100 SEXIEST WOMEN IN THE WORLD 2014

We can sum up what makes this year's triumphant poll stand out in nine scorching ways. I could list down 10 really, but that would mean I have to mention the second anniversary of my being diagnosed with acid reflux, the symptom of which first manifested itself at the very moment *FHM* icon Diana Zubiri opened our 2012 victory shindig. You don't want me talking tales of omeprazole and Maalox Plus consumption here, do you?

Especially when reason no. 1 has just become the most historic to ever happen in the campaign's 14-year run. We thank you for your overwhelming support!

SWISHING THREES

Amazing Marian Rivera cops her third Philippines' Finest crown, setting an *FHM* record!

100

Court cutie

GRETCHEN HO

★ NEW ENTRY

Not since Miley Cyrus has the thought of tongue-flicking women conjured images of sweet innocent girls. And yet, when we see Gretchen stick her tongue out while diving for a loose ball on court, our knees can't help but turn to jelly for the ex-Ateneo lady spiker.

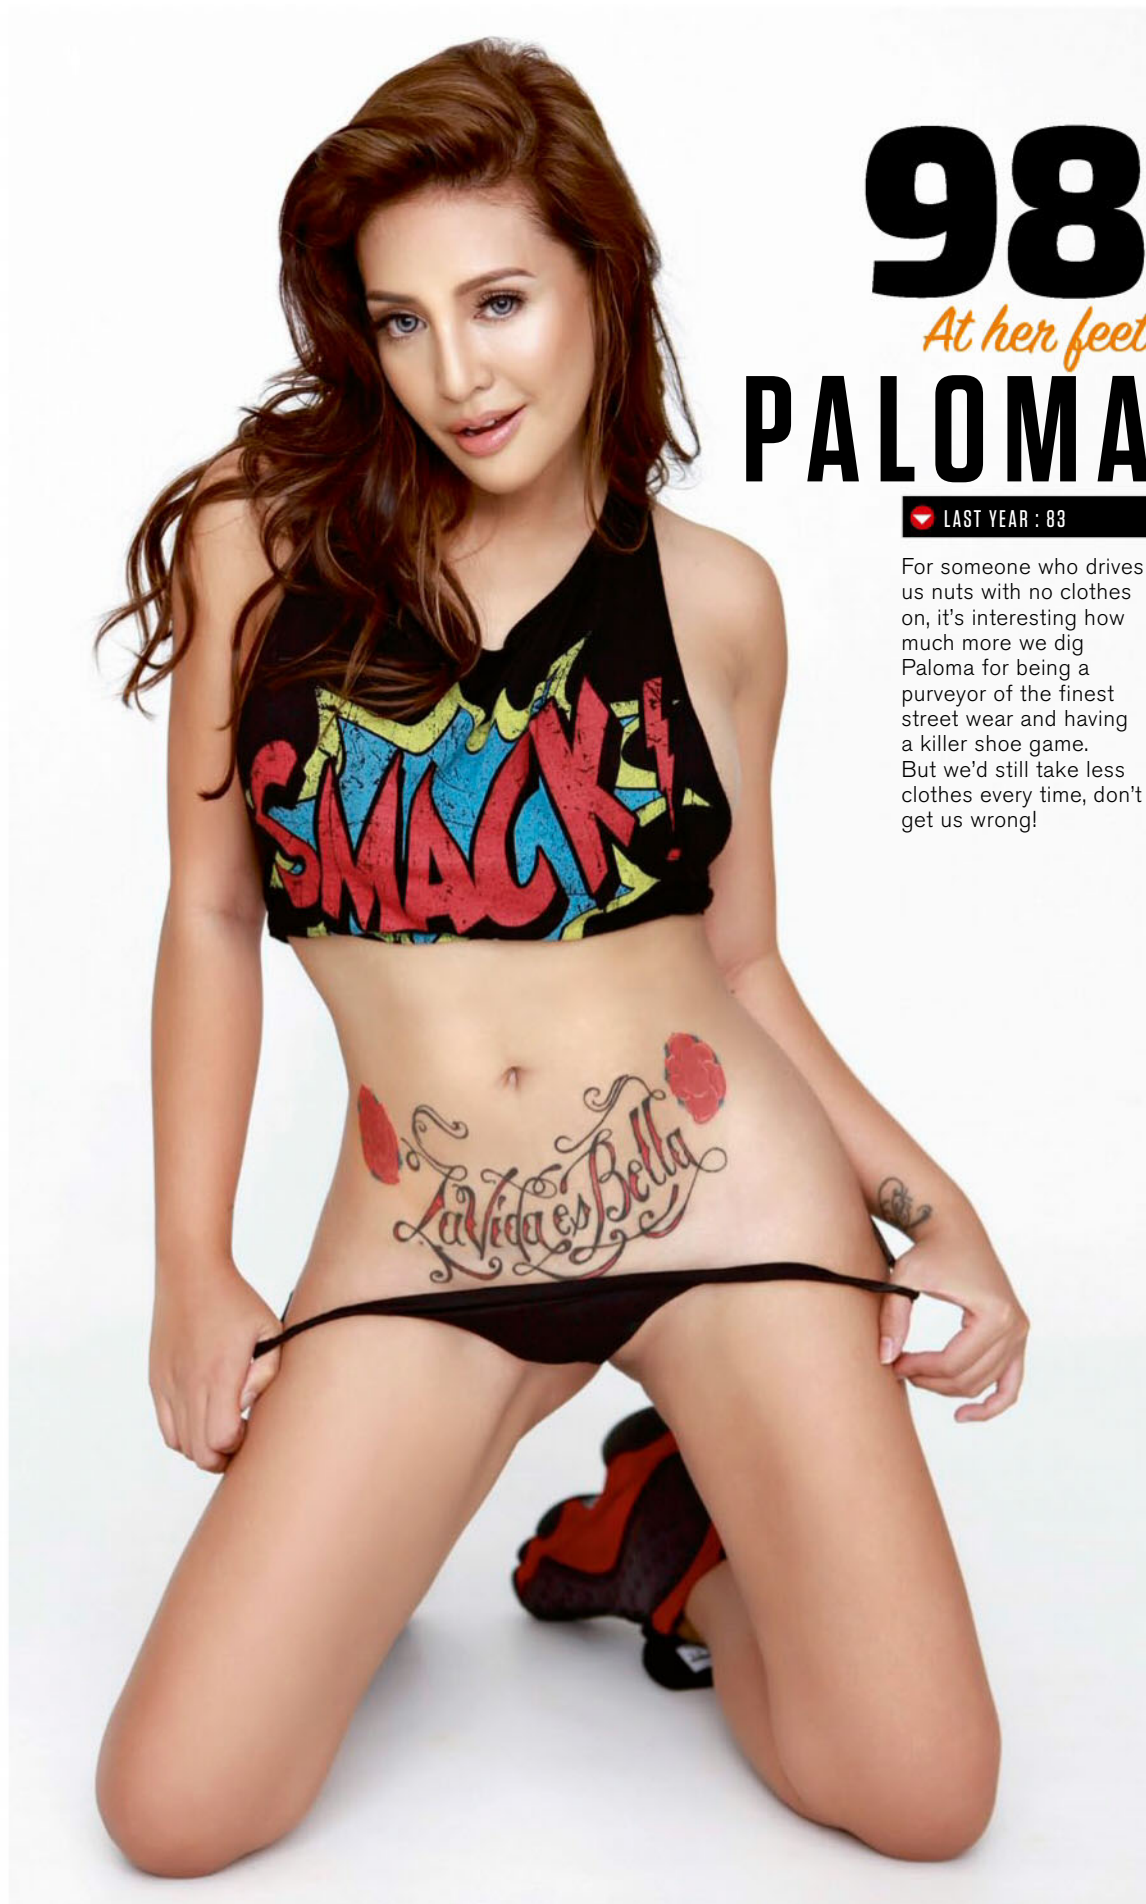

99

Indelible

SARAH GAUGLER

★ NEW ENTRY

On the side of being a model, Sarah is an artist. She is the vocalist of Turbo Goth and a tattoo artist at her own studio. Sarah can be a lot of things, but with everything she's buried her head into, she is sure to leave a lasting impression.

98

At her feet

PALOMA

♥ LAST YEAR : 83

For someone who drives us nuts with no clothes on, it's interesting how much more we dig Paloma for being a purveyor of the finest street wear and having a killer shoe game. But we'd still take less clothes every time, don't get us wrong!

96

Bold little fox

DANICA TORRES

📉 LAST YEAR : 62

She may have perfected the art of sporting and ditching undies to shorten your breath with teasing expressions, but this vixen is also modest, rating herself just a six in bed: "Normal *lang ako*. *Hindi ako* wild. Ha ha ha!" Whatever. In our gentlemanly daydreams, she'll always be a 10.

94

The eyes have it

JADE LOPEZ

📉 LAST YEAR : 93

The reign of the *chinita* will never end—if ladies like Jade are any indication. She reminds us why we have had at least one girlfriend of the *chinita* persuasion—and why we will always, always say that them almond-eyed girls are our first choice if we're picking types.

97

Rookie of the year

RIZZA DIAZ

★ NEW ENTRY

A testosterone-filled crowd could use help from a sexy and smart courtside reporter, all right. Rizza is one of the reasons we are even more obsessed with PBA. She's barely five-feet tall, but she is brimming with sex appeal and personality. If not on the ball, our eyes are all on you, Rizza.

95

Pretty young thing

AVA JUGUETA

★ NEW ENTRY

Limber girls—we like them a lot. And to say that we like Ava Jugueta—who can sing, wiggle, and get the crowd going all at the same time—is an understatement. With her skill set, the former *Wowowillie* co-host and *PYT* chanteuse will surely go a long way. Take us, Ava, and we'll follow.

93

Dual chops

GLAIZA DE CASTRO

📈 LAST YEAR : 98

After her surprise appearance at the 100 Sexiest Women party last year, you're probably already thinking: Where's Glaiza De Castro in *FHM's* pages this year or last? Apparently, nowhere near the cover. Just right here—where you voted her in, and not on a very high spot, befitting a mix of Glaiza's mainstream-and-indie-actress stature, mind you. So we've really no one to blame but you. Tsk. Lazy voters.

92

Inside out

BEAUTY GONZALEZ

★ NEW ENTRY

She may share a name with many a low-voiced *parlorista*, but trust us: Beauty is her name personified. Something tells us there are more beautiful things to come for the *PBB* alum—we are keeping our eyes peeled!

HOT NEWBIES

This charming woman

CHARM DELA CRUZ

We've so far been lucky in meeting girls who have the physique, but also character and a thirst for success. Charm is one of them. But good grief—we can imagine the lengths she has gone campaigning for herself to get here. Lucky her, lucky us, and lucky you!

90

Waist-deep

KRISTINE SANTAMENA

📌 LAST YEAR : 79

Despite having other ample assets, Kristine has an otherworldly torso that unanimously converted us all into waist worshippers. Kristine could stop a war just by being impossibly slender and curvy where it counts.

89

She's the one

COLEEN GARCIA

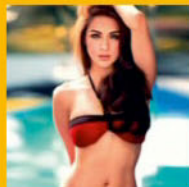

★ NEW ENTRY

Coleen is the most attainable woman on *It's Showtime*. Anne Curtis is, well, Anne Curtis; Karylle just tied the knot; and the other long-haired character is a funny, fashionable dude. Yet we find it hard to get Coleen to be our muse. Or maybe we just need to try harder.

Feel at home

NICOLE ALEXANDRIA

★ NEW ENTRY

Sure, she's real, pretty, and has a killer bod—but she also has that secret sauce that makes you a fan. We think we can explain it like this: the cover stars are the draw, but it's coming across homegrown *FHM*-only honeys like Nicole that make you stay.

87

Obsessed

BIANCA KING

LAST YEAR : 33

Bianca is no stranger to conquering new ground. In 2006 she ushered in the age of teen-star *FHM* covergirls of that year, encouraging a slew of her contemporaries to follow suit and give this magazine a go.

This year she jumped networks and perfected the role of a manic lover in TV5's heavy drama hit *Obsession*. Her next bold move? We can't tell for sure. But we say, keep the surprises coming, Bianca!

86

Face value

KRIS BERNAL

LAST YEAR : 81

Kris likes taking selfies. On her Instagram account, there are numerous photos of the fine actress exposing her beautiful mug for public consumption; doe eyes and pink lips teasing with every post. We're just hoping that in the near future Kris decides to expose more of her killer body as well.

85

Hot recruit

ALEX MORENO

NEW ENTRY

Here's our Illuminati plan: Build our own talent roster, make them very popular and slowly place them in crucial positions in society so that *FHM* can eventually run the country. Alex Moreno is our first recruit.

84

Party starter

SANYA SMITH

LAST YEAR : 71

Sanya has mastered how to get the crowd going with her music, and commands attention with her take-no-prisoners presence. Yes, she's got the sexy parts covered audibly and visually. With Sanya around, the question is not how the party starts, but how it's going to end.

82

Hot babe forever

GWEN GARCI

LAST YEAR : 75

Retiring the bullwhip and nurses' outfit and flying a hemisphere away to Nevada won't make you forget the feelings that was created in you by the gorgeous and killer-curved Gwen Garci. Not this face, and not this set of God-given assets. Not even if we started calling her Mai Lee Ang again.

83

Apparition

IZA CALZADO

LAST YEAR : 76

We are unashamed to admit that we watched that Piolo-Toni blockbuster, mainly because Iza Calzado was in it. And yes, *kamukha talaga niya si Mama Mary*. We fall to our knees at the sight of her beauty, perpetually smiling eyes, and forever-fresh-from-the-gym glow.

81

Scarlet fever

RED DELA CRUZ

LAST YEAR : 52

We have it, you have it: the Red bug's all over *FHM* Nation. Getting hooked on PXC's official ring girl and the Premiere Ultimate Vixen of 2012, however, is a condition we don't mind having. If there's a list of 100 Most Dangerous Babes, she'd be high up on it.

80

Bountiful

MAICA PALO

NEW ENTRY

In the realm of everything breast-related, this babe reigns supreme. Although her bountiful assets aren't the only endearing things about Maica, she shares a few common traits as her God-given gifts: she's well-rounded, captivating, and pretty in-your-face. These are some of the unobvious reasons the *FHM* fave has become a go-to girl for all our sexy outings, and surprisingly she doesn't mind the attention given to her striking knockers. Stare away, gents!

78

Smooth moves

YASSI PRESSMAN

NEW ENTRY

From being a child commercial model, Yassi has now bloomed into the Princess of the Dance Floor, and a mainstay in GMA-7's *Ang Dalawang Mrs. Real*. There's always a first for everything, and we hope this is not her last stint with us.

79

Under close watch

LOUISE DELOS REYES

NEW ENTRY

Louise is taking herself to the next level after accepting a role in *Kambal Sirena*. Seeing her in pearls and a mermaid costume is enough to keep our gaze on this innocently sexy ingénue. Let's take a dip, Louise. With you, we don't mind getting wet.

83 BJ PASCUAL COURTESY OF YES! 82 NIKO VILLEGAS, 81 EJAY LEUNG, 80 PAOLO PINEDA, 79 COURTESY OF YES!, 78 COURTESY OF BENCH PHILIPPINES

77

Full-blown bombshell

SHAINA MAGDAYAO

LAST YEAR : 44

With the blink of an eye, the former child actress bloomed to become a dancing damsel John Lloyd and Piolo Pascual would go crazy for. Piolo Pascual going crazy for Shaina? How crazy is that?

The continuing dream

GEORGINA WILSON

▲ LAST YEAR : 50

Long after you've stopped voting for Georgina to appear on this list, her face in billboards, shampoo bottles, and fashion magazine covers will continue to tease. That's why you will never stop voting for her.

76

Woman eater

BIANCA PERALTA

★ NEW ENTRY

If you are deeply in love with your girl, here's a warning: Keep her away from Bianca! She has a track record of kissing ladies—a good number of them fellow *FHM* babes—and her charms are really hard to resist. True story!

74

Truly loyal

AICA SY

★ NEW ENTRY

Aica's a favorite because as soon as we had picked her out from a bunch of regular girls and gave her a platform to fame, she's reciprocated with loyalty. We know we can rely on her to carry our name in any event, stunt, scandal—any situation—we figure ourselves into. You must have noticed her presence, too, in any or all of those events because you cast votes in her favor. For that she gives all of you her love and kisses, and you can expect that she's going to be even more loyal.

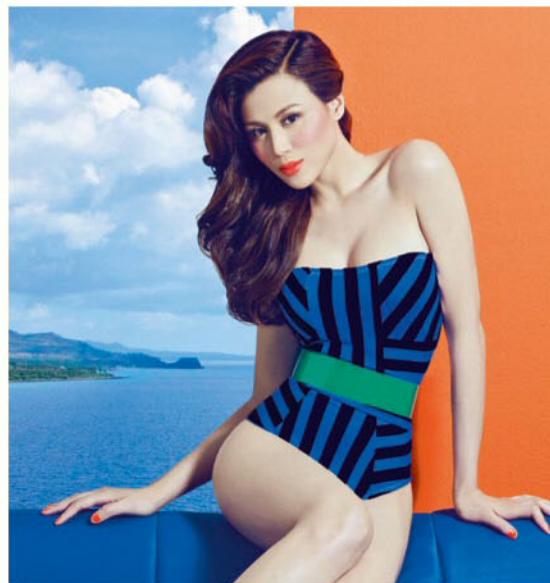

73

Closer now

JULIA MONTES

▼ LAST YEAR : 57

Julia's Belo billboards, to our eyes, mean one thing: this girl is ready. Slimmer and sexier simply means more mature, more confident—and yeah, we'll go there—more sensual and daring. So here's hoping primetime princess Julia makes the move onto our pages soon—the rest of her has finally caught up with those come-hither eyes.

72

Inescapable

TONI GONZAGA

▼ LAST YEAR : 53

If there's one name on this list more ubiquitous to housewives, it would probably be Toni. She hosts primetime shows, stars in blockbuster films, and is all over billboards

and advertisements. On behalf of dutiful husbands everywhere, thank you, Toni, for keeping the missus entertained and not worrying too much.

71

Original sin

ANGELA GABRIELLE

★ NEW ENTRY

Yes, her angelic looks and moniker draw you in alright, but her naughty side might just interest you even more. Angela here is sinfully sexy. She's nothing you'd expect, prepare to be surprised. But don't worry, you'll thank the heavens for bringing her to our pages.

Incessant inspiration
RHIAN RAMOS

LAST YEAR : 89

After Rhian called it quits with her boyfriend, males everywhere breathed a collective sigh of relief—and longing. You see, whenever a girl goes back on the

market, men begin to think, “Hey, that could be me.” Yes, it’s stupid, but infinitesimally small chances have inspired many a man to strive for greatness.

69

Hit girl
LHEA BERNARDINO

NEW ENTRY

This *FHM* summer hottie has been a hit the minute you discovered her on our pages. Her mixture of innocence and sensuality permeated. Once her

potential was realized, we just asked her to keep coming back for more. And each time she did, she was out to make her mark, and make her mark she did.

Superbod
SARA POLVERINI

LAST YEAR : 92

Not a new face to the *FHM* nation after appearing in our pages, official website, and events more than we can count in one hand. But if anything, she's our favorite for a good number of reasons. We're proud she now carries the title she has always deserved: Superbod.

70 COURTESY OF TOP GEAR PHILIPPINES; 69 EJAY LEUNG

67 *Knockout beauty* CHRISTINE HALLAUER

★ NEW ENTRY

No one watches an MMA match purely to see two husky males go face-to-crotch, so you can't deny it that slender ring girls do steal your attention.

Our favorite: ONE FC's Christine, whose complexion and endearing sex appeal have surely had lovelorn men fighting over her.

66 *Constant craving* ANDI EIGENMANN

📉 LAST YEAR : 49

These days, no one cares if a girl has already been knocked up. You want her

bad, you have to take the whole package. We want Andi real bad.

65

Get lucky

CARLA ABELLANA

LAST YEAR : 35

Had a breakup this year, thankfully not for reasons akin to her dilemmas in past soap *My Husband's Lover*. Opened a nail spa business. Had gay-patronage-approved

beauty pageant hosting stints. Currently stars in two new TV shows, *My Destiny* and *Small Family*. It's Carla's lucky year, and therefore, ours too.

63

Revved up

MISA CAMPO

LAST YEAR : 41

Once upon a time, we used the fact that Misa was a tuner model and posed beside all sorts of equally desirable machinery as an excuse to gawk at her photos. "It's the cars, really!" we'd say as we go over her spread for the 500th time. Lately, Misa hasn't been posing with motors and that's okay because we've long stopped pretending we were looking at anything else to begin with.

64

Dream lover

KAYE ABAD

LAST YEAR : 29

Once every teen boy's dream, Kaye was the girl-next-door. Her character in *Tabing Ilog* was kind, and always chasing after the dude that caught her fancy. After her *FHM* debut, she morphed into every man's fantasy. Now, we can't get enough of chasing after her.

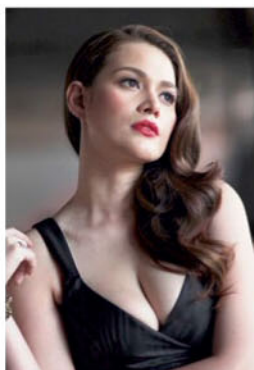

62

Mystery solved

SARAH GERONIMO

RETURNING

Before Matteo, no guy had gotten past Sarah's strict parents and closer to the crazy talented singer/actress. It's probably because those guys were lazy. Her appearance on the list this year, however, clearly means you aren't.

60

Class act

**DANIELLE
CASTANO**

LAST YEAR : 72

That time we made her lie down—in a flimsy mattress inside a rat-infested warehouse, next to *StarStruck* alum Jade Lopez, over two years ago—wasn't a classy thing to ask from a pageant-bred beauty, now that we think about it. But hey, doesn't Dani look sexy regardless of what we make her do?

61

Primetime Princess

BEA ALONZO

LAST YEAR : 48

You know what's heartbreaking? Reading a headline like "Bea Alonzo stays sexy for adult drama" and *FHM* Nation not seeing any of it firsthand. Not that we can guarantee ratings, but a cover appearance, you know, could've at least brought the show closer to its target: all of mankind.

58

One of a kind

**LINDA
PERSSON**

LAST YEAR : 61

What works in favor for the former *Vixen* winner is the fact that her looks are far from her bombshell contemporaries. Her lithe frame and petite demeanor, coupled with her fiery stare, are what set her apart. Uniquely sexy, that's Linda!

57

Flying in soon?

**EULA
CABALLERO**

NEW ENTRY

Yes, she turned 19 this year, but Eula still hasn't graced our cover. If she does make it to our pages, we promise it'll be like the first time you saw her in her *Cassandra: Warrior Angel* thighs-and-boots outfit. Sweet and dizzying.

59

Yummy mommy

PHOEM BARANDA

RETURNING

In the latest development of the MILF takeover of our hearts and minds: sleeper agents! Who knew that Phoen could have possibly birthed a child with a bod like that? She gained a whole new subset of fans with that bombshell though, and a well-deserved berth on this list.

56

Justified

ROXEE B.

LAST YEAR : 66

There's this phenomenon wherein sweet *dalagas*—think Roxee circa *Art Angel*—move to the US and come back transformed. Suddenly, it's gym-honed

bods and pro makeup with their smashability increased. The best part about this is our HDs for the "unremarkable" girl become socially acceptable at last.

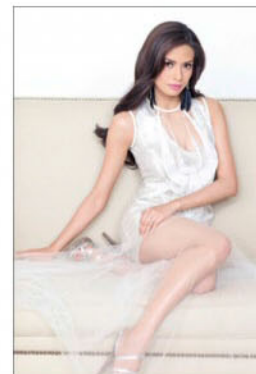

55

Crazy. sexy. fun

KAREN BORDADOR

▲ LAST YEAR : 95

You know what's better than a girl who knows she's really, really hot? A girl who's really, really hot but knows how to really, really have fun with it. Karen not only makes short work of a bikini shoot, but it's her vivaciousness that makes us want to hang with her all day (still wearing aforementioned bikini).

54

Rom-com sweetheart

ERICH GONZALES

▼ LAST YEAR: 34

Our hottest export to neighboring Asian rom-com-land—and no longer to be mixed up with Kim Chiu in our heads for being both petite and cute as a button. She got Mario Maurer's heart fluttering on-cam, and us ogling her more off it.

53

Ever new

KC CONCEPCION

▼ LAST YEAR: 40

Her bold turn with a leading alcohol brand got us giddy: momma's girl is capitalizing on her more primal assets. Every time she reinvents herself to align the personal with the public, we can't help but feel like she's brand new.

52

So bad it's good

JACQ YU

▼ LAST YEAR : 42

Everything in moderation, health experts advise, when it comes to all things delicious—encounters with Jacq Yu included. Her whirlwind lifestyle means we only

enjoy her massive sex appeal in small doses—but damn it if we're not always left wanting more.

55: 52 PAOLO PINEDA; 54 COURTESY OF ABS-CBN TALENT CENTER; 53 BJ PASCUAL COURTESY OF COSMOPOLITAN PHILIPPINES

51

Pumped up

KRISTEL MORENO

▶ RETURNING

Girls with an angelic look and goddess-like bod are dangerous, but with Kristel, there's only one word that still isn't so safe: tempting. The vixen in disguise is always pumped with energy, setting the stage (and the rhythm of our beating hearts) on fire with her killer dance moves. Show us more, please?

50

Busting steady

RUFA MAE QUINTO

LAST YEAR : 74

Four cover appearances, endless “*Todo na ‘to!*” inserts, and a too-tiny shirt that barely covers her boobs later, Rufa Mae is still hilarious. And likeable. And pretty. And dizzyingly curvy. That’s why she’s still here. Were you expecting the opposite?

49

Queenly
MEGAN YOUNG

★ NEW ENTRY

She is literally the most beautiful woman in the world—she even has the crown to prove it. And as she jet-sets for a year doing her queenly duty, we humble servants can only wait for her to grace us with her presence again (and perhaps grace a cover if she sees fit?)

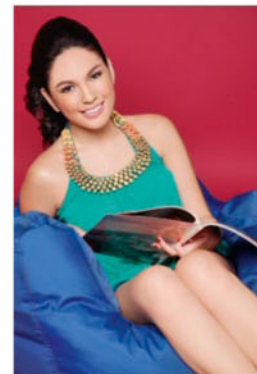

48

Shocker

EMPRESS SCHUCK

📉 LAST YEAR : 10

There was a time when Empress was a quickly growing child actress who slightly resembled Valerie Concepcion—now she has snagged esteemed young adult roles in indies and mainstream *takilya*, and she believes being wholesome means still being able to show skin, the smart woman. Did we mention how good she looks in a bikini?

47

Hot hot hot!

ANDREA TORRES

★ NEW ENTRY

Andrea is on top of her game as GMA's rising female star after working her way up with some serious total-package cred. But if she ever feels the need for a sweet landing, we hope it'll just be on our pages. Andrea?

45

Her grace

PAULENE SO

📈 LAST YEAR : 64

You never forget your first time, they say, so no matter how many new condom-hawking babes we come across, we will always—always—compare them to Paulene. She set the bar, and honestly, has the bar ever been topped?

43

Better view

ARIANNY CELESTE

📈 LAST YEAR : 55

What if we let the mixed martial arts fighters fight it out in the sidelines and let the ring girls just strut their stuff in the octagon for a full five rounds? Arianny Celeste going round and round—better viewing!

46

The original Brazilipina

DAIANA MENEZES

📉 LAST YEAR : 25

She charmed us with her Tagalog-speaking talents and pure magnetic appeal. Other Pinay-at-heart foreigners have snuck their way into our good graces this way, but the original Brazilipina was way ahead of the pack.

44

Bombshell

ROCHELLE PANGILINAN

▶ RETURNING

The beautiful bombshell is back, and this time in an incarnation we much prefer: gone are the kitschy song-and-dance routines and campy

costumes of noontime show yore. Stripped down (quite literally) to her raw sensuality, Rochelle shows us that there's just no way we can defuse that bomb.

42

Dugout queen

ERIKA PADILLA

LAST YEAR : 87

Last month's tenacious and very limber cover babe may have still been in the dugout for the photo shoot we arranged for her, but believe us when we say it looks nothing like being drenched casually but sexily in buckets of water at the PBA lockers with a bunch of really tall guys. No, the *FHM* crew present were of modestly average height.

40

On loop

REGINE ANGELES

LAST YEAR : 32

We've all been there: obsessing, replaying a fresh-faced girl's visage in your mind's eye again and again, preserving it—until she comes out in *FHM* and makes your low-res VCD quality mind recording redundant.

41

The reversal

BELA PADILLA

LAST YEAR : 16

Bela put out an unusual call to her fans: "Don't vote for me." Why? "Kasi magpapasukan na," she told PEP.ph. "Bumili na lang kayo ng notebook kaysa i-vote niyo sa akin." Well, it turns out you're quite a disobedient bunch.

39

Trending

ASHLEY RIVERA

NEW ENTRY

Who do you like better: Petra Mahalimuyak or Ashley Rivera? All those for Petra, take the blue pill. All those for Ashley, take the red pill. In the meantime, Petrashley comes out the winner because you're all now under her influence.

38

Finale

ABBY POBLADOR

LAST YEAR : 43

We've thrown her in a debate that no one is supposed to win. Come on, who are you going to choose between her and Jahziel? No one! Let them both win! But really: Abby wins. Why? Because she likes it dirtier.

37

Big bang

SUNSHINE GARCIA

RETURNING

We had our own New Year's party going when *Banana Nite's* Sunshine brought just the right amount of bang to jumpstart the year. A decade after her cover, she still lives up to her moniker Sexbomb Sunshine. She's a time bomb waiting to explode, and we don't mind getting caught in her flames.

36

Opening salvo

JAHZIEL MANABAT

LAST YEAR : 51

Our Master Debaters columnist is known to say and write things that make even us blush. Nothing new, though—seeing her stunning anatomy on display again and again is enough to incite the same reaction.

35 *Unicorn* ORNUSA CADNESS

LAST YEAR : 46

Ms. Cadness hasn't been prolific in the biz lately, but head out to whatever hot music festival/happening club and there's a good chance you'll see her.

Most likely you'll still do a double take and nudge your bro saying, "Si Ornusa oh!" And as long as that keeps happening, she belongs on this list.

34 *Our favorite secret* DANITA PANER

NEW ENTRY

Pleading guilty to a-boozee-a-day, plus Emperor and C2 whenever she gets the jitters, without having the faintest trace of beer belly in sight is a mystery. Just

like how Danita transforms from cute to sultry (and topless) in the span of a cover photoshoot. Mysteries are sexy.

LAST YEAR : 73

Those who've been following *FHM* closely know that we don't normally bet our money on practically unknown cover girls. But once in a while we meet ladies like Chloe Dauden, whose smoldering appeal first caught us when she posed for last year's

Bikini Heaven special. When she appeared next in a sweet-meets-sexy *Ladies' Confessions* shoot, we knew she had it coming. A proper *FHM* cover was in order, and when it came, expectations were quickly met.

AIKO CLIMACO

★ NEW ENTRY

In our *Bioman*-inspired three-cover insert extravaganza, she's Pink No. 3. Don't know who *Bioman* is? Don't bother. It's just an '80s Japanese robot they probably made out of cardboard in the TV show. Aiko, on the other hand, is all high-tensile steel—light yet sturdy. Oh yeah, she can do splits all right. With those legs? It would be a waste of body parts if she couldn't.

Naughty business
ANGELICA PANGANIBAN

LAST YEAR : 12

Question to those who say Angelica is not sexy: Assuming those old leaked BTS bikini photos were real, would you not want to make love to her then? The answer: No. She was and is delectable, and that's a fact.

29

First lady
SUNSHINE CRUZ

LAST YEAR : 30

For us here at *FHM*, it took a big ball of Sunshine to lead us to where we are now. As the first Pinay covergirl, she was the start of all things sexy and beautiful, and it will take a higher power to cast a bigger shadow.

31

Irreplaceable
KATRINA HALILI

LAST YEAR : 27

Famed for *contrabida* roles, we can only imagine what could have been had Katrina decided to go full bad gal 'n walking-around-in-sheer, girl-kissing, shade-throwing, hot mess mode. It'll be great, we promise.

HOTTEST GIRLS OF ROCK

Bringing sexy back
YAM CONCEPCION

LAST YEAR : 36

A drummer turned "new" cover girl in 2012, whose dangerous curves easily got stuck in our heads. After a controversial role in *Rigodon* and a spot in a TV series, Yam truly is the new sexy.

26

The real deal
RYZA CENON

LAST YEAR : 15

Easier on the eyes than that other Ryzza, who we are a bit surprised to hear is named after our dirty dancing queen. No idea if that kid will be half as desirable as Ryza grown up, but we expect that she won't be the last Ryza-inspired bun to be popped out of the oven.

27

Thoroughbred
DIANA ZUBIRI

LAST YEAR : 54

With some girls, it gets to a point where we don't even need them to get scantily clad at all to get our heart rates up. While we admit, Diana's naked image has never left the spank banks of a generation, seeing her all prim and proper now is just a whole different kind of sexy treat.

25

Gal pal
JEFF GAITAN

LAST YEAR : 31

Our favorite mental image of Jef Gaitan: scantily clad in only a robe, noisily egging on co-stars Aiko and Sunshine to take everything off at their January cover

shoot. That epic shoot and resulting cover is thanks in large part to this girl's feisty, game-for-anything energy (and yeah, the rest of her too, of course).

24

Permanent residence
AUBREY MILES

LAST YEAR : 39

Still here. And probably will always be. If this almost unbroken streak continues, is it right to imagine what Aubrey would look like when she turns 70? There is no law prohibiting any sort of thought like this, is there?

22

Tourist trap

RITZ AZUL

▲ LAST YEAR : 28

Have you ever been to Misibis Bay? We hadn't even heard of it until Ritz's show. Now we have these irrational thoughts of going there and finding not her, but well-endowed babes like her—knowing full well that we'll probably run into a bunch of sunburnt foreigners instead.

23

Always a pleasure

EHRA MADRIGAL

▲ LAST YEAR : 26

Spotting her turn as a scintillating *diwata* in GMA's *Indio* was enough to make us forget a girl like her is probably ready to get hitched soon. Probably. We hate long-time boyfriends.

21

In the fast lane

MAJA SALVADOR

▼ LAST YEAR : 14

If her hit song "Dahan-Dahan" is to be believed, Maja Salvador likes it slow and steady. (Note: YouTube it. Now.) Drenched as she may be for the pop tune, she also heated up TV screens as a delusional mistress in *The Legal Wife*. She can't fool us. Maja isn't slowing down. Not one bit.

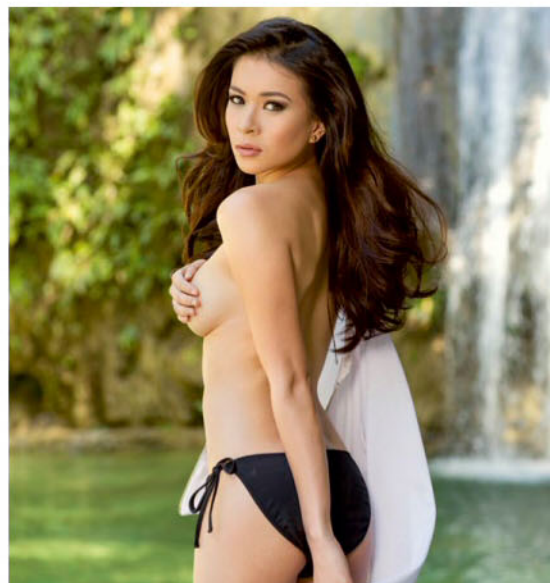

20

Age of consent

MEG IMPERIAL

▲ LAST YEAR : 37

Last year's *Ladies' Confessions Celebrity Diaries* cover was proof that Meg was built for seduction. Though she has a virginal beauty, her pictures conjure fantasies of unbridled passion. She knows what she wants. She knows what she's doing. She knows how to play the part.

19

Sweet deliverance

LJ REYES

▲ LAST YEAR : 21

Every time *FHM* has a big event we end up calling LJ to perform. She never just shows up to get the job done, but also hypnotizes the

crowd with her smooth moves and magnetic smile. She delivers. LJ will always be a keeper and that's why we've got her on speed dial.

22 ROY MACAM; 21 JAY TABLANTE; 20 EJAY LEUNG; 19, 23 DOC MARLON PECJO

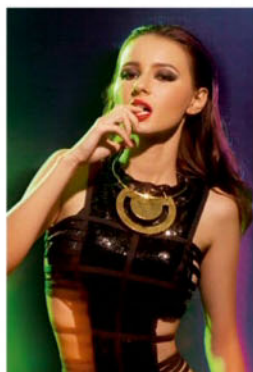

17

Courtside queen
MICHELLE MADRIGAL

▲ LAST YEAR : 18

The worship of athlete's WAGs isn't that big locally yet, but in other countries, these sideline sights rival actual sport coverage. We're starting to catch on though, and Mitch is undisputedly our Victoria Beckham.

15

In character
LOVI POE

▼ LAST YEAR : 11

Lovi's onscreen effectiveness can be attributed to that air of mystery in her deep-set eyes (inherited from her late, great father). And with her dusky sex appeal (an edge over milky-skinned peers) she's the leading lady that's both believable and fantastical.

14

Multi-faceted
ALODIA GOSIENGFIAO

▲ LAST YEAR : 20

Just where does Alodia come from? She could be Japanese, or Chinese, or anything that takes her fancy. Is she a cartoon? You know she likes to be and you know your imagination likes it better that way.

18

Chosen one
KIM CHIU

▲ LAST YEAR : 22

We're dead jealous of Xian Lim. They've done movies and covers together, can be seen canoodling on Instagram, and are super sweet during interviews. We'd like to have the opportunity to have all those things and more (especially the cover part).

16

White lights
JACKIE RICE

▼ LAST YEAR : 9

In the never-ending debate between *morena* and *tisay*, the latter have the weapon of mass destruction in the form of Jackie Rice. She's been keeping low profile lately, but we don't doubt she'll blow us away when she pops up.

13

Final fantasy
JESSY MENDIOLA

▲ LAST YEAR : 24

If we're talking fantasies, here's an *FHM* favorite: Jessy, in her simple-girl shorts and T-shirt, walking into *FHM* HQ, telling us she'd love to be on the

cover many times over—then buying us a huge pizza and a bucket of beer. Each. Then she just lets us stare at her without feeling freaked out.

12

Noise maker
VALERIE GARCIA

▲ LAST YEAR : 19

Be it catching us off guard in her latest *FHM* cover interview ("I've been painting"), or wowing us with the unexpected ("I sold one painting for P100,000"), Bangs makes it a point to send shockwaves to her fans eagerly waiting for her next surprise act.

11

Hello, sweetie

HEART EVANGELISTA

📅 LAST YEAR : 23

She's come a long way from her MYX VJ days, but Heart, no matter how much of a seasoned actress she's become, or however many New Pogi men she's captivated and cozied up to, still remains such a sweetheart. It pains us to just look at her. Now it's only a matter of time before we finish saving up for the surgery that will turn us into Chiz Escudero.

Hot!

10

...and spicy

JINRI
PARK

▲ LAST YEAR : 13

Sure, it was a sad day when Jinri decided to leave the country she's held in thrall with her quirky-hot Korean sexiness, but we dealt with our grief (and sated our Jinri addiction) by playing where-in-the-world-is-Jinri via her IG. And while she's totally working her coats around Europe and her *pambahay* in Korea, there's only one outfit we wish she'd wear again: a soaked T-shirt on the *FHM* cover.

9

*The voice of the
Philippines*

ANNE CURTIS

▼ LAST YEAR : 8

We try to be honest in all our declarations here in *FHM*, so if you ask us if we can take Anne's singing, we'll have to say we can't. How we knew that is simple, really. We just thought—if we were Erwann Heussaff and it's night and the room is filled with Anne's sensual workings and then she breaks out into song—and it so happened that her thing is to sing as her bells ring. Would Erwann survive? He has, hasn't he? So we're changing our answer: Yes, we can take Anne's singing.

8

It girl

ELLEN ADARNA

LAST YEAR : 7

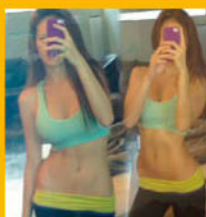

Had we known that she wasn't really going home for good to fulfill her duty as condo heiress, we wouldn't have gone through all that trouble of finding a whole other life in Cebu just to stalk—er, get closer to the former Internet sensation. We say “former” because Ellen’s luscious turn in *Moon of Desire* is an obvious signal of finer things to come.

ELLEN ADARNA'S GUIDE TO WORKING OUT

1 Make sure to wear light clothes...

2 And don't forget to take a pre-workout selfie...

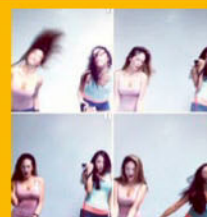

3 And a workout #ootd

4 Don't forget that stretch beforehand!

5 It's best to exercise with a partner.

6 But it's also fun when you're with a friend!

7

Good feeling

ALICE DIXSON

▶ RETURNING

Can you feel it? Yes, we can feel it! Can you really feel it? Yes, we can feel it! Can you really, really feel it? Yes, we can feel it! Can you really, really feel it even though it has been 27 years since that 1987 soap commercial? No gout? No nerve aging? No heart disease? No stroke? No erectile dysfunction? Yes, we have all of that but damn it, YES, we can still feel it for Alice!

Siren of all trades

SOLENN HEUSSAFF

LAST YEAR : 6

Solenn is one of the non-negotiables on this list, and it's easy to see why. A sexy siren, a dancer, a TV host, a comedienne, a fitness buff, an *FHM* cover girl—she could be a CGI character and she'd still make it here. Don't we all have CGI Solenns in our heads all the time?

5

Baby come back

CRISTINE REYES

LAST YEAR : 5

One problem we have about Cristine is that we know—you know, everybody knows—she'll be part of this list for a very long time, and yet each year our art department is scrambling to find a new photo of hers to display in this booklet. So Cristine, here's a proposal: How about we renew our vows with a spanking new cover soon?

4

Two of a kind

JENNYLYN MERCADO

LAST YEAR : 4

While seeing a glammed-up Jen don six different sexy swimsuits in the rustic beaches of Anilao definitely made our pulse race, the *Rhodora X* star was just as alluring wearing ripped shorts, her hair up in a messy ponytail post-work as she told us about her encounters with sharks. It's a uniquely Jennylyn Mercado skill to make our knees go weak either way—but we're totally digging fresh-faced and friendly Jen.

BU PASCUAL

3

Beauty that moves

ANGEL LOCSIN

LAST YEAR : 3

So now that the whole *Legal Wife* scandal is over, who do we blame for all our misfortunes? Angel? We can't do that. It's in every man's written contract with her that she allows us to worship her only if she remains untouchable. And she still is. Having said that, we also can't blame our *kabit*—it's also stated in our contract with her that she only gets the good things: the condo, the car, the weekly groceries...so that leaves us with no one to blame but ourselves for wanting it all.

2

Good addiction

SAM PINTO

LAST YEAR : 2

The fact that Sam is pretty much the face of mankind's favorite drink must be triggering some sort of Pavlovian response in us that we can't help but forever prioritize her in the "happy place" and "things I want to do" categories of our minds. Blame it on the brand's marketing executives. But no, really, blame it on Sam.

Long live the queen

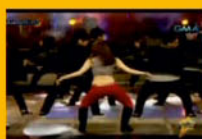

MARIAN RIVERA

LAST YEAR : 1

The first time she allowed us to immortalize her on our pages, the public's reaction was unparalleled. A standard had been set and Queen Marian claimed the spot that was rightfully hers. The second time around, she was the quintessence of elegance and daringness, melding the two for a sophomore outing that affirmed her reign. Now, here she is again, carving out a peerless legacy as the first ever three-time Sexiest in the Land. It hasn't been done. Not until now. Consider her a trailblazer for boundless possibilities.

DANCE FLOOR FIRE!
