EXCLUSIVE!

It's Twitter's Chelsea Ferguson!

Meet the booby blonde social media sensation!

WHEN THE great minds of *Nuts* got in a

room to pull together the Twitter special, one lady rose above pretty much all the others. Through a combination of savviness, #NutsMagicMonday and great boobs, lap dancer Chelsea Ferguson – and her 390,000 Twitter followers – has become an internet phenomenon. And now, *Nuts* girl...

WORDS: RORY BUCKERIDGE

TWEETER TREAT!

Since Chelsea joined Twitter, she's sent over 30,000 tweets. Her Twitter handle is @Chelsfergo

"Ooh, Siri -
you have the
most filthy mind!"

Hi Chelsea! How's the shoot?
It's amazing! It's the first time I've done a proper shoot for a mag.

Tell us a bit about yourself.
I'm just a normal girl with good boobs who fell into the industry by posting pictures on Twitter as a joke, and then it just spiralled. It's mental!

But anyone can put their boobs on Twitter!
I don't take myself seriously. I started getting them out in Nando's and TGI Friday's.

You became a bit of a celeb on #NutsMagicMonday...
In the beginning, that's how I got the majority of my followers. But people wanted more and more pictures!

How has it changed your life?
Drastically. I can't even go to the shop near my house without someone going, "Oh look, there's Chelsea!"

What's the most extravagant purchase you've made?
I don't go ridiculous. I buy Louis Vuitton and Louboutins, but I still shop in Topshop.

Who are your most famous followers?
Louis Smith [gymnast chap], James Arthur, all the *Geordie Shore* ones, and a couple of the *TOWIE* ones, I think.

Have you ever been rumbled for popping out in public?
I did it in Nando's, and a policeman said, "What have you been doing?" I said, "Nothing. Can I get arrested?" He said, "I'm only joking. We all follow you at the station!"

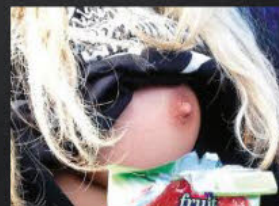

You were in the tabloids for an alleged incident with One Direction soft lad Harry Styles...
Absolutely nothing happened. I didn't even see him!

Would you give him a lap dance, though?
If he wants one. And his mates!

Chelsea tweets...

No wonder she's popular!

in Smethwick, near
Birmingham, last week.

Over 200 firefighters

which raged through
100,000 tonnes of paper

seen over two miles away.

And the work's only

Top Gear's Hover-Transit!

White van men take to the water!

➔ **WE KNEW** the three car nuts had a hovercraft task in this series of *Top Gear*, but we didn't know it was a trusty Transit they were converting. But lo, here they are, buzzing toffs at the RSC theatre in Stratford-upon-Avon in their "Hovervan".

We also know it was made a few months ago by engineers in the brilliantly named town of Penistone, near Barnsley. But we'll be surprised if it doesn't sink like a stone, though. Everything else they've ever built has!

It's a flying bike!

Delivering pizzas like a boss!

THE PROBLEMS with bikes are twofold: they're jolly hard work. And they don't usually fly. "Au contraire!" say Czech designers Technodat, who've made (3D-printed, actually) this six-propellered multicopter. Powered by two lithium polymer batteries, it'll buzz around for five minutes at up to 50km/h, laden with up to 170kg of flying fatty. We'd poop on bystanders like human pigeons. Why? Because.

Splinter Cell Blacklist: first play!

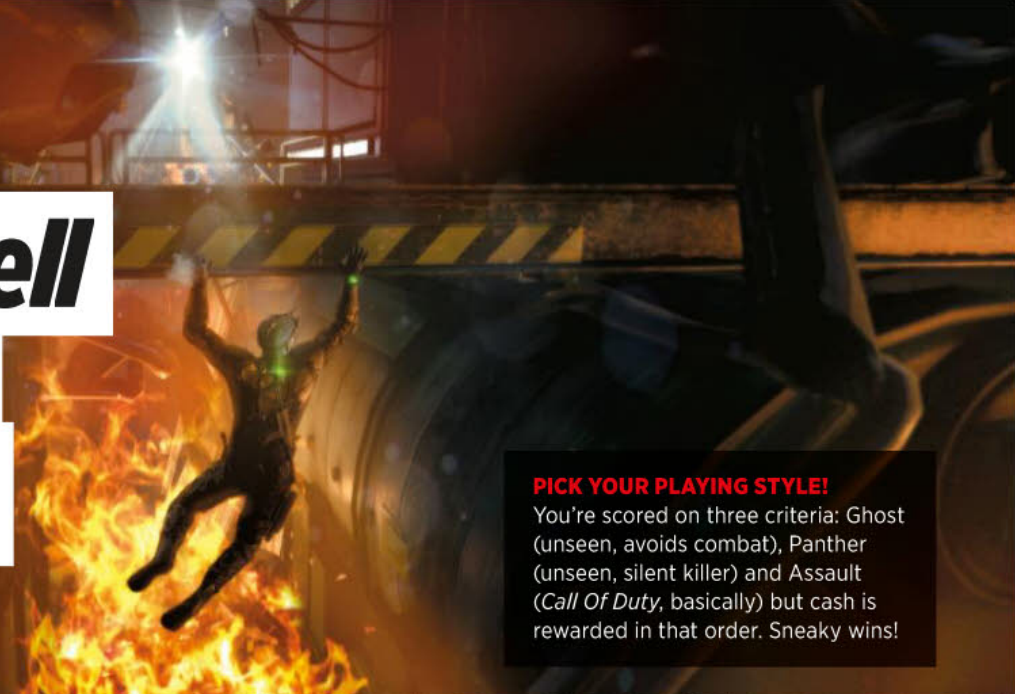

Hands-on with the
spy campaign!

IT'S ONLY six-ish weeks till the new *Splinter Cell*

drops, so we were dead keen to finally sit down with the game's campaign and give it a thorough pasting. On offer were two missions, based in Libya and Iraq, and a reintroduction to Sam Fisher. We weren't disappointed. Neither will you be on 23 August if you have some money and an Xbox 360 or PS3.

WORDS: RORY BUCKERIDGE PHOTOS: BARCROFT MEDIA

PICK YOUR PLAYING STYLE!

You're scored on three criteria: Ghost (unseen, avoids combat), Panther (unseen, silent killer) and Assault (*Call Of Duty*, basically) but cash is rewarded in that order. Sneaky wins!

GAMEPLAY!

You'll try to avoid enemies, then they'll see you, so you'll try to take them out silently, *then* you'll have a mass shootout with their mates. So you'll go Ghost > Panther > Assault.

SEE THE WORLD, KILL FOLKS!

The first two missions are in Benghazi, Libya, then an outdoor terrorist stronghold in Mirawa in north Iraq. So you're seeing all the sights of every major terrorist HQ!

CHOOSE YOUR MISSIONS!

The game hub is a huge, continually flying ops plane which is your base. There, you choose Campaign, Co-Op or Spy vs Mercenaries games all from the same map – no separate menus.

INVEST WISELY!

Pile up the cash and you can invest it in seven criteria, ranging from better radar to black market weapons and extra loadouts you can spend across Campaign and multiplayer.

THE ENGINEERS!

The main baddies are an elite group of terrorists called "The Engineers" who have organised a worldwide terror attack called the Blacklist. You have to figure out how to stop them.

Ballooning berk!

Man to cross the Atlantic, like in *Up*!

AFTER FILLING up all of these 370 cluster balloons – with helium enough for 400,000 party balloons – aviator Jonathan Trappe aims to travel from Maine, USA, to Paris later this week. Wave or throw darts – up to you!

"Yeah, it used to belong to Ronnie O'Sullivan"

+ Bieber ruins Audi!

JUST WHEN you thought soft squawker Justin Bieber couldn't sink any lower, he's gone and covered his glorious, £125k Audi R8 in a leopard print wrap. Putting him in the same taste bracket as Mario Balotelli. And Elton John!

LASER PESTS!

Chopper gets lasered!

Egyptian attack copter lit up like a Christmas tree!

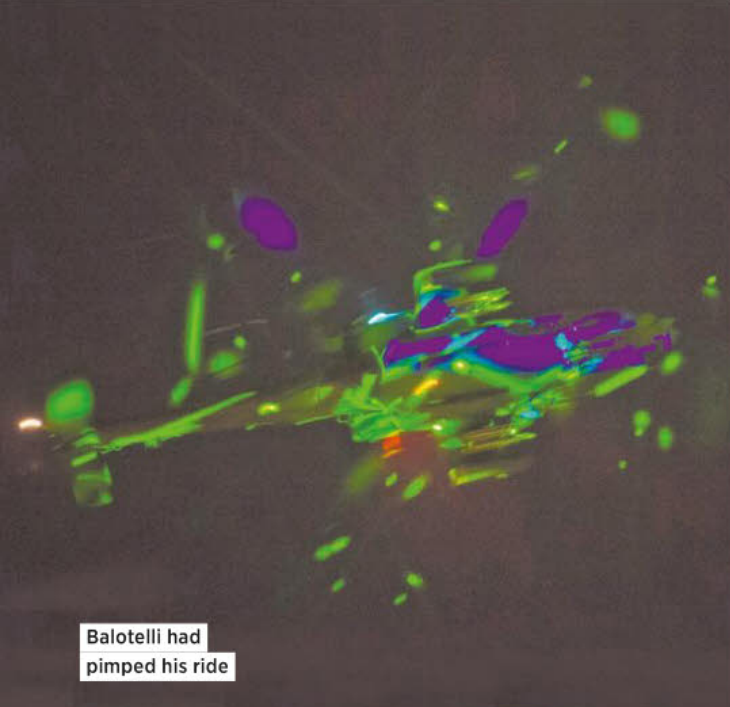

WE'RE NOT going to get into why they're

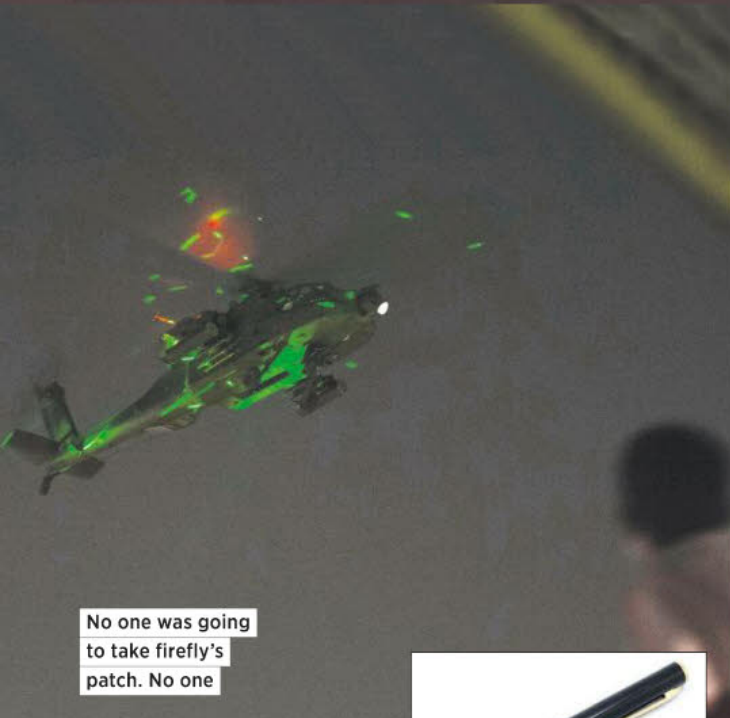

there, but clearly, when you've packed into Egypt's Tahrir Square to do some shouting, getting constantly buzzed by AH-64 Apache attack helicopters can be awfully off-putting.

So hundreds of the half million or so chaps doing their camp-out have taken to lighting up the pesky military craft with hundreds of lasers, trying to blind the pilot. Good for making a point. Not so much for bringing down £12m of pointy hardware onto your protest.

Deadmau5 finally made his appearance

Balotelli had pimped his ride

No one was going to take firefly's patch. No one

"Damn it - looks like the ink's running on this!"

This thing!

- Costing about a fiver, these pocket-sized laser pointer pens spit out 1mW (milliwatt) of laser power. It doesn't sound much, but it's enough to paint onto low clouds.
- Green ones are around 60 times more powerful than the red ones.

Hair coat!

Chest fuzz becomes outerwear!

➔ **JUST £2,500** will buy any thrusting fashionista this: a coat made out of chest hair. About a million strands, apparently, and it took designers over 200 hours to create. It was commissioned by milkshake makers Wing Co as a protest against shaven-chested lady-men. But a pearly white milk moustache is fine, apparently.

As a first date gift, it was confident

£120k luxury BMW coupé!

Italian designers add some Latin pizzazz to German engineering. Result: bellissimo!

- Bentley has the Continental GT, while Maserati makes the GranTurismo. These are two-door land yachts with legroom for four grown-ups. BMW used to be part of that pack in the '90s with the 8 Series coupé. That was a long time ago. But now the Germans have talked to some Italians...
- Teaming up with Italian styling house Pininfarina, BMW has created the Gran Lusso Coupé. Ignore the fact it's a "one-off concept car", because BMW has a habit of building almost every concept it spawns – and the Lusso will be no exception.
- Featuring BMW trademarks like the shark-nosed grille and long, concave creased

WORDS: JONNY SMITH

"Roman, your stock car's here!"

bonnet, the Gran Lusso is a design exercise that's entirely achievable in a production car.

- From behind, the Gran Lusso is dominated by a strip of lights that "lends the BMW L-shape a slender, almost filigree interpretation."
- This Gran Lusso has a V12 motor stuffed under the

bonnet. Measuring 5,972cc, the Bavarian powerhouse is good for 544bhp and delivers maximum torque from only 1,500rpm. It will use the eight-speed paddle-play auto gearbox as used by various existing Beemers, Range Rovers and Jags. So expect to hit 62mph in 4.5 seconds, to

the usual, boring 155mph restricted top end.

- Clamber through the frameless doors and you're greeted by a cabin full of subtle elegance. BMW's design people have gone to town on the highest-quality material.
- Like what, you ask? Like the wood on the centre console, which is only 48,000-year

old Kauri wood preserved in a New Zealand swamp. We're not making this up. And the headlining is woven from "finest Italian virgin wool".

- We hope the Lusso will become reality. Because the world needs a V12 coupé with wool above your head. Even if it'll cost around £120k!

"Hmm, where to put the 'Baby On Board' sticker?"

My other half keeps on wanting to try sex in really adventurous places, such as in the park and even on a train recently. But I'm just not into it. I feel self-conscious and can't get turned on. How can I make my feelings known without her thinking I'm a prude?

Send her to me! In all seriousness, what people are unsure of can often be the most rewarding experiences. Sex is no different. Just speak to her about it and let your reservations be known. I'm sure you can come up with a compromise that pleases you both, you lucky devils!

What does my dream mean?

I had a sex dream about my best mate's older sister. She's quite fit, but I've never really thought about her in that way before. It was very vivid and highly erotic and I'm starting to think I must kind of fancy her subconsciously. What should I do? Is this normal?

VIC York

Of course it's normal – anything goes in dreamland! Dreams download all your thoughts and memories of that day. It may even be that if you've been really horny thinking about someone else you recently fancied, while hanging out with your mate and his sister, dreams like this can happen. I wouldn't read too much into it. Go and relieve yourself. Bring tissues. And don't forget lube!

Am I down for long enough?

I enjoy going down on my girl, but I'm not always sure if I'm overdoing it! I want to satisfy her, but at the same time, I don't want her to be secretly looking at her watch, thinking, "I wish he'd go back upstairs!" How long do you think I should be going down on a girl in order to deliver the goods?

GREG Surrey

It's completely down to her concentration. Never rush getting down there. Pinching, stroking, squeezing, gripping, talking... all that foreplay and teasing are equally important to the end result. Start with one slow lick to begin with. Then try a bit of nibbling, and let her tell you what she likes. Then tease her until she grabs your head and makes your mind up for you!

Will she watch porn with me?

Would it be too rude of me to suggest to my other half that we watch a naughty movie together? I think it'd be a real turn-on, but I'm scared in case she reacts angrily and thinks I'm some sort of pervert or that I have to look at other women to get off. How do I ask her?

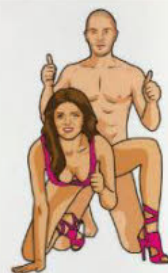

AARON London

You can suggest it, but get ready to duck! Don't broach the subject around ornaments in case she chucks something at you. But seriously, without wishing to generalise, I'd say that most ladies are at least open to the suggestion. And remember, all girls masturbate – we just don't all like to admit it! If you can make it something you enjoy together, then it could really give your sex life an extra buzz.

JOKE OF THE WEEK!

Age concern

A WOMAN has a facelift for her birthday. On her way home, she goes in a dress shop and asks the assistant to guess her age. "About 35," he replies.

"I'm actually 47," she says, feeling really happy. She asks again at McDonald's. "You look about 29," says the cashier. "I'm 47!" she says, smugly.

While standing at the bus stop she asks an old man the same question. He replies, "I'm 85 and my eyesight's going, but if I put my hand up your skirt, I'll be able to tell your exact age."

The woman's curious, so she lets him do it.

After groping around, he says, "OK, you're 47."

Stunned, she says, "How did you do that?"

The old man replies: "I was behind you in the queue at McDonald's."

RUSSELL KANE'S CONFESSIONS OF A COMEDIAN!

The quiffy comic
spills the beans on
what life's like for a
modern joke-juggler!

'I now get knickers thrown at me!'

"There's been a real gear change in my career the last year. Yes, I've got some BBC3 shows, but it's not like I'm a judge on *Britain's Got Talent*. I've been promoted to the D-list of celebrity. I went to Ibiza to help Greg James DJ at Ibiza Rocks. My job was to stand next to Greg and dance like a nutter. The girls went mad. Out of nowhere, a pair of knickers flew through the air and hit me smack in the face. I was so excited. Even though they were size 16 and from George at Asda."

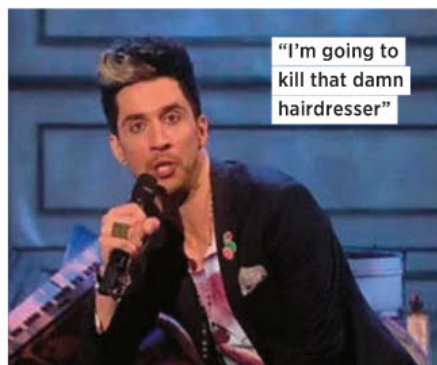

'You really can laugh girls into bed!'

"I'm an emotional junkie so I tend to go from one relationship to the next. I split up with a girl last year and thought, 'I'm going to have six months of filthy chaos!' I'm 5ft 10, 11 stone, average intellect – Nothing about me says 'babe magnet'. I never even kissed a girl at school. Now it's just a novelty to have female interest. There was one gig when I thought I'd try some rock star behaviour. I walked around, found the two fittest girls and invited them back to my dressing room, and it worked!"

'Comedians get really star-struck!'

"I was at the Brit Awards this year – they were amazing. Seeing Adele going past and queuing for the loo with One Direction? It's surreal. All these giants of British pop walking around like it was nothing. It's more unnerving than standing on the red

carpet next to Bradley Cooper, where all you have to do is smile. There was one point where I was queuing to get a can of Coke and Tom Jones is in front, going, [does really good Welsh accent] 'Excuse me, you don't mind if I get a cup of tea, do you?' I had a panic attack for about five hours after that."

'I've got a stunt double!'

"Getting recognised is funny. It's only annoying that people think I'm Nick Grimshaw. If I'm on a night out, I reckon I get at least ten, 'Can I have a photo, Nick?' or 'Grimmy!' shouted at me. I'm not exaggerating. When I was with Greg James in Ibiza, I think almost everyone thought I was Nick Grimshaw. Maybe those knickers were meant for him. But looking like Nick Grimshaw does mean I can get into all the cool clubs and hug Harry Styles without him realising."

'I only do weird ads'

"I was asked to do an advert for BT, but it wasn't funny, so I said no. I try to do things that still have comedy at the centre, so I've just done an online advert for Barclaycard called *The Smile Experiment*. They picked five locations where people don't normally smile,

like a launderette and a university lecture. I'd walk in there with an amp and a microphone and start doing stand-up. It was horrific, but I did it because it has stand-up as the core. I wouldn't go, 'Hey, I love this breakfast cereal and so will you! Buy it now, boys and girls!'"

'I've used Twitter to meet ladies!'

"I'm not proud of this, but one day I was sat at home, lonely, horny and crying with

desperation. That would normally be the end of the story but I thought, 'Let's see what happens if I post something saucy on Twitter.' My Twitter feed went mad – all these fit women going, 'I'd like to do that.' I was like, 'Thanks very much.' I found a fit girl and went for a drink with her. Why couldn't this have happened back when I was 16 and working up a Popeye's forearm in my bedroom?"

Russell Kane facts!

- Russell apparently used Immodium to settle first-gig nerves but took too many and ended up stuck in the loo!
- Russell's weird habits like checking keys in doors led to him presenting a BBC3 show on obsessive compulsive disorder!

'I don't have a flash lifestyle'

"I wear clothes from Topman and drive a Toyota Prius. I don't like anything that's show-offy or flash. But the one thing I'm into is watches. When I was doing my A-levels I worked in a watch shop to save up before Uni and that's when I fell in love with Swiss watches. Back then I was just a young lad on a council estate so I never thought I'd get one."

'Even rubbish gigs have advantages!'

"I'd been invited to this charity fashion show fundraiser to do a bit of stand-up. It was terrible for stand-up but they failed to assign me a dressing room, which was the best f**king thing ever! I had to wait for two hours while all these 6ft 2 supermodels walked around naked. Starkers supermodels dancing around me is my number one schoolboy dream come true."

'I love working with new comics!'

"*Live At The Electric* showcases the guys you won't see on *Live At The Apollo*. It's sketches, characters, stuff that's really different. Being asked to host comedians would have been an honour. Being asked to curate and get involved in selecting upcoming talent is even more of an honour. If just one person from three series of *Live At The Electric* goes on to be huge, I'll feel proud that I've done something right."

- Russell hosts *Live At The Electric* on BBC3 every Thursday, 9.30pm.

LUCY COLLETT PRESENTS...

140 Sexiest Twitter Pics!

The Queen of the Sexy Selfie
on her sauciest online antics!

**"I tweet at least
one rude pic of
myself a day!"**

Hello Lucy! We're celebrating sexy Twitter pics. Are you #excited? Ha-ha! There's a massive naughty side to Twitter, so of course I'm excited! I'm always tweeting naughty snaps of myself.

On average, how often do you aim to tweet a saucy snap?

At least one a day. I'm always on trains and I have to pass the time somehow! So I often take a quick rude selfie and post it. Other people are tweeting their own train adventures now. I've started a cult. I'm so naughty!

As something of an expert, how do you take the perfect selfie?

You have to get a camera that points towards you, for starters. And you have to get boobs in it or it's not a proper selfie!

Have you ever taken any pics that were too rude to post?

A few! Not long ago, I wanted to show off my nails so I did a naked shot, with just my hand covering my bits. Then people started recreating it, ha-ha!

Your #AskLucy Twitter gaming sessions are extremely popular. How does that make you feel?

It's amazing that it's doing so well. A lot of people follow me just to get advice on games!

How do we get more followers?

Post naked photos of yourself. Simple. That's how I get lots of followers, anyway!

Do you ever take part in Nuts Magic Monday – tweeting selfies to @Nutsofficial with the #NutsMagicMonday hashtag?

Yes – regularly! Once, I was five minutes too late and didn't get a retweet. I was so upset!

Oops! Finally, if you were boss of @Nuts_official for the day, what would you do?

I'd get all my friends to send in sexy pictures of themselves, then make a huge montage!

Someone's getting hired!

"Hello, Sugar"

"Morning, sweetie"

Friday 12 July

"OK, Heston – they're ready for the pot"

The Campaign

SKY MOVIES PREMIERE/HD • 9pm

Amusing comedy starring Will Ferrell as a berkish congressman who's been in office way too long, so a pair of corrupt businessmen decide it's time to get him voted out. However, the naïve family man they choose to run against him (Zach Galifianakis) proves to be a rather more adept politician than they originally anticipated.

T In The Park

BBC THREE • 9.30pm

If you're still suffering from post-Glastonbury blues, cheer yourself up with a night of tunes from the not-as-celebrated-but-still-pretty-good festival in Scotland – tonight featuring gigs from young whippersnapper Jake Bugg, the apparently omnipresent Emeli Sandé, posh folkies Mumford & Sons and rave wizards Chase & Status.

★★★★

The N-Dubz reunion wasn't working

Trojan Donkey

CHANNEL 4/HD • 11.05pm

We liked the idea of this hidden-camera show – berks attempting to get the public to do stupid stuff – but it's not nearly as well executed as it could be. Raising the occasional laugh tonight are stunts including auditions for an unusual drinks commercial and Jumperman announcing to the pet shop that his dog's gay.

★★★

PROMETHEUS

SKY MOVIES SCIFI/HORROR/HD • 8pm

Charlize Theron was due to play Elizabeth Shaw, but scheduling conflicts meant she couldn't. Later, a change in her schedule freed her up to play Meredith Vickers.

Micro Monsters With David Attenborough

SKY1/HD • 8pm

"Eurgh! How much hair gel?"

Fight Night – Live

SKY SPORTS 1/HD • 8pm

Two intriguing-looking dust-ups from Hull. The first sees local hero, Olympic gold medal-winner Luke Campbell, making his professional debut against Gloucester-born Andy Harris. Then Kell Brook faces Carson Jones – check out our interview with Kell on page 75!

★★★★

"Mmm, that feels better than the gearstick"

The Americans

ITV/HD • 9.45pm

This Cold War drama was given a second series within weeks of airing in the USA, and we can see why. It has a cool premise – two Soviet KGB officers posing as a married US couple in Washington – while there's enough tension to keep us coming back. Plus, the '80s soundtrack is great! Tonight, Philip is reunited with an old flame.

Top Gear

BBC TWO/HD • 8pm

With Spain's economy on its knees, the car-hugging chaps plan a visit to show their solidarity, in a McLaren MP4-12C Spider (£195k), an Audi R8 V10 Spyder (£125k) and a Ferrari 458 Spider (£199k). Meanwhile, the star in a reasonably-priced car is chewy-named *Sherlock* and *Star Trek* star Benedict Cumberbatch.

★★★★★

Dexter

FOX/HD • 9pm

While Miami Metro intensifies its search for excellently named killer the Brain Surgeon, Dexter's world is tumbling in around him. Sinister psycho expert Dr Vogel (Charlotte Rampling) is not all she seems, and Dex's sister Debs is on a road to self-destruction. So pieces are all in place for a most excellent end to the show.

Attack The Block

CHANNEL 4/HD • 10.10pm

This sci-fi horror comedy set on a South London council estate scores mixed opinions from the *Nuts* office. A group of rudeboys are getting up to no good when something falls from the sky. Yup, the hoodies have to face off a bunch of nasty aliens.

The Gadget Show

CHANNEL 5/HD • 8pm

This week, boinging wingnut Jason Bradbury and chums try to solve Wi-Fi, looking at why it's eternally crap, and seeing if BT and Virgin's new routers don't cause you to swear like you've stepped on a plug. Meanwhile, roving reporter/geeky honey Pollyanna Woodward investigates huge remote-controlled cars. Sexily.

★★★★

The hotel prided itself on the speed of its room service

Get Him To The Greek

FILM4/HD • 9pm

This silly riff on Russell Brand's rock berk Aldous Snow from *Forgetting Sarah Marshall* is as flimsy as single-ply bog roll (Jonah Hill has to get him somewhere) and has no reason to be as good as it is. Plus, surprise! Music mogul P Diddy is very funny.

NATIONAL GEOGRAPHIC/HD • 9pm

FOX/HD • 9pm

With Steven Spielberg involved, this was always likely to be a hit, and so it's proved with this third series just two years after the show started. Tonight, we're seven months on from the arrival of the 2nd Mass in Charleston, and Tom (Noah Wyle) has been elected to political office, while the resistance continues to battle the aliens.

SKY ATLANTIC/HD • 10pm

Ray Donovan (Liev Schreiber) is a "fixer" – a bloke who goes around LA bailing celebs out of the various messes they get themselves into (Tulisa, take note!). On the outside, everything's hunky-dory, but his family's problems often lie deeper than those he helps out. It's a slowish opening ep, but it's worth checking out, for now, at least.

BBC ONE/HD • 8pm

South African Ernie Els got his mitts on the Claret Jug for the second time last year. This year, Brit hopes lie with the likes of recent US Open winner Justin Rose, along with Luke Donald and Rory McIlroy.

★★★★★

England vs Australia

SKY SPORTS 2/HD • 10am

England's record at Lord's against the Aussies isn't the best, with just six Test wins to the enemy's 14, but James Anderson and Stuart Broad absolutely decimated the Kiwis on this track earlier in the summer. Don't bet against them repeating the feat.

WATCH/HD • 9pm

Dynamo's tricks make us gasp with delight, but every now and then there's one thrown that makes you think, "I could do that!" This week he's off to Ibiza, so as well as spectacular sleight of hand, we'll also see lots of lovely ladies in straining bikinis. Hopefully.

COMPANY OF HEROES 2

PC

This Second World War strategy sequel gets most things right. Playing as a Russian commander, you rally troops against pesky

DEADPOOL

PC, PS3, Xbox 360

Hack'n'slasher starring Marvel's bipolar, certifiable anti-hero.

The voice acting and banter are terrific and there are standout guffaws – the game goes over-

budget, and becomes a top-down 2D game, for instance. But most areas can be cleared with just dedicated button-bashing and there's little in the way of character progression, so sadly, it runs out of steam a bit after a few levels. ★★★

Nuts road test the brand new 'Million Pound Drop' game!

Fans of *The Million Pound Drop*, listen!

➔ **THE LATEST** in online games at Nuts Games, "The Million Pound Drop" slot has just landed and we gave it a try. The *Million Pound Drop* is the online game taking the UK by storm. With a top jackpot of £26,000, we had to try it – we didn't win £26,000, but we tripled our wager. Result!

How to play

CHOOSE YOUR COIN SIZE

- Play from 1p up to £1. Payouts are based on multiples of coin size, so the size of your winnings depends on it.
- The game plays on a fixed 25 lines, so if you choose the 1p coin size it'll cost you 25p a spin. Or, if you feel flush, the £1 coin size will set you back £25 a spin - but it could win you £26,000!

CLICK SPIN TO START

- You win cash by matching symbols along your paylines. The WILD symbol substitutes for all symbols except the Bonus Symbol.

COLLECT CASH ON YOUR TRAPDOORS

- Trapdoors lie beneath each of the five reels. Every Bonus Symbol that appears adds to the trapdoor cash beneath it.
- The amount of cash added is based on your total bet. You can win this money at the end of the Bonus!

BONUS GAME & FREE SPINS!

- Win three or more Bonus Symbols to initiate the bonus game.
- First, choose how you want to redistribute the cash across the trapdoors. Once you're happy with your distribution, press "ready" and the FREE SPINS begin!
- A trapdoor can open during each free spin. When one opens, the cash drops through and creates a whole stack of WILD symbols, which means more cash for you on your free spins!
- The WILD stack stays throughout all your free spins. Your free spins continue until just one trapdoor remains – then you win the cash that's left on the last trap door.

IT SAVES YOUR PROGRESS!

- When you're playing the main game, any cash you've accumulated on the trapdoors will save from session to session, even if you log out and log back in another time.

10 RUDE QUESTIONS!

And a real girl to answer them!

Jo

23 Cheshire

1 Where's the best place you've had sex?

"I had sex in a treehouse once. That was pretty strange. I'm surprised it didn't break, as it definitely wasn't built for a lot of movement! I've also had sex in a hayloft, but being a country girl, I guess that isn't too strange to me!"

2 What's your trademark move in the bedroom?

"I'm not sure – I'm quite adventurous, so I don't have one particular trademark move. I do like being in control, though. It's a definite turn-on being in charge in the bedroom!"

3 What really turns you on?

"I have certain weak spots that make me unable to resist when pushed. I also think confidence is a huge turn-on for me. There's nothing better than being with someone when you feel completely confident and comfortable together, so you feel good about pushing the boundaries."

4 What's your favourite position?

"That's a difficult one. I'd say cowgirl or reverse cowgirl. Both of those positions make me feel sexy and in control. However, I'm a sucker for doggy style as well!"

5 What's your sexy outfit of choice?

"I've got my fair share of sexy lingerie, stockings and underwear, but sometimes I think there's just nothing sexier than just wearing a guy's T-shirt or shirt... and nothing else!"

6 Have you ever got it on with another girl?

"There was this one extremely drunk night where things got a little crazy with me and another girl. I'm sure you can imagine what went down – no pun intended! But I will say this – we started off in a nightclub and then went back to her house for more!"

7 Do girls engage in "alone time" as much as boys?

"Girls who say they don't are either liars or clearly missing out! I think girls obviously like to be more private about these sort of conversations than guys do as a rule, but I'd definitely say most of us girls do."

8 What's the rudest thing you've ever done?

"Where do I start? I really don't know. I'm sure there have been plenty of drunken occasions, such as skinny-dipping in Australia, but that's only a minor one, really. I've flashed my boobs on a stage at a festival after a party once, and had sex in a public place. I'll leave the rest up to your imagination, boys!"

PHOTOS: PAUL MUSSO

9 Have you ever made a rude video?
“I think I’d only get up to that if I was in a close relationship with someone I trust. It’s such an intimate thing to do that if it fell into the wrong hands, well, who knows? I like the idea of it, though. Maybe one day.”

10 Is it better to give or receive?
“I’m definitely a giver – I love it! Although, of course, I wouldn’t give receiving a miss either!”

CONFESSION OF THE WEEK!

'Lazy afternoon got playful'

I WAS playing my boyfriend on his Xbox last weekend, and he kept beating me at every game, so I decided to put him off. I pulled my top and bra off, and he got a real eyeful as my boobs jiggled about in front of him. It seemed to do the trick because he suddenly threw the controller down and bent me over the bed. He told me I'd been very naughty and gave me a few slaps on my bum. I moaned in delight so he increased the pressure. I felt him push deep inside me as he continued the spanking. I've never felt so horny in my life!

Kelsey Worcestershire

'I had some desk fun'

ONE MORNING, I woke up very horny, as I'd had a dream about having some

very naughty sex. I work from home, so instead of getting on with that, I noticed a really cute guy I'd been flirting with was online on Skype. After half an hour of dirty talk, I couldn't take it any more and turned

my laptop cam on for him. I pulled my knickers and tracksuit bottoms off and placed both my legs on the table in front of me. I pushed my fingers deep inside myself, and worked my fingers faster and faster until I came loudly. I told the guy that next time he'd have to come round and help me with my "work"!

Emma Chesterfield

'He walked in on me naked'

I'VE JUST moved into a flat with my best friend. Her dad's a builder so the whole place has been renovated. A few bits in the bathroom needed updating, but we had no idea when this would happen. One morning, I was naked, getting ready for work, when I heard the buzzer go. Being in a bit of rush and not expecting anyone, I ignored it. I got a huge shock when my best mate's brother walked in – he'd come to install a new shower head. I said I was getting ready and he told me not to bother. Seeing his grin and growing bulge, I suddenly felt horny. In seconds, we were snogging and I had his trousers and pants off. He gave me amazing oral sex, then bent me over the bath and took me from behind. We've never said a word to my mate – she'd kill me!

Lisa Manchester

'We made a home movie'

I'VE BEEN seeing a guy from work, and recently he invited me over to his to try out his new bed. I rushed out and bought some sexy underwear to treat him, and a bottle of cold champagne. At his, we soon had the champagne open and were kissing on his bed. He suddenly asked me if I fancied making a home movie, explaining it had been his fantasy for ages. I admitted I'd thought about it too, and soon we had the camera out and were playing around. I performed a striptease for him, then he asked me to pleasure myself, and I loved every second. Unable to control himself any longer, he propped the video up at the head of the bed and took me from behind. Then we watched it back and were both so horny that we did it again!

How England broke the Aussies!

2005 bowling hero Matthew Hoggard on how England finally won back the urn!

IT'S ASHES time! And with England tipped to give the

Aussies a tonking over the next couple of months, Matthew Hoggard, part of the legendary side that won the trophy back for England in 2005, tells Nuts how Australia's 18-year dominance in the contest was finally ended. And as he recalls, this was more like a war than a sporting contest. Take it away, Matt!

BRILLIANT BOWLER!

"Hoggy" has been captain of Leicestershire since 2010. Before that, he spent 13 years at Yorkshire.

"Sorry, just checking my Facebook feed"

1ST TEST, LORD'S 21-24 July. Australia win by 239 runs

"We had a dream first day. Steve Harmison hit Ricky Ponting in the head with a ball and drew blood from his cheek, and no English player went up to see how he was. I'm not saying that was right and I'm not condoning that sort of behaviour, but Justin Langer took umbrage and asked us if we were 'at f**king war' with them. We turned around and said, 'Yes!' Even though we hurt them, we still lost. I got a lot of blame because I'd said before the match that Shane Warne and Glenn McGrath were too old and past it. And those two had a fantastic match. But we took the positives out of it - if you can take 20 wickets like we did, you can win a game of cricket."

"Come on, let's go home, you've had enough"

2ND TEST, EDGBASTON 4-7 Aug. England win by two runs

"Before the match started, Glenn McGrath stood on a ball and got carried off with an ankle injury. Everyone was like, 'He could be out for the series!' We scored 400 in a day but the latter stages should have been a lot easier. There was a group of Australians counting down the runs all morning. It started out as, 'Ah, they're counting down, what a joke!' then 'Ah sh*t, they only need ten runs to win!' Eventually, Geraint Jones and Steve Harmison got rid of last man Michael Kasprovicz. You know that iconic picture of Andrew Flintoff with Brett Lee that was seen as an advert for sportsmanship? It was actually Freddie saying, 'That's one-all, you Aussie b*stard, now let's get to the next match!'"

"Hallelujah! I've found the Lord!"

3RD TEST, OLD TRAFFORD 11-15 Aug, 2005, match drawn

"It was mad, there were 10,000 people outside the ground who couldn't get in. Ricky Ponting played a fantastic captain's innings to save the Test for them - we had one wicket to get but just couldn't get over the line. At the end of the match, Michael Vaughan took us all into the centre and pointed at the Aussie dressing room. They were celebrating. He said, 'Look at them, the mighty Australians, celebrating a draw against England. We've got them by the ding-dang-dongs.' If it hadn't been for the weather, we'd have won it, at a place where they normally steamrollered us. That was a turning point. We realised that they weren't robots, that they weren't unbeatable. It was massive."

"Yes! I've got the worst haircut in England!"

4TH TEST, TRENT BRIDGE 25-28 Aug. England win by three wickets

"Well, you've got to mention our fielder, Gary Pratt, who ran out Ricky Ponting. Hilarious! I've got a picture of Ponting turning round to have a go at our huddle and me and Ashley Giles are pointing back at the pavilion, saying, 'F**k off!' When Geraint Jones tried to slap Shane Warne over the top and got caught at mid-off, I could've punched him when he came off the pitch. But I stepped over the white line and suddenly everything felt really calm. I thought to myself, 'Right, you need 13 runs, that's nothing, you can edge that.' Then my batting partner, Ashley Giles, said, 'Shane Warne's turning it both ways and Brett Lee's bowling at 90mph.' And so I was sh*tting it again, thanks to him!"

"No... just... can't... lift it... any higher"

5TH TEST, THE OVAL 8-12 Sept, match drawn. England win series

"Before the match, I felt horrible, because the series was now ours to lose and that brings with it an entirely different kind of pressure. I mean, there was already talk of this open-top bus parade through the middle of London but I was thinking, 'F**king hell, hang on! We ain't done owt yet!' But then came Kevin Pietersen and, well, 'huff said, really - he played some outrageous shots, and in his debut series as well. Shane Warne dropped him, and although Shane got 40 wickets in the series and averaged about 40 with the bat, he dropped that vital catch. Kev, and also Ashley Giles, lest we forget, put us in a position we couldn't lose from. And that was it. We'd won back the Ashes!"

"Bloke with the biggest grin gets to keep Freddie's box"

THE VICTORY CELEBRATIONS!

"We'd had three or four months of huge pressure, so when it finally got to the stage when we could let our hair down, the squad did it with some style! Did I call the prime minister a knob? Yes! Well, he was, wasn't he? We were at 10 Downing Street and I was walking next to Tony Blair. As we got to the front door, across the street there was a bank of photographers. And Tony said, 'Aha! I wonder what they want.' I just looked at him and said, 'They want a photo, you knob!' He just looked at me and walked off."

CRICKET SPECIAL!

Tuffers' Ashes form guide!

England legend runs the rule over the home side's key men!

THE TIME has come for England to defend The Ashes, and the good news is that spin legend Phil Tufnell reckons they'll do just that. Here, he runs the rule over some of England's finest...

- The Ashes First Test, Sky Sports 2/HD, 10 July, 10am

TERRIFIC TUFFERS!

He's now best known for his TV work, but Phil Tufnell was a fine spinner, claiming 121 wickets in 42 appearances for England.

"This is how I deal with burglars"

ALASTAIR COOK OPENER AND CAPTAIN

"He's going from strength to strength, and the transition from Andrew Strauss' captaincy to his own has been utterly seamless. At the moment, he has 25 Test match hundreds – make no mistake, he'll get 40 or more. What's interesting is that as captain, his batting average has actually gone up. He's very calm and level-headed, but also deceptively ruthless, despite his youthful appearance."

"Even batting like this, you'll never get me out"

JOE ROOT BATSMAN

"He looks born to the game. England really have found one there, he's come right in and shown composure, assuredness, confidence, and his technique is sound. I've seen him this summer in partnerships with senior guys and if you were unaware of who was who, you'd swear that he was the older, dominant partner. He's busy at the crease and can play shots – he just looks like he's been playing Test cricket all his life."

"This is loads easier without a ball"

IAN BELL BATSMAN

"He's been a little bit short of runs and had a funny series against New Zealand recently. He'll be as determined as ever against the Aussies, though, because they targeted him as a bit weak, character-wise, but that made him work on that area of himself and he now knows that he deserves to be there."

"Yay! I'm wearing my Xmas pyjamas"

MATTHEW PRIOR WICKETKEEPER

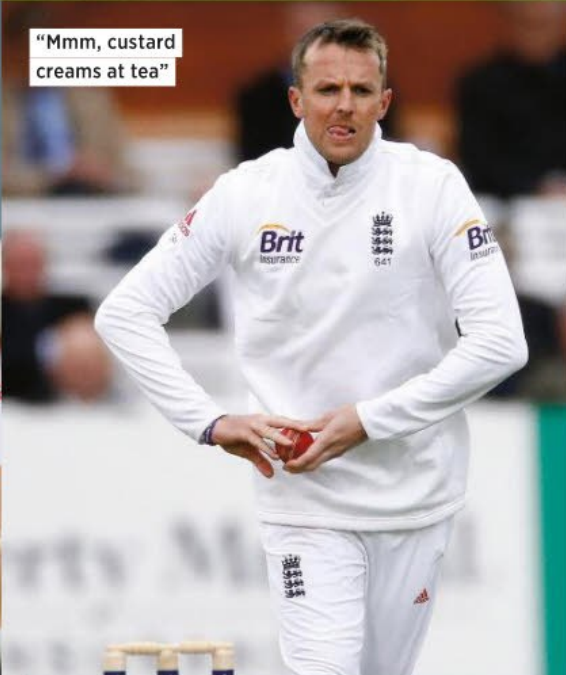

"The best wicketkeeper-batsman in the world, and he's just getting better. He's a leader of that late middle order, with an average in the mid-40s – good enough to be in there as a batsman in his own right. His keeping is much better – nobody's talking about it, and that's a good thing!"

"I'm not getting very far with this juggling"

THE PACE MEN BOWLERS

"Jimmy Anderson is a very skilful attack leader with 300 wickets to his name, but Stuart Broad and Steven Finn are as good – fit and strong. The whole bowling attack is on song – there's an element of the classic '00s McGrath-Gillespie-Lee pace attack that Australia had. The best attack in the world!"

"Mmm, custard creams at tea"

GRAEME SWANN BOWLER

"Swanny came back from his elbow injury like he's never been away – definitely another 'best in the world' in his area. Australia have lots of left-handers in their top seven and his record against lefties speaks for itself. He can also hit the ball late on in the England innings if needed. A natural leader, too."

Pundits predict!

ANDREW STRAUSS
FORMER ENGLAND CAPTAIN AND THREE-

TIME ASHES WINNER

"England's bowling line-up will be looking at some of their inexperienced batsmen and saying: 'We can exploit that.' I'm going for 3-1 to England – they're the better side."

MARCUS TRESOCTHICK
FORMER ENGLAND OPENING BATSMAN

AND 2005 ASHES WINNER

"England are going in as favourites and need to deliver. They're a better side – more controlled in different areas with all bases covered. They should win it comfortably."

MATTHEW HOGGARD
FORMER ENGLAND MEDIUM-FAST BOWLER

AND 2005 ASHES WINNER

"Australia's main problem is the quality of their batting isn't there. That might be famous last words, but if England can get to Michael Clarke early then they're going to win."

GLENN MCGRATH
AUSSIE LEGEND AND RADIO SLIVE SUMMARISER

"I'm a loyal Australian and I can never say we're going to lose. It's going to be much closer than people think. We can regain the Ashes – but if we get off to a bad start it could be a long summer."

Tuffers' verdict!

"The Aussies aren't the strongest – they have a decent bowling attack but seem light in the spin and batting departments. Their seamers could get in among us but I don't see their batsmen making many hundreds. We'll roll them out!"

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"Yuk! That ball tastes horrible"

Don't panic about England's youth!

We're getting carried away about the "crisis" in the game!

➔ **THERE'S BEEN** a lot written about the state of England's young players after the Under-20 side's disappointing showing in the World Cup, coming after the U-21s and their poor European Championship. But we shouldn't panic.

The talent's there, all we need to do is change our

style of play, from the seniors down. Once that change is in place, England will be fine at all levels. They've just got to devote themselves to playing in the same relaxed style that we saw in the friendly against Brazil, and stick to it, rather than reverting to traditional English values every time a tournament comes around.

If you watched Brazil win the Confederations Cup against Spain, they showed that a mixture of closing down and then playing relaxed football when they have the ball can be done.

It's been a difficult couple of months for England's young sides, but I think people are wrong to panic – it's not a national disaster!

QPR job good for McClaren!

I'M INTRIGUED by the news that Steve McClaren has taken a coaching job at QPR under Harry Redknapp – there aren't too many former England managers who'd go back to working as a coach. But it's a relaxed situation where, if he gets a job offer, he can leave, and hey, maybe he thinks he needs the experience. He'll learn a lot from working with Harry – maybe he believes he's missing something when it comes to the attitude side of management.

I'm sure Steve hasn't taken the decision lightly and though some people are talking about it as a step back, I see it as Mac simply wanting to continue his football education, because that's something that never really stops, no matter how experienced you are.

Bournemouth vs Real Madrid friendly beggars belief!

THE BIG game of pre-season is definitely – and I can't believe I'm saying this – AFC Bournemouth against Real Madrid. How did they sort that out? I think 'Arry must have been pulling some strings! I know that a few of the fans were

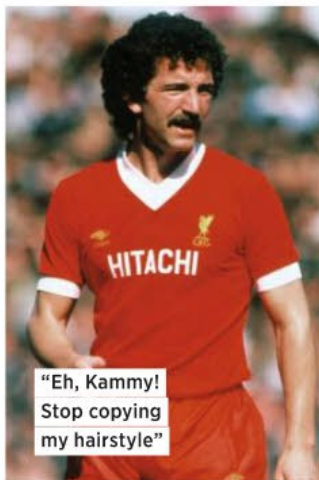

complaining about ticket prices, but it's not often you get Real Madrid washing up on Bournemouth beach!

If you get the chance to see Real at your ground then take it – Bournemouth, sadly, are still a way off the Champions League yet!

"And then Lucy Pinder visited the changing room"

ASK KAMMY!

"Eh, Kammy! Stop copying my hairstyle"

"Who's the hardest b*stard you've ever come up against as a player?"

MAD SAM Bromley

Without a doubt, Graeme Souness. He was a totally different class. Not only was he a brilliant player, he was as hard as nails. He had those massive calves and thigh muscles, and tackles bounced off him, but on top of that he had that class on the ball.

"In the film of Soccer Saturday, who would play you, Jeff Stelling and Merse?"

LES Australia

I'd be played by Denzel Washington, obviously – Jeff by Roger Moore. But Merse? Actually, Merse would play himself so he could pick up the pay cheque, and then ask for double what everyone else gets!

KING KELL!

EXCLUSIVE!

Kell Brook: 'I want to knock Khan out!'

The welterweight chats about knocking out Amir Khan and his busty near-namesake!

Hi Kell! How are preparations going for the rematch with Carson Jones?

Good, thanks! I've been in deep training for a while now. I'm in fight mode already, so the fight can't come quickly enough for me. I've been in the gym twice a day, sometimes three times a day, just to make sure I'm in the best possible shape.

Last time, you beat him, but he broke your nose!

I know! It's not an easy one to come back in with, but I think because we had everyone on the edge of their seats in the first fight, this will be more of the same. I've learned from my mistakes in the last fight though, so I won't be getting my nose broken again. This will be a different fight. I'm looking at making a statement in this fight and getting rid of Carson Jones.

What's the plan after this fight? Will you be fighting for a world title this year?

You never know, you can get a phone call in a week or two and you could be fighting Manny Pacquiao. Strange things happen, but the plan is to win this and then have a blockbuster fight in Sheffield,

then who knows? Mainly, I just want to keep active, my fans want to see me fight, so I just want to be in the ring.

Is Amir Khan still on your radar?

Yeah. I don't like the kid and I want to knock him out. He's said things about me and I've said things about him, so it's time we sorted it out.

Did you see his last fight, against Julio Diaz?

Yeah, I saw that - he didn't look good. He tried to show off by coming to my home town and he got put on his backside, so that served him right!

You're known as Special K. Are you looking for breakfast cereal sponsorship?

Ha-ha! It was Barry Hearn who started calling me that. I like the sound of it, so it's

stuck with me through my career. But I eat steak and vegetables for breakfast. I stick to a programme so I don't have to watch my weight too much.

Thanks for the chat, Kell! Finally, have you ever been mistaken for Kelly Brook?

If you type my name into Google, it used to come up with, "Did you mean Kelly Brook?" but I think they've sorted that now. I've not met her, but I was on holiday once at the same resort and the hotel staff kept coming to my room because they thought she was in there!

● Betfair's The Homecoming is live on Sky Sports 1/HD at 8pm on 13 July. Tickets are available from www.hullkr.co.uk

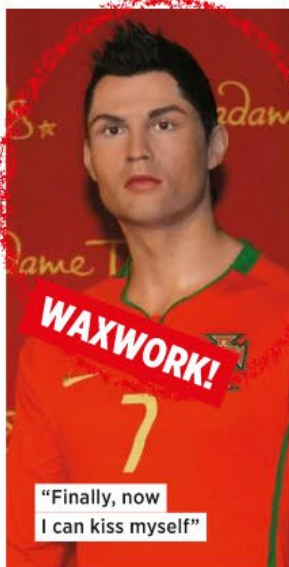

HAVEN'T WE MET BEFORE?

The two first fought last July. Kell (right) was victorious, winning the fight by a majority decision.

WHO ARE YA!?

Premier League ahoy? Footy expert **Gabriele Marcotti** on this week's transfer talk!

FREE

NAME: MARC MUNIESA • **SIGNED FROM:** BARCELONA •
NEW CLUB: STOKE CITY

"Under previous Stoke boss Tony Pulis, Muniesa may never have got a look-in at centre-back, mostly because he's under six feet tall. Mark Hughes obviously feels differently. A product of Barcelona's La Masia academy, Muniesa is quick, intelligent and comfortable on the ball. It's true that he was slowed by a cruciate ligament injury last season, but at 21, he looks to be fit again."

UNDISC

NAME: ALEJANDRO POZUELO • **SIGNED FROM:** REAL BETIS •
NEW CLUB: SWANSEA CITY

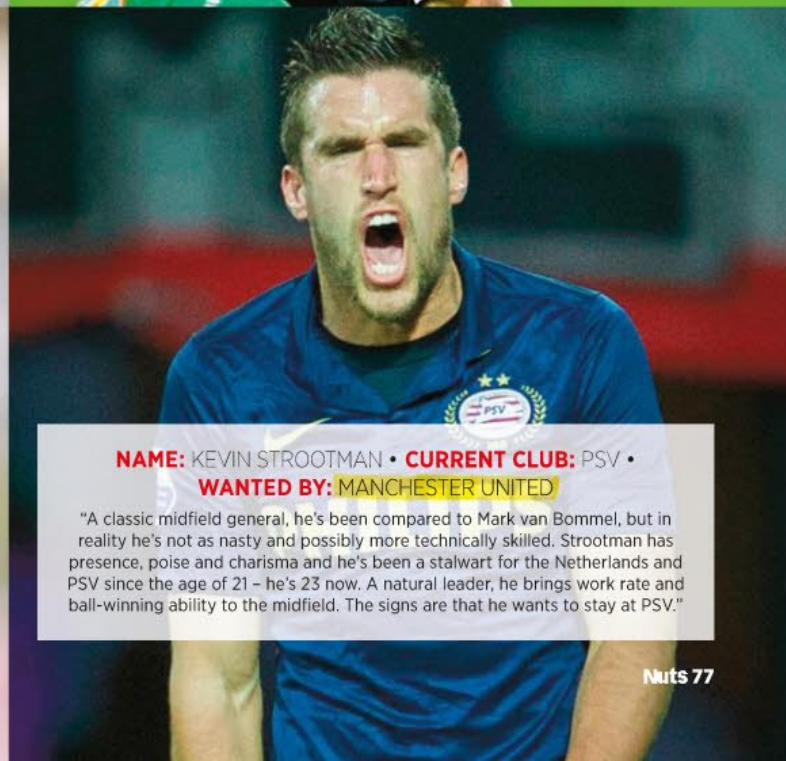

"The attacking midfielder came through the ranks at Betis where he impressed, despite his rawness and inexperience. Pozuelo made his first appearances in the Betis first team in 2011-12, drawing rave reviews, but last season, in part because of injuries and a dispute with the club (where he refused to extend his contract to get a lucrative move abroad), he didn't play after February."

FREE

NAME: YAYA SANOGO • **SIGNED FROM:** FC AUXERRE •
NEW CLUB: ARSENAL

"This tall, rangy striker has been hyped for a long time, ever since leaving Paris for Auxerre's academy at the age of 13. His development has been steady - he's played for France at every age level - without being spectacular, though Arsenal will be hoping he'll come good all of a sudden as he hits 20. He managed nine goals in 13 appearances for Auxerre in the French Ligue 2."

NAME: KEVIN STROOTMAN • **CURRENT CLUB:** PSV •
WANTED BY: MANCHESTER UNITED

"A classic midfield general, he's been compared to Mark van Bommel, but in reality he's not as nasty and possibly more technically skilled. Strootman has presence, poise and charisma and he's been a stalwart for the Netherlands and PSV since the age of 21 - he's 23 now. A natural leader, he brings work rate and ball-winning ability to the midfield. The signs are that he wants to stay at PSV."
