m) structure will stand at

least 173m taller than its nearest rival – Dubai's Burj Khalifa Tower – and will hold a luxury hotel, apartments and office space across its 200 floors. It will also have the world's highest viewing platform with a glass-bottom terrace overlooking the Red Sea, some 610m down.

The last, great Gallardo!

Lamborghini wave off their most successful car!

- Having sold over 13,000 units, it may have been Lamborghini's most successful ever car, but their nine-year-old "baby Lambo", the Gallardo, is starting to show its age. In fact, it's being lined up to be sent to the great supercar stable in the sky, with a V10 replacement pencilled in for next year.
- So the Sant'Agata Bolognese chaps have gone back to the drawing board for their final iteration of the crowd-pleasing compact with the Gallardo's impressive swansong – the LP 570-4 Superleggera Edizione Tecnica.
- Behind the small of your back lies the extreme 5.2-litre, 570bhp, V10 plant from

the Super Trofeo racing series. And by specifying the same aluminium space-frame chassis, swathed in aluminium with carbon-fibre and thermoplastic "hang-on" parts, this super-light road warrior will pass 62mph in just 3.4 seconds, to a top speed of 202mph.

- Lambo have also taken the time to update the front wings with an enormously Aventador-like front end, featuring the triangular and trapezoidal air intakes of the hypercar, sucking up air into the huge radiator. To the point that you could well mistake it for the £250k monster when it's coming straight at you. And leaving, as

they've added a familiar-looking carbon-fibre diffuser under the four exhausts.

- Also exclusive to the Edizione Tecnica is the huge high rear wing for road-hoovering grip, alongside carbon-ceramic brakes. And so you'll know it's a special edition, these come in a unique, two-tone paint job. This one being a matte black "Nero Nemesis" body with "Arancio Argos" orange pillars and front air intakes.
- You want one, right? Well, the good news is they're hitting your local Lambo dealer this month. The not so good news is you'll need to head down with at least £182,160 stretching out of your back pocket.

"C'mon, Barry, there's room for at least six more exhausts"

Lambo had entirely missed the point of a mohawk

'They had to cut the dead muscle away!'

Cyst shocker is unlucky for leg and the fella who owns it!

THIS GRISLY gash is what *Nuts* reader Alan Pike had to see for a whopping two months after suffering a ruptured cyst.

The 35-year-old Kent chap tells us, "I had noticed the cyst for about two weeks on the back of my leg, but at

first I didn't really realise what was happening. It was when I couldn't walk that I was rushed to the hospital!"

Doctors attempted to drain the cyst and then slice it, but nothing worked at first. Alan adds, "They took me in for eight operations over a total of ten days and each time they

had to cut away some of the leftover dead muscle."

It's now been nine months of hobbling around for Alan, who's still on the road to recovery. "Put it this way, you won't find me on *Dancing On Ice*," he quips. At least he'd scare off the other contestants with this gruesome horror!

LETTER OF THE WEEK!

How do I pop the question?

Is there any way of gently introducing a bit of "back-door"
action into the bedroom without freaking a lady out? It's
something I've been curious about for a while.

WILL via email

Everyone is different - you'll have to slip it into the
conversation somehow. If your missus enjoys anticipation,
tell her it's her punishment for being a bad girl. If she's
more timid, I suggest you begin by introducing a little
back-door prodding, touching, circulating action while
simultaneously amusing her front bits. Don't rush it -
girls can run very fast when they don't feel comfortable!

Did it ever occur to you that
she knows more about you
than you think? Girls are very
in-tune with their partners. She
probably knows the name of

your past three girlfriends and
your shoe size. I assume she
knows about the porn, so next
time you're alone, talk about
it, then hire out a projector!

Have I blown it?

I'm never able to come whenever
I get a blow job. I used to think it
was the girls who were doing it
wrong, but now I feel like it's me
who's weird. I need a solution!

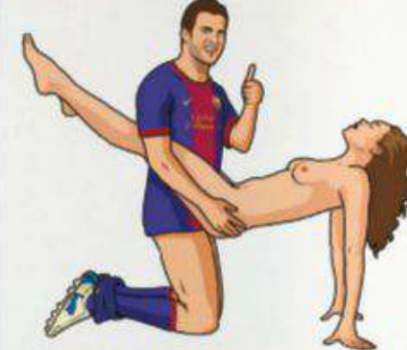

ROSS Essex

Well, blaming the girl was
a terrible start! Any sexual
intimacy is mainly about the
connection you have together.
One "technique" won't work
on all. Ban yourself from sex
for a week. Then introduce
holding, so all the girl's allowed
to do is hold your penis. If you
stay strong, the following week,
you can allow oral sex. To
orgasm, you need to be focused
and horny. Simple!

- If you've got something to
ask Danni, just email her at

“Can I get a table?” asks the man with the Labrador. “I have a dog, but I’m blind – this is my guide dog.”

He’s allowed in. The second man tries his luck.

“Can I have a table for me and my guide dog?”

“That’s not a guide dog,” says the doorman, “that’s a Chihuahua!”

“What? Those b*stards gave me a Chihuahua?”

ONLY IN
Nuts!

Natalie

She's a Hampshire hottie with 32D boobs!

Hi Natalie! How does it feel to be in *Nuts*?

Hello! It's something I've wanted to do for a while, so when the opportunity came up I was so excited! I love *Nuts* so to be in it feels great.

Did you enjoy the shoot?

I enjoyed it so much! Everyone was great to work with and we were laughing and having so much fun all day. The best

thing about it was that I got to dress up in sexy clothes.

Have you modelled before?

Yes, for about a year now, and I do lingerie and swimwear. I also do a few bikini contests in America each year.

Who's your fave *Nuts* babe?

All the *Nuts* girls are gorgeous! Lucy Pinder is beautiful and her boobs are amazing! Rosie

has an unreal body and India is so pretty. I love them all!

What are your best features?

My big brown eyes. I flutter my lashes to get my own way. I like my lips, too. They're quite full so good for kissing!

If you could do any fantasy shoot, what would it involve?

I love superheroes... I'm a bit of a geek at heart! I'd love to do

a sexy superhero shoot with some of the other *Nuts* girls! We'd be the sexy, naughty versions of each character!

Finally, what are your plans for the future?

Well, I'm hoping that everyone loves my pictures and wants to see some more of me. I'd really love to be a regular *Nuts* girl because I really love posing in my underwear!

They're very funny!
They're quite rude!

1 “Watching porn on the internet is like witnessing a crime scene – I feel like I need to call the police!”

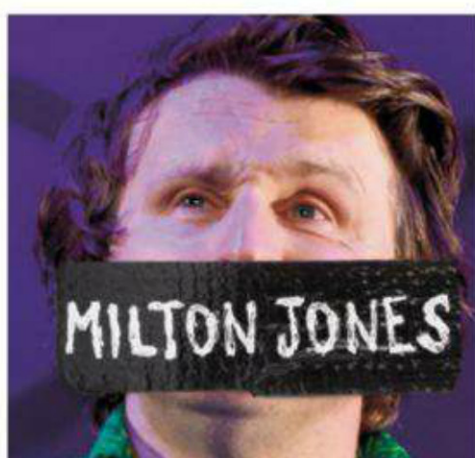

2 “Young girls wearing age-inappropriate clothing. Or Fisher Price-stitutes, as I call them.”

3 “As I said to the girl I lost my virginity to, thanks for laughing, and coming up next, Jimmy Carr!”

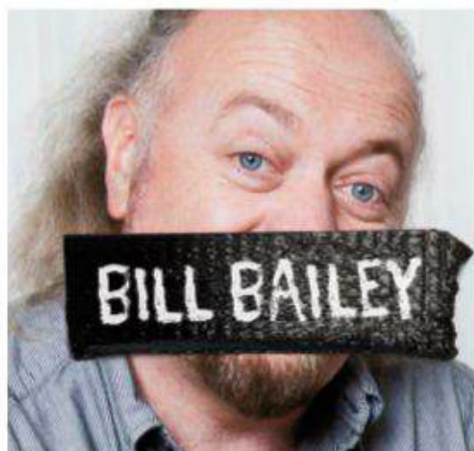

4 “I hit the back of this beautiful blonde female’s car. She jumped out angrily and shouted, ‘Ram me up the back end, why don’t you?’ That’s where the confusion started, your honour.”

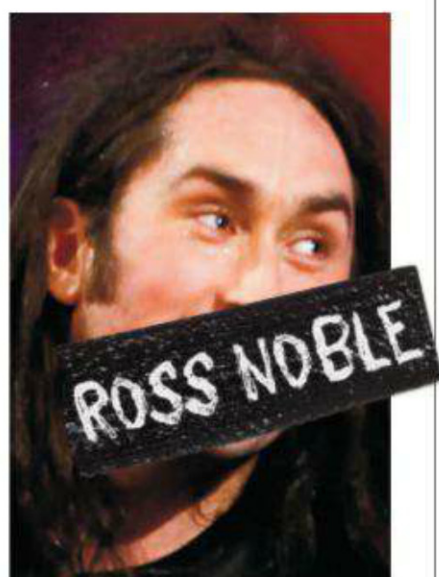

5 “I was having dinner with my boss and his wife and she said to me, ‘How many potatoes would you like, Tim?’ I said, ‘Ooh, I’ll just have one, please.’ She said, ‘It’s OK, you don’t have to be polite.’ ‘All right,’ I said, ‘I’ll just have one then, you stupid cow!’”

6 “My wife has been giving me the silent treatment for three days. It’s starting to smell a bit now.”

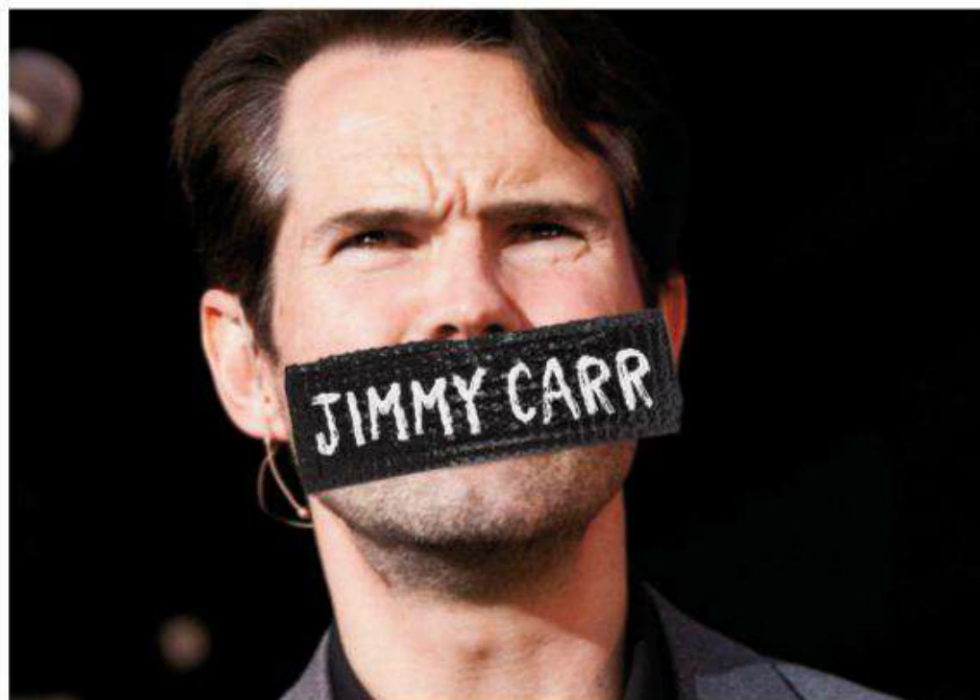

7 “Celebrities shagged by their own surnames. Joaquin with a phoenix. John with a bishop. Jenny with an éclair. Reece with a withered spoon!”

8 “If a lady turns to you in the bedroom and goes, ‘Hurt me!’ Go, ‘Oh god! You’ve put weight on that arse, haven’t you?’”

9 “My sexual fantasy is to make love to a lady with a live tiger’s head. It’s not the sex element I like, it’s the danger. The fact you’re shagging her and any moment she can rip your throat out.”

10 “Gerontophiles are people who are still very elderly but sexually active. I’ve got another word for them OAPaedes. They like a bit of granny fanny. Where’s the harm?”

11 “It’s true that masturbation can affect your eyesight. I was halfway through and thought, hang on, that’s not my c*ck!”

12 “Thinking about it, foreplay is literally a waste of f**king time.”

13 “It’s always embarrassing when you get an erection during a prostate exam. And then they realise... Hang on, you’re not a real doctor!”

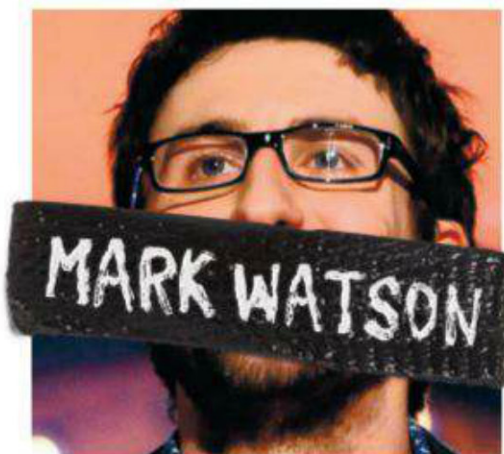

14 “I went on a lads’ holiday when I was about 17 to Spain. It was great. I had sex with 12 different people in ten days. I’m not bragging. I was gang-raped!”

15 “I read a thing that 90 per cent of teenage girls are sexually active. Bullsh*t. A lot of them just lie there!”

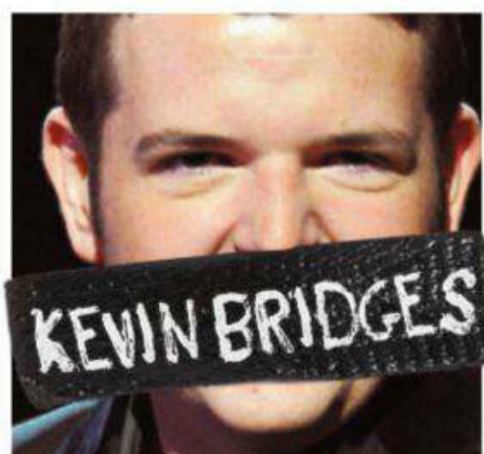

16 “If a woman says to me, ‘I’ve got a headache.’ I say, ‘Look, love, I’ll be right at the other end. I couldn’t be further away. Relax, I’m going to f**k you. We’re not doing sudoku!’”

17 “Anal sex is overrated. It’s f**king sh*t. And it hurts like buggery!”

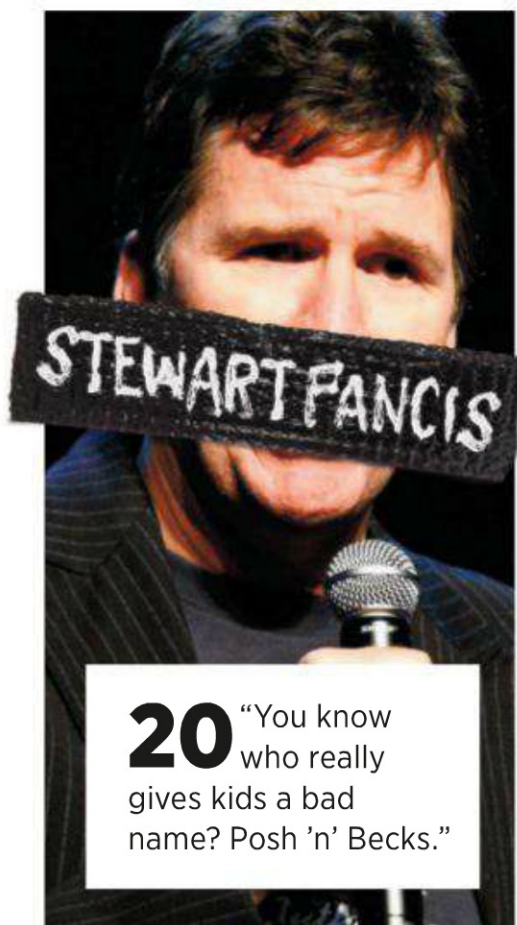

RUDE GAGS 2012

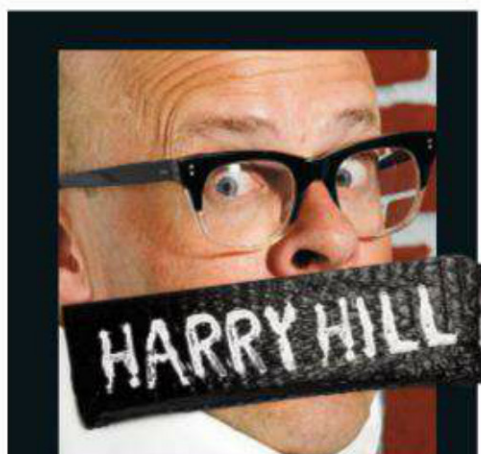

18 "Princess Kate is a PILF, if you will. I won't. I suspect you can get hanged for that."

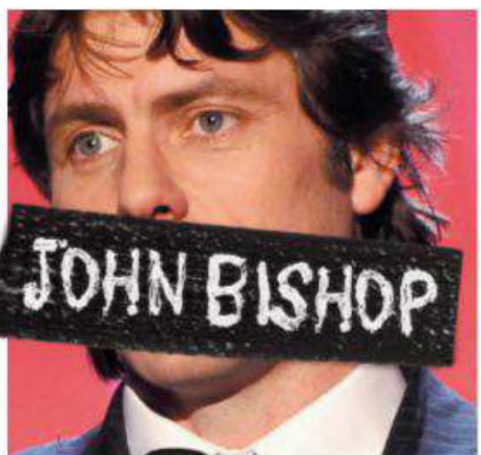

19 "At school, one of my friends turned up with a DVD entitled *Anal Pandemonium 5*. None of us had seen the first four, but we soon got the gist."

20 "You know who really gives kids a bad name? Posh 'n' Becks."

21 "One person clapping by themselves. Always a bit embarrassing I find, particularly after sex."

22 "Men always get accused of being the liars. We're not. Ladies are. Like the Wonderbra. There's no male equivalent. There's nothing which says, 'Hang on, he looks like he's got a big c*ck!'"

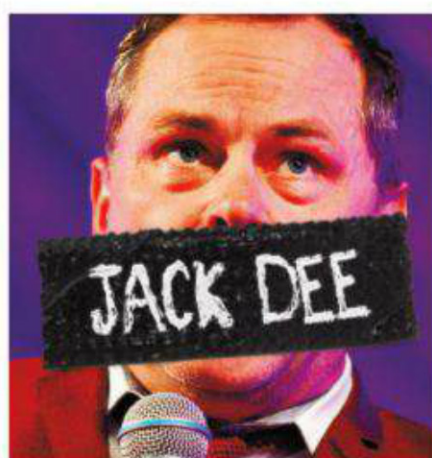

23 "Prince Phillip missed the Jubilee with an infected bladder. You can imagine the Queen. He went, 'I'm not coming tomorrow. It's boring.' She went, 'If you don't come, I'll tell everyone there's something wrong with your c*ck!'"

24 "Something happens to you sexually as you get older. If I'm about to take someone doggy-style, I now think, I'd better put something down there for my knees. I'd love to do a 69, but I'm going to struggle to get back up from the beanbag!"

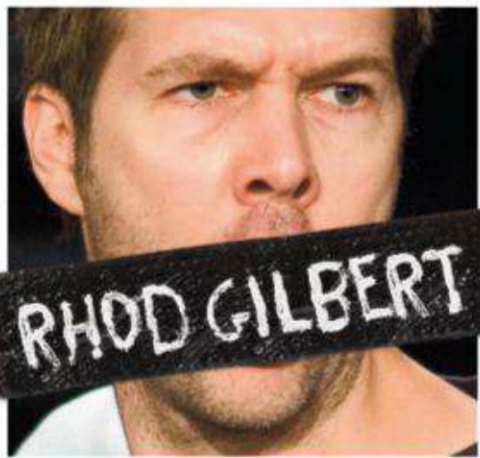

25 "They say that love produces the same effects as cocaine. When I make love, it always involves the death of a orphaned Colombian street child."

26 "People come up to me and go, 'Frankie, what should I do if an ex-girlfriend phones me up and says I'm HIV positive?' I say, 'The trick is to try to act surprised.'"

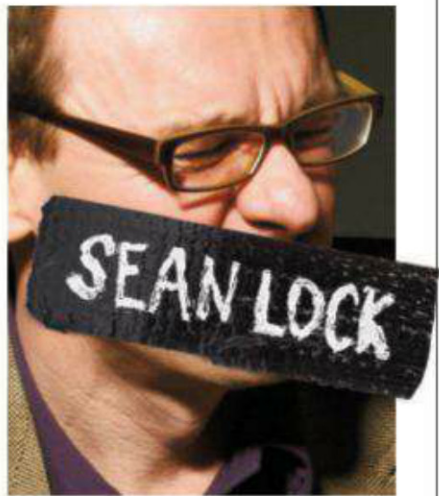

27 "This bloke came up to me the other day and said to me, 'Can I have a pound, please? I can't get home.' I thought, 'Who gets home for a pound?' What are you going home in, a f**king shopping trolley?"

28 "I read this story about this bloke who got caught having sex with a donkey. He had three children. How do you explain that to your family? 'Can you come here, we need to have a chat. Daddy's done something very stupid...'"

29 “Little tip. If you’re going to have sex with an Arctic roll, take it out of the freezer first for a few minutes to warm up.”

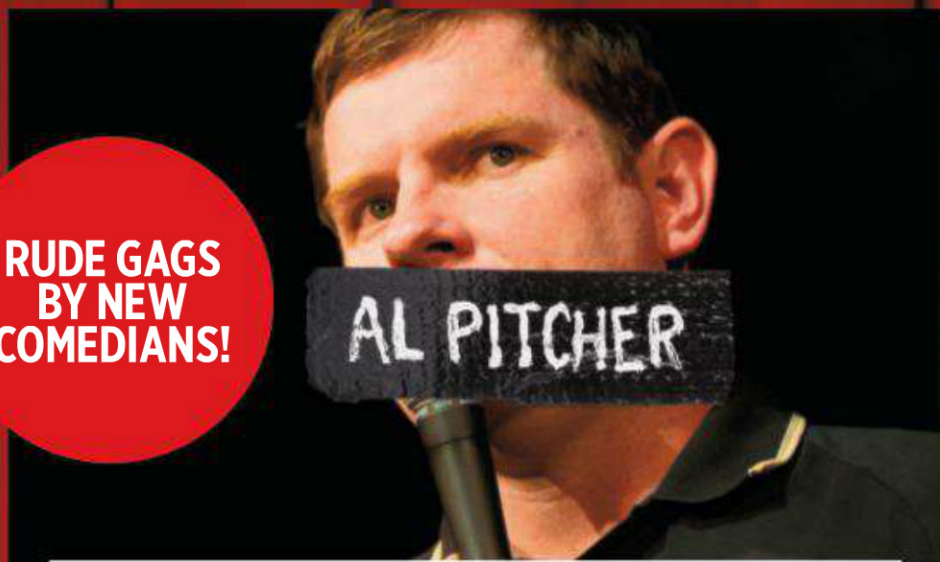

30 “I saw a picture of Rihanna wearing these see-through mesh pants. There was a little groove at the back of the knickers, as if to say, ‘That little groove there? You can pop your c*ck in there if you like!’”

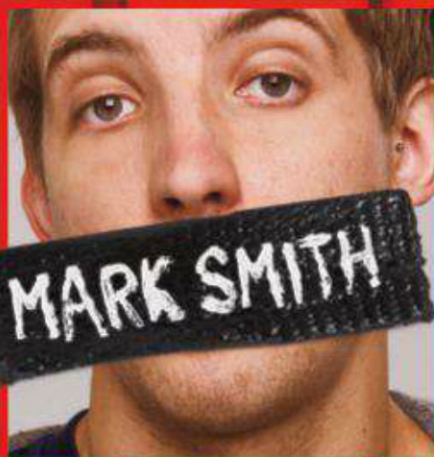

31 “If you go to see The Pussycat Dolls live, the only thing you don’t get to see is the cat.”

32 “How do you stop a dog humping you leg? Pick him up and suck his c*ck!”

**RUDE GAGS

33 “I try to read the *Kama Sutra* on the train, but it always puts the other passengers in an awkward position!”

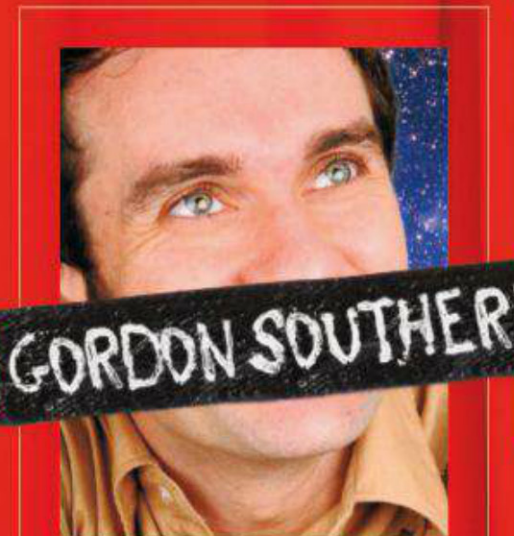

34 “I’m keeping a count of the prostitutes I’ve been sleeping with. Tally ho!”

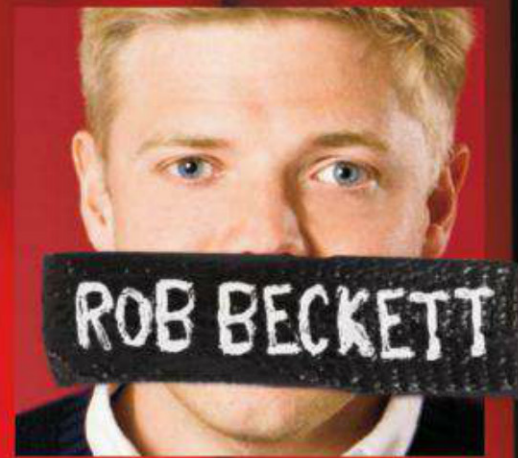

35 “Paying for ‘priority boarding’ on a Ryanair flight is about as futile as being in Cameron’s Cabinet. Yes, you may well get ahead quicker in life, but you’ll still have to sit next to an utter tw*t.”

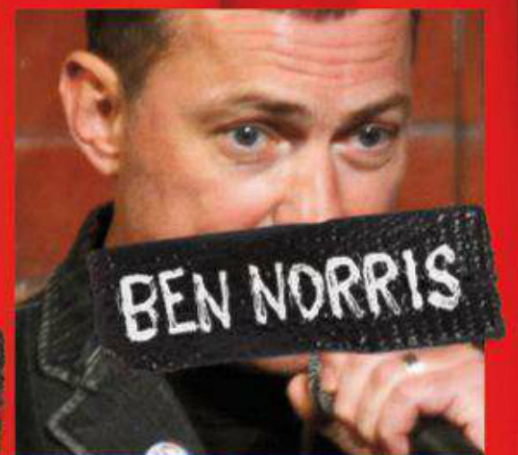

36 “Porn is often frowned upon, but that’s only because I’m concentrating.”

37 “Question for you: If Windolene cleans windows, would a trampoline clean the homeless?”

38 “My girlfriend worries about me cheating on a night out, but I always try to reassure her and say, ‘Why would I go out and have a burger when I have steak at home?’ The only problem is, when you’re drunk, burgers are well nice!”

39 “Don’t you ever sit there and think it must’ve been mermaids what invented the t*t-w*nk? They were playing to their strengths.”

40 “A woman in America has had the largest ever boob job to increase her breasts to 38KKK. I’ll tell you, that is one dedicated racist.” **X**

THE 50 RUDEST MOMENTS

2012!

The saucy shocks! The sexy
shoots! The steamy snaps!

× × ×

Cheshire's naughtiest export gives us the lowdown on her extremely rude 2012!

Hi Sophie! Thanks for introducing our 50 Rudest Moments Of 2012! What's the naughtiest

thing you've done this year? That would be having sex in my neighbour's front garden!

Really? Tell us all about it!

We were coming home one night and just couldn't wait until we got in the house. It was only when their lights went on that I realised it wasn't my garden. Oops!

Any garden gnomes watching?

Yes. One of them had a fishing rod and it was getting bigger!

So, do you like doing it outside?

Oh yeah, definitely. I love the idea of being caught. I suppose that's why I wouldn't mind a bit of dogging!

Blimey, you really are rude! Are you into the bondage scene?

Of course! I love handcuffs, chains and someone totally dominating me. After I read *Fifty Shades Of Grey* I couldn't stop thinking about being tied up and whipped!

Do you ever wear rude outfits for your man of the moment?

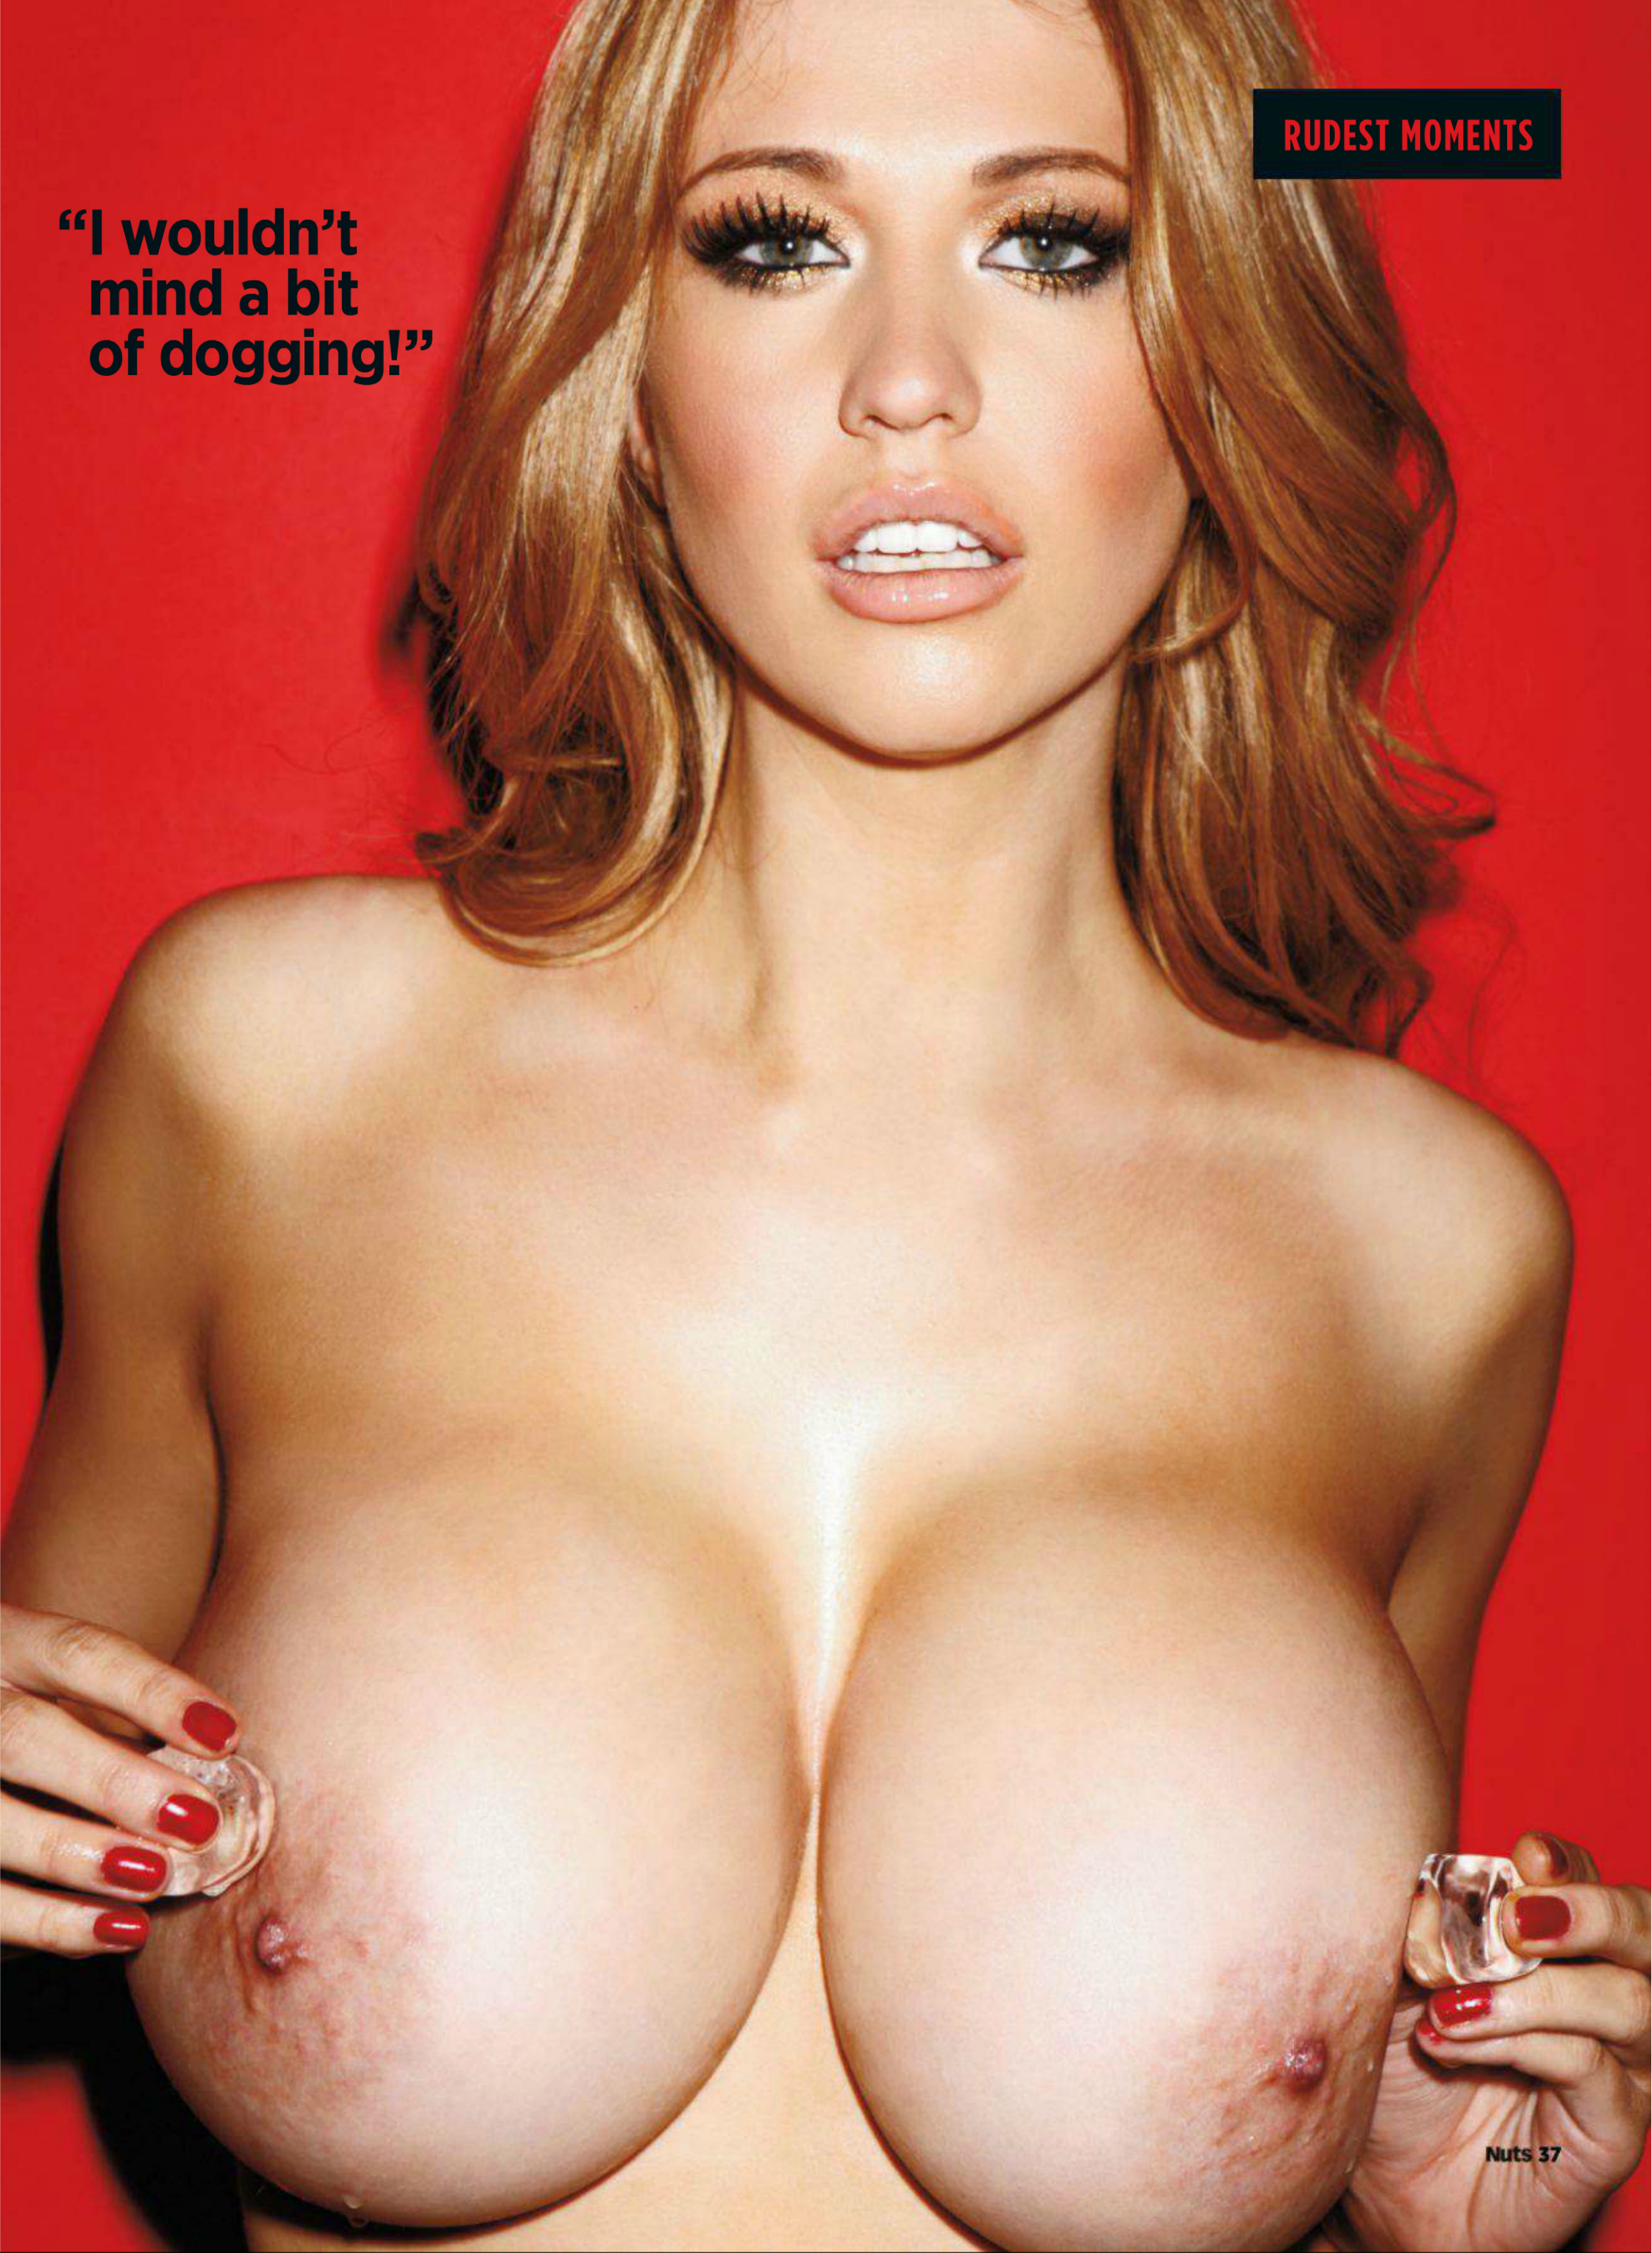

Yeah. My fave look consists of stockings, suspenders and high heels, which usually ends up with me being completely naked apart from the shoes.

Thanks, Sophie. Finally, are northern ladies more naughty than those in the south?

Yeah. Mind you, Lucy Pinder's from the south and I'd like to get closer to those beautiful boobs and big lips of hers. Maybe she'd prove me wrong!

Turn the page for our 50 Rudest Moments of 2012

RUDEST MOMENTS

50 CHANELLE NAKED! IN *NUTS*!

JUNE

2012 has given us much to be thankful for, but this bona fide *Big Brother* beaut showing us her boobs for the first time is a moment we'll all treasure.

49 KEITH LEMON'S RUDE MOVIE!

AUGUST

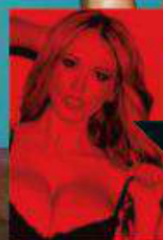

Our moustachioed mate promised that there'd be loads of naughtiness in his big-screen debut, and he didn't disappoint, did he?

48 *NUTS*: THE NAKED ISSUE!

MAY

It was "business as usual but clothes at home, please" when *Nuts* went entirely clothes-free for our special Naked Issue in spring.

Sophie says: "These girls are really naughty! They're fully naked, except for the shoes and stockings. I wish I'd been there!"

47 **BRITAIN'S BIGGEST BOOBS!**

FEBRUARY

We thought Rachel Aldana's 30L lovelies were the biggest at the time. They were actually the second-biggest, but you were all too distracted to notice!

46 **ABBEY CLANCY POPS OUT!**

APRIL

We love our jobs at *Nuts* but we'd happily turn into a football team if we got to marry girls like lovely Abbey, and if we didn't have two left feet.

44 **RIHANNA'S TATTOO!**

SEPTEMBER

We're not sure what Ri-Ri's tattoo is supposed to be. But then again, our eyes were probably focused elsewhere when we first saw it.

45 **LIP SERVICE LESBIANS!**

JULY

It made the licence fee worth paying for when the BBC screened the lovely Heather Peace and Anna Skellern getting really frisky this summer.

43 **PIXIE GELDOF TAKES A DIP!**

JULY

We were left thinking, "OMG!" when this picture appeared of Pixie cavorting topless while enjoying herself on holiday in Ibiza. ▶

RUDEST MOMENTS

42 **CALI-PHWOAR-NICATION!** FEBRUARY

We sort of got to see Kate Middleton naked when Camilla Luddington (who played the Royal in *William & Kate*) got naked in *Californication*.

41 **WE DISCOVER JESS KINGHAM!** MARCH

We catapulted the sexy Surrey stunner straight into the pages of *Nuts* with this really raunchy shoot. What a find! Well done us!

40 **AMERICAN HORROR STORY!** JANUARY

The scariest show on TV turned into the sexiest when hotties Alexandra Breckenridge and Mena Suvari got a bit frisky on the sofa.

39 **IMOGEN'S SHAMELESS STRIP!** OCTOBER

Just when we thought Channel 4's long-running show was getting a bit dusty, they blow us away with this sexy cameo from Imogen Thomas.

38 **KELLY'S PHONE FLIRTING!** JUNE

"Hi, is that Kelly? Are you enjoying Cannes? Is it possible for you to get any sexier? You can? Fantastic! Never mind who this is..."

Sophie says: "I'd give Rosie's boobs ten out of ten. India's also gorgeous, but they need to get a blonde involved – me!"

37 ROSIE & INDIA GET CLOSE!

MAY

We love playing Cupid here at *Nuts*, especially when the results are as sexy as Rosie and India's brand-new naughty friendship.

TOO RUDE!

36 CAREY MULLIGAN IN *SHAME*!

SEPTEMBER

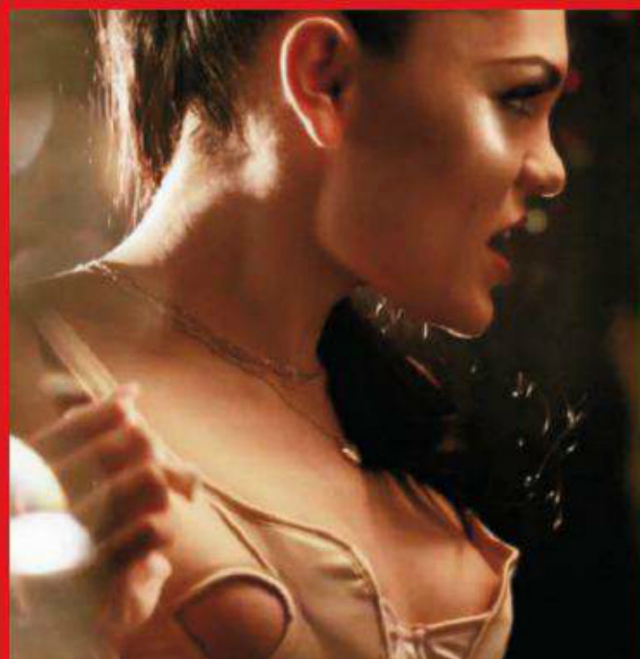

Don't ask us what makes seeing an established actress's boobs so exciting – just watch this year's sex-fest *Shame* and decide for yourself.

35 DANIELLE GOES TOPLESS!

MARCH

You can easily imagine how delighted we were when *Big Fat Gypsy Weddings* star Danielle Mason left her bra at home for this hot picture.

34 JESSIE J MAKES OUR DAY!

APRIL

It was going to happen with all that bumping and grinding she likes to do – but 2012 was the year Jess nipped out for the cameras. ▶

Sophie says: "Holly's boobs are massive, they're as big as my head! If you shaved my head I could be one of her boobs!"

33 HOLLY HAGAN GOES TOPLESS! JULY

The *Geordie Shore* gal blew us all away with her exclusive topless summer shoot in *Nuts*. "I felt so sexy!" she told us at the time. We can see why.

32 OH HELLO, MS GIGGS! JANUARY

Natasha's bra had an eviction of its own at the start of the year, when the *Celebrity Big Brother* girl was snapped poolside with her mates!

31 KRISTEN'S RUDE ROAD TRIP! OCTOBER

The *Twilight* star may have cheated on her fangy fella, R-Patz, but she didn't cheat on us when she appeared topless in arty flick *On The Road*.

30 ALISON PILL'S GOOD WILL! OCTOBER

Star of Yank show *The Newsroom* Alison apparently didn't mean to tweet this topless pic. Similarly, we didn't mean to accidentally favourite it. Honest!

TOO RUDE!

29 EXCUSE US, MISS WILLIAMS!

AUGUST

Not only does marvellous Michelle enjoy a shower in *Take This Waltz*, but she also goes for it in some raunchy sex scenes.

28 SOPHIE DOES BRITAIN PROUD!

JUNE

As a delightful warm-up to our awesome summer, Miss Reade gave us this sizzling shot, and proved once and for all that Britain is best.

27 CELEB BB'S TOPLESS TWINS!

FEBRUARY

Karissa and Kristina Shannon not only have identical faces, but identical bums, too! And we say two bums are always better than one. Always.

26 THIS PIC OF LACEY!

JANUARY

Sometimes we feel a bit "sad face" in January. Miss Banghard put a stop to that by posing for this magnificent pic. Now we love January! ▶

25 **HOMELAND HOTTIE!**

FEBRUARY

Morena Baccarin is introduced in bed with her husband's best mate. Bad news for Sgt Brody, good news for us. Great telly made even greater!

24 **THE NUTS BOOB OLYMPICS!**

JULY

Who needs Team GB when you have Team DD? Our girls united the nation and won golds all round when it came to being super-sexy.

23 **FRANKIE ESSEX'S BOOBS!**

OCTOBER

The Only Way Is Essex's Frankie celebrated her new boobs as anyone should celebrate new boobs, by showing them off in *Nuts*!

22 **LUCY'S FLASHING FRIDAY!**

APRIL

This is what Twitter was made for. Curvaceous redhead Lucy Collett shows off her bathroom (oh, and her boobs) to the world.

21 IT'S KATY PERRY'S BOTTOM!

AUGUST

Pop-songstress Katy suffered a bikini-malfunction when she visited a waterpark in San Dimas, California. Her loss was most certainly our gain.

20 OLIVIA MUNN BARES ALL!

JULY

Magic Mike might be about male strippers, but that didn't stop Miss Munn getting involved and taking her top off in this rather raunchy moment.

TOO RUDE!

19 CHRISTINA RICCI NUDE!

MARCH

Ooh-la-la! Not one to be shy, "Raunchy" Ricci shows her French fancies to naan bread-faced wally Robert Pattinson in fruity flick *Bel Ami*.

Sophie says: "What a pair of boobs Stacey's got. She's got a lovely face, too. I'd like to kiss her lips – and her boobs!"

18 STACEY POOLE UNLEASHED!

FEBRUARY

Another one of our "big" discoveries, Miss Poole's small top could barely contain her ample cleavage, so she just took it off. A fine idea! ▶

17 NICOLE NEAL IN *NUTS!*

MARCH

Nimble Miss Neal arrived in *Nuts* with a boobs-out bang this year! The sexy student is yet another welcome addition to our world.

16 TAKE ME OUT BABE'S BOOBS!

MARCH

Let the boob meet the bum! Ahem. *Take Me Out*'s Toni Anyyll showed off her boobs and we most definitely left our light on. We likey.

15 ROSIE & ARABELLA! CRIKEY!

MAY

Spanking! Bottoms! Girls kissing! Rosie Jones and Arabella Drummond got extra chummy in one of the rudest shoots ever to grace the pages of *Nuts*.

RUDEST MOMENTS

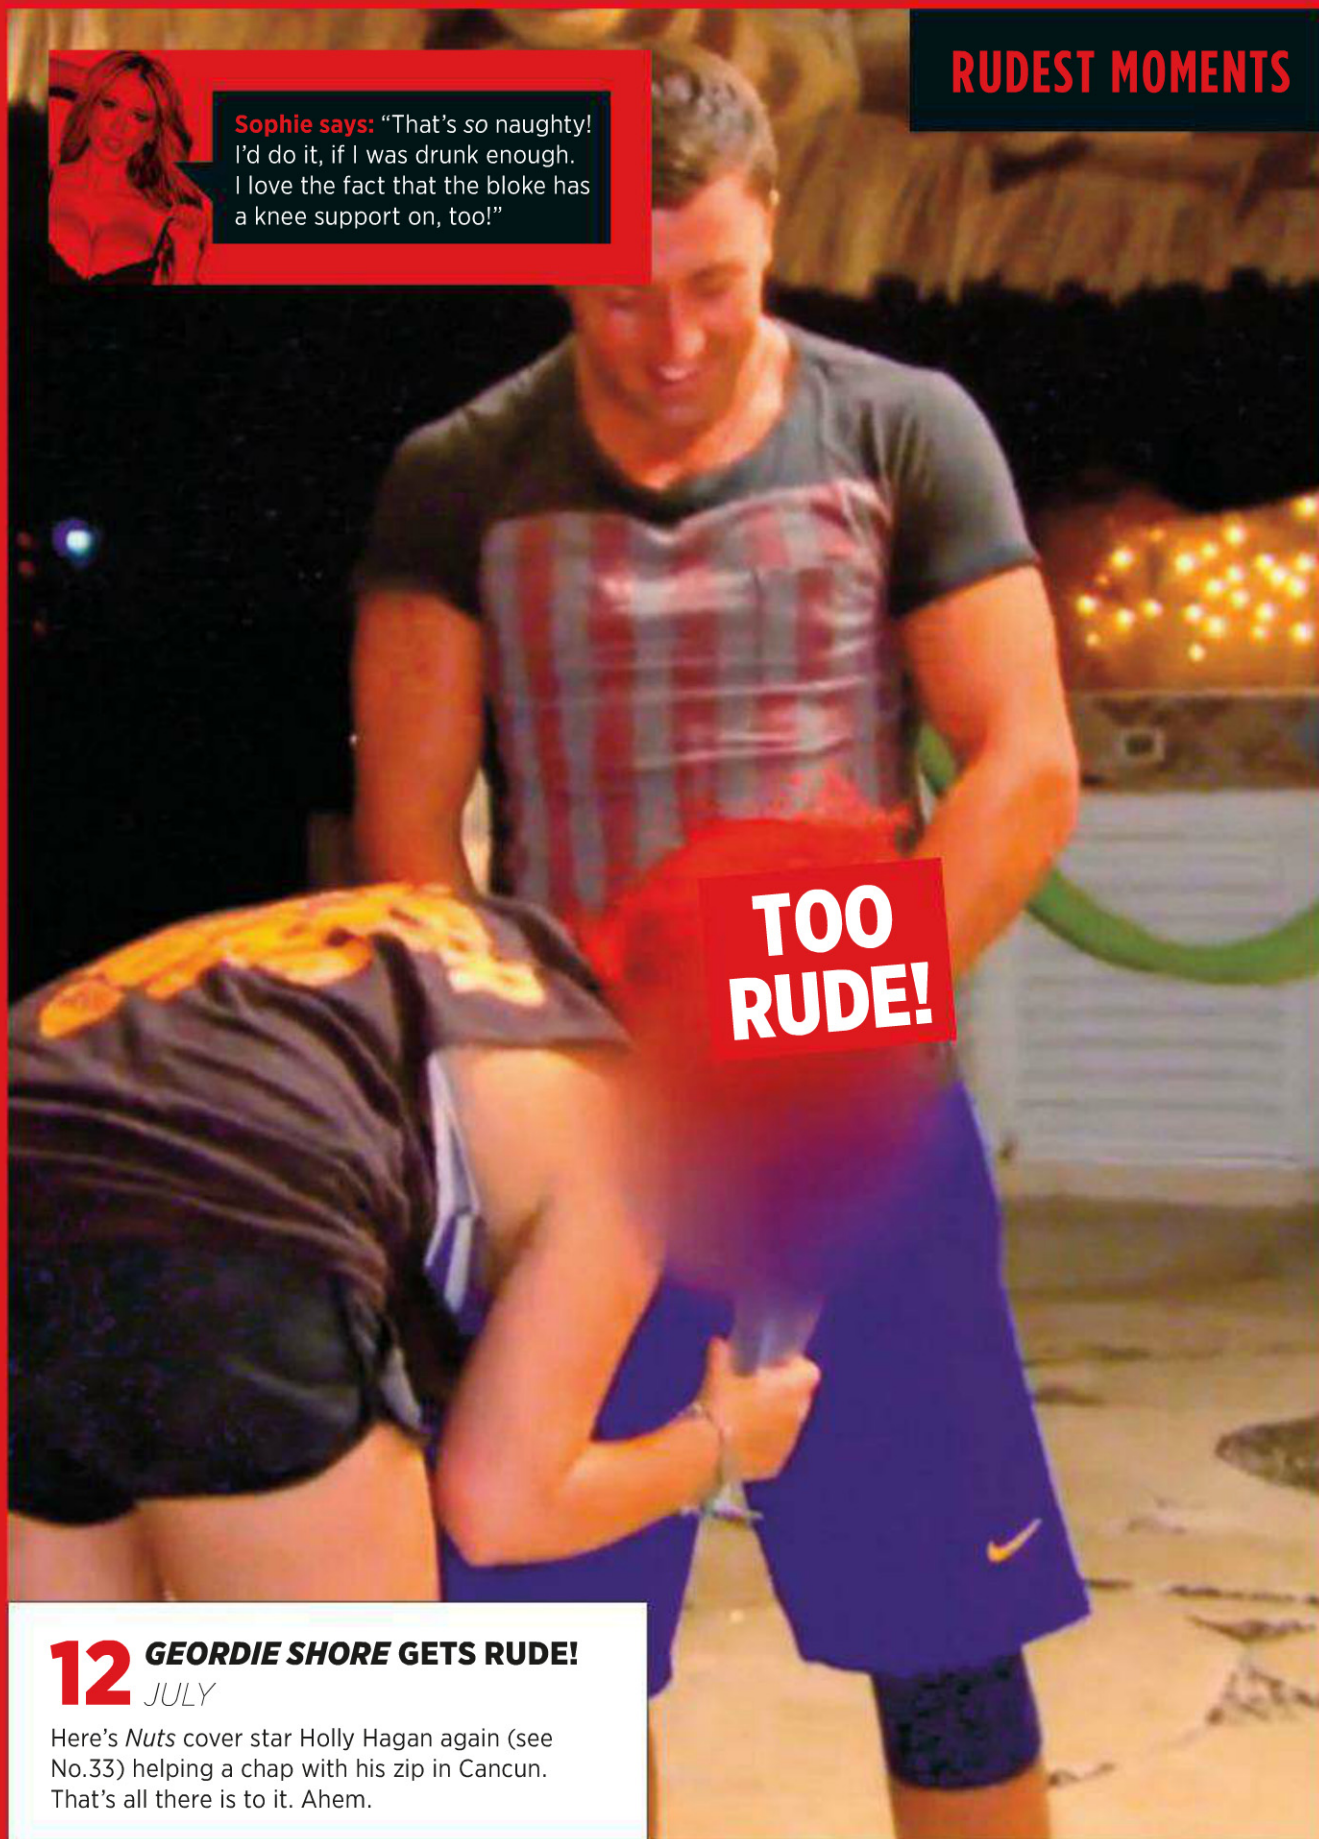

14 DOCTOR WHO LADY NAKED!

SEPTEMBER

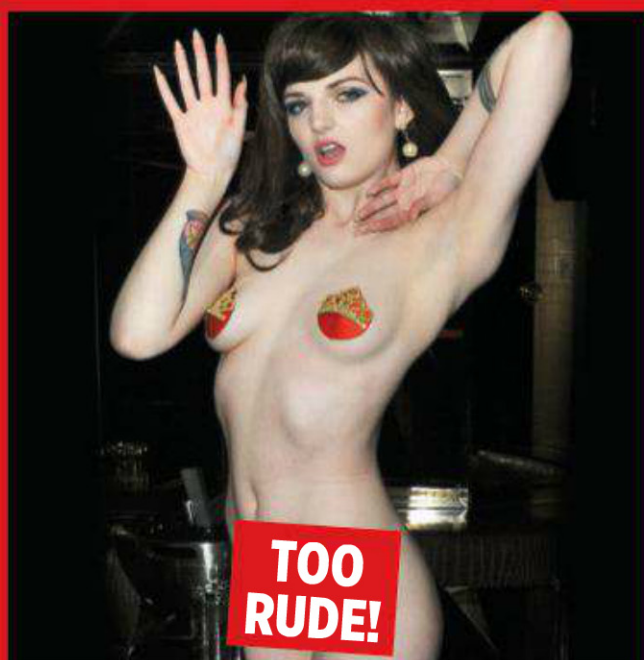

Jenna Louise Coleman made a lot of *Doctor Who* fans very happy in BBC Four drama *Room At The Top*. Lots going on at the top, we say!

Sophie says: "That's so naughty! I'd do it, if I was drunk enough. I love the fact that the bloke has a knee support on, too!"

TOO RUDE!

TOO RUDE!

13 THE ROYALS GET RUDE!

AUGUST

We might get in bother if we print pics of a certain other Royal's rude moment, but this snap of Kate Middleton's cousin Katrina Darling are just as frisky.

12 GEORDIE SHORE GETS RUDE!

JULY

Here's *Nuts* cover star Holly Hagan again (see No.33) helping a chap with his zip in Cancun. That's all there is to it. Ahem.

11 LUCY COLLETT'S FIRST SHOOT!

FEBRUARY

We found a girl with bright red hair / She liked to pose for pictures bare / Her name is Lucy and that's her there. (And see her at No.22.)

10 TOWIE'S TOPLESS HOLIDAY!

JUNE

The only way is topless for Essex hottie Sam Faiers when she goes on her jollies. Here she is having a hoot in Marbs. Hi Sam! ▶

RUDEST MOMENTS

9 IMOGEN'S NAKED *NUTS* SHOOT! MARCH

It's fair to say that Miss Thomas has had quite a busy couple of years. So busy, in fact, that sometimes she forgets to shop for clothes.

8 HELEN FLANAGAN'S SAUCY SKIMPIES! SEPTEMBER

Not so long back, Helen announced she was going to put an end to her revealing outfits phase. Good to see that she didn't actually mean it.

7 THE VALLEYS... HOW RUDE! SEPTEMBER

The Welsh reality show featured outdoor nudity from the word go. Sexy stars Natalee and Lateysha didn't waste much time getting in *Nuts*, either!

6 GAME OF THRONES RUDENESS! APRIL

Not just the best, most violent, completely insane and dwarf-tastic show on telly – it also has loads and loads of bare girly action in it, too!

5 EMMA'S MAGIC MONDAY!

FEBRUARY

Once upon a time, the world existed before *Nuts'* weekly Twitter boobfest. Well, we were there back then, and we can tell you, it was *rubbish!*

4 NUTS TAKES OVER BIG BROTHER!

AUGUST

Celebrity BB stars Danica and Rhian being *Nuts* girls, we thought we'd invite them over to talk about the show. With their tops off, of course!

3 LUCY GOES NUDE FOR NUTS!

OCTOBER

Lucy Pinder. Goes nude. Those are the most important things you need to know about this sizzling, only-in-*Nuts* spectacular of sauciness.

Sophie says: "I wish I was in bed with Rosie. She could read me *Fifty Shades Of Grey* every night before we went to sleep!"

2 FIFTY SHADES FEVER!

SEPTEMBER

Have you heard about that book that is corrupting our nation's fair ladies? We got Rosie Jones to explain it to us - without her kit on, obviously! ▶

RUDEST MOMENTS

Sophie says: "I love the masking tape across the boobs. But they need me lying there with them, to add some blonde fizz!"

"They need me lying there with them!"

1 NUTS BABES' VERY RUDE PICS SHOOT! OCTOBER

Blimey! Handcuffs, saucy chain things and leather whips! Basically, not the kind of party we get invited to. Still, it was a joyous occasion to see your fave *Nuts* fitties – Holly, Rosie, Emma and India – showing us their naughty sides.

The BBC have foolishly been keeping this cracking comedy sketch show quiet, which is ridiculous as it's one of the best things the Beeb have done in ages as Harry Enfield and Paul Whitehouse, along with other special guests, take the mick! CONFESSION OF THE WEEK!

'I soaped myself up'

A FEW months ago, I found my brother's magazine stash. I was shocked, but then realised it was a great opportunity. I had a ritual when I was alone in the house: I'd lay out all the naughty pictures and jump in my parents' Jacuzzi, soap up my body and play with myself, glancing at the pictures and imagining I was in them. But one time, the worst thing happened: my mum walked in! She yelped, shut the door and left. When I finally went downstairs, she just smiled, apologised for walking in and said, "We've all been there!"

Sherry via email

'I helped with his zip'

I WORK in a clothes shop, and this cute guy from another store started

popping in and chatting me up during quiet shifts. One evening, he came in, picked up some jeans and asked me to direct him to the fitting rooms. Then he said he was having trouble with the zip. I didn't

resist when he pulled me towards him. We kissed passionately and he quickly unbuttoned my top, caressing my big double-D boobs, rubbing his fingers over my erect nipples. He then got down on his knees, hitched up my skirt and gave me the most amazing oral. It was the best shift I've ever worked!

Charlotte Lincoln

'Ride put the willies up me!'

LAST WEEK, me and my mates went to Fright Night at Thorpe Park. One mate brought along her fit friend from work and we flirted and held onto each other for most of the evening. On one ride, I was so scared, I was pretty much in his lap! He gave me a cheeky wink and squeezed my leg. As we got off, I grabbed his hand without a word and led him to a secluded spot. We slipped off the path and started kissing passionately. Leaning into his body, I could feel his manhood against my leg and couldn't wait to play with him. I dropped to my knees in the dark and took his throbbing manhood in my mouth. After a minute or two he exploded to the sound of our friends calling our names, wondering where we'd got to!

Lydia Bedford

'I went down on deck!'

DURING THE summer, I went on a barging holiday with friends. On one of the days, the barge was going through a mile-long dark tunnel and it was just my friend's boyfriend and myself on deck. We'd had a few drinks during the day, there was some flirting going on and I sensed that he really liked me. One thing led to another and before I knew it, he was kissing me passionately and rubbing my erect nipples. I could feel his manhood starting to bulge and I soon had him in my mouth. It didn't take long before I was tasting his man juices and desperately wanted more. We soon reappeared into the light where we quickly buttoned up, and our secret was left in the tunnel. Who knew a barge holiday could be so much fun?

10 RUDE QUESTIONS!

And a real girl to answer them!

Sophie

24 Essex

1 Where's the strangest place you've had sex?

"One Christmas, I did it in a train toilet while there were carol singers performing just outside. *Jingle Bells* has never sounded the same since!"

2 What's your trademark move in the bedroom?

"I'm good with my hands and I'm double-jointed, so mix those two together and you've got yourself one amazing signature move!"

3 What really turns you on?

"Kissing. A kiss that stops you from even getting to the bedroom is a real showstopper for me."

4 What's your favourite position?

"Doggy-style, missionary and then me on top. I think changing it about creates the best all-round sex position."

5 Is it better to give or to receive?

"Definitely to give! Knowing you're doing something right and the other person is enjoying it can be much more of a turn-on than receiving."

6 What one thing would you really like to try but haven't yet?

"Maybe a bit of bondage like in *Fifty Shades Of Grey*. Millions of people can't be wrong! I'd give the nipple clamps a miss, though."

7 Ever got it on with another girl?

"Yes, I have, a long time ago. I think every girl has had a kiss or a feel at some stage."

8 What's your role-playing costume of choice?

"People have different ideas of what turns them on, so I always ask the person I'm dressing up for. But you can't go wrong with sexy suspender belts, blindfolds and handcuffs. They're hot!"

9 Have you ever made a sex tape?

"No, but I wouldn't rule it out. Just so long as the tape was for my viewing pleasure only and didn't get into the wrong hands!"

10 What's the rudest thing you've done?

"I tend to go for a feel at the most inappropriate of times and once, things went a bit too far on a public tour coach in a foreign country!"

"Things went a bit too far on a coach tour once!"

Hi Carl! Your next fight's in Nottingham, your home town.

How pleasing is that?

I'm very pleased that it's in Nottingham. I only live ten minutes from the arena and I'll be surrounded by home comforts. I don't have to worry about dodgy hotel rooms with fire alarms going off. Plus the crowd will be cheering for me which is a big help.

What kind of fighter would you say Yusaf Mack is?

I ain't got a f**king clue! I haven't seen him fight and I don't know who he is but he's number four in the world at light-heavyweight so he's obviously a great fighter. This is his chance to become IBF world champion so he'll be putting in extra effort. He's not going to turn up and roll

over – he'll mean business. If I turn up and I'm not ready I could come unstuck.

A few fans have questioned why you're fighting him.

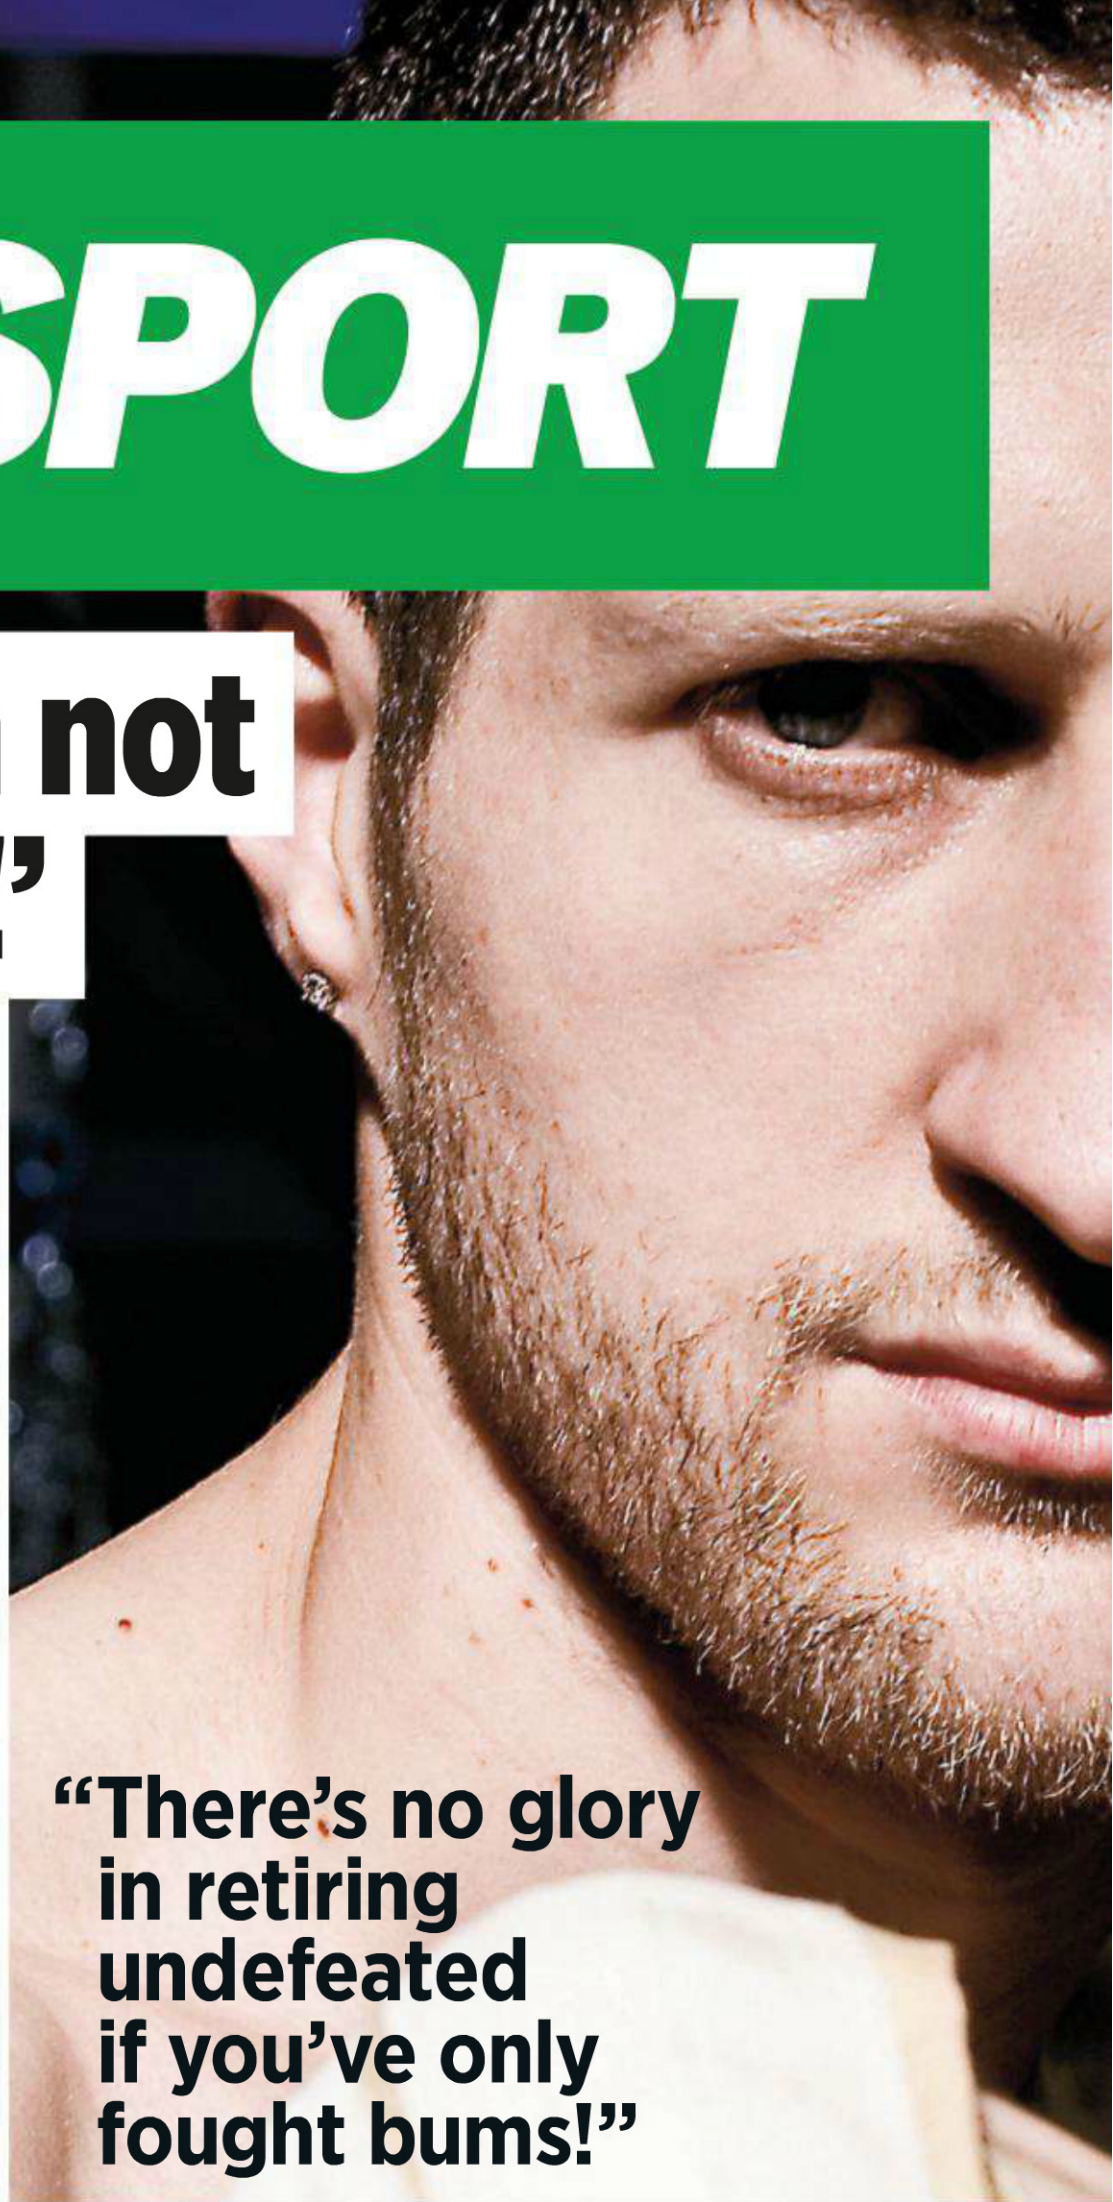

Mikkel Kessler didn't want it. Lucian Bute didn't want it straight after losing to me [Carl beat Bute in May to win the IBF super-middleweight title], so we've gone for a light-heavyweight who's number four in the world. If anyone says this is an easy fight, take up boxing, get yourself to number four in the world, and come and fight me. Then we'll see how easy it is. There's no such thing as an easy fight in boxing.

Are you disappointed you're not fighting Kessler now?

Yeah. I'd rather fight him now when I'm still young, but I can wait until next year. I think he wanted too much money, but if we can get that fight at the City Ground, we'll have enough to pay him!

What about Andre Ward – do you want to fight him again?

It's hard to talk about the loss to Ward without sounding bitter. People think I've got the hump with that loss but I haven't. I lost to him fair and square. But what he does is very boring. He gets the win, but he doesn't get the

“There's no glory in retiring undefeated if you've only fought bums!”

fans going. Boxing is about entertaining as well as winning. TV stations aren't interested in showing boring fights, and boring fighters don't put bums on seats.

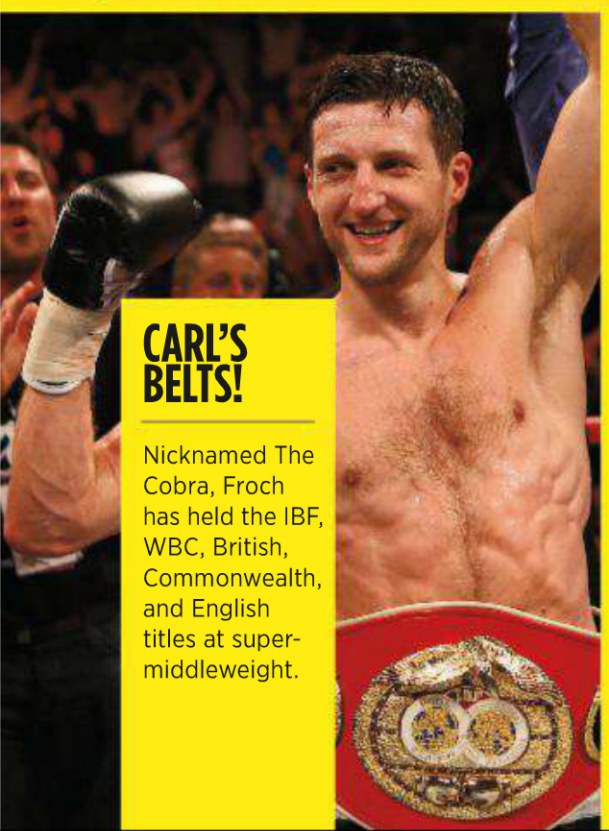

Was the win against Lucian Bute the best of your career?

When you take in the atmosphere and the crowd and everything it probably was the best night of my career. Was it my best performance? Probably not.

But he was undefeated so it was a very satisfying win. The bookies, the Yanks and the press all thought I was going to get beat, yet I won the fight and won it easily. And the fact I did that at home made it one of the best nights of my career.

You said after the fight that if you'd lost you'd have retired. Did you mean that?

Yeah. I don't talk for the sake of talking and I don't tell lies.

CARL'S BELTS!

Nicknamed The Cobra, Froch has held the IBF, WBC, British, Commonwealth, and English titles at super-middleweight.

IN ACTION!

Britain's top 5 fighters!

Nuts asked BBC Radio 5 Live and BoxNation's expert pundit Steve Bunce who he ranks as the current cream of the crop of British boxing!

1 CARL FROCH

"He has the best run of fights in British boxing history behind him. He's unique in modern boxing terms."

2 DAVID HAYE

"Forget all the rubbish people say: he won cruiserweight titles, then the world title. He's a great fighter."

3 RICKY BURNS

"He beat an undefeated KO-artist, Roman Martinez, to win his first world title when no one gave him a chance."

4 AMIR KHAN

"He's been in with some really big fighters and fought like a fool – he's far too naïve sometimes. Great fighter though."

5 NATHAN CLEVERLY

"We've still not seen the best of Nathan, which is exciting. He has plenty lined up next year to help him climb the list."

- Steve Bunce will be part of 5 Live's commentary team for Carl Froch vs Yusaf Mack title fight, live from 10pm, Saturday 17 November.

Where do you put yourself on the list of all-time greats?

It's not for me to say. All I can say is, I fought the best opponents I could. Yes I've lost, but so did Ali, Tyson, and Leonard, and they're all legends. There's no glory in retiring undefeated if you've only fought bums.

You're 35 now, but show no signs of slowing down.

Just For Men does that for me – keeps me looking

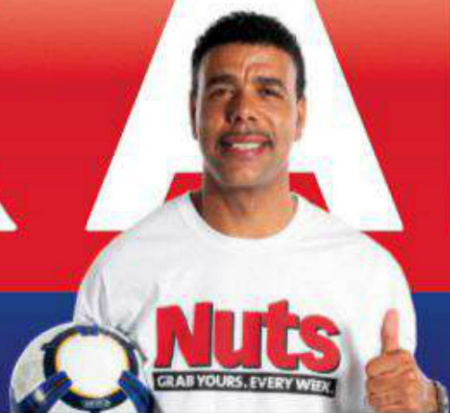

young! But if I can keep putting the effort in, I'll carry on. You're a long time retired.

If you could fight any boxer from any era, who would it be?

It'd have to be Joe Calzaghe. If he wants to come out of retirement and make a few million, he knows who to call!

- Carl Froch vs Yusaf Mack is live on Sky Sports 1/HD & Sky Sports 3D on Saturday 17 November at 8pm.

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"Sorry, please go ahead – you have it. You were here first"

'England's friendly is not pointless!'

It's the perfect opportunity to trial some fresh talent!

➔ **I KNOW** a lot of people are saying that the friendly game between Sweden and England is pointless – and if Roy just plays Gerrard and company, it may well be. But if he gives some fringe players a chance, it could be really useful.

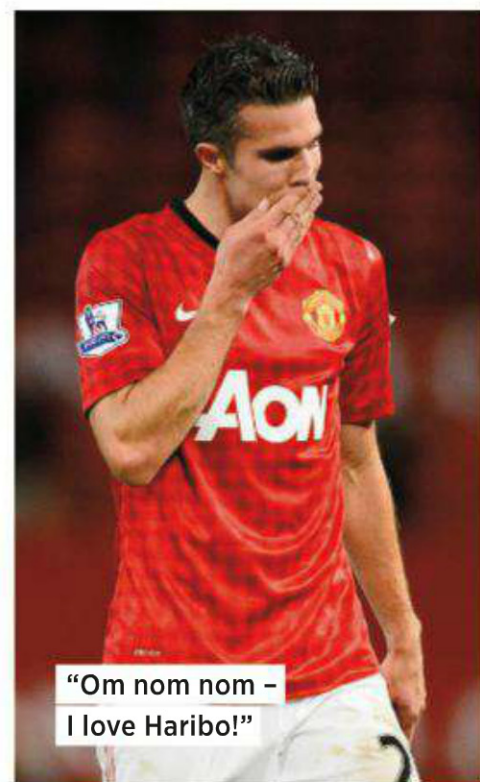

After all our lobbying on *Goals On Sunday*, Everton's Leon Osman has finally

been given a well-deserved call-up. Season after season, he's been brilliant – Moyes says that he's one of the first players on his team sheet, and I've always said that I can see why. He needs to be given a game, a chance to see what he can do.

I'd also like to see Celtic's Fraser Forster get a go in goal – he looked absolutely immense against Barcelona.

Also, there are so many players – Ashley Young at Man United, James Milner at Man City and Daniel Sturridge at Chelsea to name but three – who are important for England but aren't getting many games at club level. This will give them a run-out.

So it's not a game without merit, and I'll be watching with interest.

"Om nom nom – I love Haribo!"

'Come on lads – celebrate your goals!'

IN THE last few weeks we've seen both Gareth Bale and Robin van Persie making a point of not celebrating goals against their former clubs, and I think it's stupid.

It's ridiculous – these fans hate you one minute, then demand you show respect when you score. Ninety per cent of fans don't care anyway, it's the other ten per cent who moan and get upset – and it's them who hate you whatever you do anyway! So why bother?

As long as you don't do an Adebayor and run the length of the pitch, what's the problem?

- Send jokes, comments, pics etc to kammy@ipcmedia.com. The best one each week wins a signed *Nuts* T-shirt!

UNBELIEVABLY GOOD!

GO CELTIC!

I've been critical of the Scottish league, but Celtic were brilliant against Barcelona. I'm no Celtic fan, but I loved seeing a British team outfox a great Spanish side.

UNBELIEVABLY BAD!

FIX THIS MESS!

I can't believe it's taken the FA so long to sort out the Mark Clattenburg mess. I know Mark and I simply can't believe that he would racially abuse anybody.

THE BIG MATCH!

Ball-shaped boots:
the next big thing

'It's got to be Gordon!'

SCOTLAND SHOULD look no further than Gordon Strachan for the national job. Forget that he's my pal – I really do think he's the man for the job. He's got one blot on his CV – that's at Middlesbrough – but his record elsewhere stands up.

He was the best player that I ever played with, and he's a born leader. He's worn that shirt and is extremely passionate about it. Scotland need that, I think.

Make the call to Wee Gord!

"Throw a burger in my mouth. Now!"

Arsenal vs Tottenham

SATURDAY 17 NOVEMBER • Sky Sports 2/HD, 12.45pm

It's all about the managers in this one. Andre Villas-Boas undid a lot of good work by losing to Wigan, and Arsene Wenger is having to answer questions about his team's mettle. AVB will take a draw, but Arsene will want the win.

KAMMY'S PREDICTION: 2-2

Key man

Jack Wilshere will miss the preceding game because of his sending off against Man United, but he'll be hungry for this.

Stuart Broad: 'I'm *Fifa* king!'

Broady talks spin, downtime and the Ashes!

Hi Stuart! Why have you chosen to write an autobiography?

Surely you're too young!

Ha! It's not really an autobiography – it's an insight into what it's like to be a professional cricketer. It's supposed to appeal to people who play league cricket on a Saturday and want to know the tactics and mental techniques that I use, or even for a kid who just wants to fuel their enthusiasm for the game. When I was younger, cricket was my hobby, and I was fascinated to know what being a cricketer was like. Hence this book.

How much of cricket is down to mental strength?

It can be a tough game. My dad [former England batsman and umpire Chris] always said it's 90 per cent mental and ten per cent technical. I work closely with a sports psychologist to help get me into what I call "the warrior zone" – and to keep me there without

going over the top, which I've done in the past!

The first Test against India beckons. It's quite a tough place to play, isn't it?

Actually, it's amazing to go to a place where cricket is so passionately loved. My last Test tour there was just after the Mumbai bombings, and we were on lockdown with armed guards outside our rooms. This tour, I'm hoping we'll get out to see India, enjoy the culture, and play good cricket.

What do you do to keep spirits up on long tours?

Last year, we spent 280 nights in hotels. You spend more time with your team-mates than you do with your family, so it's important you get on. We go out for dinner together, we have *Fifa* tournaments. You have to make use of the downtime. In 12 weeks with the same guys you're going to have fall-outs, but that's part and parcel of being human.

Who's the current *Fifa* king?

During the T20 World Cup Luke Wright was the best, which I find amazing since he's married with a kid. I don't know where he's finding the time to get so good at it. He really went to town on me! On the Test tour though, I'd say I'm the best. Steven Finn and me are the only single guys, and we're also the best players. *Fifa* aptitude may be connected to being single!

In the T20 World Cup, the team struggled against spin. And now you're in India...

It's not a worry. There have been questions about how

It was the longest, loudest, craziest burp of all time

English players play spin as long as I've been alive! That's the challenge – being given the opportunity to combat that. We've had a month to get used to the wickets and conditions, and we've faced a lot of spin. The great thing about India is you get loads of guys who just want to bowl at you in the nets, so you can learn to bat for hours. Players will find ways to score runs. We have talent.

What have been the great moments of your career?

The two Ashes series victories were brilliant, obviously. Growing up watching England get constantly hammered by the Aussies wasn't easy. And the T20 World Cup victory was an amazing thing to be a part of, just because it was so

unexpected. Team victories are always the most satisfying. If you get 100 and a five-for and you still lose, it's no good.

It's the Ashes next summer, and the Aussies seem to be gearing up for a mini-revival. Worried?

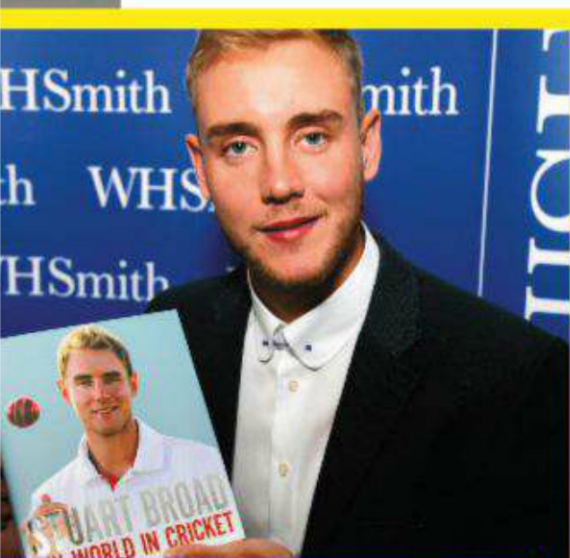

They have a fight about them that makes every game a battle. But you want to play teams who you need to play well against to win. That's what international cricket's about.

Who's the big joker in the pack?

It's hard to avoid Swanny! He's constantly looking for a joke, so he's useful to have around.

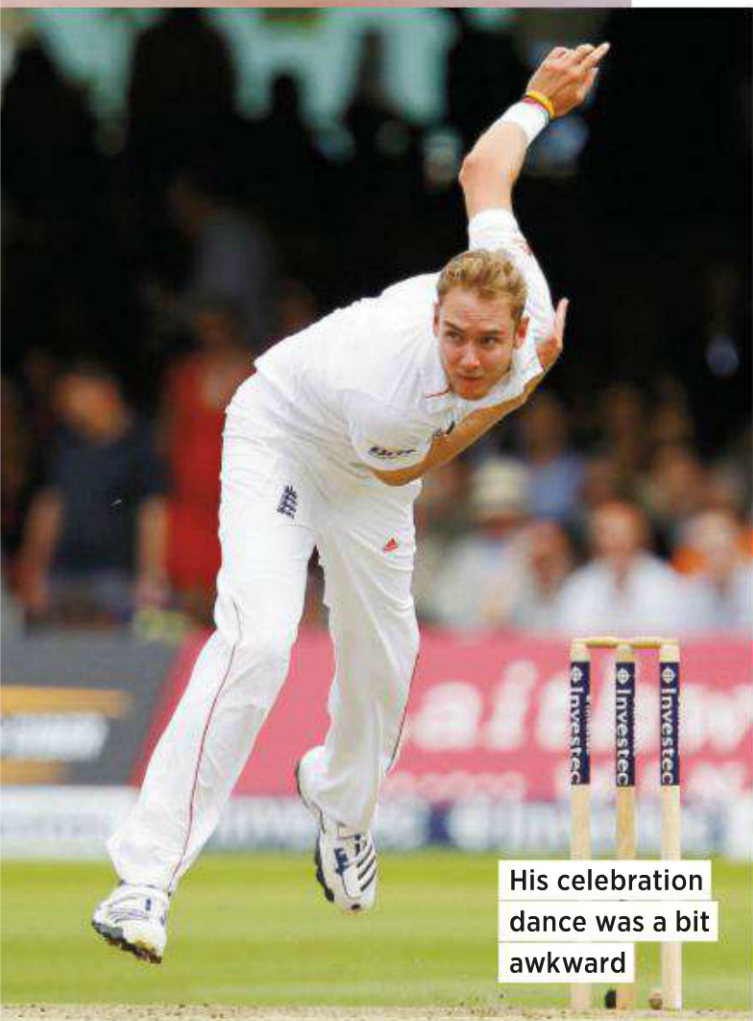

Will you give him some stick if your book sells more than his?

It's not really something that comes up. We're usually
