SAVED BY THE BELL
KRISTEN BELL
RE-ENTRY

You'd be forgiven for missing Kristen in *Veronica Mars*, but it is inexcusable if you did not notice her as the electrifying blonde in *Heroes*. But then, and this is where we really stood up and took notice, she stripped and shook the most beautiful behind this side of Babylon in the acclaimed series *House of Lies*.

SEXIEST MOMENT *House of Lies* season one, episode four.

99

K-SIZZLE
KIM KARDASHIAN
RE-ENTRY

She doesn't say the smartest things, has terrible taste in men, and her booty is a little on the large side, but it's hard to deny what an utter sex bomb Kim Kardashian is! Ever since her and her crazy sisters entered our living rooms, this Armenian-American hottie has been an *FHM* favourite!

SEXIEST MOMENT Seeing her naked for the first time in her much-viewed sex tape.

98

GOOD GIRL GONE BAD
RIHANNA
LAST YEAR: 65

If we're entirely honest, we have to admit that the gloriously-proportioned Barbadian songstress' tunes drive us half insane! She can carry on a bit, this one, and has one of the most upsetting and tedious love lives that man and tabloid press have ever conjured. The irritation however, is offset by the way she moves that mesmerising tush. She's also a naughty girl and lord knows, we like a naughty girl.

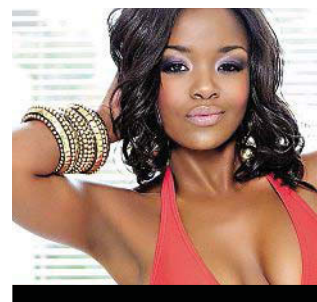

SEXIEST MOMENT Go Google the poster for her *Diamonds* world tour.

97

CRAZY HOT
NONHLE THEMA
RE-ENTRY

Known as much these days for her gloriously insensitive social media meltdowns as her mind-bendingly vivacious sexiness! Nonhle doesn't mind telling the world how rich she is, nor is she scared to tell any haters where to get off. To us, that just adds to her appeal. We like a fiery woman.

SEXIEST MOMENT In May 2010 we got Nonhle into a peach-coloured, one-piece cozzie. We made magic that day!

96

OUR HERO
HAYDEN PANETTIERE
RE-ENTRY

While there can be no doubt that Hayden is one of the planet's finest female specimens, actually complimenting her on her splendour is tricky. The issue here is that her on again/off again boyfriend is Wladimir Klitschko, and they're currently on. Suffice it to say, we're terrified that he'll punch our heads clean off our bodies. So we'll just stick to saying she's very, very pretty...

SEXIEST MOMENT She always seems to be on the beach wearing a bikini, which is excellent, because she rocks it.

95

HOLY MOLY!

ANA CUNYA

NEW ENTRY

We know we go on a lot about the women who grace this here magazine, but we could wax lyrical about Ana for days. She represents everything we love about Brazilian babes: chestnut skin, perfect curves and that feisty Latina personality. She spends a large amount of time in SA each year, so keep an eye out for her on those sandy beaches. If you see her, tell her we miss her.

SEXIEST MOMENT

When she told us about girls wearing G-strings on Brazilian beaches all day, our resolve to attend the 2014 FIFA World Cup was solidified!

94

LOVELY LUNATIC LINDSAY LOHAN

RE-ENTRY

The well-known train wreck is permanently in and out of the tabloids, getting thrown in the back of the paddywagon a phenomenal nine times in 10 months. While most fans lament Lindsay's *Freaky Friday* days, we really do enjoy the fiery bi-sexual freckled fiasco that she's become! We're confident she'll pull a Charlie Sheen and get back to her winning ways shortly.

SEXIEST MOMENT YouTube a short art film by Richard Phillips called *Lindsay Lohan*. Don't let the art bit put you off. There's water, flesh and a lot of pouting.

91

A BIT OF POSH EMILY BLUNT

LAST YEAR: 89

The Golden Globe award-nominated English rose has a rather special blend of hotness factors: she's classically beautiful, hugely talented, damn funny, and she's got that posh, preppy British vibe that makes us believe all she really wants is to be spanked!

SEXIEST MOMENT As the bitchy, red-haired assistant in *The Devil Wears Prada*.

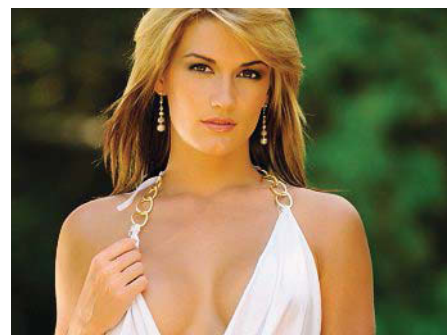

90

LOCAL FITNESS NIKKI DU PLESSIS

NEW ENTRY

Nikki might be fresh on the modelling scene, but that doesn't mean that great things aren't coming her way. She's the ultra-hot girl-next-door you hope to catch a glimpse of through the bedroom window.

SEXIEST MOMENT The Facebook pic of her holding a massive sword. No, the one of her holding a hunting rifle.

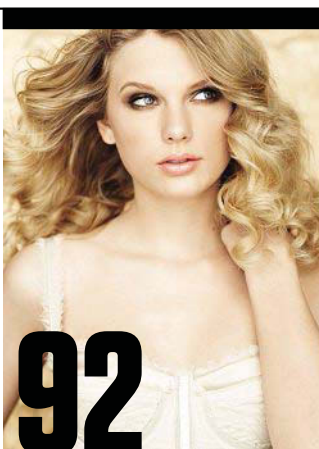

93

WELL, STONE US! EMMA STONE

LAST YEAR: 51

Our whole life is a lie! We only recently discovered that our favourite redhead is actually blonde. But after seeing her in all her natural glory as Mary Jane in *The Amazing Spiderman*, we decided to instantly forgive her. The home-schooled temptress describes herself as a loud, ballsy, hammy nutter. She did after all manage to persuade her "normal" parents to let her move to Los Angeles when she was 15 through the use of a PowerPoint presentation. Well played, Miss Stone.

SEXIEST MOMENT Restoring our faith in mankind by making us believe that a guy like Jonah Hill could get a girl like Emma.

92 SOUTHERN BELLE TAYLOR SWIFT

LAST YEAR: 80

Clearly we're not alone in our admiration of the golden-locked country queen! Cool cats the likes of John Mayer, Jake Gyllenhaal and political heir, Conor Kennedy, have all been romantically linked to her. Happily though, she doesn't keep her suitors around for too long, and if the spoof of her massive hit is anything to go by, she can never, ever, ever keep her legs together...

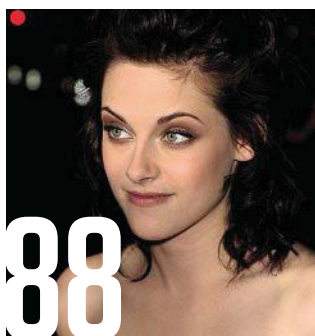

SEXIEST MOMENT Dumping that boy from One Direction, Harry Styles.

89

LITTLE MISS MOCKE
ADELINE MOCKE
LAST YEAR: 62

They say that dynamite comes in small packages. Piping hot Adeline literally blew us and the roof away when she became an *Idols South Africa* finalist. We'd always known this firecracker was the real deal, having discovered her three years before *Idols* did! Shortly afterwards, she graced this exclusive cover for the first time. We remember it well. It's not every day you get to see your co-workers cry. **SEXIEST MOMENT** Watching the rest of the land discover *FHM*'s favourite local girl.

88

BITE US!
KRISTEN STEWART
LAST YEAR: 58

Right around the time she appeared on this list last year, the news broke that naughty Ms Stewart had been fooling around behind Brit brat Robert Pattinson's back with married *Snow White* and the *Huntsman* director, Rupert Sanders. We knew there was a bad girl (becoming a vampire doesn't count) lurking beneath that porcelain skin. **SEXIEST MOMENT** Cheating on R-Patt with an older, cooler, more talented man.

87

PRIME EXPORT
BEHATI PRINSLOO
NEW ENTRY

With her tiny frame and piercing eyes, Namibian-born Behati is southern Africa's very own Twiggy! The 24-year-old Victoria's Secret Angel has graced the covers of iconic publications like *Elle*, *Muse* and *Vogue*, and you might have seen her in a cameo role on *Hawaii Five-O*. **SEXIEST MOMENT** Sashaying down the Victoria's Secret runway wearing tiny undies and a pair of wings, obviously.

86

FANCY CLANCEY?
ABBEY CLANCEY
NEW ENTRY

When asked what he would be if he wasn't a footballer, Peter Crouch famously replied: "a virgin." Abbey is his wife. Most of us have got two left feet, but hell's teeth Pete, we'll be at training on Monday night. **SEXIEST MOMENT** She was so hot in *Britain's Next Top Model* that we tripped!

85

REBEL CHILD
ALYSSA REBELO
LAST YEAR: 74

The renowned party girl has been involved in all kinds of things we at *FHM* love: from being an EFC ring girl to a World Superbike podium girl to a Sun City Million Dollar Poker presenter. Her body deserves a special mention. **SEXIEST MOMENT** When she won Miss World Bikini SA back in 2009, hot damn!

84

PURE CHARISMA
CARISHMA BASDAY
LAST YEAR: 19

She might have shot to local fame in last year's hit SA movie, *Material*, but we knew from the very moment we met the lovely Carishma, that she was set for super stardom. A hot little bundle of energy, this KZN native is a talented actress, dancer and model, and even had a stint as a newspaper and TV journalist as an exchange student. Beauty and brains, then. **SEXIEST MOMENT** Her bum in a pair of hot pants. Sheesh.

83

MISS COLUMBIANA!
SOFIA VERGARA
RE-ENTRY

As feisty Gloria Pritchett in primetime comedy *Modern Family*, Sofia regularly turns her husband's daughter's husband into a pile of stuttering goo. If we had a step-mom-in-law like that, we'd also get pretty close to the that's-just-not-right line. **SEXIEST MOMENT** She's playing badass Madame Desdemona in Robert Rodriguez's upcoming *Machete Kills*.

82

BA-DA-BING!

BRITTANY BINGER

NEW ENTRY

Child model Brittany decided at the age of 18 that she wanted to become a kindergarten teacher and settle down in her tiny hometown of Bellevue, Ohio. Then in a spectacular turn-around, Brit traded the bible belt for the city of angels, taking L.A. completely by storm with her belting bod and sizzling looks. It's a good thing too — the population of Bellevue would have doubled overnight just so the men could have had an excuse to drop their kids off at playschool in the morning.

SEXIEST MOMENT Deciding to become a Playmate instead of making corn. Good girl.

81

OH-LIVIA!

OLIVIA MUNN

LAST YEAR: 82

There are few things hotter to a geek than a girl whose favourite hobbies are playing TV games and reading comic books. Olivia Munn is one of those girls. Fortunately the nerdy actress is probably an even bigger geek than you are (check out her first novel, *Suck It, Wonder Woman*). For those outdoorsy types, she also happens to be an incredible surfer. While we'd prefer playing with her in a wet bikini, we could definitely go for a game of *Wii Wrestling* on the couch.

SEXIEST MOMENT Many fantasies took flight when she dressed up as a Japanese schoolgirl for G4's tech series *Attack of the Show!*

80

DOUBLE K! KELLY KHUMALO

RE-ENTRY

Anybody who's familiar with the local music scene will know all about this lovely lass. After releasing four albums to varying degrees of success, her fifth album, *The Past, The Present, The Future* is an complete knockout. Having just won the Best Female Artist award at the SAMAs, Kelly is as talented as she is vivacious.

SEXIEST MOMENT Letting fans get all close and personal in her reality show *Rolling With Kelly Khumalo* on eTV.

79

YOWZER! CAMIERA WOODS

NEW ENTRY

Well, well, well, what can we say about Camiera? "Wow!" comes to mind. That buttery, sun-soaked skin (it's tattooed, too) makes us even hotter under the collar! The Durbanite now lives in Jozi and claims to love the fast-paced lifestyle. Hardly surprising – Durbs just isn't edgy enough for this gal!

SEXIEST MOMENT A little-known fact about Camiera is that she's a talented off-road motorbike rider – we can't help but imagine her straddling a Kawasaki.

78

GORGEOUS GABBY GABRIELLA DEMETRIADES

LAST YEAR: 21

No stranger to these here pages, Gabs became a Miss IPL Bollywood contestant when she was spotted in the crowd during a Deccan Chargers game in 2009, and she's never looked back! **SEXIEST MOMENT** Go Google the live shoot *FHM* did with her back in 2010. We dare you not to wear out the refresh button.

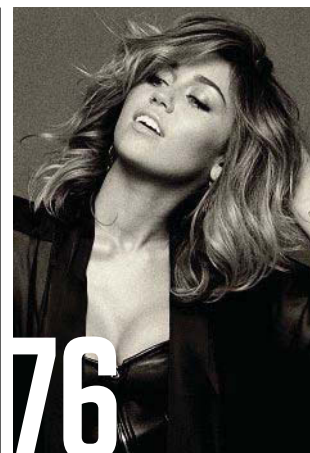

SAUCY SEXPERT LUCY COLLETT

NEW ENTRY

She's a pro on all things dirty, and every month she's tasked with answering your most urgent sex questions! *FHM*'s very own sex columnist is also a glamour model and, we feel, the perfect ambassador for sex. She's got boobs of glory, a very spank-able ass, and a fiery mane of red hair we'd like to have her tickle us with. **SEXIEST MOMENT** Being naked on a bike in our studio. And her Instagram account.

77

76

DADDY'S GIRL MILEY CYRUS

RE-ENTRY

There's nothing hotter than a good girl gone bad which is why we will forever be grateful to Walt Disney for babes like Miley Cyrus. We didn't rate her in *Hannah Montana*, and we're still not fans of her acting or music, but it's impossible to dislike her little body, angel face, tattooed boobies and those naughty selfies! **SEXIEST MOMENT** Her artistic Annie Leibovitz shoot. The shots of her without her dad. In a white sheet.

75

MADE IN SA JAENETTE JACOBS

RE-ENTRY

Hailing from Pretoria, Jeanette is magically both serious model and down-to-earth boere-meisie! Think: Jaenette around the braai in a pair of skin-tight jeans and a tiara, drinking a klippies and Coke. This former Miss Gauteng has the drive and attitude to get her name in lights, and we're mighty pleased to have her back on these pages again. **SEXIEST MOMENT** That braai fantasy. We'll hold onto that, thank you.

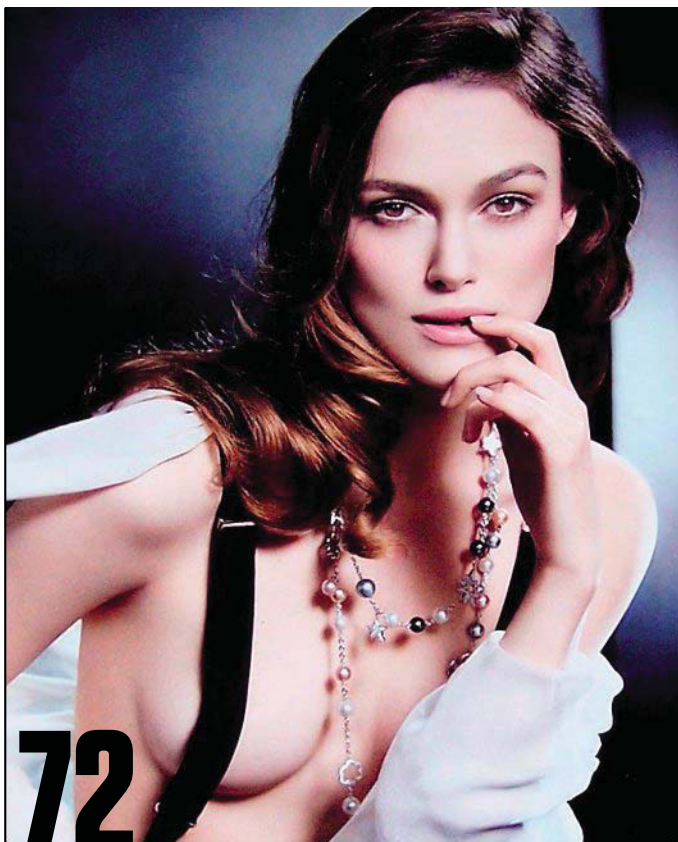

74

**SSSHHHH...
TAYLA DAVIS**
LAST YEAR: 66

If Tayla's face could launch a thousand ships, her breasts could sink them. This modern day incarnation of Helen of Troy totally blew us away with her beauty and local charm. She's one of SA's best-kept secrets, but somehow we feel it won't be long until she brings the rest of the world to a standstill too.

SEXIEST MOMENT It happened in our imagination and it involved a nurse's outfit.

72

**GREAT BRITON
KEIRA KNIGHTLEY**
LAST YEAR: 47

Skinny posh British babes are not everyone's taste, but if you have ever fantasised about being spanked by a governess, you will understand the appeal of Ms Knightley. She makes movies like *Pride and Prejudice* and *Anna Karenina* entirely watchable. Happily, she's prepared to get her itty bitties out on screen (because she says her boobies are so small), as witnessed in *Edge of Love* and *A Dangerous Method*. **SEXIEST MOMENT** Check out her poster for *King Arthur*, where they digitally enhanced her assets in a kinky, bondage kind of way.

71

**HIGH SCHOOL
SWEETHEART
ASHLEY TISDALE**
NEW ENTRY

While she may not have initially garnered as much attention as fellow *High School Musical* star, Vanessa Hudgens, Miss Tisdale is winning popularity contests with men the world over. Perhaps it's got something to do with the fact that she's started to embrace the side boob. Bravo Ash, we're big fans of the side boob.

SEXIEST MOMENT She has a rather raunchy lesbian scene in *Scary Movie 5*. Go straight to YouTube – it really is scary how bad the rest of it is.

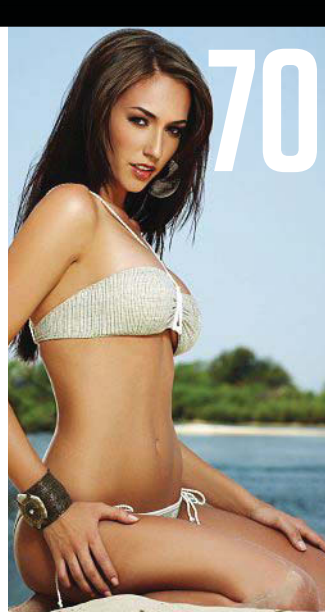

73

**HUNGER FOR JEN
JENNIFER LAWRENCE**
NEW ENTRY

Having first noticed how smokingly hot Jen was in *The Hunger Games*, we fell completely and utterly in love with her in *Silver Linings Playbook*. So did the rest of the world, it seems. As if becoming a super-mega star overnight isn't enough, she has the cheek to have one of the most down-to-earth personalities Hollywood's ever seen.

SEXIEST MOMENT Her with a bow and arrow, her as a blue shape shifter, her as a sex addict, her accepting an Oscar, we just don't know!

70

**LOCAL IS LEKKER!
CHARLOTTE DE KOCK**
LAST YEAR: 57

We love finding hidden gems, and when Charlotte debuted in the 2012 *FHM* calendar, we had an inkling we were onto something special. Man, were we right! Shortly after, she rocketed onto this list, and not surprisingly she's still here. You see, we men don't like to get over a good thing, and this local sweetheart, well, she's one of the best. **SEXIEST MOMENT** Having her loveliness plastered across our office walls for an entire month last year.

GALLO/GETTY, PLANET PHOTOS, GREATSTOCK/PLASH NEWS, ELITE PHOTO AGENCY, GREATSTOCK/AUGUST IMAGES, GREATSTOCK/CORBIS HARLEM PRODUCTIONS, PIC DESK, APIX SYNDICATION, LICKERISH LTD, CELEBRITY PICTURES

69

PRETTY AS A FLOWER

ROSIE HUNTINGTON- WHITELEY

LAST YEAR: 46

Best known as a Victoria's Secret and Burberry model, this leggy and luscious-lipped British beauty is the stuff that regal fantasies are made of! She's graced countless magazine covers, and most notably, our brothers in the UK voted her the *FHM* Sexiest Woman in the World in 2011.

SEXIEST MOMENT Two hours of her long legs and beautiful face in *Transformers: Dark of the Moon*.

A full-page photograph of Lucy Mecklenburgh. She has long, dark, wavy hair and is looking directly at the camera with a slight, enigmatic smile. She is wearing a strapless, light-colored dress with a delicate lace or beaded pattern. Her hands are resting on a white, curved railing, possibly part of a staircase or a decorative structure. The background is bright and out of focus, suggesting an indoor setting with large windows or a bright light source. The overall tone is soft and elegant.

68

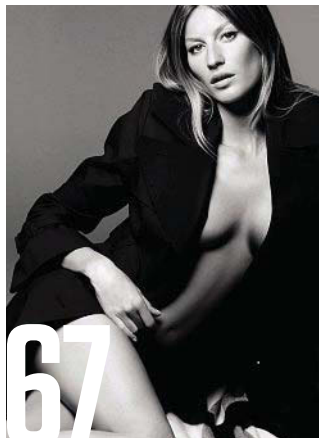

ESSEX-Y!

LUCY MECKLENBURGH

NEW ENTRY

At *FHM* we have a serious mistrust of reality shows. Due to their inexplicable catnip-like effect upon the fairer sex, we've had our sports-viewing parade pissed upon by them one too many times. But every cloud has a silver lining and in *The Only Way Is Essex*, that lining would be the luscious Lucy Mecklenburgh.

SEXIEST MOMENT We haven't watched enough of *The Only Way Is Essex*, but we're told she has plenty of memorable moments! And that accent's cute, innit?

67 LEGENDS LIKE HER GISELE BÜNDCHEN LAST YEAR: 70

We ran out of superlatives for this Brazilian supermodel long ago, so we'll just hit you with the facts: she's earned over \$250 million basically just for being born. Her face has graced over 7 000 magazine covers. She has a twin sister — not identical, otherwise the planet would have exploded. And she only reveals her bum to "special people." We can be those people Gisele, we really can. **SEXIEST MOMENT** It's impossible to choose, so we'll go with her seven-year stretch as a Victoria's Secret Angel.

66 WE HEART BRAZIL ARIELLE REITSMA RE-ENTRY

We have this theory about all things Brazilian: girls, waxes, and football — they're just better. Arielle Reitsma is no exception. With curves that could derail a train, this buxom belter is popping up everywhere. Whether enticing Barney Stinson in *How I Met Your Mother* or rocking out in Flo Rider and David Guetta music videos, you're sure to have noticed the up-and-coming babe. We certainly did.

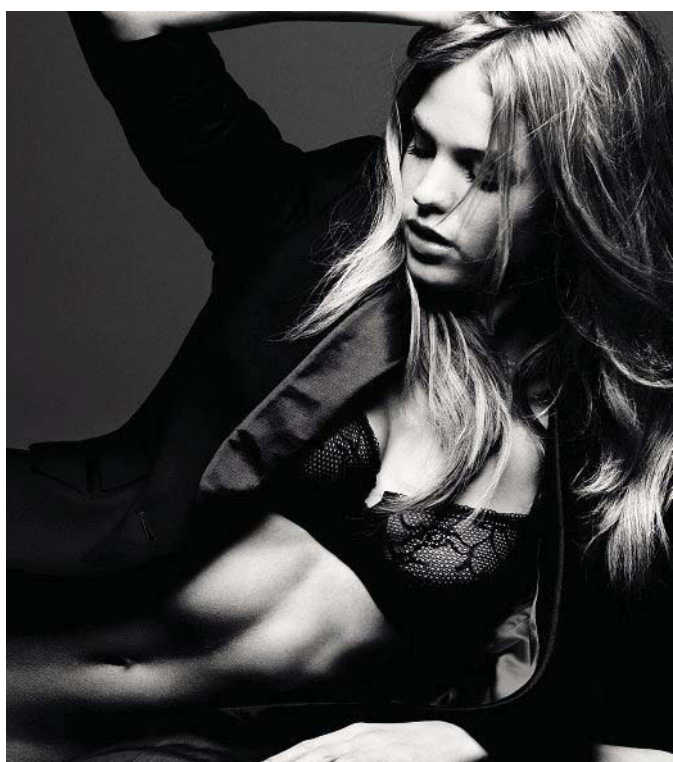

SEXIEST MOMENT We got thirty seconds into Flo Rider's *Hey Jasmin* music video before realising the sound wasn't even on. You can skip the music completely, in fact.

64 CHANTE THE CHEERLEADER! CHANTE O'REILLY NEW ENTRY

One of man's cardinal fantasies is a naked woman wearing nothing but your favourite sport team's jersey. That's why when young Chante entered our online cheerleaders competition (check it out at fhm.co.za), we nearly died of happiness. Completely new to the modelling world, your cheerleader of choice blew into the *FHM* 100 Sexiest Women in the World faster than Bryan Habana down a touchline.

SEXIEST MOMENT Giving us full-time ogling by going into part-time modelling.

65 GIVE THE GIRL A HALO ERIN HEATHERTON NEW ENTRY

This Victoria's Secret model may be the closest thing to an actual angel that most of us here at *FHM* will ever get to see. Erin is so scandalously hot, she could burn water. The American beauty was discovered while vacationing on South Beach, Miami, and is one of five Victoria's Secret models to have dated Leo DiCaprio. We've heard that he picks up a catalogue, makes a phone call and bam, girlfriend. We're definitely in the wrong profession. **SEXIEST MOMENT** Every little thing she does.

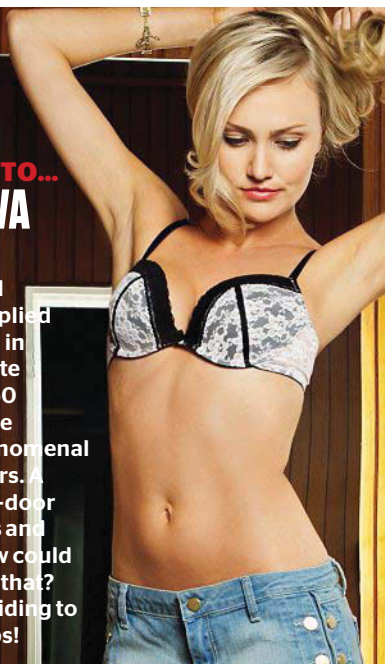

63 NAUGHTY, NAUGHTY LEIGHTON MEESTER NEW ENTRY

Gossip Girl's bad girl heralds from a dubious past: born while her mother was in jail (her aunt was also the first woman to crack the FBI's most-wanted list) this rags-to-riches vixen is one helluva hot handful. **SEXIEST MOMENT** When she said: "I think guys who are rebels are appealing. I don't want to tame anyone. I want them to be bad."

62

AND SILVER GOES TO... SIMONE DA SILVA NEW ENTRY

We discovered this local bombshell when she applied to be our *FHM* Girlfriend in October last year. Despite running alongside our 50 Hottest Babes of All Time feature, she's had a phenomenal effect on you, our readers. A quintessential girl-next-door who loves beer, burgers and playing TV games — how could anyone forget a girl like that? **SEXIEST MOMENT** Deciding to send us those sexy snaps!

60

SLUMMING IT FREIDA PINTO LAST YEAR: 86

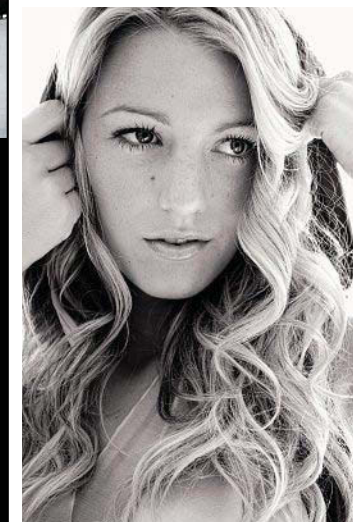

Any list of the world's hottest women worth its salt features this Indian goddess, and it's not without good reason that you've voted for her again this year. This model-turned-actress is claiming her place on the Hollywood A-list and is set to star alongside Christian Bale in the upcoming movie, *Knight of Cups*. It's about excess, something Frieda has in all the right ways. **SEXIEST MOMENT** We still remember the moment we saw her for the first time in *Slumdog Millionaire*.

61

MAMA MIA! SONIA VERA NEW ENTRY

There's something about a woman in her sexual prime that brings out the cub in us, and Ms Vera, while hardly a cougar, has that effect! The Venezuela-born model and actress is more than just a pretty face and a beautiful body — she's also a savvy businesswoman who owns her own swimwear line (which she likes to proudly parade herself around in). **SEXIEST MOMENT** Besides being in the 2013 *FHM* Calendar, she also had a very sexy stint as one of the briefcase babes in *Deal or No Deal*.

58

LOVELY LIVELY BLAKE LIVELY Last year: 9

We're not sure what it is about Blake that has us so lively. The dimples, that little freckle, her perfect breasts? Maybe it's the fact that she's stopped gossiping! **SEXIEST MOMENT** The opening sex scene of Oliver Stone's *Savages*.

59

ALL GROWN UP EMMA WATSON LAST YEAR: 32

When exactly Emma Watson grew up we're not sure, all we know is that this spell-binding English vixen is looking hotter than ever. Set to become the next quintessential British actress, Emma is the type of girl we'd like to take home to show off to mum, then marry and produce beautiful children with forever, the end. **SEXIEST MOMENT** There's a very steamy scene of Emma pole dancing in her new flick, *The Bling Ring*.

57

DANGEROUSLY HOT!

MARTINA ZEMANOVA

NEW ENTRY

Despite our best efforts, we don't know nearly as much about Martina Zemanova as we would like (there's definitely something to be said for elusiveness). What we do know is that this Eastern European babe could have ended the Cold War with a single look. In fact we'd be willing to learn Czech just to meet her.

SEXIEST MOMENT She did a topless shoot for our lucky bastard colleagues in the Czech Republic. Go online and find that issue of *FHM* now!

56

GIVE US AN "A"!

ANARA ATANES

NEW ENTRY

It's almost criminal how hot Anara Atanes is, which is why she is one of the most in-demand undie models around. The English belter is currently trying her hand at acting, which means more screen time for us. If that's a flop, the Kardashians could always adopt the lookalike as a younger (hotter) sister. Heck, we might even watch then.

SEXIEST MOMENT When she confessed to us that she's a massive Arsenal fan. Although it would be near-impossible to focus on the game with her in nothing but a football jersey.

55

HAPPY ENDING VANESSA HUDGENS RE-ENTRY

This former Disney princess proves that fairytales do come true, well, for us at least. We've never been able to make it through five straight minutes of a *High School Musical* flick, but her latest offering, *Spring Breakers* features a fully-blossomed Vanessa getting up to all kinds of saucy shenanigans. Picture an incredibly wet Vanessa having sex, then throw in Ashley Benson... and a pool. **SEXIEST MOMENT** The *Spring Breakers* threesome scene, definitely.

54

GOLDEN GIRL TRACY MCGREGOR LAST YEAR: 14

It's easier to imagine Snooki making this list than a McGregor sister not making it! They are after all still the only sisters ever to have independently won the *FHM* 100 Sexiest Woman in the World top spot! We've been so vocal about this lass, we reckon even the Pope knows who she is by now. Congrats on making it yet again Trace, we love you. **SEXIEST MOMENT** Deciding to follow in her big sister's smoking footsteps.

52

AFRICAN QUEEN HLUBI MBOYA RE-ENTRY

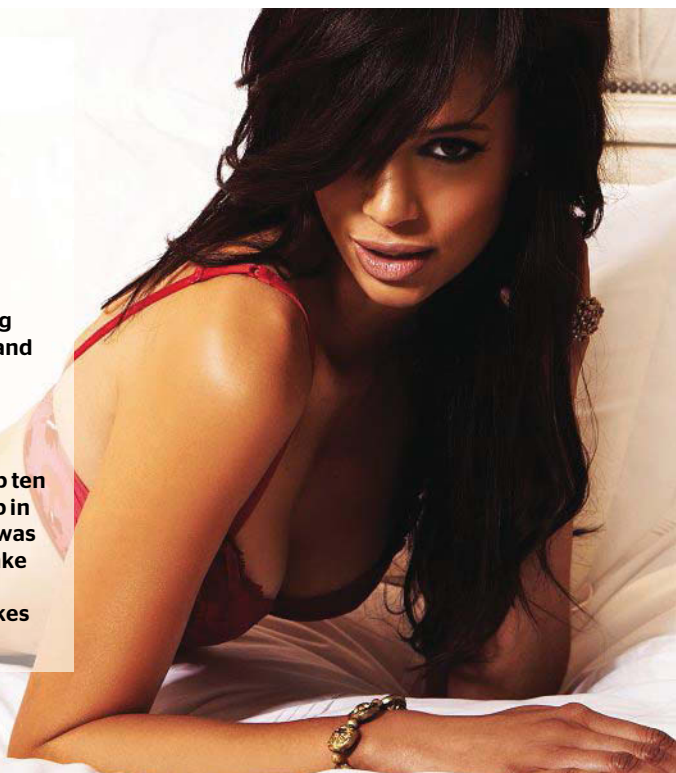

The *Isidingo* star is our very own all-African beauty and it's no surprise that our readers just can't get enough of her. The bubbly babe has made six appearances on the *FHM* 100 Sexiest Women in the World list. When she's not captivating her audience with her on-screen sexiness, she's travelling the continent as a national hunger and AIDS ambassador. That, gents, is a truly amazing, beautiful woman. **SEXIEST MOMENT** The topless *FHM* shoot she did back in 2008 will forever be with us. Forever ever. Amen.

53

UNIVERSALLY HOT TATUM KESHWAR LAST YEAR: 88

It's not only Tatum's six feet of gleaming gorgeousness that makes us all warm and fuzzy inside. This Durban girl makes us particularly happy because she's yet another local lovely to have caught the world's attention! As Miss South Africa 2008, Tatum went on to finish in the top ten of Miss Universe 2009, was a runner-up in Miss World 2009 and in the same year was crowned Miss World Africa. Yep, we make 'em pretty in this part of the world. **SEXIEST MOMENT** Every stride she takes with those gleaming, long legs.

51

NEW TALENT
CARLEEN LARONN
NEW ENTRY

Meet Carleen Laronn! This little hottie is tearing up catwalks with her cute frame and drop dead gorgeous face! The Long Island New York native is one of Elite Model Management's up-and-coming stars — we love her because she's like a young Adriana Lima and our high school sweetheart all rolled into one woman.
SEXIEST MOMENT Her July shot for the 2013 *FHM* Calendar. Hot.

50

BAD GIRL
ASHLEY GREENE
LAST YEAR: 34

If this stunner caught our eye in *Twilight*, she got our complete and undivided jaw-dropping, crotch-rocketing attention in the movie *Butter*. Forget *Cruel Intentions*, forget *Wild Things*, nothing will ever again come close to the sight of Olivia Wilde orally sending Alice Cullen into nirvana.
SEXIEST MOMENT Making Olivia and us completely wild!

48

FOREVER AN ANGEL
ADRIANA LIMA
LAST YEAR: 8

It's utterly impossible for this Brazilian goddess not to feature on an *FHM* 100 Sexiest Women in the World list! Her hotness is timeless, and the fact that she's been a Victoria's Secret Angel since 2000 is testament to that. Her beautiful Brazilian booty and juicy pout are among the many excellent reasons she's one of the world's most successful supermodels.
SEXIEST MOMENT Her 2008 Superbowl ad for Victoria's Secret, watched by 103.7 million happy viewers. She didn't have to say a word, that's how impactful she is.

49

SH...SH... SHASHI!
SHASHI NAIDOO
LAST YEAR: 26

The *FHM* 100 Sexiest Women in the World winner in 2011 is a smoking hot model, owns her own modeling agency, has won a reality TV show, is an actress and a trained chiropractor! Just imagine a stay-in date with her. Start by going for a very expensive dinner which she pays for, hit a strip bar where she can show some of her acting skills by pretending to be a pole dancer, head home and ask her to model some of her new lingerie for you... skip forward about 15 minutes and you're lying on your tummy while she re-aligns your spine!
SEXIEST MOMENT Her sexy shoots for this fine magazine. If you missed them, catch them on fhm.co.za.

A close-up portrait of Beth Humphreys. She is wearing a pink t-shirt with a graphic print that includes the words 'WETTER the BETTER'. She has long dark hair and is looking off to the side with a slight smile. Her hand is resting on her head.

47

BEGINNER'S LUCK

BETH HUMPHREYS

NEW ENTRY

When you find a woman who can match you drink for drink, hates Justin Bieber, has the face of a fallen angel and breasts that look like *that* in a shirt, well, that's a dream come true, isn't it? Gents, welcome dream girl, Beth Humphreys, to the *FHM* 100 Sexiest Women in World list! She'll be back!

SEXIEST MOMENT Popping that grape into her luscious mouth.

WETTER
the
BETTER

46

DREAM ASSISTANT

KATRINA BOWDEN

NEW ENTRY

If you've never watched *30 Rock* we'd tell you to stop what you are doing immediately and go out and get the entire series (once you're finished reading this, obviously). There are seven whole seasons of this bewitching beauty playing the world's perfect secretary. It's like Picasso brought your imagination to life and turned it into a TV show, directed by Hugh Hefner.

SEXIEST MOMENT The outfit she was wearing the first time we saw her in *30 Rock* could have killed a nun.

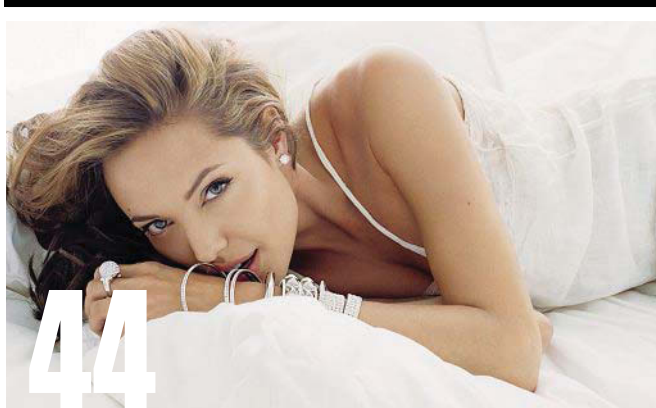

45

EMPRESS OF NEW YORK BEYONCÉ KNOWLES

LAST YEAR: 84

She might have had flavour since Destiny's Child days, but since she hooked up with rap-mogul Jay Z, Beyoncé can do no wrong. *Time* magazine included her on their 2013 Most Influential 100 People in the World list, and for good reason. She's both a sex symbol and a cultural icon, pushing the boundaries of her music while insisting on pushing her lush booty in our faces in a slew of steaming hot videos. Not that we mind.

SEXIEST MOMENT That *All The Single Ladies* leotard...

44

BADASS BABE ANGELINA JOLIE

RE-ENTRY

Angelina was kicking ass for years before she shackled up with Brad Pitt and went all glam. We like to think of her covered in grease in *Gone In 60 Seconds*. Or wrapped in PVC as a girl hacker in *Hackers*. Or doing that mad sex scene with Ethan Hawke in *Taking Lives*. In fact, we only think of Angie in that sex scene. All day. She also had sex with Billy Bob Thornton, and what's good enough for Bobby is more than good enough for us.

SEXIEST MOMENT The "having sex while boosting cars" line from *Gone In 60 Seconds*.

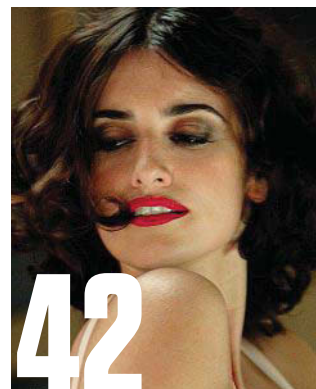

43

GLAMOUR GAL LEE-ANN ROBERTS

RE-ENTRY

From Durbs by the sea to international stardom! Lee-Ann has both the sensual splendour and the hard-working attitude to fight her way to the top of the modelling Olympus. She owes that blazing body to her early passion for swimming – now that we know that, all we want to do is get into a pool with her. Maybe a hot tub.

SEXIEST MOMENT We can't decide if it's Lee-Ann in a cowboy hat, Lee-Ann in a bikini or Lee-Ann in lingerie. Decide for yourself.

42

STILL CRUISING PENÉLOPE CRUZ

RE-ENTRY

Little known fact: At the age of 18, Penélope made her film debut in the Spanish movie *Jamón, Jamón* (translation: Ham, Ham.) Yes, it was about ham and involved some very graphic sex scenes in a butchery. Obviously, you need to check it out. Shortly afterwards, she made the great life decision to move to Hollywood. She has now exchanged having sex with ham to having sex with Scarlett Johansson.

SEXIEST MOMENT *Vicky Cristina Barcelona*. We've watched some scenes from that flick more times than Tara Reid's gone wild.

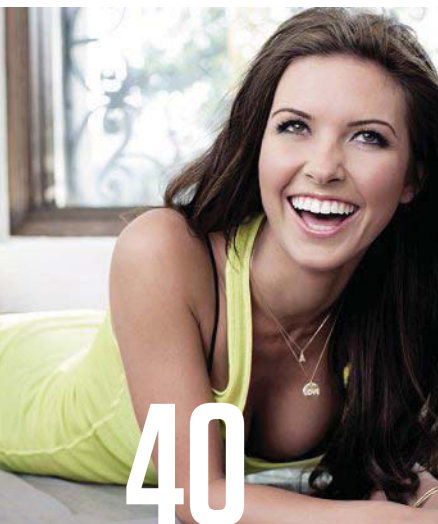

41

GOING GLOBAL NATASHA BARNARD

RE-ENTRY

The bikini. Put it in a drawer and it's two lifeless, slightly awkward and seemingly very impractical pieces of material with some string attached. But take it out of that drawer and put it on someone like, say Natasha Barnard, and everything changes. Suddenly that same cowering pile of ropey stuff becomes the most mesmerising thing on planet earth. Seriously, there's nothing quite like it in the world.

SEXIEST MOMENT She's the face of the Guess 2013 summer campaign, go check the commercial, it's blazing! We're predicting Victoria's Secret Angel wings in the not-too-distant future...

40

HEAD FOR THE HILLS
AUDRINA PATRIDGE
RE-ENTRY

Audrina Patridge remains best known as the only brunette from *The Hills*, and to be quite honest, she put her fair-haired counterparts to shame. The MTV show, which to be honest we never really followed, has come to an end, but she's had roles in *Sorority Row*, *Into the Blue 2: The Reef*, *Honey 2*, the never-seen-by-anyone *Scary Movie 5* and the VH1 reality show, *Audrina*.

SEXIEST MOMENT Go check out some of those girl-on-girl fights from *The Hills*...

39

HIP, HIP, HIRAYAMA!
LALLA HIRAYAMA

LAST YEAR: 38

Hotter than Pearl Harbour in 1941, this Japanese-born local stunner is a regular feature on these pages. Piping hot and super talented, Lalla spends her time putting her assets to use as a TV presenter, dancer, model and actress. She is also a former horse-riding and gymnastics champ. Enough said. **SEXIEST MOMENT** We can't get the image of Lalla in riding pants with a riding crop out of our minds.

36

SHE GIVES US WINGS
ALESSANDRA AMBROSIO

LAST YEAR: 42

Perhaps the most well-known Victoria's Secret Angel of them all owes her gorgeous glow to the beaches of Brazil, where she's spent considerable amounts of time frolicking in skimpy swimwear. Since her first magazine cover appearance on Brazilian *Elle*, Alessandra's gone from beach hottie to top model. It's almost impossible to find a brand that doesn't want to strip her down to her knickers and get her in front of a camera.

SEXIEST MOMENT Hotness aside, we love that she's shown her funny side in *Entourage*...

38

ALWAYS A WINNER
LYNDALL JARVIS

LAST YEAR: 69

Look at her! It's easy to see why this bombshell has been a regular on the pages of this here magazine, and in fact took the coveted title of *FHM* Sexiest Woman in the World in 2009! It's also easy to see why local surfing hero, Jordy Smith, is smitten with this home-grown hottie. Jordy and Jarvie... everybody say, "aaaaah!" (although such genetic combinations should be outlawed).

SEXIEST MOMENT Taking to the rooftops of Jozi in black leather for the *FHM* Sexiest Woman in the World video a few years ago. We still watch that in the office when we need cheering up.

37

GOOD CATHOLIC GIRL
JESSICA ALBA

LAST YEAR: 6

She was the *FHM* Sexiest Woman in the World in 2007 and still has all the goods. Do you remember her as a sweet high school girl in an angel suit in 1999's *Idle Hands*? The shower scene in *Machete*? She's one of those rare actresses who combines innocence with a steady undercurrent of dirty.

SEXIEST MOMENT The lasso dance sequence in *Sin City*.

35

FROM RUSSIA WITH LOVE

IRINA SHAYK

LAST YEAR: 37

So utterly and completely intoxicating is this flawless Russian's beauty that we don't even care that she's been dating the biggest douchebag in the world for the last two years. That's how ridiculously hot she is! **SEXIEST MOMENT** Whenever CR9 manages to get her onto a yacht in the med. Needless to say, the clothes never stay on for very long.

34

BOOM!

KALEY CUOCO

LAST YEAR: 50

She belts like few babes on the planet, is unbelievably funny, and her rather promiscuous, on-screen character Penny in *The Big Bang Theory* loves nerds. That doesn't leave a hell of a lot not to love. And judging by the show's ratings (it's one of the top-rated shows in the world and in 2010 became the highest-rated comedy on US television among adults aged 18-49), most people agree.

SEXIEST MOMENT Dressed as Wonder Woman in season four of *The Big Bang Theory*. Overnight she went from cute to the sexiest woman on TV.

33

POLE PERFECTION
JOANNA PRUS
 NEW ENTRY

Eastern European women are among the hottest on the globe, and Polish-born Joanna is living, breathing testament to that. She has eyes that make men commit all sorts of heroic feats and idiotic stunts. If looking at her (and that's before you've seen her body in a bikini) doesn't make your blood rush away from your main thinking organ to your tertiary decision-making one, there is something very wrong with you.

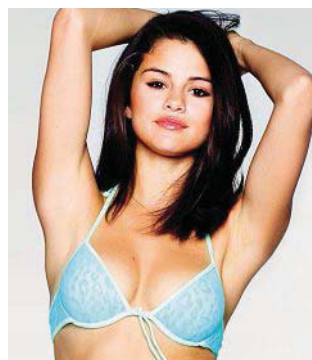

SEXIEST MOMENT January hasn't been the same since her appearance in the 2013 *FHM* Calendar.

31

ALL GROWN UP
SELENA GOMEZ
 LAST YEAR: 25

When forbidden fruit eventually blooms, it tastes really sweet (just ask Justin Bieber)! The half-Mexican, half-Italian bombshell has been turning little boy's heads since she was a starlet on *Barney & Friends*. Selena is the perfect combination of high school sweetheart and exotic foreign temptress! *Muchos grazias* and *gracie mille*.

SEXIEST MOMENT Seeing her turn into a full-blown party animal in *Spring Breakers*, where she shakes her ass like there's no tomorrow and sniffs cocaine off some sexy girls.

30

DERRIÈRE OF GLORY
LARIZA FERREIRA
 LAST YEAR: 10

You saw her for the first time in the 2012 *FHM* Calendar, and clearly you liked her a lot! So the bloody hell did we, so we got her into a hotel room for her own shoot. Lariza's bum almost broke the internet it got so many hits.

SEXIEST MOMENT Any time she turns her bum in the general direction of the camera, a unicorn is born. We're sure of it, it's that magical.

32

A-DELICATE DESIRE
ADELE SEGAL

LAST YEAR: 7
 Adele is a gift that just keeps on giving. This blonde bombshell is a businesswoman, model and self-confessed humanitarian... she's certainly done a hell of a lot to improve our lives! Judging by your steadfast support, she's had a similar effect on you gents, too. You know, the one where you find yourself vacantly staring into space with a massive euphoric smile on your face.

SEXIEST MOMENT Making a difference and looking sensational while doing it!

29

FOXY LADY
MEGAN FOX
 LAST YEAR: 12

She's hot as hell, a self-confessed gaming and sex fanatic, was once in love with a stripper and is an open ambassador for the legalisation of pot. It's all just getting a little too much for us, Meg.

SEXIEST MOMENT The Motorola Superbowl ad. The one that was banned.

28

LIKE A FINE WINE

LAUREN MICHELLE HILL

NEW ENTRY

She's been a cheerleader, a swimwear model and an actress, but this journalism major's true calling was to become one of the most sensational Playmates of the last decade! She's not a baby anymore, but we'll never forget the instrumental role this hottie played in some of our formative years. Some women do get better with age!

SEXIEST MOMENT Any time she donned those bunny ears and tail... hop this way, Ms Hill!

25

NORTHERN CHARM

CHERYL COLE

LAST YEAR: 29

Cheryl is the smouldering ex-WAG who shot to super stardom in the early Noughties with all-girl Brit band, Girls Aloud. *FHM* readers in the UK have voted her the *FHM* Sexiest Woman in the World twice, and thanks to her smoking good looks, she's no stranger to the pages of this here magazine either! Footballer Ashley Cole is an utter twit for having messed this beauty around.

SEXIEST MOMENT Being the hottest judge on any *The X Factor*, ever. And have you heard her accent?

26

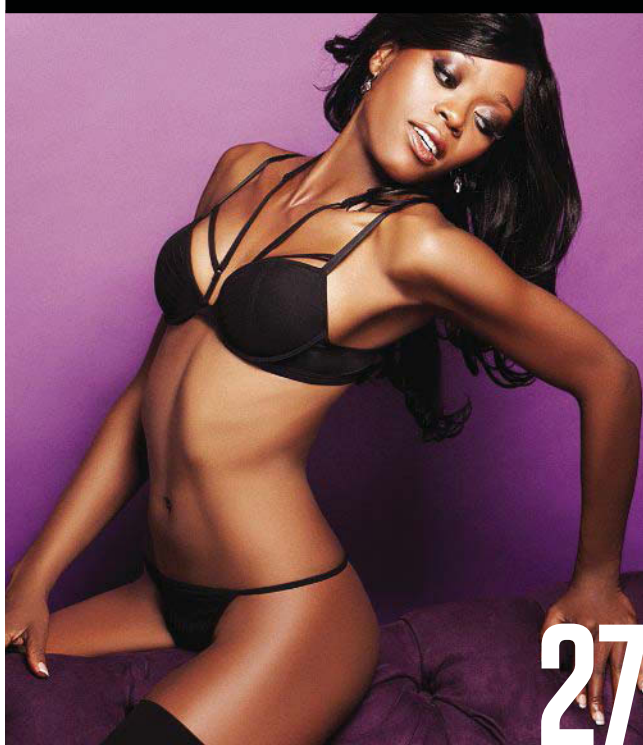

LEATHER LOVIN'

KATE BECKINSALE

LAST YEAR: 22

Even you're not into vampire flicks, you'll probably still have watched all the *Underworld* movies simply to see Kate's wicked backside in tight leather. She also did commercials for Absolut Vodka, which scores her major points in our books. And then she was the evil agent-wife in the remake of *Total Recall* and did some badass stunts while wearing more leather.

SEXIEST MOMENT No prizes for guessing our favourite! Any time she slides herself into a pair of leather pants.

27

BRAINS AND BEAUTY

ELLEN MAHLANGU

LAST YEAR: 31

Joining us for the third time on this illustrious list is the insatiably sexy Ellen Mahlangu. More than just a cute face and a jaw-dropping body, the small town girl from Machadodorp in Mpumalanga is also an IT programmer, won last year's *FHM* Model Book contest online and also made it on Mzansi's Sexiest list for 2013.

SEXIEST MOMENT We have a fantasy about Ellen leaning over our desk to fix our broken computer...

24

RING GIRL

ARIANNY CELESTE

LAST YEAR: 95

This UFC knock-out is what we at *FHM* like to call a superbabe. The world-famous ring girl has brought more guys to their knees outside of the ring than in — seriously, men propose often. From posing naked to stripping for lucky unsuspecting strangers in lifts, she's not afraid to flaunt her fantastic form... a body she keeps in shape through a vigorous workout routine and a diet of bananas and protein shakes.

SEXIEST MOMENT Her shoot with other ring girl of glory, Brittney Palmer, in our May 2013 issue.

23

FOREIGN DELIGHT

RUXANDRA BAR

NEW ENTRY

The thing about female Eastern European pop stars is that they are all blazing hot and make some of the worst music known to man. Ruxandra, the sensual pop diva from Romania, is no exception to the first bit — all smoking curves and eyes that promise wild nights of passion — and narrowly escapes the second — her songs being not bad attempts at Nineties rave-pop. We just watch her music videos with the sound off.

SEXIEST MOMENT Sipping suggestively on some hideous-looking coffee drink in her *Feelings on Fire* video with Akcent and doing a rather arousing Romanian-accented attempt at English.

22

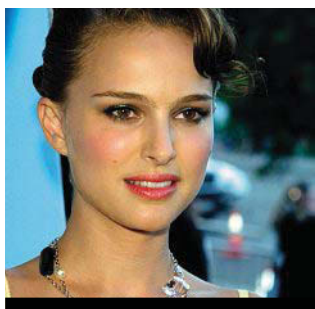

BROOK OF PLENTY
KELLY BROOK
 LAST YEAR: 56

There is a legitimate case to be made for the dazzling Ms Brook owning the finest pair of breasts in the world today. She also, and arguably more importantly, possesses a fine sense of humour and once dated one of the coolest men on earth, Jason Statham. That's quite a lot of awesome bundled into one gravity-defying package!
SEXIEST MOMENT Her cameo on the movie *Piranha*: bikini dancing, blood, gore, nudity and death. Win!

20

STEAMY SEDUCTRESS
NATALIE PORTMAN
 LAST YEAR: 97

She made science fiction geeks sweaty as Queen Amidala in *Star Wars*. She made ballet freaks flap in *Black Swan*. She made the stoners wish they had more clean socks in *Your Highness*. She made every man wish he was watching *Closer* by himself with that stripper scene. Natalie's angelic face, her seduction skills and her acting versatility make her one of our forever favourites.
SEXIEST MOMENT Being taught how to use a sniper rifle by Jean Reno in *The Professional*.

19

SMOKING SISTER
MARTA KRUPA
 LAST YEAR: 83

There is something about a hot sister of an already hot model! Maybe it's the sexy thoughts that creep into your head, maybe it's the fact that you are getting two beautiful women instead of just one. Marta is the younger sister of Joanna Krupa and, in our books, she is just as blazing as her better-known sibling.
SEXIEST MOMENT Every time she poses with Joanna.

21

CATCH THE FEVER!
JENNIFER PIETERSEN
 LAST YEAR: 5

We've had the privilege of seeing this goddess in very little clothing many, many times, and trust us when we tell you that this is a body so smoking, there's a high probability of very stupid behaviour in its presence. It's best just to stare quietly as you try to maintain your composure. And don't try to say anything intelligent, because anything you do utter is guaranteed to come out as a squawk. Such is the power of Ms Pietersen's fine form.
SEXIEST MOMENT Whenever she's in a bikini or lingerie.

18

TEAM AMERICA
JESSICA VERSTEEG
 NEW ENTRY

Picture the perfect all-American girl and who do you see? Jessica VerSteeg, that's who! We caught up with the best of the Mid-West earlier this year and believe us y'all, she is everything you've ever fantasised about and more: the accent, the cherry lips, the buxom body! And the bubbliest personality.
SEXIEST MOMENT She did a shoot for *FHM* in Spain that was so perfect, it made us cry.

17

MORE MORTON GENEVIEVE MORTON LAST YEAR: 1

It's easy to see why gorgeous Genevieve got everyone's vote last year! Back then, she told *FHM* she loved boobs and SA guys, and we knew we'd found everlasting love. Hot on the heels of that other Benoni bombshell, Charlize Theron, Genevieve is one of SA's sexiest rising stars and spends most of her time working in the Big Apple. When she's world-famous, remember where you saw her first!

SEXIEST MOMENT Rolling around on a bed in lacy lingerie for our July 2012 cover shoot.

16

OH, CANADA! JESSICA LOWNDES LAST YEAR: 55

Sexually-conflicted bad girl Adrianna was the only thing worth watching 90210 for (those rare occasions we were forced). The brunette bombshell has since launched her debut pop album, and while her singing career hasn't quite hit the right note, with songs like *I Wish I Was Gay*, she's still got our undivided attention.

SEXIEST MOMENT The *I Wish I Was Gay* music video.

15

JOH, JOH, JOH SCARLETT JOHANSSON RE-ENTRY

What is there to say about the lovely Scarlett that hasn't already been said? That poise, those lips, the curves, the naughty smile, the untarnished innocence that she projects in those quirky Woody Allen flicks. She's amazing, we'll forever be in love, in fact she makes us turn a little bit, well, scarlet...

SEXIEST MOMENT Bless the in-the-mirror selfie! And Scarlett gave us arguably the best one ever! Naked, and in all its internet glory.

BIKINI PERFECT JOANNA KRUPA LAST YEAR: 36

The heavenly Polish-born model and reality TV star has graced the cover of *FHM* more times than we can count. A few times with her equally belting sister, Marta. The sight of Ms Krupa in a bikini on the beach is one of the finest you'll ever see... fact!

SEXIEST MOMENT When we heard that she jokingly asked that a sex clause be written into the pre-nup with her soon-to-be hubby.

14

12

TOUCHED BY AN ANGEL CANDICE SWANEPOEL LAST YEAR: 20

This sultry, sexy Natalian (fittingly, she's from Mooi Rivier) is now one of the highest-paid models in the world and is the face, boobs and bum of lingerie giant, Victoria's Secret. Sadly she only rarely makes it home for a chop and a dop, but word is, she's still a down-to-earth homegirl, despite her rock star lifestyle. Hopefully she'll soon grow tired of it all and move back to SA, next door to our offices.

SEXIEST MOMENT Any time she dons Victoria's Secret undies and flaps her wings.

13

THE MINX! MINKI VAN DER WESTHUIZEN LAST YEAR: 73

The sun setting over the ocean. Sparkles shimmering on the water. Minki and her lovely puppies in a bikini, pouting for the camera... oh, yes. When we convinced Minki to grace our cover back in 2004, she brought hotness and girl-next-door-ness to the party, and you lot loved her. Coming in at number 13 on this year list, nine years later, is testament to Minki's abiding hotness and loyal following!

SEXIEST MOMENT We have to choose just one? That's impossible! We're going to let you judge this one.

11

CALENDAR GIRL

CASEY NEWPORT

NEW ENTRY

From time-to-time, Australians surprise us. There was this time we went to cricket with an Aussie called Lucas. The Proteas were playing New Zealand and Lucas ragged those Kiwis like no one in the history of sport. And then there was the time in 1973 when the brothers Young formed AC/DC. Now, the Aussies have feather number three: the super sexy Casey Newport!

SEXIEST MOMENT Wearing an itty-bitty sarong in the 2013 *FHM* calendar.

10

PURE DELIGHT!

SIMONE DE KOCK

NEW ENTRY

Last month's cover girl blew us away, and not just because of her great personality. Unheard of a year ago, this 21-year-old local stunner is taking the modelling world by storm. We've predicted big things for Simone, and when it comes to babes in bikinis, we like to consider ourselves experts. Watch this space! **SEXIEST MOMENT** Page 56 of the June issue of *FHM*. Simone wearing nothing but an apron.

09

WE LIKE OUR APPLES GREEN

RIZELLE APPLEGREEN

LAST YEAR: 49

We have long maintained that Durban is the most underrated city in the country, in many, many ways. Rizelle is a sweat-inducing testament that Heat City hides some amazing gems of the female persuasion. All we want to do when we see her pictures is go down to Durbs, hit the beach and fantasise about all the things we would do with Rizelle. Cultural things, you perv!

SEXIEST MOMENT Every morning when she wakes up all sweaty in the Durban humidity.

08

DURBAN'S FINEST

SHANÉ VAN DER WESTHUIZEN

NEW ENTRY

If you don't know about Shané then you should put this mag down right now and go end your sad existence under a truck. On second thought, maybe you should find some back issues of *FHM* and prepare to meet your new shower fantasy. With her perfect body, she is the top choice for bikini shoots all over the world and, rumour has it, she's a wild one out on the town — something we'd love to experience with her!

SEXIEST MOMENT Draping herself across a rock on the beach for an *FHM* shoot in October 2012.

07

LIQUI-LUSCIOUS!

NICOLE MEYER

NEW ENTRY

Last year we happened upon what was at the time a brand new campaign from LiquiFruit. We were gob-smacked, as in like, there was actual silence in the *FHM* offices. That very, very rarely happens. Who was this utterly flawless beauty, with eyes you could get lost in and the sexiest mouth to ever get near a juice box? We didn't have to search long before we happened upon the exquisite beauty that is Nicole Meyer. We found her, called her and did what we do best — got her into a bikini on a beach, and got one of our most talented lens-men to go to town. The result was an iconic *FHM* cover.

SEXIEST MOMENT It's a dead-heat between the ad that sold more LiquiFruit than any before, or that January 2013 cover.

A close-up photograph of a woman's legs. She is wearing black lace underwear with thin black straps and black high-heeled shoes. The background is a solid red color with a large white circle partially visible. The number '06' is printed in large white font with a black outline.

06

MORE THAN A MOUTHFUL

NADYA NEPOMNYASHAYA

NEW ENTRY

We knew that the first time we laid eyes on this Uzbek uber-babe, wouldn't be the last! Sure, her surname is unpronounceable, but we think that just adds to her already-massive allure. Those dark eyes, that olive skin, that wild hair, those curves, and being all foreign and stuff... we'll just call her Ms Perfect.

SEXIEST MOMENT YouTube dance music meister Taio Cruz's music video for *There She Goes*. Enjoy.

05

TRUE MARVEL

MILA KUNIS

LAST YEAR: 98

Let us skip through her CV to get to the good stuff. Starred on *That Seventies Show* at age 15. Was the voice of Meg in the animated series *Family Guy*, started heating things up in *Friends With Benefits* (although knobbing Justin Timberlake would be nigh unforgivable but for the fact that it was just in the movie, not real life). And then, bingo! Mila, naked, having the hottest lesbian sex ever seen on screen, with Natalie Portman in *Black Swan*.

SEXIEST MOMENT The lesbo scene is hard to beat, but there is also about a two-second shot of her naked, lovely bum in *Friends with Benefits* that, if you practice, you can pause and enjoy.

04

MILOSEVIC'S HONEY

ANA TRUJIC

LAST YEAR: 3

Ana proves that the Serbs have more going for them than Novak Djokovic. The Jo'burg-born model combines her Serbian roots with smoking South African flavour, to bring you the best of both worlds in one delicious package. She is also into kung-fu and caring for animals, which are both major advantages in our books. A girl that will kick your ass and then nurse you back to health? Yes, please!

SEXIEST MOMENT If you missed the 2010 *FHM* Calendar, YouTube it now...

03

DANCING QUEEN

KATE UPTON

LAST YEAR: 2

The Cat Daddy. Possibly the most Googled-by-guys video ever to grace the interwebs, with 16 million views and counting. And deservedly so. Let's start with the obvious: beautiful, bouncy boobies that make us sob every time we look at them and realise we'll never get to play with them. Kate is also one of those rare beauties who has a significant rack, but is otherwise well-proportioned. Hips you want to hug. A bum you want to play coinage off, and eyes that turn you into a bunny in the headlights. Bless you Katie. Please make more videos of you dancing in a bikini.

SEXIEST MOMENT The moment you realise she can dance like a real stripper!

02

ETERNAL FLAME

LEE-ANN LIEBENBERG

LAST YEAR: 15

Sigh... eleven years on this list (having taken the title of *FHM* Sexiest Woman in the World in 2005) and five smoking covers later and Lee-Ann is still making the cut as one of the hottest women (and certainly the yummiest mummy) alive. And rightly so!

SEXIEST MOMENT Gracing the cover of the scorching 2008 *FHM* Calendar...happy days!

A full-page photograph of Melinda Bam. She is a blonde woman with voluminous, wavy hair, looking directly at the camera with a slight smile. She is wearing a black lace halter top and a matching black lace skirt with long fringe. Her arms are raised, with her hands behind her head. She is standing against a dark, textured stone wall. The lighting is dramatic, highlighting her features and the texture of the wall.

01

WHAH!

MELINDA BAM

LAST YEAR: 13

It was as Miss South Africa that she really captured the public's imagination, but, and you know how we hate to gloat, it was this here magazine of manliness that gave you the splendor of Miss Bam before anyone else. Go dust off your 2010 calendar if you don't believe us. And then turn to page 48 of the issue of *FHM* you've just purchased, and feast your eyes on the perfection of the woman voted for by you as the sexiest in all the land!

SEXIEST MOMENT Unleashing her inner bad girl for this year's *FHM* 100 Sexiest Women in the World shoot! She looked pretty sumptuous back in 2011 too, wrapped in gold lingerie for the October issue of *FHM*.
