Lucy Meck's calendar shoot!

Nuts nabs exclusive behind-the-scenes beach snaps!

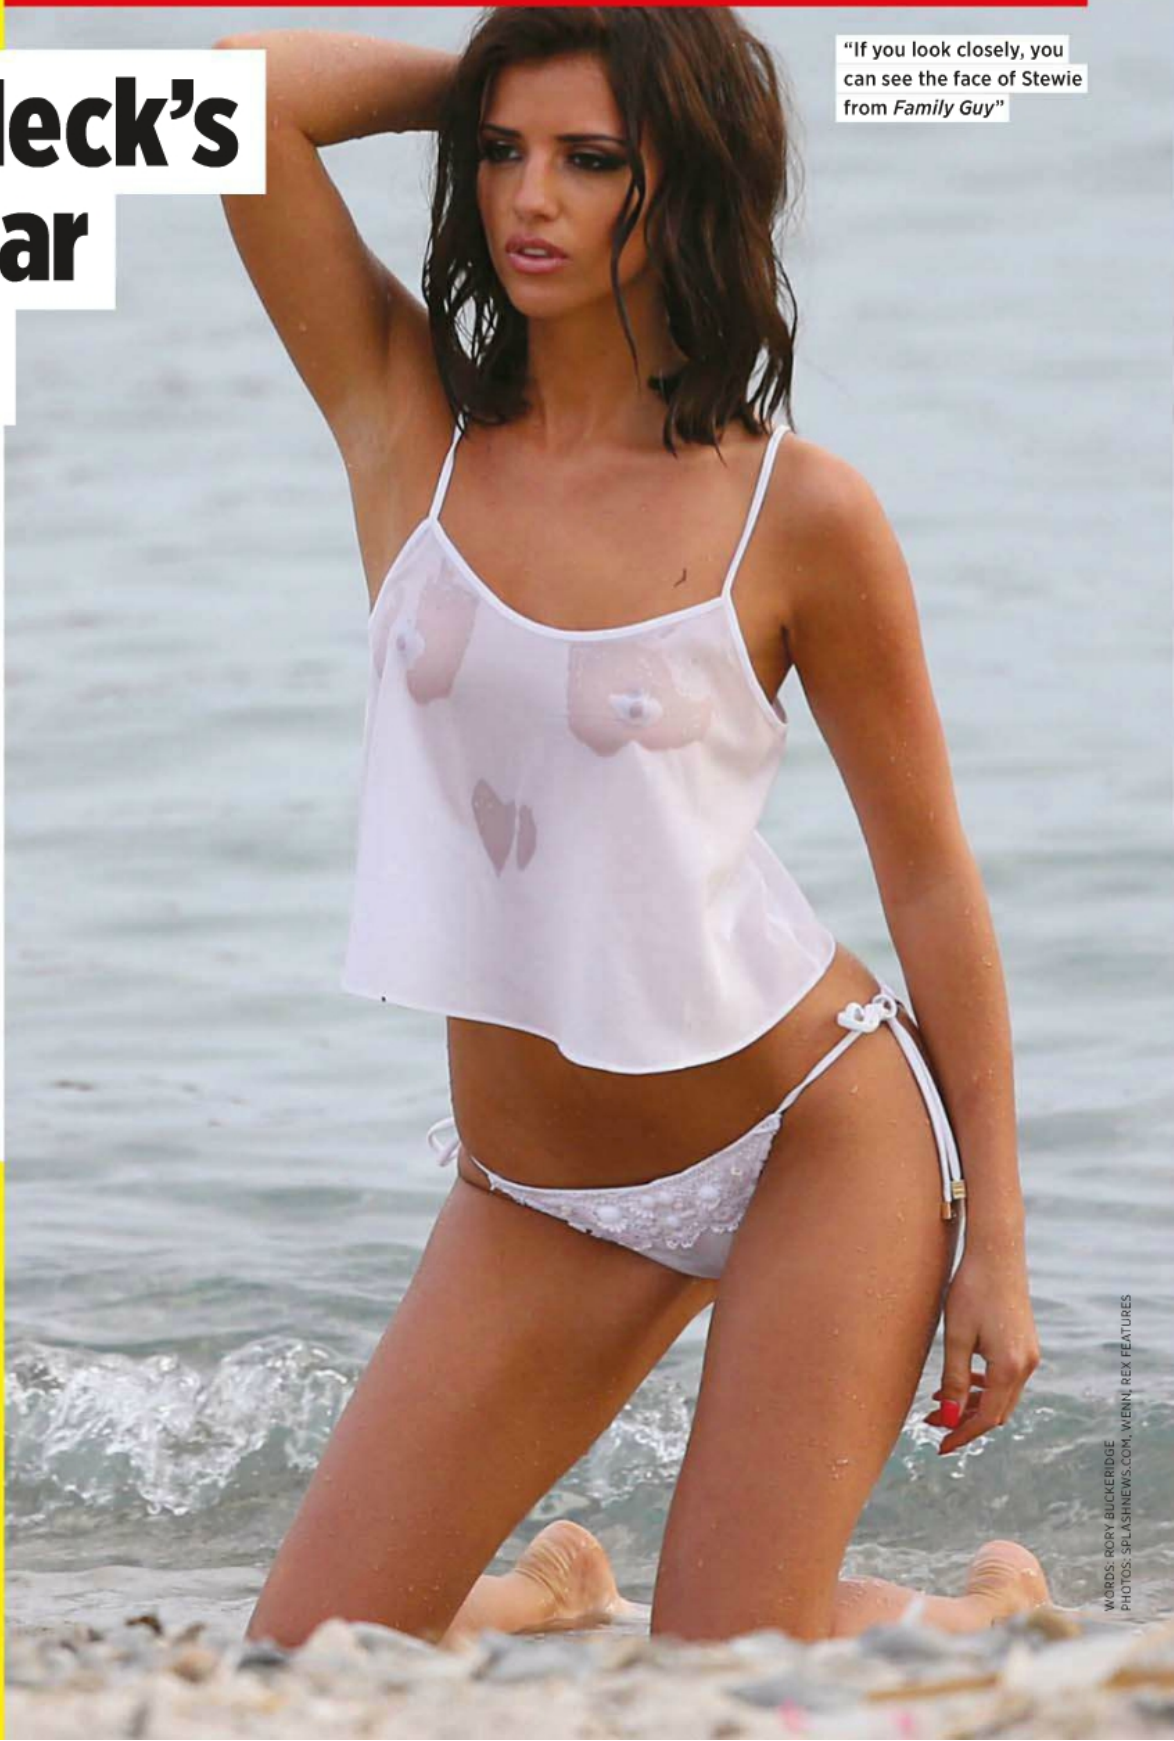

➔ **LIFE IS** topsy-turvy when you're an international lady model of repute. Look at Lucy Mecklenburgh! A week or so ago, she was in Marbs, filming the opener for series nine of *TOWIE*, then she flew straight to Nice, France, to shoot her 2014 calendar. And here are the behind-the-scenes snaps as she hand-bras, knee-paddles and sand-rolls her way to what looks like being a superbly saucy date tracker. Out in just five months' time!

"If you look closely, you can see the face of Stewie from *Family Guy*"

EXCLUSIVE!

FIFA 14 – first play!

Hands-on with the biggest footy game in the world!

THERE'S NEVER a bad time to play FIFA. And if that particular game of FIFA happens to be the brand spanking new version, which isn't even out for several more months, then all the better! Here are five things we learned from our exclusive hands-on with FIFA 14...

HOLD ON TO THE BALL!

In olden days, a ball from midfield towards the general direction of the strikers would find a team-mate. Now, a hit-and-hope pass means you're almost certain to lose the ball. If there's no pass on, retain possession.

PLAY BALL!

SCORING IS HARD!

As well as picking your passes, you have to time shooting opportunities perfectly as well. It's always better to make an extra pass than try a shot that you know, deep down, doesn't have a hope of going in. But...

Pro *FIFA* top tips!

We played producer Kantcho Doskov* and he barked out top tips...

SCORING IS AMAZING!

When you do burst the net, the feeling is like no *FIFA* game before. Because you have to work for each goal, neither scoring nor conceding feels cheap. Expect the "share" button on your controller to get a workout.

SKILLS ARE EASY!

Forget about the L trigger – just waggle the right analogue stick to pull off Ronaldo-esque trickery with the ball, and your player will bamboozle defenders with lightning fast legwork. Or, if he's Andy Carroll, fall over.

MIX IT UP!

"The shooting depends on the situation that you're in. If the ball bounces right in front of you, you could end up with a nice half-volley, with the ball rising."

PICK BAYERN MUNICH!

"If I'm playing a game I have to win, I would usually pick Bayern. The players have strength, height and speed."

USE THE ANALOGUE STICK, NOT THE D-PAD!

"We have 360-degree dribbling, which allows you to go in any angle. You get a lot more precision. If you use the D-pad, you'll miss out."

UNLOCK THE CELEBRATIONS!

"There are some funny ones. If I score an important goal, I'll probably bring out the Gangnam Style. It's really funny because all your team-mates join in."

USE YOUR BODY!

"Get between the ball and your opponent – it's a lot easier now to protect the ball. All the new animations of the players look really cool, too."

SLOW DOWN!

When sprinting, you've very little control of the ball. Gone are the days of passing it to Messi, holding R2 and blazing through whole defences. Sprint when you need to, but shield the ball when you're surrounded by the oppo.

Top Gear does Marbs!

The chaps kick off another silly race at *TOWIE*'s resort of choice!

THESE DAYS, the *Top Gear* team don't even try to keep their stunts a secret. "People of Puerto Banus," Clarkson tweeted. "James May driving through your town NOW. Get your pictures." Puerto Banus is Marbella's marina,

usually appearing in these pages when full of *TOWIE* ladies in bikinis, but last week it was host to three middle-aged chaps in double denim.

They were mid-stunt, racing from Gibraltar to the UK in shiny, convertible supercars. It's not really a job, is it?

ON THE GRID!

The team hit up the marina with the Audi R8 (left), McLaren MP4-12C (centre) and Ferrari 458 Italia (right).

JEZZA GIVES THE THUMBS UP!

It's rare that Clarkson ever has anything nice to say to Hammond but look, here he is, giving an actual thumbs up!

CAPTAIN SLOW'S SWEET RIDE!

"Watching James May drive round a racetrack is like watching tectonic drift," Clarkson later tweeted about May.

HAMMOND MEETS THE NATIVES!

Even the double denim didn't put the lady holidaymakers off chatting up The Hamster. He's definitely in there.

CLARKSON'S CORNER!

While in Gibraltar, Clarkson inaugurated a special "Clarkson's Corner" for smokers at the airport.

THE FERRARI GOES FORTH!

That's not a child on a booster cushion, that's The Hamster in his 458 Italia. Note the tiny HD camera on the windscreen.

CLARKSON STARTS HIS RACE!

This was the fun bit. Jezza later beached it at a track. "We've now got most of the gravel out of my McLaren," he grumbled.

Coach takes dip!

Driver forgets handbrake. Bus slips gently into Lake Geneva!

→ WHEN A bunch of tourists rolled up to the shores of Lake Geneva, Switzerland, they expected a few nice snaps and probably a Starbucks coffee or a Big Mac. What they got was the view of their coach, as it rolled slowly and inexorably into the cold lake water. And we bet at least one silly sod left his iPhone in the seat pocket!

The Chinese had gone too far with their new swim team

"And on the port side, we have a man about to get fired!"

IN THE DRINK!

"What do you reckon, Terry?" "Definitely a bus, Trev!"

It's the news, in cartoons!

This week: cops zap escaped llama with stun gun!

ANY STORY that boasts an angry llama that assaulted cops and had to be zapped with a Taser before it could be safely returned to its owner is guaranteed a spot in *Nuts* any week! So here it is, the absolutely true story of

Scooter – a seven-year-old llama from Tallahassee, Florida – his escape from owner Jack Conrad, and the police action that eventually led to his safe return.

Think we've been drinking? Here's the short link to the story: <http://on.tdo.com/110XxDF>.

When Jack Conrad goes to his yard to feed his pet llama, Scooter, he finds an animal-free space, so he calls the cops.

The state police locate Scooter, but he spits on and tramples the cops.

Deputy Tony Drzewiecki has no option but to use a Taser on the angry beast.

Subsequently subdued, the cops load Scooter onto a trailer and return him to a grateful Conrad.

"Are you looking at
my watermelon?"

FURRY FIGHT!

Squirrel scrap!

It's an angry rodents
throw down!

WE DON'T know the squirrel for "Come at me, bro!" but a challenge was issued and these two African ground squirrels laid the smack down on each other in South Africa last week.

The stakes were high as the prize was a watermelon. And bragging rights with the local squirrel honeys, obviously.

"And that's for
calling me
'buck teeth!'"

"Taste my tail, loser!"

Emergency landing!

Plane inadvertently becomes garden ornament!

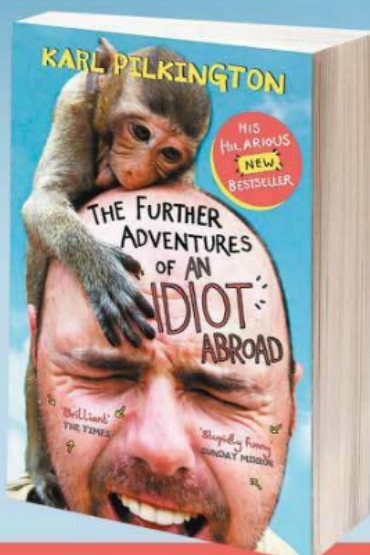

WE LIKE to think Karen Dean and her squeeze Mike were taking high tea, maybe playing croquet, when a 76-year-old pilot crashed his Cirrus SR22 in their garden in Cheltenham, Gloucestershire. The pilot was fine, if a bit wobbly, but the fir tree will be in counselling for the foreseeable future.

Porsche Speedster remake!

Boutique supercar maker recreates classic drop-top!

- Niche French manufacturer PGO Automobiles has a big crush on retro Porsches. Since the '80s, it has been playing with the classic jelly-mould 356 Speedster and this is its latest evolution, the Cevennes Water Snake.
- **First, let's talk about that name.** Cevennes is a mountain range in central France, while Water Snake is a nod to the American tradition of naming cars after snakes, such as the Shelby Cobra and Dodge Viper.
- It may have a relatively small 1.6-litre engine, but it's a small car. More importantly, it's astonishingly light – less than a tonne – partly thanks to the mind-blowingly smooth, naked blue carbon fibre exterior finish. So expect 62mph to pass in around six seconds, to a 140mph top end.
- **The original 356 Porsche didn't have a lot of power but could out-corner bigger cars and drive flat-out pretty much anywhere.** The Water Snake promises the same, mixing retro shapes with modern materials. The silhouette is old-school but the bodykit, frenched-in LED rear lights, rear diffuser and BMW-style angel eye headlights are new.

Abramovich's kids loved
their new go-kart

2013 REMAKE!

- The alloy wheels are only 18in but hit the slick design nail on the head and are wrapped in supremely sticky Michelin Pilot Sport Cup tyres.
- **Inside you'll see a leather trimmed dash, modern steering wheel, carbon fibre trim, quilted leather chairs and a centre console housing a Pioneer touch-screen infotainment system.**
- If you appreciate a mix of retro and radical evolution, rather than pub bragging performance, the Cevennes Water Snake is a credit to the Porsche family tree. And at £130k there's very little on the roads to match it.

YOU KNOW that Burj Khalifa?

Tallest building in the world. 830m high. Took five years, four months to build. "Pah!" say engineers in Changsha, China, who intend to bung up the 838m Sky City One in just 90 days! Three months for something that's 530m higher than London's Shard! Work starts in September. So they'll have put up the world's new tallest building before Man United wrap up next year's Prem.

Sky City facts!

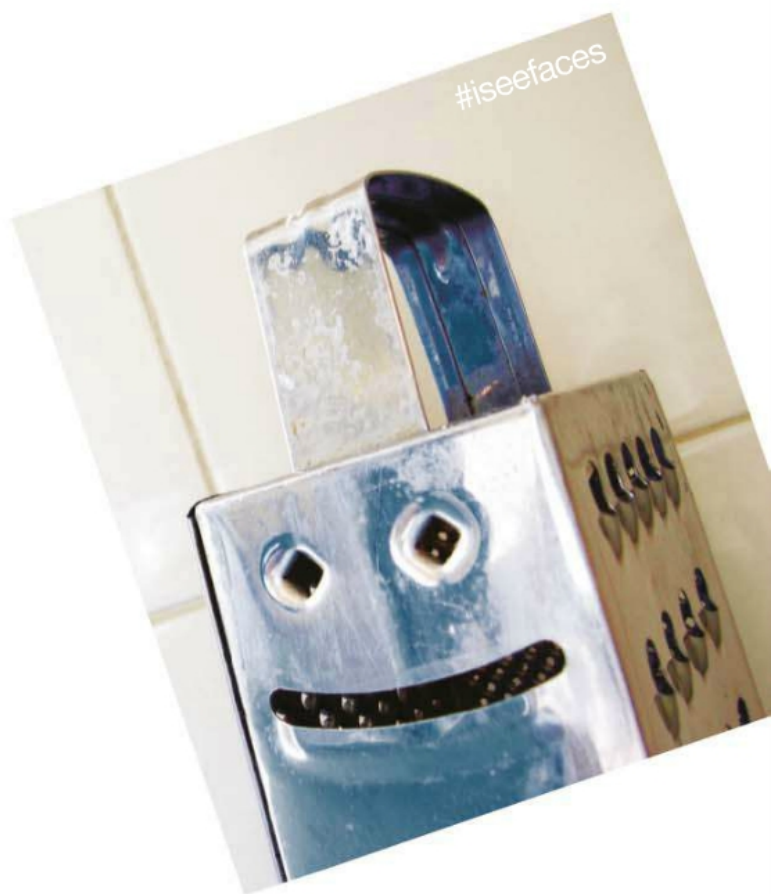

- At 838m, it'll be 8m taller than the current world's tallest, the Burj Khalifa in Dubai.
- It may be a prefab, but it won't be cheap. It'll cost an estimated £410m to knock up.
- Crammed into its 220 stories will be a hotel accommodating 1,000 guests, a hospital, five schools and offices.
- Nearly 83 per cent of the square footage has been earmarked for residential purposes, housing up to 17,000 people.

GASHED LEG!

'My shin got caught on a screw!'

Careless bloke's leg sliced open after trampolining mishap!

➔ **AFTER** A few too many beers, Drew Thomson decided to have a go on his niece's trampoline. "What could go wrong?" the Scotsman asked himself. Quite a lot, actually! "The more I had to drink, the more I was working myself up for a backflip," Drew tells *Nuts*.

"After about five minutes, I went for it. But I over-shot the mark and both my shins

smashed right onto the outside edge of the frame, with my left shin catching a screw. I thought it had just given me a really sore shin. It was only when I sat down that I realised how bad it was and then the shock kicked in. I could feel the colour draining from my face almost instantly."

And it didn't end there. It was an agonising five-mile trip to the nearest hospital, where Drew faced a 40-minute wait.

"Eventually, a surgeon arrived and I was taken for an X-ray to make sure there was no ligament damage before I was stitched up. I finally had 12 stitches, two of which were internal as the gash was so deep at the point of contact where the trampoline had hit my leg.

As a result of this gory misadventure, Drew's top tip is that alcohol and trampolines don't mix. Do you think so, Drew? Really?

HE'S OK NOW!

"The match was yesterday? Drat!"

Can I use food?

Can you recommend any foods to introduce to the bedroom to spice things up a bit?

ANON via email

First off, you should always put a condom on top of any object you insert inside a lady - keep it clean and safe. Corn on the cob, I presume, would feel ribbed. There are many potentially pleasurable phallic-shaped vegetables available. I'd stick with creams and things you can lick off, though.

Her mate's much sexier!

I met a girl recently who I really liked, but at a house party of hers, I met her best mate and I fancy her mate even more! Can I act on these impulses? It's driving me wild!

MATTY London

LETTER OF THE WEEK!

Tats are a real turn-on!

I find myself increasingly attracted to girls with tattoos. Is there any way I can persuade my girlfriend to get some sweet ink? I'm not sure she's keen on the idea, though.

ADAM Bury

I'm the same! Have you seen that Arabella girl? Hubba-hubba! You can't persuade your girl to do anything of the sort. A tattoo is a life commitment. Why don't you buy her an open-back dress and suggest she'd look fit with a henna tattoo? Henna fades after a few weeks - it'll be a good way to see if she's into it or not.

Matty, you horny little devil! The girl you met recently isn't going to like it, but that's not your responsibility. Go for the hot stuff! What have you got to lose? How friendly are they?

My advice to you is would be to exchange some naughty picture messages with her. You'll be able to judge how far she'll go by the number of nude shots she sends you.

New position problem!

What's the best way to change positions halfway through sex, without it being awkward and embarrassing? I always feel really clumsy about it.

CLIVE via email

Sex connects more with your animal instincts. Instead of planning certain positions, just roll, grab, squeeze and lift when you feel like it. Even if she's just about to climax, don't be afraid to break her concentration. Sex is about teasing, power struggles and lots of sweaty grinding.

Taking the pizz-a

Oh, and can I please have the edge of the pizza burnt badly and can you add those hard bits that break your teeth?"

The owner said, "Leave it out, son, I would never serve a pizza like that!"

"Really?" I said, "Well, you f*cking managed it brilliantly last time!"

Hello Mellisa! How are you enjoying your first ever *Nuts* shoot? It's fantastic! I grew up seeing *Nuts* in my local newsagent's!

How would you introduce yourself to the readers?
Well, I'm 21, I'm from Kent, I love DJ-ing and I love a party.

You won the Page 3 Idol comp this year. How cool was that?
Incredible. This has been the maddest year of my life.

Describe your ideal bloke.
Someone who can make me laugh and be really into me.

You have loads of tattoos. Do you have a favourite bit of ink?
I love the pin-up girl on my thigh. It was the first one I had when I was 18. Maybe it was a sign of my future to come!

Who's your fave *Nuts* babe?
Lucy Pinder. We're good mates and go out all the time. Apart from her, Holly Peers and Rosie Jones are up there.

Will you be off to a festival or two this year?
Yes – Download. I can't wait to see Limp Bizkit – they're one of my favourite bands of all time. And Slipknot.

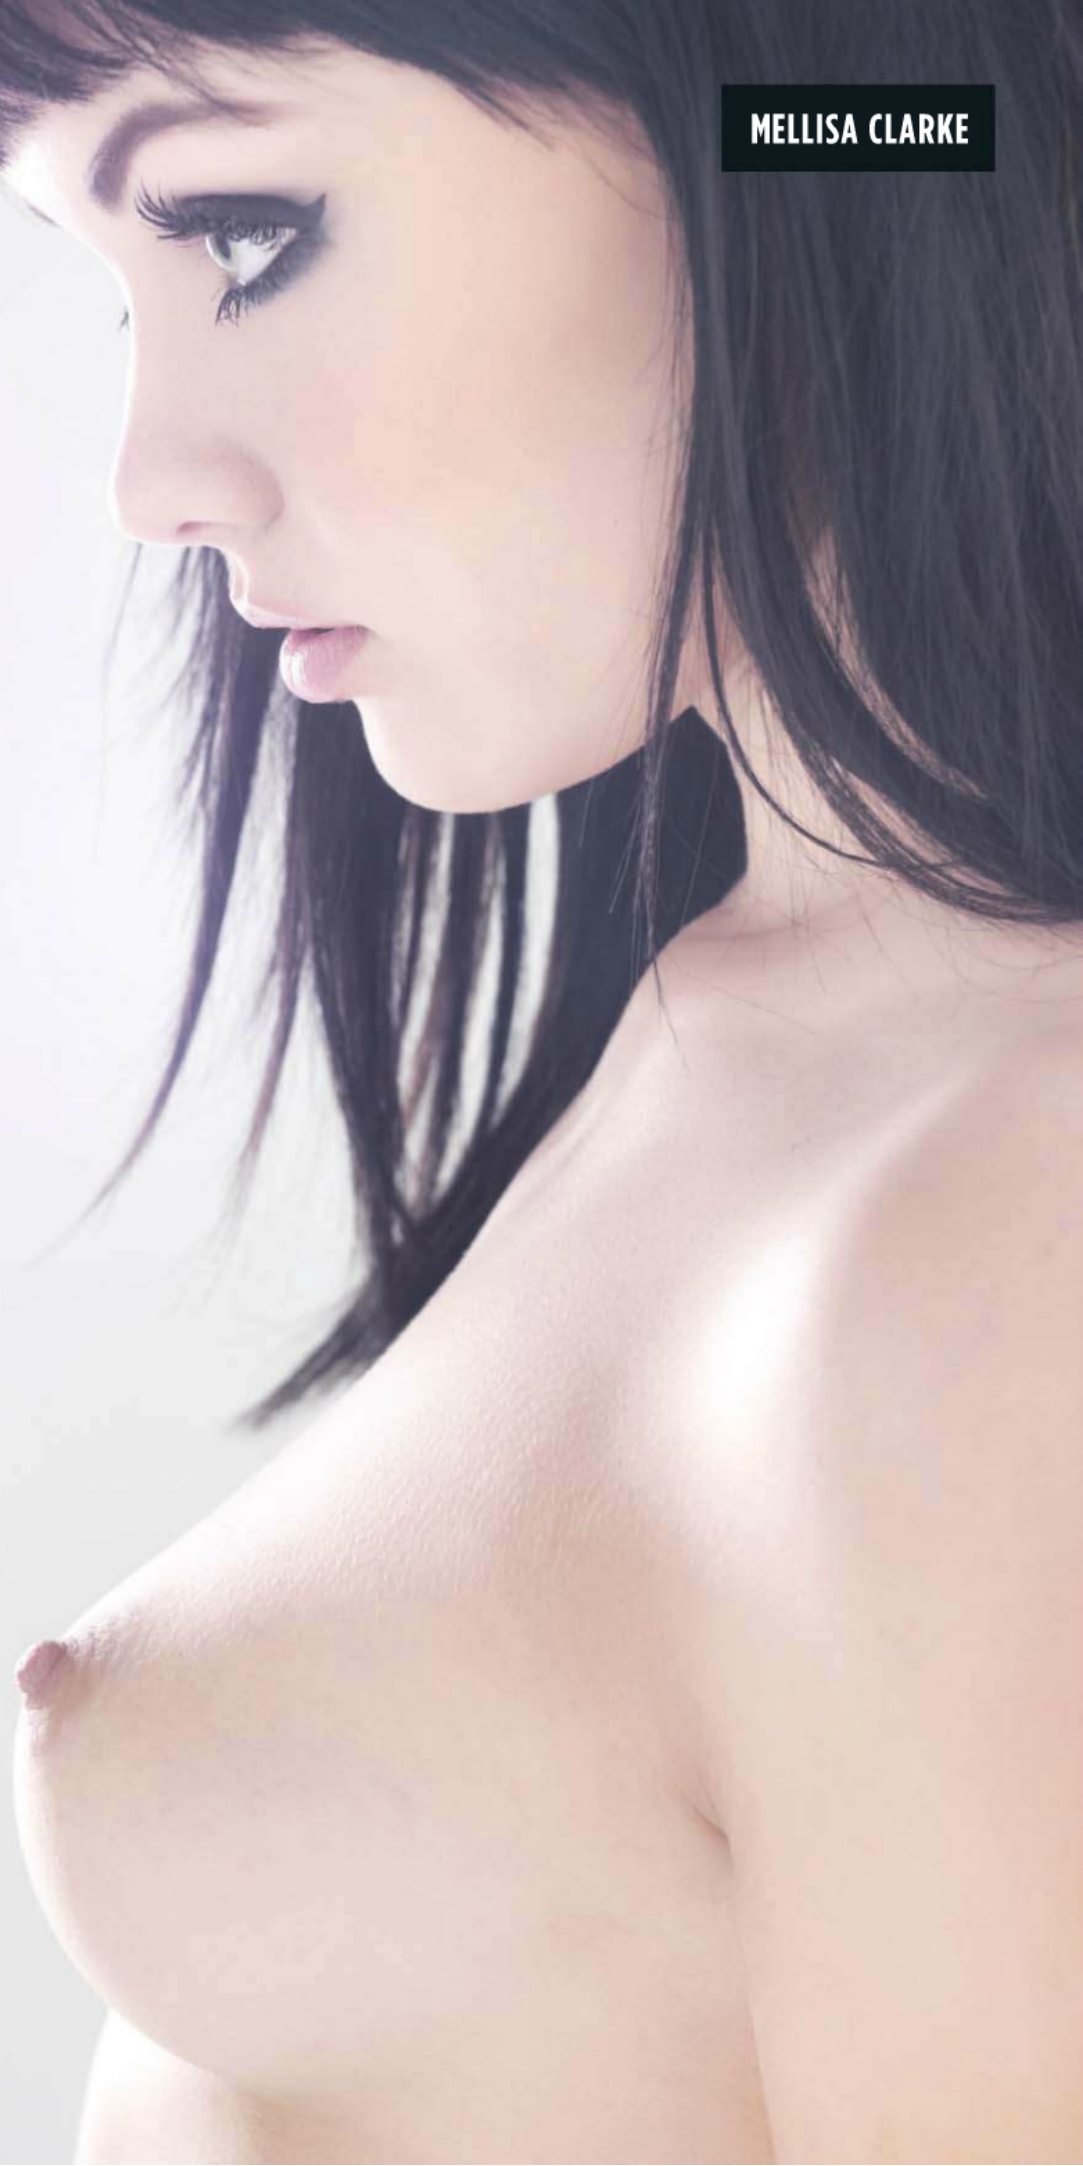

What's a good look for a chap this summer?
I usually like scruffy blokes with tattoos and messy hair.

What do you wear when you want to feel sexy?
A nice loose-fitting shirt, with nothing on underneath.

Do you have a girl crush?
Yeah, Katy Perry. She has fantastic boobs.

Thanks, Mellisa! Finally, what's your ultimate ambition?
One day I want to set up an agency looking after lots of sexy tattooed girlies! ✕

HENRY CAVILL

The Brit actor on transforming his body for the *Man Of Steel* movie!

Hi Henry! Did you find it nerve-wracking auditioning for the role of Superman?

No, because I'd auditioned for the role before, for *Superman Returns*, and you can only do the best you can. If you put too much hope on winning a role, you fast become disillusioned because in 99 per cent of the cases you don't get it.

So when you were offered the part, did you and your mates get right on it?

Ha-ha! Well, I could hardly believe it. I ran like a madman around the house, but at the same time I didn't want to be too enthusiastic as I'd been offered loads of important jobs that later never came about.

Aah, you're talking about the 007 role. You got knocked back from the James Bond job when it went to Daniel Craig, didn't you?

When I wasn't selected for Bond, I was very disappointed. I'd turned down a leading role in *300* because it was down to Daniel Craig and me, and auditioning for Bond took all my focus. The choice was between a younger Bond and one closer to his 40s, which is to say, Daniel Craig. But I've seen what Daniel did and I think the Bond producers made the right choice. He's fantastic.

The fetish club was raided again

How tough was training for the Superman physique?

I'd worked out a lot for the TV show *Immortals*, so I was in good shape. Still, my trainer changed my body for *Man Of Steel*.

It was about two-and-a-half hours of training a day, pushing my body beyond its normal limits, putting on a lot of muscle. And I was on 5,000 calories a day!

You're from the Channel Islands. Was it hard doing an American accent for *Man Of Steel*?

Doing a US accent is about exercising the muscles in your throat and

your mouth. Sometimes it can sound great for a long period of time, sometimes your inflection's wrong. As long as you have a professional watching

over you, telling you when you do something wrong, it can seem effortless.

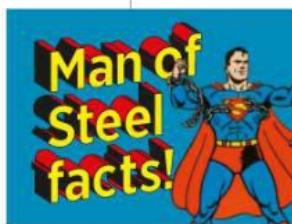

What did it feel like putting on the Superman suit for the first time?

Extremely cool, but emotional. I thought, "This is it. You're doing it – being Superman." I'll never forget it, because I really felt like him.

Really? We've gone

to fancy dress parties as Superman but we didn't feel too heroic. How did you manage that?

By being true to the original character. The truest source of Superman is the comic books, and I immersed myself in those rather than earlier movies.

- Cavill was very nearly cast as the caped one in 2006 Superman flick *Superman Returns*. He missed out to Brandon Routh, but gets to finally don the tights seven years later.
- Superman turns the grand old age of 75 this year. He made his first ever Action Comics outing way back in 1938.
- The *Man of Steel* was actually "killed off" by publisher DC Comics in 1992 – but made a return just a year later. (Superheroes can get away with that, you see.)
- There's extreme product placement in *Man Of Steel* – the film's makers have been criticised for having over 100 promotional partners – including the US Army's recruitment arm!

Do you have any role models?

Russell Crowe. I was an extra in the film *Proof Of Life* – my school was being used as a backdrop. I asked him what it was like to be an actor, and he said, "It's great. And the money's pretty good too." And two days later I got a signed picture of him in *Gladiator*, saying, "A journey of a thousand miles begins with a single step." At the end of that journey of a thousand miles, he was there with me on the *Man Of Steel* set playing Superman's dad, Jor-El. Amazing!

What was the filming like?

To train and to work 12 hours a day is taxing on the willpower and the body, so the shoot was gruelling but incredibly good fun. I got to wake up every morning and say, "I'm Superman!"

After *Man Of Steel* opens, how do you see your life changing?

Hopefully, a bigger profile and more opportunities for work. The thing is, people believe that actors are able to choose their roles, but most of the time we're just taking the jobs we can get. Now I potentially get the luxury of choice – not every job's a good job.

As you're a superhero, is it strange to see your face on cups and action figures?

It's mega-weird, but as long as you don't get too wrapped up in it, it's great.

You must have got a few quid for this gig. What was the first thing you treated yourself to when the dosh came through?
An Aston Martin DBS!

Nice! So, are you still managing to keep your feet on the ground?

Well, I've got four brothers who'll kick my arse if I get involved in the glitz and glamour, so I think so! ❌

CONFESSIONS OF A MAFIA KILLER

The gory double life of a doting father and cold-hearted hitman

Kuklinski claimed to have shot dead Mafia boss **Carmin**
Galante – in broad
daylight – in 1979.

RICHARD "THE Iceman" Kuklinski led a double life as a doting father and top Mafia hitman. Across three decades until his final arrest in 1986, he whacked 200 men, freezing the corpses and dumping them years later to confuse cops. He died while incarcerated, aged 70, in 2006. Here, in his own words, he describes what made him tick.

On his upbringing...

"My father would beat me if I just looked at him. He gave me this impersonal feeling I have when people die in front of me. Especially loud-mouthed people – they remind me of my father. Once a loud-mouthed person starts with me, I love it. It's the only excuse I need."

On his first kill...

"I saw him sleeping in his car. 'I got ya now, you little sucker, I'm gonna light ya fire.' And I did. I got myself a bottle and some gasoline and I threw it in the car. He was screaming and yelling. As I walked away, I could smell him burning."

On being hired as a hitman...

"My boss Roy DeMeo gave me a picture of him [the target] with a description of what he does and where he goes. I pulled up to him on my motorcycle, got a look at his face, then took my weapon out and blew his head off. It just disintegrated like a pumpkin hit with a shotgun. The light turned green and I left."

On his methods of execution...

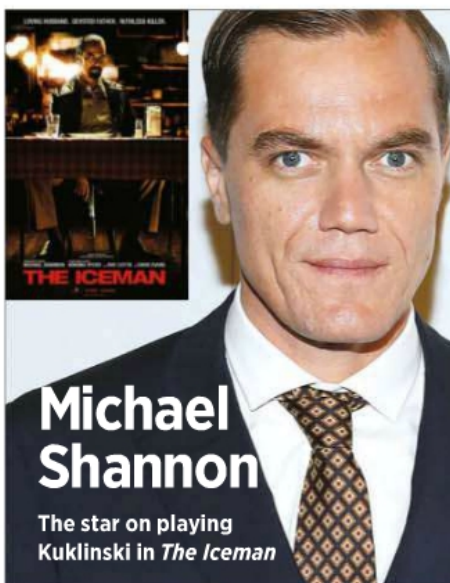

"Most of the time I'd shoot 'em under the chin, but one time I shot a guy in his Adam's apple to see how long it would take him to die – it was a few minutes. He drowned in his own blood. I was with somebody else at the time and we had a bet on how long it would take. I lost."

On his weapons of choice...

"I once used a crossbow and just popped a guy in the forehead with it. I didn't like chainsaws. They're messy... all over you, you've got little pieces of meat. That'll ruin a good shirt and be downright stupid. I used a butcher's knife."

On his deadly career...

"I killed more than 200 people. Sure. I killed 100 people when I was young before I even knew anybody [in the Mafia]. I killed people for nothing. If somebody looked at me wrong I'd kill 'em. Stab 'em. Shoot 'em. I'd watch them die. I didn't just shoot 'em and walk away."

Michael Shannon

The star on playing Kuklinski in *The Iceman*

How did you begin to get inside the mind of a serial killer?

I started with interviews he did for US TV back in 1991. The director got me the unedited version – and I just watched it over and over again. I don't understand how people manage to kill one other. Fortunately, I don't have to.

What did you learn about Kuklinski that brought the character to life?

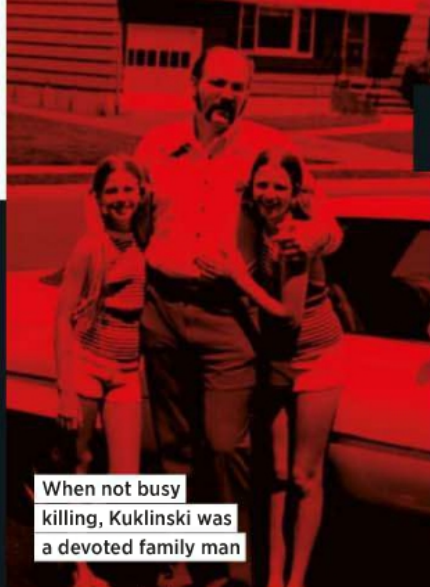

I had to consider the fact he had a huge amount of rage inside him based on a very traumatic childhood. Being a hitman gave him an opportunity to do something for monetary gain. But I think he was longing for a normal life. He knew who he was and what he'd done and he could just never figure out how to stop it.

Could you relate to him?

Yeah, if you didn't know what he'd done I don't think anybody would dislike the guy. He was very sharp and charming in his way. He doesn't seem like an intrinsically rotten person but he had a very distinct, separate part of his psyche that was able to do these horrible things.

How difficult is it to retain that intensity over months of shooting films like *The Iceman*?

You just get into a zone. It's like a tour of duty. If you're out in Afghanistan you can't wake up one morning and say, "Oh, this is too hard – I'm going to go home." You've got to finish your tour. I don't goof off a lot on set. If I'm not in front of the camera I just eat carrot sticks and keep quiet.

When not busy killing, Kuklinski was a devoted family man

THE ICEMAN

On disposing of a body...

"You could bury it, put it in a barrel and dump it or leave it in the trunk of a car and have it crushed."

On being ruthless...

"I was a person who was able to hurt somebody at any given time with no remorse. And who could do it over and over again without it bothering them. 'Assassin' sounds so exotic. I was just a murderer."

On his insanity...

"I don't get an adrenaline rush from hurting, hitting or shooting anybody. Does nothing for me. Leaves me cold. That's when I figured I must be crazy. I should be feeling something. I'm the furthest thing from a nice guy."

On torture...

"I'd take somebody into a cave, tie 'em up and leave 'em there with a camera on. And the rats would eat 'em. They'd scream and yell but more rats would come and they'd consume these people."

On stalking his prey...

"I'd been stalking this guy for days and went up to him from behind, put a clothesline around his neck and threw him over my shoulder like I was the tree that was hanging him. Eventually, he stopped kicking. I actually felt him die. I got my relief. No more tension or pressure."

On his friends...

"All of my friends are dead. I was put in prison by a man I'd known for 30 years – and I liked him. That was a big mistake. And he's the only friend that I didn't kill."

● *The Iceman*, the film based on the life of Richard Kuklinski, starring Michael Shannon, is in cinemas everywhere now.

CHANELLE PRESENTS...

Big Brother Uncensored!

Miss Hayes reveals
all about the planet's
sauciest show!

CHANELLE ON BB!

Chanelle was
a contestant
on the eighth
series of *Big
Brother* in
2007. She left
on day 62.

BB UNCENSORED

BB UNCENSORED

H i Chanelle! What was it like when you first went into the *Big Brother* house? Really scary.

The first thing I said was, "Oh God, f**k me up the arse!" I'd forgotten I had a microphone on. It was broadcast on live TV in front of my mum and dad!

So you weren't into it then?

No, it was awful. We were all locked up in rooms for 12 hours before going in. Before that, we'd been in hiding for three weeks in France.

Did you meet the others before you went into the house?

No. When I went in, I just thought, "Sh*t, what have I done? I should be doing my A-levels." Then they gave me champagne, so I stayed in!

How did you start to make friends in the house?

It was like being on a training day but with weirder people. I really liked the Marchant twins and Brian, but everyone else was a bit of a w*nker!

What would you advise anyone going into the house now?

Don't do something for the sake of being famous as you come across as a massive dick.

How did your life change?

I got whisked to LA. I lived in a gorgeous apartment in London and stayed in one of the nicest hotels I've ever been to for four months. Crazy!

How's the shoot been today?

Amazing, but a bit painful – I had black tape on my nipples! I've been wearing bondage gear – I could've spanked you, *Nuts!*

Crikey! Finally, will you be watching this series of *BB*?

Yeah, definitely. I like to suss out the fit girl who wants to make it as glamour model. I can't wait!

● *Big Brother* returns with the live launch on Thursday 13 June at 9pm, Channel 5.

BB'S RUDEST MOMENTS: UK!

BIG BROTHER 5 2004

Michelle Bass got involved in a mud fight with Nadia. Luckily, it ended with Michelle and Shell having a topless romp on the grass. Knockout!

BIG BROTHER 5 2004

Only a mad person would wear clothing to have an all-over wash, which is why Michelle Bass' shower with Stuart was sexy *and* sensible.

BIG BROTHER 5 2004

The summers in Britain aren't always rubbish. Michelle Bass got so hot in BB5 that she ran around the garden starkers. Way to go, global warming!

Chanelle
says: "We had a swimming pool on BB8, but hot tubs are great!"

BIG BROTHER 2 2001

The mere sight of the BB hot tub seems to persuade female housemates to shed all their clothes as Helen, Amma and Elizabeth in BB2 proved.

BIG BROTHER 6 2005

Everyone loves a night-time dip, but none more so than Georgie Anthony Hutton, who swerved the “no petting” rule with Orlaith in the pool. Lucky get!

BIG BROTHER 6 2005

Kinga tried as hard as she could to make an impression on *BB6*. When she unleashed her 34FF boobs in the pool, she certainly succeeded!

BB UNCENSORED

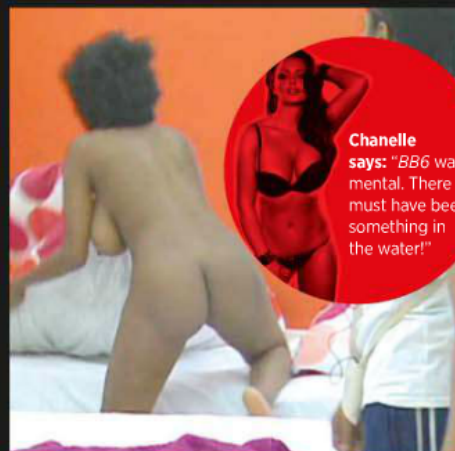

BIG BROTHER 8 2007

Everyone likes a mystery, like this: why was Charley Uchea leaning over Liam with one of the Marchant twins? Who knows, but it looks like he’s enjoying it.

BIG BROTHER 6 2005

Orlaith gave viewers plenty of reasons to watch her flirty on-screen antics in *BB6*. Shaving her legs without a top on revealed two of the most persuasive.

Chanelle says: “*BB6* was mental. There must have been something in the water!”

BIG BROTHER 6 2005

One day on *BB6*, Makosi Musambasi decided to speed up the process of tidying up her bed by removing all her clothing. Good thinking, Makosi.

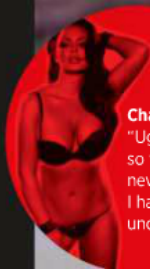

BIG BROTHER 6 2005

Hmm. What to do when you’re topless? “Makosi, Orlaith – fancy snogging each other in front of millions of viewers in the pool? You do? Excellent!” ▶

BB'S RUDEST MOMENTS: GLOBAL!

Chanelle says:
"Ugh, that's
so weird! I'd
never do that.
I hate going

BB BRAZIL

There's a fine line between a bit of naughtiness and absolute filth. That line was crossed by this randy pair. Hope the World Cup's as good as this!

BB AUSTRALIA

The Aussies love a good pool party in the sunshine. And who can blame them? When the results are as raunchy as this snog, you'd be mad not to!

BB FRANCE

In France, *BB* is called *Loft Story*. Here, Loana caused a stir by showing off her boobs and generally being a game lass. Unsurprisingly, she won.

BB NORWAY

Sometimes the *BB* tasks are, well, a bit boring. Not this one, which got female contestants to perform as strippers. A challenge they gamely completed.

BB GERMANY

Even when the lights go out, there's nowhere to hide, which for German viewers could only be a good thing when Annina got it on with Sascha.

BB HUNGARY

When Italian housemate Renato was given a "warm" welcome by Hungarian lass Evi, he'd have definitely seen the benefits of European integration.

BB POLAND

Some people are just happy to be in the house. Look at Monica in Polish *BB* here – she's so overjoyed, she's taken off all of her clothes! Good for her.

BB POLAND

With no mobile phones or TVs in the house, *BB* contestants can get a little bored. How else can you explain this unusual variation on the game of pool?

BB UNCENSORED

BB SWEDEN & NORWAY

The Swedewegians are known for the eco credentials. Here, randy Angelica gives lucky housemate Kristian a "reward" for sharing a shower with her.

Chanelle says:
"There wasn't

Germans are
X-rated!"

BB GERMANY

Ever get the feeling that someone else is having a better time than you? On New Year's Eve 2004, this fräulein's striptease gave us all conclusive proof.

BB SWEDEN

Henrik and Rebekah proved Swedes are a lovely bunch when they did the jiggy on live TV. Though Rebekah lost points for not taking her top off.

BB USA

In 2002, Tonya Paoni's housemates decided the best solution to her bikini slipping off was to cover her in peanut butter. It worked for us!

A GOOD DAY TO DIE HARD

DVD & Blu-ray • 15

It's been 25 years since the first *Die Hard* movie was released, and sadly, this doesn't nearly live up to the four

previous ones. This time, John McClane travels to Russia to find out what's happened to his estranged son, who just happens to be a spy in the midst of a mission. Not nearly as good as we'd have hoped, but watchable nevertheless. ★★★

This second album's full of serviceable bloke-rock with very few numbers that veer towards anthem status. A shame. ★★★

Nuts Games Deal or No Deal masterclass!

A host of hot tips to help you win big!

➔ **YOU MAY** think Deal or No Deal is a game for people who believe in "systems". But take it from us – the multi-line slot game certainly isn't!

You can win big from the comfort of your own home for as little as 5p, and if you play on all lines, you could win a progressive jackpot. One recent **Nuts Games** winner bagged himself a massive £127,089! Head to www.nutsgames.co.uk and start playing NOW!

How to play

- The aim is to get winning symbol combinations from each spin of the reels, with the ultimate target being the progressive jackpot.
- You can select up to 20p on each of the 20 pay lines. That gives you up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can also win extra cash!

Number lines

Click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win big!

Bonus game

If you bet on all 20 pay lines and get three Deal or No Deal bonus symbols on any pay line, the bonus game begins – this plays like the TV show, with the progressive jackpot at stake.

10 RUDE QUESTIONS!

And a real girl to answer them!

Cherrelle Marie

25 Manchester

1 Where's the strangest place you've had sex?

"On a plane in the toilets. We were on our way to Italy and the thought of the holiday and sunshine made me horny, so I met my guy in the toilet. I went first and when he followed, he couldn't wait to lift my skirt up. We did it over the mini sink. It was actually the best sex, too!"

2 What's your trademark move in the bedroom?

"I like to try lots of things. I like the reverse cowgirl because I've mastered it and it makes me feel sexier to take control. I also like in-the-moment sex – no

planning, just one minute having a shower and the next having sex over the sink!"

3 What really turns you on in the bedroom?

"When a guy knows how to take control. I like a guy who can pick me up and just take me to the bedroom. I like men in uniform and have a thing for builders – the dirty look is a huge turn-on for me."

4 What's your favourite position?

"I've made my own. It's reverse cowgirl but on a bench press. It was a quiet evening at the gym and me and a guy were having sex when he carried me to the bench press. I got in to reverse

cowgirl, and because my toes touched the floor, it gave me control and power, which gave him added pleasure."

5 What one thing would you like to try but haven't yet?

"A few years ago, I'd have said sex in the sea, gym or maybe even a plane, but since then I've done all of that. It's fun in the daytime outdoors, too!"

6 Have you ever got it on with another girl?

"I did when I was 20. It wasn't anything too wild – just some passionate kissing. She's my gorgeous lesbian friend and we were both dancing in a club and figured it was the perfect time to experiment."

7 What's your sexy outfit of choice?

"I love classic stockings and suspenders. Sexy black lingerie and a pair of heels are always a great idea. Meeting your man as he walks in the house works wonders when you're dressed up like this. Mine couldn't wait to get them off me, but I kept the heels on."

8 Have you ever made a rude video?

"Yes, on my phone years ago. It was of me doing a sexy striptease. My chap had been sending me rude pics all day and after some sexy texting, I thought I'd give him a little snippet of what he was going to get on his return home."

PHOTOS: SCARLETT STUDIOS

10 Do girls engage in “alone time” as much as boys?
“In the summer especially – we’re all on heat. Yes, everyone does it!”

9 What’s the rudest thing you’ve done?

“More naughty than rude, but I once came on to a guy while he drove. He couldn’t wait to pull over!”

CONFESSION OF THE WEEK!

'Park frolics were a turn-on'

DURING A brief stint of warm weather, my fella and I went for a long evening walk in a local park. It was a mild night and we weren't ready to go home, so we sat down on a bench in a secluded, wooded area. He started stroking my leg and then leant in to kiss me. Before long, we were touching each other all over. I climbed on top and moved my little thong to one side for him. It felt amazing having sex in the fresh air. The bench is where I often meet my mates for a run, so there's always a cheeky reminder.

Sarah Bristol

'My fun with the postie'

I'VE BEEN staying at my mum's and the local postman I'd seen around

was hot and athletic. It was mum's 60th birthday and she had a few parcels arrive that I had to sign for. The flirting was unbelievable and, as my mum was out with her pals, I couldn't resist asking the

postie in for a cuppa. We both knew what that meant and, within minutes, we were snogging in the hallway. After five minutes, I got down on my knees and started to give him my best blow job in the hall. After he came, we exchanged numbers and I sent him away to finish his round with quite a spring in his step!

Laura Dorset

'She squeezed my bottom'

AFTER MOVING into a new block of flats, I'd met a few of the neighbours, but one girl was particularly friendly. After a few drinks one night, I bumped into her and she invited me in for a nightcap, explaining that she'd asked another new neighbour to join us. She squeezed my bottom as we went in, the door opened and a very cute guy entered. He soon started stroking my leg and when she leaned in and gave me a kiss, it became clear what they were after. He pulled off his T-shirt to reveal a toned chest, and then it was his turn to kiss me. She moved her hands up my skirt and I was so turned on. As her head disappeared between my legs, I pulled him towards me, released his throbbing stiffy from his jeans and gave him my best oral. What a night!

Joanna Nottingham

'I've never felt so horny'

MY GIRLFRIEND and I bought a few naughty new toys on a recent day trip to London. Her brother was staying at her flat for a few days, so we knew that we had to wait a little while to try them out properly. The wait made us even hornier, so when we eventually had the flat to ourselves, the first thing we tried out was a double-ended dildo. She began teasing me and I told her she was making me really horny and wet. She rubbed the dildo across her lips and pushed it into her mouth. I placed my lips around, pulled it from her, and pushed the end of it into her. It was the horniest I've ever been, and soon we were going for it with the dildo. Just then, her brother and some friends walked in. I don't think they've fully recovered from the shock!

Nuts SPORT

All aboard the Mourinho rollercoaster!

How will Chelsea fare with Mourinho back at the helm? Here's how we think the ride will go!

WORDS: ANTHONY TEASDALE ILLUSTRATION: BILL MCCOWKEY

1 HE'S BACK!

Jose arrives at Stamford Bridge to a rapturous reception. "I don't have a messiah complex," he says. "Though I did turn water into wine at Ashley Cole's wedding. Could Rafa do that? I think not."

2 CHELSEA TUMBLE!

A few games in and Lampard's in terrible form. "Our new fitness coach has suggested we fit a motor to his Zimmer frame. Who's our new fitness coach? It's Joe Cole – no track record, but years of experience."

3 MOURINHO VS MOYES!

Chelsea head to Old Trafford. When the Blues' arrive, Jose bursts into the home dressing room, shrieking, "'Snot fair, this was meant to be my job! Uncle Alex promised me!"

4 PREM WINNERS!

After an ace run-in, Chelsea take the Premier League title. "I'm so proud," says the Blues' boss. "I dedicate this to the person who made me realise that I'm the greatest manager of all time. Me."

5 EUROPEAN BAN!

After accusing a ref of fingering Michel Platini, Jose gets a dressing room ban. To still give his team talk, he's smuggled in inside a laundry basket. Sadly, he's knocked out by the pong of Cech's sock.

SAVIOUR OF CHELSEA!

7 CHAMPIONS!

The Special One has done it! In his second season, Mourinho wins the Champions League. As is traditional, John Terry, currently on loan to FC Oil Field Abu Dhabi, crashes the celebration in full kit.

8 RAFA'S BACK!

Troubled by winning just one Champions League trophy per season, owner Abramovich brings Benitez in as Director of Football. "I have no problem with him," says Jose, before trying to gouge his eyes out.

6 JOSE SULKS!

After shipping three goals to Norwich, Jose storms onto the pitch and grabs the ball. "If we can't win, no one can - I'm taking this home." He's later seen getting a hug off his mum.

9 SO LONG, JOSE!

After Abramovich signs Gazza, Jose walks, saying "I can't be part of this ridiculous circus." He then signs a deal with Man City. "I'll be here for years," he declares. "You can put your house on it!"

New season footy kits!

Fans love nothing better than the launch of a new kit!

→ **YES, WE** may all moan about the cost – and this season's no different – but some of the biggest names in English and world football have already begun to unveil their new strips – millions of which will be worn by our favourite stars, elite athletes and, er... fat blokes over the next couple of seasons.

Here's our pick of the bunch...

MANCHESTER UNITED

After the controversial gingham effort of last term, United's recycled polyester number boasts a tailored black collar, which manufacturer Nike says "reflects the city's sense of style". Not always apparent in Piccadilly Gardens on a Friday night.

FIT FASHION!

REAL MADRID

Like Barcelona, Real have kept it simple with their new kit. Apart from the black and gold trim, the iconic white jersey remains virtually the same. However, like Arsenal and Paris St Germain, the club is now sponsored by the Emirates airline.

NUTS STYLE RATING: ⚽ ⚽ ⚽

NEWCASTLE UNITED

While the home kit remains the same as last year, the new blue away kit has been manufactured with "dry cell technology" which claims to draw sweat away from the body. Should look dead canny on chunky Toon fans.

NUTS STYLE RATING: ⚽ ⚽ ⚽

BARCELONA

It's hard to go wrong with Barcelona, and both the home and away strips proudly reflect the team's traditional colours. The change strip is based on the flag of Catalonia, the semi-independent region of northeast Spain that Barcelona lies in.

NUTS STYLE RATING: ⚽⚽⚽⚽⚽

LIVERPOOL

The new Reds home kit features the "classic" Liver bird crest that supporters love. But fans are in uproar over the "interesting" design of the away shirt which has been described as looking like a "dodgy Christmas jumper".

NUTS STYLE RATING: ⚽

CHELSEA

The new Chelsea home shirt is, well, rather like the old one: a standard Adidas job with high V-neck. However, the away kit has modern touches with very natty red and blue horizontal strips across the front. Cool!

NUTS STYLE RATING: ⚽⚽⚽

MANCHESTER CITY

After transferring manufacturers from Umbro to Nike, City keep it simple with kit that's near identical in design to the new England one. The dark blue trim reflects the colours of City's socks in their first ever kit – obviously.

NUTS STYLE RATING: ⚽⚽⚽

CARDIFF CITY

Top-flight football has come at a high price for Bluebirds fans – the most painful of which has been the switching from blue to red of the club's colours to satisfy the club's Malaysian owner. The shirt, with its redesigned badge, reflects this.

Kammy's Brazil diary!

Nuts legend and footy's funniest pundit jets out to Rio for 48 hours to cheer on England!

HI NUTS readers!

Last weekend I travelled to the Brazilian capital Rio de Janeiro to watch England play Brazil at the Maracana stadium. The game – which

ended in a 2-2 draw – was a great end-of-season test for Roy Hodgson's men, and gave me the chance to check out one of the host cities for the 2014 World Cup. Here's what I got up to...

WITH CHRIST THE REDEEMER!

Before we went back, we took a trip to see the statue of Jesus Christ that dominates Rio's skyline. You can see everything from there – the beach, the city centre and even the Maracana!

POSING ON COPACABANA BEACH!

This is me and my two sons, Ben and Jack, on the famous Copacabana beach. Miles and miles of sand, bars and restaurants. I've been to Bondi beach in Sydney but this is different class!

WATCHING BEACH FOOTBALL!

Sport plays a huge part in Brazilian life – Copacabana is full of volleyball and football pitches. The ball doesn't bounce much on sand, which helps explain why the locals' ball control is so good.

WITH THE BRASS BAND!

There's a love/hate relationship between England fans and the brass band – some think they spoil the atmosphere. I think they're great lads, though there's no chance they'd let me do a solo!

Nuts SPORT

MEETING THE BRAZIL FANS

The locals are devoted to football and get in the ground hours before kick-off. They don't give players an easy ride, though. If one gives the ball away, they'll boo him until he gets it back.

WITH THE ENGLAND FANS!

This is the Vauxhall Fan Zone, put on for the fans in Rio. As an ambassador for the FA, I chaired a Q&A session. The fans were worried about England's performance against Ireland. So was I!

REASONS TO BE CHEERFUL!

Our second-half performance against Brazil showed we can compete with the very best. I've no doubt England will qualify for next year's tournament. I can't wait to return to Rio in 2014!

INSIDE THE MARACANA!

The Maracana is awe-inspiring, even though the outside was like a building site! I'm envious of any player who gets to play here because the atmosphere was electric – even for a friendly!

ROLL ON SUMMER 2014!

There's no doubt that Brazil will host a truly amazing World Cup. Forget concerns about whether the stadiums will be finished or not, by next summer it'll all be ready to go!

MAN-LOVE CORNER!

"Quote me on that!"

This week's biggest match debaters!

"The players aren't in prison"

That'll help selection, Roy Hodgson.

"You can't describe what Ian Holloway's feeling. It's a lovely warm feeling"

Steve Coppel manages to describe it.

"What gets you relegated is a build-up of a lack of confidence"

Graeme Souness lacks a build-up of any sense.

"Bayern are literally hitting a brick wall"

Really, Jamie Redknapp?

"I haven't the remotest idea who'll win the championship. But I'd put money on Alonso"

Former F1 commentator Murray Walker still has it.

"Signing Beckham wasn't like signing a player. It was like signing a man"

Ex-Milan boss Leonardo forgets Becks' sex.

**OO-ER SOUNDS
A BIT RUDE
CORNER!**

"Troy Deeney is now free to penetrate"

Iain Dowie on Watford's leading swordsman.

"The jockey Ryan Moore said it was very messy and he probably came a bit too soon"

Trainer Aidan O'Brien on a sticky Derby.

"I saw girls doing it, too. It was unbelievable"

Jermain Defoe has led a bit of a sheltered life.

CREAKING!

"Oof! This limbo dancing's playing hell with my back!"

FAT FELLA!

"So that's who ate all the pies"

TOP DANCER!

"Oi! D'ya think I'm sexy?"

Premier League's most wanted!

Gabriele Marcotti on some of the players who could be gracing the top division next season!

NUTS WELCOMES
football expert

Gabriele Marcotti to its pages for the duration of the summer to talk us through all the transfer gossip and players linked with the Premier League. This week he focuses on four awesome attackers!

MAN IN THE KNOW!

Gabriele has written for publications including *The Times* and Italy's *Corriere dello Sport*.

"I knew I shouldn't have had Botox right before a match!"

NAME: JESUS NAVAS • **CURRENT CLUB:** SEVILLA
WANTED BY: MAN CITY

"The ability to beat a man at pace and accelerate away from him is one of those things you can't teach. If you don't have both pace and trickery in your locker, you won't be able to do it. And that's why those who have both – like Jesus Navas – are such prized commodities. At 27, the winger's in his prime. When he was younger, he had to overcome anxiety attacks and homesickness – and that's part of the reason he's been a one-club man thus far. Now, all this appears to be behind him and he's ready for a move to the Premier League."

"Yay! A Mexican wave! I can't take my eyes off those things!"

NAME: IAGO ASPAS • **CURRENT CLUB:** CELTA VIGO
WANTED BY: LIVERPOOL

"It's almost too easy to suggest the 25-year-old is the heir apparent to Luis Suarez. He roams the frontline with the same hungry intensity, creates chances out of nothing and infuriates the opposition – plus he scored 12 for a side that narrowly avoid relegation last season. Not especially dirty, Aspas did once get a four-match ban for headbutting an opponent. He's not a natural centre-forward, but a perpetual motion machine who'll pop up everywhere on the frontline, and has played both as a winger and an attacking midfielder."

"Damn it! I still can't get past four keepie-uppies!"

NAME: EDINSON CAVANI • **CURRENT CLUB:** NAPOLI
WANTED BY: MAN CITY/CHELSEA

"He's strong, tall and was born three weeks after Luis Suarez in the same Uruguayan town. Unlike Suarez, he doesn't divide opinion and it may be because he looks a bit like Jesus Christ without the beard! Cavani might be the best all-around centre-forward around today not named Zlatan. He's scored 95 goals for Napoli in all competitions over the past three seasons and he doesn't goal-hang – a giant who works his rear-end off to the point that, for Uruguay, he has often operated as the world's largest winger."

It was an odd time to practise the cha-cha-cha

NAME: ISCO • **CURRENT CLUB:** MALAGA
WANTED BY: MAN CITY

"This is the man who made Malaga fans forget all about Santi Cazorla after his move to Arsenal when he stepped into his shoes. Isco is quick, two-footed and creative. An accomplished passer who turns deadly when he takes off, the ball seemingly remains stuck at his feet. He's played both wide and in the hole, but the smart money suggests his future is playing between the lines. He's only been capped once, but that says more about the depth of talent that Spain can call upon than anything else. Were he born anywhere else, he'd be a mainstay."
