It's *The Hangover Part III*!

Welcome! Hangovers are something we know plenty about at *Nuts*, which is why we've dedicated this issue to what should be the funniest film of 2013 - and the final outing for Alan and pals - *The Hangover Part III*! Farewell fellas - thanks for the laughs!

Nuts NEWS

EXCLUSIVE!

Crikey! It's *Hollyoaks* Topless!

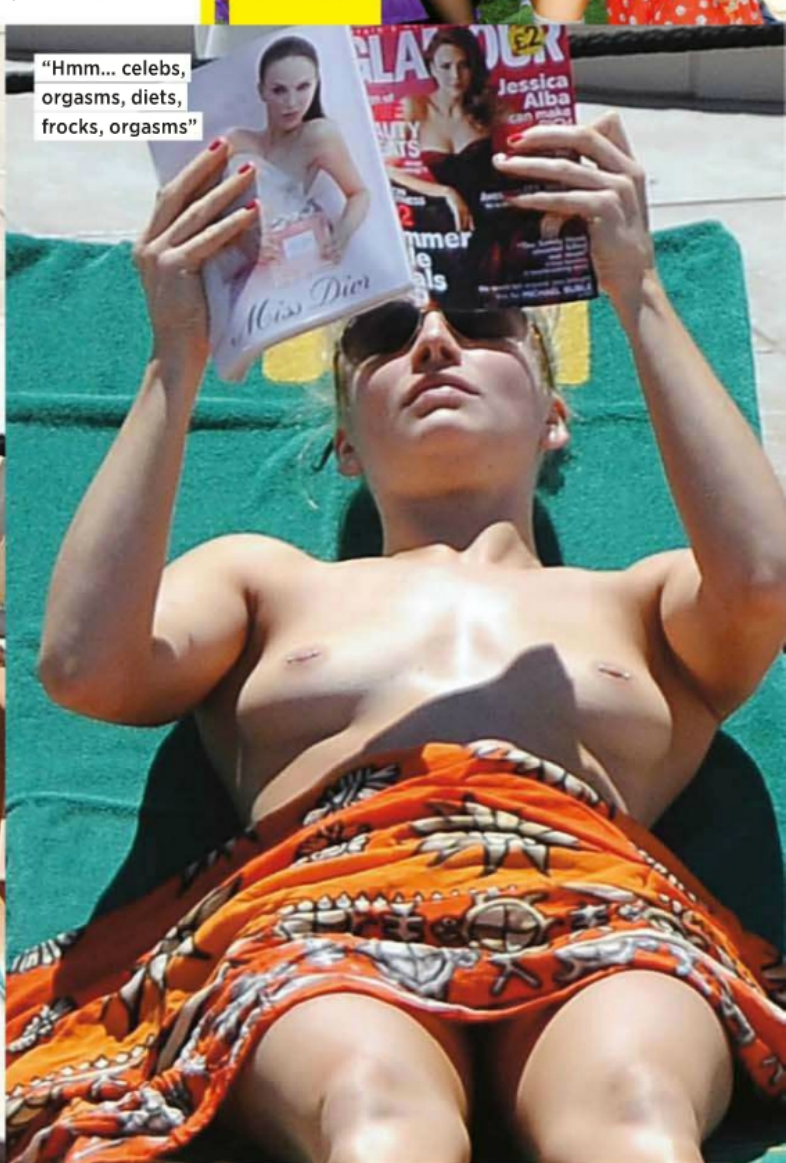

Summer comes early as the girls get booby in the Balearics!

IT'S A HARD life being a leading lady in a soap opera, as the girls from *Hollyoaks* so amply demonstrate here. While the rest of the luvvie world was dodging the British weather at the BAFTAs last week, Jorgie Porter, Jennifer Metcalfe, Holly Weston, Nikki Sanderson and Lucy Dixon caught some rays in Ibiza. And as you can see they decided to leave, not just their troubles at home, but their bikini tops, too. Bravo!

TOP TELLY TOTTY!

Hollyoaks has been bringing us some of the hottest women on TV since it started way back in 1995!

"Hmm... celebs, orgasms, diets, frocks, orgasms"

Gran Turismo 6: first look!

The ultimate racing game's been facelifted!

➔ IF YOU haven't played *Gran Turismo*, you've either spent the past 15 years in a nuclear bunker or have a phobia of exotic motors. The driving series has sold over 70 million copies, and when number six arrives this Christmas on PS3, it'll be the biggest and best yet. Here's the inside track!

IT'S GOT 1,200 CARS!

Even the most spoiled footballer couldn't get sick of that garage, and we're hardly talking ragged-out Astras either. Motors from Ferrari, Lamborghini and Bugatti are all on the menu along with... er, pretty much every other car ever made.

Car's acne was getting out of control

THE CARS LOOK BETTER THAN EVER!

You'll have noticed the adaptive tessellation going on over that bonnet, and in those headlights, too. *GT6* pushes the PS3 even harder than its predecessor – the tech at work to render the cars is as impressive as the gubbins behind the real-life vehicles.

One glimpse of Lucy Pinder and car was smitten

YOU CAN PIMP YOUR RIDE!

Customising your car in *GT* used to mean simply banging on a supercharger. With thousands of aero mods and rims available in *GT6*, you can now turn the work of art from the Nissan assembly line into a monstrosity of Homebase car park calibre.

The road sweepers had been nothing if not thorough

IT MIGHT TURN YOU INTO AN ACTUAL RACING DRIVER!

Just ask Jann Mardenborough. Two years ago he was playing *GT5* in his bedroom. This year, he's racing in Formula 3 thanks to the GT Academy programme that picks the best virtual racers, straps them into real cars and turns them into pros.

"You will let me know if I take on too many sponsors, won't you?"

ITS MAKER GOES RACING FOR REAL!

Series creator Kazunori Yamauchi is no slouch behind a real wheel. He's taken part in a four-hour endurance race around the Nürburgring, and says his experience, along with a truckload of data the team collected, will feed back into *GT6*.

"Got to turn round, quick - I've left the blinking iron on!"

IT'LL BE EVEN BETTER ON PS4!

Bummed-out that it's not all shiny and next-gen? Don't be. That version's coming too, as Yamauchi tells *Nuts*: "We do have a PlayStation 4 version in mind. But for this holiday, we thought it'd be best to release the PS3 one." We can't wait!

George Michael had been out for a drive again

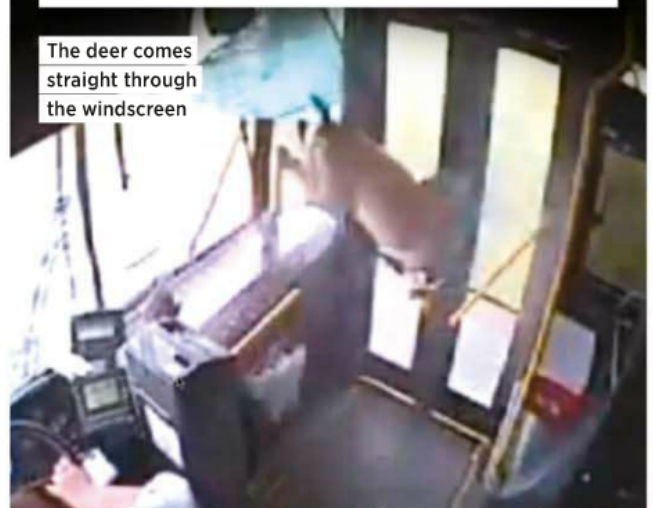

Oh deer!

Careless Bambi takes on bus. Loses!

➔ **BEING A deer** is usually simple. One minute you're jumping through a field in search of berries, the next you're rutting with a gnarled old stag on *Autumnwatch*. Easy.

Sadly, things got complicated for this one when it crashed headlong into a speeding bus in Pennsylvania, USA. The poor deer freaked out for 30 seconds after the collision, but was unharmed and alighted when the driver opened the doors. It's not known if he paid for his ride.

THE HANGOVER
PART III
SPECIAL!

STU!

ALAN!

PHIL!

All-new *The Hangover* Part III gags!

We've had a peek at *The Hangover* threequel and it's all kinds of awesome!

Marshall (John Goodman):

"Leslie Chow stole \$21m from me and I figure the Wolfpack has the best chance of finding him. Doug is my insurance."

Alan (Zach Galifianakis):

"Can't you take Stu instead?"

Marshall: "You introduced a virus into my life called Mr Chow and he f**ked me in the ass!"

Alan: "He does that from time to time."

[In the aftermath of losing Doug. Again.]

Stu (Ed Helms): "Do you even know what's going on?"

Alan: "Yes, I do. Phil's doing all the work and you're standing there like an idiot."

Alan: "Try reading a map."

Stu: "Try reading anything. Ever."

Alan: "Try not having such big horse teeth!"

Phil (Bradley Cooper):

"We miss you so much."

Mr Chow: "You miss Chow?"

Stu: "We 'ruv' you, Chow!"

Phil: "What have you been doing in Tijuana?"

Mr Chow (Ken Jeong):

"F**king. Doing blow."

And, ooh, I got into cockfighting!"

Alan: Ooh, cockfighting... that sounds wonderful!"

Stu: "You've seen a man get shot and your brother-in-law threatened but you're worried about finding your phone?"

Alan: "I have over 60 apps on that phone! Do you have any idea how many man-hours it would take to restore them?"

Cop: "Is your arrest record accurate?"

Alan: "Masturbating on a city bus? Yeah, that was me."

"I think you'll find this bus is stopping at the Arndale Centre"

"It's OK - we'll get back in as soon as the Bieber song finishes"

Phil: "What the f**k is wrong with those chickens?"

Mr Chow: "They're angry. All I feed them is cocaine. And chicken. Ha-ha!"

[After Phil and Alan have abseiled down the side of Caesars Palace Hotel on knotted sheets.]

Phil: "I wasn't gonna let you go! You're my boy."

Alan: "And you're my man."

[Talking about Cassie, played by Melissa McCarthy.]

Alan: "She's my soul mate and my new best friend. And she lets me mount her - which relaxes me. Relax, Doug, it's normal! I've seen you mount my sister several times."

Alan: "I had this strange email. I think it might be from Chow."

Phil: [reading from Alan's phone] "Alan, I'm close by. Tell

no one. Chow.' This says it's from Chow. Alan, how did you not know this was from Chow?"

Alan: "At the time I thought it was Chow like 'Goodbye'. You know like... ciao! Arrivederci! Papa John's!"

Alan: "When we get together, bad things happen and people get hurt."

Mr Chow: "Yeah. That's the point. It's funny!"

[Mr Chow sniffs Stu's butt.]

Stu: "What the f**k is that?"

Mr Chow: "We're dogs. I'm saying hello!"

Alan: "I can't believe my daddy is dead... I can think of so many people I'd rather have died first. Like my mother."

Unmanned super drone takes flight!

Terrorists, beware: the Yanks have a new toy!

➔ **IN JANUARY**, we showed you pics of the X-47B, the US military's newest unmanned drone. Now, the 62ft-wide craft has made its first take-off – catapulted from the deck of the USS George HW Bush aircraft carrier.

What makes the X-47B such a departure from other drones is its ability to fly to

a pre-programmed target on its own, making course corrections when needed.

It may not be able to fire without human instruction yet, but with a range of 21,000 miles and the capacity to carry 4,500kg of ordnance (or “bombs” to give them their fun name), you don't want to say bad things about its mum.

Let's make it "Sir David"!

As Becks retires, it's time for his knighthood!

➔ WITH THE sad news that David Beckham is retiring from professional football, we feel the time has come to honour the player that's stands for everything that's right about the English arm of the beautiful game.* The

best way to do it? By asking the Queen to give David a knighthood – after all, how many of those anonymous bankers and civil servants really deserve their gongs? Just cut out the letter below, sign it and send it to Her Maj today. She'll do the rest.

★ Nuts ★

Dear The Queen,

We are humbly petitioning you to please make David Beckham a Knight Of The Realm – with a sword and everything. Why? Well, first there's THAT goal against Greece in 2001 which secured a place for England in the 2002 World Cup – heralding a moment of national joy and booze-filled afternoons off.

Then there's his title-winning performances for Manchester United, Real Madrid, LA Galaxy and PSG. Has there ever been a better striker of the ball? Finally, let's not forget his contribution to male fashion and hair poncery. And as every lady can tell you, there's not a man alive who looks better in a pair of underpants.

We hope you'll take these factors into consideration and make David a Sir!

Yours,

Insane Lambo gets lift off!

Lamborghini's 50th birthday present to itself – a monster that looks like an Apache 'copter!

- Sometimes, a candle-covered cake doesn't cut it. Half a century in the supercar business is something to be proud of, which is why Lamborghini has treated itself to this little gift.
- This is the Egoista, a single-seater with a cockpit that mimics that of an Apache helicopter gunship. It doesn't

have any doors, but a forward-hinging bubble roof. You have to step on the bodywork to climb inside, due to the central driving position.

- Drop down into the seat (upholstered in orange, hex-shaped quilting), pull down the canopy roof and you're in an orange-tinted world with carbon-fibre panels

WORDS: JONNY SMITH

Mancini cheered himself up with a modest leaving gift

Car had been slapdash
with the factor 30

instead of carpets, a bow tie-shaped steering wheel and floating gauge pod.

- On top of the pod is a heads-up display and a gun sight, presumably nicked from the same Apache that influenced the rest of the interior. But the Egoista doesn't feature any weaponry, unless you count a 5.2-litre V10 as a firearm.

- Taken from the Gallardo model, the mid-mounted engine has been poked to pump up its horsepower from 552bhp to 592bhp, with an estimated top speed of 210mph, while the car weighs around 1,000kg.

- The Egoista doesn't have any spoilers, but instead uses active flaps – the type you see

on jet plane wings. And you know the flashing lights on the wing tips of airliners? The same tiny LED lights are used on the tail and front end.

- It's covered in military-grade radar-absorbing paint, but no one will ever discover if it repels speed guns, as it will never be sold or leave Lambo's clutches.

My mind keeps wandering!

I love my missus to bits, but the only way I can finish during sex is if I think of other girls. Does this mean deep down I don't fancy her? It's confusing me!

CALVIN Peterborough

This is common. I've done it and I know loads of other people who have, too. Coming needs lots of concentration. It's only natural to fantasise about the untouchable, restricted and out of bounds. As long as you don't carry out any of these fantasies in reality, you're in the clear. Just make sure you don't call out the wrong name!

LETTER OF THE WEEK!

I need lady-love tips!

Do you have any decent tips for practising going down on a girl? I know some ladies use bananas to simulate giving head - is there a lady-bits equivalent?

KURT via email

I'm thinking on the spot here, but why don't you use a grapefruit? Cut it in half, sprinkle some sugar over it... But the best practice you're going to get is on the real thing. Find a female friend who's eager to learn, too and create a friends-with-benefits scenario. And always remember, fingers and tongue, fingers and tongue...

a surefire hit to get loads of sex with impressed ladies. What should I take up?

HARRY Liverpool

Tennis is good. Girls love clean white socks and a strong

swinging arm. Perhaps you should train to be a coach, then you can teach girls how to give the perfect serve and, of course, there's the tennis skirt. Imagine the loud groans!

Right time of the month?

Even if it's a lady's time of the month, can she still have sex? My girlfriend insists it's OK, but I worry it's not right. What's the score with this?

BEN Sheffield

As long as you're prepared for your bedroom to be a bit messy, go full steam ahead with it. Sex for a girl on her period is some pretty fantastic stuff. She'll be feeling extra horny and at the peak of hormone city. And that means multiple orgasms. Be sensual, kiss her goosebumps and bite her thighs.

THE BEARDY
JESTER SPILLS THE
BEANS ON
THE HANGOVER
PART III

Howdy Zach!
Is playing
The Hangover
hero Alan again
a bit like pulling
on a pair of

comfy old slippers?

It's never been hard being Alan at all. I don't know what that says about me. Maybe that's how I really am. But in the real world, society holds me back with the fear that if I'm that crazy I won't get anywhere in life.

But people bloody love you these days, right?

Ha! Every week someone will say to me, "Has anyone ever told you that you look like the fat guy from *The Hangover*?" And then they'll go, "No offence." So I'll just say, "Oh, I'm not offended because I'm not him and he'll never find out about this." People are usually nice and fun. But when you're stuck with someone and all they wanna talk about is you... it's a weird relationship.

Do fans always expect you to be a bit of an oddball like the characters you play?

It's weird that in this day and age sometimes people just don't get it. Nobody ever

thinking, don't all these people have something better to do?

Do you get loads of showbiz schmoozing tips off Bradley Cooper?

Bradley and the guys love it and all have good attitudes – they're professionals. But I'm just tongue-in-cheek. I think it's funny to run from teenagers and not be nice to them. Even if I'm playing a part, they'll have a good story to tell their friends. "Zach Galifianakis was an asshole!"

So, in this outing of *The Hangover*, the Wolfpack find themselves embarking on a mental road trip. How's Alan doing?

Alan's having some trust issues. He's a spoilt child and people are kind of afraid of him, so they're nice to him. Chow – like anybody Alan meets – is his best friend. Chow likes him but knows he can manipulate Alan into doing crazy things for him. Chow breaks their trust, so it's a darker ride this time.

We also see that Alan acquires a giraffe. That's a bit weird. What's the weirdest thing you've ever bought?

Well, I live on a farm in North Carolina and I bought bees. Soon I'm gonna start making my own honey.

What's a typical day on your farm like, Zach?

It's a place where I can be a man. If I see a black bear, one of the things I like to do is creep up to it, get on its back and ride it around. We have a couple of giraffes, but they don't get along with the dinosaurs.

Really? Oh, hang on a minute...

Ha! No, seriously there's nothing to do. No TV. No cell phone. We just sit around and hit each other with sticks!

Did you see that new Lamborghini Nitro tractor? Surely you can afford one of those bad-boys?

Wow! They're impressive but I couldn't have anything that has a Lamborghini badge on it. I'd feel too guilty.

Did you have a Wolfpack-style gang when you were a kid?

I was the leader! I lived near a cornfield and we'd play by the creek. Then something happened. But I'm still close to them.

Zach facts...

- Zach started out playing stand-up gigs in coffee shops. He worked as a nanny and a cleaner to support himself.
- His first acting job was in 1996 college-based sitcom *Boston Common*.
- A New York comedy club tweeted Zach last week and jokingly asked him to come in and work a shift. They were left stunned when he actually showed up.
- According to his *Hangover* co-star Bradley Cooper, Zach has a crippling fear of heights.

ZACH GALIFIANAKIS

Er, we daren't ask! Has marriage changed you?

I didn't expect it to, but there was a difference – in a good way – when it was official. I don't need the church or state to tell me I'm in love but I'm enjoying it so far.

A lot of people might not have seen your stand-up routines. Are you still on the circuit?

I still play the clubs I started at. I'll just show up at open mic nights and try a few jokes. And I'm planning to do some stand-up in London.

Do you have a favourite line to use on hecklers?

"You're young, dumb and full of cum. This is not about you and your loud mouth. This is about me. And my f**king beard!"

Zing! What's the secret to delivering a great gag?

The element of surprise. I like to make people laugh and then make them feel bad that they laughed at it.

Several *Nuts* girls have told us that they fancy you and that being a funny bloke makes you attractive...

I'd like to see that f**king evidence!

Give us some pulling advice.

Don't try too hard because women can smell desperation. It's better to creep in. Women have great bullshit detectors. If guys are nice, making a girl laugh won't harm your chances, but being a gentleman's a good route.

Thanks, Zach! Finally then, where do you see a crank like Alan in 20 years?

Ah, *Hangover 16*! Alan will still be making the same mistakes and probably have nine children. If we all reach 90, I would, for sure, do another one. No one would care but it would be fun, wouldn't it?

- *The Hangover Part III* is in cinemas from Thursday.

went up to a scarecrow and said, "Oh, you're not a scarecrow in real life?" You know what I mean?

Have you got used to working the red carpets now?

I either giggle my whole way through it because I can't believe how bizarre it is or I just get agitated. It's never like, "Oh, this is nice!" I find myself laughing so hard and

From world-class goals to world's worst barnet, the 2013 votes are in!

MATCH OF THE SEASON READING 5 ARSENAL 7

A 12-goal thriller that enthralled right to the very last, with Theo Walcott bagging himself a hat-trick. Reading were 4-0 up after 37 minutes, and 4-2 ahead after 89!

RUNNER-UP: CHELSEA 5 MANCHESTER UNITED 4

THEO WALCOTT

"I've never been involved in anything like that! The boss told us at half-time that we had to start playing. We showed what we could do and never gave up."

CHRIS KAMARA SAYS:

"Sir Alex wasn't going to allow his team to lose the title on goal difference again, and it was RVP's goals that made the difference. Arsene will rue not keeping him."

PLAYER OF THE SEASON

ROBIN VAN PERSIE • MAN UNITED

He may not have won the title back for United single-handedly, but RVP's first season as a Red Devil was still nothing short of a revelation.

RUNNER-UP: GARETH BALE • TOTTENHAM HOTSPUR

SIGNING OF THE SEASON

MICHU • SWANSEA

A runaway victory for Swansea's star man, with the £2m it took to prise him from Rayo Vallecano buying his team a hatful of goals. His real name is Miguel Perez Cuesta.

RUNNER-UP: ROBIN VAN PERSIE • MAN UNITED

Hi Michu! What a season for you! It's been great. We won the Capital One Cup, and we've done it playing good football.

How have you found playing in the Premier League?

For me, it's better than La Liga because all the stadiums are always full. English players are a bit more physical though.

Are you enjoying life here?

Yes, I'm very happy in Swansea with the staff, the club and my team-mates. Thanks to the *Nuts* readers and Swansea supporters! ▶

CHAMPIONSHIP PLAYER OF THE SEASON

THOMAS INCE • BLACKPOOL

Ince Jr has shown every sign of following in dad Paul's footsteps, so much so that his club have slapped a £25m price tag on his head! Expect to see him in the Prem soon.

RUNNER-UP: WILFRIED ZAHA • CRYSTAL PALACE

Hi Tom! How does it feel to be named as the Championship Player Of The Year?

It's fantastic. As a team, we'd liked to have done better, but on an individual basis, it's nice to top it off with an award.

What's next for your career?

There was a lot of interest in me in January, but I'm going to take it step by step.

What's it like playing for a club with your dad as boss?

It's great. For him to get back in the game is fantastic and I've been fortunate enough to have played for him before at Notts County.

MICHAEL LAUDRUP:

"Thanks so much for this award. It means a lot as it's been voted by fans all over the country."

MANAGER OF THE SEASON

MICHAEL LAUDRUP • SWANSEA CITY

Last year's winner was also a Swansea boss, and Brendan Rodgers is a tough act to follow. But Michael went one better, guiding the Swans to the Capital One Cup.

RUNNER-UP: SIR ALEX FERGUSON • MAN UNITED

LIFETIME ACHIEVEMENT AWARD
MICHAEL OWEN

He announced his retirement earlier in the season after 16 pretty glorious years, but Michael can look back on a glittering career full of honours and a fair few wonder goals!

Hi Michael! Congratulations on the Lifetime Achievement award. Does it feel weird receiving an award like this? Thanks! It's not something I expected, so it's great to get recognition for my career.

What are your personal career highlights?

It's very hard to single one out, but the one thing most people mention is when I first burst onto the scene and scored that goal against Argentina. That's probably the main thing people think about, but I've got plenty of personal memories.

So what's next for you?

I'm going to be doing a bit of television, and I'm setting up a representation company that will work with young kids as they progress throughout their careers, and hopefully uncover some of the next generation's top talent!

CHRIS KAMARA SAYS:

"What people forget is this lad's a full-back who doesn't get many goals, let alone goals like this. Great technique. I bet he hasn't done that in practice!"

PREMIER LEAGUE GOAL OF THE SEASON
MATTHEW LOWTON • ASTON VILLA VS STOKE

One of Villa's band of exciting young talents, Matt stunned the Potters with his astonishing looping volley in April. He has also, in his time, played in the Hungarian league!

RUNNER-UP: GARETH BALE • SPURS VS NORWICH

Hi Matt! Any thoughts on being our goal of the season winner?

I'd like to thank the readers of *Nuts* for voting for my goal. I was concentrating on my first touch, but as soon as it sat up, it needed hitting. It's the best goal of my career. I think the timing made it better. We'd just conceded to make it 1-1 and the crowd were up, but that just shot them back down again and we went on to get the third and the three points.

Did you honestly think it would go in from out there?

I thought it had got a chance as soon as it left my foot, but it was so far out and I didn't know the keeper's position. As I hit it the guy in front of me blocked my vision so I lost the ball, but I saw the net bulge and the crowd go wild. It was nice when the points were so crucial. ▶

NUTS FOOTY AWARDS

CHRIS KAMARA SAYS:

"An incredible talent, and he hasn't even had the best of seasons thanks to a couple of injuries. He'll be back and at his absolute best next season, mark my words."

YOUNG PLAYER OF THE SEASON

JACK WILSHERE • ARSENAL

Despite losing a lot of 2012/13 to injury, Jack proved what we all suspected in a stand-out performance against Brazil – he's a player the England team can be built around.

RUNNER-UP: ROMELU LUKAKU • WEST BROM

CHRIS KAMARA SAYS:

"The thing about Angel is, he's come up from League One and so has that down-to-earth nature that not all footballers possess. It was a truly human gesture."

UNSUNG HERO

ANGEL RANGEL • SWANSEA

Angel stunned pretty much all of us when, during the biting cold snap earlier in the year, he and his missus drove around Swansea handing out food to the homeless. A genuine hero.

Hi Angel! Tell us about the night we're celebrating today.

Me and my wife were in Starbucks.

They were closing and they had lots of sandwiches that we're going to go in the bin, so we asked if we could take some for homeless people.

Then what happened?

We drove around but couldn't find any homeless people, so put an appeal on Twitter. We ended up at a charity hostel and handed the sandwiches to the people there. We're going to do it on a regular basis.

It seems to sum up the spirit at Swansea.

The whole team here are grounded. I've had regular jobs. I'm just a normal guy.

So you're happy?

Yes! I'm married to a Welsh girl and have three kids. And they're Swansea fans!

BEST TV SHOW

MATCH OF THE DAY • BBC ONE

Gary and the boys fought off stiff competition from Sky's flagship shows to regain their TV title. Not bad for a show that celebrates its 50th birthday next year.

RUNNER-UP: SOCCER SATURDAY • SKY SPORTS 1

Hi Gary! Do you have a message for the *Nuts* readers who voted *Match Of The Day* the show of the season?

You're the nuts! We're thrilled that you have such brilliant taste.

What makes *Match Of The Day* such a brilliant show?

I think highlights just work with football. To get the whole package of all the games on a particular day. The fact that we now have highlights of every single game makes a massive difference.

What's been your favourite moment of the season?

I think I'll go for that Van Persie goal against Aston Villa. It was a great goal that summed up the enormous influence he's had.

Where will this award go?

It would have pride of place at my gaff, but I'm sure the producers will snare it!

FANS OF THE SEASON PORTSMOUTH

Yet another relegation for Pompey, but their fans rallied around the club they love – and saved them from ruin.

RUNNER-UP: WIGAN ATHLETIC

BEST TV PUNDIT

GARY NEVILLE • MONDAY NIGHT FOOTBALL

Gary took to punditry like a Frenchman to surrendering and retained this title by some margin!

RUNNER-UP: CHRIS KAMARA • GOALS ON SUNDAY

FUNNIEST MOMENT OF THE SEASON PETER ODEMWINGIE • WEST BROM

He drove all the way to London to sign for QPR, only to find that they didn't want him and he was locked out!

RUNNER-UP: NATHAN DYER'S WEMBLEY STROP

RUNNER-UP: STEVE MORGAN • WOLVES

NUTS FOOTY AWARDS

PHIL PARKINSON, MANAGER

"It's always nice to see your hard work appreciated and I'd like to thank *Nuts* for giving us this award. What we have achieved is unprecedented."

TEAM OF THE SEASON BRADFORD CITY

They redefined the term "giant killing" on their way to the Capital One Cup final, shrugging off Wigan, Arsenal and Aston Villa. We love an underdog at *Nuts*!

RUNNER-UP: SWANSEA CITY

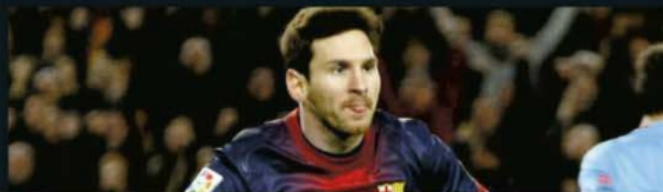

CHRIS KAMARA SAYS:

"Make no mistake, if the Player Of The Season awards had been handed out at Christmas, this lad would have won. And he can't get in the Spain team. Unbelievable!"

MOST VALUABLE PLAYER JUAN MATA • CHELSEA

A new award to recognise the player who scores them and provides them with equal relish. As scorer or provider of 40 goals this season, Juan's stats don't lie!

WORLD PLAYER OF THE SEASON LIONEL MESSI • BARCELONA

Phenomenal. He shattered Gerd Müller's 40-year-old record for goals in a year, scoring 91 for club and country.

RUNNER-UP: CRISTIANO RONALDO • REAL MADRID

DODGIEST BARNET GERVINHO • ARSENAL

BETH!

Beth Humphreys

Hello Beth! What have you been up to lately?
Hello! I've been going to the gym a lot. And I have loads of uni coursework to do.

How does it feel to be fronting your first-ever *Nuts* shoot?

It's so cool. It means I've arrived. I'm so excited. I love shooting for *Nuts*!

Which girls have caught your attention today?

Charlotte Springer is amazing. She's the most gorgeous girl.

On the day of a sexy shoot like this, do you give your boobs any special treatment?

Yes, but nothing too extreme. I just moisturise and maybe give them a massage.

Who would play you in *Beth Humphreys: The Movie*?

I'd rather play myself, but if I couldn't, I'd get Keith Lemon dressed up as a girl to play me. That would be funny. Ha-ha!

What's the most extravagant purchase you've made lately?

A pair of Christian Louboutin shoes. Maybe guys won't know what they are, but just ask any girl. They'll make you understand. And then they'll ask you to buy them some!

Do your uni lecturers give you preferential treatment because you've got cracking boobs?

No, it's all equal, which is how it should be. They don't even know I do these shoots.

What's your sexiest outfit?

My sexiest outfit is no outfit at all. I don't wear anything in bed, apart from my perfume.

Awesome! Finally, if you were in charge of *Nuts* for a week, what changes would you make?

None, because it's already the best magazine in the world! ►

**“I love Lucy Collett’s
red hair – and her
massive boobs!”**

Hollie Sparrow

H i Hollie! You have a very distinctive accent.
Hello! Well, I'm a Liverpool girl. It's a great city.

I love the nightlife, or possibly the shopping. I love shopping!

Who's your fave *Nuts* babe?

Lucy Collett. I love her red hair. And of course, those massive boobs.

When was the last time you had a rather rude dream?

A couple of days ago. I have rude dreams quite a lot!

What's the naughtiest thing you've done for a fella?

My friend dared me to flash a bunch of guys in a car on the motorway, and I did it. I was lucky I didn't cause a crash!

Describe a typical night out.

Usually, some girls come over to my place. We strip off and put our fake tan on, do each other's hair, have a few drinks, then the bar crawl begins.

Do you have a sexy outfit that always drives blokes wild?

I have a little blue dress that pushes my boobs up under my chin. Every time I wear that dress out I get free drinks all night, guaranteed.

What sort of bloke do you like?

They have to be tanned with a gym body. I think a chap should smell really good and be funny. If a man can make me laugh he can make me do anything. Well, almost!

Finally, what are your plans for the rest of the summer?

I want to go camping with a massive group of girls! ▶

BETH SAYS:
"Hollie's feisty. She strikes me as a bit of a wild child!"

“I once did some naughty things in a Jacuzzi!”

Charlotte Springer

H

ello Charlotte!
How would you describe yourself?
I'd say, "Hello!
My name's

Charlotte, I'm 23, and I'm from Essex!" Ha-ha! I mainly do modelling but I'm also a trained hairdresser.

Is this your first time in *Nuts*?

Yes! Everyone wants to be in *Nuts*. It's the biggest and best!

Thank you! What's the best thing about today's shoot?

Beth Humphreys is such a babe. It's also good to meet the other sexy girls.

Are you a bit overwhelmed by all the boobs?

There are a lot of big boobs on show, but it seems I'm around boobs a lot these days. I'd love to do a shoot with Lucy Pinder.

When was the last time you had a rather rude dream?

The other night. If they're vivid I remember bits and pieces throughout the day.

What's the naughtiest thing you've done for a fella?

I did naughty things in a Jacuzzi in Turkey once.

What are your best features?

I'd say my big brown eyes, but other people would probably say my big boobs. Or my bum.

What music are you into?

I love house music. I'm an Ibiza addict – I go every year.

Does that mean you'll be popping over there soon?

Of course. For me it's all about partying half-naked and sunbathing! ▶

BETH SAYS:
"This girl's gorgeous. She has everything!"

**"I love being
surrounded
by boobs
and bums!"**

Jo Parker

Hello Jo! Are you excited to be shooting in *Nuts*?
Yes! I'm so excited, and a bit nervous.

I don't know why though – I've done modelling for a while now. Beth Humphreys is so hot, and really nice, too.

When you're surrounded by boobs on a shoot like this, do you get a bit overwhelmed?

No. I love being surrounded by boobs and bums. I'd love to do a shoot with Rosie Jones. That girl has everything.

What's the naughtiest thing you've done for a fella?

I once made a sexy video of myself, then played it for my fella when he came home, while I did rude things.

Describe a typical night out.

It usually takes us so long to get ready, but then we go out, drink, dance a lot and make fools of ourselves.

Do you have a sexy outfit that drives blokes wild?

Of course! Doesn't every girl? My sexiest outfit is an all-in-one crotchless set.

What sort of a chap do you like?

Someone taller than me and well-toned, who can make me laugh. He also has to be presentable, but not snobby.

What do you get complimented on most?

My legs and bum, definitely. And guys always say that I have a cute laugh.

Thanks, Jo! Finally, what are your plans for summer?

I'm heading off to Marbella for a couple of months on a working holiday! ▶

BETH SAYS:
"A beautiful girl. Great legs. She'll go a long way!"

**"I once
had sex
by some
sand
dunes!"**

Laura Hollyman

Hello Laura! Where are you from?
I'm from Walsall. We're known all over the world for producing leather. We make great saddles!

That's good to know. Are you a country girl or a city dweller?
Countryside, definitely. I love being outdoors and spending time with my animals.

Awesome! Are you excited to be shooting for *Nuts*?
Absolutely. It's amazing. I've been in the mag before, but this is the biggest shoot.

What's the best thing about the shoot today?
Being with all these fit girls is a lot of fun. There are a lot of great boobs on display.

Who's your fave *Nuts* babe?
Lucy Pinder's the best, but I love Rosie Jones, too. She just has that great "girl next door" look about her. Gorgeous.

When was the last time you had a rather rude dream?
I have them all the time. In the last one, I had sex on the beach. I actually had sex in a car behind some dunes once.

Are you wild on a night out?
We usually get pretty crazy. We do loads of dancing and tend to hit the shots early.

Describe your ideal bloke.
Someone taller than me with a nice smile with the ability to show their feelings.

Finally, what romantic advice can you give a chap?
Easy. Tell girls how gorgeous they are all the time.

BETH SAYS:
"Laura looks amazing. Her best feature is her boobs!"

Hayley Sams

H i Hayley! Introduce yourself to the *Nuts* readers. Hello! I'm from Bedfordshire and I'm training to be a nail technician.

What's the best thing about today's shoot?

It's my birthday! Shooting for *Nuts* with all those sexy girls is the best birthday present a girl could ever ask for.

Happy birthday! Are you a bit overwhelmed by all the boobs?

No. I'm used to being around girls in their underwear now.

Would you ever be tempted to instigate a huge, topless food fight to spice things up?

Well, we've just had strawberries and chocolate, which was sexy. We could have had quite a bit of fun with that!

Who's your all-time favourite *Nuts* babe?

Lacey Banghard. Great name, great personality, great figure!

What's the naughtiest thing you've ever done for a fella?

I like parading around wearing just my skimpiest underwear and a pair of high heels.

If all the *Nuts* babes were to make a movie together, what would it be like?

It would be something like *The Hangover*, but based in Ibiza.

Describe your ideal bloke.

Tall, dark and laid-back.

Finally, what are your plans for the rest of the year?

I want to go to some festivals and Ibiza!

"My ideal bloke is tall, dark and laid-back!"

BETH SAYS:

"Hayley's lovely. And, phew, what a great figure!"

Russell Howard's Good News

BBC THREE • 10pm

Fresh-faced he may be, but the comic's take on the week's events is always just close enough to the bone to make us giggle. A mystery guest will also be joining him, but as the identity's a mystery, we're not sure who it'll be. Obviously.

Being Human USA

WATCH/HD • 10pm

This latest US remake of a top Brit show continues to entertain. Following the lives of a group of, erm, interesting flatmates, tonight, Sally's taken to a haunted hospital so she can meet other ghosts, while Josh has a date a bit too close to a full moon.

Luther

ALIBI/HD • 9pm

If you missed this when it originally went out on the BBC, watch it now - it's blooming excellent. Idris Elba is DCI John Luther. He hunts nutters and killers, and some might say he's as potty as those he puts away. Luther's back at work having taken time out after catching a serial killer, only to meet Alice. Did she kill her parents?

THE HANGOVER PART III

The Wolfpack are back for more "mayhem and bad decisions". As ever, they just can't keep an eye on Doug. John

Goodman's character holds the key to a plot that's all about road-trip madness: "Leslie Chow stole \$21m from me. I figure the Wolfpack has the best chance of finding him. Doug's my insurance." Zach Galifianakis and Ken Jeong are great! ★★★★★

10 RUDE QUESTIONS!

And a real girl to answer them!

Kaylee

20 Essex

1 Where's the strangest place you've had sex?

"Once, I was whisked away to Wales on the spur of the moment. Me and my fella parked the car and went for a long walk through the fields and along the mountains. I don't know why, but the view turned me on a bit. It felt like the perfect place to have open-air sex, so we did, and it was totally worth it!"

2 What's your trademark move in the bedroom?

"I've been told I'm really good with my mouth and lips. I'd go into more detail, but I can't give my naughty secrets away!"

3 What really turns you on?

"A turn-on for me is a man who can take control. I want a real man who can throw me around the bedroom when the situation calls for it. Also, I like wearing matching underwear. No matter where I am, if I'm wearing matching underwear, I feel sexy and a bit kinky."

4 What's your favourite position?

"Apparently, I have a nice bum, so one of my favourite moves has to be the reverse cowgirl. From my point of view, it's good to have the control and it feels absolutely amazing. But I think it's also very important to change positions a lot to keep things exciting."

5 Is it better to give or receive?

"I have to say give. It's one of my specialities. There's no bigger thrill than knowing you're turning someone else on. Plus, it's great to have that feeling of power it brings. But I wouldn't refuse being on the receiving end either!"

6 What one thing would you really like to try but haven't yet?

"I still haven't got around to having sex on the beach. I'd love the rush of knowing we could get caught at any time. Either that or the mile-high club. Both involve the possibility of being caught, which probably says something

about my character, so either would work fine with me!"

7 Have you ever got it on with another girl?

"Not yet, but it doesn't mean I wouldn't give it a try! Actually, my motto's to always try everything life has to offer at least once. Life would be quite boring if you didn't, don't you think? Besides, how do you know you don't like it if you don't give something a go?"

8 What's your sexy outfit of choice?

"I have a thing for saucy costumes. I have one for just about every occasion, and a lot more besides. Do I have to choose just one?"

PHOTOS: NIGEL CRANE

9 Ever made a sex tape?
“No. I’m up for anything, but what goes on in the bedroom should be for my man’s eyes only.”

10 What’s the rudest thing you’ve ever done?
“Well, answering these has made me realise how saucy I can be! I’m really just a bit naughty though.”

Ladies, got a saucy secret you can't keep to yourself? Send your sexy story to our Lou!

'We had girly holiday fun'

MY FRIEND and I went travelling in my camper van last summer. It's small and cosy, so we had to share a bed. After a night out in a French bar, we'd crashed out and I was dozing off when suddenly I felt my mate stroking my legs and boobs. Instead of pushing her away, I put my hands around her face and kissed her. Soon we'd torn off all our clothes and I was moving my lips down her naked curvy body until her legs were over my shoulders, and I licked her until she screamed in immense pleasure. We experiment quite a bit now!

Lauren London

'I showed off for him'

DURING THE recent sunny spell, my neighbour kindly offered me the use

of his outdoor pool while he was away on business. I had a day off so I thought I'd take the plunge and skinny-dip. The cold water felt so good on my naked body. As I was relaxing and sunning myself by the

pool, I noticed a guy staring at me from the balcony of some flats opposite. I wanted to hide at first but then I got turned on at the thought of him watching me. I decided to put on a show for him, pretending I hadn't seen him, so I settled on to my sun lounger and started to play with myself. I wonder now who else could have been watching!

Stef Chigwell

'I revealed my tiny thong'

MY BOYFRIEND and I decided to go bowling one Sunday night. As we sat down to put our shoes on he started rubbing my thigh and telling me how sexy I looked in my new skintight jeans. We sank back in the big cushioned booth, where he kissed me and whispered naughty things in my ear. He made me feel horny so I teased him, unbuttoning my top to reveal my cleavage. When I got up to bowl, I eased my jeans down a little to reveal my tiny thong as I bent over. After my go, I turned round and his mouth was wide open. I walked towards him and leant over, giving him another eyeful. I sat on his lap and loved the feel of his hardness through my jeans. The sexual tension was getting too much, so we abandoned the game and raced back to his place!

Mimi via email

'Rudeness in the rockery'

I'VE BEEN seeing this guy who works as a gardener for the local parks. He'd been working at the back of a large park, making a rockery. When I walked over to see him, he was working hard and his body glistened with sweat. I gave him a cheeky grin, rubbed my hands over his chest and planted a smacker on his lips. He held me tight and didn't stop kissing me. I was soon feeling really horny and forgot where I was or who could be watching. His hand went up my top and he pulled one of my breasts from my bra with one hand and started sucking my hard nipple. I rubbed his stiffy as he put two fingers inside me, and it felt so naughty that we could have got caught at any time. Our naughty fun carried on inside his work shed!

REASONS TO SUPPORT MUNICH!

1 They are, let's face it, probably going to win.

2 Bayern Munich have four former Premier League players – Arjen Robben and **Claudio Pizarro** (who both played for Chelsea), and Daniel van Buyten and Jerome Boateng (both Man City). The only Borussia Dortmund player to have played in England is Liverpool failure Nuri Sahin.

3 One of Munich's most notable stars is the adult film actress **Briana Banks**.

4 In 2005, when their Champions League final opponents were at the brink of financial collapse, Bayern loaned Dortmund €2m to pay their wages. Lovely!

5 The quality of life is so high and the crime rate so low that Munich is often called "Toytown".

6 If Bayern win, they've a chance to complete the domestic treble against VFB Stuttgart in the DFB Cup final on 1 June.

7 Bavaria is the **sausage** capital of Germany, and therefore the world, boasting such delicious bangers as bierwurst (peppery, usually eaten with beer), weisswurst (veal and bacon) and gelbwurst, known as "the mother of all sausages".

8 Munich is home to the Oktoberfest, probably the best booze festival in the whole world.

9 The jeans designer **Levi Strauss** lived in Bavaria. If you like classic jeans, be a Munich man for the night.

10 Bayern is basically a southern posh club, so if you support Chelsea, Arsenal or Fulham, you've found your German twin.

"Oh heck, I've just remembered it's my anniversary today"

10

REASONS TO SUPPORT DORTMUND!

1 Manager **Jürgen Klopp** was formerly a pundit on German TV channel ZDF. Basically, imagine Alan Hansen taking a club to the Champions League final and you have the idea.

2 A popular local dish is **Himmel und Erde**, a mix of mashed potato, apple sauce and bacon or black pudding. The name means "Heaven and Earth". And it sounds lush!

3 They're the underdogs, and nasty Bayern have already bought one of their best players, **Mario Götze**.

4 They have players and staff with amusing names, including **Sven Bender**, **Julian Koch** and physio **Peter Kuhnt**. Snigger!

5 They were on the brink of bankruptcy in 2005. Pompey fans, embrace your German equivalent with hope.

6 Dortmund is twinned with **Leeds**. So you've found your team if you're a Leeds fan! If you're a Man United fan, this is probably a reason to support Bayern.

7 They're a northern team with an exciting young manager and can't quite compete with the top teams' financial clout. Liverpool fans, meet your German double (except they still win the occasional trophy).

8 The local beer, **Dortmunder Export**, is rather delicious.

9 In Robert Lewandowski, one-man destroyer of Real Madrid, they have possibly the most exciting striker in European football.

10 Munich is in **Bavaria**, the region where Hitler spent much of the Second World War. We're just saying.

Froch: 'I'll fight until my hair goes grey!'

The Cobra talks to *Nuts* about the Kessler fight!

Hi Carl! You're fighting Mikkel Kessler again, this time in London rather than Denmark. Will that give you an advantage?

It makes a big difference having a big crowd behind you as the roof will lift off when I land a punch.

Having said that though, there'll be a lot of Danes in the crowd too who'll be making some noise, I'm sure, so it won't be as one-sided as you might think.

Kessler beat you last time. How much do you want to get the win this time round?

It's difficult to actually put into words how much this fight means to me. I've fought title fights back-to-back but Kessler is a strong, proud man, who's got everything as a fighter. He's got guts, courage, strength – all of it, so I've got enormous respect for him. However, this is the man who inflicted my first professional defeat and I still think about that loss. He took away everything that I'd worked so hard for.

I won my title back in my next fight, but I've not had the chance to avenge my defeat against Kessler, so now I've got that chance to cement my legacy by fighting him again. I've been working hard in the gym and I'm doing what I need to do to get the win this time.

Did you feel as though you won the last fight against Kessler?

We know the fight was close last time and he beat me fair and square, but we were in Denmark then and so rounds tend to go the way of the home fighter and that's what happened. I've had some close fights at home before when you get close rounds, so there's no doubt I can beat him in London.

Was the fight always going to take place in London?

I heard that Kessler didn't want to fight me in my home town of Nottingham because ideally I would have wanted the fight at the City Ground, but it's not the case. I'm happy fighting in London and I think Mikkel is too.

You've considered it before, but if you lose this fight, are you thinking of retiring?

Well, it depends – if I can't win this fight where can I go in the sport of boxing? I said after the Bute fight I was going to retire if I lost that one, so who knows? It depends how the fight goes. I firmly believe that this is my time, though, and I'm going to win. I think the best is yet to come from

"It's just my glove, mate – why are you beating yourself up about it?"

Carl Froch. I'm 35 so I reckon I've got two years left in me. I want to fight before I've got grey hair as that wouldn't look very good, defending the title with grey hair!

Who do you want to fight when you've won this one?

The natural fight for the winner would be Andre Ward, but he doesn't make for good viewing – he's boring. He fights very close to you so it's hard to get any punches off. You've got to give him credit though, because he's very effective. It

hurt losing to Ward because he ducked and dived and ruined the fight. I didn't really enjoy it. I think I can beat him if we get the rematch, but I'm not too interested in fighting him because he's boring. The only thing is, that's a loss I could avenge, so I wouldn't rule it out from happening.

Will the Kessler fight be one big tear-up?

If I take the fight to him early on, he's going to have to have an answer. People know what they're getting with us two

IT'S A BOUT FOR THE BELTS!

The O2 Arena bout puts Carl's IBF belt and Kessler's WBA belt on the line.

"I'm going to go for the kill – I'm not leaving it to the judges!"
Carl Froch

fighters so we don't even need to sell it that much. It'll be an epic battle whichever way you look at it. It's going to be a brutal toe-to-toe fight. We're both going to stand and leave everything we've got in the ring. I have to win this fight. I'm fairly sure the tactics will go out of the window when we start tearing into each other.

Have you had to watch your diet in preparation for the fight?
I have to keep one eye on my diet, but I've got a fast metabolism so I've never

really had to worry about it too much. And I don't drink much. I'm not a big drinker, so I don't have to worry about that either.

Thanks for the chat, Carl! Finally, this is a title unification – you're both current super-middleweight World Champions. So, who's under the most pressure?

My fans are very passionate and so are his. Kessler's the David Beckham of Denmark, so the atmosphere's going to be electric. But that adds

pressure to him – this fight is gigantic in Denmark and Mikkel has the weight of the country on his shoulders. We're both fighting for pride, honour and our legacies. The fact there's two world titles on the line just adds to it. I can't wait for it. I'm going to be going for the kill and I'm not looking to leave it for the judges.

● Froch vs Kessler II is live on Sky Box Office/HD on Saturday 25 May at 7.45pm.

Kessler: the facts!

★★★★★★★★★★★★★★★★

- Mikkel Kessler is one of only two fighters to defeat Carl Froch in his professional career, inflicting Froch's first professional defeat in April 2010.
- He's been a World Champion at super-middleweight five times – three times WBA and twice WBC.

- One of Kessler's two pro losses came against **Joe Calzaghe**. The other came against Andre Ward – the only other fighter to beat Froch.
- Kessler was unbeaten for the first 39 fights of his career – his current record is 46-2.
- In his second pro fight, Kessler beat Michael Corleone, a man who shares his name with Al Pacino's character in *The Godfather*!
- His last fight, against Brian Magee, lasted just 384 seconds.
- His **older sister** is a fetish model and strip club owner with 45G breasts. There's a pic below!
- He's had a song, **A Warrior's Call**, written in his honour, by Danish metal band Volbeat.

"Bye, everyone!"

The jinx of the FA Cup!

What a tumultuous week it's been for Man City and Wigan!

➔ **IT'S BEEN** a bit of a surreal week for the two teams who contested the FA Cup Final. Man City had a lot of players on the pitch who didn't look happy to be there and the aftermath of Roberto Mancini's sacking bore that out.

We had Joleon Lescott on *Goals On Sunday* and it's clear from what he said that

Mancini wasn't a players' manager – he hardly even spoke to players one-on-one. Nobody complained about Mancini's aloof style when they won the Premier League, but it isn't effective over a long period of time.

All this is taking nothing away from Wigan, who were absolutely brilliant – it's just a shame they had to play what was effectively another

cup final against Arsenal just over 72 hours later.

I don't think most Wigan fans would swap that cup win for survival – they're in the record books as the minnows who beat one of the most expensive sides ever, but it wasn't just in the Arsenal game that Wigan fell short. Both they and Mancini are learning just how harsh football can be.

"Right, someone fill this with Tennent's Super"

Chelsea are European winners... just!

BENFICA were the better team, but it's Chelsea's name on the Europa League trophy. Rafa Benitez has done a great job and I hope Chelsea fans will recognise that he's a part of the club's history.

People took the mick out of John Terry for celebrating in a Chelsea shirt even though he wasn't playing – again! – but this wasn't as bad as the Champions League final where he was suspended. The weird one is Demba Ba getting a medal when he'd only played in the tournament for Newcastle.

Anyway, an English team has won a major European trophy, and that debate about the state of the English game can wait for another season.

Kammy's Championship play-off preview!

My ones to watch in the Palace vs Watford dust-up to end all dust-ups!

PALACE'S PRINCES!

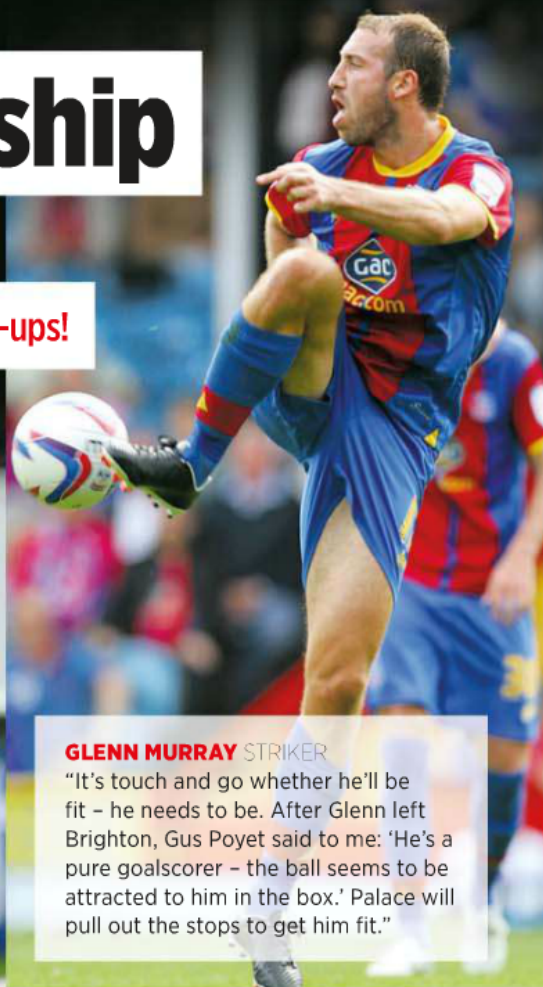

WILFRIED ZAHA WINGER

"The jury's out as to whether it's Zaha or Thomas Ince who's the best player in the second tier. Sometimes, you wonder if he knows what he's doing - his team-mates don't! But he keeps producing dazzling skill."

JULIAN SPERONI GOALKEEPER

"Over the years, Julian hasn't had the credit he deserves, but the managers he's played under will tell you he's as safe as houses. If Palace made it to the top level, he'd make that leap. A calming influence on his back four."

GLENN MURRAY STRIKER

"It's touch and go whether he'll be fit - he needs to be. After Glenn left Brighton, Gus Poyet said to me: 'He's a pure goalscorer - the ball seems to be attracted to him in the box.' Palace will pull out the stops to get him fit."

MATEJ VYDRA STRIKER

"He'd score regularly in the Premier League. Zola used him sparingly while he got used to playing Saturday-Tuesday every week, but he's good in the air, quick, sniffs out goals and makes them for himself."

TROY DEENEY STRIKER

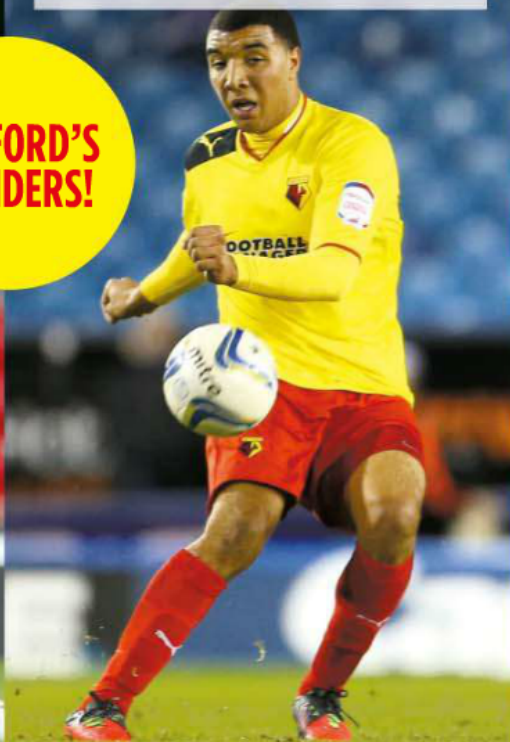

"It's well documented that he spent some time in the clink, but he's used football as a healer for himself and has worked his socks off. He always had the size and the stature, but this season he's shown he has the focus."

LLOYD DOYLEY DEFENDER

"An unsung hero. Lloyd has heart - he'll run through brick walls for you, and he works in the system that Zola plays. He's become a better player since Gianfranco took over - now he has a little bit of guile in his game."

WATFORD'S WONDERS!

KAMMY'S VERDICT

This final is much too close to call. I'm pretty sure it'll go all the way to penalties. At the end of training every single day, both managers need to arrange a penalty shoot-out competition!
